## FROM THE DESK OF THE PRESIDENT

Dear IADVL Members,

It is a matter of great privilege and honour to write this message for IADVL news bulletin. The year 2011 till date have seen a lot of developments in our organization I am thankful to all the office bearers and the members for their continued support and co-operation. The year so far has been very hectic as a lot of planning and implementation was to be done. IADVL will conduct its first online mock election on trial basis. I am sure this drill will enable increased participation across the country. I thank Dr Joshipura and Dr Patwardan.

I wish all the best to our Dr V K Sharma, Organizing Secretary, ICD 2013. We had a discussion at WCD, Seoul, with the members of ISD regarding the registration fee for IADVL, ISD and SAARC members and scholarships to IADVL members.

IADVL arranged first ever Ancillary Meetings during WCD 2011 at Seoul. I am sure that this was a learning experience in more than one way. It was very well attended and we also issued certificates to the participants. I congratulate Dr Ramesh Bhat for organizing the meet successfully. Dr Chetan Oberoi completed his term successfully as Regional Director of WCD and with Dr Sacchidand were able to bid for WCD in well planned manner. Our bidding was well appreciated by all voters in Seoul. I congratulate Dr Hemangi Jerajani, our past President, who got elected as Regional Director of WCD. It is for 2 terms i.e 8 years. This should be of great help to plan bidding for WCD in future. Congratulations to Dr Tarun Narang for getting a gold prize for his poster in WCD. The Vitilicon conference held at Bangalore was a roaring success. I congratulate Dr. Venkataram, Dr. Chandrasekhar, Dr Krupashankar and team for their efforts. Bangalore Dermatology Association has identified and adopted a village near Ramanagaram, to render free services to the poor and needy. I request all state IADVL branches to adopt such service programs which are good for the community and in specific to the poor and needy.

I wish all the best to the SIG groups for the initiatives taken. Their work has to be applauded. I wish Dr. Kiran Godse who will be publishing a book on Urticaria very soon.

Dr. Arijit Condo , as IADVL academy Chairman and Dr. Manas Chatterjee as convener, have contributed immensely to the organization. I wish the new Chairman Dr. Arun Inamdar and convener Dr Shyamanta a very best for the year ahead. I sincerely thank Dr Shyam Verma for his outstanding work on Indian Dermatology Online Journal. Dr DM Thappa, the chief editor and his renowned editorial team of IADVL has made our IJDVL an international journal.

IADVL is publishing Dermatosurgery task force book which is very helpful to our members. I also thank Dr. R.G. Valia and his team for their dedicated work in successfully bringing out the amended constitution. Dr Jayadev Betkerur is managing our funds very efficiently.

**Dr. S D N Gupta**  
President IADVL  
[LM/KN/1892]

## MESSEGE FROM PRESIDENT ELECT

Dear All,

Amazing.

Amazing is the strides IADVL is making.

Until recently we were the last among equals but now we have moved over to first few rows. This phenomenon is not limited to our association and sub-speciality but in all walks of life. India is glowing. Until recently the President was chosen by consensus or race between two but now we have 5 to 6 contestants fighting it out.

Until recently an Indian face in international meet was a rarity and now we do not notice it any more. Indians at international arena is taken for granted. Awards have increased the movement. Sister society meets attracts full house.

Until recently the voice of senior dermatologists we unheard and but now with ACAD in action, "the barrier of years," is shed. Dr Gopinathan and Dr Batra argue it out with lots of give and still more takes. And during all this Dermatome Dr Premlatha walks away with an award. Until recently General Body meet, was a meet of few for many but not any more. Our democratic roots are further strengthened and organised chaos has taken roots. Until recently we had but rare representatives in international bodies but the Oberis, Hemangees, Joshipurans and Vermas and Sharmas have changed the configuration. DERMACONS and CUTICONS are becoming larger and larger. Dedicated groups for sub-specialities are heard more & more often.

The August issue augers well for our association.

President Elect

[LM/TN/1978]

**Dr. C. R. Srinivas**

P.S.G. Medical College,  
Coimbatore, Tamil Nadu

## MESSAGE FROM IMMEDIATE PAST PRESIDENT

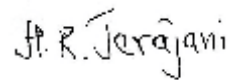

Dear Friends

It is my great pleasure to write a message for the August Issue of IADVL News 2011

It is heartening to know the growing trend of members waiting for the IADVL News. Due to varied activities carried out by IADVI, all strata of members: old and young, professors and private practitioners and above all students eagerly wait for various scholarships and advertisements

I am extremely proud that this year, two of our members are the recipient of International Society of Dermatopathology (ISDP) scholarships. This matter was discussed at the Dermatopathology symposium in Bangalore with President of ISDP when I was the then the President of IADVL in 2010 and in 2011, the scholarships have been realised. The key person in this matter is Dr Venkatram Mysore and I deeply wish to thank him for his forward vision.

I will be really very happy if we could support the green initiative and make our communications paperless

Immediate Past President  
[LM/M/710]  
**Dr. Hemangi Jerajani**

## THE SECRETARY SPEAKS

Dear Colleagues,

Greeting from IADVL Secretary,

We had a successful EC MIDERMAMEET at Bangalore. I am also happy to inform you that our Ancillary meeting during WCD was very successful. We are also organizing Sister Society meet during EADV Congress at Lisbon, Portugal on 20th of Oct 2011. I welcome all Indian delegates to this meet. I congratulate Dr Hemangi Jerajani for being elected as the regional director of ILDS and Dr S Premalatha for being selected for ILDS certificate of appreciation award.

IADVL is marching ahead with the idea of E Voting. There will be a trial run this year. I am also happy to inform you that there are a record number of contestants for the election 2012. We are also launching much awaited Professional Protection Linked Family Benefit Scheme (PPLFBS). The detail of this scheme is announced in this issue of IADVL News & Website. I am also happy to inform you that we have updated our registration process of our association.

I request all the members to actively participate in the various activities of IADVL.

Long live IADVL

Regards,

**Dr. Ramesh Bhat M.**  
(LM/ KN / 2051)  
Hon. General Secretary

## THUS WRITES THE TREASURER

Dear Friends,

I write this message with the satisfaction of having achieved something. We spent more but could achieve some financial discipline. Our association has renewed its registration. Most importantly we have taken another step forward in implementing the Dermatologist Venereologist and Leprologist Welfare Fund. The Benefit Scheme has been registered and we will be taking off from October 2011. The other initiatives taken up in the last 2 years have started to bear fruit. The concise textbook is all but ready and IDOJ is vibrant and popular. The new constitution has been distributed. The Dermatosurgery guidelines which will be published shortly.

We could achieve all this through co-operation and active participation from all of you. We hope that all members will be with us during the remainder of few months of our tenure.

Long live IADVL

**Dr. Jayadev Betkerur**  
Honorary Treasurer, IADVL

## WELCOME MESSAGE FROM THE DESK OF THE ORGANIZING SECRETARY

### Welcome to DERMACON - 2012

Hon'ble IADVL Members

Khamaghani ! Namaskar !

It gives us immense pleasure to invite you to the **40th National Conference of the Indian Association of Dermatologists, Venereologists and Leprologists DERMACON-2012** at enchanting **Pink City Jaipur, 'The Tuscany of India'**. The conference will be held from **9th-12th February 2012** and also we have planned a **pre-conference workshop on dermatosurgery & cosmetic dermatology on 8th February 2012** at the **B.M. Birla Science & Technology Research Center, Jaipur** which is one of the finest conference destinations in Asia.

Enumerating the essence of more than 284 years old Rajasthani splendor and grandeur, Jaipur has a variety of charms to cater to everyone. **Pink City Jaipur**, the heart of emerald in the world of gems, is one of the few planned historical cities in the world. Its **heritage palaces, forts, gardens, handicrafts, jewellery, sculpture, bandhej saree, printed bed sheets, quilts** and above all cheerful people, the friendly atmosphere and colorful festivals are the secret of its charms. The stupendous bazaars of Jaipur are a perfect place to shop for **gems, handicrafts, antiques, jewellery, pottery, carpets, textiles, metalwork and leather ware**.

It has an excellent connectivity by rail, road and air and the city has horde of visitors from national and international destinations.

The vision of **DERMACON-2012** is Inspiration, Illumination & Education This annual conference has been the best forum for us to enhance our knowledge and learn about the latest in our field. Not only has it provided a base to young Dermatologist, but has also helped others to update themselves. Living the tradition, We the members of the organizing committee, will leave no stone unturned to make this academic event a great success.

The conference will provide for **hands on workshop, CME, plenary lectures, sub-speciality symposia, interactive sessions, award paper sessions, free paper sessions, poster and video presentations**. Eminent faculty comprising of experienced luminaries from across the globe will be invited to interact in scientific deliberations with their knowledge, skill & vast experience.

With warm regards,

- Dr Chetan Patel- PPLFBS
- Dr SDN Guptha welcomed the members
- Dr Ramesh Bhat Honorary Secretary presented the Secretaries report. The report included-  
Membership Drive-PLMs(since Jan 2011) 59, LMs 53
- Nomination to ILDS appreciation award- Dr S Premalatha , ICD Contract signed, WCD booklet sent to all ILDS delegates, WCD Ancillary meeting invitation to be sent to all delegates, EADV Sister Society Meet On Oct 20<sup>th</sup>, 2011.
- Website of DERMACON 2012 launched, Venue inspection of 2013 DERMACON conducted –Ahmedabad, IADVL News-April 2011 issue released WWW.iadvl.org
- Updated-National Executive, Branch Executive, PPLFBS, ILDS WCD contract, IADVL Loreal Pigmentation Research Grant announced in website. IADVL Fellowship announced ,Events Section updated
- Constitution updated version –Released
- IADVL TN IMA Fellowship issues- Letters issued to IMA(TN & Central), MCI.
- Dossier submitted to MCI, Letters sent to all Deans, Board of Governors. President met Dr Devi Shetty one of the Board of Governors, Delhi members met Dr Choudhury
- National Executive Extended.
- Dr V K Sharma raised the issue of including the new members in the EC. He opined that eventhough AGBM has agreed, it should have gone to constitution committee before inclusion. This will have future implications.
- Dr Sacchidanand informed that these new members can be added ,Dr V K Sharma wanted these members as invitees. Dr Koushik Lahiri informed that it may not be ideal to discuss this issue as it has already been passed in the general body amounts to questioning the wisdom of GB. Dr S D N Guptha sought the opinion from Dr Joshipura, who opined about the issue. The changes related to constitution should be updated in the websites the term and duties can be decided by the constitution committee. EC committee should suggest the protocol for inauguration and IADVL day. Dr Sacchidanand opined that only elected members can be on the stage and others in the audience.

- Dr V K Sharma informed that many decisions are taken in a hurried manner and later once again discussed in the future general body meetings.
- Dr C R Srinavas told that constitution committee can override the decisions of GB. Dr Venkataram informed that if constitution committee rejects the general body's decision, it has to go back to GB.
- Dr Hamangi Jerajani informed that all the minutes of the meeting have to go to constitution committee. Dr S D N Guptha agreed to send this issue for the opinion of constitution committee. Dr Timbadia and Dr Shyam Verma gave their opinion.
- Dr Jayadev Betkerur presented the treasurers report. He gave the total money spent on IADVL Loreal pigmentation research grant, IADVL GSK Quiz, SIG Urticaria group, IJDVL fund, WCD and ICD expenses, fellowship expenses. Dr Ramesh Bhat informed that additional 3 lakhs has been given by UCB for textbook on Urticaria.
- Dr Jayadev also gave the cheque from savings of South Zone conference 2010 (DERMAZONE 2010).

## IADVL Academy of Dermatology including SIGs:

Dr Manas Chatterjee presented the IADVL Academy of Dermatology members list. He mentioned the new SIG formations.

1. Pigmentary dermatosis – Dr Koushik Lahiri
  2. HIV STIs – Dr Yogeesh Marfathia
  3. Leprosy – Dr Narasimha Rao
  4. Dermatotomy – Dr Raghunath Reddy
  5. Pediatric Dermatology – Dr S Criton
  6. Atopic Dermatitis – Dr Sandeepan Dhar
  7. Cutaneous adverse reaction group – Dr Uday Khopkhar
  8. Trichology – Dr Murugurundaram
- Proposed study on Parthenium dermatitis by environmental dermatosis groups. A budget of Rs 67, 000/- has been proposed. Dr Coondoo suggested whether money can be arranged through sponsorship or from SIG Urticaria money. Dr Hemangi Jerajani informed that money has been given to IADVL and can be utilized. Dr Srinivas wanted the money to be released for this academic activity. Dr Jayadev opined that budget is too small. Dr Gupta agreed to sanction the present amount and ask for a new proposal in future.
  - SIG Dermatologic nursing has prepared a nursing curriculum. Publication of the material also requires release of money. Dr Srinivas suggested the SIG nursing should propose the budget before the approval.
  - Dr Coondoo informed that IADVL has submitted a dossier to MCI. Dr Thappa who attended the curriculum meeting informed that Part 2 of Medicine paper 2 will be divided to Psychiatry and Dermatology. Internship has been made mandatory in Dermatology.
  - Dr Vineet Kaur will be attending as a faculty in nursing care ancillary meeting.
  - Flipcharts on acne and skin care has been prepared. The Secretary informed that Neutrogena has shown intension to sponsor this project.
  - Dr Coondoo mentioned the SIGs which are actively doing the work. The duration of SIGs is for three years. Dr Hemangi Jerjani, Dr Vishalakshi Viswanath, Dr C R Srinivas and Dr Venkataram participated in the discussion. It was felt that IADVL academy of Dermatology should report and evaluate SIGs. Dr Coondoo opined that the Academy has only asked for the reports and EC should evaluate. The SIG conveners are appointed by the President in consultation with IADVL Academy and endorsed by the general body.
  - Dr Mysore Venkatram presented the teachers training programme in dermatopathology for three months.
  - The discussion also included regarding IADVL Academy Chairperson and Convener elect post. **Dr Arun Inamdar** and **Dr Shyamanta Barua** have been proposed by president for chairperson and convener elect post. The appointment letters also have been sent.

## INTERNATIONAL CONFERENCE ISSUES:

- Dr Sacchidanand presented the WCD issues including the website, promotional CD and WCD bidding brochure. The promotional materials have already been sent to all ILDS delegates. Dr Sacchidanand requested volunteers to be present at WCD bidding stall at Seoul. He also informed that a lunch will be hosted for ILDS delegates. A gift will be given to all ILDS delegates. He emphasized that WCD has never been held in Asia Africa zone to which India belongs. He informed that only negative point for Bangalore was the absence of a good convention centre.

- ICD issues: Dr V K Sharma presented the matters related to ICD. Dr Sharma informed that a contract has already been signed. Dr V K Sharma informed that the contract cannot be put in the website as it is a matter of confidentiality.
- ICD will be held at India Expo Mart (11<sup>th</sup> ICD) from December 4<sup>th</sup> – 8<sup>th</sup> 2013. It is situated in Greater Noida which is nearly 2 hours from the International Airport.
- If there are sufficient funds, giving food during the conference will be considered after consultation with ICD, otherwise also a food court will be arranged.
- All international conferences will be done by the IADVL as per the constitution and not by the Delhi branch alone. 4<sup>th</sup> of December will be the Sister Society meeting and inauguration with reception. December 6<sup>th</sup> will be the presidential dinner and 7<sup>th</sup> is the date of the contract being signed, \$75,000/- will have to be transferred before June 17<sup>th</sup> to the ICD. He also presented the detailed budget regarding charging the exhibitors.
- Dr V K Sharma informed that \$100/- were charged for exhibitors in China and he will analyze on this issue. Dr Jashipura informed that during the international conference it is required to promote ICD to the pharmaceutical companies. Core committee and IADVL members need not become ICD members to become exhibitors. He also mentioned the members of the core committee. Dr Rajeev Sharma has been appointed as secretary general of ICD. Dr Somesh Gupta will be the Treasurer.
- Scientific committee chairman is Dr Thomas Ruzika appointed by the ICD. The conference events manager has demanded 7% of conference expenses on a minimum of 20 lakhs as their service charges.
- The EC approved the various committees and Dr VK Sharma requested to release Rs fifty lakhs towards the conduction of the international conference of Dermatology. He also requested to provide the resolution in the official letter head which was given by the secretary. The secretary informed about the WCD IADVL ancillary meeting.

## **PROFESSIONAL PROTECTION LINKED FAMILY BENEFIT INSURANCE SCHEME (PPLFBS):**

Dr Chetan Patel highlighted on the issue. On behalf of IADVL Gujarat state branch will run the scheme with headquarters at Vadodra, Gujarat. The trust will be named as Dermatologist Venereologists and Leprologists trust. Number of trustees should be in odd numbers. So a total of seven trustees have been proposed with Dr Yogesh Marfatia as local trustee. There will be a general body meeting of the trust during DERMACONS.

Dr Narendra Patwardhan, Dr Kuriyipe and Dr Mysore Venkataram participated in the discussions. The premium is according to the age group. Presently the social security and professional negligence will be included and later on health benefits can be added. The officer bearer's work is honorary and will not be paid. Professional protection scheme is divided into three categories (clinic work, surgical work and procedures). The premium will vary depending upon type of practice. Many felt that this may require further discussion. Dr Venkataram enquired whether by paying a higher premium it is possible to increase the compensation amount. Opinion from experts would be sought in classifying the categories of dermatologists according to severity and risk. An expert committee may be formed for this purpose to scrutinize the claims also. It was also discussed regarding inviting one of the IADVL executive members for the meetings. Dr Jayadev wanted loan to be given for the initiation of the scheme may require around two lakhs for the initial process. The scheme will be implemented as soon as the registration process is over.

## **IDOJ ISSUES**

Dr Shyam Verma presented the IDOJ issues. He informed that the second issue of IDOJ has been released. The journal has fulfilled the objectives of starting the journal, the review process is lenient. Many authors from west have volunteered to write articles to IDOJ.

## **IADVL CONCISE TEXTBOOK OF DERMATOLOGY ISSUES**

Dr Vishalakshi Vishwanath presented the matters. Rs 10,000/- has been received from IADVL. Total expenses are around Rs 25,000/- Wiley Science has been selected as the publisher. The contract has been reviewed by EC members and Textbook Adversary Committee members. The royalty has been increased after negotiations. Wiley Science was interested in this project in view of the wide market in India. MCQS and Atlas will be included. Thirty-five chapters have been received. The editorial work will be finished by August and the book will be ready by next DERMACON.

## **IADVL ONLINE ATLAS ISSUES:**

The initial draft was made by Medknow publications. Homepage has been made, however after that process has been stagnated as Dr Sahu of Medknow has not shown much interest. Dr Manas Chatterjee asked the opinion whether to change the publisher. Dr Hemangi Jerajani asked Dr Manas to give an ultima tums to Medknow publishers before changing the publisher.

## **IJDVL ISSUES:**

Dr. D M Thappa presented the IJDVL issues. He informed that journal, all the issues are on time & May June issue is before time. Now features like android applications have been added. The PDF files are being sold. Plagiarism is a big problem. He presented the statistics related to submission of articles & rejection rates. He wanted to introduce new awards for publications in each category. He acknowledged the help of Dr. H Jerajani for contribution of Rs five (500,000) lakhs from Systopic laboratories. There was an enquiry about advertisement from a few cosmetology products. Dr. C R Srinivas informed that it is better to enquire other editors regarding advertising policy.

## **DERMACON 2012 ISSUES:**

In the absence of Dr. Dinesh Mathur, Dr. Ramesh Bhat read the mail of Dr. Mathur. Website has been launched & dates are Feb 8<sup>th</sup> -12<sup>th</sup>. Dr. CR Srinivas wanted a seperate group for all members related to DERMACON. Dr. Koushik informed that there is some flaws in the website.

## **IADVL GSK QUIZ:**

Dr. Ramesh Bhat informed that the process is not yet started & contract has not been signed with GSK yet. The quiz process may start only in October.

Dr. Narendra Patwardhan & Dr. SDN Gupta presented the issues related to IADVL MP Branch. The president informed that there are difference between members from Indore & Bhopal. Dr. H Jerajani opined that senior member Dr. D K Gupta can help in solving the problem. The secretary informed that there is also problem with Chattisgarh branch.

## **ELECTIONS 2012 ISSUES**

Dr. Suresh Joshipura & Dr. Narendra Patwardhan presented election 2012 issues along with electronic voting. Dr. Joshipura affirmed that we may have to do lots of address corrections in view of 450 returned ballot paper last year. Dr. Joshipura suggested that online voting through [www.iadvl.org](http://www.iadvl.org) is more convenient however the web designer has not replied to the mails regarding this matter. Electronic voting is the need of the hour however it may take some time to be implemented. Dr. Patwardhan presented the modalities to implement electronic voting. He presented the modality as presented by Techolr Institute Pune. The IADVL members will have to register in the website through their LM number and email ID. He described the advantage of electronic voting over SMS voting. There is maintenance of secrecy in the system of electronic voting. The total cost of the project is RS 75,000/-. Dr Koushik Lahiri informed that the trial run results should never be published and a trial run can be done in Maharashtra. Dr Patwardhan informed that the cost of conduction electronic voting in one state and all over India may not differ much. Dr C. R. Srinivas suggested to conduct initially in the state of Maharashtra. Dr Coondoo informed that General Body has not passed the modality of conducting electronic voting. Dr Chetan Oberoi insisted that this can be implemented from this year itself. The general secretary informed that at the time of AGBM, Dr Patwardhan was given the responsibility of preparing a protocol for electronic voting.

Dr C. R. Srinivas opined that mandates for uniform elections all over India. Dr Ramesh Bhat presented the dual system of voting as proposed by Dr Chetan Oberoi. Dr Joshipura election officer agreed to implement voting from this year itself. Dr Patwardhan informed that RS. 75,000/- is the proposed budget for the work. The member felt that a slight bargain can be done. Dr Joshipura felt that this is a historic event.

## **HISTORY BOOK ISSUE:**

Dr Kaushik Lahiri presented the issues related to IADVL History Book. After nearly 1 ½ years of publication a few voices have been raised regarding History book. Dr Kaushik informed that corrections can be invited by the general secretary which can be forwarded to History book committee. After that it will be uploaded in the website. Later this can be added in the soft copy or can be published in the IADVL news. A new book on the history of Dermatology Venereology and Leprosy will be compiled.

## **DERMACON 2013 ISSUES:**

Dr Joshipura presented the issues related to DERMACON 2013. Dr Joshipura briefed about the venue inspection by IADVL and requested the seed money to be given at the earliest to book the venue. The EC approved the same.

## PROPOSALS:

Dr Koushik Lahiri presented the proposal regarding electronic groups. He insisted that all registered members in the general group; he also informed that CC group is also not updated.

The secretary informed that it is very difficult to implement in view of the members resistance. So we are only inviting the members to join this group. He informed that EC group, state group, ACAD and general group is active and a new WCD group has been started. Dr C. R. Srinivas suggested that there should be many moderators so that many can sent the invitations. Dr. V. K. Sharma suggested that the work load of the secretary can be reduced by handling over this responsibility to other EC members.

## WEBSITE ISSUES:

Dr Koushik Lahiri pointed out that there are many problems in website including archieving. The secretary informed that we require a website committee and there may be a requirement to change the web designs.

## OTHER ISSUES

Dr Mysore Venkataram presented the new Dermatopathology fellowship of 3 months with an assistance of RS 15,000 /- from the IADVL, which was accepted.

Dr Vishalakshi Vishwanath wanted the patient information leaflet to be uploaded online through the SIG groups. Dr Manas informed that he has educational information has been prepared with guidance of Dr Venkataram. Dr C. R. Srinivas proposed that Dr Venkataram and Dr Vishalakshi and DR Manas can prepare this and upload on the website.

Dr Vishalakshi proposed that feed back regarding IADVL lecture series is required. Only the pilot study has been done. Dr Srinivas suggested that DR Vishalakshi can go a head with the evaluation.

Dr Roopak Saxena proposed that inter state transfer fee for LM's and PLM's should be abolished which was accepted by the house, in view of the meagre loss to the state branches.

Dr Kuriyipe congratulated Dr SDN Gupta for smooth conducting the EC Meet.

Dr Koushik Lahiri requested the President to form the various committees as per the decision taken during AGBM at Gurgaon giving the rights to the president. Dr Ramesh Bhat mentioned that few committees have already formed or changed. Dr

Thimbadia asked whether DDVL members can be taken as associate life members. The secretary mentioned that this is a grey area and constitution has to clarify the issue.

Dr Ramesh Bhat proposed the vote of thanks.

Hoping to see you during the CC MIDERMAMEET 2011 at Bangalore

Regards

**DR. S. D. N. GUPTA**  
President

**DR. RAMESH BHAT M**  
Hon. General Secretary

### **Agenda for the Constitution Committee Meeting**

1. Welcome: Dr R G Valia
2. Discussion of the following matters referred to the Committee by the President:
  - ✓ DERMACON bid by Tamil Nadu branch
  - ✓ Expansion of the Executive Committee
  - ✓ Right to reject the constitution committee amendment suggested by a member
3. Vote of thanks: Dr Suresh Joshipura

## Proposals from Members

The following four proposals are placed before this reverent Central Council for equitable consideration.

Proposed by: Dr. Jayakar Thomas IADVL TN 1868

Seconded by: Dr. Parimalam Kumar IADVL TN 1906

1. We respectfully propose that Prof. K. C. Kandhari Foundation Lifetime Achievement Award may be awarded posthumously to Prof. A.S. Thambiah, the “Teacher of Teachers” and one of the pioneers of Dermatology in India. If there is no provision for the above in the constitution, we appeal that the matter be put up to the General Body and request the august members to consider this favorably and needful amendments be made in the constitution.
2. We who are life members of IADVL TN branch wish to bring to the notice of the esteemed CC that there are errors of omission and commission in the Book of History of IADVL

e.g.

1. The very Inauguration of the IADVL in Madras (Chennai) way back in 1977 under the leadership of Prof. Ruth Annamalai is omitted
2. The book has many pictures of the activities of DSI when there are no signed official documents to prove the merger of the same with IADVL. The pictures of DSI should find place in the Book of History of Indian Dermatology and NOT History of IADVL

Needless to say a treasurable document on history should not reflect wrong informations. Therefore we humbly request that all necessary corrections are made in the website and future copies of the Book of History of IADVL. We request the esteemed GB to give its mandate to record the correct history of the association.

3. We propose that “All academic activities of the Association must be made fool proof”. It is observed from the group mail that an “Award of Appreciation” by the ILDS has been given to one of our members. As we congratulate the recipient, we also demand that the President who proposed the name, to kindly declare whether nominations/ applications were called for this, or any other such awards; if so when and how many were received and how were they short listed, so as to enable other eligible members to apply for such awards in future. May it be known that so far there are no such ILDS awards mentioned in the constitution. In the best of interest of all IADVL members, we request the authorities to clear the air please.
4. We propose that all proposals for DERMACON are sent as per the norms of the constitution and unbiased scrutiny of the same, as per the constitution is ensured.

In this connection we bring to the notice of the respected CC the following:

A letter dated 13<sup>th</sup> April 2011, asking for permission to bid for DERMACON 2014 was sent by Dr Reena Rai, Prof PSG Medical College addressed to Dr Anandan, Prof Sri Ramachandra University and **NOT** to The President TN branch.

In response to this personal letter the president and secretary of TN branch without informing all the EC members decided against the mandate of the GB of TN (October 2010) to bid for DERMACON 2014 and signed an official document wrongly stating that the EC was consulted.

In spite of repeated efforts made in order to send a complete and valid proposal, in the best of interest to bring DERMACON 2014 to Tamil Nadu, an invalid and incomplete proposal without the mandate of GB was sent without the knowledge of all the EC members.

We reiterate that the rules and regulations framed by the constitution of the Association are respected and followed to letter by all members, especially the office bearers who are entrusted to follow and uphold the same.

## Dr C. R. Srinivas

The Honorary Secretary should have the right to delegate the day to day operation various e- groups to Joint secretary and other members. The delegated persons will moderate, invite others to become members, approve membership but will not have power to remove member or dissolve the group. The power to dissolve the group and remove members should be provided to the President or one of the joint secretary. This will be helpful if The Honorary Secretary's id is hacked and id is lost.

IADVL will encourage national conferences in sub specialities like Atopic Dermatitis, Vitiligo etc .IADVL will make a list of such conferences and the meetings for bidding. The bidding will be forwarded by the President of the State IADVL Branch. The IADVL & SIG will, on request provide seed money for the meeting subject to availability of funds. The organizers will be allowed to use the IADVL logo to raise funds The organizers should involve the IADVL members from all over the country in the national committee. The IADVL will use its official organs free of cost to promote the event. The organizers will submit an audited account to IADVL preferably within 6 months .The seed money will be returned immediately after the meeting.

50% of the money saved will be transferred to IADVL .IADVL will transfer the money to ACAD .The ACAD will then place it in the account for the concerned SIG group. Which means that savings from ATOPICON will go to the SIG on Atopic Dermatitis. If there is no SIG in the sub speciality it will go to the nearest related sub speciality. These rules will not apply to national conference organized by sub-specialities for which national body exists. However if the national body in the subspeciality is not involved then the same rules will apply. These rules will not apply to various locally organized CME and Justification

- 1) Since only few cities are equipped to host DERMACON these individual meetings can be hosted by smaller cities.
- 2) The organized approach will enable development of a calender for conferences and ease planning.
- 3) The SIG will develop financial strength to carry forward its activities.
- 4) The involvement of IADVL will ensure uniformity and the meetings under its umbrella will further enhance its academic standing.
- 5) The finances will help promote dedicated research in the sub speciality.

## Dr Mysore Venkataram

### Points for submission by Venkataram Mysore KN/LM/3211

1. **The following point was submitted by Dr SDN Gupta and Venkataram Mysore at AGM Lucknow Jan 2010 and was approved:**

Proposal: It has been seen on many occasions in the past that many projects needing considerable expense were submitted and accepted by AGM. Some of these projects also had recurrent expenditure in future years also, These financial implications were not clearly brought out during discussions in AGM and such situation can often lead to fiscal problems for the association. In view of this, we propose that

Any project /proposal submitted to IADVL secretary for consideration in AGM, with possible financial implications should be first sent by IADVL secretary to the treasurer, finance committee chairperson, IADVL presidents (current, past and elect) to obtain their opinion. Their opinion on the financial implications of the project should be made available to the General body after submission of the agenda. This will enable the AGM to take a considered view based on all inputs and decide in the best interests of the association

However, we do not find this approved proposal in the latest constitution which has been printed after 2010 AGM We request Hon Secretary and Chairman Constitution committee to kindly explain why this is so.

2. As we are all aware, the new constitution has been printed and circulated. I complement the constitution committee for this effort.

However, after a careful reading of the new constitution, there are areas which have appeared to me as lacunae/anomalies have been noted and I would like to bring them to the notice of this central council meeting; however, while doing this, I wish to clarify that I am doing it utmost sense of responsibility, respect for the committee, with the sole purpose of contributing to improvements and corrections, without any bias or agenda. I request the august committee to consider these points on merit and issue appropriate instructions.

i) Page 18:15. Duties and powers of central council

The first sentence reads "Central council shall be the primary of supreme decision making body of the association"

Is this correct? Is not AGM the supreme decision making body of the association? If so, this should be amended appropriately.

ii) Page no 34 r post of secretary, treasurer

4. Must have been actively involved in the affairs of the Association in an official capacity \*either at the central level or in the branch, combined branch level or a Central Council member from the branch for a minimum period of 2 year either continuous or with breaks.

5. The Honorary General Secretary and the Honorary Treasurer must be proposed from the same state and same area in this particular context.

\* it is not specified what is the official capacity

**This means that any member with no significant administrative experience or even minimal experience (such as CC member for two years) in the association can contest for the two most important positions in IADV. This is a serious lacuna which needs to be addressed.**

iii) Page no 43

7. (b) If the proposition or resolution sought to be moved by the member has the effect of making amendment/modification in the constitutional provision, then instead of putting it directly before the AGBM for discussion, the Honorary General Secretary will take the opinion of the Constitution Committee. The decision of the Constitution Committee in this regard will be final.

**This means that the constitution committee can veto any member's proposal and prevent it from being tabled in AGM. This is a serious infringement of member's rights and is against the democratic spirit of our association and hence needs to be redressed.**

iv) Despite a thorough search of the constitution, it appears that specific qualifications have not been laid out for selection of IADV academy Chairman and convenor. These are important positions and criteria need to be laid down for their appointment. I humbly submit this august body to direct the constitution committee to lay down the criteria for these positions and bring them for approval at next AGM.

d) Lastly I have found the following disclaimer at the back inner cover of the constitution:

## DISCLAIMER

The information, discussion and other materials set forth in the Constitution are provided solely for members of IADV. Utmost care has been taken to cater correct and updated information based on those received/collected from concerned authorities. Neither IADV nor any one else involved in the creation of this constitution assumes any liability or responsibility for the accuracy, completeness, usefulness, errors, omissions or commissions of any information provided"

This means that neither IADV, nor the constitution committee nor the executive committee standby the constitution or are responsible for the same. This is clearly untenable and unacceptable as the constitution is binding on all members and hence responsibility also lies with IADV. I submit that this disclaimer be deleted or replaced by an appropriately worded disclaimer.

## Curriculum Vitae of Election Candidates 2011 - 2012

### President Elect (1 post – 5 candidates)

#### **1. Arijit Coondoo**

Professor, Dermatology, KPC Medical College, Kolkata

Age: 62

Qualifications: MBBS, DDV, MD, FIAD

## E - Voting Announcement

Dear IADVL members

"As per the resolution passed in AGM in Gurgaon and confirmed in EC meeting in Bangalore, we will have a trial of e voting for the future IADVL elections. For this we need following data from our esteemed life members. This e voting is being done in a trial basis and has no relation to the IADVL elections of this year. For IADVL elections this year, all of you will be getting your hard copy of ballot papers by post in due course."

1) Please send e mail to secretary IADVL(gsiadvl2010@gmail.com) mentioning your life membership number (for eg - LM/M/777) and your date of birth in the format DD-MON-YYYY (for eg - 16-AUG-1955). This information will be used exclusively for election purpose.

2) Once we obtain the data we shall send you a link where you will asked to enter your membership number and Date of Birth which will be compared with the one you have sent to us and on verification a password will be generated and sent to you by email. You can use this password to login to the e-voting application during specified period.

3) For the mock elections, we will not be using actual names of any of the contestants for any of the posts. Also other instructions on how to use the e-voting option will be clearly mentioned on the page.

We expect your co-operation to make this mock election exercise successful.

Dr S D N Gupta, President, IADVL  
Dr Suresh Joshipura, Election Officer  
Dr Ramesh Bhat M, Hon Gen Secretary  
Dr Narendra Patwardhan, Vice President

## Professional Protection Linked Family Benefit Scheme(PPLFBS)

Dear Friends,

It is always a pleasure to see our dreams coming true. The wish of all IADVLites of having our own benefit scheme has taken shape. The General Body had given the mandate of starting this scheme to Dr.Chethan Patel, Dr.Jayadev Betkerur and Dr.Kuriyipe.V.P under the leadership of our president Dr.S.D.N. Gupta.

As the first step we have registered the scheme as "Dermatologist Venereologist and Leprologist welfare trust" at the charity commissioner of Vadodara with the No.F/12788/Vadodara. This scheme is for the benefit of all the life members of IADVL. We plan to start this scheme from 1<sup>st</sup> October 2011. Initially this will provide social security to the members and their family and professional indemnity to our members. Health benefit will be considered in future.

The highlights of this scheme are

Per Death – Rs. 210 X n (n=number of members).

Indemnity coverage – 15L per year

The complete details can be seen in IADVL website.

The application form with instruction will be printed in the IADVL news letter and uploaded in IADVL website and the IADVL yahoo groups which can be downloaded.

We the trust members request all IADVLites to become members of this scheme and reap benefits. This trust is of the IADVLites, by the IADVLites and for the IADVLites.

Application no

Name;

Age / sex

Qualification

Institution

Date of passing MD/DNB examination

Name of the University to which dissertation was submitted

Title of dissertation

Name and affiliation of the thesis guide

Signature of the applicant

Remarks (mentioning that he/she is a bonafide member of ADVL) and signature of Head of Department

**N.B. this page of the application will be retained by Central Secretary and will not be passed to evaluators.**

## INFORMATION FORM

Application No:

(For Office Use)

Please answer the following question to furnish information about originality of your these is document. Information given by the applicant will be cross – checked by the evaluators is liable for disqualification automatically

I. Is a similar study report available in published literature?

Yes / No (Please tick)

II. If the answer is above yes

a. Where was the previously reported study / studies done?

Abroad / Abroad but no Indian studies available published literature or on internet Indian University / Institution Same  
University Number of Indian Reports available till date submission of research

b. Was the title matching the present study?

YES / NO

c. What was the sample size (n) in previous study?

d. What was the study design?

(Please tick the appropriate)

Same

Different

III. Can the Case Record Forms (CRFs) of your study be produced when asked for?

YES / NO

## IADVL GSK National Quiz Program for Post Graduates (IGNQPP) IADVL GSK NATIONAL QUIZ PROGRAMME FOR POST GRADUATES (IGNQPP) ANNOUNCEMENT

Indian association of Dermatologists, Venereologists and Leprologists invites application from Post graduate students from various medical colleges and teaching institutions across the country to participate in the IADVL – GSK National Quiz Program for post graduate students

1. The name of the post graduate students should be forwarded by the Head of the Department
2. Only one team can participate from each institution
3. Two post graduate students constitute a team
4. The duly filled up proforma should be sent via email to the National Co-ordinators as mentioned below :
  - a. Dr. Rajesh Rajagopalan- drajrajskin@yahoo.co.in
  - b. Dr. Haresh Timladia- drtimbadia@gmail.com
5. The applications should reach the National Coordinators on or before 30th September 2011 (do not approach GSK directly)
6. Names sent after the last date will not be entertained
7. One team will qualify from each zone. (There are four zones as follows: South, West, East, and North); the final quiz programme will be held at Jaipur, during DERMACON 2012 between 9am and 10 am on the second day of the conference.
8. The decision of the Quiz master is final during the conduct of the quiz program. Should any dispute arise it would be refer to Ombudsman appointed by IADVL. The complaints if any should be register through their respective Head of the Department.

The logistic travel and accommodation will be done by IADVL or will be reimbursed would get in touch with each individual participant.

## Announcement

### IADVL Teachers training Program in dermatopathology

#### Outline of the program:

IADVL Teachers training Program in dermatopathology is a unique program initiated by IADVL Dermopath SIG, and approved by AGM held at Gurgaon. The main objective is to train at least one faculty from each PG teaching department in India at approved centres of excellence in dermatopathology. The program is open to only PG teaching faculty in medical colleges. The faculty who wishes to undergo training will submit an application with recommendation by HOD of the department. It is coordinated by IADVL academy through Dermatopathology SIG.

The program consists of three months fellowship. IADVL will provide a financial assistance of Rs 15,000 for the period of training. The centres will provide /arrange accommodation, free if possible at the local hostels or to be paid by candidate if necessary.

IADVL seeks the support and cooperation of all dermatopathologists / pathologist / departments and institutes in this project. Centres which wish to participate in the program and agree to provide such training in dermatopathology are hereby invited to submit their application as per below proforma.

Application for centres which seek to provide training and participate in the program:

Name of the centre:

Address:

Name of consultant /Director/department Head

Name of the expert in dermatopathology (attach biodata):

Name and qualification of additional staff: (attach biodata)

Daily workload:

- a) Daily dermatology opd
- b) No of biopsies done Daily

Facilities available in the centre:

Pl. confirm if the following equipments are available:

1. Teaching microscope with at least 3 heads (one for teacher and two for students)
2. Facility for connection to a monitor or LCD projector for teaching to a group of students
3. Separate binocular microscope available for exclusive use for student
4. Facility for photomicrography
5. Computer with internet connection and access to at least one dermatopathology journal
6. COLLECTION OR ARCHIVES OF SLIDES OF AT LEAST 500 SLIDES FOR STUDY
7. At least five standard dermatopathology textbooks, Lever, Wheedon, Mehregan, Ackerman, Phillip Mackie, and the likes
8. Dermatopathology CD atlas if any
9. Facilities for special stains
10. Facilities for immunofluorescence and immuno histochemistry

Signature of Head of institution/Department

Send the applications to Dr Mysore Venkataram by email [mysorevenkat@hotmail.com](mailto:mysorevenkat@hotmail.com)

## WORLD CONGRESS OF DERMATOLOGY 2011(Report)

The 22<sup>nd</sup> World Congress of Dermatology was held at Seoul from 24-29 May 2011. It was a gala event superbly organized by the President Dr. Hee Chul Eun, Secretary General Dr. Soo Chan Kim and their supremely efficient organizing team. The equitable weather at Seoul at that time of the year and the warm Asian hospitality of the hosts contributed to an extremely conducive and hospitable atmosphere for the largest dermatology congress of the world.

The conference was held at the mammoth CoEX convention and exhibition centre – the entire floor area of the congress covering 17500 square metres. The magnitude of the congress can be gauged from the fact that there were 320 scientific sessions including 82 workshops, 79 symposia and 18 Ancillary meetings. The 28 Plenary Lectures spread over 5 sessions on different days and the various Symposia and Workshops covered subjects ranging from Clinical Dermatology (mainly) to Dermatopathology, Pediatric Dermatology Immunology, Cosmetic Dermatology, Dermatosurgery, Leprosy and Sexually Transmitted Diseases. However there seemed to be a little less emphasis on the last two subjects. Pigmentary Dermatoses, Psoriasis and Acne along with lasers and Cosmetic Dermatology seemed to be the flavour of the day. A unique feature was the introduction of e-posters for the 1<sup>st</sup> time in any World Congress. The number of e-posters was a stupendous 2900. 30 e-posters showing the highest level of excellence and innovation were selected for Gold (US\$ 500), Silver (US\$ 350) and Bronze (US\$ 250) awards. The poster on “Efficacy of Safety of Topical Bimatoprost solution 0.03% in stable Vitiligo: a preliminary study” by Tarun Narang, Rajeew Jain and Sukhwinder Singh made India proud by being selected for a Gold award. 200 Exhibitors (including IADVL) participated in the Exhibition held in the dazzling State of the Art Exhibition hall on the first floor. Exhibitors were offered “green” facilities such as the use of solar energy, LED lighting and an extensive water and waste recycling program.

Social programs at the conference included a gala opening ceremony on May 24 with some eye-boggling performances by Korean artists and some mouth-watering delicacies at the ensuing reception. The Gala dinner on May 28 and the closing ceremony on May 29 were also well organized and attended India was well-represented by about 400 delegates making their presence felt at the conference. The participation of as many as 69 speakers, 29 chairpersons and 237 e-posters from India contributed significantly to the scientific deliberations at the congress. But the feather in the cap was the first ever Ancillary meeting of IADVL held on May 24 at 9AM. The meeting was meticulously planned by the Presidents Dr. Hemangi R Jerajani and Dr. SDN Guptha and superbly and efficiently executed by the dynamic Honorary General Secretary Dr. Ramesh Bhat. The meeting lasted for 4 hours and was divided into 6 individual sessions with 13 speakers and 12 Chairpersons participating. The meeting culminated with a panel discussion moderated by Dr. Koushik Lahiri with all the speakers participating as panelists. The avid interest generated among Indian delegates can be gauged from the fact that over a hundred members attended the meeting and many of them participated in the discussions.

Two ILDS sessions were held during the conference and nine IADVL delegates along with four Indian delegates representing CSI attended the sessions. The Indian strength was augmented by the presence of Dr. Chetan Oberai in his capacity as Regional Director of ILDS. A highlight of the sessions was the bidding for the next WCD. IADVL's bid for Bangalore was preceded by a Luncheon meet for all ILDS delegates on May 25 and accentuated by a stall in the Exhibition hall exclusively highlighting the Indian bid. The dainty stall which was organized principally by Dr. S. Sachidanand and manned constantly by IADVL delegates drew a lot of attention and appreciation from delegates from many nations. Unfortunately in spite of all the efforts of the IADVL International Bidding Committee led by Dr. Chetan Oberai and Dr. S. Sachidanand and two excellent presentations on India, Bangalore and IADVL by Dr. Sachidanand the bid remained unsuccessful. However IADVL members can definitely be encouraged by the fact that the bidding generated a lot of interest among the ILDS delegates and that Vancouver succeeded only after 3 bids spread over almost two decades. Nevertheless India bounced back at the second ILDS session where Dr. Hemangi R Jerajani was elected as Regional Director of ILDS by a resounding margin. Heartiest congratulations to Dr. Jerajani who replaces the dynamic Dr. Chetan Oberai in the same post ensuring continued Indian presence among the ILDS Directors.

Overall the World Congress of Dermatology was an exhilarating experience for all who attended. The failed bid notwithstanding Indian dermatologists in general and IADVL in particular made their presence significantly felt at the scientific sessions and other events of the conference. WCD 2011 at Seoul will be remembered for years for the wonderful hospitality, the magnificent venue and erudite scientific sessions. The 22<sup>nd</sup> WCD at Seoul came to an end on Sunday May 29 and international delegates bid adieu to each other with a promise to meet again at the 23<sup>rd</sup> WCD at Vancouver in 2015.

Compiled by **Dr Arijit Coondoo**

## VITILIGO DAY ACTIVITIES TAMIL NADU

The IADVL Tamil Nadu branch held meeting on 10 April at Tuticorin medical college. There were case presentations and discussion of current literature. Vitiligo awareness Day was observed at Tirunelveli and Kanyakumari medical colleges. Vitiligo Day was observed in various centres in Tamilnadu.

On this day, poster has been displayed at the Sree Balaji Medical College Hospital, Chennai on the Myths and Realities of Vitiligo and booklets explaining about the Frequently asked questions in vitiligo was also distributed to the patients. It was conducted by Prof. Jayakar Thomas, Head of the department of dermatology, Dr.A.J.S.Pravin,HOD of Skin and STD,KGMCH has conducted awareness campaign, camp, counseling and feed-back session on vitiligo. 60 pts attended this programme the entire programme has been covered by private TV channels and local dailies.

Vellore Medical College has also observed Vitiligo Day by conducting awareness programme and camp on vitiligo initiated by Dr. Chidambaram Dharmambal, HOD of SKIN and STD.

Vitiligo awareness campaign, camp, counseling & feedback session was conducted at Skin & STD Dept, KGMCH. The programme was presided by Dr Sriramkumar Medical superintendent. About 60 patients attended this programme and the whole event was covered by private TV channels & local dailies.

## MADHYA PRADESH

Vitiligo day was celebrated in a big way. News papers across the state gave lot of coverage to various articles about public awareness of the disease. There were articles on myths & realities of vitiligo. Doordarshan mp also shown interview regarding the disease palpal media .com had uploaded various articles in next month . Most of medical colleges & clinics had shown the dvd which was dubbed in hindi last year by mp brach. Inshort vitigo day was celebrated in a big way like never before.

## WEST BENGAL

“Vitiligo Awareness Day” was observed in six government medical colleges. Even a non-teaching government hospital and non-government medical college also participated in the event.

Big flex display boards, posters and banners containing facts related to vitiligo, myths and realities translated into vernacular language were placed strategically in the OPD complexes. Leaflets and handouts were distributed amongst the patients and their relatives.

A short informative documentary film in Bengali, as prepared by the members of IADVL, W.B. was repeatedly played in the OPD complexes A patient awareness programme was held in which various dignitaries talked about the disease in simple language.

News related to this day was published in Times of India, Aaj Kaal(Bengali newspaper), Suswasthya (largest circulated vernacular health magazine). News materials were being aired throughout the day by Akashvani (All India Radio).

The material of the leaflet was e.mailed to all the members of IADVL, W.B. with a request take the print out for display in their chambers and distribution amongst the patients. A scientific symposium on vitiligo with lectures and interactive panel discussion was organized for IADVL members.

Most importantly, we have started an ambitious programme to form a vitiligo support group or self help group which is probably first of its kind in the country. We have noted the names, addresses and contact numbers of the patients who participated in the programme and in future we are planning to increase our database and involve more and more number of patients.

## KARNATAKA

Vitiligo Day was observed in some of the medical colleges on 19<sup>th</sup> May 2011 at Karnataka. Patient educational materials and DVDs were distributed to all medical colleges at Karnataka from the state head quarters to conduct various activities at local levels.

Father Muller Med College, Mangalore organized a procession with public awareness activities.

Department of Dermatology in association with VICARE observed “Vitiligo Day” on 19.05.2011at Father Muller Medical College Hospital. The programme began with a JATHA from Balmatta to Fr. Muller Hospital at 9.00am. JATHA was organized to create awareness among public about vitiligo. The NSS students of College of Nursing, Medical College & other guests participated in the JATHA.

There was a Vitiligo awareness programme and camp at Father Muller Hospital. Rev. Fr. Denis D'Sa Administrator FMMC and Rev. Fr. Richard Coelho, Administrator FMMCH inaugurated the camp and presided over the function. Dr. Nanda

Kishore B, Professor Dept of Dermatology welcomed the gathering. Dr. Jacintha Martis, Additional Professor gave a health talk on "Vitiligo". Mr. Naveen K.T, NGO Lead Consultant, Infosys shared his experience regarding vitiligo. Rev. Fr. Denis D'Sa launched the website "VICARE.IN" on this occasion. The programme was attended by clinicians, PG Residents and the public which was followed by vitiligo camp and camouflage demonstration counseling at Skin OPD.

At Yenpoya Medical college, Mangalore display of documentary, patient education pictures and counseling of patients on treatment modalities were conducted in association with MSW department.

The department of Dermatology, Kasturba Medical College, Manipal observed "VITILIGO DAY" by conducting a patient awareness programme on vitiligo at Kasturba Hospital, Manipal. Information about vitiligo was put up on poster boards at the entrance of the hospital for easy viewing by all patients attending the hospital. The common myths about vitiligo among general population and facts dispelling the same were put up. The various surgical options available for vitiligo were put up with both pre and post photographs

## KERALA

Vitiligo Day was observed in Kerala State with enthusiasm. I had forwarded the information sent by you to the dermatology departments at all the medical colleges in Kerala.

Vitiligo posters were exhibited at Pariyaram Medical college.

At Calicut Medical college, a public meeting was arranged. It was addressed by IADVL Kerala President Dr. Najeeba Riaz. Dr. Mohammed, former secretary also took classes. Doubts and queries by patients were answered. This was followed by a medical camp, with distribution of free drugs for vitiligo patients.

## UP & UTTARAKHAND

Allahabad Derma Club organized on Press Conference on the eve of world Vitiligo day. Dr. Shashank Rastogi President IADVL (U.P. and U.K. branch) briefed the media person about the myths and realities regarding vitiligo. It was a large gathering of media person who had a long question answer session. It was widely covered in the media and good amount of awareness was spread regarding the myths about this disease which has got wide implication on the social life of the people. On 17th April 2011 Dr. Shashank Rastogi gave a talk on 93.5 Red FM regarding the cause and treatment of vitiligo. CUTICON 2011 will be held on 22<sup>nd</sup> & 23<sup>rd</sup> oct. at Medical College Kanpur. For any queries contact Organizing sec. Dr. S.K.Arora, 9450127766, cuticonup2011@yahoo.com

## ACTIVITIES OF VARIOUS BRANCHES

### Madhya Pradesh

IADVL MP Branch had following activity for april to june

1-april CME conducted on photography in dermatology by Dr D Hemnani,

2-may there was CME on newer antifungals

3-june CME on role of calcipotriol in dermatology

### MANIPUR

1. 2<sup>nd</sup> April: There was a CME on Urticaria at Hotel Classic, Imphal.

Dr. Juli Leishangthem and Dr.Kamal Das presented papers on aetiopathogenesis and management respectively. Dr.G.Zamzachin and Dr.Karam Lokendro chaired the session.

The CME was followed by GB meeting of the Association with active discussions for the successful organization of the IX Dermazone East 2011 to be held on 11-13 November.

2. 15<sup>th</sup> May: A CME on Acne was organized. Dr. Yumnam Lokendra Singh and Dr.Juli Leishangthem presented papers on aetiopathogenesis and management respectively. Dr. T. H. Bijayanti Devi Chaired the session.

The CME was followed by GB meeting of the Association. More discussions were done for the organization of IX Dermazone East 2011.

3. 19<sup>th</sup> May: VITILIGO DAY was observed as follows:

a) A life talk and discussion on vitiligo was conducted via Doordarshan Kendra Imphal in Manipuri. Dr.Karam Lokendro and Dr. Yumnam Lokendra Singh was the resource persons.

b) Hand out pamphlets with information on Vitiligo both in English and Manipuri were distributed to the public at hospitals, market and other public places.

c) An article in easy language in English was published in Local news paper.

## WEST BENGAL

### 1. MEMBERSHIP DRIVE

Since April, 2010 we have enrolled 18 New Members (4 LM and 14 PLM) and two members have deceased. At present we have 348 members.

### CUTICON WB 2010:

CUTICON WB 2010 was organized on 20<sup>th</sup> and 21<sup>st</sup> November, 2010 at hotel – The Stadel, Yuba Bharati Krirangan, Kolkata. The conference was very colourful and eventful one. Many dignitaries from the state and other parts of the country participated and delivered lectures on various topics related to the speciality, which were very interesting and academic. A cultural programme was organized on 20<sup>th</sup> November, 2010. About 200 delegates attended and enjoyed the conference.

### Achievement of Members :

In addition to Best Branch Award for the year 2010 many members from IADVL WB Branch were awarded during DERMACON 2011 –

- \* Dr. Salil Kumar Panja was awarded Kandhari Award
- \* Dr. Kalyan Banerjee was awarded Dr. Ganapati Panja Memorial Award
- \* Dr. Nilendu Sarma was awarded Indubala Memorial Award
- \* Dr. Koushik Lahiri, Dr. Arijit Coondoo and Dr. S. B. Mandal from West Bengal were awarded Honorary Fellowship of IADVL Academy of Dermatology.

## DELHI

**1. Membership Drive:** 4 new members were enrolled. 4 members also requested for transfer to the Delhi Branch.

**2. Conferences/Cme/Workshops Conducted:** The Mid Year IADVL Delhi Conference was held on 3<sup>rd</sup> July, 2011 at Hotel Eros Intercontinental, Nehru Place, New Delhi. The conference was inaugurated by Chief Guest, Dr. A. K. Agarwal, Dean, M.A.M.C., Guest of Honour, Dr. Atul Murari, Director, LHMC, Dr. Vibhu Mendiratta (President, IADVL, Delhi State Branch) and Dr. Rashmi Sarkar (Hony Secretary, IADVL Delhi State Branch).

The following lectures were delivered:

- “UV Radiation and the Skin” by Dr Nitin Walia (chaired by Brigadier Dr P.N. Arora, Dr R.C. Sharma)
- “Which is the right laser for acne scars?” by Dr Nitin Dhepe (chaired by Dr R.K. Jain, Dr Ramchander)
- “Skin Rejuvenation by SLC Glycolic Peels” by Dr Hema Pant and “Reduction of Surgical Stretch Marks by Fractional erbium Glass Laser” by Dr Charu Sharma (chaired by Dr Vijay Garg and Dr Kaushal Verma)
- “Newer Uses of Older Drugs” by our international guest speaker, Dr Steven Emmet, San Diego, USA (chaired by Dr V.K. Sharma, Dr Vinod Khurana)

These were the panel discussions:

- “Management of Difficult acne” moderated by Dr Raj Kubba (Panelists: Dr Neena Khanna, Dr Manjul Agarwal, Dr S.B. Shrivastava)
- “Psoriasis-Management Strategies” moderated by Dr Sanjiv Kandhari (Panelists: Dr V. Ramesh, Dr Rishi Parashar, Dr Ahmad Zaheer)
- “Management of Urticaria” moderated by Dr Mukesh Girdhar (Panelists: Dr Poonam Puri, Dr Anil Ganjoo, Dr Atul M. Kochhar)

The other sessions were

- A hot debate, “Is the grass greener on the other side-academics versus private practice?” by Dr M. Ramam and Dr R.P. Gupta (referees Dr V.K. Upadhyaya and Dr H.K. Kar)
- “Pearls in dermatosurgery” moderated by Dr Somesh Gupta and Dr Niti Khunger with short presentations by budding young dermatologists, Dr Anuj Paul, Dr Sidharth Sonthalia, Dr Rohit Batra, Dr Sudhanshu Sharma.
- “Vignettes from my practice” moderated by Dr R.V. Koranne and Dr S.N. Bhattacharya, presented by Dr Ramji Gupta, Dr Vineet Relhan and Dr Raj Raman.

**3. Personal Achievements Of The Members:** IADVL-WCD scholarships were received by Dr Khushbu Goel, Dr Lipy Gupta, Dr Pooja Pahwa and CSI-WCD scholarship was received by Dr Naresh Jain to attend the 22<sup>nd</sup> World Congress of Dermatology at Seoul, South Korea from 24<sup>th</sup>-29<sup>th</sup> May 2011.

**4. Branch Activities:** In accordance with the guidelines sent by Dr Ramesh Bhat, Hony Secretary, National IADVL, IADVL-DSB observed Vitiligo Day on 19<sup>th</sup> May 2011 at the Lecture Theatre in Lady Hardinge Medical College, New Delhi, where

lectures were given both for doctors and general public and an interactive educational question and answer session was held with the patients. Posters, pamphlets and lectures were also used to address the problems of vitiligo at Dr R.M.L. Hospital under Dr H.K. Kar and PGIMER, New Delhi and Dr B.R. Ambedkar Hospital, New Delhi under Dr S.B. Shrivastava. It was also organized at private clinics and other hospitals.

**5. Community Services:** A joint collaborative skin camp for children was held by members of IADVL Delhi State Branch and also Women's Dermatologic Society to diagnose and manage skin diseases at Chandra Arya Mandir in Greater Kailash, New Delhi on 7<sup>th</sup> May 2011. Tips were given also regarding vitiligo at this camp. This was a joint collaborative camp held for the first time of this nature and was successful.

## UP & UTTARAKHAND

### MID-SESSION CLINICAL CASE CONFERENCE 2011

Like yesteryears a Mid-Session Clinical Case Conference of IADVL & L.U.P. was organised on 2nd of April 2011 at Department of Skin & V.D., MLN Medical College, Allahabad.

There was about 25 pre-selected interesting cases with diagnostic and therapeutic problems and the cases of academic importance were discussed by the galaxy of experts from different places of state & residents from medical colleges of the state & BHU.

On this occasion our renowned special Guest Speaker like Dr. Arijit Coondoo & Dr. Saumya Panda from KLM Medical College, Kolkata and Dr. M. Ramam from AIIMS, New Delhi also delivered their views & discussed the ailment along with others.

This conference is gaining momentum year after year & patient & doctors from the different parts of state are getting attracted because of newer ideas of treating ailments by various renowned skin specialists of the state & hence this time a live telecast of the session of the event was shown with the help of Tele-medicine unit in Lucknow, Kanpur, Meerut & New Delhi.

There was an important quiz session for the resident doctors of Gorkahpur, Agra, Meerut & BHU. The winners of quiz was awarded from I, II, & IIIrd prizes to encourage the young doctors for participation & interaction with experts from every nook & corner of the state & outside.

## Activity of IADVL, NE States branches

Free Dermatological check up and treatment camp was organized in the district of Tinisukia, of upper Assam, under the banner of IADVL-NE Branch, which was a grand successful. More than 150 patients were examined and provided with free medicine. Dr. Utpal Paul and Dr. Krishna Talukdar were rendering their free service in the camp.

On 19<sup>th</sup> May, on the occasion of Vitiligo Day, a meeting and interactive session was organized at Dermatology OPD of Jorhat Medical College & Hospital, Jorhat. Speeches were delivered by Dr. Krishna Talukdar and Dr. P. J. Dutta with special stress on awareness and care to be followed by patient attendant and society as a whole. Free medicines were distributed among almost fifty patients gathered on that day.

Thank you

**Dr Krishna Talukdar**  
Gen. Sec., N.E. States Branches of IADVL

## VITILICON

Global conference on vitiligo was conducted successfully from 22-24 apr 2011 at Eagleton golf resorts, Bangalore. Over 400 delegates and 25 faculty (national and international faculty) participated. The meeting deliberated over different aspects of the disease. The following were the highlights:

1. This was the first dermatology conference supported by as many as 12 international organizations
2. Emphasis was put on basic sciences, with interaction with scientists
3. An all India level self help group on vitiligo was launched.
4. For the first time, a session for voluntary organizations was organized.
5. Two workshop was held on 24, at Bangalore medical college and Kempegowda institute of medical sciences, where different surgical techniques were demonstrated

The meeting was conducted with the customary efficiency of Bangalore dermatological society, with Org chairman SDN Gupta, vice chairman Krupa Shankar, Org Secy Sacchidanand S, Scientific chairman Venkataram Mysore, Workshop convener Raghunath reddy, finance committee chairman

Chandrashekhar BS, reception committee chairman PM Sangolli. The team was ably assisted by scientific coordinator KHS Rao, Scientific secretary Umashankar, workshop secretary Jagadish, Jt secretaries Harikishan, Ramesh, Vidya, and others.

### PSYCHODERMATOLOGY 2011 Manipal

An international meeting on psychodermatology, 'Psychodermatology 2011' was conducted by the Department of Dermatology, Kasturba Medical College, Manipal on 6<sup>th</sup> and 7<sup>th</sup> May, 2011. It was well attended with nearly 90 delegates including 9 speakers. The inaugural function was under the auspices of the Vice Chancellor of Manipal university Prof. K Ram Narayan and the Medical Superintendent Dr. R R Pulgaonkar, both of whom stressed upon the need for such international meetings to broaden our horizons.

The faculty comprised of Dr. John Koo an eminent personality in the field of Psoriasis and psychodermatology who is the Director, UCSF Psoriasis centre and Psychodermatology Clinic, University of California, Dr. Tina Bhutani, Clinical fellow, University of California, Mrs. Aasha Thomas, Walden University, USA, Dr. Piyajali de Zoysa, Department of Psychological Medicine, University of Colombo, Professor C R Srinivas, Head of Dermatology Department, PSG Medical College, Coimbatore, Dr. Janardan Reddy, Professor in Psychiatry and many notable others. There were stimulating discussions and interactions on various psychodermatological conditions, psychological aspects of common, but emotionally debilitating diseases like vitiligo, acne, psoriasis and atopic dermatitis as also discussions regarding the best therapeutic approach – whether medical, psychological or a combination of both. Holistic and empathetic approach to such patients with stress upon their mental well being and on the need for teaching them various simple though effective psychological interventional processes like JPMR, cognitive and mindfulness therapy were discussed.

Dr Koo opined that such a meeting in psychodermatology was perhaps the first of its kind in Asia.

### Obituary

**Prof. Arthur Saravanamuthu Thambiah (1924-2011)**

### Prof. AST in MMC

The skin department at Madras Medical College and Govt. General Hospital is the oldest centre in Chennai. It was initially looked after by one Lt.Col.J.M.Skinner of the Indian Medical Services. He was succeeded by Dr.A.S.Thambiah being a recipient of the Military cross for services in the field. In 1961 the first professorial chair was instituted and Dr. A.S.Thambiah was the first professor.

The Department of Dermatology at G.H is modeled after the Institute of Dermatology at St. John's Hospital, London and has developed a good Clinical Dermatology section, a sound Histopathology service, a good and comprehensive Mycology wing, a Contact dermatitis clinic. All these were achieved by Prof. A.S.Thambiah through his tireless efforts and could be considered as the architect of the Dermatology course in Tamil Nadu and have benefited more than 500 students to get their Degree and Diploma in the specialty who are distributed not only in Tamil Nadu but the world over.

Primary aim of this Department is patient care along with training a cadre of dermatologists who can meet the challenge of the dermatological problems of the country with confidence and a cadre which is no way inferior to the international community of dermatologists.

The main object of the patient care is to diagnose the illness of the patients at the shortest possible time with the least discomfort to the patients and commence the treatment at the earliest to ensure the speedy recovery with the medicines possible.

## Obituary : Living with the Legend : Prof. Arthur Saravanamuthu Thambiah

Prof. Arthur Saravanamuthu Thambiah (born on 2nd January 1924, died on 11th May, 2011) was the doyen of Dermatology in our state Tamil Nadu and even in the country, as he was one of the first doctors with a registrable postgraduate qualification in Dermatology from St. John's Hospital for Skin Diseases, London, in those days, when such a specialty never existed in our country, as he was one of the first doctors with a registrable postgraduate qualification in Dermatology from St. John Hospital for Skin Diseases, London, in those days, when such a specialty never existed in our country. He achieved this at a remarkably early age of 27 years.

Born to doctor parents, Dr. S. Thambiah (Senior) and Dr. Lilly Thambiah, both of them eminent in their respective fields, young Thambiah proved his brilliance by bagging many gold medals during his undergraduate days at the Madras Medical College. He was the Company Sergeant Major in the University Officer's Training Corps. He took active part in the freedom struggle in the 1940s.

After he joined the Madras Medical Service, in 1951, he was sent as a Colombo plan scholar to the St. John's Institute of Dermatology, London, which was then the Mecca for Dermatology. During this period, he was appointed as the register of the Histopathology Department of the Institute, the first Indian to be given that honor.

Being the first qualified dermatologist, he became the first Professor of Dermatology, at the Madras Medical College, where he conceived and gave birth to the Department of Dermatology - one of the oldest in the country. He was the architect of structured training in Dermatology, in the form of a postgraduate diploma and degree courses. Dermatology became a much sought after specialty, on Dermatology became a much sought after specialty, on account of the sheer efforts and a flair for teaching of Prof. AST (Arthur Saravanamuthu Thambiah) as he is fondly remembered by his students, who now occupy the highest posts in Dermatology in the state, and also scattered throughout the country and even abroad.

He was an excellent clinician, therapeutician, and a great humanitarian. The private practice that he set up after his retirement was by and large a charity. His clinic on Poonamallee High Road used to be flooded with patients seeking his consultation and they waited patiently for hours together. Many governors and VIPs were those he had treated with simple everlasting remedies, in his long and illustrious career.

He had more than 200 publications in Indian and foreign journals and his articles, most of them original, foreign journals and his articles, most of them original, were cited extensively. He was the first to observe many rare skin diseases in Asia. He encouraged his students to continue his work and encouraged his students to continue his work and cherished their success like a mother would. He had Fellowships from the Royal College of Physicians of Edinburgh, and the Indian Academy of Medical Sciences. The prestigious B.C. Roy award was bestowed upon him for being an eminent teacher; an equally prestigious gold medal was given to him by the services that he rendered to the college. He has the distinction of being one of the few medical doctors to receive honorary doctorate both from the University of Madras and the Tamil Nadu Dr. MGR Medical University.

He was held in very high esteem by his contemporaries in India and abroad. A student of his could gain a hearty welcome in any part of the world just by revealing the identity of Prof. AST. He was actively revealing the identity of Prof. AST. He was actively involved in the Tamil Nadu state branch of the Indian Medical Association as the president and he presided over many of their meetings.

He had a prodigious memory and could remember the exact chair which he occupied in the second standard at the Ewart school. He could tell the names of all the students he trained long after he retired. He could recite many parts of the Bible, and the Psalms of David were his favorite. He had a wide knowledge of the two world wars and the British history. His heroes were Field Marshal Montgomery, Rommel and Napoleon.

His absolute dedication of his chosen specialty was a by-word in medical circles. He was the first to reach the hospital and the last to leave the premises. He was dutiful from dawn to dusk and hardly witnesses sunrise or sunset, while he served at the Madras Medical College. He was a true bachelor and tried to convince his postgraduates that by staying single they could achieve more in life. He had very few takers on this!

Thus, here was a man of absolute integrity and probity a man dedicated to the art of medicine, and a man of God. We very rarely come across such people in life. He was a pioneer in the field of Dermatology and a man of many facets.

What epitaph do you write for pioneers? They are different from Others. We have lived with a legend in Many ways, and this was a great privilege!

## CONVERSION OF PLM - LM

Following procedure has to be adopted.

### 1. Same state

Inform the state secretary with proof (passing certificate /marks card / Degree certificate) regarding completion of the degree and state secretary will forward this to the Hon. Gen. Secretary (central). A photograph is also required for the LM card.

### 2. Different States

Same procedure as above, but secretaries of both states have to be informed. Request for conversion has to come from the new branch secretary with the photograph.

Please note that as per the decision taken during the EC MIDERMAMEET o branch contribution will be changes

## CHANGE IN THE MEMBERSHIP

The number will not change, only the membership status will change.

### Example

PLM/KN/5000 -Same stateLM/KN/5000

PLM/KN/5000 -Transfer to different state (Eg. Kerala)LM/K/500
