Message from President

Dr Venkataram Mysore
LM/KN/3211

Central council meeting is on the anvil- the midpoint in IADVL calendar and the time to release our newsletter- print version. This is also the right time to take stock of the term gone by.

By all accounts, 2015 has been an exhilarating year so far- an year that has seen initiation of programs, meeting targets-and fulfilment of promises leading to progress. It has been an year so far of **factum**- of achievement. Workshops, CMEs, Community programs, webinars, bulletins, scholarships, grants, have come thick and fast. We in IADVL can look back with satisfaction at what has been accomplished.

I said in my presidential speech: ***I want IADVL to be Committed, communicative and Competent; Reliant, Responsible and Responsive; Influential, interactive and innovative.*** I can happily proudly say we have gone some way to be all these.

Communicative: we have used the app, e groups, whatsapp, and for the first time bulk sms and mass email blasts to communicate with members. We have tried to communicate with public through press releases and press meets. We have had a bulletin every month- in practice management, residream, derma Academia, Laser bulletin (Dr Sanjeev Aurangabadkar) in addition to our official newsletter.

Competent: We have delivered on time- bulletins, newsletters, scholarships, webcasts, webinars. We have had webinars on dermatopathology (Dr Nanda Kumar), trichology (Dr BS ChandraShekhar), dermatosurgery (Dr Salim), and vitiligo. Committed to the community: We had massive organization of vitiligo day across the country through our vitiligo mission (Drs Devinder Prasad and Umashankar)- press meets, press releases, camps, free clinics, educational events, webinars, documentary,street plays, candle light vigils. We had an essay competition on vitiligo. We have tried to put "colour in to the skin, smile on the lips and joy in the life of these patients". Our unique ITATSA (headed by Koushik Lahiri and Abir Saraswat, Shyam Verma) has aggressively and energetically pursued the objective of educations the community, chemists and general doctors through press releases, webinars, social media, posters(treat your skin right program). We supported Yoga Day through online yoga workshop! We will soon have IADVL CHALA GAON KI ORE AND SWACCH TVACHA CAMPAIGNS (our Sr VP Dr Raghunath reddy is taking this forward)-All these part of DERMASEWA – OUR COMMUNITY SERVICE PROGRAM

Responsive: IADVL responded to the needs of members by announcing scholarships for world congress, EADV, SARAD congress and ISDP congress. There is a four fold increase in fellowships in India and new international dermatopathology fellowships were announced-there is also a scientific CME meant specifically for residents in Delhi(Dr Somesh Gupta)- all these part of DERMAYUVA- our youth oriented program. Very soon, is to come a couple of programs oriented towards women- DERMA-EVA!! We are also presenting a clinic software program to the central council for approval.

Responsible: We have tried to set our records right and are nearing the completion of archiving all our records (Dr Suresh Joshipura). We are streamlining our tax payments, both wrt 12 A and service tax. More SOPs have been drafted to streamline administration through our SOP committee (Drs Suresh talwar and Col Rajesh Verma).

Innovative: we have innovated and how! We have had online symposia,WEBINARS, information through app.We have used youtube to air lectures! Our academy (lead by indefatigable Col Dr Manas Chatterjee and Ameet Valia) is bustling with activity. We have campaigned for E voting registration thanks to efforts of Rajesh Buddadev, to sms campaigns and the number is set to cross 1000!

Influentia: we have tried to influence governmental agencies-through our Government Liason cell (Drs Vijay garg and Binod Khaitan) MCI, National Board, Ministry of Health, ministry of social welfare, DGCI, etc. And our efforts are bearing fruit; MCI has recognised our request for fellowships and DGCI did the same for our request for action on irrational topical drug combinations. We are moving towards acquiring an office which will then take our efficiency to new levels. We are planning to release promotional video (thorugh our media cell, Anil Abraham and rajib Gogoi) to showcase and highlight that *IADVL is the official association for dermatologists;the dermatologist is the doctor to consult for skin problems, dermatologist is the true cosmetologist and dermatologist is the true trichologist.*

These could not have not been possible with out hard work of so many people and I wish to thank each one of them- they deserve a special mention:

My thanks to EC 2015: Our hardworking and ubiquitous Gen secretary Rashmi Sarka who has been meticulous and delivered every time impeccable- she has been indeed efficiency personified, Treasurer Somesh who has quietly gone about managing the most financially successful year, Imm past President Deepak parikh whose research methodology programs continued this year and on whose wise counsel I rely at all times, President Elect Devesh Mishra under whom IADVL will function next year, Vice Presidents, Raghunath Reddy and Rajesh Buddhadev, Joint Secretaries Rohit Batra and Manish Gautham all of whom have contributed in unique ways

I also convey my thanks to editors, and All committee chairs.

Finally to all State presidents and Secretaries- there has been an enhancement of participation by states- and we are therefore planning to have a half day session with states, for the first time in a CCM as a mark of recognition of the role of the state branches

I said in my presidential speech: *। ँPN/oa । dn/oa । a oks eukfl t kurke-AA*

Let us march together; let us communicate together; let us all think together

More is yet to come, more is yet to be achieved-And so I now go ahead and say:

samanī va ākūtiḥ samānā hridayāni vaḥ |samānamastu vo mano yathā vaḥ| susahāsati ||

May our intentions and aspirations be alike, so that a common objective unifies us all.

Dr Venkataram Mysore

President IADVL

Message from President Elect

Dr Devesh Mishra
LM/UP & UK/2361

Dear IADVL Patrons,

Namaskar. Kudos to our dynamic President; activities by IADVL EC are in full swing. AAD scholarships of Rs. 50000/- each to 13 members was first milestone. Further membership benefits of more scholarships and fellowships are on a roll.

IADVL Derma App was launched and is already registered and used by over 1000 members. We observed World Vitiligo Day on 25th June nationally and was covered in media very well. So was IADVL EC's interaction with media and govt. of India authorities on ways to stop OTC sale of potent topical steroid combinations and prescriptions by non-dermatologists. Our regular webinars, workshops, newsletters are resounding success.

We got a record savings of over 3 crores by Mangalore DERMACON. Preparations for next DERMACON at Coimbatore are in full swing. We hope to get more savings and appreciation of members.

We are trying our best to resolve pending financial issues. Also, we are working on mechanisms to reach and involve each and every esteemed IADVL member, as regards our journal, ballots and info to participate in various activities. We are very positive that EC will continue to do useful work for ALL members.

Dr Prof Devesh Mishra
National IADVL President Elect

Dr Deepak Parikh
LM/M/852

Message from Immediate-Past President

Dear IADVLites,

The current EC has completed nearly six months under the leadership of Dr Venkat. Many new initiatives have been started notable being engaging with government agencies. Now IADVL has voice in MCI and DNB board and will be involved in designing course contents. This year onward IADVL has started scholarships even for senior members.

All EC members are very active and many programs are run by them. Yes this has increased the work load of the secretary general. I must acknowledge Dr Rashmi's diligent work style.

This issue also has CV of contesting candidates and my humble REQUEST to all members to please CAST your VOTE.

Jai IADVL

Dr Deepak Parikh
Immediate Past President IADVL

Dr. Rashmi Sarkar
LM/ND/1543

Secretary Speaks

Dear IADVL Members,

It is difficult to believe that half of 2015 is already gone. There has been a flurry of activities whether it was Dermatopathology and Hair Webinars or Vitiligo Discussion, whether it were Dermatosurgery Mentorship Programs or PG Programs, more communication with State Presidents and Secretaries or stimulating Postgraduates with the first time ever Vitiligo Essay Writing Contest on Vitiligo Day or a big bunch of first time ever international and national scholarships for IADVL Members which are here to stay. It makes me feel happy that the IADVL Residents' Welfare Program is doing robustly and the IADVL Mentorship Program, a simplistic in manner program with possibly far reaching consequences is taking baby steps.

As the Secretary of a huge 9000 plus member association, one merely implements and facilitates but I do hope I could do a little more. We have tried to bring in women and youngsters into committees and leaderships and am sure it will bear fruit five years from now. We have an exciting CC meet around the corner with lots of discussions and like other CC members, I look forward to this very important administrative meeting of IADVL. I acknowledge the help of Dr Manish gautam, Joint Secretary IADVL in drafting the Minutes of EC Meeting and Dr Abhijeet Jha, Member Software Committee for a little help with the bulletin. I request you all to come forward and support activities of IADVL.

Long live IADVL!

Dr Rashmi Sarkar

Dr Somesh Gupta
LM/ND/653

Treasurer's Note

Dear Colleagues,

IADVL is in good financial health, thanks to our recent IADVL conferences organizers for their generous contributions. Our present and past presidents have also generated funds from different sources to support research grants and other activities. Our journals are also financially well and not requiring financial assistance or their share from membership fee anymore.

Good financial health allowed IADVL to support its members with travel grants and scholarships for international and national meetings. The funds disbursed for research grants to our members have been doubled. IADVL academy has been sanctioned unprecedented funds by the EC, CC and general body for their academic activities.

Good financial health comes with more responsibilities and need of more financial transparency. IADVL has tried its best to do that. We are in the process of acquiring Service Tax number, and working hard to keep our expenditures and income well documented.

I am sure, coming years will give IADVL more prosperity and that will allow future executive committees to plan more activities for the welfare of IADVL members.

Long live IADVL

Dr Somesh Gupta
Hon. Treasurer,

July 8, 2015
New Delhi

Welcome Message from DERMACON 2016

Dr Reena Rai

Organizing secretary

On behalf of the organizing committee, we welcome you to Coimbatore, the second largest city in Tamil Nadu. Known as the Manchester of South India, for its sprawling cotton mills, the city has now become an industrial and medical hub. Situated on the foothills of Ooty, this city is surrounded by scenic spots, wild life parks and ancient temples.

The venue for the conference CODISSIA, a trade fair complex is one of the largest in India and has a unique distinction of having the largest pillar free hall in Asia.

A high quality scientific program is planned, which will strike a balance between various subspecialties in dermatology. It will be an excellent opportunity to exchange knowledge and strike friendship. We are confident that it will provide a rewarding experience in our chosen specialty and well beyond.

With Best Wishes

Dr Reena Rai

Organizing secretary

DERMACON 2016

Minutes of EC meeting, New Delhi, 25th & 26th April, 2015

Venue: Radisson blu Hotel, Dwarka, New Delhi

25th April 2015

Attended by: Dr. Venkataram Mysore, Dr. Deepak Parikh, Dr. Devesh Mishra, Dr. Rashmi Sarkar, Dr. Somesh Gupta, Dr. Raghunatha Reddy, Dr. Rajesh Buddhadev, Dr. Manish Gautam, Dr. Rohit Batra, Dr. Suresh Josipura, Dr. Arijit Coondoo, Dr. Roopak Saxena, Dr. V.K. Garg, Dr. Ameet Valia, Dr. Rajib Kumar Gogoi, Dr. V.K Sharma, Dr. Ramesh Bhat. Dr. Reena Rai, Dr. Manas Chatterjee, Dr. M Raman

The EC meeting commenced with President, Dr Venkataram Mysore welcoming all present.

Meeting with the Auditor, Mr Sanjay Labh

The issues discussed were related to continuation of 12 A continuation, Service tax registration for IADVL, Permanent office address for IADVL and separate account for Academy. Regarding 12-A status it was decided that we continue and further accounts added should be sent to Patna. IT can be paid online. Auditor informed that until a notice is served or any letter received from govt, there is no need to worry about status of 12 A and we should continue to enjoy its advantages

No separate account for Academy till we have Service Tax registration and all SIG activities to be conducted with State branches.

Auditor firmly said that we however need to get servicet ax number and pay taxes as due- and for this a permanenet number is absolutely necessary

For permanent office, it has been decided to inspect the branches which have applied to give their office on rent. Till that time for the next 8 months we can rent the Delh State Branch office after getting confirmation from President Dr Mukesh Girdhar.

Mr Sanjay Labh and Dr Somesh Gupta were requested to calculate the amount of Service tax due since July 2012 till date. It can be presented to the CCM and get it passed to pay off the Service tax.

These points were agreed upon by the House and passed.

Treasurer's report: Dr Somesh Gupta presented the report. He said that till December 2014, we have 70 lacs interest and after tax deduction its 63 lacs. We have to spend approx 50 lacs(80%).

The President said that we can spend that much on IADVL SIG Grants and scholarships. If need be, we could increase the number of Scholarships.

The President, Dr Venkat, asked Dr Reddy whether he will need

funds for IADVL Chala gaon ki ore or Swatch Twacha mission. Dr Raghunatha R. Reddy said that it will be only after planning and not right away.

Dr VK Sharma requested the Treasurer to have a Finance Committee meeting before presenting the report.

Secretary's Report: Dr Rashmi Sarkar, Hon. Gen. Secretary presented the report highlighting about the various events (ITATSA, Leprosy Day), Research and grants, Scholarships and Resident welfare program. She needed the approval for Vitiligo Day Essay competition prizes for the postgraduates under the IADVL Residents' Welfare Program. An amount of Rs 10000, 7500 and 5000 respectively were approved for 1st, 2nd and 3rd prizes.

She further highlighted about upcoming IADVL webinars and videos and IADVL Mentorship program, IADVL App and SMS campaign, Practice management cell. IADVL had organised a press conference and was well appreciated. She mentioned about IADVL archiving project by Dr Joshipura and also expressed concern on the dwindling attendance in IADVL sister society meets in International conferences and whether we really need them. It was decided that we would not be holding sister society meeting at EADV this year as it is being held on the last day after closing ceremony of EADV instead of the first day.

Venue inspection of DERMACON 2017 and ADC 2016 were done and IADVL office inspection of Delhi and Kolkata were done. Only Bangalore office inspection is due on 14th August. She also mentioned about the important meetings with govt officials (DGHS, health secretary, DGCI, MCI, DNB) planned pre and post EC meeting.

Dr Coondoo raised an important issue about discrepancy in Constitutional issues at national and State level. The President, Dr Venkat, explained that this is because of lack of communication between states and EC. Surveys have been conducted with this aim in mind to get an idea of the working of States and to try to find a solution to this problem.

Day 1, 25th April 2015, Post- Lunch session

Academy report: Dr Manas Chatterjee, Chairman, IADVL Academy presented the report. He highlighted the various designations to Academy members as co-ordinators. Dr Venkataram Mysore informed the House that this was done so that all things do not have to be done by Dr Ameet Valia /Dr Manas Chatterjee and IADVL Academy will have people

functioning on their own with proper delegation.

Dr Manas further spoke about the Academy Newsletters, which will be three in number. Dr Venkat added that there will be an additional column of Top Ten News similar to AAD and other international societies.

Minutes of Academy meeting at Mangalore were presented. The feedback from DERMACON Mangalore was discussed. The President added that the feedback came in 2 ways, on the IADVL App – 600 members responded and others on Academy. The gist of the feedback was a question mark on the CME. Most felt that the CME should be on Clinical Dermatology and not converted to Workshop. This was passed on to Organising Committee, DERMACON 2016 at Coimbatore.

Coming next to the Mentorship Workshops, Dr Manas informed the members that the Dermatosurgery Workshops was in 3 centres. Trichology symposium was held on 8th March and next is due on 21st June.

As regards the Research Methodology workshops, Dr Manas raised a point that MSD wanted to host the proceedings on the Univadis website, to which the President said that this will not be possible.

The IADVL Online Lecture series in Dermatopathology had a test run on 22nd April by Dr V Ramesh. The President added that this could be converted into a Certificate Course with Q & A in the end. In addition, 40 lectures have been planned over a year with help from Sun Pharma.

Dr Manas next moved on to SIG reports, starting with the Psoriasis SIG. About the Psoriasis guidelines in IDOJ, he said that the entire guidelines be submitted as a single document after all replies received. He also added that the Psoriasis Registry was a collaborative project of SIG and JIPMER Pondicherry. JIPMER wanted to host the Registry on their server. The President said that there was no official communication from their end and even if it comes, it should be from Director JIPMER and not Dr Laxmisha alone. Dr Parikh felt that any project of IADVL on any website other than IADVL site is not safe and can be misused. Dr Manas felt that we can try and get it to our website. The president asked Dr Manas to discuss with Dr Laxmisha regarding this.

Further in SIG reports, he informed about the SIG Leprosy Quiz and about the FAQs on childhood vitiligo by SIG Pediatric Dermatology. SIG Genodermatoses have released a list of Centres for Genetic Testing in India. It is zonewise and will be put up on website. The first SIG-CADR workshop will be in Mumbai on 10th May and next will be in DERMAZONE WEST at Udaipur.

The IADVL Academy meeting will be on 11th & 12th July and is merged with Jury meeting of Sun Grant to cut costs. He added

it is being done in Army area to reduce expenses further.

Coming to IADVL Training Fellowships, Dr Manas stated that there was an issue with the Trichology Fellowship, where the candidate was told that there will be only observation and no Hands-on. Later, the issue was sorted out and she was allowed some Hands-on as well. Here came the issue whether a 1 month training deserves the use of the word Fellowship or it be called Observership. The President felt that the 1 month to be called observership and 1 year course as Fellowship. Dr Somesh felt that Observership does not need Hands-on. Dr Parikh said that mention fellowship for 1 month with observation only and no Hands-on training. Dr Manish asked whether there was any defined criteria for duration of a course to be called Fellowship. Dr Venkat said that we call it Observership with no Hands-On guaranteed. Dr V.K.Garg chipped in by saying that students from US coming to their Institute for 2-4 weeks training get Observership Certificate. Dr VK Sharma felt that it will not make a difference whether it is fellowship or Observership. Dr Parikh told Dr Manas that the Centres and candidates be informed about the change in nomenclature of the course, giving them freedom to back off if not interested.

Dr Manas further put forth an issue raised by a student regarding the common evaluation form and evaluation criteria for Fellowship. The student felt that if an Institute (read faculty) or PG does not have very strong CV (publications), whether they can apply for Scholarships, Travel grants etc. Dr Somesh felt we should categorise according to Institute profile. DR VK Sharma felt that 1-2 seats can be reserved for students/Institute with less publications. Dr Reddy felt that if a candidate can get recommendation of 5 Professors, it would be good to consider. Dr Parikh said that this was more necessary for states like J&K, NE states, Orissa and interior Andhra where hardships are more with less facilities. Dr Rajib Gogoi thanked the EC for considering and added that ACSI also has special grants for J&K and NE states. Dr Manas felt non-metro is a good term and Dr Rashmi added non-metro far flung area was a better idea. Dr Coondoo suggested 4 groups, Govt. Colleges in Metro, Private colleges in Metro, Govt. colleges Non-Metro and Private colleges Non-metro. Dr Rohit felt we could have out of 4, 2 can be for good academics and 2 for not so good. Dr Manas/Dr Amit felt 1 out of 4 can be reserved. The president summed up that it was not so easy and asked the Academy to come with a proper solution to this issue.

The next point was about the International Fellowship in Dermatopathology. Dr Manas informed the house and congratulated the main "architects", Dr Ramam and Dr Venkataraman. Dr Venkat suggested that Dr VK Sharma,

International Liaison Head can consider same in other subjects. Dr VK Sharma said that amount of Rs 50000/- was not enough to sustain in any foreign country for 6 months. Dr Reddy also agreed and said that people who have started their practice already may find it more difficult.

Regarding Workshops on Dermatosurgery, Lasers & Aesthetics, Dr Manas informed the House that MOU with Torrent has been prepared. There will be 10 such workshops, 5 in Dermatosurgery and 5 on Lasers & Aesthetics. The President added that 2 of these will be for members above 40 years of age. He also asked Dr Manas to avoid Delhi or Mumbai and include smaller cities.

Dr Manas also informed about Genodermatoses Work Shop in Delhi on 13th September. Also, he congratulated Dr Seetharam for the E-library project and added that the details have been sent to the States.

Coming next to the multicentric studies, he enumerated the selected topics as 1. Therapy of SJS 2. Pemphigus Pulse Therapy 3. Vitiligo Pulse Therapy 4. Antifungal resistance and 5. Phototyping of Indian Skin. He also informed that Dr AJ Kanwar and Dr Sandipan Dhar will be incharge of these studies.

Dr VK Sharma raised an issue about the Guidelines of SJS/TEN not being on website. Dr Manas said that they were removed so that the new guidelines be put up. Dr Sharma suggested we let the old ones stay till the new ones are put up. Also, the guidelines on Journal website can be put on IADVL website. This was accepted by the EC.

Moving on to **SIG Action plans**, Dr Manas informed about the official newsletter of the Academy, IADVL – DERMA ACADEMIA. Dr VK Sharma suggested that the newsletter should not have the President's message in all the issues. Only 1st issue every year can have the message and subsequent issues should have salient features on front. This point was agreed upon.

Regarding CADR form, Dr Manas informed the house that a minimal sum of Rs 8000/- is required to create a form for CADR reporting with backend database. The President declared it passed by EC but also said that CADR reporting is a difficult task. DR VK Sharma added that all Dermatology departments do not give data. Dr Joshipura reminded of legal issues if patient names are mentioned. Dr Manas confirmed that names will not be mentioned.

The next issue was regarding a request from Dr JK Maniar for IADVL partnering HIV Congress 2016. DR Mysore felt that if no financial issues involved, we can endorse. Dr Parikh said that if we allow one, others will also ask. Dr Mysore was of the opinion that we should support major associations / those working for HIV/ Leprosy. Dr Devesh Mishra too felt we should

go ahead with academic partnership. DR VK Sharma also added that our name will help them get funds so there should be no objection. Finally, It should be treated on per case basis but preferably allow for HIV/ Leprosy conferences. Passed in EC, referred to CC.

Dr Somesh Gupta felt it was too cumbersome to give multiple cheques for IADVL – L'Oreal grant and if we allow amount below 1 Lac in a single amount, the transactions can be reduced. This was passed.

Regarding change in designation in Academy to Ex- Officio, Dr Manas requested that the Immediate Past President, President Elect and Treasurer be part of the Academy meeting. Approved in EC, referred to CC to be passed.

Regarding adding Immediate Past President to list of members for Selection committee for SIG members, it was agreed upon.

MOU with ABBOTT

The President asked the opinion of the House on the ITATSA MOU which was discussed in AGBM and for which we are supposed to sign with ABBOTT. Copies of MOU were distributed to all members

Dr Parikh felt that point 4 last para and Point 5 1st para are improperly framed and to be discussed with ABBOTT. He felt that it should be clearly mentioned that this agreement and material are to be used for 1 year and not beyond that period. This was agreed. The next point raised by Dr Parikh was about Point 2, Clause(a) "active help of ABBOTT sales and marketing force" for what purpose. Dr Mysore clarified it was to reach out to doctors with the material etc. Dr Coondoo felt that if they promote Lobate, how will they propagate safe use of steroids. The President replied that they are talking of abuse inspite of their product, is to be noted. Point 5. "Treat your Skin right" is not ABBOTT property should be clearly communicated. Dr Mishra pointed out an important point regarding the Term of contract which should be till DEC 2015 and not till next DERMACON. Each company will have only one DERMACON to promote. Second was a typing error which needed correction, Dec 2016 was written instead of 2015. All felt that Company logo should not be more prominent and they specify where all they will use their logo. After the discussions it was decided to go ahead with the MOU

IJDVL Report was presented by Editor, Dr Ramam. The salient point discussed was about the IJDVL Team meeting to be held discussed during DERMACON and he asked approval for the same from EC. Dr Mysore agreed and suggested that part of the meeting can be made educational in terms of How to publish papers. Future of journal needs to be professional and help can be hired if required.

Regarding Medknow printing adequate number of issues and

posting them, it was confirmed that a person from IADVL Maharashtra was sent to check and he reported back that the adequate numbers were printed and dispatched with no discrepancy found. This will be done in all subsequent issues as well.

For journals returned, it was suggested we publish names in the journal itself or involve State branch Presidents and Secretaries. Dr Ramam will send the list of journal returned to Dr Devesh Mishra for this whole year. He also asked Dr Rajesh Buddhadev to see if he could check with the same as he is working on e-voting list.

Government Liason Cell Issues: Dr VK Garg, Chair, informed the House that meeting with NBE has been arranged and the meeting with MCI Director has been fixed. Dr Coondoo put in a request about reducing the required bed strength for Dermatology Inspection in colleges.

International Liason Cell Issues: Dr VK Sharma, Chair, talked about starting more fellowships in other areas on the line of Dermatopathology fellowship, exchange programs and training centres. He also put forth the issue for starting International Quiz as our quiz is of high standards. We should have exchange programs for Gulf Countries. IADVL can arrange for experts to be invited. Faculty should be paid unlike DERMACON. This will ensure that the courses continue. For the international faculty to operate in India, we will need temporary registration with Medical Council. Dr Mysore felt that distance education is call of the hour. He requested the Academy to look into this.

Accommodation issues at DERMACON

The President informed the House that Getz events (Event Company incharge of Mangalore, Coimbatore and Kolkata DERMACONS) was bypassing the MOU repeatedly. Dr VK Sharma felt that we should have uniform MOU. Dr Reena put forth that she had only received contracts of some 4-5 hotel for accommodation and rest 15 odd hotels, just email exchanges. Mr Sameer from Getz was asked about the discrepancy in rates at Mangalore and was told to see that the rates are uniform at Coimbatore. He was also asked to give list of detailed transaction of advance payment done for hotels he has booked at Coimbatore. There were indepth questioning of Mr Sameer and he was told to modify the MOU to see that members get maximum benefit, which would be presented next day. He was also told to give a list of all hotels which he had booked and the rate at which they are booked next day. With this the first day proceedings were completed.

DAY 2, 26th April 2015

Morning session attended by:- Dr. Venkataram Mysore, Dr. Deepak Parikh, Dr. Devesh Mishra, Dr. Rashmi Sarkar, Dr.

Somesh Gupta, Dr. Raghunatha Reddy, Dr. Rajesh Buddhadev, Dr. Manish Gautam, Dr. Rohit Batra, Dr. Suresh Josipura, Dr. Arijit Coondoo, Dr. Roopak Saxena, Dr. Rajib Kumar Gogoi, Dr. Shyam Verma, Dr. Suresh Talwar, Dr. S. Sachidanand, Dr. Ramesh Bhat M, Dr. Jayadev Betkerur, Dr. Reena Rai, Dr. Col. Rajesh Verma, Dr. Narendra Patwardhan. Dr. Narendra Gokhale

EC Proposals

Proposal 1

Name of proposer/s: Dr Venkataram Mysore LM KN 3211

Is any one of the proposer member of CC ? Yes

Is it constitutional related/administrative (select one Administrative-administrative

How will it help IADVL ? Brief introduction.

Industry interaction needs to be streamlined to obtain maximum benefits to IADVL. A beginning was made through breakfast meet in Dermacon mangapre

If constitutional – will it replace existing clause? Or modify? Administrative

Proposal:

Concept of Industry partners: The purpose of this council is to ensure coordination with industry, enlist support for our activities and convey concerns and discuss issues of mutual relevance. These issues may include

- Community issues such as TSDF, improper formulations
- Enlist support for IADVL activities
- Enforce transparency in stall rates in dermacon, discuss TDS and service tax issues
- Urge industry to channel their programs through IADVL
- Take up members issues such as poor servicing, variable pricing with equipment manufacturers

Platinum sponsors: more than 1 Kr towards grants, community programs, educational programs (excluding stall money and journal websites)

Diamond sponsors	:	75 lakhs
Gold sponsors	:	50 lakhs
Silver	:	25 lakhs
Bronze	:	15
Other members	:	more than 10 lakhs

Privileges: Visibility on website AND in a standee poster during congresses, invitation to All India level management executives to inauguration congresses, recognition in IADVL felicitation day, invitation to corporate council meeting during CCM.

General Industry council: All pharma and other supporting companies- meeting during Dermacon

EC Meeting Decision- Dr Talwar wanted to know whether the contribution will go to IADVL or DERMACON. Dr Venkat said

it will be to IADVL (for Educational grants which are already going on). Dr Talwar and Dr Reddy felt that the DERMACON OC might object to this. Dr Venkat clarified that this is just giving a title and recognition to the activity which we already are doing. Dr Joshipura felt that this is good to formalize the Industry contribution. PASSED BY EC, Referred to CC.

Proposal 2

Name of proposer/s: Dr Venkataram Mysore LM KN 3211

Is any one of the proposer member of CC? Yes

Is it constitutional related/administrative (select one)-
Administrative

How will it help IADVL ? Brief introduction.

Commemorative plaque of IADVL helps boost image of IADVL amongst members and also public

If constitutional – will it replace existing clause? Or modify?
Administrative

Proposal: **Membership plaque,**

Each member to be given a membership plaque and a membership pin

Approximate cost worth 500- total cost

$7000 \times 500 = 35,00,000$

Plaque would say: I am an IADVL DERMATOLOGIST; with logo.
It would be displayed at all clinics.

Do you think this needs referral to any specific committee? CCM
for finance approval

EC Meeting Decision: The President said that IADVL commemorative plaque can be given to every member and He/ She can proudly display in the Clinic as an IADVL bonafide member. Dr Narsimha Rao felt that a beautiful certificate can be given to member and they can make into plaque. Dr Rohit suggested it could be sponsored with a line at the bottom about the Sponsorship.

Referred to CC as it involves a lot of cost.

Proposal 3

Name of proposer/s: Dr Venkataram Mysore LM KN 3211

Proposal to change IADVL best branch award to felicitation day

Is any one of the proposer member of CC? Yes

Is it constitutional related/administrative (select one)
Administrative-sop

How will it help IADVL ? Brief introduction.

Best branch award is given during closing ceremony- it is a prestigious award and hardly anyone is present during closing ceremony to witness it

If constitutional – will it replace existing clause? Or modify?

Proposal:

Proposal for awards; IADVL best branch award be given

during inaugural ceremony or IADVL felicitation day. Only awards which are to be assessed during congress are to be given in closing ceremony- needs change in SOP needs CCM

EC Meeting Decision- House divided over the two options, Inaugural Day or Felicitation Day – Referred to AGBM.

Proposal 4

Name of proposer/s: Dr Venkataram Mysore LM KN 3211

Proposal to give one young dermatologist award to each zone

Is any one of the proposer member of CC ? Yes

Is it constitutional related/administrative (select one)
Administrative-sop

How will it help IADVL ? Brief introduction.

IADVL has expanded in membership recently-there are a large number of young dermatologists and so one young dermatologist award for entire membership rotating each zone is inadequate- many deserving candidates are left out

If constitutional – will it replace existing clause? Or modify?

Proposal:

Proposal for one young dermatologist from each zone every year

Do you think this needs referral to any specific committee? CCM
For office use:

Date when received:

EC meeting Decision: Passed in EC, Referred to CC.

Proposal 5

Name of proposer/s: **Dr Raghunatha Reddy R, KN – 2925**

Is any one of the proposer member of CC? - **Yes**

Is it constitutional related/administrative (select one) -
Administrative

How will it help IADVL? Brief introduction

E C members work hard compromising their person work and attend all the meetings. Especially during DERMACONS they attend and for most of the three days sits through the meetings without attending to scientific programs. When Hon. Secretary and president are sponsored, why not other E C members

**If constitutional – will it replace existing clause ? Or modify? -
no Administrative-** needs to go to Central council

Proposal: To sponsor, travel and accommodation to entire EC, the same may be sponsored by the IADVL. E C members work hard compromising their person work and attend all the meetings. Especially during DERMACONS they attend and for most of the three days sits through the meetings without attending to scientific programs. When Hon. Secretary and president are sponsored, why not other E C members
Hence I Propose for the sponsor of entire EC ie. Three presidents, Secretary, 2 VPs, 2 Joint secretaries and Treasurer,

EC Meeting Decision: The President felt that all EC members to be considered equal. Dr Narsimha Rao said that it is at the discretion of DERMACON organizers. Dr Rashmi Sarkar felt that the President, Secretary and Treasurer are more busy. House divided. Sent to CC.

Proposal 6

Name of proposer/s:

1. Dr RAGHUNATHA REDDY R, LM KN – 2925

2. -----

3. -----

Is any one of the proposer member of CC? - **Yes**

Is it constitutional related/administrative (select one) -
constitutional

How will it help IADVL? Brief introduction

We have been discussing the poor interaction and coordination between the centre and states which is the main hurdle in implementing many of the ambitious projects. It would be better if we have a representative from each zone that may be called as zonal E C members or it may be four joint secretaries and four vice presidents who will help coordinate between states and centre to function more effectively with specific responsibilities. **If constitutional** – will it replace existing clause? Or modify? - **Yes it will change the composition of national EC.**

Administrative- It needs EC approval, once that is done, it will go to CCM and later to AGM and finally to Constitution committee

Proposal: To change the present composition of E C without much change in the power and responsibilities of existing E C members.

I propose to have either five Executive committee members who are elected in the same way as other E C members (one year or two year term may be debated). Or we increase the existing no. of 2 vice presidents to four, one each from one zone and from 2 joint secretaries to four, again one each from each zone. Each V P and J S will coordinate specific responsibilities in their respective zone as designated by President and Secretary to help bring in better coordination and effective implementation of all the programs for the association to prosper in all dimensions.

EC Meeting Decision: As it is a Constitutional matter, referred to CC.

IADVL Media Cell report: Dr Rajib Gogoi, Convener, presented the report of Media cell (Dr Anil Abraham is the Chairman). He highlighted the aims and objectives of Media cell and the progress so far. Dr Mysore stressed upon the importance of Media retainer and asked the House to think openly about it till the CCM. Regarding Communication means, Dr Manas felt that magazines were not the best means but newspaper or

electronic media is better. Dr Rohit felt that magazines stay more days at home and newspaper for a day only. He also stressed that we should target only A grade magazines and newspapers. As regards the retainership for any magazine or media, it should be atleast 1 year, was Col. Rajesh Verma's opinion. This issue was referred to CC.

Besides this, the importance of Media workshops and training for members was stressed upon. Dr Shyam Verma felt that we introduce lectures or sessions on 'Media importance' in CUTICONS. Dr PN Rao said that we should have media training for State Presidents and Secretaries. All these points were agreed by the EC.

The IADVL Promotional videos for General Public on 1. Responsible Skin Care and 2. Psoriasis were discussed. The President explained that the Skin care video tells the people to go to an IADVL dermatologist for treatment. Dr Manas and Dr Shyam Verma felt that we should not have any foreign models or faces and it should be Indian.

Dr Rajib ended with some points on the Bulletin issue and that they were working on it. This was referred for detailed discussion in CCM.

SOP Committee – Dr Suresh Talwar, Chair presented the progress of the various SOPs and showed that only 2 were in progress and rest completed. Due to the problems in accommodation in DERMACON, the President suggested that we have SOP for accommodation too. Event manager needs to give copies of contracts with all hotels. Dr Talwar said that we should not have different rates (Registration/Accommodation) for Delegates and Pharma. Dr PN Rao felt that we should fix a central IADVL Event manager. Dr Mysore said that it is not possible as members will question the credibility of EC in this. Dr VK Sharma asked the EC to call for Quotations from Event managers as it is taking active part in the process now. This issue was referred to the CCM.

Elections issue – Dr Patwardhan felt that we should have zonewise ballot results declared to candidates. Referred to CC. Col. Rajesh Verma, Convener presented his part of the SOP committee report. He said that ideally Principle should be in Constitution and Duty in SOP. There is repetition and overlap in the Constitution. Faulty numbering of annexures and appendices were the issues. Some annexures need to be deleted and process is on. Constitution is in 3 parts 1. Rules and regulations, 2. Bye-laws 3. SOPs. Further discussion to be carried on in CCM. House then again took up the Accommodation issue at forthcoming DERMACON –Dr Reddy and Dr Reena said that after further discussion with Mr Sameer, Hotels will be at rack rate before 30th November at Coimbatore. No benefit (share) for DERMACON 2016 from event Manager and benefit to be passed on to delegates. No service charge applicable. This is

only for DERMACON at Coimbatore.

Quiz SOP: We should remove GSK from the quiz and call it IADVL Pharma quiz. Dr Raghunatha Reddy was requested to talk with other pharma companies as agreement is getting over with GSK. The points to be stressed upon would be that they will have participation in CUTICONS and other conferences, unlike GSK. This should be included in MOU.

For Quiz master, lump sum of Rs 25000/- is not enough as accommodation cost can be higher at some places depending on the number of days. The Secretary assured that we will give on actuals in such cases.

WCD bidding report – Dr Sacchidanand, Chairman, WCD bidding committee gave an overview of WCD bidding which included information about stall, luncheon, and bid document. Designed visiting cards, social media activity and gift for all voting members were also discussed. An international video presentation is in the process and oral presentation for 4 mins will be given. Dr Coondoo added that we should have professional voice over for the video.

SARCD report- Report presented by Organising Secretary, Dr Jaydev Betkerur. He requested IADVL scholarships for SARCD as in other international conferences. The President assured that it will be announced soon.

Dr Mysore said the late demand by SARAD of share of 50% surplus is not in good taste and has left the EC unhappy. He asked Dr Betkerur to convey the same to SARAD so that they communicate well in advance for further conferences. The President, Secretary and Treasurer of SARAD will be given free registration and accommodation. 3 faculty from each SARAD country will be given free registration. No Indian faculty will be given any benefit. It was finally clarified that this 50% refers to the surplus that remains after giving IADVL share. This was accepted. Dr Manas pointed out that the Academy is not included in the brochure and expressed unhappiness on this issue as it has also occurred in the IADVL newsletter. The President apologized on behalf of the EC and issued directives to Organising Secretary and IADVL Secretary for corrections.

ADC 2016 report: Dr Vinay Saraf, Organising Chairman, ADC 2016 presented the report. The travel agent for accommodation and the event manager are separate so as to avoid unscrupulous increasing of prices. Upto 8% will be given to ADA from surplus and 4-5 members from ADA EC will be given free registration and accommodation. National faculty will have complimentary registration.

IDOJ report: was presented by Editor, Dr Shyam Verma. He expressed concern over the diminishing number of reviewers and asked whether we can have a central IADVL pool for the same or IADVL shares their reviewers with IDOJ. He also felt

that Case Reports could be given a priority as there are many first timers although it may affect Impact Factor. He asked the EC's opinion on this. Dr Rashmi said that the diminishing case reports are a concern and impact factor is another issue. Dr VK Sharma said the focus should be maintained on Clinical Dermatology. Dr Valia felt that we need Pubmed recognition for the journal so that more people are eager to publish. Dr Verma agreed and put forth that Pubmed recognition is for new people and for known authors although impact factor plays a key role. Dr Verma wanted to give prizes for reviewers- and also enhance prize money for best papers. He was requested to send a proposal

Practice Management Cell report – Was presented by Dr. Narendra Patwardhan Chair and Dr. Narendra Gokhale, Convener. The first issue of "DERMAPRACTICE", the news bulletin of Practice Management Cell by Guest Editor, Dr Siddharth Sonthalia was released.

Dr Narendra Patwardhan and Dr Narendra Gokhale apprised everyone about the Clinic management software. It is versatile, Dermacentric, easily upgradable, web connected, cost effective, Cloud based with a smart script engine and above all, MCI compliant. Few Practice Management Cell Workshops will be held in the coming months.

Col. Verma asked whether it can be modified for institutions. Dr Gokhale said that it can be multi-user friendly. The President said that the cost will be Rs 200/- per member per year. Dr VK Sharma expressed that it should be IADVL software and not sponsored. DR PN Rao felt that the web based may have network issues and it should be on hard disk. Dr Mysore said that hard disk based is not a good solution and everything is Cloud based in today's times. PMC was told to go ahead try the soft ware and then present to CCM. The EC congratulated the guest editor, Dr Siddharth Sonthalia for the Derma-Practice bulletin.

Vitiligo Mission report was presented by Dr Davinder Prasad. He detailed about the activities planned for IADVL Vitiligo day on 25th June and about the plans of Vitiligo mission in the future. Dr Talwar added that write-ups for newspaper should be given. Dr Venkataram said that the essay competition is arranged for residents organised by Dr Rashmi Sarkar. The President added that any mission or event can be successful only if there is effective communication between State branches and Centre. Dr Venkataram Mysore summed up the EC meet by thanking the EC members for their co-operation highlighting each one's role. Dr Rashmi Sarkar proposed the Vote of thanks.

Minutes prepared by
Dr Manish Gautam
Senior Joint Secretary
IADVL EC 2014

Agenda of IADVL Mid-Derma CC Meeting 2015
Venue: Taj Vivanta Hotel, Bengaluru

CCM in Bangalore
14th to 16th Aug 2015 programme
14th August 2015

Till 01:00 PM

- Inspection of Bangalore office by Presidents, Hon Secy

02:00 - 02:45 PM

- EC Meet;

02:45 - onwards

- State presidents' and secretaries' meeting

02:45 - 02:50 PM

- Welcome by Secretary, Opening remarks by president - practice management, academy, media cell at state levels

02:50 - 03:15 PM

- Membership issues- Secy (to list each issue separately with time) addresses, PLM conversion MEMBERSHIP AND ADDRESS DRIVE- how to do this

Secy Dr Rashmi Sarkar to list causes for delay and provide solutions

Is online membership possible?

Dr Somesh to provide online credit card payment details

03:15 - 03:45 PM

- Enhancing Communication between centre and states

Survey results Manish Gautam 4 minutes

Presentations by best branches of last year (KN and Manipur) 4 minutes each- (unique activities to be highlighted)

Discussion

03:45 - 04:00 PM

- E voting; Dr Buddadev- why slow growth; lack of involvement of states; provide statistics of no of evoters from each state 5 minutes discussion for 10 minutes

04:00 - 04:20 PM

- Community dermatology: swatch tvacha + IADVL chala Gaon ki ore Dr Reddy 5 minutes+ 15 minutes discussion

04:20 - 04:35 PM

- Quiz: Dr Reddy 5 minutes+ 10 minutes

04:35 - 04:50 PM

- ITATSA

04:50 - 05:20 PM

- Accounts: CUTICONS, DERMAZONES-Dr Reddy(South), Dr Buddhadev (west) 10+20 minutes

05:20 - 05:45 PM

- DVL trust (secretary and president)

05:45 - 06:00 PM

- Industry involvement and norms

Closing remarks

15th August 2015 – Saturday

08:30 - 09:00 AM

- Practice Management: soft ware finalization with EC-Dr Narendra Patwardhan/Dr Narendra Gokhale

09:00 – 09:45 AM

- Finance committee with EC

SERVICE TAX PROGRESS

Feasibility of ONLINE PAYMENT FOR MEMBERSHIP- Dr Rashmi, Dr Somesh

- Medicolegal issues- Karnataka Medical Council President (accepted)

01:00 - 01:30 PM

- Tax issues for IADVL and the dermatologist (Speaker invited)

01:30 – 02:00 PM

- Communications for the dermatologist

02:00 PM

- **Lunch**

PROPOSALS FOR IADVL CC MEETING 2015

Administrative Proposals from EC Meeting 2015 carried forward

Proposal 1

Name of proposer/s: Dr Venkataram Mysore LM KN 3211

Is any one of the proposer member of CC? Yes

Is it constitutional related/administrative (select one)
Administrative-administrative

How will it help IADVL ? Brief introduction.

Industry interaction needs to be streamlined to obtain maximum benefits to IADVL. A beginning was made through breakfast meet in Dermacon mangapre

If constitutional – will it replace existing clause? Or modify?
Administrative

Proposal:

Concept of Industry partners: The purpose of this council is to ensure coordination with industry, enlist support for our activities and convey concerns and discuss issues of mutual relevance. These issues may include

- Community issues such as TSDF, improper formulations
- Enlist support for IADVL activities
- Enforce transparency in stall rates in dermacon, discuss TDS and service tax issues
- Urge industry to channel their programs through IADVL
- Take up members issues such as poor servicing, variable pricing with equipment manufacturers

Platinum sponsors: more than 1 Kr towards grants, community programs, educational programs(excluding stall money and journal websites)

Diamond sponsors : 75 lakhs

Gold sponsors : 50 lakhs

Silver : 25 lakhs

Bronze : 15

Other members : more than 10 lakhs

Privileges: Visibility on website AND in a standee poster during congresses, invitation to All India level management executives to inauguration congresses, recognition in IADVL felicitation day, invitation to corporate council meeting during CCM.

General Industry council: All pharma and other supporting companies- meeting during Dermacon

EC Meeting Decision- Dr Talwar wanted to know whether the contribution will go to IADVL or DERMACON. Dr Venkat said it will be to IADVL (for Educational grants which are already going on). Dr Talwar and Dr Reddy felt that the DERMACON OC might object to this. Dr Venkat clarified that this is just giving a title and recognition to the activity which we already are doing.

Dr Joshipura felt that this is good to formalize the Industry contribution. PASSED BY EC, Referred to CC.

Proposal 2

Name of proposer/s: Dr Venkataram Mysore LM KN 3211

Is any one of the proposer member of CC? Yes

Is it constitutional related/administrative (select one)-
Administrative

How will it help IADVL ? Brief introduction.

Commemorative plaque of IADVL helps boost image of IADVL amongst members and also public

If constitutional – will it replace existing clause? Or modify?
Administrative

Proposal: **Membership plaque,**

Each member to be given a membership plaque and a membership pin

Approximate cost worth 500- total cost

$7000 \times 500 = 35,00,000$

Plaque would say: I am an IADVL DERMATOLOGIST; with logo. It would be displayed at all clinics.

Do you think this needs referral to any specific committee ?
CCM for finance approval

EC Meeting Decision: The President said that IADVL commemorative plaque can be given to every member and He/ She can proudly display in the Clinic as an IADVL bonafide member. Dr Narsimha Rao felt that a beautiful certificate can be given to member and they can make into plaque. Dr Rohit suggested it could be sponsored with a line at the bottom about the Sponsorship.

Referred to CC as it involves a lot of cost.

Proposal 3

Name of proposer/s: Dr Venkataram Mysore LM KN 3211

Proposal to change IADVL best branch award to felicitation day

Is any one of the proposer member of CC? Yes

Is it constitutional related/administrative (select one)
Administrative-sop

How will it help IADVL ? Brief introduction.

Best branch award is given during closing ceremony- it is a prestigious award and hardly anyone is present during closing ceremony to witness it

If constitutional – will it replace existing clause? Or modify?

Proposal:

Proposal for awards; IADVL best branch award be given

during inaugural ceremony or IADVL felicitation day. Only awards which are to be assessed during congress are to be given in closing ceremony- needs change in SOP needs CCM

EC Meeting Decision- House divided over the two options, Inaugural Day or Felicitation Day – Referred to AGBM.

Proposal 4

Name of proposer/s: Dr Venkataram Mysore LM KN 3211

Proposal to give one young dermatologist award to each zone Is any one of the proposer member of CC? Yes

Is it constitutional related/administrative (select one) Administrative-sop

How will it help IADVL? Brief introduction.

IADVL has expanded in membership recently-there are a large number of young dermatologists and so one young dermatologist award for entire membership rotating each zone is inadequate- many deserving candidates are left out If constitutional – will it replace existing clause? Or modify?

Proposal:

Proposal for one young dermatologist from each zone every year

Do you think this needs referral to any specific committee? CCM

EC meeting Decision: Passed in EC, Referred to CC.

Proposal 5

Name of proposer/s: **Dr Raghunatha Reddy R, KN – 2925**

Is any one of the proposer member of CC? - **Yes**

Is it constitutional related/administrative (select one) - **Administrative**

How will it help IADVL? Brief introduction

E C members work hard compromising their person work and attend all the meetings. Especially during DERMACONS they attend and for most of the three days sits through the meetings without attending to scientific programs. When Hon. Secretary and president are sponsored, why not other E C members

If constitutional – will it replace existing clause? Or modify? - no Administrative- needs to go to Central council

Proposal: To sponsor, travel and accommodation to entire EC, the same may be sponsored by the IADVL. E C members work hard compromising their person work and attend all the meetings. Especially during DERMACONS they attend and for most of the three days sits through the meetings without attending to scientific programs. When Hon. Secretary and president are sponsored, why not other E C members

Hence I Propose for the sponsor of entire EC ie. Three presidents, Secretary, 2 VPs, 2 Joint secretaries and Treasurer,

EC Meeting Decision:The President felt that all EC members

to be considered equal. Dr Narsimha Rao said that it is at the discretion of DERMACON organizers. Dr Rashmi Sarkar felt that the President, Secretary and Treasurer are more busy. House divided. Sent to CC.

Proposals for CC Meeting 2015 which are Administrative

Proposal 1

Name of proposer/s:

- Dr. Sudip Das LM/WB/3322
- Dr. Asok Kumar Ghoshal LM/WB/2443
- Dr. Manabbrata Majumdar LM/WB/2450
- Dr. Satyendra Nath Chowdhury LM/WB/2524
- Dr. Sandipan Dhar LM/WB/2446

Is any one of the proposer member of CC? **Yes**

It is **constitutional related**

How will it help IADVL?

- To attain economical more viability
- Further development of IADVL activity with in the state
- Better understanding between centre and state IADVL
- Spread of association activities to rural areas and district towns

If constitutional – **it will modified clause**

Proposal: To increase the state share from DERMACON to 50% from existing 20%

Do you think this needs referral to any specific committee? **Can be discussed in CC and AGM**

Proposal 2

Proposal passed by the IADVL W B Branch Executive Committee dated 03.06.2015

Name of Proposar/s:

- Dr. PradipLaha LM/WB/2427
- Dr. Asok Kumar Ghoshal LM/WB/2443
- Dr. Manabbrata Majumdar LM/WB/2450
- Dr. Kisalay Ghosh LM/WB/4030
- Dr. Manas Chatterjee LM/WB/2740

Is any one of the proposer member of CC ? **YES**

Is it administrative/policy/constitutional related (select one) **OR CONSTITUTIONAL**

I/We are not able to classify and accept ECs view

How will it help IADVL? Brief introduction:

It will help by creating a hierarchy and accountability of the Organising Committee and the host state branch while organising Dermacon.

If constitutional – will it replace existing clause? Or modify? **Modify.**

Give detail of the clause –page no. 55 and clause no. 9 (IADVL Constitution Bye Laws).

Proposal:

1. The Organising Committee in general including the Organising Secretary shall be accountable to the Organising Committee Chairperson, who will be accountable to the Executive Committee of the host State Branch, which will be accountable to the IADVL regarding all financial, administrative and policy matters regarding Dermacon.
2. The State Executive Committee and its President and Secretary should be informed and involved in the decision making process of Dermacon by the Organising Committee and the opinion of the Executive Committee should be given proper credence.
3. After the completion of the Dermacon and the setting of Accounts of the same, any body formed for the purpose should be wound up.

Does this proposal need referral? May be referred as felt by EC

Proposal 3

Proposal 4

Name of proposal/s: Increasing the Prize money for all the awards of IDOJ

Is any one of the proposer member of CC? Dr. Shyam Verma, Invited CC Member

Is it administrative/policy/constitutional related (select one) OR ADMINISTRATIVE

I/we are not able to classify and accept ECs view

How will it help IADVL? Brief introduction.

If constitutional – will it replace existing clause? Or modify? NA
Give detail of the clause – page no. and clause no.

Proposal:

Here is a formal proposal to increase the prize money for IDOJ papers as per our discussion in the EC meeting on 26th April, 2015.

The proposed amount is highlighted in yellow and follows the existing prize money amount.

We would like to introduce the new 'Top Reviewers of the Year' awards of Rs. 5000 each for 3 persons per year. If you feel it should be increased to five that is also fine.

- Memento and Cash prize of INR 5000 for the 'Best Original Paper' every year Rs. 8000.

- Certificate, Memento and Cash prize of INR 4000 for the 'Best Case Study / report' every year. Rs. 5000
- Certificate, Memento and Cash prize of INR 3000 for the 'Best Letter to the Editor' every year. Rs. 5000
- Certificate, Memento and cash prize of INR 2500 for 3 winners of SKINDIAQUIZ for every issue of IDOJ instead of the existing Rs. 1500.

'Top Reviewers of the Year. Rs. 5000 for three persons per year.
Does this proposal need referral? No

Proposal 5

Name of Proposal: Budget proposal for Media Cell, IADVL

Proposed by: Dr. Anil Abraham, Chairperson, Media Cell, IADVL
Dr. Apratim Goel, Member, Media Cell, IADVL
Dr. Rajib Kumar Gogoi, Convener, Media Cell, IADVL

Proposal:

The Media Cell has been in existence for 1 year now. The past and present set of members have tried their best to explore various options available to IADVL to pave its way to the mainstream national and regional media of different forms in order to establish itself as a familiar force to reckon with in issues relevant to IADVL and the speciality of Dermatology, in general, in this country. While various activities have been enthusiastically planned for the days to come and few are already being worked on, members of the Cell have realized the need for a pre-allocated budget for proper planning and execution of the Cell's activities. We are hereby proposing the following budgetary allocations exclusively for the Media Cell's activities during next IADVL year:

1. Expenses on Public Relation activities, as quoted by PR

agency, monthly for 1 year @ Rs. 50,000 per month : Rs. 6.0 lakh per annum

2. Short Promotional videos of 3-5 min. length which will have to be shot 6 times a year @ Rs. 30,000 per video - editing and shooting charges with voice over : total Rs. 2.0 Lakh per annum
3. Facebook page maintenance with weekly twice changing artwork and paid promotion of the page : Rs. 20,000 per annum
4. Additional artwork to be done in case for material to be put on website etc of IADVL would cost an extra of Rs. 25,000 (in which up to 10 times artwork can be changed)
5. Press meets: for at least 3 press meets during the year, one each on the sidelines of DERMACON, MIDDERMICON/CCM and EC meeting, a total amount of Rs. 1.0 Lakh may be earmarked.
6. Rs. 1.0 Lakh as travel grant for Media Cell members to attend various meetings of IADVL, Press meets etc.
7. Radio broadcasting activity: to be started in all four metro cities initially. Expense of Rs. 5000 per month in 4 zones totalling Rs. 5000 X 4 X 12 = Rs. 2.4 Lakh per annum.
8. Additional press meets as a part of observing various days like "Vitiligo Day" etc., paid news/advertisements etc. in various media : Rs. 2.0 Lakh

We are, therefore, proposing a budget of Rs. 15,00,000/- for one IADVL year to cover all foreseeable expenses that may be incurred by the Media Cell during the year. However, the entire exercise being something new, only time will tell if this budget will be sufficient as there remains innumerable options to explore in order to establish IADVL as a strong brand in the media and make IADVL a familiar formidable force to reckon with.

How will it help IADVL?

Improving the current guidelines will bring more logistical transparency. It will also allow opportunity to more aspiring quiz masters and innovations to make the quizzes more exciting.

Proposal 6

Name of Proposer: Dr Manjunath Shenoy and IADVL Quiz Committee

IGNQPP Guidelines 2015

Need for the modification

- To make the quiz program more exciting than the previous versions
- To provide opportunity for aspiring quiz masters, while retaining the skill and experience of previous quiz masters
- To promote young dermatologists in academic activities of IADVL

- To ensure better coordination and logistical arrangements between the organizers, representatives and quizmasters
- To achieve transparency and clarity in the guidelines

Objectives

- To encourage better reading on all aspects of dermatology
- To provide equal opportunity to all participating teams and aspiring quiz masters
- To conduct mentally stimulating quizzes with uniformity and transparency all across India
- To ensure better coordination and logistical arrangements between the organizers, representatives and quizmasters

Guidelines for the quiz committee

1. The quiz committee shall comprise of a chairperson, convener, expert advisor and six members.
2. They must have adequate experience in conducting quizzes.
3. It is the responsibility of the committee to conduct the quiz at various levels, formulate guidelines to improve the quiz program and communicate these with the central committee for approval.
4. To place advertisement of the quiz program on the IADVL website and IJDVL to increase awareness among post graduates.
5. They are to call for quizmaster applications, screen and select quizmasters and allocate them to state CUTICONS.
6. They must communicate with the GSK representatives to ensure that the information about the quiz is disseminated to all colleges across the country, thus ensuring maximum participation and enthusiasm.
7. They must facilitate communications between the GSK representatives, local organizers and quizmasters to ensure smooth conduct of the quiz.

Guidelines for the state level IGNQPP

A. Eligibility criteria for quizmasters:

1. He/she should have a minimum of 3 years work experience after completing postgraduate studies.
2. He/she should not be over the age of 50 years at the time of sending the application.
3. He/she should not have conducted more than three state level IGNQPP quizzes in the past. Those who have conducted more than three quizzes in the past may also apply, but their applications will be considered when there are no other suitable applications or at the time of crisis.

B. Eligibility criteria for participants:

1. The participants must be provisional life members of IADVL or have applied for the same.

2. The participants should not have won the final IGNQPP quiz.
- C. *General guidelines:*
1. The quiz must be preferably conducted at the state CUTICON.
 2. The organizing committee of the state CUTICON must specifically designate a faculty responsible for smooth conduct and organization of the quiz. The contact details of this local coordinator must be informed to the IADVL quiz committee well in advance. He/she is expected to communicate with the quizmaster and local GSK representatives for logistical support, and assist them during the quiz.
 3. The quizmaster is to be treated as faculty. The organizers are to provide reasonable accommodation to the quizmaster for the entire duration of the conference and provide complimentary registration. This may be coordinated with the help of GSK representatives. The travelling expenses must be reimbursed by the local organizing committee during the conference. An amount of Rs.30,000 will be reimbursed to the organizers by the central secretariat after the conference, upon receipt of the expenditure details incurred towards hosting the quizmaster.
 4. Only one team comprising of two members can participate from a college. They must write their names and full contact details (mobile number, email and postal address) for future communications. They are to write their answers on the same sheet.
 5. The preliminary round is conducted as a closed-door session in a separate hall, with the time and location specifically mentioned in the scientific schedule.
 6. If there are less than four teams participating from a particular state, they are to be directed to participate at an adjoining state CUTICON, and informed well in advance.
 7. If there are exactly four participating teams, a preliminary round is not necessary and the state finals may be conducted directly.
 8. The final round must be done in the main hall as a plenary session and allotted 60 minutes. The time and location must be specifically mentioned in the scientific schedule.
 9. Proper stage arrangements must be handled by the local GSK representatives and the local coordinator.
 10. The quizmaster will be provided a feedback form which has to be completed and sent to the quiz committee within one week of conducting the quiz. He/she will have to submit a soft copy of the quiz questions for archival purposes. He/she must also preserve all the answer sheets and forward the contact details of every participant to the quiz committee.
- D. *Format for the state preliminary round:*
1. Questions will be in MCQ format either in print or powerpoint presentation, and must cover all subspecialties of dermatology, venereology, leprosy, dermatopathology, dermatosurgery, therapeutics, history of dermatology, etc.
 2. There will be 40 questions in 30 minutes, with every 5th question bearing an asterisk mark (to be used in the event of a tie; the person scoring higher in these questions will qualify)
 3. The first 30 questions must have a single answer.
 4. The last 10 questions must have multiple answers (2 to 3 answers). All the multiple answers have to be marked correctly in order to qualify for the points. Every correctly answered question is given 1 point.
 5. A negative marking system of [-0.25 points] for every incorrectly answered question.
 6. Questions that are not attempted do not carry negative points.
 7. In case of a tie in the final score, the team that answered the most 'asterisk-marked' questions correctly is considered the winner.
 8. If there is still a tie, then the team with lesser negative marks is selected. If that is also tied, then the winner is selected by lots.
 9. The decision of the quizmaster is final. In the event of a controversy, the quizmaster must be able to provide adequate references.
- E. *Format for the state final round:*
1. The positions of the teams on the stage will be selected by lots.
 2. There will be eight regular rounds and one rapid fire round.
 3. The regular rounds will comprise of four questions each. The question must have only one part and a direct answer. Innovative ways of framing questions are encouraged. The answer to the question must be displayed in the next slide.
 4. The question must be answered within 10 seconds or passed to the next team. Passed questions must be answered immediately.
 5. A correct answer to a direct question is given 10 points. A correct answer to a passed question is given 5 points. There are no negative points.
 6. Structure of the regular rounds:
 - a. Round 1: Basic sciences
 - b. Round 2: Clinical dermatology
 - c. Round 3: Pediatric Dermatology
 - d. Round 4: Leprosy and tropical dermatology
 - e. Round 5: STI and HIV
 - f. Round 6: Dermatopathology
 - g. Round 7: Therapeutics
 - h. Round 8: Dermatosurgery and cosmetic dermatology

7. The questions are asked in a clockwise manner for the first four rounds, and in an anticlockwise manner for the next four rounds.
 8. Round 1 begins from the 1st team, Round 2 from the 2nd team, Round 3 from the 3rd team and Round 4 from the 4th team.
 9. Round 5 begins from the 4th team, Round 6 from the 3rd team, Round 7 from the 2nd team and Round 8 from the 1st team.
 10. Structure of the rapid fire round:
 - a. Each team gets ten questions, all of which have to be answered within one minute. These questions do not pass to the other teams.
 - b. A correct answer is given 3 points. So the maximum score can be 30 points. There are no negative points.
 - c. The questions must be framed in such a way that they are short and crisp, with a one-word to two-word answer.
 - d. The structure of questions must be uniform for all teams.
 11. There will be no separate audience questions. If a question is not answered by any team during the regular rounds, it is passed to the audience. Members of the audience are requested to raise their hands, following which the quizmaster randomly selects a person to answer the question.
 12. The scores of the teams must be announced periodically at the end of every two rounds.
 13. If the final score is a tie, the quizmaster must conduct a tiebreaker round consisting of three questions for each team. There are no passes in this round. If the score is still tied, the team with the highest score in the preliminary rounds is considered as the winner. If that score is also a tie, then the team with lesser negative marks is selected. then the winner is drawn by lots.
 14. The decision of the quizmaster is final. In the event of a controversy, the quizmaster must be able to provide adequate references.
- Guidelines for the national level IGNQPP**
- A. Eligibility criteria for quizmasters:**
1. The chairman of the quiz committee in the current year is given the responsibility of conducting the quiz finals at DERMACON.
 2. The preliminary round of the national level IGNQPP may be conducted by the convener or other members of the quiz committee.
- B. Eligibility criteria for participants:**
1. The winners of each state level IGNQPP of the current year are eligible to participate in the preliminary round of the national level IGNQPP.
- C. General guidelines:**
1. The quiz must be conducted at DERMACON.
 2. The organizing committee of the DERMACON must specifically designate a teaching faculty responsible for smooth conduct and organization of the quiz. The contact details of this local coordinator must be informed to the IADVL quiz committee well in advance. He/she is expected to communicate with the quizmaster and local GSK representatives for logistical support, and assist them during the quiz.
 3. The quizmasters are to be treated as faculty. The organizers are to provide reasonable accommodation to the quizmaster for the entire duration of the conference and also provide complimentary registration. This may be coordinated with the help of GSK representatives. The travelling expenses must be reimbursed by the local organizing committee during the conference. An amount of up to Rs.60,000 (for the preliminary round and final round quizmasters) will be reimbursed to the organizers by the central secretariat after the conference, upon receipt of the expenditure details incurred towards hosting the quizmasters.
 4. The participants will be provided complimentary registration to attend the national conference. However, they must arrange for travel and accommodation by themselves. An amount of up to Rs.10,000 will be reimbursed to them towards travel and accommodation by the central secretariat after the conference, upon receipt of the expenditure details.
 5. The preliminary round is conducted as a closed-door session in a separate hall, with the time and location specifically mentioned in the scientific schedule.
 6. The final round must be done in the main hall as a plenary session and allotted 90 minutes. The time and location must be specifically mentioned in the scientific schedule.
 7. Proper stage arrangements must be handled by the local and national GSK representatives with the help of the local coordinator.
 8. The quizmaster will be provided a feedback form which has to be completed and sent to the quiz committee within one week of conducting the quiz.
- D. Format for the preliminary round:**
1. Questions must be on a powerpoint presentation, and must cover all subspecialties of dermatology, venereology, leprosy, dermatopathology, dermatosurgery, therapeutics, history of dermatology, etc.
 2. The questions must have a direct answer. They may contain pictures or be asked in an innovative manner. There will be no MCQs. The teams have to write down the answer on the sheet provided. They must also write their names and full

contact details (mobile number, email and postal address) for future communications.

3. There will be 50 questions to be answered in 60 minutes, with every 5th question bearing an asterisk mark (to be used in the event of a tie)
 4. Every correctly answered question is given 1 point.
 5. There is a negative marking system of [-0.25 points] for every incorrectly answered question.
 6. Questions that are not attempted do not carry negative points.
 7. In case of a tie in the final score, the team that answered the most 'asterisk-marked' questions correctly is considered the winner.
 8. If there is still a tie, then the team with lesser negative marks is selected. If that is also tied, then the winner is selected by lots.
 9. The top four teams qualify for the final round.
 10. The decision of the quizmaster is final. In the event of a controversy, the quizmaster must be able to provide adequate references.
- E. *Format for the final round:*
1. The positions of the teams on the stage will be selected by lots.
 2. There will be nine regular rounds and one rapid fire round. The regular rounds will comprise of four questions each. The question must have only one part and a direct answer. Innovative ways of framing questions are encouraged. The answer to the question must be displayed in the next slide.
 3. The question must be answered within 10 seconds or passed to the next team. Passed questions must be answered immediately.
 4. A correct answer to a direct question is given 10 points. A correct answer to a passed question is given 5 points. There are no negative points.
 5. Structure of the regular rounds:
 - a. Round 1: Basic sciences
 - b. Round 2: Clinical dermatology
 - c. Round 3: Pediatric Dermatology
 - d. Round 4: Leprosy and tropical dermatology
 - e. Round 5: STIs and HIV
 - f. Round 6: Dermatopathology
 - g. Round 7: Therapeutics
 - h. Round 8: Dermatotomy and cosmetic dermatology
 - i. Round 9: Dermatological 'tic tac toe'
 6. The questions are asked in a clockwise manner for the first four rounds, and in an anticlockwise manner for the next four rounds.
 7. Round 1 begins from the 1st team, Round 2 from the 2nd team, Round 3 from the 3rd team and Round 4 from the 4th team.
 8. Round 5 begins from the 4th team, Round 6 from the 3rd team, Round 7 from the 2nd team and Round 8 from the 1st team.
 9. Round 9 will have 8 questions. It begins from the 1st team for the first four questions, and the order is reversed for the last four questions. The team will have to select a topic amongst 16 squares on a 4x4 grid. A square cannot be selected more than once. The question asked to them will be worth 10 points. If it is answered on a pass, it is worth 5 points. If a team is able to answer a question on a square that completes a line, they get 15 bonus points.
10. Structure of the rapid fire round:
- a. Each team gets ten questions, all of which have to be answered within one minute. These questions do not pass to the other teams.
 - b. A correct answer is given 3 points. So the maximum score can be 30 points. There are no negative points.
 - c. The questions must be framed in such a way that they are short and crisp, with a one-word to two-word answer.
 - d. The structure of questions must be uniform for all teams.
11. If a question is not answered by any team during the regular rounds, it is passed to the audience. Members of the audience are requested to raise their hands, following which the quizmaster randomly selects a person to answer the question.
 12. The scores of the teams must be announced periodically at the end of every two rounds. During this time, there can be a quiz question for the audience.
 13. If the final score is a tie, the quizmaster must conduct a tiebreaker round consisting of three questions for each team. There are no passes in this round. If the score is still tied, the team with the highest score in the preliminary rounds is considered as the winner. If that score is also a tie, then the winner is drawn by lots.
 14. As a special event, there will be an audience round on the stage while the final scores are being tallied. Four members who answered the most audience questions, or other interested volunteers will be requested to come up on the stage and join the existing teams by lots. There will be four questions, one for each participant. If they answer it directly, they get 10 points. Passed questions are worth 5 points. The help of the post graduate team can be requested, but it will attract a penalty of 3 points. The winner of the audience round will be awarded a special prize.
 15. The decision of the quizmaster is final. In the event of a

controversy, the quizmaster must be able to provide adequate references.

Additional IGNQPP 10th anniversary Promotional activities

1. As part of the 10th year celebrations of IGNQPP, it is proposed that a special commemorative logo and jingle be prepared and incorporated into all IGNQPP material. There will be no product branding.
2. Commemorative badges for IADVL quiz committee members, participants and GSK Staff who are present during the actual quiz to be worn during the quizzes.
3. GSK to print and distribute mailers to all post graduates which will contain information about the quiz and the history of IGNQPP, to help create interest among them. GSK to help handover envelopes branded with aforementioned logos containing a 'hall ticket' to CUTICON quiz participants from each college once their respective HODs select them. Content to be designed by GSK and approved by IADVL and by GSK.
4. To give the finals extra glamour, sashes will be given to winners along with the certificates and trophies.
5. A quiz question will be circulated on the IADVL Derma App every fortnight, starting from September till December, the answers of which will be provided along with the next question. Members who answer the most questions will be awarded a special prize during the finals at DERMACON.
6. A few quiz questions will be prepared and circulated among all postgraduates with the assistance of GSK executives once every month starting from September and ending in December, to promote enthusiasm towards quizzing. Answers with reference to these questions will also be provided.
7. Posters regarding the IGNQPP are to be prepared and displayed by GSK at notice boards of dermatology departments in every medical college with the permission of respective HODs.
8. The GSK have proposed to try and get in touch with past quiz winners and quiz masters and request them to share their experiences. This will be used in creating AVs and 'walk of fame' posters (journey of IGNQPP). The questions asked to these past winners/quiz masters will be decided by IADVL and GSK jointly. GSK staff will do the actual interviewing, and also the making of the AV and designing, printing and distribution of other material created such as posters, mailers (in points discussed above), and also make the payments for the creation/printing of AV, posters, mailers after approval by IADVL. The AVs can be shown to post graduates in colleges before inviting participation, before the CUTICON quizzes and the national quiz finals.No

payments are to be made for interviewing the past winners and quiz masters.

Proposal 7

Name of proposer/s: Dr Venkataram Mysore LM KN 3211 and EC 2015

Subject elections during AGBM

Is any one of the proposer member of CC? Yes

Is it constitutional related/administrative (select one)

Constitutional, but needs to be taken up for implementation in agbm subject to ratification in closing agbm-

How will it help IADVL? Brief introduction.

One VP and one JtSecy posts will have to be elected on the floor of the house in agbm. Constitution is silent on the procedures and hence there is a need to define them and approve during ccm for implementation in agbm

If constitutional – will it replace existing clause? Or modify ? Clarify the procedures for constitutional clause

Proposal: **The following process be adopted for the following**

1. Announcement for elections will be done in news letter in December after 20 dec announcement of results. Deposit and eligibility will remain same as per the earlier announcement .
2. Applications to be received toll 5th jan 2016. Scrutiny and withdrawal to be completed by 12th june and final list to be announced on 12th june No campaigning will be allowed by any candidate in any form.
3. announcement of commencement, final list and voting: 1205 pm on closing agbm 21 jan 2016
4. Voting from 1205 to 2pm (including lunch time) Thursday 21 jan 2016 voting by secret ballot and will distribute printed slips of papers. Members will drop the ballots in a box.
Crutinu of voters: Members to be told to show their IADVL identity card or dermacon identity card for proof of their life membership. Further scrutiny can be checked with data base where needed
Any ballot deviation from above will be counted as null and void.
5. Counting: 3pm-4pm. Counting to be supervised by election officer and central observer. They may induct volunteers from members attending agbm as needed.
6. Announcement of results : 4 pm
7. Decision of election officer will be final. It is to be recognised by all members that elections on the floor of the house is a

difficult exercise to conduct and proper cooperation and support from all is needed for proper execution.

8. Since returning officer who is also the secretary will also have to conduct the AGBM, adequate manpower to be provided for assistance. One joint secretary 2015, One VP 2015, VP designate 2016, Secretary designate 2016, treasurer designate 2016, and Jt secretary designate 2016 may be inducted to assist in the process. Additional assistance can be obtained from state branch secretaries as needed.

Do you think this needs referral to any specific committee? Ccm for approval

Date when received:

Name of proposer/s: Dr Venkataram Mysore LM KN 3211

Subject Community Dermatology wing

Is any one of the proposer member of CC? Yes

Is it constitutional related/administrative (select one) Administrative-

How will it help IADVL? Brief introduction.

IADVL is required to :

1. Select one name for ILDS appreciation award every year
2. Select delegates who would represent IADVL in ILDS assembly. Previously these have been selected by a closed nontransparent process which was changed last year.

If constitutional – will it replace existing clause? Or modify? ADMINISTRATIVE

Proposal: **The following process be adopted for the following**

1. To Select one name for ILDS appreciation award every year- Applications would be invited through e groups, app, website; three judges would be appointed by past presidents or secretaries who have experience of functioning of international associations who will then recommend the name. The name will be announced by EC
2. Select delegates who would represent IADVL in ILDS assembly.

The delegate list would mandatorily include three presidents, secretary and treasurer. For any additional sixth position, the following may be included: International bidding committee chair/International liason cell chairman. If more vacancies are available, applications may be invited as per the above process applicable to ILDS award and delegate chosen.

With this all ILDS positions- directors, awards and delegates would have the same process.

SOPs

NEW SOP 1- Pharma participation in DERMACON

Pharma can participate in DERMACON by sponsoring a stall in exhibition, meals (lunch /dinner), scientific session, guest faculty, transport, entertainment zone, cloak room or by giving an advertisement in the souvenir. Following general instructions will be followed:

1. **Good space** will be provided for stalls with high roof so that one should not feel suffocated. There should be enough space to move around in stall area. Location and visibility of stall area should be kept in mind. It should be easily approachable to delegates without disturbing the scientific sessions. **Platinum and Gold sponsors** should be allotted prime space. **AC should be mandatory for laser stalls and preferable for all stalls.** No encroachment is allowed even if nearby stall is vacant.
In general **the stall area be sectioned according to utility like sections for Lasers, Medical Books, Instruments, Cosmeceuticals, peels and aesthetic products, pharma companies, IADVL stall, DERMACON stall, local products (clothes, decoration item, jewellery etc).** **A sign board depicting location of each section to be provided at entrance gate.**
2. Generally 2 category of stalls will be provided, small stalls will be 3x3 M and large stall will be 10 x10 M. However the sizes can vary depending on the space available but by and large the norms will be adhered to as far as possible
3. **No loud announcements are allowed at the stalls.** Company can display and educate about new technology or have - meet the experts like program in their stall area with one to one interaction. No games, eatables be allowed in the stall area.
4. **No announcement or bill boards on streets are permitted.** The only bill boards will be to indicate the way.
5. **Photo identity cards in color different from delegate's batch will be provided to the representatives of the stalls who take up the sponsorship.** For small stalls it should be **4 per stall** while for **large stalls it should 8 per stall.** Extra photo identity cards for pharma can be given with extra payment Guards are placed at entrance of scientific halls to check the delegate badge before allowing entry. Pharma representatives should only be present in allotted stall area.
6. **No promotional material of Pharma Company is allowed in scientific hall.** Even company or product name on the back of chairs is not permitted. However names of platinum, gold silver sponsorer can be displayed. However in sponsored scientific session company can display their name by slides before and after the lecture/session.
7. Movement of pharma personal to area outside the scientific hall will be limited. They will be discouraged to move in lobby areas outside the scientific halls.
8. **Service tax and TDS will be paid by Pharma Company** as per prevalent rules and a receipt of the same will be provided to the organizers.
9. **Entrance to conference venue is limited to sponsors only.** People not participating in conference and standing in lobby or entrance gate are stopped from meeting the delegates. Accordingly personnel not wearing the designated batch are debarred from entering the venue.
10. Food coupons be provide to stall owners. **Four lunch coupons and 2 dinner coupons to each small stall owner and 8 lunch coupons and 2 dinner coupons to each large stall (10Mx10M)owner** be provided. Middle figure can be adopted for sizes in between. Even if a dinner is sponsored by a pharma company, the same rules will apply. Lunch coupons depending on circumstances can be replaced by lunch packs. If possible have separate dinning arrangement for sponsors. **A separate dining area will be earmarked for drivers.** (Sponsors dining area should not be with support staff such as drivers, cleaners etc)
11. **Instruments and medical books stalls will be dispensed at concessional rate (maximum 50%).** However food coupons will be provided as for small stalls. **In turn instruments and medical books stalls will also provide 10-15% discount to the delegates.** The rates of instruments will be displayed after approval by the local organizing committee. **Laser companies can also be given a discount of 20 %** and they too will give discount to delegates.
12. **Stall will be allowed to remain open for 1 hour even after conference time is over** as many of us those who wants to visit stalls after scientific activity is over, can visit it and have discussions with Pharma or laser companies.
13. No cash payment will be made.
14. Speakers. topics and time slot in pharma sponsored scientific session will be decided by mutual consent of pharma and conference scientific team
15. **Platinum, diamond, gold sponsors and other major sponsors to be invited to inaugural ceremony** along with other industry partners of IADVL and seated in a space marked for corporate (2 per company)
16. For any deviation from the approved norm a statement of case may be forwarded to EC

**New SOP2: SOP for the Conduct of the Scientific Program in International Conferences Being Organized in India
(TO BE ADDED IN SOP ON INTERNATIONAL CONFERENCE)**

Though the rules vary with each international conference and are framed by the respective organizations whose conference it is, the aim of these SOPs is better supervision of the scientific program.

After winning the bid of International conference, the names of Organising chairperson, secretary, treasurer, scientific committee chairman and date of conference will be finalized by the local state organizing committee and duly approved by AGBM. President will write a letter to international society president informing about office bearers of next international conference. He along with president elect, immediate past president and secretary will inspect the venue, and also other facilities like, travels and accommodation given by host branch. After venue inspection seed money will be given as per the rules of international conference. Sharing of surplus will be decided by the IADVL and the international body. President will take updates of the international conference from time to time. If the international conference happened after his tenure, he will act as an adviser to that conference.

While the scientific program will be finalized by the Scientific Committee (as decided by mutual consent of the local organizers and the international body), the IADVL Academy Chairperson and Convener will be IADVL Scientific Coordinators of IADVL national body for the conference (and their names shall be shown as such in all publications) to liaise with the Scientific Committee on behalf of the IADVL. This is to ensure that the scientific program is shared with all IADVL Academy members and the Executive Committee. There will be one scientific committee meeting 4 months before the conference to be hosted by local organizing committee. This will be attended by scientific committee, Academy chairperson and convener, 3 IADVL presidents and IADVL secretary.

Certificate of attendance will be signed by president and secretaries of both organizations (IADVL and international) and organizing committee president and secretary. CME credit hours certificate will be signed by presidents, secretaries of both organizations and scientific committee chairperson.

The IADVL President, President Elect, Immediate Past President, Secretary General, Treasurer, the IADVL President who bids for the conference and the IADVL President who signs the contract should be provided free hospitality (registration, accommodation and travel) by the conference organizers.

In exceptional circumstances (speaker of great repute whose

presence is considered desirable) as considered by organizing and scientific secretary the waiver can be extended to 100%. However justification for this has to be provided. Complimentary travel facility for international speakers can be considered on case to case basis depending on availability of funds.

NEW SOP 3-PROCEDURE FOR ELECTION OF OFFICE BEARERS OF IADVL (Includes SOP for Elections Annexure XVIII)

- A. The election for the posts of the following office bearers shall be held annually. (i) President-elect – one post (ii) Vice President – 2 posts (iii) Joint Secretaries – 2 posts

branch for a minimum period of five terms either continuous or with breaks. (v) The candidate must declare any conflict of interest.

HONORARY GENERAL SECRETARY AND HONORARY TREASURER

(i) should be member of the Association in good standing for the previous five years. (ii) Should have a minimum experience of 10 years in the specialty of Dermatology, Venereology and Leprology after obtaining his/her postgraduate qualification in the specialty. (iii) Should be exclusively engaged in the practice, teaching and/or research of the specialties of Dermatology, Venereology and Leprology. (iv) For the post of secretary general the applicant must have served either as a state secretary or as joint secretary or treasurer at the national level. If there is no candidate who fulfills such criteria then election on the floor/ other candidates can be considered. For the post of treasurer the applicant must have been a Jt. Secretary, Secretary, Treasurer, Vice President or President at the state level or Jt. Secretary at the National level. (v) The Honorary General Secretary and the Honorary Treasurer must be jointly nominated from the same state / area in a particular context. (vi) The candidate must declare any conflict of interest.

HON. JOINT GENERAL SECRETARY (i) should be member of the Association in good standing for the previous five years. (ii) Should have a minimum experience of five years in the specialty of Dermatology, Venereology and/ or Leprosy, after obtaining his / her post-graduate qualification in the specialty. (iii) Should be exclusively engaged in the practice, teaching and/or research in the specialties of Dermatology, Venereology and / or Leprology. (iv) Must have been actively involved in the affairs of the Association in an official capacity either at the Central level or at the Branch / Combined Branch level or a Central Council Member from a Branch for a minimum period of TWO YEARS either continuous or with breaks. (v) Candidate must declare any conflict of interest.

E. The **Electoral Roll** will consist of all direct members of the Association and members through a state branch or combined state branch and on whose behalf CFC has been received at the office of the Honorary General Secretary by 31st March of the Association year, and who have no outstanding dues to the Association.

F. Last year election officer will be the **central national observer** of IADVL. His responsibility will be limited only during vote counting. In case of dispute between election officer and national observer the matter will be referred to the president and arbitration committee for final solution. Report of the arbitration committee will be placed in GBM for endorsement, no discussion on arbitration committee report

will be allowed in GBM

G. **ELECTION OFFICER-** He/she shall be one of the past presidents of the association elected for the purpose at the first GBM for the year held during DERMACON. The Election officer may take the help of one (THE CONSTITUTION 2014 149) member of IADVL, co-opted to assist him, for every 200 ballots, up to 8 such members, who must not have proposed or seconded any of the contestants. The Honorary General Secretary and Honorary Treasurer shall assist the election officer whenever required. No honorarium will be paid to such members.

H. **RETURNING OFFICER-**The Honorary General Secretary shall be the returning officer and the Honorary Treasurer shall be the deputy returning officer for the elections of that particular year. In case Honorary Gen Secretary is incapacitated, the treasurer can take over as Returning officer. I. The Honorary General Secretary shall provide a copy of the electoral roll as specified under clause 28 (ii) of the Constitution to the election officer by the 1st of July of the association year. J. The Honorary General Secretary will invite directly from the members on or before 15th April of each year nominations for the office of President-elect, two Vice-Presidents, one Honorary General Secretary, one Honorary Treasurer (every alternate year) and two Honorary Joint Secretaries with the instructions that the nominations should be received at his office and that a copy of the same should be sent to the election officer on or before 15th June of the year and that nominations received after that date will be declared invalid. The Honorary General Secretary and Honorary Treasurer will contest as a team and there should be a single vote for two posts. This must be specifically mentioned in the information sent to the members inviting nominations for the various posts. All nominations shall be duly proposed and duly seconded by members in good standing who have no outstanding dues to the association. The nomination paper must also bear the candidates willingness and signature. Since the tenure of honorary general secretary and honorary general treasurer is for 2 years, election to the said posts will be held every alternate year. THE CONSTITUTION 2014 150

I. **FILING OF NOMINATIONS WITH FEE STRUCTURE:** Life members of IADVL who have been nominated for any of the abovementioned posts should pay a prescribed nomination fee and send it along with the completed nomination form with enclosures to Hon. Gen. Secretary through speed post/ registered post/email. A duplicate set of nomination papers should be sent to election officer simultaneously. Nomination fee for contesting elections: For President elect post: Rs. 15,000, For Vice president post: Rs. 10,000, Hon. General

Secretary and Treasurer's post Rs. 20, 000/- (Rs 10000/- each) and for Hon Joint secretary post: Rs. 5,000. of the nomination fee, 50% fee will be refunded if nomination is withdrawn before the withdrawal date. After that date, no refund will be allowed under any circumstances. If nomination is sent by email then prescribed fee must reach in IADVL account by bank transfer/DD. The honorary general secretary shall send a complete list of nominated members to the election officer and after scrutiny shall send the list of valid nominated candidates to the election officer and shall inform before the same to all the duly proposed and validly nominated members. If upon scrutiny a nomination is found not to confirm to the rules and regulations of laid down in the IADVL elections then the Hon. General Secretary shall inform the Election officer regarding the same. The election officer shall take a decision regarding the matter in consultation with the President. Disputes, if any, regarding the same shall be decided upon by the arbitration committee

J. **WITHDRAWAL**- Duly nominated members are permitted to withdraw their proposal for nominations on or before 15th July of the association year. This shall be indicated in the information sent by the honorary general secretary to the nominated member. Non-receipt of a letter of withdrawal by the honorary general THE CONSTITUTION 2014 151 secretary shall be considered as acceptance of the nomination by the member.

K. **BALLOT** In case more than candidate is nominated for the President elect, more than one team of candidates is nominated for Honorary general secretary and Honorary treasurer and more than two candidates each are nominated for the posts of Vice-president and Joint General Secretaries, a secret postal ballot and E voting must be undertaken to elect the office bearers concerned

L. The Honorary General Secretary will invite in the April issue of IADVL NEWS, nominations for the office of President Elect, two Vice-Presidents, Honorary General Secretary and Honorary Treasurer (if applicable), two Honorary Joint Secretaries and the venues for DERMACON and MIDERMACON with the instructions that the nominations should be received at his/her office on or before 15th June of the year and a copy sent to the Election Officer. Nominations received after that date will be declared invalid. The last date for withdrawal of nominations will be 15th July. This shall be indicated in the information sent by the Honorary General Secretary to the nominated member. Non-receipt of a letter of withdrawal from the candidate by the Honorary General Secretary shall be considered as acceptance of the

nomination by the member. THE CONSTITUTION 2014 40

M. The Honorary General Secretary shall send a list of eligible contestants to the Election Officer and subsequently, after scrutiny, the list of valid voters (both postal and e voters) by 15th September. The Honorary General Secretary shall also inform all the valid contestants by registered post by 10th September.

N. The Honorary General Secretary and Honorary Treasurer should be nominated from the same state as a team with eligibility of a single vote for two posts. This must be specifically mentioned in the information sent to the members inviting nominations.

O. The candidates proposed for various offices shall confirm to the requirements laid down under Rule 26.

P. They shall be duly proposed and seconded by members in good standing who have no outstanding dues to the Association The application should bear the candidates' willingness and signature.

Q. Candidate should declare, if he/she is associated with any pharma co. /instrument supplier/dealer/ or cosmetic co. or chain of clinics owned by non-dermatologists/ holds positions in other medical societies or associations. This should form part of the application as below: The same should be included in the newsletter/e-group announcement and uploaded along with biodata on IADVL website.

CONFLICT OF INTEREST DECLARATION

(tick the relevant portion)

1. I, hereby wish to declare the following associations with industry/other societies/congresses:

A. I am an owner/advisor/ (specify any other capacity) in the following pharma/aesthetic companies or is organizing congresses

.....

B. I am an office bearer in the below mentioned capacities in the following associations/societies/ organizing congresses in capacity as

.....

2. I, declare that I do not have any associations with industry/other societies/ congresses

I hereby confirm that the above statements are true and full disclosures.

Name

Contestant for.....

However employees/owners of pharma company / instrument supplier/dealer/ or cosmetic company will be debarred from contesting elections.

- R. The Election Officer or his or her spouse, son or daughter, or any Central Executive member is not eligible for any of the posts for which an election is going to be held for that particular year.
- S. The election officer shall send to every eligible member on the electoral roll a printed ballot paper containing the names of the valid candidates and having the seal of the IADVL, including bar-code with a number instead of the signature of the Election Officer along with a special cover printed with the words "Ballot Paper" and a bigger, stamped envelope bearing the name and address of the Election Officer, and also spaces for the name, membership number and signature of the member who votes, the words underlined being also printed. This will be dispatched in an envelope with the words "IADVL Election Ballot Paper" printed on it as well the designation of the sender (Election Officer), between the 1st and 31st October of the year. Along with ballot paper, biodata of each contesting candidate and details of MIDERMACON and DERMACON venue will be dispatched
- T. No duplicate ballot paper will be issued under any circumstances.
- U. **Canvassing-** Individual members cannot use IADVL central or branch organs like e-groups, web forums, app etc. for canvassing. They should not seek endorsement by state or zonal branches.
Canvassing by any state branch or branches or by any group of IADVL members individually or collectively for any candidate shall not be permitted. Candidates indulging in such practices will be disqualified for that (THE CONSTITUTION 2014 42) election and also debarred from contesting the election for the next two years. However such candidate will have right to appeal against such judgment which will be examined by arbitration committee of IADVL and judgment will be given within 7 days.
In order to avoid individual appeals by candidates, each one's biodata, not exceeding 200 words, along with his/her photograph, will be printed and circulated along with Ballot paper. However individual can appeal to members in individual capacity. The candidates cannot display posters/

banners during any of the IADVL meetings.

- V. If any data in the bio-data of a contestant printed is proved to be false, that candidate's election will be declared null and void. In that event, the candidate who had secured the next highest number of votes will be declared elected. In case there is no contestant for the post, the election will be carried in the concluding AGBM of the year.
- W. Any candidate breaking the code of conduct will be subject to punishment as below:
- The matter will be referred to as election officer ; this may be done either by the returning officer or by a candidate directly
 - The election officer may take any of below actions if the complaint is found to be valid, and after giving adequate opportunity to the candidate to explain :
 - Issue private warning letter if it is a first offence and in the opinion of election officer a minor offence
 - Issue a public warning(announcements in e groups) for a second offence or if it is a larger offence
 - Disqualify the candidate for a third offence or a second larger offence
This procedure shall be completed within a period of ten days
 - The disqualified candidate will have the right to appeal to an arbitration committee against the decision of election officer, which shall be constituted by the president as per the provision of the constitution; the committee shall give its decision within one week and that decision will be binding. The candidate or any member on his behalf cannot raise the issue with general members in any of the e groups and should raise this issue or any issue of dispute on through returning officer.
- X. The ballot paper must be returned to reach the election officer in the stamped special cover on or before the Saturday before 5.00 pm immediately preceding counting day. After that date, it will not be valid. No hand deliveries of ballots shall be accepted. Ballots have to be returned singly; no mass collection and posting in one bunch from any district will be accepted.
- Y. **ELECTION PROCEDURE (I) POSTAL BALLOT** The election officer shall send to every eligible member on the electoral roll who is not registered for e-voting a printed ballot paper (through speed post/registered post) containing the names of the duly nominated members. The ballot paper must have a seal of IADVL with a number and the signature of the election officer along with a special cover printed with the words "ballot paper" and a stamped bigger envelope that

bears the name and address of the election officer, and also the space for name, membership number and signature of the member who votes, the words underlined being also printed. There will be one more paper having brief CV of all contestants. The election circular will be dispatched in an envelope with the words "IADVL Election Ballot Paper" printed on it as well the designation of the sender-election officer between 1st October to 31st October of the year. Ballot papers will not be reposted after Oct 31 at any cost. The voting paper must be returned to reach the election officer in the stamped special cover sent on or before the last Saturday preceding the 3rd. Sunday of December. After that date it will not be valid. No hand deliveries of ballots shall be accepted. THE CONSTITUTION 2014 152 (II) ONLINE VOTING (I) Registrations: The portal will ensure that ONLY life members will be able to participate in the voting. For this exercise to be successful, the data collection will be done. This data comprises of (a) IADVL LM membership number (b) Date of birth, (c) Member name, (d) PAN card number and e-mail id. This data will be used to authenticate and subsequently register a member as an online voter. The member needs to register himself/herself by sending the above details to e.votingiadvl@gmail.com to participate in the E-Voting process. E-voting registration request must be sent by the member through registered email of concerned in IADVL data. The portal will be made available to members for registration. On successful registration, the portal will generate a username and password and will send it to the registered email address of the member. On a parallel track, setup of posts and enrolment of the candidates contesting the elections for each of the posts will be carried out by the administrator of the portal. The portal will close for online registration by end of July of the election year. A list of registered online voters will be available thereafter to the election officer. This way the association will know the exact count and names of members who have registered for the online voting and therefore will not send the ballot paper to these members. Other members who haven't registered will receive a ballot paper and can choose conventional method of casting their vote. (ii) Online Voting Process: The online portal will be opened up for e-voting, at the same time as when postal ballots are being sent to those who have THE CONSTITUTION 2014 153 not registered for e-voting. Every member who has registered for online voting can use his/her username and password to login to the portal and cast the votes for election of candidates for IADVL. The portal will ensure that every member is able to vote ONLY ONCE. Every online vote is completely confidential, even the admin will not be able to see the voting information Thereafter, no

member will be allowed to vote and the online votes will be sealed.

COUNTING OF VOTES

The voting paper must be returned to reach the election officer in the stamped special cover sent on or before the Saturday preceding the 3rd. Sunday of December. After that date it will not be valid. No hand deliveries of ballots shall be accepted. The counting will be done on 3rd Sunday of December. The ballot papers will be scrutinized and counted Simultaneously, at the time of counting of votes received by ballot paper, the administrator of online voting will unlock the portal and publish the results of e-voting to the election officer. E voting portal be opened in presence of election officer, national observer and at least 1 contestant. The overall results will be finally decided after combining the results of online voting and the ballot paper voting. No member involved in counting process should leave the counting hall before final compilation of result. For the counting of votes specified 5 observers must be mandatorily invited for counting process which includes president/secretary/past president/past secretary of the state branch where the counting votes is held. THE CONSTITUTION 2014 154. All the contestants and DERMACON bidders will be allowed during counting and they should be asked to stay till the end. Phones are kept in silent mode during counting.

Standardized method for counting of votes- All the envelopes will be counted in presence of contestants available at the time of counting and national observer. The envelopes will be opened and ballots will be taken out. Count outer and inner envelopes separately, count ballots. They will be divided in lots of 200 each and numbered. One lot will be given to one member of the counting team (apprx 8). Before starting the counting a trial run will be carried out. Counting will be done lot wise, one at a time. During counting each contestant will be given a paper sheet to keep individual account. Candidates should not touch ballots; but they are permitted to supervise counting from close. Simultaneously voting tally will be displayed in the blackboard. Once the lot is counted (200x8 =1600 votes) the left over lots will be distributed and counted. The blanks left in the ballot paper against specific post should also be counted as blank separately by a separate volunteer so that in the end it becomes easier to tally the number of ballots counted. Say total ballots counted are 1000 and candidate A for VP gets 550 and candidate B gets 440 and there were 10 blanks. So the grand total comes to 1000 apprising us that all 1000 votes have been counted.

What should be discarded while counting- Votes will be discarded after taking majority consent of contestant present

during counting. However in general ballot paper will be declared invalid:

1. If there is any noting on paper
2. If it is not signed by the electorate
3. Ballot paper not received in time, not posted as per instruction that is not put in envelop
4. Not put vote as per instruction i.e. there is only one way of marking and it is "X" against the candidate. However with the consent of election officer, central observer and majority of contestants ballots marked with tick mark may also be accepted, especially in cases of tie up. A cross mark against name (not in the box) may also be accepted with majority consent. However this consent be decided before the counting process begins
5. Voting for more than required no. of candidate/s in that section

All discarded votes be counted, added up in valid votes and the total of two should match the initial tally of votes received and counted.

To preserve ballots after counting; - Election officer must preserve all votes/documents till declaration and acceptance of result in AGBM. Ballots will be stored in a carton sealed by election officer in presence of national observer and all contestants present during counting. A certificate to this effect will be signed by all. This will be kept in custody of election officer. In case of reexamination it will be reopened in presence of national observer.

State /zone wise analysis of votes- State/zone wise analysis of votes will be done by election officer. This will help in putting special effort in states with poor turnout. However it will not reveal the number of votes polled by the state in individual contestants.

Returned ballots- All returned ballots will be send to the secretary general who will separate those state wise. They will be send to respective state presidents to verify the addresses and make required corrections. Corrected list will be forwarded in 30 days time to the secretary general who will make corrections in the national roster

Z. DECLARATION OF RESULTS- The official declaration should be by the election officer at DERMACON, during the AGBM of year ending. The number of votes polled by various contestants shall be announced and subsequently published in IJDVL and IADVL newsletter. Prior to that the election result should be conveyed to the President, Honorary General Secretary and all the contestants. It should be conveyed to the various state branch secretaries and editor of IJDVL and IDOJ.

Q. Post/s for which no nomination has been received or remaining unfilled for any reason shall be filled by election on the floor of the first AGBM held at DERMACON.

A1- MODEL CODE OF CONDUCT OF CANDIDATES INCLUDING STRICT IMPLEMENTATION AND PUNISHMENT FOR VIOLATION OF THE CODE.

1. Canvassing by any state branch for any individual candidate or candidates shall not be permitted. 2. Individual members cannot use IADVL central or branch organs including any IADVL e-groups, Web forums etc for canvassing. They should not seek endorsement by state branches. However, one time canvassing is allowed to each contestant in IADVL general group only. THE CONSTITUTION 2014 155 3. In order to avoid individual appeals by those contesting for the post in central IADVL, each nominated contestant's biodata, not exceeding 200 words, along with his/her photograph will be printed in the IADVL News issue 2 in August. Biodata will be available on e voting portal and can be seen by clicking on name of same. 4. Candidates indulging in malpractices mentioned above will be disqualified for that election and also debarred for next two years. If any data in the biodata of a contestant printed in the IADVL News is proved to be false and incorrect, that candidate's candidature will be declared null and void. In that event the contestant, next in the order of votes secured will be declared elected. In case there, is no contestant for the post, election will be carried in the closing year's AGBM of that year. 5. Any contestant for National executive post or one of his nominees (who must be IADVL Life member) can be present inside the counting hall during counting of votes but shall not interfere with the process of counting at any cost. 6. Any member who has been elected for any post earlier cannot contest again for the same post.

B1 ARBITRATION -1. All disputes arising with regard to election of office bearers or any dispute among the members of the association shall be referred to the arbitration committee to be nominated by the central council and further approved by the general body. The verdict of the arbitration shall be final and binding to all parties. Five immediate past president will constitute the arbitration committee. The arbitration committee for election disputes or any other disputes should be appointed along with election officer during the commencing year's AGBM.

C1- The election result will be conveyed to the President, Secretary General and all the contestants immediately after the counting by the election officer. The secretary general will declare the election results 4 days after the counting of votes in various e-groups and it will be put in the web site and published in IADVL News.. It should also be conveyed to various state branch secretaries and Editor of IJDVL (after 4 days). In case

of a tie, the result would be decided by the casting vote of the President. During this 4 days period contestants can file objections if any to the election officer with a copy to the president.

D1- Posts for which no nomination has been received or remain unfilled for any reason shall be filled by election on the floor of the first AGBM held at DERMACON.

E1- All disputes arising with regard to the election of THE CONSTITUTION 2014 43 office bearers or any dispute among the members of the Association shall be referred to the Arbitration Committee to be nominated by the Central Council and further approved by the General Body. Five Immediate Past Presidents will constitute the Arbitration Committee. Its verdict shall be final and binding on all parties.

F1- E-voting will be optional and run parallel to the voting by ballot paper. However names of members opting for E voting will be deleted from postal ballot list. Attempt will be made to phase out postal ballots and shift to total e-voting process. A separate member will be designated to conduct the E-voting (under the supervision of election officer). E-portal will be opened by election officer in presence of central observer.

G1- Contestants will be provided with contact details of eligible voters both Postal and e-voters.

H1-TIME TABLE FOR IADVL ELECTIONS

1. APRIL 15: Honorary General Secretary will invite applications for various posts for which election will be held on or before this date.

New SOP 4 : MOU for accommodation during congresses OF IADVL

1. The event manager will provide copies of all contracts he has signed with all hotels.-Any change in contract will be immediately reported .This will also show the rack rate of hotel and the rate at which contract has been signed. Generally it should be not exceed rack rate .
2. The rates as per the contracts (rent and taxes separately) for each hotel and each category of rooms will be displayed on website. This will be reflected for each hotel separately. It will not be in form of hotel category -Category A -7000-1000, hotel TAJ, CLARKS This practice will not be allowed
3. No delegate will be charged anything more than this amount; no service charge would be levied. Service charges @5% will be paid to event manager for the hotel booking done by him apart from event management charges.
4. Event manager will give weekly report of delegates who has booked, rate at which rooms were booked, rooms remaining, names, telephone no and emails of delegates who booked the rooms.
5. Accommodation committee will do a random check by sending the delegates an email asking them at what rates were the rooms sold to them, along with a copy of the rates agreed for that hotel and room of that category.
6. These rates would be applicable to all rooms booked by any

delegate / pharma as allowing different rates for different categories will also not be feasible legally.

7. There would be a grievance accommodation email Id on website to which members can reach out for any difficulty.
8. This grievance email would be monitored by an IADVL central representative (senior vice president) and organizing secretary conference.
9. Any lapse pointed out to the event manager would be addressed within 72 hours and if a delegate has been charged extra, the extra amount would be refunded by the event manager. Compliance report should be send to accommodation committee.

NEW SOP 5: STANDARD OPERATING PROCEDURE FOR DVL WELFARE TRUST

- A trust promoted by IADVL. [A mutual benefit scheme coupled with professional legal protection since October 2011]
- A trust registered at charity commissioner, Vadodara with its head office at vadodara.
- Trust has started its activity since October 2011.
- **AIMS are**
 1. To provide financial assistance to the family of a member of this scheme in the event of his/her death.
 2. To inculcate a habit of savings among the members for their mutual benefit.
 3. An option to provide comprehensive indemnity cover in the event of litigant situations arising out of alleged professional negligence by the members.
 4. To educate the members, including clinic staff, to prevent any litigant situation and to guide them how to deal with it in the event of such a situation.
- Any life member at IADVL irrespective of age is eligible to become a regular member.
- At the time of enrollment member has to submit
 - o Enrollment form.
 - o Xerox copy of LM certificate with IADVL number
 - o Birth date proof
 - o Two passport size photograph
- A. **Admission Fees** The admission fee is onetime, non refundable, non transferable and depending upon the age

at the time of realization of check. The admission fees will be revised by the managing committee periodically. No refund is admissible to any member who wants to discontinue his membership at any time. A discontinued member, if he wants to join the scheme again will be treated as a new member.

- **Annual membership fees** : Every regular member / beneficiary member of the scheme shall pay Rs.300/- (with increment of Rs.50/- every year, the effective date being 1st April every year) as Annual Membership Fees. In 2005 it is 500/every year. A member may deposit his annual contribution in advance. 4% interest will be given on such deposit.

- **Advance fraternity contribution** : Every member has to pay initially Rs.1500/- as Advance Fraternity Contribution which will be adjusted as Rs.500/- per death during the year. However the scheme will have the right to ask additional amount of advance if necessary. At the Beginning of next year amount used during the preceding year as fraternity contribution will be collected from the member to make advance Fraternity Contribution Rs.1500/-. The advance Fraternity contribution will remain as security against the contribution payable by the member.

The advance fraternity contribution shall be refunded on termination or the discontinuation of membership or after the period of thirty years for founder regular member for founder regular member, (35 years for other regular members & 40 years for beneficiary members) of after the death whichever is earlier.

No interest is payable to members by this advance fraternity contribution

- **Legal fees (optional)**: Member can avail the benefit of professional indemnity by paying additional legal fees. [However Member has to be a member of DVL welfare Trust.]. The legal fees will be Rs.1000/-, Rs.2000/- or Rs.3000/- depending upon the type of practice & the procedures performed by the member.

- **Deposit (optional)** – any amount can be deposited with trust as member Deposit on which annual 4% interest will be credited to the member account)

- **Beneficiary members**: The family members of the regular member of the trust can become the member of trust as beneficiary members. Separate forms need to be filled for each member of a family. Beneficiary member shall not have any right to attend or vote in the general body of the trust and shall not have any right to vote or contest for any post. In case of beneficiary member the application form must be signed by the

beneficiary member along with regular member.

Special Note in Reference to Professional Protection.

- B. All medico legal risk arising out of activities in surgical & diagnostic camps shall be excluded from the pervue of the scheme.
- C. The scheme is not responsible for any act of a member for which he/she is not professionally qualified and/or professionally experienced / trained.
- D. Continuous membership of IADVL for the entire period of the coverage by the scheme is Mandatory. [At the time of litigation, the membership must be continued.]
- E. The scheme shall not provide any indemnity cover for any act of a member which is against the law of the land.
- F. The scheme shall provide legal defence in civil/criminal case before the medical councils, consumer grivences redreessal Forums and Courts if opted by deposing legal fees.
- G. The scheme shall provide reasonable expense for bail procedure in case of arrest arising out of professional criminal negligence, if opted by deposing legal fees.
- H. The scheme shall supply the members guidelines for action & specimen literature for maintenance records,
- I. The scheme shall provide list of address and telephone numbers of the office bearers & panel lawyers selected by the scheme.
- J. In the event of Medico-legal problems the member shall (if opted by deposing legal fees.)
 - 1. Inform the Office Bearers & Counsel of defence of choice from the panel of lawyers.
 - 2. Provide medical records exactly describing the evolution of the case & keep a copy in safe custody.
 - 3. Avoid making any oral or written commitment without the specific permission of the scheme.
 - 4. Hand over all the original documents or Xerox copies demanded by the legal counsel & keep extra copies with him.
 - 5. (i) If a member so desires he can engage his own defence lawyer at his owncost, which shall not be reimbursed by the scheme,
 - (ii) Such a lawyer shall assist the panel lawyer in his defence in which case the decision of the panel lawyer will be final & binding.
OR
 - (iii) Arrange for his independent defence in which case any liabilities of the scheme with regards to the risk & cost arising there of shall stand discharged and shall not be reimbursed.
- Twenty percent extra of the legal fees upto maximums 100% of the legal fees shall be charged to a member per every case

registered against him/her. The extra amount however shall automatically cease if the case against him/her is dismissed. After five litigation the scheme reserves its right of renewing or not renewing his/her memberships.

- Every member has to contribute annually as below
 - ✓ Annual Membership
 - ✓ Fraternity Contribution [Rs.500XN, where N=No. of death of members]
 - ✓ Legal Fees [by those members who opt for professional indemnity]
- Every member of the scheme shall contribute fraternity contribution of Rs.500/- in the event of death of member for 30 years for founder members, 35 years for other regular members & 40 years for beneficiary members from the date of joining the scheme. Out of the above amount, Rs.450/- shall be paid to the nominee of the deceased member and Rs.50/- will go towards the social security Corpus Fund.
- The member has to pay his fraternity contribution for 30/35/40 years (as case may be). Thereafter he has not to pay any such contribution and yet he remains a member of the scheme.
- Benefit of social security will start after ONE year of joining the scheme for founder members. For other members the benefit starts after two years of joining the scheme.
- Nominee will get Rs.450 X N where N=No. of members of DVL Welfare trust. In other words, when more IADVL members join this scheme, more will be the fraternity benefit for members' families.
- Professional Indemnity coverage for regular member will start immediately after joining the scheme.
- If any member voluntarily retires as a member, he/she will get refund of only balance amount if, lying in advance fraternity contribution to his/her credit. Such member will not get any refund of his/her Admission Fees, Membership Fees, Legal Fees. No interest is payable on any balance amount to such a member.

Members Disqualification

- A. If a member/beneficiary member fails to pay his Annual Contribution in terms of Annual Membership Fees, Fraternity Contribution and legal fees (for regular members only) before due date every year he/she shall be treated as a defaulter and he/she shall pay an extra amount of Rs, 10/- for every Rs. 500/- or part thereof, for a delay of every month or part thereof. If the defaulter continues beyond the period of 30 days, then a notice by Registered AD post shall be issued to such a member with a notice fee of Rs. 300/-. And if such a member does not pay the dues within 30 days of the issue of notice, membership shall be terminated, and all

the contribution given to scheme will be forfeited. Afterwards if such a member wishes to join the scheme, he shall have to apply afresh. Financial assistance will not be given in any form for the default period.

- B. If a member furnishes any wrongful information in his / her application form or any time during his term of membership by which he / she claims any wrongful benefit under the scheme, after giving him / her an opportunity of being heard before the Managing Committee, and if his / her explanation is not found satisfactory, the Managing Committee of the Scheme shall have the right to terminate the membership or the member concerned without any benefit. He / She shall not be eligible for any further enrolment in the scheme and all amount paid by him / her will be forfeited.
- C. If any member, at any time, for any reason ceases to be a member of IADVL, his membership of this scheme shall cease automatically. If such member revives his membership of IADVL, within a period of six months, he can get his membership revived on payment of Rs. 1000/- and arrears of demand, if any. If he does not get his membership revived within the stipulated period, he will be treated voluntarily a retired member and he will be given such benefits as per clauses 26 of this scheme.
- Every member shall specify his/her nominee for obtaining benefit under this trust.
 - All registered members will be issued a Certificate as early as possible after their enrolment in the scheme.
 - Duplicate certificate will be issued in case of loss of the original certificate with payment [at present Rs.1000/-]
 - **The management of Trust** is by the managing committee duly elected in the Annual General Body Meeting of the Trust members.
 - **The managing committee** shall consists of
Ex. officio Members - 7
Office bearers - 8

New SOP 6 :IADVL QUIZ FOR POST GRADUATES

Aim: Aim of this SOP is to outline detailed procedures and guidelines to be followed in the smooth conduct of postgraduate quiz by IADVL.

All state CUTICONS will conduct Quiz under the supervision of Central body with the help of National coordinator, under the IADVL and sponsoring pharma banner.

Teams will be selected from CUTICONS as per the existing system for participation in national level Quiz. Screening test will be held on the CME day or 1st day of conference, which will be announced well in advance. Pattern of the test will be a written MCQ type.

The top 4 teams will be selected for finals. Quiz master/Quiz masters for DERMACON will be selected by National executive (maximum two quizmasters allowed).

1. All state CUTICONS will conduct the Quiz under the supervision of the Central body with the help of the National Coordinator under the IADVL- Pharma Company banner. Each medical college/institution can field one team only comprising of two residents. In the event of a particular state having less than four teams participating, teams from adjoining states to be clubbed. Only one team would be selected for the national preliminary screening test from among the clubbed states.
2. Teams selected from various CUTICON quizzes will participate in a screening test at the DERMACON venue and the final four will be selected after the screening.
3. The Quiz Master for the CUTICON should be from a different state. Quiz Masters for each state can be decided by the President and Hon. General Secretary with suggestions from the National IADVL Quiz Committee. Volunteers can be invited through the IADVL e-groups. (format of mail inviting applications is attached as annexure I to SOP QUIZ) Criteria for selection will be a good academic background, experience of conducting and participating in quizzes, and interest and commitment to conduct the Quiz. Weightage will be given to people who have been assistant quiz masters earlier. (Format of application is attached as annexure II to SOP QUIZ) Each Quiz master can conduct CUTICON quizzes for a maximum of three times (extended to 5 times in exceptional circumstances) to facilitate grant of chance to conduct the quiz to new quizmasters. Quiz Masters will be free to frame their own questions, which should be short, clear, with a single answer types and non-controversial. Quiz masters decision will be final.
4. Each quizmaster will forward a report to chairman quiz

committee within 48 hours of conducting the quiz (Proforma for quiz master's report is attached as annexure III to Quiz SOP)

5. Every CUTICON Quiz will also have one Assistant Quiz Master selected from that state to assist the Quiz Masters in conducting the Quiz. Assistant Quiz Masters will be provided mementoes by Sponsoring Pharma company and complimentary conference registration to them be provided by respective state CUTICONS .However they will have to make their own travel and accommodation arrangements and bear these expenses. Volunteers for Assistant Quizmasters to be invited on IADVL e groups.
6. At the state level, if there are more than four teams there will be a preliminary screening test consisting of 30 MCQs covering all subspecialties (e.g. clinical dermatology, venereology, leprosy, cosmetology, paediatric dermatology, dermatopathology, dermatosurgery, and lasers) and lasting for 30 min. Only single answers would be allowed (no multiple answers), with correct answers carrying 1 mark and wrong answers a -0.5 mark. In case of a tie, another 10 MCQs will be put up between the tied teams. If there is still a tie, the team with the fewest negatives (not including unanswered questions) in the primary MCQ paper will be selected. In the event of a tie, lots will be drawn. The final among the four teams will consist of eight rounds (viz. basic sciences, two clinical dermatology, dermatopathology, STDs including HIV/AIDS, leprosy and tropical dermatology, pediatric dermatology, and cosmetology and dermatosurgery, in that order) and one rapid fire round. Each round would consist of four questions. Questions should be single, and not consist of two parts. The first round will start from Team A, the second from Team B, and so on, while the fifth round will start in reverse order, i.e. from Team D, Team C, etc. A correct answer carries 10 marks, while a correctly answered passed question gets 5 marks. There is no negative marking. The time for a question is 10 sec for the primary team; a secondary team has to answer immediately. In the rapid fire round, each team would be asked up to 10 questions in one minute. A correct answer carries 03 marks. There is no negative marking. In case of a tie, the Quiz Master should be ready with tie breaker questions, three for each team. If there is still a tie, whoever scored the highest in the MCQs will be declared as the winner.
7. At the national level, a one hour screening test will be held on the CME day or the first day of the conference; its date will be announced well in advance. The test will consist of

50 MCQs, with correct answers carrying 1 mark and wrong answers a -0.5 mark. In case of a tie, another 10 MCQs or visuals will be put up between the tied teams. If there is still a tie, the team with the fewest negatives (not including unanswered questions) in the primary MCQ paper will be selected. One question of the tie breaker questions can be preassigned as a "tie breaker". In the event of further tie, lots will be drawn.

Once the final four teams are selected, the stage show can be similar to a state level final, with eight rounds and a rapid fire round. If there is a tie, the Quiz Master should be ready with tie breaker questions, three for each team, with no passing. If there is still a tie, whoever has scored higher in the MCQs may be declared the winner. Chairman Quiz committee is empowered to bring changes in the Quiz format for the National Final round to make it more interesting; however standard format will be followed during CUTICON Quizzes to maintain uniformity

7. Financial arrangements:

a) CUTICON Quiz:

- (i) Quiz Masters: Quiz masters will make their own travel arrangements and will be reimbursed by the local organizers of the CUTICON and not the IADVL. The organizing secretary of the CUTICON should take care of their accommodation and the local hospitality and reimburse their travel expenditure. IADVL will pay to the local organizers a sum of Rs 25000/ towards stay and travel of the Quizmaster to

the CUTICON organising committee. Free registration will be provided to QM and AQM by the CUTICON OC.

- (ii) Participants from neighbouring state who proceed from their state to the state hosting the CUTICON Quiz will be paid Rs 10000 each towards cost of their stay and travel.

b) DERMACON Quiz:

- (i) Participants: The IADVL will pay Rs. 15,000 to each participant for the expenses incurred.

- (ii) Quizmaster/Quizmasters: Travel and accommodation of Quizmaster/Quizmasters will be provided for 4 days at DERMACON by local organizers who will be paid a sum of Rs 25000 per quizmaster for this purpose.

However mementoes and certificates will be provided by Sponsoring Pharma Company

Cutoff dates:

Invitation to apply as quiz master: 1st May

Deadline for receiving the application for quiz master:
30 May

Selection of quiz masters: 15 July

CUTICONS to inform date of CUTICON: Minimum 2 months prior to execution

Quiz masters' report: To be submitted within 48 hours of conducting the quiz.

Annexure I to SOP Quiz:

NEW SOP 7: INVOLVEMENT OF STATE PRESIDENT IN DERMACON (TO BE ADDED IN DERMACON SOP)

There will be 3 state presidents between bidding and actual conference. The state president will take keen interest in the organization of DERMACON. His main role will be:

1. The proposal for bidding the DERMACON has to come through the state with the approval of state AGBM.
2. The presentation during valedictory function will be made jointly by the proposed organizing secretary and the state president.
3. During venue inspection the state president will also be present.
4. DERMACON OC is supposed to keep state EC informed about the progress of the conference preparation .While obtaining a PAN number ,while opening the bank account and while deciding the event manager involve the state EC represented by president and secretary. A progress report will be send 1 year after the allotment (December), then in June and October of the following year .
5. It will be the responsibility of state president to ensure that income and expenditure accounts are submitted within 6 months of the conference and this certificate of income and expenditure will be countersigned by the state president who will sign and mention as -I CONCUR

NEW SOP 8: IADVL MEDIA POLICY

1. Press conferences will be held by EC during ECM/CCM/ DERMACON/other times as needed and decided by EC. The press conferences will be arranged ordinarily by secretary, or any other EC member authorized by president in the absence of and with the concurrence of secretary
2. Above policy will apply to press release/radio talk/TV talk/ telephonic talk with press also
3. In case of any other standing committee wishing to release a press note:
 - a) Prior information and permission would be taken from president /EC. The standing committee will inform the topic, newspaper, and content to the media cell chairman, president and secretary. Media cell chairman will vet it and send to secretary. The secretary will consult president and EC if necessary and then clear the matter for release. The press note will be released only by Chairperson/convener
 - b) Care will be taken to stick to official policy on the matter

- c) IADVL name will be mentioned in all press releases
 - d) Member's name with position in IADVL may be quoted- personal positions in clinics/hospitals are not allowed
4. In case of discussions with press:
 - a) The chairman/coordinator will inform media cell chair, secretary and president about the possible discussion with press
 - b) Topic to be discussed will be informed to secretary/ president
 - c) Care will be taken to stick to official policy on the matter as decided by IADVL AGBM/CCM/EC
 - d) IADVL name will be mentioned in all press releases
 - e) Member's name with position in IADVL may be quoted- personal positions in clinics/hospitals are No pictures of President/ Secretary of any level to be printed in press releases/ advertisements. No self appraisal / glorification by members in such press releases.
 - f) Controversial issues - Infections epidemic/ aesthetics/ scams- The state should contact National body on emergency basis before making announcements/ declarations
 - g) Issues related to government policy/MCI/sensitive data which are serious and important need to be deliberated at appropriate levels in standing committee and EC, official stand and policy to be determined before discussion with press
 5. If there is any misquote, a letter of correction will be sent after discussion with president /secretary to the press
 6. On important days observed by IADVL like vitiligo awareness day, leprosy day newspaper medial releases, advertisements can be given by IADVL members/city/district /states sticking to guidelines:
 - c) Care will be taken to stick to official policy on the matter as decided by IADVL AGBM/CCM/EC
 - d) IADVL name will be mentioned in all press releases
 - e) Member's name with position in IADVL may be quoted- personal positions in clinics/hospitals are not allowed
 7. Media cell is authorized to prepare matters for press releases on different aspects and on important days and circulate to members who can then release it to subject to same guidelines as above
 8. The same rules apply to social media also. Matters approved by IADVL can be displayed on individual websites/face book accounts highlighting the role of IADVL without any effort of personal enhancement.

ANNOUNCEMENTS AND REPORTS

Mutual benefit scheme of IADVL - The DVL trust

Introduction: IADVL has launched a mutual benefit scheme coupled with professional legal protection in 2011 and named it DVL welfare trust. It is one of the important financial benefit scheme aimed at securing financial security for the family members of our association. The Executive committee of IADVL urges all its members to join this mutual benefit scheme to make it a successful initiative of IADVL. The details of this welfare scheme are as follows:

DERMATOLOGISTS VENEREOLOGISTS & LEPROLOGISTS WELFARE TRUST (DVL trust) has been established for the benefit of members of IADVL. The trust has been registered at Vadodara. DVL Welfare Trust is by IADVL, of IADVL and for IADVL ites".

Aims and objectives of the scheme:

- 1) To provide financial assistance to the family of a member of this scheme in the event of his/her death.
- 2) To inculcate a habit of savings among the members for their mutual benefit.
- 3) An option to provide comprehensive indemnity cover in the event of litigant situations arising out of alleged professional negligence by the members.
- 4) To educate the members, including clinic staff, to prevent any litigant situation and to guide them, how to deal with it in the event of such a situation.

Eligibility of the members: Any life member of IADVL, irrespective of age is eligible to become a Regular Member of the scheme. Family members of Life members of IADVL can also join the scheme as Beneficiary Members. Please note that separate forms need to be filled for each member of a family.

Total Amount Payable at the time of admission:

1. Admission Fees (as per age-given below).
2. Annual Membership Fees Rs. 5000. [for the year 2015-2016].
3. Advance Fraternity Contribution (AFC) Rs. 2,000 (Rs Two thousand only) a minimum amount kept with DVL trust towards members future fraternity contributions.

Optional amount to be payable at admission: Member can deposit additional amount of his choice as deposit for future annual contribution. The 4% interest will be credited on deposit amount.

Details of one time Admission fees: The Admission Fees payable shall be based on age in years of the proposed member or their family member who likes to join the scheme, as follows:

a) Upto the age of 10 Years	Rs. 1,000
b) 11 of 20 Years	Rs. 1500
c) 21 of 30 Years	Rs. 2000
d) 31 of 40 Years	Rs. 3000
e) 41 of 50 Years	Rs. 4000
f) 51 of 60 Years	Rs. 5000
g) 61 of 70 Years	Rs. 7000
h) above 70 Years	Rs. 8000

Optional Legal fees for professional indemnity: For life members of IADVL who volunteer to have professional legal cover, this option is available. However, they necessarily have to be members of DVL trust as well. Annual legal fee is based as per type of Dermatology practice: a) The Consultant with only office practice will have to pay Rs. 1000/- per year; (b) The consultant with practice of Dermato surgery will have to pay Rs. 2000/- per year; (C) The consultant with practice of cosmetic, laser & other procedures will have to pay Rs. 3000/- per year; to cover these procedural events or litigations.

The indemnity coverage will be Rs. 7,00,000 (Rupees seven lakhs) per case and Rs. 15,00,000 (Rupees Fifteen lakhs only) aggregate per year. If member wishes, the indemnity coverage can be doubled by paying double the annual legal fees.

Member's annual contribution: [a] Annual membership fee of Rs. 500/- (with increment of Rs. 50/- every year). and [b] Fraternity contribution Rs. 500 x N, where N = No. of Death of members)

Plus, Optional professional indemnity annual legal fees, to be paid by those members who opt for professional indemnity.

Benefits for IADVL members of DVL trust: 1) Social security to family members: Note: Financial benefits will start after ONE year of joining the scheme. Nominee will get Rs. 450 x N, where N = No. of members of DVL trust. In other words, when more IADVL members join this scheme, more fraternity benefit for members families. 2). Professional legal protection, when applicable, for those members opting for it: Legal help

is extended in all types of cases like civil, criminal, labour & consumer redressal fora.

Please note that DVL trust welfare Scheme is new ongoing scheme initiated by IADVL for the benefit of its members. Periodic modifications and improvements in the scheme to make it more member friendly are expected to take place from time to time.

We have 210 members. Last year we have lost one of our member. On member's behalf trust has already contribute to the

nominee of the diseased member Rs. 86250/-

The application form is available on web site www.dvlwelfaretrust.org. For further clarifications contact Dr Chetan N Patel at email: dvlwelfaretrust@gmail.com or drcnpatel@gmail.com or your State Coordinator.

Chairman, DVL Trust

ITATSA Brief Report July 6, 2015.

ITATSA has started multi-level initiatives to combat the problem of topical steroid abuse to help in spreading the message of safe use of steroid creams.

Various members of ITATSA have written more than 20 newspaper articles on the dangers of steroid misuse in most major Indian languages over the last few months. Major newspapers like The Times of India, Ananda Bazar Patrika, Statesman etc. have carried in-depth articles on the dangers of unregulated sales and misuse of topical corticosteroids.

Based on our call to the pharma companies to support us on this issue, OPPI (Organization of Pharmaceutical Producers of India) approached us and offered to help facilitate our meeting with the various authorities in New Delhi. Dr. VK Garg as the chairperson of the Govt. liaison cell of IADVL and one of the advisors of ITATSA also played an important role in facilitating the meetings. President and Hon. Secretary along with the chairperson Dr. Koushik Lahiri and convener Dr. Abir Saraswat had a series of three meetings with Secretary, Department of Pharmaceuticals, Dr. VK Subburaj, Joint Drug Controller General of India, Dr. S Eswara Reddy and the Director General of Health Services, Dr. Jagdish Prasad on April 24, 2015. A detailed presentation was made in front of these officials explaining the nature and magnitude of the menace and our demands were put forth. A comprehensive dossier of all important literature on this subject from India, both in journals and lay press was handed over to all three officials for detailed perusal and action. All three gentlemen gave us a patient hearing and were very supportive of our efforts. They additionally assured us of all help in this regard.

On April 27, 2015, The national co-ordinator of ITATSA Dr. Shyam Verma along with Dr. Somesh Gupta and Dr. Binod Khaitan, convener of the government liaison cell met the DCGI Dr. GK Singh and made a similarly detailed presentation on this issue. He assured us of action from his office and within a few days, a letter was dispatched to all state drug controllers instructing them to take strict action to prevent non-prescription sale of topical corticosteroids under the relevant acts.

Since then the ITATSA state coordinators of four states, viz. Karnataka, Maharashtra, West Bengal and Gujarat, along with state office bearers have met their respective state drug controllers. Detailed dossiers with documentary proof have been given to them to sensitise them on this issue and they have been requested to take action against drug firms advertising and selling potent steroid containing fixed dose combination creams directly to the public.

In addition, various members of ITATSA have held numerous meetings with general practitioners, pediatricians and chemists all over the country educating them about the dangers of misuse of topical corticosteroids. For these, a model set of powerpoint slides has been prepared and made available to all members for ease of preparing presentations. A model press statement / layperson information sheet has also been prepared and sent to all members.

Dr. Abir Saraswat
Governor, ITATSA

IADVL Sister Society Meeting @ AAD 2015

The first ever IADVL sister society meeting at an AAD conference was held this time at the 73rd annual American Academy of Dermatology meeting in San Francisco on the 19th of March 2015. The venue was the West wing of the Moscone centre, San Francisco. The proceedings began at 1.30 pm with an introduction and welcome speech by Dr Venkataram Mysore, President, IADVL followed by a short discussion on dermatological diseases from an Indian perspective by Dr Rashmi Sarkar, Hon. General Secretary, IADVL.

The next session was on 'Hair and nails – Indian Scenario', chaired by Dr Venkataram and Dr Rashmi. The first speaker was Dr Soumya Jagadeesan who spoke on her experience with Contact Immunotherapy in Alopecia areata, followed by Dr Chander Grover who spoke on the newer developments in Nail psoriasis. The second session on Psoriasis and Acne, was chaired by Dr Manish Shah where Dr Trilokraj Tejasvi and Dr Koushik Lahiri spoke at length about the genetics in psoriasis and Acne mimickers respectively. In the following session chaired by Dr Koushik Lahiri and Dr Soumya, the speakers were Dr Geeti Khullar who shared her views on the Clinicopathological spectrum of malignant melanoma and Dr Vinay Keshavmurthy spoke on his experience with Rituximab in Pemphigus. The academic session came to a conclusion with the talks by Dr Manish Shah on phototherapy in children and Dr Govind Mittal on the role of Interleukin 17 in SLE.

All the lectures were well received and attended. Dr Nellie Konnikov, Dr Steven Emmet and Dr Lawrence Field were some of the eminent AAD members who graced the meeting with their presence. The meeting also gave a window for the Indian dermatologists to socialize and plan strategies for the upcoming WCD meeting at Vancouver.

Dr. Soumya Jagadeesan, Kochi

Applications are Invited from IADVL Members for the Following Awards

Last date for application is 1st September, 2015 by Email to
Dr. Rashmi Sarkar
Honorary General Secretary, IADVL
Email: iadvlsecretary2014@gmail.com
Mobile: +91-9818244340

AWARDS given by IADVL to eligible members by either by Application or Nomination: To be given away during DERMACON

(Members can either apply directly or can be nominated by a
Life member of the association for these awards)

- 1. Professor K. C. Kandhari Foundation Award:** This is the highest award of the Association. It was instituted by Prof. K. C. Kandhari Foundation. This award is given every year at DERMACON to a personality for lifetime meritorious service or contribution to Dermatology, Venereology, and Leprology by teaching, research or patient care so as to contribute to the prestige of the specialty. Nominations for the award are given by the President, Immediate Past President, President Elect and Chairperson of IADVL Academy of Dermatology and ratified by the Central Scientific Committee.
- 2. Dr. J. C. Shroff Memorial Award:** It is given to a senior dermatologist, Venereologists or Leprologists above the age of 58 years, whose lifetime experience has benefited the specialty.
- 3. Prof. Ratan Singh Award:** It is awarded to a senior member of the Association for contribution to the national body as a teacher, researcher, or patient care or for dedicated service to the specialty.

Awards which can be applied for by Life members of IADVL – to be given away during DERMACON

- 4. Dr. L. N. Sinha Memorial Award:** It is given to one member of the IADVL aged Below 45 years for overall contribution to the specialty (and not only for scientific achievement). The award should be rotated on a zonal basis. This year members from any zone of IADVL are eligible to apply for it.
- 5. Prof. V. N. Sehgal Award:** It is given to a member of the IADVL for accomplishing excellence in dermatology.
- 6. Prof. L. K. Bhutani Award:** It is to be given for achievement for teaching and research in the specialty.
- 7. Prof. Ganapati Panja Memorial Award:** It will be given on IADVL Day to a senior dermatologist for contribution to clinical dermatology or Dermatopathology

- 8. Prof. G. Senthalmil Selvi Award:** The award should be given by the President on IADVL Day to any person for the best published work in mycology, published in a national or an international journal. The Editorial Board of IJDVL will shortlist three names.
- 9. Prof. S. Premalatha Award for the Best Research Project in Dermatology:** The award is given for the best research project published in any Indian or International peer reviewed journal. This award will be given to a life member of IADVL for a pure Investigative Research work in Dermatology/Venereology/Leprology. The applicant should be either the lead author or corresponding author of the publication. A copy of the research work should have been already published during the past 5 years by him/her at the time of application. The Chairperson of IADVL Academy of Dermatology and the Chief editor of IJDVL will select the name of the awardee in consultation with the President and Honorary General Secretary of IADVL.
- 10. Dr. B. V. Satyanarayana Memorial Award For IADVL Thesis Evaluation** for the best dissertation submitted for evaluation every year. (would be announced separately)
- 11. Best IADVL State Branch Award:** The award is by application by IADVL state branch secretary. It carries a certificate and a memento given by IADVL every year to a branch of IADVL judged by a panel consisting two past and present Honorary General Secretary based on the criteria presented in this regard. (**Annexure XVI of constitution of IADVL**)

Selection Procedure:

- The applications for these awards are to be submitted by email with necessary enclosures and support documents to the Hon. General Secretary of IADVL. The last date to submit the application to Ho. General Secretary shall be **1st September every year.**
- The Hon General Secretary will forward the application to the chairperson of IADVL Academy of Dermatology for evaluation by the members of the academy
- The IADVL Academy of Dermatology will process the application based on criteria, laid down in consultation with the president of IADVL
- The Final decision will be taken during the meeting of the Central Scientific committee
- The Hon. General Secretary shall intimate the selected awardees and award will be given during **423rd DERMACON** to be held at Mangalore in February 2015.

AWARDS, MEDALS, AND PRIZES which would be decided during DERMACON

These would be presented at the valedictory SESSION AT DERMACON

Awards available for presenters at award paper session/free paper session of DERMACON: Note: All prizes, medals and awards are of the same rank. The number of best papers to be selected depends on the number of prizes and medals that are available and if all the prizes and medal carry equal value, then the number of papers selected as best will be according to the number of prizes and medals available.

12. **Dr. Manu Patel Memorial Award:** for the best poster presentation amongst the posters displayed at the National Conference.
13. **Prof. H. C. Mohanti Award:** The award is to be given for the best paper in leprosy.
14. **M. G. M. Medical College Prize:** The prize is given to a person below 35 years for the best paper presented at DERMACON during the award papers session.
15. **Prof. F. Handa Prize:** It is to be given to a person below 35 years for the best paper presented at DERMACON during the award papers session.
16. **Prof. B. N. Banerjee Medal:** The medal is awarded to a person below 35 years for the best original research paper presented at DERMACON during the award papers session or published in IJDVL during the year.
17. **Dr. B. B. Gokhale Medal:** It is to be given to a person below 35 years for a paper presented at DERMACON during the award paper session.

18. **Prof. K. Siddappa Medal:** It is to be given to a postgraduate student for the best paper, preferably for original research, at DERMACON during the award papers session.

19. **Prof. D. K. Gupta Medal:** It is to be given to a female postgraduate student for the best paper, giving preference to original research work, presented at DERMACON during the award papers session.

20. **Dr. L. Marquis Memorial Award:** The award is given to a guest speaker at DERMACON for best guest lecture.

21. **Dr. C. S. Bhavani Kumar Memorial Award:** It is to be given to a dermatologist aged below 45 years for the best paper presented on dermato surgery at DERMACON.

22. **IADVL-KIVI Poster Award:** for the best poster presentation amongst the posters displayed at the National Conference.

OTHER AWARDS, PRIZES, MEDALS TO BE GIVEN DURING DERMACON:

23. **Dr. Bishnupriya Devi Award:** It is to be given to the first author of the best paper published in IJDVL during the year.

24. **Mrs. Indubala Memorial Award:** It is to be given to the best paper published in IJDVL during the year, on the subject of industrial or occupational contact dermatitis. If no such papers are published, the award should be given for any good paper published on contact dermatitis.

Announcement of IADVL thesis evaluation award (Dr. B.V. Satyanarayana Memorial Award)

Rules for competition

1. Only candidates successful in MD/DNB (Dermatology) exams during the last one year can apply
2. Only one application may be sent per institute per year accompanied by a recommendation from the Head of the Department that also certifies the authenticity of the work done and the time frame in which the study was completed. If more than one candidate has appeared during the year under review, the head of the dept should recommend only one of them based on merit.
3. Forms (also available for download on www.iadvl.org). The application form: applications must be accompanied with a standard form (Below)
4. Applications with SYNOPSIS OF THE DISSERTATION ONLY preferably with a copy of the approval letter of the Institutional review board / Ethics Committee/ Academic Committee clearing the study proposal should be sent to the National IADVL Secretariat by e-mail only (in MS word format) by **1st October 2015 to: iadvlsecretary2014@gmail.com**. The attached synopsis should not have identifiers like name of the dissertations, guide, institution or city
5. The applications and the thesis will be randomly coded – numbered by the Honorary General Secretary and then sent to the dissertation evaluation committee with blinding of names of candidates and identify of institutes or cities
6. Members of the thesis evaluation committee will study the soft copies individually and then hold preliminary discussions to short list good dissertations keeping in mind the criteria set forth in the following evaluation form
7. Hard copies of the dissertation will be needed only if the synopsis is short listed
8. Thereafter the evaluation will evaluate the selected dissertation in print format together to select the final top three and communicate the result to the Honorary General Secretary
9. The Honorary General Secretary, in consultation with the IADVL President, will then declare the result in the valedictory function of the annual conference (DERMACON)

Dr Ameet Valia
Convener

IADVL Academy of Dermatology (2014-15)

Reconstitution of IADVL SIGs

Applications were invited for membership of SIGs on Trichology and Psoriasis. Their composition, as decided by the selection committee (consisting of the President, President Elect, Chairperson of the IADVL Academy of Dermatology, Honorary General Secretary, and the Coordinator of the SIG) follows.

IADVL SIG Psoriasis

Coordinator: Dr Muralidhar Rajgopalan

Members

Dr Shyamanta Barua
Dr Laxmisha Chandrashekhar
Dr Srabani Ghosh
Dr Asit Mittal
Dr Anchala Parthasaradhi
Dr Abir Saraswat
Dr Vinay Singh
Dr CS Sirka
Dr Sushil Tahiliani

IADVL SIG Trichology

Coordinator: Dr BS Chandrashekhar

Members

Dr Nirmal B
Dr Yasmeen Bhat
Dr Kavish Chouhan

Dr Rachita Dhurat

Dr Sukesh M.S

Dr Samipa S Mukherjee

Dr Ajay Ovhal

Scientific Program of 43rd DERMACON, Mangalore, 2015

Feedback from Academy members was compiled by Dr DA Satish and forwarded to the organisers of the Mangalore and Coimbatore DERMACONS.

Scientific Program of 44th DERMACON, Coimbatore, 2016

Four SIG sessions have been recommended during DERMACON 2016: Dermatology Clinical Trial, Dermatopathology, Genodermatoses, and Paediatric Dermatology

IADVL Research Methodology Workshops-2015

Conceptualized by the Immediate Past President, Dr Deepak Parikh last year, the 2015 series is being organized with him as the National Coordinator and Dr Saumya Panda, the Co-ordinator of the Dermatology Clinical Trials SIG, as the National Scientific Coordinator. This is in collaboration with the Gujarat, Telangana, North East and Kerala state branches and MSD. The schedule is:

1. Ahmedabad (June 27 and 28)
2. Hyderabad (July 4 and 5)
3. Guwahati (August 8 and 9)
4. Calicut (August 22 and 23)

IADVL Training Fellowship Centre Applications

Applications are being invited from centres for recognition as IADVL Training Fellowship Centres, with an updated form.

- Dr KM Ajith Tharakan/Dr Bikash Ranjan Kar, IADVL
Training Fellowships Coordinators

International Dermatopathology Fellowships

As part of a Presidential Project, applications were invited for international dermatopathology fellowship at four centres in USA and Taiwan. These centres have agreed to provide free fellowships, while the IADVL will award a scholarship of Rs 50,000 each for up to four candidates in a year. Dr M Ramam is coordinating with the centres, while Dr Nandakumar G, Coordinator, IADVL SIG Dermatopathology, has been actively involved.

- Dr KM Ajith Tharakan/Dr Bikash Ranjan Kar, IADVL
Training Fellowships Coordinators

IADVL-Galderma and IADVL-Sun Pharma Research Grants-2015

To promote research in dermatology, the IADVL in collaboration with Galderma and Sun Pharma, has initiated grants of Rs 15 lakhs and Rs 14 lakhs respectively. Applications for these grants have been invited and the jury meeting has been scheduled with an Academy meeting on 11th and 12th July, 2015 in Kolkata.

- Dr. Tanmay Padhi/Dr Biju Vasudevan, IADVL
Research Grants Coordinators

Hair Connect Trichology Webinars

Four webinars have been planned in 2015 as a Presidential Program by the IADVL SIG Trichology (*Coordinator: Dr BS Chandrashekhar*) in collaboration with Janssen. The first was held on 8th March 2015 with a total attendance of 875 (in the live webcast as well as broadcast in 30 centres across India). The speakers were Dr RK Joshi, Dr Venkatram Mysore, Dr BS Chandrashekhar and Dr Rekha Sheth.

Hair Connect 2 was held on 21st June, with Dr. Anil Abraham, Dr. Dhanashree Bhide, Dr. Kumaresan, and Dr. Madura as speakers, and Dr. Aman Dua, Dr. Radharani, Dr. Pankaj Chaturvedi, and Dr. Ragini Ghia as panelists. There was participation of 800 members.

The web links for both recorded programs are now available at:
<http://webstream.communications.powerstream.net/008/00151/jnj/080315/>
<http://24framesdigital.com/jnj/webcast/210615/>

IADVL-MSD Online Dermatopathology Lecture Series

The IADVL SIG Dermatopathology (*Coordinator: Dr G Nandakumar*) is in the process of organizing this Presidential Program. Two lectures, by Dr V Ramesh and Dr Mithilesh Chandra, have been webcast. The permanent link for all lectures:

<http://www.digiscan.co.in/iadvl-msd-online-dermatopathology-lecture-series.html>

International Mentorship Program in Dermatosurgery

Hands on workshops on dermatosurgery, under the guidance of Dr. Lawrence Field, father of modern dermatosurgery, were held at AIIMS, New Delhi (6th April 2015), KJ Somaiya Medical College, Mumbai (8th April, 2015) and Bangalore Medical College, Bengaluru (13th April 2015) in association with the IADVL Delhi, Maharashtra & Karnataka State branches respectively and Alkem and were webcast. This Presidential Program was organized by the IADVL SIG Dermatosurgery (*Coordinator: Dr T Salim*) in coordination with the International Training and Mentorship Program of the American Society of Dermatologic Surgery.

IADVL Pan-India Laser, Aesthetics and Dermatosurgery Workshop Series

This Presidential Program is planned as a series of 15 workshops organized by the IADVL SIG Lasers and Aesthetics (*Coordinator: Dr Sanjeev Aurangabadkar & Convener: Dr Shehnaz Arsiwala*) and IADVL SIG Dermatosurgery (*Coordinator: Dr T Salim*) in collaboration with the concerned state/city branch and Torrent (for the dermatosurgery and aesthetics workshops). They are generally being held in nonmetro cities and are restricted to IADVL members, with preference for hands on or in theatre observation being given to dermatologists aged above 35 years. The dermatosurgery and aesthetic workshops carry no registration fee, while the laser workshops have a nominal registration fee.

Dermatosurgery

1. 2nd May, Guwahati. Organising Chairperson: Prof Debeeka Hazarika; Organising Secretary: Dr Anal Jyoti Bordoloi; and Local Co-ordinator: Dr Rajib Kumar Gogoi
2. September (first week), Mullana (Haryana). Local Coordinator: Dr Sanjeev Gupta
3. September/November, Patna. Organising Secretary: Dr Abhishek Jha
4. October, Bhubaneswar. Organising Secretary: Dr Bikash Kar
5. Udaipur (to be confirmed)

Aesthetics

1. 2nd August, Bhopal. Organising Secretary: Dr Anurag Tiwari. SIG Coordinator: Dr Shehnaz Arsiwala
2. 30th August, Madurai. Organising Secretary: Dr Krishnam. SIG Coordinator: Dr Anurag Tiwari
3. 27th September, Bangalore. SIG Coordinator: Dr Shehnaz Arsiwala
4. Aesthetics and Dermatosurgery, 28th & 29th November, Kottayam. Organising Chair: Dr MS Sadeep

5. 13th December, Nellore. Organising Secretary: Dr K Seetharam. SIG Coordinator: Dr Sanjeev Aurangabadkar.

Lasers

1. 10th May, Hyderabad. Organizing Secretary: Dr Manmohan G. SIG Coordinators: Dr Sanjeev Aurangabadkar, Dr Shehnaz Arsiwala
2. 12th July, Belgaum. Organising Chairman: Dr AM Pandit and Organising Secretary: Dr Shivakumar Patil. SIG Coordinators: Dr Sanjeev Aurangabadkar, Dr Shehnaz Arsiwala
3. 27th September, Lucknow. SIG Coordinator. Dr Anil Ganjoo. Dr Ankur Talwar
4. October, Nagpur. Local SIG Coordinators: Dr Sushil Tahiliani & Dr Swapnil Shah
5. December, Kolkata. SIG Coordinators: Dr Sanjeev Aurangabadkar, Dr Shehnaz Arsiwala

IADVL Scholarships for Attending SARCD-2015 and EADV-2015

Applications have been invited for grants for attending the following conferences:

1. SARCD-2015, Mysore (4th-6th, September): Thirty-six scholarships of Rs 10,000 each.
2. EADV-2015, Copenhagen (7th-11th October): Six scholarships of Rs 30,000 each.

One-third each of these are reserved for PLMs, LMs below 35 years, and LMs above 35 years who have registered as delegates, presenting a paper/poster, have not obtained any other scholarship from the IADVL, and have no other funding source.

MCI and DNB Issues

A delegation consisting of the President Dr Venkataram Mysore, Secretary General Dr Rashmi Sarkar, IADVL Academy Chairman Dr Manas Chatterjee, IADVL Government Liaison Cell Chairperson Dr VK Garg, and Dr Vineet Relhan met the National Board of Examinations and the Medical Council of India on 27th April 2015. It proposed starting NBE accredited Fellowships in Dermatologic Surgery, Dermatopathology, Lasers and Aesthetic Dermatology, Pediatric Dermatology, and Trichology with a syllabus prepared by the respective SIGs (*Coordinators: Dr T. Salim, Dr Nandakumar Gopinath, Dr Sanjeev Aurangabadkar, Dr Manish Shah and Dr B. S. Chandrashekhar*). They suggested that the theory and practical examination of the Dermatology portion of Internal Medicine should be conducted by dermatologists and that the above sub-specialities should form part of a uniform curriculum of post-graduation in dermatology. Issues of non-dermatologists

performing dermatological procedures, non-recognised bodies providing Fellowships and courses, and overlapping domains were discussed.

IADVL E-library

The IADVL E-library has restarted. Articles from certain specified journals are available by writing to iadvlejournal2015@gmail.com

- Dr KA Seetharam, Convener, IADVL E-library

IADVL Books

The IADVL plans to bring out three books, IADVL Color Atlas of Dermatology, IADVL Color Atlas of Dermatopathology, and Recent Advances in Dermatology (Indian Perspective), edited by Dr Biju Vasudevan, Dr Pradeep Mahajan and Dr Imran Majid respectively. Members are requested to contribute clinical and histopathological images for the first two; please write to their editors Dr Biju Vasudevan (biju.deepa@rediffmail.com) and Dr Pradeep Mahajan (pradeepmahajan@doctor.com) first.

IADVL Derma-Academia

IADVL Derma-Academia, the IADVL Academy's first e-newsletter, which covered its activities and the Top 10 News, was released in May 2015.

- Dr Vishalakshi Vishwanath/Dr Krina Patel, IADVL Academy Publications Coordinators

IADVL SIG Activities

(compiled by Dr Sunil Dogra/Dr Iffat Hassan, IADVL SIG Coordinators)

IADVL SIG Cutaneous Adverse Drug Reactions

A half day CME on "Tackling the menace of CADR- Joining hands together" was successfully organised by in collaboration with IADVL Maharashtra state branch on 10th May 2015, Sunday at Hotel Ramada, Powai, Mumbai. The guest faculty included Prof. Ramam, Prof. Uday Khopkar, Prof. Manas Chatterjee, Dr Rajesh Kumar, Prof. Sudeep Das, Dr Sushil Pandey, Prof. Paschal D'Souza and Prof. Lalit K. Gupta. The CME was divided into 4 sessions and comprehensively covered the topic through 7 didactic lectures and a interactive panel discussion and was accredited with 2 CME points by Maharashtra Medical Council. The workshop was attended by around 180 delegates including several senior dermatologists from Mumbai and other parts of Maharashtra.

The Cutaneous Adverse Drug Reactions pro-forma is available for download at:

<http://iadvl.org/beta/final%20CADR%20recording%20proforma.pdf>

- Dr Lalit Kumar Gupta, Coordinator, SIG-CADR

IADVL SIG Dermatology Clinical Trials

1. Dr Saumya Panda, Co-ordinator, and Dr Maninder Singh Setia, member of the SIG are the key faculty in the four Research Methodology Workshops to be held this year. As in the previous year, Dr Saumya Panda is the National Scientific Co-ordinator.
2. The SIG provided feedback for blinded applications for the IADVL-Galderma and IADVL-Sun Pharma Research Grants-2015. These suggestions for their improvement were passed on to those concerned, so that they could modify their applications and resubmit them for evaluation by the jury.

- Dr Saumya Panda, Coordinator

IADVL SIG Dermatopathology

1. The IADVL Online Dermatopathology lecture series is being organized.
2. The dermatopathology case of the month series continues on the Acad egroup.
3. The SIG formulated a curriculum that was submitted to the MCI as a proposal for a fellowship in the subject.

- Dr G Nandakumar, Coordinator

IADVL SIG Dermatosurgery

1. The International Mentorship Programme in Dermatosurgery (mentioned earlier) was organized.
2. The SIG is organizing 6 workshops as part of the IADVL Pan-India Laser, Aesthetics and Dermatosurgery Workshop Series.

- Dr T Salim, Coordinator

IADVL SIG Genodermatoses

A comprehensive list of genetic testing centers from India and abroad with their contact details and list of tests for various genodermatoses with their costs has been prepared and can be accessed from the IADVL website.

- Dr. Archana Singal, Coordinator

IADVL SIG Lasers and Aesthetics

1. The SIG was reconstituted, with Dr Anurag Tiwari, Dr Niteen Dhepe, Dr Sachem Dhawan, Dr Ankur Talwar and Dr Abhishek De as the new members.
2. An SIG team meeting was held at Kolkata in April 2015 during ACSICON to plan workshops.
3. The SIG under the wing of the Coordinator and Convener and the team (Dr Sushil Tahiliani, Dr Anil Ganjoo, Dr Satish Udare, Dr Niteen Dhepe and Dr. Anurag Tiwari) conducted the first workshop on lasers at Hyderabad on May 10 in association with the IADVL Telangana state branch. It was

an 8 hour program with 2 credit points from state medical The faculty demonstrated 20 different laser systems during the workshop on more than 30 patients. The first of its kind of IADVL workshop in India and registered more than 225 delegates for a nominal fee of Rs 1000 who got a firsthand live demo of various laser systems and their comparisons for some indications meticulously executed by the expert faculty from various zones of the country. The didactic lectures and unique concepts of laser blast panel discussions and first time topics like anatomy of lasers were delivered. All technologies and most laser indications and advances were demonstrated. More than 10 laser companies participated.

4. The first IADVL SIG-Lasers and Aesthetics newsletter, edited by Dr Shehnaz Arsiwala and Dr Sanjeev Aurangabadkar, was released on May 10 at this workshop. It was our President Dr Venkataram Mysore's vision and with inputs from Dr Rashmi and Dr Manas and Dr Ameet.
5. The SIG is organizing 5 laser and 5 aesthetics workshops as part of the IADVL Pan-India Laser, Aesthetics and Dermatosurgery Workshop Series.
6. The SIG formulated a curriculum that was submitted to the MCI as a proposal for a fellowship in the subject.

- Dr Sanjeev Aurangabadkar, Coordinator & Dr Shehnaz Arsiwala, Convener

IADVL SIG Leprosy

1. The first SIG Newsletter on leprosy was released during DERMACON-2015 at Mangalore.
2. The IADVL SIG Leprosy was associated as an official partner for the IAL Midterm Conference on April 11 and 12 in Hyderabad. A Quiz on leprosy was conducted.

- Dr V V Pai, Coordinator

IADVL SIG Pediatric Dermatology

1. 'Walk for Eczema' was organized by the SIG and Eczema Parents Support Group on Sunday, 17th May, with more than 50 participants and 500 information handouts distributed over almost 2 hours. Apart from the Immediate Past President, Dr Deepak Parikh and SIG members Dr Manish Shah, Dr Rajesh Jadhav, Dr Manjot Gautam and Dr Resham Vasani, prominent dermatologists including Dr Nina Madnani, Dr Manish Gautam, Dr Rajesh Kumar, Dr K E Mukadam and Dr Priti Savardekar also participated. Also present were Mrs Anindita Guha Maulik Rungta who has initiated an Eczema Parents Support Group, and patients with their parents and family members.
2. 'Understanding eczema' handouts were prepared in English, Hindi and Marathi and uploaded on the IADVL app.

3. 'Vitiligo in children' handouts prepared and submitted to the Academy for benefit of members.
4. The SIG, with crucial inputs from Dr Sunil Dogra, formulated 'Pediatric Dermatology Curriculum' that was submitted to the MCI as a proposal for fellowship in the subject.

- Dr. Manish K. Shah, Co-ordinator

IADVL SIG Pigmentary Disorders

The SIG organised a vitiligo symposium jointly with the IADVL Maharashtra state branch on 28th June at Mumbai. About 250 people attended. The speakers were Dr Uday Khopkar, Dr Deepak Parikh, Dr Raghunatha reddy, Dr T Salim, Dr Sharad Mutalik, Dr Somesh Gupta and Dr Nilendu Sarma.

- Dr Nilendu Sarma, Coordinator

IADVL SIG Trichology

1. Four 'Hair Connect' webinars have been planned in 2015 and two completed.
2. The SIG formulated a curriculum that was submitted to MCI as a proposal for a fellowship in the subject.

- Dr BS Chandrashekar, Coordinator

IADVL STATE BRANCH REPORTS

IADVL-ANDHRA PRADESH BRANCH

Membership

Twenty four new members were added from Andhra Pradesh during last quarter and the central fund contribution was Rs 1,32,000/-. Six PLMs were converted in LMs. Address correction drive was undertaken by Dr Nilofer Banu. She has also collected E Mails and Mobile numbers and 85% of the members can be contacted now through E- Facilities.

Academic Activities

Pediatric Dermatology Update

Statewide Pediatric Dermatology CME was organized at Visakhapatnam on 29th March 2015. Dr T Narayanarao was the organizing Chairman and Dr P Guruprasad was the organizing Secretary. 170 delegates have attended. Dr Deepak Parikh, Dr Sandipan Dhar and Dr Renu George were the outside faculty. Dr Radha Krishna, Pediatrician and Dr Vishnu Vardhan Reddy, Rheumatologist, and our members- Dr G Raghuramarao, Dr T Narayanarao, Dr Anand Rao, Dr B V ramachandra, Dr P Ramanamurthy, Dr I C reddy, Dr KVT Gopal, Dr Anila Sunandini, Dr T Vani and Dr K A Seetharam were the other faculty members. Postgraduates presented interesting cases. AP medical council accredited 2 credit hours for this CME. Galderma has sponsored the CME.

A

B

- A. Pediatric Dermatology CME Faculty at Visakhapatnam
- B. Felicitations to Dr Deepak Parikh, Imm. Past President IADVL at Ped.CME.

CME on Community Dermatology

IADVL, AP in association with Community Dermatology Forum is organizing a CME on Community Dermatology at GSL Medical College, Rajahmundry on 2nd Aug 2015. The target audience are IMA members. The main goal is to bring awareness of common dermatological problems among General Practitioners. Prof. Dr G Raghuramarao is the organizing chairman and Prof. Dr A Prasad Choudary is the Org.Secretary. AP Medical council has accredited 02 hours for this CME.

CME Genodermatoses

IADVL AP in association with IADVL-SIG Genodermatoses is organizing CME on Genodermatoses at ASRAM Medical College on 9th August 2015. Prof. DR B V Ramachandra is the Org. Chairman and Dr D Subbarao is the Org.Secretary.

Regional CMEs

Regional branches are conducting Small updates, Group discussions among smaller groups and exchanging their knowledge, power and strengthening human relations.

Awards

For the first time, IADVL AP has announced best thesis, best publication awards to our members, to encourage the talent. It is being done by the IADVL AP Academy, where Prof. Dr. G. Raghuramarao was the chairman, and Prof Dr. T.Narayanarao was the Hony. Convener. IADVL AP is planning to give appreciation awards to all our LM/PLM members, who had proved their star performance.

DERMAZONE SOUTH 2015

IADVL Andhra Pradesh is organizing DERMAZONE SOUTH 2015 at Guntur on 30, 31st October and Nov 1. Preliminary E Brochure was mailed to all the members, who provided e mails, in APRIL 2015. Final print brochure was posted to all the members of all six states of South zone during 1st week of June.

IADVL AP ACADEMY

IADVL AP Academy has actively involved in shaping the Scientific programs for CMEs and DERMAZONE Scientific program with their opinions and suggestions. It has framed guidelines to evaluate best thesis and best publications. The guidelines are being scrutinized now by all IADVL AP Academy members. Once they are finalized, the Guidelines will be distributed all members with a dead line to submission.

ITATSA Activity

ITATSA Activity has been taken up by Dr.P.Guruprasad, Prof. DVL, AMC, Vizag. He has given Press releases in various local news papers and CVR Health Channel. He has coordinated with some medical colleges to organize talks to Medical students, Nurses and other paramedical personnel. Dr Vani Asst Prof DVL at GMC-Guntur, addressed a public meeting at Guntur about Steroid abuse and misuse on 25th June, which was well received and appreciated.

E Voting

Dr D Subbarao from Eluru is monitoring the activity. All our life members are requested to register for IADVL E voting. Helpline mail-helpline.evoting@gmail.com was given to all our membes, explaining the ease of E voting.

Committee meetings

IADVL AP executive committee had met on 25th April and discussed various issues about DERMAZONE SOUTH 2015 and various activities to be done by IADVL AP. It was proposed and approved to award best thesis and, best publication by IADVL - AP members. Guidelines will be prepared by IADVL Andhra Pradesh Academy.

DERMAZONE SOUTH 2015 organising committee met on 12th May at Skin Kare and discussed the various aspects of the conference.

DERMAZONE SOUTH 2015 scientific committee had met on 25th May and discussed at length and planned a preliminary scientific program to include in the brochure.

Free Skin camps

Free Skin camp is conducted every Wednesday at Sri Satya Saibaba Seva Samithi at Guntur. Around 120-150 patients are seen with free consultation and free medicines.

All the regions are requested to organize such free camps and two are being planned in August at Vizag and Rajahmundry.

IADVL-AP News Letter

A news letter, named- "INSPIRE" is published online every 3 months. First news letter was online in April 2015. Second (April-June) is online now. This contains IADVL activities of National and Andhra Pradesh, Conference informations, activities of regional branches, What's New? (Abstracts from Latest literature) and some interesting cases, submitted by members or discussed at CMEs. This is kept at IADVL AP website and also sent to IADVL Members, by E mail. Dr.Sirisha Reddy is editing this news letter.

VITILIGO DAY

Vitiligo day was celebrated on 25th June under the guidance of Vitiligo mission, IADVL.

IADVL posters supplied through ALKEM and Dr Reddys were

A). CME at NRI Medical College

B). CME at AMC, VIZAG

distributed to all IADVL AP STATE members and were displayed in their Institutions, hospitals and clinics.

CMEs were conducted in all medical colleges with the target audience consists of undergraduates, postgraduates and faculty of other specialties. AMC-Vizag, MIMS-Vijayanagaram, GSL-Rajahmundry, ASRAM-Eluru, NRI-Guntur, GMC-Guntur and KMC-Kurnool, have organized these CMEs.

- A). IADVL Poster Release to Press
- B). Public Meet at Guntur, Dr Kavitha addressing.
- C). Memorandum given To Hon.Health Minister, AP State
- D). Felicitations to IADVL AP Executive, on Vitiligo Day

A public awareness program was organized at Guntur. 500 people had attended. Dr Kavitha, Dr CH Ramamohan, Dr Vani and Dr Y Krishnamurthy have addressed the gathering. on various issues of vitiligo and steroid abuse. There were many questions from the audience, which were answered to their satisfaction. All the IADVL faculty and executive were felicitated by the audience. The entire program, lasted about 3 hours.

Media

Information about vitiligo was given to all the media and it was reported in all the regional Telugu news papers on 25th June. Dr Guruprasad and Dr A Kavitha had given talks and interview

about vitiligo on CVR health channel and E TV respectively and they were transmitted on 24th, 25th and 26th June.

Memorandum to AP State Health Minister

IADVL AP executive- Dr K A Seetharam, Dr A Kavitha, Dr Y Krishnamurthy, Dr CH Rammohan and Dr K Nageswararao had met the Hon. health Minister of Andhra Pradesh, Dr. K. Sreenivas garu, on 26th and appraised him of the IADVL activities about vitiligo in the entire Nation and in particular of Andhra Pradesh. A memorandum was submitted to him emphasizing our goals and requesting support from the State Government. He has appreciated our efforts and reassured the Government support to Vitiligo mission and IADVL.

IADVL BIHAR STATE BRANCH

2nd Mid Cuticon was organised at Muzaffarpur, city known for Temples, Litchis and Bangles, on 16th & 17th of May 2015 under the dynamic leadership of Dr Piyush Pankaj, organising secretary and guidance of Dr M K Narayan & Dr Jitendra Kumar. It was attended by over 100 delegates. Dr Kiran Godse delivered lectures on urticaria and melasma. Dr Y S Marfatia delivered a lecture on viral STIs. Dr Pankaj Pritam had a talk on acne and Dr Dolly Gupta on Hair problems. Dr Amar kant Jha Amar released a book on Psoriasis and delivered a lecture

on Psoriasis too. Dr V K Sinha delivered lecture on adverse drug reactions, Dr R R Madhukar on PRP, Dr Piyush Kumar on Newer Drugs in Dermatology Dr Pankaj Tiwary on IPL vs Nd YAG in hirsutism and Dr Kunal Sinha on Bullous Disorders. Dr Mathura Prasad, Dr P K Roy, Dr Hareram Kumar, Dr M K Sinha, Dr Devesh Sinha, Dr Abhishek Kumar Jha, Dr K K Jha Dr Uday Kumar Udayan and others chaired the sessions. Dr M K Sinha & Dr Vikas Shankar moderated the sessions.

2 workshops were also organised. Dr Harshit Ranpara from Rajkot conducted a workshop on Hair Transplant and Dr R S Dwivedi from Ranchi conducted a workshop on Melanocyte & Keratinocyte cell suspension transplant. Workshops were attended by large number of PG students and other delegates.

Honorable MP of Muzaffarpur Mr Ajay Nishad was the chief guest and inaugurated the conference along with Dr Devesh Sinha, President IADVL Bihar, Dr Abhishek Kumar Jha, Secretary IADVL Bihar, Dr R R Madhukar Treasurer IADVL Bihar, Dr Bachcha Prasad, Chairperson Scientific Committee and Dr Piyush Pankaj, Organising Secretary Mid Cuticon 2015 sharing the dais.

In this quarter 2 new PLMs have joined the association, Dr Amit Ranjan and Dr Neeraj Tiwari.

This quarter we continued our all the activities. Every month we organised 2 CMEs and we had 4 RTMs in this quarter. Every month under the banner of "IADVL Chala Gaon Ki Ore" team of dermatologists visited 4 different villages with free checkup and free medicine distribution. Number of patients were more than 1000 in each of the camps.

"IADVL Chala Gaon ki Ore" has gained a good popularity and coverage in local media. Before every camp all the attending dermatologists educated the patients on various diseases. We have started getting requests from many parts of Bihar to organise such camps.

7 CMEs were organised on various topics with panel discussion in this quarter. Our Cuticon 2015 will be held on 21st and 22nd November at Hotel Maurya, Patna.

Vitiligo Day Report

As per guidelines from the national executives, we had a press conference on 24th June. We invited most of the media houses and most of them came. Dr Amar Kant Jha Amar, Dr M K Sinha & Dr Abhishek Kumar Jha informed them about vitiligo, world vitiligo day, Vitiligo and its social stigma and other myths and truths. We requested them for social awareness and we got good coverage on next day.

World vitiligo day was observed in Patna medical College, Nalanda Medical College, AIIMS and other institutions. They

had seminars, free medicine distribution, lectures, discussion between vitiligo patients and vitiligo treated patients.

Dr Devesh Sinha, President, Dr Hareram Kumar, President Elect and Dr Abhishek Kumar Jha, Secretary also had free check ups with free medicine distribution among vitiligo patients.

25000 booklets were printed in Hindi with all the information required for general public and an emphasis on it not being contagious and its not leprosy. We distributed it at PHC levels and district headquarters.

On 25th of June 2015 we organised a CME in evening and invited all the PGs and other members. Dr Amar Kant Jha Amar, Dr M K Sinha & Dr Sailo Nunpari delivered lectures on various aspects of Vitiligo followed by panel discussion. Dr Abhishek Kumar Jha moderated the session.

World Vitiligo Day

IADVL DELHI STATE BRANCH

A. State Branch Report of 2nd quarter

1. Number of new memberships

- Dr Harsh Wardhan : LM/ND/8875
- Dr Pawan Kumar : LM/ND/8876
- Dr Shreyans Mutha : LM/ND/8877
- Dr Konchok Dorjay : PLM/ND/8993/ 2015-20
- Dr Pragati Gogia : PLM/ND/8994/ 2015-20
- Dr Pallavi C. Rohatgi : In process

2. Scientific activities

- a) The 2nd quarter of the IADVL DSB Academic calendar consisted of the **3rd Monthly Meet** of IADVL DSB held at UCMS & associated GTB Hospital, New Delhi on Saturday, 18th April, 2015.
- b) **IADVL SIG Dermatosurgery Workshop** - Following the monthly meet we had a Dermatosurgery Workshop at AIIMS, New Delhi. This IADVL SIG workshop was spearheaded by the National IADVL in collaboration with Dr Somesh Gupta from AIIMS and IADVL DSB. The workshop took place on the 6th of April at AIIMS, New Delhi and was graced by the legendary Dr Lawrence Field. There were lectures and a hand-on-workshop which followed.
- c) **Mid Year Cuticon 2015** – Subsequent to the IADVL SIG workshop was the **Mid Year Cuticon 2015** on the 17th of May 2015 at Hotel EROS, Nehru Place, New Delhi. The event was attended by close to 250 delegates and the scientific content was much appreciated. The Chief Guest for the occasion was Prof RD Mukhija, former Professor & Head, Dept. of Skin, VD & Leprosy, Former Principal, BRD Medical College, Gorakhpur. (Fig 1a-d) The scientific agenda was a good balance of Dermatology, Venereology and Aesthetics, certain sessions such as *Interesting cases in Dermatology*, *Biologicals in the Indian context*, *Investigative Dermatology* and the *Acne symposium* were particularly appreciated. Further new topics such as *Platelet rich plasma in androgenetic alopecia*, *cosmeceuticals / peptides in dermatology* were also covered.

3. Other activities

The website of the IADVL DSB was completely revamped and updated and was launched at the Mid Year Cuticon 2015 – www.iadvldelhi.com

B. VITILIGO DAY Activities

- a) **Press meet** – The Vitiligo day was observed on 25th of June and the proceedings to the day began with a press meet at Hotel Metropolitan, Connaught Place, New Delhi. The meet was addressed by Dr Venkatram Mysore (President IADVL), Dr Mukesh Girdhar (President IADVL-DSB), Dr Rashmi Sarkar (Hon.Secretary IADVL) and Dr Rajat Kandhari (Hon Secretary IADVL-DSB). Dr Rajat Kandhari opened the meet which was followed by a presentation on Vitiligo by Dr Mukesh Girdhar. Further problems faced by patients of Vitiligo and the social stigmatization associated with the disease were discussed by Dr Rashmi Sarkar. Subsequently, Dr Venkatram Mysore, the president of the IADVL talked about “The mission” of the IADVL to address the issue, and laid emphasis on how Vitiligo should be included in list of diseases treatment of which should be covered by insurance schemes. Further he also highlighted the lack of facilities such as phototherapy units not only in the smaller cities and villages but even in larger cities. He concluded by asking the media / press to join hands with the IADVL to help patients with this disease and increase awareness regarding the same. Further Dr Mysore invited Dr Maya Tuplule to the dias, founder “Shweta Association”, a self help support group for Vitiligo patients in Pune. She talked about the activities of the Shweta Association such as counseling, marriage bureau, employment bureau, and spreading awareness regarding the disease, just to name a few. (Fig 2 a-c)
- b) **IADVL Webcast** - The press meet was followed by a webcast on Vitiligo which was broadcasted across all states. This was held at Lalit Hotel, New Delhi and was organized by the National IADVL.
- c) **Candle light vigil and street play** – Subsequent to the press meet there was a “Street play” on Vitiligo highlighting the misconceptions and the stigma associated with the disease. The street play was held behind Jantar Mantar, New Delhi. The play was then followed by a Candle Light March. The Street play and the Candle light march was attended by Dr Mukesh Girdhar, Dr Rashmi Sarkar, Dr Devinder Prasad, Dr Pikun Gangwani and Dr Rajat Kandhari. (Fig 3a-d)

3. OTHERS

- a. *DERMACON 2018*: As per our GB decision, we have just started our proceedings and campaign towards the bid

- b. *WEB SITE*: Our revamped web site, www.iadvlkerala.org is fully functional. We have been able to update the data base as well as update you regarding conferences, provide links for journals etc
- c. *Co Ordinators*: Dr George Kurien will be co ordinator for DVL trust and Dr Remadevi TJ for TSDF.
- d. *E VOTING*: Requested all members to be an e voter and detailed the proceedings
- e. *FUTURE ACTIVITIES*: Our president, Dr S Rajiv has planned quite a lot of academic activities workshops and scientific sessions for the coming year, with the support of various SIG and local clubs / organizers.
 1. Resesarch Metholdology workshop – in collaboration with IADVL Academy & Govt Medical College, Koozhikode on Aug 22, 23Kozhikode
 2. Dermatopathology workshop – in collaboration with SIG Dermatopathology and Trivandrum Dermaclub at Trivandrum in December 2015
 3. Psoriasis CME – in collaboration SIG Psoriasis & Malabar Dermatology Club on Oct 25th, Kozhikode
 4. Dermatosurgery workshop – in collaboration with SIG Dermatosurgery & Govt Medical College, Kottayam and IADVL GSK quiz on 14-15 November
 5. Practice Management workshop - in collaboration Cochin Dermatology Society at Kochi in March 2016
 6. PG clinic for exam going postgraduate at ACME Pariyaram in February 2016
- f. *IADVL Kerala OFFICE*: Our dream to own an office space for our esteemed association is on its way to realization.
- g. *IADVL Kerala Executive committee*: For an effective functioning and communication of EC, a google group and A Whats app group has been created and members take part in active discussions regularly.
- h. *MEMBERSHIP DRIVE*: Efforts are on to make all non members to join as members and PLMs to convert their membership. EC members have been entrusted the duty of correcting addresses of members in their area.

Long Live IADVL
With warm regards,

Dr K FERUZ

Secretary, IADVL Kerala (2015-17)

vitiligo day collage

IADVL Maharashtra State report

1. Basic Dermatosurgery workshop:

On 8th april 2015, A Basic dermatosurgery workshop (With Hands-on training) was held in K J Somaiya Hospital and Research Centre, Mumbai, Maharashtra.

It was jointly organised by IADVL (Maharashtra branch) & IADVL SIG (Dermatosurgery) (**Presidential project introduced by Dr Venkataram Mysore**) with Mentorship Support by (ASDS) American Society for Dermatologic Surgery & DASIL (Dermatologists Aesthetic Surgery International League)

It was graced with auspicious presence of Dr. Lawrence M. Field, The doyen of Dermatosurgery Dr. Field guided various practicing dermatologists and resident doctors in dermatology not only from Mumbai but also from all over India through live webcast of the event.

The event began with lectures by stalwarts in dermatosurgery from India. These lectures were on the very basics of dermatosurgery right from the basic preparations including preparing the surgery trolley and simple excision surgery by Dr Behroze Deputy, DR Narendra Patwardhan and Dr Vinay Saraf.

This was followed by lectures on bilevelanesthesia, incision site placement, tangential excisions and suturing techniques by Dr Lawrence Field.

At first, Dr. Field shared his experience about incision site placement. In his words "Whatever you leave behind is your professional signature, so you must make every effort to make it almost invisible." He joyfully formulated the procedure as T-SMAC3 i.e. Think, Scrub, Mark, Anaesthetize, Cut, Close,

and Cover. He explained how to follow wrinkle line and how to continue incision into a natural wrinkle line or anatomic division line; as observer's eyes follow the wrinkle and scar becomes less visible. Through various illustrative photographs he shared glimpses of his vast experience in different dermatosurgical situations and flap techniques.

Photograph 1 (Basic Dermatosurgery workshop on 8th April, Mumbai: DR Lawrence Field delivering a lecture)

Photograph 2 (Basic Dermatosurgery Workshop, 8th April, Mumbai: DR Lawrence Field interacting with the audience)

Dr Field also gave a beautiful presentation over sutures, suture techniques and his philosophies regarding art of suturing. He emphasized that "If one can see suture marks, there

were surgical errors." He then expounded measures to avoid such errors. He advocated to always have precise epidermal approximations as our absolute goal. He suggested that individually placed sutures are superior to vaulted subcuticular running sutures. He also threw some light over suture removal techniques.

Photograph 3: (Basic Dermatosurgery workshop on 8th April, Mumbai: A section of the audience)

Continuing his lecture, he touched all the basics of dermasanding with numerous illustrative pre-op and post-op photographs.

The final topic of the workshop was most appropriately, complications of dermatosurgery by Dr Udare, alerting us about the other side of dermatosurgery

The live workshop including the lectures was webcasted all over India thanks to the efforts by Dr Mysore and our SIG Dermatosurgery coordinator, Dr T. Salim

Another highlight of the event was the hands-on training provided to 20 delegates by the expert faculty, which was much appreciated.

Dr Lawrence field also gave his valuable inputs throughout the live workshop with his valuable tips on every step of the surgeries being transmitted live

2. CME on cutaneous adverse drug reactions Organized in joint collaboration of SIG-CADR with IADVL Maharashtra State branch (10th May 2015, Sunday)

Highlights of the CME

Dr Rajesh kumar, Mumbai – Introduction to CADR: A Vignette.

- Highlighted that the diagnosis of ACDRs is both an art and science and to keep a high suspicion index. He discussed the problem of under reporting, mentioned about observing caution in prescribing drugs in high risk patient, using drugs with low reaction potential, keeping in mind the variable latency in different ACDRs, possibility of polysensitivity in the same patient and the fact that same drug can cause different reaction patterns in the same individual at different times.

Dr Uday Khopkar, Mumbai – (The Art and Science of diagnosing CADR)

- Highlighted the algorithm on diagnosis of a drug eruption which includes exposure to a drug, relationship with initiation of drug, relationship with withdrawal of drug and then using methods to confirm by test dosing, drug provocation, patch test, intradermal test, RAST and also skin biopsy
- Elegantly brought out differentiating points between PhotosensitivevsPhotoallergic rash with regard to itching vs burning, dose independent vs dose dependent, Type IV vs Nonallergic etc.

Dr Sushil Pandey, Nagpur- Causality assessment and Pharmacovigilance

- Discussed the standardised causality assessment which takes into account the temporal correlation, biological possibility, dechallenge & rechallenge but pointed out the problems in causality when dealing with polypharmacy
- Discussed various probability and assessment scales including Naranjo and WHO-UMC scales for ascertaining drug causality through case based studies.
- Spoke on chain of centres handling data on pharmacovigilance starting from clinicians, peripheral PV centre, Zonal/ Regional centre, National PV centre Gurgaon, WHO-UPASALA centre, Sweden. The data from there is collected / retrieved by FDA, EMA, DGCI and other regulatory bodies.

Dr M Ramam, New Delhi- Oral provocation and other diagnostic tools in CADR: My experience

- Comprehensively dealt with practical aspects of oral provocation (should better be called supervised drug administration), its goals, methods, concerns amongst dermatologists and therefore its low acceptability and its limitations.
- Mentioned that undertaking provocation test under supervision addresses long termview on how to deal with

drug eruption. The objectives of provocation are to ascertain the cause of reaction, prevent recurrences, help the patient use drugs safely and help physician prescribe safely by generating a list of safe drugs for future use.

Dr Sudeep Das, Kolkata- SJS/TEN: Shifting paradigm in the management.

- Discussed limitation of an ideal treatment due to inherent problems in conducting head to head RCTs and variability in the treatment response in various subgroup of patients treated with different regimens.
- Suggested a modification in SCORTEN and recommended inclusion of parameters like HIV status and other electrolytes.

Dr. Manas Chatterjee, Kolkata– SJS-TEN : Newer insights.

- Presented a comprehensive and updated data on pathogenesis of SJS/TN by explaining the interaction of HLA, drug antigen and T cell receptor and discussed the conceptual change in the understanding of SJS-TEN. Highlighted the role and mechanism of reduction in T regulatory cells in causation of ADRs.

Dr. Lalit Gupta, Udaipur – Interesting and rare CADRs from literature and clinical practice.

- Presented some interesting and rare cases from his personal collection and literature including non pigmenting FDE from pseudoephedrine and ofloxacin, carbamezapine induced pseudolymphoma, hydroxyzine induced baboon syndrome (SDRIFE) minocycline induced autoimmunity syndrome
- In the end he reminded the audience of the Hippocratic admonition "**Primum non nocere**"(first do no harm to the patient) and be a safe physician.
- **Panel discussion** – SCAR Panelists – Dr.Ramam, Dr.Manas, Dr. Sudeep Das, Dr. Rajesh Kumar, Dr SushilPandey and Dr. Lalit Gupta comprehensively covered the topic through the following points:

CME on adverse drug reactions (10th May 2015, Mumbai):

CME on adverse drug reactions (10th May, Mumbai): Photograph 2: Panel Discussion

CME on adverse drug reactions (10th May, Mumbai): Photograph 3: The audience in rapt attention

3. CME in Jalgaon:

A one day CME held by IADVL (Maharashtra) at Jalgaon on 21 June 2015. (Organised in collaboration with North Maharashtra Dermatologists association)

Theme of the CME was "Lens to lasers for clinicians"

First session had talk on Buffalo pox and leprosy given by Dr Anil Bhokare and Dr Chetan Rajput respectively. This was followed by a talk on vitamins and skin Dr Yashwant Tawade, wherein the clinical, histopathological and biochemical aspects were elaborated and correlated.

In next session Dr Zawar showed excellent response of Molluscum to topical cantharidin. A panel discussion on Difficult to treat acne was moderated by Dr Prashant Jadhav with Dr Sushil Tahiliani, Dr Niteen Dhepe, Dr Shital Poojary,

Dr Swapnil Shah as panelists. Then Dr Swapnil Shah talked on Role of lasers in melasma and facial hypermelanosis. This was followed by panel discussion on Difficult psoriasis, which was moderated by Dr Prashant Palawade.

Dr Shital Poojary gave a talk on periorbital hypermelanosis, where she spoke in detail about the pathogenesis. Last session was by Dr Niteen Dhepe where he discussed noncosmetic indications of lasers.

Photograph no 2: Jalgaon CME (21st June 2015): Eminent speakers

4. **QUARTERLY SCIENTIFIC MEETING OF MAHARASHTRA IADVL** (organised by Vidarbha dermatology society) **ON "STERIODS IN DERMATOLOGY"**: 5th July 2015 at Chitnavis Convention Centre, Civil Lines, Nagpur. Dr. Vikrant Saoji, senior consultant dermatologist from Nagpur was the organizing chairperson and Dr. Sushil Pande was the organizing secretary for this CME. Dr. Vijay Zawar, President

Maharashtra IADVL and Dr. Shital Poojary, Secretary, Mah. IADVL inaugurated the event along with Dr. Manjiri Oke, President, VDS and Dr. Archana Choudhari, Secretary, VDS. Scientific program started with the lecture by Dr. Ganesh Dakhale, Professor, department of Pharmacology, Government Medical College, Nagpur who spoke on basic concepts of pharmacology of systemic and topical corticosteroids and its implications in clinical practice. This was followed by a lecture by Dr. Shital Poojary who spoke on popular "Pulse therapy of CS in Dermatology practice". Dr. Smriti Ramteke, Consultant Rheumatologist spoke on "Deflazacort: How it is different" from physician's perspective while Dr. Rizwan Haq, noted dermatologist, spoke on the same subject presenting dermatologist's perspective about deflazacort usage in clinical practice. Dr. Shailesh Pitale, noted endocrinologist delivered exhaustive lecture on "Managing systemic complication of steroid therapy". His lecture was followed by interactive and interesting panel discussion on various aspects of steroid use in Dermatology. Dr. Atul Salodkar, Senior dermatologist moderated panel discussion in which Dr. Pitale, Dr. Dakhale, Dr. Ramteke, Dr. Sandip Arsad, Dr. Sanjeev Choudhari participated as panelists.

Afternoon scientific session started with interesting and informative lecture by Dr. Sangeeta Velaskar, senior dermatologist and national Medical head of Kaya skin clinics Pvt. Ltd. Dr. Velaskar spoke on widely used "Triple combination in melasma: merits and demerits". This was followed by a talk by Dr. Vikrant saoji, senior dermatologist from Nagpur who presented a critical review and his experience of uses of intralesional corticosteroids in dermatology practice. Dr. Sushil Pande, Asso. Professor of Department of Dermatology of NKP Salve Institute of Medical Sciences and Lata Mangeshkar Hospital spoke on "Steroid combinations: How rationale are they?" and its place in the management of various skin diseases. Dr. Yogesh Zavar, noted dermatologist from Amaravati presented a concluding lecture on current scenario of "Abuse of steroid creams" by general practitioners and non-dermatologists leading to various cutaneous and systemic side effects. All lectures were widely appreciated by a total of 115 dermatology delegates who attended this CME.

5 Launch of Community cell of IADVL(Maharashtra). Community cell of IADVL(Maharashtra) was launched on 28th June 2015 under joint coordinatorship of DR R.G. Torsekar and DR P.D. Joshi-Patodekar to coordinate on-ground community activities of IADVL (Maharashtra)

Part B (Vitiligo week activities-maharashtra state)

Vitiligo week: As part of vitiligo week, a vitiligo symposium was arranged in Mumbai with several interactive and educative sessions for patients in different parts of Maharashtra. Pamphlets regarding FAQs about vitiligo in English, Hindi and Marathi were distributed to patients at various hospitals across Maharashtra and posters educating people about different aspects of vitiligo were put up in the hospitals

Details of activities at some of the cities of Maharashtra:

Vitiligo symposium:

As part of observance of World Vitiligo Day on 25th June, IADVL (Maharashtra) with SIG pigmentary disorders held a full day Vitiligo symposium themed '**Understanding Vitiligo and Newer Concepts in management**' on 28th June, 2015 at Sahara star Hotel, Mumbai.

Dr. Somesh Gupta from AIIMS, New Delhi heralded the session on Etiopathogenesis of Vitiligo by highlighting new concepts like Melanocytorrhagy and absence of E-cadherin and its importance in treating this enigmatic disease. He ended the session with a beautiful story of wolves as CTL cells, Treg cells as fence and sheep as melanocytes to emphasize the importance of Tcell mediated immunity in vitiligo.

The clinical evaluation of Vitiligo with use of dermoscopy in assessing the stability of individual lesions of vitiligo was favored by Dr. Nirmal B., from CMC, Vellore.

Dr. Deepak Parikh shared his experience of vitiligo in children with role of counseling and diet in vitiligo. He also advised to weigh pro and cons before starting children on oral mini pulse corticosteroids. Psychological concept of vitiligo was dealt in detail by Dr. Chitra Nayak, who propagated the 'CHANGE VIEW' acronym for cognitive behavior therapy in vitiligo.

Dr. Raghunath Reddy suggested medical guidance for management of vitiligo and imparted his personal experiences in his indomitable style.

This was followed by role of Phototherapy and a new concept of 'CLOTHES ON PUVA in vitiligo' was introduced by eminent teacher and dermatopathologist, Dr. Uday Khopkar.

Surgical aspects of vitiligo was given in great detail by eminent stalwarts like Dr. Vinay Saraf, Dr. Davinder Parsad and Dr. T Salim, who discussed about various techniques in skin grafting like autologous non-cultured melanocyte – keratinocyte cell suspension, cultured melanocyte grafting, 4 compartment method, substitution of trypsin inhibitor by PBS and concept of non cultured outer root sheath cell suspension in combination to treat various difficult areas of vitiligo with tips and pits. Dr. Munish Paul shared his experience on autologous melanocyte transfer by giving practical troubleshooters on

difficult site vitiligo.

Dr. Nilendu Sharma spoke about the concept of 'Stability' in Vitiligo to conclude that 'Patch is White, Border is Black, rest is Grey in Vitiligo'. The buzz words were 'Combination Therapy with Phototherapy is Most Successful'.

The complications of vitiligo surgery were summarized by Dr. SharadMutalik as 'Modification and Innovations to avoid Complications and achieve good results to learn from ones mistakes and correct them by improved techniques'. In a nut shell, 'See one, Help one and Do one'.

The penultimate talk was a panel discussion which was a summation of the entire symposium. The event was a vast success with 280 delegates attending from all over Maharashtra and outside Maharashtra and were enlightened by legends in the field of Dermatology, with a vast exchange of knowledge amidst humor.

World Vitiligo Day at Navi Mumbai Municipal corporation Hospital and Terna Hospital Patient awareness programme on 30th June 2015 to mark vitiligo week at FRU, Vashi by Dr. Anjali Dalal, Dr. Pranit Farande, Dr. Ashok Jain, Dr. Gautam Dethe and all Residents. Special thanks to Dr. Vishalakshi and Dr. Todsekar for providing Presentation material.

Photograph 1 : Vitiligo day: Doctors with patients at an interactive session at Navi Mumbai Municipal corporation Hospital

World Vitiligo Day at K.J. Somaiya Medical College, Mumbai Posters on different aspects of vitiligo were put up in the OPD. Patient information booklets in English, Hindi and Marathi on FAQs in vitiligo were distributed to all patients. Free medications were provided to patients on vitiligo day.

Photograph 1: Vitiligo day at K.J. Somaiya Medical College: Patient information booklets being distributed to patients

World Vitiligo day at Nagpur

World Vitiligo day was observed on 25th June 2015 in Department of Dermatology, NKP Salve Institute of Medical Sciences and Lata Mangeskar Hospital, Nagpur. A Doctor-patient interactive program was organized on this occasion. At the beginning Dr. Manjiri Oke, delivered a welcome address explaining the reasons behind celebrating this day and its importance from a social perspective. She assured the patients regarding harmless and cosmetic nature of this condition.

Dr. R. P. Singh, Prof & Head, GMC Nagpur also guided all the patients that they should not consider Vitiligo as a disease & regard it as just a cosmetic problem. Dr. Bipin Mehta Prof, NKPSIMS & LMH enlightened on the importance of diet, yoga & exercise. Dr. Sushil Pande, Associate Prof. Dept. of Dermatology, NKPSIMS & LMH discussed about the causes of the disease and gave brief information about different treatment modalities that are available. He answered various queries raised by patients. Doctor-patient interactive program was well appreciated by patients.

Dr. Kajal Mitra Dean NKPSIMS & LMH, Dr. Milind Borkar Prof. & HOD, Dr. Ramesh Sharma, Dr. Jayesh Mukhi, Dr. Ravindra Salodkar, Dr. Nilesh Mahatme, Dr. Mahesh Gosavi & Dr. Kirtee Ramteke and other non teaching staff & patients attended the function.

Photograph of vitiligo day at Nagpur: 1, 2, 3: Eminent dermatologists including DR Manjiri Oke addressing the audience

World vitiligo day at Wardha

A day long Vitiligo treatment camp was conducted at Acharya Vinoba Bhave Rural Hospital and SaiMandir by JNMC, Sawangi, Meghe, Wardha. DrAdarshlata Singh (Prof. and Head, Dept of Dermatology, JNMC, Wardha) and Dr Sugat Jawade provided their services .Lectures were also given to educate the patients.

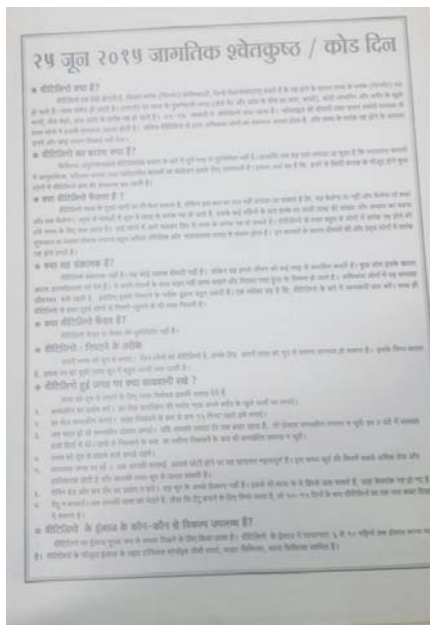

Photograph 1: Newspaper clippings of vitiligo camp at Wardha

Photograph 2: Vitiligo camp in Wardha

World vitiligo day at Akola and Buldana

A Press Conference was held on the eve of World Vitiligo Day for Public Awareness regarding the disease. Pamphlets in Hindi for public awareness about facts and clearing the misconceptions of Vitiligo were distributed by private practising dermatologists and in Government hospital OPD in Akola and Buldana districts. DrSangeetaBhamburkar (Vice President, VDS) and other dermatologists worked hard for the success of the initiative.

Photograph 1: Patient information pamphlets distributed on world vitiligo day at Akola

IADVL North-East States branch

Membership drive: A new life member (LM) and four provisional life members (PLM) have been added to the list of members while a PLM has been shifted out to the branch of native state.

This brings up the total number of life members to 91 and that of provisional life members to 35, with total member strength of 126. The applications of 2 PGTs for PLMship complete with their membership fees and that of four PLMs for LMship have been sent for processing. All new PGTs admitted last month into the 3 medical colleges of Assam have been advised to apply for PLMship as early as possible.

Website: The website of the branch www.neiadvl.org is has been upgraded to a dynamic one with member login facilities and a revamped design. All announcements including flyers and brochures are promptly uploaded to the website and web versions of the biennial newsletter and other publications are also made available on the website for easy access by the members.

Academic activity: The Guwahati city chapter in association with IADVL SIG Dermatosurgery organized a day-long **dermatosurgery workshop** at Gauhati Medical College Hospital, Guwahati. The procedures carried out at the operation theatres were beamed to the seminar hall of the Department of Dermatology and displayed on a big screen for the participants to watch the same and interact with the trainers led by Dr. T Salim and his efficient team comprising of Dr. Raghunath Reddy and others. The workshop was well attended right from the morning and participants were seen at the hall until the last procedure was demonstrated by 7 p.m.

Preparations for the upcoming **Research Methodology Workshop** in Guwahati in the month of August are under way and an organising committee has been formed out of the faculty of the Department of Dermatology, Gauhati Medical College Hospital, Guwahati to streamline the activities.

Conferences: Preparations have reached the final stage for the ensuing MID-CUTICON 2015, Nagaon, Assam on July 25, and progressing well for the upcoming CUTICON 2015, Agartala, Tripura scheduled for 13th and 14th November. The GBM to be arranged at these conferences will discuss in detail the process of aligning the state executive on the lines of the National executive as discussed at DERMACON 2015. The organisational set up of the proposed dermatopathology workshop in Guwahati will also be worked out.

Community activities: World Vitiligo Day was observed on June 25 and June 26 on a large scale with a variety of community activities. The details of the same are enumerated below:

World Vitiligo Day observation in Assam and the North-East

The different programmes undertaken by the NE States branch may be summarized as follows:

Public awareness programmes:

1. **Vitiligo treatment and counselling camps** at Medical College Hospitals with powerpoint presentations by the faculty in simple language followed by interaction with the patients.
2. **Signages** at prominent locations informing the public of the vitiligo camps.
3. **Public meetings** inviting prominent citizens at different localities
4. **Radio and TV programmes**
5. **Banners and posters** at strategic locations
6. **Information leaflets** for public awareness
7. **Bulk sms** to one lakh subscribers of the region, and
8. **Write-ups** on prominent newspapers.

Welfare activities:

1. **Free samples** of medicines for patients attending vitiligo camps including some relatively more expensive ones such as bFGF with the help of pharmaceutical companies.
2. **Tea and snacks** for the vitiligo patients and their attendents served by the OPD staff to express their solidarity with the suffering patients.
3. Encouraging **private care givers** to offer **free treatment** to vitiligo patients on June 25 or help them with **free samples** on a voluntary basis.

Updating medical knowledge on vitiligo:

1. **CMEs** and **panel discussions**
2. **Streaming and projecting of the centrally arranged webinar** on big screens at the medical college hospitals

Involvement of the government:

1. A **memorandum** was submitted to the **Minister of Health & Family Welfare**, Government of Assam exhorting him to take steps to implement the clauses envisioned in the IADVL Vitiligo Mission.
2. The **Director of Information and Public Relations (DIPR)** was also approached to arrange for programmes on public awareness on vitiligo through mass media and poster campaigns.

Press and media coverage: All programmes were **thoroughly covered** by the invited media and press with most of the vernacular and English language newspapers publishing **exhaustive press releases** on June 26.

Long live IADVL, long live NE States branch of IADVL.

Dr. Nasiur Rahman,
Branch Secretary (2014-16),
North-East States branch, IADVL

Public meeting for vitiligo awareness

IADVL Odisha States branch

A national CME on leprosy was held at I M A House Cuttack on 8th May 2015 in association with Indian Association of Leprosy. Eminent speakers from Kolkata and Odisha attended along with many IADVL members of Odisha.

World Vitiligo Day was observed on 25th June 2015 at different places of Odisha. A seminar on Vitiligo was conducted at Capital Hospital, Bhubaneswar. Many doctors from various specialities attended and speaker was Dr R K Panigrahy, IADVL secretary Odisha & HOD Skin & VD, Capital Hospital Bhubaneswar. Meeting and road show was organised at Dhenkanal. Some of

the photos are attached here with.

**Thanking with regards.
Rajendra Panigrahy,
Secretary, IADVL Odisha Chapter.**

IADVL TAMILNADU BRANCH ACTIVITIES

LEPROSY DAY OBSERVATION

- Leprosy day celebrations and panel discussion on Common Skin Diseases organized by IADVL TN at Coimbatore on 30th January 2015 wherein 120 doctors have participated.
- World Leprosy Day awareness programme and rally in KDVD school, Koffar on 30th January 2015 by Thirunelveli, Tuticorin and Kanyakumari Branch.
- World Leprosy Day awareness programme for M.B.B.S. student held at KGMC on 4th February and 9th April 2015.
- Case presentation and meeting was TTK chapter was held on 19th April 2015 at Tirunelveli Medical College Hospital and 40 delegates attended.
- Update on Leprosy for medical officers of IMA Kanyakumari was given on 10th April 2015 at Dr. Mathias Hall Nagercoil by Dr. S. Pravin Girija (DDLep) and Anitha.
- DVL, Tirunelveli Medical College observed World Leprosy Day by conducting camp for 3 days from 29th Jan to 31st Jan 2015.
- Leprosy Day and CME were observed in the Dermatology

department of Stanley Medical College on 30th January 2015 with the theme of 'Leprosy Elimination Today, For A Better Tomorrow'. Prof and HOD Dr. V. Anandan highlighted the importance of 'Newer aspects in the clinical examination for leprosy'.

TTK branch organized a seminar for dermatovenarologist of Thirunelveli, Tuticorin and Kanyakumari in which about 50 dermatologist and PG's attended. Venue Kanyakumari Medical College On 28th December 2014.

AIR Radio Talk on Hazards of Cosmetics was done on 29th May 2015 by Dr. S. Pravin.

Quarterly Meet of TTK Chapter was held on 28th December 2014 at Kanyakumari Medical College.

Erode branch conducted CME on Febrile Rashes in a Child - by Dr. Ramamoorthy PRP Workshop was done by Dr. Manjula.

PG MOCK EXAMS 2015 ON 25/02/2015 at Trinelvei Medical College

- List of college's attended - Coimbatore med college, PSG, Tanjore, Madurai, Tirunelvell, Chettinad from Chennai.
- Consists of spotters, short cases and long case
- Total PGs - MD-10 and DDVL - 4

PG MOCK EXAMS 2015 on 18th, 19th and 20th of February 2015 at Madras Medical College

- List of colleges invited - Chengalpattu Government Medical College, Madras Medical College and Government, General Hospital, Chettinad Health City, Christian Medical College and Hospital, Rajah Muthiah Medical College, Saveetha Medical College and Hospital, Sree Balaji Medical College and Hospital, Sri Ramachandra Medical College and Research Institute, SRM Medical College Hospital & Research Centre, Stanley Medical College.
- Around 60 PGs have participated.

Model Clinical Exams 2015

- The model clinical exams for MD DVL and DDVL exam going students was conducted on 04.03.2015 from 8 am to 1 pm, as scheduled.
- 4 MD DVL and 2 DDVL students appeared for the mocks, and the examiners were Dr. Anandan V, Dr. Ramesh A., Dr. Saradha K.P. and Dr. Senthilkumar V.

IADVL TN - World Vitiligo Day observation

- World Vitiligo Day 2015 observation at Department of Dermatology - Govt Stanley Medical College, Chennai. DATE- 26-06-2015, TIME- 12:00 Venue- Seminar Hall, Viii Floor
 - Meeting started with welcome address by Prof. & HOD,

Dr. V. Anandan.

- World Vitiligo Day observation was done with a short introduction about origin and nurture of this day, and the importance was introduced and stressed by Prof V. Anandan, which was followed by awareness and explanation about the disease to the vitiligo patients.
- Blister graft for stable vitiligo patch was done on this day by senior post graduates.
- The CME was conducted with the title of "Recent management modalities in Vitiligo" and the presentation was done Dr. Aishwarya Jawahar, and moderated by Prof. Dr. V. Anandan and Prof. Afthab Jameela Wahab.
- Snacks & Tea was distributed to all the vitiligo patients who came for awareness meet.
- Meeting concluded with Vote of Thanks by Dr. Afthab Jameela Wahab.
- Erode branch has conducted Women's Day Celebration and CME on NCMT Technique in stable Vitiligo on 8th March 2015.
- CME and Vitiligo Day was observed at Nagarcoil on 25th Jun 2015 at Kanyakumari Medical College.

CME on Vitiligo Day at Nagarcoil

President, Dr. A.J.S. Pravin and Secretary Dr. Karthick Prabhu Addressing Press Meet

Vitiligo Awareness Rally

Telangana State Branch

1. President Elect Dr. Venkat Mysore installing the first Telangana state TSIADVL office bearers in Dec. 2014 at Hyderabad, Hotel Ashoka
2. Work shop on Research Methodology by SIG. Dr. Maninder Setia in action. More than 120 delegates attended in DMC, Hyderabad
3. Tele conference on Trichology, being watched in the department of DVL, MediCiti, Ghanur, RR Dist. Telangana
4. Work shop on LASERS by SIG-IADVL, Panel discussion in progress in Railways convention centre where more than 175 delegates were present
5. World Psoriasis day, AIDS day, Leprosy day & Vitiligo days were observed in the form of lectures, Radio talk, TV presentations, Print media And demonstrations in public places
6. CME for members was conducted on AGA sponsored by Johnson & Johnson in hotel Plaza
7. CME on Sun screeners were discussed for TSIADVL members sponsored by Sun Pharma in hotel Marriott
8. Role of Vitamins in Skin, Hair & Nail sponsored by Meyers pharma in hotel Marriott
9. Free Skin camps were conducted in rural areas by many office bearers
10. A few TV live shows on Skin problems were conducted for public.

Second meeting was held between 8 to 11 p.m at Hotel Tulip Inn, here a lecture was delivered by Dr. Sunil Gupta on "An overview of vitiligo & its treatment with stress on newer options". Session was moderated by Dr. B.N Gupta. The session was immensely appreciated by all the resident & post graduate doctors present in the meeting.

IADVL UTTAR PRADESH & UTTARAKHAND STATE BRANCH

The activities of 2nd quarter of 2015 of IADVL UP & UK branch for IADVL news letter.

1. MEMBERSHIP DRIVE: We have so far enrolled 27 new members which includes 23 PLM & 4 LM.
2. ACADEMIC ACTIVITIES: On 4th April, 2015 UP & UK branch had an Mid Session case conference at M L N Medical college Allahabad organized by Dr. Sudha Yadav & Dr. K.G Singh. A variety of cases was discussed there along with some guest lectures by Dr. Vinod Khaitan from AIIMS, New Delhi & Dr. V.Ramesh from V.M Medical college New Delhi. A quiz competition was organized for P.G students in which Dr. Jyoti Yadav from B.H.U Varanasi secured first prize, Dr. Rishabh Chauhan from B.H.U Varanasi secured 2nd prize & Dr. Garima Sharma from B.R.D medical college Gorakhpur secured 3rd prize. The photograph of the conference
3. VITILIGO DAY ACTIVITIES: Two meetings were organized by Lucknow chapter of IADVL on 25th of June coordinated by Dr. Amit Madan, president of Lucknow branch. First meet was held at IMA Bhawan Lucknow between 2 to 4 p.m where recent updates in Vitiligo treatment and the ways by which we can overcome the stigma still prevailing in the society were discussed.

Problems in marriages for a female patient of vitiligo was counselled and free consultation to vitiligo patients was given.

VITILIGO DAY, Lucknow, IADVL UP Branch

IADVL, WB STATE BRANCH

1. **SIG Dermatoscopy Workshop & CME on Pigmentary Disorder** was organized on 4th January 2015 at hotel The Park, Kolkata. The programme was participated by Dr. Sidharth Sonthalia, Dr. Laxmisha Chandrashekar, Dr. B. Nirmal, Dr. N. Khunger, Dr. Mary Thomas and other

eminent dignitaries. The programme was a grand success

2. OBSERVANCE OF VITILIGO DAY

“Vitiligo Awareness Day” was observed in different government medical colleges in West Bengal 25th June 2015. The Vitiligo patients were examined in the OPD of different medical colleges. Big flex display boards, posters and banners containing facts related to vitiligo, myths and realities were placed strategically in the OPD complexes so as to be visible by all who attended OPD. Leaflets were distributed amongst the people.

A patient awareness programme was held in which various dignitaries and HODs of Dermatology Department and representatives of IADVL, W.B. talked about the disease in simple language and all the queries of the patients and their relatives were addressed. The whole hearted participation and effusive response of the general public in all these places were noteworthy.

Figure 1 (VITILIGO DAY Observation)

3. MONTHLY CLINICAL MEETINGS :

5 Monthly Clinical meetings were organized from February to June 2015

IADVL, W.B.	IADVL, W B	Friday	27th	February	2015
R G Kar Med. College	R G Kar Med. College	Friday	27th	March	2015
KPC Medical College	KPC Med. College	Tuesday	28th	April	2015
Medical College	Medical College	Friday	26th	June	2015

Figure 2 (Monthly Clinical meeting, June 2015)

Many interesting case reports were presented in the Clinical meetings.

4. Membership : 7 New Members have been enrolled during the period. At present total membership is 425.

5. MID-CUTICON WB 2015:

IADVL W.B. State Branch organized MID-CUTICON 2015 very successfully on 27th June 2015 at College of Medicine & J N M Hospital, Kalyani, Nadia, W.B. The programme was inaugurated by the Chief Guest Dr. Santanu Banerjee, Principal of the Institution. Many eminent speakers and members participated in the deliberation. The programme ended with the dinner. The programme was very success and appreciated by all.

Figure 3 (MID CUTICON WB 2015)

AUDITOR'S REPORT TO THE MEMBERS

We have examined the attached Balance Sheet of **INDIAN ASSOCIATION OF DERMATOLOGISTS, VENEREOLOGISTS & LEPROLOGISTS** as at **31st March, 2015** and the Income & Expenditure account for the year ended as on that date which are in agreement with the Books of account maintained by the association. These financial statements are the responsibility of the association. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the auditing standards generally accepted in India. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes, examining on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

We have obtained all the information and explanation which to the best of our knowledge and belief were necessary for the purpose of the audit. In our opinion proper books of account have been kept by the association so far as appears from our examination of the books.

In our opinion and best of our information and according to the explanation given to us the said accounts gives the information and give a true and fair view:-

- (a) In the case of Balance Sheet of the State of affairs of the association as at 31st March, 2015 and
- (b) In the Income & Expenditure account, of the excess of income over expenditure for the year ended on 31st March, 2015.

ANNOUNCEMENT

IADVL – L'oreal Indian Hair & Skin Research Grant-2016

L'ORÉAL
Research & Innovation

IADVL members from all states of India are invited to submit research proposals for the IADVL- L'Oreal Indian Hair & Skin Research in the following fields of clinical research and basic research of skin & hair and on physiology of Indian normal skin and hair:

- Skin immunology
- Skin photobiology, Skin and pollution, Skin and environment
- Wound healing
- Skin colour, skin pigmentation
- Skin barrier function, Stratum corneum
- Skin neurophysiology/itch sensitive skin/heat sensation
- Skin aging

- Skin tissue engineering
- Sebaceous physiology and oily skin epidemiology
- Biology of hair growth
- Hair pigmentation
- Hair loss
- Hair characterization
- Quality of life and well being

These projects may be based on laboratory studies, clinical research, epidemiology research or quality of life studies

The projects will have to be completed within one year. For multicentric projects, the principal investigator will be responsible for its satisfactory completion. The applications will be evaluated by a jury consisting of IADVL and L'Oréal scientists and the grants will be announced at DERMACON 2016. The amount of the Grant is Rs. 25 lakhs. The selected applicants will need to obtain ethical clearance from the local project review board before the funds are disbursed.

Please email the application in the following format (which is attached or can be downloaded from the announcement section of www.iadvl.org), to iadvlresearchgrants@gmail.com with cc to iadvlsecretary2014@gmail.com by October 30, 2015 and send a hard copy to:

Dr Rashmi Sarkar,
Hony. Secretary General, IADVL,
Dept of Dermatology and Venereology,
Ward No-22/23 (Through Gate No.3),
Maulana Azad Medical College and Lok Nayak Hospital,
Bahadur Shah Zafar Marg,
New Delhi-110002

IADVL-L'oreal Hair & Skin Research Grant-2016
APPLICATION FORM

(Adequate information must be furnished in a brief but self-contained manner in the following format)

For office use:

No.:

Research Project Title: _____

I. Research Faculty Information

1. Principal Worker: _____

Name: _____

Age: _____

Sex: _____

Degree: _____

Speciality: _____

Affiliated institute/hospital: _____

Mailing address: _____

Telephone: _____

Email address: _____

Present professional activities: _____

Brief CV of the Principal Worker (including publications):

Name the IADVL or other research projects that the principal worker was or is engaged in:

2. Co-workers:

Surname	Given name	Sex	Age	Specialty	Degree	Task in the study	Phone	Signature

3. Place where the research will be conducted:

4. Work done by the investigator(s) on this subject: Selection of subjects, standardization of methods, and results, if any, including a list of their significant publications in the last 5 years in this regard

5. Details of coordinators of the multicentre study & facilities available at each centre: CV & infrastructure (equipment and manpower) available in coordinating institution/ hospital/clinic and specific responsibilities of each such:

II. Project (Please provide details, including technical references, in the following format. Note that this part should be blinded. Drug trial on animals are not allowed. Only approved drugs can be tested.)

1. **Title of the project:**
2. **Subject of research:**
3. **Probable date of starting and completion:**
4. **Summary of the proposed research:** Include aims and objectives and rationale for conducting the study (up to 150 words)
5. **Detailed research plan:**
 - a. Design of study (including the total number of cases/samples to be studied and the mode of selection of subjects):
 - b. Equipment and other materials to be used:
 - c. Methodology (in detail):
 - d. Project schedule (including dates of preliminary and final reports):
 - e. Techniques to be employed for evaluating the results (including statistical methods):
 - f. Transfer of biological material to outstation labs (whether required or not):
6. **Expected outcome and its utility to Indian or global dermatology:**
7. **Present knowledge and relevant bibliography relating to the research topic:**
8. **Links with other projects:** Ad-hoc, task force or collaborative
9. **Budget requirements:** Detailed break-up and justification with proper use of nomenclature of items to be bought (note that equipment cannot be purchased)

	Items (provide details with quantity under each head)	Source of supply	Justification for budget	Total (Rs)
1	Accessories of equipment			
i
