MESSAGE OF PRESIDENT ELECT

Dear Colleagues,

New year Greetings to you all!

The year 2018 has been an eventful with the national EC taking many important steps to strengthen our association. One such event I would like to mention is acquiring permanent office premises for IADVL in NCR, New Delhi. It is a seminal event in the history of our association and I congratulate all the members of IADVL for this achievement. I also extend my sincere appreciation to my EC colleagues for working tirelessly for making possible this long pending dream. It was also pleasure to work along with various committee members for the projects and initiatives undertaken this year.

It was wonderful to be a part of this EC team 2018 ably lead by President, Dr Ramesh Bhat and managed by Secretary general, Dr Uma Shankar & treasurer, Dr Shashi Kumar. Our Vice-presidents, Dr Mukesh & Dr Sakhiya, and Joint secretaries, Dr Dinesh & Dr Prashanth, worked very effectively for IADVL whole of this year and their services would be required for IADVL in the future too.

I look forward to the new year with enthusiasm as I will be taking over as President of IADVL with new team in place. I earnestly request and solicit your support to the newer initiatives to further strengthen our association in year 2019.

Dr. P Narasimha Rao
President Elect, IADVL (2018)

MESSAGE OF IMMEDIATE PAST PRESIDENT

Dr. Yogesh Marfatia
LM/G/419

I consider year 2018 as the most eventful year in the history of IADVL under the leadership of a vibrant captain Dr. Ramesh Bhat.

As an Immediate Past President, it is quite gratifying to see that the initiatives taken by me are effectively carried forward in current year as well.

Let us assess current status of various projects started during my tenure.

1. I am immensely pleased that my proposal to hold DERMACON on INTERNATIONAL scale is now a reality and Dr. Raghunath Reddy and his team are working hard to make it a grand success. The response from various International Dermatology Societies is overwhelming.

2. IADVL Head Quarter project: The office space of almost 5000 sq.ft. is purchased and suitable interior work is going on. My due credit to Dr. Ramesh Bhat and Dr. Mukesh Girdhar.

3. First ever exclusive e-voting was a great success and is a benchmark event in the history of IADVL.

4. IADVL Task force Against Relcalcitrant Tinea (ITART): IADVL Manual on Dermatophytosis is well received. IADVL National Task Force Consensus for Management of Glabrous Tinea Infection (INTACT) will be released during DERMACON International.

5. IADVL Task force for Dermatology Education: A meeting was convened on 13th July 2018 and MCI competency-based curriculum on Dermatology was discussed thread bear. Suggestions to alter the same were compiled and submitted to MCI.

6. PG Thesis grant of Rs.50,000 for 20 PGs : First lot of grant is already released to 13 eligible applicants and grantee for next year are already selected.

7. Constitution updation is completed and updated constitution will be released in DERMACON. Credit goes to one and all involved in this laborious exercise.

Nationwide Skin Safar Rath is a unique activity hardly taken up by other speciality associations. Dr. Rohit Batra deserves lot of appreciation for planning and executing such a mammoth task.

Academy and SIG are performing at their best. Dr. Seetharam and Dr. Deepika deserve all the credits for the same.

As an Immediate Past National President, I am well received by all EC members and my suggestions/views are duly considered. I am indebted to Dr. Ramesh Bhat, Dr.P.N. Rao and all EC members for their affection.

My sincere thanks to Dr. UmaShankar and Dr. Sashi Kumar, our dynamic Secretary and Treasurer. They are the real pillars of IADVL.

I conclude with optimistic note that every passing year takes our association to a greater height.

Long Live IADVL.

IADVL first-Association above Individual.

Let us create Brilliance together.

Dr. Yogesh S. Marfatia

Imm. Past President, IADVL (2018)

HON. SECRETARY GENERAL SPEAKS

Dr. Umashankar Nagaraju
LM/KN/3455

Merry Christmas and New Year greetings from the IADVL National Secretariat.
I wish good health and success to all of you and your family!

It seems difficult to believe that it will be almost a year since I was installed in this responsible post during DERMACON 2018 at Kochi and I must say that the year has been most eventful. Current EC has initiated several first time activities in IADVL and I am proud to be the part of this EC. I am satisfied with the work I have done so far by introducing all these activities and implementing all existing activities under the umbrella of constitution of IADVL.

Most important collective achievement of this year is we for the first time in the history of IADVL have successfully conducted exclusive e voting without ballot paper. The election process was member friendly and we could open the results page in less than a minute which otherwise earlier the counting process used to be cumbersome taking 6-8 hours to complete! I am glad that I could execute, with the technical inputs of the web team and support of the E Voting task force. The role of election officer Dr. Deepak Parikh who guided me throughout the process helped me to complete the task smoothly and successfully. Record of 67.17 % e voting was observed which is the highest voting happened so far in the history of IADVL. I am proud to say that it is an important achievement of this year.

We have finally succeeded in buying permanent office space for IADVL at Kaushambi, Uttar Pradesh. The interior work has begun and the new office is expected to be functional in 2019. We have streamlined and strengthened the various administrative processes especially the membership process. Introduction of Online Membership Application System (OMAS) for online membership process has made the process easy and faster. I have made few modifications in the OMAS to streamline the process and make the process more stringent.

I take the pleasure of informing you that the membership strength of our association is 11,563 and now IADVL has become the second largest association in the world. Over 840 membership applications and conversions have been processed since 16th August 2018. I must immensely thank generous support and cooperation of all IADVL State Secretaries. We have aligned the IADVL e-database with the IJDVL database maintained by Medknow. Hopefully, this will ensure the receipt of journal issues by all members who have updated their correct corresponding address.

One of the most pleasurable events of my secretaryship is the introduction of IADVL YUVADERMA, state branch of Residents connect which was initiated as a pilot project and has been a big hit in Karnataka and New Delhi. Resi-Dream e-bulletins entirely by the resident editorial team was released on regular basis. I congratulate all members especially Dr. Isha Narang, Convener and Dr. Saloni Katoch, advisor of resident connect.

Other first time events are appointment of Legal Retainer, IADVL made the official partner of NLEP and with the help of ITATSA, Steroid creams were included under schedule H.

IADVL Elections 2018 results were recently declared. I congratulate and welcome all Incoming EC 2019 members – President Elect Dr. Kiran Godse; Vice Presidents Balasubramanian N and Dr. Rishi Kumar Parishar; Jt. Secretaries Dr. Bhmesh Kumar Katakam and Dr Chitralkha Keisham– and eagerly looking forward to work with them this year. I must also congratulate team Hyderabad and team Chennai for winning the hosting rights for DERMACON 2020 and MIDDERMACON 2020 respectively and wish them the very best. Bidding for MIDDERMACON 2019 will be once again called on the floor as there was no bidder during election 2018 process. I specially welcome Dr. Feroz k and Dr. Rakesh S V, who were elected unopposed for post of Hon Secretary Elect and Treasurer elect 2019 respectively for which the applications were invited for the first time in IADVL.

I am happy and proud that this year IADVL revised constitution is ready for release during DERMACON INTERNATIONAL 2019, INDIA at Bengaluru. I profusely thank Dr. Arijit Coondoo, Chairperson and Dr. Anuradha Kakkannatt Babu, Convener

and all other members of Constitution committee. Special thanks to Dr. Jaydev Betkerur, past chairperson of the committee for his immense contribution to complete this version of constitution. Academy of IADVL has been functioning transparently and has done tremendous job this year. I must appreciate the hard work and dedication of Dr. Seetharam, Chairperson, and Dr. Deepika Pandhi, Convener of Academy, IADVL. Skin Safar Rath, the first mega public education activity was our dream project of this year. Rath was flagged off at New Delhi on 21st December 2018 has begun to roll to cover 11000 kms in 60 days all over India with LED screen, more than 20 educational videos and pamphlets. To my knowledge this is the first time happening in the history of Indian Health care awareness program. I specially congratulate Dr. Dinesh Kumar Devaraj, our Joint secretary, IADVL and Dr. Rohit Batra, Chairperson, IADVL Media Cell for planning efficiently and implementing it effectively. I urge all members to wholeheartedly participate in this public awareness activity.

On behalf of the IADVL National Executive, I take this opportunity to welcome all delegates to Bengaluru for DERMACON INTERNATIONAL 2019, INDIA and I am proud that for the first time, we are taking DERMACON internationally. I am sure that all delegates will have an academically and culturally enriching conference and have comfortable stay here. My best wishes to all members of Team Bengaluru for a very successful event.

I must thank President Dr. Ramesh Bhat for being the guiding force throughout the year who was like a ready reckoner to me to resolve any issue and any time of the day. My special thanks to –Dr. Yogesh Marfatia and P Narasimha Rao– for their insightful suggestions based on their huge experience. The Vice Presidents – Dr. Mukesh Girdhar and Dr. Sakhiya – were always there to respond to implement IADVL EC activities.

My special thanks to our Hon. Treasurer, Dr. Shashikumar B M, for his meticulous handling of the association's finances. The Joint Secretaries - Dr. Dinesh Kumar Devaraj and Dr. Prashant Palwade were always there to shoulder the humongous secretarial workload.

I also take this opportunity to thank all committees as well as state presidents and secretaries for their constant support without which we would not have achieved all these. I look forward to work fruitfully with the IADVL EC 2019, all IADVL Committees and IADVL State Branch executives.

Long Live IADVL!

Dr. Umashankar Nagaraju

Hon. Secretary General, IADVL (2018-2020)

HON. TREASURER'S NOTE

New Year Greetings!!

I am happy to share that IADVL had a balanced approach with respect to income and expenditure this year. We had spent large portion of building fund in acquiring office space but saved a lot of amount on expenses. All meeting expenses were covered by pharma support and we were also able to get generous financial support for academic activities. Thanks to our President Dr Ramesh Bhat who was instrumental in getting the financial aid. This is in addition to conference surplus, thus balancing the IADVL finance.

I am happy to share that the outstanding dispute on surplus sharing of DERMACON 2013 and DERMACON 2017 were cleared. Also, we have utilized maximum allocated funds of various committee including media cell and practice management cell.

We have completed many financial milestones which were started by our previous treasurer. Use of IADVL PAN in our central events like DERMACON and MIDDERMICON was materialized thus reducing tax liabilities. Coordination with DERMAZONES has been achieved with smooth transfer of IADVL royalties.

Efforts are on to transfer the society registration and PAN of IADVL to our new address followed by acquisition of 12a registration. We have to spend wisely in a planned manner to achieve 12a obligations.

The budget has been finalized for the next financial year. The budget was presented to CFC and EC. The next phase is to have you and the rest of our members review the budget during DERMACON INTERNATIONAL 2019.

The proposal is to reserve a substantial sum for IADVL office staff management. I am sure the new EC will put their best efforts in creating new positions within the office so as to become more responsive to our members and to bring IADVL's message to everyone on a consistent and timely basis. During the AGBM, we will discuss the changes occurring within the office operations. These changes will enhance our services to members and continue to make IADVL, a strong voice and force within and outside our country.

I look forward to meeting you all during DERMACON INTERNATIONAL 2019 at Bengaluru and providing you with the opportunity to review the proposed 2019 IADVL budget as well as addressing any financial questions, suggestions or comments you may have about IADVL's financial health.

Long live IADVL

DERMAZON SOUTH 2018

Greetings! Sixth midterm annual conference of IADVL that was held from 10th August to 12th August at Ganga Grandeur, Nagercoil, Tamil Nadu was a resounding success in terms of the topic selection, Faculties commitment and speech, and delegates participation.

Day -1 started with CME and workshop in two Halls (Hall A- Ratnavel Hall) & Hall B(Karthikeyan Hall) respectively. CME theme was "Concepts & controversies in current practice " It covered many topics from all specialities of DVL ranging from Diet and vitamin 'D' in Dermatology vaccines, leprosy control, syndromic approach to STI in Institutions- how rational it is to Biologicals in various disorders in all age groups, spoken by eminent and experienced persons across India . Star attraction of the day was a debate on "Cosmetic Dermatology Vs clinical dermatology sparring by two great personalities of IADVL Dr Rajetha Damishetty & Dr. Manjunath Shenoy making the judge Dr. S. Anandan struggle to give right judgment. Workshop in Hall B started with setting up of a Laser and Dermatosurgery unit and hands on demo on "Suturing techniques" demonstrated by Dr Govind Mittal team. Followed next was "Vitiligo" session- current perspectives on medical & surgical management to maximize outcome – efficiently coordinated by Dr T. Salim & Panel discussion moderated by Dr Somesh Gupta. Highlight of the workshop, matching its theme 'Cosmetic Dermatology' was the before and after lunch, I & II sessions on "Rejuvenation of Face, Neck & Hands" as well as "Chemical peels" efficiently and expertly coordinated by Dr Maya Vedamurthy Madam, Dr L. Aarthi & Dr K.B. Kavitha, the latter also orchestrated a live show on "Chemical peels" for acne & Pigmentation later in the evening. All faculties, mainly from Kerala, AP, KN & Tamil Nadu were committed to their topic. Panel discussion-inclusive of all topics spoken-peels, threads, needles, lasers & lights (coined by Maya Mam), was the ultimate fruition of the coordinators' & panelists' efforts moderated by Dr A. Chandan. This was followed by a session on "Lasers" coordinated by Dr A.Selvam and Dr A.V. Kaleeswaran (South Indian experts in the field) and finally by "Lipolysis & body contouring" coordinated by Dr Avitus, inviting experts like Dr MK Shetty. Both "Lasers" and "Lipolysis" sessions gave practical tips on high end cosmetic derm procedures using various gadgets which were precious & costlier in terms of their content and expertise. Both sessions had panel discussions too and about 250 delegates participated.

Day-2 (Conference day 1) began with early and long session on "Paediatric Dermatology" topics, in Hall A, aptly delivered to audience with vigour and enthusiasm by experts like Dr Renu George, Dr V. Anandan, Dr Madhu and Dr K. Bhumesh Kumar. It was followed by IADVL academy session on Autoimmune connective tissue disorders (AICTD) (90 min session) covered by invited faculties chosen by application & on their expertise in the subject –covering all aspects including case scenario based panel discussion at the end. There were topics on biologicals Vs biosimilars (By Dr Brijesh Nair) and IADVL forum topics (ITAQ & IADVL Practice) aptly delivered by respective speakers Dr Madhulika and Dr Manish Gowtam which were very useful for practice.

At the same time parallel sessions were running in Hall B, covering "Cutaneous adverse reactions"- another Academy session, followed by selected topics delivered by senior experts like Dr Koushik Lahiri (e-practice), Dr N. Balasubramanian (Lepra reactions), Bacterial and fungal infections, Non venereal genital dermatoses, Dermoscopy & Trichoscopy etc by expert hands sharing their practical tips. Medico legal aspects of dermatology practice by Dr Subodh sirur, IADVL legal cell chairpersons was well attended. Meantime, in between the talks, Award sessions for PGS and Free paper sessions for PGS & consultants were held in both halls. Award e-paper session I for twenty selected papers including studies and case reports was also carried out in parallel in poster hall in the presence of presenters. Similar session was also held on the second day (11.8.18) for another twenty selected papers.

Inauguration was held in Hall A as a plenary between 10.30am to 11.30am in a grand manner in the presence of National EC, state IADVL functionaries and members of organizing & scientific committee of Middermacon with the chief Guest being Dr S. Sachidanand, Vice chancellor, Rajiv Gandhi Medical University, Karnataka. PG Quiz prelims (written) was held in the evening by Dr Shyamata Barua and team where 25 colleges participated; out of which 4 teams were selected for finals to be held next day. The MIDDERMACON 2018 conference and CME was awarded 30 points under CATEGORY 1 by TN Dr MGR medical university and by TN Medical council 5 credit hours. The number of registered Delegates 520 and co Delegates 143 attended the conference. And about 100 faculty members were given complimentary registration and accommodation- First time in any conference in INDIA

The Day 3 (conference day 2) started very early at 8 am with presentation of thesis (2016&2017 completed) by selected delegates (by IADVL Academy) in hall A & free paper presentation in Hall B. This was followed by much awaited PG Quiz finals, conducted with discipline and decorum by Dr Shymanta Barua, Quiz Master, assisted by Dr. Vijay Kartik, Dr.J. Thadeus and Dr Santhiya Vadhana. The winner was team from AFMC, Pune with first runner up from Kozhikode MC. Later few interesting topics and sessions were held in both halls like SIG-Pigmentary dermatoses and SIG-Psoriasis, Management of facial scars by Dr Biju vasudevan and interesting talk by Dr. IS Reddy on "Tell tales in epidermis" At the end, Young Dermatologists forum was held for first time in middermacon and one person was awarded with a gold coin & certificate for best presentation. Valedictory function was held in the presence of National president Dr Ramesh M.Bhat, Secretary Dr N. Uma Shankar, and all members of National EC and organizing committee of Middermacon, and most of all with good number of faculties and delegates filling the hall. Closing remarks with distribution of awards and honouring of organizing committee members were held. All award sessions carried 3 prizes each including studies, case reports, e-posters and Thesis presentations.

PROPOSALS for Combined Central council &AGBM MEETING 2019,
17th – 20th January 2019

DERMACON INTERNATIONAL 2019 Bengaluru

Proposal No.1:

Name of proposer/s-(5+1) members: DR AKSHAY KUMAR JAIN - LM/R/5325, DR SAVITA SOMAIYA LK/KN/5761, DR RAKESH BHARTI LM/P/1659, DR AAYUSH GUPTA LM/M/9282, DR VIBHORE KAUSHAL, LM/UP/6463, Dr M L Gambhir LM/P/1685

Is any one of the proposer members of CC - YES

Is it related to constitution: No

How will it help IADVL: we shall be able to implement one member one honor policy for the provisional life members also, who are appearing for the quiz. IADVL is a huge organization now and we should give opportunity to more new members every year instead of repeating the same members yearly who are already exposed to the system.

If constitutional – will it replace existing clause? Or modify? Give detail of the clause – page no. and clause no. : NO

Proposal: (It should be properly drafted): In the IADVL PG Quiz programme there are no existing rules that how many times a PLM can participate as a student and, that even after winning the quiz programme once in final stage round and being national winners, they are not phased out by their parent institutes which is wrong and on many occasions it was seen that even the national winners of the previous year were nominated again by the PG Institute to participate. This is in bad taste and against the soul of the quiz programme as they are for every PG student and not for those only who are previously exposed to it, but due to lack of any current policy on this, nobody can stop them from participation again. A resolution should be passed by the house that once a national winner, a student should never reappear in the quiz programme like all other IADVL activities.

Is any one of the proposer members of CC - YES

Is it related to constitution: YES

How will it help IADVL: it will help IADVL choose better leaders for future and two members from two different small states, from different zones with small number of active members can also think of contesting for IADVL Secretary and Treasurer, TOGETHER.

If constitutional – will it replace existing clause? YES Or modify? YES Give detail of the clause – page no. and clause no.: PAGE 38, CALUSE c, ELIGIBILITY CRITERIA FOR SECRETARY GENERAL AND TREASURER IADVL, point no 5 [2014 book]

(v) The Honorary General Secretary and the Honorary

Treasurer must be proposed from the same state

Branch.

Proposal: The eligibility criteria for the Secretary general and treasurer IADVL mentions that they both should be proposed from the same state branch of IADVL which is very old and no more practical in the era of internet where office is operated from a SMART PHONE. They both should be a team but not necessarily from the same state or the zone. Ideally, they should be the life members of IADVL and can be from any part of India as IADVL is a national, Pan India organization and such restrictive rules make it more conservative in nature which is not a good sign of any progressive democratic association. We have to come over the regionalism in our association in any form.

Now IADVL has its own central office and for every single work, we have permanent office staff which looks after the daily activities of IADVL. Every meeting of the association is held in the IADVL office only and In older times the need for the both to be from the same state was because of the feasibility to sign the cheque of the fund disbursement and record maintaining but now the payments are made by the electronic medium so it seems to be an inhibitive restriction for the small state branches of IADVL which do not have much active IADVL members and sometimes it deprives deserving candidates from serving IADVL CENTRAL which is already facing lack of active young leaders. They both should be a team but not necessarily from the same state or the zone. They can be the life members of IADVL and can be from any part of India as IADVL is a national, Pan India organization and such restrictive rules make it more conservative in nature which is not a good sign of any progressive democratic association. We have to come over the regionalism in our association in any form.

During last couple of years IADVL has initiated many new SIGs to promote subspecialties in dermatology. Pruritus/Itch is an important area for dermatologistswhere current research is happening at a very rapid pace. By initiating SIG on Pruritus,IADVL will fulfill its commitment to promote academic activities in the areas which are of vital interest to dermatologists and which so far have been rather neglected.

If constitutional – will it replace existing clause? Or modify? Give detail of the clause – page no. and clause no. N A

Proposal: To initiate "SIG Pruritus."

Acute and chronic pruritus are common manifestations of dermatological and non dermatological diseases. Itch is a very disturbing sensation with a high impact on quality of life. Till few years back, itch was an ignored symptom and research in this field was quite limited. Lately new concepts and genuine discoveries of itch have completely modified our understanding of itch and new therapies are on horizon. It is therefore important for every physician working in the field of dermatology to be aware of all the recent advances in this rapidly developing field. The following will be the focus and objectives of SIG Pruritus if approved:

To facilitate epidemiological research on pruritus in India.

To keep abreast the dermatologist across India about recent advances in the field of pruritus in India by conducting CMEs.

To promote clinical and investigative research by doing some multicentric academic exercises.

To collaborate with international forums already working in this area such as IFSI (International forum for study of itch)

Proposal No.7:

Proposal : Shortening the e-voting time during the IADVL National election

Name of proposers: Dr.JayadevBetkerur LM/KN/ 2009, Dr.Ramesh Bhat (LM/KN/2051),Dr UmashankarNagaraju

(LM/KN/3455),DrVenkataram Mysore LM/KN/3211,

Suresh Joshipura (LM/G/904)

Does it need constitutional amendments.

Yes, Clause 27, Subclause (new) and Annexure xviii (F): IADVL Election time table

How will it help IADVL: As the elections are to be held on e- platform and there is no posting of ballot papers shortening the e-voting time will reduce the voter fatigue, long canvassing period for the contesting candidates, the results can be announced early

Proposal:

a) IADVL has gone for exclusive e - voting from 2018 elections. This has led to changes in the election time table. There is no ballot paper posting by the election officer and reposting of ballot by life members of IADVL to election officer. The voting starts from 1/10 of the election year and continue till midnight of 3rd Saturday of December of that year i e 2 months 3 weeks. Such period was necessary during ballot voting as it was dependant on surface mail. With advent of e voting the voting takes few minutes and reaches the election officer in few minutes. Thus making the entire election process easy and fast. During the constitutional amendments regarding IADVL elections this particular point was not considered. A long voting period may lead to voter fatigue. The contestants will find it difficult to campaign for long time and make members cast their vote.

Most of the associations who have gone for e voting have restricted the voting time, for example Indian Society of Anaesthesiologists has a 5 day period of voting. By reducing the voting time IADVL can enhance the voting percentage. We can send SMSes for a short period. Many members have also voiced their concern about such long voting period and have suggested reduction of the same

Hence we propose that the voting period be restricted to

1) Voting starts from 1st October and concludes on 21st October(3 Weeks) with the counting held next day or succeeding Sunday
OR

2) Voting starts on 1st October and concludes on 31st October (1 Month). The counting can be held on 1st of November or on the 1st Sunday of November.

The results can be declared 1 week after the counting. The rest of the schedule continues as it is.

This will help in reducing the campaign period, sending reminders to vote, voter fatigue and saves money to IADVL and to contestants.

b)The Counting should be held at IADVL Head Quarters.

c)The Election Officer, Returning Officer, 1 Observer nominated by EC, Person from Web Management (for technical assistance) – To be present with IADVL taking care of Travel and accommodation. The contestants wanting to be present should make their own arrangements

DDV diploma by The College of Physicians and Surgeons of Mumbai (a 100+ year old institution) is a degree which his recognized by Maharashtra Medical Council, Gujrat Medical Council, Bengal Medical Council, Rajasthan Medical Council, Tamil Nadu Medical Council, Orissa Medical Council and Madhya Pradesh Medical Council. The gazettes for individual states are available freely online at:

<https://www.cpsmumbai.org/notification>

We would like to highlight that it is a 2-year course. It is taught in MCI recognized institutions and the guides are also guides for MD / DVD(L) courses many of the guides and teachers for these students are senior reputed good standing members of dermatology and in IADVL.

The admission for these courses is done through NEET only without any capitation fee.

Another course FCPS offered by the same institute is MCI recognized.

As the doctors who hold this degree are LEGALLY allowed to practice dermatology in the respective states, we feel it is imperative to grant them standing as LIFE MEMBERS in one of the largest Dermatology association of the world.

Due to existing recognition in many states it is important to give life membership to these doctors so that they can give their service to the organization.

The General Body of Maharashtra IADVL branch appeals to IADVL national executive to accept them as life members and carry out the necessary changes in the constitution. And to give LIFE MEMBERSHIP to courses which are legally recognized by the state medical councils after due proof is submitted by the applicant.

IADVL constitution: Page number: 9; Clause Number 4(a)

Proposal: (It should be properly drafted)

We propose that the clause be modified to:

The eligibility criteria for becoming a life member of the Association shall be a postgraduate qualification in the speciality (i.e. a diploma or a degree in Dermatology or Dermatology, Venereology and Leprosy) from a medical college affiliated to and awarded by an Indian University or an institution recognized by the Medical Council of India (MCI) or an equivalent organization of the Government of India *or a degree or diploma granted by an Indian University or Institution and are recognized by the respective State Medical Council (after submission of proof of recognition)*; or a Diploma in Dermatology or Dermatology and Venereology of the National Board of Medical Examinations, New Delhi. Others with foreign degrees or diplomas or equivalent qualifications should have their qualifications recognized by the MCI or an equivalent organization of the Government of India to become eligible. However, in the states of Andhra Pradesh, Tamil Nadu and Pondicherry (where presently only a combined degree or diploma in Dermatology, Venereology and Leprosy is awarded), those who had acquired a postgraduate qualification (a degree or a diploma) in the specialties of Dermatology or Venereology or Leprosy will continue to be eligible to become life members of the Association.

Ideally chair persons will be chosen first and they will be planning the sessions along with the speakers in the conferences. However, most of the times chair persons have not much role during the sessions during DERMACON except for introducing the speakers and maintaining time. Introduction of the chair persons and time taken by them to reach the stage and introducing the speakers will consume a lot of time. Most of the times the sessions are tightly scheduled and the scientific committee has to struggle for each minute while planning the sessions.

Avoiding having chair persons can give some breathing time and may even be able to add an extra session with the time left.

If constitutional – will it replace existing clause? Or modify? Give detail of the clause – page no. and clause no.

The IADVL Quiz is one of the most prestigious events of the organisation and its finals are held once a year in DERMACON after a series of CUTICON Quiz finals held in respective states. This proposal will help to streamline the conduct of the Quiz and thus help in bolstering the image of IADVL and also motivate the postgraduate residents to do better academically in a fair and competitive manner.

If constitutional/policy/administrative- It is a policy matter but can be included in constitution so that it can be a guide for future quizzes.

Proposal

It is proposed that the guidelines for conduct of quiz should include following factors:

It should be made mandatory that IADVL PLM members can alone take part in the CUTICON and DERMACON quizzes.

That the participants for DERMACON quiz should only be those candidates who will be appearing for their MD exams only after the date of the DERMACON finals (i.e they should be PG residents at the time of DERMACON and not passed out students). The alternative here is to state that the participants have to be PG residents at the time of conduct of the state CUTICON quiz.

The number of teams in few states are too less to conduct a prelims. So a policy that if there are less than six teams in a state then the quiz should be combined with the neighbouring state and if there are more than 15 teams in a state there should be two teams selected for the National finals

How will it help IADVL? Will provide clarity regarding formation of City Chapters.

Proposal:

In concordance with the existing IADVL Constitutional rules for State branches,

We appeal that for city chapters too, the following are visibly and explicitly included in the appropriate section [Clause 11] for better clarity.

1. In order to achieve the objectives of the Association,

Chapters may be formed in various areas of State, if they are not already in place

There shall not be more than one chapter in one city

2. If there can be more than one chapter in the same city, the following should be clearly and unambiguously mentioned

What should be the topographic boundary of a Chapter

Who should be the member[s]/office bearer[s] of the Chapter

What should be the supportive document to enrol for membership in a chapter

3. Re- naming of Derma Club as a City Chapter can be done if there is no City Chapter already existing in place in the same topography.

Few privileges which the Armed Forces Dermatologists were traditionally given and also approved in previous AGBMs have however not been included in constitution. This leads to the Armed Forces Dermatologists having to request for the same at every DERMACON/ CC meet.

The armed Forces dermatologists face various hardships in getting timely sanctions to attend various Conferences and meets due to frequent transfers, calls for urgent duty and other exigencies. IADVL will benefit by looking after its member community and getting maximum services from this group.

If constitutional- There is no proper clause existing for these provisions and they need to be included in constitution

Proposal

It is proposed that the following privileges for the Armed Forces Dermatology Group dermatologists be minuted and entered in the Constitution so that no inconvenience occurs to both the Armed Forces Dermatologists and IADVL who have to turn back to various anecdotes to get these privileges.

1. Spot registration for DERMACONS at initial rates
2. 2 CC members along with President and Secretary AFDG to get privileges as CC members at CC meets

Type: Administrative

How will it help IADVL?

AFDG dermatologists gain experience in different terrains and situations which are usually not accessible or experienced by other dermatologists in the country. IADVL can gain if such experiences are captured in literature and available for reading to the members in all nook and corners of the country.

If constitutional- No

Proposal

It is proposed that a section in the online journal of the organisation namely IDOJ be dedicated to carry articles from the AFDG so that various experiences of army dermatologists can be communicated to the readers.

Proposal

As per our constitution any vacant post/venue will be decided on the floor of the house i.e GBM.

The difficulties are

- 1- There is no time for returning officer to check eligibility of candidate.
- 2- Anyone can bid for venue without state EC/GBM mandate
- 3- Candidate does not deposit fixed amount in advance.
- 4- If more than one member decides to apply we need to have voting. So how should it be done?

Simply rise of hands or secret ballot paper? Secret ballot paper needs early planning.

This year we had no bidders for MIDERMACON 2019 at will be decided on the floor of the house.

Suggestion: EC announce fresh election process during CCM for all vacant seats/venues with last date for filing being 30thNovember.

Returning officer declares final list after verification by 10th December. If more than one application for any post/venue, then election process by secret ballot paper can be arranged during DERMACON to be held on day of CME from 11am to 2pm. All eligible voters can cast their vote after verification of their membership and photo id proof by returning officer. Counting to begin at 2pm. This whole process to be carried out, under the supervision of election officer.

Proposal No.20:

Title : IADVL DERMAPRACTICE (Practice Management Cell) to be created at State level for benefit of members in private practice

Name of proposer/s: Dr Manish Gautam LM/M/ 3530, DrFeroz K LM/K/3383, DrTarun Mittal LM/UP/3218, Dr Geraldine Jain LM/R/4065, Dr Sumit Gupta LM/ND/7945,DrJagdishSakhiya(LM/G/2754).

Is any one of the proposer members of CC? - Yes

Is it related to administrative/policy/constitutional (select one) OR I/we are not able to classify and accept ECs view - Administrative

How will it help IADVL? IADVL DERMAPRACTICE Committee (Practice Management Cell) is the equivalent of Academy for the members in Private practice. Having a practice management cell at state level will ensure better, easily accesible services for members regarding queries and issues related to practice. This will also ensure involvement of more members in IADVL activities.

If constitutional – will it replace existing clause? Or modify? Give detail of the clause – page no. and clause no.

Proposal: IADVL has many activities related to academics for its members and the IADVL Academy is doing a great job. But, most of our members are in private practice and we have hardly any activities related to issues in practice. The Practice Management Cell, now known as Dermapractice Committee has been actively involved in activities like CMEs, Newsletters and Symposia through the committee members. It is very difficult to reach out to all IADVL members through a handful of PMC members and therefore, we propose that an IADVL state PMC be constituted at each state level and they will conduct activities under the aegis of the National Dermapractice Committee, this will ensure wider reach, better execution of activities and involvement of more members in IADVL activities.

Above all, it will instill more faith of a large section of our members in IADVL EC.

Proposal - As DERMACON is a mega event. Lot of early planning is required like booking of the venue, stay arrangements. vendors, event management team. For this we need to generate lot of funds. Major source of funding from the pharma and the delegate fees. This funds are collected quite late and the organizers are short of money in the initial phases when all these major work has to be done. Central IADVL provides the funds to the tune of 20 lakhs and also the state association supports the initial funding. But these funds are not sufficient to make the ends meet. We propose that minimum 50 lakhs as seed money to be provided by the central IADVL to the local organizers initially. Part of them can be refunded early once the organizers start generating their ownfunds. Terms and conditions can be finalized by the Finance committee. It will take off the burden of the organizers in the initial phase.

DERMACON has become a major event in the calendar of IADVL. All organisers work hard for the success of the conference. Delegate comfort is on the top of the list for all the organisers. In the last few years it has come to the notice that some business houses take undue advantage of hotel bookings during the conferences. Whenever the host city is announced within 1 or 2 days the hotel rooms are blocked open ended. This the main hurdle is blocking of hotel rooms for the delegates, which is an uphill, daunting task. They are so fast and smart that they openly block the rooms by making a contract and paying advance to major hotels. It's difficult or impossible for OC of Dermacon to block the rooms when the seed money comes in their kitty.

My humble appeal to the EC and the returning officer NOT to announce the venue of Dermacon till the organisers have blocked the rooms.

Those who block the rooms sale at very high rates to the delegates or to Pharmas.

During DERMACON on CME day, dinner served will be called Presidential dinner instead of faculty dinner.

Current status – A dinner is served on Pre CME day of DERMACON. It is titled as Faculty dinner.

Proposal – As the President for that year hosts the dinner, it is prudent to call it a Presidential dinner. It will be by invitation only. All faculties, State & National Executives, Organising Committee and guests will be invited for it.

Only working lunch for all IADVL conferences

Current status –Stumptuous Lunches are served on all days of conference.

Proposal – Lunches are served on all days of conference. This needs lot of planning, expenses and disturbs the conference proceedings. We recommend providing working lunch in to be given to all delegates during all IADVL conferences. This will reduce the cost, chaos during peak conference time and will lead to smooth running of scientific program.

Conference reforms

IADVL conducts two major conferences in a year – DERMACON and MIDDERMACOON. Apart from this, there are DERRMAZONE, CUTICON which are organised at regional and state level respectively. Also, there are many CMEs and workshop organised across country through various SIGs.

With increasing number of conferences and number of delegates, it is increasingly becoming difficult to organise an event of this scale. Organisers have to deal with lot of organisational issues apart from scientific content of the conference.

The rules and regulations regarding conference mentioned in IADVL constitution are old. There is a need to reform these for holding conferences in a better way.

Proposal –We propose to form a conference reforms committee, who will prepare a draft for conference reforms and in consultation with IADVL EC and IADVL constitution committee suggest conference reforms for approval by ABGM.

Office maintenance proposal

Current status: At present IADVL HQ is based at Delhi. It has two permanent employees. There has not been any provision regarding their salary, tenure, appointment, increment etc. Now as we have purchased a new HQ office space, there is a need to plan for new office staff and their work and salary structure

Proposal: We propose to create a dedicated post for supervision of IADVL HQ. The person eligible for this post should be interested in actively working for management of IADVL HQ, its development into a fully functioning unit, staff, their recruitment, payments etc. Tenure for this post should be for 2 years.

We also propose to form a HQ committee consisting of past IADVL EC members, to supervise the HQ administration. The tenure of committee would be for 2 years.

We also propose to prepare a calendar of events for IADVL HQ activities and its utilisation to best of its capacities.

We propose to hold all IADVL meetings (EC meetings, Academy meetings, CC meetings journal meetings) in IADVL HQ

Minutes of IADVL Central Council meeting
25/08/2018, 2.45PM
Hotel Radisson Blu, Kausambhi, Delhi -NCR

Dr. Ramesh Bhat welcomed all CC members for CC Mid Year Meet. Dr. Bhat informed all the CC members about the work done by IADVL so far.

Dr. Umashankar gave details of the all the activities done from taking over as secretary from January 2018 till August 2018. The secretarie's report was passed as proposed by Dr. Amarkant Jha and seconded by Dr. K Mukadam.

Dr. Shashikumar, treasurer IADVL readout the treasurer's report from April 2018 till 22 August 2018.

Financial report was read out by Dr Rajib Gogoi for last year 2017-18. Central finance committee report was also read by him as central finance committee chairperson.

Dr. Venkatram Mysore asked why is service tax outstanding in the previous balance sheet, to which Dr. Gogoi replied saying the outstanding service tax from DERMAZONE South was brought to the notice of treasurer by auditor during the recent times. Now invoice has been raised and will be deposited to the respective govt department.

Dr. Venkatram Mysore asked how much is the oration amount? Dr. Gogoi said it is Rs. 20,00,000.

Dr. Arjit coondoo said please check if oration speaker is getting amount?

Dr. Kuriyipe announced that Kochi DERMACON has brought a cheque of Rs. 42,00,000 to be given to IADVL.

DR. Amarkant Jha reported that they have not received audited accounts from East zone DERMAZONE.

Dr. Bhat said that they are following up the matter with Manipur.

Dr. Venkatram Mysore requested treasurer to compile report such that we get to know the conference amount received in various years. Dr. Shashikumar said that he will compile the data for last 3 years. He also said that there will be two reports, one auditor's report and one conference wise report.

CFC report of meeting on 25 August 2018 was submitted to CC meet. As per the report Gujarat DERMACON remaining amount was to be given.

Report related to Kolkata DERMACON was submitted to CC members. As per the report there were some dues from the Kolkata DERMACON organisers. Unless they pay the dues remaining amount from IADVL won't be paid.

Dr. Sudip Das, secretary of Kolkata DERMACON said that pharma money was collected under various heads and it was not only stall money. So, the amount calculated is different.

Dr. Ramesh Bhat advised him to give a detailed split of how pharma money was spent and then we would decide how much amount needs to be paid by IADVL or organisers of DERMACON. Dr. Sudip Das agreed to it. Otherwise a team was to be prepared constituting current and past treasurer and secretary to resolve the matter.

Dr. Shashikumar requested to look at ambiguity in the sentences and words used in DERMACON MoU and clear it in advance. He also suggested to look at the organising state share, IJDVL share and IADVL share and clearly mention it in MoU.

Dr. Arjit coondoo said to come out with a proposal in this regard, to be passed by EC, lawyer and then sent it to constitutional committee.

Financial report and CFC report were passed by Dr. Venkatram Mysore and seconded by Dr. M L Gambhir.

Building project

Dr. Ramesh Bhat and Dr. Mukesh Girdhar presented the building project report to CC members. Dr. Mukesh Girdhar gave a complete overview of the journey and invited suggestions on proposal to buy 2 spaces available for sell in KM tower commercial complex near Radisson Blu hotel, Kaushambhi.

Dr. Amarkant Jha congratulated Dr. Bhat for building project proposal and agreed to support it.

Dr. K Mukadam vouched for the same.

Dr. Venkatram Mysore supported the idea and for clarifying doubts asked few queries. 1. What would be the % of share in the land we would purchase.

2. Developer has very strict maintenance clauses. One has to look at it.

3. Running office is an important thing. One has to be proactive and see that it is fully utilised. He also asked past secretary Dr. Shyamanta Barua and Dr. Umashankar to share as to why was current office remained under utilised?

Dr. Ramesh Bhat said that present EC takes lead in making office fully functional.

Dr. Mukesh Girdhar said that the % land share will be checked with the developer and he also said that there will be a different maintenance agreement after sales registration is done.

Dr. Upadhyay who owns an office space in the same premises immediately adjacent to proposed IADVL office was called to give his inputs. He said there are no residential rooms allowed to be made in the commercial premises. Developers has been strict about paying maintenance money. Sink fund to be kept with the developer would be close to 20,00,000 for office space of 5000 sq feet area. He was not sure of share of land.

Dr. Ramesh Bhat said that it has clarified that the land is not a leased land.

Dr. Bhumeskumar, Dr. V K Sharma, Dr. Betkerur, Dr. Shyamanta Barua opined in favour of buying office spaces and hiring good quality staff.

Dr. Sudip Das asked about would 12 AA be of any benefit to the organisation. Dr. Ramesh Bhat said we look at that issue separately.

Dr. Umashankar said that it will take at least 3 years for the office and staff to be fully functional. Dr. Rashmi Sarkar said that support staff is necessary for smooth functioning of IADVL.

Dr. Rashmikant Shah congratulated EC for building project.

Dr. Karan Jain, Developer answered to some of the questions raised by members and all CC members were finally in one voice to go for buying 2 office spaces equalling close to 5200 sq feet area.

Dr. Ramesh Bhat took permission from CC members to go ahead with signing MoU and gave an advance cheque to the seller and sell deed was signed.

E voting module

Dr. Shyamanta Barua and Dr Umashankar N explained the e-voting process in detail and the modifications in it for IADVL election 2018.

Dr. Rajeev Sharma asked about how could we take away the voting right of life members of our association.

Dr. Amarkant Jha requested to send ballots as well for those we are not registered as e voters.

Dr. Shyamanta said that we should make all LM as e voters. Dr. Rajeev Sharma said the same and advised to take a way the cut of date.

Dr. Ramesh Bhat said he would discuss this matter with lawyer and will communicate tomorrow morning the decision.

Award committee

Dr. Rajeev Sharma

He gave details on various awards and modification suggested for those awards.

Dermapractice award

Best teacher award

IADVL abbot research award

It was suggested to form an ethics committee of IADVL for conducting clinical trials for various research projects.

Award to author or editors of IADVL text books.

Dr. Arjit coondoo presented the constitutional committee work done so far. He confirmed that the modifications suggested at various meetings will be incorporated in constitution and a final drafting will be released during DERMACON 2019.

IADVL report was read about by Dr. Saumya Panda. He stressed on the growing impact factor of the journal. On questions about the foreign authors being preferred, he said he and his team had been taking articles on the basis of merit.

ITATSA report was read out by Dr. Shyam Verma and he updated the house about the progress made till date.

In absence of ITART chairperson and convenor, Dr. Umashankar read out he work done so far and various public awareness programmes and CME s in process.

ITAQ activity details were given by Dr. Putta Srinivas. He urged members to bring various cases of quackery to the notice of state and national IADVL and work actively against quackery.

IADVL songs

Dr. Umashankar displayed 5 songs chosen to be IADVL songs and one of it would be selected during general body meeting.

Dr. Sudip Das raised questions about copy right issues as song 1 and song 3 has been used in Kolkata DERMACON.

It was suggested that lyricist of songs would be approached and authenticity of songs be checked.

Dr. Prashant Palwade suggested to either send songs to a composer, get it composed, recorded and sung in general body meeting and then decide. Else, the lyricist can do this from their known composer and get it recorded for general body meeting.

IADVL logo

Dr. Umashankar presented 4 logos to CC members and asked for their choice. Most of the CC members agreed upon a logo with national map and skin and a rod with single snake in it.

This selection will be taken to general body meeting and will be passed finally.

It was suggested to register the final logo and also the conference names.

Dr. Umashankar in absence of election officer Dr. Deepak Parikh introduced the candidates for the post of President elect 2019. Dr. Jaydev Betkerur, Dr. Kiran Godse, Dr. B B Mahajan gave their introduction in brief and communicated thier future plans for IADVL members.

Dr. Ramesh Bhat thanked all CC members for successful CC meet.

Dr. AJS Pravin told about the deficit Rs 3,16,053/-. It was decided to take call after submission of complete report from organisers and auditing by IADVL auditor.

Rs 10 lakh seed money to IADVL TN is yet to be returned.

Dr. Uma Shankar thanked Dr. Pravin for a good conference hosted by IADVL TN.

A cheque of Rs 6,78,813/- was handed by Dr. Ramesh Bhat to IADVL Gujarat (Received by Dr. Yogesh Marfatia) for the share of IADVL Gujarat from DERMACON Ahmedabad.

Dr. Raghunath Reddy presented on the report for DERMACON International 2019. He elaborated on the difficulties faced in generating funds for a conference of international scale.

Dr. PN Rao thanked Dr. Reddy for the OC's efforts.

Dr. Narendra Patwardhan (Organising Chairman) and Dr. Pradyumna Vaidhya (Organising Secretary) presented the progress made so far for DERMACON 2020.

Dr. DhanashreeBhide (Scientific Chairperson) presented Scientific program of Dermacon 2020.

Dr. Manish Gautam presented about Practice Management Cell and the upcoming symposium in November 2018 at Mumbai.

Dr. PNR suggested list of procedure proposed to be covered under GST not be submitted by IADVL or any member to GST council. But GST council should approach IADVL for list.

Dr. PNR wanted to know how faculty for symposium are chosen. Dr. Manish replied that faculty are chosen based on the practice experience, extra curriculum activities and active member of PMC.

Dr. Seetharam and Dr. Deepika presented on overview of the Academy activities and functioning. The CC approved the proposal to increase the number of scholarships from 15 to 30 numbers for WCD 2019. The amount is Rs 50,000/- per candidate.

The CC approved the proposal for IADVL observerships at National Skin Centre, Singapore. Each candidate would be given an amount of Rs.1,00,000/- for the scholarship. This year 2 candidates will be sent.

Dr. Ramesh Bhat elaborated on Omnicuris module to CC members. Dr. Ramesh Bhat informed by September 06th 2018, the National Board of Exams may approve Fellowships in Dermatopathology and Paediatric Dermatology.

Dr. Ramesh Bhat thanked IADVL Academy for their efforts.

Dr. Bhat requested Ms. Joshi from Docplexus to talk about their proposal for IADVL.

Ms. Joshi proposed partnership to IADVL.

Dr. Ramesh Bhat requested Dr. Shyam to see whether we could organize steroid awareness as a program on Docplexus,

Dr. Shyam asked Ms. Joshi on the clarity on working of Docplexus.

Dr. Dinesh Kumar D, Dr. Rohit Batra and Dr. Vijaybhaskar opined that Docplexus provide royalty to IADVL for the scientific content generated by IADVL. Dr. Dinesh felt that as IADVL will add credibility to Docplexus and increase their online hits/visits by providing credible scientific content, Docplexus ought to comply with IADVL for the consideration of the proposal.

Dr. Ramesh informed the proposal will be discussed in EC and next AGBM before a decision is taken.

Discussion on Proposals.

Dr. Arijit Condoop opined that certain proposals didn't have adequate supporting members and asked the proposing members to correct this inadequacy. **Number of Proposers should be 7.**

Proposal 1 –

Name of Proposer/s: Dr. Santa Ghosh [LM/WB/3482], Dr. Sudip Das [LM/WB/3322], Dr. Satyendra Nath Chowdhury [LM/WB/2524], Dr. Sumit Sen [LM/WB/2519], Dr. Arun Achar [LM/WB/2806]

President IADVL & Vice President IADVL should be nominated by rotation from different zones.

Dr. Bhat informed that it is not possible as per Societies/ association act. The members were asked to modify it and present it. All agreed.

Proposal 2:

Name of proposer/s: Dr. Santa Ghosh [LM/WB/3482], Dr. Sudip Das [LM/WB/3322], Dr. Satyendra Nath Chowdhury [LM/WB/2524], Dr. Sumit Sen [LM/WB/2519], Dr. Arun Achar [LM/WB/2806]

DVL Welfare Trust should not be a criteria for Best Branch Award & Election procedure.

Dr. Rohit Batra and other members opined that DVL trust is a national scheme for members promoted by IADVL and the branches should be encouraged to promote it. The members were asked to come with a modified proposal.

Proposal 3 –

Name of proposer/s: Dr. Santa Ghosh [LM/WB/3482], Dr. Sudip Das [LM/WB/3322], Dr. Satyendra Nath Chowdhury [LM/WB/2524], Dr. Sumit Sen [LM/WB/2519], Dr. Arun Achar [LM/WB/2806]

Proposal: For Conversion from PLM to LM the time given should be increased from 5 years to 7 years because in our state 3 years obtaining M D degree, another 3 years is locking period & 1 year is Handling Period.

CC opined that the proposal could be implemented on individual state basis. State IADVL should submit the respective State Government Order (GO) for the same to IADVL secretariat.

Proposal 4:

Name of proposers: Brig Rajesh Verma (CC member- LM/C/2651), Lt Gen RS Grewal (President AFDG- LM/C/2613), VSM, Col Biju Vasudevan (LM/C/5377), Lt Col Shekhar Neema (LM/M/7479), Sqn Ldr Debdeep Mitra (LM/C/6523)

Proposal

It is proposed that the following privileges for the Armed Forces Dermatology Group dermatologists be minuted and entered in the Constitution so that no inconvenience occurs to both the Armed Forces Dermatologists and IADVL who have to turn back to various anecdotes to get these privileges.

1. Spot registration for DERMACONS at initial rates
2. 2 CC members along with President and Secretary AFDG to get privileges as CC members at CC meets
3. One member from AFDG be part of Central Supervising Committee for DERMACONS

Proposal passed.

Proposal 5: **Name of proposers:** Lt Gen RS Grewal (President AFDG- LM/C/2613), VSM, Brig Rajesh Verma (CC member- LM/C/2651), Col Biju Vasudevan (LM/C/5377), Lt Col Shekhar Neema (LM/M/7479), Sqn Ldr Debdeep Mitra (LM/C/6523)

Proposa: It is proposed that a section in the online journal of the organisation namely IDOJ be dedicated to carry articles from the AFDG so that various experiences of army dermatologists can be communicated to the readers.

CC opined that it is not possible to have a separate section, as articles will be selected on merit in journal.

Proposal 6: **Proposal by** Dr. Deepak Parikh [LM/M/852], Dr. Ramesh Bhat [LM/KN/2051], Dr. Yogesh Marfatia [LM/G/419], Dr. P Narasimha Rao [LM/TS/134], Dr. Umashankar Nagaraju [LM/KN/3455], Dr. Shashikumar B M [LM/KN/5241]

As per our constitution any vacant post/venue will be decided on the floor of the house i.e GBM.

The difficulties are

- 1- There is no time for returning officer to check eligibility of candidate.
- 2- Anyone can bid for venue without state EC/GBM mandate
- 3- Candidate does not deposit fixed amount in advance.
- 4- If more than one member decides to apply we need to have voting. So how should it be done?

Simply rise of hands or secret ballot paper? Secret ballot paper needs early planning.

This year we had no bidders for MIDERMACON 2019 at will be decided on the floor of the house.

Suggestion: EC announce fresh election process during CCM for all vacant seats/venues with last date for filing being 30th November. Returning officer declares final list after verification by 10th December. If more than one application for any post/venue, then election process by secret ballot paper can be arranged during DERMACON to be held on day of CME from 11am to 2pm. All eligible voters can cast their vote after verification of their membership and photo id proof by returning officer. Counting to begin at 2pm. This whole process to be carried out, under the supervision of election officer.

Decision: Dr Bhat informed that incase no applications are received by the last date for the Electoral process, then fresh applications would again be invited in November of the same year and the elections for these post/venue would be held by a secret ballot at the AGBM of the ensuing DERMACON.

Passed

Proposal 7: Dr. Deepak Parikh [LM/M/852], Dr. Ramesh Bhat [LM/KN/2051], Dr. Yogesh Marfatia [LM/G/419], Dr. P Narasimha Rao [LM/TS/134], Dr. Umashankar Nagaraju [LM/KN/3455]. Dr. Shashikumar B M [LM/KN/5241]

Proposal: In the current digital era e-application should be allowed and applicant can transfer appropriate fees directly into IADVL account just the way we receive membership fee. However, the whole process, either by digital/post must be over before 15th June

Decision: Passed

Proposal 8: **Name of proposer/s:** Dr Manish Gautam LM/M/ 3530, Dr Feroz K LM/K/3383, Dr Tarun Mittal LM/UP/3218, Dr Geraldine Jain LM/R/4065, Dr Sumit Gupta LM/ND/7945

Proposal: IADVL has many activities related to academics for its members and the IADVL Academy is doing a great job. But, most of our members are in private practice and we have hardly any activities related to issues in practice. The Practice Management Cell, now known as Dermapractice Committee has been actively involved in activities like CMEs, Newsletters and Symposia through the committee members. It is very difficult to reach out to all IADVL members through a handful of PMC members and therefore, we propose that an IADVL state PMC be constituted at each state level and they will conduct activities under the aegis of the National Dermapractice Committee, this will ensure wider reach, better execution of activities and involvement of more members in IADVL activities. **Above all, it will instill more faith of a large section of our members in IADVL EC.**

Decision: Passed

Proposal 9: **Proposed by** - Dr. Pradyumna Vaidya [LM/M/3466], Dr. Narendra Patwardhan [LM/M/777], Dr. Amit Kelkar [LM/M/3054], Dr. Sharad Mutalik [LM/M/868], Dr. Dhanashree Bhide [LM/M/900].

Proposal - As DERMACON is a mega event. Lot of early planning is required like booking of the venue, stay arrangements, vendors, event management team. For this we need to generate lot of funds. Major source of funding from the pharma and the delegate fees. These funds are collected quite late and the organizers are short of money in the initial phases when all these major work has to be done. Central IADVL provides the funds to the tune of 20 lakhs and also the state association supports the initial funding. But these funds are not sufficient to make the ends meet. We propose that minimum 50 lakhs as seed money to be provided by the central IADVL to the local organizers initially. Part of them can be refunded early once the organizers start generating their own funds. Terms and conditions can be finalized by the Finance committee. It will take off the burden of the organizers in the initial phase.

Dr P. Vaidhya wanted the seed money from national IADVL to be increased. Dr PN Rao, informed the onus of conducting the conference, finance and funding is on State (Maharashtra) IADVL. Dr PNR asked Dr P Vaidhya to put proposal to increase State IADVL's contribution to seed money in their State AGBM.

Proposal 10 –

Proposed by - Dr. Narendra Patwardhan [LM/M/777], Dr. Pradyumna Vaidya [LM/M/3466], Dr. Amit Kelkar [LM/M/3054], Dr. Sharad Mutalik [LM/M/868], Dr. Dhanashree Bhide [LM/M/900].

DERMACON has become a major event in the calendar of IADVL. All organisers work hard for the success of the conference. Delegate comfort is on the top of the list for all the organisers. In the last few years it has come to the notice that some business houses take undue advantage of hotel bookings during the conferences. Whenever the host city is announced within 1 or 2 days the hotel rooms are blocked open ended. This the main hurdle is blocking of hotel rooms for the delegates, which is an uphill, daunting task. They are so fast and smart that they openly block the rooms by making a contract and paying advance to major hotels. It's difficult or impossible for OC of Dermacon to block the rooms when the seed money comes in their kitty.

My humble appeal to the EC and the returning officer NOT to announce the venue of Dermacon till the organisers have blocked the rooms. Those who block the rooms sale at very high rates to the delegates or to Pharmas

Dr Ramesh Bhat informed that this issue shall be further be discussed AGBM.

Proposal 11 –

EC Proposal No.11: Dr. Ramesh Bhat [LM/KN/2051], Dr. Yogesh Marfatia [LM/G/419], Dr. P Narasimha Rao [LM/TS/134], Dr. Umashankar Nagaraju [LM/KN/3455], Dr. Shashikumar B M [LM/KN/5241], Dr. Mukesh Girdhar [LM/ND/1364], Dr. Jagdish Sakhia [LM/G/2754], Dr. Dinesh Kumar Devaraj [LM/TN/5354], Dr. Prashant Palwade [LM/M/3518]

Proposals: During DERMACON on CME day, dinner served will be called Presidential dinner instead of faculty dinner.

Current status – A dinner is served on Pre CME day of DERMACON. It is titled as Faculty dinner.

As the President for that year hosts the dinner, it is prudent to call it a **Presidential dinner**. It will be by invitation only. All faculties, State & National Executives, Organising Committee and guests will be invited for it.

Decision: Approved

Proposal 12 –

EC Proposal No.12: Dr. Ramesh Bhat [LM/KN/2051], Dr. Yogesh Marfatia [LM/G/419], Dr. P Narasimha Rao [LM/TS/134], Dr. Umashankar Nagaraju [LM/KN/3455], Dr. Shashikumar B M [LM/KN/5241], Dr. Mukesh Girdhar [LM/ND/1364], Dr. Jagdish Sakhia [LM/G/2754], Dr. Dinesh Kumar Devaraj [LM/TN/5354], Dr. Prashant Palwade [LM/M/3518]

Proposal - During DERMACON dinner on Friday should be cancelled

Current Status – A dinner is served on all days of DERMACON.

A dinner is served on all days of DERMACON. It need lot of planning, attracts expenses and organising dinner for so many guests on all days becomes difficult for organisers. We propose to reduce one dinner on first day of conference. This will result in reduction in expenses in organising conference.

Decision: Approved

Proposal 13 –

Dr. Ramesh Bhat [LM/KN/2051], Dr. Yogesh Marfatia [LM/G/419], Dr. P Narasimha Rao [LM/TS/134], Dr. Umashankar Nagaraju [LM/KN/3455], Dr. Shashikumar B M [LM/KN/5241], Dr. Mukesh Girdhar [LM/ND/1364], Dr. Jagdish Sakhia [LM/G/2754], Dr. Dinesh Kumar Devaraj [LM/TN/5354], Dr. Prashant Palwade [LM/M/3518]

Proposal : Only working lunch for all IADVL conferences

Current status – Stumptuous Lunches are served on all days of conference.

Lunches are served on all days of conference. This needs lot of planning, expenses and disturbs the conference proceedings. We recommend providing working lunch in to be given to all delegates during all IADVL conferences. This will reduce the cost, chaos during peak conference time and will lead to smooth running of scientific program.

Decision: Dr Yogesh Marfatia proposed that a Conference Review Committee (CRC) to be formed, which would review the conduct of conference and also bring out guidelines for the proper conduct of the same. CC approved this proposal.

Proposal 14 –

Dr. Ramesh Bhat[LM/KN/2051], Dr. Yogesh Marfatia [LM/G/419], Dr. P Narasimha Rao[LM/TS/134],Dr. Umashankar Nagaraju[LM/KN/3455], Dr. Shashikumar B M[LM/KN/5241], Dr. Mukesh Girdhar [LM/ND/1364], Dr. Jagdish Sakhia [LM/G/2754], Dr. Dinesh Kumar Devaraj [LM/TN/5354], Dr. Prashant Palwade [LM/M/3518]

Proposal: Current status: At present IADVL HQ is based at Delhi. It has two permanent employees.

In view of plan to procure a larger space for management of administrative affairs of IADVL, we propose to create a dedicated post for supervision of IADVL HQ (Joint Secretary HQ). The person eligible for this post should be interested in actively working for management of IADVL HQ, its development into a fully functioning unit, staff, their recruitment, payments etc. Tenure for this post should be for 2 years. He should be within 25Kms from the Office. If this is an elected post will be eligible for EC voting. Nomination will not have right to vote.

We also propose to form a HQ committee consisting of past & present IADVL EC members, to supervise the HQ administration. The tenure of committee would be for 2 years.

We also propose to prepare a calendar of events for IADVL HQ activities and its utilisation to best of its capacities.

We propose to hold all IADVL meetings including EC, Academy meetings, CC meetings, journal meetings in IADVL HQ.

Decision: It will be a nominated post, not an elected post. Dr Rohit Batra opined not to label as the post as Joint secretary but rather by some other terminology. Dr PNR agreed to this.

Dr Batra felt that the person holding the post should visit the HQ every fortnight and should be financial compensated.

Proposal 15:

Dr. Ramesh Bhat[LM/KN/2051], Dr. Yogesh Marfatia [LM/G/419], Dr. P Narasimha Rao[LM/TS/134],Dr. Umashankar Nagaraju[LM/KN/3455], Dr. Shashikumar B M[LM/KN/5241], Dr. Mukesh Girdhar [LM/ND/1364], Dr. Jagdish Sakhia [LM/G/2754], Dr. Dinesh Kumar Devaraj [LM/TN/5354], Dr. Prashant Palwade [LM/M/3518]

Colour for the Association.

Current status: We use different colours. Many associations have an uniform colour. Example- AAD(Blue), EADV- Red, ILDS- Sky Blue.

We propose Peacock Blue Colour for the Association.

LOGO, Constitution book, IADVL News, IJDVL, IDOJ, Website will use this colour principally.

Decision: Approved

Proposal 16:

Dr. Ramesh Bhat[LM/KN/2051], Dr. Yogesh Marfatia [LM/G/419], Dr. P Narasimha Rao[LM/TS/134],Dr. Umashankar Nagaraju[LM/KN/3455], Dr. Shashikumar B M[LM/KN/5241], Dr. Mukesh Girdhar [LM/ND/1364], Dr. Jagdish Sakhia [LM/G/2754], Dr. Dinesh Kumar Devaraj [LM/TN/5354], Dr. Prashant Palwade [LM/M/3518]

International Fellowships in National Skin Centre, Singapore

National Skin Centre has agreed to offer free Fellowships for our Residents and young Dermatologists. They have offered complementary fellowships 3 in number every year. IADVL will invite applications, select and a scholarship of 1 lakh will be given for the selected candidates.

Dr. Manish Gautam attended the meeting to brief state Presidents and secretaries about incoming dermapractice symposium. Academy briefed the gathering about various academy activities.

Dr. Sudip Das expressed his concerns over a single sponsor for all zones as there was some issues with Intas people and some senior dermatologists. Dr Deepika Pandhi clarified that there has been a SOP in place for conducting these PGCONS.

Dr. Vikram Saoji supported the idea of centre sponsored PGCONS and there is no change needed.

Dr. Sudip Das requested to send the SOP for the same.

Dr. Ramesh Bhat suggested to have PGCONS basics for first year students to orient them for their research project and other basic things. House agreed to it.

There was one more idea to start PG clinics, but it was decided to do it at state level than at the national level.

OMAS was discussed in detail by Dr. Umashankar and stressed on certain issues like, confirmation of life member credibility by sending SMS to referees. Unless they give confirmation, the application will not processed to it's final status. House agreed to it.

Dr. Sudip Das suggested to keep conversion of PML to LM more in his state as the duration of PG, govt service period is more in his state. He also said that he has a proposal for the same in CC meeting.

Dr. Umashankar briefed the house with ITAQ and DVL trust activities.

He requested states to start acting against quacks and make use of the available templates prepared by ITAQ.

Dr. Ramesh Bhat thanked everyone and announced that the meeting was over.

Extraordinary General body Meeting of IADVL **02:40pm, 11-08-2018, MIDDERRMACON 2018, Hall C, Ganga Grandeur, Nagercoil, Tamil Nadu**

At 2:40pm, for need of quorum the meeting was adjourned.

At 2:50pm due to presence of quorum, the EGBM of IADVL started.

Dr Ramesh M Bhat, President of IADVL Ec2018 welcomed all the IADVL members, members of all IADVL committees & members of IADVL EC 2018 present.

As this EGBM was called with a single point agenda to discuss IADVL Constitutional Amendments, Dr Anuradha K B, Convenor of IADVL Constitutional Committee was called to present the Draft of Amendments.

Dr Anuradha K B, presented the background of today's meetings, the minutes of the Bengaluru meeting (March, on Constitutional Amendments), and also the follow-up that was done.

At this juncture, Dr Ramesh M Bhat apprised the members on the appointment of a Lawyer Mr. Sridhar Potturaju, as the Legal Advisor of IADVL.

Dr Anuradha informed the change of guard of the Chairman of the IADVL Constitutional Committee. This was necessitated due to the resignation of Dr Jaydev Betkerur due to his personal reasons and Dr Arijit Condoos took over as the Chairman of the IADVL Constitutional Committee on 27th June 2018.

Discussion on Rule 26, Part 1, point 2:

Dr Rajeev Sharma & Dr Jaydev Betkerur opined that instead of just IADVL President, it can be worded as IADVL National President. If any further changes are to be made to this, it should come in the form of the fresh proposal at the next AGBM.

Discussion on Rule 27(1), Part 1:

Dr Yogesh Marfatia suggested that the word "Elect" be added to Honorary Secretary General & Honorary Treasurer. The house agreed on this.

Discussion on Clause 27 subclause(m):

It was decided to retain both the email & sms as options and the sentence remains as it is.

Dr Yogesh Marfatia proposed that if no application for IADVL Elections is received, then can the Election Officer invite fresh applications within the next 15 days. Dr Jaydev opined that it has to come in the form of the fresh proposal at the next AGBM.

Discussion regarding Election date timetable:

Dr Rajeev Sharma asked whether, after the elections are announced, voters can be added to E-voters electoral list. Dr Ramesh Bhat informed that opinion of IADVL Legal advisor would be sought on this and the appropriate changes would be incorporated with the GB's approval.

Amendments to Annexures

Discussion on Seating arrangements on the dais:

The following changes have to be made to abbreviations printed: OP(Outgoing President) has to be changed to IPP(Immediate Past President), IP (Incoming President) has to be changed to P(President).

Discussion on IADVL Practitioner Award:

It will be called as only "IADVL Derma Practice Award"

Discussion on XVIII(F):

Legal advisor's opinion will be sought. The word "Elect" be added to Honorary Secretary General & Honorary Treasurer. The house agreed on this.

Discussion on XVIII(N) (II) (i):

The members collectively felt is the PAN Card a requirement. Dr Sacchidanand S opined that, the registered mobile number of the members can be added and the PAN number disclosure removed. The house agreed on this and accepted the changed.

Discussion on Online voting:

Dr Sacchidanand S opined to change the word "ballot" to "eBallot". The house didn't achieve a consensus. So, the status quo continues.

Dr Jaydev Betkerur opined that the Annexures can be bifurcated & rearranged, the house agreed on this.

Dr Umashankar N thanked Dr Anuradha for her efforts and work.

Dr Jaydev asked the Constitution Committee to point out the areas of duplication in the Constitution and also to seek Legal advisor's opinion regarding the duplications.

Dr Umashankar N elaborated on the "Vision & Mission" statement of IADVL to be incorporated.

He informed the house on a comment/suggestion by an IADVL member Dr Manjunath, Kollegal, Karnataka through email.

The house discussed on the change and agree as follows: point 2 has to be placed a point 1 in Mission part and in the same point "Advocacy of members" should be the starting part of the sentence. The house agreed on to incorporate the change.

Dr Ramesh Bhat delivered the closing remarks and thanked all the members present.

World Aids Day observed annually on December 1st, is dedicated to raising awareness to the AIDS pandemic caused by the spread of HIV infection. This year, the theme for the World AIDS Day in the year 2018 is “encourages everyone to know their HIV status.”

World AIDS Day is used to celebrate by many of the people to give knowledge of the AIDS Disease and to get the information of its preventive measures and proper cure. We took the session with emphasis on HIV transmission, staging, stigma, prevention, treatment and role in reduction of stigma and discrimination. The department actively participates in spreading awareness and believes that the future generation has the ability to sensitize others and prevent spread of HIV. Patient is given free consultation for the disease and counseled appropriately and accordingly. A street play for the awareness of HIV is enacted by alert-India in our premises.

All these event are conducted under guidance of our Prof. Dr KIRAN GODSE [IADVL Maharashtra President] And Prof. & Hod Dr. Sharmila Patil [IADVL Maharashtra P Secretary

CONSTITUTION COMMITTEE

Dr. Arijit Condoe
LM/WB/2364
CHAIRPERSON

Dr. Anuradha K B
LM/K/4853
CONVENER

The principal task entrusted to the IADVL Constitution Committee 2018 was to update the Constitution for publication during DERMACON 2019. During the first half of the year the proposals passed during the AGBMs of the previous two years were earmarked. The draft of these Constitution amendments was presented for approval by the IADVL General Body during the Extraordinary General Body meeting called specifically for this purpose on August 11, 2018 at Nagercoil during MIDDERMAMEET.

Almost all the amendments were approved at the meeting. However, some objections were raised by the members regarding the IADVL timetable and legal opinion was sought on this matter.

On August 15, 2018, the Hon. Secretary General referred the proposals received from CC members for the CC MIDDERMAMEET to the Constitution Committee for approval. After due consideration, approval for the same was sent to him.

Subsequent to the CCMIDDERMAMEET, the Constitution amendments approved at the EGBM held on 11th August, were included in the draft of the Constitution. The new draft of the Constitution was cross-checked by the Chairperson and Convener. The draft was then divided into 9 parts and each part was sent to 9 Constitution Committee members for their suggestions and checking. Finally, the completed Constitution draft was submitted on October 31 to the IADVL EC for onward transmission to a Language editor appointed by the EC. The draft after language editing was received back in early December.

An important change in the infrastructure of the Constitution was finalized after online discussion between members. It was decided to divide the Constitution into 5 parts: Part I. Rules and Regulations, Part II Bye-Laws Part III Appendices; Part IV Annexures and Part V Standard Operative Procedures (SOP). By this process the SOPs were no longer mentioned as only an Annexure but were recognized as a separate entity.

On December 5, the Honorary Secretary General sent all the proposals (submitted by the members for the AGBM during DERMACON 2019) to the Constitution Committee for its opinion regarding their Constitution Committee. These proposals are now being discussed by the Committee members.

The Committee is also discussing the Constitutional validity of the provisions in the newly drafted Constitution of the IADVL Telangana branch.

Ongoing activities of the Constitution Committee as of December 10:

1. The final draft of the Constitution is being checked for printing by the EC.
2. The proposals with Constitutional implications sent by members to the EC for consideration by the AGBM during DERMACON International 2019 have been sent to the members of the committee for their opinion.

The committee members are reviewing the Constitution of IADVL Telangana branch.

IADVL E-group Activities- 2018

I took over as the moderator of Acad from Dr Akshay Kumar and co-moderated the month of February along with him. From the month of March 2018, I started to moderate Acad independently. We were able to introduce the concept of SIG Session of the month based on the inputs from Dr Shymanta Barua.

The schedule of the SIG Acad Session of the month is as follows:

1. April- LASERS & Aesthetics
2. May- Psoriasis
3. June- Pigmentary
4. July- Trichology & HT
5. August- Dermatopathology
6. September- Geriatric
7. October- Leprosy
8. November- Dermatosurgery
9. December- Pediatric Dermatology
10. January 2019- DCT
11. February- Dermoscopy

At the time of compiling this report all the SIGs except DCT & Dermoscopy had completed their activities as per schedule. DCT & Dermoscopy SIG activity would be done in January & February 2019 respectively.

In addition to SIG sessions, expert sessions were also conducted. The following Expert sessions were conducted: Leprosy, Atopic Dermatitis, Biologicals, Basic Dermatosurgery, ITAQ, Dermatophytosis.

From March 2018 to December nearly 400 invitations were sent to IADVLites for Acad membership. To date there are 1539 members on board on IADVL Acad group and 763 members on board IADVL General group.

Quiz committee report

The 2018-19 IGNQPP had a hectic 3 months with all the state Cuticon quizzes scheduled in this duration. 17 Cuticon quizzes were successfully conducted and the winner of each cuticon i. e 17 teams have qualified for the quiz finals to be held at Dermacon International, Bangalore. The Cuticon quiz masters who were selected in June 2018 gave importance to practically oriented quizzes which was the theme proposed by this years Quiz Committee. There will be a national prelims which will be held on 18 Jan 2019 wherein the 4 best teams will qualify for the National finals to be held on 19 Jan 2019 at 0830 hrs in the Main Hall at Dermacon International.

All the Cuticon quizzes were well appreciated and administrative arrangements by the local organising committees were very good. The Quiz committee thanks all cuticon organisters and quiz masters for their excellent effort.

THESIS EVALUATION COMMITTEE

During this year the committee members have completed two tasks, which were as follows -

a) Evaluation of Thesis synopsis for **PG thesis grant** : in this total 15 thesis have been received and evaluated by committee members .The report of the same has been submitted on 4 th December 2018 to your esteemed office and chairman of academic committee.

b).Evaluation of Thesis for **Best thesis Award** - This time we have received total 14 thesis for evaluation . The evaluation work has been almost completed .Tomorrow that is on 27thDec 2018 I will received the analysis report from few members . After that i will analyze and submit the results tomorrow only to your office.

During this year we have few observations and suggestions , which we want to bring in your notice . Those are as -

1. Timely display of information on website regarding best PG thesis award is needed . It was last two years observations that between 15 to 20 thesis only received .
 2. Applicants got confused between grant and award . As one having synopsis only and other have whole thesis . All information's regarding PG thesis should be clear on website . There should not be any ambiguity.
 3. After three years there may be application for thesis award , from the category which had received thesis grant .There should be some policy guideline for such matters ,otherwise some may get dual benefit .
- At last We are very much thankful to our team members who have dispensed task timely in spite of their busy schedule . We are also thankful to our Honorable President IADVL and Honorable Secretary IADVL for showing faith in us by giving this task, hope we have completed the task in desired manner.

LEPROSY SYMPOSIUM

A 'National Leprosy Symposium' on the theme of '*Accelerating towards a leprosy free India*' was held on the 24th of August, 2018 at Hotel Radisson, Kaushambi, Delhi NCR. The symposium was jointly organized by the Indian Association Dermatologists, Venereologists and Leprologists (IADVL) and Indian association of Leprologists (IAL), with IADVL - *Special interest group (SIG) Leprosy* taking an active lead in organizing the symposium. The Symposium attempted to bring together as many key stakeholders in leprosy in the country to discuss key issues of current therapeutic importance that could impact the National leprosy program and possibly arrive at a consensus statement/ guidelines for implementation.

A total of 52 representatives from 19 different national and international organizations/ groups participated in the symposium. These included representatives from the Central Leprosy Division (CLD), Government of India; National Leprosy Elimination Programme (NLEP); Representatives of the World Health Organization (WHO) New Delhi; IAL; IADVL; IADVL Academy and 13 other key national and international stakeholders working in leprosy in India.

The symposium had three specific objectives with three strategic approaches of therapy, chemoprophylaxis and Immunoprophylaxis. The focus was on discussing the efficacy, value, limitations, availability and administrative aspects of administration of 1. Uniform-Multidrug Therapy (U-MDT); 2. Single dose Rifampicin (SDR) as a chemoprophylaxis tool; and 3. MIP vaccine and other vaccines in the Immunoprophylaxis of leprosy.

The symposium was inaugurated by Dr. Ramesh Bhat, President of IADVL and Dr. Rathindra Nath Dutta, President of IAL who highlighted the need for co-operation among IADVL, IAL and all agencies working in leprosy to join hands and fulfill the goal of leprosy elimination and a leprosy-free India. Dr. P Narasimha Rao, President-Elect, IADVL presented an overview of the goals, objectives and structure of the symposium which included a plenary talk on each of the topics; followed by 2-3 short perspectives on the issues and a panel discussion on the topic by a few experts with inputs from the floor. The gist of the discussions and conclusions reached on the three topics is outlined below.

Uniform Multidrug Therapy (UMDT): Dr. Kiran Katoch gave an overview of Uniform MDT. She presented data from the UMDT study carried out in India and in other parts of the world. She mentioned that the inclusion of clofazamine as a third drug in PB leprosy patients resulted in better short and long term treatment outcomes; beneficial effect in preventing type 1 reactions/neuritis; and that the side effect of pigmentation was reversible and short lived. Dr. E. Cooreman, WHO representative, presented a WHO viewpoint on U-MDT. He mentioned that the *GRADE* method is used to develop new treatment guidelines for leprosy, which is evidence based, transparent and public health oriented. He said that based on a grading of recommendations, assessment, development and evaluation, new WHO guidelines for treatment of leprosy were developed and approved in 2018 (http://www.searo.who.int/entity/global_leprosy_programme/approved-guidelines-leprosyexecutives-summary.pdf) which advocates a 3-drug regimen containing clofazamine for both PB and MB leprosy for 6 and 12 months respectively.

During the panel discussion it was felt that IADVL will adhere to NLEP on the use of the mainline drugs but will design studies to study other regimens and develop guidelines for difficult/special situations in leprosy like relapse, drug resistance and high BI patients. In conclusion the participants agreed to the use of a uniform 3 drug regimen for both PB and MB leprosy, but for different durations of 6 and 12 months.

Single Dose Rifampicin (SDR) for Post-exposure chemo-prophylaxis: Dr. Hemanth K Kar presented an overview on Single Dose Rifampicin (SDR). He said that in a study conducted in Bangladesh a 57% decrease in incidence of leprosy was observed in the first year and it

conferred protection from active leprosy for 2 years, beyond which it did not show significant benefit. In Indonesian study where two doses of Rifampicin were given at 3 months interval to the whole population in an area; a 50% protection was observed for 2 years with no protection from the disease beyond 4-5 years. From these two studies it can be concluded that SDR could offer short term protection from leprosy in contacts.

Dr. Anil Kumar, DDG (Leprosy), Government of India, gave an overview on 'Post exposure prophylaxis (SDR) under the NLEP'. He mentioned the use of SDR in 163 districts in the country where Leprosy Case Detection Campaign (LCDC) was conducted in 2016 and the expected benefit in preventing leprosy in the contacts and interrupting transmission. He said that NLEP is considering widespread implementation of SDR as a prophylaxis tool in India.

During the open panel discussion a few concerns were raised about SDR – that it protects against only some forms of leprosy (PB leprosy); that it affords significant protection only for 2 years after which it has very little effect; that it may result in a delayed diagnosis of the disease; and that it could induce drug resistance. In view of this it was advocated that very stringent surveillance protocols and carefully planned outcome indicators should be used to generate data on the short and long term value of SDR strategy. In conclusion the participants felt that SDR is a good public health intervention and has the potential to prevent leprosy in the contacts.

MiP vaccine for Immuno-prophylaxis:

Dr. G Pran Talwar spoke on 'Immunoprophylaxis with *Mycobacterium indicus pranii* (MIP)'. (formerly named *Mycobacterium w*), which is a non-pathogenic environmental mycobacteria, used as an immunomodulatory agent in leprosy patients inducing lepromin conversion from negative to positive; faster bacterial & granuloma clearance; reducing lepra reactions; and quicker cure in slow responders. MIP has received approval from the Drug Controller General of India (DCGI) and internationally from the USFDA. Dr Talwar recommended its inclusion in the national strategy to address leprosy in India.

Dr. Archana Singhal gave an overview of Immunoprophylaxis in leprosy and described the various vaccines studied in leprosy, briefly outlining their role. Dr. Utpal Sengupta presented a perspective on Immunoprophylaxis and the value of a primary approach using vaccines to create active immunity in the population to prevent leprosy, over a secondary approach of treatment alone. During the open panel discussion there was agreement that MIP vaccine has the potential to prevent future cases of leprosy as well as prevent disabilities due to leprosy. Issues of greater concern were regarding the availability and cost of the vaccine and these were discussed at length. Dr. Anil Kumar, DDGI suggested its use initially in a 'blanket approach' in a pre-identified high endemic area of the country.

Other priorities identified: The participants felt that since all the three interventions discussed have long term outcome indicators of efficacy like relapse rates or occurrence of new cases there is a need to identify short term in vitro and in vivo biomarkers or clinical parameters to assess the efficacy of the interventions.

The need for IADVL, IAL and other NGOs to work in close partnership with the Government and with each other to support the strategy of the Government to tackle leprosy was stressed. One of the ways suggested was carrying out research studies to objectively and comprehensively establish the efficacy of these interventions.
