From the desk of the President, IADVL

Dear IADVL members,
How time flies.

It was only last month we were sworn in and one month has slipped away. Of course we have made every minute count. To some extent our constructive activities could not go at the desired pace due to confusion with regard to merger of ICD with DERMACON. A solution may soon evolve but may not satisfy all and I am sorry if such is the case.

Often I get calls asking me to attend one or another meeting. On occasions I have given commitment to two places!! This will not happen to you. You will soon have a IADVL dedicated year planner on your wall.

During my address a commitment was made to accelerate research in India. To carry out any activity a vehicle is needed and here comes to fore our Special Interest Groups (SIG). You will soon be able to apply for funds to carry out research. A proper checking and counterchecking mechanism is in place.

When I meet an erudite teacher I often wish I had learnt from him and interacted with him. A great deal of effort was needed to fulfill the desire. Not anymore. We are designing an interactive PG training and assessment scheme which will enable such interaction with ease. A separate dedicated SIG is working hard to set a new road map to promote interaction between students and teachers from different parts of the country and also promote virtual interaction.

All news cannot be good. I must say sorry who are particular about a great spread during lunch during DERMACON. At Ahmedabad only working lunch will be served. Also you need not carry ear plugs to cut off loud music during dinner. Till 9 pm only soft music is likely to be played and so you can catch up with your friends during dinner.

Do insure yourself with IADVL DVL Trust. Your near and dear ones will feel your presence even during your absence. Do E-Vote this year.

A MID-DERMACON will soon be a reality and of course along with you I look forward to a great International Congress of Dermatology (ICD) at Delhi.

Our common bond is our specialization, our love for the subject and our commitment to IADVL. It is strong but let us strengthen it more.

Srinivas C. R
President IADVL

Message from immediate past President

Immediate Past President
LM/KN/1892
Dr. S.D.N. Gupta

Dear IADVLites,

The transition from President to the Immediate Past President though have added many grey hairs to my scalp but have given me a reason to cherish to the immense honour and privilege that had been bestowed upon me. It was your trust and faith in me which kept me going to serve our association despite the adversities.

I welcome Dr C R Srinivas - President Dr. Suresh Talwar - the President Elect, Dr. P. Narasimha Rao - The General Secretary, Dr. D.B.N.Murthy - The Treasurer at the helm of the new office bearers to navigate IADVL and I am sure they will keep the good work going.

After the meticulous organization of Dermacon 2012 at Jaipur, the pressure is on Ahmedabad to prove their mettle. As the chief liason officer, I assure full support to team Ahmedabad - Dermacon 2013. I hope everybody enjoyed the warm hospitality and scientific culinary served by the Team Jaipur despite the chilly weather.

I wish good luck and success to our new office bearers in their plans for future of IADVL.

Long live IADVL
Warm Regards

Dr. S.D.N. Gupta
Immediate Past President

The Secretary speaks

Hon. General Secretary
LM/AP/134
Dr. P. Narasimha Rao

Dear fellow members,

It has been a very interesting and educative first two months of tenure for me in this office and I am just about trying to stay focused to the tasks in hand. With ever increasing membership of our IADVL, the administrative responsibilities of executive, especially of Hon Gen Secretary have also increased significantly. I assure you that I would try my best to fulfill all of them.

In this effort, as the IADVL secretariat is responsible for administration of IADVL and serving its members, to make it member friendly and efficient, I have requested some of my fellow EC members to share responsibilities such as managing IADVL e mail groups. Thanks to them, they have readily accepted them and began to run them smoothly. The secretariat of IADVL plans to communicate with its members frequently through emails and in addition is considering the option of the effective use of SMS as a tool for it. This option would be in place by the time this News letter is printed. The proposed 11 am-5pm telephone help line for members to clarify their membership related matters with IADVL office would also come in to effect from April, 2012. These are some of the new initiatives taken up by me in this year and your feed back on these would greatly help me in improving them.

There is an important matter of conversion of PLM status of many of our members who have completed their post graduate courses to LM. I request all the State IADVL executives to look in to it and encourage their PLMs to submit their degree/diploma certificates at the earliest to effect such a change of status. Other wise all these eligible members would not be able to vote in 2102 elections for IADVL.

By the time I would be communicating to you through the next IADVL news issue, many changes might have taken place and most of the above initiatives, I hope, would be in place.

Looking forward to your feed back on matters of IADVL,

With best wishes to you all,

P Narasimha Rao
Hon. General Secretary, IADVL,

Hon. Treasurer

Notes from Treasurer's desk

Dear Members,

Season's Greetings.

The actual work of mine as treasurer is in early stages, as the IADVL funds were nurtured by our experienced past Treasurer Dr. Jaydev till end of March 2012.

Presently the executive committee is busy with ICD & DERMACON issues. Only after those issues are resolved, planning and proposals of financial budgeting arise.

We are all working towards making ICD - 2013 a grand success.

Till then I remain silent.

With regards,

Dr. D.B.N Murthy
Hon. Treasurer

Conference Announcement Messages

DERMACON 2013 Committee:

On behalf of the organising committee of DERMACON 2013 and IADVL Gujarat State Branch, we take the honour to cordially invite you to attend **DERMACON 2013 - 41st National Conference of IADVL** being held at Ahmedabad, Gujarat from 25th to 27th January 2013. The conference would be preceded by Hands on training workshop and CME on 24th January 2013.

DERMACON is one of the most vital events of IADVL. The IADVL Gujarat state branch is having the privilege of hosting the National conference of IADVL for the Third Time at Ahmedabad. We are thankful to IADVL Executive Committee 2011 and also look forward for support from President Dr. C. R. Srinivas, President Elect Dr. Suresh Talwar, Hon. Secretary Dr. P Narasimha Rao, Hon. Treasurer Dr. D.B.N. Murthy and Dr. S.D.N. Gupta as a Liason Officer along with Chairman, IADVL Academy Dr. Arun C. Inamadar and all IADVL members.

To address the rapid advances in the field of dermatology, we have designed a **CME** with the theme '**Current Concepts in Dermatology**'. We have planned a **Workshop** offering hands-on training on recent dermatologic procedures. The theme of the conference is '**EVIDENCE BASED DERMATOLOGY - FROM CONCEPT TO CLINIC**'.

Our vision is to impart quality dermatologic education & to evaluate and address the rapid advances in dermatology. The mission of the conference is to assess rationality / evidences favouring / supporting current diagnostics and therapeutics in dermatology so as to facilitate promotion of evidence based practice by **CLINICIANS** and to offer **PATIENTS** a comprehensive, safe and cost effective therapeutic package.

Eminent national and international speakers have consented to come and discuss current issues and recent advances in our field and try to solve your queries. We invite quality scientific papers for presentation.

Gujarat - The Land of Opportunity, Prosperity, Legends is amongst the most favourite destination for the business around the world. Ahmedabad - The Most Happening City of Gujarat is entering the Mega City status and expanding hub for business, coined new term in healthcare as 'Medical Tourism'.

The **Venue** for the conference is **Gujarat University Convention & Exhibition Centre** which is in a class of its own. It is located in the

heart of the city and equipped with 5 scientific meeting rooms (Largest with Capacity of 2500 Persons). First time in history of DERMACON we are providing inbuilt, pillar less, centrally air conditioned 50000 Sq. feet exhibition hall which awaits visit of stalwarts of Pharmaceutical Industries. The venue is perfect place to host such an event of importance.

Renowned faculties from the world are expected to have their valuable presence in this event. Nearly 7000 delegates from India and abroad are going to participate in this conference. And countings going on. The weather too shall be perfect for sightseeing in January.

We encourage all of you to attend this academically enriching conference and experience our unique Gujarati Heritage, Culture and Hospitality. Your journey to Ahmedabad will be more than worthwhile, both professionally and personally.

We are happy that whole scientific and organizing committee is striving to meet our goal. We are sure, you will arrive in Ahmedabad as a Visitor and leave as our Guests. Gujarat's hospitality is waiting for you at this knowledge congregation - DERMACON 2013. Please do visit our website www.dermacon2013.com for more information.

Dr. Suresh Joshipur (Org. Chairperson), Dr. Ranjan Raval (Org. Secretary), Dr. Keyur Shah (Treasurer), Dr. Yogesh Marfatia (Scientific Chairperson), Dr. Bela Shah (Scientific Chairperson), Dr. Krina Patel (Scientific Secretary).

DERMAZONE SOUTH 2012

Dear friends and Colleagues,

It is indeed our pleasure and privilege to invite you to **DERMAZONE SOUTH 2012**, the 17th South Zone Conference of the Indian Association of Dermatologists, Venereologists and Leprologists to be held at Vythiri, Wayanad, on 21st, 22nd and 23rd September 2012, hosted by IADVL Kerala and organized by the Department of Dermatology, Govt. Medical college, Calicut and the Malabar Dermatology Club.

Wayanad, the "Green Paradise" of Kerala, is nestled among the picturesque mountainous plateau in the majestic Western Ghats with lofty ridges and rugged terrain interspersed with dense forest, tangled jungles and deep valleys. The vast stretches of mist - capped mountains, green meadows and valleys, white water

springs, blue water lakes and wild forests express the splendid natural beauty of Wayanad. You can stay at the tree top houses and mud huts and enjoy the thrills of jungle life. **Wayanad** also enjoys a strategic location as one of the leading tourist centres of South India as Ooty, Mysore, Bangalore, Coorg and Kannur are situated around this region. Wayanad hills are contiguous to Mudumalai in Tamil Nadu and Bandhipur in Karnataka, thus forming a vast land mass for the wild life to roam in their most natural abode.

The vision of Dermazone South 2012 is "**Updates in Dermatology**" and the theme for the pre-conference CME is "**Thera derma**"- focusing on latest therapies in the field of dermatology, venereology, leprosy, cosmetic dermatology, and cosmetic surgery. There will be plenary lectures, focus sessions, sub-speciality symposia, interactive sessions, award and free paper sessions, poster presentations, quiz and so on. Eminent faculty comprising of stalwarts from South India and luminaries from across the nation will be enlightening us with their scientific deliberations.

Wayanad, with its strikingly scenic sub-tropical savannahs, picturesque hill stations, sprawling spice plantations, luxuriant forests and rich cultural traditions, beckons you to revel in its exquisite hospitality to enjoy this dermatologic and cultural extravaganza.

Come September, Wayanad will welcome you to a weekend of professional satiety hand in hand with a camaraderie laced with culture & heritage! We solicit your support, co-operation and participation to make this event a grand success.

Looking forward to welcoming you to DERMAZONE SOUTH 2012

With Best Regards

Dr Najeeba Riyaz
Organizing Secretary,

A Report of DERMACON 2012

The 40th edition of the national conference of IADVL was held between February 8-12, 2012 in the vibrant pink city Jaipur. The key members of the organizing committee were Dr. Dinesh Mathur (chairman), Dr. U.S. Agarwal (Organising secretary), Dr. R. A. Bumb (Scientific chair person), Dr. Asit Mittal (scientific sec.) and Dr. Deepak Mathur (treasurer). It kickstarted with an exhaustive live pre conference workshop on dermatosurgery and cosmetic dermatology on 8th of February at Mahatma Gandhi Medical College auditorium. Almost all the aspects were covered ranging from hair transplantation to laser surgery, vitiligo surgeries, botox, fillers to the traditional acne surgeries & skin rejuvenation treatment. A dedicated team led by Dr. Satish Sawant and ably assisted by Dr. Manisha Nijhawan conducted the workshop. The overwhelming response was reflected in the sheer attendance of delegates.

The workshop was followed next day (9th of February) by CME. The theme being Clinical dermatology. It covered a wide array of topics, right from session on basic investigations to advanced investigative technology. There was also a session on pharmacology for clinicians apart from dedicated sessions on Psoriasis and vasculitis. Besides the dermatology stalwarts, eminent doctors from other specialties such as Dr. Kuntal Chakravarty (Rheumatology), Dr. Y. K. Gupta (Pharmacology), Dr. Kalpana Bhat (Radiology) delivered useful lectures.

The conference was officially inaugurated on the same evening at BM Birla auditorium. The inauguration was marked by welcome speech given by Dr. Dinesh Mathur followed by introduction of guests and the ceremonial installation of the new president and incoming team of office bearers of IADVL. The inauguration of conference was done by Shree Rajkumar Sharma (Hon'ble state health minister) along with the IADVL dignitaries. The outgoing president (Dr. S. D. N. Gupta) and incoming president (Dr. C. R. Srinivas) delivered their presidential address. Souvenir and abstract book of DERMACON 2012 were released by the chief guest. Many books written by IADVL members were also released on this occasion. Felicitations of the outgoing team of IADVL was done by hon'ble president Dr. C. R. Srinivas. Prof. K C Kandhari lifetime achievement award was conferred on Dr N. K. Mathur, the former professor & head, SMS Medical College Jaipur & a pioneer of this specialty in Rajasthan. The ceremony concluded by vote of

thanks by Dr. U. S. Agarwal. The highlight of the inaugural function was a short and elegant cultural programme, which was very much appreciated by all.

The conference took place from 10th-12th Feb 2012 at the magnificent B M Birla Auditorium in the heart of Jaipur city, which has been host to a large number of medical and other conferences of national and international fame. The no. of delegates attending the conference exceeded 6000, which itself is a sort of record for DERMACON. The scientific sessions were spread over 9 hours every day, across 5 halls. A galaxy of national and international speakers shared their thoughts on various aspects of the speciality. Some of the prominent international speakers included Dr. Illona Freiden, Dr. Timothy G Berger, Dr. Rodrick Hay, Dr. Thomas Ruzica, Dr. G. Sattler, Dr. Chris Bunker. Some of the sessions such as private practitioners forum were included for the first time. A distinguishing aspect of the scientific programme was large no. of debates and panel discussions besides the didactic lectures. The orations presented in the conference were IADVL Ambady oration on parthenium dermatitis-meeting the challenges by Dr. K. K. Verma, IADVL Systopic oration by Dr P K Nigam and IADVL Neutrogena oration by Dr Basavaraj K H. IADVL-glaxo PG derma quiz was conducted on the second day of conference. A total of more than 100 invited lectures, 36 award papers, 104 free papers and 800 posters, covering almost all aspects of the speciality, were presented during the conference. Various focus sessions by sister societies namely, dermatopathological society of India, contact and occupational society of India, cosmetology society of India, Indian society of pediatric dermatology, Indian society of tele dermatology, and ACSI, were also part of the scientific programme. Various IADVL business meetings, alumni meets and sister society meets also took place. The conference was also enriched with cultural events at gala banquet. The highlight of the cultural programme was "dermarock", which showcased the talents of the dermatologists across the country. Conference concluded with the valedictory function on 12th of February with a pledge to meet next year at Ahmedabad for the next edition of the conference. In brief the conference was a good mixture of academic feast and sociocultural rendezvous.

Agenda at EC Meet

National Executive Meet - IADVL 2012

New Proposals for EC meet:

1. MP issue: MP will be able to conduct any meeting under IADVL banner including state/zonal or annual DERMACON

2. Dr. Devesh Mishra Vice-President IADVL

That we, the vice-presidents be allocated local, state or zonal branches to attend and get actively involved in their conferences and meets; and give reports for publication in Derma News. We can actively participate in organizational and scientific matters including membership drive.

This shall be a positive way of involving them in sharing work. Both VPs can look after 2 zones each and a few states as the EC decides.

That ALL of the ELECTED IADVL executives be given a chair in the front row during their installation ceremony in the inauguration, valedictory and other functions of our Dermacon. At present, the VPs (Two), Joint Secy. (Two) get only a bouquet. I think that installation be on a bigger scale. Our constitutional fathers should ponder more on this issue. Please give them their a few moments of glory. That way, their posts get some sanctity and credibility. I believe that they will share more the ever increasing loads of IADVL duties and responsibilities.

3. One day MIDERMACON CME PROPOSAL

Dr. P. Narasimha Rao proposes one day CME at Hyderabad a day before CC meet. To test the response of IADVL members and its feasibility. Also useful if EGBM is to be conducted

4. Proposal by Dr. Sachchidanand

The Bid for DERMACON from any state branch should also contain a proposed budget and the amount of savings that they will contribute. The organisers should sign an agreement (Org. Chairman, Org. Secretary and Treasurer) that they will abide by IADVL rules and guidelines. That the Organisers will submit the complete audited accounts within six months of the conference. This has to be compulsorily printed in IADVL news and circulated before CCM. Gurgaon has not yet submitted accounts and nobody questioned him in the GBM!!

5. Dr. Vinay Vasant Saraf

Chairman, advisory committee, concise textbook of Dermatology, IADVL. On behalf of the Advisory committee -concise Textbook-IADVL submitting this report regarding the publisher's request to allow him to put sponsor-logo on the back cover page of the said Textbook.

The reply from the members was as follows Dr. U S Agarwal said that sponsor-logo can be allowed, matter needs to be discussed in EC meeting. I feel this is a universally done, i.e. putting sponsor logo on the book cover for only those copies purchased by the sponsor.

6. Dr. Shyam Verma Editor, IDOJ

As you are aware our journal Indian Dermatology Online Journal (IDOJ) was initiated during DERMACON 2010 in Lucknow. The main team consisting of the Editor, two Associate Editors, one and Assistant (Deputy) editor was made within a couple of weeks after the birth of the journal. This means that the Journal will be 3 years old in 2013.

7. Proposal by Dr. Rashmi Sarkar

Proposal: Formation of an International Speakers and Resource Person Database.

Background: Every time we need to find information on speakers/ Resource persons for our national conferences, we have scarcity of data on them. We choose the speaker then the subject, rather than the other way around. We found this problem while inviting speakers for international conferences being organised in India.

8. 2015 SARAD meet venue selection:

Dr. Jayadev Betkerur brought up the issue of 2015 SARAD conference which was allotted to India regarding the venue selection. Dr. Jayadev Betkerur informed the house that he had proposed at Dhaka SARAD conference that either Bangalore or Mysore as venue for 2015 SARAD meet to be held in India and he requested that it be allotted to Mysore. Dr. CR Srinivas wanted to know whether any other member wanted to host in their place or has any objection. Dr. P. Narasimha Rao said that he would offer to host it at Hyderabad. There was long debate on that conduct of conference. It was revealed that SARAD conference conduct at Mysore proposal was not put to EC. Hence it was suggested that it cannot be taken up at this stage and that it should first get approval

regarding modalities of selection of venue for SARAD meet in India in EC meet. To be put up in next EC meet.

9. Proposal to allot DERMACON venue through choice taken by ballots

To start with we initiate the process of selection of venue through ballot for 1 year. In case we achieve success we should invite bids for next 3 years subsequently. Invite the bid for venue 2 and ½ years in advance as per present norms.

10. Dr. Vishalakshi Viswanath

The first edition of IADVL Concise Textbook of Dermatology - the textbook aspect has been successfully published and released at our Dermacon 2012 - thanks to a combined team effort of our members and good timely work by our publishers Wiley Blackwell. The textbook will be accompanied by a CD-ROM and the work on this aspect is still in progress. The CD-ROM will include self assessment questions, atlas of images and differential diagnoses. (pfa the brochure giving salient details of the book and the CD-ROM)

11. GAL2EN workshop urticaria

It has a commercial/professional initiative by Aventis in collaboration with GAL2en. It is not primary initiative of SIG. Approving them officially as IADVL sig initiative may be a tricky thing, as they may use it as promotional tool. We may be asked to do similar things in future. Consider carefully Dr. Godse's request.

12. Appeal for Sponsorship for IADVL - GSK National Quiz Program

GlaxoSmithKline Pharmaceuticals Limited (GSK) has been the sole sponsor of IADVL Post Graduate quiz (IGNQPP) for a number of years. As discussed during Jaipur IADVL conference, GSK agreed (sent a confirmatory email) to continue the sponsorship of IADVL - GSK PG quiz for the year 2012-13. We are awaiting the formal agreement draft from GSK. Since we are using a different format for the quiz this year, GSK requested us to share the new format and the time table to be followed.

(IDOJ) Indian Dermatology Online Journal will now publish three issues per year instead of two

Member's attention is drawn to the section DERMEVENTS in the website of IDOJ (www.idoj.in) where all major and relevant announcements of congresses/workshops/seminars etc will be made free of cost. You may write to editor@idoj.in for all announcements.

ACTIVITY REPORT OF VARIOUS STATE BRANCHES

1. Delhi

The IADVL Delhi Branch 2012 executive took official charge in January 2012 with Dr Kaushal Verma, Professor, Dept. of Dermatology and Venereology, AIIMS as President and Dr. Sujay Khandpur, Additional Professor, Dept. of Dermatology and Venereology, AIIMS as Hony. Secretary. During this year 7 academic monthly meetings in different Medical Colleges of Delhi have been planned. In these meetings there will be interesting case presentations by each college, an "Image of the Month" and 'Expert forum' in which an eminent expert in his field of work will deliver a lecture. The first meeting was held at AIIMS on February 25, 2012 and the second will be held at Safdarjung Hospital and Associated VMMC on March 17, 2012. Besides these 7 monthly meetings there will be a 'Mid-Summer Symposium' on July 29, 2012 at Jawaharlal Auditorium, AIIMS, on the theme "Connective Tissue Diseases". This will include deliberations by experts from Dermatology and Rheumatology on this topic. The Annual Conference "Cuticon 2012" will be held on November 25 followed by lunch cum picnic for Delhi branch members and their families on December 16. The Nail Society of India will hold its first conference under the IADVL DSB forum in April 2012.

State report by Dr Sujay Khandpur, Hony. Secretary IADVL DSB

2. GUJARAT

First EC meeting was held on 22nd January, 2012. President Dr. Rekha Solanki welcomed & thanked all the members. She assured that new team will render best services and do justice to their duties. It was decided to promote clinical & scientific knowledge to community by arranging community welfare activities like diagnostic camps, public lectures, TV talk etc.

We have observed Leprosy Day on 30th January, 2012 with activities such as food grain distribution to 60 patients, ulcer kit to 15 patients, M.C.R. shoes to 10 patients and a hand cart for re-establishment of a patient. We had also organized an exhibition for leprosy patients. In near future, we are going to observe Vitiligo day, Psoriasis day and HIV day.

This year we have the great opportunity to host DERMACON 2013 in our state. In context with this, Cuticon 2012 would be merged with Dermacon 2013. It was decided to extend whole hearted support to the organizing committee of Dermacon 2013. Meeting of different committees of Dermacon 2013 are held regularly for smooth working of this mega event. As the life membership fee is going to increase from 1st April, 2012 membership drive was launched. All HODs of Medical colleges were requested to enroll their PG students for the PLM.

5. MADHYA PRADESH

"The first quarterly scientific meeting of Madhya Pradesh branch of IADVL was held at Hotel Jehanuma Palace, Bhopal on 15 January 2012.

The president Dr. Atul Kathed welcomed all the delegates. The meeting was inaugurated by lighting of the lamp by Dr. Ram Parmanand, Prof. Dr. PK Saraswat, Prof. Dr. Chetan Oberai, Dr. Deepak Parikh and Dr. Atul Kathed.

The meeting was attended by 25 delegates from Bhopal, Dhar, Gwalior, Indore, Khandwa and Ujjain.

Dr. BK Chourasia (Indore) welcomed Prof. Dr. Oberai and Dr. N.K Trivedi (Ujjain) welcomed Dr. Deepak Parikh with a bouquet.

Dr. Rahul Nagar spoke on and reminded the delegates about the common dermatological investigations that can be performed in the clinic as well as on the bed side.

Prof. Dr. Chetan Oberai spoke words of wisdom and gave the audience clinical pearls on management of facial melanosis. Later he also had an interactive session on interesting clinical cases. The audience was enriched with the knowledge accumulated over so many years of clinical practice with an academic background.

Dr. Deepak Parikh ventured into the intimidating field of aggressive treatment options in paediatric dermatology. It was replete with authentic statements on what to do and what not to do. After listening to him, every delegate will be more confident in using the newer modalities.

Dr. Akhil Shah illuminated the audience about the use of Vitamin D analogues in dermatology. The whole meet was so engrossing and invigorating that the tea break had to be cancelled. Dr. Khojema Saify (Gwalior) presented a memento to Prof. Dr. Oberai and Dr. Faisal Aman (Bhopal) presented a memento to Dr. Deepak Parikh. The secretary Dr. Narendra Gokhale conducted the meet and presented the vote of thanks. The delegates dispersed after a hearty lunch."

Minutes of Commencing year (2012) AGBM dated 11th February, 2012 held at Jaipur DERMACON between 3.30 to 8.00 pm.

Proposals of Closing AGBM carried forward to commencing year AGBM of 2012:

Proposal for member logo Dr VenkatRam Mysore: There is a need of a separate logo for members use. Proposes to design a separate logo for members as the IADVL Logo is for official use of EC only. Such a 2nd Logo for member use can be permitted. Dr. Joshipura mentioned that even the letters and design of "DERMACON" need to be same type of the format, color, theme for every conference. Dr. Coondoo mentioned the need to register the logo. Dr CR Srinivas assigned the responsibility of creating a logo to Dr VenkatRam Mysore and asked him to send few samples to IADVL e mail group for selection.

MIDERMACON PROPOSAL Dr. Arijit Coondoo Dr. S Sacchidanand and Dr Koushil Lahiri.

Explanation: 1. This proposal will in one stroke solve a number of issues: Raising finances for CCMIDERMAMEET. Each year IADVL has to spend a huge amount of money to conduct the midterm Central Council meeting. If a CME or mini-conference is held simultaneously then the money earned through sponsorship, exhibition stalls etc. will go a long way in meeting these expenses. 2. As per the Constitution, one function of the SIGs is to conduct CMEs. The Sister Societies, many of whom have the same Agenda as the SIGs, have already been allowed to conduct Scientific sessions during DERMACON and this will be duplicated if the SIGs hold their CMEs during DERMACON. It will also be difficult for the DERMACON scientific committee to allot slots for both. Hence MIDERMACON will provide the SIGs with time and space to hold their independent CMEs. It has been noticed that CMEs and smaller conferences attract a dedicated audience among delegates. Similarly MIDERMACON conducted by SIGs will provide ample opportunity for focused academic programs and

exchanges 3. Office bearers and others attending business meetings held during DERMACON find very little time to attend the simultaneous scientific sessions. Holding the Business meetings on the CME day in place of CME will allow them time to attend the Scientific sessions freely. Proposed that a CME shall be conducted by all or some of the SIGs be held on the day before the midterm CC Meeting. The Organizing Committee for the CME shall be the National Executive Committee and the Scientific Committee shall be the IADVL Academy of Dermatology including all conveners of SIGs. This CME may, if so decided, replace the CME held during DERMACON - the time thus saved can be utilized to conduct the Business meetings during DERMACON. The CME along with the midterm CC meeting shall be named MIDERMACON.

Discussion: It would be useful to raise money spent on central council (CC) meet. We can have a 1-2 day meet during or just before CC meet and call it MidDemameet. Dr. Sacchidanand said that they can be allotted to smaller Cities. Dr. Venkatram suggested that it be in August of every year. Dr CR Srinivas suggested that as CME can organized at MidDerma meet and the CME from the main DERMACON can be done away with. **Result: Passed. To be implemented from 2013 - 2014. To be referred to constitutional committee.**

'Can we defer the orations? Dr. Arun Inamdar: If oration material is not substantiated by relevant publications in indexed journals. The applicants other details are not submitted. If the submitted 'research material' has been already awarded by any other 'awards' previously by IADVL. If the applicant does not get the 'minimum' marks (>60%) in all the criterion. Discussion: Dr P Narasimha Rao reminded the house that two out of three orations are pharma company sponsored for which money has been taken and hence it would be difficult to defer them. Dr CR Srinivas concurred with it. Result: Not passed.

Proposal Aprons by IADVL Dr. Kiran Godse: IADVL can market white aprons with IADVL logo for members as AAD does it for pens, OT clothes etc. IADVL will earn revenue from this venture. IADVL Members can use aprons in the clinic and Hospitals. **Result:As logo issue pending, not passed.**

Celebration of World Psoriasis Day is on 29th October: Dr. Basavaraj proposed celebration of psoriasis day by IADVL. **Result: Passed.** CR Srinivas informed the house that this EC would be proposing a SIG for psoriasis.

Proposals from Dr. CR Srinivas: 1. Secretary is often asked to nominate a member for some award, fellowship, travelling fellowship etcetera. To ensure free and fair selection of the most

suitable person I suggest the following method. If time permits then nomination should be invited in our journal. It should also be invited by IDOJ and Online IJDVL. Information should also be disseminated on ACAD and also on IADVL web page. The last date will depend on the invitation. The recommendation will be made by the Secretary and chairman ACAD and President Elect and the final decision will be taken by the President. I have suggested President Elect since the actual fellowship may materialize later. **Result: Passed**

2. One Person One Post Proposal: Discussed. Outcome: **To frame rules in detail and then refer to constitution committee.**

3. Organizing Secretary, Chairman Scientific and Organizing Chairman of DERMACON should not contest elections for 2 years after the meeting organized by them. Reasoning: Conference need reforms. Organizer is suspicious of reforms if he plans to contest elections. He also gets undue advantage over other contestants. Discussion: Dr CR Srinivas proposed that one should not be eligible to contest elections for IADVL after conducting DERMACON for 2 years or till the audited accounts are submitted. Dr. VK Sharma proposed 1 year gap. Dr. Sacchidanand suggested that it should be from this year onwards. Dr. CR Srinivas said that as it was not informed to the organizers of Jaipur, it should be in place after Says after Ahmedabad DERMACON 2013. **Result: Accepted and forward to constitution committee for final opinion before ratification.**

3. IADVL inauguration should be scrapped. The meeting should begin with the welcome address by the President followed by briefing by Chairman Scientific. All other events awards release of books can be planned for Day-2 during IADVL felicitations day. Discussion: Discussed. Members felt that inaugural function should be there as it is an integral part of our IADVL constitution and convention. Dr. Sachidanand suggested that measures should be taken to keep inaugural Function program strictly in the time limit of 60 minutes. **Result: Not passed.**

4. Serve working lunch only during conference. One gala dinner only. Till 9 PM only soft music to be permitted during dinner as it is very difficult to interact with each other if loud music commands and demands attention. Result: Working Lunch- **passed**. No music at lunch time-**passed**. During Gala dinner soft music up to 9 pm-**passed**.

5. Venue selection of DERMACON by elections rather than voting on the floor. Discussed: Result: Selection should be by election. Form a committee to look into the details. **Referred the proposal to Constitutional Committee.**

Proposal by Dr Ramesh Bhat M: The number of papers submitted to DERMACON Award papers session is very high. We also have also have so many awards. However constitution permits only 12 papers. I hereby request to have atleast 36 papers for the award paper session. The rules for award papers is also arbitrary and it has to be for members below 35 years and for PG residents (Irrespective of age, In case of service candidates) **Result: Not passed.**

Need to put cap on Registration fee Dermacon: Proposal by Dr KHS Rao: Need to cap DERMACON Delegate Fee: The delegate fee for DERMACON is being raised by 20% every year. Add to this cost of travel & stay. With the result it is going beyond the reach of non-sponsored delegates especially I think time has come to cap the Delegate fee. Discussion: Dr Jayadev: 20% increase needed every 2 year. Dr V K Sharma suggested 10% every year. Dr A K Jha : suggested that it is to be reduced not raised. Dr Majumdar : 10% every 2nd year. Dr Sacchidanand : As all PGs getting grant, hike should be there. Dr Raghunatha Reddy: PGs fee always to be hiked. Dr Siddharth Dass: Suggested 10% every year. Dr R P Gupta : why to increase? Not to be increased. Dr RS Grewal-Suggested that it should not to be increased at all. Dr Srinivas putta and Dr Inamadar proposed 20% raise every year. **Result: Consensus: an annual increase of 10% of previous years delegate fee has been accepted.**

Dr Patnaik proposal - not taken as the member was absent.

Venkataram Mysore Proposal for standard operative procedures in IADVL: Proposed that a protocol for Standard Operative Procedures need to be devised for the functioning of IADVL be formulated as the development and use of SOPs (A Standard Operating Procedure (SOP) is a set of written instructions) are an integral part of a successful quality system as it provides individuals with the information to perform a job properly, and facilitates consistency in the quality and integrity of functioning of the organization. **Result: The SOP proposal passed unanimously.** A committee will be formed. (A committee has been formed later with following members. Dr Arajit Coondoo (chairman), Dr Ramesh Bhat, Dr Koshik Lahiri, Dr Mysore Venkatram, Dr Sacchidanand and Dr Suresh joshipura. They would submit their interm report by end of April, 2012).

Dr V Mysore proposals: Proposal for start of new awards and grants: In the matter regarding the research grants through SIGs, the house was informed that it is being worked out by the IADVL ACAD committee and budget provisions are being considered and made. **Award for innovation of 1000 dollars:** House in toto did not agree. Many members and chairman suggested that Dr

Venkatram Mysore should put proposal again after defining "Innovation" clearly. **Result: It was rejected.** Award for outstanding Community Dermatology project: The matter was discussed. Dr RS Grewal suggested that it to be accepted. DR Ramam - funds to be given, as it is the direct way of appreciation. DR Parikh - first let them submit the work done. Result: Chair opined and decided that only certificate will be given without any financial commitment.

Dr Akshay Jain's proposal for uniform power point presentation at DERMACON: Result: Not passed as it would make all presentations monotonous. But the house felt that instructions are to be given to make power point presentations better and readable.

Proposal for strict action against erring medical equipment (Laser Companies) Dr Vivek Mehta (LM/ND/4813) Dr Putta Srinivas informed the house that medical equipment company has agreed to solve the members problem. Hence the problem is settled and not taken up.

Dr Parimalam Kumar and Dr Jayakar Thomas's proposal - not taken as members were not present.

Proposal Dr. Vishalakshi Viswanath: E Poster implementation at National Conferences to Increase in number of poster participants and to encourag to youngsters. For display in conference, upload on website, soft copy (pen drive/CD) to delegate. Need: Increase in number of poster participants, encouragement to youngsters to participate. **Background:** Successful implementation at Cuticon (Maharashtra) 2011. **Process:** Formulation of guidelines for receiving abstracts and posters. **Result: Dr CR Srinivas appreciated the proposal and the way it was done and displayed at Maharashtra Cuticon. House accepted it unanimously.**

Dr Suresh Talwar's proposal: 1. Updating IADVL directory - Dr Talwar proposed updating and release new member directory of IADVL. Dr Devesh Mishra may be given task to update and release new directory. **Result: Passed unanimously.** The responsibility was given to Dr Devesh Mishra and he assured members of coming out with a diary with addresses, email ids, phone numbers and if possible photographs of all members by end of this year. EC assured all the help to him in this endeavor. 2. **Volunteered to establish IADVL head quarter at Lucknow,** which will work under overall supervision of IADVL secretary. We agree to bear the expenses during trial period of initial 6 months with no burden on IADVL: The matter was discussed in detail. But members opined that such office would not be possible and practical when secretary and president are at two different places. Moreover what

will happen to the office when proposers term is over, they questioned. All members felt that it is practical and it won't be feasible to form such office at Lucknow. **Result: Not passed.** Dr Koushik Lahiri in the same discussion suggested that E archiving of all the info of IADVL need to be done. The house agreed on such measure.

ICD issues: Dr VK Sharma had approached the chair and requested that he be given permission to present ICD issues and chair agreed to accommodate him during the above discussion.

Secretary Dr P Narasimha Rao invited Dr VK Sharma to talk on ICD issues. Dr. V.K. Sharma informed the house that the ICD work is progressing well. \$75,000 equivalent royalty has been transferred to ISD representative. At LISBON, they had discussion with representatives of ISD on scientific & organizing matters of ICD. He mentioned that he had sent an proposal to the 2011 executive which was lost in the e-world in which he explained the reasons for combining DERMACON with ICD and why. He again mentioned the reasons as follows: 1. We assured ICD that there will be no major national dermatology meet 6 months before & after ICD. We would be fighting for the same resources from Pharma, if they are separately held. 2. He stated that in Guragoan when Dr. Hemaji Jerajani was chairing, the AGBM (closing), it was decided that ICD & Dermacon would be merged. He mentioned that he realized only later that the decision was reversed in the subsequent (opening) AGBM at Gurgoan and also that he was not present there. Hence now we requests the house to re-consider such merger of Dermacon & ICD once again in this AGBM. 3. He said, such separate conferences would cause north-south divide or east-west divide and also that such merger would be advantageous in general to IADVL, as a division of finances for would be avoided by it.

Dr. C.R Srinivas wanted to know at this point about members who like to disagree with this proposal of reversal of the proposal passed at Gurgaon, DERMACON AGBM and invited them to speak. DR. Sachidanand raised 4 points: 1. It is not entirely true that DERMACON should not be conducted if ICD is to be held in India. 2. Why ICD is planned in December, when we all very well know DERMACON will always be held in January. 3. By combining the two certain events to be done during DERMACON would be diluted. 4. Finances are not equally divided between ICD & IADVL. This is important because we have bitter experience last world congress held in India.

Dr. C.R Srinivas asked Dr. V.K Sharma to respond. Dr. V.K. Sharma reiterated that the DERMACON cannot be held 6 months before or after ICD as per the contract signed by IADVL. Dr. C.R Srinivas

pointed out that it is not absolute as there are provisions in the contract for the IADVL to fulfill its constitutional obligations and that all the activities of IADVL can be conducted. Dr. V.K Sharma mentioned December was chosen keeping in mind international Dermatology dates of EADV conference and other events calendar. He also mentioned that financial viability of ICD becomes a problem if DERMACON is conducted separately as these would be split in finances.

Dr Sacchidanand pointed that in our constitution there is a clause that our constitution says that International conferences should not be combined with DERMACON. Dr C R Srinivas pointed that in exceptional circumstances they can be merged. For that Dr. Sacchidanand said he knew about the clause but for that house has to decide on that issue. Dr. Deepak Parikh mentioned that during 1994 WCD at Delhi, IADVL president and IADVL activities were sidelined and go to avoid such things, he wanted ICD to give in writing an assurance that all IADVL procedures such as president speech, inauguration, oration, AGBMS etc would be allowed in a proper way. Dr. V.K Sharma replied that he is going to allot one full day for DERMACON on the 1st day of ICD where only sister society meetings are to be held, during which all the main events (mentioned above) of DERMACON can be conducted can have all three orations, awards and functions etc on that day.

Dr. Venkaram Mysore wanted to know the division of finances between ICD & IADVL. Dr. V.K Sharma replied: 50% savings go to IADVL and 50% savings go to ICD. No state bodies are involved. Dr. Venkaram Mysore opined that as the house passed the proposal of conducting a CME as mid Dermacon meet 20 minutes back, it can be modified as a full fledged DERMACON. As it can be conducted in August 2014, it fulfills the contractual obligations of ICD as well. At that point Dr CR Srinivas wanted to know the members opinion once again.

Dr. Brijesh Agarwal said that in postponing the DERMACON to August, the installations of new office bearers and other election procedures would be a problem. He also reminded of the neglect of IADVL president during the WCD in 1994 in a merged conference. Dr VK Sharma pointed that times have changed. In 1994 Dr Bhutani in his personal capacity signed the contract for WCD and for the present ICD the president of IADVL signed it and that it is a "IADVL conference". Dr. Deepak Parikh questioned if we can finish all the activities of IADVL & DERMACON in one day allotted during the combined meet. As regarding the finances he wanted to know, how many ICD representatives are being paid business class air fares and stay.

Dr. V.K Sharma replied that about 9 to 10 plenary speakers would

be given free travel & stay and none would be given business class fare. And CR Srinivas concurred. Dr. Deepak Parikh said that in case of one full day is given for DERMACON activities and the president of IADVL is allowed to sit during the inauguration of ICD, it is a good reason to support the merger in the larger interest. Dr. Sachidanand wanted to know the delegate fee of ICD. Dr. V.K Sharma replied as 400\$ and is 350\$ for early bird registration. Dr. Sacchidanand opined that the fee is high for average Indian delegates. And those who cannot afford the delegate fee of ICD would be deprived of DERMACON as well.

Dr. Mafatia said due to financial constraints, delegates cannot attend 2 conferences same year, hence merger will be beneficial. Many IADVL members would benefit by attending a international conference along with DERMACON. DR Raghunatha Reddy suggested two fee pattern with separate registration for DERMACON and ICD each, in a combined conference. Dr CR Srinivas said such arrangement would not be acceptable. Dr. C.R Srinivas asked Dr. V.K Sharma to explain his stand last time before putting the proposal for vote.

Dr. V.K Sharma assured members that the fears regarding merger are unfounded as they recently conducted congress of IUSTI combining with meeting of Indian Associations of STI very successfully. There would be only one registration for both combined DERMACON and ICD and it is for less than the fee of International Conferences. Eg. AAD, EADV which is usually around 600 dollars. He also mentioned that he can give 1 ½ day for DERMACON during the combined meet instead of 1 day if house so suggested.

Dr. Ganesh Pai mentioned only a handful of Dermatologists from India attend AAD or EADV. He also stated that for a average Indian delegate rs. 15000 to 20000 Rs. Fee will be very high Dr. Jha Amarkanth proposed that we can have 2 conferences separately, ICD in December 2013, and DERMACON in last week of February 2014. Dr Ranjan Rawal wanted to have a reduction of delegate fee for Indian delegates. But chair clarified that beyond a point it would not be possible. Dr. Kanwar said that the merger should not be there and both should be held separately. Dr. Rajesh Verma said that both should not be combined as Army personnel cannot afford such delegate fee higher than Rs 6000. Dr. Rishi said that we should look at the other specialties eg. Ophthalmology, pediatrics Orthopedics, which did combine national and international conferences. He suggested that we should support such merger even in our specialty.

Dr Thapa suggested that there should be two separate conferences which gives members a choice to choose which

conference to attend. One member raised the issue of conducting Dermacon in during MID Derma CC Meet during August, 2014. However, Dr. Jayadev expressed some reservation to hold such DERMACON on technical and administrative grounds, in August of a year. Dr. Anil Ganjoo said it should be a matter of pride that it is a IADVL international conference and both should combined and we should support it or have a mid year DERMACON separately. Dr. Grewal requested Dr. V.K. Sharma to put matters of ICD in public domain and how he plans to conduct it and what are the consequences financial / organizational / academic and scientific to prevent criticism from members in the future fora. Dr. AK Bajaj supported 1 ½ day DERMACON along with ICD as members cannot travel twice. Dr. Gupta and Dr Patwardhan opined combined one conference rather than two separate conferences. Dr. Sachidanand clarified to the house that all the members are supporting the conduct of ICD and its organizers. He also mentioned that finances should not be a problem to conduct two conferences. Dr CR Srinivas said that this is a dispassionate discussion on all ICD and DERMACON merger issues. Chair asked Dr VK to conclude. Dr. V.K Sharma in his concluding remarks said that successful ICD conduct will go a long way in bringing other International conferences such as WCD to India and make IADVL proud and for such a successful conduct the merging of ICD and DERMACON must be done.

Dr. C.R Srinivas concluded and put this for vote by raising of hands. Those who do want merger with - one and half day DERMACON with ICD- raise hands. **An obvious visible majority raised hands supporting single combined conference.** No counting of hands was done. Only 10 members supported the motion for not combining both the conferences (Dr VK Sharma was heard mentioning it). Dr. CR Srinivas thanked all the members for discussing the matter very dispassionately and in a dignified manner.

In a related matter of ICD, Dr. Sachidanand wanted to know when Dr. V.K Sharma would be presenting the budget proposal of ICD as it is an important issue which troubled IADVL in last WCD conducted in India. Dr. V.K Sharma replied, with the merger he will come out with a new budget before or at the EC meet of 2012. Dr. S.D.N Gupta cautioned Dr. V.K Sharma to get clarity on the issue of procuring new PAN card for the ICD. Dr. V.K Sharma mentioned that in case of new PAN card, tax at 30% has to be paid to the savings. Dr. C.R Srinivas asked to clarify this issue and the auditor of ICD and IADVL should consult each other and decide the best course of action. The matter regarding the payment of interest on the \$75000 given to ISD was also discussed. In the end of it, Dr VK Sharma agreed to pay interest in case he gets interest on his current account deposit. President Dr. C.R Srinivas, concluded

this discussion of ICD, saying all the matters of ICD will be done in a transparent matter.

Proposed that E voting by DR.Narendra Patwardhan: He proposed that E voting to be included in the constitution from the year 2012. This will be optional and run parallel to the hard copy voting (Ballot paper voting). **Discussion:** Dr Patwardhan: all work done only we need updating few member contacts. Dr S. Joshipura: mock trial was done successfully last year. However, data is incomplete for e-voting, and hence should be updated. **It may be taken up.** Dr Deepak Parikh: if last date is not decided how can e-voting be done. Dr Grewal proposed parallel voting. **Result: Parallel voting passed for two years. (both ballot paper and E voting would be in place , those who opt for e voting would be excluded for ballot paper voting).**

Agenda and Proposals of Opening year (2012) AGBM:

Issues regarding 41st DERMACON to be held at Ahmedabad in January, 2013:

B. Nominated from the floor of the house. NORTH zone - Dr V K Sharma EAST Zone - Dr Arijit coondoo, SOUTH Zone - Dr Jaydev Betkurer WEST zone - Dr P K Saraswat, Armed forces: Col. Rajesh Verma

Proposal: To adopt the proposed budget by the Honorary Treasurer Dr DBN Murthy for the year 2012: **Result: Passed unanimously.**

Appointment of an Auditor for the year 2012: Secretary Dr P Narasimha Rao proposed that messers Ramana kumar & co Chartered Accountants, a Partnership Firm in Hyderabad headed by Mr Ramana Kumar, a Fellow Chartered Accountant be chosen as the auditor for year 2012. He informed the house that the audit firm audits financial Statements of nationalized banks, Hyderabad cricket association, many companies etc. **Result: Passed unanimously.**

Venue selection 2014 DERMACON: House took up the venue selection for DERMACON 2014 - in its agenda for discussion. However, by then the house had already decided that 2014 DERMACON is to be merged with ICD. Dr Ramesh Bhat who had submitted a valid proposal for 2014 DERMACON requested that 2015 DERMACON instead be allotted to Mangalore as their bid was only valid bid and Kolkata had withdrawn their bid by then. Dr Sidhardha Das of Kolkatta objected to it and mentioned that if bid is open for 2015, then they would like to reverse their decision and apply for 2015 afresh. Sacchidanand, Mysore Venkatram were of opinion if it was pre-decided to merge DERMACON 2013 with ICD, then why bid was invited at all for 2014. Other felt that how a 2014 DERMACON application can be considered for 2015 meet. Moreover as per rules, it is also too early (3.5 year earlier) to decide for 2015 meet.

Dr Mysore Venkatram opined and suggested that 2014 DERMACON can be postponed to CME - mid-term CC meet and be held in April 2014 (as, as per the agreement with ICD, no national conference should be held within 6 months of conduct of ICD). Many welcomed the idea of conducting the MID year MDDERMACON. Dr Ramesh Bhat objected to such a meet in Aug 2014 month, as weather at Mangalore would not be favorable for DERMACON at that time. He suggested that such DERMACON can be held in APRIL 2014 in Mangalore which is about 5 months later from ICD meet dates. Dr CR Srinivas stated that it may be called a Mid Derma conference and not DERMACON. But Dr Ramesh rejected such a name and insisted that it be named DERMACON. Other members wondered that if MID - DERMACON is to be held in APRIL 2014, it may become superfluous as functions like orations, awards will be over in combined ICD - DERMACON meet to be held in December 2013 itself. Dr Jayadev Betkerur at this junction suggested that Mangalore be given 2015 DERMACON to Mangalore instead.

Again there were objections/support/ criticism on this proposal, for and against it. (Dr Grewal, Dr Sacchidanand, Dr VenkatRam Mysore, Dr Siddardha Das, Dr Hema Jerajani, Dr VK Sharma, Dr CR Srinivas and Dr Koushik, Dr Putta Srinivas, Dr Arijit Coondoo were the principal participants among many others). There were heated, prolonged discussion on whether the house can accept 2014 applications to 2015 bidding? If yes whether it will it is not too early and whether such move is constitutionally right? In case a decision is to be taken to allot it to Mangalore in 2014, can the house now reverse the earlier decision of combining ICD and DERMACON taken minutes ago. Dr Coondoo questioned whether combining the DERMACON with ICD is constitutional as it would be shortened to one and half day. The chair answered that the issue has already been taken up by the general body and passed

by a majority.

Some members suggested that this issue should be left to next 2013 AGBM at Ahmadabad. DR CR Srinivas suggested that he needs to follow constitution and hence 2015 DERMACON cannot be taken up by this house at this time as we have mandate only to decide about 2014 DERMACON. Dr Venkatram Mysore wanted the chair to record his protest regarding the chair not taking decision on the valid bid of Mangalore. Dr Grewal asked pointed questions to chair whether the bid was called, whether Mangalore bid was proper for consideration and whether it is the only one to be taken up for consideration as a venue for 2014. The chair answered in affirmative but said as the combining DERMACON of 2014 with ICD has already been approved by house, it cannot reopen the issue. The chair asked Dr Joshipura to opine on this issue on basis of constitution - is bid invited for 2014 meet can be taken up for 2015 as some members proposed? After some thought, Dr Joshipura opined that the merger of ICD and DERMACON passed few minutes back has also gone back on the constitution as they can only be merged in exceptional circumstances but it was considered by this house and passed. He also mentioned that the AGBM being the supreme body it can consider or decide to taking up allotting 2015 DERMACON to Mangalore, provided house agrees to do so. Dr CR Srinivas asked the house whether this issue can be put to vote. The house agreed to take up the issue for voting and voting was held by raising of hands whether to allot the 2015 DERMACON to Mangalore. How many of you say that yes to Mangalore being given DERMACON 2015. And how many say no – rise hands. Mangalore won the bid for 2015 as majority raised the hands in its favor and while there were only four votes against it. The president initially said that the matter is approved pending its ratification by the next AGBM at to be held at Ahmadabad DERMACON. However, many in the house objected to it and said where is the need for the issue once accepted in on AGBM to be ratified by another AGBM. Dr Grewal said that buck stops with President and he need to take a call on it, **Result: Dr CR Srinivas President, after a pause stated that the issue of Mangalore to be given 2015 DERMACON is considered passed by this house.** He announced that issue is considered closed.

Nomination for election officer for the conduct of 2012 elections: Dr Joshipura proposed Dr Sacchidanand's name. House seconded and accepted Dr Sacchidanand as the election officer unanimously for 2012.

Selection of judges: 1. To elect three judges for selection of suitable young dermatologists for IADVL training fellowship 2011. 2. To elect three judges for selection candidates for IADVL - AAD reciprocal, and electronic poster scholarship. **Result:** Both

selection responsibilities given to IADVL academy.

3. To elect three judges for selecting the Best Branch Award for 2012. Result: To be decided as per constitution.

To elect Direct Central Branch members representatives to the Central Council: Proposed central council members of Direct Branch (Armed forces): Chairperson: Air Cmde Dr AK Patra, Secretary: Dr Rajesh Verma. Members: Brig R S Grewal, Col SS Vaishampayan, Col Sukriti Baveja.

Membership fee Increase - passed by the house: As per the Constitution, the rate of subscription shall automatically increase at the rate of 20% every two years until 2019. This is due for increase in this year, i.e., in 2012. Hence we propose an enhancement as follows:

Retired members	shall not be required to pay annual subscription			
International Members	US \$ 600 Life membership			

President Dr CR Srinivas's Proposal:

EPIDEMIOLOGICAL PATTERN OF PSORIASIS, VITILIGO & ATOPIC DERMATITIS IN INDIA- PILOT STUDY

India is a vast country and many patients suffer from chronic illness such as Psoriasis, Vitiligo & Atopic Dermatitis. A study by Dogra S and Yadav S(1) has conducted such a study to determine the prevalence of psoriasis but representative sample from entire country was not obtained. Scholars & Research workers have to rely on western data, since the exact prevalence of these common conditions are not known. The knowledge of the prevalence will be useful for optimum use of valuable resources of the country.

MATERIAL & METHODS: India will be divided into five zones namely as north, south, east, west and central. One college from each zone will be selected as follows. Invitation to join the study will be sent to The Head of Department of colleges (with post graduate training) through IADVL website, IJDVL, IDOJ & ACAD. The colleges willing to participate will be divided based on Zone. One college from each of the volunteering college will be randomly selected for conducting the study. The common proforma will be sent to one selected medical college in each zone. Professor and HOD of the selected dermatology department will be one of the investigators. Professor will nominate a staff to conduct the study under his guidance. Each professor will be provided with the protocol which can be duplicated. On a predetermined day during the week the study will be undertaken. At the end of the day the investigator will collect the details regarding the total number of patients attending the out-patient of the dermatology and also the total number patients attending hospital. On that day the details regarding the patients with Psoriasis, Vitiligo and Atopic dermatitis as per the proforma enclosed will be recorded. **Result: Passed unanimously**

Proposal 2:

To create a data base of NRI data base and also list highly specialised services available in India and abroad. Purpose : There are many Indians attached to various research centers in various countries. Many of our own relatives are so employed. These people also need projects. They have access to labs. For example my physician friend's wife is working in antifungals. She has access to state of art lab. She is interested in collaborating. I am sure there are hundreds of such people. The purpose of this data base is to help our dermatologist to establish link. IADVL will be the catalyst. Modus Operandi. The nominated person will collect information from various sources. This will include Published articles, Authors of chapters Through individual contacts. And any other means. The nominated person is authorised to collect information regarding qualification, attachments, field of interest, willingness to be associated with members of IADVL etc. **Result: Passed unanimously.**

Regarding deleting/removing the names of IADVL LM members who don't have valid degree/diploma: Constitution mentions that such members membership can be revoked. As more and more complaints are being received by IADVL. **To be referred to Ethics committee for formulating the modalities of how to go about such complaints/instances if needed take a legal opinion.**

Financial Committee Proposals

Financial support to Victims of natural Disasters- Proposed by a member from Tamil Nadu: It was concluded after a prolonged discussion that IADVL will NOT INVOLVE With it, but it will give publicity in all IADVL e- groups whenever possible and will appeal to members to support individually. All concerned details will also be given to send the donation directly to the Collector or CM relief fund.

Secretaries proposal: P. Narasimha Rao (Hon General secretary) proposed to have a 11 am - 5pm telephone help line (number) during office hours for the benefit of all IADVL members, to call and clarify with his office regarding their membership details, changes in their addresses, programmes of IADVL and other matters relating to their membership.

Finance Committee proposals

1. **Proposed nomination filing fee** for all members who wish to contest elections for IADVL executive to cover the increasing election expenses. It was discussed in detail. **Nomination fee for contesting election** - Dr Roopak proposed a nomination fee as follows: It as decided that each candidate proposing to contest should pay a nomination fee to the IADVL for each candidature as follows: **For President elect post: Rs. 15,000, for Vice president post: Rs. 10,000, for combined Hon. General Secretary and Treasure post: Rs. 20,000 and for Joint secretary post Rs. 5,000.** Of the nomination fee, 50% fee will be refunded if nomination is taken back before the withdrawal date. It was also decided that rule will not be applicable on state elections. **Result: Passed.**

2. **Members logo marketing** - on caps, vests, cups on aprons etc. **Result: not passed.**

3. **IADVL Executive Budget Travel Abroad for official Meets:** (Studied by finance committee and pre-approved - a proposal to finance committee by Dr P. Narasimha Rao): IADVL executive should be empowered to allocate budget to cover economy class travel and lodging of President and Hon Gen secretary of IADVL for attending important ILDS and SARAD meetings abroad to represent and put forth IADVL proposals and further its cause. On invitation and such provision may not be extended more than twice a year in any event. **Result:** It was passed with modifications as follows: Travel and other concurrent expenditure be allowed only if there is a business meet and President and Secretary are officially invited. If they are unable to go then they can delegate it to V.P./ Jt. Secretary. Maximum budget is Rs 5 lakhs per year and only

economic class tickets will be refunded. It was should be limited to one visit per year and if need arises for 2nd international meet then again approval of EC can be taken for the same.

4. **From Finance committee: Proposed New method of allotment of Dermacon conference surplus:** To IADVL - 20%, to IADVL academy of Dermatology - 25%, to the host state IADVL-20%, For international bidding committee expenses-20% and for IADVL -15%. Such an arrangement would be applicable for 3 years up to 2015. **Result: Passed.**

Proposals for changes in the structure of IADVL-GSK Post graduate Quiz: Proposers: Dr Raghunath Reddy, Dr Venkatram Mysore, Dr S Sacchidanand & Dr KA Seetaram

Proposed following changes in the structure and logistic of conducting the IGNQPP, IADVL-GSK Post graduate Quiz., as GSK-IADVL is facing problems in the logistics of organizing the IADVL quiz all over India for the last 2 years.

A). State level Quiz: We propose to transfer the responsibility of organizing the STATE LEVEL IADVL Quiz to the organizers of the CUTICONS. The same should be supervised, monitored and co-ordinated by the IADVL state president and secretary. Intimation should be sent to all departments of medical colleges of that state by the CUTICON organizers. Selection of quiz master for State level should be done by the State conference organizers themselves and the name of the quiz master and co-ordinators may be intimated to the Hon. General Secretary IADVL later. If the CUTICON organizers so feel, they may invite a neutral person from other states as Quiz master and in such a case the quiz master should be considered as an invited faculty of the CUTICON. The logistics of arranging the travel and accommodation for the Quiz master rests with the CUTICON organizers. The cost for the same may be reimbursed by IADVL based on the funds available. Prime time should be allotted to the state quiz finals as it attracts post graduates and also informative to all. It should be held ideally during the afternoon session of the first day's programme or during the morning session of the second days programme of the CUTICON (in case it is for two days).

A good sum of prize money may be given to the winners which shall cover the expenses to travel, registration and accommodation for their participation in the national finals or would be reimbursed or done directly as per the arrangement sponsors. This prize money may be given by the IADVL / of GSK/ sponsors funds given to IADVL for the quiz/ directly or as per the arrangement with the sponsors. And the participating teams shall again arrange their travel and accommodation to the National

conference on their own.

B). zonal level Quiz: It is not be noted that there are no branches, offices, and office bearers in the zonal level and DERMAZONES are not being organized in a uniform structure, and are also not held every year in some zones. There are no constitutional guidelines for DERMAZONES as well. In view of the above reasons would like to propose to do away with the ZONAL QUIZ, for the time being till the DERMAZONES takes a proper shape and are held on a regular basis and schedule, become constitutionally valid. Till such time, have a common preliminary test in the national level.

C). NATIONAL FINALS: National finals shall be conducted by the IADVL at the DERMACONS. The president and secretary shall select the quiz masters one each for the national preliminary round and the the national finals on the stage. National finals are held in two stages one Preliminary round and Finals Preliminary round : One team from each state qualified in the CUTICON finals, or in their absence the runners up will participate in the national finals first in the preliminary round conducted on the day of CME or on the first day of the conference in one of the side halls predetermined, all teams will be asked / given the same questions or MCQS, a set of 30 to 50, and will be a evaluated by the quiz masters and the results announced the same day evening. Four top teams among all the state finalists will be selected. By this all the state teams will get the equal opportunity. National IADVL Quiz final would be conducted in the same manner as it is being done at present for 4 qualifying teams.

Result: The proposal was accepted in principle with following for modifications. Fixed amount for Cuticon winners was - not accepted by Dr. Rajesh Verma. Dr. RS Grewal- proposed a AC 2 tier travel and Rs 1000/day. Dr P Narasimha Rao assured that adequate amount about 10,000 to 15,000 depending on the sponsorship which would be more than adequate for all those mentioned to cover their expenses to attend national quiz at DERMACON. Dr. Raghunath Reddy also supported a fix amount for the Cuticon quiz winners. CUTICON will pay and will be reimbursed by IADVL. Criteria should be there for selecting Quiz Masters. A pool of quiz masters should be prepared. Dr Raghunath Reddy also suggested that services of of Joint secretaries be used in conduct of IADVL quiz.

Proposal by Chairman IADVL Academy Dermatology Dr Arun Inamadar: IADVL proposes to fund research projects of IAD through its SIGs. IADVL ACADEMY invites applications for research projects in subjects of SIG from its members through its convener for the research project. The ACADEMY can also if needed invite applications on select projects for funding. The

invitation will aim at finding solutions for the felt need of IADVL. The subject and title of the project will be announced in IJDVL, IDOJ and IADVL Web page. This EC proposes to allocate Rs 10,00,000 for this funding. Each project would be judged on its merit and allocated. All the modalities of how the research project is to be selected and funded are being studied by Chairman of IAD Dr Arun Inamadar and his team. **Result: Passed.** Finance committee has as looked at the proposal and accepted it and suggested that SIGs of IAD can conduct mini meetings and conferences to raise their own finances for conduct of their academic activities. For the sharing of finances coming out of these conferences rules of DERMACON finances sharing would be applicable.

Any specific matter for consideration of house:

2015 SARAD meet venue selection: Dr Jayadev brought up the issue of 2015 SARAD conference which was allotted to India regarding the venue selection. Dr Jayadev Betkerur informed the house that he had proposed at Dhaka SARAD conference that either Bangalore or Mysore as venue for 2015 SARAD meet to be held in India and he requested that it be allotted to Mysore. He also informed that SARAD requested India to host 9th SARAD conference in India by IADVL and in addition informed that they requested it not to combined with DERMACON. Dr CR Srinivas wanted to know whether any other member wanted to host in their place or has any objection. Dr P. Narasimha Rao said that he would offer to host it at Hyderabad. There was long debate on that conduct of conference. It was revealed that SARAD conference conduct at Mysore proposal was not put to EC. It was considered for voting but it was differed. Hence it was suggested that it cannot be taken up at this stage and that it should first get approval regarding modalities of selection of venue for SARAD meet in India in EC meet. Result: To be put up in next EC meet for consideration for committee to decide the venue based on the merits of venue.

In related matter Dr Sacchidanand wanted assurance from house that WCD is being bid by IADVL with Bangalore as potential venue and it should go to Bangalore only. House unanimously agreed and passed that if WCD 2019 bid is won, it would go to Bangalore.

Dr Sacchidanand wanted an assurance that bids would not be called for 2015 DERMACON as it was already allotted to Mangalore. It was not answered. However, Dr CR Srinivas, mentioned that the decision on Mangalore to be given DERMACON 2015 has been passed but if required he would like to pass it to constitution committee if needed.

Minutes of the State Presidents and Secretary's Meeting

DERMACON Jaipur, 10th Feb, 2012 3.30 - 5.00 pm
IADVL Branch President and Secretaries Meeting

Report SARAD

South Asian Regional Association of Dermatologists (SARAD) News

On 2nd. October 1999 a land-mark was set in the field of Dermatology, Venereology and Leprology in South Asia with the formation of **South Asian Regional Association of Dermatologists, Venereologists and Leprologists, SARAD**. It was decided to Organize the South Asian Regional Conference of Dermatology, Venereology and Leprology (SARCD) every two years

1st. SARCD was held at Kathmandu in 1999. 2nd. SARCD was held at Dhaka in 2002.
3rd. SARCD was held at Colombo in 2003. 4th. SARCD was held at New Delhi in 2005.
5th. SARCD was held at Lahore in 2007. 6th. SARCD was held at Kathmandu in 2009.
7th. SARCD was held at Dhaka in 2011.

Some important decisions of the 15th executive meeting of SARAD held at 7th SARCD (South Asian Regional Conference of Dermatology) at Dhaka, Bangladesh on 3rd December, 2011.

1. SARAD young dermatologist exchange program - It was mentioned that India, Nepal and Sri Lanka is ready to start the exchange program. Pakistan and Bangladesh also agree to start this program. It was decided that the new executive committee will further look into this matter in future.

2. Collaborative Research Program - All the executive members agreed to start this program. To make it easy advisors were selected from each country.

- i) Prof. Dr. A. Z. M. Maidul Islam - Bangladesh
- ii) Prof. Dr. Gurmohan Singh - India
- iii) Prof. Dr. Anil Kumar Jha - Nepal
- iv) Prof. Syed Atif Hasnain Kazmi - Pakistan
- v) Dr. Jayamini Seneviratne - Sri Lanka

These advisors do not have fixed term and they will mainly work on forming the Task Force for research in common dermatological issues.

3. Letter received from Prof. Dr. D. G. Saple (India) was read and it was agreed to think about including his centre for research on HIV/AIDS.

4. It was decided that the 8th SARCD will be organized by Sri Lankan College of Dermatologists in 2013 (tentatively August 2013).

5. It was also decided that the 9th SARCD will be organized by Indian Association of Dermatologists, Venereologists & Leprologists in 2015.

6. It was also proposed to organize the future SARCD in the month of August/September/October and separate from National conference.

7. The names of the next executive committee members for 2011-2013 were finalized.

President - Prof. Dr. A.Q.M.Serajul Islam (Bangladesh)
Secretary General - Dr.Ehsanul Kabir (Bangladesh)
Vice President - Dr. Jayamini Seneviratne (Srilanka)
Treasurer - Dr. Shristi Shrestha (Nepal)

Dear IADVL member,

We are happy to inform you that for the first time ONLINE VOTING is being implemented by IADVL along with the postal ballot for election of national IADVL executive this year, as per the decision of our general body held at Jaipur. The details of how it is going to be conducted are mentioned below.

Introduction

Over the past one year, IADVL has undertaken the development of an online voting portal for in close guidance from Dr. Narendra Patwardhan, our member from Pune and software company 'Techlore'. The intention of developing this online voting is to simplify the process of voting for IADVL. Moreover, a similar online voting has been successfully implemented by Association of Ophthalmologists.

The Advantages

Online voting will enable a life member of IADVL to cast his/her vote from his/her desk, saving them the trouble of sending a ballot paper back to the Association. IADVL it will save time, cost of printing, postage and courier charges of sending ballot papers. Counting of votes is simplified.

The use of online voting has the potential to provide a large voter turnout due to its simplicity and convenience. The development of the online voting portal has been completed and a mock election was carried out in January 2012, with selected IADVL members and dummy candidates. The result of the election was published to the election officer and was duly validated by him. This year, the election portal commissioned and will be used for the IADVL Election in 2012.

Online Voting Portal Features and Guidelines

Registration: The portal will ensure that ONLY life members will be able to participate in the voting. For this exercise to be successful, the data collection activity has begun. This data comprises of the **1. IADVL LM membership number, 2. Date of birth, 3. Member name, 4. PAN card number and 5. E-mail address.** This data will be used to authenticate and subsequently register a member as an online voter.

After the data collection is completed, the portal will be made available to members for registration. On successful registration, the portal will generate a username and password and will send it to the registered email address of the member. On a parallel track, setup of posts and enrollment of the candidates contesting the elections for each of the posts will be carried out by the admin of the portal. The portal will close for online registration by end of July 2012.

A list of registered online voters will be available thereafter to the election officer. This way the association will know the exact count and names of members who have registered for the online voting and therefore will not send the ballot paper to these members. **Please note:** Other members who haven't registered will receive a ballot paper and can choose conventional method of casting their vote.

The Voting Process: After the contesting candidates have completed their campaigning (tentatively by end of October 2012), the online portal will be opened up for e-voting, at the same time when postal ballots are being sent to those who have not registered for e-voting. Every member who has registered for online voting can use his/her **username and password** to login to the portal and cast their votes for election of candidates for IADVL. The portal will ensure that every member is able to vote **ONLY**

ONCE. Every online vote is **completely confidential**, even the admin will not be able to see the voting information. The online voting portal will close by the end of **November 2012**. Thereafter, no member will be allowed to vote and the online votes will be sealed. The Results:

At the time of counting of votes received by ballot paper, the admin will unlock the portal and publish the results of e-voting to the election officer. The overall results will be concluded after combining the results of online voting and the ballot paper voting.

Nominations are invited for the following posts of office bearers of IADVL for the year 2013 :

1. President Elect : 1 Post
2. Vice President : 2 Posts
3. Hon. Joint General Secretary : 2 Posts

Nomination filing fee for contesting election: As per the decision of AGBM held at Jaipur DERMACON it was resolved that nomination fee would be applicable for all the candidates choosing to contest for the post of IADVL executive committee. Proposed nomination fee is for all members who wish to contest elections for IADVL is to cover the increasing election expenses. Life members of IADVL proposing to contest should pay a prescribed nomination fee by a DD in favor of "IADVL" payable at Hyderabad and send it along with the completed nomination form with enclosures to Hon. Gen. Secretary. A duplicate set of nomination papers should be sent to election officer Dr. S. Sacchidanand simultaneously. **Nomination fee for contesting elections: For President elect post: Rs. 15,000, For Vice president post: Rs. 10,000 and For Joint secretary post Rs. 5,000. Of the nomination fee, 50% fee will be refunded if nomination is withdrawn before the withdrawal date. After that date, no refund will be allowed in any circumstances.**
