PRESIDENT'S MESSAGE

Dear Colleagues,

Greetings to all of you.

This is the last Newsletter of this year 2019 and this EC will be completing its term in next few weeks. This is last time I will be addressing you as President of IADVL through this medium.

It has been most important year for me. With your support I have set out with plans to launch few important initiatives during my tenure. Two of them were; **A) To commence member welfare programmes for our members b) to fight the topical steroid misuse prevalent in India** through various portals of IADVL, which we made as the '**Theme of the year 2019**'. I think EC 2019 has been reasonably successful in both these issues.

With regard to member welfare programme, we were successfully initiated the '**Group personal accident (GPA) insurance scheme**' to all LM members of IADVL with the approval of our general body from 1st April 2019, the premium being paid by IADVL for all. It is gratifying to note that our IADVL life members are secure with this scheme. In continuation of member welfare initiatives, IADVL EC has launched the '**Professional Indemnity Insurance for Dermatologists**' on 2nd November 2019, at Vijayawada during CUTICON, Andhra Pradesh. It is a tailor-made policy for IADVL members and will cover any potential to a legal claim arising out of error, omission or negligence in professional services rendered, including risks arising out of many dermato-surgical procedures as well. The annual premium is very low with variable target sum. The members need to opt and pay for this policy directly. (For details you may visit www.iadvl.org).

In the pursuit of issue of '**Theme of the year 2019**' EC has launched a pan-India Round Table Meets (RTMs) to sensitize general physicians all over India on topical steroid misuse. Already more than 200 such meets were held by the third week of December 2019, while the target is to conduct about 300 RTMs by March 2020. In addition, we are taking measures to spread the message of **Theme of the year** through various social media platforms to reach general public.

I am very happy to inform you all that India has been selected as the venue for the next **International Leprosy congress - 2022 (ILC)** and the ceremonial key was handed over to me as president of IADVL at the meeting held at Manila, Philippines in September 2019. This was possible due to the efforts of all our members, especially of our SIG- leprosy group. IADVL will be hosting ILC -2022 in India, by involving all major stake holders, both national and international, working for leprosy and it will be an epochal event of pride for all of us. IADVL and Indian leprosy will get a opportunity at ILC-2022 to showcase our research and health-care in leprosy to the world, while providing fillip to efforts of our National Leprosy program to bring down leprosy prevalence to 'Zero' as envisaged by WHO in near future. We all need to work towards the success of this international conference.

I thank all the members of IADVL, who have supported the activities taken up by EC of 2019 during this year. It is your constant encouragement which kept us going. The next team for year 2020 will be taking over at DERMACON-Pune during the last week of January 2020. I wish the new team all the best in their endeavours and I am confident that future of IADVL is very bright.

-Dr P Narasimha Rao
President, IADVL (2019)

MESSAGE OF PRESIDENT ELECT

Dear Members, dear colleagues and friends

It is with great pride that I assume the role of President Elect of the IADVL for this year. This is a huge privilege, but also a very big responsibility, which I can only hope to fulfill. It's time to take the association to the next level.

We need to strengthen our membership with valid email and mobile number. We will focus on our financial stability and growth of academics. We have two directors at ILDS now. We need to further increase our international presence.

I need active participation from young members of IADVL. We will have a greater number of postgraduate dermatology seats in the coming year. We will continue to work for theme IADVL in 2020.

If you have ideas, suggestions for benefit of IADVL members or questions, please contact me at drgodse@gmail.com
We look forward for all your cooperation and guidance.

-Dr Kiran Godse
President Elect, IADVL (2019)

MESSAGE OF IMMEDIATE PAST PRESIDENT

Dear IADVLites

I will be completing my 3 years tenure in IADVL Executive committee as President elect, President and Immediate Past President. It was an important time of my life wherein I could serve our beloved Association. We could establish a wonderful office, conduct Skin Safar Rath, Fight against Steroid abuse, Fight against Quackery, Official partner of NLEP, Impact on Government, strengthening of DVL Welfare Trust, DERMAICON International, EADV sessions during DERMAICON, etc to name a few.

IADVL is also being recognized in the World as an important Dermatological Association. Your wish and blessings helped me to get elected as the first Indian International Director of ILDS. I should thank all our office bearers and I would consider myself lucky to have a dream EC when I was the President. We will continue to serve the Association in future and invite you all for the MIDDERMAICON 2021 at Mangalore, that's my place.

Wishing you all happy conference at DERMAICON, Pune.

-Dr Ramesh Bhat

Immediate past president, IADVL (2019)

HON. SECRETARY GENERAL SPEAKS

Dear IADVLites,

Namasthe and New Year Greetings!

I am glad that I am completing my two years term (2018 to 2019) serving you all as Honorary Secretary General, IADVL the third largest association of Dermatologists in the world. I hope I have done justice to the best of my ability during these two years amidst of huge workload and meeting endless deadlines. It has been a very eventful journey of my life which has made me more matured in thinking and giving me lot of confidence in handling difficult situations. It has enhanced leadership quality in me. I am also honoured to have thousands of friends from all over India during this period.

There has been a flow of activities during last two years like National Annual and Mid -Year conference, SIG workshops, CMEs; offering international and national scholarships for IADVL members; Social activities like observing vitiligo day, psoriasis day and HIV day activities; media for public awareness on skin health; meetings with government officials for implementation of various member and public welfare activities; coordinating with all state presidents and secretaries to implement national activities at state and regional level; coordinating with all committees to streamline and regulate their projects; timely completion of membership process through OMAS; updating websites and many more. Overall, I have enjoyed performing all this herculean task in a smooth way with the cooperation and support of all of you.

Most pleasurable and memorable moments during my tenure is purchasing and inaugurating the IADVL Head Quarters on 24th February 2019 which was the dream of all IADVLites during the past several years. As promised during inauguration, I have done my best attempt to make the IADVL Headquarters fully functional. We have appointed a manager and an assistant executive at HQ who are trained to handle IADVL office under the supervision of Hon Secretary General, IADVL. Last year we have also appointed a Legal Advisor for IADVL.

Since assuming charge of the National Secretariat in January 2018, I had taken up the issue of memberships as a priority to avoid quackery and am glad to inform you that close to 2657 membership applications and conversions have been processed during the last two years.

I was successful in conducting E-voting for the first time in the history of IADVL which was held in 2018 with upto 67.17% voting. Such a big voting percentage was never seen in IADVL even when ballot voting was practiced. This year I have further gone ahead in refining the election nomination filing and payment process completely online. This is a significant achievement of this year. E voting was successfully conducted this year too with voting percentage being 60.46%. Thanks to all registered e voters who voted both the years.

IADVL Residents Welfare program, the Resident Connect was introduced in 2014 by the Secretary Dr Rashmi Sarkar. Another pleasurable part of my secretary ship is introducing YUVADERMA, an expansion of Resident program at the state levels. YUVADERMA has been successful in 8 states so far. I am sure remaining states will initiate this year. We have introduced new IADVL logo and IADVL color (peacock blue). The Vision and mission of IADVL is being presented for approval by GB scheduled to be held during DERMACON 2020. We are also in the process of registering IADVL logo and IADVL conference titles-DERMACON, MID DERMACON and CUTICON. I am sure the process will be completed this year.

I have got the redesigning of our website with the theme of Peacock blue color. One of the major introductions I have made recently in IADVL website is 'Find a Dermatologists' a tool for assisting public to search dermatologist in their location anywhere in India. Hope this will be successfully utilized by public and get quality treatment by qualified dermatologist.

It has been a great learning experience working under Dr Ramesh Bhat and Dr P Narasimha Rao, Presidents IADVL of 2018 and 2019 respectively. Both of them who had huge experience being past secretaries of IADVL were guiding force to me throughout my tenure. I immensely thank them and EC of both 2018 and 2019 for providing me constant support and

confidence in my difficult days. I am glad that they had complete faith and trust in my work which helped me to discharge my responsibilities effectively. Treasurer, Dr. Shashikumar BM, has been wonderful in delivering his duties promptly.

I sincerely thank all the State Presidents and Secretaries and Chairpersons and Conveners of all IADVL Committees and Heads of all Medical colleges of last two years for their suggestions and in implementation of various activities and projects of the association. I also thank all the members of IADVL for their support, advice and help extended to me over the last two years. I must also appreciate my office secretary Ms Jinu Cherian for her hard work, sincerity and dedication.

I finally and wholeheartedly thank my family Hema, Samarth and Sutirth for their constant cooperation and support especially when I had to travel quite often over the last two years without which I would not have been successful.

I heartily welcome the Hon. Secretary General Elect, Dr. Feroz K who I am sure will handle the office more efficiently and I wish all newly elected members of IADVL EC 2020 all success for their tenure. I am sure IADVL is in safer hands now. We have an exciting CC and General body meeting around the corner with lots of discussions during DERMACON 2020 at Pune. I extend a warm welcome to all IADVLites and look forward for fruitful discussion. I extend a warm welcome to all delegates of DERMACON 2020, Pune and wish the conference all success

Although I am now signing off from the post of Hon Secretary General, my work for IADVL will continue and look forward to serve you again.

Long live IADVL !

-Dr Umashankar Nagaraju
Hon. Secretary General, IADVL (2018-2019)

HON. TREASURER'S NOTE

Warm greetings!!!!

My term as treasurer is coming to end this month with new EC taking charge of the office. I am happy that many important milestones have been achieved during these 2 year term. IADVL has acquired a large office space; academy expenditure has been increased to 1.5cr per annum, Group professional accident scheme was launched for the benefit of the members and many such milestones have been achieved. As a result, income tax liabilities have been reduced drastically. Apart from these, financial transaction has been streamlined with acquisition of new GST in UP. Shifting of society registration, 12AA shifting to new address is in process.

The overall financial health of the association remains healthy as reflected in the accounts presented in this news bulletin. I sincerely thank all the seniors, friends, colleagues and younger members in the association for their guidance, help and cooperation during the last 2 years. My special thanks to CFC Chair, Dr Rajib. My gratitude to Dr Ramesh Bhat, Dr Narasimha Rao and Dr Umashankar.

Long Live IADVL!

- Dr Shashikumar B M

REPORT OF IJDVL

Dr Saumya Panda, Editor
LM/WB/2805

Every year, the editorial team picks their choice for best article(s) in several categories published in the Journal in the previous calendar year. As you know, we have two different groups of awards – one for the Indian authors and another for our international contributors.

Here are the winning contributions from Indian authors for articles published in 2019.

Bishnupriya Devi Award for best Original Article Sahoo AK, Yadav S, Sharma VK, Parihar AS, Vyas S, Gupta S. Safety and efficacy of autologous noncultured dermal cell suspension transplantation in the treatment of localized facial volume loss: A pilot study. *Indian J Dermatol Venereol Leprol* 2019;85:44-50.

Indubala Memorial Award for best article on occupational dermatoses/contact dermatitis This year no article by an Indian author was published on occupational dermatoses/industrial dermatoses/contact dermatitis. Thus, this year Indubala Memorial Award cannot be awarded to anyone.

Award Article Chandra S, Sil A, Datta A, Pal S, Das NK. A double-blind, randomized controlled trial to compare the effectiveness and safety of purified protein derivative of tuberculin antigen with *Mycobacterium w* vaccine in the treatment of multiple viral warts. *Indian J Dermatol Venereol Leprol* 2019;85:355-66.

Best Review Article Tandon D, Munne K, Chauhan S, Patil AD. An update on prevalence, diagnosis, treatment and emerging issues of genital mycoplasma infection in Indian women: A narrative review. *Indian J Dermatol Venereol Leprol* 2019;85:441-7.

Best Case Report Sirka CS, Pradhan S, Patra S, Padhi S, DasMajumdar SK, Panda D. Hemophagocytic lymphohistiocytosis: A rare, potentially fatal complication in subcutaneous panniculitis like T cell lymphoma. *Indian J Dermatol Venereol Leprol* 2019;85:481-5.

Best Image in Clinical Practice Shindore RP, Gole PV, Mahajan SA. "Melanocytic nevus", or is it?. *Indian J Dermatol Venereol Leprol* 2019;85:491-2.

Best Letters

Patra S, Bhari N, Mohta P, Singh S, Ramam M, Agarwal S. Adult-onset Still's disease presenting as blotchy and flagellate pigmentation. *Indian J Dermatol Venereol Leprol* 2019;85:626-8.

Kumaran MS, Srivastava N, Vinay K, Bhardwaj S, Parsad D. Does rapamycin induce melanin formation? An in vitro study assessing the effect of rapamycin on normal cultured melanocytes. *Indian J Dermatol Venereol Leprol* 2019;85:330-2.

Sivasankri P, Ramesh A, Sampath V. Hypereosinophilic syndrome masquerading as acrodermatitis enteropathica. *Indian J Dermatol Venereol Leprol* 2019;85:418-22.

We congratulate all the winners and thank all the authors who submitted their manuscripts to the Journal.

Happy new year to all our readers!

REPORT OF IDOJ

www.idoj.in www.facebook.com/idoj.iadvl

Indian Dermatology Online Journal (IDOJ) received 627 manuscripts this year till December 15, 2019 as compared to 519 in 2018. The print copies are being posted regularly to corresponding authors and all medical colleges across the country. Ahead of Print (AOP) service has proved to be beneficial for authors. Number of original articles and dermoscopy submissions have increased significantly this year. The editorial team is working hard for quality and time bound processing of manuscripts. We invite researchers, faculty and postgraduate students to submit their quality original work to IDOJ.

REPORT OF MIDDERMACON 2019 23rd to 25th August 2019 AT BIHAR

Bihar IADVL is thankful to the national IADVL Executive Committee for their cooperation, guidance and kind supports. Bihar IADVL organised MID DERMACON 2019 at the Ashoka Convention Centre, Patna from 23rd to 25th August 2019. The theme of the conference was "INTERACTIVE DERMATOLOGY"

Total no of registration – 319

Total no of attendance-270+

On 22nd we started with the faculty dinner, around 83 faculty members from different parts of India attended the faculty dinner. We also did a CME during faculty dinner and the speaker was Dr Amar Kant Jha Amar.

On 23rd Aug. 2019 we organised Pre Conference workshop on Botox, Fillers, Chemical peels ,thread lift, dermoscopy, Lasers, Dermatosurgery & Nail Disorder were done. Along with workshop we also organised CME on Pigmentary Disorder, Nail disorders, Dermatosurgery(topics like scar revision , vitiligo, surgery of malignant & premalignant skin disorder, advanced wound management, dermabrasion for genodermatosis were included) on this very day.

On 24th and 25th August we organised multiple interactive sessions over different topics. Every session was having panel discussion for better interactions. There were 4 halls for the conduction of the session. Few small halls were also there for other activities and smooth conduction of the sessions. Free papers, Award paper session, derma quiz and a dedicated YUVADERMA session were also there. We also put dedicated session on Practice Management, Leprosy, and sexual disorder. IADVL Academy took 2 sessions on vasculitis and therapeutic & investigative dermatology (90 min. each). PG thesis award session was also conducted and the total no. of participants was 10. There was also e-poster award. On 23rd our national IADVL President Dr P Narshima Rao presented IADVL the theme of the year 2019, which was followed by inaugural session. In inaugural session the Chief Guest was DR P Narshima Rao, Guest of honour was Dr Ramesh Bhatt, and special guest was Dr Shashi Kumar BM and Dr Bhumes K Katkam. In the valedictory the chief guest was Dr Sashi Kumar BM on 25th August 2019

Approx 350 delegates attended the conference. 1 faculty dinner & 2 gala dinners were given. On 23rd Aug 2019 Keka Ghoshal Night was organised and on 24th Aug 2019 Bhavya Pandit night was a great show. On 25th morning under the leadership of National IADVL President Dr P Narshima Rao, we organised "Prabhat Pheri" cum awareness walk for the IADVL theme of the year "Fight the Topical Steroid Misuse" from Hotel Maurya to the Venue.

Till date we have returned the seed money along with few saved amount. The final audit is going on with the auditor of national IADVL. All the money was receive on account only either by cheque, draft or by NEFT as per the national IADVL guidelines. The final audit is expected to complete within 2 -3 days. As soon as I will receive the complete data will be sending to national IADVL. Dr Abhishek Kr. Jha will produce the Treasurer report at Pune DERMACOM 2020. IADVL Bihar is committed for the transparent and early submission of the treasurer report.

All the events were well focused on the print as well as electronic media.

Again IADVL express gratitude towards National IADVL Executive Committee, Central Committee, and IADVL Academy, Finance committee, SIG members, MID DERMACON 2019 Executive Committee, IADVL Bihar members, all supporting staff and individuals (Including media) for their constant guidance, support and blessings. IADVL Bihar is committed to do best in future... LONG LIVE IADVL!

PROPOSALS for Combined Central council & AGBM MEETING 2020

DERMACON 2020 PUNE

CLOSING YEAR 2019:

DATE: THURSDAY 30TH JANUARY 2020 | Time: 12 pm -5 pm

PROPOSAL NO 1:

Name of proposer/s: (5+1 members)

Feroz K (LM/K/3383), Rakesh SV (LM/K/ 4116), Salim T (LM/K/3344), Faizal MM (LM/K/4122), Anuradha KB (LM/K/4853), David Pudukadan (LM/K/4118)

Is any one of the proposer members of CC? Yes

Is it related to administrative/policy/constitutional (select one) OR I/we are not able to classify and accept ECs view : Constitutional

How will it help IADVL? Brief introduction.

One of the conditions of eligibility for the post of IADVL Joint Secretary is that he/she must have been actively involved in the affairs of the Association in an official capacity either at the Central level or at the Branch / Combined Branch level or a Central Council Member from a Branch for a minimum period of TWO YEARS either continuous or with breaks. In most of the states CC member posts are reserved for seniors or honorary for past national office bearers due to which members who are relatively young may not get a chance to become a CC member. As a result, many young, dynamic and capable members might lose their eligibility to contest for the post of Joint Secretary in IADVL election. For this reason the number of nominations for this prestigious post is declining .Hence a modification of the conditions of eligibility should be considered

If constitutional – will it replace existing clause? Or modify? Give detail of the clause – page no. and clause no.

Part I Rules and Regulations, Pages 36 – 37, Clause 24 Conditions of eligibility for office bearers, Sub clause d

(d) Joint Secretary

(i) Should be member of the Association in good standing for the previous five years during which he or she must have no outstanding dues to the Association

(ii) Should have a minimum experience of five years in the specialty of dermatology, venereology and/or leprology after having taken his or her postgraduate qualification in the specialty.

(iii) Should be exclusively engaged in the practice, teaching and/ or research of the specialities of dermatology, venereology and/or leprology.

(iv) *Must have been actively involved in the affairs of the Association in an official capacity either at the central level or at the branch/combined branch level or a Central Council Member from a branch for a minimum period of two years either continuously or with a break.*

Proposal:

Part I Rules and Regulations, Pages 36 – 37, Clause 24 Conditions of eligibility for office bearers, Sub clause d (iv) in IADVL Constitution to be modified as:

Must have been actively involved in the affairs of the Association in an official capacity either at the central level or at the branch/combined branch level or a State Council / Central Council Member from a branch for a minimum period of two years either continuously or with a break.

Do you think this needs referral to any specific committee?

Yes, Constitution committee

PROPOSAL NO 2:

Name of proposers: Dr. Venkataram Mysore LM/KN/3211, Rashmi Sarkar(LM/ND/1543), Koushik Lahiri(LM/WB/2503), Deepak parikh(LM/M/852), Shyam Verma(LM/G/526), Suresh Joshipura(LM/G/409)

Proposal : DERMACON INTERNATIONAL needs separate proposals as mentioned below

Background: It has already been passed that DERAOCN INTERNATIONAL WILL BE ORGANIZED ONCE IN 4 YEARS, IN THE YEAR OF WCD. NEXT ONE IS IN 2023. These proposals are made in the light of experience gained during the DERMACON INTERNATIONAL IN BANGALORE . DERMACON INTERNATIONAL needs a venue which suits international travel, hotels, and other requirements. It also needs marketing on social media and the program should time and hall for international sessions. These may require additional organization , expertise and expenditure. Since we are developing DERMACON INTERNATIONAL LIKE EADV AND AAD, additional SOPs are needed

How will it help IADVL? It will lead to better organization of DERMACON INTERNATIONAL smoothly
If constitutional – will it replace existing clause? Or modify? This is not constitutional- this will only be added to SOPs.

Proposal: 1. The election announcement will be named as DERMACON INTERNATIONAL

2. THE VENUE which is proposed for DERMACON INTERNATIONAL SHOULD HAVE PROPER BUILDING AND NOT NEED TOO MANY TENTS. It should befit an international congress. Smaller cities with smaller venues, without international airport, limited number of hotels are not suitable

3. The city should have access for international air travel AND It should have adequate number of five star hotels to cater for international delegates

4. It should have delegate fee in Dollars for international delegates

5. Scientific program should have a hall for international sessions, time for international quiz, international free paper session, International quiz

6. International scholarships also need to be awarded to encourage delegates

7. It needs separate social media marketing and a budget is needed for the same by IADVL HQ

8. The bidding team needs to understand these requirements.

9. An international coordinator needs to be appointed by the local organizing team who will work closely with international liason cell to ensure success. This will be named in the submission of the bid along with org chair, org secy and scientific chair and later approved in the general body

10. Venue inspection team will inspect in the light of above requirements.

These will be implemented in the election for 2023 DERMACON INTERNATIONAL to be held in 2020 . Hence it needs to be approved now.

PROPOSAL NO 3:

IADVL association with other countries Dermatology association as member societies

Name of proposer/s: P Narasimha Rao(LM/TS/134), Dr Shashikumar B M (LM/KN/5241), Dr Umashankar Nagaraju(LM/KN/3455), Dr Ramesh Bhat (LM/KN/2051), Dr Kiran Godse (LM/M/701), and others

Proposal : Affiliation of other county societies as IADVL member societies

Background: IADVL is one of the fast-growing associations and known for its academic and administrative excellence. Many regional countries like Afghanistan wants to get associated with us and desires to improve Dermatology on their counties, and I fact we received a request on these lines from

Afghanistan. Currently, IADVL is accepting or not offering affiliate member society status to other 'country dermatology societies'.

We proposed that IADVL should grant /offer those dermatology societies a 'affiliate members societies status' and encourage them to take part our national conferences, apart from providing them academic and administrative inputs /scholarships.

No financial implication from us and on contrary IADVL can charge for such the affiliation in principle.

Proposal: Request cc to considering initiating/ granting 'IADVL affiliate member status' to 'country dermatology associations' of Asia and Africa or any one else, who approach us. Modalities can be worked out once the proposal is agreed in principle.

How will it help IADVL? It will help IADVL to grow both regionally and globally. And we can provide assistance these smaller societies to grow further.

If constitutional – will it replace existing clause? Or modify? Yes. It is a new initiative

PROPOSAL NO 4:

Name of proposer/s-6(1+5) members: Ramesh Bhat M LM/KN/2051, Kiran Godse, LM/M/701, Jayadev Betkerur LM/KN/2009, Feroz K LM/K/3383, Rakesh SV LM/K/4116, Umashankar LM/KN/3455, Shashikumar B LM/KN/5241

Is any one of the proposer members of CC?- Yes -all

It is related to- constitutional

How will it help IADVL? – IADVL Growth across the globe

If constitutional – will it replace existing clause? Or modify? Give detail of the clause – page no. and clause no– NEW-Constitution

Proposal: *Proposal for overseas chapters*

1-The Organisation be named as UAE Chapter/ MUSCAT Chapter/USA Chapter of overseas division of IADVL

2. They will follow the same constitution.

3.It should be permitted with a minimum of 15 life members or 75% of the existing IADVL in that particular country

Only one chapter will be allowed per country.

In cases of large countries there can be subchapters with the permission of IADVL.

All necessary legal provisions of that country will need to be fulfilled prior to initiation of the chapter.

4. It can be a working group for Academic purpose or can have Registration if required as per the countries rules and regulations.

5. The mission should be to promote Academic excellence in dermatology amongst the locals and work not only for the professional growth of the fraternity but also collaborate with the local organisations in a way to spread knowledge and brotherhood within the country.

6. There Would be no disturbance to the original memberships of IADVL of the overseas members as many of these members work there only temporarily for few years and either return back or change countries.

In case a member shifts from one country to another, the existing overseas membership of that chapter will cease. And if the new country have an Overseas branch of IADVL, he or she can take a transfer to the branch through Hon Secretary General after obtaining an NOC from the existing branch.

Non IADVL members will not be part of these chapters.

7. The overseas membership should be separate in addition to the life membership of IADVL and would be country specific

and local funds should be managed by the overseas branch .

8. The Overseas members are not eligible to hold any office bearer posts in IADVL (National and state) by virtue of their overseas membership.

9.Overseas Chapter can host CMEs, IADVL events and the official MOU if required has to be followed wherever necessary. Overseas chapters can contribute to IADVL towards Donation/Academic Grant/ Sponsorship.

10. IADVL will not be responsible for any local legal problems and financial loss.

11.IADVL may have annual meeting with the oversease Chapters during DERMACON.

Do you think this needs referral to any specific committee? – Constituional Committee

Please note that EC may decide to refer if it thinks it is necessary.

PROPOSAL NO 5:

Name of proposer/s: Dr Bhushan Kumar LM/P/1615, Dr Sunil Dogra LM/P/3954, Dr Sujai Suneetha LM/TS/3097, Dr Tarun Narang LM/P/4308, Dr Santoshdev Rathod LM/G/5268 and P Narasimha Rao LM/TS 134

Preamble: The International Leprosy Congress (ILC) is held every three years in different parts of the world. The ILC is an opportunity for scientists, researchers, health staff, partners and individuals affected by leprosy to interact, discuss and share experiences in a variety of fields related to leprosy. The 20th ILC was held from 10-13, September 2019 at Manila, Philippines at which there was good representation from IADVL members with many research presentations. The proposal to bid to host the next ILC in 2022 in India was approved at the CC meet – IADVL (August 2019) and it was coupled with the concordance of Indian Association of Leprologists and Central leprosy division, Govt of India. The proposal to hold the next ILC in India was accepted by the International Leprosy Association (ILA). At the concluding ceremony of the congress the symbolic 'Key' to hold the next ILC was handed over to the President of IADVL Dr. P Narasimha Rao at Manila. As India shares more than 60% of the global leprosy burden, there was a great sense of expectation from all regional NGOS and various ILEP organizations in awarding this congress to India and for IADVL to take a lead. It would befitting that IADVL contributes whole heartedly to organize this prestigious congress in our country.

Proposal to GB: We propose that:

That IADVL will take a leading role in planning and organizing the 21st ILC in India in 2022; which is to be hosted under aegis of International leprosy association (ILA) with the support of IAL and other major stake holders of leprosy in India.

We propose a core coordinating and organising team from IADVL for ILC consisting of – Dr. V M Katoch, Dr. P Narasimha Rao, Dr Bhushan Kumar, Dr. Sunil Dogra, Dr. Sujai Suneetha, Dr Tarun Narang, Dr. Santoshdev Rathod, along with the President and Secretary General of IADVL as ex officio members., to coordinate with ILA and other associations/ organisations, including CLD, Govt of India, for planning for the ILC.

An amount of Rs. 10 Lakhs as grants & 40 Lakhs as seed money to be given by IADVL towards the planning of the congress.

It is proposed that the ILC 2022 may be held during last quarter of year 2022 at Mahatma Mandir, an international convention centre, Gandhi Nagar, Gujarat, as it was found most suitable. The IADVL Gujarat has extended full support to this proposal.

Proposal:

An IADVL Benevolent Fund, to extend solace and support to IADVL members who have undergone the misfortune of being afflicted by serious disability/ prolonged. The disability or ailment may be due to diseases or mishaps that are not self-inflicted. The fund needs to be created with an initial corpus. The intent of the fund is to provide emotional and financial assistance and a helping hand at a critical time. This will also assure members the support and good wishes of the entire IADVL family. This initiative will strengthen the bond between the members and IADVL, making our association more popular and purposeful.

Hence the objectives of this initiative will be to provide financial assistance to the deserving members in the case of invalidation or in the event of their suffering any injury or physical disability or unforeseen misfortunes like prolonged sickness leading to premature retirement

Every bonafide IADVL member should be eligible for the fund. The modalities of request for the fund, its allotment and disbursement need to be ascertained. A comprehensive list of disabilities/ ailments eligible for the fund need to be approved by the EC and General Body of IADVL. The list could include serious disabilities like stroke (resulting in paralysis), renal failure (chronic), blindness, amputation of a limb, major organ transplant (renal, hepatic or cardiac), major burns (greater than 50%) and any other medical conditions deemed to result in a permanent/ partial disability. EC should constitute a committee of experts to catalogue all ailments which could be eligible for the fund.

Further this committee should formulate:

Requisites in the application form

Modalities of disbursement

Checks and balances for audit purpose

Statutory/ legal/income tax compliance strategies

The recommendation for this fund to the deserving members shall be forwarded through the concerned State Secretary.

The support extended will be in the form of a one-time payment for IADVL members with the defined permanent or partial disability/ ailment. This would range from Rs. 50,000 to Rs. 2,00,000 as per the guidelines set by the expert committee. The processing of the IADVL Benevolent Fund will be reassessed after a year with better understanding of the requirements of our members.

How will it help IADVL?Proposal for an IADVL YUVA Cell to bridge an existent gap between the executive echelons, management and the youth, based on the peculiar problems faced by the later. The YUVA Cell will promote collective decision-making and enthusiastic participation by the youth, completely under the aegis of IADVL. More involvement of the youth to foster the objectives of IADVL will accelerate the momentum of IADVL activities. This shall also give youngsters an opportunity to serve IADVL through the executive umbrella. YUVA Cell shall develop a pool of potential talents which could be channelized for the betterment of IADVL.

If constitutional – will it replace existing clause? Or modify? Give detail of the clause

Proposal: We, herein, propose an IADVL YUVA Cell to bridge an existent gap between the executive echelons, management and the youth, based on the peculiar problems faced by the later. These include lack of career progression, employment opportunities, lack of direction and focus, negative stereotyping, just to name a few. We propose to create a cell dedicated to address these issues, hone and channelize young energy and infuse more youth into IADVL. The same would be facilitated by targeted conferences, youth-centric sessions at zonal conferences, meritorious selection procedures, a quarterly magazine addressing issues that young consultants face(including practice management and medico-legal issues) and using social media in the best possible manner to provide IADVL with a multi-platform presence, which the youth are adept at.

How will it help IADVL? Brief introduction

Publication is an important criteria for selection for all IADVL activities/ projects like research grants/ SIG, Academy membership / Authorship/ Editorship/ Awards/ Oration etc. There are only a few publication platforms for aspiring young PG residents. Needless to state, publications attract more weightage while seeking jobs/ fellowships/ scholarships/ observer-ships. A good publication list adds onto building up a vibrant resume as well.

IADVL should provide a stage for upcoming dermatologists during their formative days. This initiative will make IADVL more popular and fraternity friendly.

IADVL should provide a stage for upcoming dermatologists during their formative days. This initiative will make IADVL more popular and fraternity friendly.

Facts:

Approximately 300 Medical Colleges in India offer PG DVL degree

Number of PG residents: 300×2.5 (2 to 3 registrations per institute) = 750(This can increase to more than 1000)

Total number of PG = $750 \times 3 = 2250$

Number of PG Teachers $300 \times 3 = 900$

Total number of PG Residents + PG Teachers (2250+900) = 3150

Roughly, 20 to 25% of IADVL members are in need of publication

IADVL has acceptance rate of less than 10 %

Hence there is huge gap in available resource to actual demand where IADVL should intervene to make the association more relevant and accessible. This may be possible by initiating our own journal exclusively for PG residents. This will also pave way for sharing academic knowledge from teaching institutions with practicing dermatologists

How will it help IADVL? Brief introduction.

Urticaria day is celebrated since 2016 by UNEV (urticaria network) and GA2LEN to increase awareness of urticarial as a chronic disease. Urticaria affects one percent of population. IADVL is a part of GA2LEN activities like guidelines and ucare centres of excellence (at DY Patil hospital and PGI Chandigarh).

This will give IADVL and India prominent place in various campaigns by GA2LEN (GLOBAL ALLERGY AND ASTHMA EUROPEAN NETWORK)

GA²LEN, the Global Allergy and Asthma European Network, has recently launched a programme for the development, interaction and accreditation of centers of reference and excellence in special areas of allergy embedded in its overall quality management of allergy centres of excellence. The first area chosen is urticaria. Urticaria is a common and debilitating condition and can be a challenge for both patients and treating physicians, especially when chronic. Centers of reference and excellence in urticaria (UCAREs) can help to improve the management of hard to treat conditions such as urticaria.

Proposal: (It should be properly drafted)

IADVL should actively celebrate world urticaria day on 1st October to raise awareness about this chronic disease.

How will it help IADVL? Brief introduction – Simplifies e voting and makes it more member friendly.

Pertains to Rules and Regulations No. 25

Last date for registration as E voter: 31st August

Back ground:

Currently the registration of e voters is stopped well before almost 6 weeks prior to the start of voting.

This has no justification. The current rule results in denial of voting rights to eligible life members if they realize close to the date of voting that they are not registered as e voters.

Many members confuse registration as IADVL member online with registration as e voter. This needs to be simplified.

Proposal:

Registration as e voter of an eligible life member should be allowed till 48 hours prior to start of voting since it is an online procedure and the e voter list can be constantly updated.

Life members who register online at IADVL website should automatically be taken as e voters instead of being asked to register again as e voters. This makes it simpler and does not deny any life member the right to vote.

The period of online voting needs to be decreased to 2- 4 weeks instead of current 6 weeks.

Start date for online voting may be kept as 15th Nov. – 30th Nov. This is necessary because by convention many conferences take place in the last few weeks of November and December. Delaying the dates of voting gives the candidates a chance to attend these meetings.

May discontinue physical copies of IADVL Journal to those who DO NOT WANT it. May get a feedback from members asking for option (physical or on mail)

In these times of AI, it would be well advised to have algorithms for management of different disease states approved and finalized by IADVL for all to follow. With these in place a lot of litigation can be avoided and patients be managed in a standard way.

How will it help IADVL? IADVL is one of the largest Dermatology Related Body of Doctors with over 10,000 members and counting. It is the largest and the most important dermatology association in the body providing guidance, teaching and help to all dermatologist of the country. There are more than 500 CPS DDV holder practicing in rural and urban areas of Maharashtra. Their inclusion can further strengthen the organization

DDV diploma by The College of Physicians and Surgeons of Mumbai (a 100+ year old institution) is a degree which is recognized by Maharashtra Medical Council, Gujrat Medical Council, Orissa Medical Council and Rajasthan Medical Council.

We would like to highlight that it is a 2-year course. It is taught in MCI recognized institutions and the guides are also guides for MD / DVD(L) courses many of the guides and teachers for these students are senior reputed good standing members of dermatology and in IADVL.

The admission for these courses is done through NEET only.

Another course FCPS offered by the same institute is MCI recognized.

As the doctors who hold this degree are LEGALLY allowed to practice dermatology in the respective states, we feel it is imperative to grant them standing as LIFE MEMBERS in one of the largest Dermatology association of the world.

It is also to be noted that a dermatologist in one state cannot cease to be a dermatologist as soon as he/she crosses a state border.

Due to existing recognition in many states it is important to give life membership to these doctors so that they can give their service to the organization.

The General Body of Maharashtra IADVL branch passed a unanimous resolution in Annual GBM at CUTICON 2019 to appeal to IADVL national executive to accept them as life members and carry out the necessary changes in the constitution. And to give LIFE MEMBERSHIP to courses which are legally recognized by a state medical council after due proof is submitted by the applicant.

IADVL constitution: Page number: 9; Clause Number 4(a)

Proposal: (It should be properly drafted)

We recommend the following change in the constitution:

The eligibility criteria for becoming a life member of the Association shall be a postgraduate qualification in the speciality (i.e. a diploma or a degree in Dermatology or Dermatology, Venereology and Leprosy) from a medical college affiliated to and awarded by an Indian University or an institution recognized by the Medical Council of India (MCI) or an equivalent organization of the Government of India *or a degree or diploma granted by an Indian University or Institution and are recognized by the respective State Medical Council (after submission of proof of recognition)*; or a Diploma in Dermatology or Dermatology and Venereology of the National Board of Medical Examinations, New Delhi. Others with foreign degrees or diplomas or equivalent qualifications should have their qualifications recognized by the MCI or an equivalent organization of the Government of India to become eligible. However, in the states of Andhra Pradesh, Tamil Nadu and Pondicherry (where presently only a combined degree or diploma in Dermatology, Venereology and Leprosy is awarded), those who had acquired a postgraduate qualification (a degree or a diploma) in the specialties of Dermatology or Venereology or Leprosy will continue to be eligible to become life members of the Association.

The cutoff year can be taken as 1980 or so when Indian Universities started honoring Diploma and Degree as per MCI guidelines. This will reduce confusion as who can vote and become office bearer, also will help the state secretaries to segregate the applications for membership.

It should be made mandatory for every member to submit state medical council certificate at regular intervals to state secretary and to the National Headquarters

How will it help IADVL? Brief introduction. Off late, it has become extremely difficult to raise funds from pharma companies. More and more pharmas are inclined to favor individual delegates by registration, accommodation and air fare, howsoever junior he may be. So their budget gets diverted towards individual doctor than the DERMACON organizers. Pharmas are contributing less than 50% than what they were contributing previously. With this policy local organizers find it difficult to meet the finances and the proposed budget for DERMACON. Situation becomes embarrassing when the expenses become clearer but not the income. My proposal is -

25% of the proposed fund should be raised by Central IADVL (Not including the seed money)

25% of the proposed fund should be raised by State IADVL in which DERMACON is being held

50% of the proposed fund should be raised by the local organizers.

Though holding DERMACON is a pride of State branch as well as local organizers, this will reduce the burden of meeting the budget tremendously and they will be able to concentrate on academic and other administrative points.

How will it help IADVL? Brief introduction. Selecting and satisfying the faculty for various sessions is a tough task. Last minute replacement of speakers is even tougher.

It affects the quality of scientific content and adds to the anxiety of organisers.

Some members show keen interest in the beginning but backout at the last moment for very trivial reasons. This disturbs the flow of the sessions and has negative impact on the structure of scientific programme.

Genuine unforeseen reasons are acceptable and beyond our control

My proposal-We should take disciplinary action against the members who back out 2 months prior to conference without any valid reason

They should not be allowed to present for next 2 years during DERMACON

This will facilitate smooth running of the conference and avoid last minute changes in the scientific agenda which affects the quality of the content.

How will it help IADVL?

It is has been an emerging perception among young and senior members of IADVL that there has been a surfeit of conferences, CMEs, Congresses, workshops, etc in the past two years. There are situations where conferences clash among themselves and that leads to sharing of faculty and in many cases faculty fatigue and drop outs. There seems to be a steady attrition of audience participation and presence in halls due to the perceived excess of conferences sans a corresponding improvement in content quality. This will work detrimental to the ultimate purpose of IADVL as an academic collective. Various members have been vocal about this in various social media and same has led the proposers to make the forthcoming suggestions.

If constitutional – will it replace existing clause? Or modify? Give detail of the clause – page no. and clause no. –not applicable

Proposal:

DERMAZONES – DERMAZONES to be reduced to once every two years with two zones conducting their zonal conferences in a year. For eg. North and West Zones conducting conferences in odd numbered years and South and East Zone conducting in even numbered years.

MIDCUTICONS and MIDDERMACON – It is proposed that the same may hitherto be discontinued DERMACONS/DERMAZONES academic content – The tendency to include all topics in every edition of DERMACON needs to be eschewed. The same may be ensured by broadbased plans made by IADVL Conference reforms Task Force in consultation with IADVL Academy which can be conveyed to the DERMACON/DERMAZONE organisers for implementation at their end. These plans shall be broadbased and shall not involve speaker selection which is the exclusive ambit of the Conference Scientific Committee.

AGGLOMERATION OF SIG ACTIVITIES – Multiple SIGs can combine their programs into one event to avoid too many events and too many faculty getting divided among centres. These can be 2 day events or one day event with half day devoted for one SIG each. The same will also facilitate combining events of sponsor deficient SIGs with sponsorship rich SIGs. This will facilitate event reduction

LIAISON OF TASK FORCE with sister societies and parallel academic dermatologic bodies. Another reason for both faculty and audience attrition is multiple events being organized by non IADVL bodies clashing with IADVL activities causing multiple vents to coincide often in same/different cities. The Task Force shall build bridges with these non IADVL organisations and mutually plan consensually to prepone/advance events in case of such coincident dates. They will convey IADVL event dates to the functionaries of these bodies well in time and will endeavor to avoid event clashes as far as is possible.

Is any one of the proposer members of CC - YES

Is it related to constitution: yes

How will it help IADVL: WE SHOULD WORK TOWARDS CONNECTING TO COMMON MEMBER OF IADVL . THEY SHOULD HAVE A CHANCE TO PARTICIPATE IN DAY TO DAY IADVL AFFAIRS WHILE PARTICIPATING IN AGBM IN CURRENT SITUATION. AGBM IS CONDUCTED IN A SIDE HALL WITH FEW MEMBERS AND OFFICE BEARERS.

If constitutional – will it replace existing clause? Or modify? Give detail of the clause – page no. and clause no. : NO

Proposal: (It should be properly drafted): THERE SHOULD BE NO PARALLEL SESSIONS TO GBM. GBM SHOULD BE HELD IN THE MAIN/LARGEST HALL OF THE CONFERENCE. WE SHOULD BRING IT TO THE FRONT TO INVOLVE COMMON MEMBERS. THERE SHOULD BE NO PARALLEL SESSIONS TO GBM ANYWHERE IN THE VENUE. IT SHOULD BE THE SOLO EVENT AT THAT MOMENT OF TIME BE IT THE LAST EVENT OF THE DAY.

Do you think this needs referral to any specific committee: NO

Please note that EC may decide to refer if it thinks it is necessary.

PROPOSAL NO 11:

Name of proposer/s-6(1+5) members:

Dr Rashmi Sarkar(LM/ND/1543),Dr Venkataram Mysore(LM/KN/3211),Dr Suresh Joshipura(LM/G/904),Dr Shyam Verma(LM/G/526),Dr Rashmikant Shah(LM/M/797),Dr Saloni Katoch(LM/NE/8027)

Is any one of the proposer members of CC?

Is it related to administrative/policy/constitutional (select one) OR I/we are not able to classify and accept ECs view

How will it help IADVL? Brief introduction.

The IADVL started an International Liason Cell ,now called International Liason Committee in 2015.It needs a roadmap and so some missions and visions were suggested by discussion with the committee and need to be in place,in addition to original proposal.

The objectives were:

a. Establish a continuing relationship on a regular basis with all national dermatological societies b. Establish programs of mutual benefit such as scholarships, training, sister society sessions during national congresses

If constitutional – will it replace existing clause? Or modify? Give detail of the clause – page no. and clause no.

It could be administrative or constitutional

Proposal: (It should be properly drafted)

In order to provide a roadmap to the IADVL International Liason Committee,the mission and vision in addition to objectivess is proposed for the future:

Mission:1.IADVL should build on building relations and sharing knowledge and literature with global societies over the next few years.

2.Propogate IADVL at all platforms by all individuals who have a chance to do so.

Vision: 1.To increase our global imprint over the world.

2.Facilitating better understanding of the dark skin.

Do you think this needs referral to any specific committee?

Please note that EC may decide to refer if it thinks it is necessary.

We leave it to the EC to decide but this may need incorporating in the Constitution.

PROPOSAL NO 12:

Modifications of election rules in the light of the experience during conduct of 2019 elections

Dr Venkataram Mysore (LM/KN/3211), Dr Suresh Joshipura (LM/G/904), Dr Jayadev Betkerur

(LM/KN/2009), Dr Kiran Godse(LM/M/701), Dr Ramesh Bhat(LM/KN/2051), Dr Arijit

Coondoo(LM/WB/2364), Dr Suresh Talwar(LM/UP/2329), Dr Rashmi Sarkar(LM/ND/1543)

Back ground:We have observed during the election process 2019 that there are several Lacunae in the election process which we propose to rectify through the following proposals. Some of these proposals are new additions ; others are modifications.

Are they constitutional? Some are constitutional – others are administrative. So pl. refer them to constitution committee

Information about bidding cities:

Background: It was noticed that adequate information about cities and venues are not made available to the voter to make an informed choice. Currently the 200 word CV is not adequate for cities. Team details (their experience and eligibility) are not given. Also, the scrutiny and adequacy of the venue is now assessed after election is over. Hence:

Proposal: A. Venue: full details about space, no of halls with seating capacity space for exhibition, lunch, proposed venues for dinners should be disclosed with photos. *Videos of venue and websites of venue are to be supplied mandatorily.* Previous conferences organized at the venue with details should be mentioned . All these information along with Full bidding document and the Budget including the proposed registration fee to be uploaded on to the voting site. SOP Committe to redesign a form for this by March 2020 so that it can be used for the next elections

B) The team Details are vital and should given in detail. *As applicable to executive committee, members of same family (first degree) can not occupy four key positions in organizing committee ; org chair, secretary general, treasurer and scientific chair*

Organizing team consisting of org chair, secretary general, treasurer, and scientific chair should provide their membership Details, place of Residence and practice, experience as dermatologist and iadvl member, Previous organizing experience in conferences and administration in IADVL . Their conflicts should be declared as above.

c) Each bidding city for both dermacon and middermacon should make a presentation to CCM similar to the presidential candidates. They should each be given 10 minutes each for this.

Candidate eligibility: Background: Eligibility depends on years of experience, place of practice and previous positions. This information is presently given in an inadequate way and the election office has to seek several clarifications to ascertain the facts.

Proposal:The secretary of state branch should certify in a specific letter about each candidate's Membership duration, place of residence and practice, specific previous positions and dates these positions. Position should mean Elected position- president, secretary, treasurer, vice president, joint

secretary, and executive committee member. Membership of committees, positions in conferences, advisor positions are not eligible. Some states are using the term managing committee member (which may be appointed member) - this is not acceptable. All state branches should use the same terminologies as in the constitution.

Canvassing :Background: The current provisions state that canvassing on official E groups are not allowed. This is redundant due to technology. The following are needed:

Proposals:

Whatsapp groups need to be included in official groups

A definition is needed as to what is official group: Official group is a group which is constituted for purpose of IADVL administration, either by secretary/treasurer /SIG/academy /any other committee /taskforce at state or central level.

The nomenclature should mandatorily include the term IADVL/state branch name for easy recognition Eg. IADVL/finance. IADVL/KN/practitioner. No other private group is allowed to use IADVL/branch name for its name

As mentioned in the constitution, CV of the candidates and cities are to be announced by the secretary general of center and states on these official whatsapp groups in official E groups

Since it is in IADVL interest that best candidates and the best cities win, adequate information should be provided by IADVL itself. SO the CVs should be placed in all official groups by the secretary generals of state and center, multiple times; every month on a fixed day starting from august to november

Canvassing by individual candidates on these groups is not allowed; however, in case of bidding cities, the concerned state can use its official group for motivating its members about the city as the bid for the city is an official bid approved by AGBM

5. Complaints: Background: Currently complaints are being made casually on whatsapp messages to the election officer. We need to have a process to lodge a complaint

Proposal: All complaints should be made by email. Each complaint should provide complete information mentioning :

Who is the complainant and his membership details

What is the complaint

Who is the violator, what is his position

What is the violation, full details need to be provided

which clause of the constitution is violated

These need to be sent both to returning officer and election officer

On receipt the Returning officer will acknowledge within 12 hours

A decision will be taken within 48 hours and communicated

If the decision is not possible in that time, then the same will be communicated to the complainant , mentioning more time is needed.

6. Violation of code of conduct by general members: Background: Currently, there is no provision for punishment for violation of the code by a member; it is there only for candidates. During this election, it was noticed that other members were violating the code during canvassing

Proposal: If a general member who is not candidate, violates code of conduct, then the election office can take the following actions against such members depending on the seriousness of the offence

A. Warning privately

B warning publicly

C. Removing his name from all official groups

D. Recommending any of the following actions to be taken by the agbm:

Barring him from casting his vote/holding any position in any committee/ Barring him from contesting elections for any period Suspending from membership

7. Disrespect towards election officer and returning officer: Background: Currently the constitution only states the election officer opinion should be treated with respect. It does not state the action if he shows disrespect

Proposal: The election officer can take the following actions against a candidate or member

A. Warning privately

B warning publicly

C. Removing him from all official groups

D. Recommending any of the following actions to be taken by the agbm: Barring him from casting his vote/holding any position in any committee/ Barring him from contesting elections for any period Suspending from membership

8.E voter registration: Back ground: Currently the registration of life members for evoting is stopped 6 weeks prior. This denies voting rights to eligible members. Since current technology is advanced, 6 weeks is too long a time

Proposal: Evoting registration of eligible life members be allowed till one week prior to the voting day

9. Disclosures of conflict by candidates: Background: It was noticed that as many as 5 candidates had conflicts with respect to conferences as organizers. This is a worrying sign as it can affect functioning of EC if many EC members get busy in organizing congresses. Also, Right now, declaration of conflicts is being done very casually- and cursorily. It was observed that the declaration was not clear. AGBM needs to consider this issue. While barring other posts is one solution, that may deter people with talent from contesting. We propose that:

Proposal: a)It is expected that office bearers in key positions denote their full attention on administration of IADVL EC/organizing dermacon or middermacon. Full commitment for one year is expected.

b)Each type of conflict- other association/organization, conference, pharma- need to be declared explicitly in a separate form. The form also should state that they will resign from those positions (see below) on election

c) In case of cities, the conflicts need to be declared by the Organizing Chair, Secretary, Treasurer and scientific Chair

c)These are be uploaded on website and should be visible on clicking by voters

Since secretary and treasurer hold twoyear terms, they should declare their conflicts annually to the EC and to AGBM.

If in any situation that an office bearer wishes to organize an event during his/her term, appropriate approval must be taken from EC and the same needs to communicated to CCM

PROPOSAL NO 13:

Name of proposer/s-6(1+5) members:

Dr. Sudip Das [LM/WB/3322],Dr. Satyendra Nath Chowdhury[LM/WB/2524],Dr. Sandipan Dhar [LM/WB/2446],Dr. Koushik Lahiri [LM/WB/2503],Dr. Abhishek De [LM/WB/5874],Dr. Siddhartha Das [LM/WB/2493]

Is any one of the proposer members of CC? – YES

Is it related to administrative/policy/constitutional (select one) OR I/we are not able to classify and accept ECs view

How will it help IADVL? Brief introduction.

Increase the prestige of IADVL to have footprint in international arena.

If constitutional – will it replace existing clause? Or modify? Give detail of the clause – page no. and clause no.

Proposal:

IADVL WB wants to host WCD 2027 in kolkata.

Kolkata has Biswa Bangla Convention Centre and world class facility to hold an international conference. A team to organize & best of scientific are available with us to host international conference.

Do you think this needs referral to any specific committee?

Please note that EC may decide to refer if it thinks it is necessary.

If need be.

Elections IADVL

1) Dr Rajib Gogoi raised the query on GPA scheme – requested to send all information individually to all doctors and how to claim for the GPA scheme. Dr. P Narasimha Rao replied that we will work on it, that frequent reminders and mail shall be sent to all doctors, state president and secretary.

2) Dr Rajib Gogoi asked why 62% of IADVL members enrolled in GPA scheme – (Out of total 9098 Life members only 5000 members have only enrolled), Dr. P Narasimha Rao replied as all the information of members (Email id, Phone Numbers and address) is not available which is important for Insurance company to issue policy. He explained that all e-voters are enrolled for the policy and He assured to collect and enroll all IADVL Life members and that the manager of IADVL HQ will be given responsibility.

Secretary Report Passed which is proposed by Dr Rajib and seconded by Dr Shymanta.

Agenda: Financial Report - Dr Shashikumar BM, Hon. Treasurer

Start Timing: 03:15 pm

End Timing: 03:55 pm

Dr. Shashi kumar BM presented the treasurer's report (1st April to 31 August). He announced the increased IADVL accounts turnover to the tune of 25cr. He presented various income and expenditure report along with assets and liabilities.

Dr. VK Sharma has mentioned that ICD 2013 has transferred Ten lacs sixty five thousand three hundred to central IADVL this year. He requested the house to permit a travel grant of 5 lakhs to the members of organizing committee of ICD 2013 to attend the next ICD. This proposal was supported by Dr. Rashmi Sarkar and seconded by Dr. Suresh Talwar. The house has passed this proposal.

Dr. Shashi kumar BM highlighted various problems faced in MID DERMACON 2018 Kanyakumari accounting and auditing.

Problems Faced:

Not resending required data – tally data, proper GST bills

No bank statement produced

Expenses vouchers

TDS not deducted

Tally data not in order

The organizing secretary and treasurer (Dr. AGS Pravin and Dr. VB Selvan) were informed of the issues, reminded on whatsapp and mail with cc to EC, CFC chairman and IADVL TN president and secretary. The auditors were sent to Kanyakumari in order to collect the detailed data from Kanyakumari's office but they did not get full information from Kanyakumari. They did not provide proper records of income / expenditure / GST etc. of the branch and further did not provide bank statements, invoices to this effect. Treasurer briefed that the IADVL has only received affiliation money as per the MoU and had to spend 5 lakhs towards penalties of GST, TDS.

Dr. Suresh Talwar suggested that the 5-lakh deficiency to the central IADVL pertaining to the MIDDERMACON 2018 Kanyakumari must be paid by the state branch. Dr. Putta Srinivas suggested not to allot any conference to TN state branch till accounts is cleared and urged to bar MID DERMACON organizers (chairperson, secretary and treasurer) from holding any IADVL office, organize IADVL meetings

till the accounts are settled. This was supported by many others. Dr Kaleeshwaran, TN Secretary explained the efforts of IADVL TN EC to establishing communication with Dr AJS Pravin and requested the house to exempt state branch from such measures as they have not received any details of accounts as IADVL PAN and GST is used.

Dr. Rajesh Verma added that the conference is allotted to a State branch and action should be initiated on state branch. Dr P Narasimha Rao explained the allotment procedure to the house and explained that the conference was allotted to state not to the organizing committee. He directed the org. committee to send monthly financial report to CFC chair, treasurer, IADVL auditor, State president and secretary. He further urged other organizers – MIDDERMACON 2019, DERMACON 2020 to follow the same which is supported by all members. Dr P. Narasimha Rao read out the MoU signed for the said MID DERMACON.

After lengthy discussions amongst the CC members, it was recorded that the organizers of MIDDERMACON- 2018 have not submitted complete record of incomes/expenditures/GST etc. as per the MoU signed by them despite from all efforts from Tamil Nadu IADVL branch and National IADVL.

Meanwhile Dr Kaleeshwaran explained the house that the same issue has been tabulated in upcoming TN AGBM which is scheduled in coming week and requested a letter from IADVL to take necessary steps.

So, IADVL CC directed EC to send letter to state branch and direct the state branch to collect necessary accounts detail within 15days.

Dr. Shyamanta Barua narrated about the certain financial irregularities and breach of MOU which have been happening in few past years and he further suggested that penalty clause to be incorporated in MOU and further the organizers should be barred from organizing such conferences.

Dr Abhishek Jha suggested MoU should be registered to be legal. Dr P Narasimha Rao asked to Dr. Shashi Kumar BM, Treasurer to discuss on the same with IADVL Lawyer. Treasurer report was passed.

Agenda: Government liaison committee-Dr.Binod Khaitan

Start Timing: 03:54 pm

Agenda: E-voting 2019

Start Timing: 03:59 pm

End Timing: 04:10 pm

Dr.Kaleeswaran on behalf of Dr Vijay Zawar presented a brief report on e-voting procedure.

Dr P Narasimha Rao applauded IADVL Goa for 100% registration of E voter. Dr Sanjeev Handa commented on improper working of e- voting portal. President assured to have a separate Helpline number at IADVL HQ. Also, explained of having a dedicated whatsapp number for IADVL.

Agenda: IADVL Academy Report – Dr. K A Seetharam / Dr. Deepika Pandhi

Start Timing: 04:10 pm

End Timing: 04:35 pm

Academy report was presented by Dr KA Seetharam and Dr Deepika Pandhi. Dr. Deepika said that IADVL research received 42 application , 9 projects were selected during jury meeting on 29th June 2019 and spent more than 1 crore on IADVL research grant.

She explained on introduction of new observer ship centers in 2020 - 4 new centers applied (In the process of evaluation), all 24 existing centers are contacted for willingness for 2020, 2 withdrew,6 centers for 2020 were approved, Applications will be called for 2020 observship in sep2019 for these 28 centers. Further presented detailed report on the other activities of IADVL academy.

IADVL Academy along with EC has decided to give 12 scholarships of Rs.50000/- each to eligible IADVL members to attend ILS to be held at Manila, Phillipine. The house agreed for the same.

Academy chair and convenor updated on DNB fellowships. Dr Bhumesh and PNR explained the lack of interest from Govt. Medical college on starting dermatopathology fellowship. They explained on financial implication in starting fellowship like 2-lakh enrollment fee from National Board and minimum Rs 65000 monthly stipend. Dr. P. Narasimha Rao requested Dr. Bhumesh Kumar, Joint secretary to look it this rules and regulations and problems involved in starting such one year courses in medical colleges, in the place of existing senior resident posts with the Telengana DME office.

Dr. Seetharam explained in detail about omnicuris online lecture series.

Dr Jayadev Betkerur enquired whether 2 representatives of IADVL will be sent to attend SARAD. President agreed to act after going through earlier agreement.

Agenda: IADVL HQ- Progress Report – Dr Mukesh Girdhar

Start Timing: 04:35 pm

End Timing: 04:55 pm

HQ report was briefed by Dr Mukesh Girdhar. The HQ work could be started on 10th Dec 2018 and we did inauguration on 24th Feb 2019. The lamp lighting was done by Dr Dharam pal. Dr P Narasimha Rao told that holding all meeting in HQ (ACADEMY, SIG& Delhi branch also) Dr. Girdhar Introduced HQ employees and elaborated on their roles responsibilities of employees.

Dr. Ramesh Bhat said that Miss Jyoti to assist in academy work in HQ, all the work done by HQ Delhi, changing address, e voting registration done by HQ, Dr. Ramesh Bhat told that in future EC and HQ Committee members to visit once a month to the IADVL HQ. Dr. Shashi Kumar B M talked about IADVL HQ library, if any members can contribute memorable items with regard to IADVL, it will be stored in IADVL library, on the other hand Journals, E-voting, GPA scheme and other activities to be coordinated from HQ.

Agenda: DVL Welfare Trust: Proposed office & other agenda – Dr. Chetan Patel, DVL Welfare Trust

Start Timing: 04:55 pm

End Timing: 05:25 pm

Dr Chetan Patel presented the DVL welfare trust report. Dr Chetan Patil briefed on number of DVL welfare trust members and its interest to associate with legal MD global consulting service pvt. limited. Dr Sudip Das mentioned that more clarity and advertisement is needed to promote the DVL Welfare trust.

Dr Patel described about members decision to have a separate DVL office at Vadodara (Presently Dr Yogesh Marfatia's house is the registered office as per records). Dr Shyamanta Barua questioned whether its members were communicated for spending Rs 10 lakhs money for DVL HQ building at Vadodara as he has not received any communication being a member. Many objected to idea of having a separate office at Vadodara, instead suggested to show Vadodara as registered office and IADVL HQ to be used as corporate office to maintain records and for all communications. Dr Rajib Gogoi stated that CFC decided that DVL corporate office must be opened at HQ. It was decided that Dr Yogesh Marfatia to discuss with DVL Welfare trust EC on this matter.

Dr Patel wanted to return the seed money paid by IADVL in 2011 of Rs.5,00,000/- back to IADVL as the DVL welfare trust is in good position to return the money and offered a cheque for the same to the EC of IADVL. Dr P Narasimha Rao, president strongly objected to that offer to return the seed money given by IADVL, as no such decision was either discussed or communicated to National EC, as IADVL president, secretary and treasurer are the main members of DVL welfare trust executive committee, whose permission is needed for such actions. He expressed his displeasure on keeping IADVL EC and Finance committee uninformed on working of DVL welfare trust over years and urged to involve more IADVL Members pan India to have fresh ideas in making this trust better. While members appreciated Dr Chetan Patel's hard work in establishing and maintaining the trust, but many members felt that the trust affairs should be decentralized and shifted to IADVL HQ as its activities are not progressing as desired. Dr Yogesh Marfatia agreed to have a meeting with DVL trust members soon to propose a working plan.

Agenda: IADVL Finance Committee Report – Dr. Rajib Gogoi

Start Timing: 05:30 pm

End Timing: 05:40 pm

The report on CFC was presented by Dr Rajib Gogoi, Chairman, CFC.

Dr Gogoi stressed on sending accounts monthly to CFC chair, treasurer and auditor. President reminded earlier decision of sending the reports to respective state President and secretary. House expressed displeasure on the absence of Org Treasurer and urged to send reports with respect to bank statement, TDS, GST to concerned authorities by 5th of every month. Dr. Ramesh Bhat asked Dr. Shashi Kumar B M to send notice to Organising Committee, DERMACON 2020, if the said reports are not received on time. Dr Sharmila Patil brought to the notice of the house that such reports are not received by state secretary till now. Treasurer updated on MIDDERMACON 2019, Patna's accounts and their commitment in sending regular reports. House applauded the Patna team.

Dr Rajib Gogoi expressed how the unsettled financial problem that came up in 2011 to 2013 related to Mysuru needs to be settled early as the amount to be paid have reached one Cr from 40 lakh. Dr. Jayadev Betkerur, then treasurer, assured the house to bring a solution to said matter in next 15 days. While Dr P N Rao said that September should be the deadline.

Dr Gogoi conveyed the decision of CFC to the house to allocate from either president contingency amount or from the budget of IADVL academy, Rs 5 Lakh to be given as travel grant for max of 10

members attending International leprosy conference to be held at Manila in September 2019. IADVL academy to call for applications as it does for other travel grants and decide the eligible members.

Agenda: Journal Reports

IJDVL Report – Dr. Saumya Panda

IDOJ Report- Dr. Sunil Dogra

IJDVL journal report was presented by Dr Saumya Panda. The house applauded the efforts of editor and congratulated for high impact factor. Dr Saumya Panda reported the poor state of manuscript management system of Wolters Kluwer - Medknow Publications.

Challenges Ahead: a) The current publisher is unable to deliver b) The manuscript management system is on the verge of collapse. He presented two choices, either to remain with the same publisher with a different platform or Migrating to new publisher.

IDOJ Journal report was presented by Dr Sunil Dogra. State president and secretary list to be sent to IDOJ editor by Dr. Chitrlekha Keisham, Joint secretary so that hard copy of journal to be sent to all of them.

Agenda: Media Cell Report-Dr Dinesh Kumar Devaraj

Agenda: Mankind Issue

Start Timing: 06:05 pm

End Timing: 07:05pm

Dr P Narasimha Rao briefed the issue, mentioned on GB mandate.

Resolution passed in AGBM Jan 2019, IADVL will consider revoking the ban on the condition that Mankind will

Withdraw all Ringout -Plus stock from the market

They should also give in writing of its withdrawal and no further marketing of its signed by their highest ranking official.

They should also give a press statement to that effect

President explained that Mankind completed all three conditions and showed the house the advertisements and relevant letters. And wanted the opinion of the house.

Dr.Shyam varma suggest that Mankind to give apology letter to IADVL. Since it's a fresh demand , house took it up. And there was good discussion.

There was a lot of opposition by CC members against the removal of restrictions imposed by IADVL and many including Dr Shyam Varma, Dr Shymantha Barua, Dr Rajeev Sharma and Dr Soumya Panda expressed to continue the ban till next AGBM. However many members wished to lift the ban in view of Mankind's fulfillment of the GB mandate. As there was no consensus, President expressed to have a voting on this and Treasurer asked the house to raise the hands to express the opinion, which was later changed to secret/discrete enquiry for opinion.

Results of Voting done on MANKIND Issue : To continue Ban: 32. To lift the ban: 29

The matter was discussed in the house on 4th August morning at 10 30 am: While it was decided to defer the mankind issue till next AGM in the day before, however, many members discussed the need to end this impasse. President Dr P Narasimha Rao and ITATSA chairman Dr Shyam Verma discussed on this and agreed to have a meeting with Mankind managers along with select members of EC and ITATSA and work towards finalizing the issue of apology letter to bring this matter to conclusion early. Dr P Narasimha Rao proposed to arrange a meeting at Hyderabad. The house accepted their suggestion and gave them mandate to go ahead.

Agenda: IADVL Constitution Committee Report – Dr.Ameet Valia

Start Timing: 06:05 pm

End Timing: 07:30pm

A brief report was presented by Dr. Ameet Valia, Chairperson, IADVL Constitution Committee. The

Committee's opinion on the following matters, as sought, was sent to the IADVL Executive Committee:

IADVL Election 2019 circular, bylaws of the IADVL Odisha state branch, signatories to operate DERMACON bank accounts, protocol for resignation from the IADVL, and proposals to be discussed in the mid-year CC meeting.

The process of updating the Constitution was explained. The draft incorporating the changes made in the General Body meetings in 2019 along with the relevant minutes were sent to the IADVL Executive Committee, which in turn sent it to the Central Council members for comments. Any changes decided by

the CC would be included and the amended draft circulated to IADVL members for comments before placing in the CCM/GBM of the Closing Year in DERMACON in Pune. The amendments after inclusion of any further changes made by the CC/GB would then be included in the Constitution.

The only comment received from Central Council members was pertaining to an amendment made to Clause 11(iii) on Page 15 which dealt with Sub-branches and City Chapters. Based on the GB minutes of "Proposal was passed on the condition that second one merges with the first and named after the first. However, a reference to the Tamil Nadu constitution is also needed for its implementation", the Constitution Committee had proposed addition of the following clause: "There shall not be more than one chapter in one city. If there are more, the second one should merge with the first and the first one's name retained." The comments received from Dr V Anandan (President, IADVL-TN), Dr A. V. Kaleeswaran (Hon Secretary, IADVL-TN), Dr A Selvam (IADVL CC Member and Past President, IADVL-TN) were presented.

Dr Kaleeswaran brought the IADVL decision which was made during DERMACON International 2019 at Bengaluru to the notice of the house. There it was opined to merge the two city chapter and advised to take opinion of IADVL TN AGBM on the same. Further he explained the ambiguity in the constitution of IADVL TN where it mentions that any 7 members may constitute to form a new chapter and there is no clarity that there should only be one chapter in a city. He brought to the notice of the house 2016 AGBM resolution of IADVL TN to approve the Chennai West Chapter. He also mentioned the communication made to Central IADVL EC including Dr Yogesh Marfatia and Dr Ramesh Bhat on the same. Dr Ramesh Bhat explained the background decision on the same issue during DERMACON International Bengaluru. He explained that there was proposal from TN members but there was no representation from TN during meeting. He mentioned the lack of information on TN AGBM 2016 decision during that meeting. After much discussion, the Central Council decided that the clause should be inserted: "There shall not be more than one chapter in one city, unless approved by the state constitution. If there are more, the second one should merge with the first one and the first one's name retained."

On behalf of the Constitution Committee, Dr Valia requested the CC to clarify Subclause C, Clause 7, Part II Bylaws on Changes in the Rules & Byelaws, which read "The CC MID-DERMA MEET will not take any decision to initiate constitutional changes. However, if any such decision is required to be taken in case of extreme necessity, it shall be placed before the next AGBM for approval." This clause was ambiguous since it did not bar discussion of any change in the Constitution in the CC MID-DERMA MEET. If its purpose was to prevent duplication of discussion and to ensure that decisions are taken in a meeting with wider participation, then proposals involving a change in the Constitution should be discussed only in the concluding year's CC and GB meeting. It was decided to discuss this issue in the next GBM.

Another recommendation of the Constitution Committee was separation of SOPs from the Constitution to avoid duplication and provide greater flexibility. Some annexures in part or entirety could be deleted and included as SOPs. The SOPs could be updated by the IADVL SOP Committee based on the IADVL Constitution. It was decided to discuss this in the next GBM.

The Constitution Committee endorsed the President's suggestion that the association's legal advisor should be asked to review our Constitution to recommend changes. Dr P. Narsimha Rao explained that the purpose was to avoid repetition, ambiguity and ensure that the Constitution is couched in legal language and sought the approval of the CC.

Dr Rajeev Sharma suggested that the clause stating that a CC member not attending three consecutive CC meetings should no longer be a CC member should be deleted as it was difficult to implement. It was agreed that since this proposal involved a change in the Constitution, it should be considered in the next GBM.

Agenda: DERMACON INTERNATIONAL 2019 Report - Dr.S Sacchidanand / Dr. Raghunatha Reddy

Start Timing: 07:30 pm

End Timing: 07:50pm

DERMACON INTERNATIONAL 2019, Bengaluru report was presented by Dr Raghunatha Reddy. The treasurer's report was presented by Dr Savitha AS. Rs 3 Cr was handedover to National IADVL by DERMACON INTERNATIONAL. Dr Shashi Kumar BM said that our auditor visited Bangalore and got full details and we are happy with the Bangalore team. Dr Savitha AS said that all the financial reports monitor by IADVL treasure and auditor , who visited Bangalore twice

They brought to the notice of the house that they have transferred 15% of registration and 20% of pharma collection to IADVL and announced that the total savings from DERMACON 2019 is 10.4 cr. The house applauded team Bangalore and congratulated Org secretary, Dr Raghunath Reddy for his efforts.

Agenda:CC/EC Proposals

Start Timing: 07:55 pm

End Timing: 08:30pm
Proposal 1:

Name of proposer/s: (5+1 members)

Dr. Feroz K (LM/K/3383), Dr. Rakshesh SV (LM/K/ 4116), Dr. Salim T (LM/K/3344), Dr. Faizal MM (LM/K/4122), Dr. Anuradha KB (LM/K/4853), Dr. David Pudukadan (LM/K/4118)

How will it help IADVL?:

One of the conditions of eligibility for the post of IADVL Joint Secretary is that he/she must have been actively involved in the affairs of the Association in an official capacity either at the Central level or at the Branch / Combined Branch level or a Central Council Member from a Branch for a minimum period of TWO YEARS either continuous or with breaks. In most of the states CC member posts are reserved for seniors or honorary for past national office bearers due to which members who are relatively young may not get a chance to become a CC member. As a result, many young, dynamic and capable members might lose their eligibility to contest for the post of Joint Secretary in IADVL election. For this reason the number of nominations for this prestigious post is declining. Hence a modification of the conditions of eligibility should be considered

(d) Joint Secretary

(i) Should be member of the Association in good standing for the previous five years during which he or she must have no outstanding dues to the Association

(ii) Should have a minimum experience of five years in the specialty of dermatology, venereology and/or leprology after having taken his or her postgraduate qualification in the specialty.

(iii) Should be exclusively engaged in the practice, teaching and/ or research of the specialties of dermatology, venereology and/or leprology.

(iv) Must have been actively involved in the affairs of the Association in an official capacity either at the central level or at the branch/combined branch level or a Central Council Member from a branch for a minimum period of two years either continuously or with a break.

Proposal: 1

Part I Rules and Regulations, Pages 36 – 37, Clause 24 Conditions of eligibility for office bearers, Sub clause d (iv) in IADVL Constitution to be modified as:

Must have been actively involved in the affairs of the Association in an official capacity either at the central level or at the branch/combined branch level or a State/ Central Council Member from a branch for a minimum period of two years either continuously or with a break.

Do you think this needs referral to any specific committee?

Yes, Constitution committee

Constitution Committee Comment:

The Constitution Committee thus recommends that while this proposal can be discussed in the midterm CC meeting the decision should be taken in the concluding year's CCM & AGBM. The Constitution Committee also recommends a change in the above said clause to ensure clarity on this matter. A proposal for this purpose will be placed in the concluding year's CCM & AGBM.

EC Opinion: The proposals redefine the criteria and send back the proposal again, send it again to CC & AGBM for the Pune

CC decision: Asked to redraft the proposal and submit at AGBM

Proposal 2:

Name of proposer/s: Dr Vinay Singh LM/ND/2993, Dr Rajesh Kumar LM/M/2891, Dr Anil Ganjoo LM/ND/1510, Dr Abhishek Kr LM/B/2863, and others

Is it related to administrative/policy/constitutional (select one) OR I/we are not able to classify and accept ECs view: It is related to constitutional policy of IADVL

How will it help IADVL? To avoid spurious people getting registered as IADVL members and practicing as Dermatologists. This will help curb quackery.

If constitutional – will it replace existing clause? Or modify? Give detail of the clause – Not aware. But the membership criteria pages mention the same.

Proposal: It should be made mandatory for every member to submit state medical council certificate at regular intervals to state secretary and to the National Headquarters. We must issue all registered members a biometric membership card which enables members to have access to IADVL conferences. This should be done after scrutinizing the membership.

Do you think this needs referral to any specific committee?

State level constitutional committee should be formed of 5 senior members from the state and should act with central constitutional committee. A centralized updated directory should be encouraged.

Constitution Committee Comment:

The Constitution Committee thus recommends that while this proposal can be discussed in the midterm CC meeting the decision should be taken in the concluding year's CCM & AGBM. The Constitution Committee also recommends a change in the above said clause to ensure clarity on this matter. A proposal for this purpose will be placed in the concluding year's CCM & AGBM.

EC Opinion: Good idea in principle but not feasible at present was not taken up as proposer were not present

CC decision: CC uphold the EC decision.

Note Proposal was not taken

Proposal 3:

Name of proposer: Dr. Sharad Mutalik, Pune. CC member

Is it related to policy:

Lately we are having too many regional conferences all over the country. In addition to state conferences (CUTICON), zonal conferences, super-specialty conferences, SIG meets and similar local events are being organized round the year. Is there really a need for so many CMEs, zonal conferences and MID-DERMACON? Pharma and industries are reluctant to participate due to increased number of events. Hence fund raising has become a difficult task for the organizers. Over and above that same speakers and topics are getting repeated in most of the events. It will be appreciated if we can discontinue zonal meetings. Or otherwise CUTICON in that particular zone should be merged to host a zonal meet. Number of delegates is inversely proportional to the number of events in a calendar year.

Comments: Combined CUTICON & DERMAZONE is already in practice. Only one proposer name is mentioned.

EC Opinion: Proposed only by one member cannot be taken up, Please send with the appropriate members

CC opinion: Not discussed.

Note Proposal was not taken

Proposal 4:

Name of proposer/s: Dr Sunil Dogra (LM/P/3954), Dr Tarun Narang (LM/P/4308)

Dr Umashankar Nagaraju(LM/KN/3455), Dr P Narasimha Rao(LM/TS/134), Dr Ramesh Bhat(LM/KN/2051), and others.

How will it help IADVL?

Although Leprosy is officially slated to be eliminated as a Public Health Problem since 2006 in India, we the Dermatologists working in clinics and institutions across the country continue to see many new cases of leprosy including florid forms and multibacillary disease, grade 2 deformities, childhood cases and even relapses in significant and alarming proportions. Following integration of leprosy with general health services and when political and financial support for leprosy program is dwindling with diminishing availability of expertise for disease, the onus is on Dermatologists to keep the momentum of fight against leprosy to achieve goal of leprosy free India and world.

It is pertinent to note that out of total 210671 total new leprosy cases detected in 2017 worldwide, 126,164 were from India. IADVL is the second largest Association of Dermatologists in the world and as stated earlier management of leprosy and its complications has been always with Dermatologists.

It is therefore rightful that IADVL should be bidding for the next International Leprosy Congress (21st ILC, 2022) in India as its official organizer in support/association with IAL. It will also allow the local community of dermatologists to benefit from the proceedings of the conference.

If constitutional – will it replace existing clause? Or modify? Give detail of the clause – page no. and clause no. Administrative

Not Applicable

Proposal:

IADVL to Officially Bid for conducting 21st International Leprosy Congress (2022) in INDIA

Do you think this needs referral to any specific committee?

No

EC Opinion: Passed, and submitted to CCM

CC opinion: President announced that the IADVL was approved to lead the ILC as decided in the meeting held on 8th June at NLEP office, New Delhi. He proposed to bid ILC to be hosted in India in the year 2022/23 with IADVL as lead organizers and support from other stake holders including Govt. of India. In this regards a meeting will be held at Manila, Philippines which will be represent by him along with other representative from IADVL.

Opinion CC. The house applauded the efforts of president and unanimously approved to go ahead with bidding.

Proposal 5:

Name of proposers: Dr. Venkataram Mysore (LM/KN/3211), Dr Rashmi Sarkar (LM/ND/1543), Dr Koushik Lahiri (LM/WB/2503), Dr Deepak parikh (LM/M/852), Dr Shyam Verma (LM/G/526), and others.

Proposal : DERMACON INTERNATIONAL needs separate proposals as mentioned below

Background: It has already been passed that DERMACON INTERNATIONAL WILL BE ORGANIZED ONCE IN 4 YEARS, IN THE YEAR OF WCD. NEXT ONE IS IN 2023. These proposals are made in the light of experience gained during the DERMACON INTERNATIONAL IN BANGALORE. DERMACON INTERNATIONAL needs a venue which suits international travel, hotels, and other requirements. It also needs marketing on social media and the program should time and hall for international sessions. These may require additional organization, expertise and expenditure. Since we are developing DERMACON INTERNATIONAL LIKE EADV AND AAD, additional SOPs are needed.

How will it help IADVL? It will lead to better organization of DERMACON INTERNATIONAL smoothly
If constitutional – will it replace existing clause? Or modify? This is not constitutional- this will only be added to SOPs.

Proposal: 1. The election announcement will be named as DERMACON INTERNATIONAL

2. THE VENUE which is proposed for DERMACON INTERNATIONAL SHOULD HAVE PROPER BUILDING AND NOT NEED TOO MANY TENTS. It should befit an international congress. Smaller cities with smaller venues, without international airport, limited number of hotels are not suitable

3. The city should have access for international air travel AND It should have adequate number of five star hotels to cater for international delegates

4. It should have delegate fee in Dollars for international delegates

5. Scientific program should have a hall for international sessions, time for international quiz, international free paper session, International quiz

6. International scholarships also need to be awarded to encourage delegates

7. It needs separate social media marketing and a budget is needed for the same by IADVL HQ

8. The bidding team needs to understand these requirements.

9. An international coordinator needs to be appointed by the local organizing team who will work closely with international liaison cell to ensure success. This will be named in the submission of the bid along with org chair, org sec. and scientific chair and later approved in the general body.

10. Venue inspection team will inspect in the light of above requirements.

These will be implemented in the election for 2023 DERMACON INTERNATIONAL to be held in 2020.

Hence it needs to be approved now.

EC Opinion: Passed, Please clarify with constitution committee with original proposal and sent to conference reforms committee

CC Opinion: It was decided to refer it to conference reforms committee.

Proposal No.6:

Name of proposers: Dr. Venkataram Mysore LM/KN/3211, Dr. Sacchidanand S LM/KN/1937, Dr. SDN Gupta LM/KN/1892, Dr. Chandrashekhar BS LM/KN/2727, Dr. R Raghunath Reddy LM/KN - 2925, and other BDS members

Proposal : Request for Income sharing from DERMACON INTERNATIONAL Bengaluru for Bangalore Dermatological Society

Background: Currently, sharing of DERMACON INTERNATIONAL is as per the formula mentioned in constitution- which states sharing of 30% with state- however, there is no sharing with city branch DERMACON Bengaluru 2019 was unique-

a) It was the first DERMACON to be organized as International conference as per the resolution of AGBM. Members of BDS worked hard to make it a grand success. All the additional expenditure for the international aspect was taken care by organizers, without any additional help from IADVL HQ

b) DERMACON INTERNATIONAL was also the first DERMACON in the history of IADVL where IADVL PAN was used. This meant close scrutiny by IADVL auditors. Here again the organizing team performed to the full satisfaction of the auditors

c) The team has also saved a record sum for IADVL- the highest ever in history of nearly 10 CR.

d) Because IADVL PAN was used, we have saved the GST amount which would have been applicable if like other DERMACONS, we too had used a separate PAN- this too is for the first time in history

In view of this members of BDS felt that the city branch also needed to be given a share directly from IADVL, particularly because BDS needs funds for possessing a building. In the AGBM held on 23 June 2019, a resolution was passed seeking the CCM to approve sharing of income with BDS.

Proposal: We request CCM to approve sharing of the amount of GST saved directly with BDS-. IADVL has adequate funds now and our congress has replenished the entire amount spent on HQ building. IADVL will also pay huge amounts of Income tax with current level of inflow.

How will it help IADVL? It will encourage asset building by city branches.

If constitutional – will it replace existing clause? Or modify? This can be decided by CCM

Constitution Committee Comment:

It may be discussed in the midterm CC meeting, but if any change needs to be made in the Constitution it should be placed in the concluding year's CCM & AGBM for consideration.

EC Opinion: Not passed, IADVL will provide state share as per constitution norms hence the proposal is not considered.

CC opinion: CC opined to follow MoU was already signed.

Proposal No 7

IADVL association with other countries Dermatology association as member societies

Name of proposer/s: P Narasimha Rao(LM/TS/134), Dr Shashikumar B M (LM/KN/5241), Dr Umashankar Nagaraju(LM/KN/3455), Dr Ramesh Bhat (LM/KN/2051), Dr Kiran Godse (LM/M/701), and others

Proposal : Affiliation of other county societies as IADVL member societies

Background: IADVL is one of the fast-growing associations and known for its academic and administrative excellence. Many regional countries like Afghanistan wants to get associated with us and desires to improve Dermatology on their counties, and infact we received a request on these lines from Afghanistan. Currently, IADVL is accepting or not offering affiliate member society status to other 'country dermatology societies'.

We proposed that IADVL should grant /offer those dermatology societies a 'affiliate members societies status' and encourage them to take part our national conferences, apart from providing them academic and administrative inputs /scholarships.

No financial implication from us and on contrary IADVL can charge for such the affiliation in principle.

Proposal: Request cc to considering initiating/ granting 'IADVL affiliate member status' to 'country dermatology associations' of Asia and Africa or any one else, who approach us. Modalities can be worked out once the proposal is agreed in principle.

How will it help IADVL? It will help IADVL to grow both regionally and globally. And we can provide assistance these smaller societies to grow further.

If constitutional – will it replace existing clause? Or modify? Yes. It is a new initiative

Constitution Committee Comments:

The Constitution Committee thus recommends that while this proposal can be discussed in the midterm CC meeting the decision should be taken in the concluding year's CCM & AGBM. The Constitution Committee also recommends a change in the above said clause to ensure clarity on this matter. A proposal for this purpose will be placed in the concluding year's CCM & AGBM.

EC Opinion: Passed, EC agrees to this idea of starting affiliate membership societies of other countries and send to constitution committee

CC opinion: CC provisionally accepted and referred it to constitutional committee

Proposal No 8

Name of proposer/s:

Dr P Narasimha Rao(LM/TS/134), Dr Shashi Kumar B M(LM/KN/5241), Dr Umashankar Nagaraju(LM/KN/3455), Dr Ramesh Bhat(LM/KN/2051), Dr Kiran Godse(LM/M/701), and others

Proposal : IADVL HQ to function as corporate office of DVL welfare trust

Background: DVL welfare trust function as an activity of IADVL and managed on behalf of IADVL by DVL Welfare Trust as per rules and by-laws of the scheme. But it is financially autonomous wing of IADVL with its Head Office permanently as decided at Vadodara and shall be registered at the place of Head office i.e, at Vadodara. But constitution of has no mention of DVL Welfare activities. DVL trust has about 58 lakhs with it now and it proposes to have office space of its own at Gujarat spending about 25% of its corpus. The cost is about 15 lakhs. It is supposed to have been cleared by its management committee. IADVL at present has its own headquarters at New Delhi and EC of 2019 proposes that all the activities of IADVL including DVL trust activities to be shifted and administered from its headquarters of New Delhi. The administration of DVL trusts activities from headquarters not only bring them under the direct purview of IADVL but would also obviate the need for separate office space and office staff. It would also held to re-violate the DVL trust.

How will it help IADVL? DVL Welfare trust can be developed in a better manner. Infusion of new members invokes fresh ideas for better implementation of scheme.

If constitutional – will it replace existing clause? Or modify? No. This doesn't involve change in constitution of either IADVL or DVL welfare trust. Vadodara will still function as registered office and IADVL HQ will be corporate office.

EC Opinion: IADVL welfare trust passed

CC opinion: As discussed earlier it was proposed to have IADVL HQ as corporate office. Same should be discussed and rolled in phased manner.

Proposal No 9

Name of proposer/s: Dr Saumya Panda (LM/WB/2805), Dr Manas Chatterjee LM/WB/2740

Proposal: IJDVL meeting attendees

How will it help IADVL? The first independent editorial board meeting of IJDVL was held in Hyderabad in 2015. Thereafter, annual meetings of the Board have been held, at Hyderabad, followed by Kolkata last year. There is no mention in the constitution of this meeting and the attendees to this meeting need to be formalized to prevent any ambiguity. The meeting is being conducted as an ad hoc meeting with its exact status not specified. All these aspects need to be formalized so that no ambiguity remains for the future. If constitutional – will it replace existing clause? Or modify? Give detail of the clause – page no. and clause no. Not applicable as it is administrative and would find a place as an additional administrative SOP in the constitution.

Proposal: It is proposed that the IJDVL team meeting be specified as being a meeting of the IJDVL editorial board and following be invited to attend the editorial board meeting of IJDVL which is held in a venue decided by the Chief Editor in 2nd/3rd weekend of July every year. The meeting is funded from IJDVL funds. The Editor, IJDVL presides over the meeting.

Chief Editor of IJDVL is the principal host and coordinator of the meeting, assisted by Managing Editor, Associate and Deputy Editors

Invitees:

All ex-officio members of the editorial board of IJDVL as per appointment, in the year of the meeting (President and Secretary IADVL)

Section Editors

Assistant Editors

Language Editors

Image Editors

Statistical Editor

Editor Emeritus

Ombudsman

Editorial Advisory Board

Representatives from the publishers of IJDVL

Editor, IDOJ

Is it related to administrative/policy/constitutional (select one) OR I/we are not able to classify and accept

ECs view: Administrative

Do you think this needs referral to any specific committee? No. It can be decided by the CC, being of administrative nature

EC Opinion :- Passed with the condition that to include President elect in the invitees

CC opinion: CC agreed and suggested that to include president elect in the invite list.

Dr P Narasimha Rao thanked all its member who have made this CC Meet a successful event.

TEAM KRISHNA

On October 29th, Psoriasis Day was observed in Andhra Pradesh in all Dermatology departments in Medical colleges and in communities also with the focus on the theme of the year LET US GET CONNECTED.

The following were the programs done by IADVL AP.

Psoriasis walk was organized on beach road in Visakhapatnam with awareness to walkers on Psoriasis and it created an interest among the walkers. Eminent dermatologists Dr. Raghurama Rao and Dr. T. Narayana Rao, Dr. Guruprasad, past president IADVL AP and Dr. Venkata Chalam, Joint Secretary IADVL AP participated. This event was organized by North Andhra Association of Dermatologists under the leadership of Dr. Ratan Prasad,

President and Dr. Sriharsha, Secretary. Narayana Medical College organized a meet at hospital on Psoriasis with medical students. Other medical colleges organized meets in their respective colleges and increased awareness on Psoriasis. Community awareness meet was organized in Vijayawada with NGO representatives to share the information on Psoriasis with 30 persons from 15 NGOs. This increased knowledge and dissemination of information was multi-folded.

Psoriasis day connected the dermatologists and communities to avail better treatment and to understand the disease and its chronicity and recurrence.

The common questions asked were,

1. Is there no cure for Psoriasis?

2. Some doctors claim complete cure and is it true?
3. Is it contagious?
4. Do the children get Psoriasis if parent has it?
5. Can we marry the person with Psoriasis?

On the occasion of World AIDS Day on 01.12.2019 in tune with this years theme " Communities make the difference " young doctors were addressed on the subject with particular reference to Post Exposure Prophylaxis (PEP). Dr. Ravi Vadrevu, Prof. Nivedita Devi and Dr. S.S.Sarma were the faculty.

The vehicle was flagged off during Midcuticon-KN 2019 at Chitradurga with an intent of traversing the length and breadth of Karnataka covering all district headquarters, Talukas, Villages, all district Hosiptals, taluka hospitals, CHC and PHC, schools and colleges, market places, Bus stations, Railway stations, IMA halls, and other important places. From Chitradurga district, the vehicle moved to Davangere, Bellary, Raichur, Yadagiri, Gulbarga, Bidar, Bijapur and Koppal districts so far. This public education campaign was very well appreciated at all the places.

A walkathon for AIDS awareness was conducted by Davangere society along with IADVL KN. This was followed by a CME. Talks were held across various medical colleges of the state.

REPORT OF RESIDENT CONNECT

Dr Umashankar Nagaraju
Chairperson

Dr Preethi Nayak
Convener

The year 2019 started off as an eventful one for the National Resident Connect Committee with the launch of the Residream newsletter and selection of the new National Resident Connect Committee.

The National Resident Connect Committee 2019 was formed in February under the guidance of Chairperson, Dr Umashankar Nagaraju, with previous year's convener Dr. Isha Narang as Advisor and Dr. Preethi B Nayak as the new convener. Five zonal coordinators were chosen from each zone to work together as a national team. Dr. Kumari Monalisa, a resident from Maulana Azad Medical College, New Delhi was chosen to represent the North, Dr. Ratnakar Shukla, a resident from D Y Patil University- School of Medicine, Navi Mumbai represents the West, Dr. Ashwini R Mahesh, resident of GSL Medical College, Andhra Pradesh represents the South, Dr. Farhat Fatima, a resident of Medical College, Kolkata represents the East and Dr. Kinnor Das, a resident of Silchar Medical College, Assam represents the North-East.

The Residream newsletter (Vol : 6, Issue : 1) was launched at Mid-Dermacon 2019. A nationwide competition for residents was announced to send essays and posters on the IADVL THEME " FIGHT THE TOPICAL STEROD MISUSE".

The latest edition of Residream newsletter (Vol : 6, Issue : 2) is set to be launched at DERMACON 2020, Pune. The main focus of this issue is "Procedural dermatology" with interviews from various stalwarts in this field and also articles from residents themselves. This issue is also special because it will feature the winning entries of the essays and posters on the IADVL THEME " FIGHT THE TOPICAL STEROID MISUSE".

A resident connect session is scheduled for residents and delegates to interact and gain insight into experiences by experts like Dr. Manjunath Shenoy and Dr. Rashmi Sarkar. A panel discussion on procedural dermatology with panellists; Dr. B S Chandrasekhar, Dr. Satish Udhare, Dr. Somesh Gupta, Dr. Shyamanta Barua and Dr. Salim T and moderated by Dr. Preethi Nayak is scheduled for this session.

The new initiative of 2019 was to start YUVADERMA in different states of India, as it was before in Delhi & Karnataka.

IADVL NATIONAL RESIDENT CONNECT COMMITTEE ESSAY AND POSTER COMPETITION 2019

The IADVL theme of the year 2019 is "Fight the topical steroid misuse". Keeping in mind the theme of the year, and on recommendation by IADVL President, Dr. P NarasimhaRao, a competition of essay and poster was announced. This was conducted for the residents by National Residents Connect Committee, under the supervision of the chairperson Dr. Umashankar Nagaraju and convener Dr. Preethi B Nayak. Dr. Farhat Fatima and Dr. Priyanka Kargaiah, were appointed as competition coordinators. Dr. M.Sendhil Kumaran and Dr. Rajetha Damishetty were assigned to judge the essays. Dr. Shital Poojary and Dr. K. T. Ashique were assigned to judge the posters. It gives us immense pleasure to announce the winner of the year long competition.

Dr. Ratnakar Shukla, a resident of Dr. D. Y. Patil Medical College and Hospital, Mumbai is the winner of best essay
Dr. Rohini Soni, a resident of ESI hospital, New Delhi is the winner of best poster.

Congratulations to the winners! The winners to be awarded in DERMACON 2020 Pune, would be presenting their work during Residents session scheduled at Dermacon 2020 on 1st February from 4:50-5:20pm in Hall C. As a token of encouragement their entries would be published in the upcoming issue of the resident's newsletter-Residream (Volume 6; Issue 2).
