

IADVL Academy Report, January-March2018

Academy Meetings during DERMACON 2018

Meeting of the Academy members for the closing year was held on 18th Jan, 2018 at IADVL Hall, Kochi. The outgoing Academy members, SIG Coordinators and Conveners and workshop coordinators were felicitated. The year opening Academy and SIG Coordinators and Conveners meeting were held on 19th January 2018 and the new Academy and SIGs were welcomed. Important issues like observerships, scholarships, feedback from SIG coordinators, IADVL E library, focus groups, Academy budget and Academy account were discussed. A meeting with IADVL observership program directors and selected candidates was held on 21st January and all the program directors, who attended the meeting, were felicitated

New Members Academy for 2018

Dr Veeranna Shastry, Dr Lalit Gupta, Dr Sushil Pande, Dr (Col) Ajay Chopra, Dr Rajyalakshmi K, Dr Maitreyee Panda, Dr Analjyoti Bordoloi, Dr Sendhil Kumaran and Dr Mahendra Kura have been nominated as Academy members for 2018-2019. Dr K A Seetharam has been designated as Academy Chairperson and Dr. Deepika Pandhi as Convener for 2018-2019.

Reconstitution of IADVL SIGs

SIGs of Pediatric Dermatology, Geriatric Dermatology, Lasers and Aesthetics, Dermatopathology and Dermatology Clinical Trials whose term ended by DERMACON

2018, were reconstituted by inviting applications and approval for the reconstituted SIGs was obtained from the IADVL EC and the AGBM at DERMACON 2018. The following are the Coordinators, Coinveners and Members of these SIGs:

1. SIG Dermatology Clinical Trials (2018-19): Dr Nilay Kanti Das (*Coordinator*), Dr Brijesh Nair, Dr Dipanker de, Dr Sanjay Singh, Dr Piyush Kumar, Dr Maninder Setia, Dr Jayadev Betkerur, Dr Amrita Sil, Dr Rajesh Kumar, Dr Laxmisha Chandrashekar, Dr Feroze Kaliyidan, Dr Vinay Kulkarni

- 2.. SIG Dermatopathology (2018-19): Dr IS Reddy, Dr Saurabh Singh, Dr Ramam M, Dr Sujay Khandpur, Dr Sherina Laskar, Dr Raghavendra Rao, Dr Chirag Desai, Dr Geeta Voolapalli, Dr Uday Khopkar, Dr Nandakumar Gopinath, Dr Geeti Khullar

- 3.. SIG Lasers and Aesthetics (2018-19): Dr Swapnil Shah. (*Coordinator*), Dr Gulhima Arora (*Convener*), Dr Shehnaz Arsiwala, Dr Sanjeev Aurangabadkar, Dr Abhishek De, Dr David Pudukadan, Dr Selvam A, Dr Sachin Dhawan, Dr Bhavesh Devani, Dr Nandini AS, Dr Abhay Talathi, Dr Ankur Talwar, Dr Rajib Roy, Dr Anuj Pall, Dr Janak Thakkar

- 4.. SIG Pediatric Dermatology (2018-19): Dr Ram Gulati (*Coordinator*), Dr Tanumay Raychoudhury (*Convener*), Dr Angoori Gnaneshwar Rao, Dr Vibhu Mendiratta, Dr Bhumesh Kumar, Dr Resham Vasani, Dr Rahul Mahajan, Dr G Sethuraman, Dr Bhushan Madke, Dr Nilendu Sarma, Dr Samipa Mukherjee

5. SIG Geriatric Dermatology (2018-19): Dr Leelavathy B (*Coordinator*), Dr Jagadish Gowda (*convener*), Dr Vibhu Mendiratta, Dr Pratik Gahalaut, Dr P Nirmaladevi, Dr Aarti Sarda, Dr Sheilly Kapoor, Dr Manas Puhan, Dr Raju Chaudhary, Dr B V Ramachandra, Dr Meghana Phiske

6. SIG Dermoscopy was suggested as a Presidential project for 2018 and was approved by the AGBM at DERMACON 2018. Applications were invited for Coordinator, Convener and Members for this SIG and were evaluated by the selection committee consisting of President, President Elect, Immediate Past president, Hon. Secretary General, Academy Chairperson and Convener. The selected list was approved by IADVL EC.

SIG Dermoscopy (2018-2019) This was new SIG, which was added by the academy from this year. The Members of same includes: Coordinator: Dr Manas Chatterjee, Convener: Dr Balachandra Ankad. Members : Dr Laxmisha , Dr Nirmal B , Dr Rahul kumar sharma, Dr Ananta Khurana , Dr Vinay K , Dr Subrata Malakar , Dr Biswanath Behera , Dr Abhijeet Kumar Jha , Dr Usha Khemani

In addition, Dr Sujai Suneetha was selected as Coordinator of SIG Leprosy, as the Coordinator for 2017 Dr P Narasimha Rao, is now a member of IADVL EC as President elect. Dr Vikas Shankar was selected as Member of SIG Leprosy. Dr Madura C has been included in SIG Dermatosurgery as Dr Umashankar Nagaraju resigned following his election as National Honorary Secretary General.

IADVL Observerships

A total of 22 centers have been chosen as observership centers for 2018 of which 6 have been initiated in 2018. One of the centres of 2017 has declined to take observers for 2018. The dermatopathology observership programme director for CMC Vellore has been changed from Dr.Renu George to Dr.Sussane Pulimood .

130 applicants had applied for 22 centres for 2018. Applications for each center were evaluated by two Academy members or SIG Coordinators independently using a scoring sheet. Top scored candidates were selected as per the number of candidates allotted to each centre. Based on this evaluation, 109 were selected (98 < 35 years of age, 11 > 35 years). After the AGBM approval at DERMACON Kochi, candidates were provided their choice of observership, and contacted to confirm their acceptance of programme. In order to decrease the attrition rate of observership, the observers were asked to send email of their acceptance and also instructed to inform the exact dates of observership by March end after coordinating with the Directors.

A total of 106 observers have finally accepted to complete the observership this year; 9 were of >35 years of 2 week observership without stipend and 97 were <35 years for 4 week observership with Rs.10,000 stipend. Dr Sindhura Manne has been selected for the Smt. Mayadevi Observership in Dermatosurgery under DrSubrata Malakar in the Rita Skin Foundation, Kolkata and Dr Ranjana Benniwal for the Dr P B Haribhakti Observership in Dermatopathology under Dr Uday Khopkar in KEM Hospital & Seth GS Medical College, Mumbai.

The feedback forms for both the observers and centre have been modified. A WhatsApp group has been started for ease of communication which include the programme directors, observers, the chairperson, convener and co-ordinators of the observership programme.

Currently 3 have Completed and 5 have ongoing observership.

- DrSudhirNayak and Dr Maitreyee Panda, IADVL Training Fellowships Coordinators

IADVL International Dermatopathology Observerships-2018.

Ten applications were received for the IADVL International Dermatopathology Observerships-2017 and were evaluated by the SIG Dermatopathology. These have been awarded to Dr Vidya Kuntoji, Dr Sunkara Madhuri, Dr Vaishali Masatkar, Dr Jigna Mistey, Dr Isha Narang, Dr Jitender Taneja. They will be eligible to apply for an Observership to one of the following centres and will be paid a scholarship of Rs 1,00,000 each by the IADVL, University of California San Francisco (UCSF) Dermatopathology Service, San Francisco, USA, MD Anderson Cancer Center, Houston, USA, Wake Forest University, Winston-Salem, USA and Mackay Memorial Hospital, Taipei, Taiwan. We would convey our thanks to Dr Venkataram Mysore for initiating this Observership and to Dr M Ramam for coordinating with the centers.

IADVL Research Grants

The present status of the IADVL Research grants and IADVL Loreal grants has been updated and will be uploaded at www.iadvl.org. The list of the nine proposals that were awarded the IADVL Loreal research grant for 2017 was announced in January.

IADVL Loreal research grant 2017

	Title	Applicants	Department	Amount Revised (Rs)
1	Role of serum melatonin and other serum markers of oxidative stress in melasma and correlation with modified melasma severity index	Rashmi Sarkar Vijay Garg Pallavi Allawadi Devadasan Shanthy Choubey Vikrant Goswami Binita	MAMC, Delhi	Rs 2,92,000
2	A split face study to evaluate the efficacy of Platelet rich plasma (PRP) injections vs placebo in treatment of melasma	Bindu Sthalekar Ami Dedhia Sneha Gupta	Smart Skin Solution Clinics, Mumbai	44,610
3	Regional variation in the facial sebum secretion: a cross sectional descriptive study	Meena Makhecha Dipali Rathod Akansha Shrivastava	HBT Medical College and Dr. R N Cooper Municipal General Hospital, Mumbai	2,00,000
4	Comparison of the blood plasma as media over Conventional reagents dulbeco's modified eagle's medium and Trypsin inhibitor in epidermal cell suspension in stable vitiligo And	UmashankarNag araju Abhilasha MD Vamseedhar Annam	Rajarajeshwari Medical College, Bangalore	2,15,000

	immunocytochemical analysis of viability of melanocytes in both media			
5	To compare the mechanism of repigmentation in the repigmented skin following treatment with autologous transplantation of hair follicle suspension and epidermal cell suspension.	Davinder Prasad Ravinder Kumar Sendhil Kumaran	PGMEI, Chandigarh	6,14,500
6	Role of Treg cells and proinflammatory cytokines IFN γ , IL17, IL 23 and IL31 in pathogenesis of alopecia areata	Sendhil Kumaran Tarun Narang Alka Bharti Manju Daroach	PGMEI, Chandigarh	4,12,000
7	Quantitative assessment of melanocyte and epithelial stem cell population in the lower permanent portion of depigmented hair follicles in vitiligo vs. those depigmented hair follicles which become repigmented after non-cultured epidermal cell suspension transplantation.	Somesh Gupta V K Sharma	AIIMS, New Delhi	4,40,000
8	Quality of life in patient with lichen planus pigmentosus and its comparison	Vinod Sharma Vishal Gupta M Ramam Sujata Satapathy	AIIMS, New Delhi	60,000

	with vitiligo and melasma			
9	Questionnaire about awareness of patient towards cleanser, moisturizes and facial cleansers	Venkatraman Mysore Priyadarshini Gaddagimath	Venkat Charmalaya, Bangalore	1,00,000

Interim visits for the three sanctioned Loreal projects for 2017 have been carried out on and feedback conveyed to the applicants.

IADVL Research Grants 2018

Applications have been invited for IADVL research grants 2018 for an amount of Rs 40 lakhs, with the last date of application being 30th April, and the entire submission process has been made online.

Dr Yasmeeen Bhat and Dr Rajyalaxmi K , IADVL Research Grants Coordinators

IADVL Scholarship

There were 126 eligible applicants for DERMACON 2018 and EC approved scholarships of Rs 15000 for all. Till date, this has been disbursed to..... candidates after they submitted their attendance and presentation certificates. 15 scholarships of Rs 50,000 each were approved for World Congress of Dermatology 2019 during AGBM at DERMACON 2018.

DERMAGYAN – IADVL online lecture series 2018

Dermagyan lecture on ' **Antinuclear Antibody Tests: Rationale and Clinical Utilities**” by Debabrata Bandyopadhyay released on website on 28th February.

Applications were invited for 18 proposed DERMAGYAN- IADVL Online Lectures for 2018-2019, that is being continued with an educational grant from Alkem Pharmaceuticals.

The 6 received applications were evaluated by the Academy members by the use of a pre-decided scoring sheet to select the suitable candidate and topic. A speaker was selected based on significant contribution to the topic, the relevance of the topic opted for and whether or not the same had been covered in the past Dermagyan lectures. A minimum score of 50 out of 100 was required for consideration as a speaker. The selected speakers include: Dr Jaykar Thomas (Pediatric Psoriasis- Challenges and Solutions); Dr. (Brigadier) Sanjeev

Vaishampayan (Acute Skin Failure- Pathophysiology and Management including IVIG) and

Dr G Venkat Ramana (Sexual Medicine). Instructions for recording have been framed and shared with speakers for scheduled recordings in April and May. Alkem and 6 Sigma are coordinating the same. Date of first recording is scheduled on 25th March.

Fresh call for applications for other speakers is planned.

Dr Lalit Gupta, IADVL DERMAGYAN Coordinator

Scientific Program of MIDDERMACON, Kanyakumari, 2018

Sessions by the following two SIGs have been recommended: Pigmentary Diseases and Psoriasis. Academy members, in consultation with the Local Scientific Committee, have shortlisted topics for two focus sessions on Cutaneous adverse drug reactions and Connective tissue diseases. Applications have been invited from members through the IADVL e-groups.

Scientific Program of 47th DERMACON, Bengaluru, 2019

Sessions by the following four SIGs have been recommended: Dermatopathology, Dermatosurgery, Leprosy and Geriatric Dermatology. The scientific content has been approved by the Academy and will be sent for IADVL EC approval

Post Graduate activities

PG Thesis Grant 2017

The 18 blinded applications received were evaluated by the Postgraduate Thesis Committee (Chairperson, Dr Adarshlata Singh, and Convener, Dr Reena Rai) and feedback provided to the applicants and the revised protocol was re-evaluated and finally 13 projects were approved by the IADVL EC. Letters with guidelines of grant have been sent to Postgraduates who have been selected for PG Thesis grant.

PGCON

The SOP for holding PGCON, was approved at the Annual General Body Meeting in January 2018 at DERMACON at Kochi. State Presidents and Secretaries from each of the 4 zones have been invited to send proposals to hold PGCON 2018.

PG Thesis Based Award Session

The Academy prepared **the** SOPs for PG thesis based award session with inputs from SOP committee. It was shared with team MIDDERMACON and DERMACON after approval from the IADVL EC.

Dr Veeranna Shastry & Dr Mahendra Kura, IADVL Academy Post-Graduate Co-ordinators.

Fellowship

Curriculum for initiation of fellowship in Dermatopathology ,Dermatosurgery, Pediatric Dermatology submitted to National board of Examination.

WORKSHOPS/CMEs

IADVL research methodology workshops

Research methodology workshops are redesigned as Research methodology and how to publish workshops with the help of SIG Dermatology Clinical trials. SIG Dermatology Clinical Trials and Kerala State Branch, organized a How to Publish-An evidence based approach workshop at Thrissur on 25th February.

IADVL Torrent Dermatosurgery /Aesthetics Workshops

Dermatosurgery workshop was held at Gurugram on 7th Jan 2018 and at Mysuru (11th Feb) and Patna (18th Feb) in association with state branches of IADVL Delhi, Karnataka and Bihar.

Aesthetics workshop was held at Trivandrum (11thMar 2018), in association with IADVL Kerala state branch.

IMPACT Series

IMPACT CMEs were organized by SIG Psoriasis at Vijayawada (4th Feb; 115 participants), Guwahati (24th Feb; 47 participants), Chennai (25th Feb; 68 participants), Manipal (4th Mar; 56 participants), Pune (11th Mar; 81 participants) and Patna (18th Mar; 40 participants) in association with respective state branches.

GALDERMA ADVANCE program on Acne -Oscar Workshop 2018

OSCAR workshop was held at Vizag on (4th Ma; 92 participants), Nagpur (11th Mar; 88 participants), and Kolkata (11th Mar; 41 participants in association with respective state branches.

IADVL E-library

Articles from the following specified journals are available by sending a request to iadvl_e-journals2015@gmail.com. This was informed to all e groups and to all members through state executives.

1. British Journal of Dermatology
2. Dermatologic Therapy
3. Journal of Cutaneous Pathology
4. Pediatric Dermatology
5. The Journal of Dermatology
6. Clinical & Experimental Dermatology
7. Journal of the European Academy of Dermatology and Venereology

The list of the all the members having direct access to the above journals is publicized at all E groups and uploaded on our website www.iadvl.org for the benefit of all our members. List of members with access to E library for 2018 has been prepared by coordination with Editors of IDOJ and IJDVL and obtaining 2 nominees from all state presidents and secretaries. The contract with Wiley is being renewed.

-

IADVL Books

The book on User's manual on management of dermatophytoses. (Viz. recalcitrant dermatophytoses and their management, initiated as IADVL Presidential Projects 2017 was released at DERMACON 2018

The books on cutaneous adverse reactions were released at DERMACON.

Newsletter- SIG Dermatology clinical trials newsletter Random Musing and that of Pigmentary diseases have been released and SIG Pediatric Dermatology newsletter is being formatted.

Public Information Leaflets- 22 public information leaflets were prepared and posted on the website

Online Lecture Series

Digital Lecture series for undergraduates have been reformatted, and the revised series is being processed for upload on the website. It has been ensured that personal names do not appear on the images.

IADVL Academy proposed study

A multicentric study to evaluate the host and pathogen factors in recurrent dermatophytoses' (Principal Investigators: Dr Saumya Panda, Dr Sunil Dogra and Dr Shivaprakash Rudramurthy) has been initiated at four centers (Assam Medical College, Dibrugarh; Fr Muller Medical College, Mangalore; St John's Medical College, Bengaluru; and PGI, Chandigarh) with a grant from Glenmark Pharmaceuticals. All the centers have started sample collections after obtaining Institutional ethics committee approval at their respective centers.

IADVL SIG Activities

Dr Ajay Chopra & Dr Sendhil Kumaran, IADVL SIG coordinators

SIG Dermatology clinical trials

SIG held a How to publish -An evidence based approach workshop with the help of Kerala State Branch, at Thrissur on 25th February. SIG prepared a Road Map and conducted a 1 hour focus session at DERMACON 2018 at Kochi.

-Dr NilayKanti Das, Coordinator and Dr Brijesh Nair, Convener

SIG Dermatopathology

SIG Dermatopathology conducted Dermatopathology Workshop cum CME at AIIMS Jodhpur on 17 March 2018. SIG prepared Road Map for 2018 and the scientific program for SIG session 2019.

-Dr Subrayulu Reddy, Coordinator and Dr Saurabh Singh, Convener

SIG Dermatosurgery

SIG Dermatosurgery conducted the Torrent Dermatosurgery workshop at Gurugram on 7th January 2018, 11th February 2018 in Mysore and March 12th at Patna. The SIG submitted Road Map for 2018 and the scientific program for SIG session 2019.

-Dr Sanjeev Gupta Coordinator and Dr Chander Grover Convener.

-Dr Sanjeev Gupta Coordinator and Dr Chander Grover Convener

SIG Lasers and Aesthetics

SIG organized IADV-L-Torrent Aesthetic workshops at Trivandrum (11thMar 2018), in association with state branch of IADV-L Kerala. SIG has planned the format for SIG of the month for ACAD yahoo groups that will be initiated in April. SIG prepared the Road Map and conducted a 1 hour focus session at DERMACON 2018 at Kochi. Discussions are being carried out with Glenmark Pharma to sponsor Laser workshops.

-Dr Swapnil Shah, Coordinator and Dr Gulhima Arora , Convener

SIG Geriatric Dermatology

The SIG submitted Road Map for 2018 and the scientific program for SIG session 2019.

-Dr.Leelavathy BR Coordinator and Dr

Jagadish B Convener

SIG Leprosy

Celebration of IADVL & World Leprosy Day by SIG Leprosy

1. SIG Leprosy designed the theme and informative material for celebration of World Leprosy Day on 28th January and IADVL Leprosy day on 30th January.
2. The theme for this year was 'Zero deformity in Children' and 'Leprosy Free India'.
3. Convener SIG Leprosy, Dr. Santosh Rathod, disseminated informative material and the suggested posters and PPT to all state secretaries and presidents and directed all state SIG Leprosy members to coordinate and support the Leprosy day celebrations.

Few Notable Activities carried out on Leprosy Day are as under:

1. Telangana iadvl hosted a cme on leprosy today on the occasion of world leprosy day at GANDHI medical college campus. I took part In the cme as faculty. It was well attended. The event was co-ordinated by Dr. P N Rao and Dr. Sujai Suneetha.

The cme was fully sponsored by GANDHI medical College alumni association, including the lunch which followed It.

What was heartening was that the president of the alumni association dr Pratap reddy generously and graciously offered to fully sponsor all future leprosy day celebrations of coming years. What a magnanimous outlook for a good cause!! Sincere appreciation to their kind gesture.

2. In Gujarat, Today on the occasion of 'World Leprosy Day', We organized Leprosy Awareness Cycle Rally and Walk. The Rally started from Riverfront Flower Park upto Wadaj AMTS bus terminus and from there walk upto World Renowned Sabarmati Gandhi Ashram. The event was organized by SIG leprosy, Dr. Santosh Rathod, Convener, SIG Leprosy in cooperation with department of Dermatology, V. S. HOSPITAL and Gujarat State Branch of IADVL.
IADVL vice president: Dr. Jagdish Sakhiya, IADVL GSB president : Dr. Suresh T. PATEL
state secretary: Dr. Dhananjay Prajapati, HOD VS hospital : Dr. Raju Chaudhary, HOD Civil hospital : Dr. Bela shah, took a pledge with about 50 participants at Gandhi Ashram to 'make India leprosy free'.
The event was well covered by all local television channels of Ahmedabad.

3. Dr. Santosh Rathod gave a talk on All india Radio in Gujrati language and wrote a news paper article on Leprosy awareness.

4. Leprosy awareness walk and pledge in Gandhi Medical college/HOSPITAL on the occasion of ANTI LEPROSY DAY on 30-1-2018 - dept of DVL, Leprosy awareness walk on necklace road and slogans on the occasion of WORLD LEPROSY DAY on 28-1-2018 (today) by IADVL TELANGANA HYDERABAD

5. Dr. Sunil Gupta, SiG Member from Lucknow observed, National Leprosy day "To come for removing public fear and rehabilitate Leprosy affected" Humanity is in the help of diseased, pained and neglected one and to bring them in our society with respect. Our goal is zero disability in leprosy patients and zero discrimination of leprosy affected people.

6. IADVL Rajasthan state Secretary Dr. Rajkumar Kothiwala, enrolled 20 dermatologists from Rajasthan in the 'DermLEP SURVEY' .

स्पर्श कुष्ठ रोग जागरूकता अभियान पखवाड़ा शुरू...

'समय पर पहचान हो तो कुष्ठ रोग का उपचार संभव'

पत्रिका न्यूज नेटवर्क
rajasthanpatrika.com

अजमेर मुख्य चिकित्सा एवं स्वास्थ्य अधिकारी डॉ. के.के. सोनी ने कहा कि संभावित कुष्ठ रोगियों को खोजकर उपचार प्रारंभ करवाएं एवं क्षेत्र में इस रोग के प्रति फैली भावितियों को दूर करें। पूर्व में उपचार मुक्त रोगियों का फॉलोअप भी करें। इसका इलाज कुछ मामलों में छह माह एवं कुछ में 12 माह का हो सकता है। समय पर कुष्ठ रोग की पहचान कर चिकित्सक से परामर्श से इलाज संभव है।

मुख्य चिकित्सा एवं स्वास्थ्य अधिकारी कार्यालय के सभागार में मंगलवार को स्पर्श कुष्ठ रोग जागरूकता अभियान पखवाड़ा के उद्घाटन समारोह को संबोधित करते हुए डॉ. सोनी ने संबोधित किया। उन्होंने जिले के सभी ब्लॉक मुख्य चिकित्सा अधिकारियों को भी स्पर्श कुष्ठ रोग अभियान के दौरान निदेशालय से प्राप्त दिशा निर्देशों के अनुसार विभिन्न गतिविधियां करवाने के लिए निर्देशित किया गया। उप मुख्य चिकित्सा एवं स्वास्थ्य अधिकारी (स्वा.) डॉ. लाल धदानी ने कार्यशाला में उपस्थित नर्सिंगकर्मियों एवं आशाओं को बताया कि कुष्ठ रोग पूर्णतः ठीक होने वाली बीमारी है। प्रारंभिक अवस्था में ही पता लगाकर पूर्ण उपचार लेने पर यह ठीक हो सकती है। यह एक मामूली बीमारी है, जो एक जीवाणु (लेप्टो बैसिली) से होता है। यह कोई ह्यूआइड एवं दैवीय प्रकोप या आनुवांशिक रोग नहीं है। इसकी जांच एवं इलाज सभी सरकारी अस्पतालों एवं स्वास्थ्य केन्द्रों पर मुफ्त में उपलब्ध है। जनसमुदाय में रोग के प्रति फैली भावितियों को दूर किया जाए। पखवाड़े के दौरान उपचारमुक्त रोगियों का फॉलोअप किया जाए। इस रोग की शुरुआत में पहचान एवं जांच करवा ली

लेप्रोसी कार्यशाला में उपस्थित चिकित्सक व अन्य।

संवेधित करते सीएमएचओ।

जीरो लेप्रोसी मिशन- डॉ. कोठीवाला

भारतीय चर्म, यौन रोग एवं कुष्ठ रोग संगठन के राज्य सचिव डॉ. राजकुमार कोठीवाला ने बताया कि बच्चों में लेप्रोसी खत्म करने के लिए जनजागरूकता के कई आयोजन किए गए। खासकर जीरो लेप्रोसी मिशन पर देश व प्रदेशभर में आयोजन किए गए। इस रोग के प्रति लोगों में भावितियां हैं, वे बिल्कुल झूठी हैं। यह एक जीवाणुजनित रोग है जो टीबी की तरह एक माइक्रोबैक्टीरियम लेप्टो नामक जीवाणु से होता है। प्रदेश के सभी मेडिकल कॉलेज के साथ अजमेर के जेएलएन मेडिकल कॉलेज में भी लेप्रोसी सर्वे टीमों का गठन किया गया है। सर्वे के लिए सभी मेडिकल कॉलेजों, जिला अस्पतालों, प्राइवेट अस्पतालों के चर्म रोग विशेषज्ञों की टीम बनाई गई है।

जाए तथा पूर्ण इलाज लिया जाए। घर-घर सर्वे के दौरान मौसमी बीमारियों एवं स्वाइन फ्लू सर्वे के साथ-साथ संभावित कुष्ठ रोगियों का भी सर्वे किया जाए। कार्यशाला में अजमेर शहरी डिस्पेन्सरियों के चिकित्सा अधिकारी प्रभारी एवं नर्सिंग कर्मचारी एवं आशा सहयोगिनियों ने कुष्ठ रोग दिवस पर आयोजित कार्यशाला में भाग लिया। कार्यशाला में जिला आशा समन्वयक महेश बिहारी माथुर, लेप्रोसी अनुभाग के प्रभारी रामस्वरूप साहू ने भी आशाओं को स्पर्श कुष्ठ रोग पखवाड़े में घर-घर सर्वे के दौरान संभावित कुष्ठ रोगियों का पता लगाकर

कुष्ठ रोग की आसान है पहचान

चमड़ी पर चमड़ी के रंग से फीका, एक या एक अधिक दाग या धब्बे जिलमें सुन्नक, सूखापन, पसीन न आता हो, खुजली या जलन, चुभन न होती हो, तो कुष्ठ रोग हो सकता है।

खट्टर पर, चेहरे पर, भौहों के ऊपर, कान के ऊपर सूजन-गठन, दाढ़ों या तैलीय चमक दिखाई पड़े, तो कुष्ठ रोग हो सकता है।

हाथ पैर में सुन्नता, सूखापन एवं कर्मजोरी होने पर भी कुष्ठ की जांच करवाएं।

एम.डी.टी. (कुष्ठ निवारक औषधि) कुष्ठ की शर्तिया दवा है, जो सभी सरकारी अस्पतालों एवं स्वास्थ्य केन्द्रों पर मुफ्त उपलब्ध है।

चिकित्सक से पहचान करवा संभावित रोगियों की चिकित्सा उपचार प्रारंभ करवाने के लिए से पहचान करवाएं एवं पूर्ण उपचार प्रेरित किया। उन्होंने बताया कि करवाने पर राज्य सरकार की सहयोगितियों की ओर से खोजे गए से प्रोत्साहन राशि भी देस

Chauhan, Convener*

Academy Meeting

Annual Midterm academy meeting is scheduled from July 14th -15th 18 at, *Delhi*

Academy activities with the backing of the EC, have increased transparency and objectivity. Applications are now being invited for Academy and Special Interest Group (SIG) members, Observership centers and candidates, speakers for DERMAGYAN Online Lectures and MIDDERMACON Academy sessions, DERMACON Orations, and editors and authors for IADVL books. Application forms have been specifically designed (and approved by the EC) to allow objective evaluation, using a scoring sheet, by Academy members to ensure selection by merit. In addition monitoring of e-library usage, formal feedback for PGCONs, Research Methodology and How to Publish and Torrent Workshops, Observership candidates is being obtained. Guidelines, books, public information leaflets and newsletters are being peer reviewed.
