15. Membership form (Each one, bring one).....	65

FROM THE DESK OF THE PRESIDENT

Dear Colleagues,

First of all let me thank for the overwhelming response to our first news letter, i.e. 'IADVL NEWS', Vol. 2 Issue 1, April 2006. For this I appreciate the efforts of our youthful, energetic and pulsatile Hon. Gen. Secretary, Dr. Koushik Lahiri.

In the Executive Committee meet, i.e. EC MIDERMAMEET 2006 at Rajkot, fruitful discussion was carried out with lot of inputs. For successful organization of the same, I am thankful to esteemed dermatologists of Rajkot. I also thank Dr. Reddys' laboratories for participating actively and comprehensively.

Although the details of the Presidential Program are nicely incorporated in the secretary's report, but still I am highlighting some of the points.

Our revamped website www.iadvl.org is ready now. You can surf and you will find it reflects the total activity of the Association. Any latest happening of the IADVL, important news, and conference calendars will be available on it. It has become more interactive for the members. I am very much thankful to all our members of the Website Committee for executing this excellent task. I cannot forget to thank Mr. Amit Bhowmik of dnetdesign and P & G, for sponsoring this website revamping project.

Long awaited Updated Constitution will be in your hands very soon. Updating a constitution is a Herculean task. I am very much thankful, on behalf of the Association, for carrying out such a task in a very short span of time. Dr. K. Siddapa, Chairperson of the Constitution Committee, and other members of the Committee Dr. R. G. Valia, Dr. R. P. Okhandiar, Dr. D. K. Gupta, Dr. K. K. Rajababu and Dr. Amar Kant Jha Amar have completed this task successfully.

I am also sincerely thankful to Dr. S. Sacchidanand, and our Hon. Gen Secretary, Dr. Koushik Lahiri and Dr. Arijit Coondoo, Dr. Ameet Valia for all the kind of help extended by them.

Different fellowship programs for the young dermatologists are planned. New centers for IADVL training fellowship have been scrutinized by the Academic Committee Chairman Dr. Jayakar Thomas and we are in the process of implementation. Scholarship program for the WCD have already been advertised in IJDVL. I hope more and more dermatologists apply for participation.

IADVL-BAD Exchange programs for the young dermatologists is under pipeline.

July month will be observed as the MCI issue month. I am thankful to all the State Branches for taking keen interest in this important issue.

It is important to point out that from this year a new committee named, FINANCE COMMITTEE is formed. The committee is busy with the matters relating to financial disciplines and expenditure and also budgetary matters. I am thankful to the committee members for rendering their services.

Other Committees are also working very hard for developing new programs and adding new dimensions to IADVL. I am very much thankful to the members of the various Committees.

I am also grateful to our Past Presidents Dr. R.G. Valia, Dr. A.K. Bajaj and Dr. Rajababu for helping me in Issue related to Dermacon-2008 for being observers during the MP State EGBM at Indore.

In taking policy level decisions for the any problems, Dr. V. P. Kuriyipe, Immediate Past President, President Elect Dr. Chetan Oberai, Treasurer Dr. Arijit Coondoo, and all other Executive Committee Members are always helping. I extend my heartiest sense of gratitude to all of them.

I am sure IADVL NEWS will answer all your queries related to IADVL. However constructive comments, criticism and healthy suggestions are welcome. We intend to take IADVL to such honourable heights that the globe will like to imitate.

I welcome you all at CC MIDERMAMEET and GB meeting at Raomoji City, Hyderabad. Hope, you will enjoy and also give your valuable feedback in the meeting.

Long live IADVL!

Suresh Joshipura

Dr. Suresh P. Joshipura (LMNO. G/409)
President, IADVL, 2006.

MESSAGE FROM PRESIDENT ELECT (2006)

Half of the tenure has already passed after the commencement of the new IADVL team, which incorporated many pleasant as well as few bitter moments.

Let me express thanks to all the members and office bearers of the MP State branch for solving the problem amicably. Now, IADVL Extraordinary GB will select the new venue for the National conference of 2008.

A number of very important projects are successfully going to be completed very soon. IADVL website project is one of them. I value the efforts made by the website committee for completion in a very short time. IADVL GSK national quiz program had started last year and it has taken the momentum with a totally different outlook. Surely it's a feather in the cap of IADVL. I am sure that our young dermatologists will definitely be benefited. I know Constitution update is a very thorny task, but under the Chairmanship of Dr. K. Siddapa and active involvement by Dr. R. G. Valia and all other members, it is efficiently accomplished.

I am glad to know that as compared to last year, a number of young dermatologists have applied for the AAD fellowship. Of course, only a few of them will go through, but my congratulation is for all of them who applied.

I should be failing in my duty if I do not record my words of appreciation for the President Dr. Suresh Joshipura and the Honorary General Secretary Dr. Koushik Lahiri and their wonderful team of IADVL Executives. They continue to make us proud with their devoted and sincere works for IADVL.

Long live IADVL,

Dr. Chetan Oberai (LM/M/677)
President Elect-2006.

THE SECRETARY SPEAKS

Dear members,

With the help, support and co-operation of all of you we are moving ahead with more and more of activities with each passing day.

Today IADVL secretariat is buzzing with multifarious activities and the picture was nothing different in past few months. It has become a truly 365X24X7 association.

It really is a pleasure to work with a supportive, tireless and experienced President like Dr. Suresh P. Joshipura.

Dr. Arijit Coondoo, the Honorary treasurer is always there with me as the real friend, philosopher and guide.

I really am thankful for all the invaluable inputs from the National Executives and the State Executives who are really contributing a lot in nurturing and shaping IADVL into a vibrant, dynamic and sensitive organization.

Respected seniors and past Presidents are always a source of sustenance for me.

I owe a lot to each one of you.

We need to have your feedback to refine all our efforts and define the future of IADVL.

Come let's join hands together...

Long live IADVL

Dr. Koushik Lahiri(LM/WB/2503)

Honorary General Secretary

IADVL, National Executive

TREASURER'S NOTE

It is always difficult to follow in the footsteps of a very efficient person. During the last few months since I have assumed the charge of Treasurer I have tried to emulate my illustrious predecessor as far as possible. As reported earlier the funds of IADVL have been transferred from Bangalore to Kolkata with no loss to IADVL in the form of bank charges.

As per the proposal of Dr. SDN Gupta which was passed at the Midermameet at Hyderabad in July 2005 and by the General Body at Dermacon 2006, a two tier system of auditing has been introduced from this year. The internal audit will be conducted by the auditor at Kolkata and the auditor at Bangalore will audit and submit the Income Tax returns at Bangalore. This will have the desirable effect of making our Accounts absolutely transparent. To provide a further cushioning effect, we have made an arrangement whereby our auditor at Kolkata will go through our accounts every 3 months without taking any extra remuneration.

As reported by Dr. SDN Gupta in his earlier reports, the funds of IADVL can now be judiciously used for newer academic activities. However, unless we earmark some part of our funds and income for academic purpose they might be used up for unexpected purposes. In this context, I would like to inform our members that the Association had to spend about Rs 50,000 to send three observers to Indore for the Madhya Pradesh Branch General Body meeting on May 28, to resolve the crisis regarding the Bhopal bid for Dermacon 2008. Such avoidable expenditure will definitely eat into our hard-earned funds.

In the last few months IADVL has been taken long strides under the stewardship of our President, Dr. Suresh P Joshipura and our Honorary Secretary, Dr. Koushik Lahiri. I am sure that at the CC Midermameet at Hyderabad fruitful discussions will be held and the important decisions taken, including those on financial matters, will go a long way in strengthening IADVL.

Long live IADVL.

Arijit Coondoo (LM/WB/2364)

Honorary Treasurer
IADVL, National Executive

SECRETARY'S MIDTERM REPORT

Dear members,

With your love, support and good wishes I have been able to tide over the first six months of my term as the Honorary General Secretary of this great Association.

Each one of these days was different from each other. It was a learning phase for me. And you, my beloved members, were my teachers.

I can mention a few important achievements in last few months

- **EC MIDERMAMEET 2006** in Rajkot was very successful in streamlining the policy matters related to IADVL. The details of this important meeting have been published in this issue of IADVL NEWS.
- **Membership drive** is on an all time high. I started enrolling from life members from 4241. After that within last 5 months we have been able to enroll more than 120 life members and another 120 Associate members. This was possible only because of active support of various state secretaries. A membership form has been attached to this issue of IADVL. **My appeal that every member they try to enroll at least one member each. Our motto is 'Each one, bring one.'**
- We are following a relentless and continuous process of **updating members address**. In last few months more than 200 members' addresses have been updated and the process is on.
- A **membership card** has been issued to all the life members. I acknowledge M/S Ajanta Pharma's support for this.
- The long awaited updated **IADVL constitution** has been released. The constitution update committee members under the leadership of Dr. K. Siddappa and with active participation of senior members like Dr. R.G. Valia have done a great job and for that ultimately we could bring out the updated version of the constitution. We cannot forget our friend Palsons Drugs contribution in supporting this very important and prestigious project of IADVL. Along with that the members will receive an **IADVL car sticker**.
- You have a **new website now**. www.iadvl.org. I sincerely thank all the members of the IADVL Website committee for that. You can now obtain all the necessary information you need about IADVL and more by click of a mouse. You will get information about forthcoming awards, prizes, scholarships, fellowships, any IADVL event, conferences, workshops etc. You can search the whole IADVL Directory online. Even you can read the constitution online. Please join us on the web and enjoy the healthy growth IADVL is enjoying. The more you use the site the better. This is a step in fulfilling our dream of establishing a highly efficient and modernized system to manage the administrative aspects. We are trying to inspire and encourage all the branches and the members to develop an Internet based interaction system with the National office to ensure rapid and effective administration of the association.
- We have been able to re-establish our links with **International league of Dermatological societies**. We will inform the members as situation unfolds.
- We have been successful in rolling out several scholarships and fellowships for our younger colleagues. Like previous years we continue to have **AAD fellowship**. This year we could add **WCD/ILDS fellowship** (details inside). Some more are in the offing.
- **IADVL Training fellowship** is continuing, we have added some more centers. You will get all the details in this issue.
- IADVL is deeply committed in its ongoing endeavor to give dermatology its due recognition. With the help of the state branches we have observed **MCI Issue month** in July. IADVL executives have met important persons, MCI council members, vice-chancellors to sensitize them to the cause of Dermatology and importance of such a vital and composite discipline.
- **Vitiligo day, HIV Day, Leprosy Day, IADVL Day**, IADVL has taken some measures to increase public awareness about skin diseases by mass campaign. Observing different days are steps in that direction.
 - **'Vitiligo day'** -As per the resolution of closing year 2005 AGBM it was finally decided in Rajkot EC that from now on IADVL will observe "**Vitiligo day**" every year on **19th May**. With or without the help of pharmaceutical companies IADVL will launch a media campaign, organize lectures, meet the public, organize free medical camps etc to do away with the stigma and unscientific ropaganda. This can also be done at the individual level but from next year 2007 each state branch will be in charge of organizing the campaign.
 - Every year **IADVL will also observe Leprosy day on 30th January, HIV and AIDS day on 1st December** to establish the composite nature of our discipline and sensitize common people and different Government/non government agencies about the paramount importance of our subjects.
 - IADVL was established in the present form in Uadipur **on 28th January 1973**
It has been decided to observe IADVL day on 28th January every year.
- Matters related to the proposed **IADVL Academy/Academic council and special interest groups** had been accepted in principle in the AGBM of concluding year 2005 and Dr. Arun Inamadar, Vice-President, IADVL had been entrusted with the responsibility to frame a detailed structured guideline to be presented for discussion in EC MIDERMAMEET and CC MIDERMAMEET. Dr. Inamadar has prepared an exhaustive, detailed and structured draft proposal and presented in the EC MIDERMAMEET 2006. It was accepted in principle and was referred to the CC meeting for further discussion.

In the combined CCM and AGBM of 2006 at Hyderabad the proposal of IADVL MP Branch was accepted and accordingly it was approved that the **36th National conference (DERMACON 2008) will be held at Bhopal**. But even almost

three months after that **no name of the organizing Secretary** reached IADVL Secretariat officially. Only there were some conflicting statements of the present and immediate past office-bearers of M. P. State IADVL. On this backdrop President Dr. Suresh P. Joshipura requested IADVL, MP State branch to call an extraordinary GBM to solve the problem amicably. But due to the lack of consensus for the venue to hold the extraordinary GBM, **the MP branch failed to organize that Extraordinary GBM and informed the National Body accordingly.**

Then the matter was discussed and analyzed at length at the EC MIDERMAMEET 2006.

It was resolved that National IADVL will once again request MP state **to convene an extraordinary General Body Meeting of the IADVL, M.P. State branch with the express purpose of nominating an organizing secretary for the conference in 2008.**

It was also resolved to send a high level arbitration committee of three senior past Presidents of National IADVL at the proposed state EGBM. This is a part of sincere, continuous and ongoing endeavour on the part of National IADVL to help resolving the matter harmoniously to organize DERMACON 2008 in a decent, integrated and dignified manner. Also this was a measure of opportunity to MP State Branch to avoid any complaint on their part to resolve this unprecedented and undesirable constitutional crisis,

That meeting was held in Indore on 28th of April 2006. Following resolutions have been put to vote and approved amongst 40 members who attended the EGBM.

- a. House by majority vote decided **not to have an organizing secretary from Bhopal for DERMACON 2008**
- b. House unanimously approved to **withdraw their bid for Bhopal as the venue for DERMACON 2008.**

This was communicated to the National IADVL Secretariat officially.

In view of the fact that IADVL MP State branch has officially withdrawn its bid proposal to hold 36th National Conference of IADVL (DERMACON 2008) in Bhopal, an **extraordinary General Body Meeting** has to be convened as under with the agenda: **To select and to decide the Venue for 36th National Conference of IADVL (DERMACON 2008) and organizing Secretary from the proposed host city.**

- Needless to mention, the mutual support, cooperation and coordination between the National Secretariat and the state branches is of paramount importance to run the association smoothly with a definite and constructive commitment for excellence. The **meeting with the state Presidents and Secretaries** is an exercise in that direction. We are planning to continue with this in future as well.
- Our other projects like the very important IADVL-GSK National quiz, Faculty forum, drug formulary etc will continue with the same zeal and prestige as before.

On behalf of the Association and the National Executive for the year 2005, I welcome all the central council members for the CC MIDERMAMEET 2006 on 5th and 6th of August at Hyderabad, the midterm CC meeting of IADVL which is an ongoing process of continued and streamlined IADVL activity. I sincerely appreciate Dr. Reddy's Laboratories for extending all sorts of support and hospitality for the meeting.

Long live IADVL.

Dr. Koushik Lahiri (LM/WB/2503)
Honorary General Secretary
IADVL, National Executive

WELCOME TO DERMACON 2007

With great pleasure we invite you to attend DERMACON 2007, the 35th National Conference of the Indian Association of Dermatologists, Venereologists, and Leprologists (IADVL) in Chennai from 25th to 28th January 2007.

The IADVL Conference has become 'the scientific event' in our specialty when we from all over the country get together to learn about new advances and to exchange scientific ideas and experiences in a unique, solely-devoted atmosphere. Attendees of previous such meetings know what to expect: an attractive and diversified scientific program which offers a full spectrum of learning opportunities: from continuing medical education to presentations of the most recent advances, as well as presentations of new and original scientific research. Young investigators have the opportunity to compete for several awards/prizes/medals. A host of our colleagues from other parts of the world will be with us to share their academic experiences. The exciting venue, the Chennai Trade Centre, is a state-of-the-art structure of international standards, will add to the comfort of a luxurious surrounding for such an historic event.

The event is planned to be highly interactive and an excellent learning experience for all the delegates. International and nationally acclaimed faculty, all stalwarts in their fields of interest will be gracing the event. The main theme will be the latest in 'The Skin from within'. In addition to the academic excitement, Chennai will be at its very best in the month of January. We have ensured that it is not a case of "all work and no play". Cultural and social activities will keep the spouse and children engaged. So make sure you mark your calendars and do not miss this wonderful opportunity of updating and keeping abreast with the latest and best in this field. We once again extend a very warm and heartfelt welcome to all of you. Hoping to see you in Chennai in January 2007 and wishing your time with us is well spent.

- The Organizers _

DERMACON 2007

35th National Conference of Indian Association of Dermatologists, Venereologists and Leprologists
Chennai, 25th to 28th January 2007

Registration with late fee	30 th November 2006
Applying for Orations	31 st August 2006
Submission of Abstracts for Awards/Free papers & Posters	30 th September 2006

Confirmation and Receipt

A receipt and confirmation letter with registration number will be sent on receiving the registration form along with remittance. This receipt must be presented at the registration counter.

Spot Registration

Spot registration against cash payment only

Registration on 25th & 26th January 2007 will be between 8:00 am and 5:00 pm.

On 27th January 2007 it will be from 8:00 am to 12:00 noon only.

There will be no registration on 28th January, 2007.

Conference Kits cannot be guaranteed to spot registrants

As per resolutions passed in different IADVL AGBM in last few years [Vide minutes of combined CCM+GBM for the commencing year 2003 held during DERMACON 2003, (page 20, proposal no 25) and minutes of the closing years GBM (2004) and commencing years COMBINED CCM+GBM 2005 held during DERMACON 2005 (page no 18, proposal no 12(i)& (ii)),] henceforth the nomenclature of all IADVL conferences will be as below:

- IADVL National conferences: DERMACON (2003, 2004, 2005, 2006...)
- IADVL Zonal conferences: DERMAZONE (DERMAZONE-SOUTH-2006; DERMAZONE-EAST-2006 ... like that)
- IADVL State conference: CUTICON (CUTICON-GUJARAT-2006, CUTICON-WB-2006; CUTICON –UP-2006... like that)
 - "10th/18th or 12th State/Zonal/National conference of IADVL" will be mentioned in the next line.

As per these resolutions all concerned (State executives and future organizers of any IADVL conferences) are requested to implement these nomenclature at the State/Zonal/National level with immediate effect.

RESOLUTIONS OF THE NATIONAL EXECUTIVE COUNCIL MEETING OF IADVL

EC MIDERMAMEET 2006
At Rajkot, Gujarat on 30 April 2006

Venue: Hotel Imperial Palace

Time: 8.30 AM- 2.15 PM

Members Present:

IADVL National Executives

1. Dr. Suresh P. Joshipura, President
2. Dr. V P Kuriyiepe, Immediate Past President
3. Dr. Chetan Oberai, President Elect
4. Dr. Arun C Inamadar, Vice-President
5. Dr. Mohan Gupta, Vice-President
6. Dr. Koushik Lahiri, Honorary General Secretary
7. Dr. Arijit Coondoo, Honorary Treasurer
8. Dr. Sanjeev Handa, Honorary Joint General Secretary

Special Invitees

1. Dr. S. Sacchidanand, Immediate Past Honorary General Secretary
2. Dr. S D N Guptha, Immediate Past Honorary Treasurer
3. Dr. R G Valia, Senior Past President and senior member of IADVL Constitution committee
4. Dr. Rui J. Fernandez, Immediate to immediate Past President
5. Dr. AK Bajaj, Senior Past President
6. Dr. Jayakar Thomas, Senior Past President and Organizing Chairperson, DERMACON 2007
7. Dr. K K Raja Babu, Senior Past President
8. Dr. Amit Valia, Associate Editor IJDVL and IADVL Text Book
9. Dr. Sangeeta Amladi, Associate Editor IJDVL
10. Dr. Hemangi Jerajani, National Co-ordinator of IADVL-GSK quiz
11. Dr. Deepak Parikh, Past Honorary Secretary
12. Dr. Nitin Vora, EC Member, MCI
13. Dr. Janak Thakkar, Past Honorary Treasurer

Dr. Suresh P. Joshipura presided over the meeting and called the meeting to order.

One minute silence was observed as a mark of respect to the following departed Dermatologists:

- Dr. K S Sahodharan
- Dr. K Abdul Latheff
- Dr. S. R. Prabhakar
- Dr. H. N. Nandwani
- Dr. T K Mehta
- Dr. V D Parekh
- Dr. V. L. Rege
- Dr. Ranjit Kumar Panja

Dr. Suresh Joshipura in his opening remarks welcomed all the members to Rajkot and explained the purpose of the meeting in brief.

Discussion on the **Presidential program** was taken up one by one for review. Those were:

- a. MCI ISSUE and 'MCI issue' month including PG course updates and UG separate paper
 - b. Web site revamping project
 - c. Public awareness program on Vitiligo and other diseases, and observing 'Vitiligo day' and other days.
 - d. IADVL Fellowship programme including SAARC countries
 - e. Preview of preparation of book on ethical issues.
 - f. Liaison with NACO, progress report
 - g. Faculty forum, progress report
 - h. IADVL-GSK National Quiz programme. 2006
- a. **MCI ISSUE and 'MCI issue' month including PG course updates and UG separate paper**

Dr. V.P. Kuriyiepe started the discussion and informed about the work done in 2005.

Dr. Nitin Vohra outlined the situation in relation to MCI and stressed on the need on continuous and systematic pressure on MCI regarding introduction of a separate undergraduate paper on Dermatology and uniform and updated post graduate course in Dermatology across the country.

Dr. Jayakar Thomas, Dr. Sangeeta Amladi, Dr. Hemangi Jerajani, Dr. Deepak Parikh, Dr. Sanjeev Handa, Dr. Rui Fernandez, Dr. R.G. Valia and Dr. Sacchidanand discussed the matter in detail along with Dr. Joshipura and Dr. Koushik Lahiri.

Dr. Jayakar Thomas stressed the need of observing Dermatology week to sensitize concerned authorities in Government and MCI.

Dr. Sangeeta Amladi highlighted the need of a uniform PG curriculum with specification (no. of faculty/units etc) of PG teaching departments, uniform nomenclature of PG qualification and need of making rotating internship compulsory and the UG level.

Dr. Hema Jerajani expressed her concern about very less number of PG trainees per year and uniformity of syllabus.

Dr. Joshipura suggested involving IADVL Faculty forum about this.

Dr. Koushik Lahiri wanted to know how much progress was made after last year EC regarding these matters. Reminded all about the recommendations of IADVL Academic Council headed by Dr. Jayakar Thomas in 2005 and opined that IADVL should continue to work to sensitize different agencies in Government and create awareness about the subject,

(which comprises of 25% of all Medical ailments) among common people to reach the final goal of giving Dermatology its due status and importance both in UG and PG level.

Dr. Sanjeev Handa opined for a better teacher student ratio and uniform course.

Dr. R.G. Valia reminded that Dermatology is mainly an OPD based subject. So number of OPD patients managed should come into consideration to ascertain its due importance

Dr. Sacchidanand informed the house that Psychiatrists are taking the same agenda very seriously and taking legal options.

Dr. Nitin put forward his remarks on these and observed that the nomenclature of qualifications recognized by MCI cannot change as those are recognized globally, as it is. Planning commission recommended against any more new Medical Colleges and courses

He reminded everybody that MCI is only a recommending body and final authority is with the Government.

Finally it was resolved that

- o **IADVL will observe MCI issue month in JULY.**
- o **IADVL, both at the National and State Levels will try to meet MCI Executive Council members and important persons concerned to sensitize them about the cause of Dermatology in July.**
- o **IADVL will try to get an appointment from the Union Minister of Health and Family Welfare to follow up the matter.**
- o **Dr. Nitin Vohra and Dr. V.K. Jain are requested to put the matters related to Dermatology in the agenda of MCI meeting.**

a. Web site revamping project

Dr. Koushik Lahiri apprised the members about

- Website Project proposal (already published in IADVL NEWS, Vol 2, Issue 1, Page 47-48)
- Three quotations as under:
 - i3 Brains solution, Ahmedabad- Rs. 1,05,000/-
 - FM Infomatic Solutions, Aligarh- Rs. 25,250/-
 - dnetdesign, Mumbai- Rs. 70,000/-
- Dr. Lahiri also informed the house that of these three, dnetdesign, Mumbai is the authorized and approved vendor by the sponsor P & G.
 - This will ensure quality and to minimize our responsibility.
 - Moreover, billing related matter won't be our headache as it will be settled between P & G and their approved vendor.
 - We would have the upper hand if we face any problem with service.
 - P & G has assured us about the capability and timeliness of dnetdesign.

He also communicated the conditions put forward by the IADVL-Website revamp committee:

- The site should be designed as per our specifications and not as per the sponsors.

- The secretary must get one-to-one with the website developer and tell him about our requirements and he should be willing to tow our line.
- The sponsors should be clearly informed that an alternative lower cost option exists, but to make it convenient for them, we are going along with their developer.
- Site update will be a continuous process, may be handled from Secretariat.
- Since he is the sponsors' man, the sponsors will have to ensure the quality of the final site and its regular maintenance.

Dr. Sacchidanand enquired if the site can be maintained by IADVL.

Dr. Lahiri reminded that General body has given its consent for the creation of website for our Association provided the association does not have to spend for it. It authorized the Honorary General Secretary to raise the necessary fund.

Dr. Chetan Oberai, Dr. Janak Thakkar, Dr. Ameet Valia, Dr. Deepak Parikh, Dr. Arijit Coondoo and Dr. S DN Guptha took part in discussion and finally considering all the pros and cons it was resolved as below: **dnetdesign of Mumbai will be entrusted to revamp the website of IADVL. It was also resolved to have a formal contract between P&G and IADVL about this project.**

b. Public awareness program on Vitiligo and other diseases, and observing 'Vitiligo day' and other days.

Dr. Sacchidanand expressed his concern about unethical and unscientific propaganda by quacks and so called homeopaths in this regard and proposed that through continuous public awareness program IADVL can counter this.

Dr. Rui Fernandez, Dr. Arijit Coondoo, Dr. Sangeeta Amladi and Dr. Nitin Vohra took part in discussion.

Dr. R.G.Valia and Dr. Ameet Valia explored the possibility of IADVL taking any legal action and opined that IADVL should have a legal cell to deal with these types of issues.

Dr. Sacchidanand opines to assign the job to some committee.

Dr. Joshipura informed the members that Dr. Raghunandan Torsekar committee has already started preparing materials for development of resources for academic/clinical and public awareness material.

Dr. Koushik Lahiri observed that we already have **HIV day on 1st Dec, Leprosy day on 30th January.**

We should also have a VITILIGO DAY. This proposal of Dr. Venkatram Mysore was already passed in the AGBM of concluding year 2005 at Hyderabad (Vide IADVL NEWS, Vol 1, Issue 1, and Page 32)

Dr. Lahiri proposed that we can observe **19th May as Vitiligo day** every year.

Incidentally on this day the legendary and internationally reputed worker on Vitiligo **Dr. Ajit Kumar Dutta** breathed his last in 2004. To commemorate that, he proposed all IADVL state branches will observe Vitiligo day every year on 19th May. He also informed the house that IADVL, WB will start observing Vitiligo day from 19th May this year.

Dr. Lahiri also proposed as IADVL was established in the present form in Uadipur on 28th January 1973

- IADVL day can be observed on 28th January every year

He suggested it can start from Chennai DERMACON 2007.

Dr. Jayakar Thomas agreed to do something without disturbing/diluting the planned scientific program of the conference.

Dr. Lahiri proposed that from now on every year IADVL state/city/town branches can observe:

- Vitiligo day-19th May
- HIV & AIDS day-1st December
- Leprosy day- 30th January

He proposed that this is a step to increase public awareness about skin diseases by mass campaign.

IADVL with or without the help of pharmaceutical companies will launch a media campaign, organize lectures, meet the public, organize free medical camps etc.

This can also be done at the individual level but from next year 2007 each state branch will be in charge of organizing the campaign.

After some discussion this proposal was accepted.

a. IADVL Fellowship programe including SAARC countries

The Chairperson of IADVL Academic committee Dr. Jayakar Thomas officially recommended the following centers for fellowship in addition to the existing centres based on applications that he has received.

1. Dr. Subrata Malakar, Director, Rita Skin Foundadtion,Kolkata
 - Dermato surgery,
 - Cosmetology
 - Pediatric Dermatology
2. Dr. V.J. Sebastian Criton, Prof and Head, Amala Institiute of Medical Sciences, Thrissur
 - Dermato surgery
 - Phototherapy and
 - Clinical Dermatology.
3. Dr. Jayakar Thomas, Kanci Kamakoti CHILDS Trust Hospital, Nungambakkam ,Chennai
 - Pediatric Dematology
4. Dr. B. Narasimha Rao, Asian Institute of Dermatology, Bangalore & M.G.M.Medical College, Aurungabad
 - Laser Surgery
 - Cosmetic Surgery
5. Dr. D.M. Thappa, Professor and HOD, Department of Dermatology, JIPMER, Pondichery
 - Clinical Dermatology
6. Dr. Rajesh Nair, Tiruvananthapuram, Kerala
 - Lasers
 - Ablative and non ablative surgery
 - Melanocytes transplant
7. Dr. Uday Khopkar, T.N. Medical College and B.Y.L. Charitable Hospital, Mumbai
 - Dermoscopy

Dr. Suresh Joshipura reminded that IADVL will scrutinize the centers based on feedback from the fellows. He also mentioned that now the stipend has been increased to Rs. 5000/- per fellow.

Dr. Chetan Oberai, Dr. Jerajani, Dr. Amladi, Dr. Sacchidanand, Dr. Fernandez, Dr. Kuriyipe, Dr. Coondoo, Dr. Handa, Dr. Bajaj debated and

discussed about various details about this program, quality assessment of the centers, evaluation by IADVL, redefining some rules and regulations etc.

The house accepted these additional centers.

SARAD exchange fellowship program.

Dr. K.K. Rajababu, President of SARAD outlined the fellowship program.

He proposed 4 dermatologists from each country will travel to other SAARC countries. i.e Nepal, Pakistan, Bangladesh and Pakistan. Travel expenses will be taken care of by the countries concerned and local accommodation by the selected Fellowship centers. He has also suggested to identify some centers of excellence from India.

Dr. Sacchidanand, SAARC Secretary General has requested for some budgetary allocation for this fellowship program.

The proposal was accepted in principle but various matters related to it will need some more discussion. Mechanisms of selection of centers, selection of candidates and period of fellowship all will have to be decided.

Dr. Joshipura, Dr. J. Thomas, Dr. Jerajani, Dr. Lahiri, Dr. Handa, Dr. Oberai, Dr. Amladi, Dr. Coondoo and Dr.S D N Guptha took part in discussion.

IADVL-BAD exchange program

In response to Dr. Joshipura's Presidential speech in Hyderabad during DERMACON 2006 recently there was some communication from his British Counterpart Dr. Robin Graham-Brown, the President of British Association of Dermatologists(BAD) regarding a probable exchange between Indian and British Dermatology trainees. Dr. Joshipura appraises the house about it.

It was resolved that IADVL will extend waiver of registration fee and accommodation (twin share basis) for two Dermatology Residents from UK formally nominated/selected by BAD. They will be participating by presenting papers/posters in the National Conference of IADVL (DERMACON 2007) In Chennai.

Dr. Jayakar Thomas suggested that the cut off dates for receiving the nominations from BAD will be 31st August 2006. This invitation is valid only for DERMACON 2007.

It was also observed that by initiating this exchange program IADVL will in turn expect similar reciprocation from their British counterpart.

b. Preview of preparation of book on ethical issues.

Dr. Rajababu informs the house that as per the decision taken in the AGBM the project of IADVL book on consumer protection act, ethical issues and medicolegal aspects is being prepared by the Chairperson of Ethical issue committee Dr. P. Srinivas.

The contributors' names were discussed chapter by chapter. The book is scheduled to be released in Hyderabad.

c. Liaison with NACO, progress report

This was postponed as the report was not available.

a. IADVL-Faculty forum , progress report

Dr. H.R. Jerajani and Dr. Sangeeta Amladi took part in discussion and it was decided that if and when the proposed academic council under IADVL is formed IADVL faculty forum will work in tandem with that to deal with matters related to MCI more effectively and systematically.

b. IADVL-GSK National Quiz programme. 2006

Dr. S. Sacchidanand submitted his report for IADVL-GSK quiz for 2005.

Dr. Suresh Joshipure, Dr. Kuriyipe, Dr. Handa, Dr. Jerajani and Dr. Jayakar Thomas participated in the discussion.

The members stressed on standardization of questions. Written MCQ type of questions in the initial rounds, question bank, involving the faculties all were discussed.

It was suggested to have state level quiz at the time of state conferences (CUTICON) and Zonal level quiz at the time of zonal conferences (DERMAZONE).

It was also resolved that as with any other quizzes quiz masters' decision is final and binding.

1. Matters related to DERMACON 2007

The Chairperson of Organizing Committee Dr. Jayakar Thomas welcomed all the members to Chennai. He gave a brief overview of the conference.

There will be only two parallel sessions and only one plenary session. He has assured that proper arrangement for business meetings of IADVL during DERMACON 2007 will be made.

He suggested having IADVL quiz on penultimate day or on the first day after Ambady oration.

He has announced 50% reduction of prices for bookstalls and extended completely free stalls to Bhalani Publications to sell only IADVL books.

There will be a total of three free bookstalls and they will be instructed to give discounts to IADVL members.

Tentatively it was decided to have central Scientific committee meeting on the first week of September.

Dr. Joshipura appreciated the gesture of Dr. Rajababu for giving apex fare to the central scientific committee members last for Hyderabad conference.

2. Matters related to DERMACON 2008

[The matter related to 36th National conference was included in the agenda of AGBM of 2006 at Hyderabad and after discussion and assurance to follow the guidelines prescribed in the Constitution in this regard, ultimately the proposal of IADVL MP Branch was accepted and accordingly it was approved that the 36th National conference (DERMACON 2008) will be held at Bhopal. But even almost three months after that no name of the organizing Secretary reached IADVL Secretariat officially.]

Dr. Koushik Lahiri gave a detailed and chronological account of events related to DERMACON 2008.

All the documents related to the issue were placed before the members of the committee. All the members participated and the matter was discussed at length.

The EC took note of the conflicting statements of the present and immediate past office-bearers of M.P.State IADVL and their failure to name an organizing secretary acceptable to all. The members have registered their discontent about the course of events.

However, it was the unanimous wish of the EC members that, before any drastic action is taken, IADVL, M.P. State branch should be given one more chance to resolve their differences and be given another opportunity to name the organizing secretary for DERMACON 2008.

It was resolved that National IADVL will once again request MP state to **convene an extraordinary General Body Meeting of the IADVL, M.P. State branch with the express purpose of nominating an organizing secretary for the conference in 2008.**

It was also resolved to send a high level arbitration committee of three senior past Presidents of National IADVL (Dr. R.G. Valia, Dr. K. K. Rajababu and Dr. A.K. Bajaj) to be present at the proposed state EGBM and take stock of the situation and report to the National Executive committee. This is a part of sincere, continuous and ongoing endeavour on the part of National IADVL to help resolving the matter amicably.

IADVL National executives wished that MP state branch will be able to resolve the matter harmoniously and will organize DERMACON 2008 in a decent, integrated and dignified manner.

It was also observed that this is a measure of opportunity to MP State Branch to avoid any complaint on their part to resolve this unprecedented and undesirable constitutional crisis, failing which National IADVL will be constrained to consider painful necessary action in this regard.

3. IADVL-Academy matter-discussion on Dr. Arun Inamadar's Report.

[Matters related to the proposed Academy and special interest groups had been accepted in principle in the AGBM of concluding year 2005 and Dr. Arun Inamadar, Vice-President, IADVL had been entrusted with the responsibility to frame a detailed structured guideline to be presented for discussion in EC MIDERMAMEET and CC MIDERMAMEET.

a. IADVL-Faculty forum , progress report

Dr. H.R. Jerajani and Dr. Sangeeta Amladi took part in discussion and it was decided that if and when the proposed academic council under IADVL is formed IADVL faculty forum will work in tandem with that to deal with matters related to MCI more effectively and systematically.

b. IADVL-GSK National Quiz programme. 2006

Dr. S. Sacchidanand submitted his report for IADVL-GSK quiz for 2005.

Dr. Suresh Joshipure, Dr. Kuriyipe, Dr. Handa, Dr. Jerajani and Dr. Jayakar Thomas participated in the discussion.

The members stressed on standardization of questions. Written MCQ type of questions in the initial rounds, question bank, involving the faculties all were discussed.

It was suggested to have state level quiz at the time of state conferences (CUTICON) and Zonal level quiz at the time of zonal conferences (DERMAZONE).

It was also resolved that as with any other quizzes quiz masters' decision is final and binding.

1. Matters related to DERMACON 2007

The Chairperson of Organizing Committee Dr. Jayakar Thomas welcomed all the members to Chennai. He gave a brief overview of the conference.

There will be only two parallel sessions and only one plenary session. He has assured that proper arrangement for business meetings of IADVL during DERMACON 2007 will be made.

He suggested having IADVL quiz on penultimate day or on the first day after Ambady oration.

He has announced 50% reduction of prices for bookstalls and extended completely free stalls to Bhalani Publications to sell only IADVL books.

There will be a total of three free bookstalls and they will be instructed to give discounts to IADVL members.

Tentatively it was decided to have central Scientific committee meeting on the first week of September.

Dr. Joshipura appreciated the gesture of Dr. Rajababu for giving apex fare to the central scientific committee members last for Hyderabad conference.

IADVL National executives wished that MP state branch will be able to resolve the matter harmoniously and will organize DERMACON 2008 in a decent, integrated and dignified manner.

It was also observed that this is a measure of opportunity to MP State Branch to avoid any complaint on their part to resolve this unprecedented and undesirable constitutional crisis, failing which National IADVL will be constrained to consider painful necessary action in this regard.

3. IADVL-Academy matter-discussion on Dr. Arun Inamadar's Report.

[Matters related to the proposed Academy and special interest groups had been accepted in principle in the AGBM of concluding year 2005 and Dr. Arun Inamadar, Vice-President, IADVL had been entrusted with the responsibility to frame a detailed structured guideline to be presented for discussion in EC MIDERMAMEET and CC MIDERMAMEET.

Dr. Arun Inamadar presented the detailed and structured draft proposal.

(The corrected and edited version, based on inputs of EC members has been included in this issue of IADVL NEWS)

The members thanked and congratulated Dr. Inamadar for his exhaustive work.

The draft proposal was discussed and analyzed in details. Dr. Jerajani, Dr. Amladi, Dr. Fernandez, Dr. Lahiri, Dr. Rajababu, Dr. Parikh participated in the discussion.

Ultimately Dr. Joshipure concluded **that principally the idea of an academic council under IADVL/IADVL Academy is acceptable and agreeable but it requires lots of inputs before IADVL can finally accept for implementation.**

The matter was referred to CC MIDERMAMEET 2006 for discussion.

1. IADVL Constitution update

Dr. R.G. Valia, senior member of the IADVL constitution update committee appraised the members that last time IADVL constitution was released incorporating all the updates till 2000.

Later it was updated incorporating upto 2002. But that version was not printed.

Dr. Koushik Lahiri requested the IADVL- Constitution committee to update and incorporate all the resolution passed/accepted between 2002 and 2006 and come up with the final version urgently. So that it can be released without delay.

Dr. Lahiri informed that he has handed over hard copies of the corrected constitution (as received from Dr. S. Sacchidanand) and minutes of all the GB meetings from 2002 to 2006 to all the members of IADVL-Constitution committee. He has also compiled all these in soft format and handed over to each and every members of the constitution committee

He has also requested that he should receive the corrected and updated version of the constitution in soft version within a month from now to expedite the process of printing.

2. WCD/ILDS Scholarship program-Formulation of Guideline

Dr. Koushik Lahiri informed the EC members that during DERMACON 2006 at Hyderabad the Executives from WCD 2007, Buenos Aires Argentina, Dr. Adrian Pierini and Dr. Fernando Stengel had a meeting with IADVL executives on the sidelines of the conference. There **WCD executives offered 40 full ILDS scholarships for young Indian dermatologists. Scholarships include travel expenses, accommodation and registration fee. The selected candidates will have to take part in scientific program of the conference by oral/poster presentation.**

This list has to be prepared by IADVL based on application invited.

Based on WCD/ILDS guideline applications are to be invited (application details have been included in this news letter and also in May issue of IJDVL)

Dr. Lahiri informed that WCD has agreed to accept names of the selected candidates sent on or before 31st December.

It was decided that the cut-off date for accepting application for consideration for this grant by IADVL secretariat will be fixed as **31st September 2006.**

The panel of judges has already been selected in the combined CCM and AGBM of the commencing year 2006. They are Dr. Suresh Joshipura, Dr. V.P. Kuriyep, Dr. Chetan Oberai, Dr. Rui. J. Fernandez and Dr. A.K. Bajaj.

3. Matters related to CC MIDERMAMEET 2006 : Date, Venue, Agenda

Dr. Koushik Lahiri informed the EC members that it has been tentatively decided that the dates will be 5th and 6th August 2006(Saturday and Sunday). The Venue is Hyderabad. The exact place of the meeting will be notified in due course of time. He proposed to have a meeting of the state branch Presidents and Secretaries in Hyderabad as well.

It may be mentioned that these mid term CC meeting is a constitutional exercise.

After some discussion it was unanimously decided that CC MIDERMAMEET 2006 will be held on 5th and 6th of August at Hyderabad.

It was also decided to have a meeting with the state Branch Presidents and Secretaries on 5th August afternoon.

If situation arises an extraordinary general body meeting will also be convened after the CC meeting is over.

The following members will be invited for the CC MIDERMAMEET 2006 :

1. IADVL National Executives 2006
2. The Presidents and Secretaries of all state branches
3. The central council members of all state branches
4. All the past Presidents, past Honorary General Secretaries and past Honorary Treasurers of IADVL as ex-officio(in addition to last years list, past Treasurers were also included)

It was also decided that

- o National IADVL will take care of travel expenses (apex air fare) of current National Executives.
- o State Branches will have to bear the travel expenses of state President and Secretaries
- o If the numbers of CC members attending the meeting is within an acceptable limit then Dr. Reddy's will take care of their travel expenses.
- o State secretaries will be requested to select one third of CC members who are really willing to attend.
- o Dr. Reddy's will take care of travel expenses of all past Presidents, Secretaries and Treasures attending the meet.
- o Accommodation will be provided by Dr. Reddys'.

4. Membership drive- progress report

Dr. Koushik Lahiri appraised the EC members about the progress of membership drive.

He has informed that letters and mails requesting all the state secretaries and Presidents were sent with the names of non members and returned mails from respective states. New Membership forms have been sent to all the state branches.

It was highlighted that **61 LM enrolled in just 27 days.**

The break up is as below:

- o KT-25
- o NE-10
- o W B-8
- o Maharastra-6
- o UP-4
- o Gujarat- 3
- o Central-3
- o Orissa- 1
- o MP-1

1. Matters related to IADVL activities

Dr. Lahiri submitted the report. The upshot of the report was

- o Opening Bank A/C within 48 hours of charge handover.
- o Transfer of IADVL A/C from Bangalore to Kolkata without paying almost anything as service charge
- o Setting up of fully computerized office place within 7 days of charge handover
- o Enrolling 61 life members in first 27 days.
- o Continuous updating of members directory in co-ordination with the journal office.
- o Publication of voluminous and attractive IADVL NEWS (Vol 2, ISSUE 1) within very short span of time, incorporating many 'never before' matters.
- o Release of IADVL Life membership card(with the help of Ajanta Pharma)
- o Establishing a rapid communication system among the National Executives and state Secretaries and Presidents to promote collective leadership.

The house congratulated Dr. Lahiri and Dr. Coondoo for their efforts.

2. Matter related to finances and financial committee

Dr. S.D.N. Guptha, Chairperson, IADVL, finance committee gave a brief over view and remarked that to avoid taxation IADVL should spend 85% of the total income. The Honorary Treasurer, Dr. Arijit Coondoo opined that IADVL is in fact overspending and IJDVL is spending less. IJDVL should also be allowed to spend more. He concluded that the main source of income of IADVL is from the conferences. **He suggested that while sending proposals to hold National conference the state branch should also have a PAN card and before handing over the money to National IADVL they should pay the tax with that.** That may lessen the burden on National IADVL. **The house appreciated this logic and accepted this proposal in principle.**

3. Matters related to IADVL Text Book

Dr. R.G. Valia suggested having constitutional amendment for the text book to include the governing policy about the IADVL Text book in the constitution.

Dr. Koushik Lahiri pointed out that his detailed proposal was published in IADVL NEWS (Vol 2, issue 1) and was accepted by the CC and GB of the closing year 2005 for inclusion in the constitution (Page 23 and 31 respectively)

4. Matters related to IJDVL

Dr. Uday Khopkar, Chief editor of IJDVL was absent so this was deferred to CC MIDERMAMEET 2006

5. Proposals from the EC members

All the proposals sent by Dr. Sacchidanand, Dr. Koushik Lahiri, Dr. Arijit Coondoo and Dr. SDN Guptha was referred to the constitution committee as all these were related to constitutional amendment. (IADVL NEWS, Vol 2, Issue 1, Page51-52). The matters will again be taken up for discussion in CC MIDERMAMEET 2006

6. Any other matter with the permission of the Chair

i. Matters related to the combined North Branch of IADVL (incorporating Punjab, Himachal Pradesh, Chandigarh)

After some discussion, this was referred to the Midterm CC meeting.

ii. IADVL-ILA liaison:

Dr. Chetan Oberai informed the members that we have received a mail from Dr. Noordeen, the President of International Leprosy Association (ILA) to initiate a better dialogue between dermatologists(IADVL) and Leprologists(IAL) and thus contribute positively and effectively to the ultimate elimination of the disease from India

He has proposed to organize a workshop between participants from the two organizations i.e. IADVL and IAL with no more than 20 participants so that in-depth discussions are possible. It is expected that the cost of the participants from the two associations will be borne by the respective associations. It may be necessary to prepare a working paper in advance of the workshop.

The matter was agreed upon and accepted in principle. Dr. Joshipura has requested Dr. Jayakar Thomas, Dr. Chetan Oberai and Dr. Kuriyipe to formulate some road map in this regard.

Dr. Koushik Lahiri rendered the vote of thanks. He thanked Dr. Suresh Joshipura and his team, especially Dr. Janak Thakkar for their excellent arrangements and hospitality. He thanked all the EC members and special invitees who had taken time off from their busy schedule to attend the meeting and contribute effectively. He also appreciated the nice gesture of Dr.Reddys' Lab for extending their logistic support towards success of the meeting.

The meeting ended at 2.15 PM.

Dr. Suresh P Joshipura

Dr. Koushik Lahiri

President

Honorary General Secretary

NOTICE, AGENDA, PROPOSALS

MEETING NOTICE FOR CC MIDERMAMEET 2006

24.05.06

All Central Council (2006) members of IADVL

Sub: Mid term IADVL Central Council meeting 2006(CC MIDERMAMEET 2006)

Dear colleague,

As per the resolution passed in the GB and as per the ongoing process of continued and streamlined IADVL activity it was decided in the National Executive Council Meeting of IADVL (**EC MIDERMAMEET 2006**) to hold the Mid Term IADVL Central Council Meeting (**CC MIDERMAMEET 2006**) on **5, 6 August 2006** at **Hyderabad**.

On behalf of IADVL National Executive of the President **Dr. Suresh Joshipura** and myself I have great pleasure to cordially extend our warm invitation to you to join us in the meeting.

- **Please note the State branches will have to bear the travel expenses of state Presidents and Secretaries. Accommodation on twin sharing basis will be provided by Dr. Reddy's Lab.**
- **For obvious reason it will be possible to take care of to and fro travel expenses and accommodation for a limited number of CC members.**
- **If you are seriously interested to attend, you are requested to contact your state secretary to include your name in the list URGENTLY**

I will be obliged if you can please circulate this date and place to all the Presidents and Secretaries of all the State Branches and all the Central council members you know of.

- **State Secretaries are kindly requested to identify the interested CC members from your branch and send us the final list positively (with correct name, LM number, address, and contact number and e-mail id) latest by 5th June by e-mail /courier/speed post.**
- **You are requested to adhere to the last date to ensure smooth planning of the meeting. Please note, National IADVL won't be responsible for any delay in response on your part.**

If the Office-bearers of the Branch are changed kindly inform the same to the new Office-bearers about this meeting.

Regards

Dr. Koushik Lahiri (LM/WB/2503)

Honorary General Secretary

IADVL

KINDLY TREAT THIS AS VALID IF YOU ARE AN EXISTING CENTRAL COUNCIL MEMBER OF IADVL

AGENDA OF THE MIDTERM CENTRAL COUNCIL MEETING OF IADVL 2006 (CC MIDERMAMEET 2006)

Agenda of the Midterm Central Council meeting of Indian Association of Dermatologists, Venereologists and Leprologists for the year 2006(CC MIDERMAMEET 2006) to be held at Hyderabad on 6th August 2006

Honorary General Secretary

PROPOSALS FOR CC MIDERMAMEET 2006

Dr.S.Sacchidanand (LM/KT/1937)

1. The tenure of the Honorary General Secretary and Honorary Treasurer of IADVL should be raised from two years to three years. It takes at least six months to one year to understand the intricacies of the post and by the time you can implement something the tenure gets over. Hence three years is a reasonable period for the above posts. I propose that, if approved, this amendment should apply to the current Office-bearers itself.

2. Regarding IADVL - ELECTIONS:

Huge expenditure on IADVL elections can be saved if we follow the KT branch model of nominating the office-bearers.

The model working in KT branch is as follows:

The individual interested in serving IADVL (read KT branch) would be inducted as Joint secretary during the Annual General Body Meeting that is held every year in May.

After finishing two years term as Joint secretary and meanwhile having learnt the nuances of the secretarship, he is elevated to the post of Honorary Secretary cum Treasurer; This would be for another two years term;

Later the Secretary gets elevated to the post of Vice-President; KT branch has two Vice-Presidents; We have made provision for inducting some senior IADVL member as Vice-President directly at this point; The choice of Vice-President each year is from the state hosting the conference. Hence there will be one Vice-President inducted from Karnataka this year and from Tamil Nadu next year.

The Senior Vice-President becomes the President of KT branch next year and the Junior Vice-President (Honorary secretary cum Treasurer) is elevated to his post; (Though officially these posts are not designated as Senior and Junior; it only designates the time of induction of the two Vice-presidents)

This model is working out very well in KT branch and there is no animosity at all; More importantly there are no elections at all; Hence no expenditure;

The same model could be tried at National level as well;

By this we can ensure:

- a. There are no elections
- b. Huge expenditures can be avoided
- c. We can ensure individuals genuinely interested in IADVL activities taking up the post from the lower rung, get trained in the process and then get elevated.
- d. An individual starting as Joint secretary would require at least 6 - 7 years before he can become President of IADVL;
- e. Above all we can have consensus candidates getting into these posts;
- f. The Organising Secretary of the DERMACON could be inducted as Joint Secretary at the National level; and the Organising Committee Chairperson could be inducted as Vice-President (Junior) for that current year;

3. NATIONAL CONFERENCE:

- a. We can show great honor to our fellow colleagues by printing the BIO-DATA of Dr. K. C. Kandhari award winner; Dr. J. C. Shroff memorial award and Dr. L. N. Sinha memorial award for a young Dermatologist.
- b. A brief bio-data of the awardees of AMBADDY ORATION, IADVL - GSK and IADVL-Fulford orations can also be printed in the souvenir for posterity sake.
- c. The mementos given during the conferences should either be dispensed with or if given it should be "small" enough to be carried back. Sometimes "big" and "very big" mementos are given which cannot be carried back at all. Sometimes the mementos get damaged during the transit and hence do not serve any purpose at all.
- d. Mentioning of AM membership to be made mandatory for participants in the Awards paper session and for any participation during DERMACON (like quiz program, free paper session and for poster presentation.) This will increase the awareness about IADVL conferences and will also encourage postgraduates to become IADVL members compulsorily.

4. Zonal branches of IADVL:

- a) The President / Vice President and Secretary of the Zonal branch, should be selected from the Elected / Nominated Office-bearers of the branches itself for that current year.
- b) The enrolment of members and such other activities should still be rested with the State Secretaries and not the Zonal Secretary. We should not create another power centre, which will add to the confusion.
- c) The Zonal branches can get together for organising DERMAZONE conferences once in two years and hence the term of these office-bearers should be for two years.
- d) They could rotate the office and office-bearers of the zone from amongst the constituent branches itself.
- e) They can still be members of the CCM as long as they are office-bearers of the State branch and hence can attend ECM / CCM and Midermameet of that particular year.

Dr. Koushik Lahiri, (LM/WB/2503) Dr. Arijit Coondoo, Dr. S. Sacchidanand, (LM/KT/1937), Dr. S D N Gupta (LM/KT-1892).

1. As per the constitution the membership fees needs to be changed once in two years. The last time it was done was in commencing years AGBM 2004. It is time that we look afresh on this matter, discuss it and table the resolution in closing year (2006) s GB in Chennai 2007.

We do hereby propose restructuring the membership categories as under:

Class of Membership	CFC (Rs.)	Br. Contr. (Rs.)	JC (Rs.)	Total (Rs.)
(i) Associate Member(Only PG) (To be enrolled for 2/3 years)	Rs. 50/- (40)	Rs. 50/- (40)	Rs.150/- (120)	Rs. 250/- (200) P.A.
(iii) Life Member	Rs. 350/- (300)	Rs.350/- (300)	Rs. 1400/- (1200)	Rs. 2100/- (1800) One Time
(iv) Honorary Member	Shall not be required to pay annual subscription			
(v) Retired Member	Shall not be required to pay annual subscription			
(vi) Overseas Membership	US\$ (120)150 per year			
CFC and JC to be sent to the Hon General Secretary.				

2. Restructuring of business meeting schedule of IADVL

Since last couple of years we are having one Midterm CC and since last year one (ONLY) Midterm EC.

In the National conference we have the following sequence of business meetings

- CCM for the closing year
- GBM for the closing year
- CCM+GBM for the commencing year

Now after that we are having one midterm EC, and one midterm CC.

So, now we have THREE CCM, TWO GBM but ONLY ONE ECM in a year.

- We propose, we should have **at least another EC** during DERMACON (preferably on the CME day) to discuss all the matters before going to the GB.
- Also, after the midterm CC, logically, we SHOULD hold one GB. Both the other two CCM are followed by GB. But that is practically not possible.
- So, can we go straight to the GB of the closing year during DERMACON without another CC? (We have already discussed the matters once in the midterm CC.) What is the logic of holding two CCM one after another? This is nothing but wastage of time. Both the minutes are almost photocopies of each other. This year there was obvious displeasure among members for the timing of closing year's business meetings which consumed the whole of CME day!

A CCM should, IDEALLY AND LOGICALLY be followed by a GBM to reach a logical conclusion of the matters discussed and resolutions tabled.

Also there is a need of a separate CCM of the commencing year.

So we propose the new calendar of business events of IADVL as under:

1. **One EC in the morning hours of CME day(11am-1pm) during DERMACON**
2. **Closing years GB on the CME day.(4-7pm) during DERMACON**
3. **Commencing years CCM on the penultimate day(3-4 pm) during DERMACON**
4. **Commencing years GBM on the penultimate day(5-7 pm) during DERMACON**
5. EC MIDERMAMEET in April
6. **CC MIDERMAMEET in August**

That makes **2 EC, 2 CC and 2 GB.**

Dr. Arijit Coondoo(LM/WB-2364)

1. **Only members of IADVL can be registered as delegates at DERMACON**. No non-member can register as a delegate except delegates from SARAD countries and other foreign delegates. In the registration from the LM must quote his membership number and the OM must attach a photocopy of his or her current year's receipt. This step may help in reducing the numbers of tourist delegates.
2. Pharmaceutical companies will be requested not to hold parallel dinners on the day of the pre-DERMACON CME and 1st and 2nd day of DERMACON within a specified distance (e.g. 200 Kms) of the venue of DERMACON. Holding of parallel dinners (there were at least 3 such on Day 1 of DERMACON 2006) is detrimental to the interests of the sponsors of the official dinner of that particular day. If this practice continues then a time may come when no company will be interested in sponsoring official dinners or banquets.
3. **Zonal branches:** To provide for easier management of the affairs of the Association and also to bring transparency into the organization of DERMAZONES the country can be divided into 5 zones : Central, East

North, South and West. Each zone will have under its umbrella a number of states (4 -6). The zonal committee will be elected by a general body comprising of members of these states. This zonal body will be responsible for holding the zonal conferences - the audited accounts of these conferences will be passed by the general body of the zonal members and the profits will be shared by all the member branches according to a formula to be decided by them. In addition the zonal committee will also act as a conduit between the member branches and the zonal co-ordinators appointed by the National IADVL

4. **The working year for IADVL National Executive shall henceforth be in accordance with the Financial Year of the Association** i.e. from April 1 of one year to March 31 of the next year. The incoming office-bearers will be installed at DERMACON but the new National Executive shall start functioning from April 1 of that year.

Explanation:

According to the Constitution of IADVL, the cut-off dates for Account, Audits, Membership (to be a valid voter) etc. is March 31. The outgoing Secretary and Treasurer deal with all official matters for 10 months of a particular year - yet the onus for Auditing, completion of membership etc. lies with the incoming office-

bearers who are new to the job and are not responsible for whatever happened during the 1st 10 months of the financial year. The transfer of funds, official matters etc. can be done more smoothly if the new Secretary and Treasurer start off from a new Financial and Association year. From DERMACON till March 31 they can be designated as Hon. Secretary-elect, Hon. Treasurer-elect etc. They can spend a fruitful 2 months learning the ropes of the job from the outgoing office-bearers. This, in turn will facilitate the smooth charge hand-over and functioning of the Association

Dr. S D N Gupta (LM/KT-1892)

As we all know that at least two dozens of medals and trophies are distributed in the National conference. As a practice the Honorary General secretary carries all these from his place to the venue. In the transit some of these may get damaged. Some of these are life time awards. Also added to this is the confusion while distributing these by the event manager at the time of the valedictory function. Hence I suggest that future DERMACON organizers may arrange the medals, mementos and trophies at the venue based on a list sent by the Honorary General Secretary well in advance. National IADVL shall naturally bear the cost. This practice may put to an end of the unnecessary and avoidable damage and confusion of awards/mementos etc.

ETHICAL ISSUES COMMITTEE PROPOSAL

Dr. P. Srinivas (LM/AP-59) Chairperson, IADVL-Ethical Issues Committee

It is very unfortunate that some pharma companies are changing the contents of the established trade names with only and profit oriented objective of encashing the market share of the BRAND NAME,

1. Totally ignoring the established scientific recommendations and guide lines
2. To escape from the drug price control list of GOVT OF INDIA totally ignoring the patient welfare
3. Violating the Drugs and Magic remedies act 1954.

OLD DRUG FORMULATION	NEW DRUG FORMULATION
----------------------	----------------------

- | | |
|-----------------------|-----------------------|
| • Erythromycin | Clindamycin+adapalene |
| • Bet. Dipropionate | Clobetasol propionate |
| • Bet. Dip+ Sal. acid | Clobetasol+ Sal. acid |
| • Bet. Dip+ Genta | Clobetasol+ Neomycin |

These were done without changing the brand name (or with minimal change, to escape the law)

LEGAL STATUS: the old brand names are at present containing different formulations compared to earlier formulations but by promoting with old brand name giving false impression as if they are containing the original formulation.

As per the **Drug and Magic Remedies Act 1954 Sec 4 (a) and (c)** this is illegal

The Section is as follows.

4. Subject to the provisions of this Act, no person shall take any part in the publication of any advertisement relating to drug if the advertisement contains any matter which

- (a) **directly or indirectly gives a false impression regarding the true character of the drug or**
- (b) makes a false claim for the drug
- (c) **is other wise false or misleading in any material particular**

Such actions are liable to be punished under section 9. As their products are carrying old brand names with changed formulation.

Hence I request you to table the issue in the agenda and recommend strongly to approach the Govt of India and Drug Controlling authorities demanding strict disciplinary action or any action as suggested by the Hon, ble IADVL members.

06/06/06

AN EXTRA-ORDINARY GENERAL BODY MEETING NOTICE

In view of the fact that IADVL MP State branch has officially withdrawn its bid proposal to hold 36th National Conference of IADVL (DERMACON 2008) in Bhopal, an **extraordinary General Body Meeting** has to be convened as under with following Agenda:

- **Date : 6th August, 2006**
- **Place : Sitara Hall, Ramoji Film City, Hyderabad**
- **Time : 4 pm (after conclusion of Midterm Central Council Meeting)**

Agenda:

- **To select and to decide the Venue for 36th National Conference of IADVL (DERMACON 2008) and organizing Secretary from the proposed host city.**

INVITATION OF PROPOSALS FOR DERMACON 2008

06/06/06

**To,
The Presidents and Secretaries of IADVL State Branches**

In view of the fact that IADVL MP State branch has officially withdrawn its bid proposal to hold 36th National Conference of IADVL (DERMACON 2008) in Bhopal, an **extraordinary General Body Meeting** has to be convened as under with following Agenda:

- **Date : 6th August, 2006**
- **Place : Sitara Hall, Ramoji Film City, Hyderabad**
- **Time : 4 pm (after conclusion of Midterm Central Council Meeting)**

Agenda:

- **To select and to decide the Venue for 36th National Conference of IADVL (DERMACON 2008) and organizing Secretary from the proposed host city.**

If your branch decides that way, you may send your proposal/invitation to organize the above mentioned National Conference of IADVL **positively within 6th July 2006** observing the attached guidelines.
(Please see overleaf)

Sd/-

Sd/-

Dr. Suresh Joshipura (LM/G/409)
President
IADVL

Dr. Koushik Lahiri (LM/WB/2503)
Hon. General Secretary
IADVL

Please note, when you are sending your official request/invitation letter/mail to the IADVL secretariat to hold a National conference please do observe the following guidelines:

1. The request should always come from any IADVL State Branch officially.
2. The request letter should be accompanied by a resolution of the concerned state GB or a proposal from the state EC(to be ratified by the state GB later)
3. It should be duly signed by the State President and the State Secretary in the official IADVL letterhead.
4. It must include the name of the Organizing Secretary from the proposed host city/town.
5. It should accompany relevant details of the venue, adequacy of facilities, hotel accommodation etc.**(for details please refer to the appended proforma)**
6. The request letter must reach IADVL secretariat at least 6(SIX) months well in advance of the commencement of the commencing DERMACON.

IADVL PROFORMA FOR APPLICATION FOR DERMACON

(Note: Please fill the proforma in the space provided on the right side)

A. General

1. City/town proposed for holding DERMACON
(Please give the map).
2. Exact location address of DERMACON
3. Whether conference venue is a properly built structure or a temporary built structure like a pandal.
4. Distance from the city centre.
5. Connectivity of the city/town by (a) Train, (b) Air, (c) Road
Give the details in a separate sheet.
6. Transport facilities within the city/town.
7. Whether IADVL National Conference was held earlier in the same city/town. If yes, when?
8. Whether other conferences were held earlier?

Please give their attendance figures.

Please give the figurative diagram of the conference venue according to a scale.

B. Facilities for the scientific programmes.

1. Hall for the inaugural function / plenary session.
 - a. Capacity to seat minimum 2000-2500.
 - b. Size of the podium.
 - c. AC/Non-AC
 - d. Acoustics
 - e. Audio-visual facilities
2. Halls, 2 to 3, for the concurrent sessions
 - a. Capacity to seat minimum 600-700
 - b. AC/Non-AC
 - c. Acoustics
 - d. Audio-visual facilities
 - e. Distance from the main hall.
3. Lobby space outside the main hall.
4. Space for poster presentations) Adequate for at least 80 posters
5. Four smaller halls or spaces
 - a. Registration area
 - b. Conference secretariat
 - c. Communication room
 - d. Preview room adjacent to the main hall.

C. Space for trade exhibition

- a. Adequate for 60 70 stalls (3 mtrs. X 3 mtrs.)
- b. Three to four bigger stalls (10 mtrs. X 10 mtrs.)
- c. Space to move around within the area.
- d. Adequate toilet/sanitation facilities (No. of toilets)

D. Facilities for the delegates & accompanying persons.

- a Food space(s)
- b Minimum to serve 750 persons at a time.
- c Resting area Size of the space & facilities.
- d 'May I help you' counter.
- e Travel agent's stall.
- f Arrangement for safekeeping of delegate's & accompanying person's belongings.
- g. Transport arrangements from conference venue to hotels and banquet venue
- h. Accommodation: Please send the brochures of the tourist department or of the previous conference held.

HOTELS

Grade	No. of rooms	Tariff	Inclusive/Exclusive of breakfast
I			
II			
III			
Others			

• Miscellaneous :

1. Management of the conference entrusted to an event management company: Yes/No
2. Food arrangements contracted to whom? Private contractor/Hotel
3. Drinking water (Should be supplied in individual cups/small sealed bottles)
4. Safety precautions
 - a. Emergency exits
 - b. Adequate and proper firefighting facilities
 - c. Sanctions, if required, by local authorities should be obtained
5. Adequate manpower
 - a. Event management staff
 - b. Residents Medical staff/students (Please tick)

F. Financial Accounts:

1. The host state branch should have a PAN Card as they will have to pay the IT and then hand over the profit to National IADVL after the conference.
2. Income and Expenditure Account of the conference shall be put to audit by the IADVL National Body - as submitted by organizing committee every year at the earliest.

A MEETING WITH THE STATE PRESIDENTS AND SECRETARIES

Agenda of the meeting with the state Presidents and Secretaries of Indian Association of Dermatologists, Venereologists and Leprologists for the year 2006

- **Date : 5th August, 2006**
- **Place: Hotel Sitara, Ramoji Film City, Hyderabad**
- **Time: 5-6 pm**

AGENDA

1. Opening remarks by the President Dr. Suresh P. Joshipura.
2. Welcome note by the Honorary General Secretary Dr. Koushik Lahiri
3. Membership issues:
 - a. Progress of Membership drive project (each one , bring one)
 - b. Enrollment of new LM/AM/OM
 - c. Correction of addresses
 - d. Interstate transfer
 - e. Sending CFC
4. MCI issue month, report from various branches
5. Information about State conferences/zonal conferences.
6. Days and IADVL: Vitiligo day, Leprosy Day, HIV Day and IADVL Day
7. IADVL-GSK National Quiz for the post graduate(IGNQPP)
8. Annual report including activities in the city branches
9. Our goal:
 - a. E-mail id for all the State office bearers
 - b. PAN Card for all the branches
 - c. Websites of all the branches with links to the National IADVL website www.iadvl.org
10. Any problem faced by the individual branches.
11. Any specific point related to Armed Force Dermatology Group
12. Any other issue with permission of the Chairperson.

IADVL FINANCE COMMITTEE MEETING

A meeting of the IADVL finance committee has been arranged with the following details

- **Date : 5th August, 2006-10-25**
- **Place: Hotel Sitara, Ramoji Ffilm City, Hyderabad**
- **Time: 6-7 pm**

1. Status of Finances and Funds of IADVL as on 31.3.2006 (Drs. SDN Guptha & A. Coondoo)
2. Status of Finances and Funds of IJDVL as on 31.3.2006 (Drs U Khopkar, A. Valia and SDN Guptha)
3. Income Tax matters (Dr. SDN Guptha)
4. Lacunae and pitfalls in the expenditure Policy enunciated in the present Constitution (Dr. A. Coondoo)
5. Proposed amendment to Expenditure Policy in the light of the changing financial scenario (Dr. A Coondoo and Dr. K Lahiri)
6. Miscellaneous

With regards,

Dr. Arijit Coondoo(LM/WB/2364)
Honorary Treasurer

Dr. Koushik Lahiri(LM/WB/2503)
Honorary General Secretary

PROPOSED IADVL ACADEMIC COUNCIL

Indian Association of Dermatologists, Venereologists & Leprologists

*Draft proposal for the proposed IADVL Academic Council
Presented at Rajkot EC meeting, 29 – 30 April 2006
And edited based on inputs from members*

Draft committee:

Chairperson:

**Dr. Arun C. Inamadar
Vice President, IADVL, 2006-2007.**

Co opted members:

**Dr. A K Bajaj. Past President, IADVL
Dr. Uday S. Khopakar. Editor, IJDVL**

IADVL ACADEMIC COUNCIL

(Prepared with reference to Annexure I [(II) and (IV)] of the IADVL constitution)

Vision:

1. Promote the highest possible standards in clinical practice, education and research in dermatology and related disciplines
2. Unification and representation of the specialty
3. Support and enhance patient care and promote the public interest relating to dermatology.

Organization of the Council:

Chair person: Dermatologist of repute with sound academic background.

Co ordinator: One young dermatologist with bright academic background.

He will work in co ordination with IADVL Secretary

Board Members : Eminent and erudite academicians from different zones of the country are selected. Two each from north, south, east, west, central zone / armed forces (10 Members) should be appointed every year (Total 30 members). Members should have overlapping tenures (3 years each) with a third of the members retiring every year in rotation. While appointing members care should be taken to give roughly equal representation to senior and junior members (above and below 40 years)

Ex Officio members: IADVL President, Secretary and IJDVL Editor.

The GB will appoint chair person and secretary for a period of three years.

Chair person and secretary in consultation with IADVL President, Secretary and IJDVL Editor will choose / elect board members. Members of the Board are elected

for a three year term. Members of the councils who finish their tenure are eligible for re-election but this should be subject to confirmation by the general body meeting of IADVL.

Functional obligations of the council:

The proposed academic council is not a parallel body of IADVL. *IADVL will remain the ultimate executive body. Since the functions of the current academic committee of the IADVL are overlapping it will cease to exist after the formation of the council. This is only to avoid confusion of sphere of activity and members of the current academic committee who are interested in continuing into the council should be taken in as members of the council.*

It will give IADVL suggestions regarding overall academic development in dermatology and related subjects of the specialty.

Help IADVL in different issues like MCI (Academic part e.g. syllabus of UG & PG courses, compulsory internship),

Help in formulating therapeutic guidelines / drug formularies / patient education leaflets and other materials.

To coordinate with proposed **Special Interest Groups (SIG)** to conduct CME / workshops / symposia / PG clinical case teaching programmes by providing resource persons and other academic inputs. IADVL should consider sanctioning of grants (to a pre-defined extent) for conduction of such meetings as many of the academic causes are probably kept on the back-burner for lack of sponsorships. Academic council should have the power to recommend such sponsorships to a pre-defined extent e.g. It should

have the power to grant Rs. 20000/- each for any five meetings every year. The meetings should pursue causes not usually covered elsewhere. E.g. courses in Dermato-epidemiology, Drug rash reporting, Department development, Research methodology, Genodermatoses, Investigative dermatology etc.

Accreditation of CME programmes with different credit points for national (6 pts), zonal, state level CMEs (3 pts) and CMEs conducted by SIGs (3 pts). These credit points can be used as one of the criterion while awarding membership / fellowship certificate from the academy / council. Uniform accreditation certificate will be printed / provided by IADVL on demand from organizers. IADVL president's signature is must.

Guidelines for CMEs 1. Under IADVL banner 2. Minimum six hrs programme 3. Maximum five lectures of 45 minutes each with 15 min discussion time. 4. Remaining one hr can be used for brief opening ceremony, post CME evaluation etc. 5. While selecting chair persons due weightage should be given for their academic background and no of yrs put in the specialty. 6. Organizers should send detailed report to IADVL.

National quiz - Co ordinates with National quiz committee, by providing necessary academic inputs like providing resource persons, resource materials etc. and ensuring uniformity of standards throughout the country during various rounds.

Work with IADVL for Faculty exchange programme / SARAD exchange programmes (rules as announced in IADVL News Letter, VOL 1, issue 2, Dec 2005). Feasibility needs to be assessed as many institutions in India are either autonomous / university administered /govt run or pvt management run.

Work in-tandem with IADVL to recognize or inspect IADVL training centers for awarding IADVL travel fellowships.

To help IADVL in awarding **Best department (academically) award / Best IADVL academician of the year (individual) / Best PG dissertation of the year.**

Guidelines for Best department (academically) award:

Rolling shield is ideal presentation. Suitable sponsor may be found or IADVL can give the same. The best dept award should speak of intellectual /academic excellence of its faculty as a team.

1. No of CMEs / work shop/clinical meetings conducted by the dept. (5 pts per activity)
2. No of invited / guest speakers from faculty of dept; national / international. (3 pts per faculty for national & 5 pts for international).
3. No of papers published from dept national / international journals. . (1 pt per paper for non indexed, 3 pts per paper for indexed national & 5 pts for indexed international).
4. No of papers published in association with other dept, where corresponding author is from other dept (1 pt / paper).
5. No of paper presented at state (1 pt) / zonal (2pts) / national (3 pts) / international conferences (5 pts). Presenter must be from dept of dermatology. This is applicable to oral presentation. For poster presentation within India, uniformly 1 pt, international 2 pts.
6. Oration or guest lecture awarded to faculty members (state level 2 pts/national 5 pts).
7. Conducting derma health camps by dept as social obligation (2 pts).

8. IADVL Fellowship centre
9. STI clinic
10. Special Clinics
11. HIV medicine services
12. Dermatosurgery
13. Cosmetology
14. Dermatopathology
15. Research Projects
16. Grants, Awards and Scholarships for dept and staff

Research projects and grants awarded, scholarships awarded should be from reputed agencies like ICMR, WHO, DST etc.

Guidelines for Best IADVL academician of the year (individual):

To encourage non-institutional dermatologists academic activities.

A certificate and plaque may be given. Pharma sponsor can be found (Ref: IADVL News Letter, VOL 1, issue 2, Dec 2005, page 21. Systopic pharma was interested in such activities)

1. *No of CMEs / work shop conducted by the individual as organizing secretary / chairman (5 pts per activity).*
2. *No of invited lectures / guest speeches delivered by the individual; national / international. (3 pts per for national & 5 pts for international).*
3. *No of papers published as corresponding author (Indexed) national / international journals (3 pts per paper for national & 5 pts for international).*
4. *No of paper presented at state (1 pt) / zonal (2pts) / national (3 pts) / international conferences (5 pts). This is applicable to oral presentation. For poster*

presentation within India, uniformly 1 pt, international 2 pts.

5. *Oration awarded (state level 2pts / national 5pts).*

SPECIAL INTEREST GROUPS (SIGs)

(With reference to Annexure I, (IV) of the Condtitution)

These have to be "set up" by members of the IADVL with the aim of representing and advancing specific specialties in dermatology.

Following is the list of SIGs which can be established. Feasibility, sustainability and availability of adequate man / member power of academic interest have to be assessed before starting them.

Contact Dermatitis / occupational dermatitis group (CDG / ODG)

The aims and functions of the CDG / ODG are to collate and disseminate information on contact dermatitis. It is involved in preventive and environmental issues on behalf of the members and the patients suffering from contact dermatitis

Pigmentary disorder Group (Vitiligo etc)

Disseminate information on all pigmentary disorders with main focus on vitiligo.

Pemphigus Group

Lots of pioneer clinical and therapeutic work has been done by Indian dermatologists. These works need to be continued in this field. Innovative therapeutic modalities developed by this group will give useful guidelines for fellow dermatologists.

Atopic dermatitis Group

In addition to research works, promoting the concept of general management modalities for patients with atopic dermatitis and disseminate these information among public.

Genodermatoses Group

Finding feasibility of setting up a center where diagnostic work-up of patients with genodermatoses is possible with the help of pharmaceutical companies / any other agencies. Starting collaborative projects with overseas centers regarding diagnostic work-up of these patients. Setting-up regional registry systems for various genodermatoses.

Photo dermatology Group (PDG)

Act as a forum of communication for all those with an interest in photo dermatology.. Subjects covered in the PDG should include the photo chemotherapy, UVB phototherapy use of sunscreens and creating public awareness regarding photo protection.

Dermatopathology Group

Aims to promote the knowledge and teaching in dermatopathology for the benefit of members of IADVL and PG students / residents and to stimulate appropriate medical and scientific research relevant to this specialty.

Pediatric Dermatology Group:

Group, to understand the skin diseases in children further and to enhance their care by encouraging education and research in all aspects of pediatric dermatology.

Dermatosurgery / Cosmetic Dermatology Group:

Promote the knowledge and hand-on practice in dematosurgery for members of IADVL and PG students by conducting workshops at various centres. To increase awareness on the scientific basis of using various cosmetic products.

Geriatric Dermatology Group:

Group will attempt to stimulate interest in the skin of the elderly. In particular it is hoped to further understanding of

skin diseases in the growing segment of the population and recommend treatments and management systems

HIV / AIDS and STI Group:

To act as an effective liaison between NACO and other agencies.

To formulate and revising guidelines related to HIV and STIs.

Dermatology Clinical / Epidemiological Trials Network (DCETN):

To develop a national network capable of conducting high quality clinical trials. A core expertise body will be selected to apply for external funding from charities and research councils (ICMR etc) in order to fund such trials.

Develop proposals for external funding for clinical trials identified as priorities by the DCETN Group.

Develop an infrastructure for ensuring that such trials are conducted to a high standard of data management and clinical research governance.

To develop educational and training opportunities for those interested in learning about the conduct and interpretation of clinical trials.

Cutaneous Adverse Drug Reaction Study Group (CADRSG):

To establish and maintain regional registry on adverse cutaneous drug reactions and formulating guidelines for management of severe cutaneous drug reactions.

Teledermatology Group:

Dermatology as a morphologically oriented medical specialty is eminently suited to utilize the possibilities of modern technology for the transmission of visual data and images. Teledermatology holds great potential for

revolutionizing the delivery of dermatologic services with benefits to physicians and patients alike.

Aims to provide a forum for the discussion and development of Teledermatology in India. It should also be able to provide a source of professional opinion concerning aspects of teledermatology to other medical and non-medical bodies. .

1. Offer advice to professionals exploring teledermatology
2. Provide educational opportunities for those practicing teledermatology
3. Online teaching and learning activities
4. Developing online atlas and library

Dermatology Nursing Group:

Dermatology is a highly specialized area of nursing practice. The nurses working in dermatology clinics and wards have limited opportunity to meet with colleagues to discuss patient care, treatments or changes in practice. As nurses provide care for the vast numbers of people who attend skin clinics throughout the country, it has been felt that there is a great need to develop a specialist network of nurses with an interest in dermatology.

1. Promote the development and recognition of the nurse's role in dermatology, for the benefit of the patient.
2. Promote and support the education of nurses for their role in giving dermatological care.

Functionaries of SIGs:

Each SIG will have **one coordinator (who should be a member of the council)** and **8 co-opted members, 2** from each zone (at least two of whom should be members of the council). Additional experts from fields other than dermatology may be invited to be part of the meetings (as

invited members) or may be consulted at other times (as consultants) as per the need felt by the group. However, they will not have a fixed tenure and will have to be consulted or invited as per the need felt by the group coordinator.

Coordinator should have done basic work / research in that field. He/she should be an active academician with 10 years' of experience as consultant dermatologist or teacher in a medical college (associate professor and above).

Co-opted members should have done basic work / research in that field. He/she should be an active academician with 5 years' of experience as consultant dermatologist or teacher in a medical college.

Selection of coordinator will be done by a committee consisting of President, IADVL, President elect, IADVL, chairman Academic Council and secretary IADVL.

Selection of co-opted members is done by above committee and coordinator of the particular SIG.

Tenure of the team is three years. Continuity of work is assured with the prescribed term.

Functions of SIGs:

The groups can organize annual training courses specifically aimed at trainees in dermatology

They can also organize regular updates like symposium, seminar, and workshop on subspecialty.

Newsletters on matters of current importance can be brought out.

They can promote and carry out or assist in promoting and carrying out research, surveys and investigations and publish the useful results thereof.

Help to update IADVL therapeutic guidelines as resource persons as and when asked by IADVL.

Group Coordinator should send a quarterly report to Coordinator, Academic council. (Who in turn makes a brief of the same to publish in IADVL News letter / IADVL website).

ACTIVITIES / REPORTS

IADVL KT BRANCH REPORT OF ACTIVITIES JAN 2005-MAY 2006

President-Dr Balachandran C Manipal(2005)

Sec & Treasurer-Dr Ramesh Bhat M Mangalore(2004-06)

President-Dr Prabhakar M Sangolli(2006)

Sec & Treasurer-Dr Rajesh R(2006-)

Conferences/CMES/workshops held

1. Annual KT Conference May 2005-Trichy
2. Trichocon-1st National Conf On Hair Aug 2005-Bangalore

BRANCH REPORT-BIHAR AND JHARKHAND BRANCH-2005

The annual GB meeting of IADVL, Bihar and Jharkhand branch was organized at SNTI auditorium, Jamshedpur on 20.11.05 under the Presidentship of Dr. A.S. Prasad Prof and HOD Deptt. of Skin, MG, MC, Jamshedpur and Secretaryship of Dr. R.P. Thakur.

About 50-60 Dermatologists from all over Bihar and Jharkhand attended it. The atmosphere was full with excitement and expectations. Various resolutions were taken for the development of IADVL in the two states and some good ideas of academic interest were thrown in.

All members including the office bearers were requested to start a membership drive so that more and more new members could be included in to the association.

A very informative workshop preceded the actual conference. Dr. A.S. Prasad of Jamshedpur gave a detailed account of Lasers which are being used today and also performed practical demonstration on several patients. Different methods of vitiligo surgery were witnessed alongwith various methods of chemical peels, Microdermabrasion and uses of Radiofrequency. Dr. S. Sacchidanand, the National Secretary, delivered a thought provoking lecture on phototherapy.

Steps to procure left over money at different places promised by various people were finalized. It was decided to transfer the account of IADVL Bihar Jharkhand from Patna PNB to Sakchi, JSR.

Process for initiating three Awards was undertaken and it was decided that a 'Prize and Oration fund' should be contributed with all the prize and medal money. Responsibility for the publication of Bihar Jharkhand Journal of Dermatology was given again to Dr. A.K. Jha 'Amar' of Patna.

Directory of all Dermatologists of Bihar and Jharkhand was promised.

Process for awarding Dr. Badri Narayan Prasad Research Award, 2007 was to be started.

Different gold, silver and bronze medals were given to the aspiring P.G. students of Bihar and Jharkhand.

Then the election of office bearers was held and the following office bearers were declared elected:

- President: Dr. P.K. Senger, Dhanbad
- Hon. General Secretary: Dr. Y.A. Lal, Jamshedpur
- Treasurer: Dr. P. K. Barla, Jamshedpur
- Vice Presidents:
 - Dr. R K P Chaudhury, Patna
 - Dr. R P Thakur, Jamshedpur
 - Dr. A.N. Jha, Jamshedpur
 - Dr. K.K. Jha, Saharsha

Next annual G B meeting will take place at Begusarai, Bihar in the first week of November '06.

Thus, it was a grand success from the organization as well as academic point of view. The participants were enlightened and organizers felt great satisfaction after completion of such a successful conference and hope the same for the next coming conference at Begusarai, Bihar.

Long Live IADVL

Dr. Y.A. Lal

Secretary

IADVL Bihar- Jharkhand Branch

ANNOUNCEMENT

All IADVL members are requested to always quote their membership (LM/AM/OM) numbers while communicating.

SECRETARY'S REPORT IADVL, HARYANA STATE BRANCH

A CME-CUM-FAMILY GET- TOGETHER of IADVL Haryana State Branch was held on 18th June 2006 at Highway Dhani Resort, Bhiwani Road, Rohtak. Twenty two members attended the meeting. Two scientific sessions were presented. First one was treatment of childhood psoriasis. Both the topics were discussed in detail by the members.

GBM was held immediately thereafter. Venue for annual Haryana State conference to be held in the year 2006 was discussed. House discussed the issue regarding holding of annual conference of IAASD 2007 at Gurgaon and authorized Dr.V.K. Jain, Prof & Head, Deptt of Skin and V.D. , PGIMS, Rohtak to discuss the issue in the National Conference of IAASD going to be held in Chennai in October 2006.

New memberships were invited and forms were given

Dr. Komal Makkar
Hony. Secretary,
IADVL, Haryana State Branch

ANNOUNCEMENT

- E-mail Communication with IADVL Secretariat is preferred.
- All executives (National and State) shall have active e-mail ids.
- Please report branch activities on a regular basis.

IADVL - GSK NATIONAL QUIZ PROGRAM 2005 A REPORT

—Dr. S. Sacchidanand

IADVL GSK National Quiz Program for Post-graduate students was started in the year 2005 during the tenure of Dr.V.P.Kuriyipe as President of IADVL. In fact it was the idea of Dr.S.Criton, Thrissur, to conduct a Quiz program at the national level for Post graduate students in Dermatology, S.T.D., & Leprosy.

Such Quiz programs were being held at local, regional and Zonal levels earlier. But to conduct such a program at National level was a Herculean task. But the Office-bearers of IADVL during 2005 were not the easy ones to give up. They met at Kochi and discussed the possibility of holding the quiz program in the ensuing DERMACON 2006 at Hyderabad.

We approached M/s GSK to help us conduct this program. It was very nice of GSK to have accepted immediately and they stood rock-solid behind us to conduct the program. The first and foremost thing that needed to be done was collect the names of the Medical Colleges across the country, the names of the HOD's, and above all the names of the Post-graduate students studying in these colleges. GSK set out immediately

to compile this data with the help of its vast field staff. They could collect this data in a record time and handed to us the list!

A core team of IADVL office bearers was formed to oversee the conduct of this National quiz program, which was aptly named as "IADVL GSK NATIONAL QUIZ PROGRAM FOR POST GRADUATE STUDENTS". After-all GSK had agreed to support us logistically at every step. Under the able leadership and guidance of Dr.V.P.Kuriyipe, the dynamic President of IADVL, things started to take shape by June 2005. I was appointed as Convenor of the quiz program to ensure that the program sees the light of the day. Dr.S.Criton was unanimously chosen to be the Co-ordinator and Quiz Master for the grand finale at Hyderabad. The ball started rolling from then on and I should specially mention the role of Mr.Bhagawan and his team in putting two and two together and tying up all loose ends.

CORE	
COMMITTEE	Dr. V.P Kuriyipe, President, IADVL
	Dr. S. Sacchidanand Aradhya, General Sec. IADVL
	Dr. Suresh Joshipura, President Elect, IADVL
	Dr. S.Criton, Quiz Master

	Dr.Prabhakar M Sangolli, Dr.Ramesh M.Bhat

The core committee overseeing the conduct of the Quiz program met several times to finalise the list of Quiz masters, zonal co-ordinators and convenors. The whole country was divided into five Zones; North, South, West, East and Central. Each Zone had 4-5 states grouped together. GSK also appointed its Zonal Managers to oversee the activities of their respective Zones. The whole field staff was geared to collect data and disseminate information as well.

The Quiz programs were conducted between 4th December 2005 and 15th January 2005 at various places. (Baroda, Bangalore, Chennai, Chandigarh, New Delhi, Kolkata, Agra). At each centre the quiz program was well attended and keenly contested. It is impossible to give the names of each and every team and the names of its members here.

In all 78 colleges from across the country and more than 200 post graduates participated in the Quiz program at various levels. The Zonal programs were conducted at two levels. The first level was to select the best five teams from amongst the several teams that were participating. This was done by asking the participants to answer a MCQ type of question

paper. The best five teams who qualified were selected. Second step was to conduct actual quiz program in a thorough professional manner and select the winner from each zone. Quiz master did a wonderful job in conducting the quiz programs and this was liked by each and every participant. Ultimately five teams, one each from Zone was selected for the Grand Finale at Hyderabad.

On the last day of the conference, i.e., Sunday morning, 5th February 2005, as the first program of the conference for the day, the Grand Final Quiz program was conducted by Dr.S.Criton with the help of Dr.S.Sacchidanand, Dr.Chitra Nayak and Dr.Ramesh Bhat. The participants and winners of this well conducted and appreciated program is listed below. Certificates, trophies and gold medals were distributed to the participants and the winners of this first ever National Quiz Program.

Dr.V.P.Kuriyipe and President elect Dr.Suresh P Joshipura proudly gave away the prizes and certificates to all the participants and the satisfaction of accomplishing a great feat was lit on their faces.

[Utmost care was taken while updating the list. Still some errors, omissions may have persisted due to lack of communication from the concerned state branch]

Corrigendum

There was some mix-up while it was printed in IADVL NEWS (Vol 2, Issue 1). The correct version is:

1. AAD Fellowships: for the year 2005:
 - o **Dr. Sunil Dogra(LM/P/3954), PGIMER, Chandigarh**
 - o **Dr.Chander Grover(LM/ND/3565), New Delhi**
2. Committee on International Affairs award were given to
 - o **Dr. M. Ramam, AIIMS (LM/ND/1430) New Delhi**
 - o **Dr. Rashmi Sarkar (LM/ND/1543), New Delhi**

Armed Forces Dermatology Group

- o **Vol 2, Issue 1,Page 37:**
 - Please note the correct designation of the newly formed group will be **Armed Forces Dermatology Group**, and not Armed Forces Dermatology unit as mentioned.

All Dermatology H.O.D and State Secretaries of IADVL across the country are requested to:

- o **Enroll all the fresh Dermatology PGTs** as ASSOCIATE MEMBERS (AM)of IADVL for a period of **two/three years at a time** to ensure smooth and uninterrupted supply of IJDVL for the whole period of their training.
- o **Enroll all the fresh pass outs dermatologists** as LIFE MEMBERS (LM) of IADVL without delay to facilitate the matter.
