## President's Message

**Dr. Devesh Mishra**

LM/UP/2361

Dear IADVL members,

Namaskar. As my tenure as your President comes to an end; the feelings I have are of tremendous joy and satisfaction. It is a real privilege to be the President of such an august association. I have tried to serve you with total dedication and involvement.

The year started with inauguration of our IADVL Head Quarters at Delhi, a landmark development. The H.Q. is staffed and working. As per central council's recommendations this year, we have already started search for a good plot of land in Delhi to build an independent IADVL H.Q. befitting stature of an organization as grand as IADVL is.

As I spoke in my Presidential address last year at Coimbatore, we have a fully revamped IADVL website now. We have a complete e-membership and e-payment platform (**OMAS- Online Membership Application System**) where all work is done online. This provides ease and transparency of huge work that we have. This is befitting an association of 10,000 members that aspires to be a truly international one.

All work from new membership registration, PLM to LM conversion, address change, info of upcoming events, of scholarships, fellowships, workshops are present. I request all members to register once on the website. For this, I heartily congratulate **Dr. Shyamanta Barua**, IADVL Secy Gen., his web team and members of IADVL EC.

All administrative, financial, procedural works have been better streamlined as part of continuous upgrade. For this and much more I am thankful to my team members.

I thank **Dr. Venkatram Mysore**, Imm. Past President for useful advices on important matters. I also thank President Elect, **Dr. Yogesh Marfatia** for meaningful inputs on various issues. I must thank and congratulate **Dr. B B Mahajan, VP, Dr. Anil K Ganjoo, VP, Dr. Prabhat Kumar, Dr. Biju Vasudevan**, Joint gen Secys who in particular helped make ACAD yahoo groups so scintillatingly academic this year. I whole heartedly thank **Dr. Rajib Gogoi**, Treasurer for streamlining so many things in financial matters.

I thank **Dr. Ameet Valia** and **Dr. K A Seetharam** for taking Academy and SIGs work to greater heights and bringing more transparency in its work. Amongst Special Interest Groups ( SIGs ) , Psoriasis, Hair and Geriatric Dermatology stand out. Amongst various committees; I would specially mention Community Dermatology and International Liaison Cell for exemplary work this year. Various state executives did marvelous work throughout the year for IADVL activities specially IADVL Gujarat, Punjab and Tamilnadu.

Asian Dermatology Congress , a truly International Conference was organized by **Dr. Rashmi Kant Shah** and **Dr. Vinay Saraf** and Team Maharashtra. This was very well attended and was a marvelous success. Similarly, MIDDERMACON and CC Meeting organized by **Dr. S C Mallik** at Bhubaneswar was very much appreciated.

A new branch of IADVL-Goa came into existence and is marching ahead.

I welcome **Dr. Ramesh Bhat, Dr Vijay Zawar, Dr. Jayadev Betkerur, Dr. Akshay Jain and Dr. Tarun Mittal** to new EC.

I wish all organizational and academic success to our flagship National Conference – 45<sup>th</sup> DERMACON at Kolkata on 12<sup>th</sup>-15<sup>th</sup> January , 2017. See you there.

Long Live IADVL. Jai Ho.

**Dr. Devesh Mishra**

President, IADVL (2016)

## Message of President Elect

**Dr. Yogesh Marfatia**

LM/G/419

My heartfelt gratitude to you all for choosing me as IADVL National President.

It is like a dream come true. I am humbled.

Our association is now having more than 10,000 members and during one year of my internship as President Elect, I realized that managing an association of such magnitude is a mammoth task.

My salute to one and all who rendered their valuable services for taking our association to its present height.

I am backed by a solid team 2017 and our mission is to strengthen IADVL.

Road map of initiatives, projects, activities for 2017 is as under:

**1. To increase organisational strength of association** : Revision of constitution, Updation of database through upgraded web site, promotion of e voting and DVL welfare trust.

**2. Task forces**: IADVL Task Force against recalcitrant Tinea, Dermatology Education

**3. Publications**: A textbook on Geriatric Dermatology, User's manual on management of Tinea, User's manual on topical and Systemic corticosteroids

Recent advances in Dermatology

4. PG Thesis grant, PG Thesis based Award paper session

5. Initiative to promote and support digitization of clinic.

All this can be achieved only by active participation from your side.

Do support and encourage.

Let us create brilliance together.

**Dr. Yogesh Marfatia**

President Elect, IADVL (2016)

## Message of Immediate Past President

**Dr. Venkataram Mysore**

LM/KN/3211

Dear friends,

The year 2016 has gone by, and IADVL has marched ahead. The year has seen fulfilment of IADVL office which was approved last year and continuation of many programs such as DERMAGYAN, workshops by SIGs, community activities etc. IADVL continues to work towards exerting asserting its role and influence- a major victory was won, when the govt banned several FDCs containing steroid and also included topical steroids under schedule H.

I complement IADVL EC 2016 led by Dr. Devesh Mishra and Dr. Shyamanta Barua for their work and convey my best wishes to the EC 2017 led by Dr. Yogesh Marfatia. I have no doubt that they will continue to lead IADVL on the march towards ascendancy.

Personally, the year also brings to a close, my three year sojourn at the helm, as President Elect in 2014, President in 2015 and Immediate Past President in 2016. This has been in more ways than one, a highly rewarding and a most cherished experience of my life. It has provided opportunity to serve IADVL and our members, and make a difference to the administration. It has been rightly said that the most important yardstick for success is, whether we have been able to leave beneficial footprints in the society and favourable impressions in the minds of people. I do hope I have been able to do this.

I express my sincere gratitude to all IADVL members and my colleagues in the EC 2014, 2015 and 2016 and convey my best wishes to all members and their families

**Dr. Venkataram Mysore**

Imm. Past President , IADVL (2016)

## Hon. Secretary General Speaks

**Dr. Shyamanta Barua**

LM/NE/4266

**New Year greetings** from the IADVL National Secretariat. May the year ahead be a joyous, healthy and successful one for all of you and your near and dear ones !

It will be almost a year since I was installed in this onerous post during DERMACON 2016 at Coimbatore and I must say the sojourn thus far has been most eventful. The year started with collective efforts towards actualizing the dream of having an **office of the association**, took off with the inauguration of the same and has gone by in streamlining and strengthening the various administrative processes therein.

I am glad that I could execute, with the technical inputs of the web team and support of the EC, the launch of the **Online Membership Application System (OMAS)** which has drastically transformed submission and processing of membership applications –a major thrust area I had identified after assuming charge of the National Secretariat in April.

The OMAS, **integrated to the revamped and contemporary IADVL website**, enables one to apply for membership/ conversion, get an instant automated acknowledgement of one's submission, track the status of the submitted application and finally expect to get the membership details in a couple of working days, if not hours!

I take the pleasure of informing you that the **membership strength of our Association has crossed the 5-digit** mark! IADVL presently has close to 10100 members.

Over **600 membership applications and conversions have been processed** since 15<sup>th</sup> August (when OMAS was launched) and 1<sup>st</sup> September (when all membership applications became exclusively online).I must place on record the generous support and cooperation of all IADVL State Secretaries towards making this module an unqualified success.

Another initiative undertaken this year has been to **fast-track PLM to LM conversions** through active campaigns at State Branches and weed out those PLMs who have not bothered to convert to LM even after lapse of 5 years of their provisional membership. The initiative has resulted in over 330 PLMs converting to LMs over the last 4 months.

The **next mission is to address the irregularities in our member database** and make it a dynamic one.Towards this end, all members (LMs, PLMs, ALMs) are requested to sign up on the website & log inwith the password that one created while signing up. Once signed up and logged in, one can build one's own profile by adding/editing further details(photograph/email/mobile number/address/affiliation etc.); all such details will instantaneously auto-register into the IADVL database integrated to the website.Please browse the FAQ guide for sign-up in the website.

It is relevant to mention that the IADVL National Secretariat has discontinued the offline database and has moved to the web-linked database to ensure ready availability of live data of all members at any point in time and facilitate a much faster updation of all changes in details. Needless to say, this will eliminate any chances of inadvertent omissions and commissions in manual updation that has been the bane of the offline member database since years. Plans are afoot to **extend this e-database access to all State Secretariats for their respective members**.

The next step in the digital roadmap is to **align the IADVL e-database with the IJDVL database maintained by Medknow**. I and the web team envisage a digital feed (at mutually decided intervals) of all new memberships and address (and any other relevant detail) changes in our database to the IJDVL one to offset the hassles and errors that plague the present system of manual transfer of the same. This syncing will, hopefully, ensure that non-receipt of journal issues become a thing of the past !

**IADVL Goa State Branch was registered** this year with 33 members (most of whom migrated from IADVL Maharashtra). **Over 500 members of IADVL Andhra Pradesh Branch were made members of IADVL Telangana Branch** after due consent and NOC from IADVL Andhra Pradesh.

The **IADVL Elections 2016** was an eventful one to say the least. I congratulate and welcome all Incoming EC 2017 members – President Elect **Dr. Ramesh Bhat**; Vice Presidents **Dr. Vijay Zawar** and **Dr. Jayadev Betkerur**; Jt. Secretaries **Dr. Akshay Jain** and **Dr. Tarun Mittal** – and look forward to working with them this year. I must also congratulate **Team Bengaluru** for winning the hosting rights for DERMACON 2019 and wish them the very best.

It is a matter of great pleasure that the **City of Joy is once again hosting a DERMACON**. On behalf of the IADVL National Executive, I welcome all delegates to Kolkata and wish them an academically and culturally enriching and comfortable stay here. My best wishes to all members of Team Kolkata for a very successful event.

I must thank the three Presidents of EC 2016 – **Dr. Devesh Mishra, Dr. Yogesh Marfatia** and **Dr. Venkataram Mysore** – for their sagacious guidance and insightful suggestions that helped solve vexing issues. The Vice Presidents – **Dr. B. B. Mahajan** and **Dr. Anil Ganjoo** – lent their experience to several matters and the latter's dynamism and help towards organising IADVL HQ meetings was outstanding.

My special thanks go to our Hon. Treasurer, **Dr. Rajib Gogoi**, for his financial acumen and meticulous handling of the association's finances. The Joint Secretaries - **Dr. Prabhat Kumar** and **Dr. Biju Vasudevan** - were always there with their cooperation and help with the humongous Secretarial workload. I especially thank Dr. Biju for a wonderful job as the Yahoo e-Groups Coordinator.

I look forward to an enterprising year with the IADVL EC 2017, all IADVL Committees and all IADVL State Branch executives.

Long live IADVL !

**Dr. Shyamanta Barua**

Hon. Secretary General, IADVL (2016-17)

## Hon. Treasurer's Note

**Dr. Rajib Kr. Gogoi**

LM/NE/4272

Greetings from IADVL Headquarters!

IADVL's financial health has surely been excellent throughout this financial year so far, thanks to the hefty contributions from DERMACONS 2016 & 2017 and from Research grants contributed mainly by Loreal. The tax liabilities have accordingly increased. All these are reflected in the Income Expenditure account printed herein. Assuming that the current trend of high surplus over expenditure will continue in foreseeable future too, we need to come up with comprehensive plans for more expenditure to help the association grow faster in its stature and clout, to benefit our members more in their academic endeavour as well as in non-academic fronts too and to do some meaningful social work for the betterment of the society in general, which is a moral obligation of the association as well as a necessity in the long run for obtaining the illusive 12a registration.

We have about 17 lakhs rupees earmarked for research grant that remain unutilized as on date due to lack of eligible quality projects. Apart from the quality of projects, the no. of applicants for these grants too has not been what one can expect in an association of 10,000 member strength. More and more members need to be made aware of such grants being doled out and members too need to take some interest in knowing what is being offered to its member by our association.

Efforts are on to transfer the society registration of IADVL from Baranasi to N. Delhi where we now have our Headquarters. As decided in the last CCM held in Bhubaneswar, some plots of land too are being surveyed in N. Delhi for possible outright purchase by our association. After fulfilment of few such objectives, IADVL shall have to shift its focus to the specific requirements of 12a registration and work and spend wisely in a planned manner to achieve those. Use of IADVL PAN in our central events needs to materialize at the earliest to reduce our tax liabilities. Coordination with DERMAZONES has been a weak area in the association's financial arrangement which I intend to address aggressively during next association year.

The budget presented this time is being prepared with quite liberal projections under the heads of expenditure related to academic activities, for example 25% hike in Academy expenses, 10 lakhs for IDOJ, another 10 lakhs for the incoming President's pet academic project. I strongly believe that with the kind of fund flowing into IADVL, we need to spend liberally for academic activities. I conclude with an appeal to all members to approve these expenses proposed in the budget.

Long Live IADVL

**Dr. Rajib Kr. Gogoi**

## Steps for Online PLM to LM Conversion

1. Log onto [www.iadvl.org](http://www.iadvl.org)
2. Go to 'Membership' tab on homepage and click on 'Apply for Membership'
3. On the new page, drag to the bottom and click on 'View Details & Apply' on the 'PLM to LM conversion' section.
4. You will open up a dialogue box stating the documents required. Make sure you have soft copies (in pdf or jpg format) of all the documents ready. Click Apply.
5. On the first page, enter your details - Name, Email, Mobile Number and existing PLM number. Click 'Save & Proceed'. You will receive an OTP on your phone - enter that.
6. On the second page, upload your recent photograph. Please choose the state branch you are presently residing / working / practicing in at the top of the page. If the state branch is different from the one your PLM is registered with, you will need a NOC from that branch. Enter your personal details and upload the documents in pdf or jpg format. Click 'Save & Proceed'.
7. On the third page, enter your details about education & practice and click 'Save & Proceed'.
8. On the fourth page, review your details and click 'Submit'/'Proceed' at bottom of the page.
9. You will receive a notification by mail with your application id once the same is accepted by the system.
10. Your application will first be cleared by the concerned State Branch Secretary before it reaches the dashboard of the Hon. Secretary General for final approval.

## Proposals for IADVL AGBM of Commencing Year 2017

### Proposal 1: Streamlining of IADVL Elections

Name of proposers: **Dr. Venkataram Mysore**(LM/KN/3211), **Dr. Yogesh Marfatia** (LM/G/419), **Dr. Ramesh Bhat** (LM/KN/2051), **Dr. Koushik Lahiri** (LM/WB/2503),**Dr. Rashmi Sarkar** (LM/ND/1543), **Dr. Shyamanta Barua** (LM/NE/4266), **Dr. Raghunatha Reddy** (LM/KN/2925), **Dr. Umashankar N**(LM/KN/3455)

How will it help IADVL? Streamline process of elections

Proposal:

1. Any objection by either a member or a candidate, either about the election process or about validity of candidates should be raised before 1st August – no objections will be entertained after this date
2. A candidate who loses two elections for the same post, can not contest again for the same post
3. A member who has become IADVL President can not contest again for any post at any level

Does this proposal need referral? Yes; to Constitution Committee

### Proposal 2: Bidding amount for DERMACON bid

Name of Proposers: **Dr. Suresh Talwar**(LM/UP/2329), **Dr. Ankur Talwar**(LM/UP/5653), **Dr. Kshama Talwar**(LM/UP/7374), **Dr. R. L. Sah** (LM/UP/2281), **Dr. Mukesh Bansal**(LM/UP/2842), **Dr. Amit Madan** (LM/UP/4522)

How will it help IADVL? Charging bidding amount from DERMACON bidders will help in weeding out non-serious bidders

If constitutional – will it replace existing clause? Or modify? Give detail of the clause – page no. and clause no: MODIFY page no 54 Part II byelaw 9

Proposal: IADVL is charging money from various contestants for IADVL executive posts. Similarly a sum of Rs. 20,000/- can be charged from venue bidders. This will remove non-serious bidders for DERMACONS and MID DERMACONS.

Does this proposal need referral? Yes; to Constitution Committee

### Proposal 3: Increase in Nomination fee to be paid by contestants for various posts during IADVL election

Name of proposers: **Dr. Yogesh S Marfatia**(LM/G/419), **Dr Nipul Vara**(LM/G/3656), **Dr. Chetan Patel**(LM/G/401),**Dr. Shyamanta Barua** (LM/NE/4266),**Dr. Rashmi Sarkar** (LM/ND/1543),**Dr. Devesh Mishra** (LM/UP/2361)

How will it help IADVL? - Taking into account increasing costs of IADVL election (printing, posting, expenses towards vote counting), the increase in nomination fee will compensate financially to some extent.

Background- The fees were introduced before few years and was not increased thereafter taking into account inflation/increasing costs. Brief CV of all contestants is included in print version of IADVL news. A print out of CV is sent to all members along with ballot paper at the cost of IADVL.

If constitutional - will it replace existing clause? Or modify? Yes (modify)

Give detail of the clause - page no. and clause no: Page 39-40. Clause 27k. "Each candidate should pay the following nomination fees to IADVL:

	<b>(Current fees)</b>		<b>(Proposed)</b>
President Elect	Rs. 15,000		
Vice President	Rs. 10,000		
Hon. Gen Secretary & Treasurer	Rs. 20,000	(combined)	
Joint Secretary	Rs.5000		
<u>Proposal-</u> We propose that the nomination fees be revised upwards as below:			
	<b>(Current fees)</b>		<b>(Proposed)</b>
President Elect	Rs. 15,000		Rs. 25,000

Vice President	Rs. 10,000	Rs. 15,000
Hon. Secretary General & Treasurer (combined)	Rs 20,000	Rs. 25,000
Joint Secretary	Rs.5000	Rs. 7500

Does this proposal need referral? Yes; to Constitution Committee

#### **Proposal 4: Streamlining of SIGs**

Name of proposers: **Dr. Venkataram Mysore** (LM/KN/3211), **Dr. Rashmi Sarkar** (LM/ND/1543), **Dr. Umashankar N**(LM/KN/3455), **Dr. Raghunatha Reddy** (LM/KN/2925), **Dr. Ramesh Bhat** (LM/KN/2051), **Dr. Manas Chatterjee** (LM/WB/2740)

How will it help IADVL? Streamline process and work of SIGs

If constitutional – will it replace existing clause? Or modify?

Give detail of the clause – page no. and clause no.

Proposal: SIG should be called Special Expert Group instead of special interest group. The minimum number of years to qualify as a Convener should be 10 years after MD with minimum 7 years in that subspeciality, and at least 20 presentations/publications; and for a member to be 7 years post MD with minimum 3 years in that subspeciality and at least 10 presentations and publications.

Does this proposal need referral? Yes; to Constitution Committee

#### **Proposal 5: Streamlining of Awards**

Name of proposers: **Dr. Venkataram Mysore**(LM/KN/3211), **Dr. Yogesh Marfatia** (LM/G/419), **Dr. Ramesh Bhat** (LM/KN/2051), **Dr. Ameet Valia** (LM/M/833), **Dr. Koushik Lahiri** (LM/WB/2503), **Dr. Rashmi Sarkar** (LM/ND/1543), **Dr. Shyamanta Barua** (LM/NE/4266), **Dr. Raghunatha Reddy** (LM/KN/2925), **Dr. Umashankar N**(LM/KN/3455)

How will it help IADVL? Streamline process of awards

Proposal:

a) Awards based on research and publications such as the Premalatha Award, SenthalmilSelvi Award, LKBhutani Award should be assessed first by the IADVL Academy, as per the criteria already in place, and a list of top 3 to be submitted to the Central Scientific Committee

b) For any award, if in the opinion of the Central Scientific Committee, no applications are suitable, the award can be withheld

c) Best teacher award - This needs to be entered in to constitution as follows: Every year best teacher award is given to one from each zone either by application or nomination; the same would be announced along with other awards by the Hon. Secretary General. The award would be given on the following basis:

- A) Teaching experience (UG, PG, Fellowship, PhD)
- B) No of books written
- C) No of publications
- D) No of presentations
- E) No of academic meetings organized
- F) No of students guided – PG/Fellows/PhD
- G) Additional academic qualifications
- H) Any other achievements

Applicants should be determined on the basis of these criteria.

d) All awards given by IADVL should be by application or nomination. Nomination can be any member of IADVL including EC

e) A member who gets Kandhari Award cannot apply for any other award except in publication or research category

f) Kandhari Award and life time achievement awards constitute the three life time achievement awards. A member who gets IADVL life time achievement award is not eligible for Kandhari award.

#### **Proposal 6: Reduction of registration fees by 50% for speakers during DERMACON**

Name of Proposers: **Dr. Suresh Talwar**(LM/UP/2329), **Dr. Ankur Talwar**(LM/UP/5653), **Dr. Kshama Talwar**(LM/UP/7374), **Dr. Mukesh Bansal** (LM/UP/2842), **Dr. Amit Madan** (LM/UP/4522), **Dr. R. L. Sah** (LM/UP/2281)

How will it help IADVL? It will encourage the speakers and provide some financial relief

If constitutional – will it replace existing clause? Or modify? Give detail of the clause – page no. and clause no.: MODIFY page no 62 Part II by law 12

Proposal: Reduction of conference registration fees by 50% will encourage the speakers and provide some financial relief. WCD and EADV is providing free registration. After all, we provide many incentives to our foreign invited speakers. This will be a means to honour their efforts.

Does this proposal need referral? Yes; to Constitution Committee

### **Proposal 7: Honorary Membership of IADVL to Prof. Thomas Ruzicka**

Name of proposers: **Dr. ShyamVerma** (LM/G/526), **Dr. KoushikLahiri** (LM/WB/2503), **Dr. SandipanDhar** (LM/WB/2446), **Dr. Devesh Mishra**(LM/UP/2361), **Dr. Ashique K. T.**(LM/K/4239), **Dr. RohitBatra**(LM/ND/5324)

Proposal: We propose that Prof. Thomas Ruzicka be awarded the Honorary Membership of IADVL at DERMACON 2017 in Kolkata where he will be present as an invited faculty. Prof.Ruzicka is a professor of international repute and heads Europe's largest dermatology department. He has over a thousand scientific publications and has done pioneering research in many areas.

Prof.Ruzicka has been a friend of IADVL for many years, has been a gracious and generous host of many IADVL members who have been taken as Observer Dermatologists for periods varying from one month to over six months and has provided scholarships to more than 30 members of IADVL during the past six years in his 3 world renowned International Summer Academy courses.

Does this proposal need referral?No

### **Proposal 8: Streamlining IADVL State Transfers**

Name of proposers: **Dr. Rashmi Sarkar**(LM/ND/1543),**Dr. Venkataram Mysore** (LM/KN/3211),**Dr. Yogesh Marfatia** (LM/G/419),**Dr. Shyamanta Barua** (LM/NE/4266),**Dr. Narendra Gokhale**(LM/MP/1077),**Dr. Shashi Kumar BM** (LM/KN/5241)

How will it help IADVL?There are presently no set criteria mentioned in the existing Constitution for grounds of state transfer and we need to redress this deficiency. These criteria should be - (a) change of place of residence and/or place of practice to the branch of migration (applicable for LMs) and (b) completion of PG training and migration of member to a different branch (applicable for PLMs).There are many state transfers and smaller states often feel that they do not get state share of IADVL Contribution.This will streamline state transfers on valid ground only

If constitutional - will it replace existing clause? Or modify? Yes

Give detail of the clause - page no. and clause no.: Page 13. Clause 10.

A member shifting from one state to another should change membership to a new state by informing the State Secretary and Honorary General Secretary about the desired change without paying any fee to the secretary of the new branch."

Proposal:

1.If a member wishes to get a state transfer and apply for "No objection certificate" from current State Secretary,he/she must furnish valid reason along with proof of residence or working status to be eligible to the State and National Secretary.

2. For any state transfer,there has to be a minimum period of two years before another state change on valid ground is to be done.

3. The state share of membership fee as ascertained from time to time must be paid by the transferring member to the new state Secretary unless the state council decides otherwise.

4.An office bearer of a state,in case of a state change, should be eligible for holding any other office in changed state only after a minimum period of two years.

Does this proposal need referral?Yes; to Constitution Committee

### **Proposal 9: Proposal for a budgetary allocation for ITATSA**

Name of Proposer/s:**Dr. Rajeev Sharma**(LM/UP/2251), **Dr. Rajetha Damisetty**(LM/TS/4726), **Dr. Abir Saraswat** (LM/UP/4339), **Dr. Koushik Lahiri** (LM/WB/2503), **Dr. Shyam Verma** (LM/G/526)

How will it help IADVL?ITATSA's crusade against topical steroid abuse is one of the most important public initiatives of IADVL. Owing to the obvious conflict of interest this cause has with the pharma industry, financial support cannot be sought from them for ITATSA's activities.

If constitutional – will it replace existing clause? Or modify? No

Give detail of the clause – page no. and clause no. NA

Proposal: We propose that ITATSA be given a budgetary allocation of five lakhs a year, to be disbursed by the treasurer on production of bills or quotations.

Does this proposal need referral?Yes; to Finance Committee

### **Proposal 10: IADVL collaboration with'Dark is beautiful' campaignspearheaded by actress Nandita Das**

Name of Proposers:**Dr. Rajeev Sharma** (LM/UP/2251), **Dr. Rajetha Damisetty** (LM/TS/4726), **Dr. Abir Saraswat** (LM/UP/4339), **Dr. Koushik Lahiri** (LM/WB/2503), **Dr. Shyam Verma** (LM/G/526)

How will it help IADVL? Our nation's collective obsession with fair skin is one of the driving factors in topical steroid abuse. The dissatisfaction with their skin color and quest for people to spend enormous amounts of time and money seeking treatments that are frequently ineffective and prone to causing adverse events.

Ms. Nandita Das and her team have been running the “dark is beautiful” campaign for a few years. She has significant clout, with over 4 lakh followers on her face book. Dr.AbirSaraswat contacted her team and they have expressed interest in collaborating with us and supporting our “stop TSA campaign”.

If constitutional – will it replace existing clause? Or modify? No

Proposal: We propose that IADVL formally collaborates with the “dark is beautiful” campaign to send out a strong message to the community that fixation with fair skin is pointless and fraught with dangers and to create awareness about the dangers of use of topical steroids for this purpose. This joint campaign would send messages in social and traditional media and possibly help in advocacy (protesting steroid creams being promoted for fairness, regulation of dispensing etc)

We propose that Dr.AbirSaraswat be given the mandate to take this forward.

Does this proposal need referral?No

### **Proposal 11: Session (Topical steroids session) on curtailing and managing topical steroid abuse in all IADVL conferences**

Name of Proposers:Dr. Rajeev Sharma (LM/UP/2251), Dr. Rajetha Damisetty (LM/TS/4726), Dr. Abir Saraswat (LM/UP/4339), Dr. Shyamanta Barua (LM/NE/4266), Dr. Koushik Lahiri (LM/WB/2503), Dr. Shyam Verma (LM/G/526)

How will it help IADVL? Brief introductionToo many dermatologists, unfortunately, do not use topical steroids prudently. They contribute to the growing menace of topical steroid abuse. Most IADVLites are not aware of how they can prevent and manage topical steroid abuse and how they can be leaders in their respective communities and steer towards change.

If constitutional – will it replace existing clause? Or modify? No

Proposal: We propose that all IADVL conferences, for the next ten years, should have a session dedicated to topical steroids so that safe usage of various classes of topical steroids strategies to prevent and treat TSA are discussed. The slot and hall for the “topical steroid” session should be earmarked.

**We propose the following**

Name of the conference	Duration	Day of conference	Time	Hall
DERMACON	60-90min	First day	Pre-lunch	Biggest or second biggest hall
DERMAZONE	30-45min	First day	Pre-lunch	Main hall
CUTICON	30-45min	First day	Pre-lunch	Main hall
MID DERMACON	30-45min	First day	Pre-lunch	Main hall

Does this proposal need referral? No

### **Proposal 12: A dedicated day to create “National topical steroid awareness”**

Name of Proposers:Dr. Rajeev Sharma (LM/UP/2251), Dr.RajethaDamisetty (LM/TS/4726), Dr. AbirSaraswat (LM/UP/4339), Dr. Shyamanta Barua (LM/NE/4266), Dr. KoushikLahiri (LM/WB/2503), Dr. ShyamVerma (LM/G/526)

How will it help IADVL? Brief introductionTopical steroid abuse has become rampant and is leading to increasing recalcitrance of dermatophyte infections, not to mention the all too common cutaneous side effects and pscho-socio-economic burden to the victims. A dedicated day to spread awareness about topical steroids, on the lines of “vitiligo awareness day” would go a long way in educating our fraternity, other physicians and the general public.

If constitutional – will it replace existing clause? Or modify? No

Proposal: We propose that a day be declared as “National topical steroid awareness” day and nationwide IADVL resources used to spread awareness about the adverse consequences of unsupervised topical steroid usage. All state branches of IADVL should mandatorily observe this day and plan activities to take the crusade against topical steroid abuse forward.

A day of historical significance in (topical) steroid usage may be chosen by the GB, such as March 12th which is Marion Sulzberger’s birthday. He and Witten were the ones who introduced compound F (hydrocortisone) to dermatology. It could be anyday of historical significance w.r.t topical steroids or in our crusade against TSA (e.g. May 13th, the date of DTAB meeting when they decided to delete the infamous footnote of schedule H that kept topical steroids out of the purview of prescription drugs).

Does this proposal need referral? No

### **Proposal 13: Freeze period for National conferences 3 months before and 3 months after conferences**

Name of proposers: Dr. Sudip Das(WB/LM/3322) and Dr. S. N. Chowdhury(WB/LM/2524)

How will it help IADVL?

1. There should be a buffer zone before and after DERMACON for about 3 months. So that DERMACON sponsorship and other issues are not disturbed.

2. IADVL earns the maximum from DERMACON, which is the flagship meet of IADVL and the most prestigious dermatological conference in national arena.

3. Therefore DERMACON should be protected so that other national conferences do not eat into it.

If constitutional – will it replace existing clause? Or modify? Yes

Give detail of the clause – page no. and clause no.

Proposal: No national conferences in dermatology 3 months before and after DERMACON and IADVL should refrain from participating in it.

Does this proposal need referral? Yes

### **Proposal 14: Every member (EC/CC) should pay from their own airticket & stay during DERMACON/MID DERMACON**

Name of proposers: Dr. Sudip Das (WB/LM/3322) and Dr. S. N. Chowdhury (WB/LM/2524)

How will it help IADVL?

1. That will spread the message of equality.

2. MCI asks that every delegate arrange for their own, but since we all know DERMACON money is 70% pharma money, so office bearers should not use them.

3. This will increase the image of IADVL.

Does this proposal need referral? Yes; to Constitution Committee

### **Proposal 15: Swachh DERMACON our new Motto**

Name of proposers: Dr. Sudip Das (WB/LM/3322) and Dr. Koushik Lahiri (LM/WB/2503)

How will it help IADVL?

As the present Organizing Secretary and also Dr. Koushik Lahiri being the past secretary of the association propose the unnecessary expenditure in DERMACON by organizing 3 dinners and lavish lunches. So instead of making conference tourism let us make it scientific. Let there be only one inaugural dinner and packed lunches within certain limits. This will reduce our over dependence on pharmaceuticals company and increase our integrity to general people, NITI AAYOG and MCI.

Does this proposal need referral? Yes; to Constitution Committee

### **Proposal 16: Renaming of Central Scientific Committee**

Name of proposers: Dr. Venkataram Mysore (LM/KN/3211), Dr. Yogesh Marfatia (LM/G/419), Dr. Ramesh Bhat (LM/KN/2051), Dr. Ameet Valia (LM/M/833), Dr. Rashmi Sarkar (LM/ND/1543), Dr. Umashankar N (LM/KN/3455)

How will it help IADVL? Streamline process of Central Scientific Committee

Proposal: Central Scientific Committee should be called Central Supervisory Committee, as the role needed is now to supervise not just scientific aspects, but organizational and financial aspects.

Its composition should be changed to include:

1. Three Presidents and Academy Chairperson will constitute the jury to decide awards as on now

2. Secretary General will prepare all documents for awards

3. In addition, Academy Convener will be a member of this committee and will prepare all documents for orations, award papers and also check scientific program along with Academy Chairperson

4. Treasurer and Finance Committee Chairperson will supervise financial aspects

5. Previous DERMACON Scientific Chairperson and Organizing Secretary will be on board

### **Proposal 17: IADVL Practitioner Appreciation Award**

Name of proposers: **Dr. DA Satish** (LM/KN/1932), **Dr. Venkataram Mysore**(LM/KN/3211), **Dr. Kiran Godse** (LM/M/701), **Dr. Manish Gautam** (LM/M/3530), **Dr. Narendra Gokhale**(LM/MP/1077), **Dr. Devesh Mishra**(LM/UP/2361)

How will it help IADVL? This will help strengthen the relationship of IADVL with the practising dermatologists which constitute almost 90% of its member strength. Also, it would motivate more private practitioners to work for the betterment of IADVL and in turn smoothen the implementation of the various programs and initiatives started by IADVL.

Proposal: As it has become increasingly difficult for academically good IADVL Dermatologists in full-time private practice to compete with institution-based Dermatologists (especially with respect to publications) for IADVL awards, it is hereby suggested that a separate award must be instituted for Practitioners. The award may be called either as IADVL DERMAPRACTICE AWARD or MASTER DERMATOLOGIST AWARD.

The following eligibility criteria may be considered for the award - age above 55 years, SHOULD BE LIFE MEMBERS. Candidates should be in full time practice with no teaching for at least 10 years as on date of application of award.

The award will be either by application or nomination and will be decided on following criteria:

1. Faculty at National/ State/Regional Conferences/CMEs/workshops - 20 marks
2. IADVL Organisation posts held - 20 marks
3. International memberships/fellowships positions in societies/other achievements - 20 marks
4. Conferences organised at national/state level - 20 marks
5. Social/Community service - 10 marks
6. Academic achievements and publications - 10 marks

The award can be considered only for those who score more than 60%

It will be announced along with other awards in the month of September. We propose that a maximum of 4 such awards, one practitioner from each zone be selected. These awards will be decided by a committee of 5 people comprising the 3 Presidents, Hon. Secretary General IADVL and Chairperson, IADVL Practice Management Cell. We propose that this award be in the form of a citation and a plaque in appreciation of their contribution. The award presentation should be made on IADVL DAY.

### **Proposal 18: Life Membership to students who hold degrees recognised by State Medical Council(s)**

Name of proposers: **Kiran Godse** (LM/M/701), **Dr. Amit Valia**(LM/M/833), **R.G.Torsekar** LM/M/828, **Vijay Zawar** LM/M/942, **Suresh Mahajan** LM/M/ 844

How will it help IADVL? The IADVL is a huge society. It has recently crossed the 10,000 barrier. Taking the students with VALID MEDICAL DERMATOLOGY DEGREES / DIPLOMA's recognised by respective state council will increase this strength even more. The financial boost will be enormous and this can help the association to expand its base of operations and will give a boost to IADVL sponsored programs (like fight against steroid abuse, bid to host ICD etc.)

The IADVL at present only accepts MCI recognised degree or diploma holders as life members. But there are various state medical council recognised degrees or diplomas which are being run successfully and such doctors are being given associate membership.

DDV/FCPS SKIN are recognised by Maharashtra Medical council and Gujarat Medical Council and recently by tamilnadu medical council and Rajasthan Medical council is one such qualification. Both are full time 2/3 years course in medical institutions in Maharashtra. The teachers for these students are same as those for MCI recognised courses. And are respected life members of our association. These students / consultants practise freely and successfully in many states where the degree is recognised.

Besides this, European Academy of Dermatology, Association of Cutaneous surgeons of India, Cosmetic Dermatology Society, Pigmentary Dermatology society(India) give life membership to these students/consultants.

During Residency they participate in various activities and conferences conducted by the IADVL. There are many students who have received scholarships and have presented research papers at various national and international conferences and have made IADVL proud. It is not fair on part of such worthy doctors to be kept outside the loop for no reason. The State Medical councils have thoroughly gauged the course before granting the courses recognition.

Also, Orthopaedic, Gynaecology, Medicine, Surgery, Paediatric associations do accept students with a valid state medical council recognised degree as Life members of their association.

If constitutional – will it replace existing clause? Or modify? Modify

Give detail of the clause – page no. 9 clause no. 4(b)

Proposal: I/We propose that the existing clause be modified to the following:

"Life membership be granted to those who hold Diploma or degree recognised by Medical Council of India Recognised or State Medical council or any other equivalent organisation of the Government of India or Diploma in Dermatology or Dermatology and Venereology of the National Board of Medical Examinations, New Delhi."

# Minutes of IADVL CC Meeting 2016

**Date:** August 13-14<sup>th</sup>, 2016

**Venue:** Hotel Mayfair, Bhubaneswar, Odisha

## EC Meeting

1. **Life Membership issue-** Members of CPS Maharashtra are presently given associate life membership. The course is not accepted by MCI. So should they be made life members?  
**Decision-** Maharashtra AGBM should first take it up. Then send matter to IADVL Constitution Committee. Membership Committee to look into it- 3 Secretaries to form the Membership Committee- Dr Shyamanta Baruah, Dr Rashmi Sarkar, Dr PN Rao
2. **Membership module-** By Aug 15, online module would be in force. The offline registrations would also go on in combination till Aug 31. After Sep 01, it would be entirely online. It was discussed that processing fee should be mentioned as part of service tax. Dr Shyamanta after giving details of the module said that e- voting, Dermacon registrations and journal address correspondence will all be incorporated into module. It was suggested that if membership was once verified and the member does not make payment in 15 days, then the application should be considered invalid.
3. **IJDVL Journal-** Treasurer should be onboard for Journal accounts. The Treasurer should have viewing rights to the journal accounts. IJDVL should submit a detailed report of all funding received with all MOUs. MOUs should be shared with treasurer.  
**Decision-** Quarterly financial report to be sent by journal to treasurer
4. **Election-** Within 5 days of announcement of election results, any objections by candidates should be raised, especially with respect to conflict of interest. Name of Scientific chairperson to be there along with bidding city in a separate ballot
5. **IADVL PAN-** to be used for Dermacon- to reduce the paying of service tax.
6. **JointTreasurer-** 1 post for JointTreasurer to be created to share the workload.
7. **Practise Management Cell-** Dr Manish Gautam said that 4 CMEs are planned- 2 large and 2 small. He proposed that all Cuticon's should have practise management sessions. Communication with state branches imperative for the same. So IADVL dates calendar should have organising secretary names so that the above can be communicated. The same can also be communicated in state President/ Secretaries Meet. PMC should have similar committees in all states- especially important for tackling quackery issues. Letters can be written to Local authorities by the state committees. IIM help can be taken to conduct courses of practise management- Point put up by Dr Dinesh Kumar. SOP for fight against quackery can be taken up by Constitution committee
8. **Clinic Software-** Part payment by sponsors is a must. So for a member- Part is IADVL sponsored, part is sponsored by companies. The Industrial liaison Committee to ask the industry if they can take up this project. Dr Sacchidanand could also help in this matter.
9. **MID DERMACON** Visit can be done during ADC. 27 Nov- Site visit can be done for Navi Mumbai on the morning of 27 Nov.
10. **NABH accreditation for clinics-** ACME tie up can be used to solve it. Pre- accreditation initial step- is also enough to get some value.
11. **Academy-**
  - a. **Observership-** They cannot be named as Training Fellowships as done by one institute.  
**Decision-** Certificates for IADVL fellowships should only be issued by IADVL Academy. 12 centres have been approved as of now for conducting these observerships. The curriculum for the observerships is being made by the SIGs. The Program Directors will be meeting at Dermacon. The President will be felicitating them. Candidates can be present in meeting. A certificate proforma will be made for making it uniform all over centres.
  - b. **Scholarships.** The ADC & Dermacon scholarships have been awarded. The International Dermatopathology fellowships- presently none of the 4 recipients have proceeded for course. Total amount of 2 lakhs is to presently continue for the Pathology observerships.
  - c. **Research Grants-** Galdermaare not going to provide grants from 2015 onwards. Sun Pharma- has given 8.58 lakhs for 2014. Another 1.15 Lakhs have been received in 2015. So of the 14 lakhs s claimed to be given for 2 years by Sun, about 4 lakhs is still pending. However the agreement papers are yet to be traced. It was suggested to digitalise all MOUs. Money to certain awardees of grants has not been disbursed either due to them not obtaining ethical clearance or them not claiming the second half of amount or them not sending mid term report. 2016 research grants- 2 have been sanctioned. It was decided that only dermatologists who are permanent life members can be

principal workers of the Projects. The updated list of projects would be available online. The publication percentage of these projects is still not very good. It was decided that no further grants will be given unless previous projects have been sent for publication. Evidence for the same should be provided by principal worker. The same will be incorporated in the grants application form. For the antifungal resistance project, Galderma has sanctioned 7 lakhs. However the centres other than PGI Chandigarh need to be assessed for capability to undertake these tests- whether they are accredited.

- d. **Text books**- SOP has been made by Dr Rashmi Sarkar for writing of textbooks. Textbook advisory Committee will negotiate with publisher and also monitor the Project. They will also monitor Royalty Money. A project Director will be nominated who will have specific operational powers and will monitor project.
- e. **Patient information leaflets**- Bhalani has agreed to print at Rs 175/page. If the printing is fine- the SIG newsletters can also be given to them.
- f. **Guidelines**- The Pemphigus guidelines will not be published as advised by IDOJ review. The Psoriasis guidelines are being updated by SIG Psoriasis and will be published as supplement in IJDVL.
- g. **Workshops**- It was decided to throw open bids for any branch to agree to host the Aesthetics Workshops. The IMPACT Psoriasis workshops- The Local SIG co-ordinators are to decide the speakers along with SIG Psoriasis members.
- h. **Dermagyan**- Curatio has agreed for the Rs 60,000 per lecture. The topics should be broadbased and standard should be definitely higher than the PG Seminars.
- i. **IADVL e- library**- If one member is at more than one place, he/ she can be replaced by a new member so that more members have access.
- j. **NitiAyog report of MCI**- Dr Venkataram Mysore opined that every dermatologist should respond. A team formed under leadership of Dr Venkataram Mysore, Dr YogeshMarfatia, Dr AmeetValia and Dr Seetharam to oversee this response. It was suggested that Dr Deepikapandhi and Dr RjivSridharan can also assist.
- k. **Task Force**- To make instructions for functioning of Academy. Proposed Dr Deepak Parikh as Chairman of the task force and Dr Manas Chatterjee as Convener. Members would be Dr Rashmi Sarkar, Dr PN Rao, Dr Ramesh Bhat, Dr Suresh Talwar and Dr Venkataram Mysore.

#### **President/ Secretaries meeting**

1. **Membership**- TheHony Gen Secy opened the meeting with discussion on the requirements to become LM- PG result certificate and MD Degree certificate. Dr Rajiv Sridharan from Kerala said that there were few colleges in Kerala where when the PGs enrolled, college were MCI recognised and later they were de-recognised. So they were eligible for PLM, but now on passing are not eligible for LM. The Secy reiterated that MCI recognised MD/DNB degree is a mandatory requirement for becoming LM. The state secretaries should take up the matter with the respective State Medical Councils. There was also a point that the criteria for associate membership, was not very clear. Goa AND Telangana memberships to be monitored by the Membership Committee.  
**Decision**- It was decided that membership committee would look into the actual definitions of memberships- life, associate and PLM and would be wetted by the Constitutional Committee before changes in the wordings can be done in this matter.
2. **The Hon. Sec. Gen. also said that very few states had given lists of co-ordinators** of e-voting, e-library and practise management cell. So he requested for more active co-operation from the state representatives.
3. **Practise management cell**- He said that the PMC should be there at state levels to handle issues such as quackery and therefore needs to be set up. The local branches should take up the matter at the State level. It will especially help the young practitioners.
4. **Website**- TheHony Gen Secy described the functioning of the new website in detail. A demonstration was also done. So now all membership applications should be routed through website. All state presidents and secretaries should log in to their accounts as early as possible. State secretaries need to process the membership applications as quickly as possible from their side so that no delay occurs. The membership card and IADVL certificate would also now be printable from website. Dates of implementations were announced. So only if member logs in, he will get benefits. So it will become imperative for everybody to register on the website. If for registering for Dermacons, members need to have an account in the website, then all members would register. It was also requested that the videos demonstrating the functioning and advantages of using website should be shown in all Cuticons.
5. **Finance**- The Treasurer said that all state should have PAN as early as possible. A PAN number column should be present for state secretaries in website. Funds can be given by Pharma only in case PAN is available. TIN number should also be available. Any funds coming in any going out of IADVL fund, service tax will be levied. When the secretaries of States change, new bank accounts can be opened, but PAN should remain the same.

#### **Finance Committee**

1. 1 Crore- to be made into Fixed deposits.
2. Academy account will start functioning as a separate account as Grants of 2015 has been transferred.
3. The PAN issue should be resolved with the Auditors.
4. Weekly updation of accounts being done at IADVL HQ.
5. A Dictaphone was in possession of Dr RohitBatra and needs to be taken into possession of IADVL.

6. The treasurer would be cosignatory for IJDVL accounts. Accounts should be opened in Non Nationalised Scheduled banks. The other co-signatory for the Editor Dr Saumya Panda is Dr ArijitCondo (nominated by editor). 2 of the 3 signatories need to sign at one time for validity of cheques. So Treasurer would have viewing rights. Quarterly report of funds should be sent to IADVL.
7. **Proposal by Finance Committee**- Auditors fee to be negotiated to Rs 10,000 per month. Additional fee for extra work. The fees he has claimed for Transfer of IADVL HQ and registering of society under income tax should be accepted. SOP preparation fees of Rs 1,00,000 needs to be reduced. Every travel to Delhi- Rs 10,000 and outstation Rs 20,000 has been proposed. PAN IADVL should be used for all transactions- Dermacon, Middermacon. The same can come into force from Middermacon 2017.

#### CC Meeting

1. **Report**- TheHony Gen Secy read the report after updation from Last meeting. A total of 9116 members as of now in IADVL- 7000 LM, 2620 PLM, 154- ALM.
2. **Website**- The new website model was discussed in detail and demonstration was also done. There was a point raised whether associate members should be allowed the privileges of registering in the website. There was no consensus on the issue. It was also suggested that an option of e-voting should be present on the website. The PLM- LM membership conversion will be entirely online and that would revolutionise the issue and all delays will be reduced with this operation.
3. Dr ArijitCondo proposed that all **Chairpersons/Convener of Committees can be appointed prior to the AGBM** by the President elect in consultation with the President and announced in the opening day AGBM. This will reduce delays in passing proposals by the last day AGBM and allow for all proposals to be discussed in the Dermacon location itself. So list of all Committees to be proposed in concluding years AGBM and approved by last day AGBM.  
**Decision**- This matter was agreed to by the house.
4. Dr Sanjeev Handa said that the **National secretariat address** should be prominently there on all conference brochures and that was well taken.
5. **Academy**
  - a. **The duration of observership**- 1 month duration should be mentioned on all IADVL observership certificates and the terminology should not be changed. Since the Govt institutes are finding it difficult to obtain permissions for more number of observers per year, their demand for not increasing number of observers should be agreed to.
  - b. **Quiz**- It was suggested that the actual expenses incurred by the participating teams should be paid to them rather than a pre- determined account.  
**Decision**: It was decided that the EC will deliberate upon this matter and come back with a solution.
  - c. **Scholarships**- It was suggested that more dissemination of information regarding scholarships should be done. Also the scholarship money can be increased.  
**Decision**: It was decided that the EC will deliberate upon this matter and come back with a solution.
  - d. **Dermatopath Fellowships**- It was suggested that the scholarship money of the fellowships was too less and need to be increased. Also the mediators of the fellowship need to coordinate the matter.
  - e. **Research Grants**- 2 copies of MOU for the grants to be obtained. It can also be digitalised. The submission of manuscripts resulting from projects needs to be given importance and it will also have a bearing on the same principal workers applying for further projects.
  - f. **Books by Academy**- SOP has been formulated. Project Director with clear cut powers and monitoring responsibilities will be nominated.
6. **IJDVL**- The IJDVL proposes to include a session on publication, reviewing and journal related issues in all Dermacons. Dermacon 2017 has such a session steered by Dr Ramam.  
**Decision**: Approved  
It was suggested that IJDVL Editor should be a part of Indian Association of Editors.
7. **IDOJ**- It was proposed to take up the matter of amendment of publication rules required for teaching experience with the MCI. Dr ShyamVerma suggested that a task force should be formed by IADVL for the same.
8. **Proposal: Introduction of positions of Secretary General Elect and Treasurer Elect**  
Name of proposers: Dr. Venkataram Mysore LM/KN/3211, Dr. Yogesh MarfatiaLM/G/419, Dr. Shyamanta Barua LM/NE/4266, Dr. Rajib Gogoi LM/NE/4272, Dr. Koushik Lahiri LM/WB/2503, Dr. Arijit Coondoo LM/WB/2364, Dr. Ramesh Bhat MLM/KN/2051, Dr. SomeshGuptaLM/ND/653, Dr. Biju Vasudevan LM/C/5377, Dr. Devesh Mishra LM/UP/2361  
Is any one of the proposer member of CC? Yes  
Is it administrative/policy/constitutional related? Constitutional  
How will it help IADVL?  
Currently Secretary General and Treasurer have two year terms. While the other positions of President, Academy Chair/Convener, Editor all have one year position as Elect to prepare for the job, these two positions, which are so vital do not have the same. This causes problems in transition and administrative delays in the first few months of taking over.  
**Proposal**:  
Introduction of positions of Secretary General Elect and Treasurer Elect – they will be elected as per current eligibility rules for these positions, and election will be held in the first year of term of current Secretary General so that they will

spend one year as Secretary and Treasurer Elect before assuming office. This means that the first election for these positions will only happen in 2018.

Proposal of Secretary General elect and Treasurer elect- For the second year of the tenure of the Secretary General and Treasurer, A Secretary elect and Treasurer elect need to be elected.

**Decision:** Proposal approved by CC and the matter to be put up to Constitutional committee before the final AGBM approval.

**9. Proposal:** *DERMACON restructuring*

**Name of proposers:** **Dr. Venkataram Mysore** LM/KN/3211, **Dr. Sandipan Dhar** LM/WB/2446, **Dr. Koushik Lahiri** LM/WB/2503, **Dr. Arijit Coondoo** LM/WB/2364, **Dr. Manas Chatterjee** LM/WB/2740, **Dr. Biju Vasudevan** LM/C/5377, **Dr. Devesh Mishra** LM/UP/2361

How will it help IADVL?

Current model of DERMACON consisting of workshop, single hall CME and conference is more than a decade old and needs revision to meet current demands of a rapidly expanding speciality with several subspecialties.

Proposal:

Current restrictions on holding only one session CME be removed; instead, let parallel sessions be allowed on all days of the DERMACON. The terminology instead may include – Symposia, Workshop –either pre or postcongress, Master classes, Courses or Focus sessions.

**Decision:** Proposal accepted. Trial can be done at Kolkatta. If it is successful, then can be taken ahead.

**10. Proposal:** *CCM to be delinked from MID DERMACON and all business meetings of IADVL including ECM, Academy/Journal meeting and CCM to be held in IADVL HQ city (New Delhi).*

**Name of proposers:** **Dr. Venkataram Mysore** LM/KN/3211, **Dr. Shyamanta Barua** LM/NE/4266, **Dr. Biju Vasudevan** LM/C/5377, **Dr. Devesh Mishra** LM/UP/2361

Currently CCM is being organized at the place of MIDDERMACON. This makes organization of CCM difficult and subject to cooperation of MIDDERMACON organizers. Also since MIDDERMACON are at two tier cities, travel often becomes expensive and also more extensive leading to additional days of accommodation for all CCM attendees at IADVL expenses.

Proposal:

CCM be delinked from MIDDERMACON and be held at IADVL HQ city (New Delhi) every year in August 2<sup>nd</sup>/3<sup>rd</sup>/4<sup>th</sup> weekend. This will facilitate smooth handling of the CCM under the sole control of the Hon. Secretary General and President, and enhance the utility of the HQ. It is also proposed that all business meetings of IADVL- be it ECM, CCM, Academy meeting, Journal meeting or any Committee meeting be held only at IADVL HQ city (New Delhi).

**Decision:** The proposal has been accepted. However it needs to be ratified by AGBM and implementation can begin in 2017.

**11. Proposal:** *Purchase of land or building for permanent office of IADVL*

**Name of proposers:** **Dr. Venkataram Mysore** LM/KN/3211, **Dr. Shyamanta Barua** LM/NE/4266, **Dr. Prabhat Kumar** LM/BJ/2065, **Dr. Devesh Mishra** LM/UP/2361

How will it help IADVL?

Presently IADVL has an office in a small two room apartment in a building which belongs to IADVL Delhi branch. While this is a great beginning, it is important that IADVL plans for a larger building befitting its stature. Further, significant surpluses are flowing from DERMACONS and in order to prevent taxation, proper investments be planned for the future. Buying land or a building is one such option.

Proposal:

EC be authorized to start looking for a building or land in Delhi which can take care of the needs of the association for the next 25 years, and be able to house an office of at least 10,000 square feet, preferably an independent building or land on which such a structure can be built.

**Decision:** Approved. Dr Anil Ganjoo can oversee this project.

**12. Proposal:** *Charging bidding amount from DERMACON venue bidders*

**Name of proposers:** **Dr. Suresh Talwar** LM/UP/2329, **Dr. Ankur Talwar** LM/UP/5653, **Dr. Kshama Talwar** LM/UP/7374

If constitutional – will it replace existing clause? Or modify?

Modify – Page no54 Part II byelaws9

Proposal

IADVL is charging money from various contestants for IADVL Executive posts. Similarly a sum of Rs. 20000/- can be charged from venue bidders. This will remove non-serious bidders.

Does this proposal need referral? Yes, to Constitution Committee

However proposer put in few additional points: For 5 years same city cannot bid. Faculty should be reimbursed 50% registration.

**Decision:** A fresh proposal should be put up as this proposal in this form was not put up before CC meeting.

**13. Proposal:** *Voting rights for newly inducted Life members*

Name of proposers: **Dr. Shashi kumar B M** IADVL/KN/5241, **Dr. Venkaratam Mysore** IADVL/KN/3211, **Dr. Ramesh Bhat M** IADVL/KN/2051, **Dr. Raghunatha Reddy R** IADVL/KN/2925, **Dr. Manjunath Shenoy M** IADVL/KN/2878, **Dr. Harish M R** IADVL/KN/4086

Voting rights for recently added/converted new LMs will help in choosing good administrators

Proposal

Constitutional stand on voters eligibility "The Electoral Roll will consist of all direct members of the Association and members through a state branch or combined state branch and on whose behalf CFC has been received at the office of the Honorary General Secretary by 31st March of the Association year, and who have no outstanding dues to the Association" – But there was delay in conversation of PLM to LM and also addition of new LMs. Its administrative delay – by state or central or both. But the members are deprived of voting powers. Request to consider all new LM's (both direct and PLM converted) done till July 31<sup>st</sup> and who had submitted their application before March 31<sup>st</sup> to Central or State Secretary to new electoral list of 2016 and bestow them voting powers. Nearly 1000 new members will have voting powers and they may be decisive in choosing good administrator.

**Decision:** Presently final acceptance date of conversions to continue as 31<sup>st</sup> March. When it becomes evoting alone-deadline can be extended.

**14. Proposal:** *Sponsorship for IADVL Pharma Orations*

Name of proposers: **Dr. Sudip Das** LM/WB/3322, **Dr. Satyendra Nath Chowdhury** LM/WB/2529

Is any one of the proposer member of CC? Yes

IADVL and DERMACON 2017 will benefit monetarily

Proposal

At present there are two IADVL- Pharma Orations on two days of DERMACON. If the Organising Committee of DERMACON 2017 is authorised to explore sponsors for the IADVL Oration (other than the Ambady Oration), both IADVL and DERMACON 2017 can mutually benefit.

**Decision:** Adhoc sharing between IADVL, State and Pharma will be done this year. MOU proper should be done. IADVL platforms will be opened up for 5 lakhs/ oration and MOUs will be made. Central Scientific committee will take a call on awardee.

**15. Proposal:** Organising Secretary of DERMACON should be eligible for post of Vice President

Name of proposers: **Dr. Sudip Das** LM/WB/3322, **Dr. Satyendra Nath Chowdhury** LM/WB/2529

Name of proposal: Is any one of the proposer member of CC? Yes

Is it administrative/policy/constitutional related? **Constitutional**

Encourage the Organising Secretary of DERMACON to be more proactive and the association will get an experienced person for an important post.

Proposal

The post of Organising Secretary of DERMACON should be included in the eligibility criteria for contesting for the post of Vice President of the association.

**Decision:** No agreement could be reached on proposal

**16. Proposal :** Revival of SIG CADR

Name of proposers: **Dr. Sudip Das** LM/WB/3322

Is any one of the proposer member of CC? Yes

Is it administrative/policy/constitutional related? **Administrative**

How will it help IADVL?

Aid in preparing a registry of CADR for the association

Proposal

The highest amount of compensation in medical history was paid for SJS-TEN. This is very important in modern life as newer drugs keep on coming everyday with newer patterns of CADR unmasking regularly. We proposed to prepare a registry and a mobile app for CADR in addition to other activities. All these can be implemented once SIG CADR is revived.

**Decision:** Not approved. Preferable to now change into a focus group. If app is requested, proposal to be put up. The ADR form not being filled regularly. There may be duplication of reporting- Pharmaco- vigilance & IADVL.

**17. Finance report-**

- a. The accounts were passed. Approved by Dr Suresh Joshipura and seconded by Dr Hema Jerajani. Bank accounts for IJDVL to be opened in Non Nationalised Scheduled bank. IJDVL accounts were approved by Dr Rajiv Shreedharan and seconded by Dr CR Srinivas.
- b. **Auditor's proposals-** Auditors fee to be negotiated to Rs 10,000 per month. Additional fee for extra work. The fees he has claimed for Transfer of IADVL HQ and registering of society under income tax should be accepted. SOP preparation fees of Rs 1,00,000 needs to be reduced. Every travel to Delhi- Rs 10,000 and outstation Rs 20,000 has been proposed. Needs to be negotiated to a reduced price.

**Decision:** Dr Somesh Gupta to look to reduce the expenditure to the Auditor on above points and the remaining accepted.

- c. **PAN IADVL** should be used for all central transactions and conferences- DERMACON, Mid DERMACON. Separate TIN not required and separate income tax will not be levied. If transferred with same PAN, no TDS will be accrued. The same can come into force from Mid DERMACON 2017. Dr Reena Rai opined that this should be put in the MOU

**Decision:** Approved by the house

- d. Dr Sanjeev Handa raised a point that there is a new ruling that Society money cannot be kept in Fixed deposits. Also accounts needs to be a current account.

**Decision:** That auditor will be consulted for above point.

18. **MID DERMACON 2016 and ADC 2016** Organising Chairpersons/Secretaries presented updates on the respective conferences and the house was generally satisfied.

19. **Community Dermatology-** plan to bring out a booklet- E bulletin with small funds.

20. **People connect cell-** To bring out patient education booklets with watermark of IADVL.

21. **ITATSA-** Proposed a run during DERMACON to promote activities. They plan to provide T shirts for the runners and also proposed for a session at DERMACON.

**Decision:** ITATSA to put up a composite proposal to the EC and Financial Committee.

22. It was proposed by the EC that the contents of **ACAD expert of the week** be compiled into a e-book and made available at IADVL website so that it can be viewed and downloaded. Printed copies may be made if pharma support becomes available.

**29. President Elect proposals:**

- a. Delink PLMship with state, let us create a central PLM cell like central branch. PLM can join as a central member, total fees to be paid at center, journal contribution can be forwarded and state contribution can be forwarded at the time of conversion. PLM no. can entitle them for all the benefits as a PG student , soft copy of journal is always available for ready reference. This will facilitate easy conversion. Let us study online membership module as well. If need be, may be referred to constitution committee. While joining , only permanent address is asked , journal can go there. PLM Conversion The onus is on state branch from where they joined. Let us ask state branches to prepare yearwise joining list of PLM and do the follow-up with them

**Decision:** With the new website becoming functional and conversion of PLM to LM becoming easier, further details can be worked out after seeing the functioning of the website.

- b. **Allocation of budget for proposed IJDVL PG thesis supplement.**

Every year approx. 400 PG thesis are generated. IJDVL criteria for original articles may not facilitate inclusion of articles based on PG thesis. Every year a supplement of IJDVL only including PG thesis can be published. It has to be a peer review based process to maintain the quality and standard achieved by hard working IJDVL team. One issue cost is 8 lakhs which can be allotted to IJDVL from IADVL fund after budgetary consideration.

**Decision:** Matter to be discussed with new Editorial Committee for details

- c. **E voting registration:** can be atleast 3 months say Jan to March every year, if possible, we should intensify the drive to enroll more e-voters , a task force can be created involving state EC

**Decision:** More intensified drive required. Website package for evoting to be discussed

- d. **To revive PG Teacher Forum:** Approved. Whatsapp HOD group is existing. That can also be used. Details to be worked out

- e. **To strengthen Practice Management Cell activities:** Approved. Details to be worked out.

## **IADVL PUBLICATIONS AND BOOKS**

### **IADVL Patient Information Leaflets**

Patient information leaflets for ten common diseases (acne, adverse drug reactions, atopic dermatitis, genodermatoses, herpes zoster, molluscum contagiosum, scabies, urticaria, varicella and warts) were uploaded during 2015 at [www.iadvl.org](http://www.iadvl.org). This year twelve more, on Diffuse hair loss, Vitiligo, Psoriasis, Melasma, Androgenetic Alopecia, Dermatophyte infections, Pediculosis, Leprosy, Dandruff and SD, Hyperhidrosis, Recurrent folliculitis, and Alopecia areata, were prepared by the IADVL Task Force (Dr Vishalakshi Viswanath, Chairperson. Members: Dr Vinay Gopalani, Dr Shekar Neema, Dr Tanumay Raychaudhari, Dr Satyendra Singh, Dr Ankur Talwar, and Dr Sudha Vani).

Under review by Academy members, they will soon be uploaded at our website and on egroups for comments from members. Efforts are being made with the association of state executives to translate them into local languages.

### **Psoriasis Symposium in IDOJ**

These articles were commissioned as psoriasis guidelines by Dr Sanjay Ghosh, uploaded for review to IDOJ by Dr Asit Mittal, and reviewed by Dr Murlidhar Rajagopalan as SIG Psoriasis Coordinators. Since not all articles were revised, it was decided to publish them as a supplement. The following three articles were published in IDOJ. 2016;7:6 (Nov-Dec) thanks to the efforts of Dr Deepika Pandhi from the Academy and Dr Sunil Dogra as IDOJ Editor:

1. Psoriasis: Epidemiology, clinical features, co-morbidities, and clinical scoring (Sunil Dogra, Rahul Mahajan)
  2. General measures and quality of life issues in psoriasis (Rashmi Sarkar, Shikha Chugh, Shivani Bansal)
  3. Biologics use in Indian psoriasis patients (Murlidhar Rajagopalan, Asit Mittal)
- Another three are under review.

### **IJDVL Symposium on Lasers**

This is being prepared by the SIG Laser and Aesthetics (Dr Shehnaz Arsiwala, Coordinator and Dr Swapnil Shah, Convener).

### **Pemphigus Guidelines**

Work on these guidelines started 4 years back, when Dr Jyoti Nath was the Coordinator, SIG Pemphigus. Since many of them, submitted to IDOJ, were not revised despite repeated reminders, it was decided to allow authors to publish their articles independently.

### **Melasma Guidelines**

These are being prepared by the SIG Pigmentary Disorders (Dr Nilendu Sarma, Coordinator & Dr Shital Poojary (Convener).

### **Dermatopathology Atlas**

The dermatopathology atlas edited by Dr Pradeep Mahajan was released at the Asian Dermatology Congress-2016 in Mumbai.

### **Textbook on CADR**

A textbook on Cutaneous adverse drug reactions is being edited by Dr Lalit Gupta, Dr Abhay Mani Martin, Dr D'Souza Paschal and Dr Sushil Pandey. Most of the chapters were submitted for final formatting.

### **Textbook on Trichology**

An edition of PMC bulletin, *Dermapractice* was released at MID DERMACON 2016. It dealt with issues like customer satisfaction, service tax for dermatologists, group practice, setting up a pharmacy and quackery in dermatology. It also featured tips for successful practice from senior dermatologists beautifully compiled by Dr Geraldine Jain.

Periodic CMEs were conducted at various cities all over the country of which one CME each had been conducted at Navi Mumbai (8<sup>th</sup> July), Aurangabad (17<sup>th</sup> July), Mumbai (31<sup>st</sup> July), Jaipur (11<sup>th</sup> Sept) and Hyderabad (20<sup>th</sup> November).

Besides these, IADVL PMC had lectures and Panel discussions at most CUTICONS, Mid-CUTICONS, DERMAZONES and Practising Dermatologists sessions all over the country.

The recent issue of Demonetisation and its effects was dealt with at CUTICON Maharashtra.

Here are excerpts from some of the CMEs

### **IADVL PMC CME ,Aurangabad**

CME of Practice Management Cell for the year was planned at Aurangabad, Maharashtra. Topics were selected considering common issues faced by a dermatologist in routine practice. Most of the speakers were selected from the city of Aurangabad. Almost 65 delegates from nearby region registered for CME and it was free for all IADVL members.

**Dr. Prashant Palwade, Member, Practice management CME** and organizer of CME started proceedings of with a welcome note and gave a brief outline of topics which would be covered by speakers. **Dr. Manish Gautam, Convenor, Practice Management Cell**, briefed delegates on formation of PMC as a part of EC IADVL and its agenda for the coming year.

CME started with a talk by Dr Ajeetsingh Sethi, Dermatologist from Aurangabad on **soft skills and grooming**. The other talks in the CME were on Clinic Management Software, ISO/NABH accreditation, Managing Finances and taxation: Financial planning options, How to succeed in derma practice, Clinical Establishment Act and Quackery

### **IADVL PMC CME Jaipur**

PMC CME Jaipur was held on Sep 11th 2016 at Hotel Fortune, Bais Godam Circle. Over 70 delegates, Strictly registered IADVL members from Jaipur, Jodhpur, Delhi, Gurgaon & Noida attended the meet & it was free for all IADVL members. Topics were selected considering common issues faced by a dermatologist in routine practice. Speakers included Dermatologists, Chartered Accountants, Medico legal, Corporate training & Marketing experts from all over.

### **IADVL PMC CME Hyderabad**

A total of 145 dermatologists had attended this meeting, which was conducted in Gandhi Alumni building, a very reputed place for the medical knowledge exchange. This was the first time that we ever conducted such a meeting which dealt with non- technical topics and we had invited upon the Judge, Shri N. Jesu ratna kumar who was a Director of Judicial Academy where the train the newly recruited judges. We had a healthy discussion prior to the meeting. I had informed him about what and where we face problems in our daily clinical and cosmetic dermatology practice. Ms. Harrachan kaur was an advocate who had spoken about the civil and criminal cases against the doctors. Dr. Putta Srinivas who had written many books on medico legal issues had spoken about the consumer forum cases. Then Mr. C. Vamsi had spoken about how taxation is going to affect us and how GST is going to change and the account keeping with dermatologists. He had given insights about how the pharmacy has to be managed with records and book keeping.

Then, Dr. P. Narasimha Rao Ex-Gen. Sec. IADVL had moderated a session with the above panelists along with Dr. E. Ravindra Reddy, Chairman, Telangana Medical Council. We had raised several technical, non- technical queries regarding judgements in favour of / against the doctors. We raised the topics of Hair transplantation being done by other specialties and other allied practitioners such as homeopathy, ayurvedic and dental doctors. Medical council chairman has assured us strict action in case the association takes it up. We urged the local IADVL bodies to take up this as the main agenda. Though many speakers and delegates were of the opinion that IADVL practice management cell could take up this agenda and follow it up in the future at the national level.

Besides this, various initiatives were taken against Quackery in Dermatology.

Recently, there was a death after hair transplant which was reported to have been performed by an MBBS doctor in a saloon. While the cause of the death could not be precisely ascertained ( as postmortem was not done) and could have been due to medical causes, the case demonstrated the lack of regulations and need for regulations in this field.

The Karnataka branch of IADVL Bangalore took up the issue with health authorities in Govt of Karnataka ( attached) and we are happy to say that the authorities responded quickly. They issues press notes and a circular to all health authorities , summary of which is:

1. Medical procedures should not be performed by beauty clinics and salons.
2. If they wish to do so, they should take approval and permission as per clinic establishment act after meeting all requirements including appointment of a dermatologist

The circular copy is attached. This is being published to show what an alert association can do- we need to liason with authorities and use the influence that IADVL has.

Also, Marathwada Chapter of IADVL Maharashtra have submitted a letter to health authorities as under.

Similar actions against quackery in dermatology have been initiated in many other cities and we are expecting positive response from the health authorities in this regard.

The Practice Management Cell session at DERMACON 2017, Kolkata has been entirely designed to tackle issues against Quackery in Dermatology.

The Practice Management Cell aims to take this fight against quackery to the next level in the forthcoming year.

Besides the above, IADVL PMC 2016 has also pursued the Clinic Management Software initiated by PMC 2015, wherein the issues regarding sponsorship by trade industry were addressed. Meanwhile , another vendor has approached PMC

**Subject: Regarding Mandatory Registration of Therapy Establishments under KPME Act & Rules.**

Indian association of Dermatologists, venereologists and leprologists Karnataka have given a memorandum to honourable Minister of health and family welfare complaining about medical procedures and delivery of treatments like chemical peels micro needling laser therapy, platelet rich plasma which are being performed mostly by untrained technicians and beauticians at spas hair transplantation centres, and saloons. These therapy establishments are owned and run by non medical people. All these spas, salons Hair transplantation centres and other beauty related establishments are coming under the category of Therapy establishments under KPME act 2007.

It is observed that Unqualified and inadequately trained technicians are performing the above mentioned medical procedures using laser machines which may lead to side effects and complications. They do not take adequate aseptic precautions and do not give proper counselling and information about post treatment skin care to prevent complications. Even they are indulging in stem cell treatments which need ethical approvals. These therapeutic dermatologic procedures need to be performed only by professionally qualified and trained doctors and the fact is most of these establishments are not registered under KPME Act and rules.

District Health Officers along with local Inspection Committee members under the directions of Chairman District Registration Authority i.e. Deputy Commissioner of the District are hereby instructed through this circular to inspect these spas and beauty clinics and other establishments which are practising medical therapeutic procedures and issue notices to apply for registration under KPME Act after giving reasonable time.

Further all these establishments should also apply and obtain Registration and appoint qualified Doctor appropriate to the speciality, diagnosis and treatment as per the rule 6 sub-rule (2) of KPME RULES 2009 and undertaking to this effect is a mandatory prerequisite for registration. Advisory and warning may also be issued to these establishments that

- As these are medical, cosmetic and hair procedures are to be done only by trained Dermatologist with recognized qualifications from Medical Council of India who is employed can perform these medical procedures or under his supervision.
- Name qualification and the timings of the dermatologist need to be displayed prominently.
- Advertisements are allowed as per Regulations of the Indian Medical Council (Professional conduct, Etiquette and Ethics) Regulations, 2002.

 Aurangabad

Respected sir,  
 We are members of Marathwada Chapter of Maharashtra State branch of Indian Association of Dermatologists, Venereologists and Leprologists. We are qualified doctors bearing MBBS degree and post graduation in the subject of skin and venereal diseases and practicing in Aurangabad city.

We want to bring to your notice some illegal practices being adopted by unqualified doctors to pretend as skin and hair specialist.

Skin and hair specialist is field of specialization, which is acquired after MBBS Degree. In our city many BAMS, BHMS and other unqualified doctors are practicing as skin specialists. They have put up large boards, hoarding claiming them as skin, hair and laser specialists. They have put up large papers and advertising with false results and promises. All their prescriptions contain modern allopathy medications which are to be prescribed by skin specialists with proper training in use of these drugs. Also, these doctors are using lasers and other procedural equipments which require thorough training and to practice this it has to be part of one's teaching curriculum. The qualification they possess do not entitle them to do any of these things. Thus this is illegal and liable for action.

Laser and Hair Transplant treatment need protocols which are not followed by these unqualified doctors and result in damage to health of patient. eg. Last month there was a death in Chenuas after Hair transplant in a saloon.

One of unqualified doctor is making a claim that he cures skin diseases within time of 2 minutes which is illegal under The Drugs and Magic Remedies (Objectionable Advertisements) Act, 1954.

We have attached copies of prescription and details of such unqualified doctors for your information and immediate action. It's already been very late on our part to bring this to your notice. If action is not taken now, these unqualified doctors will become a menace over a period of time.

Looking forward to a constructive step from your side.

with a software for clinic management. Both the vendors will have presentations to the PMC and IADVL EC at DERMACON 2017. The decision will be taken in opening GBM regarding the steps forward.  
 We are thankful to IADVL EC 2016 for their support and encouragement .

Regards
