President's Message

My dear IADVLites,

Namaskar. This EC has completed virtually half of its term. I take this opportunity to let you know that we at IADVL EC 2016 are continuously working for betterment of all members and continuing all previous IADVL programs.

Our Research Methodology Workshop at Patna was widely attended and appreciated.

Our Academy is working full throttle under able guidance of Dr. Ameeet and Dr. Seetharam supported by very efficient and hardworking academy members. IADVL Academy is a jewel in IADVL's crown.

VITILIGO DAY activities were done at an unprecedented level in every state, all over India. It was a remarkable success. Morning rallies, camps, street plays, awareness talks, media interactions and many more activities were done.

We are continuing training fellowships for benefit of all. We are giving more scholarships for presenting research papers in various conferences.

Many books are getting ready to be released soon. Dermagyan lecture series is on its way.

Our SIGs are working relentlessly and organizing hugely popular 1 day updates on various topics. Psoriasis SIG is remarkable in organizing IMPACT CMEs all over India.

Preparations for Asian Dermatology Congress are going smoothly. I welcome you all to Mumbai on 14th to 16th October, 2016.

Various IADVL committees like Community Dermatology, People Connect, International Liaison, Practice Management Cell etc are contributing very actively. PGCON organized at Chandigarh too was a resounding success.

Our Yahoo Groups have added lot of activities and is getting appreciated by all members. I am happy to facilitate its transition ably handled by Dr. Shyamanta and Dr. Biju.

Our Gujarat branch deserves appreciation by all due to huge number of activities including SIG programs, mainly due to dynamic President and Secretary.

Last but not the least, our IADVL Head Quarters at Delhi is working well and getting more and more streamlined every passing day under supervision of our enthusiastic Secretary General, Dr. Shyamanta and Treasurer, Dr. Rajib.

In the end, I am thankful to Dr. Marfatia, President Elect, Dr. Venkatram, Imm. Past President and all EC members for their all-round support and hard work in implementing EC programs.

Jai Bharat. Jai IADVL.

Dr. Devesh Mishra

President, IADVL (2016)

Message of President Elect

Dr. Yogesh Marfatia

LM/G/419

I express my gratitude for electing me to the post of IADVL President Elect. I am humbled.

My salute to pioneers, teachers, innovators for nurturing Dermatology and making it a diversified speciality as it is today.

It is said that in dreams begin responsibilities. My dream of becoming President is now a reality and I know that it is a lot of responsibilities. My vision is to strengthen IADVL as an organization, to offer opportunities to IADVLites for enhancing their skill and knowledge and upgrading their practice. Those in academics, need to be empowered and I am planning to initiate a Focus Group to define the needs of teachers and taught in current scenario so that, suitable actions can be taken in that direction.

It is said that when everyone tries, the whole team flies and I am confident that with whole-hearted support and input from one and all, we will be able to take IADVL to newer heights.

My appreciation to IADVL Executive team, Academy, IJDVL Team and organizers of MID-DERMACON.

Greetings for the forthcoming Independence Day.

Dr. Yogesh Marfatia

President Elect, IADVL (2016)

Message of Immediate Past President

Dr. Venkataram Mysore

LM/KN/3211

Dear members

IADVL continues to progress- our members continue to serve society and make headlines across the world. These are indeed good times.

One of the focus areas over the last few years has been to make IADVL administrative process dependent and to establish those processes. I am happy to see those efforts bearing fruit this year too. The headquarters for the association had become a reality as a culmination of the efforts of last year and it was a very satisfying moment to see the ECM and Academy meetings being held there this year. Hopefully, the efforts to get online membership management system will result in greater efficiency.

Our best wishes are with the President, all members of Executive Committee and all Standing Committees.

MID DERMACON is being held after a gap of two years. My best wishes for the success of the meeting.

Dr. Venkataram Mysore

Imm. Past President , IADVL (2016)

Hon. Secretary General Speaks

Dr. Shyamanta Barua

LM/NE/4266

Greetings from the IADVL National Secretariat.

It has been a **challenging first six months** in office striving to do justice to the humongous workload and meeting endless deadlines. I must thank the three Presidents and all members of the EC 2016 for their ready help and cooperation. My special compliments to our Hon. Treasurer, Dr. Rajib Gogoi, for his meticulous handling of all financial matters of the Association.

The **IADVL Headquarters at New Delhi is now fully functional** and swamped with work on various fronts. Since assuming charge of the National Secretariat in April, I had taken up the issue of pending memberships as a priority and am glad to inform you that close to **300 membership applications and conversions have been processed during the last quarter.**

This membership application and conversion process is poised to become even more streamlined and faster now that my cherished dream of making the exercise totally paperless has come to fruition. It gives me immense pleasure to announce that the **IADVL web-based membership and database management module is ready to be unveiled** at the Central Council Meeting (CCM) at Bhubaneswar this weekend.

One can now **apply for membership/conversion on the Association website, get an instant automated acknowledgement of one's submission, track the status of the submitted application and finally expect to get the membership details in a couple of working days, if not hours!** I seek the active support and cooperation of all IADVL State Secretaries to make this module an unqualified success and thereby, ameliorate the long standing lacunae on this front.

In the next phase, we shall endeavor to fine tune the database management platform linked to this module. This will enable any member to **log on to one's account on the website and add/modify one's relevant details** that will be auto registered in the Association database. In time, we hope to extend this automated feature to the IJDVL database too so that no member is deprived of one's copy of the journal. I sincerely hope that all this will be the **prelude to even greater concepts that change the face and pace of our beloved association!**

The **IADVL Elections 2017 is upon us.** We have a good number of candidates contesting for various posts in the National Executive for the coming year. There also promises to be an engaging duel for the hosting rights for DERMACON 2019. We wish all contestants and bidding cities the very best at the hustings. I also take this opportunity to **request our members to exercise their voting rights in earnest**, either by postal ballot or through e-voting, if registered for the latter.

It is a matter of great pleasure that the **4th MID DERMACON** is being held at Bhubaneswar after a break last year. On behalf of the IADVL National Executive, I welcome all delegates to Odisha and wish the very best to all members of Team Bhubaneswar for a very successful event.

I also extend a **warm welcome to all CCM attendees** and look forward to fruitful deliberations at the forthcoming business meetings of the Association.

I conclude by wishing all IADVLites a solemn **Independence Day 2016.**

Long live IADVL !

Dr. Shyamanta Barua

Hon. Secretary General, IADVL (2016-17)

Hon. Treasurer's Note

Dr. Rajib Kr. Gogoi

LM/NE/4272

Greetings from IADVL Headquarters!

The current Executive Committee of IADVL has introduced certain changes in the association's banking operative procedures since it has taken charge of IADVL's treasury in April, 2016. As we now have our headquarters in Delhi, the bank account in Ansari Nagar, New Delhi branch of SBI opened and operated by the Immediate Past Secretary and Treasurer has been maintained. Barring a few transactions during the first fortnight of April this year, this bank account has been used to receive all incoming funds only and no expenditure except transfer of funds to other two newly opened accounts of the association. These two accounts - one "IADVL Academy" a/c in Guntur (with Bank of India) for all expenditures of Academy and the other at Guwahati (with SBI) for all other expenditures of IADVL - are being operated jointly by Academy Convener and Treasurer, IADVL & Sec. Gen. and Treasurer, IADVL respectively. The main account in New Delhi shall remain in the same place while the other two will go to places with change of Convener, Academy and Treasurer, IADVL. This mechanism has effectively segregated the income and expenditure and the effort involved in preparing the Income-Expenditure a/c presented herein was thus reduced significantly.

Starting this year, all the expenses of Academy shall be routed through the Academy bank a/c to which the amount sanctioned to Academy for the financial year shall be transferred from the main bank account in New Delhi. This new mechanism will go a long way in quick disbursal of grants and awards etc. and will bring in significant financial autonomy to Academy, IADVL.

After procuring Service Tax registration, IADVL has paid its first Service Tax this June for the financial year 2015-16. Service tax liability is huge on IADVL and for this year the liability was actually not budgeted. Our auditor has suggested certain changes in the management of IADVL's finances which shall be taken up for discussion in this Central Council meeting. I hope these be implemented after proper discussion and amendments wherever deemed necessary by learned members and once that is done, I am sure all tax liabilities on the association will come down and we shall have more savings from our conferences and other activities in future.

In these 4 months, we have managed to get the pending L'Oreal grant money credited to our account, thanks to the efforts of Dr. Ameet Valia. The royalty on IADVL Textbook was a pleasant surprise and we remain thankful to the team led by Dr. Sachidanand for this. DERMACON 2016 and DERMACON 2017 teams deserve huge applause for their contributions to IADVL kitty.

I shall conclude this report with the Income Expenditure accounts for the first four months of the current financial year, more precisely from 1st April, 2016 to 8th August, 2016.

Long live IADVL.

Dr. Rajib Kr. Gogoi

DERMACON 2017 Kolkata

12th- 15th January, 2017 | Science City, Kolkata, West Bengal

Welcome Message

The 45th National Conference of Indian Association of Dermatologists, Venereologists & Leprologists (IADVL) is going to be held at Kolkata during January 12th-15th, 2017. It will be organized at the Science City and Convention Centre- the largest in the Indian sub-continent under the National Council of Science Museums. On behalf of the IADVL and Organizing Committee, we are pleased to invite all our IADVL Members, Colleagues, PG Students & Industry Leaders to participate in the DERMACON 2017, Kolkata.

A high quality scientific program is planned, which will strike a balance between various subspecialties in dermatology. It will be an excellent opportunity to exchange knowledge & strike friendship. We are confident that it will provide a rewarding experience in our chosen specialty and well beyond. The Scientific Program for DERMACON 2017 will cover not only the full Curriculum Dermatology but also presentations and discussions over the same. Mentorship workshops with national and international researchers is being planned to spawn the research activity in the young minds. Kolkata is situated in eastern India, on the banks of the river Hooghly. India's second-biggest city is a daily festival of human existence and is regarded as India's intellectual and cultural capital. Since centuries, Kolkata has been popular for its noble laureates, poetry, drama, music and fine arts. The city reflects the perfect blend of the cultural region and modern city which is popularly known as "AMAAR SONAR BANGLA". The four days conference will also give you an opportunity to relive nostalgic memories with old friends and build new relationships. Block the dates for the enormous educational fiesta!!

Hope to see you in the Grand event!!

Thank you.

Proposals for IADVL CC Meeting 2016

Proposal 1

Name of proposers: **Dr. Venkataram Mysore** LM/KN/3211, **Dr. Yogesh Marfatia** LM/G/419, **Dr. Shyamanta Barua** LM/NE/4266, **Dr. Rajib Gogoi** LM/NE/4272, **Dr. Koushik Lahiri** LM/WB/2503, **Dr. Arijit Coondoo** LM/WB/2364, **Dr. Ramesh Bhat** MLM/KN/2051, **Dr. Somesh Gupta** LM/ND/653, **Dr. Biju Vasudevan** LM/C/5377, **Dr. Devesh Mishra** LM/UP/2361

Name of proposal: Introduction of positions of Secretary General Elect and Treasurer Elect

Is any one of the proposer member of CC? Yes

Is it administrative/policy/constitutional related? **Constitutional**; to be referred to Constitution Committee for opinion before submitting to CCM and AGBM

How will it help IADVL? Brief introduction.

Currently Secretary General and Treasurer have two year terms. While the other positions of President, Academy Chair/Convener, Editor all have one year position as Elect to prepare for the job, these two positions, which are so vital do not have the same. This causes problems in transition and administrative delays in the first few months of taking over.

Proposal:

Introduction of positions of Secretary General Elect and Treasurer Elect – they will be elected as per current eligibility rules for these positions, and election will be held in the first year of term of current Secretary General so that they will spend one year as Secretary and Treasurer Elect before assuming office. This means that the first election for these positions will only happen in 2018.

Proposal 2

Name of proposers: **Dr. Venkataram Mysore** LM/KN/3211, **Dr. Sandipan Dhar** LM/WB/2446, **Dr. Koushik Lahiri** LM/WB/2503, **Dr. Arijit Coondoo** LM/WB/2364, **Dr. Manas Chatterjee** LM/WB/2740, **Dr. Biju Vasudevan** LM/C/5377, **Dr. Devesh Mishra** LM/UP/2361

Name of proposal: DERMACON restructuring

Is any one of the proposer member of CC? Yes

Is it administrative/policy/constitutional related? **Constitutional**; to be referred to Constitution Committee for opinion before submitting to CCM and AGBM

How will it help IADVL? Brief introduction.

Current model of DERMACON consisting of workshop, single hall CME and conference is more than a decade old and needs revision to meet current demands of a rapidly expanding speciality with several subspecialties.

Proposal:

Current restrictions on holding only one session CME be removed; instead, let parallel sessions be allowed on all days of the DERMACON. The terminology instead may include – Symposia, Workshop –either pre or postcongress, Master classes, Courses or Focus sessions.

Proposal 3

Name of proposers: **Dr. Venkataram Mysore** LM/KN/3211, **Dr. Shyamanta Barua** LM/NE/4266, **Dr. Biju Vasudevan** LM/C/5377, **Dr. Devesh Mishra** LM/UP/2361

Name of proposal: CCM to be delinked from MID DERMACON and all business meetings of IADVL including ECM, Academy/Journal meeting and CCM to be held in IADVL HQ city (New Delhi).

Is any one of the proposer member of CC? Yes

Is it administrative/policy/constitutional related? **Administrative;** does not need referral to any Committee

How will it help IADVL? Brief introduction.

Currently CCM is being organized at the place of MIDDERMACON. This makes organization of CCM difficult and subject to cooperation of MIDDERMACON organizers. Also since MIDDERMACON are at two tier cities, travel often becomes expensive and also more extensive leading to additional days of accommodation for all CCM attendees at IADVL expenses.

Proposal:

CCM be delinked from MIDDERMACON and be held at IADVL HQ city (New Delhi) every year in August 2nd/3rd/4th weekend. This will facilitate smooth handling of the CCM under the sole control of the Hon. Secretary General and President, and enhance the utility of the HQ. It is also proposed that all business meetings of IADVL- be it ECM, CCM, Academy meeting, Journal meeting or any Committee meeting be held only at IADVL HQ city (New Delhi).

Proposal 4:

Name of proposers: **Dr. Venkataram Mysore** LM/KN/3211, **Dr. Shyamanta Barua** LM/NE/4266, **Dr. Prabhat Kumar** LM/BJ/2065, **Dr. Devesh Mishra** LM/UP/2361

Name of proposal: Purchase of land or building for permanent office of IADVL

Is any one of the proposer member of CC? Yes

Is it administrative/policy/constitutional related? **Administrative;** does not need referral to any Committee

How will it help IADVL? Brief introduction.

Presently IADVL has an office in a small two room apartment in a building which belongs to IADVL Delhi branch. While this is a great beginning, it is important that IADVL plans for a larger building befitting its stature. Further, significant surpluses are flowing from DERMACONS and in order to prevent taxation, proper investments be planned for the future. Buying land or a building is one such option.

Proposal:

EC be authorized to start looking for a building or land in Delhi which can take care of the needs of the association for the next 25 years, and be able to house an office of at least 10,000 square feet, preferably an independent building or land on which such a structure can be built.

Proposal 5

Name of proposers: **Dr. Sudip Das**LM/WB/3322, **Dr. SatyendraNathChowdhury** LM/WB/2529

Name of proposal: Sponsorship for IADVL Pharma Orations

Is any one of the proposer member of CC?Yes

Is it administrative/policy/constitutional related? **Administrative**

How will it help IADVL?Brief introduction.

IADVL and DERMACON 2017 will benefit monetarily

Proposal

At present there are two IADVL- PharmaOrations on two days of DERMACON. If the Organising Committee of DERMACON 2017 is authorised to explore sponsors for the IADVL Oration (other than the Ambady Oration), both IADVL and DERMACON 2017 can mutually benefit.

Proposal 6

Name of proposers: **Dr. Sudip Das** LM/WB/3322, **Dr. SatyendraNathChowdhury** LM/WB/2529

Name of proposal: Organising Secretary of DERMACON should be eligible for post of Vice President

Is any one of the proposer member of CC?Yes

Is it administrative/policy/constitutional related? **Constitutional**

How will it help IADVL?Brief introduction.

Encourage the Organising Secretary of DERMACON to be more proactive and the association will get an experienced person for an important post.

Proposal

The post of Organising Secretary of DERMACON should be included in the eligibility criteria for contesting for the post of Vice President of the association.

Proposal 7

Name of proposers: **Dr.Suresh Talwar**LM/UP/2329, **Dr. AnkurTalwar**LM/UP/5653,**Dr. KshamaTalwar**LM/UP/7374

Name of proposal:Charging bidding amount from DERMACON venue bidders

Is any one of the proposer member of CC? Yes

Is it administrative/policy/constitutional related?**Constitutional;** to be referred to Constitution Committee for opinion before submitting to CCM and AGBM

How will it help IADVL?Brief introduction.

Will help in weeding out nonserious bidders

If constitutional – will it replace existing clause? Or modify?

Modify - Pageno54 Part II byelaws9

Proposal

IADVL is charging money from various contestants for IADVL Executive posts. Similarly a sum of Rs. 20000/- can be charged from venue bidders. This will remove non-serious bidders.

Does this proposal need referral? Yes, to Constitution Committee

Proposal 8

Name of proposers: **Dr. Shashikumar B M** IADVL/KN/5241, **Dr. Venkaratam Mysore** IADVL/KN/3211, **Dr. Ramesh Bhat M** IADVL/KN/2051, **Dr. Raghunatha Reddy R** IADVL/KN/2925, **Dr. Manjunath Shenoy M** IADVL/KN/2878, **Dr. Harish M R** IADVL/KN/4086

Name of proposal: Voting rights for newly inducted Life members

Is any one of the proposer member of CC? Yes

Is it administrative/policy/constitutional related? **Administrative**

How will it help IADVL? Brief introduction.

Voting rights for recently added/converted new LMs will help in choosing good administrators

Proposal

Constitutional stand on voters eligibility "The Electoral Roll will consist of all direct members of the Association and members through a state branch or combined state branch and on whose behalf CFC has been received at the office of the Honorary General Secretary by 31st March of the Association year, and who have no outstanding dues to the Association" – But there was delay in conversion of PLM to LM and also addition of new LMs. Its administrative delay – by state or central or both. But the members are deprived of voting powers. Request to consider all new LM's (both direct and PLM converted) done till July 31st and who had submitted their application before March 31st to Central or State Secretary to new electoral list of 2016 and bestow them voting powers. Nearly 1000 new members will have voting powers and they may be decisive in choosing good administrator.

Proposal 9

Name of proposers: **Dr. Sudip Das** LM/WB/3322

Name of proposal: Revival of SIG CADR

Is any one of the proposer member of CC? Yes

Is it administrative/policy/constitutional related? **Administrative**

How will it help IADVL? Brief introduction.

Aid in preparing a registry of CADR for the association

Proposal

The highest amount of compensation in medical history was paid for SJS-TEN. This is very important in modern life as newer drugs keep on coming everyday with newer patterns of CADR unmasking regularly. We proposed to prepare a registry and a mobile app for CADR in addition to other activities. All these can be implemented once SIG CADR is revived.

Minutes of IADVL EC Meeting 2016

Date: 30 April & 1 May, 2016

Venue: IADVL Headquarters, Darya Ganj, New Delhi

The historic first ever EC meeting at the IADVL Headquarters (HQ) in New Delhi started just after noon on Saturday, 30 April with the IADVL President welcoming all EC members and invitees. The following EC 2016 members and invitees attended the meeting - Dr. Devesh Mishra, Dr. Venkataram Mysore, Dr. Yogesh Marfatia, Dr. Shyamanta Barua, Dr. Rajib Gogoi, Dr. Anil Ganjoo, Dr. B. B. Mahajan, Dr. Prabhat Kumar, Dr. Biju Vasudevan, Dr. Ameet Valia, Dr. K. A. Seetaram, Dr. Suresh Joshipura, Dr. Dinesh Mathur, Dr. Rashmi Sarkar, Dr. V. K Sharma, Dr. Rishi Parashar, Dr. M. L. Gambhir, Dr. V. K. Jain, Dr. Rajeev Sharma, Dr. Binod Khaitan, Dr. Manas Puhan, Dr. Manish Gautam, Dr. Sudip Das, Dr. Rohit Batra, Dr. Siddharth Sonthalia and Dr. M. Ramam.

Dr. Devesh Mishra thanked the Hon. Secretary General, Dr. Shyamanta Barua and Vice President, Dr. Anil Ganjoo for the huge effort put in inaugurating the IADVL HQ in April. All Committees appointed through mutual discussion amongst the Presidential triumvirate were approved by the members present in the EC meeting. In view of ITATSA Chairperson Dr. Kiran Nabar resigning from his post, Dr. Rajeev Sharma was nominated as the new Chairman with his prior acceptance.

IADVL HQ Staffing

Proposal by Dr Shyamanta Barua & Dr. Rajib Gogoi:

IADVL HQ will function as National Secretariat from now on. One caretaker - Mr. Balam Singh Bisht - is working at INR 10,000 per month. His services may be continued. The two secretarial assistants already doing the work from previous tenure should continue - Ms. Hina (INR 18,000/month) and Ms. Vandana (INR 15,000/month). Dr. Rashmi stated that these two lady staff had gained good experience during her tenure. Six months period can be earmarked to assess their work. Working hours will be 8 hrs (9am-5pm) five days a week.

It was decided that some petty cash (around INR 5000) was to be given to Dr. Rashmi Sarkar for handling day to day affairs of the HQ - sweepers, cleaning etc. This can be handed over to staff for one month by Dr. Rashmi and later as decided

by Dr. Shyamanta. Expenditure report has to be submitted monthly. The Hon. Secretary General has an assistant at his place employed at a monthly salary of INR 10,000. INR 5000 was also proposed for a person to assist the Hon. Treasurer with updating of accounts.

Physical membership forms would be received in HQ, digitalised and then sent to Hon. Secretary General for verification and approval. Thereafter, mails will go out to the applicants with their membership details and certificates. PLM to LM conversions can happen entirely over mail. If online module becomes functional, Dr. Shyamanta declared that it might then be possible to issue membership certificates within a week of receipt of valid applications.

Election circulars, business meeting points circulation are regular jobs which should be done at IADVL HQ with the help of these staff. Registrations, scholarships, events calendar can all be done with their help. Response to membership query can also be handled. Alerts to all members for events can be done from here. Ballot papers coming back can also be traced to the receivers and addresses corrected. Archiving can also be done.

The secretarial assistants working in the HQ have to be salaried staff. Therefore, contract has to be signed with the employees. TDS returns require digital signatures and it has to be in place. Monthly checks by auditors would make it easy.

Decision: The proposals were agreed to by the house.

Working of HQ: Dr. VK Sharma brought in the point of paperless working in the HQ. Dr. Shyamanta said that his primary focus is to streamline membership issues and hoped that the State Secretaries would cooperate towards this end.

Service tax: Since IADVL and DERMACON organisers have different accounts, so any transaction from that account to IADVL will involve service tax. It might be better if IADVL can handle DERMACONs with its own account. Auditors must also be the same. If it is given as educational grant, then can service tax be saved? So can it be given under different heads

and tax can be saved? The amount going back to the state should be directly from DERMACON. The states will have to pay service tax.

Membership module: Membership fees: INR 8400; INR 1800 each for State and Journal and rest to IADVL. It was resolved that the charge towards electronic payment of membership dues will be borne by member.

Website: Membership module to be incorporated. Change of address can be done here and will reflect in all places. E-voting can also be incorporated. Dr. Ameet Valia said that the applications for grant/ awards can also be incorporated in the website. The IADVL app being done is still incomplete and Dr. Venkataram Mysore was requested to look into it. Dr. Reddys are probably ready to sponsor it.

IADVL Newsletter: The IADVL NEWS Vol 12 Issue 1 was released. It has also been uploaded on the website.

Accounts: Separate bank account for Academy with same PAN. An amount of INR 60 lakh earmarked for the Academy will be transferred to the account. Grant amount will be separate. The house sanctioned payment of INR 3,81,000 towards renovation work (internet connectivity, CCTV cameras, biometric system, telephone connection set) done at the IADVL HQ, mainly through the supervision of Dr. Anil Ganjoo. Approved budget will be followed. Payment of INR 2,00,000 to IDOJ was agreed to and passed. The President proposed that Hon. Treasurer should give a six monthly report to make accounts transparent.

Mayadevi fellowship: The Academy will invite applications from centres other than PGI. It will be only dermatology fellowship. The phototherapy part will be deleted. Dr. Subrata Malakar of Rita Skin Foundation has agreed in principle to take students for this fellowship on the same name. Dr. Bhushan Kumar has agreed to it.

Lawyer must be retained for a case to case consultation. A legal advisor appointment from Delhi was considered as a permanent option.

EADV session in Vienna was confirmed. 20 speakers will be allowed.

Bar code issue for voting to be sorted out by Constitution Committee. The Election Officer, Dr. C. R. Srinivas, conveyed that he does not want barcoding of ballots. Constitution Committee told that barcode is better and stated that bar code means a particular number that identifies ballot paper. The number will be known only to the Election Officer. The house resolved to continue with the same dates as previous year for this year's election.

Decision: Barcode is actually used instead of signature of Election Officer and that is agreeable.

IMPACT CMEs: Dr. Ameet Valia stated that Novartis have approached with a sponsorship for 16 Psoriasis workshops. 6 Sigma would mediate the administrative arrangements towards organising the CMEs. Dr. Valia said that Novartis wants an agreement and they have agreed to the entire sponsorship of these workshops. Novartis wants one test and 4 pilots with royalty of 1 Lakh per CME between June 2016 to June 2017. It was decided that the scientific content will be entirely decided by the SIG Psoriasis and Academy and there will be no interference by Novartis.

IADVL-GSK Quiz: Members expressed reservation on the draft MOU, especially with regard to the cancellation clauses. If cancelled, GSK wanted full refund. It was decided that a revised MOU will be redrafted and sent to GSK in a week after consensus on these points and mode and date of payment. The schedule of cheque payments will also be mentioned. So refund clause has to be removed. Cancellation must be by mutual agreement and arbitration to be settled in Delhi. Other clauses to be modified accordingly. It may be presented as an educational grant to avoid taxes, otherwise they have to bear it. Revised MOU will be sent to GSK for their redressal and reply as fast as possible. The IADVL Quiz Committee Chairperson and Convener will co-ordinate the administrative arrangements. The agreement will be written from IADVL side by a hired lawyer/retainer.

IADVL Academy: 2014 grants – L'Oreal INR 5,83,000; Galderma 15 lakhs annually. 2015 grants not yet received from Galderma to be borne by IADVL. Sun Pharma MOU not traceable. Sun Pharma executive has said it is 14 lakh for 2 years. According to us it is Rs 14 lakh/year. IADVL funds have been utilised. Companies are yet to pay up. All MOUs to be handed over by previous Secretary to Dr. Shyamanta. Glenmark is willing to give 7 Lakhs for the projects on fungi and vitiligo. This can be utilised for the projects. Sun Pharma will be willing to give 13 lakhs for grants if they are given Dermagyan sponsorship too. Torrent ready to continue for sponsorship for workshops; 3 lakhs can be proposed as sponsorship for each workshop. 5 LASER workshops are being conducted. If states are ready, then the money earned from Laser workshops could be used to co-conduct other SIG workshops like leprosy, dermatopathology for free along with these workshops.

Decision: Galderma should be served notice to pay up remaining money as early as possible. Other proposals of companies were agreed to.

Termination of Wiley contract for IADVL concise textbook- Editors given permission to write the same to Wiley once the contract is read by EC.

The President put a proposal for 2 biographies of eminent personalities with a budget of Rs 1 Lakh for the same. Dr Shyamanta opined that the history book should instead be updated with achievements of personalities given space. The history book has not been updated for 10 years. Dr Rishi Parashar expressed views that eminent personalities can be honoured instead. How personalities will be selected was debated.

Decision: The house decided that IADVL Dermatology times can carry columns dedicated to eminent personalities and the history book should be updated. Can be made into an e-book too. Dr. D. M.Thappa and Dr.UdayKhopkar can be requested to lead the history update project.

Evoting portal: It was decided that the previous portal was now working well and will be continued. State Secretaries to be involved in getting more e-votes. It was suggested that an e-voting Coordinator be made for each state who is made responsible. No. of e-voters registered should be a point for best branch. It was opined that % of e-voters registered must instead be considered. Each CUTICON should have a booth for e-registration. The information on number of PLMs who convert to LM and have e-registered should be informed by State Secretaries to the Hon.Secretary General.

Community Dermatology: IADVL Day observations to continue. Dr. M. L.Gambhir raised a point that it should be extended to slums too. It was decided that States should do the necessary spending for these observations of days and centre assistance to be taken only if required. Dr.Ameet said that help of respective SIGs can be taken. Media cell should publicise. Dr Umashankar will be Coordinator for Vitiligo Day at national level. SIGs can be involved in making content. Schools should also be part of this. A provision of 2 lakhs can be made in dire consequences. Whether 8 May can be considered as IADVL Foundation day was also brought up by Dr.Marfatia.

ITATSA: Dr Rajeev Sharma gave a detailed outline for ITATSA. The main objectives aimed at were amending schedule H and banning irrational FDCs. Educating GPs, masses about the same. List of drugs has been prepared. An idea of sending 5 bulk messages to all members regarding steroid abuse was also brought up. State level coordinators are to be appointed. Dr Shyamanta said at present only 8 States had sent in their details. If no co-ordinator is appointed it was decided that the President/ Secretary of that state would have to take the responsibility. A Whatsapp group

comprising all Presidents and Secretaries of States with the EC, Chairperson & Convener of Committees and State coordinators was planned to be introduced for better coordination. In every CUTICON 10 minutes slot for ITATSA was proposed. News letter should carry details and media cell should be involved. Press conferences will have to be done. Posters in clinics have to be displayed. A website with a page link to IADVL should be developed.

Dr. Shyamanta informed that ITATSA has been placed as a tab in the homepage of the revamped association website. 2 lakhs budget was released by the President to ITATSA for its activities with a proposal of increase to 5 lakhs if approved by GB. It was also decided that e-posters for ITATSA could be sent to state coordinators who could then take printouts and distribute. 4 page poster through IJDVL is also an option.

Constitution Committee: Dr. VK Sharma raised a point that all proposals should go through Constitution Committee and Dr.Venkataram Mysore and previous EC members clarified that all points related to constitution definitely are going through committee. Dr Shyamanta brought out a point that there are two versions of SOP available and the latest one has to be updated to prevent confusion. All new branches should send their constitution to the Constitution Committee before sending to GB for passing. TS for Telangana and GO for Goa were abbreviations agreed to. The President also asked the Constitution Committee to resolve the issue of what criteria is to be followed to see that which member should actually belong to which state branch. Also e-version of the SOPs should be updated every 6 months at least.

MID DERMACON 2016: It will be held at Mayfair Convention Centre, Bhubaneswar on 13-14 August, 2016. It was decided that the SIG should conduct the sessions allotted to them but faculty for that session should not comprise members from only the SIG. Academy should be involved in the discussions.

It was decided that 2 nights stay is required for the EC members. When the budget for the MID DERMACON was presented it was pointed out by many members that the cost was too high for rooms, food, liquor and hall booking. It was decided that a revised budget was to be put up by 2 weeks and another team would inspect the venue before June. The Organising Chairperson/Secretary are responsible to report the progress of the conference to the State President & Secretary.

ADC 2016: To be held at Mumbai on 13-16 Oct, 2016. Dr. Manish briefed the house about the progress of the Congress. The Bank statement has not been received by Hon.

Treasurer. It was decided that all the EC members have to be provided free registration and accommodation for the conference.

DERMACON 2017:The Organising Secretary, Dr. Sudip Das, presented the details. He said that seed money has been returned to IADVL West Bengal with bank statement. Bar coding has been done for all aspects. Certificates except delegate certificate will be available from website. SARAD secretaries will be invited as earlier suggested. A proposal for holding CME in 2 halls was put up. Members said that since AGBM was already going on parallel to CME, this can be agreed to. It was decided that a proposal to revise DERMACON Model will be put up by Dr.Venkataram Mysore (including parallel CME in 2 halls) in the CC meet and then decision will be taken. Dermatalent exhibition halls provision was discussed and agreed to. A primetime session each for ACAD and Resident forums was also agreed to.

People Connect Cell:News releases, updation of website and report after a major event were discussed. It was decided that the observation of days like Vitiligo day should be observed in hospitals on the exact date, but for the general public the previous day/ next day/ next holiday as convenient may be utilised to convey awareness. It was decided that the SOPs of media cell are to be followed as to who should conduct press conferences. 5 lakhs budget was approved. And a detailed proposal for budget is to be put up at the CC meet.

Practice Management Cell: Proposal to hold 3 PMC CMEs (Aurangabad- 10th July; Jaipur-11th Sep; Hyderabad - Oct/Nov) agreed to. 2 newsletters (e-version to avoid costs)to be brought out.Clinic software has been passed by GB. Only if pharma support is obtained, it can be undertaken.

IJDVL: The Editor, Dr.M. Ramam said that pharma support to journal was on the decline. 10 lakhs excess expenditure has been done. However no money has been asked for from IADVL since last 3 years. It was decided that the Rs 1800 per new member portion which is due should go to IJDVL on demand note and any further requirement will be put up for sanction.

IDOJ: 2 Lakhs sanctioned for office. As IDOJ does not have a separate bank account, actual bill reimbursements would be made.

GovernmentLiaisonCell:The Convener, Dr.BinodKhaitan, presented details. Dr.Venkataram Mysore said that DNB Fellowships would begin. Drug Controller meet is scheduled for 13 May. A comprehensive list of FDCs to be banned is being made. The footnote change in Schedule H is a significant achievement.

Editor Elect, IADVLTextbookis yet to be decided

Dr.YogeshMarfatia proposed that PLM-LM conversion should be undertaken at quick pace and State Secretaries should be made responsible.Members database, list updation and e directory is a challenge which will be taken up.E voting must be made compulsory for new members. A trial should be done for 3 years to get maximum e-voters. DVL trust needs activation and all members must be able to easily access it. Website updation, SIG PG teachers, thesis report presentation were also brought up.

InternationalLiaisonCommittee: Proposal for Fellowships to International candidates was discussed. Topics proposed were vitiligo surgery and tropical dermatology. 2 fellowships to SARAD members- 2000 US\$, 2 fellowships for others- 1000\$ will improve image. An idea of reciprocal support was also raised.Point was also brought out that stalls in various conferences can be put to welcome members and international ambassadors can be appointed.

A proposal was put up that the proposals to be discussed in AGBM should be put up early in the course of events.Opinionscan be given online and only final decisions can be taken in GB.This would ease matters and reduce time wastage. Accounts can also be put up online.

IADVL Punjab, Chandigarh & Himachal Pradesh

The Punjab, Chandigarh, and Himachal Pradesh Branch of the Indian Association of Dermatologists, Venereologists, and Leprologists observed the World Vitiligo Day. Several myths surround this banal disease and several activities were undertaken to dispel the myths. The key point was to make people aware that vitiligo is treatable and they should seek treatment from a specialist. The major activity on June 25 was a 'vitiligo awareness walk' at Sukhna Lake, Chandigarh.

Several members of IADVL and colleagues from other specialities from the Chandigarh tricity took part in the walk. Pamphlets were distributed and citizens were made aware about the myths and realities of the disease. Posters were put up in clinics. Newspaper articles were published starting one week before the event. The facts about the disease, dos and do nots were transmitted by All India Radio, Chandigarh. The activities were broadly reported by the print media.

The Amritsar Chapter of IADVL (Punjab, Chandigarh, and Himachal Pradesh Branch) organized awareness programmes on June 26. The activities included a skit, awareness walk, and distribution of leaflets.

The three day academic conference '2nd PGCON and Dermazone (North)' started on July 15. The first day was 2nd PGCON, the first one having been held in AIIMS, New Delhi last year. The scientific program of PGCON was largely planned and conducted by the PG residents of the Department of Dermatology, PGIMER, Chandigarh and moderated by senior faculty- a novel concept in itself. This was a conference by the, for the, and of the residents. Several sessions were conducted with an aim in giving an outline of PG teaching including journal club, grand rounds, common lab and bedside tests, ethics in research and publishing,

sample size calculations for research studies and common statistical tests etc.

The Zonal conference of north zone (Dermazone- North) was held on July 16 and 17, 2016 after a hiatus of 8 years with active support/ participation from all the constituent state branches including Jammu and Kashmir; Punjab, Chandigarh and Himachal Pradesh; Haryana, Delhi, Uttar Pradesh and Uttarakhand. The theme for this year's Dermazone was 'Clinical Dermatology' though diagnostic and interventional dermatology also featured in the scientific program. The faculty for the conference was chosen from the experts in their respective fields from all over India.

The conference was inaugurated by Prof Yogesh Chawla, Director, PGIMER. Prof Devesh Mishra, President, Indian Association of Dermatologists, Venereologists, and Leprologists was the guest of honor. The number of delegates registered for the PGCN was 127 and that for Dermazone (North) was 291. The scientific content, hospitality, and ambience of the venue were appreciated by one and all.
