Message from President

Dr Deepak Parikh

My Dear IADVLites,

IADVL EC is pleased to put this issue of "IADVL NEWS" on website. This EC has completed six months and has strived to work on its promises.

It has successfully completed "Research Methodology Workshop" in four centres. We received more than 40 research projects for IADVL Galderma/Ranbaxy research projects. IADVL academy for the first time met midyear to discuss various academic issues that we all face. Dr Rashmi our dynamic secretary has initiated very good resident programs. Dr Venkatram Mysore President-Elect has initiated much needed public awareness by starting IADVL Media cell.

This EC for the first time in history of IADVL invited applications for various post and as faculty in MIDDERMICON.

Dr Talwar Sir has continuously guided us in financial matters. We are happy to inform you that organising committees of various meets signed MoU with IADVL. There are full efforts to have transparency in finance. Dr Somesh Gupta our treasurer is trying his best to streamline accounts and create various ledgers.

Dr Sanjeev Gupta is interacting with DVL trust to popularise in our members. Col. Dr Rajesh Verma's hard work is paying rich dividend and he has been able to enrol more than 350 members for e-voting. Dr Narendra is doing great job as moderator of various e-groups and Dr Krina is always there to help us in various projects apart from supporting resident activities.

This issue highlights all these various activities.

We as EC members earnestly request you all to

1. Register as e-voters
2. Become member of DVL trust.

With warm regards

And long live IADVL

Dr. Deepak Parikh
President IADVL

Dr. Rashmi Sarkar

The Secretary Speaks

Greetings from the IADVL Secretary.

It has been more than 6 months since I took over as part of IADVL EC and it has no doubt, been a challenging task. We had a fruitful and successful IADVL EC meeting at Mumbai in April 2014. The Research Methodology Workshops as visualized by President, Dr Deepak Parikh accomplished their goals in sensitizing and educating IADVL Members to conduct research better in the future. The IADVL Resident Welfare Program, very close to my heart and the EC saw a very interactive Residents' IADVL Facebook Group and two well appreciated Resi Dream, Residents' News Bulletins edited by the PGs themselves. Of course, there is lots more coming up with the IADVL Media Cell and Practice Management Cells set up by Dr Venkataram Mysore, President Elect IADVL. IADVL is also holding a Sister Society Meeting at EADV Amsterdam Congress on 8th October 2014. I request all IADVLites attending this Congress to attend this academic meeting. IADVL is already at work to bid for WCD 2019.

For IADVL to work successfully, to become a member or to upgrade yourself to LM from PLM is important. I request all to be in touch with their State Presidents and Secretaries to become LMs, upgrade yourself or change your state. The IADVL Secretariat is attempting to facilitate this work online and are trying to convert PLM to LM quickly. Just email your MD/Diploma Certificate and Registration Certificate to: iadvlsecretary2014@gmail.com with the request. From April-July 2014 we have converted 42 members to LM.

We try to keep you updated through announcements on the website and the quarterly IADVL Newsletter. I request you to please look at both. You may find so much information useful for you. Finally it is the time of the year when we have contestants for IADVL Elections. This year too we have a good number of candidates interested in IADVL and we all at IADVL wish them all the best.

Attempts have been made this year to allow members to volunteer for work for IADVL of their liking. Please do come forward and help us in your little way.

Long live IADVL!

Dr. Somesh Gupta

Dear Friends and colleagues,

For past few months, the treasurer's office has been very busy and active, reflecting unprecedented activities in IADVL. The ongoing activities are both academic and administrative in nature. More funds have been generated and spent for the benefit of IADVL members. This is indeed a good sign and credit goes to our energetic president, president elect, secretary, the Executive Committee and other committees of IADVL.

There is a strong desire of all members to streamline the financial matters and bring in financial transparency. With the help of new generation Dermacon organizers, energetic and believer of financial transparency, things are improving consistently. I should not forget to mention here that Dr. Ramesh Bhat, the organizing secretary and the organizing committee of Dermacon 2015 have set an example by transferring IADVL's share of income generated till now to IADVL as stated in the Memorandum of Understanding. I personally feel that IADVL is on the right path.

Long live IADVL!

Sincerely

Dr. Somesh Gupta

DERMACON 2015

**43rd National Conference of Indian Association of
Dermatologists, Venereologists & Leprologists**

Feb 12-15, 2015

Venue: DR. T.M.A. PAI International Convention Centre, M.G. Road, Mangalore

Welcome Message

More than three decades ago, a cozy town with lush verdant greenery and tall beckoning coconut palms hosted an IADVL national conference. It was Mangalore, a coastal town on the Arabian sea inhabited by soft spoken people with a hospitable culture. Then, a handful of us hosted a platoon of dermatologists.

We have a platoon now to host an army of dermatologists. Two new generations of young dermatologists will welcome you to a new Mangalore dotted with high rise buildings, where the scenic beauty is still preserved and the hills and valleys paint a pretty picture. The district has the largest non polluting industry in India, that of education with over fifty thousand students pursuing professional courses.

Witness the cultural folklore of Yakshagana and the famous tiger dances of the Dussera festival. If your family wishes to see real tigers, we will guide you to Pilikula (pili-tiger, kula-pond) an integrated nature park.

Find out why Mangalore was called Rome of the East when you visit and observe the frescos in the churches, or ring the bells in the historical temples of Mangaladevi, from which our city got the name. Spend the evening at our pristine sun washed beaches and later, feast on Mangalorean cuisine. During the day, share new thoughts and ideas, and help advance the knowledge of dermatology.

Come, participate and carry home a slice of the history that together we will make.

Dr. Ganesh S Pai

All returned ballot papers received back from Past Election Officer, Dr Jerajani are being managed by Dr. Narendra Gokhle and all members were requested to help in the same. IADVL news letter 2 will be co-edited by Vice President, Dr. Sanjeev Gupta and 3 will be co-edited by Vice President, Dr. Rajesh Verma.

Dr. Arijit Coondoo raised concern regarding word 'MOU' used for agreement with DERMACON organisers which was clarified by Dr. Parikh

Agenda 6: Venue Inspection for SARAD 2015 and DERMACON 2016:

Dr. Deepak Parikh informed EC that venue inspection for SARAD at Mysore and DERMACON 2016 at Coimbatore has been carried out but till date MoU is not signed for either conference. Coimbatore organising committee has raised some issues related to MoU which need discussion. Dr. Reena Rai, Organising Secretary for Dermacon 2016 was asked to give her inputs whenever she felt. The following issues raised by Coimbatore DERMACON committee were discussed.

- Clause 5 – Hotel room booking Clarification given by Dr. Parikh – member who approaches to OC for hotel booking will be provided room at the same cost at which rooms are booked by OC but OC can negotiate the same with pharma companies. Dr. Venkat raised the concern that in future every conference OC may like to modify the MOU to which Dr. Parikh informed that OC of these 2 current conferences were not aware about MOU and hence the need to accommodate their concerns. These changes are only for conferences till Coimbatore. Dr Venkat suggested that this year onwards the bidders should be given a copy of MOU at the time of bidding, so that they are aware of it and will not raise any issues later. This was agreed to.
- Dr. Talwar and Dr. Rajiv Sharma suggested that it should be promoted on brochures that Hotel booking done through Organisers will be at lower cost than direct booking
- IADVL officials are constitutionally entitled for free accommodation but as suggested in GBM it is on discretion of OC. And it should be at or nearest to Venue or where office of conference is.

- It was decided by EC that - Seed money has to be returned 3 months before conference start date. The issue of interest on seed money will be decided by next GBM. 15% of registration money after deduction of service tax should be sent to IADVL on last date of early registration as mentioned in First AnnouBrochure. 15% from Fees collected after that and spot registration should be paid on IADVL day during DERMACON. 20% of money received as sponsorship from pharmaceuticals will be send to IADVL for first two quarters. After that 20% share of IADVL will be kept as separate ledger ,which will not be touched by organisers,and be used only after written permission from IADVL EC.
- If reaudit is needed for DERMACON accounts, charges will be borne by IADVL and not OC of DERMACON. In case of a deficit in conference accounts, IADVL will reimburse the deficit after scrutiny of unaudited accounts by IADVL auditors.
- MOU will be redrafted and sent to OC Coimbatore for signing. Dr. Deepak Parikh invited Dr. Sacchidanand to present his report on IADVL textbook project and WCD bidding.

Agenda 13: IADVL Textbook Project

Dr. Sacchinanand gave status report of 4th edition of IADVL Textbook Project. Dr. Sacchidanand is chief-editor, Dr. Chetan Oberoi and Dr. Arun Inamadar are co-editors, and Dr. Savita and Dr. Shilpa are assistant editors for the same. He informed about the work done so far. There are 20 sections in the Text Book with editorial board divided into 20, each section with an editorial head. He has received 104 of the 106 chapters. 78 are ready, 4 have been sent for formatting, 2 are incomplete, 13 are in review, 7 in post review. 2 chapters are not received from authors. Authors who have not sent their work will be given fixed time lines or else as per suggestion of Dr. Deepak Parikh and Dr. Venkat those chapters will be reallocated to new authors. Dr. Sacchidanand decided to keep deadline for receiving remaining chapters as end of April 2014. Than all chapters will be sent to publisher which will take 15 days and then will be resent to authors for final proof with 15 days time duration.

WCD Bidding

Dr. Sacchidanand gave brief overview of bidding for WCD 2019 for Bangalore. Campaign for bidding will be carried out through emails and other means. Strategies will be rolled out to project Bangalore as preferred location and facilities available at Bangalore international Convention Centre including huge

scientific halls, exhibition area and parking facility were discussed. 10000 plus delegates can be easily accommodated at the venue. Available accommodation of all categories in Bangalore will be highlighted. Tourist places of interest in and around Bangalore will be focussed upon.

Dr. Sacchidanand gave idea regarding financial commitments of WCD – income of registration goes to ILDS and approximately 30% percentage of the same will be given to organisers and main source of income for organisers will be through sponsorship and trade and exhibition. Expected delegates, collection of money as registration and through pharma, and expected expenses were displayed.

Dr. Deepak Parikh raised concerned regarding money transfer to foreign country as FEMA rules apply. He also informed that delegation fees if kept at par with international delegates (Rs. 30,000/-) will be too high for Indian delegates so different fees should be applicable to Indian nationals. He also suggested Service tax will be paid by conference so after deducting ST only the money shall be transferred to ILDS. Dr. Parikh also suggested that pharma revenue generation as projected by Dr. Sachinanand may not match.

There was a concern regarding possibility of getting WCD in 2019 in competition with other countries like Dubai.

Conclusions: After lots of discussion among EC members it was decided that bidding for WCD shall be carried out and separate committee shall be formed to help with bidding procedures. Social media, e-media etc. should be involved in marketing India as WCD host as IADVL at present has limited budget. Proper plan of action in association with professional event management company will be rolled out to market India as WCD host. Dr. Deepak Parikh also suggested to invite quotations from different event managers for the bidding.

Agenda 5: Report of DERMACON 2015:

Dr. Rashmi Sarkar invited Dr. Ramesh Bhat to give review report of DERMACON 2015. Dr. Ramesh Bhat gave status report of DERMACON 2015 to be held at Mangalore. Conference will be held from 13th to 15th February' 2015 with CME and Workshop on 12th February. Theme for the CME will be – 'Scientific concepts in Cosmetology Practice' and for the conference is – 'Dilemmas in dermatology practice and drugs – Are we in the right direction?' Dr. Ramesh Bhat will be Organizing Secretary, Dr. Ganesh Pai will be Organising Chairperson and Dr. Sukumar will be Treasurer, Dr. Satish Pai will be Scientific Committee Chairperson.

TM Pai convention centre will be the venue. Main hall will have

capacity of 2200 and 4 other halls of 300- 600 capacity. Preview room and e-poster areas will be separate. Exhibition area will have 60 stalls capacity. If required arrangements can be made in basement for more exhibition area.

Banquets and dinner areas were displayed. Plans for working lunch and dinner was elaborated.

Early bird registration is already going on and will continue till August 31 2014. Late registration will be till October 31st 2014. Website is already operational and registrations are going on. Abstract submissions are also operational now.

Dr. Deepak Parikh informed EC that matters related to Scientific, entertainment, food and fellowships have been discussed with OC and he is happy with preparation. Research projects, clinical photography and how to retrieve the photographs, application of smart phones in clinical practice, how to handle difficult patients, Residents' Forum etc. are some other newer interesting sessions will be added. 8 to 9 speakers coming from outside India will be given local hospitality only.

Every month Service Tax deposited is updated and monthly accounts are sent to treasurer IADVL.

On concern raised about hotel accommodation at Mangalore, Dr. Ramesh Bhat assured that there are 1500 good hotel rooms available and even 400 small hotel rooms also available. He also informed that there are good hotels within 10 km of venue and point to point Volvo buses for commute will be made available. Even service apartments will be hired. Dr Deepak Parikh also assured that though there are no 5 star properties at Mangalore, available hotels have been reviewed by committee and good facilities in adequate number is available. EC members advised to spread message in the e-group and facebook regarding ample facility available for Dermacon2015. Regarding chief –guest of conference Dr. Ramesh Bhat informed that they are considering various names like Mr. Arun Jetley, Mr. CN Rao, Mrs. Kiran Majumdar etc. Dr. Deepak Parikh and other EC members were of opinion that chief guest should be from scientific background as far as possible; businessman or politician should not be the chief guest of DERMACON.

Somesh Gupta, Treasurer IADVL informed that DERMACON should be careful regarding payment of Service Tax as sometimes it is paid in excess as vendors directly pay ST.

Agenda 8: Award committee report

- Dr. Rashmi Sarkar invited Dr. Ramesh Bhat to give report of award committee. Dr. Ramesh Bhat gave overview of various awards at DERMACON. It was recommendation

of President Dr. Deepak Parikh and award committee that as there are many awards going on for years, new guidelines and revisions are needed. Future awards have to be defined and memento needs to be uniform as each time different memento is given which creates doubt on rationale of awards.

Proposals from award committee -

- To review Dr K.C. Kandhari award, Dr Ratan Singh award and Dr J.C. Shroff award and to bring it to CC. Dr K.C.Kandhari award shall be increased from Rs. 10000/- to Rs. 25000/-, Other two awards will be increased from Rs. 5000/- to Rs. 10000/-
- Dr Ganpati Panja award has completed 5 years so should be renewed of charges. Rs 5000/- will be prize money. Similarly Dr Premalatha award, Dr Senthamil Selvi awards need to be revised and Rs. 5000/- will be given as prize. All these three awards will continue to be by application.
- Dr L.N. Sinha award is given on zonal basis instead of that one application from each zone should be considered for the same and amount of award should be Rs. 5000/-
- For Dr L. Marquis award ,Maharashtra state branch will be contacted for renewal.
- For any new award ,Rs. 5 lakhs shall be deposited for oral paper prize and Rs. 3 lakhs to be deposited for poster prize. For oration the amount will be Rs.12.5 lacs. All awards will have tenure of 5 years. After 5 years, original contributor will be contracted for renewal/ top-up. and if they do not wish to renew the prize money, award will be named after IADVL.
- It was also suggested to stop giving cash prize with award. Only certificate and award shall be given. This proposal will be reviewed by award committee and will be discussed with EC before bringing to CC meeting.
- Dr. Deepak Parikh's suggestion was accepted – In case of non pharma awards, once the tenure is complete i.e 5 years, IADVL to write to the donors to increase amount, if they do not agree, change the name of the award. Pharma awards to be phased out once their tenure gets over. Gradually all awards will be converted into IADVL awards and new guidelines will be formed. Dr Suresh Talwar and Dr Venkat felt the decision should be to invite fresh applicants for the award and then change the name after approval of the new applicant. Pharma awards to be phased out once their tenure gets over. Gradually all awards will be converted into IADVL awards and new

guidelines will be formed. Members of EC and chairman of Academy will not get any award.

- Any person who is standing for election and waiting for results will be able to apply for the award or oration.
- Lifetime Achievement award will be given to those deserving senior members who have not received any other award in their life time. Life time achievement awardees to get waiver on registration. Dr. Deepak Parikh also suggested to give waiver on registration to members above 75 years.
- All awards to be preceded by the word IADVL.
- Number of awards to be given for award paper should be revised and fixed.
- Dr. Deepak Parikh informed that these suggested changes will be brought into CC. better to make a summary of conclusions clearly
- Regarding orations it was decided that all orations will be given names as IADVL awards. Certificate and memento shall be given, no cash prize to be given .All awards by pharma companies will be discontinued once their defined tenure is over. Dr Venkat did not agree to this. For awards attached to individual name, either family members or state will be asked to revise money to continue for another 5 years.
- Three presidents will decide on appreciation awards – maximum 5 in number for the particular year. These awards will be given on IADVL day. For appreciation award no age bar will be kept.
- Award for leprosy and for female PGs shall be stopped.
- For IADVL GSK Quiz participants – all 4 team members will get waiver of conference registration fees.

Agenda 9: IADVL Academy Report

Agenda 14: Proposals from EC

1. Proposal – Registration during DERMACON

Name of proposer/s: Dr Deepak Parikh and EC 2014

Is any one of the proposer member of CC? Yes

Is it constitutional related (select one) OR How will it help IADVL?

Currently non-members are registered by Pharma Company and these delegates get IADVL certificates. Such non dermatologists put up this certificate in their clinic/establishment and mislead general public.

If constitutional – will it replace existing clause? Or modify?

No. This is new clause to be inserted in section on DERMACON

Proposal:

1. Delegates who register as members MUST provide their LM no.
2. Government recognised photo id should be presented by registered delegate to Collect delegate kit and certificate.
3. Registered delegate can collect only his/her registration material.

Do you think this needs referral to any specific committee?

Yes, constitution committee.

Decision and Status at EC meeting:

- It was decided that LM/PLM/ALM number should be must for conference registration
- Doctors who are not dermatologists who wish to attend DERMACON should provide their MCI number mandatorily and their registration fees will be double than of IADVL members
- For qualified dermatologists from other countries SARAD and Non-SARAD –different registration fees will apply
- At the time of registration valid Photo-ID will be must and this shall be declared before conference to all registrants in the conference brochure.
- No blank certificate shall be provided to any delegates
- If possible barcode system shall be used for distribution of certificate
- Accepted

2. Proposal – Changes in the rules regarding PLM

Name of proposer/s: Dr Deepak Parikh and EC 2014

Is any one of the proposer member of CC? Yes

It is constitutional related or How will it help IADVL?

It has been found that most of PLMs do not apply to convert

themselves to LM

If constitutional – it will modify existing rule.

Give detail of the clause – page no. and clause no. Clause

5 (b) Provisional Life Member (PLM) Postgraduate students studying in the specialty can be made provisional lifemembers. They will present to the Honorary General Secretary a letter from the head of the specialty department where they are studying, stating the date of their joining the postgraduate course and the date of its due completion, along with the application for membership. They have to send their qualification certificate within 5 years of their registration for the postgraduate course to the Honorary General Secretary in order to become permanent life members. In case they don't do so, in the defined period, they will have to register once again as a Life member after following the due procedure through the state branch. The Provisional Life Membership number will reflect their tenure of PLM membership. It shall read as PLM/number/tenure of PLM membership (e.g. 2014-19)

Proposal: PLM will only get access to online version of IJDVL. PLM if wishes to apply as delegate for DERMACON will need permission from HOD or state branch secretary. Or else he/she will be considered non-member.

Do you think this needs referral to any specific committee?

Yes Constitution committee

Decision and Status at EC meeting:

- Printed copy of IJDVL will be continued to be given to PLM NOT PASSED
- 2nd part of proposal -ACCEPTED

3. Proposal – Readmission of member

Name of proposer/s: Dr Deepak Parikh and EC 2014.

Is any one of the proposer member of CC? Yes

It is constitutional related or How will it help IADVL?

We need deterrent, to prevent misuse of office.

1. He/she will have to pay again and

2. Seniority in IADVL will be lost.

This will make very difficult for such members to contest and hold office in future.

If constitutional – It will modify the existing clause

Give detail of the clause – page no. and clause no.

Clause – 9 RE-ADMISSION OF A MEMBER

A member whose membership has been terminated under Rule 8 (a) and (b) may apply for re-admission after

expiry of 5 years from the date of action of termination of membership by the Central Council. Any action decided will be taken only by the Central Council and shall be passed by a majority of three-fourths of the members present. The member shall be informed of the decision taken by registered post with acknowledgement due.

Proposal: Add following line If readmitted he/she will have to pay prevailing membership fee as new member.

Do you think this needs referral to any specific committee?

Yes to constitution committee

Decision and Status at EC meeting

- Accepted as proposed
- New LM number shall be given to members who are readmitted after termination of membership-Accepted

4. Proposal Disqualification of candidate

Name of proposer/s: Dr Deepak Parikh and EC 2014

Is any one of the proposer member of CC? Yes

It is constitutional related or How will it help IADVL?

Many of IADVL members either own or are partner in pharmaceutical industry/cosmetic industry. There is conflict of interest when such members contest for IADVL central or state EC.

If constitutional – It will modify rules of eligibility.

Give detail of the clause – page no. and clause no.

27. PROCEDURE FOR ELECTION OF OFFICE BEARERS

Proposal: Application of the candidate should be invalidated for any post, if he/she is associated with any pharma co./ instrument supplier/dealer/ or cosmetic co. or chain of clinics owned by non-dermatologists.

Do you think this needs referral to any specific committee?

Yes, to constitutional committee.

Decision and Status at EC meeting:

- Application of the candidate should be invalidated for any post if he/she is owner fully or partly/ partner with any pharma company/ instrument dealer/ cosmetic co.
- This clause shall be added in eligibility criteria for candidate who wish to apply for any post in IADVL

5. Proposal – DERMACON Profit sharing with state branches
Name of proposer/s: Dr Deepak Parikh and EC 2014. Is any one of the proposer member of CC? Yes
It is constitutional related or How will it help IADVL?

Currently there is confusion about what state branch will contribute towards DERMACON and how much profit share they will get. It should be proportionate to their contribution.

If constitutional – It will modify the clause.

Give detail of the clause – page no. and clause no.

50 % of seed money for the DERMACON shall be paid initially by the state branch hosting the event. However if the state branch does not have sufficient funds national body after verification will pay the entire amount (2013-Delhi)

Proposal: State branch should get profit only if they contribute for seed money.

Do you think this needs referral to any specific committee?

Yes, Constitutional committee

Decision and Status at EC meeting:

- State branch shall receive 20% of profit of Dermacon and 80% will go to central IADVL
- If seed money is returned late – 10% interest will be given by state on the same

6 Proposal IADVL Members Directory

Name of proposer/s: Dr Deepak Parikh and EC 2014

Is any one of the proposer member of CC? Yes

It is constitutional related or How will it help IADVL?

Current constitution mentions to print directory every three years.

This is waste of money. we have updated version on web

If constitutional – It will replace existing clause

Give detail of the clause – page no. and clause no.

Appendices 1 no. 6 IADVL MEMBERS' DIRECTORY

The IADVL members' directory should be published every 3 years.

Proposal: This clause needs to be removed

Do you think this needs referral to any specific committee?

Yes, Constitutional committee

Decision and Status at EC meeting:

- Passed as it is

9. Proposal: Declaration of conflict of interests
Name of proposer/s: Dr. Venkataram Mysore and EC 2014
Is any one of the proposer member of CC? Yes

It is constitutional related or How will it help IADVL?

Many of IADVL members are associated with pharmaceutical industry/cosmetic industry in different capacities. There are other members who hold positions in other associations. There

is conflict of interest when such members contest for IADVL central or state EC. It is therefore important for members to be aware of such associations while making a choice during elections.

**If constitutional – it needs inclusion of clause
Give detail of the clause – page no. and clause no.**

27.PROCEDURE FOR ELECTION OF OFFICE BEARERS

Proposal: Any candidate while applying for an IADVL election should declare, if he/she is associated with any pharma co./ instrument supplier/dealer/ or cosmetic co. or chain of clinics owned by non-dermatologists/ holds positions in other professional societies or associations. This should form part of the application as below: The same should be included in the newsletter/e group announcement and uploaded along with biodata on to e voting website

I----- here by wish to declare the following associations with industry/other societies:

I am a owner/advisor/(specify any other capacity) in the following pharma/aesthetic companies:

I am an office bearer in the below mentioned capacities in the following associations/societies:

I hereby confirm that the above statements are true and full disclosures.

Do you think this needs referral to any specific committee?
Yes, to Constitutional committee

Decision and Status at EC meeting:

- Passed with addition of word 'medical societies' in original proposal instead of societies

8.Proposal: Moral code of conduct,punishments,Election officer

Name of proposer/s: Dr Venkataram Mysore and EC 2014

Is any one of the proposer member of CC? Yes

Is it constitutional related? Yes

How will it help IADVL?

Presently the rules governing punishment for break of code of conduct are inadequate and this proposal seeks to fill that lacuna

If constitutional – It will add to existing regulations page 31-32.

Proposal: Add the following to regulations 27 (v) :

Any candidate breaking the code of conduct will be subject to punishment as below:

- i) The matter will be referred to as election officer; this may

be done either by the returning officer or by a candidate directly

- ii) The election officer may take any of below actions if the complaint is found to be valid, and after giving adequate opportunity to the candidate to explain :
 - a) Issue private warning letter if it is a first offence and in the opinion of election officer a minor offence
 - b) Issue a public warning(announcements in e groups) for a second offence or if it is a larger offence
 - c) Disqualify the candidate for a third offence or a second larger offence

This procedure shall be completed with in a period of ten days

- iii) The disqualified candidate will have the right to appeal to an arbitration committee against the decision of election officer, which shall be constituted by the president as per the provision of the constitution; The committee shall give its decision with in one week and that decision will be final.The candidate or any member on his behalf can not raise the issue with general members in any of the e groups and should raise this issue or any issue of dispute on through returning officer.

**Do you think this needs referral to any specific committee?
Yes, Constitution committee**

Decision and Status:

- Proposal accepted at present but may change later on as per need arises

10. Proposal:Nomenclature of Gen Secretary and inclusion of Immediate Past Gen Secretary in EC

Name of proposer/s: Dr Venkataram Mysore and EC 2014

Is any one of the proposer member of CC? Yes

Is it constitutional related? Yes

How will it help IADVL?The current nomenclature for Gen Secy is Hon General Secretary. The international nomenclature is Secretary General.

Also Imm past Secy is at present not included in EC. Except as an invited member. To ensure smooth administration, it is proposed to include Imm past Secy in EC.

If constitutional – It will replace below sentence in existing clause 16 page 17

EXECUTIVE COMMITTEE

- (a) It shall consist of the President, President Elect, Immediate Past President, Vice-Presidents, Honorary General Secretary, Honorary Treasurer, and Joint Secretaries

Proposal: Replace above with:

- (a) It shall consist of the President, President Elect, Immediate Past President, Vice-Presidents, Honorary General Secretary(also called Secretary general), Immediate past Gen Secy Honorary Treasurer, and Joint Secretaries

Do you think this needs referral to any specific committee?
Yes, **Constitution committee**

Decision and Status at EC Meeting:

- Term Honorary General Secretary will be replaced by Secretary General
- Immediate past Secretary general will be Chairman of SOP committee
- The issue of minimum experience criteria of the Treasurer was discussed. Dr. Venkataram Mysore pointed out that the job of the treasurer is getting bigger and bigger and he needs to know the functioning of IADVL finances well. The following criteria to be added for post of Treasurer . He/she should have been a Jt. Secretary, Secretary, Treasurer, Vice President or President at the state level or Jt. Secretary at the National level.
- This was accepted

13.State Branch office bearers

Name of proposer/s: Dr Venkataram Mysore and EC 2014

Is any one of the proposer member of CC? Yes

Is it constitutional related? Yes, but only with respect to implementation, not a modification.

How will it help IADVL? Presently there is already a model state branch office bearers laid out in the constitution page 50-51 as below. However many states are not following this pattern leading to confusion at the time of election. State branch committees should consist of

- a) The President
b) The President Elect
c) 2 Vice presidents
d) Hon Secy e) Treasurer f) 2 Jt secretaries

If constitutional – My proposal is that EC should send a letter asking states to adopt this pattern within a time frame of one year ; The same message should go through CCM also. This proposal is important if we have to implement the proposed regulation regarding minimum qualification for treasurer and also state representation in CCM which are proposed herewith.

Do you think this needs referral to any specific committee?

In my opinion, since the matter is already laid out in constitution and only needs to be implemented, EC is empowered to act. However the matter may be referred to Constitution committee if the members feel so.

Decision and Status at EC meeting:

- Accepted as it is

11. Proposal:Pattern of IADVL sponsorship for CC members from states to attend CCM

Name of proposer/s: Dr Venkataram Mysore and EC 2014

Is any one of the proposer member of CC? Yes

Is it constitutional related? Yes

How will it help IADVL? Presently there is already a regulation on Page 64 (2) iii. for IADVL sponsoring for travel and accommodation of 25% of members from state branches President and secretary of branch is sponsored by state. CCM is held in august of each year where as most cuticons and elections for state branches are organized in October/November, when a new president takes over. There fore in order to facillitate smooth flow information and better establishment of rapport and smooth administration , it is important that president elect and Sr Jt secy attends the CCM.

If constitutional – My proposal : 25% of State branch CC members sponsored by IADVL should mandatorily include president elect and senior joint secretary. This should come in to force from 2016 CCM after allowing states time to implement the IADVL pattern of office bearers as proposed in the next proposal

Do you think this needs referral to any specific committee?Yes, the matter may be referred to Constitution committee .

Decision and Status at EC meeting:

- Accepted with minor change – exclusion of Joint secretary
- They will be sponsored by either state or national body
- President elect from the state should be present at the CC meeting

12. Proposal:State branches report

Name of proposer/s: Dr Venkataram Mysore and EC 2014

Is any one of the proposer member of CC? Yes

Is it constitutional related? Yes

How will it help IADVL? Page 88 mentions application for best branch award as follows which are inadequate and need to be revised to include additional criteria

Criteria: Marks

1. Membership: 15

- (a) Strength of the branch on 31st December

- (b) Number of new members enrolled during the year
- (c) Number of the members deleted during the year
- (d) Percentage of increase of membership during the year

2. Payment of CFC: 10

- (a) Number of members for whom CFC is paid by 31st March
- (b) Dates of payments of CFC to the IADVL

3. Academic activities: 20

(Scientific activities: CME, etc. under the banner of the branch) Attach proof and give detailed information

Topics/Speakers Place Time/Date No. of Participants

- (a)
- (b)
- (c)

Nature of Programs Place Time/Date

- (a)
- (b)
- (c)88

6. Response to the official letters/e-mails from the Honorary General Secretary: 10

Date of Receipt Date of Reply

- (a)
- (b)
- (c)

7. Participation in the National Conference of IADVL: 10

Number of members who participated from the state branch

8. Calendar of activities of the state branch (including the election of Office Bearers): 10

Whether activities had taken place as scheduled.

If yes, whether a detailed report was forwarded to the Honorary General Secretary.

If yes, mention date on which reported.

9. Any activity not covered above and that you think should be informed

If constitutional – My proposal : State branch report should include the following in addition to what is mentioned on page 88

- a) Statistics regarding PLM –LM conversion (include under 1)
 - b) Achievements in DVL Insurance membership (10 marks) – to be no 9 in above list
 - c) List of city and zonal branches in the state – their office bearers(president/secretary with emails and tel nos--- to be no 11
 - d) Updated Email and tel list of all members of the branch to come under 11
 - e) Date of next cuticon/dermazone/ other important events(calendar of events) include under 3
 - f) Special/unique projects if any : include as 12
 - g) Research projects if any – include under 3
 - h) Achievements in E voting.(10 marks) to be no 10 in above list
- The following may be deleted

4. Social/cultural activities for the members (attach proof): 10

Nature of activity Place Time/Date No. of Participants

- (a)
- (b)
- (c)

7. Participation in the National Conference of IADVL: 10

Number of members who participated from the state branch I also propose that we give two best branch awards this year- one to a large branch and one to a small branch which is stated already in the constitution. In addition we give special awards for best performance in each category. Eg State performing best community activity; state performing best in e voting; state performing best in PLM conversion etc. This will work as motivational factors for better performance.

Do you think this needs referral to any specific committee?

Yes,Constitution committee

Decision and Status at EC Meeting:

Remove clause number of members who participated from the state branch

Proposal for two best branch awards – accepted

Extra certificates of appreciation for various activities will be decided by Honorary General Secretary

Proposal 7

7. Proposal: Dermazone committee

Name of proposer/s: Venkataram Mysore and EC 2014

Is any one of the proposer member of CC? Yes

Is it constitutional related? Yes

How will it help IADVL? Presently there are some sketchy regulations for organizing dermazone as below which are inadequate

If constitutional- It will replace existing clause page 29 C; iv CONFERENCE

- (a) Zonal states should be arranged in alphabetic order.
- (b) State Presidents and Secretaries must be members of the organizing committee; others may be included.
- (c) The surplus income shall be divided between the organizing state and the IADVL equally.
- (d) The audited account should be submitted to the IADVL within 6 months..

Proposal: Replace above with:

- (a) Zonal states should be arranged in alphabetic order.
- (b) State Presidents, President Elect and Secretaries of the zone must be members of the central organizing committee; From IADVL centre, any one of vice president /president elect/Past president(preferably hailing from that zone) will be the IADVL liason officer. This committee will be constituted one year before organizing the dermazone . It shall be the responsibility of Hon gen secy to do this and included in the secretary report to CCM/AGM.
- (c) IADVL liason officer will oversee signing of MOU between IADVL and dermazone local organizing committee. The MOU for this shall be on the lines of Dermacon MOU and shall be prepared by SOP committee. The liason officer will be responsible for smooth conduct coordination and also submission of accounts of dermazone
- (d) 15% of all registrations and 20% of industry stall collection will be handed over to IADVL as IADVL affiliation fee. This amount shall be divided equally as follows between:
 - i) the organizing state 33% ii) Other participating states 33% iii) and the IADVL 33%.
- (e) The audited account should be submitted to the IADVL within 6 months and presented in next CCM or AGM which ever is nearer and the same shall be subjected to audit and finance committee opinion (as applicable to dermacon)

Do you think this needs referral to any specific committee?
Yes, Constitution committee

Decision and Status at EC meeting:

- Accepted with changes as follows
 - b) Any one of vice president will be IADVL liason officer.
 - c) The liason officer will be responsible for smooth conduct_____ shall be corrected to The liason officer will oversee smooth conduct_____
 - c) Organising state's share will be 50%, other participating states – 30% and IADVL's share – 20%

14. Proposal – IADVL Overseas Scholarship versus single international awards

Name of proposer/s: Dr Rashmi Sarkar and EC 2014

Is any one of the proposer member of CC? Yes

Is it constitutional related (select one) OR How will it help IADVL?

It was passed recently that an IADVL Overseas scholarship/ fellowship should not be offered twice to an IADVL members. Most scholarships are given in a good number for major international conferences based mainly on abstracts. There are however few stand alone awards which should be differentiated from these scholarships like the recent YDIAA (Young Dermatologist International Achievement Award) or similar stand alone awards , which is given to a person for his body of work. An exception and differentiation should be made between an overseas scholarship and an overall achievement award so as not to deprive a good candidate for the same. This should be clearly mentioned to all future scholarship aspirants-as this has not been done so far. This will help IADVL to choose one best candidate for an international award.

If constitutional – will it replace existing clause? Or modify?

No. This is administrative.

Do you think this needs referral to any specific committee?

Appears administrative but maybe referred if EC feels.

Status at EC meeting:

- Accepted

15. Proposal – IADVL Mentorship/Leadership Program

Name of proposer/s: Dr Rashmi Sarkar and EC 2014

Is any one of the proposer member of CC? Yes

Is it Constitutional related (select one) OR How will it help IADVL?

At present IADVL has its training fellowships for young dermatologists which are mainly subject based and are

academic programs. An IADVL Mentorship/Leadership Program is the need of the hour based on the model of Leadership Institute of AAD and others globally. This program could pick up 4-6 applicants below the age of 40 who would want to be mentored regarding implementing leadership in academic/faculty positions, private practice, financial management, editing in journals, to be groomed for future leadership in IADVL etc.

Implementation: The applicant could be asked to name 3 mentors of their choice. Alternatives we can start with 6 volunteer mentors. The IADVL EC could match one of these mentors depending on being able to give time and willingness to maintain liaisons with mentee in future. This does not require physical going for the mentorship/leadership program. The mentor/mentee could fix up telephonic or video call discussions on situations twice a month or email according to their mutual agreement. According to their convenience they could have 2 face to face meetings a year, which could be common conferences like DERMACONS, CUTICONS etc. The mentee and mentor would submit reports at the end of a year.

MERITS: Does not require finances. Doable and needs to be assessed after first few mentees do this. Will build up more interested junior faculty and members interested in serving IADVL in the future.

The proposer has served on mentorship and international committees of ISD and Women's Dermatologic Society and feels that this will help us to build more responsible leadership for the future in academics and administration in IADVL. A thought for the future.

If constitutional – will it replace existing clause? Or modify?

No. This is administrative.

Status at EC Meeting:

Accepted

Proposal 16– Compulsory working email ids of CC members

Name of proposer/s: Dr Narendra Gokhale and EC 2014

Is any one of the proposer member of CC? Yes

Is it constitutional related or How will it help IADVL?

It has been found that some of CC members do not have email ids. This acts as a hinderance in their communication with the CC e-group of IADVL. Such members do not actively take part in the discussions during CC meets as they are not aware of the discussion that has already taken place in the egroups. It is already a criteria for a state president and secretary.

If constitutional – It will not modify any rule but become an eligibility criteria for being elected as a CC member.

Give detail of the clause – Page 17 Rule 12 states about the composition but not about the necessity of CC members to

have a working e mail ID.

Proposal: All the IADVL members who wish to become members of the Central Council should compulsorily have a working email ID.

Do you think this needs referral to any specific committee?

Yes, Constitution committee

Status at EC meeting:

Accepted

Proposal 17– Compulsory notification of the names, telephone numbers and email ids of all state office bearers to the National Executive.

Name of proposer/s: Dr Narendra Gokhale and EC 2014

Is any one of the proposer member of CC? Yes

Is it constitutional related or How will it help IADVL?

Every year the state branches undergo changes. New office bearers are elected and they replace the older team. However this change is not informed to the National executive. As a result the National executive is in the dark about the office bearers of the states. The Hon. Gen Secretary has to repeatedly ask for the same.

If constitutional – It will not modify any rule but become one of the duties of the State secretary.

Give detail of the clause – Page 13 -16 Rule 11 states about the duties and rights of the state branches. The state secretary has to send the activity report but there is no mention of sending the list of state office bearers.

Proposal: As soon as a new team takes over in a state branch, it shall be the responsibility of the state secretary to send the list of ALL office bearers of the state stating their post, their telephone number and their email ids to the Honorary General Secretary within 2 weeks of assuming office.

Do you think this needs referral to any specific committee?

Yes, Constitution committee

EC Meeting, 13th April 2014

9.00 AM onwards, Hotel Novotel, Mumbai

Agenda 4: Progress Report of MIDDERMACON, Aurangabad-Dr. Prashant Palvade, Organizing Secretary, MIDDERMACON 2014 at Aurangabad gave a lucid presentation of the preparation and settings of the conference. He gave an overview of the location, venue details and facilities of the conference. He informed that registrations have started already.

Dr. Parikh informed that IADVL would be sponsoring 2 days stay for CC members. Dr. Ramesh Bhat enquired whether it can be Saturday and Sunday (15-16 August) instead of Friday and Saturday (16-17 August). This was accepted. Dr. Deepak Parikh informed that spouses of CC members will not be paid by IADVL. **Those who want to come with spouse will have to inform sufficiently in advance for availability of rooms.** Dr. Rajeev Sharma suggested that members should pay extra days charge if they want to come early for sightseeing.

Agenda 12: Resignation of Dr Sacchidanand as Chairperson, SOP Committee—It was informed that Dr. Sacchidanand has resigned as chairman of SOP committee as he has been nominated as the Registrar of Rajiv Gandhi Health University, Bangalore. The house congratulated him. **Dr. Deepak Parikh informed that he had taken opinion of Chairman, Constitution Committee and it has been decided that EC would take over the writing of the SOPs.** 2 SOPs each will be given to the 2 Vice Presidents and 2 Joint Secretaries as well as others.

Agenda 11: To appoint Committee for selection of Editor Elect IDOJ and Editor of IADVL Digital Lecture Series—It was decided that a committee would be formed to select the Editor elect of IDOJ and IADVL digital lecture series. The committee will comprise of Dr Hemangi Jerajani, Dr Jayakar Thomas, Dr. Shyam Verma, Dr. DM Thappa and Dr. Ramam, and Dr. Deepak Parikh and Dr. Rashmi Sarkar will be ex officio members.

There was a proposal to have the President Elect as a member of all committees. Dr. Arijit Coondoo pointed out that instead of saying all, we should make a list of all committees where we want the president elect. **The President wanted a proposal to be put up in this regard and then it should be passed by GBM/CC.**

Agenda 10: Release of IADVL News April 2014—The first edition of the IADVL news for the year 2014 was officially released by the President, Dr. Deepak Parikh and Hon. Gen. Secretary, Dr. Rashmi Sarkar. Dr. Koushik Lahiri wanted the MOU to be attached, to which he was told that these are token paper copies, only e copies of News Bulletin would be available and the MOU is already on the website. Dr. Venkataram Mysore asked why a disclaimer has been put at the back. Dr. Koushik Lahiri told the house that he had put the disclaimer to protect against printing errors after taking legal opinion.

Two other issues were taken up by the President. One was regarding the discussion on e groups about the last date for change of address and the last date for registration for e voting. After some discussion it was unanimously

concluded that 31 July would be the official date for both as the Hon Gen Secretary has to send the final list of voters, postal and e to the election officer. **Also if a members form is received by 31st March at the state secretary level or he sends request for conversion from PLM to LM by this date, his/her name shall be included in the voters list.**

The other point was what should be considered as sufficient quorum for GBM. Presently it is 40. Since the strength of association has increased, Dr. Sacchidanand wanted it to be raised to 120. **Dr. Venkat wanted to know what happens if members leave midway and very few members are left. Dr. Rajeev Sharma informed that once quorum is achieved at the beginning and members leave mid way it is still a valid meeting and the decisions taken stand.**

Agenda 3d. SERVICE TAX issues

This is one of the burning issues for the association, conference organizers and individual members. Dr. Parikh had invited Mr. Sushil Solanki, Commissioner West Zone, Service tax to enlighten members about the status and also to answer their queries. Dr. Deepak Parikh introduced and Dr. Rashmi Saarkar welcomed the guest. Dr. Suresh Talwar presented a memento to him.

Following are the salient features of his talk and the interaction he had

1. Service Tax is payable on registration for DERMACON, DERMAZONE and CUTICON if collection is more than 10 lakhs. **Agent clause does not apply.**
2. If product name is displayed, service tax is payable when sponsorship has been received from pharma companies **and the responsibility is of the association. A pure educational grant without product name is not liable to service tax.**
3. No service tax on patient awareness programmes **and posters published only for patient awareness without name of product. But if such activities are held during a conference, tax is payable as the major activity in the event decides the ST liability.**
4. Before 2012, avoid reference to service tax.
5. Membership contribution to association liable to service tax **even if you are registered as a charitable organization as criteria for calling it a charitable activity are different for service tax and income tax**
6. 12 AA form is for income tax and not for service tax
7. 85% income of the association to be spent or invested in

specified avenues if it has "charitable trust" registration.

8. If there are lapses on part of OC of a conference in paying ST, it is the responsibility of 3-4 responsible people who sign cheques, whose name PAN is obtained, those who signed to get PAN card (association of person or trust) etc
9. ****If amount is high, the state branch responsible office bearers would also be held liable.
10. If account is closed and money transferred to National body, the liability is of National body on transferred amount
11. For defaulters, there is interest liability of 18%.
12. Provision of penalty of upto 100% of the tax amount for defaulters
13. The ST department doesn't interfere in the internal affairs of the association
14. ST is to be paid upto 6th of next month. But for 31 March it is 31 March only
15. If ST not paid, liability to OC exists
16. **If ST is collected but not paid, prosecution rules apply.**
17. **IADVL needs to pay ST on membership fees from 2007 onwards. If state branches collected the amount they have to pay service tax.**
18. If ST is being charged to organizers by the vendors they can get a set off against liability for paying ST.
19. Whether to make an association of persons or to make a trust, decide your own comfort.
20. If you taken a PAN for organizing conference, file returns and then close it.
21. *** If National PAN given to state EC, then the **service** tax liability is of the **local body, although notice will come to National body. State Secretary or Organizing Secretary has to collect and pay service tax. The responsibility for filing returns etc remains with the National body.**
22. ST on commercial property rented out.
23. As pointed out by Dr Narendra Gokhale, Dr Deepak Parikh asked for a differentiation between medical and cosmetic procedures, so that all procedures performed by Dermatologists do not get clubbed into one. The honourable commissioner said that the association can write to him **and have a joint meeting**, but he will take the opinion of the Ministry of Health before taking a decision on it.

AGENDA 3a. Accounts of DERMACON 2013, Ahmedabad-The

report of the fact finding committee which went to Ahmedabad was placed before the house along with the inspection report of the auditor. The President in his opening remarks said that procedural lapses had taken place. Many members expressed their anguish at these as the Organizing Chairperson was the President of the Constitution Committee too. Dr. Rashmi Sarkar pointed out that members of the OC of DERMACON 2013 who are in the EC and invited members of EC should be not be present during the discussion. Dr Deepak Parikh asked Dr. Shyam Verma and Dr. Krina Patel to abstain from the discussion, to which they readily agreed.

There was a lot of discussion on how to tackle the issue. Finally the following points were agreed upon

1. **Both the organizing committees of Jaipur and Ahmedabad have fully cooperated with the EC and answered queries that have been raised.**
2. A re audit of DERMACON 2013 accounts by National Auditor **as per the constitution.**
3. After the re audit, a letter asking for explanation for the procedural lapses and financial irregularities if found, to be sent **individually** to the Organizing Chairman, Organizing Secretary and Treasurer, **according to rule 8 clause 2, of DERMACON 2012 AND 2013.**
4. The explanation would be tabled during CC meet for further discussion and later to legal advisor and Chairman, Constitution Committee.
5. On demand for a fact finding committee to Jaipur, the President said he would discuss with the EC and then take a decision

Dr. Shyam Verma pointed out that Ahmedabad issue came up because of discontent of some members who were bold enough to bring it out. In future if any member from states points it out to National EC, we should be more pro active. The President agreed but stated that there are procedures for grievance redressed which should be followed.

Agenda 3E. Accounts of MIDDERMACON 2013, PATNA: The house was informed by the Treasurer that there is no communication from the OC of Patna and they are

Agenda 3f and 3g

- f) **We need to clarify about creating ledger folio - for IADVL Academy**
- g) **Clarity about Journal fund that is retained by IADVL - Both yearly contribution and Interest. This point was raised by DR Thappa**

There is no clarity about the different heads under which IADVL

keeps its receipts viz there is no precise understanding of the exact funds of IJDVL with IADVL, Award funds and funds marked for IADVL Academy. It was decided to **prospectively** create and maintain accounts under different ledgers of IJDVL, Academy, Awards, Life membership corpus. Dr. Manas Chatterjee wanted to know how much fund was for Academy. The President asked him to work with budget of 10 lakhs till the corpus is created and passed by GBM.

Agenda 3h. How should Academy/SIG hold meetings? Which PAN card to use There was a lot of discussion as the academy doesn't have financial freedom and SIG coordinators are not keen on working with states.

The following points were agreed upon

1. **A nodal body to be formed to monitor and control accounts of SIG, DERMACON after approval of CC/GBM as proposed by the President.**
2. Till such time, SIGs to work with states and use their PAN.
3. Since Academy has no financial freedom it has to
 - a. send proposals to EC for approval upto 5 lakhs,
 - b. to CC for upto 10 lakhs
 - c. Make a proposal for CC meet for financial independence
 - d. Make a budget for GBM –for activities, expenditure
 - e. No cash amount to be collected by any SIG independently **as was done for the psychodermatology workshop in Calicut**
 - f. National PAN not for SIG
 - g. **Dr. Rajeev Sharma wanted compulsory sharing, of the revenue collected by SIG activities, between the states and centre**

Dr Rajeev Sharma pointed out that the publisher of IJDVL is

charging more from some pharma companies and placing their ads at strategic places. **Dr. Deepak Parikh asked him to provide the agreement for a legal opinion.**

Dr. Arijit Coondoo pointed out a procedural lapse. When the President left for a few minutes, he should ask the Senior Vice President to take charge.

Proposal of IADVL App by Dr Venkataram Mysore

A presentation was made by Dr Venkat Mysore who suggested that an app needs to be created for IADVL. It will have two parts: dermatologists resources and association resources. Dermatologist resources will consist of conference information, access to Pubmed, journals, books, freetext articles, photography ,etc. IADVL resources include access to announcements alerts, announcements, newsletters, website etc. He also mentioned that DRL will fund the app. A detailed presentation was made by the mobile app company representative, Mr Surendra Desai and also by DRL representative Mr Vijay Kumar. It was clarified that the app will initially for android phone and later it will be adopted for I phones.

Members appreciated the idea and suggested that initially dermatology part be done and later IADVL official part . Proper agreement amongst the three parties need to be drafted and brought before CCM for approval.

Vote of thanks

Dr. Deepak Parikh thanked all members of EC and the invited members for taking the efforts and Mr Sushil Solanki for sparing his valuable time and Ranbaxy Crosslands for sponsoring the meeting.

Administrative Proposals from EC Meeting 2014 to be discussed in CC MIDDERRMA meeting 16-17 August, Aurangabad

1. **Proposal - Registration during DERMACON Name of proposer/s: Dr Deepak Parikh and EC 2014 Is any one of the proposer member of CC? Yes Is it constitutional related (select one) OR How will it help IADVL?**

Currently non-members are registered by Pharma Company and these delegates get IADVL certificates. Such non dermatologists put up this certificate in their clinic/establishment and mislead general public.

If constitutional – will it replace existing clause? Or modify?

No. This is new clause to be inserted in section on DERMACON Proposal:

1. Delegates who register as members MUST provide their LM no.
2. Government recognised photo id should be presented by registered delegate Collect delegate kit and certificate.
3. Registered delegate can collect only his/her registration material.

Do you think this needs referral to any specific committee?

No

Decision and Status at EC meeting:

- It was decided that LM/PLM/ALM number should be must for conference registration
- Doctors who are not dermatologists who wish to attend DERMACON should provide their MCI number mandatorily and their registration fees will be double than of IADVL members
- For qualified dermatologists from other countries SARAD and Non-SARAD –different registration fees will apply
- At the time of registration valid Photo-ID will be must and this shall be declared before conference to all registrants in the conference brochure.
- No blank certificate shall be provided to any delegates
- If possible barcode system shall be used for distribution of certificate
- Accepted

14. Proposal - IADVL Overseas Scholarship versus single international awards

Name of proposer/s: Dr Rashmi Sarkar and EC 2014

Is any one of the proposer member of CC? Yes Is it constitutional related (select one) OR How will it help IADVL? It was passed

recently that an IADVL Overseas scholarship/fellowship should not be offered twice to an IADVL members. Most scholarships are given in a good number for major international conferences based mainly on abstracts. There are however few stand alone awards which should be differentiated from these scholarships like the recent YDIAA (Young Dermatologist International Achievement Award) or similar stand alone awards, which is given to a person for his body of work. An exception and differentiation should be made between an overseas scholarship and an overall achievement award so as not to deprive a good candidate for the same. This should be clearly mentioned to all future scholarship aspirants-as this has not been done so far. This will help IADVL to choose one best candidate for an international award.

If constitutional – will it replace existing clause? Or modify?

No. This is administrative.

Do you think this needs referral to any specific committee?

Appears administrative but maybe referred if EC feels.

Status at EC meeting: Accepted

15. Proposal – IADVL Mentorship/Leadership Program

Name of proposer/s: Dr Rashmi Sarkar and EC 2014 Is any one of the proposer member of CC? Yes Is it constitution related (select one) OR How will it help IADVL?

At present IADVL has its training fellowships for young dermatologists which are mainly subject based and are academic programs. An IADVL Mentorship/Leadership Program is the need of the hour based on the model of Leadership Institute of AAD and others globally. This program could pick up 4-6 applicants below the age of 40 who would want to be mentored regarding implementing leadership in academic/faculty positions, private practice, financial management, editing in journals, to be groomed for future leadership in IADVL etc.

Implementation:

The applicant could be asked to name 3 mentors of their choice. Alternatives we can start with 6 volunteer mentors. The IADVL EC could match one of these mentors depending on being able to give time and willingness to maintain liaisons with mentee in future. This does not require physical going for the mentorship/leadership program. The mentor/mentee could fix up telephonic or video call discussions on situations twice a month or email according to their mutual agreement. According to their convenience they could have 2 face to face

meetings a year, which could be common conferences like DERMACONS, CUTICONS etc. The mentee and mentor would submit reports at the end of a year.

MERITS

Does not require finances. Doable and needs to be assessed after first few mentees do this. Will build up more interested junior faculty and members interested in serving IADVL in the future.

The proposer has served on mentorship and international committees of ISD and Women's Dermatologic Society and feels that this will help us to build more responsible leadership for the future in academics and administration in IADVL. A thought for the future.

If constitutional – will it replace existing clause? Or modify? No. This is administrative.

Do you think this needs referral to any specific committee? Administrative

Status at EC meeting: Passed

Proposals for CC MID DERMA meeting which are Administrative

Name of proposer/s: Dr Venkataram Mysore and EC 2014

1. Subject Community Dermatology activity Is any one of the proposer member of CC? Yes It is constitutional related NO How will it help IADVL? Enhances image of IADVL and by involving all branches in a common activity, promotes coordinated effort.

IADVL chala Gaonki ore- one day in a year be declared as community dermatology day called IADVL chala Gaon ki ore or IADVL goes to villages(or appropriate translation in regional languages). On this day all state/city/regional branches will hold a camp in a village or tribal area, with adequate coverage on social, print and visual media. Industry support may be enlisted. I propose second Sunday in March every year for this purpose.

Do you think this needs referral to any specific committee? No

When was proposal placed before committee? EC/CC/AGM

When was proposal placed before committee? EC/CC/AGM

Date placed in EC ALONG WITH REMARKS 15th June 2014.

Mutual benefit scheme of IADVL – The DVL trust

Introduction

IADVL has launched a mutual benefit scheme coupled with professional legal protection in 2011 and named it DVL welfare trust. It is one of the important financial benefit scheme aimed at securing financial security for the family members of our association. The Executive committee of IADVL urges all its members to join this mutual benefit scheme to make it a successful initiative of IADVL. The details of this welfare scheme are as follows:

DERMATOLOGISTS VENEREOLOGISTS & LEPROLOGISTS WELFARE TRUST (DVL trust) has been established for the benefit of members of IADVL. The trust has been registered at Vadodara. DVL Welfare Trust is by IADVL, of IADVL and for IADVL ites”.

Aims and objectives of the scheme

- 1) To provide financial assistance to the family of a member of this scheme in the event of his/her death.
- 2) To inculcate a habit of savings among the members for their mutual benefit.
- 3) An option to provide comprehensive indemnity cover in the event of litigant situations arising out of alleged professional negligence by the members.
- 4) To educate the members, including clinic staff, to prevent any litigant situation and to guide them, how to deal with it in the event of such a situation.

Eligibility of the members

Any life member of IADVL, irrespective of age is eligible to become a Regular Member of the scheme. Family members of Life members of IADVL can also join the scheme as Beneficiary Members. Please note that separate forms need to be filled for each member of a family.

Total Amount Payable at the time of admission

1. Admission Fees (as per age –given below).
2. Annual Membership Fees Rs. 450. [for the year 2014-2015]
3. Advance Fraternity Contribution (AFC) Rs.1,500 (Rs Fifteen hundred only) a minimum amount kept with DVL trust towards members future fraternity contributions.

Optional amount to be payable at admission

Member can deposit additional amount of his choice as deposit for future annual contribution. The 4% interest will be credited on deposit amount.

Details of one time Admission fees

The Admission Fees payable shall be based on age in years of the proposed member or their family member who likes to join the scheme, as follows:

- a) Upto the age of 10 Years
Rs. 1,000
- b) 11 of 20 Years
Rs. 1500
- c) 21 of 30 Years

Rs. 2000

d) 31 of 40 Years

Rs. 3000

e) 41 of 50 Years

Rs. 4000

f) 51 of 60 Years

Rs. 5000

g) 61 of 70 Years

Rs. 7000

h) above 70 Years

Rs. 8000

Optional Legal fees for professional indemnity For life members of IADVL who volunteer to have professional legal cover, this option is available. However, they necessarily have to be members of DVL trust as well. Annual legal fee is based as per type of Dermatology practice:

(a) The Consultant with only office practice will have to pay Rs. 1000/- per year;

(b) The consultant with practice of Dermato surgery will have to pay Rs. 2000/- per year;

(c) The consultant with practice of cosmetic, laser & other procedures will have to pay Rs. 3000/- per year; to cover these procedural events or litigations.

The indemnity coverage will be Rs. 7,00,000 (Rupees seven lakhs) per case and Rs. 15,00,000 (Rupees Fifteen lakhs only) aggregate per year. If member wishes, the indemnity

coverage can be doubled by paying double the annual legal fees.

Member's annual contribution:

[a] Annual membership fee of Rs. 450/- (with increment of Rs. 50/- every year). and

[b] Fraternity contribution Rs. 500 x N, where N = No. of Death of members)

Plus, Optional professional indemnity annual legal fees, to be paid by those members who opt for professional indemnity.

Benefits for IADVL members of DVL trust: _

1) Social security to family members: Note: Financial benefits will start after ONE year of joining the scheme. Nominee will get Rs. 450 x N, where N = No. of members of DVL trust. In other words, when more IADVL members join this scheme, more fraternity benefit for members families.

2). Professional legal protection, when applicable, for those members opting for it: Legal help is extended in all types of cases like civil, criminal, labour & consumer redressal fora.

Please note that DVL trust welfare Scheme is new ongoing scheme initiated by IADVL for the benefit of its members. Periodic modifications and improvements in the scheme to make it more member friendly are expected to take place from time to time.

The application form is given in the following pages. Members can use the form for enrolling. For further clarifications contact Dr Chetan N Patel at email: dvlwelfaretrust@gmail.com

IADVL-GSK National Quiz Programme for Post Graduates(IGNQPP) for the year 2014-15 has begun and your _____ state CUTICON would be conducting State Level Quiz for **Post graduates students from our state on (Date)_____ at (Venue name, place and time)_____.**

I appeal your esteemed institution to take part in the State Level IADVL-GSK Quiz Programme and request you to nominate 2 participants from your college for the same. It may be noted that the winner of the State level quiz conducted in this CUTICON would be going to the next level i.e., National Finals - prelim Quiz, which would be held on first day of 43rd DERMACON conference to be held at Mangalore during the second week (13-15th) of February 2015. The top four teams selected from this National Finals-prelim quiz would take part in the IADVL-GSK National Quiz finals, which would be held on the 2nd day ie. 14th February, 2015 of the DERMACON, as a plenary session.

The PG students themselves at their own expense must make the arrangement for their registration, travel and accommodation for participating in the State level quiz at CUTICON. However, for the team (Max 2 members) selected during CUTICON for the National Quiz, IADVL would be **providing complementary registration to DERMACON.**

In addition, **IADVL will pay a consolidated amount of Rs. 10,000 (Rs ten thousand only) as scholarship** to each member of winning team (Max 2 members) of the CUTICON quiz to partly cover their travel and accommodation expenses to attend the National Final-prelim Quiz at DERMACON. Please note that this scholarship would be paid after participating in the National Final-prelim quiz at DERMACON. Over and above the mentioned amount, no other expenses shall be reimbursed/paid to the institution/individual/team.

IADVL and GSK request your Department to take note of the above guidelines and encourage your post graduate students of Dermatology to take part in this academic and educative endeavor of IADVL. As only one team is allowed from a college, kindly identify your 2 student participants and fill up the participation proforma given below. All participating students must be members of IADVL at the time of participation in the event. We look forward to your participation. With your support and co-operation we are sure to make this event a resounding success.

IADVL Academy Meeting on 4th May, 2014

The meeting of IADVL Academy members was held in Hotel Broadway, New Delhi on 4th May, 2014. The activities of the Academy and SIGs were reviewed, the process for recognition of IADVL Training Fellowship Centre considered, the Academy budget approved, the IADVL Academy SOPs discussed, Academy members allocated responsibilities, and the scientific program for MIDDERMICON-2014 and SIG sessions in 43rd DERMICON, Mangalore, 2015 decided.

IADVL Training Fellowship Centre applications

With 5 years having passed since the IADVL Training Fellowships were initiated, applications for recognition as IADVL Training Fellowship Centres were invited and are being processed.

Scientific Program of MIDDERMICON-2014, Aurangabad, Maharashtra

This was decided by the IADVL Executive Committee,

MIDDERMICON Scientific Committee and the IADVL Academy. The IADVL Academy helped plan six sessions in a novel and transparent manner. The topics were publicized in the IADVL e-groups and members with academic contributions in these subjects were asked to apply with their biodata for participation as faculty. Central Council members were excluded to ensure a full attendance during the CC meeting. Speakers were selected from the applicants based on the above criteria, dovetailing their areas of interest to the requirements of the program.

Scientific Program of 43rd DERMICON, Mangalore, 2015

IADVL SIGs Cutaneous Adverse Drug Reactions, Lasers, Teledermatology and Therapeutic Guidelines have been requested to organise SIG sessions in the forthcoming DERMICON.

IADVL Research Methodology Workshops

These workshops were conceptualized by Dr Deepak Parikh, sponsored by MSD, and had Dr Maninder Singh Setia as the key faculty. The following table summarizes the attendance and pre- and post-test questionnaire scores at each one:

IADVL SIG Activities

IADVL SIG Cutaneous Adverse Drug Reactions

A workshop, accredited by the West Bengal Medical Council, on 'Cutaneous Adverse Drug Reactions' was hosted by IADVL SIG-CADR in collaboration with IADVL (West Bengal state branch) at Hotel Sonnet, Kolkata on 6th April 2014. It was attended by 50 delegates. Dr. Sudip Das was the Organizing Secretary and Dr. Nilay Kanti Das, the Scientific Chairperson. There were six didactic lectures (Dr Rajesh Kumar, Mumbai - ACDR: An approach to diagnosis; Dr Avijit Hazra, Kolkata - Causality assessment and reporting of ACDRs; Dr. Sandipan Dhar, Kolkata - SCAR: Management guidelines; Dr. Manas Chatterjee, Kolkata - SJS-TEN: Newer insights; Dr. Joyeeta Chowdhary, Kolkata-Drug induced erythroderma; Dr. Lalit Gupta, Udaipur - Interesting ACDR from literature and clinical practice) followed by two panel discussions on SCAR (Moderator: Dr. Nilay Kanti Das. Panelists: Dr. Avijit Hazra, Dr. Manas Chatterjee, Dr. Sandipan Dhar, Dr. Rajesh Kumar and Dr. Lalit Gupta) and on non-serious ADRs (Moderator: Dr. Sudip Das. Panelists: Dr Sumit Sen, Dr S. N. Chowdhury, Dr Arun Achar, Dr Lalit Gupta, and Dr. Rajesh Kumar). Analysis of the pre- and post-test questionnaires administered to the participants showed a significant increase ($p < 0.001$) in the score of the test, from 14.24 ± 7.66 to 25.67 ± 7.79 .

IADVL SIG Dermatology Nursing

A one day workshop on "Basic Skincare" was organized by IADVL SIG Dermatology Nursing at the College of Nursing, Banaras Hindu University, Varanasi on Saturday, 3rd May, 2014. The participants included 68 nursing students of the 3rd and 4th year BSc nursing program and two nursing tutors along with the Principal of the College of Nursing. The faculty included Prof Gurmohan Singh (invited speaker), Prof SS Pandey (SIG member) and Dr Vineet Kaur (SIG Coordinator). The topics covered included Morphological patterns in the Skin,

Language of Dermatology, Cleansers and moisturizers, Topical and Oral therapy, and Common Skin Diseases. The aim was to sensitize the participants to their role in skincare, whatever their field of practice. There was great enthusiasm in asking questions at the end of every lecture leading to a stimulating interaction amongst faculty and audience. In addition to lecture related queries, the nurses also wanted to know about common skin products like shampoos and sunscreens. Except for one participant, all others rated the different aspects as either average or above average. Amongst the suggestions offered were more frequent (monthly) workshops in the future; reading material to take away; more emphasis on preventative nursing and more time for interactive sessions.

A basic workshop on Dermatological Nursing was conducted for nurses by Prof Aparna Palit at Bijapur. It was organized by the Dept. of Dermatology, Sri B. M. Patil Medical College, Hospital & Research Center, BLDE University, Bijapur, Karnataka and the SIG on 31st May. The subjects and speakers were 'Anatomy & Physiology of skin' (Dr. Vishalakshi S. Pandit), 'Common skin diseases' (Dr. Aparna Palit), 'Topical therapy' (Dr. Keshavmurthy Adya) and 'Caring for the skin & mucous membrane in acutely ill patients' (Dr. Aparna Palit). There were about 40 participants (10 nursing teaching staff and 30 BSc/MSc nursing students).

Dr Vineet Kaur (SIG Coordinator)
IADVL SIG Dermatology Nursing

IADVL SIG Dermatosurgery

IADVL SIG (Dermatosurgery) in association with IADVL (Kerala State branch) conducted a Dermatosurgery workshop on 17th May, 2014 at Kollam, Kerala as a preconference workshop before the Kerala CUTICON. About 215 delegates attended the workshop. The workshop started with an introductory talk on various office based dermatosurgical procedures by Dr. Rajesh Nair. During the first half of the workshop faculty members delivered lectures on respective topics with video demonstrations. Dr. Sunil Menon presented various acne scar revision surgeries useful in a resource limited setting. Dr. Meera

James gave a lecture on invasive and non-invasive antiaging procedures along with video presentation. Dr Madhura C. covered platelet rich plasma therapy and Dr. T. Salim spoke on current treatments of keloids. This was followed by live demonstrations of acne scar surgeries, platelet rich plasma therapy, intralesional cryotherapy and combination treatments in keloids, various antiaging treatments. Dr. Rathish Pillai, the Organizing Secretary, proposed the vote of thanks.

-Dr. T. Salim, Coordinator, SIG Dermatotomy.

IADVL SIG Genodermatoses

The SIG published its first e-newsletter, which was circulated to all IADVL egroups.

IADVL SIG Lasers and Aesthetics

The SIG has prepared consent forms for various laser and aesthetic procedures that are going to be uploaded on the IADVL website.

IADVL SIG Occupational and Environmental Dermatology

The members of this SIG, which has Dr Krupashankar as Coordinator, were appointed: Dr Sanjay Ghosh, Dr Kiran Godse, Dr Sathish Pai, Dr CR Srinivas, Dr Kaushal Verma

IADVL SIG Pediatric Dermatology

IADVL SIG Pediatric Dermatology organized a unique patient-oriented meeting, 'Caring And Sharing for Eczema', from 10.30 am to 1 pm on 22nd June, 2014 at B. J. Wadia Hospital for Children, Mumbai. It was attended by around 35 persons that included dermatologists, dermatology and pediatrics residents, and caregivers of atopic dermatitis (AD) patients. Dr. Manish K. Shah started the proceedings with a simple explanation of what atopic dermatitis is, how atopic skin is different and how one can keep it at bay, and often overcome it (<https://www.youtube.com/watch?v=9ff4yuNTsg>). Dr. Rajesh Jadhav discussed the nitty gritty of coping with eczema, including bathing, soaps, and clothes (<https://www.youtube.com/watch?v=flgjAQLBFvc>), and was followed by Dr. Rui Fernandez who talked about the highs and lows of AD therapy (<https://www.youtube.com/watch?v=8zH-Kg51qgQ>). Dr. Manjot Gautam discussed the interplay of various infections with AD and the role of bleach baths (<https://www.youtube.com/watch?v=760wtVYhz6Y>), while Dr. Amrita Talwar demonstrated wet wraps, an underutilized modality for treating AD (<https://www.youtube.com/watch?v=E9LoYnXhNjg>). The piece de resistance was presentations by two mothers of affected children, who talked

about their trials, tribulations and victories in battling AD (<https://www.youtube.com/watch?v=sF17Cj1raAc> and <https://www.youtube.com/watch?v=0sK930wOslw>). Through this meeting, caregivers felt they gained some extra knowledge about AD and doctors felt the parents' presentation gave them some fresh insights on the impact of AD on patients and their families (<https://www.youtube.com/watch?v=2P5MtKfCj-o>). The proceedings will be uploaded to the IADVL website; the links can be provided to patients so that they can be conveyed all that cannot be covered in a conventional consult.

IADVL SIG Psychodermatology

A workshop on Psychodermatology was held at Calicut Medical College on 30th March, 2014 and attended by about 70 delegates. The basics of psychodermatology and the need for Psychodermatology Liaison Clinic were covered by Dr Shruthakirithi D. Shenoi. Dr Savitha S (Psychiatrist, KMC, Mangalore) presented a paper on psychiatry history taking in dermatology patients. Dr Abdul Latheef EN (Calicut) talked about common psychological approaches useful in dermatology and psychodermatological management of common dermatological conditions. There was a live demonstration of meditation by Dr Sreekanth S, Calicut and habit reversal technique (highly useful in many dermatological conditions) by Dr Swetha Rai, psychologist from KMC Manipal. Dr Harish MT (Professor, Psychiatry, Calicut Medical College) spoke on psychopharmacology. In a session 'Meet the patients', moderated by Dr Najeeba Riyaz, common conditions like psoriasis, vitiligo, prurigo, lichen simplex chronicus and leprosy cases with psychiatric comorbidity were presented by a dermatology resident and a psychiatry resident together followed by a discussion by experts. The meeting observed that the psychocutaneous diseases are on the increase and the dermatologist should have a basic knowledge regarding psychological approaches because most of the time referral to a psychiatrist is not acceptable to the patients. The program was well appreciated by the participants.

THE AAD DIARY

It was in late August last year that Dr. P Narasimha Rao called us, congratulating us upon receiving the IADVL-AAD Poster Exhibit Scholarship (DG) and IADVL-AAD Reciprocal Registration scholarship (SG). Both of us were overjoyed, excited, and a little nervous – it was our first AAD Annual Meet, and also our first visit to the United States. The next few months were a whirlwind of searching and booking flights, hotels, visa applications, interviews and shopping of warm coats and jackets under the tropical sun of Pondicherry. When the online registration opened, we were pleasantly surprised to learn that the scholarship included a free course lasting an entire day. We chose to attend Pediatric Dermatology (DG) and Basic Dermatopathology: Inflammatory (SG).

Soon it was March 19, 2014, and time to leave. After the long trans-Atlantic flight, Denver was bright and sunny, a pleasant departure from general gloomy weather predictions. The Colorado Convention Center was conveniently located in the Downtown area. The scholarship dinner was amazing and we met fellow scholarship winners from around the world. The scientific sessions started early morning sharp at 7.15 AM, and were well attended. They not only reviewed the basic knowledge and skills but also updated us regarding the recent advances in medical dermatology, dermatologic surgery, pediatric dermatology, dermoscopy and dermatopathology. The dermatopathology sessions had individual microscopes/computer screens for each participant and that was quite exciting. On a different note, there were also focus sessions

on practice management skills, tips to deal with difficult patients, maintenance of patient records and sessions solely for dermatology residents taking their board exams. Evidence based treatment and new treatment modalities for various skin, nail and hair disorders were covered. There was too much to attend and too little time as many interesting talks were going on simultaneously. We got to listen to stalwarts like Dr. Bologna, Dr. Oranje and Dr. Paller, whose textbooks we read every day. The highlight of the trip was our personal interaction with Dr. Bologna at the Scholarship Recipients Dinner. We were also introduced to the wonderful Women's Dermatologic Society (WDS) at this meeting by Dr Rashmi Sarkar, Hon. Gen. Secretary IADVL. The AAD Annual Meet was a wonderful academic experience for us and we are extremely grateful to IADVL and AAD for providing us with this opportunity.

Report of Vitiligo Day 2014

IADVL KARNATAKA BRANCH

Vitiligo day was observed throughout Karnataka on 19th May by IADVL Karnataka branch. DrShashikumar B M, Treasurer,co-ordinated this event under the able guidance of DrRaghunatha Reddy R, DrUmashankar N, Dr. Venkataram Mysore and other EC members. Various activities to create awareness among public was organized by all five zones throughout Karnataka.

West zone:

- IADVL Karnataka branch prepared and distributed banners, posters and brochures to all medical colleges and clinics in Bangalore.
- Posters were displayed in the OPD of Bowring and Lady Curzon hospitals from IADVL Karnataka. Free samples were provided to the patients on Vitiligo day, and for the rest of the week. Phototherapy for Vitiligo patients was given free for the entire week including targeted phototherapy. Six vitiligo patients were surgically treated free of cost. Patients of vitiligo were counseled by HOD Dr H V Nataraj.
- Rajarajeshwari Medical College and Hospital observed VITILIGO WEEK and offered free treatment and counselling to patients
- Documentary and street play on vitiligo was showcased and posters were displayed by DrUmashankar N in his centre.

South Zone:

- Vitiligo day was uniquely celebrated at Mandya Institute of Medical Sciences, Mandya through Mandya society of Dermatologists. Dr Harish M R, Prof. & Head, MIMS, Mandya addressed vitiligo patients and their relatives regarding the stigma attached to the disease and treatment availability. Also, posters and banners were exhibited and various places in Mandya and handouts on vitiligo were distributed to public. It was also published in regional news papers.

East zone:

- The department of Dermatology, Father Mullers Medical College in association with IADVL DERMACON had arranged a Vitiligo camp on 19th May 2014 at Skin OPD

of the hospital. The facilities offered during the camp were free registration, free medicines, Phototherapy, surgical modalities of treatment at concessional rates for vitiligo patients. Information about vitiligo was also provided. A total number of 117 patients availed the benefits of this camp.

- The department of Dermatology, Venereology and Leprosy, Kasturba Medical College, Manipal observed World Vitiligo Day on 19th May 2014. In accordance with this the department decided to increase awareness of vitiligo among the general population and patients visiting the medical college hospital. Posters in both English and Kannada were erected within the hospital premises for imparting education with the slogan "Join! Let us fight the stigma together". The myths associated with vitiligo were addressed. The treatment modalities were explained with emphasis on medical, surgical and phototherapies. These were illustrated with pre and post treatment pictures. The psychological aspects of vitiligo on how to cope with vitiligo were also addressed. The poster exhibit was located at a very strategic location in the hospital where there was good access to the patients and they could read at leisure. The posters were well appreciated by the local populace.
- Similar program was conducted at Yenopoya medical college under the leadership of DrManjunathShenoy.

Central zone

- At VIMS, Bellary, vitiligo day was celebrated by educating the patients, exhibiting posters, counselling, free PUVA and providing free samples. All the staff and PG's actively participated. Activities were co-ordinated by DrS. Chidambara Murthy.

North Zone

Conducted patient education and press meet on vitiligo. Thus, IADVL Karnataka branch hosted vitiligo day throughout the state under various zones and it was a grand success.

AUDITOR'S REPORT

We have audited the attached Balance Sheet of M/s **INDIAN JOURNAL OF DERMATOLOGY VENER & LEPROLOGY**, having its office at JIPMER, Pondicherry 605006 India as at 31st March 2014 and Income and Expenditure Account for the period 01st April 2013 to 31st March 2014 annexed thereto. The financial statements are the responsibility of the Association. Our responsibility is to express an opinion on the financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material mis-statement. An audit includes examining, on a test basis, evidence supporting the assertions and disclosures in the financial statements. An audit also includes assessing the accounting principles and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion and report that:

- i) We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit.
- ii) In our opinion, proper books of account, as required by law, have been kept by the Association.
- iii) The Balance Sheet and Income and Expenditure Account dealt with by this report are in agreement with the books of account.
- iv) In our opinion, the Balance Sheet and Income and Expenditure Account dealt with by this report comply with the accounting standards.
- v) In our opinion and to the best of our information and according to the explanations given to us, the said Balance Sheet read together with the notes thereon, give the information required in the financial statements so required and give a true and fair view, in conformity with the accounting principles generally accepted in India.

a. In the case of the Balance Sheet, of the state of affairs of the Association as at 31st March
