President's Message

Dr. Yogesh Marfatia

LM/G/419

It is said that in dreams begins the responsibility.

My responsibility started after I was declared elected as President in December 2015.

As a President Elect(2016), I learnt a lot about IADVL , its issues and challenges and this helped me in shaping my ideas into decision and action.

Initiatives taken by me with whole hearted support of all EC members and ofcourse, IADVLites :

1. IADVL Task force Against Relcalcitrant Tinea(ITART): We have planned to come out with User's Manual on Tinea and presentation on Tinea is almost ready and will be available for all to go to non-Dermatologists.
2. IADVL Task force for Dermatology Education: We have planned a pilot workshop to discuss curriculum, exam pattern and other academic issues.

We had a fruitful meeting with Director, National Board of Examinations and it was decided to initiate post-MD fellowship in Dermatotomy, Dermatopathology and Pediatric Dermatology.

We are also planning a meeting with President ,MCI to discuss various issues.

3. PG Thesis grant of Rs.50,000 for 20 PGs is introduced and will be available from current year.PG Thesis based Award paper session is introduced from Mid-DERMACON.
4. Publications: User's manual on Tinea and Corticosteroids(Topical and Systemic) , Textbook on Geriatric Dermatology: Process is started and we are hopeful to come out latest by DERMACON.
5. A meeting with Drug Controller General of India turned out to be very fruitful.
6. IADVL HeadQuarter building project: A committee is constituted and exploration of land as well as financial planning is initiated.
7. My suggestion to hold DERMACON INTERNATIONAL every 5 year , shall be implemented from DERMACON 2019, Bangalore.

Academy and SIG are performing at their best and every weekend is buzzing with one or other academic activity in many parts of our country.

The daunting task is to pursue all IADVLites to sign up for Online Membership Application System(OMAS), to be an e-voter and to join DVL Welfare Trust.

I am indebted to all EC members , Academy -office bearers and members as well as members of all committees/task force for marching as a disciplined soldier of IADVL and taking it to newer heights.

My sincere thanks to Dr.Shyamanta and Dr.Rajib, our dynamic Secretary and Treasurer.They are the real pillars of IADVL.

I am quite optimistic that year 2017 shall be a landmark in the history of IADVL.

Long Live IADVL.

Let us create Brilliance together.

Dr. Yogesh Marfatia

President, IADVL (2017)

Message of Immediate Past President

Dr. Devesh Mishra

LM/UP/2361

Dear IADVL Patrons,

Namaskar. We had a great DERMACON at Science City, Kolkata in Jan,2017. It was a huge scientific and organizational success liked by every member. IADVL is growing fast with the ever growing scope of dermatology.

IADVL EC 2016 had a grand memorable year. From bottom of my heart, I once again want to thank all EC members particularly Dr Shyamanta Barua, Secy General and Dr Rajib Gogoi, Treasurer who are continuing from 2016 in this year's EC with a great aplomb and discharging all responsibilities.

We are going into our first EC meet in Delhi soon. We have Dr Yogesh Marfatia and Dr Ramesh Bhat as President and President Elect respectively this year; both of them are very informed and committed. My all cooperation and helping hand in all issues to them is assured. I am sure we together at EC 2017 will work relentlessly to make it a memorably successful year for all IADVLites.

See you.

Dr. Devesh Mishra

Imm. Past President , IADVL (2017)

Hon. Secretary General Speaks

Dr. Shyamanta Barua

LM/NE/4266

Dear IADVL Members,

As I complete an eventful year in office and **step into the second half of my term** as the Secretary General of our beloved association, I look back with satisfaction at whatever that has been accomplished over the last year but realise that a **lot more remains to be done in the year ahead.**

Several of you who attended **DERMACON 2017** at the City of Joy must have gone home with cherished memories of an academically enriching and socially engaging conference. My heartiest **congratulations to Team Kolkata for a stupendous show!**

It has been the endeavour of the IADVL EC and the National Secretariat to connect to the younger members of our association. Towards this end, the **official Facebook (FB) Page** - <https://www.facebook.com/IADVL.Dermatology-> of IADVL was launched on 28th January - IADVL Day - this year. It is hoped that the page will strengthen our online presence and aid in **faster and effective dissemination of all news and information** pertaining to the association. Towards this end, I request all of you who are on FB to visit the page, click on the like button for updates to appear regularly on newsfeed and share the page amongst your friends and contacts.

I earnestly request all Provisional Life Members (PLMs) of IADVL, who have obtained a postgraduate (PG) degree/diploma in Dermatology and registered their PG qualification with the MCI/State Medical Council, to convert to Life Members (LMs) before lapse of their 5 years of provisional membership. One can **apply for conversion from PLM to LM through the Online Membership Application System (OMAS)** on the IADVL website (www.iadvl.org). The details are printed elsewhere in this bulletin.

I also urge all life members to **sign up in the website and register for e-voting and membership of DVL Welfare Trust.** The sign up process is pivotal for rectification of several anomalies and duplications in our members' database which is now linked to our website. E-voting registration assumes greater significance as our association will move to exclusive e-voting from next year.

To conclude, I offer my **sincere thanks** to the IADVL EC 2017, the Presidents and Secretaries of various state branches, the members of various committees and each one of you for your unstinted support and cooperation over the last year and look forward to the suggestions and feedback of all of you in the year ahead. Long live IADVL !

With best wishes,

Dr. Shyamanta Barua

Hon. Secretary General, IADVL

Hon. Treasurer's Note

Greetings from IADVL HQ

IADVL budget for the financial year 2017-18 was presented in the general body meeting held on 14.01.2017 at Kolkata. I sincerely thank all the members present in the meeting who actively participated in the discussion, put forward their valuable suggestions many of which were approved by the general body and the budget was modified incorporating those changes decided by the house. The final budget approved by the general body is being published herewith.

Post-DERMACON2017, as per the decision taken in the same GBM, the IJDVL fund in possession of IADVL was calculated out by EC, IADVL in consultation with IJDVL editorial team, Central Finance Committee and the Auditor of IADVL. As on 01.04.2016 (First April, year Two Thousand Sixteen), the fund value stood at Rs. 4,67,06,383/- (Rupees Four Crore Sixty Seven Lakh Six Thousand Three Hundred and Eighty Three Only) and the rounded off interest on that amount @ 7% per annum accumulated till 31.03.2017 (Thirty First March, year Two Thousand Seventeen) was calculated out as Rs. 32,70,000/- (Rupees Thirty Two Lakh Seventy Thousand Only). Subsequently, the interest component of Rs. 32.70 Lakh was transferred to IJDVL's bank account on 27.03.2017.

IJDVL's share of IADVL's income for the financial year 2016-17 shall be calculated out very soon and will be finalized along with the Income-Expenditure a/c of IADVL. The closing balance of the fund as on 31.03.2017 will be known to us before we file IADVL's ITR for FY2016-17 in July-August, 2017 and the same will be published in the August, 2017 issue of IADVL News.

This long pending job has been done with lot of brainstorming by EC, CFC and IJDVL editorial team members and we shall now ensure clear demarcation of this fund by creating a corpus fund of IJDVL in the Combined IADVL-IJDVL Balance Sheet for the FY 2016-17. This will prevent losing track of this distinct fund in future and help in yearly updation of the amount. As per the constitutional provision, transfer of the interest component to IJDVL's account at the end of each financial year must happen now onward. I consider this as an important achievement in the first year of my tenure at the office of Hony. Treasurer, IADVL and thank everyone involved for their support. Together we can achieve lot of things with such cooperation, dedication and most importantly with sincere commitment to the cause of the association as per the constitutional guidelines, in letter and in spirit.

After the successful hosting of MIDERMACON2016, the Organizing Committee has submitted the Final and Audited accounts along with Bank account Closing statement before 31st March, 2017 and has transferred to IADVL's a/c a total surplus of the conference @ Rs. 8,99,542/- as per the provisions of MoU. I must add that this surplus was after the committee had spent more than Rs. 11 Lakhs on the contingent of 100+ CC/EC members who attended the CC meeting. I sincerely thank Team Odisha for this financial contribution and congratulate the entire team for not only hosting such a successful event but also for reviving MIDERMACON in such a spectacular fashion.

Long Live IADVL

C. COMMUNITY SERVICES (*Chalo Gaon Ki Ore*)

1. Diagnosis and Management of Skin diseases in the Lakshadweep Islands

A Major agenda of IADVL, a presidential project of Dr Venkataram Mysore in 2015 was reaching out to the common man, especially in the villages of India. We, representing the Kerala Branch of IADVL as a part of this social commitment wished to serve the people of Lakshadweep by undertaking a presidential project "The Diagnosis and Management of Skin diseases in the Lakshadweep Islands" for the coming one year.

We came to understand the lack of basic Dermatology care in the islands from the repeated requests for Dermatology camps from the residents and NGO's alike. We envisage conducting Dermatology (Skin) Camps on a regular basis in

various islands of Lakshadweep where there is not even a single dermatologist to serve the islanders plagued by skin problems. Our members will be visiting the island in groups of 3-4 to conduct regular skin camps. We will also be providing free medicines to the best of our capabilities.

The main aims of the project are:

1. To address the dermatological health needs of the people of Lakshadweep including diagnosing and treating skin diseases by means of conducting regular camps by qualified dermatologists in the islands.
2. To educate the people regarding the dermatological diseases and skin care with special attention to venereological diseases and leprosy by conducting regular classes among the people, clearing doubts regarding the infective and non-infective types of skin diseases, attempt to remove social stigma associated with some diseases like vitiligo and leprosy.
3. To conduct community level research and generate epidemiological data regarding the dermatological diseases in Lakshadweep islands.

As a pilot flagship to the project, our first Skin camp was held on 29th January 2017 at Rajiv Gandhi Specialty Hospital, Agathi, in association with IQRAA Hospital. Our team led by Dr T SALIM, President IADVL K, Dr GEORGE CHAKOLA, Vice President IADVL-K & Project Director of Lakshadweep Camp, Dr K FERROZ, Secretary IADVL K and Dr RAKHESH SV, Treasurer IADVL K conducted the camp, on 29th January 2017 from 10 AM to 5 PM. The response to the 7 hour marathon camp was overwhelming with more than 500 patients seeking dermatology care attending the camp. Unlike the usual camps, medicines could be provided for almost all the patients. That, our team were seeing patients even at 11PM at our Guest house speak volumes of the dire need for dermatology care in the islands. We confronted a wide of Skin problems ranging from Infections to sunlight related problems in the islanders. What was, however, more alarming was the rampant complications from mismanagement of skin diseases by self prescription, OTC skin products and topical steroid abuse related issues etc which needs to be addressed at war footing.

We owe the success of the camp to the administration of Rajiv Gandhi Hospital, Agathi and IQRAA Hospital Staff for their excellent support and cooperation. The excellent hospitality of the Hospital authorities needs a special mention. We had a very fruitful discussion with Dr Hamza Koya, the administrative officer of Rajiv Gandhi Speciality hospital, who suggested that we profile the demographic pattern of various skin diseases in the islands. We are in total agreement with this and will incorporate it in our project.

As in Agathi, we hope, we can repeat the success story in other islands of Lakshadweep; Kavarathi, Minicoy, Amini, Kalpeni Islands etc in the coming months as well as much as the logistics permit.

2. Conducting dermatology camps for immigrant Laborers

The immigrant labourers in the state are susceptible to various health problems including skin diseases. Even diseases that are supposed to be eradicated are quite prevalent among this population. Indian Association of Dermatologists, Venereologists & Leprologists (IADVL) Kerala branch, as a part of our social commitment decided to take up the issue of the neglected skin care amongst the immigrant labourers as a presidential project for the year in association with Govt of Kerala and set up a task force to comprehensively address the skin care problems faced by the migrant labourers population. IADVL – Kerala has marked the Immigrant labourers camp programme as its marquee project in 2017. Thus we set “**diagnosis and treatment of skin diseases among the immigrant labourers of Kerala**” as its goal for the coming year. State Ministers for health and labour ministry as well as officials were contacted and a project report was submitted. Govt was quite supportive in this project and the series of camps started from February 2017. We have already conducted 10 camps in various head quarters.

The main aims of the project are:

1. To address the dermatological health needs of the immigrant labourer population in the state including diagnosing and treating skin diseases by means of conducting monthly camps by qualified dermatologists in various district head quarters and provide free medicines and relevant investigations.
2. To educate the people regarding the dermatological diseases and skin care with special attention to venereological diseases and leprosy by conducting regular classes among the people, clearing doubts regarding the infective and non-infective types of skin diseases, attempt to remove social stigma associated with some diseases like vitiligo and leprosy.
3. To conduct community level research and generate epidemiological data regarding the dermatological diseases amongst the immigrant labourer population

A pilot camp was conducted in Ettumanoor, Kerala. The camp was a huge success with a participation of 4 specialists from Kerala handling over 500 patients. This was followed by camps in Kochi, Palakkad, Kasargod, Changanassery etc. Dr. Jacob Thomas, Dr James Joseph, Dr Sandeep Ullas, Dr Rachel, Dr Shamna, Dr Gitanjali and Dr Bhavana etc conducted camps at Ettumanoor and Changanasery. Dr Sreedevan V, Dr MM Faizal, Dr Jim Jose, Dr Annu Jayan, Dr Gopikrishnan A, Dr Veena etc conducted the camps at Kochi. Dr Bindurani S & Dr Anand conducted at Palakkad, Dr MM Bhat, Dr Sreelekha conducted at Kasargod. All these camps were attended by huge number of immigrant labourers and free medicines were provided. With this successful proof of concept, IADVL - Kerala realized the need for organizing more such camps on a regular basis.

Apart from filling the gap of specialty care, the camp will aim at collecting epidemiological data regarding dermatological diseases amongst the labourers, analyzing these data and generating valuable information pertaining to the geography.

Minutes of Central Council Meeting and Closing Year AGBM 2016

Venue: IADVL Hall, Science City, Kolkata
Date: 12th January 2017 | Time: 11:00 AM - 04:00 PM

The IADVL President, Dr. Devesh Mishra, welcomed all members to the meeting of the Central Council and General Body of the Closing Year 2016. The CCM and AGBM proceedings began with the Hon. Secretary General, Dr. Shyamanta Barua, asking the members to observe a minute's silence in memory of the departed souls of those members of the association who left this world in 2016.

The minutes of the previous AGBM (Commencing Year 2016) held at Coimbatore in January 2016 were passed. This was proposed by Dr. Rajeev Sharma and seconded by Dr. Rajesh Verma. The minutes of the last CCM held at Bhubaneswar in August 2016 were discussed and following proposals were tabled for final decision and ratification:

1. **Proposal:** Introduction of positions of Secretary General Elect and Treasurer Elect

Name of proposers: **Dr. Venkataram Mysore** LM/KN/3211, **Dr. Yogesh Marfatia** LM/G/419, **Dr. Shyamanta Barua** LM/NE/4266, **Dr. Rajib Gogoi** LM/NE/4272, **Dr. Koushik Lahiri** LM/WB/2503, **Dr. Arijit Coondoo** LM/WB/2364, **Dr. Ramesh Bhat** MLM/KN/2051, **Dr. Somesh Gupta** LM/ND/653, **Dr. Biju Vasudevan** LM/C/5377, **Dr. Devesh Mishra** LM/UP/2361

How will it help IADVL?

Currently Secretary General and Treasurer have two year terms. While the other positions of President, Academy Chair/Convener, Editor all have one year position as Elect to prepare for the job, these two positions, which are so vital do not have the same. This causes problems in transition and administrative delays in the first few months of taking over.

Proposal:

Introduction of positions of Secretary General Elect and Treasurer Elect - they will be elected as per current eligibility rules for these positions, and election will be held in the first year of term of current Secretary General/Treasurer so that they will spend one year as Secretary General and Treasurer Elect before assuming office.

Discussion: Dr. Deepak Parikh and Dr. Venkataram Mysore opined that there should be SOPs for all members of EC. Dr. Rajeev Sharma also supported this. Dr. Arijit Coondoo reminded the members that IADVL will have to bear the expenses of the additional members proposed in the EC.

Decision: The proposal was approved in principle by the AGBM (passed by majority in voting). The Secretary General and Treasurer elect should be part of the IADVL EC and will be observers in the EC till they assume office. The first election for these posts will be held in 2018. The Constitution and SOP Committees will be tasked for evolving SOPs for this and the same will be tabled for ratification in the next GBM.

2. **Proposal: DERMACON restructuring**

Name of proposers: Dr. Venkataram Mysore LM/KN/3211, Dr. Sandipan Dhar LM/WB/2446, Dr. Koushik Lahiri LM/WB/2503, Dr. Arijit Coondoo LM/WB/2364, Dr. Manas Chatterjee LM/WB/2740, Dr. Biju Vasudevan LM/C/5377, Dr. Devesh Mishra LM/UP/2361

How will it help IADVL?

Current model of DERMACON consisting of workshop, single hall CME and conference is more than a decade old and needs revision to meet current demands of a rapidly expanding speciality with several subspecialties.

**Proposal:**

Current restrictions on holding only one session CME be removed; instead, let parallel sessions be allowed on all days of the DERMACON. The terminology instead may include - Symposia, Workshop, Master classes, Courses or Focus sessions.

Decision: Proposal accepted and passed by AGBM

- 3. Proposal:** CCM to be delinked from MID DERMACON and all business meetings of IADVL including ECM, Academy/ Journal meeting and CCM to be held in IADVL HQ city (New Delhi)

Name of proposers: Dr. Venkataram Mysore LM/KN/3211, Dr. Shyamanta Barua LM/NE/4266, Dr. Biju Vasudevan LM/C/5377, Dr. Devesh Mishra LM/UP/2361, Dr. Prabhat Kumar LM/BJ/2065, Dr. Yogesh Marfatia LM/G/419

How will it help IADVL?

Currently CCM is being organized at the place of MIDDERMACON. This makes organization of CCM difficult and subject to cooperation of MIDDERMACON organizers. Moreover, since MID DERMACONS are usually held at two tier cities, travel often becomes expensive and also more extensive leading to additional days of accommodation for all CCM attendees at IADVL expenses.

Proposal:

It is proposed that CCM be delinked from MIDDERMACON and be held at IADVL HQ city (New Delhi) every year in August 2nd/3rd/4th weekend. This will facilitate smooth handling of the CCM under the sole control of the EC and enhance the utility of the HQ. It is also proposed that all business meetings of IADVL - be it ECM, CCM, Academy meeting, Journal meeting or any Committee meeting be held only at IADVL HQ city (New Delhi).

Discussion: Dr. Rajesh Buddhadev and Dr. Rajeev Sharma opined that the CCM should be held in the HQ so that the functioning of the office can be assessed. Dr. Ameet Valia said that there were problems in the initial Academy meeting especially with respect to space constraints. Dr. Venkataram Mysore opined that there would be teething problems and it would improve with each year. Dr. P. Narasimha Rao was of the opinion that they should not be delinked as we are changing the proposals too often. Dr. Arijit Condoostated that the CCM was not linked to MID DERMACON even in his original proposal for holding a MID DERMACON. Dr. Suresh Talwar was of the opinion that holding CCM in bigger cities would lead to saving of money. Dr. Venkataram Mysore opined that MID DERMACON will still continue to support the meeting even if it is held in HQ City. A 3 week difference in dates between the two was proposed by Dr. Manish Gautam to improve attendance. Dr. Saumya Panda suggested that the IADVL meeting could be held in smaller places to reduce costs.

Decision: CCM to be delinked from MID DERMACON 2017 onwards. The IADVL Academy meeting and the CCM 2017 will be held in IADVL HQ city (New Delhi). The IADVL meeting may be held in smaller places and as decided by the Editor in Chief.

- 4. Proposal: Purchase of land or building for permanent office of IADVL**

Name of proposers: Dr. Venkataram Mysore LM/KN/3211, Dr. Shyamanta Barua LM/NE/4266, Dr. Prabhat Kumar LM/BJ/2065, Dr. Devesh Mishra LM/UP/2361, Dr. Yogesh Marfatia LM/G/419, Dr. Rajib Gogoi LM/NE/4272

How will it help IADVL?

Presently IADVL has an office in a small two room apartment in a building which belongs to IADVL Delhi branch. While this is a great beginning, it is important that IADVL plans for a larger building befitting its stature. Further, significant surpluses are flowing from DERMACONS and in order to prevent taxation, proper investments be planned for the future. Buying land or a building is one such option.

Proposal:

It is proposed that the IADVL EC be authorized to start looking for a building or land in Delhi which can take care of the needs of the association for the next 25 years, and be able to house an office of at least 10,000 square feet, preferably an independent building or land on which such a structure can be built.

Discussion: Dr. Anil Ganjoo stated that a site visit has been made to Dwarka, New Delhi near the Metro. It had good connectivity and property would cost about 12 crores (2400 sqft) and it would be able to cater for the accommodation. He also said that a donation cess should be levied by IADVL. Dr Amar Kant Jha opined that buying a property will help IADVL save on income tax. Dr Rajib Gogoi opined that a capping amount should be decided for the plot. Dr Venkataram Mysore said that by the EC meeting in April the concerned concrete proposal with cost and other details must be available.

Decision: The proposal was agreed to in principle and passed by AGBM. However details to be further discussed in EC meeting before taking matter forward.

5. Central Finance Committee proposals

a. IADVL PAN to be used for all conferences

The Central Finance Committee had placed this proposal in the last CCM to streamline the financial management and reduce the tax burden on IADVL by avoiding double taxation on ST/GST.

Discussion: The Hon. Treasurer, Dr. Rajib Gogoi, opined that this proposal actually makes the EC responsible for transactions for all conferences. He further stated that this measure will help in making substantial saving on service tax (to the tune of Rs. 31 lakhs this time around), if this is accepted.

Decision: The house approved the proposal and the same will be implemented from MID DERMACON 2018 for all IADVL hosted conferences.

b. The auditor's fees to be negotiated to Rs. 10,000 per month

Discussion: The Hon. Treasurer, Dr. Rajib Gogoi, opined that the Auditor may be paid additional fees for extra work for time to time.

Decision: The house approved the fees proposed for the Auditor.

The annual report of the Hon. Secretary General was then read by Dr. Shyamanta Barua. He stressed on the following points:

- a. The total number of members of the association has now reached 5 figures.
- b. The Online Membership Application System (OMAS) integrated to the dynamic website now takes a single day on an average for processing fresh memberships and/or PLM to LM conversions. As many as 841 applications have been received via OMAS since 15 August 2016. Of these, 605 have already been cleared, 94 are pending approval at various stages in the State Branch level and 25 applications have been approved but payment of membership fees is due.
- c. IADVL has moved to a live web-integrated e-database - the Member Profile Database Management System (MPDMS) - that allows live editing of member data to the member concerned as well as to the State Secretaries and the Secretary General for auto-updation in the system.

Dr. Ramesh Bhat raised the matter that a PLM from Telanganais not getting NOC for transfer of her State affiliation to Andhra Pradesh and conversion to LM. Dr. Shyamanta replied that the matter has already been resolved. The house adopted the annual secretarial report and complimented the Secretary General for the good work done with regard to digitalisation of the membership application process.

The discussion of report of the IADVL Arbitration Committee regarding IADVL Election 2016 issues was taken up earlier than listed in the agenda due to its pressing significance. It was, however, noted by the house that the member who was specifically asked to be present in the GB for discussion - Dr. Kaushal Verma - was conspicuous by his absence. Dr. V. P. Kuriyeppe opined that the strictest possible measures should be taken against the member. Dr. Kiran Godse stated that Rs. 1,00,000 was also spent extra last year for a similar purpose. Dr. Chetan Patel opined that organisational matters should be given priority over individual considerations. Suspension of membership for a year was also proposed. Dr. Ramesh Bhat pointed out that misconduct officially has to go down as a 5 year suspension. Dr. Ameet Valia was of the opinion that the member should be given a chance to defend himself. Dr. C. R. Srinivas opined that once the member has been asked to be present in the house, no academic assignment should have been taken up. Dr. Shyam Verma stated that his absence despite notice cannot be taken as a responsible behaviour by the member. Dr. Chetan Patel opined that temporary suspension of member is apt. Dr. C. R. Srinivas stated that if Dr. Kaushal Verma formally regrets the inconvenience caused to the Election Officer, matter can be resolved without any negative impact. Dr. Suresh Joshipura opined that both sides should be heard before a decision is taken.

Dr. Kaushal Verma arrived in the House at this moment. He said that he had asked for some deferment. Dr. C. R. Srinivas started the discussion by stating that IADVL stands to lose about Rs 1,00,000 from this matter. Dr. Kaushal Verma said that there

were people (Dr. C. R. Srinivas, Dr SDN Gupta) with clear conflicts in the Arbitration Committee. So the Committee structure was not appropriate. The Arbitration committee only heard one side of the matter. He also said that the minutes of the Arbitration Committee was not passed on to him. Dr. Kaushal Verma also said that the e-voting process was faulty and that there was no option of self-generation of password and also the personnel handling the portal could misuse it. He also said that he was not given adequate time for any replies and he did not violate the election rules on any e-group.

Dr. Deepak Parikh opined that the member should not look at everything with a legal angle. The Arbitration committee was reorganised after taking these conflicts into consideration. However if you start looking at minor conflicts then no member can be a part of Arbitration Committee. Dr. Venkataram Mysore said that none of us are lawyers and therefore if members have any problems with any process, they should put it up as proposals in GBM. Dr. Srinivas also pointed out the fact that the number of proposers should not affect a proposal and this matter should also by itself be taken as a proposal. Dr. Kaushal Verma said that if it was thought the election process was faulty, it should have been stopped, rectified and then re-begun.

Dr. Srinivas again raised the issue that this matter should be resolved amicably. He stated that we all belong to one organisation and we should not take all matters on legal levels. He continued that if Dr. Kaushal Verma can accept the fact that he has caused agony to the Election Officer and just shake hands, the matter should be closed with no further repercussions.

Decision: The house agreed on this final statement by Dr. C. R. Srinivas and Dr. Kaushal Verma shake hands and embraced Dr. Srinivas and the matter was closed. It was also decided that an Election Review Task Force will look into the election process in detail.

Next in the agenda was adoption of the audited accounts for the year 2015-16 and unaudited balance sheet up to December 2016. The same was tabled by the Hon. Treasurer - Dr. Rajib Gogoi - along with the recommendations of the Central Finance Committee. The accounts were unanimously passed by the house. Dr. Ramesh Bhat opined that putting the amounts as service grants may avoid service tax.

Dr. Saumya Panda remarked that he was of the opinion that any change brought into management of IJDVL Accounts should be reflected as a change in constitution and IJDVL account should be allowed to operate independently in the meanwhile. Dr. Venkataram Mysore was of the opinion that the Hon. Treasurer should be included in the loop as it was the requirement made by the Auditor. Also if both accounts are operated by the same auditor, it would benefit all. Dr. Rajib Gogoi pointed out that that he wanted to look at the MOUs before signing the income tax return and if 2 different auditors were doing the process how could he bear responsibility for something he was not privy to. He also pointed out the fact that the Treasurer was not invited to Journal meetings.

Dr. Arijit Coondoo was of the opinion that separate auditing used to happen before also at Mumbai and Delhi and the President would sign the IT return. Dr. M. Ramam opined that only Editorial matters were discussed in Journal meetings and therefore Treasurer was not invited. He also said the money due to the journal was not yet transferred by IADVL. Dr. Rajib Gogoi opined that IADVL has made arrangements for transfer of the money due to IJDVL in few days. Dr. Saumya Panda stated that it would be very difficult for the Journal Office to send quarterly reports.

Decision: It was decided that IADVL should get only viewing rights for IJDVL accounts. No quarterly report was necessary. The MoUs proposed to be signed by IJDVL should be forwarded to Auditor for final approval. The Advertisement policies will be shared. The amount due to IJDVL should be transferred by 31 March. A meeting should be facilitated between Auditor and Editor for discussion related to retention of the same auditor and ancillary issues. The house accepted the suggestion of Dr. Ashique KT that monthly bank statement of the journal can be viewed by the Treasurer for better co-ordination.

The Election Officer for the IADVL Elections 2016 - Dr. C. R. Srinivas - formally declared the election results. Dr. Ramesh Bhat M was elected the President Elect, Dr. Vijay Zawar and Dr. Jayadev Betkerur were elected Vice Presidents and Dr. Akshay R. Jain and Dr. Tarun Mittal were elected Joint Secretaries for the year 2017. Navi Mumbai won the hosting rights unopposed for MID DERMACON 2017 and Bengaluru bagged the right to host DERMACON 2019.

All newly elected members of the IADVL EC were installed in office. Dr. Yogesh Marfatia took over the Presidential reigns from Dr. Devesh Mishra. Dr. Shyamanta Barua and Dr. Rajib Kr. Gogoi continued into their second year as the Secretary General and the Hon. Treasurer respectively.

The IADVL President, Dr. Yogesh Marfatia, formally announced the composition of the various Committees for the year 2017 and declared the meeting closed.

The house confirmed the decisions of the last CCM & AGBM of the Closing Year 2016 held at Kolkata on 12th January, 2017.

Agenda 1: Discussion and adoption of accounts of DERMACON 2016

In the absence of the DERMACON 2016 Organising Secretary - Dr. Reena Rai, these were presented by the Scientific Chairperson - Dr. C. R. Srinivas and the Organising Chairperson - Dr. Byravathinam. The house was informed that IADVL received Rs. 56 lakhs as surplus from DERMACON 2016. The GB gave a round of applause for organisers of DERMACON 2016 Coimbatore.

Agenda 2: Discussion and adoption of accounts of MID DERMACON 2016

The accounts of MID DERMACON 2016 were presented by the Joint Secretary - Dr. Sambheet Malik. There was a surplus amount of Rs. 14,43,532. The expenditure on EC & CC members was approximately 13 lakhs. It was pointed out by Dr. Deepak Parikh that the organisers, as per the MID DERMACON MoU, had to pay IADVL 15% of the registration amount & 20% from pharma share. He proposed that, since that was not paid in advance and finally there is a short fall, without any lapses, they will keep the income tax liability and rest of the amount will be transferred to IADVL before 31st Jan. This was passed by the house.

Agenda 3: Annual report of IJDVL

This was presented by the Outgoing Editor, Dr. M. Ramam. Six Issues of the journal are printed every year, we have articles from all around the world and a worldwide readership. The journal has a free online access. We have referees from all around the world with a bit over representation from UK and US as it is an English journal. Dr. Ramam informed the house that it is now possible to read articles of IJDVL back till 1961. He apprised the house that it has been passed that there will henceforth be an IJDVL session in each DERMACON.

It was suggested that IJDVL should be a part of Indian Association of Medical Editors (IAME). IAME has issued a statement that the MCI guidelines are faulty. As per MCI, credits will be given only to the articles in the printed journals, only first two authors will get the credit and it should be an original article. As such, Dr. Ramam proposed that we should not alter our journal as per MCI and should be a part of IAME.

Dr. Ramam proposed a round of applause for Dr. Rajeev Sharma for single handedly helping in all the finances of the journal as its Managing Editor and for the hard working Associate Editor, Dr. K. A. Seetharam. He suggested that the journal office is in dire need of a professional editorial support. Dr. Marfatia thanked Dr. Ramam for his exemplary stint as the IJDVL Editor and the house gave him a standing ovation.

Dr. Saumya Panda took the podium as the new Editor of IJDVL. He thanked Dr. Ramam for the smooth hand over and stated that he would continue as the Emeritus Editor. He expressed his gratefulness to Dr. Rajeev Sharma for continuing as the Managing Editor of the journal and informed that Col. Manas Chatterjee would now be the Associate Editor while Dr. Biju Vasudevanta takes over as the Deputy Editor. Dr. A. K. Bajaj has excused himself from the post of the Ombudsman for personal reasons. Dr. Rajeev Sharma proposed the name of Dr. Arijit Coondoo as the new Ombudsman and it was seconded by Dr. Amar Kant Jha Amar.

IJDVL accounts were presented with a deficit of Rs 21 lakhs. Dr. Deepak Parikh proposed that if the journal is in a loss than the amount has to be reimbursed by IADVL as it is the IADVL Journal. Dr. Deepak proposed that all the principal amount of Journal fund with IADVL should be shifted to IJDVL account and the interest to be credited to IJDVL account whenever and whatsoever is the deficit. Dr. Raghunatha Reddy proposed that all the IJDVL Funds lying with IADVL since 2012-13 should be transferred to the IJDVL account by 31st March 2017.

Dr. Amar Kant Jha Amar informed the house that in the past the Journal had to be closed as there was no money left with the IJDVL so the principal amount should not be used and only interest should be used for running of the Journal. Dr. Rajeev Sharma proposed that the IADVL and IJDVL accounts should be separated and what so ever interest has been generated for IJDVL fund should also be transferred to that account. Then whatsoever is needed as deficit can be given from Journal fund. In case this is not required, the fund can be allowed to grow.

Dr. JayadevBetkerur assured the house that he and Dr. Rajib Gogoi will sit together and calculate the amount to be transferred to IJDVL before 31st March 2017. This was unanimously passed. The house was assured that the IJDVL corpus fund will remain as such and only the interest would be utilised.

Dr. Soumya Panda informed that a new IJDVL account has been opened in Syndicate Bank Branch at Kolkata. He also informed that an auditor - BLA Associated - has also been appointed at Kolkata. Dr. Rajib Gogoi then requested the new Editor to continue with the auditor of IADVL, to which Dr. Soumya assured that he will be able to conclude about the auditor only by Jan 31st 2017.

Initially there was a contract with Ranbaxy, which is not there at present. So the IDOJ team proposed not to continue with the contract but recover the amount directly from IADVL. They also proposed to increase the cash prize to Rs 12000/- and no certificates and mementos to be given instead only cash prize. They proposed to continue with the annual awards during DERMACONS. The proposal was passed by the house.

Agenda 5: Adoption of Budget for 2017-18

This was presented by Dr. Rajib Gogoi, Treasurer IADVL. Academy expenses have to be hiked to Rs. 85 lakhs. The presidential initiatives would be routed through academy expenses so adding of another Rs 10 lakhs would raise the academy budget to Rs. 95 Lakhs. MID DERMACON 2017 at Navi Mumbai was asking for seed money, which was already passed in the closing GBM. Another request by Dr. Joshipura for expenditure on IADVL history book was Rs. 30 Lakhs.

The business travel expenses for the President and Secretary General is Rs. 3 Lakhs. The past President had not utilised his Rs 1.5 Lakhs during his tenure due to health reasons, so he requested to carry it forward. Dr. Deepak Parikh proposed that since this amount is for representation of the association in an international congress for an IADVL meeting/session and since he is now the past President, the amount cannot be carried forward to this year. The house passed the business expenses of the incumbent President and Secretary General and accepted Dr. Parikh

Agenda 13: Extraordinary GBM at MID DERMACON 2017, Navi Mumbai

The IADVL President, Dr. Yogesh Marfatia, proposed an Extraordinary GBM (EGBM) to be held during MID DERMACON at Navi Mumbai for rectifying duplication/contradiction in the IADVL Constitution. Dr. Venkataram Mysore proposed that this time the CCM and EGBM could be held at Navi Mumbai for the convenience of the members to which Dr. Marfatia suggested that now it would be difficult for the organisers of MID DERMACON 2017 to manage a CCM along with EGBM. Dr. Rashmi Sarkar proposed that the EGBM could be combined with CCM which is to be held in Delhi just after two weeks. There was voting done and the verdict was in favour of EGBM to be held with MID DERMACON and CCM to be held 2 weeks later at IADVL HQ in Delhi. Dr. Deepak Parikh informed that IADVL will not have any cost burden at MID DERMACON as the Organising Secretary - Dr. Manish Gautam - has agreed to give a hall for the meeting on Saturday afternoon. Dr. Marfatia thanked Dr. Manish for the gesture.

Agenda 14: E-Voting Platform on the IADVL Website

A safe, secure and dynamic voting system has been generated by Mr. Surendar which he explained in detail. The member signs up and logs in to the website and goes to the e-voting site where a system generated password is sent. Dr. Raghunatha Reddy, Dr. Rajesh Verma and Dr. Venkataram Mysore all were of the opinion that an individual member should be able to generate his own password, there can be a system generated OTP, but the password has only to be generated by the member.

Dr. Shyamanta assured that Mr. Surendar will again work on the e-voting platform and it would be made more robust and full proof and thereafter presented to the EC and Election Task Force in April. Another issue raised was of the migration of all members already registered as E-Voter to the new system. Mr. Surrender replied that it would be done seamlessly.

Agenda 15: Asian Dermatology Congress 2016

The Organising Committee of Asian Dermatology Congress (ADC) 2016 handed over a cheque of Rs. 30 lakhs to the President and informed the house that the rest of the conference surplus will be transferred before 31st March, 2017.

Agenda 16: Report of IADVL Academy

Dr. AmeetValia informed that 9 IMPACTCMEs have taken place and 7 more will be held before May 2017. A clinical trial on Mycology is being done for which Dr. M. R. Shivaprakash of PGIMER, Chandigarh would be the Co-investigator; he is the head of a WHO-Lab at PGIMER which has Mycology Testing Facilities. Total expenditure would be 10 Lakhs of which 7 Lakhs has been approved by Glenmark and rest 3 Lakhs would be provided by IADVL.

A textbook on CADR is completed and publisher is to be decided. An Atlas on Dermatopathology was released in ADC. Dr. AmeetValia proposed for a format for publishing of the books, in which he suggested we come out with an E-Book and allow Pharma Company to print some copies and give IADVL a royalty and later on the E-book should be available for all members of IADVL. Dr. Marfatia informed that he is planning to come with the following new E-books:

- A comprehensive textbook on Geriatric Dermatology.
- A user's manual on Topical and Systemic Steroids.
- User's Manual on Management of Recalcitrant Tinea.
- Recent advances in Dermatology.
- IADVL History Book.

Dr. Marfatia also informed that the process of inviting of authors for these books would be transparent and as per the SOPs being recommended by the SOP committee. Initially these would be E-books and would later can be printed depending on the budget available. Dr. ShyamVerma raised the point that some people are already writing books on these topics to which Dr. Marfatia responded that it will be seen that no duplicacy is there. Moreover, since it is an IADVL project, it will be available free of cost to all members.

Dr. DeepikaPandhi informed that evidence based melasma guidelines are being prepared by Dr. Nilendu Sharma and they will be available next year. It was informed that the IADVL website has been revamped and now all applications for all observerships, scholarships, grants etc. would be online.

Dr. DeepikaPandhi also informed that an IADVL hair transplant workshop is being held at Delhi and the same has been approved by Delhi State Branch. The members were of the opinion that in most cases a medical college/ Govt. Institute should be venue for workshops. However in case such facilities do not exist and in rare circumstances a private clinic may be given permission to conduct the workshop.

It was informed by Dr. JayadevBetkerur that SIG Clinical Trials and Research Methodology workshops want to collaborate and work together. Dr. Venkataram Mysore opined that at least two years post PG should be mandatory to become SIG members. The consensus of the others was that at least 5 years of experience after PG was mandatory for becoming SIG members. While choosing members, their interest, experience and publications should also be considered. Dr. Nilendu Sharma opined that each member of SIG should contribute something to the SIG. There should be a periodic assessment too. It was reiterated that after one year the SIG co-ordinators had the power to tell the members that they were not contributing actively and so need to improve or they would be changed. Dr. Kavish Chauhan said that Trichology SIG should issue a position statement as to who are the specialists who can do hair transplants. Dr. Venkataram Mysore informed that the Association of Hair Transplant Surgeons had already issued a position statement in this regard.

Dr. Valia apprised the house about the budget of the Academy. A total of 60 Lakhs was allocated of which only 36 Lakhs had been utilised. He mentioned that there has been an extra income generated by SIGs which amounts to 22 Lakhs. So effectively, IADVL had to spend only 14 lakhs on the IADVL Academy Activities.

It was proposed to raise the scholarship amount for both national and International scholarships. Another proposal of Dr. Marfatia was to start Rs. 10 Lakh Scholarship as PG Thesis Grant for 20 PG's i.e. Rs. 50000/- each. 25% of the amount has to be added by the PG. A proper SOP will be prepared for granting this.

Dr. Valia informed that the IADVL Academy Review Taskforce has been constituted and will submit the report in the CCM. There was a big round of applause for Dr. Ameet, Dr. Seetharam and the team.

Agenda 17: Practice Management Software

Initially a software - Clinisoft- was approved in the Bengaluru CCM in 2015 but was not passed in the GBM at Coimbatore in 2016 as it required Rs. 15 Lakh to be spent by IADVL. The PMC team was asked to find a sponsor for the software. The house was apprised that another software - Iatroconnect- is available free of charge to IADVL members for 1 year after which it would be paid.

Dr. Venkat informed that the previous software was far better planned and advanced than the newer one and this has also not been used by many people. But since it is available for free let the house decide. Dr. Tarun Mittal suggested that we can ask the vendor to initially give the software to 300 members free of cost as a test run for a period of 6 months without advertisements and then we can decide the quality of the software till CCM. These 300 members would be selected by the PMC. The vendor accepted the proposal and thanked the house.

Prof. Ruzicka is a professor of international repute and heads Europe's largest dermatology department. He has over a thousand scientific publications and has done pioneering research in many areas.

Prof. Ruzicka has been a friend of IADVL for many years, has been a gracious and generous host of many IADVL members who have been taken as Observer Dermatologists for periods varying from one month to over six months and has provided scholarships to more than 30 members of IADVL during the past six years in his 3 world renowned International Summer Academy courses.

Is any one of the proposer member of CC? Yes

Is it administrative/policy/constitutional related? Constitutional

How will it help IADVL? There are presently no set criteria mentioned in the existing Constitution for grounds of state transfer and we need to redress this deficiency. These criteria should be - (a) change of place of residence and/or place of practice to the branch of migration (applicable for LMs) and (b) completion of PG training and migration of member to a different branch (applicable for PLMs). There are many state transfers and smaller states often feel that they do not get state share of IADVL Contribution. This will streamline state transfers on valid ground only

If constitutional - will it replace existing clause? Or modify? Yes

Give detail of the clause - page no. and clause no.: Page 13. Clause 10.

A member shifting from one state to another should change membership to a new state by informing the State Secretary and Honorary General Secretary about the desired change without paying any fee to the secretary of the new branch."

Proposal:

1. If a member wishes to get a state transfer and apply for "No objection certificate" from current State Secretary, he/she must furnish valid reason along with proof of residence or working status to be eligible to the State and National Secretary.
2. For any state transfer, there has to be a minimum period of two years before another state change on valid ground is to be done.
3. The state share of membership fee as ascertained from time to time must be paid by the transferring member to the new state Secretary unless the state council decides otherwise.
4. An office bearer of a state, in case of a state change, should be eligible for holding any other office in changed state only after a minimum period of two years.

Dr. RohitBatra inquired about the status of transfer of members from NCR to Delhi as there are four states around Delhi. Dr. Shyamanta Barua informed that he has been informed that such a resolution had been passed by the Delhi State Branch. So the proposal was referred to the Constitution Committee.

Proposal 9: Proposal for a budgetary allocation for ITATSA

Name of Proposer/s: **Dr. Rajeev Sharma** (LM/UP/2251), **Dr. RajethaDamisetty** (LM/TS/4726), **Dr. AbirSaraswat** (LM/UP/4339), **Dr. KoushikLahiri** (LM/WB/2503), **Dr. ShyamVerma** (LM/G/526)

Is any one of the proposer member of CC?Yes

Is it administrative/policy/constitutional related? Administrative

How will it help IADVL?ITATSA •s crusade against topical steroid abuse is one of the most important public initiatives of IADVL. Owing to the obvious conflict of interest this cause has with the pharma industry, financial support cannot be sought from them for ITATSA •s activities.

If constitutional • will it replace existing clause? Or modify? No

Give detail of the clause • page no. and clause no. NA

Proposal: We propose that ITATSA be given a budgetary allocation of five lakhs a year, to be disbursed by the treasurer on production of bills or quotations.

Dr. Shyamanta Barua informed that it has been already approved in the CC and GBM. Dr. Venkatstated that it is a budgetary allocation and the ITATSA has to send details of expenditure which will be reimbursed.

Proposal 10: IADVL collaboration with 47-Dark is beautiful • campaign spearheaded by actress Nandita Das

Name of Proposers: **Dr. Rajeev Sharma** (LM/UP/2251), **Dr. RajethaDamisetty** (LM/TS/4726), **Dr. AbirSaraswat** (LM/UP/4339), **Dr. KoushikLahiri** (LM/WB/2503), **Dr. ShyamVerma** (LM/G/526)

Is any one of the proposer member of CC?Yes

Is it administrative/policy/constitutional related? Administrative

How will it help IADVL? Our nation •s collective obsession with fair skin is one of the driving factors in topical steroid abuse. The dissatisfaction with their skin color and quest for people to spend enormous amounts of time and money seeking treatments that are frequently ineffective and prone to causing adverse events.

Ms. Nandita Das and her team have been running the "dark is beautiful" campaign for a few years. She has significant clout, with over 4 lakh followers on her face book. Dr. AbirSaraswat contacted her team and they have expressed interest in collaborating with us and supporting our "stop TSA campaign".

If constitutional • will it replace existing clause? Or modify? No

Proposal: We propose that IADVL formally collaborates with the "dark is beautiful" campaign to send out a strong message to the community that fixation with fair skin is pointless and fraught with dangers and to create awareness about the dangers of use of topical steroids for this purpose. This joint campaign would send messages in social and traditional media and possibly help in advocacy (protesting steroid creams being promoted for fairness, regulation of dispensing etc)

We propose that Dr. AbirSaraswat be given the mandate to take this forward.

Dr. Vijay Zawar suggested that the proposers should be doubly sure that there would not be any financial bindings on IADVL after which Dr. ShyamVerma said that we will drop it now re-examine it and come back with the proposal.

Proposal 11: Session (Topical steroids session) on curtailing and managing topical steroid abuse in all IADVL conferences

Name of Proposers: **Dr. Rajeev Sharma** (LM/UP/2251), **Dr. RajethaDamisetty** (LM/TS/4726), **Dr. AbirSaraswat** (LM/UP/4339), **Dr. Shyamanta Barua** (LM/NE/4266), **Dr. KoushikLahiri** (LM/WB/2503), **Dr. ShyamVerma** (LM/G/526)

Is any one of the proposer member of CC? Yes

Is it administrative/policy/constitutional related? Policy

How will it help IADVL? Brief introduction Too many dermatologists, unfortunately, do not use topical steroids prudently. They contribute to the growing menace of topical steroid abuse. Most IADVLites are not aware of how they can prevent and manage topical steroid abuse and how they can be leaders in their respective communities and steer towards change.

If constitutional • will it replace existing clause? Or modify? No

Proposal: We propose that all IADVL conferences, for the next ten years, should have a session dedicated to topical steroids so that safe usage of various classes of topical steroids strategies to prevent and treat TSA are discussed. The slot and hall for the "topical steroid" session should be earmarked.

We propose the following

Name of the conference	Duration	Day of conference	Time	Hall
DERMACON	60-90min	First day	Pre-lunch	Biggest or second biggest hall
DERMAZONE	30-45min	First day	Pre-lunch	Main hall
CUTICON	30-45min	First day	Pre-lunch	Main hall
MID DERMACON	30-45min	First day	Pre-lunch	Main hall

It was decided for a one hour session in the DERMACON, MID DERMACON for two years and an advisory to be issued for DERMAZONES and CUTICONS by the IADVL.

Proposal 12: A dedicated day to create "National topical steroid awareness"

Name of Proposers: **Dr. Rajeev Sharma** (LM/UP/2251), **Dr. RajethaDamisetty** (LM/TS/4726), **Dr. AbirSaraswat** (LM/UP/4339), **Dr. Shyamanta Barua** (LM/NE/4266), **Dr. KoushikLahiri** (LM/WB/2503), **Dr. ShyamVerma** (LM/G/526)

Is any one of the proposer member of CC? Yes

Is it administrative/policy/constitutional related? Policy

How will it help IADVL? Brief introduction Topical steroid abuse has become rampant and is leading to increasing recalcitrance of dermatophyte infections, not to mention the all too common cutaneous side effects and pscho-socio-economic burden to the victims. A dedicated day to spread awareness about topical steroids, on the lines of "vitiligo awareness day" would go a long way in educating our fraternity, other physicians and the general public.

If constitutional • will it replace existing clause? Or modify? No

Proposal: We propose that a day be declared as "National topical steroid awareness" day and nationwide IADVL resources used to spread awareness about the adverse consequences of unsupervised topical steroid usage. All state branches of IADVL should mandatorily observe this day and plan activities to take the crusade against topical steroid abuse forward.

A day of historical significance in (topical) steroid usage may be chosen by the GB, such as March 12th which is Marion Sulzberger's birthday. He and Witten were the ones who introduced compound F (hydrocortisone) to dermatology. It could be any day of historical significance w.r.t topical steroids or in our crusade against TSA (e.g. May 13th, the date of DTAB meeting when they decided to delete the infamous footnote of schedule H that kept topical steroids out of the purview of prescription drugs).

It was decided to keep IADVL Day as National Topical Steroid Awareness Day for 2 years.

Proposal 13: Freeze period for National conferences 3 months before and 3 months after conferences

Name of proposers: **Dr. Sudip Das** (WB/LM/3322) and **Dr. S.N.Chowdhury** (WB/LM/2524)

Is any one of the proposer member of CC? Yes

Is it administrative/policy/constitutional related (select one) OR Yes/ we are not able to classify and accept EC's view

How will it help IADVL?

1. There should be a buffer zone before and after DERMACON for about 3 months. So that DERMACON sponsorship and other issues are not disturbed.
2. IADVL earns the maximum from DERMACON, which is the flagship meet of IADVL and the most prestigious dermatological conference in national arena.
3. Therefore DERMACON should be protected so that other national conferences do not eat into it.

If constitutional • will it replace existing clause? Or modify? Yes

Give detail of the clause • page no. and clause no.

Proposal: No national conferences in dermatology 3 months before and after DERMACON and IADVL should refrain from participating in it.

Was not taken up as none of the two proposers were present.

Proposal 14: Every member (EC/CC) should pay from their own airticket & stay during DERMACON/MID DERMACON

Name of proposers: **Dr. Sudip Das** (WB/LM/3322) and **Dr. S.N. Chowdhury** (WB/LM/2524)

Is any one of the proposer member of CC? Yes

Is it administrative/policy/constitutional related? Constitutional

How will it help IADVL?

1. That will spread the message of equality.
2. MCI asks that every delegate arrange for their own, but since we all know DERMACON money is 70% pharma money, so office bearers should not use them.
3. This will increase the image of IADVL.

If constitutional • will it replace existing clause? Or modify? Yes

Was not taken up as none of the two proposers were present.

Proposal 15: Swachh DERMACON our new Motto

Name of proposers: **Dr. Sudip Das** (WB/LM/3322) and **Dr. Koushik Lahiri** (LM/WB/2503)

Is any one of the proposer member of CC? Yes

Is it administrative/policy/constitutional related? Constitutional

How will it help IADVL?

As the present Organizing Secretary and also Dr. Koushik Lahiri being the past secretary of the association propose the unnecessary expenditure in DERMACON by organizing 3 dinners and lavish lunches. So instead of making conference tourism let us make it scientific. Let there be only one inaugural dinner and packed lunches within certain limits. This will reduce our over dependence on pharmaceuticals company and increase our integrity to general people, NITI AYOJ and MCI.

If constitutional • will it replace existing clause? Or modify? Yes

Was not taken up as none of the two proposers were present.

Proposal 16: Renaming of Central Scientific Committee

Name of proposers: **Dr. Venkataram Mysore** (LM/KN/3211), **Dr. Yogesh Marfatia** (LM/G/419), **Dr. Ramesh Bhat** (LM/KN/2051), **Dr. Ameet Valia** (LM/M/833), **Dr. Rashmi Sarkar** (LM/ND/1543), **Dr. Dr. Umashankar N** (LM/KN/3455)

Decision: Proposal accepted and passed by AGBM

Proposal 17; IADVL Practitioner Appreciation Award

Name of proposers: **Dr. DA Satish**(LM/KN/1932), **Dr. Venkataram Mysore**(LM/KN/3211), **Dr. Kiran Godse** (LM/M/701), **Dr. Manish Gautam**(LM/M/3530), **Dr. Narendra Gokhale**(LM/MP/1077), **Dr. Devesh Mishra**(LM/UP/2361)

Is any one of the proposer member of CC? Yes

Is it administrative/policy/constitutional related? Administrative as well as Constitutional

How will it help IADVL? This will help strengthen the relationship of IADVL with the practising dermatologists which constitute almost 90% of its member strength. Also, it would motivate more private practitioners to work for the betterment of IADVL and in turn smoothen the implementation of the various programs and initiatives started by IADVL.

Proposal: As it has become increasingly difficult for academically good IADVL Dermatologists in full-time private practice to compete with institution-based Dermatologists (especially with respect to publications) for IADVL awards, it is hereby suggested that a separate award must be instituted for Practitioners. The award may be called either as IADVL DERMAPRACTICE AWARD or MASTER DERMATOLOGIST AWARD.

The following eligibility criteria may be considered for the award - age above 55 years, SHOULD BE LIFE MEMBERS. Candidates should be in full time practice with no teaching for at least 10 years as on date of application of award.

The award will be either by application or nomination and will be decided on following criteria:

1. Faculty at National/ State/Regional Conferences/CMEs/workshops - 20 marks
2. IADVL Organisation posts held - 20 marks
3. International memberships/fellowships positions in societies/other achievements - 20 marks
4. Conferences organised at national/state level - 20 marks
5. Social/Community service - 10 marks
6. Academic achievements and publications - 10 marks

The award can be considered only for those who score more than 60%

It will be announced along with other awards in the month of September. We propose that a maximum of 4 such awards, one practitioner from each zone be selected. These awards will be decided by a committee of 5 people comprising the 3 Presidents, Hon. Secretary General IADVL and Chairperson, IADVL Practice Management Cell. We propose that this award be in the form of a citation and a plaque in appreciation of their contribution. The award presentation should be made on IADVL DAY.

Does this proposal need referral? Yes; to Constitution Committee

A Derma Practice award/Master Dermatologist award for a Dermatologist in total private practice to be given for age more than 55 years.

Decision: Passed with decreasing the age to 50 years.

Proposal 18: Life Membership for DDV/FCPS post graduates

Name of proposers: **Dr. Kiran Godse**(LM/M/701), **Dr. Amit Valia**(LM/M/833), **Dr. R. G. Torsekar**(LM/M/828), **Dr. Vijay Zawar**(LM/M/942), **Dr. Suresh Mahajan** (LM/M/ 844)

Is any one of the proposer member of CC? Yes

Is it administrative/policy/constitutional related? Administrative as well as Constitutional

How will it help IADVL? The IADVL is a huge society. It has recently crossed the 10,000 barrier. Taking the students with VALID MEDICAL DERMATOLOGY DEGREES / DIPLOMA's recognised by respective state council will increase this strength even more. The financial boost will be enormous and this can help the association to expand its base of operations and will give a boost to IADVL sponsored programs (like fight against steroid abuse, bid to host ICD etc.)

The IADVL at present only accepts MCI recognised degree or diploma holders as life members. But there are various state medical council recognised degrees or diplomas which are being run successfully and such doctors are being given associate membership.

DDV/FCPS SKIN are recognised by Maharashtra Medical council and Gujarat Medical Council and recently by tamilnadu medical council and Rajasthan Medical council is one such qualification. Both are full time 2/3 years course in medical institutions in Maharashtra. The teachers for these students are same as those for MCI recognised courses. And are respected life members of our association. These students / consultants practise freely and successfully in many states where the degree is recognised.

Besides this, European Academy of Dermatology, Association of Cutaneous surgeons of India, Cosmetic Dermatology Society, Pigmentary Dermatology society(India) give life membership to these students/consultants.

During Residency they participate in various activities and conferences conducted by the IADVL. There are many students who have received scholarships and have presented research papers at various national and international conferences and have made IADVL proud.

It is not fair on part of such worthy doctors to be kept outside the loop for no reason. The State Medical councils have thoroughly gauged the course before granting the courses recognition.

Also, Orthopaedic, Gynaecology, Medicine, Surgery, Paediatric associations do accept students with a valid state medical council recognised degree as Life members of their association.

If constitutional • will it replace existing clause? Or modify? Modify

Give detail of the clause • page no. 9 clause no. 4(b)

Proposal: I/We propose that the existing clause be modified to the following:

"Life membership be granted to those who hold Diploma or degree recognised by Medical Council of India Recognised or State Medical council or any other equivalent organisation of the Government of India or Diploma in Dermatology or Dermatology and Venereology of the National Board of Medical Examinations, New Delhi."

Does this proposal need referral? Yes; to Constitution Committee

Degrees and Diplomas which are recognised by State medical council but not by MCI should be given a membership of IADVL and not an associate membership.

Dr. Kiran Godse informed that these Dermatologist are a sizable chunk and our association would benefit with these people also being our members, these degrees are also recognised by other bodies.

Decision: The house was of the opinion that these members **continue as associate members till MCI recognises their degree**. A committee could be set up with eminent dermatologists who are members of MCI like Dr. Putta Srinivas, Dr. V. K. Jain, Dr. V. K. Sharma and Dr. Nitin Vora to address the matter.

The Secretary General offered the vote of thanks to all members who had attended the GB meeting, especially the ones who stayed back till late evening to complete discussions of all listed agenda of the meeting. The President, Dr. Marfatia, then declared the meeting closed.
