## From the desk of the President, IADVL

Dear Friends,

You asked me to navigate this ship on a set course for one long year.

Our team has worked on this task with enthusiasm.

The first MID-DERMACON was hosted at Hyderabad .The meeting has eased the financial commitment towards Central Council meeting. MID- DERMACON, which will be executed by Special Interest Groups ( SIG) will provide opportunity for smaller cities to host national level meeting. Its future directions will be planned by Special Operation Procedure (SOP) which will be in place soon. IADVL has many state branches and if any one state branch faces problems and is not functioning as it should, then we should help find a solution. A designer agreement has been arrived by mutual consent by the MP branch and hopefully the branch will grow stronger in the days to come. Our team along with local team has worked hard to make this happen.

Therapeutic guidelines will be available soon and this project has involved many members to actively contribute to IADVL activity. GSK Quiz has been decentralized and CITICON has been empowered at the state level.

You will soon receive a year planer. Use it well.

If you now ask me, "Srini, tell me one thing which has happened during this tenure and makes you most happy," my answer is, "the invitation for projects by the ACADEMY for funding."

Dear friend, we have weathered few storms but have managed to stay on course and IADVL has a bright future.

Srinivas C.R.  
President IADVL

President Elect - IADVL  
Dr Suresh Talwar

## Notes from President Elect desk

Dear IADVLITES,

Greetings from Lucknow !

IADVL is undergoing great transformation under our visionary president Dr CR Srinivas ,active secretary Dr PN Rao and enthusiastic executive. Our secretary is already in control of all the activities of IADVL. He has worked laboriously to organize a very successful first MIDDERMACON. The central council meeting organised alongwith was able to solve all the pending problems. The publication of Undergraduate Text book of Dermatology is a real honour for IADVL .Initiation of activities in some of the IADVL projects like SIG groups, SOP committee, Therapeutic Guidelines Committee, Dermatology Atlas ,E voting, IADVL directory is heartening . Many more schemes for the benefit of members are in the offing. International conferences like SARAD meet and ICD being organised in India will further lift the image of Indian dermatology

Lets keep the destiny away .Invoke the limitless thinking from within and conquer the limiting /destructive thought pattern. We all should work with the aim of doing the best with what we have. This will greatly help the organization in its evolution.

IADVL News is a true mouth piece of IADVL so please go through it carefully and be updated. Member's involvement and suggestion are must for healthy functioning of any organization, so do not hesitate and air your views on all available forums. You all are critical pieces in the larger scheme of things. Your views will be given due consideration by our executive. Let us collectively see that IADVL grows to its full potential.

Long live IADVL!

SURESH TALWAR  
President Elect - IADVL  
Lucknow

## Message from immediate past President

Immediate Past President  
LM/KN/1892  
Dr. S.D.N. Guptha

Dear IADVLites,

It is my pleasure to write a message for the August Issue of IADVL News 2012.

The memories of recently concluded IADVL CC meet and the first ever MID DERMACON CME & Workshop are still fresh, I take this opportunity to congratulate Dr. Rao, Dr. Murthy and Team AP IADVL for the successful organization of the maiden venture. SIG Dermatosurgery also deserves special mention and appreciation for meticulous planning, co-ordination and execution of the CME & Workshop. The smooth and immaculate conductance of the central council & special general body meet by our vibrant President Dr. Srinivas is exemplary and puts forward a new path to follow.

It is indeed heartening to see the mix of seniors and juniors alike at such important meets, suggests the concern and love for our organization. The unity and mutual respect are the corner stone for efficient working of any organization and I feel relaxed to witness the same. I appreciate the systematic and tactical approach followed by Dr. Srinivas and the Vice-President in handling the MP issue. The recently held symposium on “Leadership, Entrepreneurship and clinical Management in Dermatology” by Dr. Venkatram Mysore and Dr. Chandrasekhar at Bangalore was an much required workshop for today's dermatologists. We all should join our hands and strive together to promote our organization and thus bring dermatology on the pinnacle of glory and success in the coming years.

I welcome all to participate in first exclusive nail conference “Onychocon” in Bangalore.

Long live IADVL

Warm Regards

Dr. S.D.N. Guptha  
LM/KN/1892  
Immediate Past President

## The Secretary speaks

Hon. General Secretary  
LM/AP/134  
Dr. P. Narasimha Rao

Dear members,

Greetings from IADVL secretariat.

The first six months of my office has been a busy and eventful affair with regards to activities of IADVL. The EC meeting at Coimbatore was conducted on 28th and 29th of April 2012 successfully following which Mid Derma CC meet was held at Hyderabad on 14th and 15th July, 2012. The first ever combined meet of CC Mid DERMA meet along with 1st MID DERMACON CME & workshop at Hyderabad can be termed as a success, both in terms of logistics involved as well as in the feasibility of conduct of both events together. The MID DERMACON CME & workshop which was attended by more than 300 delegates from all over India was well appreciated. I owe my thanks to the national and regional faculty for the help and cooperation extended in conduct of these events.

This year IADVL is participating in the EADV Prague 2012 meet by hosting a sister society meeting on 26th of September and more than a dozen participants have already confirmed their participation. More members are welcome to participate.

The new initiative of informing about activities of IADVL to its members through bulk SMS was started 3 months back. However, only up to 3000 members are receiving them at present as mobile phone numbers of all the members is not available with our office. With the publication of new IADVL member directory (which under preparation), mobile numbers of more members would be available in future. One more issue we need to tackle is of problem of wrong addresses of our members. About 1000 IADVL news booklets have come back to us due to this problem. We seek cooperation of state IADVL offices in correcting these and providing updated addresses.

Now we are at the second part of the year and elections of new office bearers is going to take place. IADVL seeks your active participation in the election process. Those of you, who wish to cast their vote through web, please register yourselves for e-voting.

With best wishes and season's greetings,

P Narasimha Rao

Hon. Treasurer  
LM/AP/48  
Dr. D.B.N. Murthy

## Notes from Treasurer's desk

Dear Colleagues,

I sincerely thank you once again for making maiden Mid-DERMACON a great success.

As promised earlier we could raise some funds for staging combined Mid Derma CC meet and Mid-DERMACON without chipping a huge portion from our most valued IADVL funds. Hope in future with proper planning, we will be able to mop up more funds and make Mid Derma CC meet pay for itself without utilizing IADVL funds.

Since the issue of merger of DERMACON & ICD was solved amicably, we all should focus on making this international meet a grand success and build confidence in the international community to stage more international conferences in India in future.

Long Live IADVL

With best regards  
Yours sincerely

Dr. D.B.N. Murthy  
Hon. Treasurer

## Welcome to DERMACON 2013

Dear All,

The 41st national conference of IADVL, DERMACON 2013 will be held at Ahmedabad, Gujarat. On behalf of the organising committee we invite you to the state of Mahatma Gandhi to attend this conference which we promise would be a memorable one. It is the third time that Ahmedabad is going to host the national conference of IADVL.

Ahmedabad is the largest city in the state of Gujarat. Ahmedabad is the economical centre of Gujarat and the seventh largest city of India. It is a fast developing city with its unique traditions and culture. It is a combination of modern and historic elements.

Ahmedabad is the largest city in the state of Gujarat. Ahmedabad is the economical centre of Gujarat and the seventh largest city of India. It is a fast developing city with its unique traditions and culture. It is a combination of modern and historic elements.

Our scientific committee is striving hard to make this conference full of scientific knowledge. Interesting hands on workshop

training in cosmetic dermatology will be organised for the first time which will be surely beneficial for the young dermatologists. In addition to the exciting lectures and innovative sessions, the meeting will continue to deliver outstanding CME experiences with the theme of "CURRENT CONCEPTS IN DERMATOLOGY". Theme of the conference is "EVIDENCE BASED DERMATOLOGY - FROM CONCEPT TO CLINIC". Well known international faculties are invited to deliver the informative lectures. Orations, quiz program, award sessions, e-posters are the other attractions of this conference.

This will be an occasion for you to experience the unique culture and modernity of Ahmedabad. This January indulge yourself with your family in the colours of Rangilu Gujarat. Rejoice yourself with all the enjoyments that we are going to provide. We are also arranging magnificent banquets, tours to local site seeing places like Sabarmati Ashram, Akshardham temple and many more.

So this winter enjoy our warm hospitality. Please do visit our website [www.dermacon2013.com](http://www.dermacon2013.com)

Looking forward to serve you at Ahmedabad.

### Organizing Committee

**Dr. Suresh Joshipura**  
(Chairman)

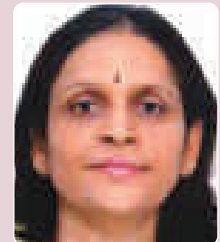

**Dr. Ranjan Raval**  
(Org. Secretary)

**Dr. Keyur Shah**  
(Treasurer)

**Dr. Yogesh Marfatia**  
(Scientific Chairperson)

**Dr. Bela Shah**  
(Scientific Chairperson)

## Curriculum Vitae of Election Candidates 2013

### I. President Elect (1 Post - 2 candidates)

**1. Dr. Deepak Parikh**  
LM/M/852

1, Milan Dixit Road, Vile-Parle (E),  
MUMBAI - 400 057

## Minutes of Executive Committee meeting held on 28<sup>th</sup> and 29<sup>th</sup> April, 2012 at Coimbatore

### Minutes of Executive Committee meeting held on 28<sup>th</sup> and 29<sup>th</sup> April, 2012 at Coimbatore

Members who attended the EC Meeting held at Coimbatore on 28th and 29th April 2012:- Dr CR Srinivas, Dr. P. Narasimha Rao, Dr. DBN Murthy, Dr. Suresh Talwar, Dr. S.D.N Gupta, Dr. Devesh Mishra, Dr. R. G. Tosekar, Dr. Sanjeev Gupta, Dr. Suresh Joshipura, Dr. V.K Sharma, Dr. Ranjan C Raval, Dr. D.M Thappa, Dr. Ramesh Bhat, Dr. Chetan N Patel, Dr. Shyam Verma, Dr. Narendra Patwardhan, Dr. Shyamanta Barua, Dr. Rajeev Sharma, Dr Byravarathinam & Dr. Amit Valia.

Could not attend: Dr Rashmi Sarkar, Dr Sachhidanand, Dr Jayadev Betkerur and Dr Arun Inamadar.

### 28th April, 2012: EC meeting session 1

On 28th April, at 2012 EC meet meeting been started and presided by President Dr. C R Srinivas and Hon Secretary Dr. P. Narasimha Rao conducted the proceedings. The issues in the agenda taken up and discussed were as follows.

#### 1. Solution to Madhya Pradesh IADVL problem: Proposal by Dr CR Srinivas.

Background: There has been lot of discontent between MP IADVL members and divisions have developed between them based in regions. Number of complaints were received by IADVL national body over last two years and Dr Chetan Oberoi and Dr Deepak Parikh have attempted to bridge these gaps but could not succeed. : Society or Association is far more important than any individual or place. I firmly believe that mutually respectful and trustworthy dialogue will help you resolve this issue. The central IADVL can help by appointing central observer to convene and preside over the meeting of major players of MP IADVL. To decide a venue and date if MP members agree.

**Discussion:** The EC observed that there are divisions in the MP IADVL and there is a need to bring them on to one platform and make them united. Matter discussed for about solving the problem. Various options were considered including holding elections to MP by central EC. However, the EC considered appointing a central observer to preside to convene and bring MP IADVL together. Dr Devesh Mishra, Vice president of IADVL, volunteered to act as a central EC observer and promised that he would try his best to bring the all the parties concerned to the table and try to resolve the MP issue. The EC after some deliberation has accepted his suggestion and appointed him as central observer for MP Branch of IADVL and gave him mandate to proceed with the task.

**2. Allocation of DERMACON Venue through ballots:-** Proposed by Dr Suresh Talwar: Dr. Talwar proposed having DERMACON venue through ballots for 1 year. If is successful then bids it should be next 3 years. Bids for the DERMACON venue should be 2 ½ years in advance as per norms form various stated IADVL. Name of proposed city, name of the bidding state, name of the organising secretary, name of the scientific preferred secretary should be included in the bids, he suggested. The election officer will prepare a ballot paper for venue selection having details. Voters can have 1,2,3 choices of venues. This will be sent in a separate envelope along with ballot paper envelope and would be dispatched in one common envelope to the members. Inspection of the venue will be done inspectors if the 1st venue fails preference will be given to 2nd one. **Decision: It was passed unanimously.**

**3. Zonal activities of IADVL, involvement of Vice presidents and Joint secretaries:** Proposal by Dr Devesh Mishra. He suggested to the house that as there are two vice-president/ joint secretaries in the National EC, they should be involved in zonal activities. Both VPs and Joint secretaries can look after 4 zones of IADVL and a few states as the EC decides. He pointed out that such relegation of responsibility to these EC members is already there in our IADVL Constitution, page no. 28. Hence, they should also be have a active role at state IADVL conferences, elections of CUTICONS, etc.. Expenses if any should be borne by local branches for inviting president, vice-president, secretary. **Decision: It was passed in principle.**

**4. All of the elected IADVL executives be given a chair in the front row during their installation ceremony in the inauguration, valedictory and other functions of our DERMACON. Proposal by Dr Devesh Mishra and Dr Torsekhar:** At present, the VPs (Two), Joint Secy. (Two) get only a bouquet. Please give them their a few moments of glory. That way, their posts get some sanctity and credibility. I believe that they will share more the ever increasing loads of IADVL duties and responsibilities. I declare that I am not an interested party as is obvious as my installation is already over.

It was discussed in detail. Dr. Joshipura said EC members should be on the dais when installation is going on. If EC recommends only elected person can be on dais and not the nominated persons. Dr. Rajeev Sharma opined that when installation of new EC is taking place the persons who being installed must be there on dais. Once you are doing valedictory function of IADVL, whole team including the nominated members can be on the dais. If the number is more, two rows of chairs should be on the dais, 1st row for the elected people, 2nd row for nominated and valuable members during inauguration. **Decision: It was passed.**

**5. IADVL member Directory Issues:** Dr. Devesh Mishra mentioned the progress on the regarding making member's address of directory. He informed the house that Galderma Pharma has in principle agreed to print and distribute the directory. He also opined that it can be made in to CD. EC opined that both soft and hard copy should be made.

**6. Proposal of having one and half mid Dermacon/CME in July 13-15th July 2012 at Hyderabad: By Dr P. Narasimha Rao.** Secretary IADVL proposed a one and half day CME at Hyderabad a day before CC meet. It was proposed to test the response of IADVL members and its feasibility. It would also be useful if EGBM is to be conducted during this years meet. He proposed to have one & half day Mid DERM CME/conference along with Mid Derma Central Council meeting. This meet can precede it or can occur along with it. Choice 1. CME on Friday, and half of Saturday and CC meet from Afternoon of Saturday and on Sunday. Choice 2. Both happening simultaneously in different halls on Saturday and Sunday (2days).

Decision: EC after discussing it has been accepted the second choice and passed it.

**7. Dr. Sacchidanand proposal:** The Bid for DERMACON from any state branch should also contain a proposed budget and the amount of savings that they will contribute. The organisers should sign an agreement (Org. Chairman, Org. Secretary and Treasurer) that they will abide by IADVL rules and guidelines. That the Organisers will submit the complete audited accounts within six months of the conference. This has to be compulsorily printed in IADVL news and circulated before CCM. He also requested for permission and financial support for Continuation of special Website for WCD bidding.

Discussion: The organizers of DERMACON should sign an agreement (Org. Chairman, Org. Secretary and Treasurer) that they will abide by IADVL rules and guidelines. **Result: Already is being practiced, if not, should be done: passed** 2. Accounts of DERMACON of that year should be published in second issue of that years IADVL news booklet, which means they should be submitted by MID derma CC meet of that year. **Result: Passed.** 3. Permission for continuation if I special IADVL website for WCD bidding passed with allocation of Rs. 15,000/- for annual maintenance for site. **Result: Passed.**

**8. Opinions given by Constitution committee on two issues referred them: Constitution committee.** Constitution committee of IADVL consisting of Dr. Suresh Joshipura (Chairperson), Dr. Ameet Valia (Convener) Dr. Byravarathinam, Dr. Arijit Condo, Dr. K.H.S Rao, Dr. Putta Srinivas & Dr. Ramesh Bhat M. (recused himself) opined in two issues referred to them as follows: **Issue 1: Whether the decision of ABGM to permit Karnataka Branch to host**

**DERMACON 2015at Mangalore is valid?"** Opinion: The unanimous opinion of the Constitution Committee is that this decision does not conform to the provisions under the Constitution of IADVL. The situation has arisen because of the decision to merge DERMACON 2014 with the ICD. Though this issue has not been specifically referred to the Committee, the Committee is of the opinion that the constitutional validity of this decision should be determined by scrutinizing the minutes of the AGBMs in the Jaipur DERMACON."

**Issue 2: Whether the decision of ABGM for commencing year 2012 to merge ICD and DERMACON 2014 is constitutionally valid?**

Opinion: "The unanimous opinion of the Constitution Committee is that the decision does not conform to the provisions under the Constitution of IADVL because of the following reasons: Combined CC & AGBM for commencing year 2011 held on 5th Feb, 2011 at Gurgaon had resolved against the merger. The minutes of the above meeting were confirmed by the CC & closing year AGBM held on 9th Feb, 2012 at Jaipur. As per the IADVL constitution, an international conference can be combined with DERMACON only in "exceptional circumstances" and such a situation has not been brought out before the GB to reverse the decision of the two previous GBs".

**Both issues were put to vote for EC member's opinion:** Issue one: 1. Merger of ICD and DERMACON 2014. Decision: EC passed it unanimously in favor of merger. Issue 2. Organising of DERMACON 2015 by Karnataka branch of IADVL at Mangalore: **Decision: Passed by majority decision of EC members.**

The consequences and reasons of these decisions taken by the EC against the opinion of Constitution committee was discussed. The house finally decided to hold an Extra ordinary General body meeting (EGBM) during MID DERMA CC meet for approval/ratification of its decisions.

**9. ICD Venue issue:** Dr. V. K Sharma informed the house regarding the details of reasons for change of venue from Noida to New Delhi. He stated that this change of venue has been informed to international society. IADVL also informed. Hotel Ashok has been booked which is a large hotel. Near by Samrat hotel complex which has a capacity 255 rooms - has also been booked. The house pointed to the fact that maximum capacity of the largest hall is only about 2000 and a larger hall of expected capacity of 4000 delegates need to be erected if a combined DERMACON and ICD conference is to be held.

**10. SARAD Meet 2015 venue selection:** Selection of venue As both Dr Jayadev Betkerur and Dr P. Narasimha Rao wanted to host 2015 SARAD conference which was allotted to India, during Jaipur DERMACON 2012, it was decided that it should first get approval regarding modalities of selection of venue for SARAD meet in India in EC meet. Taken up at the EC meet. Opinion: Estimation of guest would be around 1500 members. SARAD meeting will be in

November Month. It should not be combined with national conference, as per the decision of SARAD's GBM. **Decision: As more than one city is contesting to bid for it, the house decided to announce it for all interested to bid through IADVL news letter and if more than one bid is made, it should be selected through national ballot as was proposed for DERMACON venue selection.**

## 11. IADVL-GSK Postgraduate Quiz - Dermacon 2013:

Dr. Ramesh Bhat represented IADVL quiz committee. He stated that all state CUTICONS will conduct Quiz under the supervision of Central body with the help of National coordinator, under the IADVL-GSK banner. Quiz master for the CUTICON should be from different state, preferably from a different zone. Each zone is combined with two to three states. Two teams will be selected from each zone. There will be no zonal quiz this year. National observer will be select quiz master. Regarding Question bank Quiz master should have freedom to frame his own questions as long as they are noncontroversial. State level Preliminary screening test, MCQs covering Correct answer carries (+1) mark. wrong answers (-1/2). Financial implications would be Rs. 16 Lakhs, which being sponsored by GSK Pharma.

**12. IADVL text book UG:** Details of the progress of the project by Dr. Vishalakshi Viswanath. The first edition of IADVL Concise Textbook of Dermatology has been successfully published Wiley Blackwell. CD- ROM (MCQ and images), to be completed by March 2012. Textbook and CD- ROM expected to be released in market in June 2012. Initially, approx. 7500 copies to be published- 4300 copies to be marketed by CBIS distributors, 3200 to be distributed by Abbot pharma who are sponsoring them, throughout India. The sponsors has initially wanted to have their logo on the back cover of the text book but later withdrew their request. Dr. Shaym Verma suggested to have a permanent legal advisor for IADVL on the lines of auditor we already have, for advise on all the legal issues which arise in its administrative procedures.

**13. Indian Dermatology Online Journal (IDOJ) Editor issue:- Proposal by Dr Shyam Verma.** The Editor and team of Indian Dermatology Online Journal (IDOJ) have completed the term of 3 years. He requested the EC of IADVL to grant him and his team one more term of 3 year up to 2015. **Reasons:** IDOJ is a new journal. It is still in a state of evolution. It is waiting for getting indexed in PubMed. Many creases are being evened out. We are currently working as a very cohesive team with a common aim of taking the journal to newer heights. It would therefore be a good idea if there is no change of guard for IDOJ for the next term of 3 years to streamline this journal. Since this journal is new I humbly suggest that all rules and guidelines that dictate the IJDVL be employed for IDOJ as they are both official organs of IADVL. **Decision: Passed.**

## 14. Indian Journal of Dermatology, Venereology and Leprology

**(IJDVL) issues:** by Dr. D.M Thappa: Medknow is the publishers of IJDVL. He opined that IJDVL could generate more revenue by charging for downloading PDF files. There are new features and it make it compactable for IPAD. In India will be free. In outside India it will be chargeable.

## 29th April, 2012: EC meeting session 2

**15. Request for participation of IADVL EC in a press conference along with L'Oreal grant team in India:** Proposal of L'oreal: There is an upcoming jury meeting in India of L'oreal along with IADVL and it would be the third year of the grant program. L'oreal would like to seize the opportunity of the jury meeting and of IADVL presence as scientific and dermatology experts along with the presence of L'Oreal scientific experts, for a press conference dedicated to the importance of skin research in India. This could give more light on the sustainable effort of IADVL in supporting more research and will increase awareness on the grant program. **Decision:** Sharing the same stage at a press meet with L'oreal by IADVL is a different matter altogether from the IADVL -L'oreal grant jury meeting. IADVL EC felt such a combined press meet may not be ethical and hence not approved by EC.

**16. DERMACON 2013 Progress report by Dr. Ranjan Rawal (Org. secretary):** There is a good progress in the matter of DERMACON 2013 to be held from 24th to 27th January, 2013 at Ahmedabad, Gujarat. CME theme would be the 'current concepts in Dermatology'. The venue for the conference is Gujarat University Convention & Exhibition Center which is in a class of its own. Sessions will be start at 08:30.am sharp. Regarding SIG participation, 6 group slots will be randomly selected as proposed by Dr. CR Srinivas. SIG's groups would have a max. time of 1 hour each. Sister societies would be accomodated. Posters would be in electronic format. Abstract book will be given in CD form. As per GB resolution no music will be there during lunches, only light music will be in evening. Heavy music after 9:00 pm. IADVL E-groups would have 30 minutes to 45 minutes in prime time for their presentations. Slot for get-together of IADVL e groups would be provided in one of the halls after scientific programme.

**17. E voting issues and progress: by Dr. Narendra Patwardhan:** E Voting registration for online voting is progressing. Member has to register his/her IADVL membership number, Date of Birth, Pan Number, email id. Registration is voluntary but need to be encouraged. E Voting registration need to done one time only. DERMACON Venue selection through E voting is also possible. Only about 400 members have registered till now.

**18. IADVL Planner/ Calendar:** Dr. Lalit Gupta has been working on IADVL planner on IADVL EC request and has come out with the planner, the draft hard copy of which was displayed during the meet.

The costing for printing 7000 copies as estimated to be between Rs. 76,500 to 1.3 lakhs depending on its size. Sun Pharma has already come forward as sponsor and is ready to print and distribute it. They would put their name below the calendar. The event calendar would be from July of this year to June of next year. **Decision: Passed by the house.** The Dr. Toresekar also proposed for IADVL diary of similar nature having all the details of IADVL and its activities.

**19. IADVL committee on SOPs report:** Sent by Dr Arijit Coondoo by email: Preparation of Standard Operative Procedures (SOPs) for conduct of IADVL activities was taken up by the team headed by Dr Arijit Coondoo. The responsibilities of preparation of SOPs was allocated to sub-committees as follows: Administrative matters of IADVL: Dr Joshipura. Finance: Dr. Arijit coondoo. IJDVL & IDOJ matters: Dr Venkat Ram Mysore, Text book matters: Dr S Sacchidanand, Organization of meetings and Days: Dr Ramesh Bhat, Conference: Dr S Sacchidanand, IADVL academy of Dermatology: Dr Arijit Coondoo, IADVL news and other publications: Dr Koushik Lahiri, IADVL Yahoo groups: Dr Koushik Lahiri, IADVL constitution and constitution committee: Dr Joshipura, IADVL elections and e-voting: Dr Ramesh Bhat, Involving Dr. Suresh Talwar, Dr. Sacchidanand. Priority to SOPs to prepare on Administrative Matters, and of IADVL Conferences.

**20. International Speakers and Resource Person Database: Proposal sent by Dr Rashmi Sarkar:** Proposal: Every time IADVL needs to find information on speakers/Resource persons for our national conferences, we have scarcity of data on them. We choose the speaker then the subject, rather than the other way round. Discussion: It was proposed that Dr Rashmi Sarkar and Dr Shyam Verma should start working on this project of organizing names who are well known experts in their areas as a ready reference. Make different headings of important diseases; build up database of names, sex, department or place, city, country and area of special interest, also most importantly their emails. **Decision: passed.**

**21. The IADVL Academy report and proposals was presented by its Convener Dr. Shyamanta Barua.** The changes in the structure and composition of the IADVL Academy and the SIGs were highlighted. It was also reported that several SIGs are working on preparing therapeutic guidelines in coordination with the IADVL Therapeutic Guidelines Committee. In a related matter it was suggested by Dr VK Sharma that existing guidelines if already present should be modified and updated where ever possible rather than writing an entirely new guidelines. Dr CR Srinivas agreed for the suggestion. To the question whether the Convener can be a Special Interest Groups (SIGs) member, Dr. Rajeev Sharma suggested that if he is doing well he can be member of SIG as well.

A. The task of evaluation of the SIGs has been undertaken by the Academy based on a set of criteria prepared by the Academy and the

its recommendations would be passed on to the Executive for continuation/termination/ revamping of each SIG. In this regard, it was mentioned that reports for evaluation has been received from most SIGs but there has been no response from certain SIGs.

B. Conferences by SIGs were proposed by Dr CR Srinivas & Dr Barua and suggested the name, DERMASIGCON followed by the SIG name e.g. DERMASIGCON-Psoriasis/Pemphigus/Urticaria/Pigmentary Dermatoses for them. It was suggested that even a non SIG member can hold a conference involving SIGs members. The calendar can be prepared by the Academy and bidding can be done on the floor during ABGM or by Election and voting in case of multiple bids. Preference will be given to non-metro cities that may not have the infrastructure to host a DERMACON at this point of time. The concerned SIG members will be the national members of the Scientific Committee and there will be a local Organising Committee. The rules regarding finances and profit sharing could be the same as applicable for DERMACON or with minor modifications and an amount of Rs. 2 lacs could be made available as seed money.

C. IADVL Training Fellowship issues: Guidelines to be framed for Evaluation of existing Fellowship centres, for deletion of non-functioning Fellowship centres and for approving new Fellowship centres. Dr. Manas Chatterjee and Dr Arijit Coondoo had prepared evaluation forms previously and can be used with some modifications. One is evaluation is programmer by the trainee other is trainee by the programme Director. Grading to be given rather than percentage. The increase for stipend for trainee from Rs 5000 to Rs. 10,000 has been suggested and approved. The Academy will, henceforth, screen applications for Fellowship Centres & training fellowships by constituting a panel of members for such screening. Evaluation of existing Fellowship centres would be initiated and criteria for approving new Fellowship centres would be drafted by the Academy.

D. IADVL SIG Research Grant: It was proposed that an IADVL SIG Research Grant be instituted to fund research projects/ Multicentric studies in the thrust areas of each SIG. The funding mechanism was discussed. The format for application of the Research grant was ratified.

IADVL Academy on the web: The proposal for a dedicated web page of the IADVL Academy in the iadvl association website iadvl.org was passed by the EC. The proposed webpage will have links for each SIG and Links to the IADVL and IJDVL/IDOJ websites.

E. DERMACON Orations & Award Papers: Dr Barua apprised that the GB has passed the proposal to advance the abstract submission deadlines for DERMACON Award Papers & orations to Aug 31. However, the Organising & Scientific Committees of DERMACON 2013 have proposed to accept applications for orations and award

papers till July 31, 2012 this time. It was further proposed that the online abstract submission process should be updated and should have all modalities for rejecting incomplete or invalid applications, wherever applicable.

**F. IADVL Academy Fellowships:** Revision of criteria to award Honorary Fellowships and revision of fees for applicants for paid fellowship were discussed but it was finally decided that status quo be maintained.

**G. Regarding very poor at DERMACON AGBMs:** Dr. Shyamanta Barua proposed that a committee of 3 people has to form to look at the ways of improving its attendance" should actually be "Regarding very poor attendance at DERMACON AGBMs: Dr. C. R. Srinivas proposed that a committee be formed with Dr. Devesh Mishra, Dr. Suresh Joshipura, Dr. Narendra Patwardhan and Dr. Shyam Verma as members and Dr. Shyamanta Barua as Member Secretary to look at the ways of improving attendance in DERMACON AGBMs."

**22. Guidelines for Pharmaceutical support for SIG activities:** Dr Kiran Godse had brought forward this issue by a proposal of IADVL approval for their SIG activity supported by a Pharma company. EC felt that it is heartening that the activities of many SIGs are being supported by Pharma industries. However, they may use this opportunity to promote their products by labeling them as being approved/supported by these SIGs of IADVL. Dr Barua suggested that the guidelines for Pharmaceutical support for SIG activities can be as follows: CMEs/Workshops/ Conferences can be supported by pharmaceutical companies as is done in CUTICONS/DERMACONS and will be governed by Standard Operating Procedures (SOPs) when they are in place. If a grant has to be accepted for scientific publications, it would be acknowledged with – "This publication has been made possible by an educational grant from ....." or "Print courtesy from educational grant of ....." ". It should be categorically mentioned in an official agreement with the concerned pharmaceutical company that it cannot construe such sponsorship as an endorsement of any product or instrument or similar by IADVL.

**23. DVL welfare trust issues were elaborated by Dr. Chetan Patel.** Proposed a single payment mode to become life member if any member accepts to pay one lump sum amount Rs. 10,000/- as it would suffice for 30 years of his life to take care of yearly contribution. We can open this for members all who had already joined also. As of now the annual membership is Rs. 300/- apart from the joining fee. We need to encourage younger generation to join it. The indemnity coverage for those would like to opt for it would be Rs. seven lacs, per case and Rs. fifteen lacs aggregate per year, once it is applicable. One legal advisor should be at Baroda and there

is a need for legal support at state level as consumer protection act issues need to be addressed in the local courts. Dr P. Narasimha Rao had a long discussion with Dr Chetan Patel on various aspects of the DVL trust guide lines and Dr Chetan Patel at the end said that he would come with modified rules after discussing with DVL trust trustees by MID DERMA cc meet.

**24. Proposal by Dr Cr Srinivas- The Kandhari award:** The prestigious Kandhari award of IADVL should not be given to any person from the state which is organizing DERMACON to avoid conflict of interest and selection bias. It should preferably from other states of India. Decision: Passed by EC.

**25. Additional advance of Rs 20 lakhs to ICD from IADVL:** Proposal by Dr VK Sharma: Dr VK Sharma came with the request to IADVL that he is need of 20 more lakhs, in addition to 50 lakhs already given, to him for expenses involved in the preparations for ICD. **Decision: It was passed in principle by EC.**

**26. Return of Seed money by DERMACON 2013 organizing committee:** The organizing committee headed by Dr Joshipura gave back the part of the seed money of Rs. 10,00,000 to IADVL during EC meet through a Cheque, 6 months before conducting the conference!! It has happened for the first time in history of IADVL and indicates the strength of the Gujarat IADVL branch and people behind it. Congratulations to all!!

**27. DVL Welfare Trust** Dr. Chetan N. Patel brief the members regarding the Activity & Progress made by Trust. He informed the members that till 31st March 2012, total 59 members have joined. He also presented the unaudited Income - Expenditure Account & Balance Sheet as on 31.03.2012. He requested the E. C. Members to join the trust. Most of the members including President Dr. C. R. Srinivas & Vice President Dr. R. G. Torsekar have joined the trust. Dr. Chetan N. Patel requested to accommodate Immediate Past Presidents (upto five years) starting from Dr. S. D. N. Guptha as Advisors. He also suggested taking one time fee of Rs. 10,000/- in place of annual membership fees from the members of IADVL who joins before March 2014. The members discussed the implementation of providing disability benefit & other benefits as well as modalities of indemnity coverage. Dr. Chetan N. Patel answered the queries raised by the members. He informed the members regarding provisions of disability fund and health benefit etc. He also informed the members regarding the procedures to be followed in case of need for indemnity. It has been decided to take up all these proposals to the E. C. of DVL Welfare Trust & then General Body of DVL Welfare Trust.

## New Proposals received and to be discussed in the CC Meet on 14th & 15th July, 2012

### 1. Dr. C.R. Srinivas - President Proposal

Proposal for cancellation of Workshop during DERMACON

As per our constitution DERMACON should not be for more than 3 days and one day CME. However many local body organize a standalone workshop apart from CME and even along with CME as a parallel session. CME is a plenary session and no parallel workshop should be organised. No workshop should be permitted one day prior to CME also as this prolongs the stay and some may choose to attend the workshop and skip CME and conference to cut short duration of stay. Even if permitted the organizers should obtain prior permission and it should be merged with DERMACON.

### 2. Proposal by Dr Devesh Mishra

Regarding Quorum for CC meet and our AGBMs

The number of members to be present as a must should be 7 (at least 3 can be other than office-bearers) for CC meet and 40 for AGBMs respectively, is grossly less than desirable. Our member strength is now nearing 7500 (around 6000 being LMs) . Also number of state presidents and Sec. + EC members is over 50 without adding CC members from states.

We can have more numbers for fulfilling the "quorum" to reflect our true member's strength at these meets. As the present no's from the present constitution is old and grossly insufficient. Ref. IADVL Constitution 2010, page 42, Quorum.

### 3. Dr. S.D.N Gupta Proposal

Dr SDN Gupta wanted to bring to the EC notice the fellowships being conducted and held by non Dermatologists at Tamil Nadu. One such advertisement was as follows: "We are conducting various fellowship certificates courses to update and empower the General Practitioners. One of the certificate course is on Sexual Medicine. The course is co-ordinate and conducted under the Directorship of "Dr. M. Balasubramanian" course fee: Rs. 15000/-, Duration-3 Months, Venue-IMA Hall, Tambaram." For Discussion at CC meet.

### 4. Proposal from Dr P Narasimha Rao and Dr DBN Murthy

Proposal 1. Increase in the allocation/provision for telephone/mobile bill expenditure in constitution for President, Hon

Gen Secretary and Hon Treasurer: Proposal from Dr P Narasimha Rao and Dr DBN Murthy.

Background: At present our constitution (page 25 under head expenditure) limits the expenditure on telephone bill of HOn Gen Secretary and Hon Treasurer to maximum of rs 5000 per year which is grossly insufficient in this era multiple usage of mobile (texting, telephoning, emailing, downloading info etc) for IADVL official purposes. More over it does not include Presidents telephone bill in the expenditure at all. Hence we propose as follows:

Proposal: The expenditure of phone/mobile usage may be limited to a maximum of 36,000 per year (3000 per month) for Hon Gen secretary and 24,000 per year (2000 per month) for President and Hon Treasurer which is the reasonable and realistic expenditure expected in this era of increased communications and usage of mobile for multi-tasking (texting, telephoning, emailing, downloading info etc) for the activities of IADVL.

Proposal 2. Proposal for opening current account for IADVL - propose the following for your perusal and consideration: IADVL EC may be permitted to open a current account in addition to SB account and fixed deposit accounts in same branch of the nationalized bank, fully following existing rules and guidelines of opening such an account.

Background: As per our constitution,(page 24 , No. 20) IADVL can open a SB account and fixed deposit account in any nationalized bank in its name. However, there is no provision for opening a current account, which is required for smooth functioning of IADVL financial activities.

Reasoning of need for current account: With increasing need for online bookings (such as booking of online tickets for EC meet, CC meet etc) and increasing international monetary transactions (transfer of membership fee to ILDS, or other international IADVL transactions, participation in society meetings) there is a need for IADVL secretariat to perform internet based national and international banking transactions, for which a current account facility is required, as such facilities are not being extended to SB account.

This may be permitted on the similar guidelines as applicable to the opening of SB account and should be in the same branch on the name of IADVL only. Both account may be linked and shown as

IADVL accounts only. A small part of IADVL funds may be kept in current account as and when needed for such transactions.

**5. Proposal from Dr P Narasimha Rao** Proposal for inclusion of names of states Goa, Uttarakhand etc in our constitution I have observed to my dismay that in whole of our constitution there is no mention of two states, Goa and Uttarakhand. They have to be mentioned as part of combined branches of "Maharashtra & Goa" and as "UP and Uttarakhand" Maharashtra is wrongly mentioned as single state branch in our constitution, although it has been a combined branch with Goa for a very many years.

Also the details of the states and UT which form a part of North East branch has to be clearly mentioned. In effect, all the states and union territories of India have to have mention somewhere in our constitution, stating to which larger state they form a part or mentioned as a part of combined branch. This would make IADVL truly a pan Indian DVL association.

## 6. Agenda by Dr. Venkataram Mysore

Point 1: I had submitted the following point to central council in 2011:

The constitution states on Page no 34, 35 post of secretary, treasurer, Joint secretary that they must have been actively involved in the affairs of the Association in an official capacity \*either at the central level or in the branch, combined branch level or a Central Council member from the branch for a minimum period of 2 year either continuous or with breaks. However it is not specified what the official capacity is. This means that any member with no significant administrative experience or even minimal experience (such as CC member for two years) in the association can contest for the two most important positions in IADVL. This is a serious lacuna which needs to be addressed. This was then referred to the constitution committee which accepted the suggestion and recommended modifications in their report and submitted to AGM in DERMA CON Jaipur. However, to the best of my knowledge, these have not been implemented in this year's election. I request you to kindly inform the house about the status of the changes as advised by the constitution committee.

Point 2: All iadvl award winners should be recognized by printing their names, along with their work done and reason why he/she was given the award, and the nature of the award, in iadvl newsletter and in conference abstract book. Presently only their names and names of awards are being announced and it becomes unclear as to why the awardee has been awarded.

## (Opinion on Dr Mysore Venkatram's proposal By Dr. Amit Valia.

Dr AR Valia mentioned that Dr M Venkatram's proposal was indeed discussed at Constitution committee meet and produced the following copy of minutes of its meeting as proof.

Agenda for the Constitution Committee Meeting  
Discussion of the following matters referred to the Committee by the

President: Dr SDN Gupta

Amendment moved by Dr. Venkataram Mysore: Since the qualifications necessary for the post of secretary and president are not specified properly, the following may be added to the existing matter in the relevant clauses:

Position of Hon. Secretary: A candidate should have served as a secretary or treasurer at the state level or a joint secretary or treasurer at the central level  
Treasurer: A candidate should have served as a secretary or treasurer at the state level or a joint secretary at the central level. This will be added to the qualifications already listed. Any other matter with the permission of the Chair.

**Proposed agenda for the Constitution committee meeting to be held during DERMA CON 2012:** By Dr Suresh Joshipura  
Agenda for the Constitution Committee Meeting

1. Welcome: Dr R G Valia
2. Discussion of the following matters referred to the Committee by the President:
  1. Issue pertaining to Dr. L. N. Sinha award for 2012.
  2. Amendment moved by Dr. Venkataram Mysore for the eligibility of post of Hon. Secretary during CC MIDERMAMEET.
  3. Any other matter with the permission of the Chair.
3. Vote of thanks: Dr Suresh Joshipura)

**8. MP IADVL issues:** During EC at Coimbatore various options to overcome the problems faced by MP IADVL were discussed. To give one more opportunity to IADVL MP members, the EC nominated Dr Devesh Mishra, the Vice President IADVL as its representative to resolve all MP pending issues and help the members to arrive at a mutually acceptable agreement to work together as a single unit. Dr Devesh established contact with the members of IADVL MP. A meeting was organized at Bhopal on 27th May, 2012.

Under the guidance of Dr Devesh Mishra, the representative EC

IADVL and In the presence of a senior member Dr Chandel who was also authorized by Jabalpur and Gwalior members, a joint agreement was drawn by all the members present including MP President and Secretary. The agreement, which calls for a balanced approach to ensure fair deal to all the parts of the states was then signed. The EC places on record the efforts and the leadership qualities of Dr Devesh, senior member of MP, Dr Chandel, President MP-IADVL Dr Atul Kathed, Secretary Dr Narendra Gokhale and other members of IADVL - MP and many others without whose cooperation, this would not have happened. We wish to inform the house that the EC has decided to move forward and give MP their chance to enjoy normalcy and progress further and places on record its sincere thanks to Dr Joshipura the chairman of the constitution committee and Dr Ameet Valia the Convener for guiding the EC. As opined by Dr Valia, we wish to kindly inform esteemed CC members about the success of EC in resolving it and that EC thru its representative will implement the agreement in MP-IADVL.

**[Minutes of the meeting held at Bhopal on 27 May 2012 of MP IADVL members as sent by Dr Devesh Mishra]**

The meeting of Madhya Pradesh branch of IADVL was held at Hotel Nisarga, Bhopal on 27 May 2012. It was convened by Dr. Devesh Mishra, National Vice President IADVL and coordinator.

The meeting was attended by the following members

1. Dr. Narendra Gokhale	signed	9303261375
2. Dr. Dilip Hemnani	do	9425060904
3. Dr. Kailash Bhatia	do	9977094350
4. Dr. Atul Kathed	do	9425948077
5. Dr. P.S Chandel	do	9303106407
6. Dr. G Dawani	do	9826018894
7. Dr. K. Mishra	do	9827200018
8. Dr. Nitin Pandya	do	9424410729
9. Dr. Anurag Tiwari	do	9826023923

Dr. P.S Chandel was authorized by Dr. P.K Saraswat and Dr. Brijesh Agrawal to be their representative. Dr. Devesh Mishra stressed on the need to have a unified MP branch so that it can flourish and emerge stronger. Dr. Narendra Gokhale and Dr. Dilip Hemnani pointed out that all the zones are not equivalent in numbers. Dr. Kailash Bhatia said that lot of zones do not have sufficient members to fulfill criteria to become office bearers. Dr. P.S Chandel who also acted as the official representative of Bhopal, Jabalpur and Gwalior put a proposal by the title "Proposal for functioning of IADVL MP branch", which was as follows- ...

## **Proposal for functioning of IADVL MP Branch**

1. President/Secretary/treasurer shall be in rotation, zone wise and shall be from same zone.
2. Cuticon shall be organized by the President in his city/zone or any other tourist place spread over the state, electing/nominating organizing chairman and organizing secretary and members of organizing committee from his city/zone. President shall be responsible to get the Cuticon organized, if he is not able to get it organized as mentioned above, he can get it organized by any other zone subject to approval by General Body. In case zone, in its turn unable to organize cuticon and provide names of President/Secretary/treasurer, chance to lead the Association will go to next zone in queue.
3. Following shall be the proposed zones based on major cities of MP. A, Bhopal zone, shall include small towns in its vicinity i.e. Vidisha, Hosangabad and Itarsy. B, Jabalpur Zone, shall include small towns in its vicinity i.e. Sagar, Katni, Satna and Pipariya. C, Indore zone, shall include small towns in its vicinity i.e. Dewas, Mau, Khandwa and Dhar D, Ujjain zone E, Gwalior zone shall include small towns in its vicinity i.e. Bhind, Morena and Dabra, F, Rewa zone. Minimum of five IADVL Life members shall be required to function as a zone, in present scenario Rewa shall be part of Jabalpur zone and Gwalior shall be part of Bhopal zone till they achieve strength of minimum five IADVL life members.
4. Names of President/Secretary/Treasurer shall be decided by the members of the zone and rest of the executive members/council members shall be nominated/elected during AGM.
5. AGM shall be organized on first day of conference forenoon session where outgoing president shall preside, election officer shall be elected/nominated, election officer shall complete the process of election/nomination there after Incoming President shall take over the charge officially along with his team and conduct the rest of the business of house, ceremonial Installation can be done in Inaugural function arranged immediately after AGM or as per the feasibility of the conference organizers.

Proposed rotation for zones from now is as follows,

1. Jabalpur/Bhopal
2. Bhopal/Jabalpur
3. Ujjain
4. Indore

**After thorough deliberation it was accepted to have four zones as follows-**

- 1. Bhopal**
- 2. Jabalpur**
- 3. Ujjain**
- 4. Indore**

It was decided unanimously to have cuticon and executives e.g President, Secretary and Treasurer from these four zones vi a vis the proposal submitted as above was accepted in toto, except the

rotation in the following order-

## **(A)-Jabalpur - Bhopal - Ujjain - Indore**

And after this, subsequent rotation will be

**(B) Bhopal - Indore.** These 2 sequences will continue to rotate.

Finally Dr. Chandel talked to Dr. Brijesh Agrawal on phone who agreed to the above arrangement. The above decisions are final and abiding for all without making any further changes. All members requested Dr. Devesh Mishra to be the ombudsman/coordinator for the MP branch for the next 6 years. Finally Dr. Devesh Mishra thanked all the members for sparing their valuable time to come forward for uniting and resolving the long standing issues of IADVL MP branch.

We have checked the minutes. Signed by: Dr. Devesh Mishra, Dr. P S Chandel, Dr. D. Hemnani, Dr. G. Dawani, Dr. Narendra Gokhale, Dr. K. Mishra, Dr. Kailash Bhatia Dr. Anurag Tiwari, Dr. Atul Kathed, Dr. Nitin Pandya.]

**9. Proposal of SOPs for CCMIDDERMAMEET:** From IADVL SOP Committee, Chairman Dr. Arijit Coondoo (a total of three SOP proposals were sent as seen below)

## **I) Standard Operative procedures (SOPs) for MIDERMACON:**

**Objectives 1.** To conduct IADVL conferences in smaller cities but can also be held in Metro cities if needed. **2.** To showcase the activities of various SIGs. **3.** To facilitate CC MIDERMAMEET (Reduce the expenses).

## **Timing of MIDDERMACON**

Between two DERMACONS - preferably in the month of August May be held along with CCMIDERMAMEET or midterm EC meet if necessary.

May be merged with CUTICON/DERMAZONE if urgently necessary

**Venue selection/Bidding**—IADVL can invite bids for the venue (as done for DERMACON)

It should be held preferably in a zone other than DERMACON for that year i.e. if 2013 - DERMACON is at Ahmadabad, then MID- DERMACON of 2013 should be in any zone other than west zone. Therefore venue will be allotted after deciding the DERMACON venue

Accordingly branches from the zone in which DERMACON is being held that year will not be permitted to bid initially for MIDERMACON. However if there are no bidders from other zones, then bids will be called from these branches. Bidding can take place initially during DERMACON and in subsequent years during MIDERMACON of the previous year. However proposals should reach the Honorary General Secretary, one month before the due date of the previous MID DERMACON.

**VENUE INSPECTION:** The committee for venue inspection will consist of Presidents (Past, Present and Elect) and Hon Gen Sec. If any of the inspection committee members is not available then he or she can be replaced by the Vice Presidents in order of seniority (as defined in the Constitution). The expenditure for inspection will be borne by the host branch.

**ORGANIZING COMMITTEE:** The National Executive shall be the Central Organising committee of the conference. The Hon. General Secretary or in his place one of the Joint Secretaries shall be the Organizing Secretary of the Conference. They shall organize the conference with the help of a local organizing committee (preferably in conjunction with the Executive Committee of the state where MIDERMACON is being held) approved by the General Body of IADVL.

**SCIENTIFIC COMMITTEE:** The IADVL Academy along with the Convenors of SIGS will be the Scientific Committee of the Conference.

**Duration of conference:** Two days.

**Model scientific Programme: Saturday (1st day)-CME:** Four SIGS by rotation will be asked to participate. Each will get two hours for presentation. However if parallel sessions are being organized the duration can be increased on specific request of the SIG. Participating SIG will be selected by IADVL Academy. Topics will be selected by a committee consisting of Chairperson and convener IADVL academy and SIG convener and scientific committee chairperson Parallel workshop can be conducted by the local org committee.

**Sunday (2nd day) - Conference.** The conference will have lectures, panel discussions, free papers, award papers and posters. New Awards or Orations for MIDERMACON can also be proposed and accepted as and when proposed. (After acceptance the rules for these can be incorporated in the rules and regulations for DERMACON). The scientific programme will be finalized by the Scientific Committee for MIDERMACON.

**MEETINGS:** CCMIDERMAMEET and/or any extraordinary general body meeting (EGBM) of IADVL may be conducted during MIDERMACON. (It is not mandatory that CCMIDERMAMEET should be held with MIDERMACON and may be held at a separate venue on a separate month and date).

If the CCMIDERMAMEET and/or EGBM is held along with MIDERMACON then the Central Council meeting should preferably be held on 1st and 2nd day between 4pm-8pm. However, if necessary, It can also be a parallel meeting along with the scientific programme. Business meetings of various committees can run parallel to the conference.

Business meetings of state/zone can be organized on first day if CUTICON/DERMAZONE is being organized simultaneously.

**ACCOUNTS/FINANCE:** The financial rules governing DERMACON shall be applicable for MIDERMACON. The income from surplus of MIDERMACON shall be utilized for covering the expenses of CCMIDERMAMEET.

**Seed Money-** Rs 10 lakhs as seed money will be allotted in the budget every year. This amount will be reviewed every three years by the Central Finance Committee and proposals in change if any shall be forwarded by them to the General Body for approval.

**Registration fees, waivers and IADVL sponsorship:** To be decided by the Executive Committee in consultation with the Central Finance Committee and approved by the General Body.

**Profit sharing:** The surplus earned from the conference will divided 50-50 like the existing norms for DERMAZONES (50% to the state organizing the conference and 50% for the IADVL head quarters). Attempt will be made to hand over a minimum of 20% of the total revenue collection to the IADVL . Audited accounts will be placed before the IADVL National Executive within 6 months of the last day of MIDERMACON.

**STALLS:** They will be managed and organized as in any other IADVL conferences.

**HOSIPTALITY:** Lunches may be working lunches . Social events may be held as per the discretion of the local organizing committee  
**CONCLUSION:** Most of the norms for DERMACON can be followed here also. Inaugural function should be simple. No mementos to be given. However a social evening will be organized on the first night of the conference.

## II) SOP for IJDVL and IDOJ

IJDVL and IDOJ editor: Most aspects are common to both editors; where they are different, such features will be highlighted

**a) Term of office:** The term of office for both editors will be as in the constitution, for a period of three years. At the end of the three year term, a fresh editor will be chosen as per procedures laid down below. The current editor may also apply, but fresh applications will also be invited and the search committee will be free to choose any one.

**b) Status of editors:** Editors are to be considered as invited members of the executive committee as specified already by constitution committee. They will be invited to all EC meetings and CC meetings.

### c) Selection of Editors for IJDVL and IDOJ:

The process of selection of editor-elect will start one and half years before the date of retirement of the editor whose tenure will be three years.

An Editor Search committee comprising of

(a) 4 members who may be selected by the GB from past presidents, past editors, past Chairpersons IADVL Academy of Dermatology and past Hon. General Secretaries shall be appointed which may be common for both thee journals.

(b) The current President, editor and the current IADVL Academy Chairperson shall be ex-officio members.

**No IADVL member who is himself an applicant can be a member of the selection committee.**

The current editor, if seeking a second term (extension) can also apply, but fresh applications will also be invited and the search committee will be free to choose any one from the applicants. **The current editor cannot be a member of the editor selection committee if he is also an applicant.**

The selection committee shall invite applications from IADVL life-members of at least 15 year's experience since post graduation for these posts by advertisements in IJDVL, IDOJ, IADVL website and IADVL News.

The application should contain the following data:

1. Name.
2. IADVL membership number and number of years of membership
3. Date of postgraduate qualification
4. Period of UG teaching if any (UG teaching is not mandatory for applicants but will be given adequate importance)
5. Period of PG teaching if any (PG teaching is not mandatory for applicants but will be given adequate importance)
6. Research work with details
7. Publications in indexed journals with details
8. Dermatology books authored or co-authored by the applicant
9. Chapters written in standard dermatology textbooks
10. Previous editorial experience
11. Any other academic experience
12. A statement of vision by the applicant as to how he wishes to take the journal to further excellence during his tenure outlining his vision and plan of action

#### **Format for Advertisement for inviting new applications for post of editor:**

The Indian Association of Dermatologists, Venereologists and Leprologists (IADVL) is in search of candidates (Indian nationals with life membership of IADVL) to be considered for the position of Editor of its official journal, Indian Journal of Dermatology, Venereology & Leprology/Indian Dermatology Online journal (IJDVL/IDOJ).

A search committee has been formed comprising following IADVL members to select the new Editor:

#### **The search committee would be expecting candidates with the following attributes:**

- A broad-based background in dermatology with outstanding academic experience
- Highest leadership and organizational capabilities
- A commitment to work hard and maintain the high standards of the journal
- Demonstrated writing skills in English
- Proficiency in electronic communications
- A reputation for fairness and impartiality
- Enthusiastic and whole-hearted support from the institution and colleagues
- Significant number of quality publications (at least fifty) as a lead author in peer-reviewed national and international dermatology journals
- A life-member of IADVL with at least ten years' good-standing (This can be deleted as all are life members now)

- Previous experience in an editorial role, at least as an associate editor in a journal (preferably indexed)
- A pleasant and affable personality
- Ability to raise funds and sponsorships for the journal

#### **The Editor of the journal will be responsible for the following:**

- Forming an editorial team with a broad spectrum of representation for academic and practicing dermatologists
- Directing and implementing journal academic policy within the ambit of the goals of the journals as laid down in the Constitution of IADVL and the financial resources of IADVL
- Maintaining the independence and the high dignity of the journal
- Raising resources for the journal publication through ethical and just sponsorships
- Elevating the position of the journal globally
- Publishing articles of highest standard, with insistence on ethical clearance for original articles and/or conflicts of interests from the contributors if any
- Obtaining and organizing editorial team review before peer reviews and appointing reviewers
- Corresponding with authors and organizing adjudication wherever needed
- To publish the journal in time and to supervise and work closely with the team members to meet publication deadlines and improve the overall efficiency
- To maintain and update the IJDVL/IDOJ website
- To raise resources for the journal through advertisements
- To maintain proper accounts
- To submit an audited accounts of the journal at the annual general body meeting of IADVL
- All other duties as assigned in the Constitution of IADVL

Candidates should note that as an editor, when in office, he/she will not be eligible for election/appointment for any position at the level of president, secretary/conference chairman, Org secretary, and scientific chairman, editor of any other journal either in IADVL or in any other association

The selection of the new Editor would be made before the DERMACON 20-- conference in January/February 20-- for approval by the Central Council and the General body of the IADVL. The Editor would be appointed for a 3-year term beginning in 20--. The Editor would be appointed for an initial 3-year term beginning in ---. The new Editor is required to join the present team during the transition period in order to acquaint with the day-to-day functioning of the journal, and is expected to be fully functional from 20--.

Interested candidates meeting the above requirements and who are keen to serve the association may please send their curriculum vitae and a one page letter discussing their level of interest, the qualities they would bring to the position and any potential conflicts of interest via e-mail and through speed-post by 30th July, 20-- to the following address

**IJDVL AIMS AND OBJECTIVES: (As written under Aims and Objectives of the Constitution with addition)**

To publish and circulate a journal named Indian Journal of Dermatology, Venereology and Leprology (IJDVL) to encourage publication of scientific materials by members of IADVL and to promote scientific temperament and create an environment of publishing excellence. The journal shall be official organ of the Association.

**GUIDELINES**

1. The Journal will be published every two months (but not in the month coinciding with the publication of IDOJ).
2. IJDVL will work separately but not in conflict with, but in cooperation with IDOJ.
3. IADVL shall be the sole owners of the Journal. The names of the Office Bearers of the Association shall be printed on the front page of every issue along with the names of members of the Editorial Board. The names of ex-officio members of the Editorial Board shall be printed at the top of the list of Editorial Board members.
4. The logo of the Association shall be displayed in a prominent position on the home page of each issue of the Journal.
5. The Editor shall be in charge of the publication of the Journal which shall be the official printed journal of IADVL.
6. The Editor with the approval of the President, IADVL and the Chairperson of the IADVL Academy of Dermatology, shall form an Editorial Board comprising of IADVL members to help him in the publication of the Journal. The President, IADVL; Honorary General Secretary, IADVL and the Chairperson, IADVL Academy of Dermatology shall be ex-officio members of the Editorial Board. The Editor shall be the Chairperson of the Editorial Board (The editor will have the discretion of appointing non-members of IADVL as reviewers and Advisors of the Journal).
7. The Editor with the help of the Editorial Board shall be

responsible for the publication and management of the Journal.

8. The Editor shall be authorized to open and maintain Savings and Fixed Deposit Accounts in a nationalized Bank.
9. The Editor shall present a budget every year to be approved by the Central Finance Committee and passed by the General Body at the commencing year's Annual General Body meeting.
10. The Journal shall generate its own funds through subscriptions and advertisements. However, such subscriptions and advertisements are to be accepted only after ensuring that the terms and conditions of such advertisements and subscriptions are not in any way detrimental to the principles and policies of the Association including endorsements of pharmaceutical and other products in any form or misuse of the IADVL logo.
11. The General Body shall appoint an auditor for auditing the Accounts of the Journal as per proposal by the Editor.
12. The Editor shall submit a yearly statement of Audited Accounts of the journal for the financial year ending on 31st march to the Hon. Treasurer who in turn will compile it along with his audited accounts for presentation at the Annual meeting of the Central Council and General Body and filing of Income Tax returns for that year.
13. The Editor shall have the discretion of appointing peer reviewers of the Journal.
14. The Editor shall have the sole discretion of referring articles received for publication to members of the Editorial Board, reviewers of the Journal or to any non-member who in his opinion is an expert in the specific field of work indicated.
15. The Editor shall have the sole discretion of condensing or correcting any article received for publication.

**INDIAN DERMATOLOGY ONLINE JOURNAL**

**AIMS AND OBJECTIVES: (To be included under Aims and Objectives of the Constitution):**

To publish online a journal of dermatology to be named "INDIAN DERMATOLOGY ONLINE JOURNAL" to encourage publication of scientific materials by members of IADVL and to promote scientific temperament and create an environment of publishing excellence.

## GUIDELINES

1. The Journal will be published Online every two months (but not in the month coinciding with the publication of IJDVL).
2. IDOJ will work separately but not in conflict with, but in cooperation with IJDVL.
3. IADVL shall be the sole owners of the Journal. The names of the Office Bearers of the Association shall be printed on the front page of every issue along with the names of members of the Editorial Board. The names of ex-officio members of the Editorial Board shall be printed at the top of the list of Editorial Board members.
4. The logo of the Association shall be displayed in a prominent position on the home page of each issue of the Journal.
5. The Editor shall be in charge of the publication of the Journal which shall be the official online journal of IADVL.
6. The Editor with the approval of the President, IADVL and the Chairperson of the IADVL Academy of Dermatology, shall form an Editorial Board comprising of IADVL members to help him in the publication of the Journal. The President, IADVL; Honorary General Secretary, IADVL and the Chairperson, IADVL Academy of Dermatology shall be ex-officio members of the Editorial Board. The Editor shall be the Chairperson of the Editorial Board ( The editor will have the discretion of appointing non-members of IADVL as reviewers and Advisors of the Journal).
7. The Editor with the help of the Editorial Board shall be responsible for the publication and management of the Journal.
8. The Editor shall be authorized to open and maintain Savings and Fixed Deposit Accounts in a nationalized Bank. (applicable when the journal will have its own accounts separate from accounts of IADVL Headquarters).
9. The Journal shall generate its own funds through subscriptions and advertisements. However, such subscriptions and advertisements are to be accepted only after ensuring that the terms and conditions of such advertisements and subscriptions are not in any way detrimental to the principles and policies of the Association including endorsements of pharmaceutical and other products in any form or misuse of the IADVL logo.
10. The General Body shall appoint an auditor for auditing the Accounts of the Journal as per proposal by the Editor. (applicable

when the journal shall have its own accounts).

11. The Editor shall submit a yearly statement of Audited Accounts of the journal for the financial year ending on 31st march to the Hon. Treasurer who in turn will compile it along with his audited accounts for presentation at the Annual meeting of the Central Council and General Body and filing of Income Tax returns for that year. (applicable when the journal shall have its own accounts).
12. The Editor shall have the discretion of appointing peer reviewers of the Journal.
13. The Editor shall have the sole discretion of referring articles received for publication to members of the Editorial Board, reviewers of the Journal or to any non-member who in his opinion is an expert in the specific field of work indicated.
14. The Editor shall have the sole discretion of condensing or correcting any article received for publication.

### III) SOP PROPOSAL: SEATING ARRANGEMENT IN IADVL FUNCTIONS DURING DERMACON and MIDERMACON

During the inaugural function of DERMACON and MIDERMACON all elected members of the Executive Committee will sit on the dais along with the invited dignitaries. The seating arrangement on the dais will be as shown in **Fig. 1**. In case there two dignitaries then they will be seated on either side of the organizing committee Chairperson.

Fig 1: Layout of the dais arrangement (first row) during the inaugural function

1	2	3	4	5	6	7	8
Organizing Secretary (only 1)	Honorary General Secretary	President Elect	President incoming	Chief Guest	Organising Committee Chairperson (only 1)	President outgoing	Honorary Treasurer

In the year of DERMACON in which one set of Honorary General Secretary and Treasurer will hand over charge to another both Honorary General Secretaries will sit side by side and both Treasurers will sit side by side. All other elected members of the Executive Committee will sit in the second row on the dais.

In the auditorium two front rows of two sides and one middle column should be reserved for IADVL dignitaries. The front middle row is to be reserved for chairperson and convener IADVL Academy, Chairperson scientific committee, editors IJDVL and IDOJ, editor IADVL text book, finance committee, constitution committee and SOP committee. The front side rows are to be

reserved for past Presidents, past Honorary General Secretaries, past Honorary Treasurers, SIG Conveners, Chairperson of Therapeutic guidelines committee and State Presidents and Secretaries.

Press persons, Guest/ inaugurator's spouse and securities may be seated in the side front row or third row in the middle column.

The organizers may make suitable changes in the above protocol only after prior consultation with the President and Honorary General Secretary.

**10. Dr. Shyamanta Barua**  
LM/NE/4266

### **Proposal: Nomenclature of sub-branches of IADVL State Branches**

The local city/town/region sub-branches of IADVL State Branches should be named as IADVL Chapters for clarity and ease of administrative hierarchy and function. This has been followed successfully in the North East States Branch of IADVL. For e.g., the local IADVL sub-branch at Dibrugarh is called Dibrugarh Chapter of North East States Branch of IADVL. This nomenclature of "Chapter" should be made applicable for all new local units of IADVL as well as for those who have been functioning previously by the name of sub-branches.

### **Proposal: Mandatory inclusion of all IADVL Life Members into the IADVL General Yahoo e-Group**

The membership of IADVL General Yahoo e-group should be made mandatory for all Life Members (LMs) of IADVL. Once all the

existing LMs are enrolled into the group, all new LMs should be automatically drafted into the group at the time of validating their membership. We must ensure this so that IADVL becomes a 24 x 7 institution for all. All may not be active but even the lurkers will get first hand information pertaining to all that is happening in their association under a single umbrella. Moreover, this will inculcate e-awareness amongst the members.

### **11. Name of the proposer: Dr Atul Mohan Kochhar LM/ND/1507 and Dr Raghunatha Reddy**

**Name of the secondor: Dr Sanjeev Gupta LM/H/3000**

**Subject: Levy of fee for contesting elections- Regarding**

**Introduction:** Respected Seniors and Dear Friends

A steep 'fee' (ranging from Rs 5000 to 20,000) has been decided by the AGBM at Jaipur for contesting for the various posts of the IADVL elections. Shouldn't it just be a nominal 'deposit' which can be forfeited if the candidate fails to secure a certain percentage of votes. For all others the 'deposit' is usually refunded. That will deter the 'non-serious' candidates. And this deposit should also be preferably reasonable / nominal so as not to deter anybody. Otherwise to serve the association, one has to have deep pockets too.

And why the 'grading' please. Why the fee should be different for different posts? The electoral exercise is same for all posts then why the difference?

**The Proposal:** 1. The **Deposit** for all posts under IADVL - election should be nominal - for all posts preferably Rs 5000/- or less. 2. This **Deposit** should be same for all post. 3. The **Deposit** should be forfeited in case the candidate polls less than 1/5th of the total votes polled. 4. On withdrawal of the candidature, before the prescribed date, the **Deposit** should be refunded in total. 5. The changes should be effective immediately, and fee already received should be considered as the deposit and excess fee if any, should be refunded via DD or cheque.

### **11.00 AM: Extra ordinary General body meeting**

## IADVL Members are requested to enroll for E-Voting

### Online E-Voting:

Definition: E-voting is an election system that allows a voter to record his or her secure and Secret ballot electronically.

- ▶ Online e-Voting: e-voting conducted over The Internet is called online e-Voting
- ▶ Votes are transmitted over The Internet
- ▶ Only authenticated and validated members are allowed to vote

### Information needed for E-Voting registration:

#### Collection of eligible members' data

- ▶ Name :
- ▶ IADVL Registration Number : LM/XX/XXX
- ▶ Birth date : In the format like 25-Dec-1970
- ▶ PAN-card :
- ▶ E-mail : please provide us an email id that you (and only you) regularly access

### Schedule for final election

- Close off registration process : 31st July 2012 extended up to 31st August 2012
- Setup of candidates : 15th August 2012 extended up to 30th September 20
- Online voting opens : 30th October 2012
- Online voting closes : 10th December 2012
- Online voting results : 16th December 2012

## APPLICATIONS ARE INVITED FROM IADVL MEMBERS FOR THE FOLLOWING AWARDS

Last date for application is 1st September, 2012 by surface mail and email:

**Dr. P. Narasimha Rao**

Honorary General Secretary, IADVL

B-48, Income Tax Colony, Mehdiapatnam, Hyderabad, A.P. 500 028

Mobile: 09849044898 Email: [secretaryiadvl@gmail.com](mailto:secretaryiadvl@gmail.com)

### ◆ **Dr. L. N. Sinha Memorial Award**

It is given to one member of the IADVL aged below 45 years for overall contribution to the specialty (and not only for scientific achievement). The award should be rotated on a zonal basis. This year members from east zone IADVL are eligible to apply for it. (East zone comprises of Chhattisgarh, Orissa, West Bengal, Jharkhand, Bihar, Manipur and North eastern branches of IADVL).

### ◆ **Prof. V. N. Sehgal Award**

It is given to a member of the IADVL for accomplishing excellence in Dermatology.

### ◆ **Prof. L. K. Bhutani Award**

It is to be given for achievement for teaching and research in the specialty.

### ◆ **Prof. Ganapati Panja Memorial Award**

It will be given on IADVL Day to a senior dermatologist for contribution to clinical dermatology or Dermatopathology.

### ◆ **Prof. G. Senthalmil Selvi Award**

The award should be given by the President on IADVL Day to any person for the best published work in mycology, published in a national or an international journal. The Editorial Board of IADVL will shortlist three names.

### ◆ **Prof. S. Premalatha Award for the Best Research Project in Dermatology**

The award is given for the best research project.

#### **Selection Procedure:**

- The applications for these awards are to be submitted to the Hon. General Secretary of IADVL. The last date to submit the application to Ho. General Secretary shall be **1<sup>st</sup> September every year.**
- The Hon General Secretary will forward the application to the chairperson of IADVL Academy of Dermatology for evaluation by the members of the academy.
- The IADVL Academy of Dermatology will process the application on above criteria, in consultation with the president of IADVL.
- The name of three nominees shall be selected and discussed with the Central Scientific Committee for final approval.
- The Final decision will be taken during the meeting of the Central Scientific committee.
- The Hon. General Secretary shall intimate the selected awardees and award will be given during **DERMACON 2013.**

## AWARDS GIVEN BY IADVL DURING DERMACON (WHERE NO APPLICATIONS ARE TO BE INVITED)

### (a) **Professor K. C. Kandhari Foundation Award**

This is the highest award of the Association. It was instituted by Prof. K. C. Kandhari Foundation. This award is given every year at DERMACON to a personality for lifetime meritorious service or contribution to Dermatology, Venereology, and Leprology by teaching, research or patient care so as to contribute to the prestige of the specialty. Nominations for the award are given by the President, Immediate Past President, President Elect and Chairperson of IADVL Academy of Dermatology and ratified by the Central Scientific Committee.

### (b) **Dr. J. C. Shroff Memorial Award**

It is given to a senior dermatologist, venereologist or leprologist above the age of 58 years, whose lifetime experience has benefited the specialty.

### (c) **Prof. Ratan Singh Award**

It is awarded to a senior member of the Association for contribution to the national body as a teacher, researcher, or patient care or for dedicated service to the specialty.

## AWARDS, MEDALS, AND PRIZES which would be decided during DERMACON

### These would be presented at the valedictory SESSION AT DERMACON

Awards available for presenters at award paper session/free paper session of DERMACON: Note: All prizes, medals and awards are of the same rank. The number of best papers to be selected depends on the number of prizes and medals that are available and if all the prizes and medal carry equal value, then the number of papers selected as best will be according to the number of prizes and medals available.

#### (a) Prof. H.C. Mohanti Award

The award is to be given for the best paper in leprosy.

#### (b) M.G.M. Medical College Prize

The prize is given to a person below 35 years for the best paper presented at DERMACON during the award papers session.

#### (c) Prof. F. Handa Prize

It is to be given to a person below 35 years for the best paper

presented at DERMACON during the award papers session.

#### (d) Prof. B. N. Banerjee Medal

The medal is awarded to a person below 35 years for the best original research paper presented at DERMACON during the award papers session or published in IJDVL during the year.

#### (e) Dr. B. B. Gokhale Medal

It is to be given to a person below 35 years for a paper presented at DERMACON during the award paper session.

#### (d) Prof. K. Siddappa Medal

It is to be given to a postgraduate student for the best paper, preferably for original research, at DERMACON during the award papers session.

#### (g) Prof. D.K. Gupta Medal

It is to be given to a female postgraduate student for the best paper, giving preference to original research work, presented at DERMACON during the award papers session.

## OTHER AWARDS, PRIZES, MEDALS TO BE GIVEN DURING DERMACON

**(a) Dr. L. Marquis Memorial Award** The award is given to a guest speaker at DERMACON for best guest lecture.

**(b) Dr. Bishnupriya Devi Award** It is to be given to the first author of the best paper published in IJDVL during the year.

**(c) Mrs. Indubala Memorial Award** It is to be given to the best paper published in IJDVL during the year, on the subject of industrial or occupational contact dermatitis. If no such papers are published, the award should be given for any good paper published on contact dermatitis.

**(d) Dr. C. S. Bhavani Kumar Memorial Award** It is to be given to a

dermatologist aged below 45 years for the best paper presented on dermatosurgery at DERMACON.

**(e) Dr. B.V. Satyanarayana Memorial Award For IADVL Thesis Evaluation** for the best dissertation submitted for evaluation every year.

#### **Best IADVL State Branch Award:**

The award carries a certificate and a memento given by IADVL every year to a branch of IADVL judged by a panel consisting of the President, Immediate Past President and the Honorary General Secretary as the best branch on the criteria presented in this regard. **(Annexure XVI of constitution of IADVL).**

## New structure of IADVL-GSK National Quiz for Programme for Post Graduates Students (IGNQPP) - 2012

### Introduction:

This is the new structure of IGNQPP proposed and accepted by the IADVL annual general body meeting (AGBM) held at Jaipur on 11th February, 2012. The changes in the structure and logistics of conducting the IGNQPP were proposed to smoothen and circumvent the issues and problems faced in the organizing of the IADVL quiz all over India for the last 2 years.

A National IADVL IGNQPP committee has been formed to coordinate and conduct the IADVL-GSK quiz, consisting of Dr KA Seetaram (Chairman), Dr Ramesh Bhat, Dr P. Narasimha Rao,, Dr Ajith Tarakan and Dr Akshay Jain.

### Structure of IADVL-GSK Quiz:

#### Stage 1:

**State level Quiz:** The IADVL IGNQPP committee would coordinate with the state IADVL branches and would ascertain the dates of CUTICONS to plan for state level quiz. The responsibility of organizing the State level IADVL Quiz rests with the organizers of the CUTICONS. Intimation should be sent to all departments of medical colleges of that state by the CUTICON organizers to invite PG students to participate in the quiz. State level quiz should be conducted under IADVL-GSK banner and in the PRIME time slot preferably on the FIRST day of CUTICON as it would be attract post graduates and also would be informative to delegates. The conduct of the Quiz would be supervised and coordinated by the IADVL with the help of regional GSK representatives.

**Method of conduct of Quiz:** If there are 4 or > 4 colleges per state, there will be a separate quiz for each state. If there are less than 4 colleges, then they would be clubbed with neighbouring states. A panel of quiz masters would be provided to all state CUTICONS by the IADVL IGNQPP committee. CUTICON organizers can call any quiz master from that panel or any other IADVL member of their choice but s/he should be from outside that state and should be considered invited faculty. They should also appoint a senior member of their state IADVL as observer for the conduct of quiz. The logistics of arranging the travel and accommodation for the Quiz master rests with the CUTICON organizers.

**Finances:** Participants from the same state will not be paid any expenses. If Post graduates from two states are clubbed together for State level quiz, the PG students from the neighbouring state would be paid fixed amount of Rs. 5000/- for each participant (Maximum of Rs. 10000/- for team) toward travel and other expenses. To the CUTICON organizers, a cheque for Rs. 25,000/

would be handed over by IADVL in the presence of GSK representative to towards the conduct of Quiz, to cover the expenses for travel and accommodation of the quiz master.

#### Stage 2:

One team from each state qualified in the CUTICON finals, or in their absence the runners up will participate in the national finals. There will be probably 16-18 participating teams from states level CUTICON quiz. (The exact number would be known once we receive information from all the state secretaries). A preliminary screening round conducted on the day of CME day (DERMACON venue - Ahmabad On 24th JAN) of the conference in one of the halls predetermined. All the teams would be asked/given the same questions or MCQS, a set of 30 to 50, and will be evaluated by the quiz masters and the results announced the same day evening. Four top teams among all the state finalists will be selected. By this all the state teams will get the equal opportunity. National finals in the similar format as it was being done till now and would be held on 26th JAN 2012. There will be two quiz masters and one national observer at DERMACON.

**Finances:** All the participating teams shall arrange their travel and accommodation to the National level (stage 2) Quiz on their own. Each member of the selected CUTICON team will be given Rs15,000/- (Rs. 30000/- per team) to participate in the screening test at DERMACON. The travel, accommodation and local hospitality of the two quiz masters and the national observer at DERMACON will be paid by IADVL. Arrangements for the screening test at DERMACON venue (such as for Hall, audiovisuals, Desks for the participants to write the test etc) would be done by IADVL with the help of organizers of DERMACON.

GSK would be take care of arrangement of mementoes certificates and prizes to a) CUTICON winners, CUTICON quiz masters and coordinators, b) to the National quiz winner and runners, along with National QUIZ masters and National observer.

#### Pattern of Quiz

**State level: Preliminary screening test, if more than 4 teams.** MCQs covering all sub-specialities (Clinical Dermatology, Venereology, Leprosy, Cosmetology, Pediatric dermatology, Dermatopathology, Dermatosurgery, lasers etc.) 30 in number in 30 minutes. Single answer only (No multiple answers). Correct answer carries (+ 1) mark. Wrong answers (- 1/2). Any tie Extra 10 MCQ questions between the tied teams. If still tie, team with

least number of negatives (Not to include unanswered) can be favoured. If still tie..... Lots to be taken.

**Then the finals among the four teams:** 8 Rounds and one Rapid fire round:

1st round: Basic sciences. 2nd round: Clinical Dermatology. 3rd round: Clinical Dermatology. 4th round: Dermatopathology. 5th round: STD including HIV. 6th round: Leprosy and tropical Dermatology. 7th round: Paediatric dermatology. 8th round: Cosmetology and dermatosurgery. Each round would have 4 questions. 1st round starts from Team A, 2nd from Team B etc.....5th round: it can be started in reverse order team D, Team C ....etc. Correct answer carries 10 marks. Passed question gets 5 marks. No negative marks. Time for each question: Primary team 10sec and Secondary team have to answer immediately. Questions should be single part only. Two parts in the same question has to be avoided.

**Then RAPID FIRE** Each team: ONE minute and Maximum 10 questions. Correct answer carries 3 marks only. No negative marks..In case of tie, Quiz master can be ready with tie braker

questions 3 questions for each team. If still tie, who ever scored HIGHEST in the MCQs may be declared as winner.

**National level:** Screening test for all CUTICON winners would be held on the CME day of national conference and to be announced in advance. Test will be: MCQs only. There will be 50 questions and 1hr time. Correct answer +1 and wrong answer -1/2. In case of tie, another set of 10 questions or visuals between the tied teams only. If still tie, team with least number of negatives in the primary MCQ paper ( Not to include unanswered ) can be favored. Still tie.. One question of the tie braker questions can be preassigned as a " TIE BRAKER". Still tie..... LOTS to be taken.

Once the final four teams are selected, the stage show can be similar to state level final. 8 rounds and a rapid fire round. In case of tie, Quiz master would be ready with tie braker questions. 3 questions to each team. No passing. If still tied, they would be announced as JOINT winners.

In case of any new decision to be taken during the quiz, needed of quiz masters decision is final and binding.

## News & Notes

### DR BADRI NARAYAN PRASAD RESEARCH AWARD

Nominations are invited for the above mentioned award initiated by Jharkhand Branch of IADVL which carries a cash prize of Rs.20,000.00 (Twenty thousand only) to be given to the main author of the best published research paper during the year 2012. The address for correspondence is....

Dr. Birendra Narayan Prasad  
Chairman, Dr. Badri Narayan Prasad Research Award  
Ex.Prof of Dermatology & Ex. President IADVL, Jharkhand  
Doranda, Ranchi ,Jharkhand Pin-834002  
For any Query the 2nd contact detail is-

Dr. Ravishankar Dwivedi  
Ph. No. 09835331002  
Email: bnpra@shantiskinhospital.com

#### CRITERIA FOR THE AWARD:

(1)- Scholar must be up to the age of 45 years as on 31st December 2012 and of Indian origin.

(2)- The research work should be in any branch of Dermatology, Venereology or Leprology.

(3)- The research work must be submitted and accepted for publication in any national or international journal in the year 2012 (from 1st January 2012 to 30th September 2012).

(4)- The nomination must be sent up to 30th September 2012 to the Chairman of the Research Award with five copies of the research paper,proof of the age and letter of acceptance from the editor of the journal.

(5)- The decision of the best research paper will be taken up by five examiners. The decision of the majority will be final and will not be challenged.

(6)- The award will be given during the annual conference of Jharkhand Branch of IADVL to be held in the month of December 2012 at Jamshedpur, Jharkhand.

Dr. D.K. Mishra

Secretary, IADVL Jharkhand Branch

## Vitiligo Activities

### BIHAR

We observed Vitiligo Day in Patna on 19.05.2012. Local electronic and print media were invited along with IADVL members. Recent advances, myths and realities of Vitiligo were discussed.

Special OPDs of vitiligo patients were run by Skin department of Patna and Nalanda medical college. Picture is attached for IADVL news.

### KARNATAKA

The Bangalore dermatological society conducted the "Vitiligo public awareness program" on the 19th of May, at the Victoria hospital seminar hall. The program started with

1. Vitiligo Quiz for the Post graduate students,
2. Talk by Dr Rajeshwari (PG from Command hospital) on Vitiligo in Kannada,
3. "Belakina Haadi"- a patients perspective of Vitiligo by Miss Asha (Lecturer in Shridevi Engineering college -Tumkur)
4. Mr Naveen from Vicare Mangalore ( an NGO) spoke for the benefit of doctors and patients,
5. Dr Nataraj - Professor in dermatology BMCRI spoke about the doctors perspective of Vitiligo
6. Documentary film on Vitiligo was shown to patients..
7. Vitiligo posters and patient education handouts were distributed,
8. Free counseling and consultation were offered to patients with Vitiligo.
9. All dermatologists were requested to offer free counseling and consultation to Vitiligo patients in their respective clinics for one whole week.
10. Press release on Vitiligo was given and the Vitiligo day program was excellently covered by the local News papers and the television media.

I would also like to bring to your notice, that BDS started the "BDS ORATION" from 2012 and we had our first 'Invited Oration' by Dr Elizabeth Jeyaseelan. She covered the entire spectrum of infective, inflammatory, premalignant and malignant dermatoses affecting Vulva with rich illustrations. She was felicitated by Bangalore Dermatology Society.

### MAHARASTRA

Disha Skin & Laser institute located in Thane celebrated "world

Vitiligo day" on 19th may. A free checkup & treatment camp was organized on that day. The main aim of the camp was to spread awareness and demystify the disease. More than 125 patients attended the camp that was spread over 12 hours

The patients were examined, counseled and appropriate therapy was suggested. Free medicines were given to all patients.

Patient education material on Vitiligo and Phototherapy was made in English, Hindi and Marathi languages and were distributed to the patients. An educational video was made that was shown throughout the day to all patients.

A DLQI study was conducted in all patients who attended the camp to evaluate the impact of disease on psychological well-being, social functioning and everyday activities of the patients.

All the old patients of Vitiligo undergoing phototherapy at the center were given free sessions for entire next week.

The event was covered by media in newspapers (Thane plus and DNA), TV channels (ZEE Marathi 24hrs) and Radio (Big FM).

Vitiligo is a much stigmatized disease and such camps go a long way in reducing the misinformation prevalent amongst the population.

### MANIPUR

The department of Dermatology, Kasturba Medical College, Manipal celebrated the World Vitiligo Day on 19/05/2012 by conducting a Vitiligo awareness programme. Information on Vitiligo in English & regional languages was displayed on boards in the entrance of the hospital premises. The facts and myths of Vitiligo was the focus of the campaign. Various treatment modalities in the management of Vitiligo was explained with clinical photographs.

### PUNJAB

IADVL Vitiligo Day - 19th May 2012.

Theme: **Defeat the stigma of Vitiligo - Treat the disease**

We have celebrated the Vitiligo awareness day in our institution by:

1. Organizing awareness camp in outdoor patient department

(OPD) for patients and their relatives regarding facts & myths about Vitiligo. They were distributed pamphlets in Hindi and English, their queries about the diseases were discussed.

2. Organizing awareness camp for nursing students which was inaugurated by worthy Principal IGMC Shimla.

3. For general public, awareness was done by recorded radio talks and live programme on All India Radio Shimla on Vitiligo.

4. Live T.V. telecast programme about Vitiligo on Doordarshan Shimla by Prof. Vinay shanker (President IADV, Pb.Chd,HP)

5. We also organized one academic session in a **CME on Medicine Update-2012** which was organized by medicine Department which was attended by post graduates and renowned Physicians from all over India. Dr. Davinder Prasad (Additional Professor) from PGI Chandigarh was invited as a speaker on latest in vitiligo.

## TAMILNADU

We observed vitiligo awareness day along with the IADVL Chennai City Branch, on 19th May 2012.

Free camp was conducted and patients were given free treatment. Awareness programme was conducted and reassurance given to Vitiligo patients and their friends and relatives. Camouflaging was demonstrated and free kit were given to patients.

The event was under the stewardship of Prof. Jayakar Thomas with his colleagues at Sree Balaji Medical College & Hospital, Chromepet, Chennai

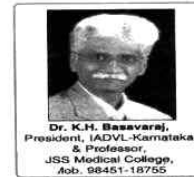

## UP & UTTARAKHAND

Day was celebrated by offering free consultation at IMA and arranging discussion at city hotel in the night in Lucknow.

STAR OF MYSORE

Wednesday 16th May 2012

## HEALTH & MEDICINE VITILIGO: Myths & Facts

**Dr. K.H. Basavaraj,**  
President, IADVL-Karnataka  
& Professor,  
JSS Medical College,  
Job: 98451-18755

In an endeavour to remove myths about Vitiligo in the society and spread awareness regarding its treatment, Vitiligo Day is observed by Indian Association of Dermatologists, Venereologists and Leprologists (IADVL) on May 19 every year.

Who gets Vitiligo? Vitiligo affects at least 1% to 2% of the population, irrespective of sex, race or age. The more dark-skinned a person is, the more their Vitiligo stands out. This may account for the higher prevalence of vitiligo in countries with dark-skinned populations.

Vitiligo has become a marked social stigma in countries such as India, where opportunities for social advancement or marriage among affected individuals are severely limited even today.

In half of all vitiligo cases, onset occurs between the ages of 10 and 30. There are a few reported cases of vitiligo present at birth. Onset in old age is rare. Over 30% of affected individuals report a positive family history. It is also seen in identical twins.

Both predisposing (genetic) and precipitating (environmental) factors contribute to vitiligo. Many patients attribute onset of vitiligo to physical trauma or emotional stress. Even sunburn reaction may precipitate vitiligo.

**White vitiligo spots**  
A typical vitiligo macule is chalk white in colour, has convex margins (as if the white areas were flowing into normally pigmented skin), 5 mm to 5 cm or more in diameter and is round, oval or elongated in shape. Linear macules represent isomorphic or Koebner phenomenon, following repeated trauma or pressure on elbows, knees and bony prominences. It progresses by gradual enlargement of individual macules and development of new white spots on various body parts.

**Where does vitiligo appear?**  
Vitiligo can be categorised as one of three types, based on the pattern of depigmentation. The most common type is generalised vitiligo in which there is widespread distribution of white macules, often in a symmetrical array. The focal type is characterised by one or more macules on a single site. In some cases, this may be an early evolutionary stage of one of the other forms of the disease. Typical macules occur in the fingers, elbows, knees, lower back and genital area. Extensive generalised vitiligo may leave only a few normally pigmented macules, a form called as vitiligo universalis.

The segmental type, which is uncommon, is characterised by one of several macules on one hand or one side of the body, required to detect all the spots, especially in fair skinned persons. In certain difficult cases, a skin biopsy may be required to exclude some of the above. A defining feature is that pigment cells in the skin are absent in vitiligo. It may be associated with thyroid disease (upto 30%, especially women), diabetes mellitus (less than 5%), pernicious anaemia, Addison's Disease, & multiple endocrinopathy syndrome. Associated cutaneous conditions include white hair, prematurely grey hair & halo nevi.

**Why does vitiligo develop?**  
Vitiligo results from a number of factors: Autoimmune, neuro-trophic and toxic (substances formed as a part of normal melanin production actually being toxic to melanocytes). Hypotheses have been advanced. The mechanism involves progressive destruction of sequestered melanocytes. It is a chronic disease. Its course is variable and unpredictable, but rapid onset followed by a period of stability or low progression is most characteristic.

**Myths about treatment**  
Three myths about the treatment of vitiligo prevail: 1. Treatment of vitiligo is 'impossible.' This is not true and majority of patients achieve good results. 2. Oral psoralens, which form

the basis for some vitiligo treatments are 'toxic to the liver.'

3. Psoralen + UVA (PUVA) treatments for vitiligo 'cause cancer of the skin.' When used to treat vitiligo, PUVA therapy requires only a limited number of treatments that has not been shown to cause skin cancer.

**Vitiligo treatment options**  
Four options are currently available for treatment: Sunscreens, cover-up, restoration of normal skin colour and bleaching of normal skin.

**Sunscreens:** To protect unpigmented involved skin from sunburn reaction and to limit tanning of normal pigmented skin.

**Cover-up:** The goal of cover-up with dyes or make-up is to hide the white macules so that for takes a sample of your normal pigmented skin and places it in a lab dish containing a special cell culture solution to grow melanocytes. When the melanocytes have multiplied, they are

transplanted to your depigmented skin patches. This is experimental and performed only in institutions where vitiligo research is conducted.

Certain strategies may help you cope with vitiligo: • Find a doctor who specialises in skin care; • Find out about vitiligo and its treatment; • Let your doctor know if you are feeling depressed; • Ask doctor about support groups in your area for people who have vitiligo; • Seek support from your family and friends.

We have examined the Balance Sheet of DERMACON 2011 (A National Conference of IADVL) held by ADVL, Rohtak, Haryana in Feb 2011 and the Income & Expenditure account for the period from Jan 1<sup>st</sup> 2010 to 31<sup>st</sup> March, 2012, which are in agreement with the Books of Accounts maintained by the said Association.

We have obtained all the information and explanation which, to the best of our knowledge and belief, were necessary for the purpose of the audit. In our opinion, proper books of account have been kept by the Conference Secretariat of the above named Association, visited by us so far as appears from our examination of the books.

In our opinion and to the best of our information and according to the information given to us, the said accounts, read with notes of accounts, give a true and fair view:-

- (i) in the case of the balance sheet, of the state of affairs of the above named Association as at 31<sup>st</sup> March, 2012 and
- (ii) in the case of the Income and Expenditure account, of the Income of accounting period from Jan 1<sup>st</sup> 2010 to 31<sup>st</sup> March, 2012.

## RECENT ACHIEVEMENTS OF OUR MEMBERS

### ◀ Academic

Dr. Shyam Verma, popular IADVL member and Editor of IDOJ, has recently undertaken academic tour of Europe and America during which he visited various National Dermatology societies and institutes. During his trip to Europe, he was conferred the Honorary Life Membership of the Romanian Dermatology Society in June 2012 in their biannual summer workshop. During his tour of USA and Canada, Dr. Shyam Verma delivered a total 18 talks in some of the most prestigious Dermatology Departments in the months of June & July 2012. As a part of the series, he also addressed the New Jersey Dermatology Society. One of his favourite talk; 'Fascinating Dermatology- India Beckons', was given at multiple locations in which highlighted the upcoming ICD and the serious bid from India to host next WCD.

### ◀ Non Academic

Dr. Kamal Mohanani had made record of collecting postal stamps (Philately) on subject "Mountains and related life" which had published in LIMCA BOOK OF RECORDS 2012

**IADVL Executive Committee congratulates them for their achievements and for bringing laurels to IADVL.**

## Venue selection through ballots for hosting SARCD 2015 in India

The South Asian Regional Association of Dermatologists, Venereologists and Leprologists (SARAD) conference [called South Asian Regional Conference of Dermatology, Venereology and Leprology - SARCD] is to be held in India in 2015. Bids were invited for the conduct of same in the April issue of IADVL news. As two state associations, (Andhra Pradesh IADVL and Karnataka IADVL) have bid for the conduct of SARCD to be held in India in 2015, at Hyderabad and Mysore respectively, the Central Council has decided to go for selection of venue through national ballot for the first time, as per the ruling passed in the AGBM, Jaipur, 2012.

Hence members of IADVL would have the opportunity to select the venue for the conduct of SARCD 2015 by ballot this year which would be sent to your address along with the National election ballot.

## Mutual benefit scheme of IADVL - The DVL trust

**Introduction:** IADVL has launched a mutual benefit scheme coupled with professional legal protection in 2011 and named it DVL welfare trust. It is one of the important financial benefit scheme aimed at securing financial security for the family members of our association. The Executive committee of IADVL urges all its members to join this mutual benefit scheme to make it a successful initiative of IADVL. The details of this welfare scheme are as follows:

DERMATOLOGISTS VENERELOGISTS & LEPROLOGISTS WELFARE TRUST (DVL trust) has been established for the benefit of members of IADVL. The trust has been registered at Vadodara. DVL Welfare Trust is by IADVL, of IADVL and for IADVL ites”.

### Aims and objectives of the scheme:

- 1) To provide financial assistance to the family of a member of this scheme in the event of his/her death.
- 2) To inculcate a habit of savings among the members for their mutual benefit.
- 3) An option to provide comprehensive indemnity cover in the event of litigant situations arising out of alleged professional negligence by the members.
- 4) To educate the members, including clinic staff, to prevent any litigant situation and to guide them, how to deal with it in the event of such a situation.

**Eligibility of the members:** Any life member of IADVL, irrespective of age is eligible to become a Regular Member of the scheme. Family members of Life members of IADVL can also join the scheme as Beneficiary Members. Please note that separate forms need to be filled for each member of a family.

### Total Amount Payable at the time of admission:

1. Admission Fees (as per age-given below).
2. Annual Membership Fees Rs. 350.
3. Advance Fraternity Contribution (AFC) Rs. 1,500 (Rupees Fifteen hundred only) a minimum amount kept with DVL trust towards members future fraternity contributions.

Optional amount to be payable at admission: A). One time advance Deposit of Rs.10,000: to take care of future annual membership fees who enrol on or before 30-03-2014. B). Member can deposit additional amount of his choice as deposit for future annual contribution. The 4% interest will be credited on deposit amount.

Details of one time Admission fees: The Admission Fees payable shall be based on age in years of the proposed member or their family member who likes to join the scheme, as follows:

- |                             |          |
|-----------------------------|----------|
| a) Upto the age of 10 Years | Rs. 1000 |
| b) 11 of 20 Years           | Rs. 1500 |
| c) 21 of 30 Years           | Rs. 2000 |

- |                   |          |
|-------------------|----------|
| d) 31 of 40 Years | Rs. 3000 |
| e) 41 of 50 Years | Rs. 4000 |
| f) 51 of 60 Years | Rs. 5000 |
| g) 61 of 70 Years | Rs. 7000 |
| h) above 70 Years | Rs. 8000 |

**Optional Legal fees for professional indemnity** For life members of IADVL who volunteer to have professional legal cover, this option is available. However, they necessarily have to be members of DVL trust as well. Annual legal fee is based as per type of Dermatology practice: a) The Consultant with only office practice will have to pay Rs. 1000/- per year; (b) The consultant with practice of Dermato surgery will have to pay Rs. 2000/- per year; (C) The consultant with practice of cosmetic, laser & other procedures will have to pay Rs. 3000/- per year; to cover these procedural events or litigations.

The indemnity coverage will be Rs. 7,00,000 (Rupees seven lakhs) per case and Rs. 15,00,000 (Rupees Fifteen lakhs only) aggregate per year. If member wishes, the indemnity coverage can be doubled by paying double the annual legal fees.

**Member's annual contribution:** [a] Annual membership fee of Rs. 350/- (with increment of Rs. 50/- every year). Members who opt to pay one time advance payment of Rs. 10,000 need not pay it every year) and [b] Fraternity contribution Rs. 500 x N, where N = No. of Death of members)

**Plus, Optional** professional indemnity annual legal fees, to be paid by those members who opt for professional indemnity.

**Benefits for IADVL members of DVL trust:** 1) Social security to family members: Note: Financial benefits will start after ONE year of joining the scheme. Nominee will get Rs. 450 x N, where N = No. of members of DVL trust. In other words, when more IADVL members join this scheme, more fraternity benefit for members families. 2) Professional legal protection, when applicable, for those members opting for it: Legal help is extended in all types of cases like civil, criminal, labour & consumer redressal fora.

Please note that DVL trust welfare Scheme is new ongoing scheme initiated by IADVL for the benefit of its members. Periodic modifications and improvements in the scheme to make it more member friendly are expected to take place from time to time.

The application form is given in the following pages. Members can use the form for enrolling. For further clarifications contact Dr Chetan N Patel at email: [dvlwelfaretrust@gmail.com](mailto:dvlwelfaretrust@gmail.com)

## Applications invited for Editor, Indian Dermatology Online Journal (IDOJ)

The IADVL is in search of candidates (Indian nationals with life membership of IADVL) TO BE CONSIDERED FOR THE POSITION OF Editor of its official journal, Indian Dermatology online Journal (IDOJ). IDOJ Search Committee would be expecting candidates with the following attributes:

- A broad-based background in Dermatology with enough academic experience.
- Highest leadership and organizational capabilities.
- A commitment to work hard and maintain the high standards of the journal.
- Demonstrated writing skills in English.
- Proficiency in electronic communications.
- A reputation for fairness and impartiality.
- Enthusiastic and whole-hearted support from the institution and colleagues.
- Reasonable number of quality publications as a lead author in peer-reviewed national and international dermatology journals.
- A life-member of IADVL with at least five years' good-standing.
- Previous experience in an editorial role.
- A pleasant and affable personality.

The Editor of the journal will be responsible for the following:

- Forming an editorial team with a broad spectrum of representation for academic and practicing dermatologists.
- Directing and implementing journal policy within the ambit of the goals and the financial resources of IADVL
- Maintaining the independence and the high dignity of the journal.
- Raising resources for the journal publication through ethical and just sponsorships
- Elevating the position of the journal globally.
- Publishing articles of highest standard, with insistence on ethical clearance for original articles and/or conflicts of

interests from the contributors if any

- Obtaining and organizing editorial team review before peer reviews and appointing reviewers
- Corresponding with authors and organizing adjudication wherever needed
- To publish the journal in time and to supervise and work closely with the team members to meet publication deadlines and improve the overall efficiency
- To maintain and update the IDOJ website
- To submit an audited accounts of the journal at the annual general body meeting of IADVL
- All other duties as assigned in the Constitution of IADVL

The Editor would be appointed for a 3-year term. He/she can, if so chooses, can reapply for a maximum of one more term of three years. The selection of the new Editor would be made before the DERMACON 2013 conference in January/February 2013 for approval by the Central Council and the General body of the IADVL. The new Editor selected, he/she is required to join the present team during the transition period of one year in order to acquaint with the day-to-day functioning of the journal, and is expected to be fully functional from 1st February, 2014.

Interested candidates meeting the above requirements and who are keen to serve the association may please send their curriculum vitae and a one page letter discussing their level of interest, the qualities they would bring to the position and any potential conflicts of interest via e-mail and through speed-post by 30th November, 2012 to the following address:

Dr. P Narasimha Rao

## Report of MID DERMACON CME/Workshop held on July 14<sup>th</sup> & 15<sup>th</sup> 2012 at Hyderabad

**Dr Anup Lahiri**

IADVL had started a new concept of having a mid-annual conference or CME between the annual DERMACON from 2012 and fortunately Hyderabad was the first city to hold the conference. The most popular choice among young Dermatologists is to learn aesthetic Dermatology and Dermatosurgery and those are the subject we choose to highlight at our MID DERMACON meet in Hyderabad. Like our

**Dr IS Reddy**

Hyderabad cuisine, the renowned Biryani, we wanted all the delegates to remember this conference experience with nostalgia. Hence, we organized a 2 day CME & workshop on Cosmetology, Lasers and Dermatosurgery to provide "what's the latest?" in these fields, apart from the live demo of Dermatosurgery which included procedures which can be performed in day to day office practice.

CME was conducted by national Faculty of repute. Dr Niti khunger, Dr Munish Paul, Dr Zawar, Dr Raghunath Reddy, Dr Ganesh Pai, Dr CR Srinivas, Dr P Narasimha Rao, Dr Satish Sawant, Dr Swapnil Shah, Dr Sacchidanand, Dr Kiran Godse, Dr Suresh Talwar, Dr Niteen Dhipe are some of those who shared their experience with the audience on topics wherein they have rich expertise and interest. We had talks on subjects like use of Platelet rich plasma, fractional lasers, fractional RF and relevance of sun screens in Indian skin, management of adult acne etc. Newer procedures in Dermatosurgery and Dermatology and ever-sought-after advances in chemical peel were also included, both in CME and workshop. We had two panel discussions with experts in acne scar management and Laser hair removal, which gave beginners the idea on how to start and deal with these situations. Use of Botox and fillers were demonstrated.

Workshop was a big success with all the registered delegates attending sessions till the end with rapt attention. We had live demo on Nerve blocks, Nail surgery, acne surgery, chemical peels, Botox, Fillers and fractional lasers. Demos were performed by experts in these fields, like Dr Anup Lahiry, Dr Manas Chatterjee, Dr Sanjeev Aurangabadkar, Dr Niti khunger, Dr Rajitha Damisetty and Dr Uvaneswari. Dr Niteen Dhepe kept the audience interested by his pleasant compering of the workshop. We had a very able and enthusiastic guide of Dr Raghunatha Reddy, central scientific committee member and co-coordinator of SIG Dermatosurgery, without whose able guidance we would have fell short of expectations.

Finally Hyderabad will be grateful to Dr CR Srinivas, President of IADVL, Dr P Narasimha Rao, Secretary IADVL and Dr DBN Murthy, treasurer IADVL and the executive of IADVL AP state Branch, to have organized the 1st Mid DERMACON meet of IADVL in our twin cities, Hyderabad & Secunderabad.

**Dr Anup Lahiri  
Dr IS Reddy**
