Presidential Address, DERMACON-2015 Dr Venkataram Mysore

Dr Venkataram Mysore

My first act as the president of IADVL is to remember with reverence and respect my Gurus and seek their blessings: my seniors, elders, all past presidents, all past secretaries, friends, colleagues- in IADVL and in life. If we are able to see further, it is by standing on their shoulders; if we are able to do more, it is because of their toils.

My second act is to thank and salute the outgoing president Deepak Parikh and EC 2014 for an outstanding year. He has been a valued friend- I am happy he will be there to guide me and help me over the next year.

I also welcome the new members of the highly motivated and capable EC 2015. Above all, permit me to acknowledge and thank my wife and Superior half, Dr Jayashree for every thing in life.

Hon Member of Parliament Dr Preetam Munde, Hon Minister for Health govt of Karnataka Mr Khader, Dr Ganesh Pai and Dr Ramesh Bhat, members of EC, ladies and gentlemen

It is a privilege and honour to lead this august association- Our beloved association IADVL which has a glorious history- growing progressively from strength to strength to be amongst top 5 largest associations in the world; it has a dynamic presence as it spreads, its wings across the globe, our members making their mark globally and our association organizing international congresses; and a promising future as we bid for the world congress of dermatology 2019. This journey and its vision can be best described by the a mantra from Rig veda;

Sangachadvam Samvadadvam sam vo manaamsi janathamI

Deva bhagam yatha poorve sanjananam upasathell

Let us march together ---towards excellence, innovation and competence

Let us communicate—effectively, effusively-with one another, and with the community

Let us perform our duties and act together; with one intention, one notion, one goal- with commitment to the community

It is an exhortation; magnificent in reach; Universal in appeal; Noble in intension; Relevant at all times

This exhortation, this Ghosha vakya embodies all that our association stands for – it is a vision statement for my presidency- my vision for IADVL is an IADVL which is influential and innovative; IADVL which is responsive and responsible; IADVL which is reliant and reliable; IADVL which is communicative and competent; which is committed and credible.

These are exciting times, but these are challenging times: We dermatologists have never had it so good. Our speciality has evolved from armchair dermatology in to dynamic and complex interventional dermatosciences. As our society changes, as appearance and beauty assume greater importance, our role is evolving- just as our speciality is evolving. As an IADVL president with a back ground of academics and also aesthetics- I represent the combination of a potion wala dermatologist in 1985 and a plantation wala dermatologist in 2015. These changing profiles, and evolving scenarios, demand us, the dermatologists to be competent and committed. And it is the goal of our association to achieve this:

a) DERMAGYAN: through a series of workshops and CME programs- digital and physical- organized by our IADVL academy lead capably by Dr Manas and Ameet Valia-through special interest groups and in association with state branches: in fields such as research methodology, dermatopathology, nursing, trichology, dermatosurgery, lasers and aesthetics and other subspecialities.

Our young residents and postgraduates need nurturing-I wish to plan an Online lecture series to be held by video conferencing/webinars -I want to visualize a digital classroom where a professor will speak from his office and postgraduate students every where in India, can sit and listen; and watch and learn

b) **DERMAPRACTICE** - The changing scenario also requires and demands our doctors to learn new skills- nondermatological skills- from internet to human resources, from service tax to consumer act-and we will achieve this through a program called DERMAPRACTICE by our practice management cell lead by Dr Narendra Patwardhan and Narendra Gokhale-through work shops in skill development and in practice management. We will also work on a uniform clinical practice software for electronic medical records(called DERMACLINIC) for our members

Communication- DERMA APP : Communication is the key to success in todays world; with members, with patients, with the government and the community at large.We have just launched a android app IADVL DERMA APP to deliver services to our members. This app can be used to conduct survey, membership services, journals,deliver bulletins, and conference information on the mobile – it has many future exciting possibilities

Commitment to Community: Dr Abdul kalam said in a speech : a doctor has several roles; physician, family man, researcher,academician and above all community man. I believe it is true of our association too. As our association progresses, we need to look around and look beyond; We need to move from asking what we can do for our selves to what we can do for our community.We need to be relevant and responsive. Our association already has several programs for community- leprosy day, vitiligo day,psoriasis day. Our association and members are involved in charitable work through camps and free clinics across India . I applaud them and thank them . But we wish to do more; I draw your attention to such programs

a) "IADVL chala Gaon Ki ore"- one day in a year, entire IADVL- every branch, every member will engage in community activity-camps, free service, school surveys, prison surveys, procedure camps- to achieve skin health care; One day of commitment

to the community-every dermatologist, every member, every clinic, every where in India!!!

b) Swatch Tvacha Svasth Tvacha: Our govt has launched swatch Bharath campaign -our association would be happy to join this campaign- with our motto

Swatch bharath Svasth Bharath

Swatch Tvacha Svasth Tvacha

And through this campaign, we will spread the message of cleanliness and hygiene in prevention of infectious skin diseases and Swatch tvacha and also create awareness for a swatch Bharat

c)Vitiligo mission; Vitiligo is a major social stigma; Omar Quyyam said " A black spot on a white skin is a blessing; a white spot on dark skin is a curse"-still unfortunately true in our society. We wish to start a vitiligo mission to coordinate all our efforts in research , public awareness and education. We seek the help of Hon Member of parliament in getting the disease to be recognised as a noncommunicable disease by WHO and union govt, and to get insurance cover for their treatment. We also urge the hon Government to ensure that Phototherapy machines and other treatments are available at all district and taluk hospital

d) We are in the process of a strange epidemic; topical steroid abuse, caused by a fad for fairness and penchant for self use. We will tackle this menace through a countrywide mass community program starting tomorrow; the right prescription, from the right doctor,for the right patient, for the right amount of time- -at all levels;doctors,chemists, and the public at large. This would need action at the governmental level too. We request the Hon member of parliament to act as our ambassador to take this issue further with the governmental agencies in abolishing unwanted steroid combinations with antifungals and antibacterials

e)Derma sewa APP: Now I come to a novel and exciting project- some thing very close to my heart: We will design an app called DERMASEWA or DERMASERVICE APP to serve patients in REMOTEST CORNERS. Under this , a general practitioner in a remote area , be it a primary health centre or a NGO clinic, after installing the app, can log in to set up a case with images of the skin lesions. This will be sent out as an alert to our dermatologists(ever so keen to do voluntary, charitable service who will have preregistered on the app) in the nearby area – they will see the images, give a preliminary opinion, and send it back to the primary care physician. This in my opinion would revolutionize the delivery of skin health care. I will request our general body

to approve this unique program which will bring access of skin care to the remotest areas of our country.

Yes, Ladies and Gentlemen—Yes! we will do all these and do more! We certainly will!!

But the times also demand from us responsibility; demand humility and introspection- it is up to us to make sure these are responsible times too- The need to practice ethically, cleanly, scientifically is greater than ever before. Medicine is art and science- we should be weary, ever so weary, of commerce creeping in!

As patients turn in to clients, our speciality is being invaded by all and sundry, to cash in on the new found fascination for a beautiful skin in our society. Quacks, commercial investors are seeking to start clinics and perform procedures which is generally perceived as beyond their competence and out side of their domain. Poor training, exaggerated advertisements, hyped up results, and disguised facts are emerging as banes for our speciality. We need to counter these by providing efficient, effective and evidence based information to our patients and by pressing out authorities for appropriate legal action.

As I come to the end of my talk, I want to pay a tribute to the organizers- to the sagely and wise Dr ganesh pai , to the indefatigable and irrepressible Ramesh Bhat, the dynamic industrious TEAM MANGALORE –This promises to be a glorious and historical dermacon and it is the result of their long hours of toil – we thank them and congratulate them for their outstanding efforts.

So ladies and gentlemen, as we undertake this journey of commitment and service, let us pledge – let us pledge to make dermatology our passion; let us make research our obsession; let us make service our mission. I invite each and every IADVL member to join in transforming our Indian mission in to a global vision –

Thank you

Long live IADVL, Jai Hind

President's Message

Dr. Venkataram Mysore

Message from President IADVL Dr Venkataram Mysore

I begin my message with a tribute to EC 2014 lead by Dr Deepak Parikh for a purposeful and focused year of achievements and contributions

IADVL year 2015 took off from where 2014 left off- with new goals, new programs. The new EC has a combination of great experience and new talent and I deeply appreciate their abilities and contribution.

IADVL DERMA-APP was launched during Dermacon 2015 heralding a new era in communications in IADVL. ITA TSA program was launched in a grand fashion by celebrity ambassador Diya Mirza, during Dermacon. A breakfast meeting with industry was held during dermacon to pave the way for smoother interaction with industry.

On March 8th all India trichology symposium was webcast- the first ever in IADVL history. This was greatly appreciated by our members. A multicentre training program in dermatosurgery has been arranged between 5th-13th April by Larry Field in Delhi, Mumbai, and Bangalore. This is a new type of program with excellent coordination between SIG and states and are also being webcast. These are part of the DERMAGYAN announced during presidential speech. Similar programs in other subspecialties are on the way.

Enhancing membership benefits are our important objective- for the first time ever scholarships were announced for international congresses- over 62 applications were received. And for the first time ever in IADVL, communications were sent out through SMS and emails to all members.

Practice management cell is releasing a bulletin- DERMAPRACTICE. Other bulletins by other SIGs, academy are also due. An IADVL promotional video is under preparation and will be released shortly.

Dermacon 2015 completed its accounts in a record time and with exemplary transparency- our compliments to Dr Ramesh Bhat, Dr Ganesh Pai and team.

I wish to recognize the contribution of members of EC: Our hardworking Hon. Gen Secretary Dr Rashmi Sarkar has continued with her usual dynamism in conducting the affairs of the association. She organized successfully, for the first time ever, a sister society session in AAD. Our treasurer Dr Somesh Gupta has been on the job of sorting out financial issues with his usual tenacity. Sr Vice President Dr Rahunath Reddy is pushing forward the preparation programs svatch tvacha and IADVL chala Gaon ki. Vice President Dr Rajesh Buddadev is taking the e voting issue forward. Joint secretaries Dr Manish Gautham and Rohit Batra are contributing greatly towards e groups, media cell, etc.

Lastly I wish to place on record my sincere thanks for the guidance and support I receive from immediate past president Dr Deepak Parikh and President elect Dr Devesh Mishra. Dr Deepak is carrying on from where he left last year and is conducting research methodology workshops in Ahmedabad, Gauhati and Calicut. Dr Devesh Mishra has given excellent suggestions with respect to journal and other issues.

I am sure this newsletter which is a labour of love for our Hon. Gen Secretary will give an overview of all activities to our members. And through this I convey my best wishes and assurance that we will do our best to serve all our members

Long Live IADVL

Dr Venkataram Mysore

IADVL President

Message from President Elect

Dr Devesh Mishra

Dear IADVL Patrons,

Namaskar. Research methodology workshops, Research grants, Resident's forum were some of the highlights of last year's EC and shall continue .

DERMACON ,Mangalore was a stupendous success. New EC is beginning its term under dynamic leadership of our President Dr Venkatram Mysore . It has embarked on a multi pronged approach to diverse initiatives . We together will see that they are successful and their benefits reach all members of IADVL. ITATSA (initiative against misuse of topical steroids), IADVL App that has been launched are some of our ambitious projects . I sincerely hope that members fully cooperate and make these programs a far reaching success.

We are working on resolving long pending financial issues with a very cohesive and learned EC colleagues. We are also focusing on making DERMACONS organizationally and academically better. sWe are very positive that present EC will do useful work for all members.

Dr Devesh Mishra
IADVL President Elect

Dr Deepak Parikh

Immediate Past President

From the Desk of Past President

Dear IADVLites,

Greetings,

We had great DERMACON at Mangalore and organising committees deserves Kudos for excellent arrangements. I handed over the charge of President during this meeting.

Many of my friends and colleagues asked how do u feel?

I am happy and satisfied that we achieved, what we had planned in last year. You also feel relaxed as u r not in firing line any more. Yes that is the truth! As members expect President to know and do everything. I am happy to hand over the charge to Dr. Venkat who is very competent and has vision for IADVL. Now my job is to strengthen his hands in endeavour to bring in more transparency and academic activities in IADVL.

I request all the IADVL members to join DVL trust and register for e-voting

With warm regards,

Dr Deepak Parikh

Report of DERMACON 2015 12-15th of Feb 2015, Mangalore

DERMACON 2015, the 43rd National Conference of Indian Association of Dermatologists, Venereologists and Leprologists was held at Mangalore from February 12-15, 2015. The conference had an evocative theme "Dilemma in Dermatological Diseases and Drugs – Are we in the right direction?". "Scientific concepts in Cosmetology" was the theme of the associated CME and Workshop, which was much needed as cosmetology has become the unpruned offshoot of Dermatology, which is growing to a greater proportions day by day.

The team: Organizing Chair man was Dr. Ganesh S. Pai, veteran dermatologist and the former IADVL President. Organizing secretary, Dr. Ramesh Bhat M, was the cornerstone of the conference, who had a huge responsibility in planning and culminating the conference to a grand success. Dr. Pramod Kumar and Dr. Manjunath Shenoy were the joint organizing secretaries, co-ordinators for the conference being Dr. Nandakishore B and Dr. Maria Kuruvila, whereas co-ordinators for the CME being Dr. Balachandran C and Dr. Narendra Kamath K, President of IADVL Karnataka branch. Workshop co-ordinators included Dr. Jacintha Martis, Dr. Vishal Amin, Dr Gatha and Dr. Vindhya Pai. The Treasurer, Dr. Sukumar D had a tough job which was ornately mediated, enabling a huge savings to be donated to IADVL at the culmination of the conference. The Scientific Committee chairman was Dr. B Sathish Pai, who was aided by his team in Manipal comprising of Dr. Shrutakirthi D Shenoi, Dr. Raghavendra Rao, Dr. Smitha Prabhu and Dr. Sudhir Nayak and the Mangalore team comprising of Dr. Balasaraswathy, Dr. Jacintha Martis and Dr. Sripathi H.

The Organizing Chair Man in his welcome address suggested that Mangalore, being a blessed with seven successful medical colleges has spawned around 500 dermatologists as its brand ambassadors.

Dr. Deepak Parikh the president of IADVL in his message extolled that this conference is unique in several ways, as in signing a MoU with central IADVL, being the first to give an opportunity to all members, first to launch a mobile app and also to provide a chartered flight exclusively meant for conference delegates. Dr. Venkatram Mysore, President Elect, and Dr. Rashmi Sarkar, Hon. General Secretary also supported with encouraging messages. Dr. Venkatram highlighted the roadpath for IADVL during the next year with emphasis on Research and Community activities.

TMA Pai International Convention Centre was the venue, which is situated in the heart of Mangalore, and the main hall of which

can easily seat 1800 delegates.

Day 1 started with the Workshop themed 'Scientific concepts in Cosmetology' which had an attendance of around 2300. The conference was inaugurated by Rev Fr Patrick Rodrigues, director of Father Muller Charitable Institutions and Sri Ibrahim, Deputy Commissioner of Dakshina Kannada District opened the Trade Fair. The workshop with its live theatre and enthusiastic discussions was a huge success. The delegates who could not attend the Operation theatre had a very good close up view of the OT happenings via live transmission to a packed hall.

The conference was inaugurated by Dr. Pritam Gopinath Munde, Member of parliament and Dermatologist, the youngest chief guest ever in the history of DERMACONS and assured the Delegates about her support to various welfare measures initiated by IADVL. Bollywood actress Diya Mirza, initiated the IADVL campaign against the misuse of topical steroids.

The conference was attended by 3564 delegates, 1,200 co-delegates and was a scientific feast. The chief topics covered in the conference included management of pediatric psoriasis and vitiligo, discussion on less discussed aspects of acne, including acne management, procedural gray areas including mesotherapy and platelet rich plasma in dermatology, infective dermatology. Other flaming topics like hyaluronic acid face lift, procedural pearls in dermatosurgery, cryolipolysis body contouring, antiageing also were discussed. Dermatotherapeutics with emphasis on biologics, photodermatology, immunobullous disorders and dermatology in internal disease were other key areas discussed. A few innovative sessions like patients who taught me, controversies in dermatology, digital dermatology, setting up of dermatology practice for newcomers, community dermatology and financial aspects of dermatology were well appreciated.

The distinguished International faculty included Prof. Detlef Zillikens (Germany), Dr. Inigo de Felipe (Spain), Dr. Marc Roscher (South Africa), Dr. Girish Munavalli (U.S.A), Prof. Philippe Humber (France), Dr. Anwar Al Hammadi (U.A.E), Dr. Shernaz Walton (U.K.), Dr. Thomas Ruzicka (Germany) and Dr. Robin Graham Brown (U.K.). The DERMACON had a good number of National faculty members who highlighted on the present trends in the field of Dermatology, Venereology and Leprosy in India.

Prof Rui Fernandez was awarded with Prof Kandhari life time

achievement award . Many senior Dermatologists and teachers were also honoured during the conference. The residents participated actively in IADVL GSK National quiz program for Postgraduates and various award and free paper sessions. Young Dermatologists were given an opportunity to present during Young Turks session. Nearly 70 Pharmaceuticals, Lasers, Surgical Instruments and Book companies participated in this conference.

Following were the highlights of the conference.

1. First DERMACON organized with IADVL MOU.
2. Conference during which Android App was introduced.

3. Skype session during the conference in association with Teledermatology society of India.
4. Two Beach side evening get together.
5. Highest ever contribution to IADVL from the savings of DERMACON.
6. Charter Flight for the conference.
7. Nearly 1000 scientific papers were presented by the delegates.

3. Confirmation of minutes of CCM and AGBM held at Delhi during December 2013, minutes of EGBM held at Aurangabad and MIDDERRMA CCM held at Aurangabad on 16-17th August 2014.

Decision-passed

Dr Koushik Lahiri wanted renewal of MIDERMACON. Dr VK Sharma said that it should be as good as Aurangabad with due prominence to CC. Dr Deepak Parikh agreed. He asked how we should organize, combined with CC or separate. The house felt it is worth trying merging the two once more. In 2015 there will be no MIDERMACON and next one will be held in 2016 after following due procedure. After a lot of debate on whether to hold on separate days or same days it was decided to hold the two together with parallel CC and MIDERMACON at same venue. It was also decided that MIDERMACON should not be combined with any state activity like CUTICON. However the application for MIDERMACON should be through state branch executive. Dr Deepak Parikh suggested 25% share to the state branch which was passed.

Adopted

5. Adopt resolution to bifurcate Old AP branch into IADVL Telangana and IADVL AP branch. Passed by CC. Decision of GB- Passed Dr. S. Joshipura suggested that constitution for both branches should be signed at the earliest which was passed by house.

6. To adopt the audited accounts for the year 2013-14 Decision of GB : Passed

And unaudited balance sheet up to Feb. 2015 by the Hon. Treasurer-Dr Somesh Gupta Decision of GB: Passed. Dr Somesh Gupta informed the house that IADVL gross funds are in excess of 10 crores thanks to contributions from ICD 2013, MIDERMACON and advance savings of 1.5 crore from DERMACON 2015. Dr. Deepak Parikh informed the house that all accounts related matters were displayed on website and members were asked to raise any queries they have but so far no queries have come across so IADVL audited account was passed by house. Unaudited account was also passed by house.

To discuss and adopt audited accounts of

a) **DERMACON 2012 held at Jaipur**

Dr. Parikh informed that account of DERMACON 2012 was audited by IADVL auditor and no financial irregularities were found but there were some issues regarding bearer cheques of large amounts given to volunteers, inappropriate number of volunteers in conference, one of the serviceprovider at conference being one of organizer's relative etc.

b) **DERMACON 2013 held at Ahmedabad**

Dr Parikh here also informed house that no financial irregularities were found on auditing of accounts of Dermacon2013 by IADVL auditor but some procedural lapses were found by IADVL fact finding committee.

EC and FC IADVL recommended – organizing chairperson, organizing secretary and treasurer of both Dermacon 2012 and 2013 voluntarily shall not hold any post in IADVL for 2 years starting February 2015. Dr Dinesh Mathur Org Chair of Dermacon2012 and Dr. RanjanRawal OS of Dermacon2013

accepted the same on behalf of all of their committee members.

Dr. Joshipura opposed and informed that he was not involved in any financial matter, he has fully complied to committee sent by IADVL and procedural lapses found were totally unintentional so they should not be vindictized.

Dr. Amit Valia suggested that conference work is done as honorary and voluntary manner by our members and as no financial lapses were found in these two conferences; procedural lapses shall be reviewed whether organizers have gained anything from these procedural lapses or not. Voluntarily banning the person from holding any post may harm that person's reputation. He suggested that for procedural lapses no actions should be taken. Dr. PN Rao, Dr. AK Jha, Dr. Chetan Oberoi and other members also opined similarly. President Dr. Parikh asked house's on matter. Majority members voted in favour of no penalty to organizers of these conferences. Dr. Parikh concluded the matter by stating that house accepts apology given by organizers and no action will be taken against them.

Dr. Koushik Lahiri suggested that as IADVL is now signing MOU for future conferences, and SOP are formed so future policy regarding such matters should also be formed. Dr. Rajiv Sharma also suggested that even for procedural lapses actions should be taken. President Dr. Parikh informed that new policy will be drafted regarding both financial and procedural matters and penalty for violation will be defined.

Dr. Mysore informed the house that as IADVL is keeping regular watch on monthly and quarterly business of conference there is little chance for any lapse.

Dr. VK Sharma informed that at present there is provision in constitution for punishment to member only in case of bad conduct which needs to be corrected.

Dr. Rajeev Sharma inquired regarding ST liability to which Dr. Parikh informed that everything is settled now.

c) MIDDERMACON 2013 held at Patna

Decision of GB : Passed

d) ICD-DERMACON 2013 held at Delhi

Dr. Joshipura raised the issue regarding conflict of interest on part of IADVL in ICD-Dermacon 2014 as IADVL treasurer held the post of treasurer of conference and IADVL auditor worked as conference auditor; which is against rules. To which Dr. Parikh informed that finance matters were looked after by Dr. Suresh Talwar for DERMACON -ICD

PASSED

d) MIDDERMACON 2014 held at Aurangabad PASSED

Service tax liabilities to be clarified

7. To adopt the annual report of chief editor IJDVL and audited accounts of IJDVL for the year 2013-2014.

Dr. Ramam informed that for last 2 years IADVL has not transferred any journal fund to them and journal is need for money. So their share should be released.

Dr. Parikh informed that resolution was done during Ahmedabad DERMACON not to transfer money to journal account so the same is not done.

Dr. Ramam gave overview of working of journal, manuscripts received per day and acceptance rate for the same. He mentioned that making it open access has helped boost the image of the journal.

He also informed that recently there has been many complaints regarding journal not reaching to members. He gave a broad overview of how the journal is printed and distributed so that the cause can be identified. Also payment is not done till franking is done. If a journal is returned thrice it is not mailed again and 420 such members are not being sent.

He proposed the following solutions

1. Publicize inactive list
2. Enable address check
3. Encourage prompt online address updates
4. Replace missing issues

Dr Parikh asked to inquire whether publication house prints enough copies? And any post receipts check has been maintained or not. Dr. Ramam informed that IJDVL editorial office has not done any check on printer but if IADVL wish that can be done. Dr. Talwar suggested to change postal vendor but Dr. Ramam informed that contract for postal service is given for 4 years.

Dr. Valia suggested that address change for member should be simultaneously done at both places IADVL and IJDVL as members are facing difficulty. To which Dr. Parikh informed that website updates will solve this issue.

Dr. Valia also suggested to give e-mail addresses of members to publication house to check regarding journal receipts

Dr Tanmay Padhi suggested personalized copies while printing.

Dr. K Lahiri stated that Rs 3.5 crore fund of IJDVL lying with IADVL is a procedural lapse on part of IADVL to which Dr

Parikh informed that that will change soon once the deadline of 2 years ends.

Dr. K Lahiri also informed that journal not reaching members is problem faced by all journals to an extent

He also informed that there were change of names of president in January issue of journal.

Dr. RohitBatra suggested that journal can be posted to members by registered post at least twice in a year, Dr. Marfatia suggested of having e-audit system and check for journal dispatch, Dr. K Lahiri also suggested for registered post dispatch. Dr. Chetan Oberoi, Dr. Godse, Dr. A K Jha and other members gave various suggestions.

Dr. Parikh concluded by suggestion that someone from Mumbai will be appointed to look after print and dispatch of journal.

8. To adopt the annual report of editor IDOJ

Not presented (Presented in Opening AGBM)

9. To adopt annual report and accounts of DVL trust

Dr. Chetan Patel was invited by secretary to give report on DVL welfare trust. Dr. Chetan Patel gave overview of DVL welfare activity so far. He informed that one active member from each state shall be appointed to give due momentum to this activity. Dr. AK Jha suggested to make it compulsory for all members, Dr. Godse suggested to make it mandatory for EC members, Dr. PN Rao suggested that members can not be forced to join in this activity. Dr. Parikh requested all members to give their maximum efforts to this project.

10.To Consider report and recommendations of

1. IADVL Finance committee (by Dr RoopakSaxena)

a. 12 A status

Dr RoopakSaxena informed the house that there is some confusion with regard to 12 A status. Dr Deepak Parikh informed that Dr A.K. Jha has the original and he will help in reviving it. Dr VK Sharma did not want it to be revived. Dr Amit Valia inquired whether the registration lapses? Dr Deepak Parikh concluded that since we have not complied with the norms, we should wait for 6 months and submit the accounts of last 5 years at Patna.

b. Separate PAN for IJDVL, Academy

It was decided to have a separate PAN for Academy and IJDVL. DVL trust already has a separate PAN. The aim it to transfer responsibility of managing funds so that IADVL treasurer is not held responsible. Till 1 April, academy to collect funds in the the state branch PAN.

c. Service tax number

Dr Deepak Parikh informed that IADVL does not have an office address to apply for ST number. Dr SDN Gupta wanted the auditors address to be used which was denied by Dr Somesh Gupta. Dr Venkatram Mysore suggested that we ask companies to pay ST . Dr Deepak Parikh concluded that we maintain status quo on ST, ask auditors ST liability if ST number is taken and ask pharma companies to pay ST.

d. Transfer of IJDVL money

Dr PN Rao said that IJDVL does not need money. Dr VK Sharma suggested keeping separate ledger but no need to transfer. Dr Deepak Parikh informed that 25% share from DERMACON should be marked on ledger as share of savings and surplus to be calculated after giving away state share.

e. State share in MIDERMACON

Dr Prashant Palvade requested the house that the entire team had worked hard for the event but the state did not receive any share out of it. Dr AK Jha said that the same was true for Patna too. The house agreed to their request of transferring 25% of the surplus to the state branch in future as well as for the last 2 MIDERMACON.

2. IADVL Academy of Dermatology by(Dr Manas Chatterjee/ Dr AmeerValia)

He projected academy report of last quarter, various SIG activities and request GB to give permission regarding dissolving of non-functioning SIGs or SIGs whose work has been completed so far. SIGs – occupational and contact dermatitis, Pemphigus, STD/HIV, Urticaria, Teledermatology and were dissolved with permission from GB. Dr. Parikh informed that whenever there will be any new avenue coming up for these SIGs they may be revived with approval of academy chairperson. SIG Trichology to be reconstituted.

Dr. Manas gave information on designation of academy members He informed that IADVL training fellowship of Rs .9000/- will be given to delegate as per demand by institute instead of Rs 1500 decided previously. He also recommended to give Rs 10000/- all fellowship recipients. Dr. Parikh also raised a concern that all centres will in future ask for raise in fees. Various suggestions were given by Dr. Rao, Dr. Valia and other members. Finally it was concluded by Dr. Parikh that IADVL will give maximum Rs 10000/- per delegate to fellowship centre and Rs 10000/- will be given to fellowship recipient as stipend. Passed

Dr. V. Mysore said that a book on recent advances will be published by academy. All members on academy will be invited to contribute and other non-academy members will be also invited.

Lastly it was suggested that as there are enough centres with laser training at present, no new centers will be started for now.

3. IADVL-GSK national quiz program (by Dr Vijay Zawar/Dr BijuVasudevan)

Dr Vijay Zawar informed the house that there had been a few instances in the last year when the quiz masters were not treated well by CUTICON organizers. The following points were agreed upon

- CUTICON organizers to provide accommodation for quiz masters at the same place as other faculty.
- Continue for 1 year with GSK and the review
- Registration to be complimentary for quiz winners
- No quota for each state if teams from 2 states are merged in one CUTICON
- One college can send only one team

4. ITATSA (by Dr Koushik Lahiri/Dr AbirSaraswat)

Dr. K Lahiri gave overview regarding IASTA movement of IADVL. Dr. V Mysore requested all members to give their valuable inputs and participate in this movement.

11. To consider various proposals from branches/office bearers and members forwarded from CC MIDDERMAMEET 2014 at Aurangabad and to consider proposals from branches/office bearers and members received during 2014

Proposals from EC meeting 2014 which needed Constitution Committee (CC) Opinion(carried over-CC opinion added where they felt it was required)

1.Proposal – Changes in the rules regarding PLM

Name of proposer/s: Dr Deepak Parikh and EC 2014

Is any one of the proposer member of CC? Yes

It is constitutional related or how will it help IADVL?

It has been found that most of PLMs do not apply to convert themselves to LM

If constitutional – it will modify existing rule.

Give details of the clause – page no. and clause no.

Clause 5 (b) Provisional Life Member (PLM)

Postgraduate students studying in the specialty can be made provisional life members. They will present to the Honorary General Secretary a letter from the head of the specialty department where they are studying, stating the date of their joining the postgraduate course and the date of its due completion, along with the application for membership. They have to send their qualification certificate within 5 years of their registration for the postgraduate course to the Honorary General Secretary in order to become permanent life members. In case they don't do so, in the defined period, they will have to register once again as a Life member after following the due procedure through the state branch. The Provisional Life Membership number will reflect their tenure of PLM membership. It shall read as PLM/number/tenure of PLM membership (e.g. 2014-19)

Proposal: PLM will only get access to online version of IJDVL.

PLM if wishes to apply as delegate for DERMACON will need permission from Head of Department or state branch secretary. Or else he/she will be considered non-member.

Do you think this needs referral to any specific committee? Yes
Constitution committee

Decision and Status at EC meeting:

- Online copy of IJDVL will be continued to be given to PLM-NOT PASSED
- 2nd part of proposal -ACCEPTED

Decision of GB : Passed

2. Proposal – Readmission of member

Name of proposer/s: Dr Deepak Parikh and EC 2014.

Is any one of the proposer member of CC? Yes

It is constitutional related or how will it help IADVL?

We need deterrent, to prevent misuse of office.

1. He/she will have to pay again and

2. Seniority in IADVL will be lost. This will make very difficult for such members to contest and hold office in future.

If constitutional – It will modify the existing clause

Give details of the clause – page no. and clause no.

Clause - 9 RE-ADMISSION OF A MEMBER

A member whose membership has been terminated under Rule 8 (a) and (b) may apply for re-admission after expiry of 5 years from the date of action of termination of membership by the Central Council. Any action decided will be taken only by the Central Council and shall be passed by a majority of three-

fourths of the members present. The member shall be informed of the decision taken by registered post with acknowledgement due.

Proposal: Add following line

If readmitted he/she will have to pay prevailing membership fee as new member.

Do you think this needs referral to any specific committee? Yes to constitution committee

Decision and Status at EC meeting

- Accepted as proposed
- New LM number shall be given to members who are readmitted after termination of membership-Accepted

Decision of GB: Passed

3. Proposal Disqualification of candidate

Name of proposer/s: Dr Deepak Parikh and EC 2014

Is any one of the proposer member of CC? Yes

It is constitutional related or how will it help IADVL?

Many of IADVL members either own or are partner in pharmaceutical industry/cosmetic industry. There is conflict of interest when such members contest for IADVL central or state EC.

If constitutional – It will modify rules of eligibility.

Give details of the clause – page no. and clause no.

Clause 27-Procedure for Election of Office Bearers

Proposal: Application of the candidate should be invalidated for any post, if he/she is associated with any pharma co./instrument supplier/dealer/ or cosmetic co. or chain of clinics owned by non-dermatologists.

Do you think this needs referral to any specific committee? Yes, to constitutional committee.

Decision and Status at EC meeting:

- Application of the candidate should be invalidated for any post if he/she is owner fully or partly/ partner with any pharma company/ instrument dealer/ cosmetic co.
- This clause shall be added in eligibility criteria for candidate who wish to apply for any post in IADVL

Constitution Committee Opinion: Proposals 3 & 6 (refer to proposal 6) – If proposal 3 is accepted, then that part of proposal 6 pertaining to disclosure of any association with pharma co./instrument supplier/dealer/ or cosmetic co. or

chain of clinics becomes redundant.

Decision of GB: Passed

4. Proposal – DERMACON Profit sharing with state branches

Name of proposer/s: Dr Deepak Parikh and EC 2014.

Is any one of the proposer member of CC? Yes

It is constitutional related or how will it help IADVL?

Currently there is confusion about what state branch will contribute towards DERMACON and how much profit share they will get. It should be proportionate to their contribution.

If constitutional – It will modify the clause.

50% of seed money for the DERMACON shall be paid initially by the state branch hosting the event. However if the state branch does not have sufficient funds national body after verification will pay the entire amount (2013-Delhi)

Proposal: State branch should get profit only if they contribute for seed money.

Do you think this needs referral to any specific committee? Yes, Constitutional committee

Decision and Status at EC meeting:

- State branch shall receive 20% of profit of DERMACON and 80% will go to central IADVL
- If seed money is returned late – 10% interest will be given by state on the same

Decision of GB: To be taken up after state president secretary meeting in opening GB

5. Proposal IADVL Members Directory

Name of proposer/s: Dr Deepak Parikh and EC 2014

Is any one of the proposer member of CC? Yes

It is constitutional related or how will it help IADVL?

Current constitution mentions to print directory every three years.

This is waste of money. We have updated version on web

If constitutional – It will replace existing clause

Give details of the clause – page no. and clause no.

Appendices 1 no. 6 IADVL MEMBERS' DIRECTORY

The IADVL members' directory should be published every 3 years.

Proposal: This clause needs to be removed

Do you think this needs referral to any specific committee?
Yes, Constitutional committee

Decision and Status at EC meeting: Passed

Decision of GB: Passed

6. Proposal: Declaration of conflict of interests

Name of proposer/s: Dr. Venkataram Mysore and EC 2014

Is any one of the proposer member of CC? Yes

It is constitutional related or how will it help IADVL?

Many of IADVL members are associated with pharmaceutical industry/cosmetic industry in different capacities. There are other members who hold positions in other associations. There is conflict of interest when such members contest for IADVL central or state EC. It is therefore important for members to be aware of such associations while making a choice during elections.

If constitutional – it needs inclusion of clause

Give details of the clause – page no. and clause no.

Clause 27-PROCEDURE FOR ELECTION OF OFFICE BEARERS

Proposal: Any candidate while applying for an IADVL election should declare, if he/she is associated with any pharma co./instrument supplier/dealer/ or cosmetic co. or chain of clinics owned by non-dermatologists/ holds positions in other professional societies or associations. This should form part of the application as below: The same should be included in the newsletter/e-group announcement and uploaded along with biodata on to e voting website.

I----- here by wish to declare the following associations with industry/other societies:

I am a owner/advisor/(specify any other capacity) in the following pharma/aesthetic companies:

I am an office bearer in the below mentioned capacities in the following associations/societies:

I hereby confirm that the above statements are true and full disclosures.

Do you think this needs referral to any specific committee? Yes, to Constitutional committee

Decision and Status at EC meeting:

- Passed with addition of word 'medical societies' in original proposal instead of societies

Constitution Committee Opinion: Proposals 3 & 6 – If proposal 3 is accepted, then that part of proposal 6 pertaining to disclosure

of any association with pharma co./instrument supplier/dealer/ or cosmetic co. or chain of clinics becomes redundant.

Medical societies should include sister societies like IMA and other societies

Dr Ghoshal objected. Dr PN Rao wanted conflict of interest to be published with CV.

FINAL decision of GB

1. Employees to be debarred from contesting elections.
 2. Conflict of interest to be declared
7. Proposal: Moral code of conduct, punishments, Election officer

Name of proposer/s: Dr Venkataram Mysore and EC 2014

Is any one of the proposer member of CC? Yes

It is constitutional related? Yes

How will it help IADVL?

Presently the rules governing punishment for break of code of conduct are inadequate and this proposal seeks to fill that lacuna

If constitutional – It will add to existing regulations page 31-32.

Proposal: Add the following to regulations 27 (v) :

Any candidate breaking the code of conduct will be subject to punishment as below:

- i) The matter will be referred to as election officer ; this may be done either by the returning officer or by a candidate directly
- ii) The election officer may take any of below actions if the complaint is found to be valid, and after giving adequate opportunity to the candidate to explain :
 - a) Issue private warning letter if it is a first offence and in the opinion of election officer a minor offence
 - b) Issue a public warning(announcements in e groups) for a second offence or if it is a larger offence
 - c) Disqualify the candidate for a third offence or a second larger offence

This procedure shall be completed within a period of ten days

- iii) The disqualified candidate will have the right to appeal to an arbitration committee against the decision of election officer, which shall be constituted by the president as per the provision of the constitution; The

committee shall give its decision within one week and that decision will be final. The candidate or any member on his behalf cannot raise the issue with general members in any of the e groups and should raise this issue or any issue of dispute on through returning officer.

Do you think this needs referral to any specific committee? Yes, Constitution committee

Decision and Status:

- **Proposal accepted at present but may change later on as per need arises**

Decision of GB: Passed

8. Proposal: Nomenclature of Gen Secretary and inclusion of Immediate Past Gen Secretary in EC

Name of proposer/s: Dr Venkataram Mysore and EC 2014

Is any one of the proposer member of CC? Yes

Is it constitutional related? Yes

How will it help IADVL? The current nomenclature for Gen Secy is Hon General Secretary. The international nomenclature is Secretary General.

Also Immediate past Secy is at present not included in EC. Except as an invited member. To ensure smooth administration, it is proposed to include Immediate past Secy in EC.

If constitutional-It will replace below sentence in existing clause 16 page 17

EXECUTIVE COMMITTEE

(a) It shall consist of the President, President Elect, Immediate Past President, Vice-Presidents, Honorary General Secretary, Honorary Treasurer, and Joint Secretaries.

Proposal: Replace above with:

(a) It shall consist of the President, President Elect, Immediate Past President, Vice-Presidents, Honorary General Secretary (also called Secretary general), Immediate past Gen Secy, Honorary Treasurer, and Joint Secretaries

Do you think this needs referral to any specific committee? Yes, Constitution committee

Decision and Status at EC Meeting:

- Term Honorary General Secretary will be replaced by Secretary General
- Immediate past Secretary general will be Chairman of SOP committee

- The issue of minimum experience criteria of the Treasurer was discussed. Dr. Venkataram Mysore pointed out that the job of the treasurer is getting bigger and bigger and he needs to know the functioning of IADVL finances well. The following criteria to be added for post of Treasurer. He/she should have been a Jt. Secretary, Secretary, Treasurer, Vice President or President at the state level or Jt. Secretary at the National level.

Constitution Committee Opinion: Proposal 8 – If the proposal is accepted, the new nomenclature of Secretary General has to reflect not only in clause 16 but everywhere in the Constitution where the term Honorary General Secretary has been used.

Decision of GB: Passed

9. Proposal: State Branch office bearers

Name of proposer/s: Dr Venkataram Mysore and EC 2014

Is any one of the proposer member of CC? Yes

Is it constitutional related? Yes, but only with respect to implementation, not a modification.

How will it help IADVL? Presently there is already a model state branch office bearers laid out in the constitution page 50-51 as below. However many states are not following this pattern leading to confusion at the time of election.

State branch committees should consist of (a) The President (b) The President Elect (c) 2 Vice presidents (d) HonSecy (e) Treasurer (f) 2 Jt secretaries

If constitutional – My proposal is that EC should send a letter asking states to adopt this pattern within a time frame of one year; The same message should go through CCM also. This proposal is important if we have to implement the proposed regulation regarding minimum qualification for treasurer and also state representation in CCM which are proposed herewith.

Do you think this needs referral to any specific committee?

In my opinion, since the matter is already laid out in constitution and only needs to be implemented, EC is empowered to act. However the matter may be referred to Constitution committee if the members feel so.

Decision and Status at EC meeting:

- Accepted as it is

Constitution Committee Opinion: Proposals 9 & 10 – There are a few State Branches that have two year terms for their State Executive Body and a President Elect is, therefore, elected every alternate year.

Decision of GB: Passed

10. Proposal: Pattern of IADVL sponsorship for CC members from states to attend CCM

Name of proposer/s: Dr Venkataram Mysore and EC 2014

Is any one of the proposer member of CC? Yes

Is it constitutional related? Yes

How will it help IADVL? Presently there is already a regulation on Page 64 (2) iii. for IADVL sponsoring for travel and accommodation of 25% of members from state branches President and secretary of branch is sponsored by state. CCM is held in august of each year where as most CUTICONS and elections for state branches are organized in October/November, when a new president takes over. Therefore in order to felicitate smooth flow of information and better establishment of rapport and smooth administration , it is important that president elect and SrJtsecy attends the CCM.

If constitutional – My proposal : 25% of State branch CC members sponsored by IADVL should mandatorily include president elect and senior joint secretary. This should come in to force from 2016 CCM after allowing states time to implement the IADVL pattern of office bearers as proposed in the next proposal.

Do you think this needs referral to any specific committee? Yes, the matter may be referred to Constitution committee.

Decision and Status at EC meeting:

- Accepted with minor change – exclusion of Joint secretary
- They will be sponsored by either state or national body
- President elect from the state should be present at the CC meeting

Constitution Committee Opinion: Proposals 9 & 10 – There are a few State Branches that have two year terms for their State Executive Body and a President Elect is, therefore, elected every alternate year.

Decision of GB: Passed

11. Proposal: State branches report

Name of proposer/s: Dr Venkataram Mysore and EC 2014

Is any one of the proposer member of CC? Yes

Is it constitutional related? Yes

How will it help IADVL? Page 88 mentions application for best branch award as follows which are inadequate and need to be revised to include additional criteria

Criteria: Marks

1. Membership: 15

- (a) Strength of the branch on 31st December
- (b) Number of new members enrolled during the year
- (c) Number of the members deleted during the year
- (d) Percentage of increase of membership during the year

2. Payment of CFC: 10

- (a) Number of members for whom CFC is paid by 31st March
- (b) Dates of payments of CFC to the IADVL

7. Participation in the National Conference of IADVL: 10

Number of members who participated from the state branch

8. Calendar of activities of the state branch (including the election of Office Bearers): 10

Whether activities had taken place as scheduled.

If yes, whether a detailed report was forwarded to the Honorary General Secretary.

If yes, mention date on which reported.

9. Any activity not covered above and that you think should be informed

If constitutional – My proposal: State branch report should include the following in addition to what is mentioned on page 88

- a) Statistics regarding PLM –LM conversion (include under 1)
- b) Achievements in DVL Insurance membership (10 marks) – to be no 9 in above list
- c) List of city and zonal branches in the state – their office bearers(president/secretary with emails and telnos--- to be no 11
- d) Updated Email and tel list of all members of the branch to come under 11
- e) Date of next CUTICON/DERMAZONE/ other important events(calendar of events) include under 3
- f) Special/unique projects if any : include as 12
- g) Research projects if any – include under 3
- h) Achievements in E voting.(10 marks) to be no 10 in above list

The following may be deleted

4. Social/cultural activities for the members (attach proof): 10

Nature of activity Place Time/Date No. of Participants

- (a)
- (b)
- (c)

7. Participation in the National Conference of IADVL: 10

Number of members who participated from the state branch

I also propose that we give two best branch awards this year-one to a large branch and one to a small branch which is stated already in the constitution. In addition we give special awards for best performance in each category. Eg State performing best community activity; state performing best in e voting; state performing best in PLM conversion etc. This will work as motivational factors for better performance.

Do you think this needs referral to any specific committee? Yes, Constitution committee

Decision and Status at EC Meeting:

Remove clause number of members who participated from the state branch

Proposal for two best branch awards – Accepted

Extra certificates of appreciation for various activities will be decided by Honorary General Secretary

Dr Koushik Lahiri wanted work on ITATSA to be included in the criteria. Agreed in principle Two awards to be given one for large and one for small branch, the criteria to be less than or more than 200 members.

Decision of GB: Passed

12. Proposal: DERMAZONE committee

Name of proposer/s: Venkataram Mysore and EC 2014

Is any one of the proposer member of CC? Yes

Is it constitutional related? Yes

How will it help IADVL? Presently there are some sketchy regulations for organizing DERMAZONE as below which are inadequate

If constitutional – It will replace existing clause page 29 C ; iv

CONFERENCE

- (a) Zonal states should be arranged in alphabetic order.
- (b) State Presidents and Secretaries must be members of the organizing committee; others may be included.
- (c) The surplus income shall be divided between the organizing state and the IADVL equally.
- (d) The audited account should be submitted to the IADVL within 6 months..

Proposal: Replace above with:

- (a) Zonal states should be arranged in alphabetic order.
- (b) State Presidents, President Elect and Secretaries of the zone must be members of the central organizing committee; From IADVL centre, any one of vice president /president elect/Past president(preferably hailing from that zone) will be the IADVL liason officer. This committee will be constituted one year before organizing the DERMAZONE. It shall be the responsibility of Hon gen secy to do this and included in the secretary report to CCM/AGM.
- (c) IADVL liason officer will oversee signing of MOU between IADVL and DERMAZONE local organizing committee. The MOU for this shall be on the lines of DERMACON MOU and shall be prepared by SOP committee. The liason officer will be responsible for smooth conduct coordination and also submission of accounts of DERMAZONE.
- (c) 15% of all registrations and 20% of industry stall collection will be handed over to IADVL as IADVL affiliation fee. This amount shall be divided equally as follows between:
 - i) the organizing state 33% ii) Other participating states 33% iii) and the IADVL 33%.
- (d) The audited account should be submitted to the IADVL within 6 months and presented in next CCM or AGM whichever is nearer and the same shall be subjected to audit and finance committee opinion (as applicable to DERMACON)

Do you think this needs referral to any specific committee?
Yes, Constitution committee

Decision and Status at EC meeting:

- Accepted with changes as follows
- b) Any one of vice president will be IADVL liason officer.
- c) The liason officer will be responsible for smooth conduct_____ shall be corrected to The liason officer will oversee smooth conduct_____
- d) Organising state's share will be 50%, other participating states – 30% and IADVL's share –20%

Decision of GB: Not Passed, to be reviewed after state president and sec meeting in opening GB

13. Proposal: Compulsory working email ids of CC members
Name of proposer/s: Dr Narendra Gokhale and EC 2014

Is any one of the proposer member of CC? Yes

Is it constitutional related or how will it help IADVL?

It has been found that some of CC members do not have email ids. This acts as a hindrance in their communication with the CC e-group of IADVL. Such members do not actively take part in the discussions during CC meets as they are not aware of the discussion that has already taken place in the egroups. It is already a criteria for a state president and secretary.

If constitutional – It will not modify any rule but become an eligibility criteria for being elected as a CC member.

Give detail of the clause

Page 17 Rule 12 states about the composition but not about the necessity of CC members to have a working e mail ID.

Proposal: All the IADVL members who wish to become members of the Central Council should compulsorily have a working email ID.

Do you think this needs referral to any specific committee?
Yes, Constitution committee

Status at EC meeting: Accepted

Decision of GB: Passed

14. Proposal: Compulsory notification of the names, telephone numbers and email ids of all state office bearers to the National Executive.

Name of proposer/s: Dr Narendra Gokhale and EC 2014

Is any one of the proposer member of CC? Yes

Is it constitutional related or how will it help IADVL?

Every year the state branches undergo changes. New office bearers are elected and they replace the older team. However this change is not informed to the National executive. As a result the National executive is in the dark about the office bearers of the states. The Hon. Gen Secretary has to repeatedly ask for the same.

If constitutional – It will not modify any rule but become one of the duties of the State secretary.

Give detail of the clause

Page 13 -16 Rule 11 states about the duties and rights of the state branches. The state secretary has to send the activity report but there is no mention of sending the list of state office bearers.

Proposal: As soon as a new team takes over in a state branch, it shall be the responsibility of the state secretary to send the

list of ALL office bearers of the state stating their post, their telephone number and their email ids to the Honorary General Secretary within 2 weeks of assuming office.

Proposals for AGBM Mangalore needing Constitutional Committee Opinion

1. Proposal: Discontinue with a) Therapeutic Guidelines committee and b) IADVL working committee

Proposal from Venkataram Mysore and EC IADVL

Name of proposer/s: Venkataram Mysore LM Kn 3211 and EC 2014

Is any one of the proposer member of CC? Yes

Is it constitutional related? Yes

How will it help IADVL? Smoother functioning as explained below

- a) The role of Therapeutic guidelines committee as a standing committee has diminished after the initiation of academy and SIG. Its continuance often leads to duplication and confusion. It is therefore recommended that TG committee be discontinued and its reference omitted from the constitution (page 61 clause 6). In such cases where there is need for guidelines in an area outside of the purview of Academy and SIGs, a specific taskforce may be constituted with approval of AGM, with a duration of one year
- b) Clause 5 page 61 envisages an IADVL working committee as below

IADVL WORKING COMMITTEE

The committee will oversee the day-to-day functioning of the Association. It will consist of the President, Honorary General Secretary, Treasurer and one Vice-President. The committee members should interact with one another and meet once in May-June to review the implementation of the resolutions passed in the CCM and AGBM.

I feel this arrangement is redundant and irrelevant and has not been followed regularly for the past few years. So I suggest that we discontinue this working committee arrangement.

Do you think this needs referral to any specific committee? Yes

Constitution Committee Opinion: Proposal 1 – The IADVL Working Committee is a superfluous term in the light of the fact that all IADVL Committees other than the Standing Committees are actually Working Committees formed for a specific task.

Decision of GB: Passed

2. Proposal: Criteria for Vice President

Proposals from Venkataram Mysore and EC IADVL

Is any one of the proposer member of CC? Yes

Is it constitutional related? Yes

How will it help IADVL? The present criteria for eligibility for VP does not include position of Gen Secretary at State level and this proposal seeks to correct this money.

Proposal: The constitution on page 26 clause b.iv states as below

1.VP selection 26.b.iv

Must have been actively involved in the affairs of the Association in an official capacity either at the central level as Honorary General Secretary, Honorary Treasurer or Joint Secretary or at the branch/combined branches level as President or a Central Council Member from the branch for a minimum period of five terms either continuous or with breaks.

I propose that the clause be amended as below to include the position of Hon Gen Secy at state level

Must have been actively involved in the affairs of the Association in an official capacity either at the central level as Honorary General Secretary, Honorary Treasurer or Joint Secretary or at the branch/combined branches level as President or secretary or a Central Council Member from the branch for a minimum period of five terms either continuous or with breaks.

Proposal –STREAMLINING OF INVITING AND DISPOSAL OF PROPOSALS

Members be asked to forward the proposal after the DERMACON .These proposal be forwarded between 15 May to 15 June. From 16th June to 15th July it will be discussed in EC, opinion of various committees will be taken. Decision of the EC on these proposals will be placed on CC e group and discussed for 10 days. Discussion in e group should be treated official .The approved proposal may be placed in the CC meeting during Aug. This will save time of discussion during CC meet as the matter has already been discussed. The approved version after CC meet may be placed in Gen E group and web site for discussion .Summaryof discussion/inference be placed on the web .The same may be communicated during GBM .Query if raised may be answered there only. Similar proposal may be clubbed and 2 people with similar proposal may not be allowed to take up separately.

Is any one of the proposer member of CC - Suresh Talwar

Is it constitutional related -yes

How will it help IADVL? Brief introduction.-It will remove the disincentive of organising DERMACON

If constitutional – will it replace existing clause? -yes

Give detail of the clause – page no. and clause no. page no 32 clause 26. Now modified to make organizing sec of DERMACON being ineligible to contest for President elect for 2 years following DERMACON organizing.

Proposal –Remove the disincentive of organising DERMACON by allowing the organizing sec to contest for the post of President elect

It was presumed that organizing Secretary of DERMACON may give favorsto few while organizing DERMACON in case

he desires to contest for PRESIDENT elect. However over the period of time time it has been seen that many who organized the conference could not win in succeeding elections. Therefore it is just a myth. Presently the scientific part is being looked after by IADVL academy and we have enforced good amount of checks on financial dealings. If we remove the ban and the OC desires to contest, this may prove as incentive to give a good conference with good amount of savings. Organising conference should never be a disincentive

Is it pertinent to point out that there is no such condition for persons working on posts like Honrary sec , State president , Academy chairman if they wish to contest

Currently IADVL sponsors all past president/secretary and treasurer to attend CC_MIDDERMA MEET. There is hardly any relevance of office bearers say from 1980/90's. While we need chairman of various committees to attend such meetings which they may not be able to attend as they are sponsored neither by centre nor by state. Thus we can save resources and spend where it will help the most.

2. Meetings iii

Proposal: (It should be properly drafted)

The IADVL will sponsor Past presidents, secretaries and treasurer for previous 10 years. Thus CCM meet for 2015 will have executives from 2005 onwards (including 2005). IADVL will also sponsor chairman and convenor of following committees – Finance, constitutional, SOP, awards, academy, PMC and Media. In addition, President in consultation with EC can invite any IADVL LM member whose presence in CCM will be useful. Such invited members travel and stay will be reimbursed by centre.

Dr Venkat had mentioned that chairman of various committees can be called to CC meeting at the cost of IADVL if their presence will help IADVL

Proposal

A new standing committee be created called Government Liason Committee. Its objectives will be to liase, lobby and influence decision making in different governmental agencies MCI, national Board, ICMR, Department of Health and family welfare, ICMR, national Academy of medical sciences, topics such as TSDF. Health is a subject on concurrent list and hence we need to do these both at centre and state levels.

The contours of such a committee can be:

It will consist of members who have contacts at the corridors of government – with ministers/MPs/MLAs/secretariat/ministry of health, pharmaceuticals etc

Their term of office will be 2-3 years to develop contacts as this is a time consuming exercise.

Their role will be to serve as points of contact between IADVL and the GOI/state govt agencies to high light issues of policy . eg Leprosy elimination/cost of drugs/TSDF/ quackery /role of beauty clinics etc

Tenure 1 year

It will have chairperson, a convener and 4-6 members

Proposal 11. Streamlining Communications

Name of proposer/s: Dr Venkataram Mysore LM KN 3211, Deepak Parikh, Suresh Talwar, Rashmi Sarkar, Somesh Gupta

Is any one of the proposer member of CC? Yes

Is it administrative/policy/constitutional related (select one)
NO, this is related to SOP

How will it help IADVL?

IADVL needs to communicate to members about various announcements and IADVL activities as envisaged in the constitution. Many members have often complained that they do not get proper information in time. Sending SMS is one of the quickest and most effective means of doing this. However sending bulk sms through sms providers needs a contract to be signed as per TRAI regulations which impose penalty for commercial bulk sms. However, communicating IADVL information is transactional and not commercial.

Proposal: AGBM recognises the right of members to receive IADVL information and authorizes and directs the EC to send such sms messages as necessary about various IADVL activities and sign such contracts as necessary.

Proposal 12: Proposal: Procedure for seeking info from IADVL EC

Name of proposer/s: Dr Venkataram Mysore LM KN 3211 Deepak Parikh, Suresh Talwar, Rashmi Sarkar, Somesh Gupta

Is any one of the proposer member of CC? Yes

Is it administrative/policy/constitutional related (select one)
NO, this is related to SOP

How will it help IADVL? Brief introduction.

Members need to seek information on various aspects of IADVL. Currently there is no laid out procedure for seeking such information. Often all queries are sent to secretary, who then has to send to other officials, leading to delay. Therefore a procedure needs to be put in place for this purpose.

Proposal: Procedure for seeking info from IADVL EC:

Member will write directly to specific email ids seeking specific information.

a) For all matters with respect to academy: academy@iadvl.org

b) For all matters of overall policy president@iadvl.org

c) For matters of practice pmc@iadvl.org

Further email ids as required will be designed as required and communicated to members

13. Proposal-Academy Members

Name of proposers: Dr Manas Chatterjee (LM/WB/2740) & Dr Ameet Valia (LM/M/833) (on behalf of IADVL Academy of Dermatology)

It is constitution related

How will it help IADVL?

Academy members, in a meeting on 4th May, 2014, had suggested the following changes in the Constitution related to SIGs (Points 1-3 have been incorporated in the IADVL Academy SOP that was approved by the GBM in Aurangabad on August 15, 2014):

1. Academy members should not be SIG members as they have a supervisory role.
2. One IADVL member should not be a member of more than two SIGs to promote the participation of more IADVL members in SIGs.
3. If any SIG member is inactive, the SIG coordinator can request the President and EC through Chairman, Academy to replace that member since SIG coordinators need to be given the freedom to weed out inactive members.
4. The tenure of all SIG members and coordinators should be for two years to be on par with the tenure of Academy members (the change will be prospective).

Also, it should not be obligatory that only CC members can be SIG Coordinators and members since those best suited may not be CC members.

It will modify the existing clause:

ANNEXURE VI: STANDING COMMITTEES OR SUBCOMMITTEES

2. IADVL ACADEMY OF DERMATOLOGY

IADVL Special Interest Groups

"Each SIG will have a coordinator (who should be a member of the Central Council) and eight co-opted members, two from each zone (at least two of whom should be members of the council) (the highlighted parts need to be deleted-MC/AV). Co-opted members ... should have done basic work or research in that field and should be active academicians with 5 years of experience as a consultant dermatologist or a teacher in a medical college..... The tenure of the team is 3 years to ensure continuity of work."

Proposal

This should be changed to (additions and changes highlighted):

“Each SIG will have a coordinator and eight co-opted members, two from each zone. ... Co-opted members ... should have done basic work or research in that field and should be active academicians with 5 years of experience as a consultant dermatologist or a teacher in a medical college. Preference will be given to those who are not members of other SIGs. IADVL Academy members should not be SIG members. One IADVL member cannot be a member of more than two SIGs. If any SIG member is inactive, the SIG coordinator can request the President and EC through Chairman, Academy to replace that member. ... The tenure of the team is 2 years to ensure continuity of work.”

Does this proposal need referral? Yes, to the Constitution Committee

14. Proposal-Vitiligo Day

Name of proposer/s: Davinder Parsad

Is it policy related

How will it help IADVL? Brief introduction.

It will have more impact on Vitiligo day

If constitutional – will it replace existing clause? Or modify?
NA

Give detail of the clause – page no. and clause no.

Proposal: (It should be properly worded/drafted)

Request for shifting IADVL vitiligo Day from May 19 to June 25th

I submitted this proposal twice earlier but somehow it was not taken up. As co-ordinator of SIG_PIG, we had extensive discussion among members regarding changing the IADVL day from May 19 to June 25th and consensus was reached that for uniformity and to have more impact IADVL vitiligo Day should be changed to World Vitiligo Day which is June 25th. As other day like World Psoriasis day etc, we have one day and not separate IADVL day.

I/we are not able to classify and accept ECs view

How will it help IADVL? Brief introduction – This suggestion, if implemented will bring more transparency in the IADVL electoral process.

If constitutional – will it replace existing clause? Or modify?

Give detail of the clause – page no 37 and clause no 27 (rands)

Proposal: The present electoral system is transparent and we do have full faith in the team led by the election officer. This proposal will make it more transparent.

IADVL should collect all the ballot papers in one post box of the general post office (GPO) of the city from where the election officer is residing. All envelopes with ballot papers should be collected immediately after the scheduled time of the last date is over. He may be accompanied by two other senior dermatologists from the same city appointed by the president. This is basically to overcome the inadvertent manual error which is likely to occur when the due date is over.

Is any one of the proposer member of CC? Yes

Is it constitutional related (select one) OR

How will it help IADVL? Brief introduction. There is need for clarity on various awards and orations.

If constitutional – will it replace existing clause? Or modify? -
Modify

Give detail of the clause – page no. and clause no.

Proposal: (It should be properly drafted)

1. Currently it is mandatory to give oration from the application received even if they score less than 50%. IADVL academy has prepared scoring system and minimum score required to be eligible for Oration needs to be fixed – 50 to 60%. In case no applicant is found suitable then no. of oration in that year should be reduced.

Decision of GB: Passed with minimum score of 60%

2. One member cannot apply or be nominated for more than two awards in the same year.

Decision of GB: Passed

3. Member who has received award under any category cannot apply next year.

Decision of GB: Passed but can apply in another category after 1 year

4. We have few awards related to publication. Most of the publications are multi authored. We need clarity who can apply for these awards –

Our recommendation: First author or corresponding author after obtaining "No Objection" certificate from first author.

Decision of GB: Passed

Proposal: (It should be properly drafted)

1. When should e-voting be opened and closed? Decision of GB: Passed that e voting will open at the same time as postal but e voting will close 2 days before postal voting

2. The post of President is very vital and hence it is important to know views of candidates for the post of "President-

Elect". They should be provided five minutes each to address CCM. Decision of GB: Passed

3. There is need to have central observer during counting of votes. He/she should be past President/Secretary preferably immediate past election officer. Decision of GB: Passed

4. The next EC is formed from the contestants for various posts. Hence it will be very useful if they attend CCM. They should be invited as observer (unless participating as per the constitution). However, they have to pay for their travel and stay.

Decision of GB: Passed

18. Proposal: Criteria to evaluate various awards/post/scholarships/fellowships and immunity to judges

Name of proposer/s: Dr Deepak Parikh and EC

Is any one of the proposer member of CC? Yes

It is constitutional related

How will it help IADVL? Brief introduction.

As you know, IADVL receives every year, since many years', applications for scholarship, fellowship and various awards. These are evaluated by judges in most cases by scoring the applicants, using their expertise and there are no formal set of guidelines.

If constitutional – No New proposal

Proposal: (It should be properly drafted)

1. We need to put in place criteria to evaluate various awards.

2. All our judges do voluntary work and their opinion needs to be respected and be final. Individual judges' scores should not be questioned or asked to be declared or raised in AGBM/CCM. Judges opinions if shared and if questioned will lead to a situation where no one will want to be judge.

The IADVL Training Fellowships are "open to members or provisional life members of the IADVL who are not working in the same institution and who ... (are).. aged less than 35 years at the time of commencement of his or her fellowship." This excludes the vast majority of members, for whom updation of skills is equally important. Practitioners possess some basic skills and may actually not need 4 weeks, as for the present fellowship. They may also find it difficult to spare that much time. Hence, the duration of the fellowship can be two weeks. No financial support would be provided by the IADVL.

Proposal

RULES FOR IADVL TRAINING FELLOWSHIPS FOR PRACTITIONERS

1. The fellowship will be open to life members of the IADVL who are not working in the same institution.
2. Applicants must be aged 35 years or more at the time of commencement of their fellowship.
3. The IADVL Academy of Dermatology will select the course of training and institution based on the criteria used for the existing IADVL Training Fellowship.
4. The duration of training will be 2 weeks.
5. Applicants must apply with their full biodata, including their name, contact details, current affiliation and IADVL life membership number. They must specify the course of specialization and institution (not more than two in order of preference) that they intend to undergo, and state whether they have ever been awarded any IADVL Fellowship.
6. Awardees will be selected by the IADVL Academy of Dermatology on the basis of merit and the possible utility of the training in the discharge of their duties, with preference being given to those who have never availed any IADVL Fellowship.
7. The host institution must be ready to accept the awardee.

8. The list of awardees will be announced by the Hon. Gen. Secretary during DERMACON.
9. Awardees must give an undertaking to complete the fellowship within the stipulated time, failing which they may not be considered for future IADVL fellowships.
10. While the Fellowship will not carry a grant, a certificate will be issued by the Hon Gen Secretary after successful completion of the course and receipt by the IADVL Academy of the Feedback forms (as for the existing IADVL Training Fellowship) from the Fellowship Director and Trainee as well as a brief report of their experience of the same.

1. The present requirement of two members from each zone leaves no scope for appointment of central members. Thus, the number of members needs to be changed from "8" members to "8-10" as was done for that of Academy members.

Decision of GB: Passed 10 members

2. The term "coopted" has not been used accurately since it means to "appoint to membership of a committee by invitation of the existing members" while presently members are being selected by a committee consisting of the President, President Elect, Academy Chairperson, Hon Gen Secretary and SIG Coordinator. Hence, this term needs to be deleted.
3. "The SIG may co-opt a maximum of three additional members for special purposes with the approval of the IADVL Academy" should be added since it would give

SIGs the freedom to co-opt additional members for specific purposes.

Decision of GB: Passed to have maximum 3 additional members

It will modify the existing clause:

The President summoned the meeting at 2.00 pm but was postponed by 15 minutes due to lack of quorum. The meeting commenced at 02.15 pm once the quorum was complete.

Agenda 1 : Welcome by President

Dr Venkataraman Mysore, President IADVL started the meeting by introducing the newly inducted EC of 2015 and welcoming all members present for the AGBM.

His opening remarks highlighted the plan for the academic year 2015 with emphasis on the issues related to Academy, and SIGs, Community issues like IADVL chala Gaon ki ore, Vitiligo day ,Swatch tvacha campaign and role of Media cell and

Practice management cell. He also touched upon the IADVL Mobile app and how we can take it forward. He mentioned about the Government liaison cell and the road ahead for the path breaking ITATSA movement. E voting, an issue which needs an impetus to go to the next level and DVL trust popularity also found mention in his opening remarks.

He, then invited Dr Rashmi Sarkar, Hon. General Secretary to continue the proceedings of the meeting.

Agenda 2 : Confirmation of the minutes of last CCM & AGBM of the closing year 2014 held at Mangalore on 12th Feb. 2015

Dr Rashmi Sarkar informed the House that petty expenses pertaining to Committees (Printing, Photocopying etc) will be reimbursed by the Central IADVL.

The President then announced the names of IDOJ Editor Select – Dr Sunil Dogra and Editor, Digital lecture Series – Dr Vishalakshi V.

The President announced the names of the 3 jury members for L'oreal Skin and Hair Research Awards. He said that unlike previous years, President, Immediate Past President and President Elect will not be the Jury. According to Dr Parikh, the Jury needed to be more academically oriented. The President felt that Academy should be more autonomous. The selected names are 1) Dr Manas Chatterjee 2) Dr Saumya Panda 3) Dr Arun Inamadar. He informed the House that these members will continue for 3 years for better co-ordination with L'oreal. The fourth member would be the president

Dr PN Rao raised a doubt that if the next President wants to change the jury next year. Dr Mysore said that this could not be done as it would go on for 3 years. To this, Dr Rao said that these are selected members and not elected. The President accepted this and finally proposed that there will be applications invited for Jury next year and this Jury will continue for this year. The House unanimously accepted this.

12. Proposal: DERMAZONE committee

Name of proposer/s: Dr Venkataram Mysore and EC 2014

Is any one of the proposer member of CC? Yes

Is it constitutional related? Yes

How will it help IADVL? Presently there are some sketchy regulations for organizing DERMAZONE as below which are inadequate

If constitutional-It will replace existing clause page 29 C ; iv

CONFERENCE

- Zonal states should be arranged in alphabetic order.
- State Presidents and Secretaries must be members of the organizing committee; others may be included.
- The surplus income shall be divided between the organizing state and the IADVL equally.
- The audited account should be submitted to the IADVL within 6 months..

Proposal: Replace above with:

- Zonal states should be arranged in alphabetic order.
- State Presidents, President Elect and Secretaries of the zone must be members of the central organizing committee; From IADVL centre, any one of vice president /president elect/Past president(preferably hailing from that zone) will be the IADVL liason officer. This committee will be constituted one year before organizing the DERMAZONE. It shall be the responsibility of Hon gen secy to do this and included in the secretary report to CCM/AGM.
- IADVL liason officer will oversee signing of MOU between IADVL and DERMAZONE local organizing committee. The MOU for this shall be on the lines of DERMACON MOU and shall be prepared by SOP committee. The liason officer will be responsible for smooth conduct coordination and also submission of accounts of DERMAZONE.
- 15% of all registrations and 20% of industry stall collection will be handed over to IADVL as IADVL affiliation fee. This amount shall be divided equally as follows between:
 - the organizing state 33%
 - Other participating states 33%
 - and the IADVL 33%.
- The audited account should be submitted to the IADVL within 6 months and presented in next CCM or AGM whichever is nearer and the same shall be subjected to audit and finance committee opinion (as applicable to DERMACON)

Do you think this needs referral to any specific committee? Yes, Constitution committee

Decision and Status at EC meeting:

- Accepted with changes as follows
- b) Any one of vice president will be IADVL liason officer.
- c) The liason officer will be responsible for smooth conduct_____ shall be corrected to The liason officer will oversee smooth conduct_____
- c) Organising state's share will be 50%, other participating states – 30% and IADVL's share –20%

The President informed the House that this formula of DERMAZONE sharing (Organising State – 50%, Other states in Zone -30% and IADVL -20%) was discussed in State Presidents and Secretaries meeting and was acceptable to them.

Passed unanimously.

After this, the minutes of Closing Year GBM were passed unanimously.

Administrative Proposal

1. Proposal: Derma Sewa awards

Name of proposer/s: Dr Venkataram Mysore LM KN 3211, Deepak Parikh, Suresh Talwar, Rashmi Sarkar, Somesh Gupta

Is any one of the proposer member of CC? Yes

Is it constitutional related /administrative/policy? Administrative
How will it help IADVL? Brief introduction.

Derma Sewa awards

It is important that community work by our members gets recognition as it contributes to wellbeing of community and also enhances prestige of our speciality

If constitutional – will it replace existing clause? Or modify? NO

Proposal:

IADVL DERMASEWA AWARDS

The aim is to reward innovative community projects which offer benefits to patients/people in the areas of prevention, quality of life, access to care and social inclusion with respect to dermatological diseases. This national award will bring to the forefront three projects in different sates around the country and will encourage the awardees to continue their work to improve the quality of life of their patients.

ELIGIBILITY

Exclusions: This award is aimed at all voluntary initiatives, coming from individuals, associations or hospital or

organizations and providing a real benefit to dermatological patients, independent from their routine treatment. The project must fall specifically within the scope of a community project: a social project, focused on the patient, with the aim to improve his personal well-being, and his integration. Projects providing benefit to individual patients by virtue of a medical treatment will not be considered.

Inclusions

1. FIVE MAIN FIELDS are identified:
 - Prevention and education: any initiative favoring the prevention of dermatological illnesses, and education therapy for patients and their support network relating to their pathology, together with information and promotion of dermatology for the general public (e.g. consultations/patient – family information workshops, screening campaigns, camps, information campaigns...)
 - Quality of life and comfort: projects favoring improvements in quality of life for patients, whether this be physical or psychological (e.g. supporting and accompanying patients, help in accepting their conditions, advice on environmental factors and healthy living ...)
 - Access to care and coverage: projects aimed at facilitating public access to care (e.g. free screening, travelling doctors, mobile clinics, ...)
 - Social inclusion: initiatives leading to improved social integration for patients by reducing stigma attached to their diseases (e.g. vitiligo patients, leprosy patients, HIV patients, behavior therapy, ...)
 - Training for health professionals: activities leading to an improvement in dermatology teaching and knowledge dissemination (e.g. dermatology training of healthcare workers, nurses, doctors who are not specialized in dermatology, dermatology residents and other health professionals) in view to improve patient care.
2. THE FOLLOWING CRITERIA WILL BE TAKEN INTO ACCOUNT WHEN SELECTING PROJECTS:
 - Community nature: The project must fall within one of the five fields described above
 - Diversity: population targeted, actions put into place, principal actors.
 - Relevance: benefits of the initiative within its context, relevance of the actions or means put into place in terms of the subjects addressed, supports used or the population targeted,

- Originality/Innovation: criteria determining the specific nature of the project,
- Scope: number of towns, regions affected, number of patients benefitting...,
- Project Lifespan: the projects must still be active and current; they must have been put into place over the course of the last 4 years and have been active and running for at least 2 years.
- Patient benefits:
 - Access to care: new patients being treated with assistance from the project
 - Individual acceptance of the disease and treatment: recovery becomes the patient's personal project,
 - Patient well-being: attention to the comfort and state of mind of the patient,
 - Self-esteem,
 - Adherence to treatment: the patient is more inclined to follow therapeutic advice
 - Patient social insertion: development of the patient's ability to follow team projects or to create external relationships

SELECTION

Applicants are invited to complete the attached application form with all relevant documents to allow a detailed assessment of the project.

Closing date for applications is July 30

A committee consisting of three presidents and secretary, immediate past secretary will choose the award winner

The award will consist of a shawl, scroll, and sripthal.

The winners will then be asked to:

- Publish a scientific article of 6000 words, to appear in newsletter, share their experience with other doctors during the course of scientific conferences and meetings
- Present his paper in a session DERMACON

Dr Suresh Talwar suggested that one of the Lifetime achievement Awards be given as Derma Sewa award for service to Community. It was accepted and the proposal was passed unanimously.

2. Proposal: Streamlining Communications

Name of proposer/s: Dr Venkataram Mysore, Deepak Parikh,

Suresh Talwar, Rashmi Sarkar, Somesh Gupta

Is any one of the proposer member of CC? Yes

Is it constitutional related (select one)? NO, this is related to SOP

How will it help IADVL?

- IADVL needs to communicate to members about various announcements and IADVL activities as envisaged in the constitution. Many members have often complained that they do not get proper information in time. Sending SMS is one of the quickest and most effective means of doing this. However sending bulk SMS through SMS providers needs a contract to be signed as per TRAI regulations which impose penalty for commercial bulk SMS. However, communicating IADVL information is transactional and not commercial.
- Proposal: AGBM recognises the right of members to receive IADVL information and authorizes and directs the EC to send such SMS messages as necessary about various IADVL activities and sign such contracts as necessary.

Do you think this needs referral to any specific committee? NO

The proposal was unanimously passed by the house.

3. Proposal: Streamlining Communications- Procedure for seeking info from IADVL EC

Name of proposer/s: Dr Venkataram Mysore, Deepak Parikh, Suresh Talwar, Rashmi Sarkar, Somesh Gupta

Is any one of the proposer member of CC? Yes

Is it constitutional related (select one)? NO, this is related to SOP

How will it help IADVL? Brief introduction.

Members need to seek information on various aspects of IADVL. Currently there is no laid out procedure for seeking such information. Often all queries are sent to secretary, who intern has to send to other officials, leading to delay. Therefore a procedure needs to be put in place for this purpose

Proposal: Procedure for seeking info from IADVL EC:

Member will write directly to specific email ids seeking specific information.

- a) For all matters with respect to academy: academy@iadvl.org
- b) For all matters of overall policy president@iadvl.org

c) For matters of practice pmc@iadvl.org

d) Further email ids as required will be designed as required and communicated to members

The proposal was unanimously passed by the house.

4. Proposal: Streamlining AGBM discussions

Name of proposer/s: Dr Venkataram Mysore

Is any one of the proposer member of CC? Yes

Is it constitutional related (select one)? Administrative-SOP related

How will it help IADVL? Brief introduction.

Proposal for streamlining AGBM discussions

Procedures for submission of proposals for IADVL AGBM/CCM have been streamlined. There is need to further stream line the procedure for AGBM discussions so that discussion can be done in a meaningful and fruitful manner.

If constitutional – will it replace existing clause? Or modify? Not related to constitution- related to SOP

Proposal:

All proposals would be announced on e groups, members area of website, 4 weeks before AGBM/CCM. Members would be invited to go over the proposals and submit their comments through email to secretary. Any member desirous of speaking to explain the point would submit his request to the secretary along with the comment. The last date of receipt of such comments would be two weeks before AGBM. During the AGBM, these members who have served notice to speak would be first given an opportunity to speak. Others from the floor would be allowed to speak at the discretion of the chair, only if there are opinions different from those already expressed. If there are differing points of view, up to a maximum of four members, generally two opposing and two supporting, would be allowed to talk on a given point, provided they have an independent and different opinion (in special situations, more members may be allowed as per wish of members). Members speaking to repeat the same point would not be permitted to speak. After the members speak, the proposal would be decided either by voice vote or show of hands as decided by the chair.

The House passed the proposal unanimously.

6. Proposal: ILDS appreciation award and ILDS directorship applications

Name of proposer/s: Dr Venkataram Mysore, Deepak Parikh, Suresh Talwar, Rashmi Sarkar, Somesh Gupta

Is any one of the proposer member of CC? Yes

Is it constitutional related (select one)? NO, this is related to SOP

How will it help IADVL?

ILDS asks for nominations every year for ILDS appreciation award and every four years for ILDS directorships. At present no procedure exists in SOPs for this purpose. Therefore a system needs to be achieved for establishing transparency and fair opportunities for all members.

Proposal: Once the information is received from ILDS, an announcement will be made in all official IADVL media inviting members to apply as per the attached forms. A committee of three presidents will decide the final selection. The current presidents can also apply- however, if they apply, they will reclude from the selection committee and a committee of three other presidents, who have not applied for the post and have achieved previous experience in international positions and are familiar with the functioning of international societies will be constituted. The decision of the committee will be final.

The President announced that the the name of Dr C R Srinivas for the ILDS Appreciation Award 2015 from IADVL. The proposal was passed unanimously .

Agenda 3 : Proposed Budget for the year 2015

Dr Somesh Gupta, Treasurer, IADVL presented the proposed budget for the year 2015. Dr P. Narasimha Rao felt that the EC meeting expenses shown around 12,00,000/- (12 lacs) is very high and should be looked into.. Dr Talwar felt that the budget for medals and mementoes was on higher side. President,Dr Mysore assured the house that this was only a proposed budget and actual expenses will be much lesser The proposed budget was passed unanimously after this assurance.

Agenda 4: Appointment of Auditor

Dr Somesh Gupta, Treasurer IADVL proposed the continuation of Mr Sanjay Labh as Auditor for 2015 in view of his satisfactory report in the last year as Auditor. The proposal was passed and Mr Sanjay Labh will continue as Auditor for the year 2015.

Agenda 6 : Issues with respect to Dermacon 2016 Coimbatore-confirmation of venue, office bearers and appointment of central scientific committee members.

The following names were proposed for the scientific committee.

Central Scientific Committee

1. Dr. Sudhir Nayak
2. Dr. Brijesh Nair
3. Dr. Abhay Mani Martin

South Zone

1. Dr. Manmohan

North Zone

Dr. Imran Majid and Dr. V.K.Sharma's name was proposed. Dr Joshipura brought the fact to the notice of the executive that as per the Constitution, no one can be Central Scientific Committee member more than 2 times and that Dr. V.K.Sharma has been a central committee member for the Agra and Chennai conferences. In view of the facts , Dr. V.K Sharma withdrew his nomination and Dr. Imran Majid was given the responsibility to represent the north zone.

West Zone

Dr. Narendra Patwardhan

East Zone

Dr. Soumya Panda

Armed Forces

Dr. Rajesh Verma

Dr Reena welcomed all to Coimbatore for DERMACON 2016 from Jan 21-24, 2016. Dr CR Srinivas and Dr Reena assured the House that the venue and accommodation is not a problem.

Dr Manas Chaterjee raised a point that he and few others had to pay extra money for hotel stay at Mangalore inspite of booking through the Organisers. Dr Rajesh Verma and Dr Rohit Batra had a similar experience. Dr Manas pointed out that he was directed to Getz Hospitality (event co-ordinator) when he approached the Organisers for accommodation and the event people charged 2000/- per day more than what the hotel was charging. It was felt that the Event Co-ordinators are taking the Organisers for a ride.

Dr Parikh felt that it would be appropriate to discuss this once we can clarify the matter with Dr Ramesh Bhat. (Later in the day, Dr Ramesh Bhat assured the House that he will look into this matter as it has come to light just now. The President requested him to resolve this issue with the Event co-ordinators before final settlement of bills)

Meanwhile, Dr PN Rao said that the organizers face this due to lack of funds to block hotels in advance. He proposed that IADVL give more seed money to the Organisers for this purpose. The President asked how much would be enough because it may amount to even 50 lacs if all hotels need to be blocked.

Dr CR Srinivas felt that it was a good idea to increase the seed money and should be put up as a formal proposal for next year. Dr Venkataraman Mysore agreed and urged the members to come up with a proposal to resolve this issue.

Dr CR Srinivas then gave an outline of the Scientific program which included unusual topics and procedures less followed. He also stressed on fewer number of halls as empty halls were not a welcome sight.

Dr. V.K Sharma proposed that the 5th hall for free papers should be continued in DERMACON to encourage residents and as per the MCI norms. Dr. C.R Srinivas assured that the organizers will consider increasing the free paper sessions as per the number of entries received.

Dr Talwar raised the point about the food at Mangalore that North Indian food was not served at all and the quality and hygiene was not up to the mark. He requested organizers at Coimbatore to consider Pan -India delegates when the menu

is decided.

Agenda 7: Issues with respect to International conferences:

a) Bidding for World Congress of Dermatology – Dr Sachidanand

Dr. Sachidanand asked the permission of the house to send the e-book version of the IADVL textbook of Dermatology to ILDS members with regard to the India' bid for the WCD. Many members felt that the print version can be sent directly to these ILDS members but the logistics were not feasible and therefore the idea was dropped. Dr Sachidanand also proposed a cheese and wine reception for these 300 ILDS members to interact with them and thereby increase the chances of our winning the bid. The budget for the same was partly given by Karnataka State branch and BDS. It was approved by the House.

b) SAARC Dermatology Congress Mysore- Dr Jaidev Betkerur

Dr Jaidev Betkerur gave an overview of the SARAD Conference to be held in Mysore from 4-6 September 2015. He informed the House that they had decided on 3-4 international speakers and Complimentary registration and accommodation will be offered to them. In addition, they would also offer free accommodation and registration to 1 Post graduate student from each SARAD country.

Dr VK Sharma felt that there should be more foreign speakers for the Conference to attract more delegates. He again felt that the food should cater to Pan- India delegates.

c) Asian Dermatology Congress Mumbai-Dr Hema Jerajani / Dr Vinay Saraf

Dr Vinay Saraf, Organising Chairman of ADC gave a brief outline of the ADC to be held in Mumbai in November 2016.

Dr. V.K Sharma Said that the ADA had given the ADC to Dr Hema Jerajani to which Dr Deepak Parikh objected and told the house that as per the new norms the ADC has been given to the IADVL Maharashtra Branch and Asian Dermatology Association(ADA) has asked to keep the venue – Mumbai.

Dr. Soumya Panda asked about the tentative dates of the ADC as they were never published in newsletters.

Dr. Koushik Lahiri told that ADC was given to INDIA and not Maharashtra.

Dr. Suresh Talwar clarified that ADC was given to Mumbai and not Maharashtra or INDIA.

Dr. P N Rao told the house that Dr. Hema decided on dates as she was the incharge of ADC and he needed to check whether the dates were discussed in any earlier meetings.

Dr. Deepak Parikh told the house that he was never given any dates on repeated requests to Dr. Hema Jerajani. Dr. Deepak told the house that even he doesn't know about the dates of ADC.

Dr. Arijit Coondoo said that Dermacon 2017 will be held in Kolkatta and hence ADC should be shifted to a far off date otherwise it would be difficult for both the organisers to garner sponsorships from the pharma industry.

Dr. Deepak told the house that he asked the ADA to open the conference as Dr. Hema Jerajani was unwell and would be unable to organise herself. But ADA wanted the Conference to be in Mumbai as it was in their records that venue is Mumbai.

Dr Soumya Panda proposed to shift the conference dates.

Dr. Suresh Joshipura assured the house that there will not be any problems as far as the sponsorship is concerned and organisers should go on with their respective plans.

Dr. Koushik told the house that as per the precedence whenever an international conference is held, DERMACONS are dropped from the calender. He suggested that DERMACON Kolkata would be a flop show if ADC is held in Mumbai too near to DERMACON.

Dr. Deepak Parikh told that due to rains and festivals it would not be possible to change the dates of ADC.

Dr. C. R Srinivas proposed that the IADVL should surrender the ADC bid if its not possible to organise the conference .

Dr. Venkat opposed the proposal that this would bring bad reputation to IADVL .

Dr. Talwar said that it would give a bad name to IADVL and will show indecisiveness on our part before the international community.

Dr. Vinay Saraf pointed the fact that doing such a thing might affect INDIA' WCD bid.

Dr venkat then put this to vote-

The House by voice vote decided to go on with the conference.

ADC and DERMACON Kolkata were asked to come up with mutually agreeable dates wherein ADC can be preponed to October and DERMACON postponed to February.

The President closed the matter on this assurance from both sides.

Agenda 8: Nomination of the Election Officer for the conduct of 2015 elections

The house unanimously passed the names of Dr. SDN Gupta for

the post of Election officer and Dr. V.K Sharma as the national observer for the IADVL Elections 2016.

Agenda 9: To elect Direct Central Branch members representatives to the Central Council.

Maj Gen A K Patra, Col. Rajesh Verma and Col. Rajan Grewal were nominated and elected.

Agenda 5 : Presidential Issues

A) Academy and SIGs

Dr Manas Chatterjee informed the House that there will be 2 Academy Newsletters and gave an overview of the various SIGs.

Dr Mysore put forth an important issue about continuation of SIG Trichology. Though, it was discontinued in the last AGBM at Delhi, the members had a feeling that this is an important SIG and it should be revived. He proposed that SIG Trichology be continued with DR B S Chandrashekhar as SIG Convenor. This proposal was passed unanimously.

Proposal No. 7: Dermatology Online Atlas to be converted

Name of proposer/s: Biju Vasudevan, Manas Chatterjee, Venkatram Mysore

Type: Administrative

Proposal: It is proposed that the project of Dermatology Online Atlas be converted into a printed atlas project.

Introduction and Background: The Dermatology Online Atlas project by IADVL has not met its logical conclusion of producing an online atlas with good quality images. Initially, lot of issues with the website portal similar to that experienced by the surgical registry was faced. The portal was not stable, it had provided long passwords and after 2 minutes or so the website would go back to home page, not saving all uploads. Then there were issues with the uploading. The images would get uploaded, but all the descriptions of the image were not matching up. Once the portal issues were sorted out, images were uploaded by very few of the registering users. Probably the credit for the uploader, not being there in print, led to disinterest in uploading images. But what negated the originating idea was the quality of images uploaded. Most of the uploaded images were of poor quality and not worthy of use. There was also the problem of copyright of images. Whether images from published articles of Indian journals can be used and whether the images uploaded by the users will be used by online hacking by somebody else, were also some other issues which were raised. These also

probably kept good images from being uploaded.

Justification: All e-projects actually face a similar problem. Many good contributors may not be net savvy. Uploading images with description takes valuable time. Good quality images are sent to journals for publication. It is therefore felt that good quality images will only come to a print atlas- where proper credits will be given. In view of all the above, converting the online atlas into a print atlas is a good idea.

The IADVL atlas will have to be of real good quality and therefore has to be a collaborative effort of all major institutions, academicians and members alike. One chief editor will be appointed who can in turn nominate assistant editors to help him in the endeavour. An invite in the form of an announcement would be sent to all members and departments to contribute images. In addition, academy members and premium institutions would be specially invited and involved in the contribution. There would be a specific deadline of four months by which images are to be submitted with a brief 2 to 3 line explanation. After this, the editor shall analyse the output and if further images are required, contact IJDVL and authors for permission. This would enable editor to complete collection by 6 months & printing by 1 year.

It is therefore proposed that the online dermatology atlas project be converted into a printed atlas project with contributions expected from all concerned to produce a real quality product.

How will it help IADVL? By converting it into a printed atlas, everybody, including IADVL, stand to benefit. It will be a good academic venture not undertaken before by IADVL. It will be a ready reckoner for Residents and Dermatologists alike as reference material when they are faced with dilemmas in clinical diagnosis. The authors and contributors will get authorship credits in print alongside the images. It will add on to the already existing successful academic ventures like IADVL textbook and its concise form for undergraduates. Finally it will also generate royalty and income to IADVL.

Dr Manas informed the House that this was a Presidential project and the online version initiated earlier did not work, therefore it is to be launched as a print version.

Dr P Narsimha Rao asked about the expenses to IADVL to which the President replied that there won't be any expenses as this will be published by a publisher and we will get Royalty instead. It was passed by the House.

Dr Venkataraman Mysore told the House that the 4 Institutes for International Dermatopathology Fellowship have been generous enough and waived off the registration fees for our Fellows. Now, IADVL needs to do its bit and therefore he

proposed a grant of Rs 50000/- from IADVL for International Dermatopathology Fellowship. It was passed unanimously.

Presidential Issues - continued

Dermatologic Nursing : Dr Venkataraman Mysore proposed to have CD recordings which will serve as special training for Clinic staff in Dermatologic Nursing and also for Receptionists for better communication skills. These CDs will then be sent to all members and will prove useful to educate their staff.

Dr CR Srinivas expressed his opinion that Dermatologic Nursing is fine but training for receptionists be better avoided as the requirements would vary in various clinics.

Hair CMEs (Digital) : Four digital CMEs were proposed based on Trichology, 1) Trichoanalysis and Diagnosis 2) Medical Management of Hair disorders 3) Platelet Rich Plasma (PRP) 4) Surgical Management of Hair disorders. Dr PN Rao said that PRP was a controversial topic as the results are not documented enough and IADVL should not endorse this. Dr Venkat Mysore proposed that we add a disclaimer that 'IADVL does not endorse these workshops and member discretion is needed'. Passed unanimously.

Dermatology Online Lecture Series: The President proposed that we will have Online lecture series and can be telecast from one site and will be available to teaching in states all over the country. He added that the cost will be around 8 lacs and in all probability, there will be no financial burden on IADVL. Passed unanimously.

Dermatopathology Virtual Microscopy course: Dr Mysore informed the members about this unique course in Dermatopathology comprising of 25 lectures of 30 minutes each through DVDs.

The cost to IADVL would be 1.25 lacs. Passed

Workshop on Lasers and Aesthetics: 10 workshops on lasers and aesthetics either alone or with Dermatotomy were proposed. Industry support will be present. Passed.

Research Methodology Workshops: Co-ordinator-Dr Deepak Parikh. 4 workshops in 4 cities in this year, preferably non-metros with sizeable number of Post-graduates to be selected. Passed

Practice management WS: 8-10 workshops proposed. Passed.

Scholarships for Members : The president proposed scholarships for members to attend National and International Conferences, based on application to IADVL Academy. There will not be Age bar. Even members above 35 years of age can

apply, He put forth to the House to decide.

Dr Rajan Grewal said that there should be a limit for number of scholarships per person and a person receiving a scholarship (National/International) once should not be eligible again.

Dr PN Rao also suggested that the scholarship should be given only after the candidate has presented the paper at the Conference and has proof of the same. Status –Passed

Multicentric studies: (Vitiligo, Pulse therapy, therapy of SJS/TEN etc) – These will be IADVL Academy directed and funded from existing grants. Dr Saumya Panda commented that DGCI has taken a very rigid stand in approving studies. Dr Grewal said that it would be difficult to go on with the studies and to be sorted out before starting these studies. The President said that he will discuss with the Academy separately. Dr Godse said that epidemiological studies will not be affected.

Dr Manas Chatterjee proposed the budget for the Academy and it was passed unanimously.

Administrative Proposal

8. Proposal: Funding for Media Advertisements

Name of proposer/s: Dr KIRAN GODSE

I/we are not able to classify and accept ECs view

How will it help IADVL? Brief introduction.

IADVL needs separate fund for Media Advertisement or IADVL can take sponsorship from pharma companies for the same.

IADVL can post an advertisement to general public in major newspapers regarding IADVL and qualified dermatologist in India.

If constitutional – will it replace existing clause? Or modify? NO

Give detail of the clause – page no. and clause no.

Proposal: (It should be properly worded/drafted)

IADVL needs separate fund for advertisement in major newspapers of India.

IADVL can take sponsorship from Pharma companies to release advertisement.

Pilot project can be done in major metros.

(example is by Dr .Reddy's lab about hair fall and role of dermatologist)

Does this proposal need referral? No

The proposal was unanimously rejected by the house.

9. Proposal: Reaching out to members for e-voting

Name of proposer/s: Dr Narendra G Patwardhan

Is it administrative ? Yes

How will it help IADVL? Brief introduction. – This is to reach many more members to enrol for e voting

If constitutional – will it replace existing clause? Or modify? No

Give detail of the clause – page no- 34-37 and clause no – nil..... e voting

Proposal: In spite of mammoth efforts from IADVL and E voting in charge, we have not been able to enrol more than 500 members. This is because we are not able to reach them through IADVL Yahoo groups. I propose to reach many more members with the help of few pharma companies with a slip to be filled in by the members who are willing to join e voting. The paper slip will have columns like Name, LM number, Date of birth and working e mail id and cell number. We should not have any financial or commercial commitment with the pharma companies. We should aim to enrol at least 2000 members in the coming year with this effort. Also e voting should android friendly.

Does this proposal need referral? No

Dr. P N Rao said that most members do not want to go for e voting.

Dr Mysore said that we can now use the Mobile App for this purpose.

Moreover the house was against using the resources of any pharma company to collect data. The privacy of members need to be respected. A vote was taken, House voted against and the **proposal was rejected unanimously.**

On similar lines, Dr Rashmi Sarkar asked the House whether IADVL database can be given to some agents for promotional purpose. The members felt that Pharma companies might not misuse our data but other agents might do so, therefore should not be shared unless they are organizing an IADVL program.

Proposal No. 15, Page 135 IADVL Elections

Name of proposer/s: Dr Narendra Patwardhan

Is it constitutional related (select one) OR

I/we are not able to classify and accept ECs view

How will it help IADVL? Brief introduction – This suggestion, if implemented will bring more transparency in the IADVL

electoral process.

If constitutional – will it replace existing clause? Or modify? Yes

Give detail of the clause – page no 37 and clause no 27 (rands)

Proposal: The present electoral system is transparent and we do have full faith in the team led by the election officer. This proposal will make it more transparent.

IADVL should collect all the ballot papers in one post box of the general post office (GPO) of the city from where the election officer is residing. All envelopes with ballot papers should be collected immediately after the scheduled time of the last date is over. He may be accompanied by two other senior dermatologists from the same city appointed by the president. This is basically to overcome the inadvertent manual error which is likely to occur when the due date is over.

Does this proposal need referral? – Don't know

For office use:

Date when received:

If referred – when and to whom? Reply must come within one week

What is the conclusion of the referring committee (to be included with the proposal)

When was proposal placed before committee. EC/CC/AGM

Status: passed/rejected

The President assured that the EC will look into this possibility.

Presidential Issues (continued) - Practice management cell

Dr. Narendra Gokhale told the house about the new initiatives of the Practice Management Cells.

A new software is under construction for the IADVL members. The prescription software will be a cloud based software . It would cost IADVL Rs250/- per member for the basic plan. It would be an online software with a one month offline storage facility. The software would be legally compliant, safe and secure . It would be available in English with an option to incorporate local languages. A trial would be conducted in near future before making the software available to the members.

Dr Deepak Parikh expressed concern over the safety of the Data on Cloud. The President said that it will be initially tried as a trial version and later considered for a larger scale.

Community Projects - IADVL Chala gaon Ki Ore & Swachh Tvacha, Swasth Tvacha.

The President informed the House that the State branches had participated in a survey and finalized a date in 3rd/ 4th week of September for IADVL Chala gaon ki Ore.

For Swachh Tvacha, Swasth Tvacha – posters will be prepared and displayed in the Clinics. Dr Raghunatha Reddy also suggested we add Waste Management to the project.

With this, the President informed the House that all proposals were done and any proposals with the permission of the Chair will be taken up.

He then invited Dr Shyam Verma as promised earlier regarding the issue he had raised earlier but Dr Verma did not want to continue further. However, he asked for some time to present a short overview of IDOJ. He was granted the same by the President. He spoke about IDOJ since its inception and the milestones it had achieved. He also welcomed Dr Sunil Dogra as IDOJ Editor Select and expressed complete faith in his abilities.

Any other matter, not exceeding two subject, allowed by the president. Any other matters with the permission of the chair (not more than two items permitted).

Dr Raghunatha Reddy, Vice- President IADVL came up with two proposals with the permission of the Chair.

A) As is true with most associations, Faculty at DERMACON should be appreciated for the efforts put in by them for the Conference. Therefore, he proposed that Faculty at DERMACON should be given waiver of the Registration charges.

Dr Parikh said that this point has been raised in the past but Faculty at DERMACON, if an IADVL member is doing his bit for his own association and therefore was not given any special benefits. If an invited faculty, it is taken care of. He also raised the point as to who all come in the purview of Faculty – Speakers, panelists, moderators, chairpersons, etc.

Dr C R Srinivas said that DERMACON Coimbatore is considering paying Honorarium to the faculty but Registration fees waiver would be confusing and impractical. Dr Rohit Batra suggested we keep early bird fees at all times for faculty. Dr Srinivas felt this would again create confusion and honorarium would be better.

He also felt that honorarium could be given easily according to the categories like Speaker, Panelist Chairperson etc.

The President summed up the issue and put forth a suggestion that Dr Reena and Dr CR Srinivas decide on the number of faculty and what best can be done accordingly. This issue will be further discussed in CC meeting.

B) Dr Raghunatha Reddy brought to the notice of the House that half of EC members are sponsored for DERMACON whereas both Vice – Presidents and Joint secretaries are not sponsored. He also put forth the fact that Vice-Presidents and Joint Secretaries are no longer inactive, thanks to Presidents, Dr Parikh & Dr Mysore. Therefore, he proposed that all EC members be treated equally and the rest of the EC be also sponsored for DERMACON.

Dr C R Srinivas said that it was at the discretion of the DERMACON organisers whether even the President will be sponsored or not. Dr Reddy said that he was not expecting it from the DERMACON organisers but it could be done from the IADVL share of the profit.

Dr Venkataraman Mysore also felt that the Academy Convenor and Chairman should also be considered.

The President assured the members that this will be placed before the CC in the CC meeting and if feasible, it will be passed.

With all proposal and Agenda addressed, The President thanked the organizers for providing the space for the meeting and for their hospitality.

Hon. General Secretary Dr Rashmi Sarkar thanked all the members and declared the meeting closed.

Reconstitution of IADVL SIGs

The tenure of several SIGs ended this year (SIGs on Curriculum Development & Training, Leg Ulcers, Psoriasis and Psychodermatology), while some others were prematurely terminated (ones on Occupational & Environmental

Dermatology, Pemphigus, STIs & HIV, Teledermatology, Therapeutic Guidelines, Trichology and Urticaria). Applications were invited for membership of SIGs on Trichology and Psoriasis.

The General Body approved an increase in the number of SIG members to 10, in addition to three members who could be co-opted.

IADVL Training Fellowships

Nine centres for IADVL Training Fellowships were approved, as per criteria approved by the IADVL Central Council at its meeting in Aurangabad on August 16, 2014.

Sixty two candidates applied for these fellowships, with each one being given up to choices:

1. Dr Renu George, CMC, Vellore: Paediatric Dermatology (16)
2. Dr Renu George, CMC: Dermatopathology (8)
3. Dr Pradeep Mahajan, Pune: Dermatopathology (5)
4. Dr DG Saple, Mumbai, HIV and AIDS (4)
5. Dr Kiran Godse, DY Patil Medical College, Urticaria (5)
6. Dr Laxmisha Chandrashekhar, JIPMER: Dermoscopy (6)
7. Dr H V Nataraj, BMCRI: Trichology (25)
8. Dr Subrata Malakar, Rita Skin Foundation, Kolkata: Dermatosurgery (25)
9. Dr Suresh Talwar, Lucknow: Laser and Aesthetics (23)

In response to the number of applications, the centres and the IADVL EC approved 4 fellowships of 4 weeks each per centre. 33 recipients of fellowships were selected by Academy members and the list was announced during DERMAACON. The General Body approved the payment of up to Rs 10,000 per candidate as administrative fees to centres, which is in addition to the fellowship amount of Rs 10,000 to a candidate.

IADVL Training Fellowship Centre Applications

Applications are being invited from centres for recognition as IADVL Training Fellowship Centres, with an updated form.

IADVL Academy Memberships

For the first time, the EC decided to invite applications for Academy memberships from IADVL members. An application form was drafted by the Academy and six members were nominated.

Scientific Program of 43rd DERMAACON, Mangalore, 2015

For the first time, an IADVL Research Grant session was held in a DERMAACON. Six recipients of IADVL research grants (IADVL-L'Oreal Hair and Skin Research Grant-2013 and IADVL SIG Research Grant-2013) were selected.

IADVL-RANBAXY and IADVL-GALDERMA Research Grants-2015

To promote research in dermatology, the IADVL in collaboration with Galderma and Ranbaxy has initiated grants of Rs 15 lakhs and Rs 14 lakhs respectively. Applications for these grants have been invited.

IADVL SIG Research Grant-2015

To promote research in dermatology, the IADVL has invited applications for grants of Rs 10 lakhs from SIGs.

IADVL SIG Activities

IADVL SIG Cutaneous Adverse Drug Reactions

A 90-min scientific session on Adverse Cutaneous Drug Reaction (ACDR) and Severe Cutaneous Adverse reaction (SCAR) was organized at DERMAZONE East and 6th Annual Conference of IADVL Jharkhand Branch held on 19th-21st Dec 2014 at Jamshedpur.

A patient information sheet in English and Hindi on CADRs has been prepared and will be uploaded on the SIG/Academy page of the IADVL website.

A one hour session, comprising of 4 didactic lectures and a panel discussion, was successfully conducted at the 43rd DERMAACON, Mangalore to comprehensively cover the topic of CADR.

-Lalit Kumar Gupta, Coordinator, SIG-CADR

IADVL SIG Dermatology Clinical Trials

The SIG has been busy with processing the respective regulatory requirements for the timolol project with the respective Institutional Ethics Committees and the DCGI Office at New Delhi.

-Dr Saumya Panda, Coordinator

IADVL SIG Dermatology Nursing

The process of trying to get colleagues to look at the uploaded orientation pack for nurses was initiated. As is to be expected, it will be a while before it is used and feedback received. In the meanwhile, colleagues from the SIG team have been

requested to continue the process of one day workshops for nurses in their respective settings. The next step is to help every team member choose an area of nursing expertise e.g. Lasers, cutaneous surgery etc. Whose SIGs they will liaise with and produce a position statement on the minimum training required for nurses in that field.

Dr Ranjan Raval had taken a lecture for 150 nursing students on the anatomy of the skin, and common bacterial, fungal, viral and parasitic infections of the skin in Ahmedabad.

- Dr Vineet Kaur, Coordinator

IADVL SIG Dermatotomy

A workshop was conducted at Aurangabad on December 7, 2014 in association with the IADVL Maharashtra branch and the IADVL Marathawada chapter.

Six patient education leaflets in dermatotomy were prepared.

Dr T Salim, Coordinator

IADVL SIG Genodermatoses

Dr Atul Kochhar, IADVL Delhi State Branch President and Member, SIGGD, organized a session (on request of members DSB) during the IADVL Delhi State CUTICON on December 7, 2014 titled 'Genetic counseling: Myths and realities'.

-Dr. Archana Singal, Coordinator

IADVL SIG Lasers and Aesthetics

A 3-hour workshop was conducted on December 19, 2014 during IADVL Maharashtra branch CUTICON-2014 by SIGLA coordinator Dr Sanjeev Aurangabadkar, Convener Dr Shehnaz Arsiwala and core member Dr Swapnil Shah, Advisor Dr Niteen Dhepe and Dr GK Shah. Over 200 delegates were treated to didactic lectures on various wavelengths and clinical applications of lasers, followed by demonstrations of multiple laser systems on a large number and extensive variety of indications on patients. The subsequent panel discussion for applications of lasers on various cases in clinical scenario moderated by Dr. Sanjeev drew great inputs from all the panelists and evoked enthusiastic participation from delegates. The SIGLA team congratulates and thanks the team CUTICON 2014 Maharashtra, Dr Vibhavari Nigale, Dr Manish Gautam, Dr Sharmila Patil, Dr Uday Khopkar and Dr Deepak Kulkarni for great support and success.

A one hour session was conducted in the 43rd DERMACON at Mangalore.

-Dr Sanjeev Aurangabadkar, Coordinator & Dr Shehnaz Arsiwala, Convener

IADVL SIG Leg Ulcers

The IADVL SIG Research Grant-2012 multi-centric study on 'Detection of contact allergens in chronic venous ulcers' was completed and its results presented by Dr. Manjunath Shenoy in the IADVL Research Projects session in the 43rd DERMACON in Mangalore.

-Dr Reena Rai, Coordinator

IADVL SIG Leprosy

An academic meeting on "Drug resistance in leprosy" was held on Sunday, 11-.01.2015 at District Training Centre, Nanded by SIG Leprosy in collaboration with Dr P D Joshi Patodekar, Past President IADVL Maharashtra Branch and Consultant Dermatologist, Nanded who was the Convener of the meeting.

A Questionnaire was designed after several rounds of discussions and suggestions from IADVL Academy and SIG members to collect basic information and data pertaining to the number of patients and type of patients, reactions and facilities available for management of the disease in private practice and the same has been sent to the members for their feedback. This will hopefully help to understand the prevalence in the private domain and impress upon the Govt of India to get a near realistic status of leprosy in the country.

The IADVL SIG Leprosy will be associated as an official partner for the IAL Midterm Conference on April 11 and 12 in Hyderabad.

-Dr V V Pai, Coordinator

IADVL SIG Pediatric Dermatology

'Pediatric Dermatology Pulse' newsletter will be submitted to the Academy by 4th January 2015 for E-circulation.

An ambitious project of patient information leaflets in multiple languages is under way.

-Dr. Manish K. Shah, Co-ordinator

IADVL SIG Pemphigus

A patient information leaflet has been prepared. Once approved by the IADVL Academy, all attempts shall be made to translate it to the local language and distribute it across the country to all dermatologists.

Guidelines for the management of pemphigus were submitted to IDOJ for publication.

-Dr Raghavendra Rao, Coordinator

IADVL SIG Pigmentary Disorders

A Dermatoscopy workshop was held on Jan 4, 2015 at Kolkata.

An. E-Newsletter with a special focus on Dermatoscopy was published in February 2015.

-Dr Nilendu Sarma, Coordinator

IADVL SIG Psychodermatology

In CUTICON Maharashtra a one and half hour sensitization program was conducted and well appreciated.

-Dr. Abdul Latheef EN, Coordinator

IADVL SIG STDs & HIV

IADVL-GSK National Quiz Program for Postgraduates: IGNQPP: 2014-15

IGNQPP was held across different states of India. A quiz was conducted at each state annual conference i.e Cuticon by the chosen quiz masters, allocated to respective states. All the finalist teams at various Cuticons were invited to appear for the prelims conducted at the Dermacon 2015 held at Mangalore. The prelims were conducted by Dr Rajesh Kumar and Dr Akshay Jain on 11th February, 2015. 14 teams appeared for the written quiz prelims. Four finalists were further selected for the Megafinals. This included:

1. Dr Sonali Bhat and Dr Anuradha from PGI, Chandigarh
2. Dr Ankan Gupta and Dr Dipty Agarwal from BJMC, Ahmedabad
3. Dr Anirban Das and Dr Anupam Das from Calcutta Medical College, Kolkata
4. DR S M Kutty and Dr Febin Ashraf from Calicut Medical College, Calicut.

Being one of the most exciting program of Dermacon, it was highly attended on 14th February, 2015 morning. The megafinal quiz masters were Dr Vijay Zawar and Dr Biju Vasudevan. A powerpoint presentation of various rounds including eight usual rounds and one rapid fire round. The delegates found two rounds done as buzzer rounds the most exciting of all the rounds.

Dr Sonali Bhat and Dr Anuradha from the PGI Chadigarh were the winners of this year's megafinals.

Feedbacks were gathered from each Cuticon quiz master regarding the conduct of quiz and the quality of support of local organisers.

IGNQPP is one of the most popular of IADVL having high utility for the postgraduate students across India. As a chairperson of the quiz committee, it was a huge responsibility on me to coordinate the program throughout the year and it was a great pleasure to be a quiz master for the megafinals.

This was only possible due to cooperation and guidance by Dr Deepak Parikh and Dr Rashmi Sarkar and the committee members comprising of Dr Biju Vasudevan, Dr Tarang Goyal, Dr Suneil Gandhi, Dr Rajesh Kumar and Dr Akshay jain.

I must profusely thank Dr Deepak Parikh and Dr Rashmi Sarkar for giving me this opportunity. My sincere acknowledgement is also due for the GSK pharma for supporting the program.

Thank you.

Part - III

IADVL invites bids for hosting 4th MID-DERMACON 2016

Bids are invited to host 4th MID-DERMACON in 2016 from smaller cities of IADVL state Branches. The 4th MID-DERMACON 2016 may be organized along with the midyear Central Council (CC) meeting of IADVL.

Preference in the Bids would be given to smaller cities of India to host 4th MID-DERMACON 2016. However if no suitable bid is received it can be allotted to any city.

When to Hold: Ideally in August 2016

How to bid for MID-DERMACON: Application of Bids to hold 4th MID-DERMACON 2016 should reach IADVL secretary by 31st July 2015. The eligible bids would be included in the election ballot paper for nationwide voting for deciding the venue.

The bid should mention the venue, names of organizing secretary, chairman and scientific chairman. Each bid should be endorsed by executive of the IADVL state branch. Preference will be given to any zone other than West zone this time as MID-DERMACON 2014 was held at Aurangabad, Maharashtra of west zone. In case no bid is received till 31st July 2015, the venue would be decided in the AGB meeting at Coimbatore in January 2016.

Guidelines of conduct of MID-DERMACON: Duration: Two days, on a Saturday and Sunday.

Saturday first day CME – topics of Clinical Dermatology/ involve SIG group/parallel workshop can be organised. Sunday – Second day of conference. For scientific programme, local scientific team will be the main planner. IADVL Academy of Dermatology and Special Interest Groups (SIG) would coordinate and help the local scientific team in its implementation.

Business meetings of various committees of IADVL and a part of Central council (CC) meeting would run parallel to the conference on first day. The remaining part of CC meeting would be conducted on second day. The arrangements will have to be made by local org committee of MID-DERMACON. The secretary IADVL will actively coordinate in hosting the CC meet with the local organizers.

On winning the bid the organizers of the Mid-DERMACON should sign a memorandum of understanding with the national IADVL to accept rules in financial matters and conduct of MID-DERMACON.

Winner of the bid would be announced / decided during the opening year AGBM at DERMACON 2016.

Endorsement by state IADVL for hosting the MID-DERMACON

UNDERTAKING: We, office bearers of Organising Committee of MID DERMACON 2016 have read the IADVL Constitution and will abide by its Rules and Regulations. We will also sign MoU with IADVL if this conference is allotted to Branch of IADVL _____ State Branch. It will be signed by Organising Chairperson, Organising Secretary/Treasurer.

(All applicants should refer to SOP on DERMACON available on our website and in IADVL Constitution book.)

MoU with reference to IADVL Conferences - DERMACON

This MoU will have to be signed by President and Branch Secretary of IADVL State Branch which is hosting the conference along with President/Chairperson of organising committee, organising secretary and treasurer of the conference. This undertaking will be submitted to Hon. General Secretary of IADVL, before central team comes for inspection of the venue.

President/Chairperson of the organising committee along with organising secretary and treasurer will be held responsible for all aspects of the conference and this rule is binding to them. It states

- 1) We will open only one bank account in a Scheduled bank. This account should be opened after the resolution is passed for the same in organising committee.
- 2) We will send bank statement every month to IADVL treasurer and chairperson of finance committee.
- 3) We will send to national IADVL treasurer and chairperson of finance committee Copies of all the agreement that we enter into for the said conference within 10 days of signing the contract. Any conflict of interests in this regard will be disclosed. The event managers will preferably not be in any way related to any of the organizers, if so, the same shall be declared.
- 4) We will abide by all the rules and regulation of IADVL constitution and SOPs related to it.
- 5) Neither the organisers nor anybody acting on their behalf shall block hotel rooms for the conference dates en masse in the host city. However, organisers will be allowed to book hotel rooms sufficient enough to accommodate:
 - a) IADVL officials who are constitutionally entitled free accommodation
 - b) Offer rooms at discounted rates to members who seek accommodation directly from the organizers and
 - c) Invited faculty members to whom the organising committee might have committed free accommodation either in the venue – if the venue happens to be a hotel, or suitable hotels in the city.
- 6) We will return seed money received from IADVL within 10 days from last date of registration along with 7% simple interest till date. State branch will contribute 25% and centre will provide 75% of seed money. 15% of share of registration and 20% of share from pharma companies, and other exhibitors will be sent to IADVL before the DERMACON. Once the accounts are audited the surplus is to be sent to IADVL as per constitution and the amount already sent will be adjusted in that.
- 7) We will maintain books of account as per law and get accounts audited as per the schedule mentioned in clause 12. They will be submitted simultaneously to both central and State EC.
- 8) We will obtain separate PAN card and pay all local, state and central government taxes.
- 9) We will make all payments by cheque. We will get approval of organising committee where expenditure is more than 10 lakhs under any head. Similarly money will be accepted by cheque only, except during spot registration and sale of food coupons. Valid vouchers and receipts must be maintained for all payment except small cash amount where cash voucher should be used.
- 10) We understand that failure to adhere to these MoU will lead to disciplinary action.
- 11) We and our auditors are agreeable for second audit by any other agency appointed by central IADVL. Separate letter from auditors to this effect will be required. The cost of travel, stay and auditors fee for the second audit will be borne by organising committee.
- 12) Time lines for submitting accounts.

A preliminary unaudited report will be submitted at CCM with following specific information:

 - A) Number of delegates registered (all categories) and accrued amount; specifically mention spot registrations
 - b) No of stalls and income accrued from them (received and receivables to be shown separately)
 - c) Income from other sources
 - d) Expenditure: under different heads (paid and payables)
 - e) Statement of accounts from bank 31 October is the last date for presenting the audited accounts of DERMACON. There will be a grace period of 4 weeks in case of an overwhelming reason for not getting the accounts ready. If that period also lapses then after due procedural actions and placing the details to the GBM the members of the OC would be temporarily suspended from the association. If even after 6 months of suspension, the accounts are not presented, then those members will be suspended from the association and in such cases

appropriate LEGAL action shall be initiated against the erring officials at their cost, risk and consequences apart from penal interest and other penalty as may be decided by CC/GBM of IADVL.

- 13) Presence of Organizers in CC/GB meetings: The organizing chairperson, secretary and Treasurer of the conference must be mandatorily present during the CC and GB meeting when the audited account shall be taken for discussion. The Treasurer of DERMACON shall read out the accounts in both of these two meetings in presence of the Organizing Secretary. If the Treasurer or Organizing Secretary can't attend any of these two meetings due to some genuine problem, he/she must be represented by someone duly authorized by the absentee and the representative shall have to perform the same duties in the meeting including answering questions raised by CC/GB members.
- 14) In case of natural calamities which disrupt the DERMACON the amount will be reimbursed by IADVL.
- 15) If an IT claims arises after the surplus has been transferred the amount will be borne by IADVL. The financial liability in case of future IT claims to be borne equally by National IADVL and the concerned state branch. All the above criteria stand only if the organizers have followed all the terms and conditions and submitted audited accounts in time. Dispute if any will be decided by the arbitration committee. As this MoU will be implemented for the first time, there may be some short comings/lacunae. This should be discussed by the concerned members and try to settle to mutual satisfaction.
