Dear IADVLITES,

We have started working on the promises made during inauguration .All the Special Interest Groups have been instructed to include one member below the age 40 years in their SIGS. New SIG on laser and aesthetic dermatology has been created under the chairmanship of Dr Sanjeev Aurangabadkar. Shortly you will have good guidelines for different lasers. New subjects for IADVL therapeutic guidelines and Special Operating Procedures are being looked into. We are looking forward to a fruitful meeting with Dr KK Talwar, chairman –Medical council of India for pending IADVL issues at Bangalore in April. E-group for central council members has been created .Now all the central council members will be able to communicate freely. Shortly we will revive E group for the post graduates. MIDDERMACON cum central council meet is being organized in Patna from 17-18 August. They have agreed to give 20 % of MIDDERMACON collection to the IADVL .Your participation in big number will definitely give a big boost to this event. We have started updating the constitution. We are looking forward for a grand success of combined DERMACON – ICD meet at Delhi from 4- 7 December 2013.

With best wishes
Suresh Talwar

Message from President-Elect

President Elect-IADVL
Dr Deepak Parikh

Dear Colleagues,

First of all, I wish to thank you all for electing me for the post of “President-Elect”.

We had a wonderful DERMACON at Ahmedabad, and now we are preparing for the DERMACON/ICD meet at Delhi. I represented our association during ISD meet at Miami, on the side line of AAD annual meet. There is great expectation from international members about our conference. I appeal all members to attend the congress.

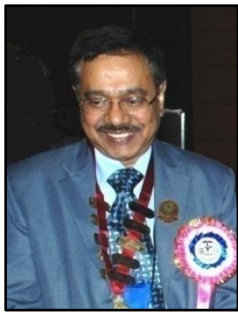

Our association is taking many new initiatives for the benefit of members like Social security scheme; member’s directory and e-voting. I earnestly request you all to actively participate in these activities.

With regards,

Jai IADVL

Message from immediate past president

Dear Friends,

Many of my friends have asked me if I am a relieved man after handing over the charge to Dr Talwar. Then they went on to comment, since I took time respond, that the EC of last year did a reasonably good job and some issues which were a thorn in the feet of IADVL were removed. I guess they were referring to MP issue.

Then I suggested that we also had a successful MID DERMACON. To this the response was equivocal. Some asked, do we need another conference? This is an important point being made and I justified it by saying that now smaller places could organize meeting and part of the expenses of MID DERMAMEET is taken care by the MIDDERMACON. This statement met with the approval of people who hailed from smaller places but those from our big Metros felt that justification is not adequate.

Now these friends of mine further prodded me by asking what you think is the highlight of your tenure. To this I answered that announcing the names of those who have got the grant for research made me feel most happy. I strongly feel that IADVL should invest less in Conference and concentrate more on promoting dedicated research.

As I was being cross examined by my so called well wishers an elected member of last year EC walked in. Hearing the topic of discussion the member said that last year she felt that they were actively contributing to IADVL. This, the lady added was because each and every issue was discussed on line before any decision was taken.

I have the great knack of taking wrong turn but it was the EC that steered me right. Collective wisdom has many advantages as compared to individual decisions.

I am looking forward to exciting year and not being in driving seat is making my journey more fun. I promise to contribute to confusion whenever and wherever possible since from confusion and discussion will clarity arise.

Dr. Srinivas C.R
Immediate Past President

Honorary General Secretary Report – 2012

Dear members,

Let me greet you all through this first issue of IADVL e-news bulletin for the year 2013. The new Executive committee (EC) of national IADVL has taken over at the DERMACON 2013, Ahmedabad and would be holding the office for next one year. During the business meetings of IADVL at DERMACON 2013, important decisions were taken during the closing year and opening year AGBMs and they would be implemented from this year. The DERMACON 2013 report & minutes of the meeting are included in this issue of IADVL news bulletin. From now on, as decided at our AGBM at Ahmedabad, the printing and posting of IADVL news bulletin is being discontinued with immediate effect. However, we would be having the normal three issues per year of electronic version of IADVL news bulletin, which can be downloaded from our website www.iadvl.org.

This is but one of the many austerity measures, which were proposed and passed by the house at the AGBM at Ahmedabad, well detailed in the message of the Treasurer. I am sure with your cooperation we would further improve financial health our association this year. In this endeavour, we are also attempting to bring out transparency in reflecting the IADVL funds in the accounting books of IADVL by proper book keeping methods.

The IADVL member list begins with LM-1 and new member numbering is being given serially. The last serial number given to a member by office till 15th March 2013 is LM 7809. Unfortunately, this number does not reflect the true strength of our association as many members who are no more with us are still being reflected in the list. In addition to there is problem of wrong addresses of members. However, by rough estimate the total life members should be about 6000 and growing every year. The new membership enrolment for the year 2012 of our association is as follows: LMs: 94 members, PLMs: 414 members, ALMs: 22 members, ILMs: 1, which add to the strength of our association. With such a large number of qualified Dermato-venereologists, IADVL is the second biggest association of this specialty neumarically world wide.

Let me briefly enumerate on the important activities taken up successfully by IADVL during the year 2012. IADVL initiated financial support for scientific research projects from members through IADVL Academy of Dermatology for the first time and continued the IADVL-L'OREAL Pigmentation research Grants. A total of 15 projects were selected for these awards from all over India.

IADVL conducted the 1st MIDDERMACON, which was held on 14th, & 15th July, 2012, at Hyderabad along with the Mid Derma CC meet. The CME and workshop conducted as a part of MIDDERMACON on aesthetic Dermatology, Dermato Surgery and Lasers was well attended. The report of this meeting was published in December 2012 issue of IADVL News bulletin. Important issues were resolved during this Central council and Extraordinary General body meeting held during this congregate, paving way for the

smooth conduct of affairs of IADVL state branch of Madhya Pradesh and hosting of the proposed combined ICD-DERMACON meet during December 2013.

IADVL hosted its Sister Society Meeting at Prague, Czech Republic, during the EADV (European Academy of Dermatology and Venereology) annual meeting, on 26th September 2012. More than 40 Indian Dermatologists and a handful of international delegates attended and participated in the deliberations. Sixteen IADVL members presented papers in this scientific session with enthusiasm.

IADVL in association with GSK organized Quiz for post graduate students in a new format this year during various CUTICONS across India and it was received well by one and all. It culminated in very well conducted national finals at Ahmedabad by Quiz masters by Dr K A Seetharam and Dr Ramesh Bhat.

IADVL observed Vitiligo day (on May 19th 2012), Psoriasis Day (29th October, 2012) and Leprosy day (on 30th January, 2013) all over India through its various State and City units. Seminars, CMEs and Patient information programmes were conducted all over India. Medical camp was also held for the patient's benefit.

Over all, it was a memorable one year for me as the Hon. General Secretary of IADVL and I hope I could live up to the expectation of all of you. I sincerely thank all IADVL-its for their uninhibited support during last one year and pledge to serve you to best of my ability this year.

Dr P Narasimha Rao
Hon Gen Secretary-IADVL

Notes from Treasurer's desk

Dear Members,
Seasons's Greeting.

As the Hon. Treasurer of IADVL, I would like to inform you of the developments and achievements of the National executive body during the last year in the financial front. We have successfully conducted 1st MIDDERMACON along Mid-Derma CC meet at Hyderabad and utilised only Rs. 3.5 Lakhs for this combined event, out of Rs.20 lakhs budgeted for MID-Derm CC expenses for the year 2012. With the cooperation of IADVL quiz committee, we have successfully conducted nationwide IADVL-GSK National Quiz programme in the modified format and saved substantial amount from the money sponsored by GSK for this event. . In fact, out of our allotted budgetary provision for the year 2012, substancial amount is still with us and we are confident to be able to complete this year's all financial commitments well within it.

To improve the financial health of IADVI further, a series of meetings were held between EC and financial committee of IADVL at DERMACON, Ahmedabad, to come up with suggestions to increase the revenue of IADVL and at the same time to curtail the expenditure of IADVL with the support and acceptance from the august general body of IADVL. In this direction, some of the important austerity measures proposed and accepted by the AGBM were; 1. To stop printing the hard copies of the IADVL news bulliten and keep it as a e-bulliten from now on. 2. to Stop payment of interest on IJDVL corpus money present with IADVL for next 2 years. 3. to Stop earmarking DERMACON surplus to other activies 4.To find sponsors for more IADVL activites and initiatives wherever possible 5. Charging interest of 7% per annum on the seed money given to the state branches for the conduct of conferences. 6. Increasing the IADVL membership fee with immediate effect to cover for Service tax payable by IADVL on membership fee.

I am happy to inform you that in efforts to increase the revenue to IADVL, we are in the process of sucessfully negotiating with industry sponsors for higher reveue for two of our activies; the national Post graduate quiz and IDOJ web publication.

I am hopeful that with your continued cooperation, we would surely be able to increase the financial strength of IADVL in the coming year.

I thank you all for your support in achieving a healthier IADVL finances.

Yours sincerely,

Dr. D.B.N. Murthy
(Hon. Tresurer)

A report of DERMACON 2013
A report on
'DERMACON-2013', The annual conference of
Indian Association of Dermatologists, Venereologists and Leprologists (IADVL)

Dr. Krina Patel,
Scientific Secretary - DERMACON2013

The National conference of IADVL, '**DERMACON-2013**' was held at Ahmedabad, Gujarat, hosted by IADVL-Gujarat State Branch, from 24th to 27th January 2013. Ahmedabad is one of the most vibrant cities of India with good connectivity by air, rail and road, with a pleasant weather during the month of January. As a result conference was attended by more than 6000 delegates from all over India and out of India including USA, UK, Germany, other European countries, China, Sri Lanka, Bangladesh and South-east Asian countries.

Conference was held at a huge and beautiful Gujarat University Convention Centre & Exhibition Hall with all world class amenities & facilities including huge multiple conference halls, spacious dining and recreation areas, ample parking facility and Wi-Fi facility for continuous connectivity. Delegate registration was efficient with bar-coded ID card, with more than 30 registration counters, which helped in avoiding hassles to delegates.

Conference was inaugurated by the Mayor of Ahmedabad city, Mr. Asit Vora. CME and Workshop were inaugurated by Prof. Pankaj Patel, Dean NHL Municipal Medical College and Prof. Bharat J Shah, Dean BJ Medical College, respectively on 24th January. Trade exhibition was inaugurated by Ahmedabad Medical Association president Dr. Pragnesh Vaccharajani.

The theme of CME was 'Current Concepts In Dermatology'. Topics discussed by the Scientific faculty included: advances in Acne, post-inflammatory hyperpigmentation, Vasculitis, Vesiculo-bullous disorders, Connective tissue disorders, with time ear marked for discussion and questions from audience.

CME was paralleled by a 'Hands-on-Training workshop' on various cosmetic and anti-aging procedures which was attended by more than 400 delegates.

During the inaugural function of the main conference, new executive of IADVL for the year 2013 were installed, with Dr Suresh Talwar taking over as president from Dr CR Srinivas. The other team members of the new executive committee for the year 2013 are: Dr. P. Narasimha Rao (Hon. General Secretary), Dr. Deepak Parikh (President Elect.) Dr. Kiran Godse & Dr. U. S. Agarwal (Vice-Presidents), Dr. D.B.N. Murthy (Hon. Treasurer), Dr. K. S. Ram & Dr. G.R. Kanthraj (Hon. Joint Secretaries). Theme of the main conference, 'Evidence Based Dermatology (EBD) – from Concept to Clinics' was apt for today's clinicians as well as academicians. There were parallel sessions in 6 halls apart from plenary sessions. Orations delivered by Dr. Koushik Lahiri, Dr. S Sachidanand and Dr. Archana Singal were of high academic quality. Various guest lectures by eminent national as well as international faculty on different themes were appreciated much by delegates. There were lectures on vesiculo-bullous disorders by Dr. Razaque Ahmed, on genodermatosis by Dr. Uppala Radhakrishnan, on infective disorders by Dr. Stephen Tying (all from USA), on skin cancers by Dr. Robin Graham Brown from UK, on cosmetic dermatology by Dr. John Flynn from Australia, on EBD by Dr. Uwe Wollina and many other informative lectures by eminent

personalities in the field of Dermatology from all around India and the world, which enriched the conference.

E-paper presentation, instead of posters, was a new addition to this DERMACON-2013; conceptualized in a successful manner to accommodate more than 600 papers. All the e-papers were pre-uploaded on website by enthusiastic delegates, were assessed by judges beforehand and shortlisted candidates interacted with judges during the conference. Lead authors of 18 e-papers were declared winners for best e-paper presentation. Display of all the e-papers segregated in different categories; on 35 LCD screens to be reviewed by delegates as per their convenience and interest was welcome by one & all. Young Dermatologist Forum was new addition in this conference and 6 prizes were declared to encourage post-graduate students and young dermatologists for their work. Twelve papers, out of all award papers received, were selected by central scientific committee for presentation in 'award paper session' and out of which few very high quality presentations were awarded different awards. Approximately 100 free papers by delegates also attracted large number of audience.

IADVL felicitation function on the second day of conference was marked by honoring eminent Dermatologists by various prestigious awards by IADVL, honoring distinguished teachers of Dermatology and conferring various other awards to other deserving Dermatologists for their academic achievements, apart from release of 9 books and periodicals written by IADVL members.

Apart from enriching scientific feast; there was daily lunch during the conference days, apart from entertainment programmes with dinner in the evenings, organized by catering and cultural committee. There were daily sight-seeing tours and entertainment programmes for the accompanying persons of delegates in sync with whole event. Looking at the huge attendance by international delegates morning *Yoga* and *Pranayam* were arranged daily, which was welcomed by delegates and accompanying persons.

Valedictory function was eventful with various awards given to the winners of award paper session, young dermatologist forums, e-papers etc. Various other awards were also announced by IADVL academy during the same. Yearly training fellowships at various reputed institutes of India were also conferred to suitable for young members of the association. On the last day of the conference a public interactive forum was arranged on 27th January, 3.00PM onwards to create general awareness about the skin diseases in the citizens of Ahmedabad, which was attended by more than 400 people. International faculty Dr. George Reizner, who also happens to be the office bearer of ISD, along with Dermatologists of repute from Gujarat answered the queries of attendee. This innovative addition was an effort to reach common public and breaking their myths regarding skin diseases.

Organising Chairperson and past President IADVL Dr. Suresh Joshipura and Organising secretary Dr. Ranjan Raval, scientific committee chairpersons, Dr Yogesh Marfatia & Dr Bela Shah and treasurer Dr Keyur Shah left no stone unturned to make this national conference of IADVL a successful event as a whole. More than 600 evaluation forms received are being analysed. Delegates have rated this conference as one of the most successful and well-organised conference.

Message from President – IADVL during Inaugural Function at DERMACON 2013-Ahemadabad

Dear IADVLITES,

Welcome to DERMACON 2013 in the vibrant state of Gujarat.

At the outset I must confess that I have a strong will to prove myself for the betterment of IADVL. When we organized DERMACON 2010 at Lucknow people had little expectation but when they left DERMACON they were more than satisfied. I need your support and suggestions to make IADVL the best organized professional body. My commitment to dermatology can be gauged by the fact that my son, daughter and daughter in law have all opted for career's in dermatology.

Our weak points are liaison with MCI and local bodies. I will try to ensure better representation of our specialty in medical curriculum and frame guidelines to liaise with local bodies to stop the menace of quackery and ban the misleading advertisements. Special committees will be created to look after these problems.

We are moving from subjectivity to objectivity. Appointment of the committee members by nomination will stop henceforth and we will have members through selection process. All the zones will be given due representation. Even awards like Kandhari, Ratan Singh and Shroff will be given through invitation of application.

Academically we are on a sound footing. Special interest group; the brain child of Dr Hema has made significant progress. SIG Urticaria and SIG Dermatopathology performed best and were closely followed by SIGs on Dermatology Nursing, Pigmentary Dermatoses and Dermatosurgery. On the other hand, some SIGs performed poorly. However nonfunctional SIGs will be scraped and new SIG on aesthetic dermatology and laser will be constituted to guide us on which laser to buy, how to sign after sales agreement and help us in choosing genuine supplier especially with reference to repairs after breakdown. We have already developed our own evidence based therapeutic guidelines on psoriasis, vitiligo, atopic eczema, phototherapy, and leg ulcers. Some are still in the pipeline. This will help us in rendering better services to our patients. We will try to consolidate the gains of therapeutic guidelines committee and SIG group.

We have two journals, undergraduate text book, just launched IADVL dermatology atlas and will be releasing Post graduate textbook shortly.

Special operating procedures on all important matters have been developed .It will be easier to undertake any task now. We will not depend on adhoc guidelines. However this committee itself is adhoc. I will try to have a standing committee on SOP.

We have instituted research grants, Rupees 10 lakhs were earmarked for this, however we did not receive sufficient proposals .L'Oreal also instituted research grants worth 25 lakhs this year. Accordingly if you have the desire and will power there are opportunities in IADVL.

Let's keep the destiny away. Invoke the limitless thinking from within and conquer the limiting /destructive thought pattern. We all should work with the aim of doing the best with what we have. This will greatly help the organization in its evolution. Member's involvement and suggestion are must for healthy functioning of any organization, so do not hesitate and air your views on all available forums. You all are critical pieces in the larger scheme of things. Your views will be given due consideration by our executive. Let us collectively see that IADVL grows to its full potential. We will try to involve youngsters in all important matters.

We will be instituting award for community dermatology work and my request to all district units is to start free rural clinics.

ICD is being organized from 4-7 Dec 2013 at Delhi. Dr VK Sharma has put in great efforts and this definitely provides us opportunity to prove ourselves in academics, organization and hospitality. I request you all to join the big international event. ICD has over 75- 80 scholarships providing free registration for the conference and a grant of 250 dollars .Please apply for this.

The financial condition of IADVL is not all that good as we were mainly dependant on DERMACON savings which is reducing gradually in view of service tax and payment of income tax. Fiscal accountability of conferences will be taken up seriously and we have already devised some procedures for better monitoring. We will have to develop our own resources as money is most important to run an organization. Along with we will try to reduce our expenditure. I appeal to all the members to help IADVL on this account.

In Tamil Nadu a comprehensive Health insurance Scheme has been implemented this year in which the severe disorders like Pemphigus, Pemphigoid, Steven Johnson s syndrome, TEN, SLE are covered. For Pemphigus insurance cover is Rs 25000 and for SLE Rs 50, 000 - 1 lakh. Our DVL welfare scheme will also provide relief at time of distress. Do join this scheme. We will definitely like to discuss reasons for its slow pace of progress.

We will make some executive exclusively responsible for our website to make it more informative and user friendly. Many of IADVL programs are not being utilized enough. We need to find a way to do this.

I have received comprehensive guidance from our president Dr CR Srinivas , Suresh Joshipura , Arijit Coondoo ,Kaushik Lahiri , Venkat Mysore ,PN Rao and Ameet Valia to name a few during last one year and hope to get their advise and suggestion in future also. It will be nice working with a very talented executive of 2013, especially with experienced PN Rao and Deepak Parikh

Being in Gujarat, the 14th developed state in the world definitely gives a feeling of pride and I am sure you will enjoy and appreciate the hard work of Dr Joshipura , Ranjan Rawal , Yogesh Marfatia and other members of team DERMACON -2013

I always believe in combining academics in morning with a nice relaxing programme in the evening. So enjoy both the events.

I will request all our members to join our e-group for better academic interaction and cooperate in completing IADVL directory with correct entries and photographs.

Wish you and your families a happy, healthy and prosperous 2013

Minutes of closing year AGBM for the year 2012: Held on 24th January, 2013 at IADVL hall 1, during DERMACON 2013

Chaired by Dr CR Srinivas (President)

On the Dias: Dr SDN Gupta (Past President) Dr. P. Narasimha Rao (Hon. General Secretary), Dr. Suresh Talwar (President Elect) Dr Devesh Mishra and Dr R Torsekar (Vice-Presidents), Dr. D.B.N. Murthy (Hon. Treasurer), Dr. Rashmi Sarkar and Dr Sanjeev Gupta (Hon. Joint Secretaries).

Condolences: Condolences were conveyed to Dr Jayanth Aurangabadkar, Dr A Krishnan, Dr K. Chokkalingam, Dr V Balasubramanian, Dr Yellappa, Dr CK Job, Dr. Vallabha Rao, Dr. Amit Kumar Choudhry

Dr CR Srinivas proposed that IADVL secretary's office should send the condolences to the family members of departed. It was accepted.

The minutes of the opening AGBM of the year 2012 held at Jaipur and Emergency AGBM held at Hyderabad in July 2012, were passed by the house.

'One man one post' proposal which was passed at Jaipur was raised by Dr Deepak Parikh. Dr CR Srinivas explained that it was his proposal and although it was passed as a one-liner at the Jaipur AGBM, at subsequent EC meeting held at Coimbatore it was felt that the criteria needs to be re-defined and modalities worked out. Dr Joshipura suggested that modalities need to be worked out by constitution committee and the need to refer to it. Dr CR mentioned that he would rework on it and request the motion to be passed once again.

Passing of the accounts of 2011-12 of IADVL submitted by previous EC (Dr Ramesh and Dr Betkerur) was discussed. and passed. (Proposed and seconded by Dr Joshipura and Dr VK Sharma).

Dr DBN Murthy, the Hon. Treasurer, IADVL elaborated **interim accounts up to Nov 30th, 2012.** The state share of 30 lakhs was transferred to Haryana state IADVL this financial year. Dr Deepak Mathur from Rajasthan reminded the house that the Jaipur conference of 2012 has transferred the seed money of 15

lakhs and another 40 lakhs to IADVL in the year 2012 and Dr Rao, Secretary IADVL, acknowledged it. The house passed the interim accounts submitted by Dr DBN Murthy. Treasurer submitted to the house that he would submit the audited account by end of March 2013 after paying the income tax.

Dr P Narasimha Rao, Hon Gen Secretary, IADVL submitted the combined 1st **MIDDERMACON & Midderma CC meet accounts**. The expenditure for the first ever combined MIDDERMACON and MIDDERMACC meet was about 24,66,196 and the income was about 21,14,750 lakhs. In effect IADVL ended up spending about 3.5 lakhs more than the income for the both events together. He explained that this expenditure was considerably less than the usual cost involved in the hosting the MIDDERMA CC meet every year, which is around 15 lakhs. He also explained that as the time was only one month for its preparation, many sponsors could not be roped in. Dr CR Srinivas placed on record the appreciation of the house for the efforts of Dr Rao and Dr DBN Murthy who organized it at Hyderabad.

Dr Ramesh Bhat has presented about a cheque of Rs. 30,000 from the excess from SIG Derm path meeting held at Mangalore in 2012. Dr CR Srinivas appreciated Dr Ramesh Bhat and the SIG dermatopathology for the gesture. Dr Mysore Venkat wanted the money to earmarked for the SIG Dermatopathology but his request was denied.

Report of accounts of IJDVL were presented by Dr DM Thappa. He announced that it would be his last year as editor, IADVL and new editor would be taking up from 2013. Announced that IJDVL i-Pad application has been launched. The impact factor of IJDVL has been between 0.93 to 0.97 for the last three years. The citations for the documents have increased over last few years. Acceptance rate of articles is low as there is an increased receipt of articles. Increasing the articles to be published in the E-IJDVL has been one way of doing it. IJDVL has received from Loreal Rs 5 lakhs towards the Photo-dermatology symposium issue. He has pointed out that secretary's office was showing 50% as IJDVL share from membership contribution which should have been correctly at 25%. Dr Rao agreed to correct it. Dr CR Srinivas appreciated Dr Thappa for his efforts as editor of IJDVL. The IJDVL accounts were passed.

Dr Suresh Talwar has mentioned that IADVL has been registered under 12-a and is exempt from income tax. As the letter from Income tax dept stating the same is in Hindi, Dr Suresh Talwar informed the house that it would be translated to English. But the conference organizers need to pay the tax as they are organizing conferences under new PAN registration. This matter needs to be addressed in detail. Dr Deepak Parikh mentioned that Service tax has to be paid even by the IADVL on the membership fee received.

IDOJ issues: Dr Shyam Verma, the editor of IDOJ mentioned that the sponsorship of the IDOJ is expiring this year and we need to look for the new sponsors. He suggested that the money received by the way of sponsors need to be earmarked for the journal only. President suggested that he should come out with a formal proposal about it and would be taken up as needed.

Report of Derm-atlas was presented by Dr Biju Vasudevan and Dr Manas Chatterjee: New names proposed Dermatlas: ***IADVL atlas of Dermatology /IADVL online atlas of Dermatology / IADVL atlas of online Dermatology***. They mentioned that IADVL executive list would be shown on the site. Also, promised that efforts would be made to make the site member friendly.

The inspection report of the venue inspection committee for the ICD-DERMACON to be held during December 2013 at New Delhi and **DERMACON 2015** venue of Mangalore was read out by the Secretary IADVL. It was stated that the inspection committee passed both venues with some recommendations, which were communicated to the organizing committees of both conferences who agreed for them.

Report of IADVL academy of Dermatology for the year 2012 was read out by Dr Arunnamadar, Chairman, IAD and informed the members of its activities. He pointed out the need for deciding the guidelines on to acknowledge the print courtesy of the sponsors in SIG publications. Dr Shyamanta later came out with the issues to be discussed regarding the SIGs. The house decided that the four non performing SIGs would can be scrapped. Dr CR Srinivas suggested that Dr Suresh Talwar as next president should be empowered to look in to these matter before the opening year AGBM. Dr CR Srinivas conveyed the appreciation of the house for the work done by the IAD.

Dr Mysore Venkatram mentioned that many SIGs have prepared therapeutic guidelines for various diseases and they are proposed to be published in IJDVL after going through the peer review.

Dr Deepak Parikh mentioned on the need to have clear guidelines on creation of new SIGs by the IADVL and also on the relevance of existing SIGs vis a vis the sister societies of IADVL on similar diseases.

As regards to opening up the IADVL fellowships to over seas countries, the house decided that it should be opened up to SARAD and other countries. Dr Shyam Verma suggested that we should collect fixed fee may be collected from them as there many enquires in this regard from abroad. The house accepted it, pending the decision on the amount of fee for the fellowship.

Dr VK Sharma mentioned that as for the 'training fellowship at AIIMS' for IADVL members, the candidates has to be from Govt medical colleges only as AIIMS is not accepting PGs from private medical colleges for the training, as a policy. Dr CR Srinivas mentioned that IADVL would look in to the feasibility of continuing the fellowships at AIIMS in such a case and come back to Dr VK Sharma.

Report of IADVL award reviewing committee of 2012 was read out. Dr CR Srinivas mentioned as the recommendations are many they need to looked at point by point, a new award committee would be formed, which would also include president Dr Suresh Talwar for this year 2013 to look at these proposed changes and modifications. He suggested that the new award committee would be empowered to suggest / bring about changes in the criteria for receiving a awards of IADVL, its duration and methods, in the way the awards are to given etc. The house passed the proposal. The members suggested by the house were Dr Koushik Lahiri, Dr Arijith Coondoo, Dr Deepak parikh and President Dr Suresh Talwar were proposed.

Dr KA Seetharam, coordinator of **IADVL-GSK national PG Quiz**, appraised the members briefly on the quiz's status and how it is being conducted successfully in the new format in the year 2012.

Dr Shyam Verma was declared elected as Chief editor for IDOJ for three more years from beginning of 2013 to end of 2015.

Names of IADVL members selected for AAD scholarships for year 2013 and names of those AAD members who received nomination to attend the DERMACON 2013

AAD Poster exhibit scholarships: Dr. Aarti Sarda and Dr. Abhishek De

IADVL- AAD reciprocal scholarships: Dr. A. Prasuna and Dr. Namarata Mishra

AAD Nominated members to attend DERMACON 2013: Dr. Vinod Nambudiri and Dr. Khyati Patel.

All the winners were congratulated by the house.

Proposals from members for closing year AGBM and those passed at CC meet at Hyderabad in July 2012 for approval of the house:

Proposal by Dr Cr Srinivas - The Kandhari award:

The prestigious Kandhari award of IADVL should not be given to any person from the state which is organizing DERMACON to avoid conflict of interest and selection bias. It should preferably from other states of India. Discussion at CC Hyderabad in July 2012: A committee to be formed having members except from organizing DERMACON. So members can decide qualified candidate for this Kandhari award. This proposal was passed by the CC meet at Hyderabad and was forwarded to constitution committee before being tabled at AGBM.

Outcome: Comment of Constitution Committee commented on the proposal after scrutiny as follows: The applications would be invited for the award either my application or nomination. No local members from the state organizing the DERMACON would be considered for the receipt of the award (passed by majority supporting the proposal by of raise of hands). A 5 member committee (3 presidents of EC, Hon Gen. Secretary and Chairman, IADVL academy of Dermatology), would decide the award recipient. Guidelines as per constitution. This recommendation was passed by the AGBM.

Proposal by Dr.Venkatram Mysore's:

Proposal 1: All IADVL award winners should be recognized by printing their names, along with their work done and reason why he/she was given the award, and the nature of the award, in IADVL newsletter and in conference abstract book. Presently only their names and names of awards are being announced and it becomes unclear as to why the awardee has been awarded.

Outcome: No decision taken by the house on this issue.

Proposal 2: **Changes in the criteria for eligibility: post of secretary, treasurer, Joint secretary:** The constitution states on Page no 34, 35 states that they must have been actively involved in the affairs of the Association in an official capacity *either at the central level or in the branch, combined branch level or a Central Council member from the branch for a minimum period of 2 year either continuous or with breaks. However it is not specified what the official capacity is. This means that any member with no significant administrative experience or even minimal experience (such as CC member for two years) in the association can contest for the two most important positions in IADVL. This is a serious lacuna which needs to be addressed. This was then referred to the constitution committee which accepted the suggestion and recommended modifications in their report and submitted to AGM in DERMACON Jaipur.

Outcome: This matter was referred to the Constitution committee of 2012, which opined that Status quo to be maintained due to procedural and technical reasons. The house kept the issue pending as too many things need to be looked at decided to pass on to constitution committee of 2013 for the opinion.

Dr Sacchidanand's proposals:

Proposal 1. On Procedures of bidding for International and National conferences:

Outcome: The house was informed the house that the bidding for SARAD conference was done successfully through ballots. And the future DERMACON bids would also be through ballots. The house passed the proposal that the venue for the bidding would remain for World congress of Dermatology as Bangalore, and Asian congress of Dermatology as Mumbai for the next bid only. However house decided that such arrangement would only be applicable for the immediate next bid only and not for all the future bids, which would be opened up other cities and state IADVL branches.

Dr Deepak Parikh brought attention of the house of the need of IADVL to look at the documents & contracts to be signed and entered by it for these conferences in detail, before the bidding process it self.

Proposal 2: Accounts of DERMACON should be published in the second issue of the IADVL news bulletin and submitted at the MID derma cc meet.

After some discussion, house passed the proposal and as the auditing of the accounts may not be complete by mid year, they DERMACON organizers are permitted to submit pre-audited accounts in Mid Derma cc meet.

The house concluded business meetings for this day with this item. The new elected national EC came over to the dais and took the seats while the EC of 2012 stepped down at this day marked the end of their tenure. The house adjourned for the day after exchange of pleasantries between new and old national EC.

Minutes of opening year AGBM of year 2013: held on 26th January, 2013 (Saturday) in IADVL hall-1 during DERMACON 2013

Chaired by Dr Suresh Talwar (President),

On the Dias: Dr CR Srinivas (Past President) Dr. P. Narasimha Rao (Hon. General Secretary), Dr. Deepak Parikh (President Elect.) Dr. Kiran Godse & Dr. U. S. Agarwal (Vice-Presidents), Dr. D.B.N. Murthy (Hon.Treasurer), Dr. K. S. Ram & Dr. G.R. Kanthraj (Hon. Joint Secretaries).

Dr Suresh Talwar, the new president of IADVL for the year 2013, welcomed all the members to the AGBM. He has in his presidential address mentioned that

1. New email for the president of IADVL (presidentiadvl@yahoo.com) has been formed. Members can contact President Dr Suresh Talwar if needed on this email id.
2. Maximum number of members attending for Midderma CC meet would be 5, which includes the president and secretary of the state branch.
3. The cost of the travel for all the five members would be borne by the State IADVL. In case it cannot bear it due to financial reasons, only then national IADVL would reimburse it.
4. fixed amount of need to earmarked byeach CUTICON towards national IADVL fund. (20% of the surplus)
5. During DERMACON, a fee of Rs 1000 would be collected as fund for the national IADVL during the registration process and to be sent kept separately to the national IADVL, apart from any DERMACON excess which too would naturally to be credited to national IADVL.
6. Due to the issue of service tax the IADVL membership fee has been increased from Rs. 6000 to Rs. 7000 with immediate effect.
7. The Vice president Dr. Kiran Godse would look after the IADVL affairs of West and South Zone. The Vice President Dr US Agarwal would look after the IADVL affairs of north and east zone.

House confirmed the minutes of AGBM held on 24th January, 2013.

The house decided the on the selection of the scientific committee for the DERMACON part of the combined ICD-DERMACON.

Dr VK Sharma nominated Dr Binod Khaitan, Dr AK Bajaj and Dr Rashmi Sarkar (Dr Rashmi Sarkar, who volunteered to step down from this post, was later substituted with the name of Dr Vijay Bagaya, by Dr VK Sharma) as the three members on behalf of organizing committee of the conference.

List of three cc members from central branch: Sent by Col (Dr) Rajesh Verma:

1. Brig (Dr) Sanjeev Vaishampayan
2. Col (Dr) Sukriti Baveja
3. Surg Capt (Dr) JS Sridhar

Dr Suresh Talwar as president of IADVL would be the chairman of the Scientific committee of the DERMACON. From the floor four members were selected. From South zone: Dr KA Seetharam. From North zone: Dr Vijay Garg. From East zone: Dr Satyadarshi Patnaik. From west zone: Dr Narendra Patwardhan. From central Zone: Brig. Rajan Grewal.

Budget for the year 2013: Dr DBN Murthy presented the budget for the year 2013 of IADVL. Dr P Narasimha Rao elaborated on the budget and discussed with it. Dr Ranjan Grewal suggested that the financial health of IADVL of past five years should be published every year.

Outcome: The proposed budget of IADVL for the year 2013 was passed by the house unanimously after discussion after reduction of allocation for IADVL news bulletin from 20 lakhs to 5 lakhs.

Financial proposals to increase the strength of the IADVL: These were studied by finance committee of the IADVL and they came up with the following measures to be approved by the AGBM.

Outcome:

Passed by the house:

1. The membership fee for IADVL is to be increased to Rs. 7000 from Rs.6000 due to service tax issue with immediate effect.
2. Rs 1500 of the membership fee would go to IJDVL as usual.
3. The transfer and allocation of DERMACON excess to the IJDVL, international conference bidding committee, IADVL academy fund etc. should be stopped with immediate effect. The money it would be with IADVL. This arrangement would be reviewed after 2 years.
4. Any single new financial commitment up to 5 lakhs beyond budgetary allocation would be decided by EC and any thing more than 5 lakhs should be passed by Finance committee to a maximum of 10 lakhs. This has to be put to AGBM later in the year.
5. 20% of the delegate fee from CUTICON should go to the State IADVL as a capital fund for the state.
6. IDOJ sponsorship expires this year and IDOJ editor would find the ways and means of finding the new sponsor.
7. Sponsorship of two IADVL orations by pharma would expire by 2014 DERMACON (started on 2010, applicable for 5 years) and need to be renegotiated by next year.

8. Printing of IADVL news bulletin to be discontinued and continued as e- letter only. Only for the election nomination forms and other important announcements and fellowships in one letter would be printed as required and sent to all the members.
9. Seed money for the DERMACON: State IADVL would bear 25 % and 75% should be borne by National IADVL. The money given by the national IADVL has to be returned by the State IADVL /DERMACON organizers with an interest of 7% per annum.
10. Interest on the IADVL funds lying with IADVL would not be paid to the IADVL. However, the interest on these IADVL fund should go back to the corpus fund of the IADVL and should not be spent.
11. From the DERMACON 15% of total collection (delegate fees plus sponsorship money) should be ear marked to national IADVL as corpus money. This is in addition to the DERMACON excess which needs to go to the National IADVL. (to be discussed with the Chartered accountant for further clarifications).
12. The 50% of the DERMAZONE excess should go to national IADVL.

Not passed by the house:

1. State IADVL branches should fund the travel expenses of its CC members attending the Central council meetings' was defeated by raise of hands (23 for v/s 26 against). House decided Maximum as 5 member (President, Secretary, 3 CC members can attend Mid Dermacon CC meet.)for whom it would make the accommodation arrangements and travel reimbursement for max of 3 CC members.
2. From the DERMACON delegate fee, Rs 1000 from each delegate should be earmarked as the national IADVL corpus fund.

Appointment of auditors for this year 2013: Mr. Ramana Kumar & Co of Hyderabad has been appointed for one more year.

DVL welfare trust issues by Dr. Chetan Patel:

Professional indemnity and social security are the main features of this scheme. As of now the annual membership is Rs. 300/- apart from the joining fee. He proposed a single payment mode to become life member if any member an amount of Rs. 10,000/- as it would suffice for 30 years of his life to take care of yearly contribution. This option is open for members all who had already joined also. New members can pay a life time membership fee lump some of Rs 10,000 before March 31st, 2013 instead of annual fee. The indemnity coverage for those would like to opt for it would be Rs. seven lakhs, per case and Rs. fifteen lacs aggregate per year, once it is applicable. One legal advisor should be at Baroda and there is a need for legal support at state level as consumer protection act issues need to be addressed in the local courts. Dr. Chetan Patel informed the house that he discussed these matters with DVL trustees. Past presidents of last 5 year would be the advisors of the trust and past secretaries and treasurers would be invitees for the trust. We have 135 members as of now in this trust. We need to encourage younger

generation to join it. All the EC members of national IADVL and state IADVL are requested to join the DVL trust as the leaders of IADVL, to encourage other members. **Outcome:** Passed

Selection of venue for the combined MIDDERMACON and MIDDERRMA CC meet for year 2013:Two states, Tamil Nadu at Coimbatore and Bihar at Patna has sent valid bids to host it. Organizers of both venues made their presentations. It was put to vote. Members by raise of hands favored '**Patna' of Bihar IADVL state branch as the next venue** for the MIDEDEMACON and MIDDERRMA CC meet. Organizers of the Patna stated that they would not need the seed money to host it and promised to take care of all the expenses involved to best of their abilities.

The organizing chairperson of the conference and scientific committee of the conference would be Dr AmarkanthJha and Dr PK Roy respectively. They proposed the dates as 17th and 18th of August 2013.

Election officer for the year 2013: Dr VK sharma excused himself for this year and requested to keep his candidature in reckoning for the year 2014 as he is busy with ICD this year. The house nominated Dr Hema Jerajani as election officer for the year 2013 which she accepted graciously.

Members of AGBM approved the for nomination of the thesis evaluation committee to be decided later.

Carried over proposals of closing year AGBM of 2012:

Dr DM Thapa's proposal: About the 'IJDVL user interface link up to i-pad' was passed by the house.

Dr. C.R. Srinivas's Proposal: Proposal for cancellation of Workshop during DERMACONAs per our constitution DERMACON should not be for more than 3 days and one day CME. However many localbody organize a standalone workshop apart from CME and even along with CME as a parallel session. CME is a plenary session and no parallel workshop should be organised. Noworkshop should be permitted one day prior to CME also as this prolongs the stay and some may choose to attend the workshop and skip CME and conference to cut short duration of stay.

Outcome: House decided as follows: All Workshops should be considered as a part of DERMACON for accounting and finance purposes. During DERMACON there should be only have one day **CME or**

Workshop prior to 'two and half day' DERMACON. This is to make the whole event a three and half day event: Passed by the house.

Proposal by Dr. Devesh Mishra: Regarding Quorum for CC meet and our AGBMs.

As per our present constitution, the number of members to be present as a must should be 7 (at least 3 can be other than office-bearers) for CC meets and 40 for AGBMs respectively, is grossly less than desirable. Our member strength is now nearing 7500 (around 6000 being LMs). Also number of state presidents and Sec. + EC members is over 50 without adding CC members from states. We can have more numbers for fulfilling the "quorum" to reflect our true member's strength at these meets, as the present number suggested by the present constitution is old and grossly insufficient.

Outcome: How to increase the member's interest in the association activities. Only CC members are observed to be present in the AGBM. Some measures proposed were, to make announcement in the halls about the IADVL meetings. Also it was suggested to have one full day of meetings instead of being spread over three days.

Proposal from Dr P Narasimha Rao and Dr DBN Murthy:

Proposal: 1: Opening current account for IADVL: (Screened and OK ed by finance committee): IADVL secretary and treasurer may be permitted to open a current account in addition to SB account and fixed deposit accounts in same branch of the nationalized bank, fully following existing rules and guidelines of opening such an account. With increasing need for online bookings (such as booking of online tickets for EC meet, CC meet etc) and increasing international monetary transactions (transfer of membership fee to ILDS, or other international IADVL transactions, participation in society meetings) there is a need for IADVL to perform internet based national and international banking transactions, for which a current account facility would be easy way, as some facilities are not being extended to SB account. This may be permitted on the similar guidelines as applicable to the opening of SB account and should be in the same branch on the name of IADVL only. Both account may be linked and shown as IADVL accounts only. **Discussion at CC meet at Hyderabad in July, 2012:**

Discussed in detail. CC passed the proposal of opening of current account in the same lines of SB account but the current account's upper limit should be Rs. 2,00,000/ only.

Outcome at AGBM, Ahmedabad, 2013: The proposal to open the current account by IADVL was passed with a max upper limit of 2 lakhs in the account at any given time.

Proposal-2: To have names of the all states of India included in the list of IADVL state members list either as independent members or combined state branches:

Outcome: was passed by the house.

Dr Suresh Talwar's proposal for changes in constitution in important dates to remember:

a) Pg 5 IMPORTANT DATES TO REMEMBER: To add: "31 July Last date for submission of abstracts for orations and award papers 31 July Bidding of DERMACON: Two and half years before the actual conference, i.e. for Jan 2015 conference one should bid by 31 July 2012"

Outcome: Changes proposed by Dr Talwar in important days – was passed by the house.

Dr. Atul Kocchar's Proposal: for reducing amount for Deposit fee passed at AGBM at Jaipur for contesting election. 1. Deposit should be same for all post. It should be Rs. 5,000/. 2. Refunded if candidates withdrawn. Dr. Roopak said it should be called Deposit as not the fee. The Deposit should be same for all posts. Decision of CC meet at Hyderabad: The proposal forwarded to be GB Ahmedabad.

Outcome at AGBM: Both proposals were not passed by the house. Members after discussion supported the continuation of the application fee as well as existing graded fee structure for filing nominations for national EC posts.

Dr. Shyamanta Barua proposals:-

1. Sub branch of state branch should be named as Chapter of IADVL: This is regarding sub branches of state branches of city or town branches should named as IADVL chapters for function & hire key & for the clarity is of higher administrative. New sub branches of the state, which wish to form, should be named as Chapter of IADVL.

Outcome: All the city branches of IADVL should be called as IADVL City (name of city) 'Chapters' (EG: Coimbatore chapter of TN, IADVL) has been passed by the house. As regard to change of name of existing city branches, the matter was differed.

2. Mandatory inclusion of Life Members in E-Groups: All life members of IADVL should be included in E-Groups. Discussion: It was discussed. Members felt that although it is ideal to have all as members of e groups, at present only about 500 odd members are enrolled for e groups. More should be encouraged to join it.

Outcome: The proposal that all the new members would be invited to join IADVL e-groups has been agreed upon by the Secretary, IADVL and members passed it. However, it would be voluntary and not mandatory.

Proposal by Dr VK Sharma: Revised Registration of Combined ICD 2013 and 42nd DERMACON: I am herewith submitting agenda for inclusion in EC/CC/AGBM under Dr CR Srinivas, President IADVL for approval of revised registration after change in service tax rules. Kindly include same in agenda and so that revised registration can be discussed and approved.

Discussion: Dr Sharma explained that in current scenario service tax payment of 12.36% is mandatory on all collection. That is the reason for the proposal of new fee structures. The new structure of fee structure for ICD-DERMACON 2013 was presented by him and house after long discussion passed it as he proposed it.

The dates for early bird registration was postponed to 30th April 2013. New structure is as below for IADVL members.

	Member IADVL	Student	Accompanying	Corporate	Non-member
Jan 1 to April 30, 2013	₹16,500	₹8,000	₹8,000	₹25,000	₹25,000
May 1 to July 31, 2013	₹19,500	₹9,500	₹8,000	₹30,000	₹30,000
August 1 to October 30, 2013	₹22,400	₹12,000	₹8,000	₹33,000	₹33,000
November 1, 2013 onwards	₹30,000	₹14,000	₹10,000	₹35,000	₹35,000

Service tax of 12.36% is included in above registration fee.

New proposals for the year 2013:

1. Proposed by Dr. C.R Srinivas:-

Proposal I: IADVL DERMAZONE issues: The IADVL national body and State bodies are structured but ZONES are not properly structured. However ZONAL meetings are held and is very popular. This proposal is to usher uniformity in the operation of the ZONES. Each Zone will conduct elections per the constitution of IADVL or Elect office bearers on the floor during ABGM. Members of IADVL will become members of the respective Zone. - Zones will be divided as in Annexure iv, section 1 of the Constitution.

The Zonal office will maintain a bank account. All zones will have its own constitution as per the guidelines for the IADVL State Branch. However it should be along the lines of IADVL constitution.

Discussion and outcome: The house did not consider this proposal with multiple clauses, as constitution committee recommended a re-tabling of the fresh proposal on this issue. The house decides that there should be discussed in the CC group of IADVL and committee should be formed consisting of the presidents and secretaries of the each state of each zone and with a coordinator of the national IADVL to arrive at a consensus opinion on this issue.

Proposal II: Dr J.C. Shroff Memorial Award & Prof Ratan Singh Award

Guidelines for selecting Professor K.C. Kandhari award should be by 'nomination or by application' as it was being done for the Prof KC Kandhari award

Outcome: Passed by the house.

Proposal III: by CR Srinivas: Building bridges- To include Indian Journal of Dermatology (IJD) as a official journal of national IADVL:

Indian Journal of Dermatology is a flourishing journal with Pan India acceptance. However the journal is edited from WB and all the Editors are from the state. Our constitution permits each state branch to have its own journal or news letter. However the Journal is popular attracts authors from all over the Country and abroad as well. We have a huge membership and at present IADVL have just 2 Journals and a third established journal will be a welcome addition. It is proposed to link IJD site to IADVL site.

Comment: This proposal was sent to IADVL West Bengal Branch for their opinion through the Editor, IJD as the journal is a state organ. It was informed to the national IADVL that this matter was discussed West Bengal IADVL during its CUTICON. The proposal was **not passed** by their AGBM.

Outcome: The proposal of inclusion of 'Indian Journal of Dermatology (IJD)' as a official journal of national IADVL was dropped respecting the wishes of IADVL West Bengal State branches as the IADVL West Bengal's General body has rejected the proposal, whose official journal is IJD.

During the discussion, Dr VK Sharma suggested to the house that the number of proposals is very large in number and some proposals have many sub-proposals and need to be curtailed and streamlined. President Dr Suresh Talwar suggested that as it is not present in our constitution measure in this direction need to be initiated.

2. Proposal by Dr Suresh Talwar:

DERMAZONES to have president and secretary PAN no and account. The post will rotate amongst member states. Each president to be in chair for 2 years. Work will be to supervise activities of state branches, initiate academic activities, and supervise finances. 20 % of CUTICON savings will go to DERMAZONE. Financially they help states who do not have much resource.

Outcome: was not taken up as house has already decide that all matters on DERMAZONE were asked to re submitted and to be discussed at state executive level.

Proposal by Dr. Basavaraj K.H :-Creation of separate link for the public in our existing IADVL website:
Basis: There is a intense need for public awareness programmes (on Vitiligo, Leprosy, Psoriasis, AIDS

etc.,) and patient educational activities. This can be implemented through existing IADVL website with separate link for the public providing information of facts and myths about common conditions that affect our skin, hair, and nails. IADVL members for accuracy review this unbiased content.

Outcome: Passed by the house. Dr Basavaraj was given the responsibility of planning and formulating these patient information to be kept on our web site.

Proposals by Dr P. NarasimhaRao:

Proposal -1: Publishing of Audited Accounts: Suggested modification. The Hon. Treasurer will circulate an audited account of income and expenditure and liabilities of previous year in the second / third circular newsletter.

Outcome: The Proposal withdrawn by Dr P Narasimha Rao on technical grounds.

Proposal-2: The judges for the best branch award: The selection committee would consist of two immediate past secretaries and present Hon General secretary.

Outcome: Passed by the house unanimously.

Proposal-3: Changes in the criteria for IADVL fellowships: They would only be open to members who have completed their degree or diploma and not to members who are still pursuing their studies.

Outcome: Passed by the house unanimously.

Proposals by Dr Devesh Mishra :-

1. New dates for the election for the year 2013 due to ICD and DERMACON in DEC 2013.

Outcome: The house discussed and decided on the following dates with the concurrence of Dr Hema Jerajani, the Chief election officer for the year 2013

- **Last date for filing nominations along with fee: 15th June**
- **Last days for withdrawal: 30th June**
- **Announcement of candidates: 15th July**
- **Dates sending the ballots by election officer: 1st to 30th September**
- **Last date for receiving filled ballots: 15th November**
- **Counting of Ballots: 16th November.**

House also decided that ballot papers should be sent by registered post only.

2. The financial matters of DERMACON need to be monitored by IADVL. Also proposed that a long term 'vision document' need to be prepared by the EC of IADVL covering many aspects of IADVL. **Outcome:** Passed by the house

Proposals by Dr. Deepak Parikh

Proposal -1: There are many stalwarts who have excelled as dermatologists and richly deserve recognition. However, currently there is one award only and hence many respected seniors may not get recognition in their lifetime. I propose that IADVL should give "Life time achievement award" to 3-4 respected seniors. It should consist of "Shawl, Shrifal (coconut) and a Scroll".

Outcome: It was discussed. For technical reasons, the house felt that it need to be sent as a fresh proposal.

Proposal-2: IADVL needs to reach out to its members. IADVL central/state office bearers should address for 5-10 min. on 1st day, plenary session after first guest lecturer during DERMACON, DERMAZONE and CUTICON showcasing what are present and future plans and what are different activities and initiatives association has taken. This lecture should be prepared by President in consultation with EC members. Who will present? Central team i.e. President, both Vice-Presidents, Hon. Gen. Secretary, Treasure or President-Elect. In the absence of them state President, the Secretary should read out presentation provided by centre.

Outcome: Agreed by the house in principle that IADVL EC need to reach the members by presentation on the activities of the association which benefit the members at national and state conferences and explain the issues if needed. Dr Venkatram Mysore suggested that president should address the members not during the inauguration but separately, as it would not sound nice during the inauguration where non-member chief guests and other invitees would be present.

b) IADVL stall: IADVL must get prominently located stall during DERMACON. The stall should be minimum 2m by 2 m. IADVL can prominently display its activities and members can get their grievances addressed on the spot.

Outcome: IADVL stall should be at a prominent place at every the DERMACON, such as near the main hall (hall A) of the conference in the foyer. Size 2 mts /2 meters- Passed by the house.

c) We need to upgrade our website to match international organisations especially when we are hosting and bidding for world congress. They wish to know about us and our activities, to judge if we are capable or not?

Outcome: Passed. House agreed to upgrade the IADVL website even if it costs little more. Dr Narendra Patwardhan volunteered to be involved in this effort.

d) Not to print IADVL news but put it on website – we save print and posting.**Outcome:** Passed by the house already.

e) We can have our member's data base on web easy to find and NO NEED to print directory one in 2-3 years. **Outcome:** Not passed by the house

Proposal -3: I understand that AGM passed a proposal that IADVL Academic committee chairman and convener cannot resign their post before their tenure is over. This to me is against fundamental right of an individual and why only for one committee? I suggest that P a): All committee chairman and convener cannot resign their post mid-year. If they wish, they should inform the house and resign before AGM of closing year so that AGM of next year which meets next day can appoint new office bearers

Outcome: Not passed by the house as needed to be clarified further.

Proposal's by Dr. Akshay Jain

Proposal 1: A) Those who want to take part as a quiz master should apply on a written format to National General Secretary with attached copies of the certificates establishing/supporting their claims regarding conduction of quizzes or winners of the quizzes in the past. Those who are more experienced

should be given edge over the others clearly on the transparency basis to arrange a great show. B) One who conducts national level quiz ones, would automatically be out of the format for next 3 years. After 3 years he/she can again be chosen from level 2 as a zonal quiz master, if interested. The number of newly selected quiz masters should exceed more than 4 per year to give perfect bench strength for future.

Outcome: On Quiz masters need to submit the credentials, the House felt that it is not possible to ask for the credentials due to practical reasons. However, after a prolonged discussion on this topic, President Dr Suresh Talwar and Dr CR Srinivas stated that we would come up with a template, which a quiz master needs fill up and submit before applying for it. Dr Talwar informed that he would decide on who would make a template for it.

Proposal 2. Need for rotation policy (along with Dr. Rohit Batra): During DERMACONS, the chairpersons should be rotated every 3 yearly basis. One who chairs the particular topic in one DERMACON should not be allowed to chair the same session till next 3 years. One speaker speaking on a topic should not be allowed to speak on the same topic for next 3 years.

Outcome: These proposals were not accepted.

Dr Ramesh Bhat' proposal:

Proposal 1: Increase of papers at award papers at DERMACON from 12 to 36 papers:

Outcome: The house discussed on to increase number of award papers from 12 to 24 as suggested by Constitutional committee. After long discussion, increasing it to 36 papers was discussed. However, after long discussion the increase to 36 papers were not supported and it was agreed at 24 papers.

Proposal 2: The IADVL overseas scholarship should not be offered to members more than once. Outcome: Passed by the house. The candidates who apply of the scholarships should inform about prior receipt of awards from IADVL in their CV. It was decided that such an exclusion clause would be inserted at the application stage itself.

Proposal from Dr Jayadev Betkerur: Division of Surplus money of International conferences conducted by IADVL

India is hosting and likely to host many international Dermatology conferences. They will be conducted by IADVL with active participation from local state branch. As of now there are no guidelines for division of surplus of these conferences. As mainly the local organizing committee will conduct the event, my proposal is that the surplus of any international conference conducted by IADVL be divided as done for DERMACON surplus. This will help in compensating for the amount spent by the local branch for 1. Campaigning. 2. Publicity. 3. Sponsoring visits of various committees etc.

Outcome: The house discussed it. At the end of it Dr Suresh Talwar informed that the modalities of such a sharing would be decided based on the recommendations to be prepared by the SOP Committee.

Proposal by Dr. Suresh Talwar : Strict supervision of DERMACON balance sheet is necessary. I suggest the following Performa to be filled by organizers of the DERMACON

Outcome: All these proposals were appreciated and passed by the house unanimously.

Proposal by Dr. Shyamanta Barua , Dr. ArijitCoondoo, Dr. ArunInamadar

Modifications for Dr. L. N. Sinha Memorial Award

This award is presently given to a member of IADVL aged below 45 years on a zonal basis for overall contribution to the specialty. It has been seen for the last couple of years that there has been a major dilemma in selection of awardees. This is due to the fact that there is a big queue of eligible candidates for the award within a zone as the next opportunity for application comes after 4 long years. In this backdrop, we propose that (i) this award be given to an IADVL member aged less than 45 years from each zone every year and (ii) that definite criteria with weight age for both academic and organizational contribution be laid down to aid in the evaluation.

Outcome: Decision of the house –proposal to be passed on to the awards committee of 2013 for its recommendations/suggestions.

Dr Venkatram Mysore’s proposal: Change of name of IADVL to IAD (Indian association of Dermatology) :

Dr Venkat explained the details and modalities involved in such a change.: Dr Suresh Talwar suggested that secretary, IADVL and president of IADVL should discuss the issue with the advocate /auditors regarding the issues involved in such a change. To be discussed further in during EC meet of 2013. The methodology has to be evolved. Members suggested that it should go through constitutional committee. Dr SureshTalwar informed the house that a referendum on this would be taken by ballot.

Dr Brijesh Nair’s proposal: Taken up with the permission of the chair:

Its was regarding the criteria for the selection of satellite editors for e-journals: Dr Thappa answered that the method followed till now was that all the IJDVL reviewers can apply to Dr Uday Khopkar and become directly the satellite editors. Dr CR Srinivas suggested that Dr Brijesh Nair and Dr Thappa would come up with the criteria involved. The house approved it.

At the end of the meeting, the list of chairman and conveners /co-ordinators of various committees were announced by the President Dr Suresh Talwar which were approved by the house. The IADVL general body adjourned after these announcements and declared the meeting closed.

IADVL-L'OREAL INDIAN HAIR AND SKIN RESEARCH GRANT 2012-13

Jury Meeting Result

"The IADVL-L'Oreal Indian Hair and Skin Research Grant 2013 jury meeting was held on 2nd November 2012 at Hotel Ashoka, New Delhi. It was presided over by Dr C R Srinivas, President, IADVL and attended by Dr Stephane Commo, Dr Arun Inamadar, Dr J-P Ortonne, Dr D M Thappa and Dr Michele Verchoore who were the jury. Dr Suresh Talwar was the observer and Dr P Narasimha Rao and Dr Ameet Valia were the facilitators. The applications were blinded and objectively judged on the basis of originality, technical innovation, feasibility, and relevance, with judges having a conflict of interest physically recusing themselves while the concerned project was being discussed. Of the 43 applications received, the following 12, amounting to Rs. 21.93 lakhs, were recommended for the grant subject to Ethics Committee approval. All applicants would be sent the comments of the jury on their project."

IADV&L GSK National Quiz Program for Postgraduates (IGNQPP)

By Dr KA Seetharam

Chair Person, IGNQPP
DERMACON 2013

National quiz committee for the year 2013 was formed with Dr K.A.Seetharam (Chair Person), Dr.Ramesh Bhat, Dr.P.Narasimharao, Dr.Ajith Tharakan and Dr. Akshay Jain to coordinate IADVL GSK quiz for DERMACON-2013.

National programme was planned based on the decisions and recommendations of AGBM held at JAIPUR and discussed in EC meeting at Coimbatore and were approved with minor changes.

This year there were only State Level and National level Quiz Programmes and Zonal quizzes were not there. All the State level Quizzes were conducted at the respective CUTICONS. All states, wherever a minimum of 4 postgraduate colleges were there, had their own QUIZ and selected one team. If there were less than 4 PG colleges, those state colleges were clubbed with the neighboring state CUTICONS. All participants were provisional life members Of IADVL and each team consisted of 2 members.

The participating teams of the same state colleges were not paid any expenses. In case, the participants were from different state, they were paid a fixed sum to cover travel and lodging expenses for each member of the team. All State organizers were paid by national IADVL, a fixed amount to cover the costs of hosting the quiz master and reimburse travel expenses for the conduction of the QUIZ.

Quiz master at all CUTICONS were from a different state. A national pool of Quiz Masters was made and circulated to all state presidents and secretaries. The choice of the quiz master was entirely by the State executives and the organizers of CUTICONS. They selected their Quiz master from the National pool and took care of all the arrangements for the quiz master. State President or Secretary or a senior member of IADVL was nominated as National Observer to coordinate and supervise the QUIZ.

National guidelines for the QUIZ were made and circulated to all state presidents, secretaries and all the quiz masters of the National pool to maintain uniformity.

The State Quiz was conducted under IADVL GSK banner and the local GSK representatives coordinated the entire arrangements with the organizers of CUTICON. 15 teams were selected from CUTICONS and were invited for NATIONAL PRELIMS at DERMACON, Ahmedabad.(Attached)

National Level

National Prelims:

15 teams selected from state CUTICONS participated in National Prelims Test, which was held at Ahmedabad on 24th Jan 2013 at 9am. National Prelims was a Power point test consisting of 50 MCQs and it was conducted by NATIONAL QUIZ MASTERS, Dr. K A Seetharam and Dr. Ramesh Bhat. The test was well appreciated by the participants and the delegates. The local Coordinators Dr. Amit and Dr. Rathore were there throughout the programme helping the participants and Quiz masters. Four teams were selected for the DERMACON Finals. The finalists were shown in table 2.

DERMACON 2013 FINALS

DERMACON Finals were conducted on 26th Jan 2013 between 8.30 and 9.30 am. All the final Four teams, National Observer Dr P. Narasimha Rao, Dr D B N Murthy, Quiz Masters DR K A Seetharam and Dr. M Ramesh Bhat and The GSK team Headed by Mrs. Yamini were all in time and the FINAL QUIZ had started exactly at 8.30 am. The Hall was full with delegates and the entire quiz went on very well without any controversies and was well appreciated by the participants and the audience alike.

Winners: Dr. Naga Sreedevi Kavangal, Dr Monisha Mohanty
South Central Railway Hospital, Hyderabad, Andhra Pradesh

Runners Up: Dr Ambresh Badad, Dr Debdeep Mitra
AFMC,Pune, Maharashtra

The Medals and Mementoes were given to the winners and Runners Up and the appreciation and participation certificates to all the final four teams. Quiz Masters Dr K A Seetharam ,Dr M Ramesh Bhat and Dr P Narasimha Rao were given the Mementoes. Dr. Ajith Tharakan and Dr. Akshay Jain, who helped all the year through their valuable suggestions were also appreciated and were facilitated by the National Executive Of IADVL.

The Entire IGNQPP 2013 had come to an END with a great applause by 9.30 am. On 26th Jan 2013.

I would like to thank Dr CR Srinivas and DR P Narasimharao and the entire executive Council- IADVL for giving us this opportunity to be the NATIONAL QUIZ MASTERS for DERMACON 2013. My special gratitude to my co-Quiz master Dr M Ramesh Bhat without whom it would not have been a great success. Finally I thank Dr. Ajith Tharakan and Dr. Akshay Jain for their valuable contributions and Mrs Yamini from GSK who was always helpful in executing our decisions. Finally my heartfelt gratitude to Dr.Suresh Joshipura and Dr.Ranjan Rawal for extending their cooperation and excellent arrangements provided both for the National Prelims and Finals.
