President's Message

Dr. Yogesh Marfatia

LM/G/419

Dear IADVLites,

Be proud to be an Indian and an IADVLite.

My installation as the National President of IADVL at DERMACON Kolkata 2017 was like a dream come true. It has been a hectic year full of traveling, meetings and the efforts to bring to fruition all I had dreamed for IADVL.

At the outset, let me share what I promised during electioneering versus what I could fulfil.

1. **Book/Publications**

A comprehensive textbook of **Geriatric Dermatology**: Editors and authors have been selected and the book will be released during MIDDERMACON 2018.

USER'S MANUAL:

Management of Tinea: Will be released during DERMACON 2018.

Systemic and topical steroids: Editors have been selected and the book is likely to be released during MIDDERMACON 2018.

2. **Task force**

IADVL Task Force Against Recalcitrant Tinea (ITART): Vibrating with many activities. A standardized presentation on Tinea is prepared and is available for every IADVLite so that they can update the family practitioners.

Two Publications: **Tinea Times** for Dermatologists and **Fungi Times** for family practitioners have been initiated. The taskforce members have held and participated in several focus sessions and a standalone conference has been held.

Dermatology Education Task Force (to address issues related to postgraduate and undergraduate dermatology teaching): The first ever meeting to discuss postgraduate Dermatology Education issues was convened in New Delhi and the points identified during the discussion will serve as the base to work upon several issues pertaining to postgraduate training programs all over India.

3. **Award paper session based on postgraduate thesis**

The special feature is that the prize will be given not only to the postgraduate but also to the postgraduate teacher as well. Such a session was initiated at MIDDERMACON 2017, Navi Mumbai and will be continued.

4. **Postgraduate Thesis Grant**

Twenty thesis projects will be granted upto Rs. 50,000 each. There are 18 applicants this year and I hope this will serve as an incentive for higher quality research at this level.

5. My suggestion of every 5th DERMACON being organized on an International Scale "**DERMACON INTERNATIONAL**" has become a reality and the first venue is Bangalore, 2019.

6. **Updation of Constitution**: Updated constitution has been approved during MIDDERMACON 2017.

7. **Association Journals: IDOJ will be a print journal** (while maintaining its online status) from January 2018 and the contributors will get due credit for their publications from MCI perspective. I am happy to announce that team **IJDVL** has also decided to start postgraduate thesis based original article section in our esteemed and highly ranked journal.

8. **Organizational issues**: We have converted many eligible PLM into LM. We have added many members in DVL Welfare Trust that will immensely benefit all our members. Most importantly, we have added many e-voters and our ACAD sessions went very well.

**Time to express gratitude...**

I am grateful to my predecessor Dr. Devesh Mishra and successor Dr. Ramesh Bhat and all EC members for being extremely supportive. I must acknowledge the hard work of Dr. Shyamanta Barua, Honorary Secretary General and the meticulousness of Dr. Rajib Gogoi, our Hon. Treasurer. Two Vice Presidents - Dr. Vijay Zavar and Dr. Jaydev Betkerur - and both the joint Secretaries - Dr. Akshay Jain and Dr. Tarun Mittal - took lot of initiatives and did the assigned jobs very well. It is to be noted that the credit for any achievement in this year is attributable to the team efforts of all EC members.

Being a full-time teacher, my focus had a tilt towards academic activities and whatever I could implement was possible due to the constant guidance and inputs from Dr. Ameet Valia, Dr. K. Seetharam and Dr. Deepika Pandhi.

Hard efforts were put in by Dr. Anil Ganjoo and Dr. Sumit Gupta in finding out suitable land for an IADVL Headquarter - a precious asset that we will all be proud of, and we are committed to acquire.

I am also indebted to all IADVLites for participating positively and supporting me during all business meetings.

I am pleased that I will be passing the baton to Dr. Ramesh Bhat, an able leader and a hard worker, having lot of energy and commitment. My best wishes to incoming team.

In my long journey, my postgraduates have always remained a solid background support which cannot be acknowledged by words. One's family always bears the brunt of one's professional endeavours and success and that has also been the case with my wife and daughters. In my long journey in IADVL, Presidentship is only a stopover and I shall continue to move further and contribute to the best of my ability, irrespective of my title.

Thank you once again. Let us create Brilliance together.

Yours in Scientific and Academic endeavour,

Dr. Yogesh Marfatia

President, IADVL (2017)

Message of President Elect

Dr. Ramesh Bhat M

LM/KN/2051

As an IADVL soldier I feel proud and humble to serve our esteemed Association as President for this year. I sincerely thank all IADVL members for giving me this opportunity of life time to serve our beloved Association, members and our ever expanding speciality.

In this year we would like to continue all the ongoing programs with enthusiasm and sincerity. Our fight against topical steroid abuse and epidemic of dermatophytosis will continue. DERMAGYAN lectures and series of educative and interactive CMEs, Workshops will be conducted all over India. The next DERMACON International will showcase our speciality to the rest of the world. I also request all the members to take opportunity of the scholarships and observership programs. We will take part actively in the upcoming WCD 2017 at Milan. Our ever popular IDOJ will be available in the print version from this year itself.

I also request all IADVL members to register as E voters as we are planning to stop postal ballots from this year itself. I also request all Life members of IADVL to register for DVL welfare trust which runs a social security scheme for and from members. I request all our enthusiastic PLMs to become LMs once they complete their post graduation. I also request my colleagues not to encourage quackery in our field and not to commercialise our services.

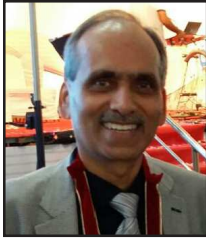

I sincerely thank all our past office bearers of our Association for the services they have rendered. Presently we have grown because of their honest, selfless services. I assure you all that we all in IADVL Executive Committee will work honestly with energy and enthusiasm for the better future.

As the President of the Association during the year 2018 I am always at your service and feel free to communicate.

Long live IADVL

Dr. Ramesh Bhat M

President Elect, IADVL (2017)

Message of Immediate Past President

Dr. Devesh Mishra

LM/UP/2361

Dear IADVL Patrons,

Namaskar. IADVL now a family of over 10,000 members is serving at its best. We have best of elected executives giving their time.

DSB issue will be resolved in GBM to satisfaction of all, I'm sure. Our Online Membership platform is accepted and is a success. We could not purchase a suitable building/plot in Delhi this year for our cherished Head Quarters; we hope to be able to purchase a suitable property in Delhi this year.

I welcome Dr P Narsimha Rao, President Elect and new EC 2018 members to the EC fold.

For me, the tenure as 3 year term of my President ship of our beloved IADVL is coming to an end. I am fully satisfied. I and all EC members have contributed to our capacity.

See you friends at Cochin DERMACON 2018, a great annual spectacle of IADVL.

A humble IADVLite,

Dr. Devesh Mishra

Imm. Past President , IADVL (2017)

Hon. Secretary General Speaks

Dr. Shyamanta Barua

LM/NE/4266

Dear IADVL members,

Greetings from the IADVL National Secretariat!

This is my last communication through this IADVL new bulletin as my two year term as Hon. Secretary General concludes at DERMACON 2018. Over the last two years, I have strived to serve the association and its members to the best of my ability. The journey has been pretty challenging but the ride was made comfortable with the abiding support and cooperation of all of you.

Our association has grown by leaps and bounds and presently boasts of a membership strength of close to 11,000. However, it is not bereft of inherent problems as would be natural for such a vast organisation. After taking charge, I set about identifying a few of them that needed to be tackled on priority.

One was the tedious process of applications for fresh memberships and conversions and state transfers. To address this, I envisioned and implemented the Online Membership Application System (OMAS). I am glad to inform you that the OMAS has been a runaway success since it was put in place in August last year. It has streamlined the process of membership application and conversion and made the process much faster and accountable. The mean time for any application to be processed and approved at my dashboard is less than half a working day. This means that a prospective member can now apply for membership in the morning and get his membership number and certificate by the evening of the same day! I must thank all the State Secretaries I worked with over these two years for their ready cooperation in making OMAS so successful. The success of OMAS owes as much to them as it does to any of us in the National Secretariat and the IADVL EC of 2016 and 2017.

I had noted at the outset of my term that the association has been plagued since long by missing member details and anomalies/duplications in the Member Database. In an attempt to redress this, an online Member Profile Data Management System (MPDMS) was built and integrated to the website as well as to the revamped and relaunched IADVL DermApp. I am happy to state that this has enabled resolution and correction of more than 6000 such missing details and anomalies prevalent in the offline database. It is, of course, imperative that more members sign up to the website and/or IADVL DermApp so that such details and anomalies get sorted. The MPDMS is now enabled to send bulk e-mails and SMS to all members and has all member certificates in one panel. Soon it will be synced with the Medknow database for seamless correction of addresses to ensure delivery of IJDVL to all members.

Another area of concern was the issue of PLMs who had not converted to LM even after completion of 5 years of provisional membership. An intensive conversion campaign for such conversion has resulted in close to 1000 conversions over the last year and a half. The OMAS and MPDMS are now enabled to send reminders for conversion starting from the fourth year of provisional membership and freeze all membership privileges for those who do not convert within the stipulated time.

I have made conscious efforts during my tenure to reach out to all members of our association. Towards this, steps were taken to revamp the website and upload all information and announcements for easy access of the members. The IADVL DermApp was relaunched with new features and the Facebook Page was initiated to cater to the younger generation of members. The association is rolling out several avenues for publications, research grants, observerships and scholarships. I urge all members, especially the fresh graduates and residents to grab these opportunities for furtherance of their careers.

It has been a pleasure to work with the IADVL EC of 2016 and 2017. I must thank the Presidents – Dr. Venkataram Mysore, Dr. Devesh Mishra, Dr. Yogesh Marfatia, Dr. Ramesh Bhat M - and other members of the IADVL EC of last two years for their faith, trust and guidance in discharge of my responsibilities. My Treasurer colleague and friend, Dr. Rajib Kr. Gogoi, has been a huge source of support and cooperation and my sounding block most of the time. I am thankful for his constant belief and motivation.

I sincerely thank all the State Presidents and Secretaries and Chairpersons and Conveners of all IADVL Committees of last two years for their constructive suggestions and collective responsiveness in implementation of various activities and projects of the association.

I heartily welcome the Incoming Hon. Secretary General, Dr. Umashankar Nagaraju and all newly elected members of IADVL EC 2018 and wish them all success for their tenure.

I sign off by thanking all the members of IADVL for their support, suggestions, advice and help extended to me as the Hon. Secretary General of IADVL over the last two years. It has been a very eventful period of my life. I look forward to continue my work for IADVL and serving you in whatever role assigned for me.

To conclude, I extend a warm welcome to all delegates of DERMACON 2018 and wish the conference all success.
Long live IADVL!

Dr. Shyamanta Barua

Hon. Secretary General, IADVL (2016-17)

Hon. Treasurer's Note

Dr. Rajib Kr. Gogoi

LM/NE/4272

Greetings from IADVL HQ!

The newly elected Executive Committee is all set to take charge of IADVL HQ and I and the Secretary General are winding up as our tenure of 2 years in IADVL EC is nearing completion. What we could do during these two years is there in the open for your assessment and I don't wish to write about that. Instead I would like to sensitize all members, the incoming EC and particularly the Treasurer about the two highest priority areas that need serious attention now:

1. We need to rethink the IADVL HQ project. After one full year of land search operations, we have not made any significant progress due to various market factors which will surely be discussed in the GBM. Probably we need to explore the easier option of purchasing a ready-to-move in floor area in a good commercial building.
2. IADVL is not claiming tax benefits under the 12aa registration it had as the records of the same registration could not be traced out in the office of the issuing authority at Patna. Fresh application for 12aa registration demands that the society registration of IADVL be transferred from Varanasi to somewhere in NCR within the state of U.P. for operational ease. Last Central Council meeting in N. Delhi approved Rs.35 Lakhs for purchasing a small office space in NCR(U.P.) which will be the registered Head office of IADVL. When this CCM approval is placed for ratification by the GB at Kochi, we need to think if a corporate HQ at Dwarka plus a registered HO at NCR(U.P.) is actually a better idea than one single office at NCR(U.P.).

The overall financial health of the association remains healthy as reflected in the accounts presented in this news bulletin. We need to spend even more in academic activities, need to save some taxes and do something to make DVL trust more attractive to our members. I am sure the incoming team has plans for these and I wish the team all the success and smooth functioning during their full tenure at IADVL HQ.

At the end, I sincerely offer my heartfelt gratitude and thanks to all my seniors, friends, colleagues and younger members in the association for their guidance, help and cooperation during the last 2 years.

Long Live IADVL

Dr. Rajib Kr. Gogoi

CONFERENCE REPORTS

DERMAZONE North 2017

DERMAZONE NORTH & CUTICON UP-UK 2017 was organised from 27th to 29th October 2017 at I.T.C. Mughal, Shamsabad Road, Agra under the auspices of Agra Branch of I.A.D.V.L & patronage of Dr. A.K. Bajaj & Dr. R.D. Mukhija. It could fetch around 300 delegates, with brilliant faculty from all corners of the country. Our chairperson Dr. K.N. SAXENA extended a warm welcome & hospitality to one and all. The scientific chairperson, Dr. RAJEEV SHARMA, crafted the entire programme including clinical as well as cosmetic dermatology. Almost all of the lectures delivered ended up with panel discussions. He also provided enough opportunity to post-graduates to participate in award paper presentation, free-paper session, E-posters & IADVL- Quiz.

In the award paper category, Dr. RIKTA MOHAN (SRIMS, Bareilly) stood 1st, followed by Dr. SHIVANGI (BRD. Medical College, Gorakhpur) & DR. ANIL KUMAR SONI (LLRM Medical College, Meerut) at 2nd & 3rd positions respectively. The best paper awardee, Dr. RIKTA MOHAN, was felicitated with (Late) Dr. N.K. SHARMA memorial award.

Later on, the most prestigious session, Dr. K.N. SAXENA Oration was delivered by DR. TARANG GOYAL, Prof. & Head, Deptt. Of D.V.L. Muzaffarnagar Medical College. It captured a good round of applause by the audience.

The IADVL quiz was conducted with 7 teams, consisting of preliminary & final rounds. The quiz master Dr. VINAY SINGH (DELHI) conducted the quiz in a flawless manner & also made it interesting by the audience participation. DR. VIBHOR KAUSHAL as Asst. Quiz Master & the team of Gsk, led by Mr. PRASHANT LAWANIA assisted Dr. VINAY SINGH throughout the quiz.

The winning team was from COMMAND HOSPITAL, LUCKNOW, comprising of DR. ANEESH K.P. & DR. ROOPA M.C.

The inaugural function was concluded by the memorable felicitation of Dr. B.K. GIRDHAR (the noted leprologist & ex-Deputy Director of NATIONAL JALMA INSTITUTE OF LEPROSY) with the 'LIFE TIME ACHIEVEMENT AWARD'. The audience gave a standing oration as a mark of highest respect to his achievement.

In the evening of day 1 only, we'd a General body meeting, presided by DR. D.K. SHARMA (outgoing President IADVL UP-UK) & Dr. AMIT MADAN (outgoing Secretary & President Elect of IADVL UP-UK). At the very start, a 2 minutes- silence was observed for the departed souls from the entire NORTH ZONE. One of the important decisions in the G.B.M. was to use PAN of IADVL UP-UK in subsequent annual state conference in future. The post of President Elect was conferred to Dr. ABIR SARASWAT (Lucknow) & that of Hon. Secretary to Dr. SUMIT GUPTA (LUCKNOW). The CUTICON UP-UK 2018 was awarded to Kanpur Branch, with Dr. S.C. AGARWAL as Chairperson & Dr. P.S. BHATIA as the Org. Secretary. A step ahead in the proceedings was the allotment of CUTICON UP-UK 2019 to JHANSI BRANCH under the leadership of Dr. D.C. GOVIL. He declared it to be organized at the exotic destination- ORCHA RESORT, 20 Km. from JHANSI.

The IADVL activity, S.I.G. was also conducted on 2nd day in two separate halls. It consisted of sessions, Research methodology & Geriatric Dermatology. Dr. VIBHU MENDIRATTA, Dr. SURABHI DAYAL, Dr. BRIJESH NAIR, Dr. PRATIK GAHLAUT, Dr. ANURAG ARYA, Dr. NILAY KANTI DAS & Dr. SHELLY KAPOOR comprised the faculty of the sessions.

There was enough entertainment in the evenings and during the conference as well in the hospitality area. The Astrologer & the Mehndi Artist were the attractions.

The participation of the pharmaceutical industry was also overwhelming and we did not feel any handicap in the execution of our plans. It was certainly because of our very smart treasurer Dr. SATISH CHAND AGARWAL.

One of the highlights of this conference was 12 MCI credit points awarded to the attendees. The credit of this honour goes to our irreplaceable Scientific Chairperson, Dr. RAJEEV SHARMA, who incorporated almost all the facets of our specialty viz., Clinical Dermatology, Cosmetic Dermatology, Leprosy, STD & AIDS & Investigative Dermatology (including DERMASCOPY), with the luminaries from far & wide.

The valedictory function was well attended by the delegates & the representatives of the pharmaceutical industry as well. It ended with fruitful suggestions viz., use of BIO-METRIC in subsequent conferences, etc and exchange of thanks & gratitude to one & all.

I'm sure, the delegates must have enjoyed the delicious cuisine & the warm hospitality of this Mughalae- city of Taj, Agra, during their stay.

I express my sincere thanks & gratitude to the entire Natural Executives, the state executives of the entire North Zone & the entire local Organizing Committee and last, but not the least, my sincere thanks to Dr. VIJAY ZAWAR, the National Observer to this event, for always giving an affirmative nod with a pleasant smile.

Finally, I would not hesitate to say, that as organizing secretary, I didn't leave any store unturned in conducting the conference successfully.

Of course, the persons behind the screen viz., Mr. RAJESH SURANA (Chief- Prabandhan Management Services) & Mr. SHIRISH SINHA (Chief of the Audio Visuals) also deserve a big applause for their valuable services.

MINUTES OF MEETING OF IADVL CENTRAL COUNCIL 2017

Venue: Hotel Taj Vivanta, Dwarka, New Delhi

Date: 26-27 August, 2017

Day 1: 26 August, 2017

The meeting was called to order by the IADVL President, Dr. Yogesh Marfatia. In his opening remarks, he welcomed all members and invitees to the Central Council meeting of the Association. He gave an overview of the tasks undertaken by the EC and various Committees and Taskforces in the first half of the year and sought the cooperation and commitment of all in implementing the same in the days ahead.

Secretarial Report

The Hon. Secretary General, Dr. Shyamanta Barua, was then asked to proceed with the listed agenda of the meeting. Dr. Shyamanta, at the outset, read out the names of seven members of the association who had breathed their last in the first half of the calendar year. The house observed a minute of silence in memory of the departed souls.

Dr. Shyamanta then briefed the house about the multifarious tasks undertaken by the IADVL National Secretariat. He expressed satisfaction that the Online Membership Application System (OMAS) put in place since last August had streamlined the process of membership application and conversion and made the process much faster and accountable. He thanked all the State Secretaries for their cooperation in making OMAS so successful.

The Secretary General then made mention of the various missing member details and anomalies/duplications in the Member Database that has plagued the association since long. In this regard, he outlined the steps taken to redress these on the online Member Profile Data Management System (MPDMS) integrated to the website and the IADVL DermApp. He reiterated the significance of more members signing up to the website and/or IADVL DermApp so that such missing details and anomalies get sorted. It was suggested that the MPDMS be enabled to send bulk e-mails and SMS to all members and have all certificates in one panel. Dr. Shyamanta apprised the house that these are being worked on for the next version of MPDMS along with the task of syncing it with the Medknow database for seamless correction of addresses and other member details to ensure delivery of IJDVL to all members.

Next, Dr. Shyamanta highlighted the issue of PLMs who have not converted to LM even after completion of 5 years of provisional membership. He stated that in spite of efforts of both the National and State Secretariats, there still remained close to 600 PLMs who are overdue for conversion to LM. These PLMs were offered a deadline to convert by 31 August, 2017 or cease to be members of the association. Dr. Amarkant Jha proposed and Dr. P. N. Rao seconded that the deadline for conversion be extended to 31 December, 2017. This was opposed by Dr. Atul Kocchar and Dr. Rajeev Sharma who opined that extension, if at all, should only be for another month. After much discussion, it was resolved that the deadline will be extended till the year end.

Financial Report

The secretarial report was followed by the official release of the August issue of the IADVL NEWS, the official bulletin of the association. It was then the turn of the Hon. Treasurer, Dr. Rajib Kr. Gogoi, to place his financial report. Dr. Rajib mentioned that all outstanding financial issues pending with IJDVL had been

settled following calculation and transfer of all dues. He stated that an amount of 2.4 crores was lying in the Savings Bank account maintained at Delhi. Dr. P. N. Rao proposed that a fixed deposit of at least one crore be made. Dr. Putta Srinivas seconded the proposal and the Treasurer agreed to implement the same.

Dr. Somesh Gupta, Chairperson of the Finance Committee, informed the house that the IT returns will have to be done by 31 July and, as such, it would not be possible to wait for it to be passed at the CCM since the latter is routinely scheduled in August. Dr. Amar Kant Jha proposed to restart the process of exemption from Income Tax under section 12A. He also informed that he had given all registration papers to the IADVL Auditor when he had come to Patna.

Members and State executives raised several queries regarding the status and implications of GST vis-à-vis conference accounting. Dr. Rajib did his best in clarifying matters. It was suggested that the Hon. Treasurer issue guidelines to all State Branches regarding GST regulations. The house accepted the accounts presented.

E-voting Module

The National E-voting Coordinator, Dr. Vijay Zavar, made a lucid presentation on the new e-voting module integrated with the website. He highlighted the vastly improved security features of the new platform and the ease of the e-voting process. Dr. Sudip Das raised some queries which were satisfactorily explained in detail by Dr. Shyamanta Barua. Dr. Atul Kocchar complemented the module but at the same time suggested to confirm the integrity and credentials of the developer/vendor.

The last date for e-voting registration was proposed to be extended by Dr. Yogesh Marfatia from 31 August to 15 September, 2017. This was seconded by Dr. Tarun Mittal and accepted by the house. Dr. P. N. Rao raised the concern that PLM to LM conversions after 31 March should not be added to this year's voter list. This was assured by the Secretary General.

DVL Welfare Trust

Dr. Jayadev Betkerur proposed to find means to promote and incentivise the scheme so that more and more IADVLites become its members. More the members better the scheme would be. He opined that the corpus money by IADVL is only 5 lakhs; so more money could be routed to the DVL Welfare Trust.

Some members raised doubts about the scheme. These were cleared by Dr. Betkerur. Dr. Rajeev Sharma suggested that the form of DVL should be printed in the IADVL NEWS & IJDVL and that all the contestants should be members of DVL trust. Dr. Sudip Das opined that DVL membership should be free of cost to its members.

IADVL Academy Report

The report was read jointly by Dr. Ameet Valia, Dr. K. A. Seetharam and Dr. Deepika Pandhi. The activities carried out under the aegis of the Academy and SIGs were discussed. An animated discussion took place regarding continuance of PGCON, the exclusive meeting held in each zone for the PGTs. While many were in favour of its continuance, some said that the concept of PGCON should be looked into closely. Finally, it was decided to continue with PGCON. Another issue that was raised by Dr. Sudip Das pertained to why PGCON should be given to a single company. It was explained that other companies were invited to sponsor the event but did not do so after the first year, when the present company offered to promote the concept. The house suggested that a rotatory sponsorship from different companies can be followed in the future. Dr. Rajeev Sharma proposed that the schedule of the PGCONs should be prepared well in advance. He also suggested that a proper proposal for PGCONs be placed in the next AGBM. The house accepted the suggestion.

The house was briefed that Curatio has communicated its inability to continue with its sponsorship of the DERMAGYAN Online Lecture Series. The members suggested that the remaining three lectures for the year may be continued bimonthly and funded directly by IADVL. This was passed. It was also suggested that the lecture Series can continue next year if suitable sponsors are found.

IJDVL Report

The IJDVL Editor, Dr. Saumya Panda, informed the house that a new IJDVL Original PG Thesis Award has been instituted at the behest of the IADVL President. He proposed a cash prize of Rs. 10,000 for the winning PG and Rs. 5000 for the teacher. Dr. Rajeev Sharma opined that Rs. 10,000 be given to both the teacher and PG. this was accepted by the house.

IJDVL Proposals

Proposal 1: The term 'Editor Elect' should be replaced by the term 'Editor Designate' in all places in the constitution where the same is mentioned, as the post is not an elected one. Decision: Passed

Proposal 2: The tenure of the Editor in Chief should begin with the Jan/Feb issue of the year when he/she takes over the journal after having completed a one year term as editor designate and should terminate in Nov/Dec issue of the year when he relinquishes office as Editor in Chief. Decision: Passed

Proposal 3: The designation 'Editor Emeritus' is to be given to the Immediate Past Editor, subject to his/her consent, and his/her tenure would begin and end with that of the next Editor. Decision: Passed

Proposal 4: There has to be a formal handing over of charge of Editor in Chief during DERMACON during the opening year AGBM of the conference in which the new Editor in Chief assumes office, followed by an introductory statement by him/her outlining the road-map for the IJDVL. In addition, during the closing year GBM, the outgoing Editor in Chief has to place the annual report of the closing year. Decision: Passed

Proposal 5: The share of IJDVL in conference surplus and membership subscription which accrues to IADVL, should be transferred to IJDVL account annually at the end of the financial year, with simple interest of 7%. The IJDVL corpus held with IADVL should not be expended without expressed approval of the IADVL GB. This has to be ensured by the Editor in Chief. Decision: Accepted for final approval in the AGBM.

Proposal 6: The IJDVL corpus with IADVL should be transferred to IJDVL for safe keeping, which would be utilized only after expressed approval of the General Body. Decision: Rejected. Dr. Marfatia said that IADVL is the guardian and custodian of the funds of both IADVL and IJDVL. Dr. Gogoi informed that we use the same PAN card for both IJDVL and IADVL. The house passed that the IJDVL corpus has to remain with the IADVL corpus only.

IDOJ Report

Dr. Sunil Dogra, the IDOJ Editor, was not able to attend the meeting due to the prevailing unrest in and around Chandigarh. The President informed the house that IDOJ will have about 1000 print copies to cater to MCI requirements. These print copies would be sent to all medical colleges, few editions initially free of cost and then later on subject to subscription. This step was appreciated by all and passed.

Awards Review Committee Report

Dr. Suresh Talwar tabled the recommendations of the Award Review Committee. The amount of lifetime achievement award was raised from Rs. 10,000 to Rs. 25000. Dr. Chetan Oberoi and Dr. P. N. Rao proposed that there should not be a cash prize for such esteemed awards. Dr. Ramesh Bhat M suggested no cash prize but plaques of the same value for these awards. This was accepted by the house provisionally subject to ratification by the GB.

IADVL Elections 2017 – Meet the Presidential Candidates

The candidates in the electoral fray for the post of President Elect were then invited to address the house in turns. Dr. Amar Kant Jha, Dr. Kiran Godse, Dr. P. N. Rao and Dr. Rajeev Sharma briefed the house with their mission and vision for IADVL. Dr. B. B. Mahajan could not make it to the meeting. The meeting concluded for the day.

Day 2: 27 August, 2017

The proceedings of the second day were initiated by the Hon. Secretary General. The Organising Secretary of DERMACON 2017, Dr. Sudip Das, was invited to present the report of DERMACON 2017 along with the Conference Treasurer, Dr. Satyendra Nath Chaudhary.

DERMACON 2017 Report

Dr. Sudip Das highlighted the various achievements of DERMACON 2017. He mentioned that various new initiatives taken during the conference. He mentioned that the event was kept a green one in consonance with the idea mooted by Dr. Yogesh Marfatia. He briefed the house that 3484 delegates and 1482 accompanying persons had registered for DERMACON 2017. 18.60 Cr was the total income. 8.54 Cr was the pharma sponsorship and registration was 4.44 Cr. Expenditure details were shown to the house.

Dr. Sudip stated his inability to present the audited accounts of DERMACON 2017 due to pending payments from a few pharmaceutical companies. He mentioned that an amount of Rs. 2.11 Cr has already been raised by DERMACON 2017 out of which 70% has accrued to the National IADVL and rest 30% to the host State Branch. He further stated that Rs. 35 lacs have been paid to the State branch but the auditor suggested that direct payment to the state cannot be made by DERMACON Accounts. Dr. Rajib Gogoi has to settle this issue. Tax returns have to be submitted for the current quarter. Rs. 20 lacs have been reserved in bank account due to advice from the auditor for future IT regulations and implications.

Dr. Rajib Gogoi was not satisfied with the way the calculation of shares was done. He stated that income from DERMACON is divided into two parts - Affiliation fees and Surplus. Affiliation fee is 20% of the stall money and 15% of the registration money which has to be given before the conference to National IADVL. 1.09 Cr is the affiliation money which has already been given to National IADVL by DERMACON 2017. After the conference, 70 lacs has been transferred which is the surplus of the conference. He opined that 30:70 formula will be applied to the surplus and not to the affiliation fees. Dr. Sudip Das objected to this contention stating that affiliation money is part of the profit. Dr. Rajib Gogoi then proposed that the dispute be referred to the Central Finance Committee to which the house did not agree.

Dr. Venkatram Mysore opined that calculation of the fund distribution is at par. This was seconded by Dr. Raghunatha Reddy. Dr. Rajeev Sharma stated that affiliation money concept is in action since ICD only to save the taxes on the income of IADVL. It was suggested by the Secretary of IADVL WB, Dr. Sumit Sen, that what has been followed in last 3 DERMACONS has to be followed this year also and matter to be sent to Constitution Committee for inclusion and rectification in existing language to which the house agreed. Dr. Rajeev Sharma then asked the house whether the term - affiliation money - exists in the IADVL Constitution. These terms were used loosely till now and have to be incorporated to the constitution with clear definition. Dr. Saumya Panda mentioned that if the formula of counting of IADVL Share from DERMACON surplus was wrong, then the share of IADVL was also calculated wrongly.

Dr. Marfatia then gave the concluding suggestion that what has been followed in the last 3 DERMACONS will be followed for DERMACON 2017 also.

MID DERMACON 2017 Report

Next in the agenda was the report of MID DERMACON 2017 which was presented by Dr. Manish Gautam. He could not present the detailed accounts due to GST liability which is still unclear. He mentioned that ITASTA and ITART sessions and PG Thesis Award session were the new initiatives in MID DERMACON 2017. He declared that 900+ registrations were done which was unprecedented in the history of any MID DERMACON. Team MIDDERMACON handed over a cheque of Rs. 10 lacs as seed money return and further Rs. 15 lacs as savings in advance to National IADVL.

DERMACON 2018 Update

Dr. V. P. Kuriyeppe and Dr. Faizal gave an update on the preparations for the conference. Dr. Faizal projected the estimated total expenditure of the conference at 9.15 Cr. Expected income from Pharma is 5.4 Cr. They expect 5000+ registrations and believe that rest of the money would be generated from there. Dr. S. Criton, the Scientific Chairperson of DERMACON 2018, presented the overview of the scientific content of the conference.

DERMACON INTERNATIONAL 2019 Update

The report of the DERMACON INTERNATIONAL 2019 was presented by Dr. Raghunatha Reddy. He mentioned that to break the nexus of hotel room bookings by agents in advance, he needs extra finances to book 1500-2000 rooms in advance for delegates and for that he sought an additional budget of Rs 40 lacs from National IADVL. Dr. Marfatia suggested that the house approve seed money of Rs. 20 lacs and advance against room booking would be an amount of Rs. 20 lacs only. Thus, a total of 40 lacs was sanctioned for DERMACON INTERNATIONAL 2019. The house approved the same.

Dr. Reddy opined that since it will be an international event, its conduct and management has to be monitored by the International Liaison Committee and EC 2018. Dr. Reddy agreed to the majority opinion in the house that National IADVL PAN Card would be used for DERMACON INTERNATIONAL 2019.

Academy Review Taskforce Report

The Academy Review Taskforce report was presented by Dr. Manas Chatterjee. The recommendations made during the ECM were incorporated in the presentation. It was clarified that no Academy Convenor should assume that he/she is going to be automatically selected as the Academy Chairperson. This would purely be on the basis of fresh application every time.

Dr. Vijay Zawar wanted to know the means by which Academy ascertains that goals of the SIGs are achieved in due course. Dr. Manas replied that SIG activities are run through the Academy and the EC and CC review the same on quarterly basis. Dr. Venkataram enquired about the eligibility criteria of Academy members; especially because very junior members are given chance on the basis of publications and years of membership only without any solid research background or significant contribution to IADVL.

Dr. Kiran Godse suggested that the SIG Coordinators has to choose the SIG members they want to work with. Dr. Venkataram suggested that 5 years practicing & 5 papers in that speciality should be the minimum eligibility criteria. Dr. Zawar suggested that the exact criteria of the publication should also be included and decided upon. Dr. Rajeev Sharma asked why preferences were given to the teachers in every eligibility criteria for the post. Why not private practitioners are allowed if they have the minimum eligibility? Dr. Raghunatha Reddy further added that we need to balance on the part of the publications in the eligibility criteria. Dr. Rajiv Sharma also asked that why not vacancies are advertised on all possible media of IADVL and journals. Dr. Seetharam suggested that we need to give academy vacancy advertisements in IDOJ and IJDVL. Dr. Saumya Panda told that he is already doing it.

Dr. Shyam Verma raised a question that why only MD as a degree was recognised to be eligibility criteria for ACADEMY and not DVD? It was suggested that DNB and DVD are also to be included along with

MD and make it simple “post graduation” qualification instead of MD in eligibility criteria. The house finally agreed to this suggestion to make it any PG Qualification instead of MD, remove 5 years of teaching experience as an eligibility, membership has to be 5 years instead of 2 years and publications and presentations at any IADVL event on same subject should be given equal numbers during marking. All the papers/posters/book publications should be there only and solely on the SIG Topic and not on any other speciality.

Election Review Taskforce Report

Dr. Rashmi Sarkar presented the recommendations of the Election Review Taskforce. The taskforce recommended that the Election Officer or any of his family members like son, spouse, and daughter cannot contest election in the same year. The Presidential candidate cannot contest election for more than “three” attempts for the post of President Elect.

Dr. Arijit Coondoo proposed a new Election Committee. The members of the Election Committee would be present Election Officer, Immediate Past Election Officer, Election Officer Elect, and Chairpersons of the Constitution Committee, SOP Committee and Legal Cell. The current Election Officer would be the Chairperson of the Election Committee.

Dr. Venkataram objected that the Chairperson of the Constitution Committee should not be the member of this. His opinion can be sought on as and when needed basis. The current Election Officer should be given a veto power like Indian election system and maximum powers in case of any disputes during election process.

Dr. Rajeev Sharma suggested that the other 3 committee Chairpersons should be advisors to it and not a part of it. Dr. Shyamanta Barua opined that there are no current provisions for the post of Election Officer Elect and, therefore, a proposal for it has to be moved in the next AGBM, if at all.

ITATSA Report

It was presented by Dr. ShyamVerma and Dr. Rajetha Damisetty. It was informed to the house that a Supreme Court lawyer Mr. Colin Gonzalves was consulted to fight a PIL in Supreme Court for the cause of ITATSA. He has agreed to do it free of charges and only stationery cost would be borne by IADVL. Dr. Putta Srinivas asked what were the chances of the PIL being taken by Supreme Court for discussion because if it is not taken up, the Government will go against the Association and will use this act as a future excuse whenever we contact them for support. It was suggested that a signature campaign be launched along with PIL to increase the impact of the PIL and campaign.

ITATSA is trying its best to get a letter of support for this cause from ILDS. EADV has shown interest on their own. ISD support is also being sought for. It was clarified that an amount of Rs. 5 lacs annually had already been sanctioned by the GB for ITATSA activities.

ITATSA is about to start a registry of data collection for topical steroid damaged face and groin. ITATSA is also working with ITART to get some publications done on steroid damage to the skin and groin.

ITART Report

Dr. Madhu Rengarajan and Dr. Manjunath Shenoy presented the report of ITART. They informed that the first official ITART newsletter named Tinea Times was ready and was released by Dr. Marfatia. A multicentre study of recalcitrant tinea is being planned across India to know the actual impact of the load of fungal infections. It is supposed to be complete by November end this year. A workshop was being organised at PGI Chandigarh on recalcitrant tinea. Dr. Marfatia informed that IADVL is looking for Pharma sponsorship to distribute the PPTs for GPs which are ready in hand with both ITATSA and ITART.

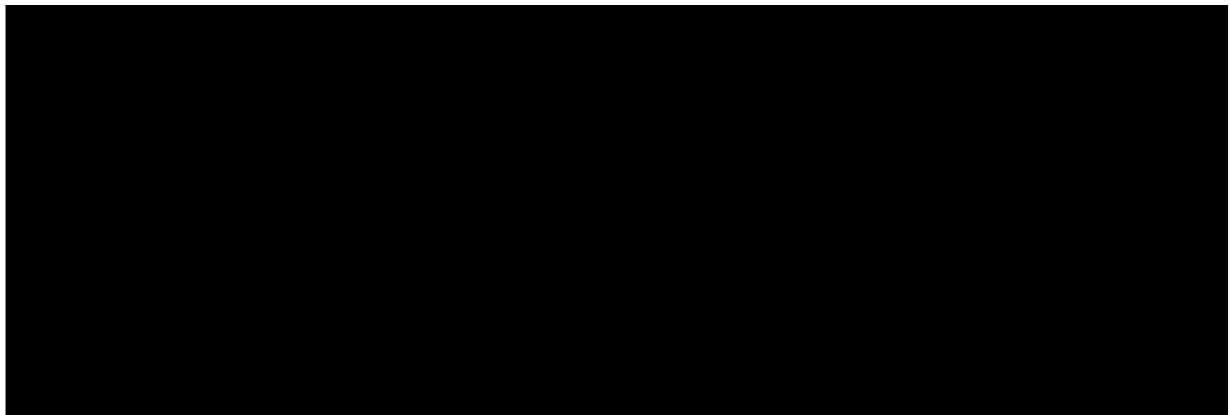

Dermatology Education Taskforce Report

This was presented by Dr. Sudip Das in the absence of the Chairperson and Convener.

EC proposals

It was informed by Dr. Shyamanta Barua that these have been passed in the ECM and are being put here for discussion and approval before submission to the GBM.

1. **Proposal for Honorary Membership:** Honorary Membership of IADVL can be proposed by 5 LMs with adequate justification of their contribution to Indian dermatology. This proposal will be sent to the Hon. Secretary General who will place it in the EC for prior recommendation for tabling in the AGBM. The proposal has to be approved by 2/3rd members in the AGBM. Decision: Passed.

3. **IADVL Anthem:** IADVL should have an Anthem of its own. This should highlight the service and commitment of IADVL to the members and society. The song can be of 1-1½ minutes duration. It should be played or sung at the beginning of inaugural function of CUTICONS, DERMAZONES, DERMACONS and any other IADVL hosted international events. Lyrics for this song may be contributed by our own members. The best among them may be selected. Decision: Approved subject to GB ratification. It was suggested that the name of it should be IADVL Song and not anthem. Applications should be invited for the lyrics of the IADVL Song.
4. **IADVL Taskforce Against Quackery:** Considering the increasing incidence of quackery in our composite specialty and the concerns of several members on this issue, we propose the formation of a National Taskforce to liaise with the IADVL State Branches in notifying the licensing authorities against any specific quackery complaint(s) raised by member(s) with requisite evidence. The State Branches will be directed to appoint their own State Taskforces to liaise with the National Taskforce. Decision: Passed. The house accepted the acronym – ITAQ – suggested by Dr. Shyamanta Barua. Dr. Putta Srinivas was appointed the Chairperson and Dr. Rajesh Buddhadev the Convener. They were asked to form their team.
5. **Revision of ALM Criteria:** The Constitution (Page 10; Clause 5c) mentions that ALM can be awarded to doctors and other specialists working in the field of dermatology, venereology and leprology (eg. dermatopathologists, academicians, researchers and genetic scientists). We propose that ALM should ONLY be awarded to those who have a PG qualification in dermatology which is not recognised by MCI but is recognised by a State Medical Council. They will not have any voting rights and cannot hold any IADVL post. Decision: Passed.

6. **Tax adjustments in IJDVL fund:** IJDVL fund is composed of Journal contribution from Membership fees + 15% of DERMACON surplus (*P. No. 23, IADVL Constitution, 2014*). This fund is held by IADVL in the form of FD and the interest accrued is transferred to IJDVL a/c at the end of the financial year. The IADVL has been paying Income tax @ 30% on the Income that constitutes the IJDVL fund and Service Tax @15%/GST now onward @ 18%. This cumulative tax component being as high as 45-48%%, it is only natural to expect IJDVL to share the burden too. With DERMACONs using IADVL's PAN w.e.f. 2019, the GST on DERMACON surplus (the major contributor to IJDVL fund) will be avoided. Hence it is being proposed that IADVL shall deduct 30% of the IJDVL fund generated during one financial year and add the remaining 70% only to the closing IJDVL Corpus fund of the previous financial year/opening Corpus fund of the same financial year. On the amount thus calculated out, simple interest amount @ 7% (till FY2017-18) will be transferred to IJDVL bank a/c during the last 10(ten) days of the same Financial year. This rate of interest will be reviewed and decided, taking into consideration the prevailing interest rates offered by banks at that point of time, by the Central Finance Committee at the end of every 2 (two) financial years. Decision: Dr. Saumya Panda was asked to discuss these issues with the auditor. The house suggested that the IJDVL taxes should be borne by IJDVL itself on the corpus fund of IJDVL.
7. **Fund allocation for IADVL HQ plot:** The Kolkata GBM had ear marked Rs.7.0 cr for purchase of a plot of land for proposed IADVL HQ at Dwarka. After more than 6 months of property hunt, all members involved in the exercise have realized that Rs. 7.0 cr is just not enough to purchase the kind of plot IADVL is looking at. Hence it is being proposed that Central Council approves another Rs. 3.0 Cr. for purchase of land making the total amount approved for the purpose @ Rs.10.0 crores. This will be inclusive of all taxes, brokerages, legal expenses and any other expenses involved till final registration and mutation of the property in IADVL's name. Decision: Passed. Dr. Kuriyepa stated that all IADVL members should make contributions for this property. He mentioned that he would like to donate Rs. 5 lac from his pocket for the IADVL HQ Building fund. The house appreciated his magnanimous gesture.
8. **Registration of various IADVL flagship event names and IADVL logo:** IADVL properties including logo, journal names, DERMACON, MID DERMACON, CUTICON are not registered anywhere in India. To prevent misuse of these properties by any individual or other entities, all these brand names should be registered with Registrar General of India. Decision: Passed.
9. **Hard copy of IJDVL optional for all new members of IADVL:** The hard copy of the journal has to be made optional for the new members joining the association. A new filter has to be made in the OMAS. Rs. 1800 would remain as the journal charges/fees. Member has to choose if they want the print copy of the journal at the time of the joining IADVL. Decision: Passed. Dr. Raghunatha Reddy proposed that OMAS has to incorporate a line mentioning that to save the environment please choose to go green and opt for the online version [no hard copy] of the official journal of IADVL that is IJDVL. The house accepted this. Has to be implemented after ratification by the GB.
10. **Disciplinary Committee for IADVL Yahoo E-groups:** There should be an Yahoo Group Disciplinary Committee consisting of the 3 Presidents, the Secretary General cum Group Owner and Jt. Secretary cum Group Moderator. This committee would have the power to maintain the decorum of the E-groups and can even remove the members not obeying the rules and regulations of the e groups. Decision: Passed.
11. **Editor Search Committees for IADVL UG and PG Textbooks:** In the absence of definite guidelines, it is proposed that the composition of the Editor Search Committees for IADVL UG and PG Textbooks should have: President IADVL; Immediate Past Textbook Editor of UG/PG Books

(he/she will recuse in case he/she intends to reapply for the post; in that event, a previous Editor of UG/PG textbook will come on board); Chairperson, Textbook Advisory Committee; Chairperson, IADVL Academy and Immediate Past Editor, IJDVL. Decision: Passed. To be ratified by the GB.

12. **Academic guild of medical associations:**IADVL should also become a member of this Guild. The fees was \$500/equivalent amount of Rupees.Decision: Passed. Proposed by Dr. Amar Kant Jha and seconded by Dr.Puttasrinivas.

International Liaison Committee Report

Dr. Venkataram and Dr. Rashmi presented the report of the International Liaison Committee. An e-newsletter is being made and circulated to all main societies all across the globe. A proposal of paid scholarship of 1000 USD with free registration to DERMACON for AAD members is planned. EC has agreed to it. The house approved the same.

DERMACON International 2019 has to be organised in liaison with the International Liaison Committee. It has to be marketed on various platforms to increase acceptance globally. It would cost around 3 to 4 lacs as in case of WCOCD. Different societies are to be invited to do sister society sessions. Cost would be around 10 lacs for social media campaign and sponsoring the chairpersons to sister society meetings. The chairpersons to be given free registration and stay at DERMACON. Total planning may cost 25-30 lacs out of which some part would be borne by OC Dermacon International and thus there may be a reduced surplus amount submission to National IADVL. The house accepted these subject to ratification by the GB.

Ethics Committee Report

Dr. Putta Srinivas presented it. He stated that various complaints were received from members all across India and it was observed that one has to have an emergency contact number on the prescription to avoid complications; may be of self or the nearby hospital.

Practice Management Cell Report

Dr. Manish Gautam presented the report. He regretted that only one PMC CME could be conducted and that was in Nagpur. Clinic management software was rolled out and against the target of 350 members, he could enrol hardly 150 odd members out of which he could generate feedback from only 10-15 members. He declared that there has been a serious lack of communication between him and the Convenor of the Committee.

Dr. Manish proposed that in future the Chairman of the committee be given full authority to choose the Convenor and other members of the Committee. The house approved this. Dr. Shyamanta suggested that he could write a mail to the EC to seek permission to change the Convenor so that he can work for 4 months which are still left to deliver. Dr Manish said on record that he wants a whole new team in PMC to work ahead.

People Connect Cell Report

Dr. Rohit Batra presented the report of the People Connect Cell, the erstwhile Media Cell. He informed that the ECM has sanctioned a budget of Rs 5 lacs for IADVL SAFAR BUS. The house approved the same and asked him to table a revised report in the GBM.

Thesis Evaluation Committee Report

The Chairperson of the Committee, Dr. Adarshlata Singh, made a detailed presentation where she outlined the thesis evaluation chart and guidelines for time bound action which has been taken up. It was approved with a vote of thanks.

Quiz Committee Report

It was presented by the Chairperson, Dr. Manjyot Gautam. She briefed the house about the process of selection of Quiz Masters for the State Rounds and coordination with the respective State Branches hosting the same.

IADVL House Building Committee Report

It was presented by the Convener, Dr. Sumit Gupta. He detailed the site visits in search of property and the problems faced.

AFDG Agenda

Col. Ajay Chopra mentioned that the President and the Secretary of AFDG are preoccupied with official work and are therefore not able to give time to branch activities. Hence, AFDG wants to designate an Executive President and Executive Secretary for itself. He proposed that Dr. Rajesh Verma would work as the Executive President and Dr. Biju Vasudevan as Executive Secretary for AFDG. Their expenses for attending the CCM have to be reimbursed by National IADVL. Decision: Passed. It was suggested by the house that they should make a full EC of the AFDG like any state IADVL body and nominate members for reimbursement.

Closing remarks

In his closing remarks, the President, Dr. Marfatia proposed the following:

1. 12A has to be sought for the association for the ease of taxes. IADVL has its registered office in Varanasi which has to be shifted to a nearby place to apply for a 12A. It should be in NOIDA or Ghaziabad. It can be rented out or purchased. Decision: Passed.
2. IADVL Auditor has suggested that many accounts are running under the name of IADVL. They have to be restructured as per advice of the auditor. Dr. Rajib Gogoi has to do it before the GBM and has to present it to GBM for approval.

The 4th Academic Monthly Meeting was organized by the Department of Dermatology, ESI Hospital, Basaidarapur by Dr. Paschal D'Souza and his team. There were interesting cases which were discussed including many rarely seen genodermatoses. The invited Faculty deliberated on "Lasers for Onychomycosis: Do they really help?" by Dr. Soni Nanda. Dr. Jaspriya Sandhu delivered an interesting talk on "Dermatologists and disinfection".

19th August, 2017

An Extra-ordinary General body Meeting (EGBM) of IADVL-DSB was held on at Maulana Azad Medical College, Delhi. The meeting was attended by 54 Life Members of the Delhi State Branch. The Meeting had a single point Agenda of discussing and adopting the New Constitution of IADVL- Delhi State Branches approved and passed by the 2nd EC Meeting, framed on the lines of IADVL National Constituion-2014. The entire Meeting was live videographed. As the quorum (one-sixth of all registered members) was not complete, the President adjourned the meeting. The meeting was called to order after 15 minutes and proceedings were carried out with 54 members present. The President decided to seek vote on the Addendum 2, introduced by EC. The point for voting was "Members of DSB who have their practice outside Delhi will not be allowed to hold any official position in the DSB executive (cannot become members of EC), will have voting rights and they will continue to participate in all academic activities. The eligibility of members shall be verified. There were 38 votes saying yes (Favouring Addendum 2) and 16 no (against addendum 2) against Addendum 2. Hence, the New Constitution was adopted by the EGBM with a majority vote. The Office bearers were assigned the task to get the society registered and proceed with other formalities to acquire GST Number as per GOI regulations as that was immediate priority.

9-10th September, 2017

The 3rd PGCON (North Zone) was organized by the IADVL-DSB and hosted by the Department of Dermatology and STD, University College of Medical Sciences & GTB Hospital, Delhi under the leadership of Prof. S. N. Bhattacharya, Head of Department. This conference is an initiative by IADVL Academy, aimed at providing targeted and comprehensive information to the Exam going Post-graduates regarding theory and practical exams. It was attended by 110 post graduates from 7 states of North Zone. Eminent Faculty from almost all Medical Colleges of North Zone too sessions on various exam oriented topics. The Scientific Committee chaired by Prof. Archana Singal and Prof. Rashmi Sarkar charted out an engaging scientific program. The main highlight of the event was the

"Skill Labs" which demonstrated the procedures and bedside tests live as well as in pre-recorded video format. These aimed at providing practical knowledge to students regarding approach to spotters and long cases in exams. There were also interesting sessions on radiology and instruments. Histopathology slides were displayed and discussed. Students learnt a lot from first-hand viewing of typical histopathology slides. In the end, there was an interactive session which involved query solving by examiners. The talks were well appreciated.

IADVL Kerala

Looking back on the journey travelled so far, we are proud to say that we were able to set a few historical milestones in the chronicles of IADVL KERALA. Needless to say, the way our members extended their helping hands whenever in need, in whichever capacity they could, is always remembered with gratitude and due respect.

It is indeed a matter of pride for us as we have organized events across the state in association with IADVL, IADVL Academy, SIGs, regional derma clubs, branch clubs, medical Colleges, IMA and various other organizations. The office bearers and the executive committee members of IADVL Kerala gave lead to the proceedings and worked synchronously to execute the envisioned programs to smooth perfection.

COMMUNITY SERVICES (Chalo Gaon Ki Ore)

1. Diagnosis and Management of Skin diseases in the Lakshadweep Islands

A Major agenda of IADVL, this year, was reaching out to the common man, especially in the villages of India. We, representing the Kerala Branch of IADVL as a part of this social commitment wished to serve the people of Lakshadweep by undertaking a presidential project "The Diagnosis and Management of Skin diseases in the Lakshadweep Islands" for the coming one year.

We came to understand the lack of basic Dermatology care in the islands from the repeated requests for Dermatology camps from the residents and NGO's alike. We envisage conducting Dermatology (Skin) Camps on a regular basis in various islands of Lakshadweep where there is not even a single dermatologist to serve the islanders plagued by skin problems.

The main aims of the project are:

1. To address the dermatological health needs of the people of Lakshadweep including diagnosing and treating skin diseases by means of conducting monthly camps by qualified dermatologists in the islands.
2. To educate the people regarding the dermatological diseases and skin care with special attention to venereological diseases and leprosy by conducting regular classes among the people, clearing doubts regarding the infective and non-infective types of skin diseases, attempt to remove social stigma associated with some diseases like vitiligo and leprosy.
3. To conduct community level research and generate epidemiological data regarding the dermatological diseases in Lakshadweep islands.

As a pilot flagship to the project, our first Skin camp was held in January 2017 at Rajiv Gandhi Specialty Hospital, Agathi,

in association with IQRAA Hospital. Our team led by Dr T SALIM, President IADVL K, Dr GEORGE CHAKOLA, Vice President IADVL K & Project Director of Lakshadweep Camp, Dr K FERAZ, Secretary IADVL K and Dr RAKHESH SV, Treasurer IADVL K conducted the camp.

As in Agathi, we hope, we can repeat the success story in other islands of Lakshadweep as well as much as the logistics permit. We are awaiting the permit and other technical formalities to be completed to conduct Dermatology camps in the islands of Kavarathi, Minicoy, Amini, Kalpeni Islands etc in the coming months.

2. Conducting dermatology camps for immigrant Laborers

The immigrant labourers in the state are susceptible to various health problems including skin diseases. Even diseases that are supposed to be eradicated are quite prevalent among this population. Indian Association of Dermatologists, Venereologists & Leprologists (IADVL) Kerala branch, as a part of our social commitment decided to take up the issue of the neglected skin care amongst the immigrant labourers as a presidential project for the year in association with Govt of Kerala and set up a task force to comprehensively address the skin care problems faced by the migrant labourers population. IADVL - Kerala has marked the Immigrant labourers camp programme as its marquee project in 2017. Thus we set "diagnosis and treatment of skin diseases among the immigrant labourers of Kerala" as its goal for the coming year. State Ministers for health and labour ministry as well as officials were contacted and a project report was submitted. Govt was quite supportive in this project and the series of camps started from February 2017. Since then the programme is being continued on regular basis at various district head quarters and other centres. The camps were conducted by IADVL Kerala in association with Ministry of Labour and health, Govt of Kerala and various NGOs.

The main aims of the project are:

1. To address the dermatological health needs of the immigrant labourer population in the state including diagnosing and treating skin diseases by means of conducting monthly camps by qualified dermatologists in various district head quarters and provide free medicines and relevant investigations.
2. To educate the people regarding the dermatological diseases and skin care with special attention to venereological diseases and leprosy by conducting regular classes among the people, clearing doubts regarding the infective and non-infective types of skin diseases, attempt to remove social stigma associated with some diseases like vitiligo and leprosy.
3. To conduct community level research and generate epidemiological data regarding the dermatological

diseases amongst the immigrant labourer population

With this successful proof of concept, IADVL - Kerala realized the need for organizing more such camps on a regular basis. Apart from filling the gap of specialty care, the camp will aim at collecting epidemiological data regarding dermatological diseases amongst the labourers, analyzing these data and generating valuable information pertaining to the geography.

OTHERS:

Conclusion :

The year 2017, has been certainly another eventful year for IADVL Kerala- where we have marched ahead in strides- under the new leadership, which is a strategic blend of experience and innovation, infused with new enthusiasm, vigor and energy, ready to take on new challenges and as a united team. And we are happy and proud to say that IADVL Kerala has stitched a few golden leaves in its annals in the recent past.

In the view of forth coming DERMACON 2018, to be held in January 2018, we decided not to hold any major conference this year, and we had to cancel or postpone a few academic activities as well as a few activities which were planned. Venue visit and Scientific Committee meetings by the national office, various designated officials and the organising committee were held on Oct 14th. We are happy and proud that the IADVL members have appreciated and bestowed the trust on us to host DERMACON 2018. We are immensely happy, thankful and the whole state is all gearing up to organise a memorable event to cherish for a life time. We appreciate the efforts and hardwork of the organising team reined by Dr Kuriyipe VP, Dr MM Faizal and Dr S Criton. And on behalf of IADVL Kerala, we welcome all delegates to DERMACON 2018

Long Live, IADVL!

MID DERMACON 2017

It was held 11th - 13th August 2017 Friday – Sunday at CIDCO exhibition centre Vashi, Navi Mumbai, hosted by Navi Mumbai Raigad Dermatologists Association (NMRDA). I am proud of our this fledgling chapter of IADVL Maharashtra, formed in December 2015 could organize this wonderful and successful meet. It was a resounding academic and organisational success.

Starting with a half day video workshop covering the latest updates in dermatosurgery and aesthetic dermatology followed by a two day intensive academic sessions, the conference aptly lived up to its theme of meeting the unmet needs in dermatology.

There were almost 900+ registrations and extremely good attendance over the entire period. The august faculty were greeted by a rapt audience and a state of the art auditorium. The academic repast was accompanied by a gastronomic feast and a rocking banquet. The rain gods did not play truant and benevolently blessed the entire show. The teamwork of NMRDA was evident in the seamless conduct of the entire show.

Convener Designate, IADVL Academy

This has been another eventful year, with an increase in the number of scholarships, observerships, grants and events organized in collaboration with state branches. With the backing of the EC, this has been accompanied by greater efforts to increase the transparency and objectivity in the IADVL's academic activities.

Applications are now being invited for Academy and Special Interest Group (SIG) members, Observership centers and candidates, speakers for DERMAGYAN Online Lectures and MIDDERMACON Academy sessions, DERMACON Orations, and editors and authors for IADVL books. Application forms have been specifically designed (and approved by the EC) to allow objective evaluation, using a scoring sheet, by Academy members to ensure selection by merit.

Internal check systems are also being employed, such as confidential evaluation of SIG functioning, verification visits to observership centers and monitoring of e-library usage. Formal feedback is also being solicited for PGCONs, Research Methodology and How to Publish Workshops, and from Observership candidates. Self-assessment of functioning is undertaken by SIGs annually. Guidelines, books, public information leaflets and newsletters are being peer reviewed.

CONFERENCES, CMEs & WORKSHOPS

IADVL Research Methodology and How to Publish Workshops-2017

Applications for hosting these workshops, coordinated by the SIG Clinical Trials Coordinator, Dr Nilay Kanti Das, and Convener, Dr Dipankar De, were invited from state branches with the latter being responsible for all local expenses and the central IADVL looking after the transport and accommodation of the national faculty. IADVL Masterclass on Psoriasis Awareness, Challenges and Treatments (IMPACT CMEs)

Sixteen CMEs were held in various cities, in association with the state branches. They were supported by an educational grant from Novartis and implemented by Six Sigma. Dr Murlidhar Rajagopalan and Dr Abir Saraswat were the National Coordinators. To ensure uniformity in the information delivered, each one had the same four topics (with two SIG and local speakers each) with a common slide deck prepared by the IADVL SIG Psoriasis and approved by the Academy. Nine CMEs were held in 2016 and seven in 2017 (Bhubaneswar, Lucknow, Alleppey, Guwahati, Indore, Ludhiana and Pune). A total of 1120 members participated in these CMEs.

IMPACT 2.0 (Dr Abir Saraswat, Coordinator and Dr Vinay Singh, Convener), supported by an educational grant from Novartis, has been initiated and expanded to 17 cities. A common slide deck, focusing on advanced issues in the management of psoriasis including case presentations, was prepared by the SIG Psoriasis. It was finalized in a meeting attended by the SIG members and Academy and EC representatives in Lucknow and subsequently approved by the Academy and EC. CMEs were held in Mumbai (October 29), New Delhi (November 12), Kolkata (November 19), Kochi (December 3) and Lucknow (December 17). CMEs are planned to be held in the following cities in 2018: Ahmedabad, Chandigarh, Chennai, Dehradun, Guwahati, Hyderabad, Indore, Manipal, Patna, Pune, Srinagar and Vijaywada.

O-SCAR Acne Program on 'Evolving Issues & New Treatment Approaches in Acne Management'

This program, supported by an educational grant from Galderma and implemented by SixSigma, is aimed at disseminating information on advances in acne management through CMEs in 15 cities. The topics are 'Systemic associations of acne', 'Optimizing topical therapies', 'Rational approach to systemic therapy', 'Acne sequelae and their prevention', followed by a panel discussion on interesting cases in acne. To formulate the content and help organize the meetings, the O-Scar Acne Group was constituted following invitation of applications. The following members were selected by a committee composed of the President, President Elect, Immediate Past President, Hon. Secretary General, Academy Chairperson and Academy Convener: Dr Nina Madnani (Coordinator), Dr Dipankar De (Convener), Dr Amit Kelkar, Dr Bela Shah, Dr Gulrez Tyebkhan, Dr Jagjeet Sethi, Dr Kabir Sardana, Dr Neena Khanna, Dr Rajetha Damisetty, Dr Sanjay Rathi, Dr Shilpa Garg and Dr T Salim. A common slide deck was prepared by the members and finalized in a meeting attended by the O-Scar Acne group members and Academy and EC representatives in Mumbai. It was subsequently approved by the Academy and EC.

CMEs were held in Bengaluru (December 17) and Delhi (December 24) in association with the Karnataka and Delhi state branches. Meetings have been planned in Ahmedabad, Chandigarh, Chennai, Coimbatore, Guwahati, Hyderabad, Jaipur, Kolkata, Lucknow, Mumbai, Nagpur, Pune and Visakhapatnam in 2018.

IADVL Resident Program (PGCON)

Postgraduate conferences (PGCONs) were conducted in all zones in association with the respective state branches and were supported by an educational grant from Intas: PGCON WEST, Ahmedabad (Gujarat), July 15 and 16; PGCON NORTH, Delhi (Delhi), September 9 and 10; PGCON SOUTH, Calicut (Kerala), October 21 and 22; and PGCON EAST, Guwahati (Northeast), December 29 and 30 .

MIDDERMACON-2017

The 'Dermatopathology' and 'Geriatric dermatoses' sessions in MIDDERMACON-2017, held in Navi Mumbai on August 12 and 13, were organized by the SIG Dermatopathology and SIG Geriatric Dermatology respectively.

Sessions on 'Infections' and 'Immunobullous diseases' were planned by the Academy. They were based on topics decided by the Academy and with faculty selected by calling for applications. The selection was based on evaluation by Academy members of the applicant's expertise and experience in the chosen topics.

DERMACON-2018

Four SIG sessions (viz. Dermatology Clinical Trials, Lasers and Aesthetics, Pediatric Dermatology, and Trichology and Hair Transplantation) are planned by the respective SIGs in DERMACON-2018, Kochi.

Ten applications for orations were assessed by Academy members and Central Supervisory Committee based on objective criteria. The three that received the highest marks and scored more than 60% were approved by the Central Supervisory Committee in its meeting in Kochi on 15th October.

IADVL-L'Oréal Indian Hair and Skin Research Grant-2018

Applications were invited for Rs 25 lakhs of grants for projects in pigmentation, hair and photobiology. The blinded applications were evaluated by a jury consisting of Dr Yogesh Marfatia (President, IADVL), Dr Sunil Dogra (Editor, IDOJ), Dr Chitra Nayak (Convener, IADVL PG Education Taskforce), Dr Deepika Pandhi (Convener Designate, IADVL Academy of Dermatology), Dr Anupama Wagle (Head, Instrumental & Clinical Evaluation, L'Oréal R&I, India), Dr Stéphane Commo (Lab Manager, Life Sciences, L'Oréal Clichy, France), Dr Thierry Passeron (Professor & Chairman, Dept. of Dermatology, University of Nice-Sophia Antipolis, Nice, France) and Dr Michèle Verschoore (Medical Director, L'Oréal R&I, Paris, France) (the latter three in absentia) in a meeting held on 5th November 2017 in Mumbai. Nine projects have been provisionally selected and the final list will be announced once the revisions suggested by the jury are made and final approval is obtained from the Jury.

IADVL Postgraduate Thesis Grant

A SOP, application form and evaluation form were prepared for this IADVL Presidential project, that proposed to sanction 20 grants of Rs 50,000 each. The 18 blinded applications received are being evaluated by the Postgraduate Thesis Committee (Chairperson, Dr Adarshlata Singh, and Convener, Dr Reena Rai).

The status, updated quarterly, of IADVL, IADVL SIG, IADVL-Galderma, IADVL-Sun Pharma and IADVL-L'Oréal Research Grants can be seen on the IADVL website.

-Dr Resham Vasani & Dr Yasmeen Bhat, IADVL Research Grants Coordinators

IADVL Scholarships

IADVL members are eligible for only one national and international scholarship each in their lifetime. Only registered delegates presenting a paper/poster and have no other funding source are eligible. Evaluations are evaluated using a structured application form (to enable scoring on the basis of set criteria by two anonymous

judges with no conflict of interest). With the number of applications falling far short of the scholarships available, all eligible applicants received scholarships.

IADVL E-LIBRARY

The IADVL-E library allows IADVL members to access articles from the following journals by writing to iadvlejournal2015@gmail.com: British Journal of Dermatology, Clinical & Experimental Dermatology, Dermatologic Therapy, Journal of Cutaneous Pathology, Journal of the European Academy of Dermatology & Venereology, Pediatric Dermatology, and The Journal of Dermatology. The list of members with direct access (IADVL EC, Academy

members, SIG coordinators, IJDVL and IDOJ editorial board members, and state branch nominees) is available at our website and was publicized through the Egroups.

-Dr Sandeep Arora, Convener, IADVL E-library

IADVL Representation to National Board of Examinations

The Academy with inputs from concerned SIGs prepared the curricula for Fellowships in Dermatosurgery, Dermatopathology and Pediatric Dermatology for submission to the National Board of Examinations.

IADVL PUBLICATIONS AND BOOKS

IADVL Patient Information Leaflets

Patient information leaflets for twelve common diseases (diffuse hair loss, vitiligo, psoriasis, melasma, androgenetic alopecia, dermatophyte infections, pediculosis, leprosy, dandruff and seborrheic dermatitis, hyperhidrosis, recurrent folliculitis, and alopecia areata) were prepared by Dr Vishalakshi Viswanath, Chairperson. Members: Dr Vinay Gopalani, Dr Shekar Neema, Dr Tanumay Raychaudhari, Dr Satyendra Singh, Dr Ankur Talwar, and Dr Sudha Vani. After review by Academy members, they are being formatted and will be available on the Academy page (www.iadvl.org). They will be translated into local languages with the help of state branches.

IJDVL Symposium on Lasers

Four review articles were submitted by the SIG Laser and Aesthetics (Dr Shehnaz Arsiwala, Coordinator and Dr Swapnil Shah, Convener) to the IJDVL.

Melasma Guidelines

These guidelines prepared by the SIG Pigmentary Disorders (Dr Nilendu Sarma, Coordinator, 2015-16 & Dr Shital Poojary, Coordinator, 2017-18) were published in the November-December 2017 issue of the Indian Dermatology Online Journal.

IADVL Textbook of Cutaneous Adverse Drug Reactions

This book, edited by Dr Lalit Gupta, Dr Abhay Mani Martin, Dr Paschal D'Souza and Dr Sushil Pandey, will be released during DERMACON 2018.

Other Books

The editorial boards for the following books were selected after inviting applications (as per the SOP for Academy Publications) and table of contents have been finalized:

1. *IADVL Handbook of Geriatric Dermatology*: Dr Vibhu Mendiratta (Editor), Dr B Leelavathi (Associate Editor), Dr Aarti Sarada and Dr Samipa Mukherjee (Assistant Editors).
2. *IADVL User's Manual of Systemic and Topical Steroids*: Dr Neena Khanna (Editor), Dr Abhishek De (Associate Editor) and Dr L Eswari, Dr Neetu Bhari and Dr Meghana Phiske (Assistant Editors)
3. *IADVL User's Manual on Management of Dermatophytoses*: Dr Kabir Sardana (Editor), Dr Ananta Khurana (Associate Editor), and Dr Shilpa Garg and Dr Shital Poojary (Assistant Editors)
4. *IADVL Textbook of Pediatric Dermatology*: Dr Ram Gulati (Editor), Dr Tanumay Raychaudhary (Associate Editor) and Dr Resham Vasani (Assistant Editor).

The first three books are IADVL Presidential projects, while the last one was proposed by the SIG Pediatric Dermatology. The authors of chapters of the IADVL Handbook of Geriatric Dermatology and IADVL Textbook of Pediatric Dermatology have been selected by the editorial board after inviting applications. The IADVL User's Manual of Systemic and Topical Steroids is being written by the editorial team and the IADVL User's Manual on the Management of Dermatophytoses, by the IADVL Taskforce Against Recalcitrant Tinea (ITART).

SIG Newsletters

Newsletters by the SIG Pediatric Dermatology, SIG Dermatology Clinical Trials, SIG Psoriasis and SIG Geriatric Dermatology, were released during the year and are available on the Academy page (www.iadvl.org).

ACADEMY MEETINGS in 2017

The first Academy meeting of the year was held on January 13, followed by an Academy and SIG Members' Meeting on January 15, during DERMACON-2017 in Kolkata. A mid-Term meeting, including SIG Coordinators, was held on June 17 in New Delhi.

IADVL Academy Review Task Force

As suggested by the Academy, the above taskforce was constituted (Dr Deepak Parikh, Chairperson and Dr Manas Chatterjee, Convener), with the Academy Chairperson and Convener as ex officio members. Its recommendations were discussed in EC and CC meetings and are expected to be presented in the forthcoming GBM in Kochi.

SIG ACTIVITIES

SIG Dermatology Clinical Trials

The SIG provided inputs for the development of the IADVL Postgraduate Thesis Grant and developed the modules for the 'How to publish and Research methodology' workshops. It gave suggestions for improving the protocol of proposals submitted for the IADVL Research Grant-2017 and IADVL L'Oreal Research Grant-2018.

It conducted workshops at Kolkata (April 26), Bhubaneswar (September 3), Ajmer (October 15) and Mangalore (November 16) and Rajkot (December 15). It also organized a session in the DERMAZONE North conference in Agra (October 28) and the PGCON East conference in Guwahati (December 29), while one is planned in DERMACON 2018 in Kochi.

A symposium on 'Relevant ethical issues pertinent to current clinical research environment in India' was published in the Indian Journal of Dermatology and a newsletter ('Random Musing volume II') was also published by the SIG.

The SIG's IADVL-Sun Pharma Research Grant funded trial 'Effectiveness and safety of 0.5% Timolol aqueous solution in the treatment of pyogenic granuloma: A multicentric, randomized, double blind, placebo controlled pilot study' is underway.

-Dr Nilay Kanti Das (Coordinator) and Dr Dipanker De (Convener)

SIG Dermatopathology

Workshops were organized at New Delhi (February 18-19), Bhopal (April 1), Chennai (June 18), Bhubaneswar (July 22), MIDDERMACON-2017 in Navi Mumbai (August 13), and Vellore (October 21). It designed the curriculum to be followed by institutes offering one month IADVL Observership in dermatopathology and gave inputs for curriculum for institutes offering one year NBE Fellowship in dermatopathology. It compiled details of centers across the country offering expert dermatopathology services (34 centers).

-Dr Sujay Khandpur (Coordinator) and Dr Saurabh Singh (Convener)

SIG Dermatosurgery

Standardized consent forms were drafted for commonly performed dermatosurgeries (viz. vitiligo surgery, mole removal, cyst removal, Dermaroller, intralesional steroid injections for keloids, nail surgery, acne scars, blepharoplasty and scar revision). These are available at the Academy page (www.iadvl.org). IADVL-Torrent Dermatosurgery Workshops 2016-2017 were held at Trivandrum (February 26), Dibrugarh (June 4) and Agra (June 11), while IADVL-Torrent Dermatosurgery Workshops 2017-18 are being planned.

-Dr Sanjeev Gupta (Coordinator) and Dr Chander Grover (Convener)

SIG Geriatric Dermatology (2016-17)

A CME was conducted at Delhi (May 14) and sessions at MID-DERMACON-2017, Navi Mumbai (August 13), DERMAZONE North, Agra (October 28) and DERMACON-2018, Kochi. A newsletter was released in March 2017. The SIG Coordinator is the editor of the Handbook of Geriatric Dermatology. A skin health care camp was held at Sai Sahara old age home at New Delhi on 9th April, 2017.

- Dr Vibhu Mendiratta, Coordinator

SIG Lasers and Aesthetics(2016-17)

Consent forms and Patient education leaflets were prepared. IADVL-Torrent Aesthetics workshops were held at Ranchi (April 14), Manipal (June 4) and Indore (June 18). A conference, LASERCON Pune, was held from October 14-17 in association with the Pune chapter of the IADVL (Maharashtra branch). A SIG session is planned at DERMACON-2018 in Kochi.

-Dr Shehnaz Arsiwala (Coordinator) and Dr Swapnil Shah (Convener)

SIG Leprosy (2017-18)

World Leprosy Day (January 29/3) was observed, with the SIG-suggested slogan ('Wake Up, Feel the pain, Prevent the stigma') being adopted as the official slogan by the national IADVL. Posters were prepared, a Leprosy Awareness Walk organized at Hyderabad (in association with the IADVL Telangana state branch), and various activities were carried out at many medical colleges across India. On behalf of the SIG, Dr Vivek Pai organized seminars for doctors and nurses of municipal hospitals and other groups in collaboration with IADVL Maharashtra branch and Bombay Leprosy Project. In association with Bombay Leprosy Project, the SIG coordinated with NSS units in colleges of Mumbai for a slum survey and screening of urban community for leprosy on February 16.

A leprosy workshop was organized at Chennai (April 8) in association with the Tamil Nadu state branch. All SIG members participated as experts for the "Leprosy expert session" hosted on the IADVL ACAD egroup in May. The EC

has accepted the SIG leprosy's request and approached the NLEP to become an 'official partner' in the fight against leprosy.

The SIG has started a national 'DermLep Study' from July 2017 to March 2018 to estimate the number of leprosy cases served by IADVL members. It is funded by an IADVL Research Grant.

SIG Pigmentary Disorders

The 'Magnitude and correlates of vitiligo in India: A multicentric cross-sectional hospital based observational study', funded by the IADVL Research Grant-2015, was completed in May 2017. The 'Guidelines for treatment of melasma: Evidence-based review, grade of recommendation, and suggested treatment recommendations for melasma' were published in the November- December issue of IDOJ.

A live vitiligo surgery workshop at Pune (April 23), a symposium, 'Vitiligo Update' at KEM Hospital, Mumbai (June 25) and a session in CUTICON Maharashtra in December 2017 in association with the IADVL Maharashtra Branch were conducted by the SIG. Vitiligo FAQs pamphlets were distributed to members of IADVL Maharashtra Branch on Vitiligo Day.

-Dr Shital Poojary (Coordinator) and Dr Imran Majid, (Convener)

SIG Psoriasis

The IMPACT series was held in association with the state branches at the following venues and 412 members benefitted from these: Bhubaneswar (February 19), Lucknow (February 26), Alleppey (March 19); Guwahati (March 25), Indore (March 26), Ludhiana (May 14) and Pune (June 10). The SIG prepared the slide deck for IMPACT 2. IMPACT 2 programs were conducted at Mumbai (October 30), Kolkata (November 19), Kochi (December 3), New Delhi (December 12) and Lucknow (December 17).

-Dr Abir Saraswat (Coordinator) and Dr Vinay Singh (Convener)

SIG Trichology and Hair

A one day trichology and hair transplantation CME/video workshop module was prepared and this information was disseminated to state branches interested in holding a workshop. Live hair transplantation workshops were conducted in Dermaclinix, Delhi on February 12 for the heads of dermatology departments in medical colleges of the North Zone and in Hyderabad (September 9/10) in association with the Delhi and Telangana state branches. Trichology and Hair transplantation CMEs were conducted in Guntur (September 3) in association with the Andhra Pradesh state branch and in Tirunelveli (September 29) during the Tamil Nadu CUTICON. A session has been planned at DERMACON-2018, Kochi.

The SIG helped initiate a hair transplantation OT in the Base Hospital, Delhi and at Safdarjung Hospital, Delhi. It prepared a position statement for who could perform hair transplantation and for prevention of quackery in trichology for submission to the MCI.

Application for CUTICON Quiz masters was called for by announcements in various e-groups of IADVL. 31 applications were received and 17 quiz masters were selected considering their credentials. For every CUTICON, a local assistant quiz master was also selected by interacting with the organizing secretary; assistant quiz master helps the quiz master in smooth conduction of the quiz program. All the quiz programs were closely monitored by the quiz committee by regularly interacting with the quiz masters, assistant quiz masters and organizing secretaries of the CUTICON. Total of more than 100 teams participated in the CUTICON quiz programs. Quiz committee regularly interacted with the National secretary and updates were communicated periodically. Table 1 gives the details of the events.

IADVL SOP Committee 2017

Dr. Rashmi Sarkar

LM/ND/1543

Chairperson, IADVL SOP Committee

Dr. Sanjeev Gupta

LM/H/3000

Convener, IADVL SOP Committee

The IADVL SOP Committee worked steadfastly making SOPs on IDVL Textbook Editor/Editors and their selection process, the IADVL Academy Account and the conduct of PGCONs. These were also put to use in these 2 preceding years.

IADVL International Liaison Committee

Dr. Venkataram Mysore

LM/KN/3211

Chairperson

IADVL International Liaison Committee

Dr. Rashmi Sarkar

LM/ND/1543

Convener

IADVL International Liaison Committee

Some of the initiatives taken up this year were:

1. **AAD Reciprocal Scholarships:** Scholarships of Rs 75000 to 2 attendees besides free registration to DERMACON in the AAD Reciprocal Scholarship Grant approved by EC and CCM.

2. **International Workshops:** Through our Special Interest groups, we conduct workshops in different countries. **The first one is planned in January 2018 at Muscat, Oman, in coordination with Oman Dermatology society.**

3. **IADVL International Times-A first time ever news bulletin of IADVL International Liaison Cell**

For creating awareness about IADVL's outreach internationally has been created in December 2017.

4. **DERMACON INTERNATIONAL: Our national congress** DERMACON in 2019 is being organized as DERMACON INTERNATIONAL in the city of Bangalore Jan 17-19. As part of this, we offer the following:

a. **Sister Society Sessions:** Different national societies can organize a sister society session in the congress. Each society can organize a 60-90-120 minutes Sister Society session with 6-8-10 speakers, on a topic of their choice. Participation will not only provide an opportunity for learning and exchange of knowledge with other national societies, but also enable them to visit and enjoy the history, architecture, heritage, culture and cuisine of incredible India.

b. **DERMACON International Quiz Competition:** Each society may choose to send a team of two residents for the quiz. The residents will be provided accommodation and free registration.

c. **Global Dermatology Essay Competition:** We plan to organize essay competitions on selected topics and these will be announced soon.

d. **DERMACON International Scholarships to Young Dermatologists: It is planned** to provide two scholarships (consisting of free registration and accommodation) to young dermatologists (below 40 years) from each country, on submission of a paper which gets accepted. The scholarship will include complimentary registration and accommodation

e. **Global Leadership Session:** This is a unique scientific session wherein Presidents/Secretaries of national societies will be invited to participate in a round table meeting to discuss issues of relevance and mutual interest.
