## Presidential Address, 42<sup>nd</sup> DERMACON-XIth ICD, New Delhi, 4.12.2013-Dr Deepak Parikh

Past-President Dr Suresh Talwar, President-organising committee – Dr V K Sharma, dignitaries on the dais, respected teachers, delegates and friends, a very good afternoon to you all.

I remember being on this platform 24 years ago in 1988-89 as the General Secretary of our association. We were a small group of around 900 members. Today we have increased our association to 7000 member doctors and have also established an international presence. Thus it is a matter of great honour and privilege for me personally to be addressing you today as the new President of this esteemed association. And I hope that during the next year I will be able to contribute to its growth and advancement.

To ensure that we grow in the right way and reach our goals we need to have a very strong foundation. In this regard it is my aim to transform four basic areas of IADVL-

1. Academic activities
2. Administrative processes
3. Financial transparency
4. Active participation of the young generation of doctors

I will now briefly touch upon these four areas.

I am sure that all of us want to see more research activities in our association. Till now we were trying to overcome challenges of requirement of funding and availability of correctly methodology. We will be making efforts to work on these issues. I am happy to inform you that as a first step we will be starting a research grant of Rupees Sixty Lakhs per annum from this year. IADVL through its academy has also planned 4-6 workshops on "Research Methodology". Details' will be available very shortly on our website. We are also planning to reactivate the resident forum. This unique forum is for the residents and will be run by them under the guidance of Dr Rashmi Sarkar.

Like all good public associations IADVL should have a strong administrative backbone and responsible financial habits. We need to make our constitution simple yet unambiguous. We need to ensure funds are spent wisely, especially during the DERMACONS and also bring in transparency in financial dealings. There are a few proposals that deal with this issues and I request all of you to attend GBM tomorrow afternoon to discuss the same.

No change would be possible without the ideas and energy of the young members. I encourage all our young members who would like to take lead in our association to please join the EC team and me on 7<sup>th</sup> Dec for our meeting. We will be very happy to have you.

I know that bringing about these changes will not be easy, and I am very grateful for the wonderful team I will be working with. Let me introduce them to you.

I also have great members to lead various committees and friends to guide me.

Finally I on behalf of the entire EC team I ask for the blessings and guidance of our teachers and seniors and valuable support from all of you.

Jai IADVL

Thank you,

Dr Deepak Parikh,

President IADVL

## Message from the Presidents

Dear IADVLites,

The aim of IADVL news is to keep its members abreast with all IADVL news. We are also glad that, for the first time, the three presidents have taken the initiative of writing one common message.

Last year, our Immediate Past President Dr Talwar took up issue of financial transparency in DERMACON. IADVL appointed team along with our auditor visited Ahmedabad to meet organising committee and inspect book of accounts of DERMACON 2013 held at Ahmedabad. Our auditor also completed second audit of DERMACON 2012 held at Jaipur. These reports will be discussed in detail in MIDDERRMA CC meet to be held at Aurangabad. IADVL has also signed MoU with the organisers of MIDDERRMACON Aurangabad and DERMACON to be held at Mangalore for the first time ever. These steps will ensure fiscal prudence and enhance accountability and transparency

Our energetic and efficient Hon. General Secretary Dr. Rashmi Sarkar has put up a wonderful new IADVL website with many new features. She has also started the resident's Welfare Group which is already creating waves amongst the residents and postgraduates.

I am delighted to inform that we have been able to obtain new research grants. I request members to take full advantage of these new research grants worth 40 lakhs per annum. IADVL research methodology workshops are being held successfully in different cities across India. This novel initiative will hopefully help us in putting a platform for research. A thorough revision of constitution has been undertaken and you will have a new constitution book in your hands soon.

Dr Venkataram, our President-Elect has already started actively working. He is instrumental in setting up "Practice Management Cell" and "IADVL Media Cell". We plan to take up few important issues that our members face in day to day practice and also make the voice of IADVL heard in the media, with public, and with the government.

We earnestly request all members to

- 1) Register online for E-voting
- 2) Enroll for DVL Trust.

Please visit our website [www.iadvl.org](http://www.iadvl.org) for further details.

Let us all work together to take our beloved association to greater heights.

## The Secretary Speaks

Dear IADVL Members,

Perhaps nothing in life is as consistent as change. Hence, the very efficient Dr P.Narasimha Rao passed on the responsibilities to me at XIth ICD-DERMACON 2014 and I do hope to maintain the good work done by my predecessors. It is a challenging task as day by day the work of the IADVL Secretariat is increasing and the amount of communication itself is huge.

The EC IADVL 2014 brings in several new initiatives including the already successfully conducted Research Methodology Workshops, a wonderful project initiated by our very able and hands-on President, Dr Deepak Parikh at Mumbai, Kolkata and Bengaluru. New Delhi is soon to follow. Dr Venkataram Mysore is initiating the new Practice Management Cell and Media Cell of IADVL. And, yours truly is very excited by the newly launched first time ever, IADVL Resident Welfare Program and the launch of the first time newsletter by PGs called "Resi-DREAM" created by IADVL Provisional Life Members, the postgraduates entirely as well as the Residents IADVL Facebook Group! The focus is also on improving State-Centre Liaisons and e-voting. And of course we have ventured to give the IADVL Website a new look! IADVL EC also takes a first time step in inviting applications from members to join IADVL SIG and participate as faculty in MID DERMACON, at Aurangabad.

Our fellow IADVL EC members are helping us in various tasks. Dr Sanjeev Gupta with the IADVL Newsletter, Dr Rajesh Verma, as the e-voting Coordinator, Dr Narendra Gokhale as moderator of IADVL e-groups and Dr Krina Patel as moderator Residents IADVL Facebook Group, not to forget Dr Somesh Gupta, who is looking after the difficult financial part of IADVL.

I look forward to your help and cooperation for all ventures.

With best wishes to all,

**Dr Rashmi Sarkar**  
Hon. General Secretary, IADVL

**Dr Somesh Gupta**

### **From the Treasurer**

Dear Colleagues,

Greetings!

I am pleased to be in the helm of financial affairs of IADVL. As treasurer, I am lucky to work with a very efficient and ambitious executive committee under the leadership of our president, Dr. Deepak Parikh.

I have joined as treasurer at a time when there is a demand from several quarters to streamline financial affairs of the association. I am trying to do my bit for the same. With the help of other colleagues, I am also trying to maintain records, and deposit legitimate taxes. IADVL is heading towards financial transparency.

Currently, a large number of academic and research related activities are going on. As a treasurer, I am happy to support them with whatever means I have. I thank executive committee, my secretary colleague, Dr. Rashmi Sarkar, and Financial committee for help and guidance. I thank all of you for expressing your trust in my abilities to handle financial affairs of IADVL.

Best Wishes,

Dr Somesh Gupta

## Important Announcements

### Some new initiatives of EC IADVL 2014

#### IADVL Resident Development Program

The AGBM at New Delhi in December 2013 approved a proposal by Dr Rashmi Sarkar to start an IADVL Resident Welfare Program.

#### Background and Importance

Many a times there has been a talk of making the residents more sensitive to IADVL matters. Young dermatologists /MD passouts are interested but these PLMs are the future and should be honed. There are fellowships and scholarships but a more implementable program is needed. These are the components of the program:

1. A resident\_IADVL yahoo group was present. Alternatively a Facebook Page, named Residents IADVL is already started and functioning.
  - All residents with a valid PLM number will be automatically enrolled. But they have to send the request to iadvlsecretary2014@gmail.com and y2k\_bpatel@yahoo.com and send a request simultaneously to Facebook Residents IADVL group to be approved.
  - This will work as the official notice board to announce any awards/scholarship etc.
  - As a rule Secretary will be the owner-moderator
  - One of the Jt secretaries, Dr Krina Patel (y2k\_bpatel@yahoo.com) with the help of a resident moderator are the moderators of this group.
  - This will have young and senior dermatologist consultants/faculty members to guide them and get appropriate answers in a few days.
2. An e-newsletter called "IADVL Resi-DREAM" of only some pages containing writings by first time writers, quiz, Residents Thought Page and interaction pages with senior members is present for Post Graduates. This has a link on the IADVL website and the FB page under special tab "Postgraduates". This would be a good learning ground. The editor and editorial board is made up of residents from all over India.
3. Having resident observers to the IADVL Editorial Board in rotation in case they would like to work for the journal in future. This would be a "hands on experience" for them in collaboration with journal editor, Dr M. Ramam.
4. A 45 minutes to 1 hour slot like a sister society meeting to Resident IADVL group (only PLMs) in DERMACON where there could be a session run by them with "Interaction with

Experts" as many feel that they want to know "what to do next". Gradually this could also be on other areas they feel they lack. At the end they can interact and network with each other from all over the country.

#### IADVL Media Cell

The AGBM at Delhi approved a proposal by Dr Venkataram Mysore to start a media cell. The matter was further discussed on e groups where opinions of members were sought. and now the cell is being constituted and this announcement is to seek applications from members to be a member of the cell.

#### The role of the media cell is to :

- a) prepare public information brochures on important issues such as steroid abuse, misuse of drugs, misleading advertisements, quackery, use of unproven treatments and other relevant matters which may arise from time to time and send the same to members for display and use in clinics
- b) to highlight the role of a dermatologist as the proper skin care provider
- c) prepare press release materials on relevant issues from time to time through ECs of IADVL HQ, state and city branches
- d) prepare a database of media contacts: newspapers, magazines, television across India
- e) prepare eposters for distribution by members in their clinics
- f) coordinate with state and city branches in dissemination of such materials in coordination with ECs of states and centre
- g) Highlight the above in social media also.
- i) create a face book account for use by public.
- j) any other programs as per approval by EC/CC/AGM

The EC IADVL is pleased to invite applications for the Media cell as per below criteria:

1. Members should have good communication skills, internet savvy and/or media savvy
2. They need to possess contacts in media and be willing to

use these contacts for the sake of IADVL

3. They should highlight issues of public importance in their interaction with members and public.
4. They should be members of IADVL groups( or willing to join the groups) and be active /willing to be active on the groups.

Interested Members may write to Dr Rashmi Sarkar Hon General Secretary on only at the email: iadvlsecretary2014@gmail.com by 15 March 2013.

**Please mention in THIS FORMAT:**

1. Name
2. Age
3. LM no of IADVL:
4. Address
5. Mobile no
6. email:
7. Write briefly about your past experience and communication with media and contacts in media which can help IADVL(wheteher you have writeups in newspapers,magazines or participate regularly on radipo,TV etc) in ONLY 150 words:
8. Have you done any IADVL activities at State or National level?Please enumerate?
9. Are you serving in any other IADVL Committees?Please mention.

The position of media cell member will provide members opportunities to play leadership role in IADVL and contribute to making the IADVL more influential in public. We earnestly hope

that this announcement will get a enthusiastic response from members and we will be able to start a very efficient media cell which has been a long standing demand of our members.

**IADVL Practice Management Cell**

**AGM at Delhi approved a proposal by Dr Venkataram Mysore for starting a practice management cell.** EC IADVL is happy to announce the constitution of the cell, hereafter to be called IADVL PMC as follows:

**Chairman: Dr SC Rajendran -dr\_rajendran080@yahoo.co.in**  
**Convener: Dr Niteen Dhepe-niteendhepe@gmail.com**

**Members:**

**Dr.Jagadish Sakhiya, -j\_sakhiya@yahoo.com**  
**Dr.B.S.Chandrashekhhar-cutisclinic@gmail.com**  
**Dr. Dinesh Kumar -drdinesh1512@gmail.com**

**Dr.Rajib Gogoi-rkg071@gmail.com**  
**Dr.Narendra Patwardhan-ngpatwardhan@gmail.com**  
**Dr.R N Dutta-rn\_dutta@gmail.com**

The IADVL PMC will coordinate all matters related to dermatology practice management. The convener and chairman will shortly announce their agenda. We request all members to extend their cooperation and also utilize the PMC to the fullest extent. This matter has also been a long standing requirement and we hope PMC will be useful addition to the existing IADVL facilities.

## Report of XI ICD-42<sup>nd</sup> DERMACON, New Delhi

It was a moment of great pride for IADVL that the mega event ,42nd DERMACON-XIth International Congress of Dermatology(ICD) was held in Hotel Ashok, New Delhi,India from 4th to 7th December 2013.The 42nd DERMACON was held on December 4, 2013 immediately preceding the XI International Congress of Dermatology, with Dr. V. K. Sharma as Organising Chairperson and Dr. Rajeev Sharma as Organising Secretary. In a first, the scientific program was developed by the Central Scientific Committee directly by the IADVL under the chairpersonship of the President, Dr. Suresh Talwar, with the IADVL Academy (represented by its Chairperson, Dr. Arun Inamadar; Convener, Dr. Shyamanta Barua; Chairperson Elect, Dr. Manas Chatterjee; and Convener Elect, Dr. Ameet Valia) and the Immediate Past President Dr. C. R. Srinivas, President Elect Dr. Deepak Parikh and Hon. Gen. Secretary Dr. P. Narasimha Rao. A change of office bearers of IADVL took place for 2014 with Dr Deepak Parikh as President, Dr Sanjeev Gupta and Dr Rajesh Verma as Vice Presidents,Dr Rashmi Sarkar as Honorary General Secretary,Dr Somesh Gupta as Honorary Treasurer, Dr Narendra Gokhale and Dr Krina Patel as Joint Secretaries. Dr Suresh Talwar is Immediate Past President and Dr Venkataram Mysore is President Elect.

The Dr. B. M. Ambady Oration was delivered by Dr. Sanjay Ghosh on "A window on chemical leukoderma: In perspective of developing countries"; the IADVL-Systopic Oration, by Dr. Rachita Dhurat on "A randomized evaluator blinded study of effect of microneedling in androgenetic alopecia" and the IADVL-Neutrogena Oration by Dr. Vineet Kaur on "Nursing the atopic skin". Another first was a brief address on IADVL activities by the Incoming President, Dr. Deepak Parikh.

Legends Dr. Patrick Yesudian, who had just been honored with the highest IADVL award, the Professor K. C. Kandhari Foundation Award, and Dr. Gurmohan Singh, the former IADVL President, spoke on "All my yesterdays" and "Economic aspects of prescribing" respectively. A session was reserved for private practitioners, for which applications for talks were invited. To encourage wider participation, this procedure was also adopted for the ACAD e-group session, where interesting cases discussed online in the past year were presented. IADVL Special Interest Groups had focused sessions on atopic dermatitis, dermatosurgery, leprosy, pigmentary disorders, psychodermatology, and STIs & HIV; while the Armed Forces Dermatology Group had one on vasculitis. Other sessions included a panel discussion on acne, debates ("Are clinical

dermatologists an endangered species?" and "Are lasers effective for melasma?") and on aesthetics, nail disorders, systemic therapy, and recent advances. Apart from the Award Paper sessions for residents in three parallel halls, there were as many as 107 e-posters vying for the Dr. Manu Patel Memorial Prize for the Best Poster Presentation and a few other cash incentives.

The XI International Congress of Dermatology, from December 4-7 2013 was greeted with much enthusiasm and very active participation by more than 4,000 delegates from 60 different countries. The program featured 11 plenary speakers, more than 300 speakers and over 113 scientific sessions. There were 692 Eposters and 357 oral paper presentations. In fact, it was the largest International Congress of Dermatology ever organized!Scholarships were presented to 80 young Indian dermatologists to attend and present their abstracts and to 42 young international dermatologists.

The XIth ICD was organized successfully by Congress President, Dr V.K.Sharma, Organising Secretary-General, Dr Rajeev Sharma with ISD office bearers especially Dr. Evangeline Handog and Dr. Francisco Kerdel, the Indian Association of Dermatologists, Venereologists and Leprologists, especially Dr. Deepak Parikh, Dr. Suresh Talwar and Dr. Rashmi Sarkar, the Scientific Committee headed by Dr. Thomas Ruzicka, Dr. Shyam Verma for organizing the successful ISD Quiz, the Organizing Committee members and conference manager Neumech Events.

The success of the combined conference was attributed to an excellent scientific program, a good venue (and weather!), lots of delegates, adequate finances and a good organizing and management team. All of these elements came together in New Delhi, and we had a wonderful 42nd DERMACON-XIth International Congress of Dermatology.

**Dr V.K. Sharma (Organizing President,XIth ICD-42nd DERMACON)**

**Dr Rajeev Sharma (Organizing Secretary General,XIth ICD-42nd DERMACON)**

## IADVL State Branch Reports

### Report of IADVL Delhi Branch

IADVL Delhi state branch has started various new initiatives for its members and patient awareness.

The first executive committee meeting was successfully held on the 25th Jan and was attended by most of our EC members barring a few. The agenda for the year was fully discussed and agreed upon in the meeting.

Leprosy Day activities were conducted at Maulana Azad Medical College on 30th Jan and ESI hospital on 1st Feb. A presentation on the current status of leprosy in India was given by Dr Anjali Madan (Treasurer, IADVL-DSB) at MAMC. We were honoured by the presence of our National Secretary Dr Rashmi Sarkar at the meeting.

Prof. Dr. V.K. Garg (Head, Dermatology Dept., MAMC) inaugurated the proceedings at the ESI hospital. Dr. Vivek Paschal Dsouza and his team presented lectures on the ignored aspects of leprosy including surgical interventions, physiotherapy, filament testing and MCR footwear at the ESI Hospital, New Delhi. The programme was conducted in association with the Leprosy Society of India and the Orthopedics dept of ESI hospital and was attended by IADVL DSB members and Leprosy patients and their families.

The Delhi State branch under the spirited and enterprising leadership of our President, Dr. Atul M Kochhar has gone GREEN in all our communications of the executive committee. We have started a Whatsapp group as well as a Google group for speedy, effective and environmental conscious communication between the members of our executive committee.

The first academic monthly meet was successfully held at the Dermatology Dept., AIIMS on 15th Feb under the esteemed guidance of Dr. V.K. Sharma. The meeting was well attended by the IADVL-DSB members and included invited lectures along with a set of very interesting and informative cases.

### IADVL Maharashtra branch

The year commenced under the able leadership of Dr Vibhavari Nigale as President.

The first event was the First Quarterly Scientific Meeting at Nagpur on 1st and 2nd Feb 2014

It was a very well organized event with 160 delegates coming from all over the State including the President and Secretary. The event boasted of luminaries from Indian dermatology like Dr AK Bajaj, Dr Chandrashekhar, Dr CR Srinivas, Dr Arun Inamadar and Dr Khopkar in addition to local talent from Maharashtra. Various aspects of Clinical Dermatology and Aesthetic Dermatology were covered in this 2 Day CME. All the credit goes to our local chapter, Vidarbha Dermatology Association and particularly to Dr Vikrant Saoji and Dr Sushil Pande for putting up this scientific feast.

The next event was on the 9th February at Kolhapur where

a CME was arranged on Clinical Dermatology by our other Chapter, Kolhapur Dermatology Association. The 1 day CME had around 150 delegates and Speakers like Dr Dipak kulkarni, Dr Inamadar, Dr Balkrishna Nikam, Dr Manjyot Gautam dealt with topics from Diet In Dermatology to Pediatric Dermatology and Psychodermatology. The CME also touched upon honing communication skills with patients.

We also had the honour of hosting a National Event, the IADVL Research Methodology workshop ( West Zone) on 15th and 16th February 2014 at Nair Hospital, Mumbai. Dr Dipak Parikh, our National President was actively involved in the Scientific and Organisational component of the program. We need to thank the IADVL Academy Chairpersons, Dr Ameet Valia and Dr Manas Chaterjee for preparing a great program and for the choice of Speakers. We had Dr Maninder Setia, Dr Saumya Panda, Dr Parikh, Dr Manas, Dr Khopkar, Dr Nerurkar and Dr Chitra Nayak dealing with the various aspects of Reseach with special focus on Dermatology. We had around 110 delegates attending this workshop coming from all over West Zone. Dr Rashmi Sarkar, IADVL Hon. General Secretary was present for both the days. This was a great academic success and the response says it all.

Besides this, we had our Clinical meeting at KEM Hospital on 31st January, 2014 where faculty and residents of the Institute presented interesting Cases and studies. This is a great learning process and every year we have such meetings at all Medical colleges in Mumbai, Pune etc.

The event which requires a special mention is the Leprosy week Celebrations wherein free camps, awareness drives and lectures were conducted all over the State. I would like to thank Dr Rashmi Sarkar for sending the posters in time. They were very informative and were printed and put up at various colleges, institutions and private clinics all over the State.

I am attaching a PDF of the event we organized at our office in Mumbai along with Bombay Leprosy Project. Special thanks goes out to Dr Vivek Pai, Director BLP for his great help in organizing this event.

## कुष्ठ रोग

कुष्ठ रोग या कुष्ठ एक रोगाणु के कारण होता है। यह भी तपेदिक (टी.बी.), पोलियोमोयलटिस, डिपथेरिया आदि का तरह ही संचरणकृम (संक्रामक दूसरों को लगनेवाला) रोग है परंतु बहुत ही कम फैलनेवाला है। केवल ऐसे संक्रमित कुष्ठ रोगी जनिका बहुत दिनों से उपचार न हुआ हो उसका संपर्क में आने से कुष्ठ फैल सकता है।

**लक्षण :** त्वचा पर एक रंगहीन दाग जो थोड़ा या पूरी तरह स्पर्शहीन हो या उसपर किसी चीज का चुभन का भी अनुभव नहीं होता। हाथ और पैर को सुनो हो जाना। चेहरे पर, नतिबों पर, शरीर के अन्य हिस्सों को दूसरी बहुत सारे, नरम एवं जनिकी परिभाषा न बताई जाए ऐसे लाल व स्पर्श किशम या स्पर्शहीन धब्बे।

**उपचार :** कुष्ठ रोग पूरी तरह से ठीक हो सकता है यदि किसी डॉक्टर के द्वारा रोग की पुष्टि कुष्ठ रोग के रूप में की गई है तो निम्नलिखित बातों को पालन करें। रोग के ठीक होने या किसी और उसके फैलने की आशंका से ब्रत न हो। बहु-औषधोपचार चिकित्सा (मल्टी ड्रग थेरेपी) (एमडीटी) कुष्ठ रोग की किसी भी अवस्था में बहु औषधोपचार चिकित्सा की मदद से एवं यदि इसे नियमित रूप से लिया जाए तो पूरी तरह ठीक हो सकता है। एम.डी.टी. हर जिले में सभी अस्पतलों को कुष्ठ रोग ईकाई में, सामुदायिक स्वास्थ्य केन्द्रों एवं लोक स्वास्थ्य केन्द्रों में मुफ्त पर्याप्त हो सकती है। एम.डी.टी चिकित्सा डॉक्टर द्वारा बताई गई समायवधी के लिये नियमित रूप से लेना अनिवार्य है। रोगी घर में अपने भोजन के उपरांत एक निश्चित समय अपनी एम.डी.टी. लेने के लिये निर्धारित कर लें क्योंकि वह इस समय दवा लेना भूल नहीं सकता।

**कुष्ठ रोग के संबंध में गलत तथ्य :**

कुछ लोगों का विश्वास है कि वंशानुगत कारणों, अनैतिक आचरण, अशुद्ध रक्त, खान-पान की गलत आदतें जैसे सूखी मछली, पूरवपापकरम आदि कारणों से कुष्ठ रोग होता है। लोग मानते हैं कि कुष्ठ रोग केवल कुछ ही परिवारों में फैलता है। यह केवल स्पर्श मात्र से हो जाता है। कुष्ठ रोग प्रायः कुरुपता के साथ जुड़ा हुआ होता है। कुरुपता आने के बाद ही कुष्ठ रोग का निदान किया जा सकता है। कुष्ठ रोग अत्यंत संक्रमणशील है एवं यह संक्रमणशीलता कुरुपता से जुड़ी हुई है। कुष्ठ रोग लाइलाज है। जिन परिवारों में कुष्ठ रोगी है उस परिवार के बच्चों को कुष्ठ रोग होता है।

## BLP NEWS

### AWARENESS PROGRAMMES DURING ANTI-LEPROSY WEEK

On the occasion of anti leprosy day ie 30<sup>th</sup> January 2014 and during the week several awareness campaigns and activities were organised by BLP in collaboration with India Association of Dermatologists, Venerologists and Leprologists, Maharashtra Branch ( IADVL-MB) at Vocational Rehabilitation Centre and Skin clinic, Sion and also in the slums. Anti leprosy day is observed to mark the death anniversary of Mahatma Gandhi as a tribute to his rigorous and altruistic efforts for upliftment and for mainstreaming and rehabilitation of persons affected with leprosy.

BLP organized an awareness and health education programme at the IADVL- BLP Free Skin Clinic, Sion, Mumbai and also a Skin Camp for the General Public at the Main Referral Centre at Chunabhatti, Sion.

**Mr Baban Kadu**, a person affected with leprosy and rehabilitated by BLP, while garlanding the photograph of Mahatma Gandhi recalled his struggle against leprosy and thanked BLP for supporting him. **Dr V V Pai, Director BLP and Coordinator SIG Leprosy, IADVL**, while addressing the audience emphasized the importance of anti-leprosy week and that how Referral centers of BLP in and around Mumbai has been benefitting several patients while contributing in reducing the disease burden in the community. He also focused on community participation in the efforts of

eradicating leprosy which will go a long way to reduce the stigma prevalent among common people about the disease.

**Dr.Manish Gautam, Hon Secretary IADVL - Maharashtra Branch**, Chief Guest for the function appealed to people to contribute for eradication of leprosy without which it will not be possible. While appreciating BLP for its leprosy relief work he emphasized the need for people affected to seek free treatment provided at various BLP clinics. He mentioned that Dermatologists and Leprologists engaged in the fight against leprosy are waiting for the day when the disease will be eradicated from the face of the earth. Later educational video films on early diagnosis, self care measures were shown to the patients in the audience by **Health**

**Administration Interns from Tata Institute of Social Sciences.**

### SKIN CAMP

Several people were screened in the camp and suspects for leprosy were identified. Patients with clinical problems and nerve damage were assessed and provided physiotherapy measures. Though such activities are successful in creating awareness and educating people about their disease and treatment measures, they need to be carried out on a regular scale for their participation in the efforts towards the goal of **"WORLD WITHOUT LEPROSY"**.

Lunch was served to all the patients and staff of BLP donated by well wisher.

## Minutes of IADVL business meetings held on morning of 4th December during 42<sup>nd</sup> Annual National Conference of IADVL (DERMACON 2014) at New Delhi Minutes of Combined Central Council and Annual General Body Meeting of IADVL for the Closing Year 2013

Held on 4<sup>th</sup> December during 42<sup>nd</sup> Annual National Conference of IADVL (DERMACON 2014), Hotel Ashok, New Delhi, in IADVL hall from 9.30am to 11.30am

70 IADVL members attended the AGB meeting.

President Dr Suresh Talwar welcomed members to the AGBM of IADVL closing year 2013. Dr P Narasimha Rao, Hon Gen Secretary IADVL. started the proceedings.

**Condolences** were paid to members who passed away during the previous year. These are the list of 5 members. who are no more with us. They are Dr. RT Bagale from Maharashtra, Dr. Gurunatha Babu from Andhra Pradesh, Dr. M. B. Gharpuray from Maharashtra, Dr. S. V. Indra Kumar from Karnataka and Dr. R. V. Singh from Uttar Pradesh. The house conveyed its condolences to the family members of those who are not more. Members stood for one minute in silence in their memory.

### **Agenda: Confirmation of minutes of AGBM of last year at Ahmedabad during January 2013.**

One of the matters discussed during the last years AGBM was brought to attention of the house, which was the proposed change of name of IADVL to IAD.

Dr Suresh Talwar informed the house that during that discussion last year it was advised that secretary and president of IADVL should discuss with the advocate and auditor regarding the issues involving the change of the name of society and to be discussed further during EC Meeting 2013. The methodology has to be evolved. Members suggested that it should go through constitutional committee and Dr. Suresh Talwar informed that the referendum on it will have to be taken by ballot.

The first thing was the change of name from Indian in a society. The Lucknow registrar of societies says that the word Indian cannot be used, but can be registered as "Association of or of India" which is the general thing passed by registrar of societies where they are not going to register any society in the name of 'Indian' for any new entries from now on.

The reasons of this could be that people are using name India as if it is a government organization or if the society is to have

name Indian then it should contain at least 10 members from different states in it and the name with Indian takes 6 months to be registered and 1 week without it.

Conclusion: The name change was not accepted and will continue to be IADVL.

Confirmation of minutes of Ahmedabad AGBM: Passed by the house.

### **Agenda: Annual report of Hon General Secretary Dr P Narasimha Rao:**

Dr P Narasimha Rao, Hon Gen Secretary read out the annual report of general secretary was read out, which is as follows.

Dear Members, Greetings!

This is the last term of mine as a secretary of IADVL and this last presentation in this capacity. During the last 2 years, I have endeavored to serve the best of my ability to the cause of IADVL. I thank the help of Dr. D.B.N. Murthy, Treasurer, and Presidents, Dr. S. D. N. Gupta, Dr. C. R. Srinivas, Dr. Suresh Talwar and Dr. Deepak Parikh apart from other EC members. I thank them all for their guidance and IADVL committee members especially, the chairman, conveners and state executive members for their support.

At present, the total strength of IADVL is more than 8000 with 70 new life members and 253 PLMs joined the organization this year. We are the second biggest Dermatology association in the world. With the number of new members joining every year, in the next few years IADVL will surely become the biggest organization.

IJDVL and IDOJ, are official journals of IADVL, have made a mark in the world of Dermatology. It is heartening to note that the impact factor of IJDVL has gone up to more than 1.2. IDOJ under the editorship of Dr. Shyam Verma has reached the 4 issues per year last year and started IDOJ annual awards this year, which would be distributed during the valedictory function.

We had a very successful MIDDERMICON and CC MIDDERMICON meet at Patna where important IADVL matters were discussed. As my office deals with all the administrative matter, I thank all

the state members for the support and cooperation extended during last one year.

Prof. Hema Jerajani, the Chief Election Officer, conducted elections of IADVL this year very efficiently. The candidates were impeccable in adhering to election code. For the first time, the ballot decided the DERMACON venue of the ensuing year that is 2016, which is a welcome event in a democratic organization like ours.

I am happy to be a part of IADVL delegation that attended the Asian Dermatology congress with Hong Kong and successfully bid for it to host the next congress, which is going to be held in Mumbai in the year 2016. Apart from this, we are also going to have South Asian Regional Dermatology Conference in Mysore in 2015, which also happened and confirmed this year at Sri Lanka.

The IADVL e-groups are very active. I thank Dr. Kanthraj, Joint Secretary, who took keen interest in its activities and launched the resident forum, for which the initial enrollment and response is very encouraging.

I thank all the members of IADVL for their support, suggestions, advice and help extended to me as an Honorary General Secretary. It has been a very eventful period of my life and I wish and hope that I could live up to your expectations. Thank you.

**Agenda : Adopting the audited accounts of IADVL for the year 2012-2013 and unaudited balance sheet up to October 30 by Honorary Treasurer IADVL, Dr. D. B. N. Murthy.**

Dr DBN Murthy presented the IADVL audited balance sheet of IADVL as of March 31, 2013, and unaudited balance sheet as of October 31, 2013.

Dear members, Greetings. At the outset let me state that the audited balance sheet is a combined one, consisting of both IADVL and IJDVL accounts whereas only IADVL accounts is being presented by me.

During our tenure, we tried to save finances of IADVL by decreasing the expenditure and increasing the corpus fund by increasing the income to IADVL. Salient features of IADVL balance sheet: We have increased the corpus fund above 88,00,000 in one financial year ending on March 31, 2013, of which 60,00,000 is the new deposit and the rest is from the interest on fixed deposits.

We have received 25,00,000 from conference surplus funds from Jaipur DERMACON 2012. Second big contribution was from MIDDERMACON receipts, of more than 21,00,000 from Hyderabad, and the third one is new membership subscriptions, which have gone up and we have collected more than 31,00,000 the financial year ending march 2013.

Our main expenditure was transferring of rs. 30,00,000 to Haryana State IADVL that is sharing of DERMACON surplus and the MIDDERMACON expenses were more than rs.24,00,000. In addition to this, we have paid rs. 23,00,000 to IJDVL towards interest on money of IJDVL which we were holding. We have also given rs.20,00,000 advance to ICD DERMACON conference. In spite of all these expenses, we could still save an excess of income over expenditure more than Rs. 46,00,000.

That is all regarding the audited balance sheet. I welcome any questions from members and Dr PN Rao and I would be happy to answer them.

**Queries**

Dr Coondoo: DERMACON 2012 surplus is shown in 2 places, one is in the audited accounts and again in the unaudited accounts of this year but it is to be given once only accompanied by a letter from the organizing chairperson and the organizing secretary or treasurer?

Dr Murthy Clarified that they are separate accounts; one is DERMACON and the other is of DERMAZONE.

Dr Coondoo : The return of DERMACON seed money from Ahmedabad is not shown

Ans Dr Murthy: Rs. 10,00,000 have been received as return of seed money is reflected in the balance sheet and not in the income and expenditure statement. There is no money in the SBM Mysore; it has all been transferred to Hyderabad.

Dr C R Srinivas: After the service tax, if you pay excess in the return will that be returned back to us?

Ans Dr Coondoo: Auditing is only done after all the accounts are completed and auditing cannot be done before paying income tax. The House discussed about the surplus amount.

Dr Venkat Mysore: It is commendable that Rs. 10,00,000 has been saved in the IADVL GSK quiz.

All the restructuring of conduct of Quiz it has to be appreciated.

Q Dr Venkat: Regarding the advertisement revenue of IJDVL, in IADVL accounts it is shown as 72,44,937 and when we add up what is shown in the IJDVL account it does not come to 72,00,000 but is a little less?

A: Dr PN Rao: This query has been forwarded to the auditor who in turn sent a mail regarding it. The subscription has been added to it along with interest of the FD in IJDVL and it reaches 72,00,000 with it.

Dr Venkat Mysore: MID DERMA Meet/ and MIDDERMACON at Hyderabad shows a loss of 3,00,000. Why so?

A. Dr PN Rao: Before 2012, MID DERMA CC meet was done separately and there was no MID DERMA account, but in 2012 under president, Dr. C. R. Srinivas, we decided to do one trial in Hyderabad and thus a CC MID DERMA meet along with MIDDERMACON was done. As there was only one to one-and-a-half months time during that meet, only 10 stalls raised a total accruals of Rs. 21,00,000 in the conference.

As we had lot of invitees for the conference, workshops, and as well the travel expenses paid to the CC members and booking of 3 halls, the total expenses came to Rs. 24,00,000 or odd and hence the excess of expenditure over income was just Rs. 3,00,000, which was the total expenditure.

When we look back to previous year when Dr. Ramesh and all have conducted, they have spent around Rs. 13,00,000 to 15,00,000 only for CC Meet and as we combined the meet this year we have been able to save about Rs. 10,00,000 to Rs. 12,00,000. For example, Patna conference was done this year where they took care of all the arrangements, but still IADVL has to pay for the flight tickets of 60 or odd CC members, which itself only incurred a cost of Rs. 7,00,000 and of course the conference people themselves have spent lot of money for arrangements of food, beverages, etc.

What happened is that, basically in 2012 is we had spend very little money to conduct a very successful CC meet, but it had a bit less time for discussion which needs a solution, otherwise 80% of this meet cost has been met by MID DERMACON.

**Dr Murthy presented the unaudited balance sheet of IADVL up to October 31, 2013:** Salient features are as follows: Up to October 31, 2013, we have received Rs. 25,00,000 from Ahmedabad DERMACON surplus amount and a return of 10,00,000 of advance money. We have also got Systopic Oration sponsorship of Rs. 12,25,000 only. From new

members, we have collected up to Rs. 19,00,000 and the GSK quiz receipts were Rs. 10,80,000. IDOJ educational grant was Rs. 3,92,000. Kiwi poster award contributed Rs. 3,00,000 and DERMAZONE 2012 surplus was Rs. 4,34,000. These are the main receipts which have been collected from April till October.

The main expenditure was ICD PG registration which was Rs. 2,50,000, the election expenses were more than 2 lakhs, CC Meet travelling expenses were more than Rs. 6,00,000, and GSK Quiz expenses were Rs. 3,39,603. In spite of all these expenses, we have an excess of income over expenditure that is almost Rs. 45,00,000. We have neither touched the corpus fund nor its interest. We have increased the corpus fund, which we received as Rs. 4,00,00,000 to today of Rs. 5,48,00,000.

After 2 years of treasurer's experience, I feel that an auditor should be available to present this budget to our knowledgeable members to answer the questions related to the auditing. We are attempting to give a clarity to IJDVL and IADVL accounts and the process is on. There are so many proposals we are receiving regarding financial management of IADVL, but due to paucity of time we cannot do justice to the issues raised, hence the next EC has been requested to fix some date and time during the conference so that we can discuss financial matters only.

I am thankful to the past President, Dr. C. R. Srinivas, and present President, Dr. Suresh Talwar, along with Dr. P. N. Rao who were guiding me in all efforts to make a strong IADVL financially.

#### Queries

Q. Dr Deepak Parikh: What is the status of accounts of Patna conference?

A. Dr PN Rao: They are yet to be received. Dr PK Roy informed me that the organizers are on it. There are still has some pending hotel bills to be cleared, so will take a little time to finalize the accounts.

Q Dr Deepak: In our constitution, certain amount would be ear marked for academy, so wanted to know where is it getting reflected?

A. Dr Jayadev: The 20% or so of the amount is ear marked. It is being kept in the corpus fund and the amount is arbitrarily written in the book, but a separate head of account is not there;

it is not put in the budget, but should be done in a separate head.

Dr Venkat Mysore: Three years back, the same questions has been raised that is how much money do we spend annually on academic matters and at that time it was said that it is difficult and to do from next year on but it remains the same still. The IADVL election expenses have gone down this year and record our appreciation.

Query: What is L'Oreal advertisement expense?

A. Dr PN Rao: As per the contract, we are supposed to put one full-fledge advertisement in IJDVL journal so that everyone can know about it and Dr. Thappa will promptly send a bill to IADVL, so we transferred 50,000 for one full page advertisement.

Q: Dr Betkerur: Regarding ICD PG registration, why 2.5 lakhs was transferred.

A. Dr PN Rao: 30 PGs who are going to go for IADVL GSK quiz are going to get results out only about this month as the state quiz has to take place, and if they have to register now, they have to pay Rs. 30,000. We had a talk with Dr. V. K. Sharma and opined that instead of paying them honorarium Rs. 15,000 are going to pay lump sum so that they all will register and transfer the amount.

Q. Member: The expenditure to IADVL MIDDERRACON from Hyderabad was Rs. 3,00,000, but why Patna's was Rs. 7,00,000?

A. Dr PN Rao: Patna accounts are yet to be finalized and they are going to give us a surplus from which the Rs. 7,00,000 are going to be adjusted. Traveling expenses were shown separately as IADVL expenses for Patna and shown it as a MIDDERRACON expense in Hyderabad, so Rs. 24,00,000 includes about 6 or 7 lakhs of traveling.

Dr Koushik opined that August body we can take a resolution that for entertainment purpose what was done in Patna during IADVL meeting should not be endorsed or repeated in any further IADVL meetings, which is only possible if provided the organizers of the DERRACON or MIDDERRACON would involve EC in the program for policy matters that what type of entertainment should be provided under IADVL banner.

A. Dr PN Rao: There is no set protocol as to post-conference events are not included in the constitution and hence we do not know for sure about the guidelines on how to conduct dinner and post dinner events, etc. General guidelines should be put

out on issues of how to conduct post conference events such as dinner or entertainment programs by preparation of SOPs.

Query: How much is the ICD seed money we have to receive?

A. Dr PN Rao: ICD has to give us back seed money of Rs. 70,00,000 and 50% of profit has to be shifted to IADVL.

Query: When Systopic oration was started, it was decided that they will pay Rs. 10,00,000 and now after increase in the recession and everything how much are they paying?

Dr Suresh Talwar: The contract with the GSK has been renewed and we are going to get Rs. 3,00,000 more with a clause that they are going to increase it by Rs. 1,00,000 every year. With Kiwi we have entered into a poster contract and they paid Rs. 3,00,000. Ranbaxy for the IDOJ were giving Rs. 1,00,000, but this year it will reach to Rs. 4,00,000. This is how we make a profit of Rs. 86,00,000 in 1 year and corpus fund has been raised by Rs. 1,05,00,000. By combining midderracon and CC meet, we have saved about Rs. 12,00,000 last year.

The house passed the IADVL accounts submitted by the Hon Treasurer.

#### **Agenda: Minutes of Finance committee meeting and their recommendations**

Dr P Narasimha Rao, Hon Gen secretary requested the chair and house to take up the finance committee recommendations prepared at Patna, which could not be discussed at CC meet of patna. The matter was taken up by the house. Dr Jayadev Betkerur, chairman finance committee gave the opening remarks and explained the salient feature of the finance committee recommendations.

#### **Minutes of IADVL Finance Committee meeting and its recommendations**

**Minutes of Finance committee meeting of IADVL held on 17th of August at 1.30 pm at the 5th Floor of Hotel Maurya, Patna.**

**Present:** Dr Jayadev Betkerur, Chairman, Finance committee-IADVL

Finance committee members: Dr DBN Murthy (convener), Dr Roopak Saxena, Dr P Narasimha Rao Dr Suresh Talwar (members). Could not attend: Dr DM Thappa

Also present as special invitees: Dr Deepak Parikh, President

elect and Dr Kanthraj, Joint secretary, IADVL. Meeting was called to order by Dr Jayadev:

**Agenda 1:** IJDVL money in IADVL accounts:

Members actively participated and Dr Roopak Saxena, Treasurer of IADVL 2008-9 and Dr Jayadev Bekerur, treasurer of IADVL 2010-11 clarified as thus, based on IADVL audited accounts of their financial years. It has been observed that no segregation of corpus of IADVL was done till 31st March 2012, to reflect the portion money of IJDVL lying with IADVL, in IADVL the audited accounts. However, IADVL has been transferring arbitrarily an amount of Rs 23 lakhs annually in year 2010 and 2012 to IJDVL accounts of Pondicherry. To arrive the exact proportion corpus of IJDVL in IADVL accounts, IADVL accounts of 2009, 2010 and 2011 were scrutinized and the following figures were arrived at, based on the year ending account statements.

**IJDVL money with IADVL corpus:**

By the of 31st March 2010 : Rs 2,12,13,333  
Confirmed By Dr Roopak Saxena,  
Treasurer 2008-9)

Portion of DERMACON surplus  
marked to IJDVL 2000 & 11 : Rs 57,78,000

From membership fee to IJDVL  
up to March 2012: Rs: 1,30,6250  
(These exclude the 46 lakhs  
transferred as interest in  
year 2010-11 from IADVL  
to IJDVL)

IJDVL funds with IADVL as  
on 31st March 2012: Total: 2,82,97,583

(Two crores, eighty two lakhs ninety seven thousand five hundred and eighty three only)

Based on the above facts the Finance committee resolved as follows:

- A. The total corpus of IADVL to be divided in to two heads , IADVL and IJDVL. Out of total corpus of 4.0 crores with IADVL by 31st march 2012, Rs 2.82 crores be marked as IJDVL funds and rest as of IADVL funds.
- B. The FD of 1.29 crores with IJDVL at Pondicherry bank be transferred to IADVL. The interest for the whole of IJDVL to be shown separately in IADVL accounts and to be paid to

IJDVL as and when required.

- C. The division of corpus of IADVL to be continued henceforth and money ear marked to IJDVL from membership fee and other sources as resolved by AGBM be shown in its corpus.

**Agenda 2:** DERMACON Jaipur 2012 accounts: The non-communication of detailed audited accounts of DERMACON 2012 was discussed. Resolved as follows: No communications were received towards settlement of accounts to the satisfaction of finance committee. It is proposed that the Rajasthan IADVL state branch share be retained with central IADVL till the accounts are settled and no interest be paid. The president and secretary of Rajasthan state IADVL are persuaded to settle the accounts and expedite the process at the earliest.

**Agenda 3:** 42nd DERMACON & ICD: The details of MOU sent was discussed. Resolution: The finance committee felt that the free services are not mentioned in the MOU and fee structure for other services is not elaborated clearly.

**Agenda 4:** The seed money for SAARC and DERMACON 2014: This matter is differed till next DERMACON meeting of committee. Seed money for these, to be given as per IADVL constitution.

**Agenda 5:** Finances for overseas travel of IADVL EC: The matter of discussed in detail. Resolution: Finance committee propose that only business meetings abroad where IADVL representation is absolutely necessary are to be represented by IADVL President and/ or Secretary, not amounting to total cost of more than 3 lakhs per financial year. For bidding for world congresses, President and /or Secretary are only allowed for reimbursement.

Dr DBN Murthy, convener of IADVL finance committee thanks all the members for successful conduct of meeting and discussions.

The house took up discussion on recommendations of finance committee, including those regarding the IJDVL funds. Dr Jayadev informed the house that finance committee recommends keeping different account for IJDVL money with in IADVL funds. The house discussed the matter. Many members participated in the ensuing discussion.

Dr PN Rao informed the house that during AGBM of Ahmedabad it was resolved that the transfer and allocation of DERMACON excess to the IJDVL, international conference bidding committee, IADVL academy fund etc. should be stopped with immediate effect. The money would be with IADVL. This arrangement

would be reviewed after 2 years. Interest on the IJDVL funds lying with IADVL would not be paid to the IJDVL. However, the interest on these IJDVL funds should go back to the corpus fund of the IADVL and should not be spent. These two have been passed in Ahmedabad.

**Query:** There is one FD with IJDVL on which they are getting an interest of 11,99,000 and this goes to IJDVL only. Now there is another interest contribution from IADVL of Rs. 25,00,000, so is it given every time to IJDVL, why?

A. Dr PN Rao: The editor Dr Thappa mentions in the accounts of IJDVL that around Rs. 23 to 25,00,000 every year are to be received from IADVL. He sends a copy with a stamp of an auditor to the secretary and which says that it is the interest on the IJDVL funds lying with IADVL. When I wanted to transfer the money and enquired with CA of IADVL, he wanted to know the exact principle on which the interest is to be paid. All this led to the calculations of money of IJDVL lying with IADVL and now the corpus of IJDVL is decided as 2.8 crores by finance committee (ref to the recommendations). The interest is not really 25 lakhs, which is just an arbitrary figure. I have transferred 23 lakhs to IJDVL last year as per request of editor of IJDVL, but it will not be done here on as, (minutes of AGBM DERMACON 2013 was quoted)

1. According to resolution of Ahmedabad, whatever interest is accrued on funds of IJDVL, it is going to be with IADVL funds
2. IJDVL itself is having 1.5 crores as corpus as of now, so is self sufficient.
3. Major portion of money IADVL has is of IJDVL and need to be maintained and shown separately.

One member pointed that IJDVL have shown a surplus around Rs. 42,00,000 in its accounts which can be considered as a reserve with them. Dr Rao informed that house that according to Dr. Thappa's presentation at Patna, IJDVL has 1.56 crores as deposits in Pondicherry. If in case revenues from advertisement goes down and money will be transferred from IADVL funds as and when required.

**Query:** We are not transferring the interest to IJDVL, so can they (IADVL) use it?

A. Dr PN Rao: We are not transferring any money as interest to IJDVL from now on. At the same time, it cannot be used by IADVL as it is IJDVL money. Unless the association or AGBM takes separate decision, this arrangement stays.

The house passed the finance committee recommendations.

#### **Agenda: Discussion on DERMACON 2013 accounts:**

Dr Koushik Lahiri: In 2013, the conference ended in January and it is clearly written that within 6 months that an audited income and expenditure account of the conference with the detailed bank account transaction and quotation received from the event management companies should be submitted to the Honorary Treasurer, which was not done. In the CC meeting at the fag end, the organizers have given some papers and cheques, so wanted to know who endorsed that amount and was it discussed ever before. The letter that Dr. Joshipura forwarded to the CC group was signed by Dr. Dharendra Muni and State Finance Chief, Dr. Chetan Patel, says that the DERMACON account should be passed by the state branch first by the organizing committee and then forwarded to the IADVL before the CC Mid Derma meet, but this was not followed as this letter was dated August 16 and before that the amount has already been given to IADVL national body and Dr. Talwar has circulated a paper which shows a group summary of direct expenses which was given by the organizers. With which Dr. Chetan Patel and Dr. Dharendra Muni has observed that the delay in submitting the account is not at all due to the Gujarat state branch and wrote a letter declaring to pardon them from any financial liabilities arising out of DERMACON 2013 and we will not comment on any income expenditure amount on various heads and figures.

Dr Suresh Talwar: The idea of discussion occurred as DERMACON 2013 organizing committee have shown a surplus of Rs. 25,00,000, but the previous DERMACON people raised less amount of money but gave more surplus so we had certain queries which were forwarded to Dr. Ranjan Rawal and Dr. Keyur Shah which were answered and with these Dr. Muni was satisfied too; however, there are certain queries which we would like GB to see.

Dr PN Rao: Dr. Muni what would you say about your knowledge of accounts and what do you feel about the account being presented and the answers provided by the organizers?

Dr Dharendra Muni: Before Patna meet, I have been told that the account should be directly sent to the DERMACON, but I have gone through the constitution and came to know that it should be first routed through the state branch and informed the same and then account was proposed to pass in the executive and the organizing committee meeting held at Baroda on October 6, but some questions were raised and the account could not

be passed, so it was opened for 21 days and all the queries were raised and they have been satisfied by the organizers and respective chairman's of the regional committees and again audited account and the auditor's remark and compliances were also received and account was put for passing, first organizing committee and then the EC committee on November 10 at Bhavnagar. I was present at both meetings and both the organizing committee and EC, in their meeting, account was discussed and passed unanimously.

Dr Koushik Lahiri: After the CC meeting, there was a meeting in the state branch and Dr. Muni told that there were some questions raised about the account which we are not sure of and there was a finance committee with Dr. Chetan Patel and other members, so what exactly has happened there?

Dr Suresh Talwar: The Gujarat state branch has already forwarded a letter where they said that they are satisfied with the account and have not physically verified because of lack of time. We have checked this up again with them and they are satisfied and do not want to check it again.

Member: Was there any resolution before opening 3 bank accounts and any resolution at the National general body to open a trust?

Dr Suresh Talwar: Yes there was a resolution to open 3 accounts.

Dr Keyur Shah: Trust DERMACON 2013 was opened as per advise of the chartered accountant as trust is the right and legal way to organize the conference.

Dr Suresh Talwar: Dr. Ramesh Bhatt is also organizing the conference after raising the trust. Depending upon its laws and by-laws submitted by them, the trust is not at all responsible to the IADVL. If the trust does not wish to pay for anything, IADVL cannot ask for the money.

Dr Koushik Lahiri: The trust is definitely for the benefit of the association to save tax or in other words to evade tax, but as per the IADVL constitution it is clearly written that if you organize the conference you need to pay the tax and is not written anywhere that you will evade or not pay tax. One needs to pay tax and send all the audited accounts to the national body, which they in turn will audit it.

Dr PN Rao: There was one proposal of organizing conference and opening trust because whether the veracity of opening a trust for DERMACON itself is a matter which is to be subjected

to scrutiny. This has been followed by last 4 to 5 conferences and we should not be discussing it unless we find something specifically wrong with the trust.

Dr Venkat Mysore: The important question should be how the functioning of trust is and was there any irregularity in that rather than why a trust is opened. There is a lot of loss as to how a trust should be formed.

Dr Coondoo: If anyone faced a difficulty, why they did not bring a resolution in the general body meeting for a trust to be passed. How was a trust formed with only one trustee, which has not happened before earlier anywhere in the world?

Dr Suresh Talwar: There are 3 members in the trust, Dr. Keyur Shah, Dr. Ranjan Rawal and Dr. Parikh.

Dr Ganesh Pai: The trust was formed not to evade tax but to avoid tax. Evade tax means stealing. The entire process of finance is evolving and cannot say that we have to get only the nationalized bank. Two-thirds of Axis bank is owned by LIC and Unit Trust of India, which are government bodies.

Important thing is has there been any pilferage of money or is there an intent to steal, which should not and is not the reason for forming a trust for us. There may be is a mistake in forming a trust without the expressed permission of the Central Council or the governing body. The simple reason of avoiding paying taxes and giving back to the IADVL the trust is constantly evolving, so there should not be a problem even if it is above board and the auditor says that it is permitted.

Dr Jayadev Betkerur: There is a proposal by Dr. D. B. N. Murthy and Dr. Rao in regard to opening of the trust and what is the responsibility of the IADVL with that along with its advantages and disadvantages.

Dr. Sapna: In a meeting in Baroda, there was an internal audit committee formed which had Dr. Chetan Patel, Dr. Shyam Verma, Dr. Muni, Dr. Jayant, Dr. Keyur Shah and Dr. Samir Mehta and Dr. Bhavesh Mehta, but I do not know what happened to it?

Dr Suresh Talwar: It is an internal matter of Gujarat state branch and they will decide whether they want to form internal audit committee or not or review it or not. Gujarat State Branch has already given an okay certificate along with organizing committee, while forwarding the details to us.

Dr Koushik: What was the nature of the trust and was it just for

one event if in the IADVL general body we take a resolution, yes for conference purpose this is important as a policy decision. After judging all the points we have 3 ways, trust is needed and we pass a resolution that all future DERMACON will be under trust or trust is may be or may not be needed and should not form a trust till that is being finally clarified or simply one should not form a trust, so wanted to know what exactly is our position?

Dr Raghunatha Reddy: I do not think any association even when one form a trust while organizing a conference can avoid the service tax, but only the income tax. In any conference, income tax is not a problem at all because at the end incoming and outgoing is zero and is balanced. The income tax is not the issue, but how much is the service tax paid that matters. Even if a trust is formed, one is not going to evade service tax which is going to reduce the money and income tax is not at all important.

Dr. Shyam Verma: The first time when all the things were discussed first in CC e groups, it was not meant to throw accusations at each other. It was only for transparency so that others know what is being spent where and for what and after that how much has been saved for our organization and if we had done it the other way could we have saved more money, which could have been used for a better purpose. We were being discouraged and advised not to ask questions on finance matter of Ahmedabad DERMACON as it is anti-State. The minutes were changed in the meeting conducted for the DERMACON 2013. As it is IADVL and national money, it is important to discuss these financial matters.

Dr CR Srinivas wanted members to ask pointed questions and avoid generalizations.

Dr. Devesh Mishra: When we gave DERMACON to state people, there was a proposal that EC also can get involved with organizing the DERMACON, which does not happen and EC plays a little role in it?

It will be considered from here on and the selected people will participate.

Dr. Sapna: If I do not get answers from my state branch whom am I to approach? I was threatened that I would be debarred if raise questions on finance matters of conference.

Dr Suresh Talwar: Please write a note to IADVL with of names of concerned people and IADVL EC would get back to you.  
Dr PN Rao informed the house that his office did not get any

representation or complaint from Dr Sapna till now.

Dr Atul Kochhar: Some of the expenses are disproportionate and exorbitant in the accounts posted online by Dr. Suresh Talwar, so what should be done about that. Specifically, venue and the food expenses which are 4.5 crores is very exorbitant for the standard of the lunch and dinner, and the entertainment accounts which are around Rs. 54,00,000 or Rs. 58,00,000 are disproportionate to the expenses, and also some cash payments were made, so whether they were authorized in DERMACON 2013 accounts. Even including the inflation such expenses cannot mount on a open ended lunch, which is very high, so how to scrutinize it as at first cheques can be given and taken back in cash, can we have an external audit as it is IADVL money, which is around 10 crores plus and was collected under it that can be useful for the younger generation and residents being in IADVL.

Dr Keyur shah: The expenditure on the venue hiring and development of infrastructure is 2.24 crores. It was earlier with the Gujarat University, but now is with a private agency that hiked the rate and all the bills are also there, which has been forwarded to us. The auditor have checked the bills and tallied the accounts.

Dr Koushik: The audited account sent to the national auditor has to be done by the IADVL but as the members are expressing their apprehension about the audits, can an audit be done as per the national constitution?

Dr Venkat Mysore: Even if another CA audits, he will go by the bills that have already been submitted, so it will not be more useful.

Dr Banerjee: If there is a discrepancy in the account, it should be checked by the central body auditing as to whether it is true or not.

Member: When doubts are being raised so much, I think we can go for a known procedure in auditing called as forensic auditing which is done when an auditor's report is also questioned and they go through all the primary documents and auditing is done then.

Dr Koushik Lahiri: The things everyone should known is what auditor has observed and they are,

1. The trust applied cash accounting policy.
2. All the debit and credit balances are subject to confirmation.
3. Assessee has not produced the receipts of registration fee

and sponsorship income, so we are not in a position to audit receipt side.

Dr Suresh Talwar: This is an old letter and auditor sent a new letter after few weeks which says that he is satisfied with the receipts.

Dr Vaishampayan: Everybody knows that the amount of expenses on each and every item has been exorbitant, so why cannot we now constitute committee, which will go through this? That is to have an independent core group to enquire and see whether the proportion of expenses on various accounts is correct or not. The person who should be detailed should not be affiliated in any sense with any of the branches in order to avoid any bias, any post holder must not be a part of this. For this, they can give an unofficial recommendation to the EC.

Dr Ranjan Rawal, Dr Bajaj, Dr Patwardhan Dr Jayadev participated in the ensuing discussion.

Dr Raghunatha Reddy: In IADVL Karnataka branch, we have SOPs, standard operative guidelines, which should be followed for organizing the conference and even finance committee is there which fixed that 20% of the total amount goes to the state branch.

Dr Suresh Talwar requested Dr Jayadev, chairman - finance committee, to comment and give his views to the house.

Dr Jayadev: After observing all the discussion that has taken place and as a lot of reservations have been expressed by many members of the GB, though we discussed it and thought the explanations given by the organizing committee were satisfactory, I would suggest that we shall have an enquiry or a committee which can go through once more and see whether all the complaints can be solved.

Dr Deepak Parikh: When there was a meeting of a finance committee, explanations were given by Dr. Keyur and we felt that they were acceptable to the EC and finance committee, however due to some of the questions raised now by all and if national has to take part in it, the only option is it sends 3 observers or 3-member committee to just have a look at the books and come to a conclusion.

President in consultation with President elect appointed a 3-member enquiry committee, they are Dr. Jayadev, chairman of the finance committee, Dr. Arijit Coondoo, and the third person is incoming chairman of finance committee and they will go to Ahmedabad if need be. Regarding who will bear the

travel and stay cost, members suggested that National body of IADVL should bear the expenses.

Thus, it is passed in GBM. It was decided that new EC of 2014 would facilitate this meeting.

**Dr Deepak:** Organizing secretary and treasurer with whom the account books are there are answerable to the team formed to check in the accounts. When the next organizing committee meeting of DERMACON 2013 is called, everyone will be informed and can ask the questions to the 3 observers who have gone through the books of accounts. Convenient date would be decided. He announced that financial issues of DERMACON Jaipur would be discussed tomorrow.

New Bulletin release: President Dr Suresh Talwar released IADVL News bulletin of December 2013. Dr P Narasimha Rao informed the house that it is available on [www.iadvl.org](http://www.iadvl.org) website for ready download.

**Declaration of Results of IADVL elections 2013:** By Dr. Hema Jerajani, Chief Election Officer

Dr Hema Jerajani informed the house as follows: It is a very pleasant task given to me by the President to conduct election this year. The election counting process was done at Mumbai. Dr. Kiran Godse and Dr. Ameet Valia represented IADVL as observers and they were there till the end of the meeting, especially Dr. Ameet Valia. There was team and support staff, which I had also maintained. The elections were held on November 16 between 9:30 a.m. to 6:30 p.m. at Jay Vanita Hall, 107 Aram Nagar-II, Versova, Mumbai 40061.

As a part of preparation, 5996 ballots were sent by registered post along with the data provided by the IADVL Honorary General Secretary. 2377 members sent valid ballots, but about 50 to 60 people did not vote although they sent the ballots and voted only for part ballots and not the complete. Some did not express about the venue and some about the president, but rest of them was all filled up. 39.64% was valid voting. 705 ballots were returned undelivered or late arrivals of about 100 ballot papers at the end of November 16. There were some invalid votes where all the details were not there, no IADVL number, no signature, etc.

All the valid, sealed ballot papers were received and mixed together and then content of results were manually noted down and after every round were displayed on a white board in presence of the 3 people who were contesting. Ballot papers were then sealed in a box after the final counts.

Only 136 people voted through electronic voting. There was a tie between Coimbatore and Hyderabad for the DERMACON site, so recounting was done. After 2 countings by me and Dr. Ameet Valia at the end of 6:30 p.m., the winners are,

**Dr. Venkataram Mysore, President elect**

**Dr. Rajesh Verma and Dr. Sanjeev Gupta, Vice Presidents.**

**Dr. Narendra Gokhale and Dr. Krina B. Patel, Joint Secretaries.**

**Coimbatore, IADVL TN branch, was elected for hosting the next conference, DERMACON 2016.**

**Dr. Rashmi Sarkar, Honorary General Secretary Elected unopposed**

**Dr. Somesh Gupta, Honorary Treasurer Elected unopposed Aurangabad was selected unopposed for the next MID DERMACON conference.**

She concluded her presentation and thanked members for the trust and support. She mentioned that as she has gained lot of experience hosting the IADVL election and she wished to share it with EC with the permission of president.

The Closing year AGBM for year 2013 was concluded with this and president Dr Suresh Talwar adjourned the house.

## Minutes of AGBM of the Commencing year held on 05/12/2013 at New Delhi at Ashoka Hotel, Hall E and the Same Continued on 07/12/2013 at Hall B1

**President Dr. Deepak Parikh invited all EC Members on stage-immediate past president Dr Suresh Talwar, President elect Dr.Venkataram Mysore, Vice presidents Dr. Rajesh Verma and Dr.Sanjeev Gupta, General secretary Dr. Rashmi Sarkar and joint General secretaries Dr.Narendra Gokhale and Dr.Krina Patel. He welcomed all members present at GBM. Dr Rashmi Sarkar, Honorary General Secretary,announced the Agenda and Proposals of Opening Year(2014-15) AGBM.**

Constitution related matters will be taken up in this meeting and DERMACON, MIDERMACON and other matters will be taken up in meeting in continuation on 7th Dec 2013. House agreed for the same.

### **1) Dr. Deepak Parikh started the meeting asking for confirmation of minutes of Closing Year's CC and AGBM 2013held on 4th Dec. 2013 at New Delhi.**

It had been decided that a three member committee comprising Dr.Arijit Coondoo, Dr.Jaydev Betkerur and Dr.Rupak Saxena will visit Ahmedabad to scrutinize the accounts of DERMACON2013 to resolve the queries related to same.

Dr.Arijit Coondoo informed that he will not be able to go to Ahmedabad in December due to other engagements and so new member may be selected. Dr. Deepak Parikh assured him that all three committee members can decide their convenient time at any later date which Dr.Coondoo agreed.

Dr.Ranjan Rawal informed that they are ready with all accounts related questions and answers and all account papers are ready so matter should be dissolved here only.

Dr. Deepak Parikh took the opinion of the house by raising hands for and against the decision of sending committee to Ahmedabad. Majority (14/12) of the members voted against sending committee to Ahmedabad.

Dr.Koushik Lahiri objected to this mentioning that the attendance in the hall is very thin and opined that such a vital decision about the fiscal transparency of the organization which was passed in the closing years GB cannot be reversed this way by a difference of just two raised hands.

Dr ShyamantaBarua felt that the EC's votes should be taken into consideration.

As per suggestion of Dr.Koushik Lahiri and Dr.Shyamanta Barua votes of EC members were taken through ballot papers. Dr Venkataram objected that EC should not be involved in voting and said he will do so only under protest.Majority favoured sending committee to Ahmedabad. It was finalized to send committee to Ahmedabad and dates shall be informed to Gujarat President at a later date.PASSED

#### **Proposed by Dr Deepak Parikh:**

#### **Proposal-1 : Ambiguities in constitution and changes proposed:**

Ambiguities in constitution and changes proposed

Dr.KoushikLahiri pointed out that the proposal will result in changes in constitution and such proposals require signatures of 5 members. This was not agreed upon after Dr Venkataram Mysore pointed out that support from five members is necessary as constitutional amendments should not be taken lightly, and this was supported by Dr CR Sreenivas.He suggested that opinion of GB can be taken and it was unanimously passed to go ahead with the proposals even if it is by one only.

- 1) Page 6 – “16th December the counting of votes will take place on this date.”

Proposed - “The counting of vote will take place on 3rd Sunday of December” hence last date of receiving ballot paper will be the preceding Saturday of December. The election result will be communicated within 4 days of counting votes.

This will also means changes on page 32 clause ‘S’ and ‘Y-PASSED

- 2) Page - 15 No 12 i

“The Editor of the Indian Journal of Dermatology, Venereology and Leprology”

It should include editor of Indian Dermatology Online Journal(IDOJ)PASSED

It should read as "completed the tenure at the \_\_\_\_\_ as President" PASSED

7) Page 33

h- "The members of the committees shall be elected from the members of the Central Council with the option of co-opting a non-member when there is a need for an expert who is not a Central Council member."

This clause needs to be removed and any LM of IADVL can be elected to any committee.

L- "The President \_\_\_\_\_ At the earliest"

Clarity – Such committee MUST have very specific purpose, must have fixed tenure and in any case gets dissolved when president's tenure ends. PASSED

8) Page 33 – 2 – A I "CC MIDERMAMEET" needs to be reworded as "CC MID- DERMA MEET" PASSED

9) Page – 36 No.4

"Any member desirous of moving a proposition or resolution at the GB meeting of the Association shall give to the Honorary General Secretary at least 60 days' clear notice before the date of the meeting.

This is in contrast to what is mentioned on page 37

"Any member wanting to propose any change in the rules of the Association shall give at least 60 days' notice of such a proposal before the date of the meeting to the Honorary General Secretary in writing, signed by the proposer and duly seconded and supported by five other valid members."

Suggestion: Any proposal can be brought to GBM by even single proposer –

**GBM: NOT passed. Proposal that needs constitutional amendment needs to be send by five members. Dr. Mysore suggested it to be 30 days. Dr CR Srinivas seconded and passed by house.**

Same para last line

"The Honorary General Secretary shall circulate the proposal to the branches within 10 days of receiving the proposal for their opinion and place the same before the next meeting of the Central Council and if approved by the Central Council, place it before the next GBM of the Association."

**This is not required. PASSED**

10) Page – 37 b last line "The decision of the Constitution Committee in this regard will be final."

Can we allow 5-6 people decide about proposal? While all other proposal has to be compulsorily needs to be put before GBM?

**It was decided that comments of the constitution committee will be put forward to GBM along with proposals**

11) Page – 38 8 – f

"The Organizing Committee should host dinners on the CME day and the first two days of the conference."

Should this compulsion be removed? Only one dinner, will save money.

**GBM: House opined to keep it as it is. Org. Committee will give dinners on CME and two days of conference.**

12) Page 39 **DERMACON**

Clause d and e are now redundant and be replaced as

"all eligible venues will be included in ballot paper and venue will be selected by election process. PASSED

13) Page 41

12- "The Organizing Committee of the conference may, at its discretion, bear the travel and accommodation expenses of the outgoing and incoming Presidents, the Honorary General Secretary and the Honorary Treasurer."

This has created lot of confusion and heartburn. Let us have clarity yes or remove the clause.

GBM: It was decided to leave it as it is.

14) page 42

First para "The outgoing President and other office bearers may be felicitated at the inaugural function"

Best remove this clause.

**GBM: NOT PASSED. They should be felicitated during Inauguration.**

15) Page 42 State branches list needs to be updated as new states have formed.

**PASSED**

16) Page 49

Discusses state EC members and also mentions in it clause h "state council members", this is what had created confusion. Many states also have terminology like managing committee where does it stand?

Need to clearly define what is EC, CC .

EC should mean just like centre. President, Past President, President-elect, secretary, treasurer, two Jt. secretary and two vice-presidents. (For central election one has to hold post in EC) hence R12 should be entitled as state EC

Rest all by whatever name be called state council.

**GBM: It was agreed that the word should be "State Council" to be communicated to members of States. PASSED.**

**2. Proposed by Dr Sanjeev Gupta:**

As per current protocol, the Brief Biodata of contestants for IADVL EC elections is printed in IADVL News. but still, many of members are not aware of details of contestants. So, my proposal is that if we add one paper mentioning brief biodata of contestants along with conventional ballot paper post this will enlighten members regarding detail of contestants. For e voting we can give hyperlink on the names of contestants which will flash brief biodata of same, this is not going to add any extra cost neither in postage nor in e-voting. this practice is already there in API elections. you are hereby requested to put forth this proposal at appropriate platform.

**AGBM Discussion:**

This was seconded by Dr Raghunatha Reddy and Dr Kantharaj. House agreed to send brief bio-data of each contesting member

along with election documents. PASSED

3. **Dr Suresh Talwar proposal:** Changes in the important dates in constitution book: a) Pg 5 IMPORTANT DATES TO REMEMBER: To add:"31 July Last date for submission of abstracts for orations and award papers 31 July Bidding of DERMACON: Two and half years before the actual conference, i.e. for Jan 2015 conference one should bid by 31 July 2012. Opinion of the constitution committee: Agreed and accepted as viable. Decision at CC meet: PASSED

**AGBM:**

Proposal by Dr. Suresh Talwar

p.27 no. 8 (agenda) dates in respect to IADVL elections – same except change in last date for receiving ballot papers and counting date – as per previous discussion.

4. **Proposal by Dr Devesh Mishra:** Name of proposal/s: IADVL Elections Reforms and International Confs with DERMACON. Proposed by: Dr Devesh Mishra, Lucknow LM/UP/236, Dr Neeraj Pandey LM/UP/4926 Dr Ajit Kumar LM/J/2877

**Proposal 1: IADVL Elections**

1. E Voting coordinator should not contest election for next 3 years- NOT PASSED  
Dr Parikh suggested that maybe Secretary or an EC member could be evote coordinator.
2. E Voter's list to be given to contestants. (It was not given this year. Unconstitutional)-PASSED
3. Ballots NOT to be reposted after last date of dispatch under any condition.

**ALREADY EXISTS**

4. Instead of 31st March, 30th June be the date of records for ascertaining names of eligible voters. This will more time to secretariat and contestants to update member's addresses-NOT PASSED
5. Returned ballots addresses to be noted ; for correcting addresses for saving IADVL money on posting ballots which return.

GBM: Dr Narendra Gokhle has already taken up corrective measures.

6. All members who wish to contest election should declare their INTENTION to contest at least 3 years in advance. This will give enough time to general members to judge them and know their work, profile and views. NOT PASSED.
7. E sites like Yahoo and IADVL –ACAD be made open to contestants. This will make it more open; opinion on contentious issues be known. At present contestants keep silent. Play diplomatic. We need clear minded leaders. This will also fulfil demand of debate of contestants as members often demand on ACAD sites.

GBM: Only 1 chance of appeal to be given to all contestants, only on general iadvl group and not directly but through Hony.Secretary, IADVL.

**5 Jaipur DERMACON – DERMACON 2012**-Account-As it was decided that Jaipur DERMACON Account would be discussed in the Closing AGBM meeting on 4th December 2013 this accounts were to be discussed in Opening AGBM due to availability of Dr. U.S. Aggarwal.

**AGBM:**

Regarding Jaipur conference – DERMACON 2012 – account

Dr. Deepak Parikh asked Dr. Betkerur – who informed that all queries raised have been resolved except issue of Service tax which is not paid by conference. Dr. Dinesh Mathur and Dr. Dr. US Agrawal informed that as per their IT consultants advice, ST need not to be paid by DERMACON so they have not paid the same. Dr. Koushik Lahiri raised the issue mentioned on p.45 of constitution; as per the same there should not be any conflict of interest between organisers and service providers for conference. Person who was hired as even management was related to Dr. Dinesh Mathur. Dr. Dinesh Mathur informed that there was no service provider hired as event manager for DERMACON 2012. Dr. Koushik Lahiri informed that Dr. Dinesh Mathur's brother was given contract as service provider for DERMACON 2012; which Dr. Dinesh Mathur agreed. Dr. Koushik Lahiri : There has been delay and tampering with accounts and audit report. Dr. US Agrawal apologized for that. Dr. Deepak Parikh asked the house what action should be taken for this

Dr. Koushik Lahiri also raised the question that audited accounts were not given in time at the time of EC meet as requested by Dr. Talwar. Dr. Talwar mentioned that a page of Jaipur DERMACON accounts with cutting had been handed over at CC Mid-DERMAMEET at Patna.

Dr. Deepak Parikh inquired with Dr. P.N. Rao about the audited accounts of Dermacon 2012. Dr. Koushik Lahiri inquired about what kind of IT scrutiny is going on for Dermacon 2012.. Dr. U.S. Agrawal replied that it is a routine inquiry from IT department. Dr. Somesh Gupta stated that as large transactions are involved this type of inquiry from IT department occurs randomly. Dr. Deepak Parikh asked organisers to submit a fresh audited account. The paper with some cutting had already been submitted to IT Dept. hence would have to remain as it is but the auditors could prepare fresh one which Dr. U.S. Aggarwal agreed.

Dr. Ranjan Rawal raised the issue of query generated against previous DERMACON conferences from ST department and she asked central members to send in writing the answer to be send to service tax department regarding the same.

Dr. Deepak Parikh asked the house that after finding lacunae regarding service tax in DERMACON 2012, what actions should be taken. Dr. Narendra Patwardhan said no action should be taken. Dr. Atul Kochar suggested to wait till inquiry from IT dept and then only close matters. Dr. Devesh Mishra informed that there is no issue against their account. Dr. Rajib Gogoi raised the question that accounts of DERMACON 2012 has not been submitted in GBM only given to EC. It was decided to circulate the copies of Jaipur accounts to GBM the next day.

Dr. Deepak Parikh asked organisers to submit complete audited accounts along with certificate from their IT consultants that service tax is not required to be paid – to be submitted in GB and till than a/c will remain opened and the issue will not be closed. PASSED

GBM for the day was adjourned and informed to all members that same will be cont. In Hall B1 on 07/12/2013 at 11.00 AM.

## Combined CC and AGBM of Commencing Year (2014-15), DERMACON 2014 -7.12.2013 continued from 5.12.2013

### 1. Proposed by Dr Suresh Talwar

1. For award papers we do not have the capability to determine the duration of membership of applicants; hence, it would be better to replace the "below the age of 35 years with IADVL membership for 1-2 years or membership of 3 years for age more than 35 years and membership of 5 years for those aged 40 years and above" with "below the age of 35 years".

### NOT PASSED

- b. Nobody should be allowed to contest a second term while in office, but if no one else contests the election or is ineligible, he/she will be allowed to continue in office.

### PASSED

2. Senior citizens (above 65 years ) and physically handicapped –  
GBM: approved to have separate registration counter and food area for this category, Further suggested that :
  - a) This category may be marked by giving registration slip of different color and writing priority on top
  - b) A helpline number may be provided so that they can contact a person on arrival at the venue.
  - c) In addition their car may be allowed up to the main gate by providing a separate car pass
  - d) Venue map showing location of ramp should be provided to them. PASSED

### AGBM Discussion

The President, Dr Deepak Parikh, asked what to do in case of a tie? Dr Deepak Parikh felt it should be the Arbitration Committee who should vote. There was a lot of discussion and Dr Coondoo said that casting vote of President is mandatory and he/she would have to take a stand.

### PASSED.

The President, Dr. Deepak Parikh, asked which IADVL NEWS to be printed? Since the bio data of contestants is going to be sent with the ballot, it was decided, only to print the third issue of the

news bulletin as it contains the agenda of the AGBM.

### PASSED

3. Constitution of IADVL page no 48 says that presidential speech should not be curtailed under any circumstances while page no 76 clearly mentions limit of 10 minutes for presidential speech.  
Accordingly lines in page no 48 be deleted.  
GBM: PASSED . 10 minutes is the time.
4. Service tax liability has been introduced, so all the DERMACON organizers will clear the service tax liability before submitting the account

### GBM: Already discussed and PASSED

5. 50 % of seed money for the DERMACON shall be paid by the state branch hosting the event. However if the state branch does not have sufficient funds national body after verification will pay the entire amount

### GBM: PASSED

6. Association year starts from one DERMACON to another to be inserted in page 22 clauses 23

### GBM: NOT PASSED

7. The 2 Vice presidents be allotted 2 zones to look after and accordingly they be a part of team to select best branch award

### GBM: NOT PASSED

### 8. IADVL ELECTIONS – DATE SHEET

Following dates in respect of elections to be adhered:

- 15 April – Invite nominations
- 15 June – last date to receive applications
- 15 July –last date to withdraw nomination
- 15 Sep – Secretary sends the list of valid candidates to election officer
- 1-31 October –election officer sends the ballot papers
- 15 Dec -Last date for receiving ballot
- 16 Dec-Counting of ballots and inform results to contestant
- 16- 20 File objections if any to election officer
- 21 Dec - declare result in different e group and web site

GBM: As already discussed in previous day, third Sunday of December to be taken as day for counting votes and preceding third Saturday, last date for receiving ballots.

## LAST 2 POINTS ARE NEW PROPOSALS AND REQUIRE CHANGE IN CONSTITUTION

### 9. CHANGING OVER OF IADVL OFFICE BEARERS

Presently change of office bearers takes place during inauguration of DERMACON. However it has lacuna. All throughout the year president coordinates the conference and his name is mentioned in the conference related correspondence. As the conference starts a new person takes over from first afternoon. In my suggestion the president should continue till the valedictory function and president

Elect and new executive should take over during last day in the valedictory function.

### GBM: NOT PASSED

#### 2. Proposal Dr. Jayadev J Betkerur.

Proposal sent by -Dr Jayadev Betkerur LM KN 2009,

Dr Veeranna S LM KN 2083, Dr Savitha TG LM KN 3611

Dr Ashwini PK LM KN 5510, Dr Ranugha LM KN 5819.

IADVL conducts elections of its office bearer every year. The yearly expenditure of balloting has been increasing. At present it could be above 2.5 L this, excluding the expenses of e-voting. In spite of this high expenditure the quantum of voting is low. About 30% of members. Can this expenditure be reduced and voting percentage increased? Many associations conduct elections during their national conferences during their GB meeting. Unfortunately the attendance at our GB meeting is dismal.

Our proposal is that voting may be done using a EVM at the time of registration during DERMACONS.

Modus operandi: Create 2 stalls near the registration counter. 1 stall for verification and managing. 2nd stall to keep EVM1 (or 2 to reduce the rush). The eligible voter that is LM registers at the DERMACON registration counter. At the 1st stall his/her name is verified. Any photo id card including IADVL membership card is valid. After satisfactory verification voters little finger is marked with ink. The voters enter the second stall and votes through EVM. The EVMs will be kept open for CME +1 and half days.

### Contestants

They are allowed to canvas 100m away from the voting &

registration area. They may be allowed to distribute pamphlets, put up only one banner. The bidders for DERMACON venue can also do the same.

The contestant may also be allowed to campaign in IADVL general yahoo group after paying to IADVL. The rules and regulations may be formed by EC. The voting can be kept open CME + 1 and half days of conference closing at 12pm on second day.

Counting can be done between 1pm to 2pm and results announced during the opening GBM on second day evening.

### Questions

Cost of EVMS and programming to be enquired

Can EVM be used in any elections other than state and general elections?

If allowed these EVMs can be renewed

GBM: The president, Dr Deepak Parikh said that some contestants used to bring their supporters and get elected on the floor. Dr. Narendra Patwardhan said that we should

promote the existing set up specially the e-voting one.

Motion was rejected

### 3. Proposal 3, Page 22-Continued from 5th December 2014

17. Proposal 3 Page 22 number 17 Constitution Page 50

R11 ASSOCIATION YEAR AND FINANCIAL YEAR State branches and local branches should have 1st October to 30th September as the association or financial year so that they can hold their Annual State Conference (CUTICON) between October and December, and be ready with all their reports to be presented at the respective CUTICON.

This needs to change as income tax year is for all 1 April to 31 March

### AGBM- PASSED

18. Constitution Page – 57 Annexure – VI

Three places mention three different authorities to appoint committees.

Make it as – President will appoint committee members, chairman and convenor after consulting Past President and President-Elect.

During discussion, Dr. Venkataram Mysore said that all the contracts signed by the President have to be ratified by the EC.

**AGBM: PASSED**

20) Page 50-51 IADVL Constitutional committees

“(Usually past Presidents and past Honorary General Secretaries)”

This clause should be replaced as Past president/secretary/treasurer at center or state level or any member with special expertise in law.

OR – Any valid member of IADVL (LM,OM with no dues)  
PASSED.

Can EC Members Chair/Member of IADVL Committees: The president, Dr. Deepak Parikh, asked the house if an EC member can be a part of or head a committee. There was a lot of discussion and the following motions were put up for voting

1. Can EC members become chairpersons of committees?  
AGBM: NOT PASSED
2. Can EC members become members of committees?  
AGBM: PASSED

Dr Deepak Parikh asked about the role of vice president. Dr. Grewal was requested to prepare the base document. Dr. Suresh Talwar wanted zones to be allotted to them. Already in procedure.

21) Page 57 Central Scientific Committee

- b) It will be composed of x) Organizing secretary of previous DERMACON

It should be “Chairperson of Local Scientific committee of previous DERMACON”

Page 65 4. INAUGURAL FUNCTION OF THE CONFERENCE“(k) Release of the Book of abstracts, souvenir, CDs, and books written by IADVL members by the newly appointed President and the Scientific Committee Chairperson: 5 minutes”

This should be shifted to IADVL Day.

**GBM:**

Number 22 Dr. Venkatram Mysore suggested that IADVL publications should be released at the time of inauguration and rest of the publications during IADVL day celebration. Dr Suresh Talwar asked about SIG publications and they were considered IADVL Publications. PASSED

**4. Proposal: IADVL L’Oreal Research Grant:**

**Proposal by: Dr Deepak Parikh and Dr Manas Chatterjee**

At present the IADVL-L’Oreal grant selection committee consists of 8 members of which 4 members are from IADVL and 4 from L’Oreal. IADVL President chairs the committee. In addition, the IJDVL editor and Academy Chairpersons are members from India. The IADVL Secretary is ex-officio member.

It is proposed that the IADVL President, like the IADVL Secretary, though presiding over the committee, should not be directly involved in the judging per se, which should be done by the IJDVL editor, Academy Chairpersons and the co-ordinator of IADVL SIG on Clinical Trials. Dr Venkataram Mysore suggested that the decision of the grant selection committee should be submitted to the president for his acceptance.

**GBM: PASSED**

**Proposal: About Proposals:**

1. Proposal Form

Name of proposal/s:

Is any one of the proposer member of CC?

Is it administrative/policy/constitutional related (select one) OR I/we are not able to classify and accept ECs view

How will it help IADVL? Brief introduction.

If constitutional – will it replace existing clause? Or modify?

Give detail of the clause – page no. and clause no.

Proposal: (It should be properly drafted)

Do you think this needs referral to any specific committee?

Please note that EC may decide to refer if it thinks it is necessary

For office use:

Date when received:

If referred – when and to whom? Reply must come within one week

What is the conclusion of the referring committee (to be included with the proposal?)

When was proposal placed before committee? EC/CC/AGM

Date placed in EC ALONG WITH REMARKS

Date placed in CC along with remarks

Date placed in GB along with remarks

Status: passed/rejected

## GBM: PASSED

### 2. Proposal - How to handle them

Title of Proposal

Name/s of Proposar

Each proposal to be classified as

Administrative - to be discussed in EC and implemented

"Any proposal beyond the term of current EC will need CC approval"

"Any proposal with financial expenditure of more than five lakh will need CC approval"

Policy related – to be discussed in CC and if passed be implemented.

"Any proposal with financial expenditure of more than ten lakh will need GBM approval"

Constitution related – Needs to be discussed in AGM

If there is ambiguity or overlap, then those proposal will be discussed in CC first.

IADVL EC will have no right to reject any proposal.

CC can after discussion reject any proposal.

Constitution related proposal once passed in AGM will immediately become operational.

It is not necessary for the proposer to be physically present while his/her proposal is taken up for discussion. Proposer can authorise any other member to represent him/her and discuss on the behalf of proposer. Proposer must authorise and inform secretary in advance. If accepted with modification or rejected then he/she can ask for discussion during GBM.

As far as possible, all constitutional proposals will be discussed only once during closing year AGM and all policy related proposals will be discussed only once per year during CC\_MIDERMA meet.

All proposals must be received by Hon. Gen. Secretary at least 8 weeks before meeting.

Hon. Gen. Secretary in consultation with President/EC can send any proposal to IADVL committee for opinion before placing it in EC/CC/AGM. This opinion will be included in the proposal when it is placed before EC/CC/GBM.

Hon. Gen. Secretary must send final agenda of proposal to EC/CC/GBM members at least 3 weeks in advance.

## GBM: PASSED

### 3. How to clear the backlog of proposals?

We will need to

A. Plan out in such a way that we have enough time to discuss various issues every year

B. Clear the backlog

1) All proposals that cannot be taken up during closing years GBM, will be brought to new year's GBM for discussion.

2) Closing year's GBM be started from 11 am. Thus we will get 2 extra hours.

B- Clear the backlog.

As one time only we have GBM also during MIDERMACON 2014 on Friday 15th August from 2-6 pm.

## GBM: PASSED

GBM will be held from 11-1 pm and again from 2-5 pm.

Dr Parikh proposed EGBM from 2.00-5.00 PM on 15th august 2014, Friday to discuss SOPs during Aurangabad MIDERMACON. PASSED

### 5. Dr.Venkatram Mysore proposal: Changes in the criteria for eligibility: post of secretary, treasurer, Joint secretary:

The constitution states on Page no 34, 35 that they must have been actively involved in the affairs of the Association in an official capacity \*either at the central level or in the branch, combined branch level or a Central Council member from the branch for a minimum period of 2 year either continuous or with breaks. However it is not specified what the official capacity is. This means that any member with no significant administrative experience or even minimal experience (such as CC member for two years) in the association can contest for the two most important positions in IADVL. This is a serious lacuna which needs to be addressed. This was then referred to the constitutioncommittee which accepted the suggestion and recommended modifications in their report and submitted to AGM in DERMACON Jaipur. Outcome: This matter was referred to the Constitutioncommittee of 2012, which opined that Status quo to be maintained due to procedural and technical reasons. The house kept the issue pending as too many things need to be looked at decided to pass on to constitutioncommittee of 2013 for the opinion.

Opinion of the constitution committee: Secretary aspirant must be either a state secretary or joint secretary at the National level in the past over and above present criteria. For other post status

quo to be maintained.

**Decision of CC: PASSED IT.**

**AGBM;**

The recommendation of constitution committee of applying the criteria for Hon Secretary passed along with the rider that if there is no candidate who fulfils such criteria then election on the floor during the AGBM. PASSED

**6. Dr. C.R. Srinivas: Proposal 1:** Proposal for cancellation of Workshop during DERMACON. As per our constitution DERMACON should not be for more than 3 days and one day CME. However many local body organize a standalone workshop apart from CME and even along with CME as a parallel session. CME is a plenary session and no parallel workshop should be organized. No workshop should be permitted one day prior to CME also as this prolongs the stay and some may choose to attend the workshop and skip CME and conference to cut short duration of stay. Outcome: EC meet decided as follows: All Workshops should be considered as a part of DERMACON for accounting and finance purposes. During DERMACON there should be only have one day CME or Workshop prior to 'two and half day' DERMACON. This is to make the whole event a three and half day event: PASSED by the house.

Opinion of the constitution committee: Agreed and accepted as viable. Decision of the CC: passed

**AGBM: PASSED**

**Proposal:** Dr J.C. Shroff Memorial Award & Prof Ratan Singh Award. Guidelines for selecting Professor K.C. Kandhari award should be by 'nomination or by application' as it was being done for the Prof KC Kandhari award.

Opinion of the constitution committee: Agreed and accepted as viable. Decision of CC: PASSED

**GBM: PASSED**

**7. Dr P Narasimha Rao and Dr DBN Murthy:** Proposal: To have names of the all states of India included in the list of IADVL state list either as independent states or combined state branches. Outcome at EC meet: was passed. Opinion of the constitution committee: No consensus. The matter was referred back to the General body. (the member was asked to propose again as matter was not understood fully.)

**Revised corrected proposal:** On page no 50 of our constitution, in para three, some of the names of states if India are missing. For eg. A Dermatologist from Sikkim applies for membership, if which branch he should be affiliated to? Names of Uttarakand

and Goa are missing and should be mentioned as a part of combined branches.

**GBM: PASSED**

**8. Dr Suresh Talwar proposal:** Changes in the important dates in constitution book: a) Pg 5 IMPORTANT DATES TO REMEMBER:

To add: "31 July Last date for submission of abstracts for orations and award papers

31 July Bidding of DERMACON: Two and half years before the actual conference, i.e. for Jan 2015 conference one should bid by 31 July 2012.

Opinion of the constitution committee: Agreed and accepted as viable. Decision at CC meet: PASSED

**GBM: PASSED**

**9. Dr. Shyamanta Barua proposal:** Sub branch of state branch should be named as Chapter of IADVL: This is regarding sub branches of state branches of city or town branches should named as IADVL chapters for function & hierarchy & for the clarity is of higher administrative. New sub branches of the state, which wish to form, should be named as Chapter of IADVL.

Outcome at EC meet: All the city branches of IADVL should be called as IADVL City (name of city) 'Chapters' (EG: Coimbatore chapter of TN, IADVL) has been passed by the house. As regard to change of name of existing city branches, the matter was differed. Opinion of the constitution committee: Agreed and accepted as viable. Decision of CC: passed

**GBM: PASSED**

**10. Dr. P. Narasimha Rao Proposal: Proposal :**

The judges for the best branch award: The selection committee would consist of two immediate past secretaries and present Hon General Secretary. Outcome at EC meet: Passed

Changes in the criteria for IADVL fellowships: They would only be open to members who have completed their degree or diploma and not to members who are still pursuing their studies. Outcome at EC meet: Passed by the house unanimously.

Opinion of the constitution committee: Both proposals agreed and accepted as viable. Decision at CC meet: passed both proposals

**GBM: PASSED both proposals**

**Dr. Deepak Parikh proposal:** IADVL stall: IADVL must get prominently located stall during DERMACON. The stall should

be minimum 2m by 2 m. IADVL can prominently display its activities and members can get their grievances addressed on the spot. Outcome at EC meet: IADVL stall should be at a prominent place at every the DERMACON, such as near the main hall (hall A) of the conference in the foyer. Size 2 mts /2 meters- Passed by the house. Opinion of the constitution committee: Agreed and accepted as viable.

**Decision at CC: PASSED**

**GBM: PASSED**

**Dr Ramesh Bhat proposals:**

**Proposal 1:** Increase of papers at award papers at DERMACON from 12 to 36 papers: Outcome: The house discussed on to increase number of award papers from 12 to 24 as suggested by Constitutional committee. After long discussion, increasing it to 36 papers was discussed. However, after long discussion the increase to 36 papers were not supported and it was agreed at 24 papers. Opinion of the constitution committee: Agreed and accepted as viable (to have 24 award papers). Decision of EC: PASSED.

**Proposal 2:** The IADVL overseas scholarship should not be offered to members more than once. Outcome at EC meet: Passed by the house. The candidates who apply of the scholarships should inform about prior receipt of awards from IADVL in their CV. It was decided that such an exclusion clause would be inserted at the application stage itself. Applicants should clearly provide information about any past scholarships/fellowships received through IADVL. Any scholarship awarded through IADVL to an individual is once in a lifetime only. Archiving to be done and the list of recipients for various scholarships have to maintained strictly and displayed in the website.

**Opinion of the constitution committee:** IADVL overseas scholarship should not be offered to members more than once. The committee has opined for a provision to disallow any future application from an applicant who provides false information while filling the application form for overseas scholarships through IADVL. **Decision of EC: passed.**

**GBM:** Proposal 1; Passed in principle.

**Proposal 2 :PASSED**

**Award issues:**

**a) Appreciation awards: Proposer: Dr CR Srinivas:** EC should be empowered to issue 5 appreciation awards to the members who have rendered exceptional services for the betterment of IADVL. Members of various committees will also be eligible for this. However EC members will not be eligible. Decision of

the EC: Up to 5 such awards to be given in the DERMACON/ MID- DERMACON. Discussion at CC: Dr Talwar suggested that it should be called IADVL President appreciation award. **Decision of CC: PASSED.**

**GBM:** PASSED and to be given on IADVL felicitation day

**b) "Life time achievement award"** to 3-4 respected seniors. Proposal by Dr. Deepak Parikh: There are many stalwarts who have excelled as dermatologists and richly deserve recognition. However, currently there is one award only and hence many respected seniors may not get recognition in their lifetime. Decision of the EC: Two life time achievement Award to be given in the DERMACON. Modalities to be worked out. Decision of the CC: Passed in principle.

**AGBM: PASSED and to be given on IADVL felicitation Day.**

**13. Proposal: Initiation of IADVL-Kivi Poster award:** Dr Suresh Talwar inform the house that Kivi pharmaceutical has approached him with a sponsorship money of 3 lakhs for institution of new poster award to be given during DERMACON for five years. Decision: Accepted, as there is only one award for posters at DERMACON till now. To be given to the best poster in the DERMACON. Category to be decided. The matter to be sent to IADVL awards committee and to be implemented from this year itself as sponsor is ready to enter in to agreement immediately.

**Discussion at CC: Secretary Dr P Narasimha Rao** informed the house that the money has already been sent by Kivi to IADVL. The house opined that as the Kivi awards poster awards were not passed by AGBM, they should be formally passed in the next AGBM and then included in wards from the following year. CC permitted IADVL to keep the money pending the approval .

**GBM:**

Regarding the Kivi Labs amount of Rs 3 lakhs for poster award. Dr. Deepak Parikh pointed out that according to the constitution the minimum amount to be received from pharma companies is 10 lakhs while Kivi has given only 3 lakhs. Dr Talwar felt that awards for posters are not forthcoming, and the amount would not be the same as for oral papers, hence we should consider. After discussion it was decided to retain the amount and the award will be valid only for 3 years and not for 5 years.

**14. Bidding for WCD by IADVL:** Status report by Dr. Sacchidanand: A slide presentation done by Dr Sacchidanand regarding IADVL bidding for WCD in year 2019, with Bangalore

as venue. Decision: EC accepted it in principle.

**Decision at CC meet:** Dr Sacchidanand informed the house that Dubai and China are bidding from Asia. He expressed the intention to bid on behalf of IADVL at Vancouver 2015 at Bangalore. He proposed that we could have a same logo, which was prepared during last bidding. Members discussed the financial aspects of bidding. Members felt that the budget needed would be huge ( up to a crore) for good campaigning., which is too high for IADVL and the competition is very stiff from other Asian countries. Dr Deepak suggested taking members opinion. House (CC) suggested go ahead and bid but on a very small budget to keep the continuity of bidding, with the maximum allocated money of 5 lakhs for the expenditure for bidding. House passed it

#### AGBM

Dr. Sacchidanand would be clarifying whether a fixed amount of 50 USD per registration is to be given or a minimum amount is to be given to ILDS. The last date of application needs to be clarified. Dr Hema Jerajani said she would clarify in ILDS Meeting in London in April

#### 15. MoU with reference to IADVL Conferences (DERMACON, MIDERMACON and International conferences)

**1. Proposers: Dr Deepak Parikh, Dr Koushik Lahiri, Dr Arijit Coondoo , Dr Rashmi Sarkar, Dr Venkataram Mysore and Dr Shyam Verma**

This MoU will have to be signed by president and branch Secretary of state branch which is hosting the conference along with President/Chairperson of organizing committee, organizing secretary and treasurer of the conference. This undertaking will be submitted to Hon. General Secretary of IADVL, before central team comes for inspection of the venue.

President/Chairperson of the organizing committee along with organizing secretary and treasurer will be held responsible for all aspects of the conference and this rule is binding to them

It states

- 1) We will open only one nationalized bank account.
- 2) We will send bank statement every month to IADVL treasurer and chairman of finance committee.
- 3) We will send to national IADVL treasurer and chairman of finance committee Copies of all the agreement that we enter into for the said conference within 10 days of signing the contract. Any conflict of interests in this regard will be disclosed. The event managers will preferably not be in

any way related to any of the organizers, if so, the same shall be declared.

- 4) We will abide by all the rules and regulation of IADVL constitution and SOPs related to it.
- 5) We will return loan received from IADVL within 10 days from last date of registration. We will also pay Rupees 1500/- per delegate to IADVL (2000/- rupees for international conference) along with it. It includes all type of delegates – member/non-member/accompanying person and even complimentary registrations and free. Share of spot registration will be paid on the last day of conference during valedictory function. This will be
- 6) We will maintain books of account as per law and get accounts audited within six months from last date of conference. They will be submitted simultaneously to both central and State EC within six months. If required grace period of 4-6 weeks may be given by central IADVL EC
- 7) We will obtain separate PAN card and pay all local, state and central government taxes.
- 8) We will make all payments by cheque. We will get approval of organizing committee where expenditure is more than 10 lakhs under any head.
- 9) We understand that failure to adhere to these MoU will lead to disciplinary action as mentioned in annexure.
- 10) We and our auditors are agreeable for second audit by any other agency appointed by central IADVL. Separate letter from auditors to this effect will be required. The cost of travel, stay and auditors fee will be borne by organizing committee.

#### Annexure

We understand and agree that if audited account are not submitted within six months, an explanation will be sought from the signatories of the MOU. If the explanation given is found reasonable, an extension of another 6 weeks will be given. We understand and agree that if we do not submit even after extended period, then we will not be able to hold any post in IADVL at city, state or national level. We will not be able to organize any meeting under IADVL banner.

We understand and agree that if we do not submit audited accounts even after nine months from last date of conference then our names will be temporarily suspended from IADVL membership. We will be re-inducted only after audited accounts are submitted and approved by GBM. We also understand and agree that our seniority in IADVL will be lost and will be

considered as new members.

### AGBM

After discussion it was decided on the following points.

The document will be prepared by OC and presented to CC. Dr Vijay Garg felt that a committee of past organizers of conferences should clarify the situation of the venue before elections for the voters. Dr Parikh clarified that even now if the venue inspection committee finds the venue unfit, that venue can be rejected and the conference goes to the next city with second highest number of votes. Dr Venkat said that a link would be provided at e voting which would apprise the voter of conference venue. There will be a video presentation by contestants for venue of DERMACON. Bank account can be opened only in scheduled banks.

There was a lot of discussion on the time limit for presenting accounts. Dr Garg felt it should be within 3 months of finishing the conference while Dr Rajeev Sharma felt it should be 31st October. It was finally agreed on the following points

- 31st October should be the last date for presenting the audited accounts of DERMACON i.e. within 9 months of the conference.
- There will be a grace period of 4 weeks in case of an overwhelming reason for not getting the accounts ready.
- If that period also lapses then after due procedural actions and placing the details to the GBM the members of the OC would be temporarily suspended from the association facilitated by EC.
- If even after 6 months of suspension the accounts are not presented then those members would be permanently suspended from the association.
- The GB will take decision regarding procedural action about suspension of member.

The next issue was the share of IADVL in the DERMACON. After thorough discussion and opinion of many members

it was decided to send **15% of share of registration and 20% of share from pharma companies to IADVL before the DERMACON**. Once the accounts are audited the surplus is to be sent to IADVL as per constitution and the amount already sent will be adjusted in that. Dr Suresh Talwar felt that in case of natural calamities, which disrupt the DERMACON the amount will be reimbursed by IADVL. In case there are IT claims after the surplus has been transferred the amount will be borne by IADVL. Dr Rajev Sharma felt that the financial liability in case of future IT claims to be borne equally by National IADVL and the concerned state branch. All the above criteria stand only if the organizers have followed all the terms and conditions. The matter is to be decided by the arbitration committee.

Dr Parikh felt that we should anticipate teething troubles a bit.

In the case of percentage sharing of MIDERMACON, all amount would come to the centre.

**Presentation of MIDERMACON Patna Accounts:** The Organizing secretary of MIDERMACON at Patna, Dr AK Jha presented the following account. Total collection 45 lakhs. Receivables 5 lakhs. Service tax 6 lakhs. Net profit 9 lakhs. He enquired whether the hotel bill of CC members would be borne by IADVL or he has to pay from the 9 lakhs profit. Dr. Shyamanta Barua pointed out that he was charged for one day stay at Patna which was to be reimbursed.

**16. Proposer: Dr Suresh Talwar:** Road Map to MIDERMACON (MID – term annual conference of IADVL)

Objectives 1. To conduct IADVL conferences in smaller centres.

### 2. To facilitate CC MIDERMAMEET (Reduce the expenses)

**When to conduct:** Aug-Sep (Depending on weather conditions): It can be combined with Zonal/State conferences. The local organizers can have their business meeting in a separate hall; however it should not clash with CC meet. It cannot be held along with any international meet or Zonal meet. (If combined, it would be difficult for accounting purpose and division of profit) MIDERMACON should be avoided in the Zone where DERMACON was held, unless there is no other bidder.

**BIDDING:** Like DERMACON- However bidding from states belonging to DERMACON zone, will not be considered, unless there is no other suitable bidder. However connectivity will be important criteria. Venue should be decided just like DERMACON by ballot. Seed Money- Host State will give 5 lakh first, and then 5 by center. Venue Inspection: The committee of venue inspection consists of President, President-Elect and Hon. Secretary. President can nominate one of EC members in absence of any member. Their travel and stay will be arranged

by organizers. Could be by the Vice presidents of national EC.

**Organizing the Conference:** The conference is for two and a half days. First day will be CME. Two topics can be selected and given to SIGs. Next one and half days will be the conference. CME will be from 9.30-12.30 AM and 1.30-4PM. Inauguration at 9AM. After 4 PM on CME day all the committees will meet till night 9PM. Followed by dinner. CME will be planned by academy. Inauguration should be very simple no guest, president only inaugurates the meeting. The next one and half day program prepared by local scientific committee in consultation with IADVL EC and Academy. The conference will have lectures, panel discussions, free papers, award papers and posters. Unless we involve members and Residents registration will not be in good no. As it is combined with state or Zonal conference. Orations if any can be allowed.

**Scientific Committee:** President will be chairman. Other members will be – President elect, Hon. Secretary, Academy chairman and convener, Local scientific committee chairman selected by state and three more members from host state (or from zone if it is merged with CUTIZONE). CC M (and Mid GBM if required) can take place on 2nd day at 4pm-8pm. and if required next day 9-1pm. Any new Awards or Orations applications will be for MIDERMACON only. **Registration fees:** Rs 4000 or 5,000 for delegates. CC members will pay 50% of registration fee only upto early bird registration. After that they will have to pay whatever is fee mentioned for general delegates. Rs 3,000 for PLMs (Residents). No separate registration for CME. CC members will be sponsored by IADVL as it is done now (Travel and stay only). Organizers will provide 2-3 halls for CC meet at no extra cost, along with meal and dinner. Workshop can be conducted by the local org committee. Income so generated will be in MIDDERMACON account and shared. The local organizing committee will provide local hospitality only for the 3 Presidents, Hon sec and Treasurer (2-3 days separate rooms). The remaining at the discretion of the Org Committee. If CC members and state Executives have to be provided local hospitality IADVL should give a sum of Rs 5 Lakhs (non refundable) to the local org committee. Travel can be reimbursed directly by IADVL if required/Possible. STALLS: It will be like in any other IADVL conferences. PROFIT Sharing: It will be divided 50-50 like the existing norms for DERMAZONES (50% to the state organizing the conference and 50% for the IADVL head quarters. MIDERMACON excess is arrived at after taking care of the accommodation of the CC members by the conference organizers. CONCLUSION: Most of the norms for DERMACON can be followed here also.

**Discussion at CC:** There was a long discussion. The

possibilities of separating MIDERMA and CC MIDERMA meet were discussed. Also few members proposed completely doing away with/stopping MIDERMACON. Others suggested that MIDERMACON meet should be continued so as to involve smaller centers of India to get a mini national conference. At end of it all, most members felt that it would be better to delink MIDERMACON and CC MIDERMA meet. All members/house agreed to host the combined MIDERMACON at Aurangabad as it is already decided. The decision for its conduct the following years need to taken along with the decision where CC MIDERMA meet is to be conducted.

#### **AGBM Discussion:**

The contentious issues of keeping the CC meet and MIDERMACON together or to separate it and whether to continue with MIDERMACON was discussed. It was decided that status quo would be maintained with respect to Aurangabad. After a lot of discussion when the number of members present had become less, the President asked whether the quorum is being met. The members present felt that quorum is important for starting the meet and not to end it. Dr V.K.Sharma felt that in combining the two, the CC MID-DERMA MEET had lost its essence. The proposals were put up for voting and members voted in favour of delinking MIDERMACON and MIDERMACCMEET. By a thin margin of 2 votes the members voted against continuing MIDERMACON.

#### **16. Proposal from Dr DBN Murthy and Dr P Narasimha Rao: On matters of finance management of IADVL and conferences**

Dear members,

We as Hon secretary and Hon treasurer of IADVL for last two yearshad opportunity to have a close look at the finances of IADVL and the methods being followed with reference of IADVL activities and IADVL conferences.

Recently there has been long discussion on IADVL conferences in the CC group, especially our annual conference the DERMACON, its finances and their transparency and how improve them. Few of these proposals were sent to finance committee for their opinion. In that connection, we had few discussions with our president Dr Suresh talwar and finance committee chairperson Dr JayadevBetkerur and its member Dr Ramesh Bhat. Based on these discussion and their conclusions, we are tabling our opinion as treasurer and secretary of IADVL for past two years and as members of finance committee for your consideration on important financial matters concerning IADVL and its annual national conference. We declare that we

do not have any conflict of interest and urge members to go through the proposal in detail.

**Background:** 'IADVLsociety' as per the income tax commissioners letter is under 12 A and need **not pay income tax**. The service tax applicability of our association has been referred to a authorized practitioner and he opined that IADVL is **notliable** to pay service tax as its activities do not fall under definition of 'service'. IADVL has a PAN card for its financial purposes.

1. Till now, national IADVL is **not** directly involved in the conduct of our national conference. They were being done either by state bodies, or by trust or society formed for that specific purpose. Unfortunately, there is no sanction in our constitution for such financial separation of our national conference. Or at best it is silent on this matter. Each and every conference is following its own methods, which suit them till now. With increasing membership and conference budget and tax liabilities, it is time we take some important decisions in the direction of financial appropriateness.
2. The conference organizers of our DERMACON over years are sincerely pursuing the objectives of conducting DERMACON and paying incometax/service tax as applicable at the end of conference and remitting the DERMACON surplus to IADVL. And IADVL is receiving it. **However, we are not sure under what capacity or head IADVL can receive the surplus money, as it raises few issues.**
3. Is IADVL authorizing these trusts to conduct conference on their behalf? In such a case why is IADVL not a signatory to the trust or society made for the purpose of DERMACON? Can some one or any one float a charitable trust only for one year to conduct IADVL national conference and close it immediately after one year, just for the purpose evading income tax? Is it a fair practice? **If it is an unfair practice in the eye of law, IADVL being silent means is it approving if it? We need to ask ourselves these questions.**
4. In what capacity is IADVL receiving money from a charitable trust which conducts DERMACON, year after year? If any tax authority asks as to how and why IADVL received it 'as a surplus money' from a charitable trust how is IADVL going to answer it? If the tax authorities surmise that IADVL has **colluded with the so called charitable trust which was floated only to evade tax** (After all, we are going to conduct conference as XXnd national conference of IADVL / DERMACON and print brochures and put hoardings!!) **how can IADVL possibly deny it?**
5. In such a case the income tax and service tax authorities **can levy tax with penalty and a hefty fine on IADVL on their total annual earning**. Importantly it would be a disgrace to IADVL as it would be called a tax evader!
6. Any charitable trust is formed (for eg. Those formed for the purpose of our national conference), it has to abide by its trust rules. Now the question arises..are they answerable to IADVL? In my opinion, and in legal point of view they need not, as IADVL is not a member of that trust or signatory to it. **IADVL cannot legally question the activities of the DERMACON trust, including its financial propriety as it is formed out-side our constitution.**
7. Imagine a different situation: A charitable trust is formed and it conducts our DERMACON and its account is completely closed after two years and trust dismantled. The organizers havehosted a very nice conference and sincerely paid the DERMACONsurplus moneyto IADVL by end of that year. Later, after 5 years, ITdept or Service taxdept sends notice to the trustees of that "DERMACON x trust" that they need to pay ... say for eg: 10 lakhs? Who would pay or attend to their problem? The organizerswould have to pressurize the IADVL to pay it. **Even if IADVL is ready to pay it, if tax authorities enquire why IADVL is paying for a 'Charitable trust' and how they are linked, what explanation can possibly IADVL offer?**
8. All the problems of so called non transparency is coming in to existence due to formation of trusts/bodies every year with temp Pan numbers to conduct our national conference and outside IADVL. If the national conference is conducted under IADVL head all these issues can be avoided. **And importantly we would be legally and financially correct and law abiding. It would also be a good accounting practice.**

Hence we suggest as follows:

**Our Proposal:**

The present IADVL has PAN card does not attract income tax and service tax. We shall keep it as it is.

IADVL by a AGBM resolution should form and register a separate sub-society named either 'Conferences-IADVL, or 'society for CME-IADVL' or similar suitable name for conducting its conferences (MIDERMACON, DERMACON, SIG conferences and others [IADVL academy of Dermatology already suggested that activities of SIG should be through IADVL pan card]). We need to form rules and guidelines as is required to form any society. After registering it we should get a pan number and

open a bank account. The same PAN should be/can be used for all future conferences. These finances attract service tax and income tax and IADVL should pay them as they are applicable, as a good law abiding body. Separate accounting can be had for this body for tax purposes. It would be a separate/ second IADVL body. Having said that, we can always find legal ways of avoiding /minimizing taxes.

**How to go about conference fee to minimize tax:** While saying so please note that as per present thinking we are trying to have this kind of fee structure for delegates for all our conferences: It can be split in to three heads and receipt can be printed showing as below for example:

Annual membership fee of IADVL:	Rs 1,500
Conf delegate fee:	Rs 4,000
Service tax on delegate fee:	Rs 500

---

Total fee delegate has to pay: Rs 6000/-

(An amendment can be brought about in our constitution as follows for eg. to make such fee admissible: "Member need to attend a national conference at least one in 5 years to retain his/her membership. For those who want to attend national meet every year they need to pay membership each year they register for it." ... or similar one)

If we prepare a receipt like this, note that annual membership fee does not attract any service tax and can directly be remitted to the main IADVL account. As service tax split is being already shown, it can be paid to service tax authorities. As for the corporate payments/sponsorships of conference, as all them come to the Conf.DERMACON account, the tax liability can easily be calculated and paid from it. **At any point of time** the organizers of conference and IADVL would have complete idea about their tax liabilities.

As to income tax payments, please note that it is only paid on 'excess of income over expenditure'. If at end of all the payments, if the conf.DERMACON account has an excess of say 50 lakhs still, IADVL should pay 30% of it as income tax and keep the remaining with it. (IADVL can always find ways of minimizing tax payments by using the money to fund some of its research funding/fellowships to PLMs etc... which can be shifted to as conf annual expenses)

#### How to make such plan viable?

At IADVL we are passing on IADVL pan card and account to new secretary and treasurer every two year and new bank account is being opened in new a city and state. This is being done without any hassles over many years.

Similarly, this CONF.DERMACON account can also be transferred to new conference organizers every year. To keep the financial control of the account, one or two of the IADVL EC (secretary / treasurer/president) of IADVL can be co signatories if possible along with two of the local org committee. (if there are total of three signatories, account can be operated with any two signatures which means local organizing committee has full access to it. ) We are sure exact method can be worked out after consulting auditors and bankers. This way financial scrutiny would be easy as whole of the account is visible to IADVL. Ofcourse all these clauses need to be put in the memorandum while preparing the new Confderm society.

Dear members, This proposal meets the following objectives:

- It makes all IADVL financial activities above **board and legal**.
- Makes ours a fully financial law-abiding society.
- It automatically brings in financial transparency as DERMACON become activities of IADVL under its PAN card.
- It also keeps the existing convention of local bodies organizing the **DERMACON** undisturbed, except that one of the IADVL EC would be a co-signatory of DERMACON account.
- IADVL association account stays undisturbed and would remain income tax and service tax liability free.
- The financial accounts of ConferenceDERMACON would be under direct supervision of IADVL.
- IADVL would get a fixed annual membership fee its account, which would be directly related to the number of delegates and magnitude of the conference.

The matter is open for your opinions and suggestions as a new proposal at CC/AGBM.

#### AGBM Discussion

The proposal is very complex so the proposal was referred to the Finance committee.

**18. Proposed by Dr Hema R Jerajani:** - Proposal for Asian Dermatology Congress (ADC) "The President of Asian Dermatology Congress wishes to announce and take permission of the General Body of IADVL regarding the following matters

- (1) Date: first week of November 2016
- (2) Place: Hotel Renaissance, Powai, Mumbai
- (3) Names of Scientific chairpersons, Organizing secretaries, treasurer
- (4) Seeking Seed money to set the secretariat and to confirm booking of the hotel venue and halls
- (5) to confirm the selection of event manger chosen by the

IADVL Maharashtra Branch

(6) Any other relevant matter regarding ADC

### GBM

The issue of Asian Dermatology Congress was discussed. Dr. Hema Herajani informed the house about the dates that they would be fixed in first week of November 2016. She took permission to open an account. She said that 10% of the surplus goes to the parent body. The accommodation of inspection committee is to be borne by the OC. She said that she would plan with Maharashtra Branch of IADVL. Dr Venkat inquired about MoU and she said that IADVL office bearers had to be signatories in MoU. Dr Hema was also asked to create the budget. Dr. Hema RJerajani said that she would provide the details and these would be taken up during the EC meet.

### 19. Proposed by Dr Rashmi Sarkar: IADVL Resident Development Program

Secunder : Dr Vijay Garg/Dr M.Ramam

**Background and Importance:** Many a times there has been a talk of making the residents more sensitive to IADVL matters. Young dermatologists /MD passouts are interested but these PLMs are the future and should be honed. There are fellowships and scholarships but a more implementable program is needed. This is something I propose to start. I have done some homework and interacted with many residents with suggestions noted over more than a year now. This is the proposal:

1. A resident\_IADVL yahoo group is present in the constitution already (Page 72, 13). This will be started. Or alternatively a Facebook Page.
  - It will be named RESIDENTS\_IADVL@yahoogroups.com
  - All residents with a valid PLM number will be automatically enrolled.
  - This will work as the official notice board to announce any awards/scholarship etc.
  - As a rule Secretary will be the owner-moderator
  - One of the Jt secretary with the help of three/four residents or senior residents in different institutions (one each from each zone may be) the moderators of this group.
  - All the rules of IADVL e groups will be applicable here.
2. This will have about 5 young dermatologist consultants/faculty members to guide them and get appropriate answers in a few days.
3. An e-newsletter called "IADVL Resident e-newsletter" of only some pages containing writings by first time

writers, quiz, Residents Thought Page and interaction pages with senior members. This will have a link on the IADVL website and the FB page. This would be a good learning ground. The editor would be a resident.

4. Having 4 resident observers to the IJDVL Editorial Board in rotation in case they would like to work for the journal in future. This would be a "hands on experience" for them and have discussed the option with Dr M.Ramam, incoming editor, IJDVL who thinks this can be implemented.
5. A 45 minutes to 1 hour slot like a sister society meeting to Resident IADVL group (only PLMs) where there could be a session run by them with "Interaction with Experts" as many feel that they want to know "what to do next". Gradually this could also be on other areas they feel they lack. At the end they can interact and network with each other from all over the country.

IMPORTANT: This hardly requires funding but could be very useful.

GBM: PASSED

**Proposal- 1: A forum for dealing with practice oriented and practice related be established in IADVL. The issues to be dealt by the forum are :**

- a) MedicoLegal issues
- b) Practice management soft wares
- c) Approved uniform Consent forms in all languages,
- d) Advisory regarding practice initiation, mentorship, purchase of machines, practice management, pharmacy management, service tax advice, clinic registration issues, patient communication and satisfaction
- e) Practice management session in conferences

The forum may be called IADVL Practice Management Forum

Justification: Dermatology subject and its practice has changed over the years. It has changed from a simple opd clinic in to a wider, larger practice with higher investments, larger staff, more medico legal and consumer issues, with more financial implications as listed above. Hence we need a forum to deal with such issues- . While there are several bodies in IADVL to deal with issues of relevance to academics, there is no forum to discuss practice oriented issues.

**We request the august body to approve the initiation of**

**such a forum. The forum can have a chairman and convenor, with members. Since many of these need coordination and implementation at state levels, we suggest that states be adequately represented in the forum.**

**Proposal-2: Proposal: Initiation of a Public information and liaison cell :**

Proposed by Venkataram Mysore LM KN 3211 ,

Supported by: Sacchidanand S LM KN - 1937, Koushik Lahiri LM/WB/2503, Arijit Coondoo LM/WB/2364, Umashankar LM / KN /3455, Pradyumna Vaidya LM/M/3566 Raghunath Reddy LM/KN 2925

There are issues on which IADVL needs to take a public stand, inform the nation what it stands for, prepare press statements, publicize its position on social media, and liaise with media . These are highly important and complex issues and need a specialized media cell or information cell to deal with them. Presently there is no such cell in IADVL to deal with these issues and our presence in press is minimal and is disorganized. eg. On the recent court case with respect to TEN-SJS, a dermatological condition, there was no voice to be heard in media from any

dermatologist/association. This situation needs to be corrected and hence we suggest the initiation of a public information and a liaison cell. The cell should be composed of a chief liaison officer, Asst. liaison officer, and a team of members. The members should have good communication skills, possess contacts with media, and be willing to dedicate their time for this purpose. The term of office of the team may be two years.

We request this august team to approve this proposal. The cell should also have similar presence at state level and each state should be directed to have a similar cell.

**We request the august body to deliberate on this issue and approve the initiation public information and a liaison cell.**

**GBM: PASSED**

Few of the proposals could not be taken up due to lack of time.

The House was adjourned after the President, Dr. Deepak Parikh thanked members for their cooperation in smooth conduction of GBM and placed on record special appreciation of Dr V. K. Sharma and Dr Rajeev Sharma for making excellent arrangements to conduct IADVL business meetings.

#### **Scientific Program of the 42nd DERMACON (4th December 2013, New Delhi)**

The scientific program was planned and executed by the IADVL Academy in coordination with the Central Scientific Committee.

#### **Scientific Program of MIDDERMACON-2014 (Aurangabad, 15th-17th August, 2014)**

The IADVL Academy is jointly responsible (with the EC and the local scientific committee) for the MIDDERMACON scientific program. A transparent method of selecting faculty is being followed for the first time by inviting members to apply.

#### **Research Methodology Workshops**

Conceptualized by the President, Dr Deepak Parikh, these

were organized under the auspices of the IADVL Academy of Dermatology, with Dr Saumya Panda, the Co-ordinator of the Dermatology Clinical Trials SIG, being entrusted the responsibility of planning and coordinating this unprecedented academic exercise as the National Scientific Coordinator. The first three of the planned four workshops have been held in Mumbai, Kolkata, and Bengaluru. The fourth one is scheduled to be held in New Delhi on 3-4 May, 2014.

#### **IADVL-Ranbaxy and IADVL-Galderma Research Grants**

To promote research in dermatology, leprosy and STIs, the IADVL in collaboration with Galderma and Ranbaxy has initiated Rs 29 lakhs worth of grants at the initiative of our President. A proforma for applying for these grants and the IADVLSIG Research grant was made. The 45 applications received have been sent to the SIG Clinical Trials for their feedback, which will be passed on to the applicants. This is being done to give them the opportunity to revise their applications to improve their projects, before they are judged by IADVL Academy members and the Coordinator of SIG Clinical Trials.

#### **IADVL SIG Research Grant**

The six applications received for the grant of Rs 10 lakhs were sent to the SIG Clinical Trials for their feedback, which has been passed on to the concerned SIGs to give them the opportunity to revise their applications before they are judged by IADVL Academy members.

#### **Application Forms for Recognition as IADVL Training Fellowship Centres**

With IADVL Fellowship Centres being recognized 5 years back, they are going to be reevaluated and invitations are being invited for new ones. A revised application form for recognition as an IADVL Fellowship Centre has been prepared. A report of other activity will follow in the next newsletter.

## IGNQPP 2014 Report

IADVL Glaxo national quiz program for post graduates is one of the most prestigious and popular activity of IADVL.

This year too the state wise quiz event was held nationwide during various CUTICONS by panel of eminent quizmasters selected by the quiz committee. A total of 15 teams comprising of 02 members each were shortlisted for taking part in the preliminary round.

The preliminary round was ably conducted by DrTarangGoyal and DrAshique KT under supervision of Chairman quiz committee Col (Dr) Rajesh Verma on 4th Dec during 42nd DERMACON and 11th ICD combined conference held in New Delhi. Following four teams qualified for the National Finals:

1. Dr Deepshikha & Dr Sanghmitra from SNMC Jodhpur
2. Dr Remya Raj & Dr Manipriya R from MMC Chennai
3. Maj (Dr) Ruby Venugopal & Maj (Dr) Shekhar Neema from AFMC Pune
4. Dr Vishal Gupta & Dr Riti Bhatia from AIIMS New Delhi

National finals was co - conducted by Col (Dr) Rajesh Verma & Dr Atul M Kocchar as quizmasters on 05 Dec. The Hall was full by end of the event. The audience round comprised of interesting general knowledge questions which was immensely appreciated by all. Dr Suresh Talwar was the national observer and Dr Tarang Goyal was the scorer and timekeeper. It was an extremely close contest. The final scores of four teams at the end of 8th round were 45, 50, 52 & 52 hence leading to a tie between team AIIMS and team AFMC. AIIMS team won the contest after a tiebreaker.

Certificates to the participants, prizes and winners trophies to the winning and the runners up team and mementoes to the members of the quiz committee were given away respectively by Dr Venkataram Mysore, the President elect, Dr Deepak Parikh, President IADVL, and Dr Suresh Talwar, the outgoing President.
