### *PRESIDENT'S MESSAGE*

DR. NARASIMHA RAO  
LM/TS/134

My dear Members,

I am very delighted to address you through the first newsletter of the year 2019. Many important events took place from the time we the new National EC took over in January this year. And IADVL has been on the path of progress since and I would like to share few important events with you.

Our new IADVL headquarters at New Delhi was inaugurated amidst pomp and festivities on 24th of February 2019, which was graced by many very senior members and respected past office bearers. It was really a dream come true for all of us. I express my gratitude to all those who lived and worked for this dream to own a IADVL office. May God bless IADVL to reach further heights.

The new EC has also been working meticulously on its first fully funded 'member welfare activity' to be launched this year from 1st April, which is the 'IADVL Group personal accident insurance scheme'. The response of members from all over India has been very encouraging and show cases their appreciation of this initiative from IADVL. It has been my dream to initiate such a welfare scheme during my tenure and with your support we could make it a reality. By the time you read this newsletter, the scheme already would have been launched. We shall gauge its benefit and value by this year end. I am sure it is just the beginning of many such welfare activities for members from IADVL.

The new EC has also started working on methods and timelines for implementation of theme of the year 'STOP topical steroid misuse' across India in a big way. We already had one meeting with core committee at our new headquarters office on 25th of February and the next meeting would take place on 14th April, to take plans to their final shape. I am happy to inform you that we are planning to have number of meetings, not dozens but hundreds of them, with General practitioners, pharmacists and college students this year, to educate them on the rational use of topical steroid creams. Through this activity of educating these important groups we hope to make some impact in containing this menace, which has grown to epidemic proportions in India.

I have just detailed few of the many activities taken up in the past 2 months by national EC. With your support and participation, we shall work with more enthusiasm and fervor to serve and further the cause of IADVL.

**Dr P Narasimha Rao**  
President, IADVL

### *MESSAGE OF PRESIDENT ELECT*

DR KIRAN GODSE  
LM/M/701

Dear Members, dear colleagues and friends,

It is with great pride that I assume the role of President Elect of the IADVL for this year. This is a huge privilege, but also a very big responsibility, which I can only hope to fulfill. We have come far – with strong leadership and dedicated, persistent talent.

We are a strong and growing association but we still have much to do. I welcome the challenge.

Dermatology has not yet been recognized by the general population. As the number of skin diseases in India are on the rise, treating skin diseases requires our leadership, intellect and training as we help our patients cope with chronic diseases. It's time to take the association to the next level. I am delighted with launch of new member-oriented schemes, new office and much more. We need to strengthen our membership with valid email and mobile number. We will focus on our financial stability and growth of academics.

We will continue to build the reputation of dermatology and market same nationally and internationally.

If you have ideas, suggestions for benefit of IADVL members or questions, please contact me at [drgodse@gmail.com](mailto:drgodse@gmail.com).

We look forward for all your cooperation and guidance.

**Dr Kiran Godse**  
President Elect, IADVL

### *MESSAGE OF IMMEDIATE PAST PRESIDENT*

DR RAMESH BHAT  
LM/KN/2051

On behalf of IADVL EC we sincerely thank all our members for the wonderful support offered throughout the year 2018. We have the satisfaction of fulfilling many tasks which were pending for a long duration.

The DERMACON International held in Bangalore was a great success. The scientific sessions, business meetings, Cultural evenings all were at its best. For the first time we had seven International societies scientific sessions. The multidisciplinary OMAG meeting was also successful. International delegates and all the guests have appreciated our efforts. We sincerely thank Team Bangalore for their tireless efforts.

The IADVL Skin Safar Rath all over India was a huge success. It was great to see the commitment of our members all over the country. The Rath highlighted our contribution to community.

The inauguration of IADVL Headquarters which took place on 24th February in the presence of our many Presidents, Secretaries, Treasurers. This was a huge moment for all of us.

We will continue our efforts to serve our beloved Association, Members and Dermatology.

**Dr Ramesh Bhat**  
Immediate past president, IADVL

### *HON. SECRETARY GENERAL SPEAKS*

DR UMASHANKAR NAGARAJU  
LM/KN/3455

Namasthe!

Dear IADVLites, with great satisfaction at whatever that has been accomplished over the last year during my tenure as Hon Secretary General, I am back to you with my brief report of last quarter.

Firstly, my heartiest congratulations to team Bengaluru especially Dr Raghunatha Reddy for successfully organizing DERMACON INTERNATIONAL 2019 and we all should feel proud as it was for the first time that DERMACON has gone International with participation of seven international societies.

Last quarter was the historical period in IADVL as we inaugurated our own IADVL headquarters which has been the dream of IADVL for several years. I am extremely proud that it happened during my tenure. My important agenda for this year is to establish the fully functional IADVL HQ with all administrative activities taking place from here.

It was a proud moment to see the success of 'Skin Safar Rath', the largest Public awareness movement which travelled 12,000 km all over India in 60 days. This was a landmark achievement of IADVL as it was the largest social program held in Indian dermatology. Special appreciation is needed for all participants especially Dr Dinesh and Dr Rohit.

We are introducing member welfare scheme for the first time in IADVL as presidential initiative - 'Group Personal Accident (GPA) Insurance Scheme' of National Insurance Company Ltd for all Life Members who are E voters and this is offered free of cost to members.

We have also introduced for the first time Theme of the year - 'FIGHT THE TOPICAL STEROID MISUSE' to focus exclusively on this menace. Another area where we need to concentrate this year is to fight the quackery which has rampantly impacting our profession. EC along with ITAQ, Media Cell and Government Liaison Committee will be designing the program to curb this threat.

I request all Provisional Life Members (PLMs) of IADVL, who have obtained a postgraduate (PG) degree/diploma in Dermatology and registered their PG qualification with the MCI/State Medical Council, to convert to Life Members (LMs) before lapse of their 5 years of provisional membership. One can apply for conversion from PLM to LM through the Online Membership Application System (OMAS) on the IADVL website ([www.iadvl.org](http://www.iadvl.org)). Few modifications on OMAS for Membership process has been made and our website is getting completely new look in next few days.

I also urge all life members to sign up in the website and register for e-voting and membership of DVL Welfare Trust. E voting process will begin soon and this year AGBM has decided to reduce voting period to 6 weeks.

I am happy that YUVADERMA, state unit of IADVL resident connect has extended its wings to several states during this quarter. After successful launching of IADVL face book page, now we have our twitter and Instagram. Thus, today we have more communication modes.

I offer my sincere thanks to the IADVL EC 2019, the presidents/secretaries of various state branches, chairpersons/ conveners and other members of various committees and especially all IADVLites for your valuable support over the last year and anticipating for the same cooperation from all of you in the year ahead.

**Long live IADVL!**

**Dr Umashankar Nagaraju**  
Hon. Secretary General, IADVL (2018-2020)

### *HON. TREASURER'S NOTE*

**DR SHASHIKUMAR B M**  
LM/KN/5241

I am happy for the successful completion of one financial year of my tenure. Treasurer is happy when the money is saved inspite of spending generously and rightfully. I am glad that we have achieved it. We have spent generously on IADVL building, academic activities and many more, and also saved much larger amount.

Financial statement of last quarter is presented with this report. We have been able to save large amount in income tax also this year. Thanks to Dr Raghunatha Reddy and team DERMACON INTERNATIONAL 2019 for substantial contribution in the last quarter. I thank our president and Hon secretary general for their cooperation and support in attaining these.

We are moving ahead with yet another milestone of providing group personal accident benefits scheme in next financial year. I seek same support and cooperation.

Long live IADVL!

**Dr Shashi Kumar B M**  
Hon. Treasurer, IADVL (2018-2020)

## CONFERENCE REPORT

### DERMACON INTERNATIONAL 2019

DERMACON INTERNATIONAL 2019 India was the 47<sup>th</sup> annual national conference of Indian Association of Dermatologists, Venereologists and Leprologists and the first international DERMACON. It was held between 17<sup>th</sup> and 20<sup>th</sup> January at Clarks Exotica convention , Resort and spa, Bengaluru. Clark's Exotica Convention Resort & Spa was chosen owing to its large lush green serene atmosphere, proximity to airport, ease of travel from the city by an express way despite being on the outskirts of the city. The theme of the congress was **Indian Mission with Global vision**. The primary goal of the conference was to bring global dermatologists under one roof, to enhance communications between various societies and provide the young dermatologists a platform to meet the experts.

The conference was attended by 6000 delegates. A large contingent of nearly 400 national faculties and 100 international faculties deliberated the scientific sessions. Day 1 of the conference has Cutting edge international symposium - CME in 3 parallel halls with the themes a. Splitting hair- cutting edge technology, b. Linking Hand: Liasoning with other specialties and c. Looking Forward: Future of dermatotherapeutics. 6 app-based quiz was conducted pre lunch and at the end of CME, winners were presented with gold coin. Video workshops covering basic to advanced dermatosurgical and aesthetic procedures were conducted on the first day of the conference. Conference was inaugurated by Chief Minister of Karnatka, Mr H D Kumaraswamy as chief guest and Prof Harvey Lui, President of ILDS as guest of honor. The next 3 days of the conference had sessions in 5 halls covering all aspects of clinical and aesthetic dermatology, without delay and managed very well by the scientific committee with the help of dedicated hall coordinators. 18 target courses were also held. The audiovisuals and sound were given utmost importance with well managed two spacious preview rooms.

The scientific deliberations were hugely appreciated by the delegates. Global leadership session was conducted which had eminent dermatologist from various international societies discuss various issues and possible strategies. 7 international sister societies participated in the conference – DASIL, China, Singapore, SARAD, Sri Lanka, South Africa and Italy.

Majestic registration area was built like a replica of High court of Karnataka. Registrartion was huge with Cloak room and delegate kit area next to it for the convenience of delegates. Registration process was easy and seamless without waiting in the queues. Replica of Bengaluru palace and Vidhana Soudha were made for the elevation of erected halls. Temporarily erected halls never looked like the tents and they were better than the 5-star halls with Mejestic outlook. There was a display of all-important monuments, cultures, festivals from all states to decorate the venue with three welcome arches representing International, national and state theme. Latest technology was adopted for the E posters with a touch screen technology. The conference was held with a concept GREEN CONFERENCE with utmost importance to clean and green environment, no plastic, minimal use of paper both by the organizing committee and the exhibitors.

Clean, hygienic, fresh and tasty food with exhaustive menu was served with a separate section to enjoy the flavors of Karnataka. Provisions were made for easy access of drinking water all over the venue. Unlimited fresh tender coconut, Coffee, tea, variety of snacks and tuck shops with water and refreshments were made available round the clock at three large and spacious hospitality areas. 10 acres large parking area was arranged, with electric buggies ferrying the delegates from parking to venue and within the venue. Cultural activities on all three nights were arranged with a variety of local, national and international dance performances, Instrumental music jugalbandi. Shaan's performance was outstanding on gala dinner night. A separate, huge co delegate area was created with swimming pools, water slides, indoor games, movie screening and round the clock entertainment activities were arranged, while the delegated could attend to the scientific sessions in large numbers. Temporarily erected rest rooms caught the attention of all delegates and were praised by all for its perfect interiors, spick and span cleanliness and maintenance. Industry delegates were treated in par with Doctors with regards to huge and separate food court serving the same quality food and services.

Exhibition was a master piece with World class look and interiors, a large single structure was ready to occupy 5 days before the conference helping industry to erect the stalls comfortably, large areas of walk ways and wonderfully created stalls were a treat to see. Industry participation though was not up to the expected no. Whoever participated was very happy. Considering all arrangements and appreciation and applauds from each and every person participated in the conference the organizing committee feels happy and hope it has delivered its promise of never before & first INTERNATIONAL DERMACON beyond the expectation of one and all. The organizing committee of DERMACON INTERNATIONAL 2019, Bengaluu & IADVL Karnataka, thank you all immensely for your wholehearted participation, cooperation, appriciation and happiness shared with us. We always look forward to host you whenever you wish to come back to Bengaluru for future events.

-Dr. S Sacchidanand, Organizing Chairman

-Dr. R Raghunatha Reddy, Organizing secretary

## *IADVL COLOR AND NEW IADVL LOGO*

### **IADVL COLOR**

The peacock itself is a possessor of some of the most admired human characteristics, and is a symbol of integrity and the beauty we can achieve when we endeavour to show our true colors.

Peacock blue has the power to give confidence and strength. Being a mixture of green and blue it has the expansive nature of green and the cool, quiet flow of blue.

### **NEW IADVL LOGO**

IADVL LOGO was changed following the decision of Combined CCM and Closing AGBM held at Kochi during DERMACON 2018. Below logo was unanimously approved by General Body during Combined CCM and Closing AGBM held at Bengaluru during DERMACON INTERNATIONAL 2019. This was launched by President Dr Ramesh Bhat and Hon Secretary General, Dr Umashankar Nagaraju. Executive Committee 2018 especially joint secretaries- Dr Prashant Palwade and Dr Dinesh Kumar immensely contributed in designing this new logo.

#### **SIGNIFICANCE:**

The globe which is split in two halves represents Earth and IADVL written in the centre of the globe represents ever growing international presence of the association in field of Dermatology, Venereology and Leprology since its inception in 1973.

The outer ring represents skin as a protective organ of human body and expanded form of IADVL curves parallel to this outer circle and takes responsibility of caring for skin.

## *REPORT OF IADVL HQ INAUGURATION*

The **Indian Association of Dermatologists, Venereologists and Leprologists** became the proud owner of plush dedicated Office Complex in Delhi NCR. The same was inaugurated with much joy on the **24<sup>th</sup> of February, 2019**.

The day started in consonance with the Indian culture, by invoking the blessings of the Almighty. A Havan and Pooja was organised at the premises which was conducted rightly so by our National President Dr P Narasimha Rao & Mrs Rao and many stalwarts of IADVL over the years, including past National Presidents, National Secretaries and other office bearers from across the country took time out to be with their beloved association on this special day. It was a dream come true, for numerous generations of IADVL office bearers who had cherished the hope of having a permanent office for IADVL and strived tirelessly towards achieving it. The Executive Committees of National IADVL for 2018 and 2019 were the immediate team responsible for bringing this day to reality. The vivacious chanting of mantras and the enthusiastic 'artis' and 'ahutis' reflected the spirit of all those present and even those who could not make it to the venue. The ceremony was followed by a vivacious get together of past and present office bearers, clicking numerous photographs with their teams and subsequent teams against the proudly displayed new IADVL logo at the office reception. This day shall truly remain etched in our memories.

In the afternoon, the office was formally inaugurated by none other than senior most IADVL Presidents, who graced it with their choicest blessings. Dr Gurmohan Singh, Dr Ferdinand Handa, and Dr BMS Bedi. In keeping with true IADVL tradition, the EC made it a point to get the office inaugurated and graced by these stalwarts who had been the founding stones and beacons of light for generations of dermatologists after them. This was followed by formal inauguration of the Board Room, which hosted the first ever IADVL meeting graced by the seniors from all over India. These included Past Presidents of IADVL Dr Gurmohan Singh, Dr F Handa, Dr BMS Bedi, Dr VN Sehgal, Dr VP Kuriype, Dr Sacchidanand, Dr Chetan Oberai, Dr Rui J Fernandez, Dr SDN Guptha Dr Suresh Talwar, Dr Venkatram Mysore, Dr Devesh Mishra, Dr Yogesh Marfatia, Dr Ramesh Bhat, Dr P Narsimha Rao, Dr Kiran Godse and other members of Executive committee 2018 and 2019, besides many Past Secretaries and treasurers of IADVL and dignitaries of Delhi State Branch. All seniors reminisced their experiences with IADVL and recounted the journey of the association from strength to strength. It was indeed a nostalgic walk down memory lane which shall be forever cherished by juniors seeking to walk the same path.

This was followed by an evening ceremony in accompanying Hotel Radisson Blu. Dr Dharampal, past President of IADVL-Delhi State Branch, and the 'senior-most' practicing dermatologist in India, was the guest of honour. The national EC 2019 honored Sir with a plaque and urged him to shower words of wisdom upon us. Dr Mukesh Girdhar, Vice President 2018, and Coordinator for IADVL Office Project recounted the journey from the conception of the idea down to its complete implementation. Dr Dinesh Kumar, Joint secretary 2018 detailed the journey of "IADVL Skin Safar Rath" the most ambitious, Pan India project undertaken in 2018-19. The IADVL Logo, IADVL Color and anthem were also released. The IADVL-Delhi State Branch was also commended for its role in maintaining IADVL Office before the finalization of the present premises. The National EC team of 2018 was honoured by EC-2019. The evening concluded with a lavish dinner, laughter, enthusiasm and endless hopes for a brighter future.

Hon Secretary General Dr Umashankar N welcomed the members

Total life members attended the meeting was 92

Meeting was adjourned for 15 minutes by Dr. Ramesh Bhat in view of incomplete quorum. After 15 minutes the meeting was commenced. Dr. Ramesh Bhat welcomed everyone.

Dr. Umashankar started with the agenda. Condolences were offered to below 9 IADVL members who passed away in year 2018: Dr. G. Sudarshan Reddy, Telangana; Dr. Shrikant Mahadeo Kelkar, Maharashtra; Dr. Jyotirmayee Devi, North East branch; Dr. Jagadish Chakravarty, West Bengal branch; Dr P. T. Pillai, Kerala; Dr. V. V. Subrahmanyam, Andhra Pradesh; Dr. Robin Paul, North East States Branch; Dr. Vinay R Mehta, Maharashtra; and Dr Sindhu, Bengaluru.

1. IADVL song

The two final selected and composed songs were played.

Dr. Venkatram Mysore asked whether it will be played in all SIGs. Dr. Umashankar N said that it may be played in DERMACON, MIDDERMACON, DERMAZONE & CUTICON.

Dr. Saumya Panda asked if there is need to go ahead with the song. He suggested to rethink about the proposal. Dr. Venkatram Mysore said the songs selected are not inspiring. Also, song should be in Hindi. Dr. Anil Ganjoo said that there is no inspirational feeling and it should be in Hindi. Dr. Koushik Lahiri said that no one amongst our professional body knows music, so let us take a professional help and form one committee.

Dr. Umashankar enquired if lyrics is ok, whether we should compose them in a different way. Dr. Anil Ganjoo suggested to prepare a complete song with a video as well and it should be inspirational. Dr. Rajeev Sharma suggested that it should be in Hindi. The house decided to reject the proposal and re-invite the new songs.

Dr. Ramesh Bhat informed about the work done so far in 2018.

2. Minutes of commencing combined CC and AGBM held at DERMACON 2018 Kochi were presented by Dr. Umashankar N and were passed. Proposed by Dr. Venkatram Mysore and seconded by Dr. Rajeev Sharma. CC meeting minutes held in 2018 were passed. Proposed by Dr. Siddharth Das and Seconded by Dr. Rajesh Buddhadev.
3. Secretary report was read out by Dr. Umashankar Nagaraju.
4. Creation of email ids for President, Hon Secretary General and Hon Treasurer along with administrator email id was informed to the house. All official communications has to be made in future through this email ids.
5. Dr. Yogesh Marfatia, Immediate past President addressed the CC and AGBM about his journey over last three years.
6. A Down the memory lane video of EC 2018 designed by Joint Secretary, Dr. Prashanth Palwade was played.
7. Dr Shashi Kumar BM, Hon Treasurer presented the treasurers report. Audited report till 31<sup>st</sup> March 2018 was presented and passed by the house. Unaudited accounts from 1<sup>st</sup> April 2018 to 7<sup>th</sup> Jan 2019 was presented and passed by the house. The passage was supported by Dr Kuriyipe, Dr Suresh Talwar and Dr Rajesh Buddhadev. Dr Rajeev Sharma opined to combine and present unaudited accounts of IADVL and IJDVL from next year onwards. Dr Ramesh Bhat appreciated the contribution of DERMACON 2018, Cochin. He said the IADVL finances are stable inspite of Headquarters purchase. DERMACON 2018 contributed Rs 5.11 crores. To Dr Jaydev Betkerur query whether the DERMACON organizers can directly transfer the state share to the state IADVL itself, Dr Kuriyipe clarified that as per MOU this is not possible.
8. Discussion on building maintenance of proposed headquarters: Dr Kuriyipe congratulated the present EC 2018 for purchase of headquarters. Dr Ramesh Bhat elaborated on it and informed that EC 2018 is coming with a committee for building maintenance.
9. Discussion and adoption of audited accounts of DERMACON 2018: Dr Faizal was not present, Dr P Narasimha Rao requested Dr Kuriyipe to send the accounts again to EC.
10. Discussion and adoption of audited accounts of MID DERMACON 2018: Dr Selvam presented the account of MID DERMACON 2018, Dr Shashikumar informed the house that this was the unaudited account and the IADVL auditor will visit Nagercoil for physical verification of the accounts and receipts. Dr Ramesh Bhat informed that IADVL PAN and GST number was used and requested the MIDDERMACON 2018 team to cooperate with the auditor.

## 11. Discussion of IJDVL accounts:

Dr Saumya Panda presented the accounts and report. He compared the proposals of Medknow and BMJ and recommended BMJ. Dr Venkataram Mysore opined IADVL to allot money if BMJ doesn't manage to meet the ad requirements of IJDVL. Dr Rajeev Sharma requested both the EC and editorial team to work in tandem to generate advertisements. Dr P Narasimha Rao informed that there is a proposal to define the role of managing editor and support team. Dr Ramesh Bhat assured EC will help in generating finances of IJDVL. IJDVL accounts were accepted and passed with ayes from DR Sanjeev Handa and Dr Siddarth Das.

12. The annual reports and accounts of IDOJ were presented by Dr Sunil Dogra and passed by the house. Dr Ramesh Bhat requested IDOJ hard copies to fulfil MCI requirement and also to officially communicate to UGC.

13. Proposals were presented by Dr. Umashankar N and discussed.

**Proposal No.1:**

Name of proposers: Dr. Jayadev Betkerur LM/KN/ 2009, Dr. Ramesh Bhat (LM/KN/2051), Dr. Umashankar Nagaraju (LM/KN/3455), Dr. Venkataram Mysore LM/KN/3211, Dr. Koushik Lahiri LM/WB/2503, Dr. Arijit Coondoo LM/WB/2364, Dr. Yogesh Marfatia (LM/G/419), Dr. Shyamanta Barua (LM/NE/4266), Dr. Suresh Joshipura (LM/G/904)

**Proposal:**

a) IADVL has gone for exclusive e - voting from 2018 elections. This has led to changes in the election time table. There is no ballot paper posting by the election officer and reposting of ballot by life members of IADVL to election officer. The voting starts from 1/10 of the election year and continues till midnight of 3<sup>rd</sup> Saturday of December of that year i.e. 2 months 3 weeks. Such a period was necessary during ballot voting as it was dependant on surface mail. With advent of e voting the voting takes few minutes and reaches the election officer in few minutes. Thus making the entire election process easy and fast. During the constitutional amendments regarding IADVL elections this particular point was not considered. A long voting period may lead to voter fatigue. The contestants will find it difficult to campaign for long time and make members cast their vote.

Most of the associations who have gone for e voting have restricted the voting time, for example Indian Society of Anaesthesiologists has a 5 day period of voting. By reducing the voting time IADVL can enhance the voting percentage. We can send SMSes for a short period. Many members have also voiced their concern about such long voting period and have suggested reduction of the same

Hence we propose that the voting period be restricted to

1) Voting starts from 1<sup>st</sup> October and concludes on 21<sup>st</sup> October (3 Weeks) with the counting held next day or succeeding Sunday OR

2) Voting starts on 1<sup>st</sup> October and concludes on 31<sup>st</sup> October (1 Month). The counting can be held on 1<sup>st</sup> of November or on the 1<sup>st</sup> Sunday of November.

The results can be declared 1 week after the counting. The rest of the schedule continues as it is.

This will help in reducing the campaign period, sending reminders to vote, voter fatigue and saves money to IADVL and to contestants.

b) The Counting should be held at IADVL Head Quarters-

c) The Election Officer, Returning Officer, 1 Observer nominated by EC, Person from Web Management (for technical assistance) – To be present with IADVL taking care of Travel and accommodation. The contestants wanting to be present should make their own arrangements

Passed

The house discussed the proposal in detail and many members took part in it. At the end Dr Mysore Venkataram suggestion for reduction of e voting duration to 6 weeks rather than 4 weeks was accepted by the house. It was proposed to have the e-voting period from October 1<sup>st</sup> to November 15<sup>th</sup> and the results to be declared on first Sunday after November 15<sup>th</sup>. It was proposed to have the election officer, returning officer and election observer (previous election officer). The proposal was accepted and passed by the house.

**Proposal No.2:**

Name of proposer/s-6(1+5) members: Kiran Godse LM M 701, VIJAY ZAWAR LM M 942, SIDDHESHWAR MATHAPATI LM M 10172, AMITA MHATRE LM M 10293, TUSHAR IAGTAP LM / M 1054, R BACHWAL LM M 1065

**Proposal:**

ALL LIFE MEMBERS SHOULD BE EVOTERS

E-VOTERS REGISTRATION SHOULD NOT BE MANDATORY  
IT IS VIOLATION OF BASIC RIGHT OF MEMBER TO VOTE  
CONSTITUTION HAS GIVEN BASIC RIGHT TO VOTE TO ALL MEMBERS

Not passed

Dr.Umashankar responded that although it was a good proposal, it is not practically possible as member should have their email id phone number to be registered. As many members did not respond inspite of repeated reminders which was sent for three years to become e voter registered member, it is not possible to make all LM to be e voters. DR Rajeev Sharma opined to maintain a record of members who haven't responded to the request to become e voters. The request will be sent by email and registered post. DR PNR informed that the EC will discuss with the legal retainer on the legal feasibility of this. DR Jagdish Sakhiya suggested to add a column in the DERMACON Registration form to know whether the member was e voter or not. This was approved by GB

#### Proposal No.3:

Name of proposers: Biju Vasudevan (LM/C/5377), ShekharNeema (LM/M/7479), DebdeepMitra (LM/C/6523), Ruby Venugopal (LM/C/7961), Rajesh Verma (CC member- LM/C/2651), Brijesh Nair (LM/C/4245)

Proposal

It is proposed that the guidelines for conduct of quiz should include following factors:

It should be made mandatory that IADVL PLM members can alone take part in the CUTICON and DERMACON quizzes. That the participants for DERMACON quiz should only be those candidates who will be appearing for their MD exams only after the date of the DERMACON finals (i.e they should be PG residents at the time of DERMACON and not passed out students). The alternative here is to state that the participants have to be PG residents at the time of conduct of the state CUTICON quiz.

PASSED

The number of teams in few states are too less to conduct a prelims. So a policy that if there are less than six teams in a state then the quiz should be combined with the neighbouring state and if there are more than 15 teams in a state there should be two teams selected for the National finals

DR Rajeev Sharma opined that if more than 15 members are there from state to send 2 teams from the state. DR PNR suggested to forward the proposal for modification to the quiz committee.

#### Proposal No.4:

Name of proposers: Dr. Deepak Parikh [LM/M/852], Dr. Ramesh Bhat[LM/KN/2051], Dr. YogeshMarfatia [LM/G/419], Dr. P Narasimha Rao[LM/TS/134],Dr. UmashankarNagaraju[LM/KN/3455],DrShashikumar B M(LM/KN/5241).

Proposal

As per our constitution any vacant post/venue will be decided on the floor of the house i.e GBM.

The difficulties are

- 1- There is no time for returning officer to check eligibility of candidate.
- 2- Anyone can bid for venue without state EC/GBM mandate
- 3- Candidate does not deposit fixed amount in advance.
- 4- If more than one member decides to apply we need to have voting. So how should it be done?

Simply rise of hands or secret ballot paper? Secret ballot paper needs early planning.

This year we had no bidders for MIDERMACON 2019 at will be decided on the floor of the house.

Suggestion: EC announce fresh election process during CCM for all vacant seats/venues with last date for filing being 30<sup>th</sup>November. Returning officer declares final list after verification by 10<sup>th</sup> December. If more than one application for any post/venue, then election process by secret ballot paper can be arranged during DERMACON to be held on day of CME from 11am to 2pm. All eligible voters can cast their vote after verification of their membership and photo id proof by returning officer. Counting to begin at 2pm. This whole process to be carried out, under the supervision of election officer.

Passed

First by Dr Rajeev Sharma and seconded by Dr Rajesh Buddhadev.

#### Proposal No.5:

Proposal by Dr. Deepak Parikh [LM/M/852], Dr. Ramesh Bhat [LM/KN/2051], Dr. YogeshMarfatia [LM/G/419], Dr. P Narasimha Rao [LM/TS/134], Dr. UmashankarNagaraju [LM/KN/3455],DrMukeshGirdhar(LM/ND/1364).

Proposal

In the current digital era e-application should be allowed and applicant can transfer appropriate fees directly into IADVL account just the way we receive membership fee. However, the whole process, either by digital/post must be over before 15<sup>th</sup> June.

Passed

The GB approved and passed this with ayes from Dr Sudip Das and Dr Deepika Pandhi  
Dr Ramesh Bhat requested the returning officer to immediately acknowledge the application of the member within a day's time.

#### Proposal No.6:

Name of proposer/s: Dr Manish Gautam LM/M/ 3530, DrFeroz K LM/K/3383, DrTarun Mittal LM/UP/3218, Dr Geraldine Jain LM/R/4065, DrSumit Gupta LM/ND/7945,DrJagdishSakhiya(LM/G/2754).

Proposal: IADVL has many activities related to academics for its members and the IADVL Academy is doing a great job. But, most of our members are in private practice and we have hardly any activities related to issues in practice. The Practice Management Cell, now known as Dermapractice Committee has been actively involved in activities like CMEs, Newsletters and Symposia through the committee members. It is very difficult to reach out to all IADVL members through a handful of PMC members and therefore, we propose that an

IADVL state PMC be constituted at each state level and they will conduct activities under the aegis of the National Dermapractice Committee, this will ensure wider reach, better execution of activities and involvement of more members in IADVL activities. Above all, it will instill more faith of a large section of our members in IADVL EC.

The PMC committee will decide on this passed with ayes from Dr Feroz and Dr Kingshuk.

#### Proposal No.7:

Name of proposer:

Dr Venkataram Mysore (LM/KN/3211), Dr Ramesh Bhat(LM/KN/2051), Dr Yogesh marfatia(LM/G/419), Dr Uma Shankar N (LM/KN/3455), Dr Rashmi Sarkar(LM/ND/1543), Dr Shashi Kumar(LM/KN/5241).

Proposal: DERMACON should be organized as DERMACON INTERNATIONAL ONCE IN FOUR YEARS , IN THE YEAR OF WCD. Holding it in the year of WCD would help in getting international societies to participate as they are interested in propagating their bid

Passed with ayes from Dr Shyamanta Barua and Dr Rashmi Sarkar

#### Proposal No.8.

Name of proposers: Dr Ramesh Bhat (LM/KN/2051),DrYogeshMarfatia(LM/G/419),DrNarasimha Rao(LM/TS/134),DrUmashankarNagaraju(LM/KN/3455),DrShashikumar B M(LM/KN/5241),DrMukeshGirdhar(LM/ND/1364),DrJagdishSakhiya(LM/G/2754),Dr Dinesh Kumar Devaraj(LM/TN/5354),Dr Prashant Palwade(LM/M/3518).

Proposal – As the President for that year hosts the dinner, it is prudent to call it a Presidential dinner. It will be by invitation only. All faculties, State & National Executives, Organising Committee and guests will be invited for it.

Accepted and passed

#### Proposal No.9.

Name of proposers :Dr Ramesh Bhat(LM/KN/2051),DrYogeshMarfatia(LM/G/419),DrNarasimha Rao(LM/TS/134),DrUmashankarNagaraju(LM/KN/3455),DrShashikumar B M(LM/KN/5241),DrMukeshGirdhar(LM/ND/1364),DrJagdishSakhiya(LM/G/2754),Dr Dinesh Kumar Devaraj(LM/TN/5354),Dr Prashant Palwade(LM/M/3518).

Proposal - A dinner is served on all days of DERMACON. It needs lot of planning, attracts expenses and organising dinner for so many guests on all days becomes difficult for organisers. We propose to reduce one dinner on first day of conference. This will result in reduction in expenses in organising conference.

Proposal was discussed by the house. Finally, was not passed. DR Sanjeev Handa suggested to make it frugal.

#### Proposal No.10.

Name of proposers :Dr Ramesh Bhat(LM/KN/2051),DrYogeshMarfatia(LM/G/419),DrNarasimha Rao(LM/TS/134),DrUmashankarNagaraju(LM/KN/3455),DrShashikumar B M(LM/KN/5241),DrMukeshGirdhar(LM/ND/1364),DrJagdishSakhiya(LM/G/2754),Dr Dinesh Kumar Devaraj(LM/TN/5354),Dr Prashant Palwade(LM/M/3518).

Proposal – Lunches are served on all days of conference. This needs lot of planning, expenses and disturbs the conference proceedings. We recommend providing working lunch in to be given to all delegates during all IADVL conferences. This will reduce the cost, chaos during peak conference time and will lead to smooth running of scientific program.

Not passed

#### Proposal No.11.

Name of proposers :Dr Ramesh Bhat(LM/KN/2051),DrYogeshMarfatia(LM/G/419),DrNarasimha Rao(LM/TS/134),DrUmashankarNagaraju(LM/KN/3455),DrShashikumar B M(LM/KN/5241),DrMukeshGirdhar(LM/ND/1364),DrJagdishSakhiya(LM/G/2754),Dr Dinesh Kumar Devaraj(LM/TN/5354),Dr Prashant Palwade(LM/M/3518).

Colour for the Association.

Current status

We use different colours. Many associations have uniform colour. Example- AAD(Blue), EADV- Red, ILDS- Sky Blue.

We propose Peacock Blue as a Colour of our Association.

LOGO, Constitution book, IADVL News, IJDVL, IDOJ, Website will use this colour principally and prominently.

Passed

Ayes from Dr CR Srinivas and Dr Rishikumar

#### Proposal No.12.

Name of proposers :Dr Ramesh Bhat(LM/KN/2051),DrYogeshMarfatia(LM/G/419),DrNarasimha Rao(LM/TS/134),DrUmashankarNagaraju(LM/KN/3455),DrShashikumar B M(LM/KN/5241),DrMukeshGirdhar(LM/ND/1364),DrJagdishSakhiya(LM/G/2754),Dr Dinesh Kumar Devaraj(LM/TN/5354),Dr Prashant Palwade(LM/M/3518).

Proposal: We propose to create a dedicated post for supervision of IADVL HQ. The person eligible for this post should be interested in actively working for management of IADVL HQ, its development into a fully functioning unit, staff, their recruitment, payments etc. Tenure for this post should be for 2 years.

We also propose to form a HQ committee consisting of past IADVL EC members, to supervise the HQ administration. The tenure of committee would be for 2 years.

We also propose to prepare a calendar of events for IADVL HQ activities and its utilisation to best of its capacities.

We propose to hold all IADVL meetings (EC meetings, Academy meetings, CC meetings journal meetings) in IADVL HQ

Dr Saumya Panda requested not to make all IJDVL meeting mandatory in HQ as it will be expensive. Dr.Umashankar clarified that the Hall rent can be saved as HQ have meeting hall with capacity of 50 and Radisson Blu has agreed to give 20 % discount in rooms. So it will not be expensive.

Dr Umashankar informed that all the meetings held in HQ last year was successful and economical. If EC meeting , academy and other meetings are held successfully, IJDVL meeting will also be held at HQ.

Accepted and passed

#### Proposal No.13:

Name of the proposer: Dr Umashankar Nagaraju(LM/KN/3455),Dr Ramesh Bhat(LM/KN/2051),DrYogeshMarfatia(LM/G/419),DrNarasimha Rao(LM/TS/134), DrShashikumar B M(LM/KN/5241),DrMukeshGirdhar(LM/ND/1364),DrJagdishSakhiya(LM/G/2754),Dr Dinesh Kumar Devaraj(LM/TN/5354),Dr Prashant Palwade(LM/M/3518).

Proposal:

Election Contestants should provide either their IADVL membership certificate or letter of endorsement from their respective state secretary confirming their date of membership as one of the mandatory documents

Date of membership of Election Contestants are not available in IADVL DATA. Returning officer finds difficult to confirm their eligibility. From this year April 2018, certificates will have date of membership. In future, Election Contestants should provide either their IADVL membership certificate or letter of endorsement from their respective state secretary confirming their date of membership as one of the mandatory documents.

8) Presidential proposal: "Group accident insurance scheme for Life members of IADVL"

It was presented by Dr P Narasimha Rao to the house. He proposed that an annual group insurance policy to be taken for all Life members of IADVL from a reputed insurance agency for which the ground work was already done. For an expenditure of about 40 lakhs 5,500 members would be covered both for death and injury compensation in case of accidents and even hospitalization would be covered up to 2 lakh rupees for each member. A model scheme was presented for the understanding/ benefit of members. It was also informed to the house that approval for the proposal as well as its budgetary allocation/ feasibility was taken from the CFC of 2018. The proposed expenditure was included in proposed budget of 2019. President requested the house to consider it favorably as it is a member welfare scheme, which benefits not only members but also their family in case of any untoward incident. He also informed that the proposed expenditure is very much feasible, as it is within the proposed surplus budget of IADVL for year 2019.

House had lengthy discussion and deliberation on it. Many members participated in the discussion

Dr Chetan Patel opined the need to look into the pros and cons of the insurance policy.

Dr P Narasimha Rao mentioned that it covered for mortality / morbidity/ work compensation as well.

Dr Mysore, Dr Sacchidanand, Dr Sudip Das, Dr Siddhartha Das and Dr Vinod sharma, Dr Shyamanta Barua and many others took part in the discussions,

Policy was appreciated by Dr S Handa, Dr Kuriyipe and Dr Saumya Panda.

Dr Arijit Coondoo mentioned that if a committee would be needed look at the details. It was decided that CFC and EC of 2019 would take the responsibility.

It was finally concluded that proposals for proposed member group accident insurance policy from reputed insurance companies to be taken afresh. They should be sent to CFC for opinion and approval.

The concluding remarks was given by Dr P Narasimha Rao, wherein he mentioned that he would consult the EC, legal retainer, auditor and CFC and the best policy would be finalized. The proposal was passed by the house.

The house approved the proposal for the year 2019 only and its benefits to be gauged. The renewal of the same would need fresh approval in the next AGBM.

#### 9) Discussion of roadmaps of various committees

Dr KA Seetharam and Dr Deepika Pandhi proposed the Academy activity for 2019 which were accepted if budget permits.

IADVL International Dermatopathology Observership 2019 to increase the number, to be put up in CC.

New Academy Members was approved which included Dr G Manmohan, Dr Renu George and Dr Ananta Khurana.

They should also give in writing of its withdrawal and no further marketing of it signed by their highest ranking official. 3. They should also give a press statement to that effect.

14. Dr Manish Gautam handed over Rs 46 lac from MIDDERMACON 2017 to IADVL. GB Appreciated this gesture from the organizing committee.

15) Dr Umashankar N, put forth various proposals from members

**Proposal No.1:**

Name of proposer/s-6(5+1 ) members: DR AKSHAY KUMAR JAIN - LM/R/5325, DR SAVITA SOMAIYA LK/KN/5761, DR RAKESH BHARTI LM/P/1659, DR AAYUSH GUPTA LM/M/9282, DR VIBHORE KAUSHAL, LM/UP/6463, Dr M L Gambhir LM/P/1685

Proposal: in the existing format of the IGNQPP, the contestants are not phased out by single time participation or win because there is no such existing law. In some institutes with 6 monthly pg entrance examinations, even the senior residents are found to be taking part as a PG resident.

We propose that those who win the quiz once at the national level should phase out of the quiz programme like any other activity of IADVL. A resolution should be passed by the house that once a national winner, a student should never reappear in the quiz programme like all other IADVL activities.

Proposal was passed GB first by Dr Shyamanta Barua seconded by Dr Kuriyipe

**Proposal No.2:**

Name of proposer/s-6(5+1 )members: DR AKSHAY KUMAR JAIN - LM/R/5325, DR VENKATRAM MYSORE LM/KN/, DR SAVITA SOMAIYA LK/KN/5761, DR RAKESH BHARTI LM/P/1659 , DR VIBHORE KAUSHAL- LM/UP/6463, Dr M L Gambhir LM/P/1685

Proposal: According to the constitution, the eligibility criteria for the Secretary general and treasurer IADVL mentions that they both should be proposed from the same state branch of IADVL which is no more practical in the era of internet, whats app and net banking where office is operated from a SMART PHONE, virtually from any corner of the world. These rules were implemented and were practical when there were fewer modes of communication and transport and finances were handled by both the honorary secretary and the treasurer manually and there were no auditors. Now IADVL has its own central office and for every single work, we have permanent office staff which looks after the daily activities of IADVL. Every meeting of the association is held in the IADVL office only and In older times the need for the both to be from the same state was because of the feasibility to sign the cheque of the fund disbursement and record maintaining but now the payments are made by the electronic medium so it seems to be an inhibitive restriction for the small state branches of IADVL which do not have much active IADVL members and sometimes it deprives deserving candidates from serving IADVL CENTRAL which is already facing lack of active young leaders. They both should be a team but not necessarily from the same state or the zone. They can be the life members of IADVL and can be from any part of India as IADVL is a national, Pan India organization.

Proposal passed with ayes from Dr Rajib Gogoi Dr Prasant Palwade however with the resolution that the Treasurer and Secretary IADVL to be from the same zone. Zone is defined as applicable for conduct of DERMAZONE meets of IADVL

**Proposal No.3:**

Name of proposer/s-6(5+1 )members:DrAsit Mittal LM/R/ 1805, DrGaurish Lad LM/GO/9039, DrPrabhakarSangoli LM/KN/1924, Drifat Hussain LM/JK/1720, DrAkshay Jain LM/R/5325,Dr Brig Rajesh Verma LM/C/2651

Proposal: To initiate "SIG Pruritus."

Acute and chronic pruritus are common manifestations of dermatological and non dermatological diseases. Itch is a very disturbing sensation with a high impact on quality of life. Till few years back, itch was an ignored symptom and research in this field was quite limited. Lately new concepts and genuine discoveries of itch have completely modified our understanding of itch and new therapies are on horizon. It is therefore important for every physician working in the field of dermatology to be aware of all the recent advances in this rapidly developing field. The following will be the focus and objectives of SIG Pruritus if approved:

To facilitate epidemiological research on pruritus in India.

To keep abreast the dermatologist across India about recent advances in the field of pruritus in India by conducting CMEs.

To promote clinical and investigative research by doing some multicentric academic exercises.

To collaborate with international forums already working in this area such as IFSI ( International forum for study of itch)

Proposal provisionally passed however subjected to the SIG criteria.

**Proposal No.4:**

Name of proposer/s-6(1+5 )members: KIRAN GODSE LM/M/701, KE MUKADAM LM/M/4054, VIKRANT SAOJI LM/M/850, VIJAY ZAWAR LM/M/942, ADITYA MAHAJAN LM/M/8004, AMEETA MHATRE LM/M/10293

We propose that the clause be modified to: IADVL constitution: Page number: 9; Clause Number 4(a)

The eligibility criteria for becoming a life member of the Association shall be a postgraduate qualification in the speciality(i.e. a diploma or a degree in Dermatology or Dermatology, Venereology and Leprosy) from a medical college affiliated to and awarded by an Indian University or an institution recognized by the Medical Council of India (MCI) or an equivalent organization of the Government of India *or a degree or diploma granted by an Indian University or Institution and are recognized by the respective State Medical Council (after submission of proof of recognition)*; or a Diploma in Dermatology or Dermatology and Venereology of the National Board of Medical Examinations, New Delhi. Others with foreign degrees or diplomas or equivalent qualifications should have their qualifications recognized by the MCI or an equivalent organization of the Government of India to become eligible. However, in the states of Andhra Pradesh, Tamil Nadu and Pondicherry (where presently only a combined degree or diploma in Dermatology, Venereology and Leprosy is awarded), those who had acquired a postgraduate qualification (a degree or a diploma) in the specialties of Dermatology or Venereology or Leprosy will continue to be eligible to become life members of the Association.

Eligibility for life membership for those with diploma in non MCI recognized courses of dermatology: As matter is sub-judies the proposal was not passed.

Dr.Umashankar brought the issue of criteria for ALM. He questioned about existing criteria where applicant need not have the degree recognized in MCI as this may encourage for more quackery. However, GB wished to have other specialist of other specialites such as pathology, Microbiology, genetics etc working in association with / in the field of dermatology to be still continued to have as ALMs, if they are genuine. However, GB agreed in future that the term Associate members to be used instead of Associate Life Members.

#### Proposal No 5:

Name of the proposer – Dr T S Nagesh(LM/KN/5760),Dr Savitha A S(LM/KN/5761),Dr Anoop T V(LM/K/4897),Dr Shilpa K(LM/KN/7647),Dr Dinesh Kumar Devraj(LM/TN/5354),Dr Sneha M(LM/KN/8097)

Proposal: We can avoid having chair persons during the DERMACON sessions except for the Orations.

Not passed

#### Proposal No.6:

Name of proposer/s : Dr. D. Dinesh Kumar(LM/TN/ 5354)CC member,Dr. Jayakar Thomas (LM/TN/1868),Dr. Parimalam Kumar(LM/TN/1906), Dr. U. R. Dhanalakshmi(LM/TN/1987), Dr. Renuka Ramakrishnan(LM/TN/4257), Dr. M. Amudha(LM/TN/2192)

To modify or replace the existing clause.: Page no. 13 to 16; Clause No. 11 a [i and iii]

Proposal:

In concordance with the existing IADVL Constitutional rules for State branches, We appeal that for city chapters too, the following are visibly and explicitly included in the appropriate section [Clause 11] for better clarity.

1. In order to achieve the objectives of the Association, Chapters may be formed in various areas of State, if they are not already in place There shall not be more than one chapter in one city
2. If there can be more than one chapter in the same city, the following should be clearly and unambiguously mentioned  
What should be the topographic boundary of a Chapter  
Who should be the member[s]/office bearer[s] of the Chapter  
What should be the supportive document to enrol for membership in a chapter
3. Re- naming of Derma Club as a City Chapter can be done if there is no City Chapter already existing in place in the same topography.

Proposal was passed on the condition that second one merges with the first and named after the first. However, a reference to the Tamil Nadu constitution is also needed for its implementation.

#### Proposal No.7:

Name of Proposer/s: Dr. Santa Ghosh [LM/WB/3482],Dr. Sudip Das [LM/WB/3322],Dr. Satyendra Nath Chowdhury [LM/WB/2524],Dr. Sumit Sen [LM/WB/2519],Dr. Arun Achar [LM/WB/2806],Dr. Arghyaprasun Ghosh [LM/WB/2536]

Proposal:

DVL Welfare Trust should not be a criteria for Best Branch Award & Election procedure.

Not passed as this was to encourage states to implement IADVL activity. However, GB directed three secretaries who form the committee to decide the best state branch award will recommend action and take final decision on this matter.

**Proposal No.9:**

Name of proposer/s: Dr. Santa Ghosh [LM/WB/3482], Dr. Sudip Das [LM/WB/3322], Dr. Satyendra Nath Chowdhury [LM/WB/2524], Dr. Sumit Sen [LM/WB/2519], Dr. Arun Achar [LM/WB/2806], Dr. Arghyaprasun Ghosh [LM/WB/2536]

Proposal:

For Conversion from PLM to LM period should be increase from 5 years to 7 years because in our state 3 years obtaining M D degree, another 3 years is locking period & 1 year is Handling Period.

Proposal passed. However, Dr. Umashankar N suggested that this can be applicable only for the states which provide Government Order stating about the mandatory locking period on the case to case basis of the state.

**Proposal No.10:**

Name of proposers: Brig Rajesh Verma (CC member- LM/C/2651), Lt Gen RS Grewal (President AFDG- LM/C/2613), VSM, Col Biju Vasudevan (LM/C/5377), Lt Col ShekharNeema (LM/M/7479), SqnLdrDebdeepMitra (LM/C/6523), Maj Ruby Venugopal (LM/C/7961)

Proposal

It is proposed that the following privileges for the Armed Forces Dermatology Group dermatologists be minuted and entered in the Constitution so that no inconvenience occurs to both the Armed Forces Dermatologists and IADVL who have to turn back to various anecdotes to get these privileges.

1. Spot registration for DERMACONS at initial rates
2. 2 CC members along with President and Secretary AFDG to get privileges as CC members at CC meets
3. One member from AFDG be part of Central Supervisory Committee for DERMACONS
4. Privilege granted is 1 nominee for best teacher award

Proposal on spot registration for DERMACONS at initial rates, One member from AFDG be part of Central Supervisory Committee for DERMACONS OR MIDDERMICON which ever is relevant and privilege granted is 1 nominee for best teacher award were passed

It is both the President and secretary who will attend CC meeting. If one of them cannot attend then one CC MEMBER can be nominated in place of them.

 Dr. T.V. Narasimha Rao, Vice President  
 Dr. P Sailaja, Vice President  
 Dr. S ManikyaLatha, Joint Secretary  
 Dr. K. Anuradha, Joint Secretary

Radio talks  
 Print media articles  
 Interviews in print and electronic media

## Common questions asked were,

Is leprosy still a problem?  
 Where do we get free medicines?  
 Are all white patches leprosy?  
 Vitiligo and Leprosy related?  
 Is it curable?  
 Can we live with the patient in the same house?  
 Does everyone get their hands mutilated?

## Lessons learned

We need to bring awareness on Leprosy  
 It is time to reduce the gap between dermatologists and community  
 More surveillance is needed to identify early lesions.  
 Uncommon presentations need to be identified for effective treatment.

## Future plans

To reach children in schools to identify early Leprosy lesions and treat effectively  
 To train school teachers in identifying the patches for referral  
 Collaborate with District Leprosy Office for effective initiatives and IEC material.  
 To collaborate with NGOs and service organizations for better follow up

About 150 delegates were attended with good scientific interaction. For post graduates one separate session was allotted for case presentation from all medical colleges to encourage and sensitize in the field of leprosy. The scientific content of CME was well appreciated by chief guest (Dr.P.Narasimha Rao) and guest of honors(GMC principal and superintendent) and all senior faculty.

On Anti leprosy day 30-1-19 - Created Awareness to medical students, leprosy patients and general public on leprosy disease in the form of –

Leprosy is not a curse, it is caused by lepra bacilli of bacterial micro organism

If any hypo pigmented anesthetic patches or any palsies like wrist drop/foot drop or any reactions or trophic ulcers-please consult skin specialist to rule out leprosy.

6. Launching of theme IADVL 2019 on International women's day 8.3.19.

If patches are symptomatic/milky white/present since birth/associated with scaling/hyper pigmented - Most probably Leprosy is unlikely.

Complete cure of the disease possible with total and complete course of MDT.

Early diagnosis and treatment will prevent complications like deformities and disabilities which are associated with social stigma in the community.

Lepra reactions are part and parcel of the disease (Not the adverse cutaneous drug reactions), MDT should not be stopped.

Lepra reactions (Type 1 and 2) are medical emergencies; we have to consult doctor without delay for treatment to avoid complications.

Reassurance and moral support from the family, early diagnosis and treatment by the doctor – Keeps the complications and stigma away from the patients as well as society.

#### IADVL Scholarships

##### DERMACON International 2019

For DERMACON INTERNATIONAL 2019 held at Bengaluru from 17<sup>th</sup> to 20<sup>th</sup> January 2019- we received a total of 124 applications: 99 PLMs, 14 LMs < 35 years & 8 LMs > 35 years. The applications were evaluated by independent judges and the results were declared by 31/12/18. Since the number of LMs in both categories were less than the total scholarships to be disbursed, the number of PLMs receiving the scholarships was increased to 77 after AGBM approval. Therefore, a total of 99 eligible candidates (77 PLM, 14 LM < 35 years, 8 LM > 35 years) were awarded the scholarship based on merit. Each scholarship carries a sum of Rs. 15,000/- along with a Scholarship award certificate from IADVL was disbursed on completion of the conference, on submission of the participation and presentation certificates. Academy has sent 94 Scholarships as on 15.03.19.

## WORLD CONGRESS OF DERMATOLOGY 2019

30 scholarships of Rs 50,000/- each were announced for IADVL members (10 each to LMs >35 yrs, LMs <35 yrs and PLMs), who were presenting their research work at the WORLD CONGRESS OF DERMATOLOGY, 2019 to be held at Milan, Italy from 10th to 15th June, 2019. The application for this scholarship was entirely online and the application submission was open online from 10th December 2018 and the last date for submission was 20th February 2019. Thirty nine applications were received: 9 PLMs, 12 LM<35 Years & 18 LM > 35 years. Since the number of applications for both the LM categories was more than the total number of scholarships to be disbursed these have been sent to independent reviewers to finalize the list of candidates who will be receiving the scholarships. The selected candidates have been asked to confirm their acceptance of the scholarship and give an undertaking that they are not receiving grant from any other source. The grant will be disbursed on submission of participation & presentation certificates by the candidate after completion of conference. E-certificates for the same will also be given.

## MIDDERMACON 2019 and DERMACON 2020

30 scholarships for MIDDERMACON and 99 for DERMACON 2020 (Rs 15,000/- each) were approved by General body at Bengaluru.

## SARCD 2019 (Pokhara, Nepal)

30 scholarships for Rs 30,000 were approved by General body at Bengaluru.

## *REPORT OF IADVL COMMITTEES*

### **IADVL COMMUNITY DERMATOLOGY COMMITTEE:**

IADVL national executive committee and AGBM decided to form Community dermatology committee for 2019 under the chairmanship of Brig Dr Sanjeev Vaishampayan and convenorship of Dr Pankaj Tiwary and Dr Rashmikant Shah. A total of 28 members representing almost all part of the country were included in the committee and Dr Balasubramnian was appointed as EC coordinator.

A whatsapp group was formed for smooth functioning and proper discussion among the members. Dr Vaishampayan made a comprehensive roadmap for the coming year with main aim on skin health and awareness, awareness about topical steroid misuse and efforts to remove the social stigmas associated with certain skin diseases. Dr Pankaj tiwary suggested that general practitioners and rural practitioners should be an important target because they tackle more number of skin ailments than specialists. An action plan at two levels - national and state was planned. It was also suggested that social organizations be incorporated to achieve desired effects at grass root level.

It was also suggested to observe all the official days (related with Skin) with massive drive for public awareness. Dr Mahesh C from Bengaluru , Dr Shri Biju from Kerala , Dr Rakesh Bharti from Amritsar also sent a module for public Counselling. President Dr P Narshimha Rao, Dr Shyam Verma , Dr Narendra Kamat, Dr K E Mukudam, Dr Abhishek Bhardwaj and convener Dr Rashmikant took part in deliberations to finalise about the road – map and presentation.

Dr Vaishampayan and Dr Rashmikant attended the EC meeting of IADVL committees on 25<sup>th</sup> February at New Delhi, IADVL headquarters and presented roadmap which was accepted by all. A Corp Committee to implement Theme of the year 2019 was formed by EC – for better communication amongst 6 important Committees.

It was decided that first large scale campaign will be conducted on the eve of 8th march, Women’s day and it was celebrated with great zeal and enthusiasm by all members country wide.

Members of Committee - Dr Deepak Mohana from Indore did a massive awareness program at Girls College. Dr Ashok Nagure gave a talk on local tv channel regarding women’s awareness. Dr Harini T gave talk in govt Degree College and nursing college of her area with very good participation. Chairman Dr Sanjeev gave a talk on IADVL theme at index medical college while Dr Vikash celebrated the women’s day with students of NIFT Patna. Dr Mukudam sent pictures of different senior dermatologist educating the girl students in different parts of Maharashtra state. Dr Amit Madan gave a talk on allergies among physicians of Lucknow. Dr Vivek kumar too from Lucknow conducted a leprosy detection and skin awareness camp on 7<sup>th</sup> march which has a good coverage in local newspapers. Dr Narendra Kamat gave a talk on local FM radio.

A large number of awareness lectures cum demonstration were held in AP – Telangana under stewardship of our President and Dr Bhumesh Kumar. Similar enthusiastic response was also seen in Karnatake, Tamilnadu, Orissa and many other states.

Chairperson and Conveners applauded the group members for their enthusiastic efforts and requested to maintain the temperament throughout the year.

- Dr. Sanjeev Vaishampayan, Chairperson  
- Dr.Pankaj Tiwari, Convener

-Dr. Putta Srinivas, Chairperson  
-Dr Rajesh Buddhadev, Convener

**ITATSA:**

One of the reasons for topical steroid abuse was the free availability of steroid creams on the chemist's counter. This was not illegal as topical steroids were not part of schedule H drugs. Due to constant efforts of ITATSA and because of our PIL in Delhi High court regarding topical steroid abuse, ultimately government has included all topical steroid molecules in schedule H and also modified the foot note of schedule H to include all topical steroid molecules in schedule H. Since 1<sup>st</sup> November 2018 all steroid molecules are included in schedule H. Now legally topical steroids cannot be sold without doctor's advice. Also pharmaceutical companies cannot advertise such creams because of their inclusion in schedule H. This will have a positive impact in Torque vs FDA writ petition case. Torque was advertising its cream UB Fair (containing fluocinolone, hydroquinone and Tretinoin) on print media and on television as fairness cream.. ITATSA had launched a complaint to FDA Maharashtra. FDA had investigated the case and had raided company's warehouses and sealed the stock of UB Fair and had issued notice to the company that it cannot continue the marketing as well as advertising of the cream. Company had applied in Mumbai High court for stay against FDA notice and has got interim stay. Hence company has continued advertising the cream in print media. IADVL Maharashtra, on behalf of National IADVL, had applied in the court to intervene in this case in the interest of our patients and the common man. Court has allowed IADVL as intervener in this case. In the next hearing we will inform court about the inclusion of steroid creams in schedule H and thus company may not get the stay in this case.

In the case of PIL in Delhi High court by IADVL, we had applied for amendment in the PIL. We have questioned the decision of the government to ban few FDCs claiming them as irrational but allowing many similar FDCs as rationale. Court has granted the application.

Our ITATSA committee member Dr.Vibhavari Nigale had come across few patients using a cream Faiza beauty cream. The cream is manufactured in Pakistan and is available in online shops like Amazon and Flipkart. She and her associate doctor had a strong suspect that the cream must be having steroids. Company had claimed that it contains Kojic acid, Vit A,E , B3 zinc oxide etc. She got it tested from local laboratory but it came negative. But patients using it were showing adverse effects of topical steroids. Hence she again got it tested from KEM hospital, Mumbai laboratory. There it came positive for dexamethasone. After getting the report a complaint was launched to FDA Maharashtra by Itatsa convener Dr.Kiran Nabar and ITATSA committee member Dr.Vibhavari Nigale. FDA has now raided many places in Maharashtra and has collected the samples. It is our humble request to IADVL members to be vigilant and if there is any suspect of having steroid in any herbal or cosmetic cream, to get it tested from reputed lab or kindly let us know about such suspicious product.

On Women day, Friday 8<sup>th</sup> March Dr.Kiran Nabar, convener ITATSA gave lecture on topical steroid abuse to high school boys and girls, in Revdanda, Raigad, Maharashtra. Dr.Vibhavari Nigale, member ITATSA committee, also gave lecture on topical steroid abuse to high school students in Goregaon, Mumbai. Dr.Atul Kochhar, member ITATSA committee. On 19<sup>th</sup> February 2019 ITATSA committee member Dr.Atul Kochhar along with Dr.Poonam Puri appeared on National DD television for half an hour interview on "Changing season and Skin". There also he spoke on topical steroid abuse and irrational FDCs. He also mentioned about our movement against topical steroid abuse. Our ITATSA chairman Dr.Shyam Verma spoke on scenario of topical steroid abuse in India, at AAD conference, held in the first week of March 2019 at Washington DC. Dr.Koushik Lahiri, Ex Chairman ITATSA gave lecture on Topical Steroid Abuse to GPs in Kolkata on the occasion of Women day.

The 6<sup>th</sup> volume of Residream is due for July, 2019, and the new, talented, dedicated editorial board is already prepping up the next issue.
- **Resident connect session** – An interactive session for residents was held at Dermacon International on 18<sup>th</sup> January, 2019 on topics ranging from, Experiences during residency - Dr. Saloni Katoch, Importance of publications during residency - Dr. Anupam Das, to Post residency fellowship and mentorship experiences - Dr. Amit Kerure and Dr. Surajit Gorai. The session was aimed at helping current residents navigate their way through residency and have a wonderful insight into life post residency. This session turned out to be a success, as it was house-full and it was indeed very knowledgeable.
- **IADVL YUVADERMA**, state branches of residents, which was initiated as a pilot project in Karnataka, and has been a big hit in Karnataka and New Delhi.

This year's new initiative is to start YUVADERMA in different other states of India, as it was before in Tamil Nadu, Bihar, Delhi & Karnataka. National Resident Connect Committee is doing its best to get all the states together to strengthen the voice of residents, and create a platform, to reveal their hidden talent.

There is a plan on starting a whatsapp messenger group with all the state Chairpersons, Conveners, Associate Editors, National Zonal Coordinators, along with the National Advisor, National Convener and respected Honorary Secretary General, IADVL for building a better connection and to plan out for something better.

"It's not about ideas, its about making ideas happen", this is what we believe at Resident Connect Committee. We stand strong and will strive harder to make all resident students of IADVL, come together, stay connected, share knowledge, learn from each other, and make the future of IADVL much stronger and more radiant.

- Dr. Umashankar Nagaraju, Chairperson
- Dr. Preethi Nayak, Convener

The Returning officer will declare the final list after verification by 10<sup>th</sup> December 2019. If there is more than one application for any post/venue, then election by voting by secret ballot will be arranged during DERMICON 2020 on the day of the CME from 11 am to 2 pm. All eligible voters can cast their vote after verification of their membership and photo identity proof by the Returning Officer. The counting will begin immediately on conclusion of the voting process at 2 pm and the results will be announced in the closing AGBM. The entire process will be under the supervision of the Election Officer.**CODE OF CONDUCT:**

Individual members cannot use IADVL National or branch organs like e-groups, web forums, official whatsapp groups etc., for canvassing. They should not seek endorsement from State or Zonal branches.

1. Canvassing by any State branch or branches or by any group of IADVL members individually or collectively for any candidate shall not be permitted.

The biodata (not exceeding 200 words), photograph and declaration of conflict of interest of all candidates will be sent along with the election materials to all eligible voters. It will also be displayed on the IADVL e-portal, circulated through IADVL e-groups and printed in the IADVL Newsletter to be released in the IADVL CCM-2019 before members cast their vote. Contestants will be

provided a complete list of e voters.

Candidates for the post of IADVL President Elect (2020) will be invited to attend the IADVL CCM-2019 at their own expense and will be given an opportunity to address the CC members for 5 minutes each.

2. If anything in the biodata submitted by a contestant is proved to be false, that candidate's election will be declared null and void by the Election Officer. In that event, the candidate who had secured the next highest number of votes will be declared elected. In case there is no contest for the post, the election will be conducted in the concluding AGBM of the year 2019.
3. **Violation of Code of Conduct:** Any candidate violating the code of conduct will be subject to punishment as below:
  - a. *The matter will be referred to the Election Officer; this may be done either by the Returning Officer or by a candidate directly.*
  - b. *The Election Officer will take any of the below actions if the complaint is found to be valid, and after giving adequate opportunity to the candidate to explain:*
    - i. *issue a private warning letter if it is a first offence or a minor offence (in the opinion of the Election Officer);*
    - ii. *issue a public warning (announcements in IADVL e-groups and WhatsApp groups for a second offence or a larger offence (in the opinion of the Election Officer)*
    - iii. *disqualify the candidate for a third offence or a second larger offence (in the opinion of the Election Officer).*
  - c. *This procedure shall be completed within a period of ten days. The decision of the Election Officer is to be considered final and should not be discussed publicly. The disqualified candidate will have the right to appeal against the decision of the Election Officer to an Arbitration Committee, which shall be constituted by the President as per the provisions of the Constitution. The Arbitration Committee shall give its decision within one week and that decision will be final and binding. The candidate or any member on his behalf cannot raise the issue with the members in any of the IADVL e-groups.*

#### AS PER the AGBM RESOLUTION PASSED IN JANUARY 2018 IN KOCHI, THERE WILL ONLY BE E-VOTING

##### Part- I

Nominations are invited for following posts of National IADVL Executive Committee for 2020:

1. President Elect: 1 Post
2. Vice President: 2 Posts
3. Joint Secretary: 2 Posts

Life Members of IADVL intending to contest should complete nomination process online by midnight of 15<sup>th</sup> June 2019. **PART-II****BIDS INVITED FROM IADVL STATE BRANCHES TO HOST MIDDERMICON 2021**

Bids are invited from IADVL State Branches to host the 9<sup>th</sup> MIDDERMICON in 2021. Preference in the bids would be given to smaller cities of India. However, if no suitable bid is received from such smaller cities, it can be allotted to any city.

**When held:** Ideally in August 2021

**How to bid for MIDDERMICON 2021:** Application of bids to hold the 9<sup>th</sup> MIDDERMICON 2021 should reach the IADVL Honorary Secretary General by 15<sup>th</sup> June 2019. The eligible bids would be included in the e-voting form for nationwide voting for deciding the venue. The bid should mention the venue, names of Organizing Secretary, Organizing Chairperson and Scientific Chairperson. Each bid should be endorsed by the Executive Committee of the respective IADVL State Branch.

**Guidelines of conduct of MIDDERMICON 2021:**

1. Duration: Two consecutive days (a Saturday and Sunday).
2. Saturday: First day CME on topics of Clinical Dermatology. SIG groups will be involved. A parallel workshop can be organized.
3. Sunday: Second day of conference. The local scientific team will be the main planner of the scientific program. The IADVL Academy of Dermatology and Special Interest Groups (SIGs) would coordinate and help the local scientific team in its implementation.

**On winning the bid, the organizers of MIDDERMICON 2021 should sign a memorandum of understanding with the national IADVL to accept rules in financial matters and conduct of MIDDERMICON 2021.**

The winner of the bid would be announced/decided during the opening year AGBM at DERMACON 2020.

## *IADVL SKIN SAFAR RATH*

An ambitious pan-India public outreach project Skin Safar Rath was initiated by Dr Ramesh Bhat, President, IADVL 2018. The objective of Skin Safar Rath was to create awareness amongst the general Indian public about skin diseases, their treatment, accessibility to the treatment centres, dispelling associated myths.

The Rath was flagged off at a Press Conference at Press Club of India on 21<sup>st</sup> December 2018. Skin Safar Rath involved journey of a giant LED screen mounted on a truck, traversing almost the whole of India. State IADVL branches distributed patient education leaflets in Hindi, English & regional languages to the public. Educational videos were displayed at all stop overs which included public places like Bus stations, Railway stations, Schools, Colleges, Medical Colleges & Hospitals, Places of worship. (Videos on common skin conditions, basic skin, hair & nail care, promoting rational usage of medicines/steroids, awareness on quackery, and to dispel myths associated with leprosy & vitiligo). Awareness talks, Q & A sessions by local dermatologists to clarify public's doubts & to dispel the myths associated with skin diseases were also organised. Street plays, skits, nukkar natak by medical students, nursing staff & students, walkathons, cycle rallies, motorcycle rallies were also organised. The Rath also saw engagement with local government officials Eg: State Health Minister of Gujarat participated in the Rath activity in Surat, Gujarat.

The major cities covered were: New Delhi, Gurgaon, Karnal, Sonapat, Jaipur, Ajmer, Udaipur, Gandhinagar, Ahmedabad, Vadodara, Surat, Vapi, Silvassa, Mumbai, Navi Mumbai, Pune, Satara, Ponda, Margao, Belgaum, Hubli, Manipal, Udipi, Surathkal, Mangalore, Calicut, Tirurangadi, Kottakal, Malappuram, Manjeri, Mysore, Chennai, Guntur, Vijayawada, Hyderabad, Vishakhapatnam, Berhampur, Cuttack, Bhubaneswar, Jamshedpur, Ranchi, Kolkatta, Guwahati, Kishanganj, Patna, Varanasi, Lucknow, Jhansi, Gwalior, Morena, Agra, Noida.
