## Presidential Address: DERMACON 2016

**Lucknow se aadab.** Lucknow, a city famous for Nawabs, Nazakat and Nafasat is well known. Importantly, IADVL first got registered in Lucknow in 1975; and Lucknow has given two IADVL Presidents so far in a span of just 3 years.

The feeling that I get here on this stage today is of immense gratitude towards all of you for choosing me to be the President of this august association. I remember of my seniors, and great stalwarts of Dermatology, many of whom were past presidents and of enormous responsibilities to steer our association as per expectations of members.

Firstly, I remember with deep respect my teachers at Institute of Medical Sciences, BHU, Varanasi, **Profs Gurmohan Singh, S S Pandey and Lata Sharma** who instilled in me the love of learning. Also I am thankful to all my seniors and friends from whom I have learnt everything.

Secondly, I thank and complement the outgoing President Dr Venkatram Mysore and whole EC 2015 for a busy and remarkable year. He led by example and dynamism. He will be a valued guide and friend whose advice I will look up to throughout this year.

My heartiest welcome to our dedicated members of new EC 2016, Vice Presidents Dr B B Mahajan and Dr Anil Ganjoo, Dr , Secretary General Dr Shyamanta, Treasurer Dr Rajib, Joint General Secretary Dr Prabhat Kumar and Dr Biju Vasudevan and President Elect Dr Yogesh Marfatia.

Also, I welcome Dr Ameet Valia as chairperson and Dr K Seetharam as convener of our IADVL Academy .

Also I wish to acknowledge that I owe my all success to blessings of my parents and support of my wife, **Dr Usha Mishra.**

Hon'ble Chief Guest Dr S Geethalakshmi, VC, MGR Medical University, Tamilnadu , Dr C R Srinivas, Dr Reena Rai, EC 2016 members, Ladies and Gentlemen,

It is indeed a pleasure to lead this huge association of around 9500 members with around 800 members joining it annually. Soon we will be one of the largest national associations of dermatologists.

Our association is doing well in organizing conferences, bringing out textbook and journals. We are doing well in all fields like clinical dermatology, lasers, aesthetics, dermato surgery etc. Our efforts in last few years in organizing webinars, live workshops, and lectures have been widely appreciated. Our national conference DERMACON is so popular. We have recently done ICD 2013, SARAD 2015 very successfully and Asian Dermatological Congress is due in October 2016.

I wish to strive for benefit of all IADVLites. Therefore, I propose to have a few initiatives-

### **IADVL DERMAVISION 2025**

This is close to my heart. Friends, A committee of seniors and youngsters is required to have a plan to discuss on –how our specialty is going to evolve in next 10 years, how we should be better prepared in our finances, practice and teaching issues 10 years forward, how our academy can be more efficient and productive, how we should engage with govt. organizations like MCI and DCGI proactively, how IADVL and DERMACON be prepared to have a global image; IADVL office coordination- do we need a CEO kind of person? And above all **ordinary member's aspirations and expectations from IADVL.** Their advice will act as our guidelines year after year.

**DERMACON Reforms-** Members expect a lot from our annual national conference- DERMACON. How our conferences be organized, how our scientific program and speakers be decided, accommodation issues, role of event manager etc. etc. need to be discussed.

**Research-** Hansen's, vitiligo and many other diseases need more focused attention from all of us. Treatment failures of even fungal infections with almost all therapies are becoming so common. Proposed Uniform MDT of Hansen's is challenging us. Also to be considered is provision to outsource research, if feasible. I propose big role for our Academy in this.

**National level SIG workshops.** All members cannot attend DERMACON, therefore, I wish to have one big 1.5-2 days annual national CMEs and workshops on topics like Hair Transplant, Lasers, Aesthetics, Dermatosurgery, Tinea, psoriasis and other SIG topics. I am sure that era of **big focused conferences** has come.

**I propose to give more scholarships** from this year; almost twice that of what was available so far. We intend to support our members to present their research work in national and international conferences.

**National IADVL Office.** I had promised to start IADVL office in my election agenda. I am so happy that our first national office will formally be inaugurated on 3rd April, 2016 in Delhi. I appreciate Delhi branch gesture to offer their well-furnished office premises free of rent to national IADVL. Delhi has always shown the way. Friends, IADVL-Delhi deserve a round of applause. I invite all present and past office bearers and members to this historical event.

**IADVL Website.** Shortly, a new fully revamped IADVL website [www.iadvl.org](http://www.iadvl.org) will welcome you. With the launch of new IADVL office; all work is going to be on line. From new membership registration, PLM to LM conversion, address change, info of upcoming events, only one contact phone no. for any query of members, online payment gateway for all purposes, cut off dates for applying to orations to various awards and scholarships will be online thru website. Very soon, we shall do it.

**Face book page of IADVL.** Our official communication channels need better reach to all members. A new official face book page will welcome you shortly. It will be different for students and life members. This page would be for member's issues only. Members of IADVL EC and all seniors and youngsters would be able to communicate and discuss all issues.

**IADVL Dermatology Times.** I propose to create an E newspaper, bimonthly to begin with. That will have salient IADVL posts and views on current issues of general interest. IADVL brand will get an image. This will be mailed to members and govt. offices.

**IADVL to have a global image.** To begin with, IADVL should invite SARAD executives in Kolkata DERMACON. Many more initiatives to involve SARAD and other neighboring countries are planned.

**Biographies of our senior stalwarts of IADVL.** I propose to present at least two biographies of our senior IADVL Presidents. This should serve as inspiration to coming generation of dermatologists. Our media cell will bring it out.

**Non dermatologists invading our specialty-** We at EC will pursue it vigorously and decisively. I understand that this issue requires our utmost attention.

**IADVL for Members-** Friends, I have a few ideas to share now.

1. Our financial position is comfortable. I wish to reduce registration money for DERMACON 10% annually for all members in all slabs. The reason is why charge our members more and then worry about spending and pay huge taxes.
2. I propose to charge NO registration money from members over 70 years of age. We need their blessings, not money. Hardly 100 members attend in this age group.

**PLEASE COME TO AGBM on Saturday, 2 pm at IADVL Hall.**

Friends, I have a dream to make IADVL responsive and responsible; a groupism free and members issues oriented IADVL with leaders free of any conflict of interests; with sound and robust finances; having a respectable say in issues involving MCI and Govt of India; having a name at par with AAD and EADV; having a transparent election process with more than 50% members e voting; and committed to academics and research in a big way.

**My motto would be MEMBERS FIRST.**

**To conclude,** I heartily congratulate organizers– Team Coimbatore to have such a magnificent DERMACON and thank them for their great efforts.

I seek active cooperation of all IADVLites to help me in transforming IADVL to make it capable of meeting aspirations of each and every member.

**Long live IADVL.**

**Thank You.**

## President's Message

**Dr. Devesh Mishra**

LM/UP/2361

Firstly, I place my sincere thanks and tribute to IADVL EC 2015 under able leadership of Dr Venkat Mysore and able guidance of Dr Deepak Parikh . We saw a hectic year with lectures, webinars, book releases, scholarships, academy and SIG works and many activities in full swing.

IADVL year 2016 has started after much appreciated Coimbatore DERMACON. My presidential speech at Coimbatore was well received. I thank GBM for passing DERMACON registration money of Rs. 2000/- only for all delegates of the age 70 years and above.

We inaugurated our first National Head Quarters of IADVL in Delhi on 3rd April, 2016. It was a very well attended and a well managed event. I wish to congratulate and complement Dr Shyamanta Barua, Secy General IADVL , Dr Anil Ganjoo, VP and EC Coordinator of H.Q., EC members and specially IADVL -DSB executives to make this event a memorable affair. Soon, we will be able to work as per needs of an association of 10,000 members. This has been possible due to vision and ideas of all senior IADVL executives and members.

IADVL academy and all IADVL Committees are working well. Academy has taken off well with Dr Ameet Valia and Dr K A Seetharam. SIGs of Laser and Aesthetics, Geriatrics, Trichology, Dermato surgery and all others have drawn a road map and are having lots of activities planned, beginning with a News bulletin. A focus group of Hair Transplant has been created. A new SIG on Geriatric Dermatology has been created under Dr Vibhu and is very active.

Various IADVL committees like Derma Talent, Practice Management ,International Liaison, Industry Liaison and others have planned and started executing many activities beneficial for members e.g. workshops, CMEs, books etc.

Our EC members are contributing with great ideas for the future. Secy General IADVL Dr Shyamanta Barua is smoothly and effectively conducting his all works. Dr Rajib Gogoi, treasurer is proactively taking care of finances. I wish to complement our VP, Dr B B Mahajan and Dr Anil Ganjoo; JGSs, Dr Prabhat Kumar and Dr Biju Vasudevan who are very active and are giving constructive views. ACAD group is very vibrant now.

I am constantly getting constructive support from our Imm. Past President , Dr Venkatram Mysore and President Elect, Dr Yogesh Marfatia who has many brilliant suggestions regarding membership issues etc.

I complement our Secy General IADVL for preparing this newsletter and I assure that this EC is committed to our all members.

Jai Ho! IADVL

**Dr. Devesh Mishra**

President, IADVL

## Message from President Elect

**Dr. Yogesh Marfatia**

LM/G/419

I express profound gratitude for considering me for the coveted post of President IADVL 2017. I am honoured and humbled. My salute to pioneers, teachers, innovators for nurturing dermatology and making it a diversified speciality and bringing it to its current heights.

IADVL is not just an association promoting /protecting interests of its members, but a vibrant organization offering profuse opportunities to members for professional growth, training, scientific interactions and furtherance of their knowledge and skill, so as to compete with their global counterparts.

I foresee transformation of IADVL from an association to an institute.

It is natural for an association of the magnitude of IADVL to face many challenges. Success of an association depends on its connectivity to each and every member. Organizational issues which need to be addressed include updation of membership database, conversion of PLM to LM, miniscule participation of members in e-voting.

Our website needs revamping so that it becomes more interactive and member friendly.

We need an e-referral platform for challenging cases faced by members practicing in the periphery. A support platform for computerization of practice and digitization of data is the need of the hour.

Dermatologists in academic institutes need empowerment for research and publication. A dialogue with MCI will go a long way in solving many issues related to recognition.

Patient is the centre of our universe and we must have resource platform and educative platform for patient and general public. We as an organization can encourage support groups for patient suffering from chronic dermatoses. Crusade against topical steroid abuse and fruitful meeting with drug controller General India reflect our concern for patients and general public.

We are grateful that our predecessors have already taken up many of the issues mentioned above. The job of present team is to consolidate the gain and to plan and initiate measures to solve pending organizational issues.

On academic front we are solid due to ongoing academic activities, conferences, workshops, fellowships. My sincere thanks to the IADVL Academy team.

The current executive committee under the leadership of Dr Devesh Mishra has taken up many challenges. Inauguration of our National Head quarters at New Delhi exemplify the hardwork and efforts of current EC members and of course, the IADVL New Delhi state Branch.

The backbone of our team-secretary and treasurer are working tirelessly for the smooth functioning of our association under the guidance of our President, outgoing President Dr Venkatram and other esteemed members of EC. It is a matter of great pride that I am a part of such a dynamic team. I consider myself as a grassroot level worker for the causes IADVL wants to promote and I will try my utmost for taking IADVL to greater heights.

Let us all pledge to convert IADVL to an Institute from an Organization.

**Dr. Yogesh Marfatia**

President Elect, IADVL

## Message from Immediate Past President

**Dr. Venkataram Mysore**

LM/KN/3211

It is with pleasure that I extend my best wishes to the President Dr Devesh Mishra, Secretary General Dr Shyamanta Barua, and all members of the new EC 2016. IADVL has progressed over the years due to sustained efforts of several successive committees and I have no doubt that EC 2016 will continue these efforts and take IADVL to new heights. I also extend my welcome to President Elect Dr Yogesh Marfatia, all Committee, Academy and SIG Chairs Conveners and members.

I also thank members of EC 2015 for their excellent work and all members of IADVL for their support.

**Dr. Venkataram Mysore**

Imm. Past President , IADVL

## Hon. Secretary General Speaks

**Dr. Shyamanta Barua**

LM/NE/4266

Dear IADVL Members,

At the outset, I thank you all for the confidence and trust reposed in me to shoulder the onerous responsibility of the post of Hon. Secretary General of our beloved association.

It has been a very interesting and educative first couple of months for me in this office and I am just about warming up to the tasks in hand. I must thank my immediate predecessor, Dr. Rashmi Sarkar, for her ready help and guidance in this transition phase.

IADVL finally has its Headquarters (HQ) at New Delhi, thanks to the magnanimity of the IADVL Delhi State Branch and the vision of several past office bearers of our association. Our gratitude to all of them who made this milestone possible.

The onus is now on us to make the IADVL HQ fully functional and responsive to cater to the ever growing needs of our association and its members. We have already initiated work in this direction and the processes should be in place soon.

I have identified two major areas on which to focus on in the next few months - updation and correction of anomalies in the IADVL Members' database and improving liaison between the IADVL State Branches and the National Secretariat for a faster and efficient process of handling all membership issues.

Towards these twin ends, we have ventured to revamp the IADVL website and give it a much more dynamic and contemporary look with integrated modules for a host of things - online membership registration, integrated and user updatable member directory with dedicated search options, linked payment gateways. All these features should be operational in a couple of months and will go a long way in fulfilling my dream of making the membership application and conversion process totally paperless!

Very soon, we shall have a Facebook Page of our Association for better communication with our members and faster dissemination of official notifications. The IADVL App and bulk SMS service will be further upgraded.

We have consciously tried to improve the scope of our e-groups and I thank our Joint Secretary, Dr. Biju Vasudevan, for initiating several novel ideas towards this end in his capacity as the e-groups moderator.

I thank the three Presidents, the Vice Presidents and the Joint Secretaries of IADVL EC 2016 for their guidance and help in carrying out the Secretarial tasks.

I must especially thank our Hon. Treasurer, Dr. Rajib Gogoi, for his meticulous work in handling the finances of our Association. You can rest assured that the custody of IADVL funds are in most capable hands!

I shall look forward to the cooperation, suggestions and feedback of all for all ventures over the next two years in our collective endeavour of taking our association to greater heights.

With best wishes,

**Dr. Shyamanta Barua**

Hon. Secretary General, IADVL

## Hon. Treasurer's Note

**Dr. Rajib Kr. Gogoi**

LM/NE/4272

The new secretariat of IADVL took charge of IADVL finances with effect from 1st April or rather 6th April when I and Hony. Secy. Gen. Dr. Shyamanta became the authorized signatories of IADVL's single bank account in New Delhi. We received an opening balance of Rs. 82,18,047/- as on 1st April, 2016 in this savings account and 24 FDs worth a cumulative maturity value (as on various dates) of Rs. 11,57,28,094/- in the same bank under same Customer Identification Number (CIN).

As we have a head office now in Delhi, last GBM decided that this bank account will be maintained in New Delhi and another account will be opened at the Treasurer's place for all operational conveniences. Accordingly we have opened a current account in SBI, Guwahati in the 2nd week of April under the same CIN as that of the New Delhi account. Another bank account is being opened at Guntur, the place of residence of current Academy Convener, exclusively for IADVL Academy expenses as decided in the last GBM at Coimbatore.

We have equipped the head office at Daryaganj with audio-visual system, biometric office attendance system, CCTV surveillance, computers and printers etc. at a total cost of Rs. 3,81,403/- till date. I offer my sincere gratitude to Vice-President Dr. Anil Ganjoo for all his efforts into it and Immediate Past Treasurer, Dr. Somesh Gupta, for continuing in the office and clearing the dues till 31st March, 2016.

The financial road map for the year ahead has already been laid by the general body in Coimbatore. The budget approved by the general body there has been printed in this bulletin for ready reference.

**Dr. Rajib Kr. Gogoi**

Hon. Treasurer, IADVL

Dr. Narendra Patwardhan asked about the corpus and how the executive plans to spend the corpus of approx. 12 crores it has.

Dr. Somesh Gupta suggested that the IADVL should maintain the corpus and the sum should not be diluted in various sort of expenses.

Dr. Arijit Coondoo asked if the corpus includes the IJDVL share to which Dr. Somesh Gupta told the house that the corpus includes the journal share. Dr. Venkataram Mysore added that nothing has been added to journal account since last 2 years.

Dr. Ramesh Bhatt said that it is necessary to have a printed journal as per the MCI guidelines.

Dr. Rajeev Sharma proposed that journals should be sent via speed post. Dr. Amarkant Jha proposed that the journals should be sent to Secretary's office if they bounce from members address.

Dr. Rajan Grewal said that the corpus for journal should be kept separate and the interest earned should also be kept separate for the use of journal.

Dr. Venkataram Mysore told the house that Auditor has opined that one institution can have only one PAN-separate PAN for journal is not passed and hence such thing can't be done.

Dr. P. N.Rao suggested that in that case IADVL can have a separate exclusive account for journal and the share and interest for journal activities should be maintained in that account separately.

Dr. Venkataram Mysore proposed that all new members should be charged for the printed copy of the journal. The house rejected the proposal in chorus.

Dr. Ramam proposed to have professional full time editors for the journal. Dr. Venkataram Mysore approved the idea in principle and asked Dr. Ramam to bring a formal proposal for the same.

The President informed the House about the available options for this software to be accepted by IADVL for its members

1. We give it to all members and the total cost borne by IADVL – 14 lacs annual cost
2. We give to fewer members (tech-savvy) say around 2000 members – 9 lacs per annum
3. Members to pay completely – Not feasible
4. Partly paid by members and rest by IADVL.

He asked for the opinion of the House on the above options

Dr Mukesh Girdhar suggested that we open to Pharma companies

The President asked the House that is it fine if we get it sponsored from Pharma and acknowledge them by opening page message – Educational Grant from .....

Dr Gokhale asked whether payment will go to vendor from pharma directly or through IADVL.

After some healthy discussion, the House agreed on a tripartite agreement between Vendor, IADVL and the Pharmaceutical Sponsor. Payment will be directly to vendor.

Passed by AGBM.

### **ITATSA Report**

Dr Abir Saraswat, ITATSA Convenor presented the report. He informed about the legal battle between Maharashtra FDA and Torque pharma. Regarding IADVL stand in the matter, it needs to be ratified that IADVL supports Maharashtra FDA in this legal battle. The legal fees quoted was a total of Rs. 2

lacs for the case in question. Passed and ratified by the House.

Dr Girdhar said it should be regarded as a landmark for future instances.

Dr Somesh Gupta asked whether it will affect the further struggle adversely if we lose. To this, the President said that it is better to fight now and think about the outcome later.

House unanimously passed the decision that ITATSA continues.

### **SOP Committee report**

SOP Committee chairman, Dr Suresh Talwar presented the report.

Regarding role of State President in DERMACONs – President and Secretary of Organising State Branch should be actively involved in the DERMACON. The Organising Secretary should also be answerable to the President, Organising State Branch. The SOPs were passed

IADVL Media Policy - For any IADVL member involved in a Press meet or an Interview, IADVL name should be supreme. The concerned member should also mention his position in IADVL along with his/her name in the article/ interview. The SOP was passed by AGBM

Dr Rohit Batra suggested that if a private practitioner gets prior permission from IADVL EC, he should be allowed to proceed.

It was agreed that it would be allowed if passed by IADVL EC.

### MOU between Pharma and IADVL for sponsorship

The President suggested we form a committee, Industry Liason Cell which will discuss sponsorship for various Scholarships, Grants and other IADVL events with pharmaceutical companies. This would be better as a single Committee comprising influential members from across the country will speak on behalf of IADVL and get the best results.

Dr Devesh Mishra felt that IADVL EC should be dealing with this as there might be an issue of Conflict of Interest amongst these Committee members.

Dr Manas Chatterjee interjected that even an EC member could have a conflict of Interest. Secondly, some EC in the future may not have enough clout with Pharma companies and in that case the budget for IADVL events might suffer.

Dr Girdhar suggested we deal with this on case to case basis.

Dr Venkataram Mysore felt that EC reach might be less in certain specialised areas of Dermatology, Cosmetology or Lasers and that might affect further. If people are active

elsewhere in addition to IADVL, that is because they are capable and their dedication to IADVL should not be suspected.

Dr Rajeev Sharma said that financial dealing should always be transparent.

A vote was taken for/ against Industry Liason Cell and the House voted in favour of Industry Liason Cell.

### **Election Issues :**

The issue in question was about the Elections on the floor of the House, in case the EC posts/ Conference Venue are vacant after the due date for applications.

Dr Raghunath Reddy felt that this is cumbersome to hold re-election on the floor of AGBM and secondly, regional preferences also set in which create bias.

Dr Manish Gautam suggested that Re- election can be avoided in the above situation if The Secretary General advertises the vacant posts again after the cut –off date for Withdrawal of applications. The applicants are given only 15 days to apply and the election process will continue by E-voting/ Postal ballot. An important point to be noted is that the Candidates who have applied for the post before due date will be elected unopposed and only new candidates for vacant posts will contest.

This suggestion was unanimously accepted and passed by the AGBM.

### **Constitution Committee Report**

Dr Arijit Coondoo, Constitution Committee Chairman and Dr Rajeev Sharma, Convenor presented the report.

The following announcements were made.

### **Proposals**

#### Proposal 1

Dr Upadhyay said that why should IADVL selectively disqualify anyone who owns a Pharamaceutical company? There are other conflict of Interests too. He felt that a declaration form with Conflict of Interests mentioned should be filled and sent to members. Let the members decide, who they want to vote for.

After discussion, the House voted ( raise of hands) that no one should be disqualified on these grounds and should be allowed to contest Elections after declaring their conflict of Interests.

If constitutional – will it replace existing clause? Or modify? -

Name of proposer/s: Dr Devesh Mishra

Is any one of the proposer member of CC?- Yes

Is it administrative/policy/constitutional related (select one) OR I/we are not able to classify and accept ECs view- Administrative

How will it help IADVL?

Brief introduction.-This is an attempt to enhance IADVL position outside India.

If constitutional – will it replace existing clause? Or modify?

Proposal: (It should be properly worded/drafted): To hold SARAD secy meet in Kolkata. This was discussed in one wap group. It can be held in Kolkata during DERMACON in 2017. Issues common to all asians Including countries e.g. Dubai etc can be taken up. This will improve our global image. KOLKATA DERMACON OS and OC to agree.

**Decision: passed. They will be attending on own expenses and as a business meeting**

**3. Proposal: Inviting all past Presidents and Secretaries in central Council**

Name of Proposer/s: Dr Devesh Mishra LM/UP/2361

Is any one of the proposer member of CC? Yes

Is it administrative/policy/constitutional related (select one) OR I/we are not able to classify and accept ECs view- Administrative

How will it help IADVL? Brief introduction- Inviting all past Presidents and Secretaries in central Council – In my humble opinion, the decision last year to prohibit our past seniors Presidents and Secretaries of before the year 2000 and give them invited CC members benefit was a retrogressive decision. We have enough funds now. We always need their best wishes and guidance. What an association can do if not even respect its senior torch bearers

If constitutional – will it replace existing clause? Or modify?

Proposal: (It should be properly worded/drafted): Inviting all past Presidents and Secretaries in central Council – I propose that on EC's invitation, ALL past national presidents and Secys should be attending CC meetings irrespective of when they were in EC. Not all are alive and are not dying to be invited to CC, I am told. I request all wise members to

allow the EC 2016 to invite all senior Presidents and Secretaries of IADVL (1973 onward) and participate actively and give valuable advices. Their contribution and opinion be respected. IADVL is no longer fighting for funds. This requires urgent affirmative action.

**Status: Past 15 years Presidents and Secretaries to be invited.**

**4. Proposal : IADVL VISION 2025**

Name of Proposer/s: Dr Devesh Mishra LM/UP/2361, 2. Ajeet Kumar LM/J/2877; 3. Sunil Naik LM/UP/2259; 4. Pramod Agarwal LM/UP/2332; 5. Ratan kumar Singh LM/UP/2273; 6. Mohd Kayum LM/M/0296.

Is any one of the proposer member of CC?- Yes

Is it administrative/policy/constitutional related (select one) OR I/we are not able to classify and accept ECs view-SOP

How will it help IADVL? Brief introduction: IADVL VISION 2025- This is a rather ambitious program. We are 9500 plus association, growing by around 800 members per year. In next ten (10) years we will be around 18000 strong member wise and may be 50 crore plus association. I wish to have a IADVL VISION- 2025 Committee of 10 eminent senior IADVLites, valid for 5 years.

If constitutional – will it replace existing clause? Or modify?

Proposal: (It should be properly worded/drafted): IADVL VISION 2025- This is a rather ambitious program. I wish to have a committee of 10 eminent senior IADVLites for 5 years. They plan and have vision on - How our specialty is changing, evolving, its future directions. - Practice and teaching patterns and world scenario 10 year forward. - Members aspirations as per their expectations from IADVL, its scientific, social, academic activities e.g. DERMACON, DERMAZONE and CUTICON. - How our Academy can become more efficient and productive. - How we at IADVL can interact better and more efficiently with govt. of India organizations e.g. MCI, DGCI etc. - How to set our finances and accounts better. - I don't know but I hear that a CEO kind of person manages AAD, EADV etc. along with trained professionals. We can study and have a report on its feasibility. Or which model will suit us.

Our growth vis a- vis respect and image of IADVL in global Dermatology- e.g. strength of association in scientific and research works. - Role of our People Connect cell, Govt. Liaison Cell, legal cell etc. in times to come. - I hope to see IADVL self sufficient in finances .Our money in banks may be to tune of 50 crores by 2025. We will need better management. - In nutshell, we envision our position in global Dermatology scene in 2025 and prepare for it

**Status:** The house was not sure as to what the committee to look after this vision would be doing. What were the terms

of reference and would it really be feasible to predict what will happen in 2025 and technology would be far advanced by that time. So no consensus could be reached for this proposal. **Proposal rejected**

**5. Proposal : Change in election process**

Name of proposer/s: Dr Devesh Mishra, 2. Ajeet Kumar LM/J/2877; 3. Sunil Naik LM/UP/2259; 4. Pramod Agarwal LM/UP/2332; 5. Ratan kumar Singh LM/UP/2273; 6. Mohd Kayum LM/M/0296.

Is any one of the proposer member of CC? Yes

Is it administrative/policy/constitutional related (select one) OR I/we are not able to classify and accept ECs view-Constitutional

How will it help IADVL? Brief introduction: Two JGS are not sufficient to handle IADVL work. We need 4 JGS at an earliest. Reasons for having 4 JGSs. a. Office coordination is going to take lot of time. b. Members address need to be up to date. Not easy. c. Yahoo groups. d. Presidential initiatives coordination. e. Grooming, experience, knowledge of constitution, dedication to work and time for association activities will be required. f. And so much more. Having 4 JGS and posting of ballots by ordinary posts will help IADVL work which is increasing every year.

If constitutional – will it replace existing clause? Or modify?

Proposal: (It should be properly worded/drafted): A. We need 4 Joint General Secretary. We are getting less nominations, busy executives, members numbers crossing 10,000 soon. There is more money in accounts to be managed more deftly. More transparency too. May be more legal and ethical issues will crop up; with MCI getting tougher. Four JGS is a rather urgent wishlist for IADVL. One Secy General needs help. B. I feel that ballots be posted by ordinary posts. Reasons- 1. It saves money and time in dispatch. 2. Registered posts remain undelivered and are returned if they are not received at the time of delivery, while ordinary posts are dropped at the address.

Does this proposal need referral?

**Status: The house was of the opinion that 2 Joint Secs are presently adequate for functioning. So proposal rejected**

**6. Proposal - IADVL Concise Textbook (1st edition): Regarding agreement with Wiley Publishers and proposal for a change in publisher**

Name of proposer/s: Dr. Vishalakshi Viswanath (Chief Editor), Dr. Hemangi Jerajani (Project Director)

Is any one of the proposer member of CC? Yes

Is it administrative/policy/constitutional related (select one) OR I/we are not able to classify and accept ECs view-Administrative

### How will it help IADVL?

Brief introduction: IADVL Concise Textbook of Dermatology was first published in 2012, the agreement was signed with Wiley- Blackwell Publishers on 18th March 2011 and ends in 5 years, ie 18th March 2016. As per the terms of agreement signed in 2011 by then President Dr. SDN Gupta, these were the terms regarding termination and renewal. This agreement shall commence on the commencement date and shall remain in effect for five (5) years (the "Initial Term") subject to the early termination rights set out below. Thereafter, the term of the agreement shall be automatically renewed on the same terms and conditions herein for succeeding one (1) year periods unless either party notifies the other in writing that it does not wish to renew the agreement, such notification to be given at least six (6) months prior to scheduled expiration of the Initial term or each one (1)-year extension thereof. Royalty amount (10%) of Rs. 3, 07,600 /- of the first edition has been received by IADVL. There have been major changes in the composition and policy decisions in the Wiley India medical team currently. The marketing effort was sustained by the Publisher only for the first two years. It would be wise to take up a new publisher for better royalty, marketing and possibly creation of e- version along with print version of the book.

If constitutional – will it replace existing clause? Or modify?

Proposal: We propose for a change of Publisher for the IADVL Concise Textbook of Dermatology (1st Edition, 2012). The Agreement with Wiley Publishers has been detailed in the Introduction part. We have so far received a royalty amount of 10% for the first edition. The marketing efforts of the publisher have not been consistent; and the policy decisions in the Wiley India medical team and interaction with them currently have not been encouraging. It would be wise to take up a new Publisher for better royalty, marketing and possibly creation of e- version along with print version of the book. Based on the decision taken, renewal or termination of the agreement with Wiley will have to be undertaken.

Does this proposal need referral? Not sure

**Status: passed**

### 7. Proposal : Compulsory shift to e-voting in next two years

Name of proposer/s: Dr Deepak Parikh, Dr Rashmi Sarkar, Dr Venkataram Mysore, Dr Raghunath Reddy, Dr Rajesh Buddhadev and Dr Manish Gautam

Is any one of the proposer member of CC? Yes

Is it constitutional related? Constitutional

How will it help IADVL? Brief introduction: Currently we have both postal ballot and e-voting. Over a period of 2-3 years e-voting has been very well accepted by members and many more are shifting to e-voting. We spend every year 2-4 lakhs for postal ballot paper, and there are chances of mistakes which cost even more. E-voting will reduce the cost drastically, counting will become very easy.

If constitutional – will it replace existing clause? Or modify? It will replace rule 27 m,n,o,t,u and related SOP

Proposal: (It should be properly drafted) Election process will be ONLY by e-voting from 2018. There already exist rules for e-voting. Members can be give two years to shift to e-voting i.e last postal ballot paper election will be held in 2017 for the post of 2018.

Do you think this needs referral to any specific committee? Yes constitutional committee

**Status:** The house suggested that 3 years be given as a speculative date for completion. Then it can be re-evaluated. New members all need to be e-voters. New member in registration form should also e register and become e-voters. Every journal issue and all other such documents should advertise it.

Is any one of the proposer member of CC?- Yes

Is it administrative/policy/constitutional related (select one) OR I/we are not able to classify and accept ECs view- Constitutional

How will it help IADVL? Brief introduction: IADVL office (Committee) - is much needed direction in how IADVL will work henceforth. We all join to make a smooth transition.

If constitutional – will it replace existing clause? Or modify?

Proposal: (It should be properly worded/drafted): IADVL Office a. Central IADVL (Delhi) office space has to be furnished, staff appointed, prepared for inauguration. Work SOP is to be prepared. Office Committee is needed to work with IADVL – Delhi branch. b. All payments by E gateway only at an earliest. Be it IADVL Membership, Scholarship, DERMACON registration, address up dating, PLM to LM conversion etc. c. All scholarship, any refund, payments etc from IADVL or DERMACONS to be done electronically in members/ party's account only if complete bank details are provided beforehand. d. Budget requirement initially be Annual budget requirement. I propose 10 lacs for furnishing and inauguration. And further Rs 10 lacs for annual expanses. A draft MOU is required. e. Delhi branch cooperation is very

much desired. f. Office Committee will look into various office models used by different associations in India and abroad. Will also be in charge of running and supervising its smooth function.

**Status: Passed.** Dr Narendra Gokhale raised a point that proper MoU should be made between IADVL and Delhi State Branch regarding the handing over of the Central Office

**9. Proposal for a E newsletter- twice monthly was put up By Dr Devesh Mishra.**

**Status: passed**

**10. Points from members:**

a. A member raised the point that DNB degree offered by the College of Physicians & Surgeons was not being recognised and hence they were denied IADVL membership.- President directed member to take up matter through state branch and ask them to follow it up with IADVL.

b. Online conferences- Point by Dr Prasanna Mysore- Since conferences are costly propositions, member wanted all conferences to be recorded and be accessible to members after they have paid the registration amount so that they can avoid expenses of travel, accommodation and local transport.

President opined that the feasibility will be considered and the decision be taken later after assessing feasibility

Dr Suresh Joshipura presented IADVL archives to the President. He was felicitated for the same. Dr Binod Khaitan said that all journal issues of IADVL should be archived. So he made an appeal for Journals before 1961 to be contributed by members for archiving purpose.
