1. Message from President IADVL

Dr. Suresh Talwar
President IADVL

Dear members,
Greetings from IADVL!

This is the last issue of IADVL news being brought out by the present team. Our team tried to build consensus on all important decisions taken by IADVL. The matters were well discussed in the EC and CC group to invite suggestions from everyone. The CC e- group was revived and we are in the process of reviving Residents e group for post graduates. Shortly you will find Dr Rashmi Sarkar interacting with all the post graduates in this forum. We have tried to initiate some activities for the young dermatologists by initiating induction of one dermatologist below the age of 35 in each SIG, introducing post of Assistant Quiz Masters in GSK quiz (IGNQPP). For elder citizens (more than 70 years) and physically handicapped we have made provisions of separate food counters, registration counters, providing a helpline number and map showing location of ramp. Our earlier projects like IADVL member's directory has been completed and it will prove to be useful for every member of our association. Therapeutic guidelines and Special Operating Procedure are nearing completion and publication. We are shortly going to start public awareness programme through our web site. Constitution review is in the process.

We have sincerely tried to improve financial health of our association. The expenditures have been reduced by switching over to the E version of news letter and by spending in a judicious manner. We have received increased sponsorship fees from GSK for quiz, Systopic for oration and got additional sponsorship for poster awards. We are keeping a close eye on conference expenditure. Strong checks will definitely bring better accountability. Financial transparency on all the matters was observed in all financial transactions. Overall we have saved good amount of money. Thanks to Dr PN Rao, our secretary and Dr DBN Murthy, our treasurer.

I am sure the combined DERMACON - ICD meet in Delhi from 4-7 December will bring laurels for IADVL and make IADVL a big brand name. For the first time responsibility for finalizing the scientific programme of DERMACON was given to IADVL academy. I am sure you will like it. We had a good show at EADV meet in Istanbul. There is good news to share. During 9th Asian Dermatology Congress at Hongkong, India has won (defeating Thailand) the bid to host Asian Dermatology Congress in India. All credit to Dr Hema Jerajani.

Lastly I must thank all the members of my Executive committee for being very cooperative and rendering advice on all the matters.

With best wishes and season greetings

Long live IADVL

Dr. SURESH TALWAR

PRESIDENT IADVL

2. Message from President-Elect

Dr Deepak Parikh
President Elect-IADVL

Dear IADVLites,

First let me wish you and your family “Happy Diwali”.

Our association’s last news bulletin for the year 2013 will reach, while you are preparing for ICD-DERMACON. I assure you great scientific program. I am sure all of you have exercised your franchise and voted in this year’s election.

I request you to actively participate in our association activities and also attend our GBM to be held on 4th morning and 5th afternoon.

With warm regards and hope to see you soon

Dr. Deepak Parikh

President-Elect.

3. Message from Past President

Dr. Srinivas C.R
Immediate Past President

Dear Friends,

Three decades of association with this association at the State and the National level and I have witnessed a sea of change. Would like to flatter myself that I too did my little bit for the association.

It is not perfect but then what is perfect?

I have attended many CME, workshops, and conferences. Can recollect the time when nothing of what was projected, could be read. Speakers would drone on and on and we would run away at the first decent moment when our professor was otherwise engaged. At Hyderabad we saw Amitab's Yarana while DERMACON was in progress. Pendulum swings and now my students wait for a chance to slip away and so maybe some things do not change. Not much anyway.

A new wind is now blowing across. A new openness has set in and all those at the helm of affairs have to defend their actions. A duel is fought each day, oil is then poured over troubled waters and calmness prevails that is until next tsunami strikes.

There is also a paradigm shift. In the past IADVL conferences had no sense of time but today with so many parallel halls, adhering to schedule is a necessity. Whatever the reason, this is a welcome change. The other major change is, emphasis on research. We have, to some extent, woken up to the fact that if we do not concentrate on research, we will never make mark. A firm step has been taken in this direction and one hopes, we find answers to our questions and stop looking west.

Few years ago IADVL spoke for all subspecialties but now we have many sister societies and new sisters keep springing up each day. This has lead to focus in a narrow field which is needed to make progress.

Three years, I have played an active role and have occupied the hot seat.

Thank you I will occupy a seat in the third row near the window. Will keep an eye on the dais, will watch out of the window and at times sleek out.

Dr. Srinivas C.R
Immediate Past President

4. Secretary speaks

Dr. P Narasimha Rao
Hon. Secretary -IADVL

Dear members,
Greetings!

This is my last communication through this IADVL new bulletin as my two year term as Hon General Secretary ends by this year. During last two years I have endeavored to serve to best of my ability to the cause of IADVL with the support and help of Hon Treasurer Dr DBN Murthy and Presidents Dr SDN Gupta, Dr CR Srinivas, Dr. Suresh Talwar and Dr Deepak Parikh, apart from other EC members. I thank them all for their guidance. The IADVL committee members and state EC members were very supportive and made my job of

running the office of IADVL a pleasant one.

At present, the strength of IADVL is more than 8000 with 70 new LMs and 253 PLMs joining our organization this year. And we are the second biggest Dermatology association of the world. With the number of new members joining every year, in next few years IADVL would surely become the biggest organization of the world.

IJDVL and IDOJ, the official journals of IADVL, have made a mark in the world of Dermatology Journals. It is heartening to note that the impact factor of IJDVL is more than 1.2 this year and its finances are very sound. I thank Dr DM Thappa, the outgoing editor and his team whole-heartedly for its success over last 5 years. IDOJ under the editorship of Dr ShyamVerma has reached the 4 issue per year mark and started ODOJ annual awards this year which is very heartening.

We had a very successful MIDERMACON and CC MIDDERRMA meet at Patna where important IADVL matters were discussed. As my office deals with all administrative matter pertaining to 22 state IADVL offices, with the cooperation extended by them, the affairs ran smoothly. The elections of IADVL were conducted efficiently this year by Dr Hema Jerajani, the Chief election officer and candidates were impeccable in adhering to election code. For the first time, ballots decided the DERMACON venue this year, which is a welcome event in a democratic organization like ours.

I am happy to be a part of IADVL delegation which attended the Asian Dermatology congress at Hong Kong and successfully bid for it to host the next congress at Mumbai in the year 2016. Apart from this we are also going to have South Asian regional Dermatology conference at Mysore in the year 2015.

The IADVL e-groups were very active this year and now we are gearing up for the year end "IADVL-acad session" at DERMACON which was introduced last year. With the initiative of Dr Kanthraj, our Joint secretary, the resident forum was launched this year for PLMs and initial enrollment and response is very encouraging.

I thank all the members of IADVL for their support, suggestions, advice and help extended to me as Hon Gen secretary of IADVlover last two years. It has been a very eventful period of my life. I wish and hope that I could live up to your expectations.

Now, we are having the one of the major event of IADVL the ICD-DERMACON at New Delhi in next few days. I wish all the members a very happy conferencing.

Regards,

P Narasimha Rao

5. Thus writes the treasurer

Dr.D.B.N.Murthy
Treasurer IADVL

Dear Members,

Season's greetings and eagerly waiting to see you soon at DERMACON New Delhi.

I hope by this time you have gone through the details of financial management posted on IADVL website.

After working for 2 years as Hon. Treasurer I feel that running accounts for a big organization like this seems to be a full time job of an auditor. We as medical professionals our knowledge of accounts is meager and accounting may look simpler or easy. But, the intricacies, Legalities, responsibilities etc are ill understood. We are in a formative stage, as far as financial management is concerned, hence we should employ a full time auditor who can sit with us in meetings and advise accordingly. Since the time is not sufficient for discussing various proposals threadbare I request the next EC to fix some time and date during conferences or separately, so that we can discuss only financial matters.

During our tenure we tried to save finances of IADVL by decreasing the expenditure & to increase the corpus fund by increasing the income to IADVL. I am happy to say that we were successful in doing so in a good measure.

We are attempting in giving clarity to the IJDVL & IADVL accounts and the process is on. We initiated the MID DERMACON combined with CC MIDERMA meet and saved 21.5 Lakhs to the IADVL expenses in the year 2012 and hope to do the same for this year as well.

This financial year ie., 1st April, 2013 to 31st October, 2013 we have already saved more that forty five Lakhs and increased the IADVL fixed deposits accruals to more than 5.4 Crores. This effort was possible with the cooperation of Past President Dr. C R Srinivas & Present President Dr. Suresh Talwar whose financial discipline has percolated to whole CC. We thank them immensely for their support and guidance.

Finally I wish the next EC to do a better job than us in this interest of IADVL

Long live IADVL

I remain

Your sincerely

Dr.D.B.N.Murthy
Treasurer IADVL

6. Scientific Programme of IADVL- Sister Society Meeting Held at EADV Istanbul 2013

Wednesday, 2 October 2013.

From 13:30 to 17:30 – Location: Hall: B22

SS19 - Indian Association of Dermatologists, Venereologists and Leprologists (IADVL)

Schedule of the scientific programme

[Each talk is of 15 minutes (12 min + 3 min) duration]

13.30 – 14.30 Session 1. Clinical Dermatology & Disease patterns in India

Chairperson: Dr Suresh Joshipura

1. Psoriasis in India- Clinical Patterns & Treatment Challenges

Dr. Sunil Dogra, Chandigarh, India

Email: sundogra@hotmail.com

2. Genetic syndromes in Dermatology: South Indian Scenario

Dr. Najeeba Riyaz, Kerala, India

Email: najeeba_riyaz@rediffmail.com

4. Sunscreen & Indian skin.

Dr P Narasimha Rao, Hyderabad, India

Email: dermarao@gmail.com

5. Photodermatoses in Ladakh, India

Dr. Nitin S Walia, Ladakh, India

Email: nitinwaliaderm@gmail.com

14.30 –15.00. Session II: Dermato-surgery

Chairperson: Dr Anil Ganjoo

1. A Dermatological voyage in an Indian Private clinic at Eastern India

Dr. Rajib Kumar Gogoi, Assam, India

Email: rkg071@gmail.com

2. Treatment of facial scars: an overview

Dr Imran Majid, Kashmir, India

E-mail: imran54@yahoo.com

3. Innovative Procedures in Cutaneous Surgery

Dr Raghunatha Reddy R, Kuppam, India

Email: raghunatha18@yahoo.com

15.15-16.30. Tea break

15.30–16.15. Session IV: Lasers & South Asian skin:

Chairperson: Dr Suresh Talwar

1. Q-switched Nd:YAG laser for tattoo removal in Indian skin - a few treatment nuggets

Dr. Shyamanta Barua, Assam, India

Email: doc.shyamanta@gmail.com

2. Aesthetic Solutions for Dermatological problems

Dr. Venkataram Mysore, Karnataka, India

Email: mnvenkataram@gmail.com

3. Laser toning and r 20 technique in pigmented lesions in Indian skins

Dr Anil Ganjoo, New Delhi, India.

drganjoo1965@yahoo.co.in

16.15 -17-15. Session V: Guidelines and Management issues in Dermatology:

Chairperson: Dr Nazeeba Riaz

1. Urticaria guidelines 2013

Dr. Kiran Godse, Mumbai, India

Email: drgodse@gmail.com

2. Biologics for treatment of psoriasis - Experience in a resource limited settings & its challenges

Dr. Vidyadhar R. Sardesai, India

Email: nitin_sardesai@yahoo.com

3. Delusion of parasitosis - A Dermatological perspective.

Dr Suresh Joshipura, Gujarat, India

EVENTS ABROAD

- ❖ American Academy of Dermatology
AAD 72nd Annual Meeting

Date: 21st to 25th of March, 2014

Place: Denver, Colorado, USA.

9. Minutes of CC meeting details Patna

The Central council meeting of CC MIDERMA Meet of 2013 was held at Patna in hotel Maurya on 17th and 18th August 2013. The meeting was presided by Dr Suresh Talwar, President IADVL and attended by 67 CC members. Issues taken up for discussion were as follows:

Proposals taken up at IADVL - EC meet held at Lucknow on 30th & 31st March 2013

Brought forward for discussion at EC meet- Patna and their outcome

1. Issues of DERMACON : Proposed by Dr Suresh Talwar

- A. EC proposed that any changes, alterations or reschedule in programs in DERMACON have to be informed to delegates in advance and by proper announcements.
- B. **Separate registration and food counters for Senior Citizens (70 year above):** *Result: EC accepted it. A separate registration & food counter to be provided for senior citizen members of IADVL for Senior citizens (above 70). This should be a part of DERMACON SOP*

Result: accepted

- C. **Status of Abstract:** When somebody submits **abstract** & if it was found to be not up to the mark, it is for the organizers concerned to **inform by mail** accordingly.
Discussion at: EC accepted these. The DERMACON scientific committee is requested that: all abstracts have to be acknowledged and status has to be informed promptly. The not-up-to-the-mark abstracts have to be encouraged for e-poster. Rejection has to be informed to the sender.

Result at CC meet: Result Passed as modified below: The DERMACON scientific committee is requested that all abstracts have to be acknowledged and status has to be informed promptly. Out of all abstracts, those considered for free papers session and those considered for poster, have to be informed to the author accordingly for their consent. Rejection has to be informed to the sender.

2. **Proposal sent by Dr Arijit Coondoo:**-SOPS finalized till date should be put on web and be published as annexure to the constitution booklet. New SOPS being prepared and planned: SOP for Branches, Vice Presidents, Joint Secretaries, Standing Committees, resignation of office bearers, bidding and other aspects of international conferences, SIGs (though it is included in SOP for Academy we can always remove it from there and prepare a new SOP), interaction with Sister societies, CUTICONS, DERMAZONES, Quiz program, preparation of history book of IADVL.

Discussion at EC: EC and invited members discussed the way to go about them. It was decided that all SOPs have to be in the web. To be discuss each of them in the E-groups of CC if possible and later at CC meet.

Discussion at CC meet: 11 SOPs were prepared by the chairman Dr Arijit Coondoo and they are on the web and also sent to CC group mail. They are receiving comments from members. Till now about 57 questions were received. Dr Joshipura mentioned that the constitution committee would scrutinize SOPs, which need opinion of constitution committee. Other SOPs, which do not require such comments, can be passed directly.

Dr Thappa editor of IJDVL opined that SOP about Journal should be done by the past editors or present editors of our official journals. Dr Khopkar agreed to the suggestion. Dr Talwar stated that the SOP of journal

would be sent to them (Dr Thappa, Dr Khopkar and Dr Shyam verma and Dr Ramam) for their opinion and inputs. For Further processing of the SOPs for opinion of CC member is sought and later once completed would be put on web for all members to go through them and opine before taken up at AGBM for final approval. SOPs would be a annexure to the constitution and would not be part of it.

3 . SARAD issues: Review on progress on SARCD to be held in India: Dr Jayadev proposed to have the conference event as 1 day CME + one and a half a day conference during SARAD. He mentioned that he would discuss this matter with EC of SAARD during meet at Colombo.(Recent developments: The dates for SARCD 2015 are 4-6 (Fri- Sun) September 2015, as suggested by Dr Betkerur). EC opinion: Members suggested separate delegate fees for Indian delegates. The proposal of merging of SARAD meeting at Mysore and DERMAZONE was not passed.

Discussion at CC meet: Dr Jayadev informed that the dates would be on 4-6th of Sep 2015 at Mysore. Reg the delegate fee, would be 250 dollors inclusive of service tax. Whether to have separate delegate fee for Indian delegates, that is being discussed with SARAD committee. SARAD also suggested that it SARCD should not be combined with any other conference. Dr VK Sharma opined that 250 dollars is high and it should be at 200 dollars with the raising cost of dollar. Suggested to fix at about INR 15 000 for Indian delegates.

4. Proposal from Dr DM Thappa, Editor of IJDVL: Present position of IJDVL Deposits with IADVL. There need to be clarity on the accounts and IJDVL accounts need to reflect separately. Dr RoopakSaxena, the outgoing treasurer in March 2010 has mentioned the IJDVL finances in the IADVL accounts as follows: Every year bifurcation of IADVL & IJDVL accounts and ratified in AGM.Presented by Roopaksaxena – 31 march 2010.

S.1 no	FDR	interest	payment	
		15010000/	219522/	quarterly
		1223333/	17891/	quarterly
		3480000/ (RBI bond)	35573/	half yrly
		1500000/	21937/	quarterly
	Total:	21,21,3333 /	294923/	

Jayadev and Ramesh Bhat in their tenure from 2010-2012 have to update these accounts based on the information they have. (Dermacon –lucknow and gurgaon surplus -47,80000/(20 %), plus membership fees - 2000000/ @ 1250/ per member, plus add Dermacon surplus –Jaipur -400000. Dr Thappa pointed out that despite his repeated request the accounts of IJDVL are not being shown separately by IADVL executives.

Discussion at EC meet: There was a long discussion on this matter. The house felt that there is definitely a need to keep and show the finances of IJDVL separately within IADVL accounts, which was not done during year 2012-2012. Dr Ramesh Bhat and Dr Jayadev were asked to look into matter in consultation with their auditor and present exact figures of finances of IJDVL at the end of their tenure as certified by their auditor in proper format. Dr Ramesh Bhat and Dr Jayadev agreed to the suggestion of the house and assured the house that they would consult their auditor at Mysore to arrive at correct financial accounts/ balance of IJDVL by the end of their term and pass on the same to the present EC for continuation of the accounts. Dr Thappa was assured that IJDVL account would be finalized in next few months. The house accepted the proposal by Dr Suresh Talwar and Dr Deepak Parikh that the President-Elect should be part of finance committee.

Outcome at CC meet: While this matter was being taken up for discussion Dr Thappa, editor, IJDVL desired to make a presentation. He informed that house that IJDVL is available on I pad form 2013. The impact factor of the IJDVL has increased to 1.206 from less than one, during his tenure, which was lauded by the members.

This places IJDVL at about 35th to 36th positions in world Dermatology Journals. He also announced that the fund of IJDVL with the bank at Pondicherry has increased substantially this year.

However, after end of his presentation the matter of segregation of funds of IJDVL could not be taken up for discussion.

5. Proposed by Dr. K. H. Basavaraj: There should be separate e- link for public in IADVL website. Dr Kanthraj made a presentation. EC resolution: *The house lauded the initiative and suggested that a short & concise articles with photographs, with FAQs. SIG's to be involved along with the Academy in the peer review of the content.*

Decision by CC: Accepted

6. Proposal by Dr. Kiran Godse:-

Subscription to Wiley journal stopped due to the expenses involved, which was about 9 lakhs per year. The alternative was explored by Dr Kiran Godse and found 'Knowledge Genie' of abbot labs as a good alternative to get access to many good journals.

Discussion and result at EC: The EC approved it. But expressed that the decision would be reviewed during CC meet at New Delhi in Dec 2013 based on the progress. EC Accepted to include reviewers of both IJDVL & IDOJ as subscribers for Knowledge Genie.

Discussion at CC meet: The house discussed the matter. Dr Kiran Godse and Dr Uday Khopkar made PPT and spoke about the benefit of having the Wiley journal subscription. Dr Khopkar informed the house that UCB pharma are ready to sponsor 50% of the subscription fee (which is more than 10lakhs with increase in dollar cost) of the Wiley journals. And also that Wiley has agreed to provide subscription free of charge this year and would adjust the money for next year. The CC group passed it and wanted the process to be started at the earliest. Dr Thappa announced that as this is an initiative of IJDVL originally, he would be happy to finance the remaining 50% of the money needed for subscription from IJDVL funds. **Result:** The house accepted the proposal and suggestions in toto.

7. Proposal by Dr. Deepak Parikh: SIG Coordinator need not be Central Council member. *Result: Accepted by EC at Lucknow*

Decision at CC meet: Passed.

8. Tenure of all SIG coordinator should be for two years. (At present it is for 3 years)

Result: Not passed

9. Proposal by Dr. Suresh Joshipura:-

Road map for updating constitution Proposed by Dr. Arijit Coondoo (read by Dr Joshipura as Member not present) **Updating constitution:** We can also think on timelines for the annual updating of the Constitution so that it becomes a smooth affair, with the updated version being eventually uploaded on our website, e.g. minutes of the closing year's GBM should, after the EC's approval, be submitted by the Hon Gen Secretary within one month of DERMACON, the changes incorporated by the Chairperson and Convener within 1 month, approved by the entire committee in another month, sent to the EC for approval 2 weeks before the EC meeting.

b) SOP for the constitution committee, final workup for CC meet at Patna

Discussion at EC meet: The road map suggested by Dr Joshipura was agreed by the EC in principle. Dr CR Srinivas suggested that as so many changes are being suggested to constitution, it is better it keep it as soft copy for time being, as it is easy to update it. The house also agreed to keep IADVL constitution and SOPs separate.

Discussion at CC meet: Dr Joshipura informed the house that Constitution committee met the day before has decided to update the constitution. Dr Joshipura welcomed the suggestion of Dr Deepak Parikh that wherever amendments are made, the year and place of AGBM should be mentioned. Dr Talwar added that every four year we are going to have a hard copy of IADVL constitution and every year we should have an updated soft copy of the constitution. **Decision of CC: Passed**

At this point Constitution committee was invited to announce the decision taken by them on matter referred to them. Dr Koushik Lahiri, the convener, announced their decision on matters referred to constitution committee as follows:

1. Dr.Venkatram Mysore proposal: Changes in the criteria for eligibility: post of secretary, treasurer, Joint secretary: The constitution states on Page no 34, 35 that they must have been actively involved in the affairs of the Association in an official capacity *either at the central level or in the branch, combined branch level or a Central Council member from the branch for a minimum period of 2 year either continuous or with breaks. However it is not specified what the official capacity is. This means that any member with no significant administrative experience or even minimal experience (such as CC member for two years) in the association can contest for the two most important positions in IADVL. This is a serious lacuna which needs to be addressed. This was then referred to the constitutioncommittee which accepted the suggestion and recommended modifications in their report and submitted to AGM in DERMACON Jaipur.Outcome: This matter was referred to the Constitutioncommittee of 2012, which opined that Status quo to be maintained due to procedural and technical reasons. The house kept the issue pending as too many things need to be looked at decided to pass on to constitutioncommittee of 2013 for the opinion.

Opinion of the constitutioncommittee: Secretary aspirant must be either a state secretary or joint secretary at the National level in the past over and above present criteria. For others status quo to be maintained.

Decision of CC: Passed it.

2. Dr. C.R. Srinivas's Proposal:Proposal for cancellation of Workshop during DERMACON. As per our constitution DERMACON should not be for more than 3 days and one day CME. However many local body organize a standalone workshop apart from CME and even along with CME as a parallel session. CME is a plenary session and no parallel workshop should be organised. No workshop should be permitted one day prior to CME also as this prolongs the stay and some may choose to attend the workshop and skip CME and conference to cut short duration of stay.Outcome: EC meet decided as follows: All Workshops should be considered as a part of DERMACON for accounting and finance purposes. During DERMACON there should be only have one day *CME or Workshop* prior to 'two and half day' DERMACON. This is to make the whole event a three and half day event: Passed by the house.

Opinion of the constitutioncommittee: Agreed and accepted as viable

Decision of the CC: passed

3. Dr. CR Srinivas Proposal II: Dr J.C. Shroff Memorial Award & Prof Ratan Singh Award. Guidelines for selecting Professor K.C. Kandhari award should be by 'nomination or by application' as it was being done for the Prof KC Kandhari award. Outcome: Passed by the house.

Opinion of the constitutioncommittee: Agreed and accepted as viable. **Decision of CC:** Passed

4. Dr P Narasimha Rao and Dr DBN Murthy: Proposal: To have names of the all states of India included in the list of IADVL state members list either as independent members or combined state branches. Outcome at EC meet: was passed. **Opinion of the constitutioncommittee:** No consensus. The matter was referred back to the General body.

5. Dr Suresh Talwar proposal: Changes in the important dates in constitution book: a) Pg 5 IMPORTANT DATES TO REMEMBER: To add: "31 July Last date for submission of abstracts for orations and award papers 31 July Bidding of DERMACON: Two and half years before the actual conference, i.e. for Jan 2015 conference one should bid by 31 July 2012.

Opinion of the constitutioncommittee: Agreed and accepted as viable. **Decision at CC meet:** passed

6. Dr. Shyamanta Barua proposal: Sub branch of state branch should be named as Chapter of IADVL: This is regarding sub branches of state branches of city or town branches should named as IADVL chapters for function & hierarchy & for the clarity is of higher administrative. New sub branches of the state, which wish to form, should be named as Chapter of IADVL.

Outcome at EC meet : All the city branches of IADVL should be called as IADVL City (name of city) 'Chapters' (EG: Coimbatore chapter of TN, IADVL) has been passed by the house. As regard to change of name of existing city branches, the matter was differed.

Opinion of the constitutioncommittee : Agreed and accepted as viable. **Decision of CC:** passed

7. Dr. P. Narasimha Rao Proposal: Proposal : : The judges for the best branch award: The selection committee would consist of two immediate past secretaries and present Hon General secretary. Outcome at EC meet: Passed by the house unanimously. Proposal-2: Changes in the criteria for IADVL fellowships: They would only be open to members who have completed their degree or diploma and not to members who are still pursuing their studies. Outcome at EC meet : Passed by the house unanimously.

Opinion of the constitutioncommittee : Both proposals agreed and accepted as viable. **Decision at CC meet:** passed both proposals

8. Dr. Deepak Parikh proposal: IADVL stall: IADVL must get prominently located stall during DERMACON. The stall should be minimum 2m by 2 m. IADVL can prominently display its activities and members can get their grievances addressed on the spot. Outcome at EC meet: IADVL stall should be at a prominent place at every the DERMACON, such as near the main hall (hall A) of the conference in the foyer. Size 2 mts /2 meters- Passed by the house.

Opinion of the constitutioncommittee : Agreed and accepted as viable. **Decision at CC:** Passed

9. Dr Ramesh Bhat proposals: Proposal 1: Increase of papers at award papers at DERMACON from 12 to 36 papers: Outcome: The house discussed on to increase number of award papers from 12 to 24 as suggested by Constitutional committee. After long discussion, increasing it to 36 papers was discussed. However, after long discussion the increase to 36 papers were not supported and it was agreed at 24 papers. **Opinion of the constitutioncommittee:** Agreed and accepted as viable (to have 24 award papers). **Decision of EC:** passed.

Proposal 2: The IADVL overseas scholarship should not be offered to members more than once. Outcome at EC meet: Passed by the house. The candidates who apply of the scholarships should inform about prior receipt of awards from IADVL in their CV. It was decided that such an exclusion clause would be inserted at the application stage itself. Applicants should clearly provide information about any past scholarships/fellowships received through IADVL. Any scholarship awarded through IADVL to an individual is once in a lifetime only.

Archiving to be done and the list of recipients for various scholarships have to be maintained strictly and displayed in the website.

Opinion of the constitution committee: IADVL overseas scholarship should not be offered to members more than once. The committee has opined for a provision to disallow any future application from an applicant who provides false information while filling the application form for overseas scholarships through IADVL.

Decision of EC: passed.

10. Award issues:

a) **Appreciation awards: Proposer: Dr CR Srinivas:** EC should be empowered to issue 5 appreciation awards to the members who have rendered exceptional services for the betterment of IADVL. Members of various committees will also be eligible for this. However EC members will not be eligible. *Decision of the EC: Up to 5 such awards to be given in the DERMACON/ MID- DERMACON. Discussion at CC: Dr Talwar suggested that it should be called IADVL President appreciation award. Decision of CC: Passed.*

b). **“Life time achievement award”** to 3-4 respected seniors. **Proposal by Dr Deepak Parikh:** There are many stalwarts who have excelled as dermatologists and richly deserve recognition. However, currently there is one award only and hence many respected seniors may not get recognition in their lifetime. *Decision of the EC: Two life time achievement Award to be given in the DERMACON. Modalities to be worked out. Decision of the CC: Passed in principle.*

Proposal: Initiation of IADVL-Kivi Poster award: Dr Suresh Talwar inform the house that Kiwi pharmaceutical has approached him with a sponsorship money of 3 lakhs for institution of new poster award to be given during DERMACON for five years. *Decision: Accepted, as there is only one award for posters at DERMACON till now. To be given to the best poster in the DERMACON. Category to be decided. The matter to be sent to IADVL awards committee and to be implemented from this year itself as sponsor is ready to enter in to agreement immediately.*

Discussion at CC: Secretary Dr P Narasimha Rao informed the house that the money has already been sent by Kivi to IADVL. The house opined that as the Kivi awards poster awards were not passed by AGBM, they should be formally passed in the next AGBM and than included in wards from the following year. CC permitted IADVL to keep the money pending the approval

11. The relationship between Sister Society and IADVL should be a win relationship. A proposal by Dr.

C.R.Srinivas: The IADVL will extend the following facilities to Sister Societies

- 1) Organize focused session before the main conference in Consultation with Scientific Committee.
- 2) Plan the session during DERMACON along with SIG.
- 3) Will be provided time slot to conduct business meetings on request.
- 4) Will be provided space in the Exhibition hall to interact with members, recruit new members or showcase the achievements and collect registration fees for their conference and workshop.
- 5) Circulate announcements in IJDVL and IDOJ free of cost.
- 6) IADVL will undertake not to organize independent annual meeting related to Subspecialty .

The following are the reciprocal gestures requested from Sister Society.

1)The sister Society will also involve the SIG during the organization of the annual meet.2)The Sister Society will also include the President of IADVL and his representative during the inaugural function.

3)The Sister Society will forward 15 % of the net amount collected during Annual Conference to IADVL

In case the Sister Society is unwilling to commit such an agreement, all the above mentioned facilities will be withdrawn and bidding will be opened for Annual meeting in the sub specialty to be organized by SIG under the banner of IADVL

Discussion at EC meet: The president, IADVL to call the meeting with the president & Secretaries of Sister societies during MIDDERMACON, Patna. This to invite suggestions for mutual working & reciprocal benefit. Dr. ShyamVerma opined that one day session prior to DERMACON, however Dr. Ramesh Bhatt opined the existing slot given to them during the DERMACON is sufficient. Dr. JaydevBetkerur , opined that there should be benefit for an IADVL member, similar to a sister society member, for registration in the sister society conferences & scientific events.

Outcome at CC meet: Members and EC members of various sister societies, who are also members of IADVL participated in the discussion. Many were unwilling to accept various proposals due to administrative reasons and financial reasons. At end of the long discussion the proposal and sub clauses were not passed.

12. A) Bidding for WCD by IADVL: Status report by Dr. Sacchidanand: A slide presentation done by Dr Sacchidanand regarding IADVL bidding for WCD in year 2019, with Bangalore as venue. *Decision: EC accepted it in principle.*

Decision at CC meet: Dr Sacchidanand informed the house that Dubai and China are bidding from Asia. He expressed the intention to bid on behalf of IADVL at Vancouver 2015 at Bangalore. He proposed that we could have a same logo, which was prepared during last bidding. Members discussed the financial aspects of bidding. Members felt that the budget needed would be huge (up to a crore) for good campaigning., which is too high for IADVL and the competition is very stiff from other Asian countries. Dr Deepak suggested taking members opinion. House (CC) suggested go ahead and bid but on a very small budget to keep the continuity of bidding, with the maximum allocated money of 5 lakhs for the expenditure for bidding. House passed it

B) Progress on preparation of new edition of IADVL textbook of Dermatology: Dr Sacchidanand, also presented the progress in compiling new edition of IADVL text book of Dermatology as chief editor this book. *Discussion and result: He informed the house it may not be ready by MIDDERMACON as 30% of all chapters are yet to be received by him.*

Discussion at CC: Dr Sacchidanand informed the house that book is going to have 101 chapters. And informed that he need to receive 14 more chapters. The review of the chapters is going on. He assured that house that it would make all attempts to make a dummy copy ready by December, by the time of ICD-DERMACON. Dr Ameet pointed out that the actual work starts after compiling of chapters and it can take about 6 months more to come out with complete book.

C) Report on the status of IADVL concise text book of Dermatology: IADVL EC congratulates Editorial board and members of IADVL Concise text book of Dermatology, especially Chief editor Dr Visalakshi Viswanth, for the success of this UG text book, which was launched in 2012. . We are happy to announce that Rs 2,76,840/- has been received as royalty this book from Wiley publishers for the first year, (from total number of 7195 books sold at 10%). Thank you Text book committee.

Discussion: House conveyed its appreciation on the efforts of Dr Visalakshi Viswanath.

Asian Dermatology congress to be hosted at Mumbai by IADVL: Dr Hema jerajani announced to the house the IADVL has won the bid for the 10th Asian Dermatology congress which would be held in 2016 at Mumbai. The Asian Dermatology Association would sent a mail requesting for 10% of registration fee receipts. **Decision of CC:** Passed.

13. Therapeutic guidelines (TG) prepared by IADVL TG committee of 2012– Discussion on the method of their publication: *Discussion: The finalized TG are to be published as e-articles in IJDVL and subsequently published as booklet with pharma support if possible. The process is about to begin. The*

review process is expected to take a few months in IJDVL. Dr ShyamVerma, editor of IDOJ appealed to the house, as the IDOJ is the official organ of IADVL, that half of the guidelines be sent to IDOJ for peer reviewing and publishing. Dr Thappa, as editor of IJDVL informed the house that he has no objection to it. The EC accepted his request and agreed that half of the TG may be sent to IDOJ.

Outcome: Not taken up or discussed at CC meet

14. Proposal: Vacancies and committees –If a member of IADVL committee retires before completing his tenure and is replaced by another by the EC, the tenure of such nominated(Adhoc appointment) member be restricted to the original tenure of the committee member. *Decision: Accepted by the EC.*

Outcome: Matter not taken up at CC meet

15. Training fellowship – Some institutes like AIIMS have placed a rider that training fellowship in their institute will be restricted to dermatologist passed from government medical colleges. Shall we accept this precondition?*Discussion at EC and result: Dr VK Sharma explained that such preconditions do exist and it becomes difficult to accept dermatologists from Private medical colleges. As it is a policy decision of AIIMS , he has very little control over the decision. The house decided that such information that AIIMS fellowships are open only for Govt Medical college PGs may me put in the notification itself and continue AIIMS as a centre for IADVL fellowships.***Matter Not taken up at CC meet**

16. Proposal Guidelines Governing Interaction of IADVL Special Interest Groups With All Commercial Interests:DrShyamantaBarua, Convener, IAD.

- A. All financial dealings of a Special Interest Group (SIG) with a commercial interest (defined by the [ACCME Standards for Commercial Support](#) as any entity producing, marketing, re-selling, or distributing healthcare goods or services consumed by, or used on, patients) will be through the IADVL Academy of Dermatology (Academy) with the concurrence of the IADVL Executive Committee (EC).
- B. A tripartite (SIG Coordinator, Academy Chairperson and the Pharmaceutical company involved) Memorandum of Understanding (MoU) will be submitted to the HonoraryGeneral Secretary of IADVL, who will thereafter release the fund as per the requisition by SIGs with time bound financial planning of expenditure.
- C. All financial support for any activity should be in the form of unrestricted educational grants that can be acknowledged by writing: "Supported by an unrestricted educational grant from ...". It should be categorically mentioned in the MoU with the concerned pharmaceutical company that it cannot construe such sponsorship as an endorsement of any product or instrument or similar by IADVL. That the concerned pharmaceutical company can, under no circumstances, make use of the IADVL logo for any promotion, should find explicit mention in the MoU.

If a grant has to be accepted for scientific publications, it would be acknowledged with – "Publication has been made possible by an educational grant from" or "Print courtesy from educational grant of" ". Additionally, for any such published material, there should be a disclaimer – "The IADVL does not endorse or promote any commercial product" and all authors should declare any conflict of interest and mention sources of funding.*Decision: Passed by EC in principle. (Comment: administrative matter of IADVL academy for approval by its committee)*

17. SERVICE TAX: The importance of clarifying service tax issue was discussed. Dr Rao informed the house that the auditors suggested that as it falls under the head of central excise, expert opinion need to be taken on its applicability to various aspects of IADVL activities. The expert legal opinion on this issue can incur an expenditure of about Rs. 1 lakh to IADVL. *Discussion and result: The service tax matter was discussed in detail. As each year IADVL has to pay a huge tax under this head, all the necessary opinions need to be taken as needed. The permission to approach expert in this regard was granted by the EC. It was also suggested that this MIDDERMACON at Patna be conducted under IADVL PAN (number). Pros and cons discussed. Discussion inconclusive. – Progress in this matter would be informed to members.*

Discussion at CC meet: Was taken up. Passed on to finance committee for comments.

18. Proposed by Dr. G.R. Kanthraj: Fixed cutoff date to elect cc members or completion of all cuticons & functioning of E-CC forum : CUTICONS are being conducted independently by their respective states with various dates around a given year. Election of office bearers is conducted during those events. Some of the states would not have conducted their annual events and are unable to provide the current list of CC members and it can cause delay in the formation of IADVL_CC for that year. Following measure can improve better function of IADVL_CC in future.

- All cuticons should be completed or elect cc members by fix a cut off date
- All state secretaries should send a complete list of those CC members with e-mail IDs to Hon. Gen .Sec. by fix a cut off date.
- Formation of IADVL_CC should be completed by fix a cut off date.
- Functioning of IADVL_CC should start by fix a cut off date. It enables President & Hon. Gen. Sec. & their team to form & function IADVL_CC smoothly.

Discussion and result at EC meet: Detailed proposal has to be sent to the constitution committee

19. Proposal from Dr KS Ram: Proposal to start a ‘Media wing of IADVL’: Proposed that IADVL should have an exclusive ‘Media wing of IADVL’ to facilitate dissemination of its views. This wing would interact with electronic and non-electronic media from time to time and when necessary to make an impact of its views at regional and national level.

Discussion and result: Agreed in principle for need of such wing. Decided to take the idea forward by discussing it at EC and cc groups.

Decision at CC meet: Accepted in principle. To formulate a group for such purpose.

New proposal sent by members discussed at CC MIDERMA meet on Patna on 17th& 18th August 2013:

1. Proposed by Dr. C.R Srinivas:-

Inauguration DERMACON and MIDERMACON Background The inauguration of DERMACON with elaborate seating arrangement, unwanted or less welcome chief guest is a waste of time and night mare for organizers. Anything that can go wrong will go wrong and our inauguration ceremony has so many intricacies as per our constitution and to add to this the organizers add something extra to further complicate criteria for being seated on the dais. The eligibility for a chair on the dais is far from satisfactory and has many stalwarts less happy. Lighting the lamp and the lamp not co operating offers needless entertainment to the audience. It is time to simplify the ceremony. I suggest the following protocol **Proposal** At the appointed time The President will go to podium and deliver a brief welcome address which is not more than 4 minutes. During this period he will welcome the audience and place on record his sincere thanks to local organizers. A short briefing by the Chairman Scientific will follow this on how to get the best out of the sessions. He will tell about the halls arrangement, its location, the arrangement for the posters, preview rooms etc. This brief ceremony will be followed by plenary session. A moment of silent prayer may be permitted

Decision of CC meet: The house decided that there would be one chief guest for the inauguration. (not one chief guest and one guest of honor.) Other points of the proposals not accepted by CC.

2. Proposed by Dr R G Torsekar, Seconded by Dr Vishalakshi Viswanath :-

Proposal- 1.IADVL Digital Lecture Series- updation and availability to members by incorporating in the website: Proposed by Dr. RG Torsekar and seconded by Dr. Vishalakshi Viswanath: Digital Lecture Series are almost five years old now and needs updating, We propose that updation should be taken up at the earliest and it should be put on the web for usage of the members. New lectures (dermaotherapeutics) needs to be added; older lectures need to be updated, the format can be made more interactive; addition of MCQs and quiz is needed. A link with the Atlas can be provided; the images can be picked up from there for completion and adding variety to the lectures. It is also proposed that it should be made available to libraries of the Medical colleges so that both faculty and students can avail of the knowledge material.

Decision by CC: accepted in principle

Proposal 2: Facilities for physically handicapped at Dermacon and Middermacon: Proposed By Dr. RG Torsekar: The site Inspection committee for MID DERMACON AND DERMACON should see that proper special arrangements are present for the Physically challenged members for their movement at all arenas in the conference- registration, enquiry, dining areas and washroom/ toilet facility.**Decision of CC : passed**

Proposal 3: Patient education material to be incorporated in IADVL website: Proposed By Dr. VishalakshiViswanath: IEC material for patients should be incorporated in our website; most of our sister societies have incorporated IEC material relevant to their subspecialties. A uniform format for

various common diseases and procedures performed (needs to be brief and precise) should be formulated and incorporated in IADVL website. All members should be able to advise the patients to connect at the site for information or even take prints to keep in their respective clinics. **Discussion at CC meet:** Work is already taken up by Dr Kanthraj and others in this matter.

Proposal 4: Compilation and e-group activities of HOD of all medical Colleges: Proposed By Dr. Vishalakshi Viswanath and Dr Torsekar: A compilation of HODs of various medical colleges all over India needs to be updated (the previous one probably done about 7 years ago) ; an e group can be created and this can look into various activities like PG/ UG curriculum; development and sharing of educational resource material; integrated teaching; representation to administrative authorities. This will be of help to SIG curriculum too. **Decision:** Dr Torsekar suggested that the list of all HOD s and professors of Dermatology of India need to be prepared. Dr Jayadev Betkerur volunteered help to prepare it.

Proposal 5:The Patient Education Diary may not reach every member and additions to it is bit difficult so to make it available to others we can make a smart phone Application ,costing less than a lakh of Rupees, It will be easy to add newer conditions, and the pictures can be zoomed in for better explanation ability, can have link with clinical photographs atlas, so as to show more number of pictures for patients to identify and match their conditions. We can incorporate it in the website of IADVL too for free Download.**Decision at CC:** Accepted in principle.

Proposal 6: Proposed by Dr T D Rajan and seconded by Dr Torsekar : Proposal to provide a webpage to every member of IADVL, linked to the official website :Background: Internet is the medium of the future and everyone across the globe is expected to seek information and solutions to their healthcare needs through this powerful medium. A number of unscrupulous elements and commercial organisations are dominating this medium even though they lack the skill and qualification necessary to offer medical advice. IADVL is a major body with a membership of over 6000 across India. This constitutes a large chunk of the global dermatology workforce. In the face of competition from quacks and unethical practitioners, IADVL must ensure its presence in the minds of its citizen as an organisation of qualified and standardized specialists in the field of dermatology, venereology/sexology, cosmetology, trichology, onychology, dermatologic surgery etc. Many individual dermatologists have put up their websites offering their services. The IADVL directory of members is not available online. Hence a genuine search for an IADVL member close to some patient's residence does not yield any result. Consequently, the unsuspecting person reaches some "beautician" who labels herself as a "cosmetologist!" Suggestion: Let every official member of the IADVL be noticeable on the worldwide web so that gullible people do not get fleeced by unscrupulous elements and quacks. · Therefore, the IADVL directory should be uploaded for ready access to all · Every member should be given a standard webpage so that the clinic details are easily available · Pharmaceutical sponsors will definitely come forward to support this initiative. The site should be constantly updated so that changes in addresses can be corrected. A login name and password can be provided to each member so that patients can email them through the official website increasing the flow of traffic to our site. · The member will take full responsibility of furnishing authentic data on the site and IADVL should be indemnified against any false claims. **Decision at CC meet: Not passed**

3. **Proposed by Dr. Shyamanta Barua:** Several IADVL State Branches organize Mid-Year or Mid-Term meetings of their respective branches apart from the CUTICONs. I propose the nomenclature of MID CUTICON followed by the name of the State Branch and the year of the meet for such events. For example, the Mid-Year CME of IADVL Delhi State Branch (IADVL DSB) held in 2013 would be called MID CUTICON IADVL DSB 2013. It may be mentioned that IADVL North East States Branch (NEIADVL) has already implemented this following acceptance of my proposal towards this effect at the GBM of the State Branch last December. Accordingly, the Mid-Term Meet of NEIADVL this year was held in June at Bongaigaon as MID CUTICON NEIADVL 2013. The acceptance of this proposal would be another step towards ushering in a uniform nomenclature and help in archival and referencing of academic and organizational minutes pertaining to such meets.

Outcome at CC meet: Was not taken up at CC meet

4. Proposals on fiscal and administrative matters of IADVL

i) **Proposed by Dr. S D N Gupta & Dr. Ramesh Bhat:** We should plan to have our Central Office. Now it is possible only to select one of the State branch IADVL office temporarily by contributing for maintenance. We should have a permanent auditor at this place. We should also have a permanent sb/current a/c with a nationalised bank in the same place where our office will be located. Even our previous auditor opined that this is better. This solves the hassles in transferring the accounts every year. He has to take care of 1. Filing IT returns every year. 2. Filing IJDVL returns. 3. DERMACON accounts We should not have an auditor at place of DERMACON. Office expenditure: The office expenditure should have a maximum cap and this cap has to be decided by Finance committee. **Decision:** Not taken up by CC as proposers were not present.

ii) Proposal on "DERMACON: FISCAL TRANSPARENCY"

by: Dr. Rajib Kumar Gogoi, Member, North East States Branch, Dr. Atul M. Kochhar, Dr. Koushik Lahiri, Dr. Shyam Verma, Dr. Arijit Coondoo: DERMACON has become a global brand as far as Dermatology conferences are concerned. Organisationally DERMACONs are THE main source of income for IADVL. In recent years we have witnessed many regulatory clauses regarding structure and function of IADVL. Same have to be applied on the financial transparency of DERMACON related expenses. This should concentrate not only on the duty of the organizers to a) declare / announce the accounts but also b) The right of the common member to ask for clarifications. Queries raised by members must be answered by the official(s) who the question is aimed at. We propose the following set of amendments/ guidelines for DERMACON with some proposals for Zonal and State level activities too.

a). Income & Expenditure heads:

We propose that there be a set of fixed/constant Expenditure heads and these be same for all IADVL events. Organizers should be required to keep record of all expenses under these headings. (*This will make "inspection of audit" easy and comparison between subsequent events very clear, thereby discouraging avoidable expenditure.*) We propose the following heads of accounts be adopted for all IADVL conferences / CME programs / Workshops organized at all levels of the association. *Food & Beverages, Transportation, Accommodation, Scientific hall expenses (including audio-visual aids), Cultural events, Printing & Communications, Awards & Mementos, Office expenses and Miscellaneous expenses.* Similarly, Income heads should also be constant and universal for all IADVL events. These may be as follows – *Registration fee, Accommodation fee, Scientific session sponsorship, Exhibition stall sponsorship,*

Food & Cultural event sponsorship, Advertisements, Seed money from Central Committee, Sale of Food coupons.

b). **Expenditure under the head of Miscellaneous Expenses** shall not exceed Rs. 2,00,000/-

in DERMACON, Rs. 40,000/- in DERMAZONE and Rs.15,000/- in CUTICON.

interim accounts be submitted by 6 months and final by next dermacon

Discussion: House opinion varied. Members suggested that it should not be more than 2% if total receipts of the conference. Other suggested that it should be a max of 5 lakhs.

c). **Selection of Service Providers in DERMACON:** Quotations will be invited by the Organizers from various parties for Event Management, Food catering etc. Kith & kin of Organizing Committee top brass shall not be offered the contracts. All quotations shall be vetted by EC IADVL. EC IADVL shall reserve the right to call such a party/contractor to appear in person, whenever deemed necessary. The organizing committee shall make final decisions based on EC's suggestion. Neither the Organizers nor anybody acting on their behalf shall block hotel rooms for the conference dates en masse in the host city. The Organizing Committee shall sign in an agreement with the EC, IADVL to this effect. On receipt of a formal complaint with substantial evidence about any breach of conduct in this respect by the Organizing Committee, EC IADVL shall hold the right to take punitive measures as per the guidelines mutually agreed upon and documented in the agreement. However, the Organizing Committee may book hotel rooms just sufficient enough to accommodate IADVL officials who are constitutionally entitled free accommodations and invited faculty members to whom the Organizing Committee might have committed free accommodations either in the venue-if the venue happens to be a hotel, or in suitable hotels in the city.

d). **Ceiling on Cash Transaction:** A ceiling on cash transaction with a single party on a single date should be in place and must be strictly followed by the organizers. We propose this at less than Rs. 20,000/- . Any single transaction worth Rs. 20,000/- or more MUST be made by cheques, drafts or by Electronic means of fund transfer only.

e). **Bills & Vouchers:** Every single paisa spent must be supported by a bill/ Invoice. In obvious situations where generation of a bill or an invoice is not possible (e.g. engaging a daily wage labourer to clean up the Org. Com. Office), a written statement must be made by the Treasurer detailing the expenditure. The bill/invoice or the Treasurer's statement must be supported by a conference voucher signed by the payee, Treasurer and counter-signed by Org. Secretary/President.

f). **Money receipts:** All incomes must be supported by Counterfoils of money receipts and against all incomes, money receipts must be issued. It goes unsaid that no cash will be accepted from anybody except during Spot registration and Spot sale of Food coupons which also must be received against money receipts.

g). **Role of IADVL EC in DERMACON accounting** a) The Chairperson, Finance Committee shall be the national Finance Coordinator for DERMACON on behalf of IADVL National executive.

b) The name of the proposed DERMACON auditor has to be sent along with the bid letter for DERMACON. The name of the auditor has to be approved by the GB in the same meeting where the bid is accepted and the name of the Organizing Secretary and Scientific Chairperson is accepted. c) An inspection of book of accounts shall be held at the city of DERMACON by a 3 (three) member jury from IADVL Executive Committee. They will be the Hon. Treasurer, Chairperson- Finance

Committee and Immediate Past Chairperson, Finance Committee. This inspection will be done exactly 3 months after the end of DERMACON i.e. before the EC meet in April. Expenses for this inspection shall be borne by the DERMACON organizing committee. If the inspectors have doubts on any point they shall ask the Organizing Secretary in writing to validate the same by showing the relevant document. If even after this, doubts are not cleared then they shall inform the Organizing Secretary about the same in writing, a copy of which shall be sent to the DERMACON auditor. The 3 inspectors shall submit their report (along with objections to DERMACON accounts, if any) to the Executive Committee and the same shall be discussed at the EC meet.

d) interim accounts be submitted by 6 months and audited accounts by next DERMACON (calculated from the last day of DERMACON). The same along with the IADVL Finance inspectors report shall be placed on the website immediately, discussed by the Executive Committee and also placed before the subsequent Central Council meeting and General Body meeting for approval.

Discussion at CC meet: House felt that it would not be possible to submit audited accounts in 6 months period of a conference. And that longer time need to be given before the next DERMACON. As the income and expenditure spills in to next financial year, it the audited accounts cannot be submitted by then, interim accounts should be submitted by next DERMACON.

e) If the General Body is not satisfied with the accounts in any way, then it shall have the right to order a re-auditing of accounts by the national IADVL auditor or any other auditor suggested by him (and approved by the EC) at the city of DERMACON. This shall be done with the permission of the CA institute after apprising them about the GB resolution regarding the same. f) If, even after, re-auditing the accounts are not found correct then the national Executive Committee shall have the right to take legal action against the DERMACON organizing committee.

h). **Presence of Organizers in CC/GB meetings:** The organizing secretary and Treasurer must be mandatorily present during the CC and GB meeting when the audited account shall be taken for discussion. The Treasurer of DERMACON shall read out the accounts in both of these two meetings in presence of the Organizing Secretary. If the Treasurer or Organizing Secretary can't attend any of these two meetings due to some genuine problem, he/she must be represented by someone duly authorized by the absentee and the representative shall have to perform the same duties in the meeting including answering questions raised by CC/GB members. The Inspectors too must be present in the same meeting. Any question from any CC/GB member regarding expenses incurred in any head must be replied by the Organizing Secretary or Treasurer. Both of them and the Inspectors must come prepared with the break-up of all heads of Income & Expenditure and must be able to tell the house about all these, when asked for.

i). **Disciplinary actions by CC/GB:** In case the CC/GB is not satisfied with clarifications/explanations given by the Organizing Secretary and Treasurer of DERMACON, the CC/GB shall reserve the right to seek legal advice regarding further action against the concerned officials. CC/GB shall also have the right to take appropriate disciplinary actions against the Inspectors if the Inspectors can't justify their report. We propose that certain strict punitive measures for such a situation should be finalized immediately in a public forum like CC or GBM with input from maximum number of members available.

J) **Date of Implementation of current proposal:** We propose this system be implemented with immediate effect at all levels of IADVL activity and all the past conference accounts which are yet to be accepted by GB/CC/EC be covered by these provisions.

Discussion: Dr Deepak suggested apart from Cap on expenditure, any expenditure more than say 15 or 20 lakhs by organizers of a conference intimated to EC of IADVL. Dr VK Sharma suggested that it should be reasonable as during IADVL conferences entertainment is a convention and expected by delegates. The cap should be higher at about 30 lakhs. It should be applicable prospectively only may be from next mid-dermacon and DERMACON onwards. The house approved such arrangement in principle but opined that what this figure should (which needs intimation or consent of EC of IADVL) be suggested by finance committee. To be passed to finance committee for opinion.

K). Provision for re-scrutiny: Competent authorities with democratic and ethical input from members of IADVL should also ensure that wrong doings of recent past are not considered totally immune to questioning just because the accounts have been submitted or accepted. A rational, logical and effective clause to that effect is in order.

L). Easy and ready access to information: All data of past conferences (and the future ones) should be on the website, in a language which the 'average common' IADVL member can understand.

Decision of the CC: Whole of the proposal is to be sent to finance committee for opinion and comments.

iii). Proposal ON AUSREITY MEASURES: Dr. Suresh Talwar: (Based on the CONCLUSION of discussion in the CC group) Up to 5 years past president/secretary/treasurer be given 100% reimbursement and beyond that be given 50 % reimbursement of travel expenses along with free accommodation. This way helps us in seeking views of the senior office bearers with relatively less burden on IADVL finances. Every state has to evolve and create their financial stability and reduce load of center. Proposal: Every year we reduce sponsorship by 1, i.e. 2013-5; 2014-4; 2015-3; 2016-2 and so on, and from 2018 all state CC members will be sponsored by state.

Decision of CC meet: After a long discussion in which members expressed displeasure over both these proposals, Dr Talwar who suggested these proposals took the permission of the house and withdrew both proposals.

iv) PROPOSAL from Dr Kiran Godse: One more way to reduce expenses is to hold CC in metro cities on Sunday only so need to spend on accommodation except few with poor connectivity. Hotel near airport is preferred to cut down travelling cost. Proposal: To hold CC in metro cities or convenient place either alone or in combination with EC depending on the feasibility without combining with the MID DERMACON. **Decision at CC meet:** Passed in principle

v) DERMACON ACCOUNTS -Dr Suresh Talwar. A. All the balance sheet should be forwarded to the finance committee and their opinion has to be taken. Once they say OK, then only balance sheet be passed. In case of doubt they can seek opinion of professional CA and the fees be reimbursed by IADVL. IADVL accounts, DERMACON, CC/EC meet, MIDDERMACON as well as **journal account** should be screened by them routinely. B. IADVL should also procure a copy of all the agreements with the event manager and the DERMACON organizers so that we can access the proceeds. This should form a part of SOP - to forward a copy to the national executive

C. Forwarding of bimonthly report by conference organizers - Every 2nd month conf organizers should forward report of income and expenditure to the national body. This should be routed through the state president / secretary.

vi) Proposed by Dr. C.R Srinivas:- (discussed in EC meet)

FINANCIAL ACCOUNTS

- (a) The host branch is responsible for all financial matters related to the DERMACON. The IADVL will bear no financial liability of the DERMACON.
- (b) The host state branch should have a Permanent Account No. for income tax. The DERMACON should also have a separate PAN as they will have to pay the income tax and then hand over the savings to the Honorary Treasurer, after the conference.
- (c) It is expected that a minimum 20 % of the total conference collection will be given as savings to IADVL
- (d) An audited income and expenditure account of the conference shall be submitted by the Organizing Committee to the Honorary Treasurer within 6 months. The detailed bank accounts, transactions, and quotations received from event management companies should be submitted to impart transparency to the financial aspects of the DERMACON. It will be submitted for auditing by the IADVL.

Discussion and Result at EC meet at Lucknow: Accepted by the EC in principle but modalities to be worked out. Dr VK Sharma suggested that a MOU must be signed between the conference organizers and national IADVL Dr Sacchi suggested that in addition even the percentage of total money collected must be earmarked to the national IADVL. Total collection should exclude money to be paid toward service tax and IT. The house agreed that the signatories of the MOU would be responsible for the correctness and submission of the accounts to IADVL. There has been suggestion that 15% of MIDDERMACON collection should be earmarked to national IADVL. Dr Amarkanth Jha agreed to this suggestion in principle.

Action to be taken in case of default the following action will be initiated at 15 days interval. The Honorary Secretary will write to Organizing Chairpersons reminding them to submit the account. If account is not submitted within 15 days a second reminder will be sent permitting another 15 days time. If still account is not submitted a final reminder will be sent. If still the accounts are not submitted then names of all the members of the local organizing committee will be deleted from all the E group. If still accounts are not submitted the local organizing team will not receive the hard copy of IJDVL. If still the accounts are not submitted the members of local organizing committee will not be allowed to contest elections. If still the accounts are not submitted the similar action in a time bound manner will be taken against EC of the state which has organized the DERMACON. First Reminder after due date ---→Second Reminder--→3rd and Final Reminde ---→ Delete E Facilities --→ Stop Journal --→ Not eligible to contest --→ Action against state EC

Line of action applies to organizing Sec., treasurer and president of the DERMACON: National Auditor Will Be Send To Audit The Account If No A/C Received In 9 Months.

Discussion and Result: Dr Deepak Parish suggested that the balance sheet of DERMACON 2012 and audited account to be presented in CC meeting at Patna. This would enable us to discuss the last balance sheet and also look for scope for improvement. It was also suggested that MIDDERMACON expenses should be submitted during subsequent DERMACON. This suggestion was accepted by the EC.

Discussion at CC meet at Patna:Above two proposals to be sent to finance committee for opinion to be considered with other financial restructuring proposals.

vii). Conduct of meetings by **SIG and other matters of IADVL academy of Dermatology:** **Dr Arun Inamadar and Dr Shyamanta Barua.**

1. Issue of contribution from SIGs, if they conduct CMEs, Conferences etc

2. Issue of PAN number for SIGs for raising funds. PAN of central IADVL to be used and the funding re routed through secretary / treasurer to SIGs.
3. Issue of SIG research fund rules and regulations.
4. Evaluation and / or re-validation of IADVL travel fellowship centers.

Discussion at CC meet:

Dr Shyamanta Barua informed the house that 22 SIGs with their coordinators are working under the IADVL academy. He informed the house that the IADVL EC proposed that all the proceeds of conferences conducted by SIGs should go to IADVL funds and in case the SIGs are conducting their meeting with IADVL state chapter/city branch or sister societies, it should contribute Rs. 50,000 to the IADVL, except for some SIGs such as for EG: SIG-Leprosy, SIG-Nursing etc which need support. Dr Manas raised apprehensions on how SIGs can work without any finances of their own. The matter of SIGs conducting the meetings was discussed along with the method of raising funds as well as how to manage the surplus generated. There was a long discussion and Dr Arun Inamadar, Dr Manas and Dr Shyamanta participated in the discussion. Dr Arun explained that to raise funds SIGs need pan card and they need to use IADVL pan card for it hence all the money accrued should be with IADVL itself for accounting purpose. The surplus generated from SIG activities would be pooled and shown on separate head and can be earmarked for the use for IADVL academy and its SIG activities. Dr Manas suggested that money should be used for research activities through SIGs.

Decision: Accepted by the CC

Dr Shyamanta informed the CC that academy is planning to impose specific timelines for completion approved research SIG projects. He also informed the house on the patient education material prepared by Dr Kanthraj on 10 common dermatoses. IAD members are reviewing the material.

Decision of CC: Accepted suggestions of IADVL academy.

5) IADVL accounts - Proposal by Deepak Parikh:

A. With Financial committee - Accounts of Jaipur conference - need to invite organizer to attend. B. Our association accounts for the year ending March 2012 and March 2013 needs to be discussed. C. Accounts for the year ending march 2012 were not presented in Ahmedabad AGM. **Discussion at CC meet:** Dr Jayadev pointed that they were presented at Ahmedabad meet.

B. Announcement of important dates with regard to CC MIDERMA meet and MIDDERMACON

A. Intimation and invitation to all the Past presidents, past Honorary General Secretaries and past Honorary Treasurers, all the CC members, Presidents and Secretaries of state branches in the month of April for the CC MIDERMAMEET so that they can avail the apex airfare. B. Intimate dates of MIDDERMACON by April. C. Invite proposals for the CC meeting by May end and 30 June would be the deadline of sending the same.

Discussion at CC meet: Dr Deepak informed that he is ready with the tentative dates of next year.

Decision: Accepted in principle.

6. Proposals on organizing MIDDERMACON (Two proposals) :

Proposal A: MIDDERMACON should be organized by central IADVL EC team Dr Suresh Talwar:

Our objectives of arranging MIDDERMACON are: 1) Generating finance for CC meet. 2) Platform for SIGs to present their work especially those where it is difficult to get sponsorer e.g. Nursing care, Clinical trial etc.

3) Center arranging smaller meeting will give adequate experience, and if it works then annual conference also can be conducted by center. So far we conducted two meetings with this model. At Hyderabad, thanks to Dr Rao we saved around 14 lakhs and hence spend only 3-4 lakhs extra for CC meet. However this year Dr Jha suggested that we may not save more then 9-10 lakhs, from which part will go to state. Thus IADVL is actually in loss.

Proposal - IADVL center should conduct MIDDERMACON. Who will conduct it? - President and His EC team. Venue- Team can decide anywhere in India except 6 metro. Scientific Part- same Team with help of Academy. Timing - Any time Mid-August to Mid-Sept. Local state branch or City branch may be involved, BUT no sharing of revenue.

PROPOSAL B. Road Map to MIDERMACON (MID annual conference of IADVL) By CC groups:

Objectives 1. To conduct IADVL conferences in smaller centres. 2. To facilitate CC MIDERMAMEET (Reduce the expenses)

When to conduct: Aug-Sep (Depending on weather conditions): It can be combined with Zonal/State conferences. The local organisers can have their business meeting in a separate hall; however it should not clash with CC meet. It cannot be held along with any international meet r Zonal meet. (If combined, it would be difficult for accounting purpose and division of profit) MIDDERMACON should be avoided in the Zone where DERMACON was held, unless there is no other bidder.

BIDDING: Like DERMACON- However bidding from states belonging to DERMACON zone , will not be considered, unless there is no other suitable bidder. However connectivity will be important criteria. Venue should be decided just like DERMACON by ballot. Seed Money- Host State will give 5 lakh first, and then 5 by center. **Venue Inspection:** The committee of venue inspection consists of President, President-Elect and Hon. Secretary. President can nominate one of EC members in absence of any member. Their travel and stay will be arranged by organizers. Could be by the Vice presidents of national EC.

Organising the Conference: The conference is for two and a half days. First day will be CME. Two topics can be selected and given to SIGs. Next one and half days will be the conference. CME will be from 9.30-12.30 AM and 1.30-4PM. Inauguration at 9AM. After 4 PM on CME day all the committees will meet till night 9PM. Followed by dinner. CME will be planned by academy. Inauguration should be very simple no guest, president only inaugurates the meeting. The next one and half day program prepared by local scientific committee in consultation with IADVL EC and Academy. The conference will have lectures, panel discussions, free papers, award papers and posters. Unless we involve members and Residents registration will not be in good no. As it is combined with state or Zonal conference. Orations if any can be allowed.

Scientific Committee: President will be chairman. Other members will be - President elect, Hon. Secretary, Academy chairman and convener, Local scientific committee chairman selected by state and three more members from host state (or from zone if it is merged with CUTIZONE). CC M (and Mid GBM if required) can take place on 2nd day at 4pm-8pm. and if required next day 9-1pm. Any new Awards or Orations applications will be for MIDERMACON only. **Registration fees:** Rs 4000 or 5,000 for delegates. CC members will pay 50% of registration fee only upto early bird registration. After that they will have to pay whatever is fee mentioned for general delegates. Rs 3,000 for PLMs

(Residents). No separate registration for CME. CC members will be sponsored by IADVL as it is done now (Travel and stay only). Organisers will provide 2-3 halls for CC meet at no extra cost, along with meal and dinner. Workshop can be conducted by the local org committee. Income so generated will be in MIDDERMACON account and shared. The local organising committee will provide local hospitality only for the 3 Presidents, Hon sec and Treasurer (2-3 days separate rooms). The remaining at the discretion of the Org Committee. If CC members and state Executives have to be provided local hospitality IADVL should give a sum of Rs 5 Lakhs (non refundable) to the local org committee. Travel can be reimbursed directly by IADVL if required/Possible. **STALLS:** It will be like in any other IADVL conferences. **PROFIT Sharing:** It will divided 50-50 like the existing norms for DERMAZONES (50% to the state organising the conference and 50% for the IADVL head quarters. MIDERMACON excess is arrived at after taking care of the accommodation of the CC members by the conference organizers. **CONCLUSION:** Most of the norms for DERMACON can be followed here also.

Discussion at CC: There was a long discussion. The possibilities of separating Middermacon and CC midderma meet were discussed. Also few members proposed completely doing away with/stopping Middermacon. Others suggested that middermacon meet should be continued so as to involve smaller centres of India to get a mini national conference. At end of it all, most members felt that it would be better to delink middermacon and CC midderma meet. All members/house agreed to host the combined Mid-dermacon at Aurangabad as it is already decided. The decision for its conduct the following years need to taken along with the decision where CC midderma meet is to be conducted.

7. Progress of ICD: Dr VK Sharma presented the progress on the ICD-DERMACON. There are going to be 122 scholarships. Till now 103 registrations are from outside India. Informed about the ISD quiz. He informed that they have already paid 45 lakhs as service tax.

8. Release of directory of IADVL members: Discussion: The directory of the IADVL has been released during the conference few copies were distributed. Dr Hema Jerajani, as chief election officer has brought to the attention of the house that there is a photograph of Dr Devesh Mishra on the first day. Dr Hema informed the house that the first page is to be torn and before distribution of the directory.

Dr Talwar and members of EC decided on following resolution on IADVL Directory at CC meet Patna.

- To remove the first page of the IADVL directory that bears the photograph of a candidate contesting in the forth coming election or to cover permanently with the IADVL logo.
- To distribute directories after removing the first page with photograph
- To request Galderma to withdraw the 70 copies that were distributed in the MIDDERMACON Patna (Galderma has the signed list of all members who received it)
- To inform the action taken in this matter in the E groups.

9. Progress on E voting report: by Dr Narendra Patwardhan and Dr Kanthraj.

Outcome: Not taken up as Dr Patwardhan was absent.

10. Eligibility and model code for candidates contesting Elections of IADVL executive - amendments. Proposed BY SURESH TALWAR:

- a. We have NO OBJECTION to individual canvassing during elections. Accordingly the following underlined words may be deleted from model code of conduct which reads as: "In

order to avoid individual appeals by those contesting for the post in central IADVL”, each nominated contestant’s biodata, not exceeding 200 words, along with his/her photograph will be printed in the IADVL News issue 2 in August”.

- b. If the secretary wants to contest for the second term, the returning officer is replaced by vice president / joint secretary.
- c. In eligibility criteria for president, ‘she/he should have completed the tenure of president state branch be inserted’ as we want to utilize the experience. Similarly for all other posts person should have completed the term of office before being eligible.
- d. Proposal: President, VP, JS can also contest for second term.

Discussion at cc meet: Items (a) and (c) Were passed by the CC. As regards to second term to Hon Gen secretary, VP and Jt secretary, members felt that there is not need for such provision. Matter to be referred to constitution committee for opinion.

11. ICD - DERMACON - issues about awards: Since we have mini conference -1 day, what to do with these 2 awards a. Dr. L. Marquis Memorial Award: The award is given to a guest speaker at DERMACON for best guest lecture. Proposal: Defer this year b. Dr. C. S. Bhavani Kumar Memorial Award: It is to be given to a dermatologist aged below 45 years for the best paper presented on dermato surgery at DERMACON. Proposal: We may select candidate from dermato-surgery session.**Outcome at CC meet:** Passed.

12. Review the progress of handing-taking over of IJDVL: By Dr DM Thappa and Dr M Ramam. Outcome: Matter not taken up

13. Review of Progress of ‘IADVL Dermatology online atlas”. Outcome: Matter not taken up

14. Report of DVL trust committee - by Dr Chetan Patel: (DVL trust committee had its meeting on the sidelines of MIDDERMACON. *Detailed Minutes on page no. 36.*

15. Ahmedabad DERMACON 2013 accounts status: presented by Dr Ranjan Rawal and Dr Keyur Shah. Dr Keyur Shah informed the house that they have paid 53 lakhs as service tax. They informed the house that the total receipts of the conference is Rs 9,83,58,732. He informed that house that they have paid 58 lakhs as service tax. They have would be paying about 50 lakhs to IADVL as DERMACON excess, apart from 10 lakhs to be paid back from advance received. The organizers gave a cheque for Rs 35 lakhs (25 lakhs surplus plus 10 lakhs of seed money) to the IADVL.

16. ICD progress: Dr VK Sharma presented the progress on the ICD-DERMACON. There are going to be 122 scholarships. Till now 103 registrations are from outside India. Informed about the ISD quiz. He informed that they have already have paid 45 lakhs as service tax.

President of IADVL Dr Suresh Talwar thanked the organisers of DERMACON 2013 for their contribution to IADVL. He informed the house that Dr US Agarwal has handed over to him a summary of accounts of DERMACON 2012 and that he would circulate the same to CC members through a group email. While closing the meet he thanked all the members for their active participation.

10. Minutes of the Meeting of DVL Welfare Trust

HELD ON 17-08-2013

A meeting of the members of DVL Welfare Trust was held on 17-08-2013 at Patna at 6-30-p.m.

Following members were present.

Dr. Suresh Talwar, Dr. V.P. Kuriyipe, Dr. Suresh Joshipura, Dr. S.Sacchidanand, Dr. H.R.Jerajani, D. P.K.Roy, Dr. Arijit Coondoo, Dr. Y.S.Marfatia, Dr. C.R.Srinivas, Dr. Deepak Parikh, Dr. P.Narsimha Rao, Dr. D.B.N.Murthy, Dr. Jaydeva Betkerur, Dr. Dhirendra Muni, Dr. Chetan N. Patel, Dr. Puttu Srinivas, Dr. S.D.N. Guptha, Dr. Ramesh Bhat M.

Invitees present :

Dr.Rajesh Buddhdev.

Meeting was called to order.

01. President Dr. Suresh Talwar welcomes the members.

02. The Minutes of the meeting held on 26-01-2013 at Ahmedabad were read & passed.

03.The members passed the audited Income-Expenditure and Balance sheet as on 31-03-2013.

04. Dr. Chetan N. Patel briefed the members regarding the progress of the trust. He informed the members that slowly membership increases. Till to day 147 members have enrolled. The majority of the members are in the age of 41 to 60 years. Most of the members are from Gujarat and Maharashtra. Dr. Chetan N. Patel informed the members that DFC Notice 1 was sent to all 59 members. All 59 members have deposited their contribution in time.

A dynamic web site has been prepared and it is now fully operational. Members can utilize it. (www.dvlwelfaretrust.org)

05.Dr. Chetan N. Patel had presented the Accounts of the Trust for the period 1-4-2013 to 31-07-2013. The members passed the accounts.

06.The office has not received any suggestion during this period.

07. To decide the names of trustees to be retired.

Dr. Arijit Coondoo and Dr. Hemangi Jerajani voluntarily gave their consent for the retirement for the first year. The members decided the rotation of retirement as below.

31st March 2014 31st March 2015 31st March 2016

Dr. Arijit Coondoo Dr.V.P.Kuriyipe Dr.S. Sacchidanand

Dr. Hemangi Jerajani Dr. P.K.Roy Dr. Suresh Joshipura

Dr. Y.S.Marfatia

08 To decide the names of Managing committee members to be retired.

The members decided the rotation of retirement as below._

31st March 2014

31stMarch 2015

31st March 2016

Vice Chairman

Hon. Secretary

Hon. Jt. Secretary

Hon. Asst. Sec.

Zonal member (west)

Hon. Jt. Treasurer

Zonal member (North) Zonal member (South) Zonal member
(East)

09 None.

10 The meeting ended with thanks to the chair and Dr. Jaydeva Betkerur proposed the vote of thanks.

10. Award Results

Final List of recipients of various awards and orations for the year 2013
(Given at 42nd Nation Conference at New Delhi DERMACON 2014)

- » Dr. D.B.N Murthy
- » Dr. P. Narasimha Rao

12. Activity Report of Various State Branches

1. ACTIVITY REPORT OF IADVL Manipur Branch

➤ CUTICON 2013

The IADVL, Manipur State Branch organized “X CUTICON” 2013 on 13th and 14th September 2013 at Imphal Hotel. There were mainly 6 Scientific Sessions, comprising two guest lectures Dr.R N Dutta, a Senior Professor from Kolkata was one of the guest speakers.

For the first time, the branch introduced Dr.H.Devendra Singh oration. Dr.H .Devendra Singh donated Rs.50,000, for this award. Prof.Th.Bijayanti Devi, HOD Department of Dermatology

RIMS presented the oration. The topic was Onychomycosis unsightly morbid conditions. She was presented a memento, a certificate and a cash prize of Rs.5,000. The oration will be held every year.

➤ **North East Quiz**

For the first time North East Quiz was conducted by national quiz expert Dr. Brijesh Nair under the national observer Dr. R N Dutta. Four teams participated viz, Assam Medical College, Dibrugarh, Guwahati Medical College, Guwahati, Silchar Medical College, Silchar and Regional Institute of Medical Sciences, Imphal. Assam Medical College, Dibrugarh secured the 1st position and Guwahati Medical College, Guwahati was the runner up

For the 1st time in the history of IADVL, Manipur State Branch there was PG Award Paper Session for the Post Graduate Students of RIMS, Imphal.

For the 1st time, life time achievement award was presented to Dr. H. Devendra Singh. He was presented one Citation and one memento. This award will be given every year to the renowned dermatologist of Manipur. Poster presentation with award for the best poster was also part of the programme. There were two fine papers sessions. There was a nice cultural programme followed by cocktail dinner in the evening of 1st day.

State report by: Dr. Y. Lokendra Singh, Hon. Secretary.

2. ACTIVITY REPORT OF IADVL _ INSTED & Chennai City Chapter of IADVL

➤ **Psoriasis Activity report**

Dr. Jayakar Thomas,
President, International Society of Teledermatology & INSTED

Dr. Parimalam Kumar,
President, Chennai City Chapter of IADVL
Dr. D. Dinesh Kumar,
General Secretary, INSTED & CCC IADVL

Indian Society of Teledermatology partnering with Chennai City Chapter of Indian Association of Dermatologists, Venereologists & Leprologists observed World Psoriasis Day on 27th October 2013. The Society has been actively involved in debunking the myths associated and also in spreading patient awareness & education of not only Psoriasis but also other stigmatizing skin disorders like Vitiligo & Leprosy. This year too a Continuing Medical Education program on Psoriasis was conducted to keep the City Dermatologists abreast of the latest developments in the management of Psoriasis. Varied experts in the dermatology gave lectures on various management issue topics of Psoriasis. The topics included psoriatic arthritis, psychological aspects, and psoriasis in special & difficult situations. The topics were well chosen & the knowledge disseminated was beneficial to attending Doctors as was assessed by the feedback at the end of the day. With a view of bringing the patients to interact & put forth their views to the Dermatologists, a session was organized at the end of the CME, with the patients. During the session, patients shared their experiences right from coping up with their diagnosis, peer pressure, Doctor shopping, medicine costs, reimbursements, learning to live with psoriasis & efforts to stay in remission. Patients took the center stage during the session & their queries were answered by the Dermatologists. In order to unravel the myths associated with Psoriasis & also to educate the public on the psoriasis, its treatment & management a booklet in Tamil & English. The patients were given T shirts with messages on Psoriasis awareness. The take home message inculcated both to Dermatologist & patients alike at the end of the day was that "Lifestyle modification holds the key to control psoriasis".

State report by: Dr. D. Dinesh Kumar, General Secretary, INSTED & CCC IADVL.

3. ACTIVITY REPORT OF IADVL ANDHRA PRADESH Branch

➤ CUTICON 2013

32nd IADVL State Conference AP CUTICON 2013- was conducted on 26th & 27th October, 2013 at Auditorium, Osmania Medical college, Hyderabad 400 delegates registered for the conference.

➤ Conference on Pulse Therapy

8th National conference on Pulse Therapy in Dermatology in September, 2013. Attended by 300 delegates.

➤ CME & Workshop 'Updte on Leprosy-for PGs to Practitioner'

IADVL Special Interest Group (SIG) on Leprosy & IADVL Academy on Dermatology conducted CME & Workshop 'Updte on Leprosy-for PGs to Practitioner' on 14th & 15th September, 2013. Attended by 300 delegates.

State report by: Dr. CH. Madhu Babu, Hon. Secretary.

4. ACTIVITY REPORT OF IADVL Karnataka Branch

➤ CUTICON 2013

4th Annual conference of IADVL Karnataka, at Shimoga, 26th and 27th October, 2013. It indeed has been a feast at SHIVAMOGGA (SHIMOGA); beautiful town in the center of Karnataka. Associations intention of giving opportunities to conduct conference to smaller towns is more than achieved.

Over 650 registered delegates I believe is a record for any CUTICON. Over 75 faculties also speak for the richness of the academic feast. Three orations, a life time achievement award (Dr Ganesh Pai, who also spoke on "Breaking the stride), over 200 scientific papers/posters by PGs (!!!), lectures covering almost all aspects of dermatology, young derma forum, debate, honoring senior teachers, a PG quiz and a state level UG Quiz - you can't ask for anything more. It was inaugurated by Hon. Minister for Med education, Dr Sharana Prakash Patil, a Dermatologist himself! Dr Manjunath, the organizing secretary has been for all praises. Indian Medical Association and Shimoga Inst of Med Sciences were associated with this event and contributed immensely for the success. Dr Prakash, the scientific chairman, never appeared that he took this big task for the first time. Dr Seetharam, organizing chair and others from the land of "JOG FALLS" made sure that we remember it forever. Tremendous guidance by the Prez/Sec duo Drs Venkatram & Chandrashekar.

➤ **IADVL Undergraduate Dermatology Quiz 2013**

The 43 medical colleges of Karnataka are divided into 5 zones with each zone consisting of 7 to 9 colleges. Each zone has a zonal coordinator. Initially college level events were conducted in coordination with Dermatology HODs in the respective colleges.

Winners of the college level quiz qualified for the zonal event which was planned to be held before first week of October along with the Zonal CMEs. The quiz was conducted by the quiz masters from a different zone and supervised by IADVL KN Observers.

State report by: Dr. Umashankar N, Hon. Secretary.

5. ACTIVITY REPORT OF IADVL North East Branch

Some of the highlights of the activities of year 2013 that we have done till now are:

1. A Patient awareness programe/Talk on Leprosy Was delivered on TV channel (DURADARSHAN,GUWAHATI)by our president Dr K . C . Talukdar on Leprosy day.
2. " Vitiligo Day" was observed at Guwahati Medical College Hospital where informative lecture were given in front of patients by Dr D Hazarika and Dr P Saikia with free distribution of medicine.
3. "Vitiligo Day" was also observed by NEIADVL, Guwahati Chapter. The highlights of the programme included insertion of vitiligo awareness leaflet in newspaper .
4. A Patient awareness programe/Talk on Vitiligo was delivered on TV channel by Dr D Hazarika , HOD,GMCH and our president Dr K . C . Talukdar on vitiligo day.
5. "Vitiligo Day" was observed at Silchar Medical College Hospital, Silchar with patient awareness program on the disease.
6. MIDCUTICON 2013 was organized at Bongaigaon with paper presentations and interactive discussions .
7. 4 new members have taken up provisional life membership with the association. I welcome them all.
8. Foundation day of the Guwahati city Chapter was celebrated.
9. World Psoriasis day was observed at AMCH, Dibrugarh, JMCH , Jorhat and GMCH, Guwahati with a lectures and free distribution of drugs.
10. Cuticon 2013 was organized at Silchar with oration , Scientific programme and interactive discussion.

13. IADVL - GSK Quiz Programme 2013-14

GSK in association with IADVL is organizing 'The Quiz' for final year post graduate students; during various Cuticon across India to enable competitive learning, which can be put into practice and contribute to the science of Dermatology, Venereology and Leprology.

This quiz also provides a National Platform to the Post Graduate students in Dermatology Venereology and Leprology, as young aspirants, to excel in academics.

IADVL GSK NATIONAL QUIZ FOR POSTGRADUATE PROGRAMME (IGNQPP).

IGNQPP had been planned according to new guidelines. CUTICONS are going on with well planned, well attended and well appreciated QUIZ programs. All the quiz masters are doing excellent job and were well received by the local delegates.

The names of Winners from different colleges are as following:

1. Manipur QUIZ :

For the first time North East Quiz was conducted by national quiz expert Dr.Brijesh Nair under the national observer Dr.R N Dutta. Four team participated viz, Assam Medical College, Dibrugarh, Guwahati Medical College, Guwahati, Silchar Medical College, Silchar and Regional Institute of Medical Sciences, Imphal. Assam Medical College, Dibrugarh secured the 1st position and Guwahati Medical College, Guwahati was the runners up.

2. Karnataka QUIZ :

IADVL Undergraduate Dermatology Quiz 2013

The 43 medical colleges of Karnataka are divided into 5 zones with each zone consisting of 7 to 9 colleges. Each zone has a zonal coordinator. Initially college level events were conducted in coordination with Dermatology HODs in the respective colleges.

Winners of the college level quiz qualified for the zonal event which was planned to be held before first week of October along with the Zonal CMEs. The quiz was conducted by the quiz masters from a different zone and supervised by IADVL KN Observers.

Events calendar for Zonal level undergraduate Dermatology quiz 2013

Zone	Venue	Date	Coordinator	Quiz master
East	BDS Meet	22/9/2013	Dr Savitha Somaiaha	Dr Nagesh TS
Central	VIMS, Bellary	27/09/2013	Dr Chidambara Murthy	Dr Balachandra Ankad
South	JSS MS, Mysore.	28/09/2013	Dr Ashwini PK	Dr Girisha BS
North	SNMC, Bagalkot	02/10/2013	Dr B S Ankad	Dr Ravi Rathor
West	YMC, Mangalore	06-10-2013	Dr Manjunath Hulmani	Dr Narendra Kamath

14. New Proposals for DERMACON 2014

Agenda sent by members to be discussed at AGBM - 42nd DERMACON
Meet on 4th to 7th 2013, New Delhi, India

1. **Proposed by Dr H R Jerajani:** - Proposal for Asian Dermatology Congress (ADC) "The President of Asian Dermatology Congress wishes to announce and take permission of the General Body of IADVL regarding the following matters

- (1) Date: first week of November 2016
- (2) Place: Hotel renaissance, Powai, Mumbai
- (3) Names of Scientific chairpersons, Organising secretaries, treasurer
- (4) Seeking Seed money to set the secretariat and to confirm booking of the hotel venue and halls
- (5) to confirm the selection of event manger chosen by the IADVL Maharashtra Branch
- (6) Any other relevant matter regarding ADC

2. **Proposed by Dr Rashmi Sarkar: IADVL Resident Development Program Seconder :** Dr Vijay Garg/Dr M.Ramam

Background and Importance: Many a times there has been a talk of making the residents more sensitive to IADVL matters. Young dermatologists /MD passouts are interested but these PLMs are the future and should be honed. There are fellowships and scholarships but a more implementable program is needed. This is something I propose to start. I have done some homework and interacted with many residents with suggestions noted over more than a year now. This is the proposal:

1. A resident_IADVL yahoo group is present in the constitution already (Page 72,13). This will be started. Or alternatively a Facebook Page.
 - It will be named RESIDENTS_IADVL@yahoogroups.com
 - All residents with a valid PLM number will be automatically enrolled.
 - This will work as the official notice board to announce any awards/scholarship etc.
 - As a rule Secretary will be the owner-moderator
 - One of the Jt secretary with the help of three/four residents or senior residents in different institutions (one each from each zone may be) the moderators of this group.
 - All the rules of IADVL e groups will be applicable here.
2. This will have about 5 young dermatologist consultants/faculty members to guide them and get appropriate answers in a few days.
3. An e-newsletter called "IADVL Resident e-newsletter" of only some pages containing writings by first time writers, quiz, Residents Thought Page and interaction pages with senior members. This will have a link on the IADVL website and the FB page. This would be a good learning ground. The editor would be a resident.
4. Having 4 resident observers to the IADVL Editorial Board in rotation in case they would like to work for the journal in future. This would be a "hands on experience" for them and have

discussed the option with Dr M.Ramam,incoming editor,IJDVL who thinks this can be implemented.

5. A 45 minutes to 1 hour slot like a sister society meeting to Resident IADVL group(only PLMs) where there could be a session run by them with "Intraction with Experts" as many feel that they want to know "what to do next".Gradually this could also be on other areas they feel they lack. At the end they can interact and network with each other from all over the country.

IMPORTANT: This hardly requires funding but could be very useful.

3. Proposed by Dr Deepak Parikh:

Proposal-1: Ambiguities in constitution and changes proposed:

Ambiguities in constitution and changes proposed

- 1) Page 6 - "16th December the counting of votes will take place on this date."

Proposed - "The counting of vote will take place on 3rd Sunday of December" hence last date of receiving ballot paper will be 3rd Saturday of December. The election result will be communicated "___" within 4 days of counting votes.

This will also means changes on page 32 clause 'S' and 't'

- 2) Page - 15 No 12 i

"The Editor of the Indian Journal of Dermatology, Venereology and Leprology"

It should include editor of IDOJ

- 3) Page - 16 rule 13 -c "Senior vice-president"

Who is senior - the one who has received more votes

- 4) Page 20 - "as office expenses up to a limit of ` 5000 annually" Should read as 5000/- monthly (as it is done now)

- 5) Page - 23 - "shall elect the following office bearers:"

Add : Select the venue of DERMACON and MIDERMACON

- 6) Page- 29 Eliigibility of President - Elect

" _____ at the branch/combined branches level as President. (b)"

It should read as "completed the tenure at the _____ as President"

- 7) Page 33

h- "The members of the committees shall be elected from the members of the Central Council with the option of co-opting a non-member when there is a need for an expert who is not a Central Council member."

This clause needs to be removed and any LM of IADVL can be elected to any committee.

L- "The President _____ At the earliest"

Clarity - Such committee MUST have very specific purpose, must have fixed tenure and in any case gets dissolved when president's tenure ends.

8) Page 33 - 2 - A I "CC MIDERMAMEET" needs to be reworded as "CC MID-DERMA MEET"

9) Page - 36 No.4

"Any member desirous of moving a proposition or resolution at the GB meeting of the Association shall give to the Honorary General Secretary at least 60 days' clear notice before the date of the meeting.

This is in contrast to what is mentioned on page 37

"Any member wanting to propose any change in the rules of the Association shall give at least 60 days' notice of such a proposal before the date of the meeting to the Honorary General Secretary in writing, signed by the proposer and duly seconded and supported by five other valid members."

Suggestion: Any proposal can be brought to GBM by even single proposer

Same para last line

"The Honorary General Secretary shall circulate the proposal to the branches within 10 days of receiving the proposal for their opinion and place the same before the next meeting of the Central Council and if approved by the Central Council, place it before the next GBM of the Association."

This is not required.

10) Page - 37 b last line "The decision of the Constitution Committee in this regard will be final."

Can we allow 5-6 people decide about proposal? While all other proposal has to be compulsorily needs to be put before GBM?

11) Page - 38 8 - f

"The Organizing Committee should host dinners on the CME day and the first two days of the conference."

Should this compulsion be removed? Only one dinner, will save money.

12) Page 39 DERMACON

Clause d and e are now redundant and be replaced as

"all eligible venues will be included in ballot paper and venue will be selected by election process.

13) Page 41

12- "The Organizing Committee of the conference may, **at its discretion**, bear the travel and accommodation expenses of the outgoing and incoming Presidents, the Honorary General Secretary and the Honorary Treasurer."

This has created lot of confusion and heartburn. Let us have clarity yes or remove the clause.

14) page 42

First para "The outgoing President and other office bearers may be felicitated at the inaugural function"

Best remove this clause.

15) Page 42 State branches list needs to be updated as new states have formed.

16) Page 49

Discusses state EC members and also mentions in it clause h "state council members", this is what had created confusion. Many states also have terminology like managing committee where does it stand?

Need to clearly define what is EC, CC .

EC should mean just like centre. President, Past President, President-elect, secretary, treasurer, two Jt. secretary and two vice-presidents. (For central election one has to hold post in EC) hence R12 should be entitled as state EC

Rest all by whatever name be called state council.

17) Page 50

R11 ASSOCIATION YEAR AND FINANCIAL YEAR State branches and local branches should have 1st October to 30th September as the association or financial year so that they can hold their Annual State Conference (CUTICON) between October and December, and be ready with all their reports to be presented at the respective CUTICON.

This needs to change as income tax year is for all 1 April to 31 March

18) Page - 57 Annexure - VI

Three places mention three different authorities to appoint committees.

Make it as - President will appoint committee members, chairman and convenor after consulting Past President and President-Elect.

20) Page 50-51 IADVL Constitutional committees

"(Usually past Presidents and past Honorary General Secretaries)"

This clause should be replace as Past president/secretary/treasurer at centre or state level or any member with special expertise in law.

OR - Any valid member of IADVL (LM,OM with no dues)

21) Page 57 Central Scientific Committee

b) It will be composed of x) Organizing secretary of previous DERMACON

It should be "Chairperson of Local Scientific committee of previous DERMACON"

22) ANNEXURE VII: GUIDELINES FOR THE ORGANISATION OF DERMACON

Page 65 4. INAUGURAL FUNCTION OF THE CONFERENCE"(k) Release of the Book of abstracts, souvenir, CDs, and books written by IADVL members by the newly appointed President and the Scientific Committee Chairperson: 5 minutes"

This should be shifted to IADVL Day.

Proposal-2: IADVL L'Oreal Research Grant:

Proposal by: Dr Deepak Parikh and Dr Manas

1 - IADVL EC is allowed to approach any pharmaceutical company for research grant on same terms and condition as IADVL L'Oreal grant.

2- IADVL has sanctioned 10 lakhs as research grant to SIG. However, there are certain administrative problems especially disbursing and auditing of research grant. Apart from this, there is request for grant from members. Hence I propose that grant be opened to all IADVL members.

3. At present the IADVL-L'Oreal grant selection committee consists of 8 members of which 4 members are from IADVL and 4 from L'Oreal. IADVL President chairs the committee. In addition, the IJDVL editor and Academy Chairpersons are members from India. The IADVL Secretary is ex-officio member.

It is proposed that the IADVL President, like the IADVL Secretary, though presiding over the committee, should not be directly involved in the judging per se, which should be done by the IJDVL editor, Academy Chairpersons and the co-ordinator of IADVL SIG on Clinical Trials.'

Proposal-3: About Proposals:

1. Proposal Form

Name of proposal/s:

Is any one of the proposer member of CC?

Is it administrative/policy/constitutional related (select one) OR

I/we are not able to classify and accept ECs view

How will it help IADVL? Brief introduction.

If constitutional - will it replace existing clause? Or modify?

Give detail of the clause - page no. and clause no.

Proposal: (It should be properly drafted)

Do you think this needs referral to any specific committee? Please note that EC may decide to refer if it thinks it is necessary

For office use:

Date when received:

If referred - when and to whom? Reply must come within one week

What is the conclusion of the referring committee (to be included with the proposal?)

When was proposal placed before committee? EC/CC/AGM

Date placed in EC ALONG WITH REMARKS

Date placed in CC along with remarks

Date placed in GB along with remarks

Status: passed/rejected

2. Proposal - How to handle them

Title of Proposal

Name/s of Proposar

Each proposal to be classified as

Administrative - to be discussed in EC and implemented

“Any proposal beyond the term of current EC will need CC approval”

“Any proposal with financial expenditure of more than five lakh will need CC approval”

Policy related - to be discussed in CC and if passed be implemented.

“Any proposal with financial expenditure of more than ten lakh will need GBM approval”

Constitution related - Needs to be discussed in AGM

If there is ambiguity or overlap, then those proposal will be discussed in CC first.

IADVL EC will have no right to reject any proposal.

CC can after discussion reject any proposal.

Constitution related proposal once passed in AGM will immediately become operational.

It is not necessary for the proposer to be physically present while his/her proposal is taken up for discussion. Proposer can authorise any other member to represent him/her and discuss on the behalf of proposer. Proposer must authorise and inform secretary in advance. If accepted with modification or rejected then he/she can ask for discussion during GBM.

As far as possible, all constitutional proposals will be discussed only once during closing year AGM and all policy related proposals will be discussed only once per year during CC_MIDERMA meet.

All proposals must be received by Hon. Gen. Secretary at least 8 weeks before meeting.

Hon. Gen. Secretary in consultation with President/EC can send any proposal to IADVL committee for opinion before placing it in EC/CC/AGM. This opinion will be included in the proposal when it is placed before EC/CC/GBM.

Hon. Gen. Secretary must send final agenda of proposal to EC/CC/GBM members at least 3 weeks in advance.

3. How to clear the backlog of proposals?

We will need to

A- Plan out in such a way that we have enough time to discuss various issues every year

B- Clear the backlog

A-Plan out in such a way that we have enough time to discuss various issues every year

1) All proposals that cannot be taken up during closing years GBM, will be brought to new year's GBM for discussion.

2) Closing year's GBM be started from 11 am. Thus we will get 2 extra hours.

B- Clear the backlog.

As one time only we have GBM also during MIDERMACON 2014 on Friday 15th August from 2-6 pm.

Proposal-4: MoU with reference to IADVL Conferences (DERMACON, MIDERMACON and International conferences)

Proposers: Dr Deepak Parikh, Dr Koushik Lahiri, Dr Arijit , Dr Rashmi Sarkar, Dr Venkataram Mysore and Dr Shyam Verma

This MoU will have to be signed by president and branch Secretary of state branch which is hosting the conference along with President/Chairperson of organising committee, organising secretary and treasurer of the conference. This undertaking will be submitted to Hon. General Secretary of IADVL, before central team comes for inspection of the venue.

President/Chairperson of the organising committee along with organising secretary and treasurer will be held responsible for all aspects of the conference and this rule is binding to them

It states

- 1) We will open only one nationalised bank account.
- 2) We will send bank statement every month to IADVL treasurer and chairman of finance committee.
- 3) We will send to national IADVL treasurer and chairman of finance committee Copies of all the agreement that we enter into for the said conference within 10 days of signing the contract. Any conflict of interests in this regard will be disclosed. The event managers will preferably not be in any way related to any of the organizers, if so, the same shall be declared.
- 4) We will abide by all the rules and regulation of IADVL constitution and SOPs related to it.
- 5) We will return loan received from IADVL within 10 days from last date of registration. We will also pay Rupees 1500/- per delegate to IADVL (2000/- rupees for international conference) along with it. It includes all type of delegates - member/non-member/accompanying person and even complimentary registrations and free. Share of spot registration will be paid on the last day of conference during valedictory function. This will be
- 6) We will maintain books of account as per law and get accounts audited within six months from last date of conference. They will be submitted simultaneously to both central and State EC within six months. If required grace period of 4-6 weeks may be given by central IADVL EC
- 7) We will obtain separate PAN card and pay all local, state and central government taxes.
- 8) We will make all payments by cheque. We will get approval of organising committee where expenditure is more than 10 lakhs under any head.
- 9) We understand that failure to adhere to these MoU will lead to disciplinary action as mentioned in annexure.
- 10) We and our auditors are agreeable for second audit by any other agency appointed by central IADVL. Separate letter from auditors to this effect will be required. The cost of travel, stay and auditors fee will be borne by organising committee.

Annexure

We understand and agree that if audited account are not submitted within six months, an explanation will be sought from the signatories of the MOU. If the explanation given is found reasonable, an extension of another 6 weeks will be given. We understand and agree that if we do not submit even after extended period, then we will not be able to hold any post in IADVL at city, state or national level. We will not be able to organise any meeting under IADVL banner.

We understand and agree that if we do not submit audited accounts even after nine months from last date of conference then our names will be temporarily suspended from IADVL membership. We will be re-inducted only after audited accounts are submitted and approved by GBM. We also understand and agree that our seniority in IADVL will be lost and will be considered as new members.

5. Proposal by Dr Prashant Goyal: waive off registration fee in DERMACONS and few modifications in spending on other aspects.

I propose the following for kind consideration of the GBM under your able leadership.

- 1 . Please scrap the registration fee required to attend the national conference. Make being an IADVL member as the only prerequisite required to enter the lecture halls in our national conferences, the DERMACONS..
2. Just serve a working lunch during the conference to save money and to divert the saved money towards providing a free registration.
3. Save money by doing away with the huge paper abstract book. Either give an abstract CD or even better just put the abstracts in a big file on the congress/iadvl website itself.
4. Reduce the number of talks by omitting the same speakers talking on the same topics. No repeats at least for 3 years after which time we believe a researcher working on the same subject might bring something new in that field.
5. Ask pharma companies to stop wasting money on distribution of bags, gifts, pens, showpieces etc on stalls and contribute that money to the organizers to help for a registration fees free conference. Compensate the pharmas for this by providing better product visibility inside the halls.

6. Proposed by Dr Sanjeev Gupta:

As per current protocol, the Brief Biodata of contestants for IADVL EC elections is printed in IADVL News. but still, many of members are not aware of details of contestants. So, my proposal is THAT IF we add one paper mentioning brief biodata of contestants along with conventional ballot paper post this will enlighten members regarding detail of contestants. For e voting we can give hyperlink on the names of contestants which will flash brief biodata of same, this is not going to add any extra

cost neither in postage nor in e-voting. this practice is already there in API elections. you are hereby requested to put forth this proposal at appropriate platform.

7. Proposed by Dr Venkataram Mysore: LM KN 3211

Supported by Chandrashekhar BS, SDN Gupta, Niteen Dhepe, Narendra Patwardhan L/M/777, Sanjeev Aurangabadkar LM/ AP 157 Rajib Gogoi LM/NE/4272 Shyamantha Barua LM/NE/4266 Salim T LM. No. KL 3344 Ashique LM K 4239

Proposal- 1: A forum for dealing with practice oriented and practice related be established in IADVL.The issues to be dealt by the forum are :

- a) **MedicoLegal issues**
- b) **Practice management soft wares**
- c) **Approved uniform Consent forms in all languages,**
- d) **Advisory** regarding practice initiation,mentorship, purchase of machines,practice management, pharmacy management, service tax advice, clinic registration issues,patient communication and satisfaction
- e) Practice management session in conferences

The forum may be called IADVL Practice Management Forum

Justification: Dermatology subject and its practice has changed over the years. It has changed from a simple opd clinic in to a wider, larger practice with higher investments, larger staff, more medico legal and consumer issues, with more financial implications as listed above. Hence we need a forum to deal with such issues- . While there are several bodies in IADVL to deal with issues of relevance to academics, there is no forum to discuss practice oriented issues.

We request the august body to approve the initiation of such a forum. The forum can have a chairman and convenor, with members. Since many of these need coordination and implementation at state levels, we suggest that states be adequately represented in the forum.

Proposal-2: Proposal : Initiation of a Public information and liason cell :

Proposed by Venkataram Mysore LM KN 3211 ,

Supported by: Sacchidanand S LM KN - 1937, Koushik Lahiri LM/WB/2503, Arijit Coondoo LM/WB/2364, Umashankar LM /KN /3455, Pradyumna Vaidya LM/M/3566 Raghunath Reddy LM/KN 2925

There are issues on which IADVL needs to take a public stand, inform the nation what it stands for, prepare press statements, publicise its position on social media, and lias with media . These are highly important and complex issues and need a specialised media cell or information cell to deal with them. Presently there is no such cell in IADVL to deal with these issues and our presence in press is minimal and is disorganized. Eg. On the recent court case with respect to TEN-SJS, a dermatological condition, there was no voice to be heard in media from any dermatologist/association. This situation needs to be corrected and hence we suggest the initiation of a public information and a liason cell . The cell should be composed of a chief liason officer, Asst

liaison officer ,and a team of members. The members should have good communication skills, posses contacts with media, and be willing to dedicate their time for this purpose. The term of office of the team may be two years.

We request this august team to approve this proposal. The cell should also have similar presence at state level and each state should be directed to have a similar cell.

We request the august body to deliberate on this issue and approve the initiation public information and a liaison cell.

8. Proposed by Dr. Suresh Talwar

1. For award papers we do not have the capability to determine the duration of membership of applicants; hence, it would be better to replace the "below the age of 35 years with IADVL membership for 1-2 years or membership of 3 years for age more than 35 years and membership of 5 years for those aged 40 years and above" with "below the age of 35 years".
2. Senior citizens (above 65 years) and physically handicapped –GB approved to have separate registration counter and food area for this category ,Further suggested that :
 - a) This category may me marked by giving registration slip of different color and writing priority on top
 - b) A helpline number may be provided so that they can contact a person on arrival at the venue.
 - c) In addition their car may be allowed up to the main gate by providing a separate car pass
 - d) Venue map showing location of ramp should be provided to them
3. Constitution of IADVL page no 48 says that presidential speech should not be curtailed under any circumstances while page no 76 clearly mentions limit of 10 minutes for presidential speech. Accordingly lines in page no 48 be deleted.
4. Service tax liability has been introduced, so all the DERMACON organizers will clear the service tax liability before submitting the account
5. 50 % of seed money for the DERMACON shall be paid by the state branch hosting the event. However if the state branch does not have sufficient funds national body after verification will pay the entire amount
6. Association year starts from one DERMACON to another to be inserted in page 22 clauses 23
7. The 2 vice presidents be allotted 2 zones to look after and accordingly they be a part of team to select best branch award
8. IADVL ELECTIONS - DATE SHEET

Following dates in respect of elections to be adhered:

- 15 April - Invite nominations
- 15 June - last date to receive applications
- 15 July -last date to withdraw nomination
- 15 Sep - Secretary sends the list of valid candidates to election officer
- 1-31 October -election officer sends the ballot papers
- 15 Dec -Last date for receiving ballot
- 16 Dec-Counting of ballots and inform results to contestant
- 16- 20 File objections if any to election officer
- 21 Dec - declare result in different e group and web site

LAST 2 POINTS ARE NEW PROPOSALS AND REQUIRE CHANGE IN CONSTITUTION- PAGE 37 ITEM T

9. CHANGING OVER OF IADVL OFFICE BEARERS

Presently change of office bearers takes place during inauguration of DERMACON .However it has lacuna .All throughout the year president coordinates the conference and his name is mentioned in the conference related correspondence. As the conference starts a new person takes over from first afternoon. In my suggestion the president should continue till the valedictory function and president elect and new executive should take over during last day in the valedictory function.

9. Proposed by Dr Smita Sunil Ghate

Proposal for instituting "Dr. H.R. Jerajani award"

Supported by-Dr. Vishalaxmi, Dr.Jyotsna Deo, Dr.Vaishali Nahata, Dr.Vinay Goplani, Dr. Bhavesh Swarnakar, Dr. Ashwin Kosambia

We are glad to know that Dr.H. R Jerajani will receive Best teacher award in Dermacon 2014.We, her students, would like to take opportunity to propose this award on the occasion.

We propose for Dr. H.R.Jerajani award for the best paper on immunofluorescence.

Dr. Jerajani worked for the development of immunofluorescence in the institute.She has special interest in this subject.

We want to collect Rs 2, 00,000 for the award. The interest money will be given as award.

10. Proposals by DrJayadev J Betkerur

Proposal-1 :- Proposal sent by Dr. Jayadev Betkerur LM KN 2009, Dr. Sacchianand S LM KN 1937, Dr. Raghunath Reddy LM KN 2925, Dr. M Venkatram, LM KN 3211, Dr. Ramesh Bhat LM KN 2051,

SARCD 2015

The date for SARCD 2015 has been fixed from 4th – 6th Sept 2015. These dates are not clashing with any other conferences or festivals.

I request IADVL to bring it to the notice of State branches and sister societies so that they may avoid having any conferences during this time. This is a request on behalf of the IADVL Karnataka Branch and it comes as SARCD 2015 is an International Conference.

Previously we had requested for sanctioning of seed money for SARCD 2015 and was agreed upon. We now request you to release Rs15,00,000 only as seed money. This is required to print brochures both preliminary and final, booking venue, booking hotels for faculty, starting web site and maintaining it, mailingbrochures in India and SAARC countries etc. This amount may be kindly released as soon as the account is opened. We plan to open the account in the name of "SARCD 2015" in a nationalized bank or any other which can handle overseas transfer and credit card payments. The account will be opened after discussing with the auditors and bank officials. The issue of SARCD

2015 was discussed as AGBM of IADVL Karnataka Branch held on 26th October and this proposal was agreed upon.

Proposal-2:-

Proposal sent by -Dr Jayadev Betkerur LM KN 2009, Dr Veeranna S LM KN 2083, Dr Savitha TG LM KN 3611, Dr Ashwini PK LM KN 5510, Dr Ranugha LM KN 5819.

IADVL conducts elections of its office bearer every year. The yearly expenditure of balloting has been increasing. At present it could be above 2.5 L this, excluding the expenses of e-voting. In spite of this high expenditure the quantum of voting is low. About 30% of members. **Can this expenditure be reduced and voting percentage increased?** Many associations conduct elections during their national conferences during their GB meeting. Unfortunately the attendance at our GB meeting is dismal.

Our proposal is that voting may be done using a EVM at the time of registration during DERMACONS.

Modus operandi: Create 2 stalls near the registration counter. 1 stall for verification and managing. 2nd stall to keep EVM1 (or 2 to reduce the rush). The eligible voter that is LM registers at the DERMACON registration counter . At the 1st stall his/her name is verified. Any photo id card including IADVL membership card is valid. After satisfactory verification voters little finger is marked with ink. The voters enter the second stall and vote through EVM. The EVMs will be kept open for CME +1 and half days.

Contestants

They are allowed to canvas 100m away from the voting & registration area. They may be allowed to distribute pamphlets, put up only one banner. The bidders for DERMACON venue can also do the same.

The contestant may also be allowed to campaign in IADVL general yahoo group after paying to IADVL. The rules and regulations may be formed by EC. The voting can be kept open CME + 1 and half days of conference closing at 12pm on second day.

Counting can be done between 1pm to 2pm and results announced during the opening GBM on second day evening.

Questions

Cost of EVMS and programming to be enquired

Can EVM be used in any elections other than state and general elections?

If allowed these EVMs can be renewed every year by reprogramming.

11. Proposal from Dr DBN Murthy and Dr P Narasimha Rao: On matters of finance management of IADVL and conferences

Dear members,

We as Hon secretary and Hon treasurer of IADVL for last two years had opportunity to have a close look at the finances of IADVL and the methods being followed with reference to IADVL activities and IADVL conferences.

Recently there has been long discussion on IADVL conferences in the CC group, especially our annual conference the DERMACON, its finances and their transparency and how to improve them. Few of these proposals were sent to finance committee for their opinion. In that connection, we had

few discussions with our president Dr Suresh talwar and finance committee chairperson Dr JayadevBetkerur and its member Dr Ramesh Bhat. Based on these discussion and their conclusions, we are tabling our opinion as treasurer and secretary of IADVL for past two years and as members of finance committee for your consideration on important financial matters concerning IADVL and its annual national conference. We declare that we do not have any conflict of interest and urge members to go through the proposal in detail.

Background: 'IADVLsociety' as per the income tax commissioners letter is under 12 A and need **not pay income** tax. The service tax applicability of our association has been referred to a authorized practitioner and he opined that IADVL is **notliable** to pay service tax as its activities do not fall under definition of 'service'. IADVL has a PAN card for its financial purposes.

1. Till now, national IADVL is **not** directly involved in the conduct of our national conference. They were being done either by state bodies, or by trust or society formed for that specific purpose. Unfortunately, there is no sanction in our constitution for such financial separation of our national conference. Or at best it is silent on this matter. Each and every conference is following its own methods, which suit them till now. With increasing membership and conference budget and tax liabilities, it is time we take some important decisions in the direction of financial appropriateness.
2. The conference organizers of our DERMACON over years are sincerely pursuing the objectives of conducting DERMACON and paying incometax/service tax as applicable at the end of conference and remitting the DERMACON surplus to IADVL. And IADVL is receiving it. **However, we are not sure under what capacity or head IADVL can receive the surplus money, as it raises few issues.**
3. Is IADVL authorizing these trusts to conduct conference on their behalf? In such a case why is IADVL not a signatory to the trust or society made for the purpose of DERMACON? Can some one or any one float a charitable trust only for one year to conduct IADVL national conference and close it immediately after one year, just for the purpose evading income tax? Is it a fair practice? **If it is an unfair practice in the eye of law, IADVL being silent means is it approving if it?** We need to ask ourselves these questions.
4. In what capacity is IADVL receiving money from a charitable trust which conducts DERMACON, year after year? If any tax authority asks as **to how and why IADVL' received it 'as a surplus money' from a charitable trust how is IADVL going to answer it?** If the tax authorities surmise that IADVL has **colluded with the so called charitable trust which was floated only to evade tax** (After all, we are going to conduct conference as XXnd national conference of IADVL /DERMACON and print brochures and put hoardings!!) **how can IADVL possibly deny it?**
5. In such a case the income tax and service tax authorities **can levy tax with penalty and a hefty fine on IADVL on their total annual earning.** Importantly it would be a disgrace to IADVL as it would be called a tax evader!
6. Any charitable trust is formed (for eg. Those formed for the purpose of our national conference), it has to abide by its trust rules. Now the question arises..are they answerable to IADVL? In my opinion, and in legal point of view they need not, as IADVL is not a member of that trust or signatory to it. **IADVL cannot legally question the activities of the DERMACON trust, including its financial propriety as it is formed out-side our constitution.**
7. **Imagine a different situation:** A charitable trust is formed and it conducts our DERMACON and its account is completely closed after two years and trust dismantled. The organizers

have hosted a very nice conference and sincerely paid the DERMACON surplus money to IADVL by end of that year. Later, after 5 years, IT dept or Service tax dept sends notice to the trustees of that "DERMACON x trust" that they need to pay ... say for eg: 10 lakhs? Who would pay or attend to their problem? The organizers would have to pressurize the IADVL to pay it. **Even if IADVL is ready to pay it, if tax authorities enquire why IADVL is paying for a 'Charitable trust' and how they are linked, what explanation can possibly IADVL offer?**

- 8. All the problems of so called non transparency is coming in to existence due to formation of trusts/bodies every year with temp Pan numbers to conduct our national conference and outside IADVL. If the national conference is conducted under IADVL head all these issues can be avoided. **And importantly we would be legally and financially correct and law abiding. It would also be a good accounting practice.**

Hence we suggest as follows:

Our Proposal:

The present IADVL has PAN card does not attract income tax and service tax. We shall keep it as it is.

IADVL by a AGBM resolution should form and register a **separate sub-society** named either 'Conferences-IADVL, or 'society for CME-IADVL' or similar suitable name for conducting its conferences (**mid-dermacon, DERMACON, SIG conferences and others** [IADVL academy of Dermatology already suggested that activities of SIG should be through IADVL pan card]). We need to form rules and guidelines as is required to form any society. After registering it we should get a pan number and open a bank account. The same PAN should be/can be used for all future conferences. These finances attract service tax and income tax and IADVL should pay them as they are applicable, as a good law abiding body. Separate accounting can be had for this body for tax purposes. It would be a separate/ second IADVL body. Having said that, we can always find legal ways of avoiding / minimizing taxes.

How to go about conference fee to minimize tax: While saying so please note that as per present thinking we are trying to have this kind of fee structure for delegates for all our conferences: It can be split in to three heads and receipt can be printed showing as below for example: -----

Annual membership fee of IADVL:	Rs 1,500
Conf delegate fee:	Rs 4,000
Service tax on delegate fee:	Rs 500

Total fee delegate has to pay:	Rs 6000/-

(An amendment can be brought about in our constitution as follows for eg. to make such fee admissible: "Member need to attend a national conference atleast one in 5 years to retain his/her membership. For those who want to attend national meet every year they need to pay membership each year they register for it." ... or *similar one*)

If we prepare a receipt like this, note that annual membership fee does not attract any service tax and can directly be remitted to the main IADVL account. As service tax split is being already shown, it can be paid to service tax authorities. As for the corporate payments/sponsorships of conference, as all them come to the Conf. DERMACON account, the tax liability can easily be calculated and paid

from it. *At any point of time the organizers of conference and IADVL would have complete idea about their tax liabilities.*

As to income tax payments, please note that it is only paid on 'excess of income over expenditure'. If at end of all the payments, if the conf. Dermacon account has an excess of say 50 lakhs still, IADVL should pay 30% of it as income tax and keep the remaining with it. (IADVL can always find ways of minimizing tax payments by using the money to fund some of its research funding/fellowships to PLMs etc... which can be shifted to as conf annual expenses)

How to make such plan viable?

At IADVL we are passing on IADVL pan card and account to new secretary and treasurer every two year and new bank account is being opened in new a city and state. This is being done without any hassles over many years.

Similarly, this conf.dermacon account can also be transferred to new conference organizers every year. To keep the financial control of the account, one or two of the IADVL EC (secretary / treasurer/president) of IADVL can be co signatories if possible along with two of the local org committee. (if there are total of three signatories, account can be operated with any two signatures which means local organizing committee has full access to it.) We are sure exact method can be worked out after consulting auditors and bankers. This way financial scrutiny would be easy as whole of the account is visible to IADVL. Ofcourse all these clauses need to be put in the memorandum while preparing the new Confderm society.

Dear members, This proposal meets the following objectives:

- It makes all IADVL financial activities above **board and legal**.
- Makes ours a fully financial law-abiding society.
- It automatically brings in financial transparency as DERMACON become activites of IADVL under its PAN card.
- It also keeps the existing convention of local bodies organizing the DERMACON undisturbed, except that one of the IADVL EC would be a co-signatory of DERMACON account.
- IADVL association account stays undisturbed and would remain income tax and service tax liability free.
- The financial accounts of ConfDermacon would be under direct supervision of IADVL.
- IADVL would get a fixed annual membership fee its account, which would be directly related to the number of delegates and magnitude of the conference.

The matter is open for your opinions and suggestions as a new proposal at CC/AGBM.

12, Proposal by Dr Devesh Mishra: Name of proposal/s: IADVL Elections Reforms and International Confs with DERMACON. Proposed by: Dr Devesh Mishra, Lucknow LM/UP/236, Dr Neeraj Pandey LM/UP/4926 Dr Ajit Kumar LM/J/2877

Proporal 1: IADVL Elections

1. E Voting coordinator should not contest election for next 3 years.
2. E Voter's list to be given to contestants. (It was not given this year. Unconstitutional).
3. Ballots NOT to be reposted after last date of despatch under any condition.

4. Instead of 31st March, 30th June be the date of records for ascertaining names of eligible voters. This will more time to secretariat and contestants to update member's addresses.
5. Returned ballots addresses to be noted ; for correcting addresses for saving IADVL money on posting ballots which return.
6. All members who wish to contest election should declare their INTENTION to contest at least 3 years in advance. This will give enough time to general members to judge them and know their work, profile and views.
7. E sites like Yahoo and IADVL -ACAD be made open to contestants. This will make it more open; opinion on contentious issues be known. At present contestants keep silent. Play diplomatic. We need clear minded leaders. This will also fulfil demand of debate of contestants as members often demand on ACAD sites Proposal 2: International Conferences in INDIA.
 1. DERMACON be minimum 2 days, in case it has to be merged.
 2. Bidders declare the registration money in advance for ordinary members. They should not be asked to pay exorbitant money. All members want this.
 3. DERMACON should not lose its identity. It should be held independently.

13. Proposed by Dr. Davinder Parsad

We discussed in SIG-PIG regarding IADVL Vitiligo day which is 19th May and in recent past World Vitiligo day is 25th June which is promoted by many organisations and many activities are carried out on this day all over the World. A consensus was reached among IADVL SIG-PIG members for the sake of uniformity and more impact we should consider changing Vitiligo day from 19th May to 25th June. On behalf of IADVL- SIG- PIG group.

Dt. 5th August, 2013

**APPLICABILITY OF SERVICE TAX TO INDIAN ASSOCIATION OF DERMATOLOGISTS,
VENEREOLOGISTS AND LEPROLOGISTS (IADVL)**

As per the facts given to us :

Indian Association of Dermatologists, Venereologists and Leprologists (IADVL) is a Society registered with Registrar of Societies, Uttar Pradesh on 08-05-1975 vide Registration No. 270/1975-76. It is a not for Profit organization.

As per the Bye-Laws of the Association, its main Aims and Objects (among others) are as under :

- a) To promote and advance dermatology, venereology, leprology and allied subjects ;
- b) To create public opinion in the aforementioned specialities and educate the public in matters related to the prevention and cure of these diseases in all their aspects and initiate every effort as deemed necessary for achieving these objectives ;
- c) To promote professional fellowship and camaraderie, co-operation and exchange views among members and to uphold their interests ;
- d) To enable exchange of academic knowledge of dermatology, venereology and leprology online through 'IADVL ACAD' and exchange of non-academic topics and news through IADVL e-groups ;
- e) To hold a national conference (DERMACON) every year, preferably in the month of January, in different parts of the country.
- f) IADVL is also registered under section 12AA of the Income Tax Act, 1961 as a Charitable organization.

We have to consider the following points :

Negative List of Services:

A Negative List of Services has been notified by Service Tax wing of CBEC w.e.f. 01-07-2012 vide Notification No. 25/2012-Service Tax dated 20th June, 2012. This Negative List of Services exempts various taxable services from the whole of service tax leviable thereon under section 66B of the Finance Act, 1994.

Sl. No. 4 of this Negative List of Services refers to 'Services by an entity registered under section 12AA of the Income Tax Act, 1961 (43 of 1961) by way of charitable activities ;'
The word 'Charitable Activities' has been defined in Clause 2 (k) of this Notification.

Meaning of Pure Agent: The meaning of pure agent has been defined in the Explanation 1 to the rule 5 as :Pure agent is a person who :

1. Enters into a contractual agreement with the recipient of service to act as his pure agent to incur expenditure or costs in the course of providing taxable service;

2. Neither intends to hold nor holds any title to the goods or services so procured or provided as pure agent of the recipient of service;
3. Does not use such goods or services so procured; and
4. Receives only the actual amount incurred to procure such goods or services.

The Association is only a Pure Agent of the Members of the Association and all the activities carried on in the Association are for the objects contained in its Bye-Laws. It does not do any activities for itself. The Association is representing the Members. As a Pure Agent, the Association is not subjected to Service Tax.

Taxability of Services :

The Tax Research Unit (TRU) in Ministry of Finance vide its Guidance Note bearing No. D.O.F.No. 334/1/2012 - TRU dated 16th March, 2012 has released a document explaining various provisions relating to changes in Service Tax. This Guidance Note on Page 31 and 32 had identified various steps to determine whether any person / entity is providing a 'Service'.

The drill to identify whether you are providing a taxable service is to pose the questions listed in step 1 and Step 2 below :

Step 1

To determine whether you are providing a 'Service'

Pose the following questions to yourself

Sl. No.	Question	Answer	IADVL Answer
	1	2	3
1	Am I doing an activity (including but not limited to, an activity specified in Section 65E of the Act) for another person ?	Yes	NO
2	Am I doing such activity for a consideration ?	Yes	NO
3	Does this activity consist only of transfer of title in goods or immovable property by way of sale, gift or in any other manner ?	No	N.A.
4	Does the activity consist only of a transaction in money or actionable claim ?	No	N.A.
5	Is the consideration for the activity in the nature of court fee for a court or a tribunal ?	No	N.A.
6	Is such an activity in the nature of service provided by an employee of such person in the course of employment ?	No	N.A.

7	Is the activity covered in any of the categories specified in Explanation 1 to clause (44) of section 65B of the Act	Yes	NO
---	--	-----	----

If the answers to the above questions is as per the answers indicated in coloumn 2 of the table above, then you are providing a service. The IADVL answers to the above questions are given in coloumn 3 above. The IADVL answers indicate that it is not providing a service.

Step 2

To determine whether service provided by you is taxable

If you are providing a `service` (Step 1) and then pose the following questions to yourself

Sl. No.	Question	Answer	IADVL Answer
	1	2	3
1	Am I providing or have I agreed to provide the service ?	Yes	NO
2	Am I providing or have I agreed to provide the service in the taxable territory ?	Yes	NO
3	Is this activity entirely covered in any of the services described in the negative list of services contained in section 66D of the Act ?	No	Yes

If the answer to the above questions is also as per the answers given in coloumn 2 of the table above, THEN you are providing `taxable service`. The IADVL answers to the above questions are given in coloumn 3 above. The IADVL answers indicate that it is not providing a taxable service. From the above answers to various points in Steps 1 and 2 above, it can be seen that IADVL is not providing any service.

The various aims and objects being carried out by IADVL are charitable in nature and the activities are between the members. There is no contract between IADVL and its members for rendering of any service. It is only a collective pooling of resources for the benefit of its members. The collection from the members is made to meet the expenses required for the functioning of the Association. It is at best a way of reimbursement of charges or share of contribution.

IADVL can be said to be a Pure Agent acting for the carrying out of the aims and objectives of the Association. The members of IADVL contribute monies as annual fee and membership fee / Delegate Fee from members / contributions for furthering of the members professional capabilities.

In view of the foregoing, we are of the opinion that IADVL is not providing any `Service` and hence not liable to Service Tax on its various receipts relating to Membership Fee / Contributions from members.

.....

Other Receipts :

The Association also organizes various Seminars / Conferences and receives Advertisement Revenue, Sponsorship Fee from Companies, Royalties, Delegate Fee from Non-members, etc. They also receive Certification Fee. Such receipts will get charged to Service Tax as they have no mention in the Negative List notified by the CBEC.

It is suggested that IADVL may form another Association wing for conducting such Seminars / conferences wherein the receipts of the above nature are received and spent for the purposes. This wing of Association may get registered with Service Tax Authorities.

AUDITOR'S REPORT TO THE MEMBERS

We have audited the balance sheet as at 31st march 2013 ,Income & Expenditure Account for the year ended on that date and Receipts & Payments account for the year ended on that date, attached herewith of INDIAN ASSOCIATION OF DERMATOLOGISTS , VENEREOLOGISTS & LEPROLOGISTS

The annexed financial statements are the responsibility of the Management .Our responsibility is to express an opinion on these financial statement bases on our audit

We have conducted our audit in accordance with auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit includes examining, on test basis evidence supporting the accounting principles used and significant estimates made by management as well as evaluating the overall financial statement presentation. We believe that our audit provide reasonable basis for our opinion

We certify that the Balance sheet, Income & Expenditure account and Receipts & Payments account are in agreement with the books of account maintained at the Office.

Subject to above, we report that:

- a) We have obtained all the information and explanation , which to the best of our knowledge and belief, were necessary for the purpose of audit
- b) In our opinion, proper books of account have been kept by the office of the association, so far as appears from our examination of books.
- c) In our opinion and to the best of our information and according to the explanations given to us, the said accounts, read with notes thereon, if any, give a true and fair view:
 - 1) in the case of the Balance sheet, of the state of affairs of the association as at 31st MARCH 2013 and
 - 2) in the case of the Income & Expenditure account of the Surplus of the association for the year ended on that date.

FOR RAMANA KUMAR & ASSOCIATES,
Chartered Accountants

FORM NO. 10B
[See rule 17B]

Audit report under section 12A(b) of the Income-tax Act, 1961, in the case of charitable or religious trusts or institutions

I have examined the balance sheet of **INDIAN ASSOCIATION OF DERMATOLOGISTS VENEREOLOGISTS & LEPROLOGISTS - AAAT13796F** [name and PAN of the trust or institution] as at **31/03/2013** and the Profit and loss account for the year ended on that date which are in agreement with the books of account maintained by the said trust or institution.

I have obtained all the information and explanations which to the best of my knowledge and belief were necessary for the purposes of the audit. In my opinion, proper books of account have been kept by the head office and the branches of the abovenamed trust visited by me so far as appears from my examination of the books, and proper Returns adequate for the purposes of audit have been received from branches not visited by me, subject to the comments given below:

Nil

In my opinion and to the best of my information, and according to information given to me, the said accounts give a true and fair view-

- (i) in the case of the balance sheet, of the state of affairs of the above named trust as at **31/03/2013** and
- (ii) in the case of the profit and loss account, of the profit or loss of its accounting year ending on **31/03/2013**.

The prescribed particulars are annexed hereto.
