## Message from President

**Dr Venkataram Mysore**  
LM/KN/3211

Dear members,

As I write this message, the last message as president, the term comes to an end- the year which has brought so much joy and satisfaction- the year which saw gains and achievements- the year which saw IADVL forging ahead on most fronts.

The year saw IADVL to become **responsive and responsible- innovative and influential-credible, committed and communicative.**

I believe we did this all –in measures small and great- effectively and efficiently

This newsletter is more to thank people than to recount what we did - to express gratitude to scores of members who worked hard to take IADVL to next level.

To **Dr Rashmi Sarkar**, the indefatigable Secretary General who made a tough job as secretary general look easy as she executed her tasks with panache and finesse-who did the job 24/7 and did with a smile - who was behind every thing that we did-who took forward residents group and mentorship programs- and organized DERMAEVA- you have set new standards for a secretary general- *Thank you Rashmi.*

To **Dr Somesh Gupta**, our hard working treasurer who kept a tight watch on finances even as he actively contributed to all decisions of EC, starting online membership and also organized the residents meeting in delhi with aplomb and success-*Thank you Somesh*

To **Past president Deepak Parikh** who played an ideal foil, carrying from his term last year- whether in research grants or research workshops or just by giving his wise counsel, with the weight of his vast administrative experience behind all decisions– because of whose efforts cobwebs of the past were cleared and a solid foundation was laid from where IADVL could take off– you helped and made IADVL climb higher- *Thank you Deepak*

To **Vice president Raghunath Reddy** who made a huge contribution as convener IADVL chala gaon ki Ore and Svatch Tvacha campaigns, as coordinator for quiz committee, Coordinator for dermatosurgery workshops and DERMAZONE south, and for helping DERMACON 2016 in accommodation issues- *Thank you Raghu*

**Vice President Rajesh Buddadev** who, with missionary zeal took the number of e voters to beyond four figures for the first time, coordinated DERMAZONE WEST, laser workshops, and also contributed at every stage to EC activities- *Thank you Rajesh*

**Manish Gautam**, our joint secretary who moderated the e groups with patience and understanding, produced an excellent issue of DERMATALENT, and supervised journal dispatch- *Thank you Manish*

**Rohit Batra**- our joint secretary – who organized our first ever press conference, our street play and candle light vigil on vitiligo day- *Thank you Rohit*

I convey my best wishes to President elect Devesh Mishra for a very successful year and assure him my support in all his endeavours for the benefit of IADVL- and hope that IADVL raise to greater heights- *Good luck Dr Devesh and Shyamantha, Rajib, BB Mahajan and Prabhat*

**Manas chatterjee and Ameet valia**- for taking Academy to great heights, in multitude of activities- more fellowships, international scholarships, research grants, bulletins, SIG activities-and with government agencies such as MCI and DNB about dermatology syllabus, post doctoral courses- *Thank you Manas and Ameet*

**Davinder Prasad and Umashankar** of Vitiligo mission for the largest ever vitiligo day organization with streetplays, candle light vigils, posters documentaries and posters- *Thank you Devinder and Umashankar*

**Sanjeev Aurangabadkar and Shehnaz Ariswala** for a stupendous SIG Lasers and aesthetics work- 5 laser workshops, and 5 aesthetic workshops and 3 bulletins- *Thank you Sanjeev and Shehnaz*

**Salim T** for an outstanding year as convener dermatosurgery starting with Larry Field workshops and five dermatosurgery across India- *Thank you Salim*

**BS Chandrashekhar**- for hairconnect online webinars as convener SIG trichology- *Thank you Chandrashekhar*

**Nandakumar** as SIG convener dermatopathology- for multiple dermatopathology meetings, online dermatopathology lectures- *Thank you Nandakumar*

**Saumya Panda** for organizing research methodology workshops and helping us with formulating studies- *Thank you Saumya*

**Dr Archana Singhal** for organizing workshops in genodermatoses and a bulletin on this difficult problem- *Thanks you Dr Archana*

**Pradeep Mahajan** (atlas of dermatopathology), **Imran Majid** (recent advances book) and **Biju Vasudevan** (atlas of dermatology) for completing the books with in one year- *Thank you Pradeep, Imran and Biju*

**Manjunath Shenoy and DA Satish**- for DERMAGYAN lecture series- *Thank you Shenoy and Satish*

**Dr Vijay Garg and Binod Khaitan** for their excellent liason work with governmental agencies ministry of health, DGCI, MCI and DNB- *Thank you Drs Garg and Khaitan*

**Dr VK Sharma and DD Banodkar** for initiating activities of international lison cell- *Thank you Drs Sharma and Banodkar*

**Narendra Gokhale and Narendra Patwardan**- for the excellent start they gave to practice management cell- by releasing dermapractice bulletins, holding dermapractice meetings and along with Pradyumna Vaidya most importantly for getting the dermapractice clinic software cleared-for interacting with govt on practice guidelines- *Thank you Narendras*

**Anil Abraham and Rajib Gogoi**- for getting the media cell to make a start by giving IADVL the first promotional movie- responsible skin care- *Thank you Anil and Rajib*

**Shashi kumar** for contributing to the app and excellent work with Svach tvacha campaign- *Thank you Shashi*

**Koushik Lahiri and Abir Saraswat, Kiran Nabar, Shyam Verma, Rajetha, Vijay Zawar, Subodh Shirur and host of ITATSians** who worked with crusading zeal to take on the government, industry and media alike, and gave a new direction to IADVL's role in the community- *Thank you ITATSA*

**Aijit Coondoo and Rajeev Sharma** who helped interpret the constitution and guided us- *Thank you Arijit and Rajeev*

**Suresh talwar and Col Rajesh Verma** who drafted SOPs on all important topics- *Thank you Dr talwar and Rajesh (also for DERMATALENT)- Thank you Drs Suresh talwar and Col Rajesh Verma*

**Roopak Saxena and finance committee members** for guiding us on finance matters- *Thank you Dr Roopak*

**Jayakar Thomas** and ethical committee for guiding us on ethical issues- *Thank you Dr Jayakar*

**Jaidev Betkerur and team Mysore** for organizing a successful international congress SARAD congress- *Thank you Jaidev*

**Sacchidanand, and Chandrashekhar** for making a valiant bid to get WCD to India

**Sacchidanand Chetan Oberai and Arun Inamdar** for giving a great text book- *Thank you Drs Sacchi, Chethan and Arun*

**The Team of Mangalore DERMACON, Drs Ganesh Pai, Ramesh Bhat, Satish pai** and others, who changed the course of dermacon organization by their extraordinary efficiency and unprecedented contribution- *Thank you Team mangalore*

**Mukesh Giridhar ,Rajat Khandhari, Rishi Parashar** and entire Delhi branch for giving the **IADVL office**- *Thank you Mukesh, Rajat, and Rishi*

**Seetharam K** for coordinating the Online library project and also helping academy in varius activities- *Thank you Seetharam*

**Dr Ramam** for an outstanding year as editor of IJDVL and for making great efforts to see that journal reaches every member-and also arranging international dermatopathology fellowships- *Thank you Ramam*

**Dr Shyam Verma** who in his final year as editor of IDOJ leaves the journal at lofty heights- *Thank you Shyam*

**Dr Suresh Joshipura** for completing the task of archieving of IADVL records- *Thank you Dr Joshipura*

**To every state branch in particular Bihar branch for the IADVL chala gaon ki ore**– which touched hearts and minds of thousands of patients across villages in India- Thank you all presidents, secretaries, and every State branch EC member

To Every state president, secretary and executive committee member as they performed every where in India to take membership benefits to members as one family

To all members of academy, all committees, for their time and contribution

To every IADVLite who has supported silently and vocally, every activity that was done

To industry who supported all our activities

Finally I say with all humility and respect

*I ँPN/oa I ढn/oa I a oks eukfI t kurke- AA samanī va ākūti samānā hridayāni va |samānamastu vo mano yathā va|  
susahāsati ||*

*Let us march together; let us communicate together; let us all think together -May our intentions and aspirations be alike, so that a common objective unifies us all.*

*I ँPN/oa I ढn/oa I a oks eukfI t kurke- AA*

***Let us march together; let us communicate together; let us all think together***

Dr Venkataram Mysore  
President IADVL

## Message from President Elect 2016

**Dr Prof Devesh Mishra**  
LM/UP & UK/2361

Dear IADVL Patrons,

Namaskar. I on behalf of myself and all other members of EC wish you a great Dipawali, Christmas and a very Happy and Successful New Year 2016.

We have had a year packed with number of scientific activities e.g. webinars, camps, lectures, workshops, PG meet etc. participated and appreciated by huge number of IADVLites. This is really commendable. Our members perhaps never had it so good. Lots of scholarships and fellowships were given to worthy members.

We are moving towards our next DERMACON in Coimbatore in January 2016. I am sure that hard work of organizing committee and Scientific committee in Coimbatore led by Dr Sri and Dr Reena will present a great and memorable experience for all of us.

I must thank each and every member of the EC 2015 to give me enough experience and opportunity to get ready for 2016. I am sure that we will have a satisfying 2016 for all IADVLites. With your active cooperation and good wishes, I will surely try and fulfill your desire to make a member oriented and groupism free IADVL.

See you all at Coimbatore DERMACON 2016.

Dr Prof Devesh Mishra  
National IADVL President Elect

## Message from Immediate Past President

**Dr Deepak Parikh**  
LM/M/852

Dear IADVLites,

It was a great honour to lead this prestigious organisation both as President and as Immediate Past President. These two years have been the most rewarding. I have learnt a lot. This was possible because of your continued support and co-operation; thanks to all of you.

Friends my message is simple – IADVL needs you. There is lot to be done both for our colleagues and patients like our initiative to educate doctors, patients and chemists about the adverse effects of Topical steroids. The last two years have seen a sea of change in the way IADVL functions: it is now more accountable and transparent.

My earnest request to all responsible IADVLites

COME and JOIN IADVL movement to make a better tomorrow for our patients and colleagues

Adieu,

With love and warm regards  
Dr Deepak Parikh

**Dr Rashmi Sarkar**  
LM/ND/1543

## Secretary Speaks

Dear IADVL Members,

This is my last issue of IADVL News Bulletin as Secretary General IADVL (2014-15). Honestly in most parts, it has been a pleasure to serve you all for nearly 2 years and 3 months approximately (as we started 2 months early in 2013 because of ICD-DERMACON and my past president Dr. Deepak Parikh had started working and organising things in advance with me as early as October 2013). It seems difficult to believe that this seemingly unending period is finally coming to an end.

When I took up the mantle, I had few challenges to take up. I was the first women Secretary- General. I live in Delhi where travel on road is difficult in the dark or in the wee hours of the morning because of safety concerns. Secondly, it was challenging as I worked with two of the most industrious and illustrious Presidents of IADVL, who are very hands on at their work so it is perceived that there was no time to smell the roses. I took up these challenges in my own way and decided that I would balance out by completely switching off from my job mentally at home in the evening (we did not work beyond 6.00 PM and I only did midnight shifts after 12.00 PM. when all sleep). With time, both Dr. Parikh and Dr. Venkat and I worked on a mutual rapport, understanding and flexibility. I must add they were both extremely sensitive leaders with respect for feelings of their colleagues. Over the two years, there have been in-depth discussions at any time of the day.

It has been a great learning experience working under Dr. Deepak Parikh (2014) and Dr. Venkat (2015), Presidents IADVL of 2014 and 2015 respectively. I imbibed a lot like a sponge. My treasurer colleague and friend, Dr Somesh Gupta and I did not realize the huge quantum of work that we took up, but Somesh was ever smiling, ever cooperative and my sounding block most of the time. I am thankful for his constant support. The EC of both the years worked together to bring in a lot of financial transparency, working out the leftover accounts of past DERMACONS, worked for paying income tax and to acquire a service tax number, moreover, positions for faculty in conferences and SIG members were invited for the first time by application. All the committees in IADVL had a young dermatologist and women representative and all activities including community work and ITATSA were streamlined and created a buzz. We often took a backseat, letting the committee chair and convenor take the lead.

One of the most pleasurable parts of my secretary ship is the IADVL Residents Welfare program which brought out 6 Resi-Dream e-bulletins entirely by the resident editorial team. These 12 residents from all over the country became family and are treading steps of future leadership led by Dr Ishad Agarwal. They are Dr. Anupam Das, Dr. Samujjala Deb, Dr. Sumit Gupta, Dr. Saloni Katoch, Dr. Jimish Bagadia, Dr. Gillian Britto, Dr. Zubin Mandlewala, Dr. Anuj Tenani, Dr. Indrashis Podder, Dr. Sahil Mrigpuri and Dr. Aayushi Mehta. I can at last take their names with pride as they are people who I met as they volunteered to work and not by references from colleagues. The e-bulletins were beautifully formatted by Dr. Anuj Tenani and Dr. Aayushi Mehta, so we can claim to produce bulletins in-house.

Perhaps one program which did not pick up as much as it should, was the IADVL Mentorship Program. This program may have been a little ahead of its time but has great potential for providing soft skill learning resources to our young and middle level dermatologists.

The other part that I thoroughly enjoyed is reaching out to the common member of IADVL, who I may not have met and trying to sort out membership issues. Suddenly, one day, at some conference or the other, he/she would come forward and introduce himself/herself. What worked well for us in IADVL for these last 2 years is a good chemistry with IADVL Academy Chair and Convenor, Dr. Manas Chatterjee and Dr. Ameet Valia and the journal editors. Working as a good team brings great dividends.

This may be my last issue of IADVL bulletin as Secretary-General IADVL, but my work for IADVL will continue. In case there were shortcomings in spite of everything, I would like to say sorry. There were times I faced difficulties and criticism, and I thank first of all my

family, Srikanta and Abhik for tolerating me; my department head, Dr Vijay Garg and department colleagues; my PGI teachers and seniors, Dr A.J.Kanwar, Dr Sandipan Dhar, Dr Anil Abraham, IADVL EC Members 2014, Dr Suresh Talwar, Dr Rajesh Verma, Dr Sanjeev Gupta, Dr. Narendra Gokhale, Dr Krina Patel, and IADVL EC 2015 members, Dr Devesh Mishra, Dr Raghunatha Reddy, Dr Rajesh Buddhadev, Dr. Manish Gautam, Dr Rohit Batra and last but not the least, my IADVL Assistant, Hina for their help and empathy. A word of thanks to Dr Yasmeen Bhat and Dr Abhijeet Jha for helping me by editing small bits of this bulletin. The journey continues.....till we meet again!

I look forward to continue my work for IADVL in near future and serving you all again.

Long live IADVL!

Dr Rashmi Sarkar

Secretary General IADVL (2014-15)

## **Agenda for the Central Council Meeting for the year 2015 and Annual General Body Meeting for the closing year 2015**

*Venue:* Codissia Convention Centre, Coimbatore, IADVL Hall

*Day:* 21<sup>st</sup> January 2015; *Time:* 11.00am - 5.00pm (*Lunch:* 1.00pm-2.00pm)

Narasimha Rao, Dr. Kuriyipe.

Dr. Rajesh Buddhadev was not able to attend as he was out of country and has shown his inability to attend well in advance.

The President welcomed the CC members to the city of Bengaluru for the CC meeting, 2015.

He, then called in the Hon. Secretary to present the Secretary's report. Dr Rashmi Sarkar welcomed everyone to the CC meeting.

**Condolences:** All the members observed a minute's silence to convey their condolences for members who left us.

The members who departed for heavenly abode were Dr Pumori Saakar (Condolences offered by Dr Narendra Patwardhan), Dr Uma Agarwal (IADVL WB branch, Dr Rohit Bhasin from AFDG (Condolences offered by Col Rajesh Verma) and Dr. H.B. Basavaraj (IADVL KN branch).

This was followed by the release of IADVL News, Vitiligo Bulletin, Dermapractice bulletin and Dermatolent Bulletin. Also released was the Promotional video for IADVL conceptualised and prepared by Media cell.

### Secretary Report

Dr Rashmi Sarkar, Hon. Secretary General presented the work done by EC 2015 till date.

She highlighted that for the first time a half day State Presidents/ secretaries meet conducted.

**New members added were as follows:** PLM - 329, LM - 66, ALM -9.

She also spoke about the ITATSA movement and other events like Reseach methodology Workshops, IADVL Research grants, Scholarships and Dermatopathology Fellowships, IADVL Residents Welfare program and IADVL App for Android and I phone.

She also touched upon activities of Media Cell like Press meet in Delhi organised by Dr Rohit Batra and the awareness video by Dr Anil Abraham. Sister society meets at AAD and WCD were also discussed. The IADVL EC meeting on 24/25<sup>th</sup> April at Delhi signified the Pre and Post meetings with Government officials. She thanked Dr Raghunatha Reddy, Dr Rajesh Buddhadev and Dr Manish Gautam for their progress in IADVL community programs, IADVL E-voting and E- groups respectively.

IADVL office inspections were completed at Delhi, Kolkata and Bengaluru.

IADVL vitiligo day now to be celebrated on 25<sup>th</sup> June with rest of the world.

Other points noteworthy were the WCD bidding and ILDS meeting at Vancouver and IADVL Academy meeting at Kolkata on 11-12 July.

**Treasurer Report** presented by Dr Somesh Gupta.

Salient points discussed were

1. 12 A status – Original file not found at Patna office as yet. Dr Joshi Patodekar said that for 35C the Association needs to have Current A/c and not savings A/c.
2. Dr Ramesh Bhatt shared the good news that besides the 3,65,00,000/- already given to IADVL from DERMACON 2015, another 25,00,000/- will be given. Applauded by CCM.
3. Online Membership form – Karnataka and Bihar to do pilot project. Approved by CCM.

**IADVL office** – The President stated that all associations of our size have their own HQ office. AGBM has approved the concept of physical office.

**Dr Rashmi Sarkar presented the report of all 3 venues as follows:**

**Kolkata-** Small office and shared. Approach difficult and parking problem.

**Delhi-** Good interiors, spacious but lonely area, not used for 6-7 years by DSB too. No one to supervise and cramped with furniture.

**Bengaluru-** Good location, bank nearby, 4 societies together and fully functional. Persons available to visit once in a day. Clubs are nearby and accessible to other places. More spacious.

**Dr Devesh Mishra said that E-** office is better as it belongs to no state and no difficulty of transition as training will be required in physical office.

The President commented that this has been going on and we have faced difficulties due to absence of physical office.

Dr Rishi Parashar from Delhi expressed his unhappiness about the way the DSB office is projected in the report. Dr Sudip Das highlighted that State Bank was just below the office in Kolkata and parking is available in adjacent area.

Dr Amarkant Jha felt that the report looks more like an advocacy of Bengaluru office.

Dr Mukesh Girdhar, President DSB offered office FOC (free of charge) with basic maintenance.

Dr Rajiv Sharma felt that IADVL should have own office and own staff – presently can be rented and later purchased.

Dr Arijit Coondoo expressed concern that next DSB President may not allow to which Dr Girdhar said that Presidents will be from the same branch and decision will be binding. Dr Somesh Gupta suggested that Delhi sign a MOU with IADVL. Dr Umashankar said that IADVL can go ahead with the office if anyone giving Free as Karnataka would not do so. Dr Girdhar further confirmed on behalf of DSB EC that the place can even be sold to IADVL.

Dr Devesh Mishra still felt an independent and neutral office to avoid access to everyone would be better.

Dr Parikh pointed out that the report was not biased and only looked at with benefit of IADVL in mind. He suggested that 2-3 years can be started at DSB office on rental basis and consider later for future. The President also put forth the point that DSB office was not even used by Delhi branch and suggested that DSB members work for the office once given to IADVL. Dr Rishi Parashar suggested that office should be maintained by IADVL EC in all respects.

Dr Arijit Coondoo suggested IADVL e-office for 2 more years to which the President refused as physical office has to happen.

Dr Rajeev Sharma suggested Video / CC camera monitoring.

**Vote of CCM taken with show of hands** – Delhi as IADVL Office for 3 years extendable to 5 years. MOU to be signed.

**Supervision to be done by EC member.** Suggestion by DR HR Jerajani that Dr Rashmi Sarkar supervise even if not in EC. President Dr Venkat suggested that both Dr Somesh Gupta and Dr Rashmi Sarkar should supervise and that DSB should appoint their EC member to coordinate, and get proper electricity, water connection, appoint an office boy and write to IADVL EC. Accepted.

**Next issue was**

**Swatch Twacha, Swasth Tvacha** – Posters on Biomedical waste disposal and Healthy Skin prepared and to be sent to all IADVL life members, courtesy J&J with no conflict of Interest.

Dr Anil Abraham, Dr Manjunath Shenoy, Dr Jayanth and Dr Shashikumar - applauded for their efforts. Dr Narsimha Rao suggested we put title in English.

**IADVL Chala Gaon ki Ore** – Dr Raghunath Reddy gave an overview. The President congratulated IADVL Bihar for their proactive approach in this area. He further said that the State Presidents and Secretaries have been involved and this will be done from Central corpus from Industry. Money sanctioned in GBM is 8 lacs. Dr Subba Rao suggested that giving samples will be useful. Dr Joshi Patodekar said that Pharma can give amount directly as they also have to spend 2% in charitable activities and apply for CSR.

Dr Amarkant Jha said that one camp can cost around 15-20k (including medicines).

Dr Patwardhan pointed out that IADVL Maharashtra had sponsored an educational cycle rally organised by him. This year he plans to have a cycle rally from Kochi to Coimbatore from 12<sup>th</sup>-19<sup>th</sup> Jan. Nod from IADVL given to same.

Dr PN Rao suggested you make it central program and allocate funds. Dr Venkat Mysore confirmed that proposed central Corpus is 5 lacs presently. Dr Sanjeev Handa questioned why money is required for Camps. Dr Reddy explained that for continuous program, we need proper system and therefore, funds are required for transportation and medicines etc.

Dr Narendra Kamath highlighted the PSORIA project. Dr Rui Fernandes suggested we have specialised camps involving General Practitioners so that they can also send cases. The President confirmed that it has been taken care of. Passed by CCM with 5 lakhs budget.

**IADVL Quiz issue** – Dr Reddy thanked GSK for their contribution and this 10<sup>th</sup> year will see some fanfare and changes. Quiz Committee chair will be Dr Manjunath shenoy. Dr Shenoy said that he has worked with SOP committee and intends to make the quiz more attractive this time.

Dr Reddy pointed out that the contract with GSK ends this year. As regards sponsors for future years – GSK wanted to continue with no additional amount. Meanwhile, Torrent Pharma agreed for 25 lacs. After this, GSK came back and are now willing for 25, 26 and 27 lacs for the next 3 years respectively.

Dr Devesh Mishra felt that he should be given the charge of this project to handle it in his own way as it falls in his tenure as President. He felt it unconstitutional that this EC takes care of his job.

Dr Parikh explained that these are ongoing projects and should be shouldered in continuity by subsequent ECs. They should not get stalled and therefore, projects signed by previous EC have been continued in forthcoming year.

Dr Reddy suggested that Dr Mishra can take up the project and work afresh if he feels, he could get better sponsors.

The President informed the House that this was in full knowledge of Dr Devesh Mishra as it was repeatedly discussed in the EC. It is a matter of principle that 3 presidents work together. If every President starts a new project, it will never be completed in his/her tenure.

Dr Rajeev Sharma suggested you put it again for a bid and give it to best bidder. Dr Jha felt that Dr Reddy should continue as he has done the ground work and deserves credit for the same. Dr Sudip Das suggested an open bidding.

The President summed the issue and directed Dr Reddy to get better bids and complete the process by GBM keeping Dr Devesh Mishra in loop.

### **Afternoon Session**

**IADVL App** – Dr Shashi Kumar presented the report. IOS version to be launched in Sept 2015. Android version active since Feb'14. Till Date, 1167 users. Recent additions - video diary, image diary, Poll/survey and member directory. Adoption and Support - Dr Reddys Labs willing to support. SMS and Email campaign from IADVL. Brochures, guides. Response time is 30 mins- 1 hour. Dr Manas pointed out that journal articles cannot be increased in font. President asked the technical team to look into this.

**IADVL Residents Program** - Dr Ishit Agrawal presented the report.

**IADVL mentorship Program** – 11 Mentors and mentees.

**Archiving Project** – Dr Joshipura presented the details. It comprises of maintaining records of last 10 years including Oration, Awards and Accounts. Can be put on APP once its ready.

### **Future Conferences:**

**DERMACON 2016**- Dr Reena – Total registration – 1669. Rs 22, 54000/- already transferred to IADVL account. Abstract submission and Scientific program presented by Dr CR Srinivas. President mentioned that the accommodation MOU had been reworked to include clauses that room rent should not exceed base price at which rooms were recd , no service charges should be charged.

**MID- DERMACON 2016**- Bhubhaneshwar- preliminary report presented by Dr Shukanto Mallik. Venue Inspection due in Sept 2015.

**DERMACON 2017**- Dr Sudip Das presented the progress thus far. Budget (Income – expenditure) presented. The President felt that the expenditure at 15 crores was very high even if status of Kolkata as Metro city kept in mind. Dr Das said that it is so because they are expecting 6000-8000 delegates. It was also felt that the Workshop fees for subjects like Dermatopathology is on higher side. Dr Sudip Das assured that this part will be looked into. Dr Talwar was concerned about the food quality and was assured by Dr Das that it will be of the best quality and variety. President asked Dr Sudeep that MOU with event manager allows a 15% service charge- to which Dr Sudeep said the MOU would be reworked and revised

**SARAD 2015**- Good progress in last 2 months in terms of registration.

**ADC 2016**- Report presented by Dr Rashmikant Shah

**Practice Management Cell**- Report presented by Dr Narendra Patwardhan, Chairman PMC.

- Clinic Management Software - Dr Narendra Gokhale, Convenor PMC briefed the house about the recent govt regulations - Govt. Of India directive likely soon that data be preserved in EMR( Electronic Medical Records) software. Hence it is important that our members adopt softwares in practice. PMC has been working on this, evaluated different softwares and come up with its recommendation. He introduced Mr Vikram Lele a software engineer from Pune, who has supplied softwares to psychiatry associations and neurology association. Mr Lele explained the salient features of the program- he mentioned that it is cloud based, that it can be managed and altered by doctor himself and has autointelligence which is unique. He also has ISO 27000 security- the highest ever, which is used by all banks. The

cost was very cheap at Rs 250 per member. Dr Parikh asked whether Rs 250/- per member per year was based on the fact that all 7500 members register and it was confirmed by Dr Gokhale. Also, Dr Parikh wanted to know what would be the rate change if all members are not registering. Mr Lele said that the rate change will not be more as we look at this as an activity for the association. Dr Mysore said that Rs 250 per year is not much as we are now having to pay 40000/- for software individually. Dr Shital Poojary enquired about the registration number for medical college entries- Vikram lele said it can be used and is already being used. Dr Sanjeev Handa enquired about codification ICD 10, Mr lele said that we use it as it is free, others are chargeable. When questioned about importing or exporting data, Mr Lele said that we can import data from other software if they have a clause in their agreement with user. As regards this software, there is an option to exit and transfer data if required. Dr Shashikumar had a query whether net speed will be affected with increasing data. Mr lele confirmed that it was tried on 40000 patient data and no problem with speed. Regarding queries about hacking and data safety, the President assured that a clause will be inserted for the same in the agreement.

- Dr Gokhale explained that this is the first time we are having an activity for our members in private practice and we should not have a limited outlook towards it. This is the future as soon Government will send directives regarding clinical practice. He further stressed that PMC members will further put in data about skin diseases, to make it easier for members. Members also raised issues of confidentiality-he said the system is ISO 27000 certified.

Dr Mysore said that we need to see it as an useful tool for our members and sought the opinion of the House whether we need to get it sponsored by pharma or should be given as a membership benefit from IADVL to its members. Members opined that this should be funded by IADVL

The House passed the Clinic Management software resolution unanimously and should be sponsored by IADVL for all members.

#### **IJDVL Report-** presented by IJDVL Editor, Dr Ramam.

He said that measures are being tried to reach the journal to each and every member as it is his/ her basic right as IADVL member. IJDVL meeting with all Jury, Editors and publishers was held on 26<sup>th</sup> July at Hyderabad. Future trends would be professional editorial support, shared editorial responsibility, maybe Co- editors. Try to have the journal as Open Access without author fees. Dr Ramesh Bhat asked whether we can have monthly instead of bi-monthly issues. Dr Ramam said

that it might increase the load and expense.

#### **IDOJ Report-** presented by IDOJ Editor, Dr Shyam Verma.

Total 535 submissions last year. He shared good news that IDOJ indexed on Pubmed now. He appealed to members to come out with ideas to increase number of reviewers. He also felt that new authors should be encouraged. He also mentioned that new MOU had been signed and cost reduced after negotiation from rs 900 to 800 per page and thanked the president for the guidance

#### **IADVL Academy Report-** presented by Academy Chair, Dr Manas Chaterjee.

He spoke about the IADVL Academia Newsletter. He added that it was available online to see the activities of Academy and SIGs.

He touched upon important issues like IADVL Digital lecture series and books ready for release by DERMACON 2016. These include two atlases and one on recent advances. The Project Directors of the Atlases would be Dr Venkataram Mysore and for the recent advances will be Dr Dipak Parikh.

He further went on to highlight the activities of SIGs which included SIG Psoriasis planning a Psoriasis registry and a request for separate SIG for Aesthetics.

Modification in SOP for SIG events - Any loss in SIG activity in State should be borne by State branch and IADVL centre equally.

A proposal for an E-stall for Pharma companies is proposed by the Academy during Webinars and Online lecture series.

Dr Manas informed the House that 3 out of 4 International Dermatopathology fellowships accepted. He also highlighted about the Travel grants for International conferences. New applications have been received for Fellowship Training Centres. These will be assessed by an Academy member visiting the Centres. Also, there is a certain change in terminology from Fellowship to Observership (for training fellowships of smaller duration) as certain candidates complained that they were not allowed Hands-on training in some Centres.

He also highlighted about the 10 Dermatosurgery workshops with grant from Torrent Pharma at Rs 2 lakhs per workshop. He also spoke about the IADVL Academy project- Study on Stability of Vitiligo, protocol prepared by Dr Sandipan Dhar and approval received from Dr Nilendu Sarma to include it as a part of his existing study. He informed the House that patient education material for various diseases was also under way, thanks to Dr Vishalakshi V. Dr Narendra Kamath felt that IADVL logo should be in invites and backdrop of all SIG events.

Change of Designation in Academy to Ex-officio. Immediate Past President, President Elect and Treasurer to be included in Academy. Also he asked for the Immediate Past President to be involved in the process of selecting SIG members.

**SOP Committee Report**- Presented by Dr Talwar Regarding the elections for post of Vice President and Joint secretary for EC 2016, Dr Talwar proposed elections on floor of House with new regulations as these were not specified in Constitution. Dr VK Sharma asked about the possibility of E-voting but the President felt it will be too expensive. SOP on elections were passed by CCM

SOPs for Presidential Candidates – Appeal on E- groups and APP – directly or indirectly will not be allowed. SOPs on presidential address to CCM and on E groups were passed by CCM without amendments

Presidential Candidate Address in CCM – Details have been sent to all Candidates.

**ITATSA Report** – Presented by Dr Abir Saraswat. Dr Koushik Lahiri could not attend the CCM due to his mother's ill health.

- Official programs – Treat Your Skin Right (TYSR), lobbying various regulatory agencies and compiling information and Data.
- TYSR video will be out in Hindi as well shortly
- Mass Media Campaign – Identifying adverts of steroid creams masquerading as fairness creams
- PPTs for GPs – Triple combo creams for fungal infections or steroid creams on face for fairness
- Model Press release for Media use.
- Paper written to BMJ about topical steroid abuse in India
- Efforts of Dr Kiran Nabar, Dr Yogesh Zawar, Dr Rajetha Damisetty and Dr Akun lauded.
- UB Fair cream from Torque pharma – Action taken and banned

Dr VK Sharma said this is a great effort and it should be in all States. Dr Girdhar felt lectures should be given by all members in all forums.

**Media Cell** – Chairman – Dr Anil Abraham, Convenor – Dr Rajib Gogoi

Budget proposal presented for expenses on PR activities. Dr Anil Abraham pointed out the need of promoting IADVL as a brand. An amount of 6 lacs (50,000 per month for a year) was proposed as PR agency charges which would encompass journalist interviews with IADVL spokespersons and presence in health shows on television. The President felt that Rs 6 lacs annually would not cover everything. Dr Anil assured that it will be cleared with the PR agency regarding this part. At the

same time, he said that for media, an organisation is more important than individuals and therefore will do at a lower cost for IADVL. He asked the Media Cell to clarify what is included in this amount. If insufficient, take few more quotations and increase visibility for IADVL. Dr Anil Abraham thanked the House for agreeing in principle to the proposal. House approved the amount of 6 lacs after above clarifications and asked for a detailed MOU to be signed with the PR agency.

Dr Rajib Gogoi asked for the other budget proposals which included Rs 2 lakhs for 3 videos to be prepared for promoting IADVL and Rs 20000/- for facebook page maintenance. The President said that we are already working on videos through pharma companies and we may not need more videos presently. Regarding charges for Facebook page maintenance, the President instructed the Media Cell members to increase their presence on FB and then ask for further budget. The CCM applauded the efforts of the Media Cell.

The minutes of the EC meeting held in April 2015 at New Delhi were presented by Dr Rashmi Sarkar – Passed by CCM.

Dr Sacchidanand received a standing ovation for his efforts as the Editor- IADVL textbook of Dermatology.

Dr Sarkar sought the permission of the House for extending the deadlines for Orations and Awards – Approval given.

**Goa branch of IADVL** – Dr Rashmi Sarkar announced that more than 25 Dermatologists (LMs) of Goa have submitted a written proposal for a separate branch of IADVL – Passed by CCM to be approved in AGM.

**DVL Trust** – Dr Chetan Patel presented the report. 211 members only as of now. The President requested the CC members to propose strategies to increase membership.

1. Leaders to join first
2. State Co-ordinators to be more pro-active
3. Use senior leaders name and message –“ I have joined DVL Trust, have you”

DVL co-ordinator from EC will be Dr Rajesh Buddhadev.

Dr Rajib Gogoi said that Insurance schemes need to be sold. Dr Manjunath R felt that CMEs for selling the Conference should be held. Dr Parikh suggested that slots for DVL trust propaganda should be allotted in DERMACONS and CUTICONS. Dr Narendra Kamath added that it can be part of PMC programs too. Having a webcast can also be thought of as a strategy. Regarding advertisement in IJDVL, President assured that he will write to Editor.

**WCD bidding** – Dr S. Sacchidanand informed the House about the outcome at the WCD bid at Canada, He suggested that

presently, it would be good if we do not bid any further. The House also felt the same and it was decided that no further bids for WCD presently. CCM thanked Dr Sacchidanand and the bidding team for their efforts

### International Liason Cell

Dr VK Sharma asked the opinion of the House regarding International speakers – sponsored by pharma or directly from IADVL. It was felt that we should directly pay to speakers. It was suggested that we invite 4-5 visiting scholars every year to DERMACON from other countries and offer them budget accommodation.

We should include more fellowships and exchange programs to make IADVL presence felt globally. IADVL media cell should take steps to promote IADVL in EADV and AAD. We should have scholarships in various states with a budget of 5lacs.

Budget of 10 lacs each for DERMACON passed for 2 years (Coimbatore and Kolkata) – Passed by CCM. For ADC, we will take it up tomorrow with Dr Joshipura.

### DAY 2

CCM Bangalore- 16<sup>th</sup> August, 9:00 am onwards

**Attended by 60 members.**

### Proposals

#### Administrative Proposals from EC Meeting 2015 carried forward

#### Proposal 1

Name of proposer/s: Dr Venkataram Mysore LM KN 3211

Is any one of the proposer member of CC? Yes

Is it constitutional related/administrative (select one)

Administrative-administrative

How will it help IADVL? Brief introduction.

Industry interaction needs to be streamlined to obtain maximum benefits to IADVL. A beginning was made through breakfast meet in DERMACON Mangalore

If constitutional – will it replace existing clause? Or modify?

Administrative

**Proposal:** Concept of Industry partners: The purpose of this council is to ensure coordination with industry, enlist support for our activities and convey concerns and discuss issues of mutual relevance. These issues may include

- Community issues such as TSDF, improper formulations
- Enlist support for IADVL activities
- Enforce transparency in stall rates in DERMACON, discuss TDS and service tax issues
- Urge industry to channel their programs through IADVL
- Take up members issues such as poor servicing, variable

pricing with equipment manufacturers

Platinum sponsors: more than 1 Cr towards grants, community programs, educational programs (excluding stall money and journal websites)

Diamond sponsors: 75 lakhs

Gold sponsors: 50 lakhs

Silver: 25 lakhs

Bronze: 15

Other members: more than 10 lakhs

**Privileges:** Visibility on website and in a standee poster during congresses, invitation to All India level management executives to Inauguration of congresses, recognition in IADVL felicitation day, invitation to corporate council meeting during CCM.

**General Industry council:** All pharma and other supporting companies- meeting during DERMACON

**EC Meeting Decision-** Dr Talwar wanted to know whether the contribution will go to IADVL or DERMACON. Dr Venkat said it will be to IADVL (for Educational grants which are already going on). Dr Talwar and Dr Reddy felt that the DERMACON OC might object to this. Dr Venkat clarified that this is just giving a title and recognition to the activity which we already are doing. Dr Joshipura felt that this is good to formalize the Industry contribution. PASSED BY EC, Referred to CC.

**CC Discussion-** Dr Ameet Valia – how company is selected and if they do not participate after 1 year, what to do.

**Dr Venkat-** Recognition of pharma contribution and they have different heads for conference and other activities.

**Dr CRS-** They might not participate in DERMACON or state conference.

**Dr Venkat-** Different heads of different activities and recognition of contribution. We can reduce the cost for Diamond, Gold levels. Dr Parikh commented that we are targeting MNCs in India. The President informed that different budgets are reserved for CSR activities in Pharma.

Dr Shyamanta commented that privileges should be according to their contribution. – accepted

Dr Jha said we should have 1 company in each category. Dr Parikh added that we can have two in each if we do not have higher level contribution. Dr Jerajani asked for grants for bigger proposals for Medical colleges. The President assured her the same. Dr Valia had a query whether it was advertorial or advertisement. President said that it will only have company name and logo and nothing more.

Dr CR Srinivas felt that we can outsource for research and money should be given only when it is clear how it will be

spent. Dr Rajeev Sharma felt that 30% should be in FD and rest utilised in activities. He also added that we should have good relations with Pharma irrespective of who is in the President's Chair. Dr Parikh agreed and said that we should have an independent autonomous body within IADVL.

Dr VK Sharma felt that Pharma will spend for research as it is also necessary for them.

Dr Ameet Valia asked whether scholarships can be increased and training fellowships be started. The President replied in the affirmative.

**CCM decision** – IADVL to have a structured relationship with Pharma i.e General – DERMACONS and State conferences & Special Corporate Relationship – Diamond, Gold, Silver for National Programs. – Passed

### Proposal 2

Name of proposer/s: Dr Venkataram Mysore LM KN 3211

Is any one of the proposer member of CC? Yes

Is it constitutional related/administrative (select one)-  
Administrative

How will it help IADVL? Brief introduction.

Commemorative plaque of IADVL helps boost image of IADVL amongst members and also public

If constitutional – will it replace existing clause? Or modify?  
ADMINISTRATIVE

### Proposal: Membership plaque,

Each member to be given a membership plaque and a membership pin

Approximate cost worth 500- total cost

$7000 \times 500 = 35,00,000$

Plaque would say: I am an IADVL DERMATOLOGIST; with logo. It would be displayed at all clinics.

Do you think this needs referral to any specific committee? CCM for finance approval

**EC Meeting Decision:** The President said that IADVL commemorative plaque can be given to every member and He/ She can proudly display in the Clinic as an IADVL bonafide member. Dr Narsimha Rao felt that a beautiful certificate can be given to member and they can make into plaque. Dr Rohit suggested it could be sponsored with a line at the bottom about the Sponsorship.

Referred to CC as it involves a lot of cost.

The President put forth that IADVL sponsored plaque works out to be expensive, therefore a well designed laminated certificate should work out better. Dr Parikh asserted that the members should get something as a return gesture from IADVL.

Dr VK Sharma felt that we should print and give to each member and leave it to them regards lamination. Dr Coondoo said that full form of IADVL should be used. Dr Manjunath Shenoy gave a good suggestion that we should make the plaque and let members buy. Dr Parikh suggested we give certificate free and plaque chargeable. Dr Bhatt, Dr Pravin and Dr Jha felt we should give plaque free. As regards pharma sponsorship for plaque, the House voted in the negative.

**CCM decision** – Certificate free and plaque chargeable. Dr Manish Gautam to look into the cost and feasibility of plaque.

### Proposal 3

Name of proposer/s: Dr Venkataram Mysore LM KN 3211

Proposal to change IADVL best branch award to felicitation day Is any one of the proposer member of CC? Yes

Is it constitutional related/administrative (select one) –  
Administrative-SOP

How will it help IADVL? Brief introduction.

Best branch award is given during closing ceremony- it is a prestigious award and hardly anyone is present during closing ceremony to witness it

If constitutional – will it replace existing clause? Or modify?

**Proposal:** Proposal for awards; IADVL best branch award be given during inaugural ceremony or IADVL felicitation day. Only awards which are to be assessed during congress are to be given in closing ceremony- needs change in SOP needs CCM  
**EC Meeting Decision-** House divided over the two options, Inaugural Day or Felicitation Day – Referred to AGBM.

Dr Parikh asked what is wrong with other awards. Dr Shyamanta said that it is because it was decided earlier. All awards which are decided before DERMACON can be given on felicitation day.

**CCM decision** – Passed to give during felicitation day.

### Proposal 4

Name of proposer/s: Dr Venkataram Mysore LM KN 3211

Proposal to give one young dermatologist award to each zone Is any one of the proposer member of CC? Yes

Is it constitutional related/administrative (select one) –  
Administrative- SOP

How will it help IADVL? Brief introduction.

IADVL has expanded in membership recently-there are a large number of young dermatologists and so one young dermatologist award for entire membership rotating each zone is inadequate- many deserving candidates are left out  
If constitutional – will it replace existing clause? Or modify?

**Proposal: Proposal for one young dermatologist from each zone every year**

Do you think this needs referral to any specific committee? CCM

**EC meeting Decision:** Passed in EC, Referred to CC.

CCM recommends to increase from 1 to 2 but sent to AGBM as it requires Constitutional approval.

**Proposal 5**

Name of proposer/s: **Dr Raghunatha Reddy R, KN – 2925**

Is any one of the proposer member of CC? - **Yes**

Is it constitutional related/administrative (select one) - **Administrative**

**How will it help IADVL? Brief introduction**

EC members work hard compromising their personal work and attend all the meetings. Especially during DERMACONS they attend and for most of the three days sits through the meetings without attending to scientific programs. When Hon. Secretary and president are sponsored, why not other EC members

**If constitutional** – will it replace existing clause? Or modify? - **no Administrative-** needs to go to Central council

**Proposal:** To sponsor, travel and accommodation to entire EC, the same may be sponsored by the IADVL. EC members work hard compromising their person work and attend all the meetings. Especially during DERMACONS they attend and for most of the three days sits through the meetings without attending to scientific programs. When Hon. Secretary and president are sponsored, why not other EC members Hence I Propose for the sponsor of entire EC ie. Three presidents, Secretary, 2 VPs, 2 Joint secretaries and Treasurer,

EC Meeting Decision: The President felt that all EC members to be considered equal. Dr Narsimha Rao said that it is at the discretion of DERMACON organizers. Dr Rashmi Sarkar felt that the President, Secretary and Treasurer are more busy. House divided. Sent to CC.

Dr VK Sharma felt that the outgoing EC should be sponsored as they have worked for 1 year.

CCM recommends that entire outgoing EC should be sponsored for DERMACON from IADVL share. Sent to GBM.

Senior members including past presidents enquired about the absence of President elect, Dr Devesh Mishra. House was informed that due to flight issues he had to leave early. Members asked that their opinions and observations on this issue be recorded.

**Proposals for CC Meeting 2015 which are Administrative**

**Proposal 1**

Name of proposer/s:

- Dr Sudip Das LM/WB/3322

- Dr Asok Kumar Ghoshal LM/WB/2443
- Dr ManababrataMajumdar LM/WB/2450
- Dr SatyendraNathChowdhury LM/WB/2524
- Dr SandipanDhar LM/WB/2446

Is any one of the proposer member of CC? **Yes**

It is **constitutional related**

How will it help IADVL?

- To attain economical more viability
- Further development of IADVL activity with in the state
- Better understanding between centre and state IADVL
- Spread of association activities to rural areas and district towns

If constitutional – **it will modifiedclause**

**Proposal: To increase the state share from DERMACON to 50% from existing 20%**

Do you think this needs referral to any specific committee? **Can be discussed in CC and AGM**

Proposals 1, 2 & 3 referred to Constitution committee to be taken in AGBM as they are administrative.

**Proposal 2**

**Proposal passed by the IADVL W B Branch Executive Committee dated 03.06.2015**

Name of Proposar/s:

- Dr. PradipLaha - LM/WB/2427
- Dr. Asok Kumar Ghoshal – LM/WB/2443
- Dr. ManababrataMajumdar – LM/WB/2450
- Dr. KisalayGhosh – LM/WB/4030
- Dr. ManasChatterjee – LM/WB/2740

Is any one of the proposer member of CC ?

**YES**

Is it administrative/policy/constitutional related (select one) OR **CONSTITUTIONAL**

I/We are not able to classify and accept ECs view

How will it help IADVL? Brief introduction:

It will help by creating a hierarchy and accountability of the Organising Committee and the host state branch while organising DERMACON.

If constitutional – will it replace existing clause? Or modify? **Modify.**

Give detail of the clause –page no. 55 and clause no. 9 (IADVL Constitution Bye Laws).

**Proposal:**

1. The Organising Committee in general including the Organising Secretary shall be accountable to the Organising

Committee Chairperson, who will be accountable to the Executive Committee of the host State Branch, which will be accountable to the IADVL regarding all financial, administrative and policy matters regarding DERMACON.

2. The State Executive Committee and its President and Secretary should be informed and involved in the decision making process of DERMACON by the Organising Committee and the opinion of the Executive Committee should be given proper credence.
3. After the completion of DERMACON and the setting of Accounts of the same, any body formed for the purpose should be wound up.

Does this proposal need referral? May be referred as felt by EC  
Proposals 1,2 &3 referred to Constitution committee to be taken in AGBM as they are administrative.

### Proposal 3

Name of proposal/s: KIRAN GODSE LM M 701

Is any one of the proposer member of CC? yes

Is it administrative/policy/constitutional related (select one) OR we are not able to classify and accept ECs view

How will it help IADVL? Brief introduction.

Election system needs revamp

If constitutional – will it replace existing clause? Or modify? no

Give detail of the clause – page no. and clause no.

**Proposal:** (It should be properly worded/drafted). **Election ballots needs declaration form by member signatures needs to be verified counterfeit logo is needed on each ballot often ballots are sent to e voters and PLMs in the past At the cc meetg recorded appeal by all president elect and other posts candidates should be screened outside main hall or exhibit this is followed at AAD meeting**

Does this proposal need referral? no

For office use:

Date when received:

If referred – when and to whom? Replay must come within one week

What is the conclusion of the referring committee (to be included with the proposal)

When was proposal placed before committee. EC/CC/AGM

Status: passed/rejected

Proposals 1, 2 & 3 referred to Constitution committee to be taken in AGBM as they are administrative.

### Proposal 4

Name of proposal/s: Increasing the Prize money for all the

awards of IDOJ

Is any one of the proposer member of CC? Dr. Shyam Verma, Invited CC Member

Is it administrative/policy/constitutional related (select one) OR ADMINISTRATIVE I/we are not able to classify and accept ECs view

How will it help IADVL? Brief introduction.

If constitutional – will it replace existing clause? Or modify? NA

Give detail of the clause – page no. and clause no.

**Proposal:** Here is a formal proposal to increase the prize money for IDOJ papers as per our discussion in the EC meeting on 26th April, 2015.

The proposed amount is highlighted in yellow and follows the existing prize money amount.

We would like to introduce the new 'Top Reviewers of the Year' awards of Rs. 5000 each for 3 persons per year. If you feel it should be increased to five that is also fine.

- Memento and Cash prize of INR 5000 for the 'Best Original Paper' every year Rs 8000.
- Certificate, Memento and Cash prize of INR 4000 for the 'Best Case Study / report' every year. Rs. 5000
- Certificate, Memento and Cash prize of INR 3000 for the 'Best Letter to the Editor' every year. Rs. 5000
- Certificate, Memento and cash prize of INR 2500 for 3 winners of SKINDIAQUIZ for every issue of IDOJ instead of the existing Rs. 1500.

'Top Reviewers of the Year. Rs. 5000 for three persons per year.

Does this proposal need referral? No

CCM Decision- Passed

### Proposal 5

Name of Proposal: Budget proposal for Media Cell, IADVL

**Proposed by:** Dr. Anil Abraham, Chairperson, Media Cell, IADVL Dr. Apratim Goel, Member, Media Cell, IADVL Dr. Rajib Kumar Gogoi, Convener, Media Cell, IADVL

**Proposal:** The Media Cell has been in existence for 1 year now. The past and present set of members have tried their best to explore various options available to IADVL to pave its way to the mainstream national and regional media of different forms in order to establish itself as a familiar force to reckon with in issues relevant to IADVL and the speciality of Dermatology, in general, in this country. While various activities have been enthusiastically planned for the days to come and few are already being worked on, members of the Cell have realized the need for a pre-allocated budget for proper planning and execution of the Cell's activities. We are hereby proposing the

following budgetary allocations exclusively for the Media Cell's activities during next IADVL year:

1. Expenses on Public Relation activities, as quoted by PR agency, monthly for 1 year @ Rs. 50,000 per month: Rs. 6.0 lakh per annum
2. Short Promotional videos of 3-5 min. length which will have to be shot 6 times a year @ Rs. 30,000 per video - editing and shooting charges with voice over : total Rs. 2.0 Lakh per annum
3. Facebook page maintenance with weekly twice changing artwork and paid promotion of the page : Rs. 20,000 per annum
4. Additional artwork to be done in case for material to be put on website etc of IADVL would cost an extra of Rs. 25,000 (in which up to 10 times artwork can be changed)
5. Press meets: for at least 3 press meets during the year, one each on the sidelines of DERMACON, MIDDERMACON/CCM and EC meeting, a total amount of Rs. 1.0 Lakh may be earmarked.
6. Rs. 1.0 Lakh as travel grant for Media Cell members to attend various meetings of IADVL, Press meets etc.
7. Radio broadcasting activity: to be started in all four metro cities initially. Expense of Rs. 5000 per month in 4 zones totalling Rs. 5000 X 4 X 12 = Rs. 2.4 Lakh per annum.
8. Additional press meets as a part of observing various days like "Vitiligo Day" etc., paid news/advertisements etc. in various media : Rs. 2.0 Lakh

We are, therefore, proposing a budget of Rs. 15,00,000/- for one IADVL year to cover all foreseeable expenses that may be incurred by the Media Cell during the year. However, the entire exercise being something new, only time will tell if this budget will be sufficient as there remains innumerable options to explore in order to establish IADVL as a strong brand in the media and make IADVL a familiar formidable force to reckon with.

How will it help IADVL?

**CCM Decision-** House approved the amount of 6 lakhs in principle after clarifications with PR agency about the services offered by them and asked for a detailed MOU to be signed with the PR agency.

Dr Rajib Gogoi asked for the other budget proposals which included Rs 2 lakhs for 3 videos to be prepared for promoting IADVL and Rs 20000/- for facebook page maintenance. The President said that we are already working on videos through pharma companies and we may not need more videos presently. Regarding charges for Facebook page maintenance, the President instructed the Media Cell members to increase

their presence on FB and then ask for further budget. The CCM applauded the efforts of the Media Cell

### Proposal 6

Name of Proposer: Dr Manjunath Shenoy and IADVL Quiz Committee

IGNQPP Guidelines 2015

Need for the modification

Improving the current guidelines will bring more logistical transparency. It will also allow opportunity to more aspiring quiz masters and innovations to make the quizzes more exciting.

- To make the quiz program more exciting than the previous versions
- To provide opportunity for aspiring quiz masters, while retaining the skill and experience of previous quiz masters
- To promote young dermatologists in academic activities of IADVL
- To ensure better coordination and logistical arrangements between the organizers, representatives and quizmasters
- To achieve transparency and clarity in the guidelines

### Objectives

- To encourage better reading on all aspects of dermatology
- To provide equal opportunity to all participating teams and aspiring quiz masters
- To conduct mentally stimulating quizzes with uniformity and transparency all across India
- To ensure better coordination and logistical arrangements between the organizers, representatives and quizmasters

### Guidelines for the quiz committee

1. The quiz committee shall comprise of a chairperson, convener, expert advisor and six members.
2. They must have adequate experience in conducting quizzes.
3. It is the responsibility of the committee to conduct the quiz at various levels, formulate guidelines to improve the quiz program and communicate these with the central committee for approval.
4. To place advertisement of the quiz program on the IADVL website and IJDVL to increase awareness among post graduates.
5. They are to call for quizmaster applications, screen and select quizmasters and allocate them to state CUTICONS.
6. They must communicate with the GSK representatives to ensure that the information about the quiz is disseminated to all colleges across the country, thus ensuring maximum participation and enthusiasm.
7. They must facilitate communications between the GSK representatives, local organizers and quizmasters to ensure

smooth conduct of the quiz.

## **Guidelines for the state level IGNQPP**

### **A. Eligibility criteria for quizmasters**

1. He/she should have a minimum of 3 years work experience after completing postgraduate studies.
2. He/she should not be over the age of 50 years at the time of sending the application.
3. He/she should not have conducted more than three state level IGNQPP quizzes in the past. Those who have conducted more than three quizzes in the past may also apply, but their applications will be considered when there are no other suitable applications or at the time of crisis.

### **B. Eligibility criteria for participants**

1. The participants must be provisional life members of IADVL or have applied for the same.
2. The participants should not have won the final IGNQPP quiz.

### **C. General guidelines**

1. The quiz must be preferably conducted at the state CUTICON.
2. The organizing committee of the state CUTICON must specifically designate a faculty responsible for smooth conduct and organization of the quiz. The contact details of this local coordinator must be informed to the IADVL quiz committee well in advance. He/she is expected to communicate with the quizmaster and local GSK representatives for logistical support, and assist them during the quiz.
3. The quizmaster is to be treated as faculty. The organizers are to provide reasonable accommodation to the quizmaster for the entire duration of the conference and provide complimentary registration. This may be coordinated with the help of GSK representatives. The travelling expenses must be reimbursed by the local organizing committee during the conference. An amount of Rs.30,000 will be reimbursed to the organizers by the central secretariat after the conference, upon receipt of the expenditure details incurred towards hosting the quizmaster.
4. Only one team comprising of two members can participate from a college. They must write their names and full contact details (mobile number, email and postal address) for future communications. They are to write their answers on the same sheet.
5. The preliminary round is conducted as a closed-door session in a separate hall, with the time and location specifically mentioned in the scientific schedule.
6. If there are less than four teams participating from a particular state, they are to be directed to participate at an

adjoining state CUTICON, and informed well in advance.

7. If there are exactly four participating teams, a preliminary round is not necessary and the state finals may be conducted directly.
8. The final round must be done in the main hall as a plenary session and allotted 60 minutes. The time and location must be specifically mentioned in the scientific schedule.
9. Proper stage arrangements must be handled by the local GSK representatives and the local coordinator.
10. The quizmaster will be provided a feedback form which has to be completed and sent to the quiz committee within one week of conducting the quiz. He/she will have to submit a soft copy of the quiz questions for archival purposes. He/she must also preserve all the answer sheets and forward the contact details of every participant to the quiz committee.

### **D. Format for the state preliminary round**

1. Questions will be in MCQ format either in print or powerpoint presentation, and must cover all subspecialties of dermatology, venereology, leprosy, dermatopathology, dermatosurgery, therapeutics, history of dermatology, etc.
2. There will be 40 questions in 30 minutes, with every 5<sup>th</sup> question bearing an asterisk mark (to be used in the event of a tie; the person scoring higher in these questions will qualify)
3. The first 30 questions must have a single answer.
4. The last 10 questions must have multiple answers (2 to 3 answers). All the multiple answers have to be marked correctly in order to qualify for the points. Every correctly answered question is given 1 point.
5. A negative marking system of [-0.25 points] for every incorrectly answered question.
6. Questions that are not attempted do not carry negative points.
7. In case of a tie in the final score, the team that answered the most 'asterisk-marked' questions correctly is considered the winner.
8. If there is still a tie, then the team with lesser negative marks is selected. If that is also tied, then the winner is selected by lots.
9. The decision of the quizmaster is final. In the event of a controversy, the quizmaster must be able to provide adequate references.

### **E. Format for the state final round**

1. The positions of the teams on the stage will be selected by lots.
2. There will be eight regular rounds and one rapid fire round.
3. The regular rounds will comprise of four questions each. The question must have only one part and a direct answer.

- Innovative ways of framing questions are encouraged. The answer to the question must be displayed in the next slide.
4. The question must be answered within 10 seconds or passed to the next team. Passed questions must be answered immediately.
  5. A correct answer to a direct question is given 10 points. A correct answer to a passed question is given 5 points. There are no negative points.
  6. Structure of the regular rounds:
    - a. Round 1: Basic sciences
    - b. Round 2: Clinical dermatology
    - c. Round 3: Pediatric Dermatology
    - d. Round 4: Leprosy and tropical dermatology
    - e. Round 5: STI and HIV
    - f. Round 6: Dermatopathology
    - g. Round 7: Therapeutics
    - h. Round 8: Dermatosurgery and cosmetic dermatology
  7. The questions are asked in a clockwise manner for the first four rounds, and in an anticlockwise manner for the next four rounds.
  8. Round 1 begins from the 1<sup>st</sup> team, Round 2 from the 2<sup>nd</sup> team, Round 3 from the 3<sup>rd</sup> team and Round 4 from the 4<sup>th</sup> team.
  9. Round 5 begins from the 4<sup>th</sup> team, Round 6 from the 3<sup>rd</sup> team, Round 7 from the 2<sup>nd</sup> team and Round 8 from the 1<sup>st</sup> team.
  10. Structure of the rapid fire round:
    - a. Each team gets ten questions, all of which have to be answered within one minute. These questions do not pass to the other teams.
    - b. A correct answer is given 3 points. So the maximum score can be 30 points. There are no negative points.
    - c. The questions must be framed in such a way that they are short and crisp, with a one-word to two-word answer.
    - d. The structure of questions must be uniform for all teams.
  11. There will be no separate audience questions. If a question is not answered by any team during the regular rounds, it is passed to the audience. Members of the audience are requested to raise their hands, following which the quizmaster randomly selects a person to answer the question.
  12. The scores of the teams must be announced periodically at the end of every two rounds.
  13. If the final score is a tie, the quizmaster must conduct a tiebreaker round consisting of three questions for each team. There are no passes in this round. If the score is still tied, the team with the highest score in the preliminary rounds is considered as the winner. If that score is also a tie, then the team with lesser negative marks is selected. then the winner is drawn by lots.
  14. The decision of the quizmaster is final. In the event of a controversy, the quizmaster must be able to provide adequate references.
- ### Guidelines for the national level IGNQPP
- A. Eligibility criteria for quizmasters**
    1. The chairman of the quiz committee in the current year is given the responsibility of conducting the quiz finals at DERMACON.
    2. The preliminary round of the national level IGNQPP may be conducted by the convener or other members of the quiz committee.
  - B. Eligibility criteria for participants**
    1. The winners of each state level IGNQPP of the current year are eligible to participate in the preliminary round of the national level IGNQPP.
  - C. General guidelines**
    1. The quiz must be conducted at DERMACON.
    2. The organizing committee of the DERMACON must specifically designate a teaching faculty responsible for smooth conduct and organization of the quiz. The contact details of this local coordinator must be informed to the IADVL quiz committee well in advance. He/she is expected to communicate with the quizmaster and local GSK representatives for logistical support, and assist them during the quiz.
    3. The quizmasters are to be treated as faculty. The organizers are to provide reasonable accommodation to the quizmaster for the entire duration of the conference and also provide complimentary registration. This may be coordinated with the help of GSK representatives. The travelling expenses must be reimbursed by the local organizing committee during the conference. An amount of up to Rs.60,000 (for the preliminary round and final round quizmasters) will be reimbursed to the organizers by the central secretariat after the conference, upon receipt of the expenditure details incurred towards hosting the quizmasters.
    4. The participants will be provided complimentary registration to attend the national conference. However, they must arrange for travel and accommodation by themselves. An amount of up to Rs.10,000 will be reimbursed to them towards travel and accommodation by the central secretariat after the conference, upon receipt of the expenditure details.
    5. The preliminary round is conducted as a closed-door

- session in a separate hall, with the time and location specifically mentioned in the scientific schedule.
- The final round must be done in the main hall as a plenary session and allotted 90 minutes. The time and location must be specifically mentioned in the scientific schedule.
  - Proper stage arrangements must be handled by the local and national GSK representatives with the help of the local coordinator.
  - The quizmaster will be provided a feedback form which has to be completed and sent to the quiz committee within one week of conducting the quiz.
- D. Format for the preliminary round:**
- Questions must be on a powerpoint presentation, and must cover all subspecialties of dermatology, venereology, leprosy, dermatopathology, dermatosurgery, therapeutics, history of dermatology, etc.
  - The questions must have a direct answer. They may contain pictures or be asked in an innovative manner. There will be no MCQs. The teams have to write down the answer on the sheet provided. They must also write their names and full contact details (mobile number, email and postal address) for future communications.
  - There will be 50 questions to be answered in 60 minutes, with every 5<sup>th</sup> question bearing an asterisk mark (to be used in the event of a tie)
  - Every correctly answered question is given 1 point.
  - There is a negative marking system of [-0.25 points] for every incorrectly answered question.
  - Questions that are not attempted do not carry negative points.
  - In case of a tie in the final score, the team that answered the most 'asterisk-marked' questions correctly is considered the winner.
  - If there is still a tie, then the team with lesser negative marks is selected. If that is also tied, then the winner is selected by lots.
  - The top four teams qualify for the final round.
  - The decision of the quizmaster is final. In the event of a controversy, the quizmaster must be able to provide adequate references.
- E. Format for the final round:**
- The positions of the teams on the stage will be selected by lots.
  - There will be nine regular rounds and one rapid fire round 15. The regular rounds will comprise of four questions each. The question must have only one part and a direct answer. Innovative ways of framing questions are encouraged. The answer to the question must be displayed in the next slide.
  - The question must be answered within 10 seconds or passed to the next team. Passed questions must be answered immediately.
  - A correct answer to a direct question is given 10 points. A correct answer to a passed question is given 5 points. There are no negative points.
  - Structure of the regular rounds:
    - Round 1: Basic sciences
    - Round 2: Clinical dermatology
    - Round 3: Pediatric Dermatology
    - Round 4: Leprosy and tropical dermatology
    - Round 5: STIs and HIV
    - Round 6: Dermatopathology
    - Round 7: Therapeutics
    - Round 8: Dermatosurgery and cosmetic dermatology
    - Round 9: Dermatological 'tic tac toe'
  - The questions are asked in a clockwise manner for the first four rounds, and in an anticlockwise manner for the next four rounds.
  - Round 1 begins from the 1<sup>st</sup> team, Round 2 from the 2<sup>nd</sup> team, Round 3 from the 3<sup>rd</sup> team and Round 4 from the 4<sup>th</sup> team.
  - Round 5 begins from the 4<sup>th</sup> team, Round 6 from the 3<sup>rd</sup> team, Round 7 from the 2<sup>nd</sup> team and Round 8 from the 1<sup>st</sup> team.
  - Round 9 will have 8 questions. It begins from the 1<sup>st</sup> team for the first four questions, and the order is reversed for the last four questions. The team will have to select a topic amongst 16 squares on a 4x4 grid. A square cannot be selected more than once. The question asked to them will be worth 10 points. If it is answered on a pass, it is worth 5 points. If a team is able to answer a question on a square that completes a line, they get 15 bonus points.
  - Structure of the rapid fire round:
    - Each team gets ten questions, all of which have to be answered within one minute. These questions do not pass to the other teams.
    - A correct answer is given 3 points. So the maximum score can be 30 points. There are no negative points.
    - The questions must be framed in such a way that they are short and crisp, with a one-word to two-word answer.
    - The structure of questions must be uniform for all teams.
  - If a question is not answered by any team during the regular rounds, it is passed to the audience. Members of the audience are requested to raise their hands, following which the quizmaster randomly selects a person to answer the question.

12. The scores of the teams must be announced periodically at the end of every two rounds. During this time, there can be a quiz question for the audience.
  13. If the final score is a tie, the quizmaster must conduct a tiebreaker round consisting of three questions for each team. There are no passes in this round. If the score is still tied, the team with the highest score in the preliminary rounds is considered as the winner. If that score is also a tie, then the winner is drawn by lots.
  14. As a special event, there will be an audience round on the stage while the final scores are being tallied. Four members who answered the most audience questions, or other interested volunteers will be requested to come up on the stage and join the existing teams by lots. There will be four questions, one for each participant. If they answer it directly, they get 10 points. Passed questions are worth 5 points. The help of the post graduate team can be requested, but it will attract a penalty of 3 points. The winner of the audience round will be awarded a special prize.
  15. The decision of the quizmaster is final. In the event of a controversy, the quizmaster must be able to provide adequate references.
7. Posters regarding the IGNQPP are to be prepared and displayed by GSK at notice boards of dermatology departments in every medical college with the permission of respective HODs.
  8. The GSK have proposed to try and get in touch with past quiz winners and quiz masters and request them to share their experiences. This will be used in creating AVs and 'walk of fame' posters (journey of IGNQPP). The questions asked to these past winners/quiz masters will be decided by IADVL and GSK jointly. GSK staff will do the actual interviewing, and also the making of the AV and designing, printing and distribution of other material created such as posters, mailers (in points discussed above), and also make the payments for the creation/printing of AV, posters, mailers after approval by IADVL. The AVs can be shown to post graduates in colleges before inviting participation, before the CUTICON quizzes and the national quiz finals. No payments are to be made for interviewing the past winners and quiz masters.

#### **Additional IGNQPP 10<sup>th</sup> anniversary Promotional activities**

1. As part of the 10<sup>th</sup> year celebrations of IGNQPP, it is proposed that a special commemorative logo and jingle be prepared and incorporated into all IGNQPP material. There will be no product branding.
2. Commemorative badges for IADVL quiz committee members, participants and GSK Staff who are present during the actual quiz to be worn during the quizzes.
3. GSK to print and distribute mailers to all post graduates which will contain information about the quiz and the history of IGNQPP, to help create interest among them. GSK to help handover envelopes branded with aforementioned logos containing a 'hall ticket' to CUTICON quiz participants from each college once their respective HODs select them. Content to be designed by GSK and approved by IADVL and by GSK.
4. To give the finals extra glamour, sashes will be given to winners along with the certificates and trophies.
5. A quiz question will be circulated on the IADVL Derma App every fortnight, starting from September till December, the answers of which will be provided along with the next question. Members who answer the most questions will be awarded a special prize during the finals at DERMA CON.
6. A few quiz questions will be prepared and circulated among all postgraduates with the assistance of GSK executives once every month starting from September and ending

in December, to promote enthusiasm towards quizzing. Answers with reference to these questions will also be provided.

Only 2 Quiz masters max for National Quiz  
Quiz master should not have any age limit.  
Chairman of Quiz Committee should conduct Quiz Finals in DERMA CON – undecided

**DERMA CON Quiz-** participants should be charged at baseline registration charges for DERMA CON.

Another point put forth was that if someone has been part of winning team earlier, he/she cannot participate which was not accepted.

**Quiz Committee-** 35000/- amount to be given to each Quiz master. Dr Seetharam felt that to avoid issues, IADVL should pay directly to Quiz masters. Dr Parikh said that it will be difficult for QM to arrange for accommodation and CUTICON organisers can do it better.

CCM passed the amount for Quiz master upto 35000/-. As regards, who will be the Quiz Master for DERMA CON, decision to be taken in GBM. Accommodation issue for QM should be discussed in AGBM. Role of Observer is unclear, therefore proposed that it should be drafted and then presented in GBM.

#### **AWARDS Committee**

Dr Ramesh Bhatt (Awards Committee Chairman) said that the new proposal is that Awards to be renewed every 5 years. The awards committee had written to donors asking that they donate funds to renew. Donors not happy as it was not told

earlier. Several donors have asked for revision of the decision. Need to renew awards as interest of earlier amount is not enough to run old awards.

**Question to House-** Do we go ahead with the process or apply it to new awards.

Dr Joshipura felt it is a sentimental issue and should be dealt softly. Dr Jha said that we continue old awards and new award started with this clause. Dr PN Rao felt that it should be for both. Dr Parikh suggested we put a filter regarding the number of years since started. Dr VK Sharma suggested that Memorial Awards should be looked at differently.

**CCM opinion-** Old awards will continue as it is. New awards for maximum 10 years and minimum 5 lacs rupees. No award in name of living person henceforth.

Proposal 7 & 8- Passed yesterday

SOPs assigned

Role of National Observer

Dr VK Sharma said that the National observer is required as the second person in the counting room. The President felt that he might not be needed as the Election Officer is sufficient.

CCM Opinion- Role of National Observer to be defined by Dr Coondoo and will be discussed in AGBM

Valid votes will be the ones received before 5:00 pm on Saturday preceding counting. Votes are invalid if sent in one group.

Standardised method of counting to be followed. Total number of ballots received followed by total number of white envelopes and then total number of ballot papers.

'x' sign only to be accepted and no other sign. Dr Shyamanta felt that 'correct tick mark' could be used. Dr VK Sharma said that 'x' should stay as it cannot be manipulated. Counting process to be started at 9:00 am sharp.

Statewise/ Zonewise analysis of votes- Only outer envelopes to be counted by election officer to decide for low voter turnout in areas.

Ballots need to be preserved after counting just in case any conflict arises.

With all proposals and SOPs discussed, the agenda for the CCM was completed.

The President thanked the CC members for a successful discussion and decisions taken.

Hon. Secretary, Dr Rashmi Sarkar proposed the official Vote of Thanks and the meeting was declared closed.

**CCM proceedings minuted and presented by Dr Manish Gautam, Senior Joint Secretary, IADV EC 2015**

**AUDITOR'S REPORT TO THE MEMBERS**

We have examined the attached Balance Sheet of **INDIAN ASSOCIATION OF DERMATOLOGISTS, VENEREOLOGISTS & LEPROLOGISTS** as at 31<sup>st</sup> March, 2015 and the Income & Expenditure account for the year ended as on that date which are in agreement with the Books of account maintained by the association. These financial statements are the responsibility of the association. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the auditing standards generally accepted in India. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes, examining on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

We have obtained all the information and explanation which to the best of our knowledge and belief were necessary for the purpose of the audit. In our opinion proper books of account have been kept by the association so far as appears from our examination of the books.

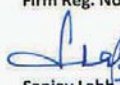

In our opinion and best of our information and according to the explanation given to us the said accounts gives the information and give a true and fair view:-

(a) In the case of Balance Sheet of the State of affairs of the association as at 31<sup>st</sup> March, 2015 and

(b) In the Income & Expenditure account, of the excess of income over expenditure for the year ended on 31<sup>st</sup> March, 2015.

## Proposals for AGBM at Coimbatore

### 1. Proposal - Modification in the nomination for election of Office bearers

Name of proposer/s: Dr V K Upadhyaya LM/ND/1444, Dr Geraldine Jain LM/R/4065, Dr R P Gupta LM/ND/1387, Dr Anil Ganjoo LM/ND/1510, Dr Nitin Walia LM/ND/2632

Is any one of the proposer member of CC? Yes

Is it administrative/policy/constitutional related (select one) - Constitutional

How will it help IADVL?

**Brief introduction:** The nomination form circulated for election of office bearers of IADVL requires the proposer to sign a declaration that the candidate is not an owner/employee/advisor/(Specify any other capacity) in the following: pharma/aesthetic companies/pharma co./instrument supplier/dealer/or cosmetic co.or chain of clinics. To my mind he has no way of ascertaining this information other than the word of the candidate who he is proposing.

The candidate also has to give a similar declaration as above. In addition he also has to declare the various medical societies of which he is an office bearer.

This may lead to uncalled for litigations in times to come as is with the IMA and also introduces discrimination among members which is not fair. After all what is this kind of action trying to achieve.

If constitutional – will it replace existing clause? Or modify? - Modify

**Give detail of the clause – page no. and clause no.** Clause 27 Procedure for Election of Office Bearers

**Proposal:** (It should be properly worded/drafted) Application of the candidate should not be invalidated if he is an owner/employee/advisor/(Specify any other capacity) in the following pharma/aesthetic companies/pharma co./instrument supplier/dealer/or cosmetic co.or chain of clinics. But should be allowed to contest by declaring conflict of interest. This was also earlier raised by Dr.Venkatram Mysore.

As per this clause nearly three fourth of the members will be barred from filing nomination papers of various office bearer posts. Also this leads to a lot of unnecessary discrimination.

Members are very intelligent and we should let them take their own decision rather than resort to some kind of a diktat

**Does this proposal need referral?** Yes to the Constitutional Committee

For office use:

Date when received:

If referred – when and to whom? Reply must come within one week

What is the conclusion of the referring committee (to be included with the proposal)

When was proposal placed before committee. EC/CC/AGM

Status: passed/rejected

### 2. Proposal- Conversion of provisional life membership to life membership

Name of proposer/s: Dr. Yogesh S Marfatia LM/G/ 419, Dr. Chetan N Patel LM/G/ 401, Dr. Ajay R Parikh LM/G/470, Dr. Chetan N Visante LM/G/481, Dr Dipak A Bhasin LM/G/462

Is any one of the proposer member of CC? Yes

Is it administrative/policy/constitutional related - Constitutional  
How will it help IADVL?

**Brief introduction:** Provisional life members (PLM) join IADVL through state in which they join post graduation in dermatology and give an address which is temporary in most of the cases. To convert their PLMship to LMship they have to forward their application through the state branch from where they joined to the state branch in which they intend to join. This creates lots of hassles in conversion of PLM to LM because of multiple channels. If the submitted proposal is considered after due discussion and deliberation it is likely to facilitate seamless transfer of PLM to LM.

If constitutional – will it replace existing clause? Or modify? Not applicable

**Give detail of the clause – page no. and clause no.**

**Proposal:** (It should be properly worded/drafted)

Let PLM join IADVL through state branch in which they have permanent residence. After study when they go back to their state of permanent residence they can forward their degree certificate through state branch secretary and the membership can be seamlessly converted.

Flip side – Their journal/circular will come to their permanent address but both are accessible online. To maximize PLM to LM conversion an element of compulsion can be added. After 5 years of joining as PLM if membership is not converted, it should be automatically frozen. For eg.- if PLM joining is during the year 1/4/2015 to 31/03/16, the freezing date is 1/4/2021. I suggest PLM number should include freezing date. For eg.- PLM/XXXX/2021 middle 4 digit is PLM number and last 4 digits suggest date of freezing (01/04/2021). The benefit of incorporating freezing date is that the member and all

concerned (state and national secretary) readily know about it.

**Does this proposal need referral?** May be referred to constitutional committee

For office use:

Date when received:

If referred – when and to whom? Reply must come within one week

What is the conclusion of the referring committee (to be included with the proposal)

When was proposal placed before committee. EC/CC/AGM

Status: passed/rejected

**3. Proposal - IADVL Concise Textbook (1<sup>st</sup> edition):  
Regarding agreement with Wiley Publishers and proposal  
for a change in publisher**

Name of proposer/s: Dr. Vishalakshi Viswanath (Chief Editor),  
Dr. Hemangi Jerajani (Project Director)

Is any one of the proposer member of CC? Yes

Is it administrative/policy/constitutional related (select one) OR  
I/we are not able to classify and accept ECs view- Administrative

How will it help IADVL?

**Brief introduction:** IADVL Concise Textbook of Dermatology was first published in 2012, the agreement was signed with Wiley- Blackwell Publishers on 18<sup>th</sup> March 2011 and ends in 5 years, ie 18<sup>th</sup> March 2016. As per the terms of agreement signed in 2011 by then President Dr. SDN Gupta, these were the terms regarding termination and renewal.

This agreement shall commence on the commencement date and shall remain in effect for five (5) years (the "Initial Term") subject to the early termination rights set out below. Thereafter, the term of the agreement shall be automatically renewed on the same terms and conditions herein for succeeding one (1) year periods unless either party notifies the other in writing that it does not wish to renew the agreement, such notification to be given at least six (6) months prior to scheduled expiration of the Initial term or each one (1)-year extension thereof.

Royalty amount (10%) of Rs. 3, 07,600 /- of the first edition has been received by IADVL. There have been major changes in the composition and policy decisions in the Wiley India medical team currently. The marketing effort was sustained by the Publisher only for the first two years.

It would be wise to take up a new publisher for better royalty, marketing and possibly creation of e- version along with print version of the book.

If constitutional – will it replace existing clause? Or modify?

**Give detail of the clause – page no. and clause no.**

**Proposal:** (It should be properly worded/drafted)

We propose for a change of Publisher for the IADVL Concise Textbook of Dermatology (1<sup>st</sup> Edition, 2012). The Agreement with Wiley Publishers has been detailed in the Introduction part. We have so far received a royalty amount of 10% for the first edition. The marketing efforts of the publisher have not been consistent; and the policy decisions in the Wiley India medical team and interaction with them currently have not been encouraging. It would be wise to take up a new Publisher for better royalty, marketing and possibly creation of e- version along with print version of the book. Based on the decision taken, renewal or termination of the agreement with Wiley will have to be undertaken.

**Does this proposal need referral?** Not sure

For office use:

Date when received:

If referred – when and to whom? Reply must come within one week

What is the conclusion of the referring committee (to be included with the proposal)

When was proposal placed before committee. EC/CC/AGM

Status: passed/rejected

**4. Proposal: Poor maintenance services by the equipment companies**

Name of proposer/s: Dr R G Torsekar LM/M/828, Dr Narendra Patwardhan LM/M/777, Dr Dattatray G Saple LM/M/802, Dr Ashok B Shah LM/M/844, Dr Sunesh Mahajan LM/M/844.

Is any one of the proposer member of CC? NO

Is it administrative/policy/constitutional related (select one)-  
Constitutional

OR I/we are not able to classify and accept ECs view

How will it help IADVL?

**Brief introduction:** It will have impact on general working and improvement in standard of treatment.

If constitutional – will it replace existing clause? Or modify?

**Give detail of the clause – page no. and clause no.**

**Proposal:** The equipments bought by members through various companies with hefty promises about after sales services. But the fact remains that the vendors after the sales don't provide satisfactory maintenance services. We propose to have some regulatory IADVL body to form punitive measures for such companies and protect gullible ordinary members.

**Does this proposal need referral?** Yes

For office use:

Date when received:

If referred – when and to whom? Reply must come within one week

What is the conclusion of the referring committee (to be included with the proposal)

When was proposal placed before committee. EC/CC/AGM

Status: passed/rejected

**5. Proposal - President should be able to sanction up to Rs.10 lacs with EC approval**

Name of proposer/s: Dr Kiran Godse LM/M/701

Is any one of the proposer member of CC? Yes

Is it administrative/policy/constitutional related (select one) - Constitutional

How will it help IADVL?

**Brief introduction:** Many issues can be solved without waiting for AGBM approval.

**If constitutional – will it replace existing clause? Or modify?**

**Give detail of the clause – page no. and clause no.**

**Proposal:** (It should be properly worded/drafted)

**Does this proposal need referral?**

For office use:

Date when received:

If referred – when and to whom? Reply must come within one week

What is the conclusion of the referring committee (to be included with the proposal)

When was proposal placed before committee. EC/CC/AGM

Status: passed/rejected

**6. Proposal - Amendment of the Constitution related to the academy and SIGs**

Name of proposer/s: Dr Manas Chatterjee (LM/WB/2740) & Dr Ameet Valia (LM/M/833) (on behalf of IADVL Academy of Dermatology)

Is any one of the proposer member of CC? Yes

Is it administrative/policy/constitutional related (select one) OR we are not able to classify and accept ECs view: Constitutional

How will it help IADVL?

**Brief introduction:** Academy members, in a meeting on July 12, 2015, had suggested some changes in the Constitution related to the Academy and SIGs for the following reasons:

- A. This is considering the 1-month duration and lack of hands on training in many centres
- B. This is in view of the increasing responsibilities of the Academy
- C. This is to correct the change made last year to the list of ex

officio members of all committees.

- D. This is to correct an anomaly since the Imm. Past President is a member of all other selection committees.

If constitutional, will it replace existing clause? Or modify?

**Give detail of the clause – page no. and clause no.**

- a. Dxi (page 32), Annexure V (page 84), 9e (page 101), Xiv (page 159), 3 (page 160), SOPs (page 168, 170 & 187): The term 'Training fellowship' should be changed to "Observership"
- b. 2 (page 86): In the sentence "Its members will be 10-12 eminent dermatologists with an academic background", "10-12" should be changed to "16".
- c. 2 (page 86): "The IADVL President and Honorary General Secretary will be ex-officio members" should be changed to "The IADVL President, Immediate Past President, President Elect, Honorary General Secretary, and Treasurer will be ex-officio members"
- d. Page 89: "They will be selected by a committee consisting of the President, President Elect, Chairperson of the IADVL Academy of Dermatology and the Honorary General Secretary" should be changed to "They will be selected by a committee consisting of the President, President Elect, Immediate past President, Chairperson of the IADVL Academy of Dermatology and the Honorary General Secretary."

**Proposals:**

- a. The term 'Training fellowship' in 'IADVL Training Fellowships' should be changed to "Observership".
- b. The number of Academy members should be increased to 16
- c. The Imm. Past President, President Elect and Treasurer should be ex-officio members of the Academy
- d. The Immediate Past President should be a member of the selection committee for SIGs.

**Does this proposal need referral? Yes**

**For office use:**

Date when received:

If referred – when and to whom? Reply must come within one week

What is the conclusion of the referring committee (to be included with the proposal)

When was proposal placed before committee, EC/CC/AGM

Status: passed/rejected

**7. Proposal - Criteria for associate membership of IADVL**

Name of proposer/s: Dr Venkataram Mysore LM KN 3211, Dr Deepak Parikh, Dr Raghunath Reddy, Dr Rashmi Sarkar,

Dr Manas Chatterjee, Dr Ramesh Bhat, Dr Rajesh Buddadev,  
Dr Ameet Valia, Dr Manish Gautham, Dr Koushik Lahiri  
Is any one of the proposer member of CC? Yes  
Is it constitutional related/administrative (select one)  
Administrative-constitutional  
How will it help IADVL?

**Brief introduction: Constitution states under clause 5(c)  
Associate Life Member**

Associate Life Membership can be awarded to doctors & other specialists working in the field of dermatology, venereology and leprology (e.g. dermatopathologists, academicians, researchers and genetic scientists). They will not have any voting rights and cannot hold any IADVL post.

Need for change: In the current scenario, when all and sundry want to practice dermatology, the above criteria are loose enough for any to apply, get associate membership, and then flaunt it for publicity.

**Proposal:** The following additional criteria be added to clause 5(c)

Such members who desire associate membership should satisfy the following criteria:

- i) Members who possess qualifications in dermatology, but degrees are not recognised by MCI
- ii) Other specialities such as pathology, pharmacology, community medicine, plastic surgery, who in the opinion of the membership committee will be of relevance and benefit to IADVL and dermatology
- iii) All such applications should be accompanied by two senior IADVL Lifemembers with at least 10 years of membership.

Such applications will be referred to a membership committee consisting of current IADVL secretary general and 2 past secretaries. The recommendations of the membership committee will be approved by EC.

**If constitutional – will it replace existing clause? Or modify?**

**Do you think this needs referral to any specific committee?**

Yes, to constitution committee

For office use:

**8. Proposal -Duties of Vice presidents and Joint secretaries**

Name of proposer/s: Dr Venkataram Mysore LM KN 3211,  
Dr Deepak Parikh, Dr Raghunath Reddy, Dr Rashmi Sarkar,  
Dr Rajesh Buddhadev, Dr Manish Gautham, Dr Manas Chatterjee, Dr Ramesh Bhat, Dr Koushik Lahiri

Is any one of the proposer member of CC? Yes

Is it constitutional related/administrative (select one)

Constitutional and SOP  
How will it help IADVL?

**Brief introduction:** Constitution clause 25 (c) clarifies duties of vice presidents and joint secretaries. In the current scenario of enhanced activity, the duties need to be defined more specifically.

**Proposal:** The following additional material be added to existing material.

- a) Under vice presidents clause C: The vice presidents may be given additional duty as EC coordinators for specific committees and taskforces such as ITATSA, community dermatology, practice management cell, media cells per the directive of President/EC.
- b) Joint secretaries clause E: Joint secretaries may be given additional duties such as assisting in IADVL news bulletin (as assistant editor- editor shall be gen secretary), other bulletins that IADVL wishes to bring about, moderator for E groups, moderator for IADVL DERMA APP, communications with states, drafting minutes, communication with states as per the directive of President/EC.

**If constitutional – will it replace existing clause? Or modify?**  
No

**Do you think this needs referral to any specific committee?**

Yes, to SOP committee

For office use: Date when received:

**9. Proposal - Eligibility criteria for Joint Secretary**

Name of proposer/s: Dr Venkataram Mysore LM KN 3211, Dr Raghunath Reddy, Dr Rashmi Sarkar, Dr Rajesh Buddhadev, Dr Ramesh Bhat, Dr Manas Chatterjee, Dr Manish Gautam

Is any one of the proposer member of CC? Yes

Is it constitutional related/administrative (select one)

Constitutional

How will it help IADVL?

**Brief introduction:** Community dermatology activities are the duty and responsibility of the association, to serve the community and enhance the image of the association. In the year, 2015, the program *IADVL chala Gaonki Ore* was a huge success. This activity needs to be a formal mandated program of the association and hence a standing committee is proposed. If constitutional – will it replace existing clause? Or modify?

**Proposal:** A community dermatology wing IADVL is proposed to oversee different community activities such as:

- IADVL *chalaGaon Ki ore*- this shall be the flag ship program of IADVL and consist of rural surveys and treatment camps, educational activities such as poster campaign, and be organized by each state mandatorily during September but preferably throughout the year.
- Vitiligo day, psoriasis day, leprosy day, eczema day, HIV day etc.

This committee shall be headed by chairman and convener. Chairman will be a senior member of IADVL and prior experience in community activity, communication skills and mobilization skills and consist of 8 members-one of whom will act as a convener- all of whom shall be those with interest in community activity. The appointment will be ratified in AGBM like all standing committees. The committee shall coordinate with other relevant bodies in IADVL such as SIGs, media cell and practice e management cell. EC will appoint a vice president as EC coordinator for this committee. A separate budget of Rs 5 lakhs is to be kept aside every year for this activity and other relevant organizations such as rotary, Lions clubs, other societies and NGOs, with permission by EC. The committee shall submit a report to EC meeting, Central council and AGBM. The chairman shall be invited to these meetings to make these reports.

**Do you think this needs referral to any specific committee?**

Yes constitution committee

**12. Proposal-IADVL Ethical Issues Committee**

Name of proposer/s: Dr Venkataram Mysore LM KN 3211, Dr Raghunath Reddy, Dr Rashmi Sarkar, Dr Rajesh Buddhadev, Dr Ramesh Bhat, Dr Manas Chatterjee, Dr Manish Gautam, Dr Koushik Lahiri

Is any one of the proposer member of CC? Yes

Is it constitutional - yes Constitutional

How will it help IADVL?

**Brief Introduction:** Currently we have an ethics committee which states:

**4. IADVL Ethical Issues Committee**

This committee, with tenure of 2 years from the date of nomination, will deal with ethical issues such as misleading advertisements, ethical practice, the Consumer Protection Act, and the relationship with the media, pharmaceutical industry, and social and government organizations. It will aim to stop misleading advertisements, including those that promise

magical cure, related to skin, hair and sexually transmitted diseases. The committee will try to ensure that the government enforces the provisions of the Drugs and Magical Remedies (Prevention of Objectionable Advertisements) Act of 1954, and that the media restrain from carrying such advertisements. The members of the Association can inform the Committee about such matters through their branch secretaries. However, the ethics committee is not empowered to look into ethical and conflict issues and conduct by members of the association and by office bearers- this is a lacuna.

**If constitutional** –yes, constitutional

**Proposal:** The following functions to be added to the ethical Committee. Ethical issues committee will look into all aspects of ethical conduct, issues of conflict by a member or office bearer of the association, when referred to it by either an ordinary member and/or the secretary.

### 13. Proposal - Role of the IADVL Textbook advisory Committee

Name of proposer/s: Dr Venkataram Mysore LM KN 3211, Dr Raghunath Reddy, Dr Rashmi Sarkar, Dr Rajesh Buddhadev, Dr Ramesh Bhat, Dr Manas Chatterjee, Dr Manish Gautam, Dr Koushik Lahiri, Dr Ameet Valia

Is any one of the proposer member of CC? Yes

Is it constitutional related/administrative (select one Constitutional

How will it help IADVL?

**Brief introduction:** Currently we have a text book advisory committee with the following duties. The role of the committee did not extend to other textbooks and atlases. Since IADVL is in to more publications, the role of the committee needs to be defined properly.

#### ANNEXURE XIV: IADVL TEXTBOOK ADVISORY COMMITTEE

##### 1. Functions of The IADVL Textbook Advisory Committee

- (a) The Textbook Advisory Committee will frame rules for selection of the Chief Editor, Associate Editors and Assistant Editors.
- (b) It will oversee the arrangements to bring out a new edition of the textbook periodically at an appropriate time.
- (c) It will ask the Editor(s) at that time to convene a meeting of the Editorial Board, constituted by the Editors in consultation with the advisory committee, to assign the chapters on the different subjects to the authors, who

will be decided by the board.

- (d) The Editor(s) should obtain a written or e-mail consent by the author to update the chapter or write a new chapter and submit it within a stipulated period. If the author does not do so, the Editor(s) and the advisory committee will cancel the assignment. The Editor(s) with the help of the Editorial Board will assign that chapter to another author following due procedure.
- (e) If any chapter is not found satisfactory, the Editor(s) will inform the advisory committee, which may authorize the Editor(s) to return the chapter and assign it to another author following due procedure.
- (f) Any difference of opinion expressed in the Editorial Board meeting may be resolved by the advisory committee, whose opinion will be binding.
- (g) Any legal matter pertaining to the textbook may be discussed by the Editor(s) with the advisory committee and appropriate action should be decided, if necessary, in consultation with the President, the Executive Committee and the publisher.
- (h) Any dispute or difference with the publisher may be reported by the Editor(s) to the advisory committee, which will help to resolve it by interacting with the publishers.
- (i) The price of the textbook should be decided by the publisher in consultation with the Editor(s). It should be approved by the advisory committee. If thought proper, the advisory committee may seek the help of the National Executive to subsidize the book out of the royalty obtained from the sale of the textbook.
- (j) A new advisory committee will be constituted for a new edition of the textbook by the General Body.

Further, some of the roles mentioned above, are actually the role of the editorial board and hence need modification. Since a number of different text books and other types of books with different content and requirements are being written, editorial committee has an important role as it understands the requirements better. In fact most of the above functions are already in the realm of the editor. In this sense editor is like the editor of a journal and hence there is no role for such an expanded mandate for this committee

**If constitutional – will it replace existing clause? Or modify?**

**Proposal:** The role of the Text book advisory committee shall be limited to the following:

##### 1. Functions Of The IADVL Textbook Advisory Committee

- (a) The Textbook Advisory Committee will frame rules for selection of the Chief Editor, Associate Editors and

Assistant for all books published by IADVL.

- (b) The committee will also function like a search committee and invite applications for editor positions of all book atlases as per set criteria.
- (c) This committee will function as search committee for all books published by IADVL. The committee, similar to Journal search committee, shall consist of current editor of the book, immediate past text book editor, past president, immediate past president, academy chairman. Current president and editor shall be ex officio.

Date when received:

**15. Proposal - Regarding E bulletins under IADVL**

Name of proposer/s: Dr Venkataram Mysore LM KN 3211, Dr Deepak Parikh, Dr Raghunath Reddy, Dr Rashmi Sarkar, Dr Somesh Gupta, Dr Manish Gautam, Dr Rajesh Buddhadev.

Is any one of the proposer member of CC? Yes

Is it constitutional related/administrative (select one)  
Constitutional and SOP

How will it help IADVL?

**Brief introduction:** A number of bulletins are being published

and these need to come under SOP so that similar activities are planned every year:

Residream- for residents by residents group (3 bulletins)

Dermapractice- by practice management cell (3 bulletins)

Derma Academia – by Academy (3 bulletins)

In addition, other bulletins as planned by SIGs may be released. All these shall be E bulletins and the nominal expenditure for designing bulletins may be approved by EC.

**If constitutional – will it replace existing clause? Or modify?**

**Proposal: Do you think this needs referral to any specific committee?** SOP committee

For office use:

Date when received:

**16. Proposal - To provide uniformity to the selection process of all awards.**

Name of proposer/s: Dr Venkataram Mysore LM KN 3211, Dr Deepak Parikh, Dr Rashmi Sarkar, Dr Manas Chatterjee, Dr Raghunath Reddy, Dr Ameet Valia, Dr Rajesh Buddhadev.

Is any one of the proposer member of CC? Yes

Is it constitutional related? Constitutional

How will it help IADVL?

**Brief introduction:**

**If constitutional – will it replace existing clause? Or modify?**  
**Modify as below**

Anexure 11 clause 2. **Awards Given by IADVL during Dermacon (BY APPLICATION OR NOMINATION)**

It is stated under Prof. K. C. Kandhari Foundation Award: "Nominations for the award are given by the resident, immediate past president, president elect and chairperson of IADVL academy of dermatology and ratified by the Central Scientific Committee." However, there is no similar clause for other awards in this clause. This leads to confusion. Hence the clause should be modified as

Anexure 11 clause 2. **Awards Given by IADVL during Dermacon (BY APPLICATION OR NOMINATION)**

Applications will be invited for all awards in this clause from members and by nomination by members. The awardees will be selected by a Committee consisting of the President, Immediate Past President, President Elect and Chairperson of IADVL Academy of Dermatology based on application as well as by nomination and their recommendations ratified by the Central Scientific Committee. The Hon. Secretary General will be the Secretary to this committee and may provide inputs which may be given cognisance by the selection committee

**Do you think this needs referral to any specific committee?**

Constitution committee

For office use:

Date when received:

**17. Proposal - An "INDUSTRY RELATION COMMITTEE" OR "INDUSTRY LIASON COMMITTEE" be created as a standing committee.**

Name of proposer/s: Dr Venkataram Mysore LM KN 3211, Dr Raghunath Reddy, Dr Rashmi Sarkar, Dr Manish Gautam, Dr Rajesh Buddhadev, Dr Ramesh Bhat, Dr Manas Chatterjee, Dr Koushik Lahiri

Is any one of the proposer member of CC? Yes

Is it constitutional related/administrative (select one) - constitutional

How will it help IADVL?

**Brief introduction:** In a resolution passed during CCM, a structured relationship with industry was defined. However, there is no mechanism to enforce the structured relationship and hence needs to be created. We propose the formation of "INDUSTRY RELATION COMMITTEE" OR "INDUSTRY LIASON COMMITTEE"

Currently industry looks at the President to take forward commitments and try to stop sponsoring when Presidents change. They need assurance that project will continue as promised.

**If constitutional – will it replace existing clause? Or modify?**

**Proposal:**

Functions of This committee:

- To establish a systematic, structured relationship with pharma, laser, instruments, aesthetic, publishing and other relevant industry for continuous and beneficial interactions for the association
- To enlist the support of industry for different programs of IADVL. To negotiate and recommend terms and conditions for MOU for different programs of IADVL, to EC, central finance committee, CC and AGBM
- To evaluate all proposals and sponsorship offers by industry to participate or support IADVL programs and make recommendations to EC, CC and AGBM
- To assist EC, when invited by EC, to evaluate and recommend MOUs drafted for DERMACON, MIDDERMICON, AND OTHER CONGRESSES. To evaluate and recommend, based on contributions and the criteria as adopted for corporate partnership program as already approved and accord appropriate status to the companies.

The committee will be headed by a chairman and have a convener. The chairman will be preferably a past president.

Convener will be a senior member of IADVL.

Chairman of Practice management, community dermatology, Media cell, academy chairman and convener will be members as all committees like finance and chairman will raise money for various projects that will be executed by them. In addition maximum of 8 members can be selected by the committee.

The three presidents, secretary and treasurer will be ex officio. All matters of industry relationship will be referred to the committee for opinion by the secretary to seek its recommendation. The committee chairman and convener shall be invited to participate and submit a mandatory report to EC meeting, CC meeting and AGBM. As with all standing committees, the committee will have autonomy in its function. The reports will be published in newsletter. The term of office shall be 2 years  
Frequency of meeting: Must meet at least for 2 hours during MID-DERMACON/CCM and during DERMACON.

**Do you think this needs referral to any specific committee?**

Yes constitution committee

For office use:

Date when received:

**18. Proposal: Evaluation of preparations of Dermacon**

Name of proposer/s: Dr Venkataram Mysore LM KN 3211, Dr Deepak Parikh, Dr Rashmi Sarkar, Dr Raghunath Reddy, Dr Manish Gautam, Dr Rajesh Buddhadev, Dr Ramesh Bhat, Dr Manas Chatterjee, Dr Koushik Lahiri

Is any one of the proposer member of CC? Yes

Is it constitutional related/administrative (select one): Constitutional and SOP

How will it help IADVL?

**Brief introduction:** Currently there is a central scientific committee meeting held during October for evaluating preparations of dermacon- however this meeting is total oriented towards scientific evaluation and awards and not for organizational aspects of the congress.

**If constitutional – will it replace existing clause? Or modify?**

**Proposal:** The meeting in october to evaluate preparations for the congress will be of 2 days:

Saturday day 1: Meeting of industry relationship committee with local organizing committee- to be attended by the three presidents, secretary and treasurer, chairman and convener of industry relations (liason) committee, past dermacon organizing secretary. The meeting will include inspection and evaluation of venue, evaluation of financial

situation, industry relations and sponsorships, preparations for food, accommodation, social events and other non-academic events.

Sunday Day 2: will as usual be a Central scientific committee meeting.

### 19. Proposal – Community oriented activities

Name of proposer/s: Dr Venkataram Mysore LM KN 3211, Dr Deepak parikh, Dr Raghunath Reddy, Dr Rashmi Sarkar, Dr Manish Gautam, Dr Rajesh Buddhadev, Dr Ramesh Bhat, Dr Manas Chatterjee, Dr Koushik Lahiri

Is any one of the proposer member of CC? Yes

Is it constitutional related/administrative (select one):

Constitutional: Aims to change structure of Constitution

How will it help IADVL?

**Brief introduction:** Clause 3 page 1 states the Aims and Objectives of the association. However, community activity is not precisely defined in these.

#### If constitutional – will it replace existing clause? Or modify?

##### Proposal:

- i) The phrase Aims and Objectives be replaced by Vision Statement
- ii) after clause n, the following be added:  
clause  
O) To organize and participate in, community oriented activities and matters of public interest such as community dermatology camps, health surveys and camps, educational activities  
p) To Influence public opinion and governmental agencies in all matters of public skin health issues, dermatology educational issues, misleading advertisements, ethical issues  
q) To take appropriate steps to intervene at different administrative, legal and community institutions to preserve, enhance the reputation, practice and image of the members, speciality and the association, the speciality and community health in all matters public skin health issues, dermatology educational issues, misleading advertisements, ethical issues and in matters affecting members, speciality and association.
- i) Join hands with other associations such as IMA, other medical associations and NGOs in matters of mutual importance
- iii) A committee be set up to draw up a better worded vision document

#### Do you think this needs referral to any specific committee?

Date when received:

### 20. Proposal - All states follow central constitution

Name of proposer/s: Dr Deepak Parikh, Dr Rashmi Sarkar, Dr Venkataram Mysore, Dr Raghunath Reddy, Dr Rajesh Buddhadev and Dr Manish Gautam

Is any one of the proposer member of CC? Yes

Is it constitutional related? Constitutional

How will it help IADVL?

**Brief introduction:** Currently each state has its own constitution which at many places is contradictory to central constitution. Most of office bearers of states do not know since when this clause exists or when were they introduced. This proposal aims to streamline this flaw

#### If constitutional – will it replace existing clause? Or modify?

It will replace existing clause

ANNEXURE II: Model Rules And Bye-Laws For State and Local Branches

**Proposal:** All the state branches will follow the central constitution 2015, and any modifications, addition, deletion that may be brought in future.

If state wants to modify/add or delete any of the rule/s, it will have to follow proper steps as outlined

**Step 1:** Proposal from five LM from state in the same format meant for centre will be submitted to Hon. General Secretary of the state to be placed in state GBM.

**Step 2:** The state secretary will then send this proposal to national secretary general. (if approved by state GBM)

**Step 3:** It will be placed, after constitution committee's opinion, to national GBM during DERMACON. Only after it is approved by national GBM state can implement the said rule/modification.

#### Do you think this needs referral to any specific committee?

Yes, constitutional committee.

Date when received:

If referred – when and to whom? Reply must come within one week

What is the conclusion of the referring committee (to be included with the proposal?)

When was proposal placed before committee? EC/CC/AGM

Date placed in EC ALONG WITH REMARKS

Date placed in CC along with remarks

Date placed in GB along with remarks

Status: passed/rejected

### 21. Proposal : Compulsory shift to e-voting in next two years

Name of proposer/s: Dr Deepak Parikh, Dr Rashmi Sarkar, Dr Venkataram Mysore, Dr Raghunath Reddy, Dr Rajesh Buddhadev and Dr Manish Gautam  
Is any one of the proposer member of CC? Yes  
Is it constitutional related? Constitutional  
How will it help IADVL?

**Brief introduction:** Currently we have both postal ballot and e-voting. Over a period of 2-3 years e-voting has been very well accepted by members and many more are shifting to e-voting. We spend every year 2-4 lakhs for postal ballot paper, and there are chances of mistakes which cost even more.

E-voting will reduce the cost drastically, counting will become very easy.

#### If constitutional – will it replace existing clause? Or modify?

It will replace rule 27 m,n,o,t,u and related SOP

#### Proposal: (It should be properly drafted)

Election process will be ONLY by e-voting from 2018. There already exist rules for e-voting. Members can be give two years to shift to e-voting i.e last postal ballot paper election will be held in 2017 for the post of 2018.

#### Do you think this needs referral to any specific committee?

Yes constitutional committee

For office use:

Date when received:

If referred – when and to whom? Reply must come within one week

What is the conclusion of the referring committee (to be included with the proposal?)

When was proposal placed before committee? EC/CC/AGM

Date placed in EC along with remarks

Date placed in CC along with remarks

Date placed in GB along with remarks

Status: passed/rejected

### 22. Proposal- Involvement of more members in Election process

Name of proposer/s: Dr (Brig) Sanjeev S Vaishampayan LM/C/2637, Col. (Dr) Rajesh Verma LM/C/2651, Col. (Dr) S Baveja LM/C/2657, Col. (Dr) Radhakrishnan LM/C/3694, Lt. Col. (Dr) Biju Vasudevan LM/C/5377

Is any one of the proposer member of CC? No

Is it administrative/policy/constitutional related (select one) - both policy and administrative

I/we are not able to classify and accept ECs view – Constitutional and SOP

How will it help IADVL?

**Brief introduction:** Till now very small percentage of members actually take part in the election process, despite of all efforts by IADVL ECs for many years. Involvement of more and more members will improve functioning of association.

#### If constitutional – will it replace existing clause? Or modify?

#### Give detail of the clause – page no. and clause no.

**Proposal:** (It should be properly drafted) -

1. It is proposed that in this era of IT E-voting be carried out at each DERMAZONES and if possible at CUTICONS, held during months of Oct - Nov each year, this will ensure large number of delegates will vote.
2. A team from CC can be assigned to go to each place and carryout voting as a secret ballot - like EVMs. This team can get the data by discs CDs(non re-writable) or transfer it by mail to central server/ computer with Election Officer.
3. This will be a step forward to get larger number of members taking part and in few years can have a majority deciding the fate of candidates

#### Do you think this needs referral to any specific committee?

Please note that EC may decide to refer if it thinks it is necessary

For office use:

Date when received:

If referred – when and to whom? Reply must come within one week

What is the conclusion of the referring committee (to be included with the proposal?)

When was proposal placed before committee? EC/CC/AGM

Date placed in EC along with remarks

Date placed in CC along with remarks

#### Proposal Form

### 24. Proposal : Adverts/posts in press and social networking.

**Name of proposer/s:** Dr Devesh Mishra, LM/UP/2361, 2. Ajeet Kumar LM/J/2877; 3. Sunil Naik LM/UP/2259; 4. Pramod Agarwal LM/UP/2332; 5. Ratan kumar Singh LM/UP/2273; 6. Mohd Kayum LM/M/0296.

**Is any one of the proposer member of CC? Yes**

**Is it administrative/policy/constitutional related (select one) OR**

**I/we are not able to classify and accept ECs view–Constitutional**  
**How will it help IADVL?**

**Brief introduction.**Newspaper advertisements and facebook page; For purpose of educating masses and counter propaganda to misleading advertisements for educating lay

public. We can take up vitiligo, psoriasis, acne, hairloss, loose adverts, HIV, steroids, fungus resistance, public interest issues etc. one by one.

If constitutional – will it replace existing clause? Or modify?

Give detail of the clause – page no. and clause no.

**Proposal:** (It should be properly worded/drafted)- **I wish to propose monthly or two-monthly adverts/posts in leading newspapers dailies/ facebook** posts to make them viral and other modes of rapid and effective communication with IADVL stand. For purpose of educating masses and counter propoganda. Can take up vitiligo, psoriasis, acne, hairloss, loose adverts, HIV, steroids, fungus resistance, public interest issues etc. one by one. This will strengthen IADVL image and educate masses on IADVL stand on various issues as well. Media or People Connect Cell can handle this.

**26. Proposal: How to update members' addresses.**

Name of proposer/s: Dr Devesh Mishra,

Is any one of the proposer member of CC?- YES

Is it administrative/policy/constitutional related (select one) OR I/we are not able to classify and accept ECs view-Administrative

How will it help IADVL?

**Brief introduction:** We wish to reach all members but addresses, Ids, phone no. we don't have. How we can ever have exclusive E voting and phase out ballot papers.

If constitutional – will it replace existing clause? Or modify?

Give detail of the clause – page no. and clause no.

**Proposal:** (It should be properly worded/drafted): How to update **member's addresses.** This requires some discussion. It will help journal and mail delivery. Our members can not be blamed for not informing regarding their address change and getting it done by themselves. AGBM can authorize EC to take decision on this. EC, Secy General and Office to handle this.

**Does this proposal need referral?**

**27. Proposal: IADVL facebook page.**

Name of proposer/s: Dr Devesh Mishra

Is any one of the proposer member of CC?-YES

Is it administrative/policy/constitutional related (select one) OR I/we are not able to classify and accept ECs view-Administrative

How will it help IADVL?

**Brief introduction: Face Book page** will help make IADVL members communicate with one another as a closely knit family. Help of technology is the need of hour. More sharing of ideas is imperative as IADVL grows.

If constitutional – will it replace existing clause? Or modify?

Give detail of the clause – page no. and clause no.

**Proposal:** (It should be properly worded/drafted): To create a **Facebook page**. All members would be included. Separate PLM and LM's page. They write what they wish; also can address EC members. Large files can be shared. Closed group. No pharma representatives be sharing. EC members to directly respond to issues. Public interest issues, steroid etc all be discussed. Derma Talent etc.

Also to have EC facebook group if desirable.

**28. Proposal: Two-yearly elections in IADVL.**

Name of proposer/s: Dr Devesh Mishra, 2. Ajeet Kumar LM/J/2877; 3. Sunil Naik LM/UP/2259; 4. Pramod Agarwal LM/UP/2332; 5. Ratan kumar Singh LM/UP/2273; 6. Mohd Kayum LM/M/0296.

Is any one of the proposer member of CC? Yes

Is it administrative/policy/constitutional related (select one) OR I/we are not able to classify and accept ECs view-Constitutional How will it help IADVL?

**Brief introduction:** To hold two yearly elections. It will reduce workload and cost of elections. Also we would get better groomed executives.

If constitutional – will it replace existing clause? Or modify?

Give detail of the clause – page no. and clause no.

**Proposal:** (It should be properly worded/drafted): I propose a system of **two yearly elections** in IADVL. It will reduce work and cost. Give time to new members to understand and be groomed better. Second year team to not be on dais. IADVL work is increasing. We need more people to work and give time. Work allocation can also be done better and accordingly. It is remarkable that due to enormity of work, we are getting less and less number of nominations in IADVL elections.

**Does this proposal need referral?**

Status: passed/rejected

**29. Proposal: Change in election process**

Name of proposer/s: Dr Devesh Mishra, 2. Ajeet Kumar LM/J/2877; 3. Sunil Naik LM/UP/2259; 4. Pramod Agarwal LM/UP/2332; 5. Ratan kumar Singh LM/UP/2273; 6. Mohd Kayum LM/M/0296.

Is any one of the proposer member of CC? Yes

Is it administrative/policy/constitutional related (select one) OR I/we are not able to classify and accept ECs view-Constitutional

How will it help IADVL?

**Brief introduction:** Two JGS are not sufficient to handle IADVL work. We need 4 JGS at an earliest.

Reasons for having 4 JGSs-

- Office coordination is going to take lot of time.
- Members address need to be up to date. Not easy.
- Yahoo groups.
- Presidential initiatives coordination.
- Grooming, experience, knowledge of constitution, dedication to work and time for association activities will be required.
- And so much more.

**Having 4 JGS and posting of ballots by ordinary posts will help IADVL work which is increasing every year.**

If constitutional – will it replace existing clause? Or modify?

Give detail of the clause – page no. and clause no.

**Proposal:** (It should be properly worded/drafted): **Elections-**

- We need 4 Joint General Secretary. We are getting less nominations, busy executives, members numbers crossing 10,000 soon. There is more money in accounts to be managed more deftly. More transparency too. May be more legal and ethical issues will crop up; with MCI getting tougher. Four JGS is a rather urgent wishlist for IADVL. One Secy General needs help.
- I feel that ballots be posted by ordinary posts. Reasons-
  - It saves money and time in dispatch.
  - Registered posts remain undelivered and are returned if they are not received at the time of delivery, while ordinary posts are dropped at the address.

### 30. Proposal: Establishment of DERMACON advisory committee and DERMACON matters

Name of proposer/s: Dr Devesh Mishra, 2. Ajeet Kumar LM/J/2877; 3. Sunil Naik LM/UP/2259; 4. Pramod Agarwal LM/UP/2332; 5. Ratan kumar Singh LM/UP/2273; 6. Mohd Kayum LM/M/0296.

Is any one of the proposer member of CC? - Yes

Is it administrative/policy/constitutional related (select one) OR I/we are not able to classify and accept ECs view-Constitutional How will it help IADVL?

**Brief introduction:** We need better and a satisfying experience organizationally and academically in DERMACONS. IADVL is growing, we have to continuously evolve.

If constitutional – will it replace existing clause? Or modify?

Give detail of the clause – page no. and clause no.

**Proposal:** (It should be properly worded/drafted) :

#### DERMACONS-

**a. DERMACON ADVISORY COMMITTEE-** Three to Four Organizing Secretaries whose conferences were appreciated by all, least criticized, saved more money as % age of total collections be ADVISERS to how our conferences be organized in future. Lots of conferences (one to many), organizers are getting doubted about handling and making loads of money. Soon we will have 10,000 plus members. There are 1 DERMACON, 4 DERMAZONES, around 20 CUTICONS, 5 or more national sister societies Confs, Focussed Confs on e.g. Vitiligo, SIG workshops 25 or so. This is making it difficult. Looking like working for pharma and having Conflict of Interest by organizing many Conferences regularly and in different associations. They may help formulate SOP.

**b. DERMACON ROOM BOOKINGS-** Can we book 1000 rooms before DERMACON date is announced. Event manager be brought in picture and MOU be signed later. GETZ, event manager has got 3 consecutive DERMACONS. Can we bar GETZ and associates.

#### **c. Proposal: DERMACON rooms bookings**

Name of Proposer/s: Dr Devesh Mishra LM/UP/2361

Is any one of the proposer member of CC? Yes

Is it administrative/policy/constitutional related (select one) OR

I/we are not able to classify and accept ECs view-SOP related

How will it help IADVL?

**Brief introduction:** DERMACON rooms bookings- Our members complained a lot regarding highly inflated rooms in one DERMACON. They blamed event managers particularly. CAN event managers contract with DERMACON Org. Committee be discussed in EC before signing. It should be possible.

If constitutional – will it replace existing clause? Or modify?

Give detail of the clause – page no. and clause no.

**Proposal:** (It should be properly worded/drafted):

**DERMACON rooms bookings-** Our members complained a lot regarding highly inflated room tariffs in one DERMACON. CAN event managers contract with DERMACON Org. Committee be discussed in EC before signing. Let EC get more responsibility and share blame if bad situation arises.

What should be done. We should discuss. So that IADVL and DERMACON Org Committee looks honest. It was suggested in yahoo groups that OC may need 50 lacs to book sufficient rooms. What we can do?

#### **d. Proposal: Dermacon participation certificates**

Name of Proposer/s: Dr Devesh Mishra LM/UP/2361, 2. Ajeet Kumar LM/J/2877; 3. Sunil Naik LM/UP/2259; 4. Pramod Agarwal LM/UP/2332; 5. Ratan kumar Singh LM/UP/2273; 6. Mohd Kayum LM/M/0296.

Is any one of the proposer member of CC? Yes

Is it administrative/policy/constitutional related (select one) OR

I/we are not able to classify and accept ECs view-SOP

How will it help IADVL?

**Brief introduction-** DERMACON participation Certificates are being misused by non dermatologists. All attempts should be made to curb this problem. Lot of members have complained. This is serious.

If constitutional – will it replace existing clause? Or modify?

Give detail of the clause – page no. and clause no.

**Proposal:** (It should be properly worded/drafted):

DERMACON attendance and scientific contribution certificates to be given – only to IADVL members, with names written on it (no blank certificate at any cost), in the hands of delegates (**not to pharma or anybody**). It happens that a blank certificate is put in delegate kit. This should be completely stopped.

#### **Does this proposal need referral?**

Status: passed/rejected

### 31. Proposal: SOP Chairperson

Name of proposer/s: Dr Devesh Mishra LM/UP/2361

Is any one of the proposer member of CC? Yes

Is it administrative/policy/constitutional related (select one) OR I/we are not able to classify and accept ECs view-Administrative How will it help IADVL?

**Brief introduction:** Last year EC members in order to prolong Secretary general's IADVL carrier proposed that Secy General offer completing their tenure should automatically become SOP chairperson. I strongly doubt that this is an attempt to prolong one's career in IADVL which is unethical to say the least.

If constitutional – will it replace existing clause? Or modify?

Give detail of the clause – page no. and clause no.

**Proposal:** (It should be properly worded/drafted): **There is no need to make immediate past Secy General as SOP chairperson-** Last year EC members proposed that Immediate past Secretary general be the SOP chairperson and was passed. That meant that EC members are themselves promoting them and their interests. EC members by convention are not eligible for any award, scholarship, honors etc. and they don't recommend themselves. This is a bad precedence IADVL can do without. SOP chairperson is usually a senior IADVLite who has been EC member.

### 32. Proposal: IADVL directory

Name of Proposer/s: Dr Devesh Mishra LM/UP/2361, 2. Ajeet Kumar LM/J/2877; 3. Sunil Naik LM/UP/2259; 4. Pramod Agarwal LM/UP/2332; 5. Ratan kumar Singh LM/UP/2273; 6. Mohd Kayum LM/M/0296.

Is any one of the proposer member of CC?- Yes

Is it administrative/policy/constitutional related (select one) OR I/we are not able to classify and accept ECs view-Constitutional How will it help IADVL?

**Brief introduction:** Constitution 2014 book says that a fresh list of members be sent to editor IJDVL quarterly. Page 32, point 9. Hardly we are reaching half of our members. Hardly one third vote in election. Every attempt at connecting all members is correct.

If constitutional – will it replace existing clause? Or modify?

Give detail of the clause – page no. and clause no.

**Proposal:** (It should be properly worded/drafted): Preparing **IADVL directory- Directory** is a fresh compilation of members addresses and contact details. This was to be done 3 yearly. This doesn't need much money. Office can do it on continuous basis as an ongoing activity. Sponsors be arranged or a small budget is needed from IADVL. Better on DVD, it can easily be distributed. Can also be linked to website. How many members have checked, found correct and used it in IADVL website. Even my address is grossly incomplete. EC to be empowered to handle it.

#### Does this proposal need referral?

### 33. Proposal: Need of a E-voting Committee

Name of Proposer/s: Dr Devesh Mishra LM/UP/2361, Dr Rajesh M Buddhadev LM/G/463; Dr Ajeet Kumar LM/J/2877; Dr Sunil Naik LM/UP/2259; Dr Pramod Agarwal LM/UP/2332.

Is any one of the proposer member of CC?- Yes

Is it administrative/policy/constitutional related (select one) OR I/we are not able to classify and accept ECs view-Constitutional How will it help IADVL?

**Brief introduction:** We are trying to have more of E Voting in IADVL Elections. A committee of independent members will be more reliable, I strongly feel.

If constitutional – will it replace existing clause? Or modify?

Give detail of the clause – page no. and clause no.

**Proposal:** (It should be properly worded/drafted): **Need of a E VOTING committee of 4-5 persons of all zones for supervising**

**E voting**- It should be governed by 4-5 persons of all zones or by including a representative of contestants. Contestants have seen ballots. Lot of curiosity is there that how our evoting process is temper proof. Last year members could know –who has voted and who has not. So a committee is very much desirable. As we proceed towards E-voting, better if we make it more easily supervised independently and completely.

### 34. Proposal: DERMACON savings

Name of Proposer/s: Dr Devesh Mishra LM/UP/2361 , 2. Ajeet Kumar LM/J/2877; 3. Sunil Naik LM/UP/2259; 4. Pramod Agarwal LM/UP/2332; 5. Ratan kumar Singh LM/UP/2273; 6. Mohd Kayum LM/M/0296.

Is any one of the proposer member of CC?-Yes

Is it administrative/policy/constitutional related (select one) OR I/we are not able to classify and accept ECs view-Constitutional How will it help IADVL?

**Brief introduction:** DERMACON Organizing Committee has to necessarily save and transfer to IADVL 15% of registration money and 20% of sponsors collection. More DERMACON savings will lead to **IADVL getting self sufficient and less pharma dependent. Extravagance doesn't help.**

If constitutional – will it replace existing clause? Or modify?

Give detail of the clause – page no. and clause no.

**Proposal:** (It should be properly worded/drafted): **DERMACON savings**- Mangalore OC has done well and exceeded savings to around 35 %. I propose to make it flat 30% of total collection in B towns and 25% flat in metro cities. We don't promote extravagance, we wish to save money to make IADVL actually self sufficient. Finance committee has already increased state share to 30 % from existing 20% of the savings. So, more savings only mean more money for all IADVLites and organizing state as well.

### 35. Proposal: DERMACON registration amount

Name of Proposer/s: Dr Devesh Mishra LM/UP/2361, 2. Ajeet Kumar LM/J/2877; 3. Sunil Naik LM/UP/2259; 4. Pramod Agarwal LM/UP/2332; 5. Ratan kumar Singh LM/UP/2273; 6. Mohd Kayum LM/M/0296.

Is any one of the proposer member of CC?- Yes

Is it administrative/policy/constitutional related (select one) OR I/we are not able to classify and accept ECs view-Constitutional How will it help IADVL?

**Brief introduction:** We have around 12 crores in accounts, paid 69 lacs plus as taxes. We should immediately start giving more money as membership benefit and subsidize registration money for DERMACON. This is urgent issue.

If constitutional – will it replace existing clause? Or modify?

Give detail of the clause – page no. and clause no.

**Proposal:** (It should be properly worded/drafted): **DERMACON Registration money** - Should we distribute money in form of training fellowship, stipend, research grants, presenting paper in national and International confs reduce DERMACON registration money. My answer is YES. It is easier to charge our members less than it is to first charge them highly then distribute to a few. This is a fact that our savings are increasing. We need not charge them highly.

A. Members have complained last year after Mangalore DERMACON when they felt that event manager or somebody has overcharged them. In my opinion, we should make money for members and not from members. Why unnecessarily charge more from members and pay tax. And MCI is putting all strictures.

I propose - **Free registration to all male and female valid IADVL members above the age of 75 years**( valid proof of age to be attached).

B. I think that we can start from **10% annual reduction in all stages (early bird to spot)** to IADVL members in DERMACON registration money. Hopefully, as our corpus increases we can subsidize rooms as well.

C. I wish to begin immediately with **first 1000 registrants getting a refund of Rs 1000** in their bank accounts from Kolkata DERMACON. Kolkata OC should agree to handle.

### 36. Proposal: Central Website Committee.

Name of Proposer/s: Dr Devesh Mishra LM/UP/2361

Is any one of the proposer member of CC? Yes

Is it administrative/policy/constitutional related (select one) OR I/we are not able to classify and accept ECs view-Administrative and SOP

How will it help IADVL?

**Brief introduction:** Our office in Delhi has to maintain so many things including website, E membership registrations, E banking, E applications and so much. To make our members access all info and connect better with IADVL; I wish to have a Website committee to do it for members.

If constitutional – will it replace existing clause? Or modify?

Give detail of the clause – page no. and clause no.

**Proposal:** (It should be properly worded/drafted): **Central Website Committee-** I wish to strengthen our IADVL website (and app also) and link every info and announcement, deadlines applications, etc to website and app. Even confs registration, new memberships, PLM to LM should be done thru IADVL website. Also ALL state IADVL should have their website and be linked to central IADVL comprehensively. Somehow we are not able to reach all members, distribute journal, ballot etc. I hope to cut on printing and postage expenses that are huge and difficult. We hope that our members will become e- savvy earliest possible. We will know the hits, assess and reach out to all members. Once we have the data, our office work will be more efficient. Budgetary provisions be made.

**Does this proposal need referral?:** It may need finance committee opinion.

### 38. Proposal: IADVL Dermatology Times

Name of Proposer/s: Dr Devesh Mishra LM/UP/2361

Is any one of the proposer member of CC?- Yes

Is it administrative/policy/constitutional related (select one) OR I/we are not able to classify and accept ECs view-Administrative

How will it help IADVL?

**Brief introduction-** We need to propagate our views and news at various fora. So far we are not doing it. A team of dedicated youngsters is required for this. First an E Paper, then a 4 page registered monthly newspaper.

If constitutional – will it replace existing clause? Or modify?

Give detail of the clause – page no. and clause no.

**Proposal:** (It should be properly worded/drafted): **IADVL Dermatology Times-** a monthly newspaper (may be an E paper to begin with) with news and our views to be distributed to key people like newspapers, TV channels, Govt offices, MCI, DCGI

etc; put on Fb page, try to make it viral certain things if possible. We will take up issues of mass interest e.g. unapproved drugs, practice issues, teachers issues, cosmetics, steroid combos, quackery, beauty enhancers. Also good things about IADVL. Members to get only E copy. A budget is to be proposed. Need of the hour.

### 39. Proposal: Election schedule

Name of Proposer/s: Dr Devesh Mishra LM/UP/2361, Dr Rajesh M Buddhadev LM/G/463; Dr Ajeet Kumar LM/J/2877; Dr Sunil Naik LM/UP/2259; Dr Pramod Agarwal LM/UP/2332.

Is any one of the proposer member of CC? Yes

Is it administrative/policy/constitutional related (select one) OR I/we are not able to classify and accept ECs view-SOP

How will it help IADVL?

**Brief introduction:** No doubt that election process is too lengthy. All contestants and voting members know it. One month time to withdraw the candidature and further one month time for confirmation of candidature is too long and a wastage of time. We can shorten it to one month.

If constitutional – will it replace existing clause? Or modify?

Give detail of the clause – page no. and clause no.

**Proposal:** (It should be properly worded/drafted): **Election schedule (New-proposed)-**

- Duration of election voting process is lengthy and tiring for all. It should be shortened. **I request to make it total five months instead of six months**. This has been discussed in yahoo groups already. By preponing dates and declaring results a month early; next EC members can have more time to prepare to work.

**Present schedule is-**

- **1<sup>st</sup> April-** Election process starts. Nominations are asked for various posts in IADVL News, website, yahoo groups etc.
- **15<sup>th</sup> June-** Last date for acceptance of nominations.
- **15<sup>th</sup> July-** Last date to withdraw nomination.
- **31<sup>st</sup> July –** Last date to file bidding for DERMACON Venue.
- **15<sup>th</sup> August-** Confirmation of valid candidate.

- **1<sup>st</sup> Oct.-** Date for start of E voting and posting of ballot papers.
- **31<sup>st</sup> Oct.-** Last date for posting ballot papers.
- **Wednesday preceding 3<sup>rd</sup> Saturday of December** - last date for E voting, 5 pm.
- **3<sup>rd</sup> Saturday of December-** Last date for receiving ballot papers.
- **3<sup>rd</sup> Sunday of December-** Day of counting Results informed to IADVL EC, to all candidates.
- **4 days after 3<sup>rd</sup> Sunday of December** - Results declared officially.

### Recommended and revised schedule-

- **1<sup>st</sup> April-** Election process starts. Nominations are asked for various posts in IADVL News, website, yahoo groups etc.
- **15<sup>th</sup> June-** Last date for acceptance of nominations.
- **30<sup>th</sup> June-** Last date to withdraw nomination.
- **15<sup>th</sup> July** - Confirmation of valid candidate.
- **31<sup>st</sup> July –** Last date to file bidding for DERMACON Venue.
- **1<sup>st</sup> Sept.** - Date for start of E voting and dispatch of ballot papers.
- **30<sup>th</sup> Sept.** - Last date for dispatch of ballot papers.
- **Wednesday preceding 3<sup>rd</sup> Saturday of November-** last date for E voting, 5 pm.
- **3<sup>rd</sup> Saturday of November** -Last date for receiving ballot papers.
- **3<sup>rd</sup> Sunday of November** - Day of counting. Results informed to IADVL EC and to all candidates.
- **4 days after 3<sup>rd</sup> Sunday of November** - Results declared officially.

### 40. Proposal: PLM to LM conversion

Name of Proposer/s: Dr Devesh Mishra LM/UP/2361, 2. Ajeet Kumar LM/J/2877; 3. Sunil Naik LM/UP/2259; 4. Pramod Agarwal LM/UP/2332; 5. Ratan kumar Singh LM/UP/2273; 6. Mohd Kayum LM/M/0296.

Is any one of the proposer member of CC? Yes

Is it administrative/policy/constitutional related (select one) OR I/we are not able to classify and accept ECs view-SOP

How will it help IADVL?

**Brief introduction.** We are grossly lagging behind in PLM to LM work. Our PLMs are growing very fast in numbers due to this reason precisely. We have to urgently handle it. There is strong need. This is required for raising journal delivery and raising voting percentage.

A few data-

- March 2013- total members (7600) - Valid LM voters (5987)
- March 2014- total members( 8500); Valid LM Voters (6338)
- March 2015- total members (9300); Valid LM Voters (6510)

**So in a year we are getting around 800 members but LMs are increasing by around 200. ONLY.**

There is strong need to handle this PLM to LM conversion. Presently around 3000 PLMs to LMs are pending and rising by 700-800 in numbers every year. How to do it.

If constitutional – will it replace existing clause? Or modify?

Give detail of the clause – page no. and clause no.

**Proposal:** (It should be properly worded/drafted) :**PLM to LM conversion** – Office and both JGS will do it and Secy General to supervise.

**Method: Members to write to National Office address directly.** (After changing states e.g. after passing examination or marriage, it is very difficult for members to find out and write/mail to state Secy who change). National Office will do it under 1 or both (can divide the work) Joint GS who in turn will take guidance and keep informed National Secy General who will be over all In charge. Members will send papers (Provisional or final pass certificate and HOD (who should be life Member of IADVL) certificate of passing and that the degree is MCI recognized. Only M.D., DVD, DDVL, DD, DNB are acceptable.) Members directly mail at national Office address only. Secy General/office coordinator will Inform state EC/ secretary for updating the record after it is done. SOP be prepared accordingly. Issue is top priority. Members get alienated and disinterested from association if they don't get even routine information or voting rights as a members right. Address, name and state change to be done by national office directly. Please empower the EC to handle it thru EC and office.

**Does this proposal need referral?**

#### 41. Proposal: State Branches of IADVL

Name of Proposer/s: Dr Devesh Mishra LM/UP/2361

Is any one of the proposer member of CC? Yes

Is it administrative/policy/constitutional related (select one) OR I/we are not able to classify and accept ECs view-Administrative

How will it help IADVL?

**Brief introduction: Not all State branches of IADVL are able to follow IADVL constitution. This creates lots of problems. State IADVL SOP at Constitution 2014 page 77-78.** State members be groomed to become national EC members.

If constitutional – will it replace existing clause? Or modify?

Give detail of the clause – page no. and clause no.

**Proposal:** (It should be properly worded/drafted): **State EC-State IADVL constitution** to be encouraged and formed. State Secy should have been state joint Secy first. State joint GS be entrusted with membership issues. Then only they will work more efficiently. We suffer from failed communication with state secy and President in many instances. Many state executives do not have active wap or email id or mobile numbers. State President and Secretary should be more connected to national EC and office for better implementation of national program.

**Does this proposal need referral?**

Date when received:

If referred – when and to whom? Replay must come within one week

What is the conclusion of the referring committee (to be included with the proposal)

When was proposal placed before committee. EC/CC/AGM

Status: passed/rejected

#### 42. Proposal: International life memberships of IADVL

Name of Proposer/s: Dr Devesh Mishra LM/UP/2361, 2. Ajeet Kumar LM/J/2877; 3. Sunil Naik LM/UP/2259; 4. Pramod Agarwal LM/UP/2332; 5. Ratan kumar Singh LM/UP/2273; 6. Mohd Kayum LM/M/0296.

Is any one of the proposer member of CC?- Yes

Is it administrative/policy/constitutional related (select one) OR I/we are not able to classify and accept ECs view-Constitutional

How will it help IADVL?

**Brief introduction:** We have very few International Life Members. We should have more of them to enhance our global image.

If constitutional – will it replace existing clause? Or modify?

Give detail of the clause – page no. and clause no.

**Proposal:** (It should be properly worded/drafted): I propose to encourage International life Memberships (ILMs). After humiliating result of our WCD bid, I think that we should prepare for better international networking and relations internationally. If we have more ILMs, it can give a kick start to our rising image and ambitions in global dermatology world. IADVL constitution 2014 copy shows two membership fees at 500 US \$ at page no. 11. And 700 US \$ at page no. 25.

I propose that we can just fix it to 200 US \$. EC will propose further course of action later.

**Does this proposal need referral?**

What is the conclusion of the referring committee (to be included with the proposal)

When was proposal placed before committee. EC/CC/AGM

Status: passed/rejected

**43. Proposal: Five digit IADVL membership number**

Name of Proposer/s: Dr Devesh Mishra LM/UP/2361, 2. Ajeet Kumar LM/J/2877; 3. Sunil Naik LM/UP/2259; 4. Pramod Agarwal LM/UP/2332; 5. Ratan kumar Singh LM/UP/2273; 6. Mohd Kayum LM/M/0296.

Is any one of the proposer member of CC?- Yes

Is it administrative/policy/constitutional related (select one) OR I/we are not able to classify and accept ECs view- Constitutional How will it help IADVL?

**Brief introduction: Five digit membership number** is needed offer a few months only; as we are joined by 800 members a year at this time.

If constitutional – will it replace existing clause? Or modify?

Give detail of the clause – page no. and clause no.

**Proposal:** (It should be properly worded/drafted): **Five digit IADVL Membership no-**We have to shift to five (5) digit membership No. Presently we have around 9500 members. Soon we will cross mark of 10,000 members. I propose that a zero be added to present 4 digit membership no. to make it uniformly 5 digit no. or as GBM suggests.

Status: passed/rejected

**44. Proposal: Inviting all past Presidents and Secretaries in central Council**

Name of Proposer/s: Dr Devesh Mishra LM/UP/2361

Is any one of the proposer member of CC? Yes

Is it administrative/policy/constitutional related (select one) OR I/we are not able to classify and accept ECs view- Administrative How will it help IADVL?

**Brief introduction- Inviting all past Presidents and Secretaries in central Council** – In my humble opinion, the decision last year to prohibit our past seniors Presidents and Secretaries

of before the year 2000 and give them invited CC members benefit was a retrogressive decision. We have enough funds now. We always need their best wishes and guidance. What an association can do if not even respect its senior torch bearers.

If constitutional – will it replace existing clause? Or modify?

Give detail of the clause – page no. and clause no.

**Proposal:** (It should be properly worded/drafted): **Inviting all past Presidents and Secretaries in central Council** – I propose that on EC's invitation, **ALL past national presidents and Secys should be attending CC meetings** irrespective of when they were in EC. Not all are alive and are not dying to be invited to CC, I am told. I request all wise members to allow the EC 2016 to invite all senior Presidents and Secretaries of IADVL (1973 onward) and participate actively and give valuable advices. Their contribution and opinion be respected. IADVL is no longer fighting for funds. This requires urgent affirmative action.

**Does this proposal need referral?**

**45. Proposal: DERMACON Bidding Fee in elections**

Name of Proposer/s: Dr Devesh Mishra LM/UP/2361, 2. Ajeet Kumar LM/J/2877; 3. Sunil Naik LM/UP/2259; 4. Pramod

Agarwal LM/UP/2332; 5. Ratan kumar Singh LM/UP/2273; 6. Mohd Kayum LM/M/0296.

Is any one of the proposer member of CC? Yes

Is it administrative/policy/constitutional related (select one) OR I/we are not able to classify and accept ECs view-Constitutional How will it help IADVL?

**Brief introduction: I propose that DERMACON venue bidders pay Rs. 25000/- as nomination fee like other contestants.**

If constitutional – will it replace existing clause? Or modify?

Give detail of the clause – page no. and clause no.

**Proposal:** (It should be properly worded/drafted): **DERMACON Bidding Fee in elections-** All other contestants e.g. President Elect, Vice Presidents and others are paying prescribed nomination fee for elections in IADVL. We propose that DERMACON Bidding state/Org Comm should also pay Rs. 25000 as nomination Fee because

- They are not paying so far while all others are paying. This is an anomaly.
- Money required to manage conduct of election process is rising every year.

**Does this proposal need referral?** May require opinion of finance Committee.

For office use:

Date when received:

#### 46. Proposal: Central IADVL Office

Name of Proposer/s: Dr Devesh Mishra LM/UP/2361, 2. Ajeet Kumar LM/J/2877; 3. Sunil Naik LM/UP/2259; 4. Pramod Agarwal LM/UP/2332; 5. Ratan kumar Singh LM/UP/2273; 6. Mohd Kayum LM/M/0296.

Is any one of the proposer member of CC?- Yes

Is it administrative/policy/constitutional related (select one) OR I/we are not able to classify and accept ECs view-Constitutional How will it help IADVL?

**Brief introduction:** IADVL office (Committee) - is much needed direction in how IADVL will work henceforth. We all join to make a smooth transition.

If constitutional – will it replace existing clause? Or modify?

Give detail of the clause – page no. and clause no.

**Proposal:** (It should be properly worded/drafted): **IADVL Office-**

- Central IADVL (Delhi) office** space has to be furnished, staff appointed, prepared for inauguration. Work SOP is to be prepared. Office Committee is needed to work with IADVL – Delhi branch.
- All payments by E gateway only at an earliest. Be it IADVL Membership, Scholarship, DERMACON registration, address up dating, PLM to LM conversion etc.
- All scholarship, any refund, payments etc from IADVL or DERMACONs to be done electronically in members/party's account only if complete bank details are provided beforehand.
- Budget requirement initially be- Annual budget requirement- I propose 10 lacs for furnishing and inauguration. And further Rs 10 lacs for annual expenses. A draft MOU is required.
- Delhi branch cooperation is very much desired.
- Office Committee will look into various office models used by different associations in India and abroad. Will also be in charge of running and supervising its smooth function.

#### 47. Proposal: Election SOP

Name of Proposer/s: Dr Devesh Mishra LM/UP/2361, 2. Ajeet Kumar LM/J/2877; 3. Sunil Naik LM/UP/2259; 4. Pramod Agarwal LM/UP/2332; 5. Ratan kumar Singh LM/UP/2273; 6. Mohd Kayum LM/M/0296.

Is any one of the proposer member of CC? Yes

Is it administrative/policy/constitutional related (select one) OR I/we are not able to classify and accept ECs view-Constitutional How will it help IADVL?

**Brief introduction:** There are **some questions** that come to election contestant's mind, when they are deep into elections. Can we answer them.

If constitutional – will it replace existing clause? Or modify?

Give detail of the clause – page no. and clause no.- Constitution 2014 page 30 writes- In case of a tie, apart from one's own vote, **casting vote of IADVL President** will decide the result in IADVL.

**Proposal:** (It should be properly worded/drafted): **Election SOP-**

- How to confirm that bar codes printed on ballots were checked and recorded?
- It is very difficult to not know identity of a particular member if bar code is printed on ballot paper.
- How to confirm that only a particular no. of ballots were printed? E.g. were they 5200 or 5400. I mean that they were exactly that figure.
- How to confirm that electronic voting machine and data remain confidential and verifiable? Who will verify? And How?
- Who can announce election voting results in case Election Officer does not/ not able to reach in time at closing year AGBM.
- Constitution 2014 page 30 writes- In case of a tie, apart from one's own vote, **casting vote of IADVL President** will decide the result in IADVL. If true, this is undesirable as President is likely to have favourable inclination to a particular candidate. Due to several reasons and biases. I suggest seniority in IADVL membership, holding past IADVL EC positions with years, no. of attempts etc be more suitable. Or this should NOT be applicable in election results but on EC, CC or GBM meetings etc only.

#### 48. Proposal: DERMACON Registrations

Name of Proposer/s: Dr Devesh Mishra LM/UP/2361, 2. Ajeet Kumar LM/J/2877; 3. Sunil Naik LM/UP/2259; 4. Pramod Agarwal LM/UP/2332; 5. Ratan kumar Singh LM/UP/2273; 6. Mohd Kayum LM/M/0296.

Is any one of the proposer member of CC? Yes

Is it administrative/policy/constitutional related (select one) OR I/we are not able to classify and accept ECs view-Constitutional How will it help IADVL?

**Brief introduction-** There should be a mechanism to up date member's database. This can help us if IADVL wishes to reimburse some money in members account e.g. scholarship etc.

If constitutional – will it replace existing clause? Or modify?

Give detail of the clause – page no. and clause no.

#### Proposal: (It should be properly worded/drafted): **DERMACON Registrations-**

We propose that the delegate registrations forms should have- **photo, mailing address, email ids, ph. No., signature** of self for IADVL records. This should be made a must. Or we can not surely communicate to them effectively. Our data base will be correct and complete. DERMACON provides opportunity. We can have one stall where members can up date their contact details in every DERMACON and every CUTICON. This should be made mandatory. A wide publicity too should be given to this initiative. Similar attempt be tried if registration process is made electronic thru website.

#### 49. Proposal: IADVL constitution and SOPs to be updated

Name of Proposer/s: Dr Devesh Mishra LM/UP/2361

Is any one of the proposer member of CC?- Yes

Is it administrative/policy/constitutional related (select one) OR I/we are not able to classify and accept ECs view-Administrative How will it help IADVL?

**Brief introduction: There is no separate SOP Booklet.** It should be published for conference organizers, EC members and members at large. **Also our revised constitution be brought on DVD yearly at a fixed date e.g. 31<sup>st</sup> March.** Last year constitution book had so much repetitions.

If constitutional – will it replace existing clause? Or modify?

Give detail of the clause – page no. and clause no.

**Proposal:** (It should be properly worded/drafted): **IADVL Constitution and SOPs be updated yearly by 31<sup>st</sup> March regularly.** As it is difficult to get a complete set of rules and byelaws at one place at any given time. This should be linked to website. 2015 constitution may be reprinted if all agree. A separate SOP booklet too would be necessary.

### 52. Proposal : IADV VISION 2025

Name of Proposer/s: Dr Devesh Mishra LM/UP/2361, 2. Ajeet Kumar LM/J/2877; 3. Sunil Naik LM/UP/2259; 4. Pramod Agarwal LM/UP/2332; 5. Ratan kumar Singh LM/UP/2273; 6. Mohd Kayum LM/M/0296.

Is any one of the proposer member of CC?- Yes

Is it administrative/policy/constitutional related (select one) OR I/we are not able to classify and accept ECs view-SOP

How will it help IADV?

**Brief introduction:** IADV VISION 2025- This is a rather ambitious program. We are 9500 plus association, growing by around 800 members per year. In next ten (10) years we will be around 18000 strong member wise and may be 50 crore plus association. I wish to have a **IADV VISION- 2025 Committee** of 10 eminent senior IADVLites, valid for 5 years.

If constitutional – will it replace existing clause? Or modify?

Give detail of the clause – page no. and clause no.

**Proposal:** (It should be properly worded/drafted): **IADV VISION 2025-** This is a rather ambitious program. I wish to have a committee of 10 eminent senior IADVLites for 5 years. They plan and have vision on

- How our specialty is changing, evolving, its future directions.
- Practice and teaching patterns and world scenario 10 year forward.
- Members aspirations as per their expectations from IADV, its scientific, social, academic activities e.g. DERMACON, DERMAZONE and CUTICON.
- How our Academy can become more efficient and productive.
- How we at IADV can interact better and more efficiently with govt. of India organizations e.g. MCI, DGCI etc.
- How to set our finances and accounts better.
- I don't know but I hear that a CEO kind of person manages AAD, EADV etc. along with trained professionals. We can study and have a report on its feasibility. Or which model will suit us.

- Our growth vis a- vis respect and image of IADVL in global Dermatology- e.g. strength of association in scientific and research works.
- Role of our People Connect cell, Govt. Liaison Cell, legal cell etc. in times to come.
- I hope to see IADVL self sufficient in finances .Our money in banks may be to tune of 50 crores by 2025. We will need better management.
- In nutshell, we envision our position in global Dermatology scene in 2025 and prepare for it.

#### 53. Proposal: Scholarships and Research budget

Name of Proposer/s: Dr Devesh Mishra LM/UP/2361, 2. Ajeet Kumar LM/J/2877; 3. Sunil Naik LM/UP/2259; 4. Pramod Agarwal LM/UP/2332; 5. Ratan kumar Singh LM/UP/2273; 6. Mohd Kayum LM/M/0296.

Is any one of the proposer member of CC? Yes

Is it administrative/policy/constitutional related (select one) OR I/we are not able to classify and accept ECs view-SOP

How will it help IADVL?

**Brief introduction:** Scholarships and Research- This year we had a budget of a total 20 lacs. I wish to increase this to 40 lacs. We will surely fulfill our research and scholarship commitment.

If constitutional – will it replace existing clause? Or modify?

Give detail of the clause – page no. and clause no.

**Proposal:** (It should be properly worded/drafted): **Scholarships and Research-** This year we had a budget of a total 20 lacs. I wish to increase this to 40 lacs. For national and international Paper presentations. Also part of it, to be utilized as a research grant in case there is a shortfall of sponsorship as research grant. The financial allocation to be worked out with IADVL academy. Why not distribute money to our needy and deserving members as a membership benefit. We will surely fulfill our research and scholarship commitment and prepare IADVL as research leader.

#### Does this proposal need referral?

#### 60. Proposal: CUTICON Organizers

Name of Proposer/s: Dr Devesh Mishra LM/UP/2361

Is any one of the proposer member of CC? Yes

Is it administrative/policy/constitutional related (select one) OR I/we are not able to classify and accept ECs view-Administrative

How will it help IADVL?

**Brief introduction:** Presently CUTICON organizers are not under any compulsion to invite National President or Zonal/ State EC coordinator. Can this be followed. At least EC coordinator are constitutionally required to participate and give report about CUTICONS.

If constitutional – will it replace existing clause? Or modify?

Give detail of the clause – page no. and clause no.

**Proposal:** (It should be properly worded/drafted): State CUTICON Org Secy and Org Committee should invite President and or state/zonal coordinator. IADVL EC coordinator to be in touch with organizers in scientific program and has to give a report to be published in IADVL News. This is part of constitution, and should be implemented. State CUTICON org comm. may decide on financial aspect of this proposal.

#### Does this proposal need referral?

For office use:

#### 54. Proposal: IADVL- Pharma Industry Liaison/ relationship

Name of Proposer/s: Dr Devesh Mishra LM/UP/2361, 2. Ajeet Kumar LM/J/2877; 3. Sunil Naik LM/UP/2259; 4. Pramod Agarwal LM/UP/2332; 5. Ratan kumar Singh LM/UP/2273; 6. Mohd Kayum LM/M/0296.

Is any one of the proposer member of CC?- Yes  
Is it administrative/policy/constitutional related (select one) OR  
I/we are not able to classify and accept ECs view-Administrative  
How will it help IADVL?

**Brief introduction: IADVL- Pharma Industry Liaison relationship:** Doctor's image in public has fallen several folds due to open doctor-pharma nexus, showmanship has entered IADVL. IADVL should not do it so brazenly. Many are seeing a BCCI in IADVL in future. We should be afraid of it.

If constitutional – will it replace existing clause? Or modify?

Give detail of the clause – page no. and clause no.

**Proposal:** (It should be properly worded/drafted): **IADVL- Pharma Industry Liaison/ relationship Meetings should not be held anymore:** All of you know that pharma sponsors our conferences. But is it ethical to show public that doctors are in negotiations with them and sold out. In my humble opinion, we should not have ANY Doctor-Pharma Meet during

IADVL meetings. Should we send a message to public that our association is promoting it. Only one sting operation is required to put our IADVL's image to dust. At least as torch bearers of IADVL, a reputed representative of around 10,000 dermatologists, we should refrain. And why we should have members of media, practice management cell to hob nob with pharma people. I think having constitutionally prescribed IADVL-Pharma Industry meetings during IADVL conferences is an avoidable idea. On principles, I can not promote it.

## IADVL Reports IADVL E-Voting Final Report for the year 2015

Dear IADVL Colleagues,

We had started to popularize e-voting project of IADVL from day-one after the installation of new team at Dermacon-2015 at Mangalore. On 10 February 2015 we had 631 registered e-voters and today we have got 1005 IADVL life members who are registered e voters. (on 20<sup>th</sup> July 2015)

Friends, we have motivated the e-voting concept amongst our Life Members from day one of DERMACON 2015, by all means: Using IADVL Yahoo groups (General and ACAD), CC group, by Text messages by IADVL App, Personalized SMS campaigns, Using various broadcast messaging and group messaging via WhatsApp and Personalized email campaigns. We highlighted E voting in various Conferences by PPT and guiding our member for the easy e-voter registrations. Doing all efforts with limited time has shown these final results which is remarkably good.

I would like to state here that at closing time of final process of registration (On 20<sup>th</sup> July 2015), we were having 195 members who could not complete the final process of registration due to lack of time. They all were individually approached during last 3 days time, but either members were not reading the mails or were in need of more time to respond! You can imagine if all of them were able to complete final process of registration, we could have achieved 1200 + members as e-voters! This indicates that we need more time to motivate and mobilise our Life Members. Hope in future we can achieve more.

We started the e voting at exactly 11 am on October 1, 2015. The E voting site <http://iadvlelections.net/Login.aspx> is working very well with remarkable ease and speed. Till today many e-voters have used it successfully without any hassle. I am sure most e voters will use their voting right successfully in coming days.

### **Schedule E voting:**

Opening of e-voting: 01-10-2015 (Thursday 11 am)

Closure of e-voting: 15-12-2015 (Tuesday 5 pm)

Counting of e-votes: 20-12-2015 (Sunday)

The difficulties which we faced are:

- Members once registered with the e mail ID which later on was not active and so their mails were bouncing: I request members to register with an e mail id which they use regularly.
- Members were advised to keep their credentials safe and stored, but many members lost their earlier mails: I request all members to save the login credentials in safe place, as it will be required in future elections also. We have made

special arrangements for members who were not able to remember their credentials. The process is as under

### **Forgotten your password?**

If you are registered E-voter and have lost your password please try the following:

1. You must have received your password at the time of registration. Please check your mail box for that specific email from [iadvlelections@gmail.com](mailto:iadvlelections@gmail.com)
2. If you cannot find that email please drop an email to [iadvlelections@gmail.com](mailto:iadvlelections@gmail.com) from your registered email address. Please mention your LM Number and Date of Birth. We will respond on the next working day with your credentials.

- In spite of repeated reminders from e-voting team, Members were not able to complete the final step of registration process: I request all to read the instructions carefully and follow the steps as written. It is very simple still we had seen many members who couldn't follow the exact steps.
- Members should not change their e mail repeatedly and if they do so, should report quickly to [iadvlelectins@gmail.com](mailto:iadvlelectins@gmail.com) with their old e mail id and new e mail Id immediately like we do it in our financial transactions! Team E voting is very friendly and are always happy to help everyone, if contacted personally.
- This time I have helped our registered e voters by offering my personal messaging system, and is a huge success and was appreciated by all members.

We like to put on records our sincere thanks to President Dr. Venkataram Mysore, IPP Dr. Deepak Parikh, President Elect Dr Devesh Mishra, Hon secretary General Dr Rashmi Sarkar, Hon. Treasurer Dr Somesh Gupta, My Colleague and Vice President Dr. Raghunatha, and Joint Secretaries Dr. Rohit and Dr Manish, Ex. Vice President Col. Dr Rajesh Verma and all State Presidents and State Secretaries for their guidance and efforts to make this project successful. My special thanks to Dr. Devesh Mishra who in fact was the person, motivated me to take this project. And last I would like to put on records special words of appreciation for the hard work done by E voting team from Agency called Techlore, Pune and Mr. Roopmay Roy who is heading the team.

I strongly and sincerely recommend few things for making E-voting more successful

1. Registration time for E voting should be extended to 30<sup>th</sup> July of Each Year, instead of 20<sup>th</sup> July. This will not create

any issues as we are not enrolling new life members but we are in fact helping them to become e-voter from the pool of regular postal ballot paper voters.

2. We should target our all Life members and E voting should be made compulsory by 2018 elections. This will save huge amount of money, by avoiding printing and posting postal ballots and the counting process will become easier and very quick also.

To summarize: There is an increase of 59.27% (From 631 to 1005) in E-voters strength in current year and it shows the signs of success of this project of IADVL. Growth of 59.27% is a remarkable growth pattern and indicates its acceptance amongst Life members of IADVL. We wish in coming few years IADVL will have 100% e-voters and will save much more on money, time and environment. This is the need of the hour and will continue to work hard on this project in future also. I urge all remaining voters to register themselves as e-voter in coming

year and make our mission successful. I am fully committed to this project and will continue to work on it if required.

With warm regards,

Yours sincerely

Dr. Rajesh M. Buddhadev, MD

## IADVL Resident Welfare Program

"Coming together is a beginning; keeping together is progress; working together is success". This novel idea of nurturing residents under the umbrella of the IADVL was initiated by Dr. Rashmi Sarkar, Secretary General, as a part of the IADVL Resident Welfare Program. This program aimed at bringing together the best of teachers, pioneers and trendsetters for the noble cause of education and learning. This was started under the initiative of the President IADVL(2014), Dr Deepak Parikh and continued to blossom under President IADVL(2015), Dr Venkataram Mysore.

With Initiatives like the IADVL residents Facebook page and the Resi-DREAM, knowledge and information are being shared like never before, being passed on from experienced seniors to budding dermatologists. These fora have created an efficient platform for communication and sharing of academic resources between residents and senior dermatologists from all over the country.

The Dermatology Residents Education and Motivation Bulletin (Resi-DREAM) under the guidance of Dr. Rashmi Sarkar received an overwhelming response from all over the nation. The sole motto of this newsletter was "of the residents, by the residents and for the residents". This team being led by

Dr. Ishad Aggarwal also includes Dr. Anupam Das, Dr. Samujjala Deb, Dr. Sumit Gupta, Dr. Saloni Katoch, Dr. JimishBagadia, Dr. Gillian Britto, Dr. ZubinMandlewala, Dr. Anuj Tenani, Dr. IndrashisPodder, Dr. SahilMrigpuri and Dr. Aayushi Mehta. The welfare program also focusses on resident oriented sessions, the first of its kind at Dermatologyconferences and academic meets. The first of these sessions was held at Dermacon 2015 at Mangaloreand gave an opportunity to post graduate students to address their doubts and questions to stalwarts in the field of dermatology. Career guidance, counselling and shaping one's future are a few topics that are stressed upon in these student oriented sessions.

"Changes call for innovation, and innovation leads to progress". The Resident welfare program empowers the residents to think progressively, innovate and make decisions so as to follow their dreams with courage and resilience. We hope that this novel endeavour continues to empower residents, shaping them into future mentors, physicians and leaders.

**-Dr Saloni Katoch, Bengaluru**

**Member of IADVL Residents Welfare Program**

## Orations and Awards for DERMACON 2016

## IADVL-L'OREAL Indian Hair and Skin Research Grant-2016 Jury Meeting Result

The IADVL-L'Oreal Indian Hair and Skin Research Grant 2016 jury meeting was held on 29th November 2015 at Hotel ITC Gardenia, Bangalore. The blinded applications were evaluated by the jury, which consisted of Dr Venkataram Mysore (Chairperson), Dr Manas Chatterjee, Dr Saumya Panda, Dr Arun

Inamdar, Dr Nita Roy, and Dr Michele Verschoore. Members who had a conflict of interest recused themselves from the discussion and the scoring of their projects. Dr Rashmi Sarkar, Dr Ameet Valia, Dr Tanmay Padhi and Dr Biju Vasudevan were the observers. The following recommendations were given:

### 1. Projects provisionally approved

Rank	Title	Principal Investigator	Department	Amount applied for (Rs.)
1	To determine the efficacy of sunscreens in the treatment of melasma as assessed by MASI and Hindi melasma quality of life index	Dr Rashmi Sarkar	MAMC, New Delhi	1,16,285
2	Immunofluorescence, immunohistochemistry and semi quantitative PCR including Foxp3, Wnt5a, IL-17, 22 and 23 paradigms in Lichen Planus Pigmentosus	Dr M Sendhil Kumaran	PGIMER, Chandigarh	2,06,000
3	Quantification of levels of biotin, iron, zinc, copper and selenium in serum and hair samples of women with chronic telogen effluvium	Dr Munisamy Malathi	JIPMER, Puducherry	3,20,250
4	Use of targeted broad band UV-B in the treatment of pityriasis alba over the face - A randomized controlled pilot study	Dr Soumya Jagadeesan	Amritha Institute of Medical Sciences & Research, Kochi	1,86,500
5	Mesotherapy With Saline Vs Platelet Rich Plasma In Androgenetic Alopecia - A Randomized Comparative Split Scalp Study	Dr Priya Suresh	PSGIMSR, Coimbatore	1,00,020

### 2. The following projects were given a conditional approval with instructions for improvement to address the concerns of the jury and submission for final approval

Rank	Title	Principal Investigator	Department	Amount applied for (Rs.)
1	A Study of melanocyte stem cell and hair follicle stem cell markers in premature graying of hair	Dr Ranugha P S S	JSS Medical College & Hospital, Mysore	2,67,000
2	In search of new sebostatic agents: assessment of role of H1 antihistamines and cannabidiol in sebaceous gland function	Dr Dipankar De	PGIMER, Chandigarh	5,97,400

## IADVL State Branch Reports

### IADVL Andhra Pradesh State Branch

Fifty two new members were added during last year from Andhra Pradesh. Five state wide CMEs were conducted. All CMEs were accredited by AP Medical Council, two credit hours for each CME. 832 members attended these CMES and updated their knowledge. CME Genodermatoses was organized in association with IADVL SIG Genodermatoses, IADVL Academy at ASRAM Medical College, Eluru on 9<sup>th</sup> August 2015, DR B V Ramachandra was the organizing chairman and Dr D Subbarao was the organizing secretary. CME on Aesthetics is planned at Narayana Medical College, Nellore on 13-12-15 in association with SIG Aesthetics and Lasers. All IADVL Days were observed throughout the state with active participation of most medical colleges and members. Public awareness programs, TV Interviews were organized at Vizag, Eluru on World Psoriasis Day. IADVL CHALO GAAV KI ORE was organized at various places and a detailed report was sent to Dr Raghunathareddy, who is compiling a final report. IADVL AP best thesis 2015, Best Publication 2015 were instituted for the first time and were awarded to the winners in IADVL AP celebrations on 30-10-2015 in the Annual Conference. IADVL AP -Talent India research grants for the year 2015 and IADVL AP DERMACON 2016 scholarships were announced and are in the process of evaluation. IADVL Andhra Pradesh General body meeting was convened on 30-10-2015 and New AP constitution was discussed and approved with few suggestions made on the floor of general body. Approved final draft was uploaded at [www.iadvlap.com](http://www.iadvlap.com). New office bearers were elected and Dr I C Reddy, Past President of IADVL AP was the returning officer.

**President 2016** - Dr BV Ramachandra

**President Elect** - Dr P Penchalareddy  
**Secretary** - Dr D Subbarao  
**Treasurer** - Dr Krishnamurthy

### DERMAZONE SOUTH 2015

IADVL AP has organized DERMAZONE SOUTH 2015 at Guntur on October 30, 31 and November 1. 750 delegates have attended from all over six southern states. Prof Dr T. Ravi Raju, Vice-Chancellor, Dr NTR University of health Sciences has inaugurated the conference. Faculty members from all over the country had addressed on various topics ranging from basics to aesthetics. Prof Dr Rashmi Sarkar delivered the Prof Dr BV Satyanarayana oration and Prof. Dr. Arun Inamadar delivered Prof. Dr. C. Sobhanadri Oration. Dr Venkataram Mysore has addressed a plenary session on Innovations and Curiosities in Dermatology. IADVL SIGs Dermatosurgery and Lasers and aesthetics had conducted two hour sessions each and they were well received and appreciated by all. A general quiz for AP post graduates and a Dermatopathology quiz for all members was organized, which made Postgraduates and practioners jubilant and active. A Special IADVL session was conducted, where Dr Rashmi Sarkar, Our Hon.Secretary general has discussed various IADVL activities, followed by an interactive session between the President Venkataram, Dr Raghunatha reddy and Dr Rashmi Sarkar and IADVL Presidents of all Southern States on the dais and the delegates. Many issues were discussed and clarified by the executives and the session went on beyond time with enthusiasm. DERMAZONE SOUTH 2015 was a grand success with almost 400 members staying for valedictory function.

### IADVL Jharkhand State Branch Report

Two new life member (LM) and three provisional members (PLM) have been added to the list of members while three members has been shifted out to branch of native state. The 7th CUTICON is going to be held at Dhanbad on 13th December. The website of the branch [www.iadvljhand.com](http://www.iadvljhand.com) has been started. Various CME's, seminars, public awareness programmes, social & cultural activities were organised by IADVL Jharkhand. On IADVL DAY(28th Jan2015) a mega skin camp was organised at RTC High School near Booty More, where about 300 students & staffs were examined. Medicines were also distributed. On Leprosy Day (30th Jan2015) Leprosy Awareness Programme was organised in the Dermatology OPD of RIMS, Ranchi. CME on Mycophenolate Mofetil was done at Hotel Capitol Hill on 21st May 2015, speaker was Dr Deonis Xess (Rheumatologist). CME on Role of various disinfectants in Acne Vulgaris on 13th June 2015 at Hotel Lelac, speaker was Dr Amlan Shome. CME on Role of Micronutrients in skin diseases on 20th June 2015 at Hotel Green Horizon, speaker was Dr Y. A. Lal. On 25th June (Vitiligo Day) vitiligo awareness rally in the morning & round table discussion on Vitiligo at Hotel Lelac was done. On 25th July CME on Ageing How Retinol can help, speaker was Dr Anand Kumar. On 8th Aug CME on Recent Trends in

the management of Psoriasis at Hotel Green Horizon, speaker was Dr Masuma P Bhengra. On 29th Oct on Psoriasis Day Awareness Programme was organised in OPD of Dermatology Dept of RIMS in the morning & CME on Psoriasis at Hotel Raddison Blue, speaker Dr A S Prasad. On 19th Sept CME on Recent Advances in Hair Care (Safest DHT inhibitor L-Lysine) at Hotel AVN Grand, speaker was Dr Masuma P Bhengra.

### IADVL Karnataka State Branch Report

#### A. Membership drive:

Number of new members added from IADVL - Karnataka

during the past one quarter is 39 and Central Fund Contribution(CFC) is Rs1,56,000/-

## B. Academic activities:

### **DERMA BASICS – 2015 Post graduate Training program for First year PGs & Prof. J N Shetty Memorial Oration - Father Muller Medical college (FMMC) on August 3<sup>rd</sup>, 2015**

The department of Dermatology in association with IADVL – Karnataka conducted the 3<sup>rd</sup> PG CDE DERMA BASICS, at Fr. Muller Medical College Mangalore. Resource persons from Father Muller Medical College & other places in Karnataka delivered interesting lectures on the basics in Dermatology. They included Dr. Varadaraj Shenoy, Dr. Narendra Kamath, Dr. Smitha Bhat, Dr. Nanda Kishore B, Dr. Umashankar N, Dr. Vaman Kulkarni, Dr. Sathish Pai, Dr. Manjunath Shenoy, Dr. Ramesh Bhat M, Dr. Gatha Upadya and Dr. Anup Shetty. Around 210 delegates registered for this event and included first and second year post graduates in Dermatology from Karnataka. Dr. Sukumar D was the organizing chairman, Dr. Jacintha Martis was the Scientific committee chairman and Dr. Rochelle Monteiro was the organizing secretary for the event.

Dr. Varadaraj Shenoy, Professor, dept. of Paediatrics, FMMC spoke about Research Methodology, how to go about research projects, the different types of the studies and the one's applicable to Post graduates, the steps involved and the ethical aspects of research. Dr. Narendra Kamath, Consultant Dermatologist talk was on "How to improve your skills in clinical examination". The do's and don'ts, bedside manners in Dermatology and common mistakes to avoid.

The talk on the Art of thesis writing was delivered by Dr. Smitha Bhat, Professor, Dept. of Medicine FMMC. She guided the delegates through the steps in writing a protocol. She stressed on the importance of original research work by the post graduates. Dr. Nanda Kishore B, Professor, Dept. of Dermatology spoke on the clinical examination of Hansen's disease, how to identify and differentiate the types of leprosy and common differential diagnosis. Dr. Umashankar N, Professor & HOD, Dermatology, Rajarajeshwari Medical College, Bangalore, elaborated on Dermatotomy, how to set up a Dermatotomy unit, basic methods and the future options in Dermatotomy. The talk on statistics was delivered by Dr. Vaman Kulkarni, Assoc. Prof. Community Medicine, KMC, Mangalore. He elaborated on the various terminologies in statistics and study designs and methods relevant to thesis writing. Lunch was followed by the talk on topical therapy by Dr. Sathish Pai, HOD, Dermatology KMC

Manipal. He spoke on the various topical formulations, how to choose an effective topical medication for a particular condition and the side effects of topical therapy and precautions to be followed by doctors and patients. Dr. Manjunath Shenoy, HOD, Dermatology Yenepoya Medical College spoke on the approach to STI's, normal external genitalia, common STIs encountered and how to identify each. Dr. Ramesh Bhat, HOD, Dermatology, FMMC, introduced the delegates to Dermatopathology. He showed them how to identify the layers of skin and specific pathology in each layer. Dr. Gatha Upadya, Additional Professor, KMC Mangalore spoke on critical evaluation of a Journal article. She stressed on the fact that Journal articles should be read by all prior to the presentation and after evaluation how one can send your comments as a letter to the editor of that journal.

The session ended with a demonstrative talk on power points by Dr. Anup Shetty, Professor, Microbiology, FMMC. He spoke on the do's and don'ts for an effective PPT. How to add pictures, videos and make your presentation more effective.

The Prof. J N Shetty Memorial oration was delivered by IADVL President Dr Venkataram Mysore, who spoke on the paradox of a dermatopathologist performing hair transplant. He took the audience through his early journey as a dermatologist and how he evolved into a dermatopathologist and later into a hair transplant surgeon. He stressed on the fact that changing according to the times is inevitable and essential, just as the evolution of dermatology from few topical medications to dermatopathology, lasers and cosmetology and other subspecialties at present.

Prof J N Shetty Memorial Oration was conducted during the PG CDE. The program started with a prayer song. The President of IADVL Karnataka Dr Narendra Kamath K welcomed the gathering, Rev. Fr Patrick Rodrigues, Director FMCI delivered the presidential address. The chief guest Dr Venkataram Mysore, National President IADVL delivered a short message which was preceded by lighting of the lamp. Dr. Sukumar D proposed the vote of thanks. Also present were Rev. Fr. Rudolph R D'Sa, Administrator, Father Muller Medical College, Rev. Fr. Roshan Crasta, Administrator Father Muller Hospital, Thumby. The Prof J N Shetty Memorial oration for 2015 was delivered by the IADVL President Dr. Venkataram Mysore. He spoke on the Paradox of a Dermatopathologists becoming a hair transplant surgeon. The oration was attended by Consultant Dermatologists from Karavali Dermatology Society and

Staff & students from FMMC. The oration was chaired by Dr. Ganesh S Pai and Dr. Raghavendra Rao. Following the oration, the speaker was felicitated by the dignitaries. The event concluded with the institutional anthem.

### **CME on the theme: "Hansen's Disease and its challenges in the 21<sup>st</sup> century" - Father Muller Medical college(FMMC) on August 1<sup>st</sup>, 2015**

In commemoration of the Post Centenary, Silver Jubilee Year of St. Joseph Leprosy Hospital at father Muller Medical College, a CME on the theme: "Hansen's Disease and its challenges in the 21<sup>st</sup> century" was hosted by the department of Dermatology, Venereology & Leprosy, Father Muller Medical college(FMMC) on August 1<sup>st</sup>, 2015. It was held with the support of Indian Association of Dermatologists, Leprologists & Venereologists (IADVL), Karnataka Branch and Special Interest Group (SIG)- Leprosy IADVL.

The scientific event was well attended by a total of 240 participants across the state and various parts of the country who had pre-registered and with a spot registration of 34 delegates.

The one day CME commenced at 9 AM with a thought provoking talk on "Management of reactions- Key challenges and what is new?" by our guest speaker, Dr Vivek V Pai, Director, Bombay Leprosy Project. He highlighted a step ladder method of determination of risk factors for the development of reactions based on number of lesions and nerve involvement. He presented, erythema nodosum leprosum (ENL) severity scale and forms for clinical assessment of the same. He emphasised on the need to continue oral steroids (prednisolone) in low doses (5 to 20 mg) for atleast 6 to 8 months after achieving clinical control in reactions. He shared his experience with steroid sparing drugs like azathioprine (2 to 2.5mg/kg/day) and cyclosporine 3 to 5mg/kg/day. He discussed comparative efficacy of various alternative drugs in type 1 and type 2 lepra reactions with corticosteroids, clofazimine, cyclosporine being efficacious in type 1 while corticosteroids, thalidomide, clofazimine, azathioprine, methotrexate and monteleukast showing benefit in type 2 reactions.

The next talk was delivered by Dr Vanaja P Shetty (Deputy Director, Foundation of Medical Research, Mumbai). It dealt with "Neuropathology of Hansen's Disease: Why is it important?" It was a lucid presentation highlighting histopathology pictures of nerve pathology through the spectrum of leprosy, electron microscopy and use of special stains-Anti BCG to identify nerve damage better.

She stressed on the fact that nerve damage in leprosy is often more diffuse than envisaged and regular nerve function assessments clinically as well as with the use of equipments such as, Nc stat & Neuroquick is useful in early diagnosis.

This was followed by inaugural ceremony with a key note address by Dr Derek Lobo, Retired Regional Advisor for Leprosy and other diseases, WHO, South east Asia regional office, New Delhi. He stressed on the statistical errors logistics dealing with false reporting or over reporting of new cases to achieve the national target as reported by earlier surveys.

Post inaugural ceremony, there was a talk by Hand & Microsurgery specialist, Dr Latheesh Latheef. He shared his clinical experience in treating such cases and emphasised on importance of regular cultures and use of appropriate wound care and corrective footwear for the ulcers. He demonstrated the use of pedobarometric evaluations to identify improvement in pressure areas post use of corrective footwear.

The penultimate talk in the morning session was once again by Dr VP Shetty on "Advances in laboratory research in Hansen's disease". She enlightened us about whole genome sequencing, expression & profiling and its use in testing virulence of M leprae and drug resistance.

Ongoing studies are certain new markers such as, Axonal cytoskeleton protein (Po) as a marker for nerve damage, upregulation of Tly A gene in type 1 lepra reactions & use of animal models to study neural pathology are on the horizon.

The last talk in morning session dealt with an important and clinically relevant issues pertaining to relapse in leprosy presented by Dr Nanda Kishore B, Prof & Former HOD, Dept of Dermatology, FMMC. He stressed on regular follow up after completion of MDT as various studies have found a varying time duration ranging from 2 to as long as 9 yrs after completion of treatment and that often relapse can be only neural in nature. Histopathologically, reappearance of granuloma, rise in BI and newer diagnostic techniques like PCR, FDA-EB staining may aid in the diagnosis.

Post lunch session was a dynamic one with a very interactive panel discussion with the speakers of earlier session with Dr Jerome Pinto, an experienced senior dermatologist as the moderator. The queries of the delegates pertaining to the field of leprosy were addressed by the panelists. The following session was award paper presentation by

the young dermatology post graduate students in two parallel halls. There were paper presentations in case report as well as case study category with a total of 16 presentations. There were some interesting case reports on nasal leproma, unusual presentations in leprosy, case study on HIV and Leprosy co infection, childhood leprosy etc. There was an enthusiastic response to participation in postgraduate quiz conducted by Dr Jyothi Jayaraman, Senior resident, Dept of Dermatology, FMCC on leprosy with 12 teams and final quiz between qualifying four teams, held between 4 to 4:40 pm.

A fruitful and enlightening scientific event was then brought to a close with prize distribution to the awardees and a positive feedback from the delegates.

### Report of SARCD-2015

The **9<sup>th</sup> Conference of South Asian Regional Association of Dermatologists, Venereologists and Leprologists- SARCD 2015** was conducted from 4<sup>th</sup> to 6<sup>th</sup> September 2015 at JSS Medical College, Mysuru, Karnataka, India. It was hosted by Indian Association of Dermatologists, Venereologists and Leprologists (IADVL), co-hosted by IADVL Karnataka Branch, Mysore Dermatology Society (MDS) and JSS University. Around 1000 dermatologists from India and other SAARC nations attended the conference, including post graduates from various institutions.

The conference was inaugurated on 4<sup>th</sup> September by Dr. Sharan Prakash Patil, Honourable Minister for Medical Education, Government of Karnataka. Dr. Jayamini Seneviratne, President SARAD, from Sri Lanka presided over the function and Dr. Venkatram Mysore, President IADVL graced the occasion. Dr. Sacchidanand, Organising Chairman, welcomed the gathering. Representatives from member countries of SARAD- namely Bangladesh, Pakistan, Nepal and Sri Lanka spoke on the occasion. The function concluded with the blessings of His Holiness, Jagadguru Sri Shivarathri Deshikendra Mahaswamiji of Suttur Mutt. Vote of thanks was delivered by Dr. Jayadev Betkerur, Organising Secretary of SARCD 2015. The Vice Chancellor of JSS University, Dean Faculty of Medicine, Registrar, JSS University and Principal, JSS Medical College were among the audience.

Scientific programme was held simultaneously in 4 halls on all the 3 days (4<sup>th</sup>-6<sup>th</sup> September). This included plenary sessions, debates, panel discussions and guest lectures. The plenary speakers were Dr. Ramam from Delhi, Dr. Jayamini Seneviratne from Sri Lanka, Dr. B Suresh, Vice

Chancellor, JSS University and Dr. C R Srinivas from Coimbatore. More than 100 speakers from all over India and other SARAD countries delivered lectures on various topics including Dermatology, Sexually transmitted infections, Leprosy, Dermatotomy, Dermatopathology, Aesthetics, Paediatric dermatology, etc. There were 2 award paper sessions for PGs and 12 free paper sessions, during which about 100 interesting studies and cases were presented. Around 100 posters and 60 E-posters were also displayed. A brain teasing quiz was conducted on the 3<sup>rd</sup> day for post graduates. 4 teams were selected for the quiz after a preliminary round. Team from Kottayam won the 1<sup>st</sup> prize. The delegates found the scientific sessions relevant and enlightening. There were many take home messages for delegates such as- Why adverse drug reactions to be reported, management of difficult cases like recurrent urticaria, twenty nail dystrophy, etc. and the newer treatment options for various diseases. 36 scholarships were awarded to PGs and young dermatologists by IADVL. Free accommodation and registration were given to SARAD PGs, which was availed by PGs from Sri Lanka. The flawless scientific programme was the result of dedicated work by the scientific committee headed by Dr. Arun Inamdar, Dr. Veeranna S, and Dr. Omprakash with able assistance from hall co-ordinators, post graduates and house- surgeons. Karnataka Medical Council had awarded 5 credit hours for this conference.

General Body Meeting of SARAD was held on 5<sup>th</sup> September, where Dr. Sacchidanand was elected as President and Dr. Jayadev Betkerur, the next Secretary General of SARAD.

Cultural programme with banquet dinner was arranged at a beautiful resort, Rhythm n Hues on the evenings of 4<sup>th</sup> and 5<sup>th</sup> September. The cultural fest included group dances, fashion show by our own post graduates. Show by sand artist, ventriloquist demonstration and orchestra were added attractions. The delegates savoured a delicious multi-cuisine lunch and dinner on all the 3 days. This was made possible by the efforts of catering committee headed by Dr. Harish and ably assisted by Dr. Prasanna and Dr. Ashwini.

The Pharma exhibition had more than 30 stalls. The companies were satisfied with the arrangements made and hospitality offered to them.

Valedictory programme was held on 6<sup>th</sup> September at 1 p.m. Award paper, poster and quiz winners were given prizes in the form of books during the valedictory function.

All the delegates expressed their satisfaction with regards to the registration, the delegate kit, time management and scientific sessions. There were many complimentary comments about the lunches, venue and the cultural events. Though rain played a spoil sport on the 5<sup>th</sup> evening, the delegates were in good spirits to enjoy the evening rather than get disappointed. The efforts put by the local organising committee lead by Dr. Sacchidanand and Dr. Jayadev Betkerur and the hard work done by the post graduates and house- surgeons were lauded by one and all.

### **Report: Workshop on Aesthetic Dermatology, SIGLA, IADVL, Sept 27th 2015, Bengaluru**

Under wing of IADVL Academy and the presidential project - The second SIG aesthetic workshop was conducted by IADVL Academy SIG lasers and aesthetics group along with BDS -Bangalore dermatological society at KIMS hospital, Bangalore on Sept 27th 2015 in conjunction with IADVL Karnataka state branch

It was attended 160 delegates from bangalore and nearby places.

The Sig convener Dr Shehnaz Arsiwala along with SIG members Dr Jagjeet Sethi and Dr Swapnil Shah and local faculty Dr Vidya T S, Dr Nandini, Dr Nischal, Dr Urmila, Dr Sanjana, Dr Eshwari, and Dr Ravindra babu demonstrated various aesthetic procedures like chemical peels, fillers, botox and dermaroller shown on more than 15 indicated patients

PRP- video demonstration done amidst practical lectures. Panel discussion about aesthetic procedures and legal implications was moderated by Dr Venkataram with panelists Dr Rajendran, Dr Chandrashekar, Dr Manjunath and SIG members.

This workshop was the second of the series of IADVL SIGLA Torrent mediated education workshop, the first being held at Bhopal and was supported by Karnataka state branch president Dr Narendra Kamath, secretary Dr Umashankar and organising chairperson Dr Vidya T S with their team members.

### **ZONAL FOCUSED CMES**

#### **Report of CME on "CONTACT DERMATITIS" held on 13<sup>th</sup> Sept 2015, Kasturba Medical College Mangalore**

The dept. of Dermatology in association with IADVL-Kn branch hosted a CME on Contact Dermatitis in the Medical Education hall of KMC Mangalore on 13<sup>th</sup> Sept 2015. The CME was well attended with capacity delegates of

more than 150 (Including about 22 spot regn). Many govt. medical officers and General practitioners from in and around Mangalore participated as delegates. Eminent senior Dermatology professors from Mangalore and Manipal were the resource persons which included Dr Shruthakeerthi Shenoy, Dr Narendra Kamath, Dr Sripathi and Dr Manjunath Shenoy. The session on "Journal Club" was well moderated by Dr Raghavendra Rao with presentation by PGs and discussion on the article by the audience. This was for the first time such a unique discussion on Journal articles was held.

Earlier in the day the CME was inaugurated by Dr Venkatray Prabhu, Dean KMC Mangalore in the presence of IADVL-Kn President Dr Narendra Kamath. Dr Gatha Uapadya, Chairperson welcomed the dignitaries and delegates. The Chief Guest spoke on the importance of holding CMEs and updating knowledge with a lot of quotes and anecdotes. Dr Narendra Kamath gave the Presidential address. Dr Kashinath, Organizing Secretary proposed the vote of thanks.

Following the CME the west zone UG quiz finals was held, Dr Ashwini was the quiz master for the 5 qualifying teams. The team from FMMC won the first place with team from Shimoga medical college and KMC Mangalore closely following in 2<sup>nd</sup> and 3<sup>rd</sup> place respectively.

Overall the feedback on the CME was good.

#### **CME /workshop "Dermatopathology 2015" on 26<sup>th</sup> and 27<sup>th</sup> September 2015, Kasturba Medical College & Hospital, Manipal**

The Department of Dermatology, along with the Department of Pathology, Kasturba Medical College & Hospital, Manipal, conducted a comprehensive one and a half day CME /workshop "Dermatopathology 2015" on 26<sup>th</sup> and 27<sup>th</sup> September 2015, which was mainly aimed at young dermatologists and pathologists.

Dr. Sathish Pai, Professor and Head of the dept. of Dermatology and Dr. Manna Valiathan, Professor and Head, Pathology, were the Organizing chairpersons, Dr. Kanthilatha Pai, Professor Pathology was the Scientific Committee chair person and Dr. Smitha Prabhu from Dermatology, the organizing secretary.

The CME was a huge success with more than 200 delegates registering from different parts of South and Central India.

The faculty included renowned dermatopathologists like Prof.

M Ramam from AIIMS, New Delhi, Prof. G Nandakumar from Trivandrum India, Dr. Venkatram Mysore, President of IADVL, Dr. Manjunath Shenoi, Professor, Dermatology, Yenepoya Medical College, Mangalore, Dr. Muktha Pai, Professor, Pathology, Dr. Ranjini Kudva and Dr. Kanthilatha Pai, Professors of Pathology, KMC, Manipal, Dr. Raghavendra Rao, Additional Professor, Dermatology, KMC, Manipal, Dr. Anuradha CK Rao, Professor, Pathology, Dr. Padmapriya, Associate Professor in Pathology, KMC, Manipal, Dr. Deepak Naik, Assistant Professor, Pathology, KMC Manipal, the quiz master. The CME was credited 4 accreditation points by the Karnataka Medical Council.

The topics discussed included Dermatopathology basics, Dermatopathology made easy, which was chockful of useful pearls, Histopathology and Immunofluorescence of Immunobullous disorders as two separate sessions, Granulomatous, Spongiotic and Lichenoid reaction patterns, Approach to histological diagnosis of vasculitis, and the much awaited Jugalbandi between a Dermatologist and a Pathologist, who debated upon the usefulness of Histopathology in aiding the clinical diagnosis of Leprosy.

The highlight of the CME was a live slide viewing session for the whole of the duration of the CME, which was accompanied by colored labelled photomicrographs for quick review of findings, and which was followed by in-depth discussion of the slides towards the end of the program.

The 2<sup>nd</sup> day of the CME witnessed an innovative hand held clicker quiz competition wherein 54 postgraduates participated in the quiz simultaneously and a series of award paper presentations by various participating post graduates. There was also a poster session and certificates and awards were given to the winners.

This program highlighted the importance of dermatopathology, from the simple biopsy to more sophisticated methods like immunofluorescence, antigen mapping and immunohistochemistry which are often essential to arrive at an accurate diagnosis in pertinent conditions.

The CME was well appreciated by all attendees, especially by the post graduates who appreciated the slide session the most.

### **Zonal CME on pediatric dermatology, 18th July, 2015 at VIMS, Ballari**

There were 138 registrations. It was from 8:00 am to 5 pm. There were 6 speakers covering on various topics in ped derma.

### IADVL KN Academic activities 1

### IADVL Kerala State Branch

IADVL KERALA state branch in synchrony with the National body conducted various programmes in the state as a part of Psoriasis day, IADVL Chalo Gaon Ki Ore, ITATSA and Various SIG groups. The salient events [Programmes] for the months from June 2015 to December 2015 are mentioned below. Report of Chalo Gaon Ki Ore sent to the co ordinator separately.

“PSORACON 2015”, A National level CME under the auspices of IADVL Kerala, IADVL Academy and SIG Psoriasis and organized by Malabar Dermatology Club (MDC) was held on 18<sup>th</sup> Oct 2015 at HiLite Business park, Kozhikode (Calicut). Eminent faculty Dr P. Sugathan, Dr K. Pavithran, Dr Laxmi V nair, Dr Muralidhar Rajagopalan, Dr Abhir Saraswat, Dr Najeeba Riyas etc enlightened the audience with their lucid presentations on the subject. On 29<sup>th</sup> October, a dermatology camp with health education, and patient awareness was conducted at a rural village of Kozhikode by IADVL Kerala and MDC in association with IMA Kozhikode. Dr Salim T, President elect IADVL Kerala and Dr Prasanna Kumar, President MDC lead the proceedings .Same day evening few road shows and street plays were conducted at 4 different busy areas of Kozhikode City. A short play was done by a professional group followed by patient education and health education by various members. The programme got wider publicity through print and visual media. At Trivandrum, Dr Samad, President Derma Club of Trivandrum & Prof of Dermatology, Medical College, Trivandrum, gave a Live TV interview in Kairali People TV. Dr. Sribiju MK, EC Member of IADVL Kerala gave a talk in AIR, Kozhikode. Dr K Muhammed, EC member of IADVL Kerala and Prof of Dermatology, Medical College, Kozhikode published a detailed write up on Psoriasis in IMA - NAMMUDE AROGYAM magazine. Psoriasis day posters were sent to all members and

displayed in hospitals, clinics and notified in IADVL Kerala website ([www.iadvlkerala.org](http://www.iadvlkerala.org)). A Psoriasis foundation under the aegis of IADVL Kerala and MDC is on its way to realization.

At 58th IMA Kerala State Conference, Dr Ashique KT presented a talk on "Use, Misuse and abuse of topical steroids" on 8<sup>th</sup> November 2015. IADVL Kerala in association with of SIG Practice Management Cell and Cochin Dermatology Society a work shop (DERMA PRACTICE) will be held on 29<sup>th</sup> November at Kochi and another workshop in association with SIG Dermatosurgery will be held on 12<sup>th</sup> December at Kottayam Medical College. Our dream to own an office space at Kochi is on its way to realization. Thanks to the support and co operation by various regional clubs in the state, members of the executive committee and various members who contributed generously for the noble cause. Our web site ([www.iadvlkerala.org](http://www.iadvlkerala.org)) has been updated and new membership and conversion of PLM to LM drive is showing good response and progressing.

**Dr Feroz K**  
Secretary IADVL Kerala

### IADVL Maharashtra State Branch

- 1. Practising Dermatologists meeting at Daman:** 12/13<sup>th</sup> September 2015: A unique event for practicing dermatologists, tapping their academic talent with an exclusive award session for Practising Dermatologists
- 2. Clinical Meeting:** Department of Dermatology K.J. SOMAIYA medical College Mumbai On 25/9/15. Rare and interesting cases including leprosy co-existing with psoriasis, malakoplakia and amyloidosis cutis dyschromica and a Study of efficacy of CSB stains in dermatophytic infections with implications of this novel method were presented.
- 3. Clinical Meeting JJ Hospital, Mumbai, on 28<sup>th</sup> August 2015.** Interesting and rare cases were presented which included a case of peripheral vascular disease with Protein S deficiency and intradermal nevus mimicking cutis verticisgyrata.
- 4. CME of Kolhapur Chapter.** 11th October 2015. The highlight topics were resistant fungal infections by DR Tavade and immunosuppressants in paediatric dermatology by Dr Manish Shah
- 5. CME: Autoimmune Diseases:** An update: A CME WITH

DERMATOLOGISTS –RHEUMATOLOGISTS INTERFACE at Mumbai on 18<sup>th</sup> October 2015

## IADVL North East State Branch

**Membership drive:** Currently our member strength is 132 with 96 life members and 36 provisional life members, the ratio being roughly 3:1. Out of the 36 PLMs 17 are pursuing their PG courses and the rest 19 have been intimated and exhorted to apply for life membership within 5 years of their passing out to avoid the unfortunate event of losing their primary membership. The membership drive for PLMship has achieved saturation at Gauhati Medical College, all of the four newly joined PGTs (who joined in July) having received their PLMship numbers. The new PGTs at Assam Medical College, Dibrugarh (2 nos.) and Silchar Medical College, Silchar (1 no.) are in the process of applying for PLMship.

**Website:** The website of the branch [www.neiadvl.org](http://www.neiadvl.org) which was upgraded to a dynamic one during the time of filing of the previous report, with member login facilities and a revamped design, is active and well utilized. All announcements including flyers and brochures are promptly uploaded to the website and web versions of the biennial newsletter and other publications are also made available on the website for easy access by the members.

**Academic activity:** After the encouraging success of IADVL SIG Dermatosurgery workshop in Guwahati in May, 2015, another feather on the crown was the IADVL Research Methodology Workshop organized at Gauhati Medical College Hospital, Guwahati on August 8 and 9, 2015 by the Department of Dermatology in association with the Medical Education Unit of Gauhati Medical College, Guwahati, IADVL Academy and the NE States branch of IADVL. With registration of 114 participants across Medical Colleges and Dental colleges of Assam and other states of the North-eastern region as well as a few corporate sector hospitals of Guwahati the workshop saw an encouraging attendance of doctors including a sizeable number from the preclinical departments as well. Inaugurated by Dr. Kabul Saikia, Principal-cum-Chief Superintendent, Gauhati Medical College and Hospital, Guwahati, the workshop was well conducted by the able team of Dr. Avijit Hazra, Dr. Saumya Panda, Dr. Maninder Singh Setia and Col. (Dr.) Manas Chatterjee, which invited a lot of interaction among the participants. Retired doctors, departmental heads and professors were seen participating in the discussions with as much vigour as the young PGTs.

A Dermatopathology workshop is already on the cards.

Among the regular CMEs organised by the Guwahati City Chapter the last one discussed in depth a case report of hyper IgE syndrome presented by Dr. Rashmi Agarwal, PGT, Gauhati Medical College Hospital, Guwahati.

Barak Chapter organized two CMEs in the month August and September respectively, the topics discussed being "Abuse of Topical Steroids" and "Scar Management". The speakers were from the Department of Dermatology & STD, Silchar Medical College & Hospital, Silchar.

On 18<sup>th</sup> September 2015 the 6<sup>th</sup> National Level CME-cum-Orientation programme on leprosy was organised in Silchar in Southern Assam. With a participation of nearly 300 delegates which included doctors, BSc nursing staff and paramedics, the programme was a grand success. Prominent speakers from Delhi, Allahabad, Kolkata, Lucknow, Dibrugarh and Silchar adorned the CME.

Dibrugarh Chapter recently revamped itself with a new executive committee on August 18, 2015 with Dr. MM Huda, ex-Professor of Assam Medical College, Dibrugarh as Chapter President. The meeting saw a scientific presentation titled "A brief update on Moisturizers", presented by Dr. Moitreyee Sengupta, PGT at Assam Medical College Hospital, Dibrugarh.

**Conferences:** CUTICON NE states 2015 was organised successfully on November 13 and 14, 2015 in Agartala, the capital city of Tripura, with Tripura State Medical Council granting one hour accreditation for the delegates. The prestigious Dr. TC Saikia oration was rendered by Dr. Neena Khanna, Professor of AIIMS, New Delhi who spoke on a contemporary topic, "Beauty parlours – a boon or bane? With several prominent speakers of national and international repute namely Dr. AK Bajaj, Dr. AK Jha Amar, Dr. RN Dutta, Dr. Kaushik Lahiri, Dr. Sudip Das and Dr. Siddhartha Das to mention a few, the conference was well attended with a sizeable number of delegates from almost all the North-eastern states. The conference also included a PG quiz, award paper session and an interactive panel discussion. The annual GBM of the NE States branch of IADVL took several landmark resolutions in the process of alignment of the state branch on the lines of the National executive as proposed at DERMACON 2015 and the last IADVL CC meet.

**Community activities:** After a successful World Vitiligo Day observation on June 25, 2015, the next successful community activity of the branch was the implementation of the first phase of the much-awaited rural dermatological health and awareness programme, "IADVL Chala Gaon ke Ore" under the able hands of 5 faculty members and 4 post-graduate trainees, at a rural locale called Azara 30 km off the city of Guwahati, which witnessed a record attendance of nearly 200 attendees. Details of the programme will be provided as a separate report. Long live IADVL, long live our beloved NE States branch.

**Dr. Nasirur Rahman,**  
Branch Secretary (2014-16),  
North-East States branch, IADVL

## **IADVL Punjab Chandigarh and Himachal Pradesh State Branch**

The branch inducted 52 new LM & PLAIN this quarter. Dr. Rakesh Bharti President, Dr. ML Gambhir Sec. & Dr. Sanjeev Hand CC member attended the CC meeting at Bangalore from 14th to 16th Aug. 2015.

The CUTICON 2015 was organised by Govt. Medical College Patiala and Patiala Forum of Dermatology on 3rd & 4th Oct 2015 at GMC Patiala. The organising Sec. was Dr. DIMPLE CHOPRA HOD, Dept. of Skin & VD GMC Patiala. It was a very well organised conference and in the GBM held on 4th Oct, Dr. SANJEEV HANDA HOD PGI MR Chandigarh was unanimously elected as President for the year 2015 and Dr. S K MALHOTRA was unanimously elected president elect for 2017. Dr. Sanjeev HANDA was given powers to elect his team. The new office bearers will be taking charge from 1st Jan. 2016.

## **IADVL Tamil Nadu State Branch**

Greetings IADVL Torrent aesthetic workshop - IADVL presidential project was conducted at Madurai, TN on 19th September at Velammal medical college jointly by IADVL SIGLA, IADVL TN and Madurai chapter of IADVL TN. 93 doctors attended the workshop. Faculty list: Dr. Rajetha Damishetty, Dr. Vidya, Dr. Asha Doshi, Dr. Anurag Tiwari, Dr. Kaleeswaran, Dr. Avitus John Raakesh Prasad, Dr. Nirmaladevi P.

Org. chairman.: Dr. A.S. Krishnam

Org. sec: Dr. A.V. Kaleeswaran

Also Dermatopathology workshop was organised by Dr. AS Krishnam in association with Madurai team and IADVL state branch. Brief report on 6th "Cuticon TN 2015", Salem.

The conference was for two days from October 10th to 11th at Hotel Cenneys Gateway, Salem. There were around 350 delegates, spanning all over the state. We had the delegates and speakers like Dr. S. Criton & Dr. Yogesh Marfatia from other states. There were many numbers of scientific papers but it was narrowed down to 14 award papers, 14 free papers and 42 posters by our scientific committee. The inaugural ceremony started with a prayer and lighting of Kuthuvilakku, by our dignitaries viz; Dr. Patrick Yesudian, Dr. Criton, Dr. AJS. Pravin (State president), Dr. Nanjappa chetty (Scientific chairman), Dr. Karthik Prabhu (State secretary), Dr. Ravichandran (Organising Secretary), Dr. N. Prasanna Babu & Dr. G. Balaji (Treasurer). It was followed by the speech by our chief guest Dr. Criton. The inaugural ceremony was presided by our chief mentor 'Dr. Patrick Yesudian' and gave keynote address. The prizes for the winners of the undergraduate quiz were distributed by our dignitaries. Also, the 'lifetime achievement award' to Dr.

V.R. Janaki was presented by IADVL President Dr. AJS. Praveen.

On day 1, the scientific session started with guest lectures by Dr. Criton & Dr. Geetharani. Following it, we had the important session - oration and the speakers for the three orations; Dr. Patrick Yesudian, Dr. K. Rajendran & Dr. R. Shivakumar, Dr. Rachel Mathai were Dr. G. Ravichandran, Dr. S. S. Rajendran & Dr. K. Manoharan respectively. We started the post lunch session with 'debate on antifungal & treatment in androgenetic alopecia' then, 'Expert View Session'. Award and free paper sessions in the evening, ended the day 1.

Day 2 was welcomed by free paper session followed by guest lecturers; speakers were Dr. Maya Vedamurthy, Dr. PVS. Prasad, Dr. G. Manoharan and Dr. Yogesh Marfatia. Prior to the lunch, there was a 'debate on difficult to treat conditions - Psoriasis and LP. Conference concluded with the distribution of prizes for the winners in Award paper, PG quiz and poster presentations in the valedictory function.

The following Chapters conducted various activities, academic programmes, patient education programme, camps etc on Leprosy day, World Vitiligo day, Psoriasis day carrying forward the association message and theme and promoting knowledge, awareness and reducing stigma in the minds of people. In addition, Tirunelveli medical college HOD & team with TTK chapter released a hand booklet for public on leprosy, Vitiligo and Psoriasis during concerned occasions. Well projected in media too - Tirunelveli, Thoothukudi & Kanyakumari (TTK) chapter, Madurai, Chennai city chapter (CCC), Erode Dermatologists association, Chennai city medical colleges like MMC, Stanley and Sri Ramachandra University-skin department, apart from certain Dermatologists' forums with academic interests scattered over the state like Madras club of cutaneous medicine etc.

Forthcoming academic events include CME on "Bullous disorders in Children - An overview" organised by CCC on 21.11.15 at Chennai and "HIV update" organised by TTK chapter in association with IMA on 13.12.2015 at Tirunelveli. Dermazone south with CUTICON, 2016 is planned for 7th, 8th & 9th of October 2016 at Trichy organised by Dr. Balasubramaniam MD, HOD, skin dept, SRM medical college and Research centre and Team, IADVL Trichy chapter.

Yours Cordially,  
**Dr P Nirmaladevi MD,**  
Honorary Secretary, State branch,  
Tamil Nadu

**IADVL West Bengal State Branch**

**1. SIG Dermatoscopy Workshop & CME on Pigmentary Disorder** was organized on 4<sup>th</sup> January 2015 at hotel The Park, Kolkata. The programme was participated by Dr. SidharthSonthalia, Dr. LaxmishaChandrashekar, Dr. B. Nirmal, Dr. N. Khunger, Dr. Mary Thomas and other eminent dignitaries. The programme was a grand success.

**2. Observance of Vitiligo Day**

**“Vitiligo Awareness Day”** was observed in different government medical colleges in West Bengal 25th June 2015. The Vitiligo patients were examined in the OPD of different medical colleges. Big flex display boards, posters and banners containing facts related to vitiligo, myths and realities were placed strategically in the OPD complexes so as to be visible by all who attended OPD. Leaflets were distributed amongst the people.

A patient awareness programme was held in which various dignitaries and HODs of Dermatology Department and representatives of IADVL, W.B. talked about the disease in simple language and all the queries of the patients and their relatives were addressed. The whole hearted participation and effusive response of the general public in all these places were noteworthy.

**3. Monthly Clinical Meetings**

7 Monthly Clinical meetings were organized from February to June 2015

IADVL, W B	Friday	27 <sup>th</sup>	February	2015
R G Kar Med. College	Friday	27 <sup>th</sup>	March	2015
KPC Med.College	Tuesday	28 <sup>th</sup>	April	2015
Medical College	Friday	26 <sup>th</sup>	June	2015
IPGMER	Tuesday	28 <sup>th</sup>	July	2015
IADVL, WB	Thursday	27 <sup>th</sup>	August	2015
School of Tropical Medicine	Tuesday	29 <sup>th</sup>	September	2015

Many interesting case reports were presented in the Clinical meetings.

**4. Membership:** 9 New Members have been enrolled during the period. At present total membership is 427.

**5. MID-CUTICON WB 2015:**

IADVL W.B. State Branch organized MID-CUTICON 2015 very successfully on 27<sup>th</sup> June 2015 at College of Medicine & J N M Hospital, Kalyani, Nadia, W.B. . The programme was inaugurated by the Chief Guest Dr. Santanu Banerjee, Principal of the Institution. Many eminent speakers and members participated in the deliberation The programme ended with the dinner. The programme was very success and appreciated by all.

**6. WORLD PSORIASIS DAY** was observed in different medical institutions of West Bengal. Posters displayed and leaflets

were distributed. In the evening a C M E programme was organized at hotel Hyatt, Salt Lake, Kolkata. The programme was organized jointly with SIG Psoriasis Group and IADVL West Bengal State Branch.

**7. IJD DIAMOND CON DERMAZONE EAST CUTICON WB 2015:**

The conference is going to be held on 18<sup>th</sup>, 19<sup>th</sup>& 20<sup>th</sup> December 2015 at Swabhumi, The Heritage Plaza, Kolkata. This year is very important for our journal – Indian Journal of Dermatology is completing 60 years continuously in the service of Dermatology. Thanks to the previous and present Editors who shoulder the task. Many national and international dignitaries are participating in the scientific programme. We are working very hard for the final round of arrangements.

**8. DERMACON 2017:**

First Organising Committee meeting and inaugural programme of web-site of Dermacon 2017 was held on Doctors' Day - 1<sup>st</sup> July, 2015 at Hyatt Hotel, Kolkata. The office of Dermacon 2017 at 53, Creek Row, Kolkata 700014 was also inaugurated on 6<sup>th</sup> July 2015. The preliminary works for the conference is going on.

We have received the PAN Card and subsequently all arrangements have been completed to open the bank account.

Dr. Satyendra Nath Chowdhury  
Hony. State Secretary  
IADVL, W.B.

## IADVL Academy Report

**Dr Manas Chatterjee**

Chairperson, IADVL Academy of Dermatology (2014-15)

**Dr Ameet Valia**

Convener, IADVL Academy of Dermatology (2014-15)

### IADVL ACADEMY-2015 MID-TERM MEETING

This meeting, held on 12th July, 2015 in Command Hospital, Kolkata, was attended by 14 members. The ongoing and future activities of the Academy and SIGs were reviewed, including IADVL Training Fellowships and International Dermatopathology Fellowships, scholarships for attending SARCD-2015 and EADV-2015, IADVL Academy and SIG Bulletins, website, patient information leaflets, DermaGyan (IADVL Online Advanced Dermatology Lecture Series), IADVL-Torrent workshops, Hair Connect Webinars, MCI and DNB issues, IADVL-AIIMS Dermatology Resident Doctors and PG Teachers' Conference, and IADVL books.

### GRANTS, FELLOWSHIPS & SCHOLARSHIPS

#### IADVL-Galderma and IADVL-Sun Pharma Research Grants-2015

Suggestions for improvement of the blinded applications for the IADVL-Galderma (Rs 15 lakhs) and IADVL-Sun Pharma

Research Grants (Rs 14 lakhs) were made by the IADVL SIG Clinical Trials (Coordinator: Dr Saumya Panda) and passed on to the applicants, who were invited to revise their applications. These were evaluated on 11<sup>th</sup> July, 2015 in Command Hospital, Kolkata by a jury consisting of Dr Venkataram Mysore, Dr Devesh Mishra, Dr Deepak Parikh, Dr Manas Chatterjee, Dr Ameet Valia, Dr KA Seetharam, Dr Bikas Kar, Dr Tanmay Padhi, Dr Saumya Panda, Dr Manjunath Shenoy, Dr Biju Vasudevan, Dr Vishalaksi Viswanath. Members with a conflict of interest recused themselves from the discussion and the scoring of their projects. The following 12 projects with a budget of Rs 22 lakhs were recommended to the Executive Committee for approval. Disbursal would be in parts, depending on the progress, after all permissions and registrations are obtained. The status of last year's grants was reviewed. Dr Saumya Panda and the SIG Clinical Trials were requested to formulate a protocol for a study on fungal infections in tinea incognito patients that could be undertaken with the excess funds.

<b>Total</b>				<b>9,38,080</b>

-Dr. Tanmay Padhi and Dr Biju Vasudevan, IADVL Research Grants Coordinators

## IADVL Scholarships for Attending SARCD-2015 and EADV-2015

Of the 6 scholarships of Rs 30,000 each for attending EADV-2015 available, two were recommended: Dr AJ Kanwar and Dr Ramesh Bhat (a third declined). Thirty-six scholarships of Rs 10,000 each were awarded for attending SARCD-2015, Mysore. Though one-third each were reserved for PLMs, LMs below 35 years, and LMs above 35, as there were only 5 LM applicants, the EC decided to give the remaining scholarships to 31 PLMs. The scholarships of two candidates was cancelled as they were found to have received alternate funding, contravening their undertaking, and the next two on the list awarded. The final list: LM aged above 35 years: Dr Sudhir Nayak and Dr Gomathy; LMs aged below 35 years: Dr Neha Saraf and Dr Vishwaja Naik; and PLMs: Dr Parul Thakur, Dr Shashi Kant, Dr Yugandhar, Dr Surajit Gorai, Dr Kuldeep Bharadwaj, Dr Simin Muhammed Kuttly, Dr Shailvi Banka, Dr Shishira R Jartarkar, Dr Arjun Ajay Shankar, Dr Mounika Ala, Dr Sneha Gandhi, Dr Y Sandya Rani, Dr Archana Meka, Dr Samatha M Swamy, Dr Abhilash A Dani, Dr Viniitha L, Dr Pihu Sethi, Dr Manu Vidhya H, Dr Anita K, Dr Pallavi B, Dr Vaishali R Makwana, Dr Jigna Barot, Dr Nithun TM, Dr Zarina Usman, Dr Reyila VP, Dr Manu Singh Walia, Dr Anuradha Jindal, Dr Akila K, Dr Parvathy Santhosh, Dr Nifin Nair, Dr Rupika Singh, and Dr Chandan KS.

## IADVL Training Fellowships/Observerships

Training Fellowships in two centres were discontinued after one candidate had visited each centre because the Program Director retired (Trichology: Dr HV Nataraj, Department of

Dermatology, STD, Leprosy, Bangalore Medical College and Research Institute, Bangalore) or cancellation by the institute (Dermoscopy: Dr Laxmisha Chandrashekar, Dept of Dermatology, Venereology and Leprosy, JIPMER, Puducherry). The 6 affected candidates are being accommodated in other centres. Nine candidates have completed Training Fellowships in this period.

Applications received from centres for recognition for IADVL Training Fellowships/Observerships (the new term proposed considering the duration and lack of hands on training in many centres) were evaluated by Academy members based on objective criteria and centres that scored more than 40% were visited for verification visits. The revised list of centres will be announced and applications invited by the first week of December.

-Dr KM Ajith Tharakan and Dr Bikash Ranjan Kar  
IADVL Training Fellowships Coordinators

## International Dermatopathology Fellowships

Academy members approved the decision of a selection committee consisting of Dr Venkatram Mysore, Dr Devesh Mishra, Dr Deepak Parikh, Dr Rashmi Sarkar, Dr Manas Chatterjee, Dr Ameet Valia, Dr Nandakumar G, and Dr M Ramam, to award scholarships of Rs 50,000 each to Dr Anisha Sethi, Dr Urmi Khanna and Dr Nidhi Sharma (University of California), and Dr Anisha George (McAnderson Cancer Centre, Texas).

-Dr KM Ajith Tharakan and Dr Bikash Ranjan Kar  
IADVL Training Fellowships Coordinators

## ONLINE LECTURES & WEBINARS

### Dermagyan – Online Advance Lecture Series

This presidential project aims to enhance the knowledge and competence of IADVL members by lectures delivered by faculty who have done significant work in that subject. Lectures are recorded in a studio, edited and are released on a fortnightly basis on a dedicated website (<http://dermscme.com>). The speakers have been Dr CR Srinivas (Phototherapy), Dr Deepak Parikh (Approach to a child with fever and rash), Dr Arun C Inamadar (Photosensitive genodermatoses) and Dr. M. Ramam (Cutaneous tuberculosis). Other scheduled lectures are by Dr Somesh Gupta (Evidence based treatments in genital HPV infections), Dr Sandipan Dhar (Systemic therapy in atopic dermatitis), Dr Rashmi Sarkar (Recent therapies in melasma), Dr Sanjeev Handa (Hand eczema) and Dr Venkataram Mysore (Melanocyte in health and disease).

*-Dr. Manjunath Shenoy & Dr. DA Satish  
IADVL Online Lecture Series Coordinators*

### IADVL-MSD Online Dermatopathology Lecture Series

Three more lectures of this Presidential Program, organized by the IADVL SIG Dermatopathology were webcast on 23rd July (Dr Sujay Khandpur on 'Vasculitis'), 19th September (Dr Asha Kubba on 'Vesiculobullous diseases') and 17th October (Dr. Venkataram Mysore on 'Clues in dermatopathology'). Their permanent link: <http://www.digiscan.co.in/iadvl-msd-online-dermatopathology-lecture-series.html>

*-Dr G Nandakumar, Coordinator  
IADVL SIG Dermatopathology*

### Hair Connect Trichology Webinars

The third Hair Connect webinar, a Presidential Program, planned by IADVL SIG Trichology and conducted in collaboration with Janssen was held on 13th September and seen by 800+ members. The web links of all programs are now available at: <http://24framesdigital.com/jnj/webcast/210615/>

*-Dr BS Chandrashekhar, Coordinator  
IADVL SIG Trichology*

### World Psoriasis Day

This was organized by IADVL SIG Psoriasis and IADVL Academy in association with Dr Reddy's Laboratory on 29th October. A webinar with Dr. Luigi Naldi from Milan, Italy and Dr Murlidhar Rajagopalan from Chennai was webcast to more than 50 centres followed by a live program with individual speakers, including SIG members. Psoriasis Patient Education Posters (prepared by the SIG last year with inputs from the Academy) and educational material were distributed to IADVL members all over India.

*-Dr Murlidhar Rajagopalan, Coordinator  
IADVL SIG Psoriasis*

## WORKSHOPS & CONFERENCES

### IADVL Research Methodology Workshops-2015

Four Research Methodology Workshops, with an average attendance of more than 100 at each one, were organized in close collaboration with the Gujarat, Telangana, North East and Kerala state branches at Ahmedabad (GMERS Medical College, Sola, June 27 and 28), Hyderabad (Deccan College of Medical Sciences, July 4 and 5), Guwahati (Guwahati Medical College & Hospital, August 8 and 9), Kozhikode (Government Medical College, August 22 and 23). Dr Deepak Parikh was the National Coordinator and MSD the sponsor. Dr Saumya Panda and Dr Maninder Singh Setia were the key faculty, complemented by Dr Yogesh Marfatia (Ahmedabad), Prof G Venkata Ramana (Hyderabad), Prof Avijit Hazra and Col Manas Chatterjee (Guwahati), and Dr KP Aravindan (Calicut).

*-Dr Saumya Panda, National Scientific Coordinator*

### IADVL Pan-India Laser, Aesthetics and Dermatosurgery Workshop Series

This Presidential Program consists of 15 workshops organized by the IADVL SIG Lasers and Aesthetics and IADVL SIG Dermatosurgery in collaboration with the state branches and Torrent (for the dermatosurgery and aesthetics workshops). The following programs were held in this period:

#### Dermatosurgery

1. 13<sup>th</sup> September, Mullana with IADVL Haryana state branch. Organizing secretary: Dr Sanjeev Gupta. Coordinators: Dr. Manish Pahwa & Dr. Chander Grover
2. 18<sup>th</sup> October, Bhubaneswar with IADVL Orissa state branch. Organizing Chairperson: Prof Juthika Mohanty & Organising Secretary: Dr Bikash Kar

#### Aesthetics

1. 2nd August, Bhopal with IADVL MP state branch. Organising Secretary: Dr Anurag Tiwari. SIG Coordinator: Dr Shehnaz Arsiwala
2. 19<sup>th</sup> September, Madurai with IADVL Tamil Nadu state branch. Organising Secretary: Dr Krishnam. SIG Coordinator: Dr Anurag Tiwari
3. 29<sup>th</sup> September, Bangalore with IADVL Karnataka state branch. SIG Coordinator: Dr Shehnaz Arsiwala

#### Lasers

1. 26<sup>th</sup> July, Belgaum with IADVL Karnataka state branch and JN Medical College. Organising Chairman: Dr AM Pandit and Organising Secretary: Dr Shivakumar Patil. SIG Coordinators: Dr Sanjeev Aurangabadkar, Dr Shehnaz Arsiwala
2. 29<sup>th</sup> September, Lucknow with IADVL UP state branch. SIG

Coordinator. Dr Anil Ganjoo. Dr Ankur Talwar

3. 24<sup>th</sup> October, Nagpur with IADVL Maharashtra state branch and Vidharbha Dermatology Society. Local SIG Coordinators: Dr Sushil Tahiliani & Dr Swapnil Shah

*-Dr Sanjeev Aurangabakar  
(Coordinator, IADVL SIG Lasers and Aesthetics) &  
Dr Shehnaz Arsiwala (Convener, IADVL SIGLA) and  
Dr T Salim (Coordinator, IADVL SIG Dermatotomy)*

### **IADVL-AIIMS Dermatology Resident Doctors and PG Teachers' Conference**

This conference was jointly organized by AIIMS, IADVL Academy and IADVL Delhi State Branch on August 1-2, 2015 in AIIMS, New Delhi, with Dr VK Sharma as Organizing Chairman and Dr Rahul Mahajan as Organizing Secretary. It provided an opportunity for 400 postgraduate students and young PG teachers to interact and listen to lectures by senior faculty.

*-Dr Somesh Gupta, Scientific Chairman*

### **Scientific Program of SARCD-2015, Mysuru**

The Academy Chairman and Convener participated in the formulation of the scientific program as Central Scientific Committee members.

### **Scientific Program of 44th DERMACON, Coimbatore, 2016**

Four applications for orations were assessed by 19 Academy members based on objective criteria and two that received more than 60% were recommended by the Academy Chairman and Convener to the Central Scientific Committee in its meeting in Coimbatore on 25<sup>th</sup> October.

### **E-LIBRARY & BOOKS**

#### **IADVL E-library**

Articles from 7 journals are available by writing to iadvlejournal2015@gmail.com). Until September, 1796 articles had been downloaded, the maximum from the British Journal of Dermatology.

*-Dr KA Seetharam, Convener, IADVL E-library*

#### **IADVL Books**

Contracts were signed with Jaypee Medical Publishers for three books, IADVL Color Atlas of Dermatology (editor, Dr Biju Vasudevan), IADVL Color Atlas of Dermatopathology (editor, Dr Pradeep Mahajan) and Recent Advances in Dermatology (Indian Perspective) (editor, Dr Imran Majid), by the President and the Academy Chair and Convener, as suggested by Academy members (after assessing all bids) and approved by the EC.

#### **IADVL Derma-Academia**

The IADVL Academy website (<http://iadvl.org/beta/about-iadvl>-

academy-of-dermatology/) has been revamped to provide easier access to information.

Formatting of three newsletters (one for SIG Genodermatoses and two for SIG Lasers and Aesthetics) was co-ordinated.

*-Dr Vishalakshi Vishwanath and Dr Krina Patel  
IADVL Academy Publications Coordinators*

### **IADVL SIG ACTIVITIES**

*(compiled by Dr Sunil Dogra & Dr Iffat Hassan, IADVL SIG Coordinators)*

#### **IADVL SIG Cutaneous Adverse Drug Reactions**

1. Guidelines on SJS/TEN were prepared by the SIG and comments sought from experts, Academy members and other IADVL members. The revised guidelines are expected to be finalized soon.
2. Patient Education Material/handouts in English and Hindi on drug reactions were submitted to the IADVL Academy.
3. Chapters on 'Urticaria' and 'Adverse cutaneous drug reactions' were submitted for the IADVL Academy book 'Recent Advances in Dermatology'.
4. The SIG conducted a session in DERMAZONE WEST-2015 held at Udaipur from 23rd-25th October.

*-Dr Lalit Kumar Gupta, Coordinator*

#### **IADVL SIG Dermatology Clinical Trials**

1. Dr Saumya Panda was the National Scientific Coordinator of the IADVL Research Methodology Workshops-2015 and Dr Maninder Singh Sefia, SIG member, was the key faculty.
2. As requested by the Academy, the SIG has proposed the protocol for a study, 'A multicentric study to evaluate the host and pathogen factors in recurrent dermatophytoses' after intensive discussion, with Dr Sunil Dogra playing a leading role. Its aim is to study the presence of resistance to topical and systemic antifungals in patients treated with topical steroids compared to that in patients not treated.
3. The SIG members gave their critical comments on the 30 proposals for the IADVL-Galderma and IADVL-Sun Pharma Research grants.

*-Dr Saumya Panda, Coordinator*

#### **IADVL SIG Dermatopathology**

1. The IADVL-MSD Online Dermatopathology Lecture Series is being organized.
2. The dermatopathology case of the month series continues on the Acad egrouop.
3. The Coordinator was part of the committee that evaluated applications for the International Dermatopathology Fellowships

*-Dr G Nandakumar, Coordinator*

## **IADVL SIG Dermatosurgery**

The SIG is organizing five of the IADVL Pan-India Laser, Aesthetics and Dermatosurgery Workshop Series.

*-Dr T Salim, Coordinator*

## **IADVL SIG Genodermatoses**

1. Two symposia were conducted with complimentary registration at:

- a) Asram Medical College, Elluru in association with the IADVL Andhra Pradesh branch on 9<sup>th</sup> August. SIG faculty consisted of Drs Archana Singal, Deepika Pandhi and Seema Kapoor. More than 150 delegates participated.
- b) Hotel Metropolitan Nikko, Delhi on 13<sup>th</sup> September in association with IADVL Delhi State Branch. SIG members Drs Archana Singal, Deepika Pandhi, Atul Kochhar, Ankur Talwar and Seema Kapoor were among the speakers. About 120 delegates attended the workshop.

2. The third issue of the SIG newsletter with a focus on ichthyosis has been submitted for formatting to the IADVL Academy.

3. Hand-outs on genodermatoses for patients and medics/paramedics have been compiled.

*-Dr. Archana Singal, Coordinator*

## **IADVL SIG Lasers and Aesthetics**

1. The SIG is involved in organizing 10 of the IADVL Pan-India Laser, Aesthetics and Dermatosurgery Workshop Series.

2. Two newsletters were released, on August 2 in Bhopal and on September 29 in Bangalore.

3. The SIG conducted a 2-hour laser session and panel discussion on new technologies at DERMAZONE SOUTH-2015 at Guntur on October 30.

*-Dr Sanjeev Aurangabadkar, Coordinator*

*Dr Shehnaz Arsiwala, Convener*

## **IADVL SIG Leprosy**

A CME on 'Hansen's Disease and its challenges in the 21st century' was organized by Dr Ramesh Bhat M at Fr Muller Medical College, Mangalore in association with IADVL Karnataka state branch on August 1. It was attended by 300 delegates and also webcast.

*-Dr VV Pai, Coordinator*

## **IADVL SIG Pediatric Dermatology**

1. Patient hand-outs on atopic dermatitis, scabies, molluscum contagiosum and varicella were submitted to the IADVL Academy

2. A chapter on pediatric dermatology was submitted for the IADVL Academy book 'Recent Advances in Dermatology'.

*-Dr. Manish K. Shah, Co-ordinator*

## **IADVL SIG Pigmentary Disorders**

1. A pan-India vitiligo epidemiological study 'Magnitude and correlates of vitiligo in India: A multicentric cross-sectional hospital based observational study' was approved for IADVL-Galderma Grant-2015

*-Dr Nilendu Sarma, Coordinator*

## **IADVL SIG Psoriasis**

1. CME events:

- a. One was organized on 9<sup>th</sup> August in Hyderabad in association with the IADVL Telangana branch. SIG faculty consisted of Dr Murlidhar Rajagopalan and Dr Anchala Parthasaradhi. There were more than 250 delegates.
- b. A national CME 'PSORACON 2015' was organized by the IADVL Kerala branch and Malabar Dermatology Club at Calicut on 8th October. It was attended by 200 delegates. SIG faculties were Dr Abir Saraswat, Dr Parthasaradhi and Dr Murlidhar Rajagopalan.
- c. SIG member Dr Asit Mittal organized a session on difficult psoriasis at DERMAZONE WEST-2015 in Udaipur on 24th October. It was attended by more than 200 delegates. Dr Murlidhar Rajagopalan was a speaker and the panel discussion included SIG member Dr Vinay Singh.

2. Observation of World Psoriasis Day on October 29, Dr Sraboni Ghosh, SIG member, conducted a patient support program in association with the IADVL West Bengal state branch, Dr Vinay Singh conducted a patient contact program in Delhi, while Dr Parthasaradhi conducted a walk for psoriasis and a patient contact program in Hyderabad.

*-Dr Murlidhar Rajagopalan, Coordinator*

## **Dr. Manas Chatterjee**

Chairperson  
IADVL Academy  
of Dermatology (2014-15)

## **Dr. Ameet Valia**

Convener  
IADVL Academy  
of Dermatology (2014-15)

## Important Dates to Remember this Year

### 31<sup>st</sup> March

Journal contribution should reach the Honorary General Secretary to entitle the members to receive the journal.  
Central fund contribution of the membership must reach the Honorary General Secretary latest by this date for including the name in the electoral roll.  
Cut off date for receipt of Annual subscription and compilation of electoral roll.

### 30<sup>th</sup> June

The organizing secretary of DERMACON should send the brochure of the conference  
To all valid members.

### 31<sup>st</sup> August

Last date for early registration of DERMACON without late registration charge.

### Other Important Dates to Remember

IADVL Day	:	28 <sup>th</sup> January
IADVL Felicitation day	:	2 <sup>nd</sup> day of DERMACON
Leprosy day	:	30.01.2016
Vitiligo day	:	25.06.2016
HIV Day	:	01.12.2016
Bidding of DEMACON	:	6 (six) months before the previous DERMACON begins (i.e. one and half years before the actual conference).

### Important Dates in Connection With The Election

Last date for filing nominations along with fee	-	15-06-2016
Last date for withdrawal	-	15-07-2016
Announcement of Valid candidates	-	15-07-2016
Dates of dispatch of ballots by election officer:	-	01-10-2016 to 31-10-2016
Last date for receiving filled ballots by election officer	-	17-12-2016
Closure of e-voting.	-	15-12-2016
Counting of Ballots and e-votes	-	18-12-2016
Filing of objections if any to election officer	-	18-12-2016 to 22-12-2016
Declaration of results on e-groups and website	-	23-12-2016
