PRESIDENT'S MESSAGE

Dear IADVLites

This is my last communication through IADVL NEWSLETTER in the capacity of PRESIDENT IADVL 2020 as my tenure concludes at e-DERMACON 2021. But before I leave my note for our 49th president of IADVL , I wanted to say one final thank you for the honor of serving as your 48th. As I look back on 2020, it is surprising to see how our lives have changed. The global COVID-19 pandemic brought pain and loss to many of us. For almost all of us, our daily lives, family time, and work also changed this year. But we have made it to the end of this difficult year, not on our own but by reaching out to one another, as we always do in IADVL. We took this challenge and converted everything virtual, be it our academic meets or business meets. I may be known as the first e-President of IADVL, but I will be known as one of the few people who could take up the dual role of President of IADVL and Organising Chairperson of DERMACON as well . Many of you have commented that my year as President has gone very fast. And yes it has, it's been a lot of fun and has been very rewarding. Without wanting to sound too warm and fuzzy, it has been a very affirming experience. I wanted do much more but I am happy that this much could be achieved with this alarming situation.

It was a great honour to be part of almost all the activities under IADVL and Academy, though virtually and also in many CUTICONS. Monthly Presidential bulletin was a great platform to communicate with all our members. IADVL Benevolent Fund, our way of helping our members in need also was initiated this year. Another initiative YUVA Cell was a runaway success with making an impact in its very first year of its inception. Almost all the state branches accepted our request and conducted their CUTICONS on a virtual platform. In last one year we conducted more than 5 symposia, many workshops, more than 35 webinars, online training programmes, various PG programmes, Online Quiz as part of IGNQPP and many more academic activities. We had many international and national renowned faculty and good participation from our members as well. I am happy PRP , Hair transplant , Demoscopy workshops were highly appreciated with more than 1000 logins for each programme. I would like to thank my wonderful, dedicated executive committee and members of the Academy , who helped me to carry this association forward and making many projects successful.

Unfortunately our community activity, Mission prison programme could not be initiated due to COVID pandemic. But we could have many interactive sessions with many industry partners. Thanks to our election team under Dr Suresh Talwar for the smooth conduct of elections. Congratulations to all the winners and bidding teams. Various Days were observed with lot of activities, with the support of various State Branches.

A special 'Thank You' goes to our dynamic secretary Dr.Feroz and Academy Chairperson Dr.Deepika Pandhi for making this year memorable apart from COVID year. I am grateful to my predecessor, Dr P

Narasimha Rao and successor Dr Jayadev Betkerur and all the EC members for being extremely supportive, in these challenging times. I must acknowledge the meticulousness of our treasurer, Dr Rakesh, support of our vice presidents, Dr Manjunath Shenoy and Dr Rashmikant Shah and the hard work our joint secretaries, Dr Venkata Chalam and Dr Anuradha, who did their assigned jobs perfectly.

Every new beginning comes from some other beginning's end. As my term comes to an end, I am happy to hand over the responsibilities to Dr Jayadev Betkerur, an able leader and a hard worker with all the energy and commitment to serve the association. My best wishes to the the entire team, Dr Rashmi Sarkar, Dr Neeraj Pandey, Dr Sanjiv Vaishampayan, Dr Dinesh, Dr Savitha, Dr Rajyalaxmi and Dr Abhishek. My sincere appreciation to various standing committee chairperson, convener and members and all State Presidents and Secretaries for all their support, c- operation and guidance whenever in need. I will choose to remember 2020 as a year of great change and strength for us; IADVL didn't stop our activities, despite the pandemic. We are not just surviving; we are gaining strength. We are discovering how resilient our organization truly is. We removed obstacles, found new ways to connect, and embraced new approaches to service.

I have found that the President is always fully supported, people volunteer for things, "upward" praise is given, and everyone is pulling in the same direction. It is just so darned satisfying and it makes the effort very worthwhile. I will really miss it, although I am looking forward to going back and sitting where you are! As this Presidential tenure was just a stopover in my long journey in IADVL, I shall continue to move further and contribute and serve the association in the best of my ability irrespective of any title. With grateful regards I thank you all for the great opportunity that I got to share my services with you.

Great is the art of beginning, but greater is the art of ending.

Be well, take care, be safe, do good and keep in touch.
Welcome to e-DERMACON 2021 and Thank you all

With warmest regards,

Dr.KIRAN GODSE

MESSAGE OF PRESIDENT ELECT.

Bid adieu to worst , welcome a wonderful future.

We, with our resilience and perseverance, have overcome the havoc of COVID19. The work, both in practice and institutions, is returning to normalcy. But we cannot let our guard down. Let us practice all necessary precautions so that the expected 2nd & 3rd wave never materializes.

We are getting in to the mood of our annual academic and social festival, the DERMACON. What would have been an event to meet, learn and enjoy at Hyderabad will be on a virtual platform. The IADVL EC will ensure that E- DERMACON 2021 is no less than a physical conference in all aspects. We request cooperation and participation from all IADVLites.

Let us hope that we have left behind ANNUS HORRIBILIS 2020 was and the New Year will be full of Happiness, Good health and Prosperity.

Long live IADVL

MESSAGE OF IMMEDIATE PAST PRESIDENT

Dear friends and colleagues,

This will be the last occasion I will be addressing you through this very important newsletter of IADVL, as I will complete my responsibilities as immediate past president very soon. It has been an exciting and satisfying journey fulfilling number of responsibilities over the last three years working for IADVL through its highest office. And your support throughout has been wonderful and what made it possible. My profound appreciation to all of you for providing me an opportunity to serve this august body.

IADVL has grown as a redoubtable dermatological organization over the last decade. Its growth both as an academic body and representative of dermatology in India has been enormous over this period. The financial health of the association has also become robust. Now we have an office of our own in our National capital region which has been a much-cherished dream come true. Our association with such wonderfully efficient people at the helm of the affairs can only grow further to greater heights. God bless our beloved association IADVL.

The *year 2020* has been difficult period to administer and conduct our association activities *for obvious reasons*. Having said that, I applaud the efforts of our President Dr. Kiran Godse and his team for taking up the challenge and coming-out as winners. Our ever smiling and efficient Secretary general Dr. Feroz did a tremendous job and deserves special mention. The chair and convener of IADVL academy have adopted and organized web based academic programs so very well, that I will not be wrong when I say we had more scientific updates this year compared to past years. They all deserve congratulations. They made a difficult job appear easy; mind you it was not!

I am sure 2021 will be a much better year, every which way possible! I wish all of you a good health & prosperity in this new year!

With best regards,

HONORARY SECRETARY GENERAL SPEAKS

Dear IADVLite

It is hard to believe that IADVL EC 2020 is completing our term in office after being installed at DERMACON 2020, Pune. Interestingly, it is also nearly a year since the COVID-19 pandemic took the entire world by a storm and all of us are facing unprecedented challenges to cope with this outbreak. It is quite hard to accept the fact that since last DERMACON till date we never had any physical conference. However, the show must go on and IADVL, as an association, rose to the occasion by converting business meetings and conferences to virtual ones without losing time. Our entire team, including the EC, Academy and various committees worked tirelessly to conduct IADVL activities back-to-back, regardless of the difficulties faced by them personally, amidst the pandemic. This report is a consolidation of the same.

IADVL Academy, with its panache and Midas touch, came up with successful Webinars, Workshops and CME one after the other. Almost 30 webinars, 5 Symposia, many workshops and PG training course were conducted during this pandemic. My sincere appreciations to Dr Deepika Pandhi, Chairperson, Dr Dipankar De, Convener and all the members of Academy for all their hardwork and dedication. Team Chennai successfully conducted the first e-MIDDERMACON, followed by almost all the state branches conducting CUTICON/MID CUTICON, Webinars etc on virtual platform.

IADVL continued its international presence by participating in the Sister Society Meeting at EADVVirtual, held from 28th Oct to 1st Nov. We witnessed a smooth conduct of IADVL election through e-voting this year. Thanks to Election Officer Dr Suresh Talwar and Election Observer Dr Venkataram Mysore for their guidance and support throughout the process and for the successful completion of the task flawlessly. We recorded a polling of 73.75 %, the best polling statistics in the history of IADVL. Congratulations and welcome to all incoming EC 2021 members; President Elect Dr Rashmi Sarkar, Vice presidents Dr Neeraj Pandey and Dr Sanjiv Vaishampayan, Hon Secretary General Elect Dr Dinesh Kumar D, Hon Treasurer Elect Dr Savitha AS, Joint Secretaries Dr Rajyalaxmi K and Dr Abhishek Kumar Jha. We are eagerly looking forward to work with them this year. Congratulations and best wishes to Team Mumbai for winning the bid to host DERMACON 2024 and team Lucknow who won the bid to host MIDDERMACON 2023, unopposed. Thanks for the sporting spirit of all the contestants.

I am happy to inform that IADVL Constitution was revised and uploaded in the website. Thanks to the efforts of Dr Ameet Valia, Chairperson, Dr Subodh Sirur, Convener and the entire team for all their effort. Congratulations to the Quiz team, under Dr Suneil Gandhi & Dr Soumya Jagadeesan for successfully completing state level IGNQPP through online software – Flexiquiz, which was preceded by a warm up MCQ based round. Now they are all set for the national finals.

Annual Academy Meeting, Jounal Meeting, CFC Meeting, Central Supervisory Committee Meetings were held online. EC meeting and e-DERMACON Organising Committee meetings were held quite frequently and fruitfully. IADVL EC and State Presidents and Secretaries meeting was held during Mid year CC meeting. A few CME programs were conducted by Practice Management Cell and PMC Symposium also was held on 10th October. Thanks to the efforts of Dr Prashanth Palwade, Dr Madhulika and team. ITAQ under the able leadership of Dr Rajesh BUddadev and Dr Diplai continued their efforts against quackery. YUVA Cell was quite active in its very first year of inception. Thanks to Dr Aseem Sharma, Dr Rashmi Sharma and team. National Resident Connect Committee under Dr Shanthi Devadasan and Advisor Dr Preethy Naik was actively involved by conducting various competitions successfully for residents for observing various days.

We held 2 virtual meetings with Industry Partner seeking collaboration in conducting IADVL Scientific activities and e-Dermacon 2021. Many have come forward with support and academic grants. Thanks to Dr Sushil Tahiliani and Dr Raj Parikh for co ordinating these meetings. ITAQ under the able leadership of Dr Rajesh Budhadev and Dr Dipali, continued their sincere efforts in taking up issues related to quackery. The ACAD Google group is now a platform hosting enthusiastic academic discussions. Regional ACAD chronicles (RAC) and monthly ACAD cracker (MAC) are the two popular academic activities being conducted in the group. IADVL Face Book Page is active now. Thanks to the efforts and enthusiasm of our Moderators & Joint Secretaries, Dr K Venkata Chalam and Dr Anuradha KB for their efforts and hard work. Thanks to all our members for your active participation in both these platforms.

Psoriasis Day, Urticaria day and AIDS day were observed across the country with various activities initiated by IADVL EC, Academy & State Branches. Posters, patient education leaflets, press release were sent to all state officials for disseminating amongst members. Yuva Cell and National Resident Connect Committee conducted various competitions of posters, poetry, slogan, videos etc for young members and residents and the winning materials were sent to all our members and shared in various platforms. The list of names selected for various awards and orations to be presented at e-DERMACON 2021 has been announced. Congratulations to all awardees. IADVL as an association was in total solidarity for with IMA in observing Medical Bandh on 11th Dec 2020 against the decision of Government for integration of various systems of medicine.

Our association has grown in leaps and bounds and presently our membership strength is, 13914 (active members). Of which 10100 are LM, 3610 are PLM, 203 AM and 6 ILM. In the last quarter (OMAS)- LM: 113 (57), AM 1 (3), ILM 1 (0), PLM 921 (228), PLM to LM conversion : 332 (253). Web Sign Up – 11681 (March – 9886), an increase by 1795 members. We have made some modifications in the OMAS and MPDMS to streamline the process. Many reminders have been sent to all PLM whose validity of 5 years is over to convert as LM. In association with E-voting Task Force, state-wise list of non-e-voters sent to all State Secretaries. Now we have a record number of registered e voters (December 2020 - 7329 (72.6 %)). Our website has been constantly updated. Corrections of MPDMS done with data of the member with missing details, and now we have less than 1000 member details which are missing. **COVID registry** available on www.iadvl.org. We have made conscious efforts to reach out to all members, through news letters, bulletins, emails, bulk mails, SMS, Web site announcements, Social media etc. An initiative to encourage all members to join and understand DVL WELFARE TRUST prepared by Dr Jayadev Betkerur and Dr Chetan Patel, along with application forms have been sent to all members and shared in various groups. Various welfare schemes under IADVL like Benevolent fund, Accident fund, Professional Protection are informed to our members. IADVL is rolling out several avenues for publications, research grants, observerships and scholarships. We urge all members, especially residents and fresh graduates to grab these opportunities. In these times when we are fighting Corona, we lost many of our members last year. My sincere prayers for all of them and their families.

I am thankful to IADVL EC 2020 for all their trust, support and co-operation whenever in need to discharge my responsibilities. My sincere thanks to Dr Kiran Godse, for his guidance and support throughout the year and for being there with me to solve any issue, any time. Also for initiating various welcome changes in the association. The monthly presidential bulletin, was a wonderful initiative to communicate with each and every member as well as the Benevolent fund, our way of caring our members at the time of crisis and the YUVA Cell for the young dermatologists. Special thanks to Dr P Narasimha Rao and Dr Jayadev Betkerur for their insightful suggestions and guidance. Our vice presidents, Dr Manjunath Shenoy and Dr Rashmikant Shah were always there when ever in need. Thanks to the dynamic and dedicated Joint Secretaries, Dr K Venkatachalam and Dr Anuradha KB, who were always there to shoulder the humongous secretarial load and for moderating Face Book and ACAD groups. My special thanks to my friend, our treasurer Dr Rakshesh SV for his meticulous handling of the association finance and who has been a huge source of support always. I offer my sincere thanks to all our predecessors who led the path, especially, Dr Kuriyipe, Dr Hemangi Jerajani, Dr Sacchidanand, Dr Ramesh Bhat, Dr Venkataram Mysore, Dr Koushik Lahiri, Dr Rashmi Sarkar, Dr Shyamanta Barua, Dr Shashikumar BM and many more for all their guidance and motivation. I thank all the Presidents/Secretaries of various state branches, Academy, Chairpersons/ Conveners and other members of various committees and all IADVLites for your valuable support and co-operation in our journey towards bringing glory to our association. After completing 1 year of our head office at Ghaziabad, we have streamlined and strengthened various administrative process through our Head Quarters and our dedicated staff. Thanks to Mrs Tanu, Ms Hina and Mr Balam, for all their help and support.

In the last 1 year, I have strived to serve the association and its members to the best of my ability, within my limitations. Being virtual by all means, the journey has been quite challenging but was fortunate to have a comfortable ride with immense support and co-operation from all of you. I look forward to work fruitfully with a new EC 2021, Academy, Standing Committees and State branches this year.

We are certainly getting adapted to a new normal after having witnessed a sea-change both in our personal and professional space during this pandemic. Let us arm ourselves with awareness, embrace this change and strive forward with hope in our heart and courage in our mind towards a brighter future. But now let us focus on e-DERMACON 2021, 49th National Conference of IADVL, first virtual DERMACON ever organised by IADVL EC and IADVL Academy. Looking forward for your active participation and request not to miss this wonderful virtual experience.

Stay calm, defuse panic and Stay safe.

Long live IADVL!

Warm regards,

Dr FEROUZ K

HONORARY TREASURER'S NOTE

Dear all,

Greetings from the treasurer's desk. Ever since, I have taken charge a year ago, as fate would have it, the Covid 19 pandemic has been jeopardizing the smooth transfer of the finance's reins to our team. Despite the hurdles, with unrelenting support of my predecessor, Dr Shashikumar, we have been managing the day to day financial activities of the IADVL activities, unperturbed. My sincere thanks to Dr Shashikumar, for agreeing to continue operating the accounts and helping me with days to day accounting activities till things were sorted out a few months back.

Despite the logistics and operational difficulties, We have successfully transferred the GST Number to our new Office address at Kaushambi and have also updated the GST number with the new signatories. We have transferred the state shares of the membership and the Dermacon 2019 state shares to the respective recipients. We have also updated the TAN Account with the new office bearers.

This Pandemic has rolled forth various challenges in the regular financial operations of our association. Despite these challenges, the IADVL EC and the various committees have been constantly working hard to deliver as it had done before. Let us pray and hope everything return to normal soon and we can continue to serve IADVL, as our predecessors have done all these years.

Long Live IADVL

Welcome to e-DERMACON 2021

Dear IADVLites,

Warm greetings!

It gives us immense pleasure to invite your participation in e-DERMACON 2021, the 49th National Conference of The Indian Association of Dermatologists, Venereologists and Leprologists (IADVL). Due to the prevailing COVID 19 Pandemic it has been decided that DERMACON 2021 shall be conducted on a virtual platform from 5th to 7th February 2021 by IADVL Executive Committee and IADVL Academy. Also a pre conference workshop will be held on 31st January 2021.

As you are aware, DERMACONS are not only academic and scientific events but also social, cultural, tourism and industry events. However, during these unprecedented circumstances it is practically impossible to conduct DERMACON physically. Hence we decided to conduct this prestigious event virtually calling it e-DERMACON 2021. But we look at it as ,how well an opportunity can be created out of adversity. This e-DERMACON 2021 shall have all features of a physical conference, but on a virtual platform. The versatile new virtual platform will provide opportunities for virtual network meetings and customized presentations.

We look forward for your active participation in e-DERMACON 2021 to make the conference a memorable event.

Thank you

With Best Regards,

Team e-DERMACON 2021 & Team IADVL 2020

The brochure for e-DERMACON 2021 features a purple and green color scheme. On the left, it displays the IADVL logo and the text 'IADVL EC and IADVL Academy presents e-DERMACON 2021'. Below this, it provides the website 'www.e-dermacon2021.com' and details for the '49th National Conference of Indian Association of Dermatologists, Venereologists and Leprologists'. A calendar icon indicates a 'WORKSHOP: 31st January, 2021' and a 'CONFERENCE: 5th to 7th February, 2021'. The right side of the brochure is titled 'Organising Committee' and lists 11 members in a grid format, each with a portrait and name: Chairperson (Dr Kiran Gedde), Co-Chairpersons (Dr Jayadev Benkarur, Dr P.Narasimha Rao), Conveners (Dr Manjunath Shenoy, Dr Rashmikant Shah), Scientific Chairperson (Dr Deepika Pandri), Organising Secretary (Dr Feroz K), Treasurer (Dr Rakesh SV), Joint Organising Secretary (Dr Anuradha K B), Joint Treasurer (Dr K Venkata Chalam), and Scientific Secretary (Dr Dipankar Das). The brochure is powered by eventz360.

2. IJDVL changes its publisher:

IJDVL has appointed Scientific Scholar LLC, USA (scientificscholar.com) as its new publisher. It is a well-respected biomedical publisher that fully supports open access publishing models. Scientific Scholar owns its manuscript Management System called EditorialAssist (journalmanagement.org). This system is very intuitive with a very short learning curve. The overall functionality of this system is based on “drag and drop”. We request our members, authors, old and new, and reviewers to register on the platform available at <https://editorialassist.com/IJDVL>.

Warm regards

PROPOSALS – AGBM 2021

Proposal – 1- Criteria for Honorary Secretary General

Name of proposer/s-6(1+5) members: Kiran Godse (LM/ M/ 701), Feroz K (LM/K/3383), Rakesh SV (LM/K/ 4116), Jayadev Betkerur (LM/KN/2009), Rashmikant Shah LM /M/ 797, Anuradha KB (LM/K/4853)

Is any one of the proposer members of CC? Yes

Is it related to administrative/policy/constitutional (select one) OR I/we are not able to classify and accept ECs view - Constitutional

How will it help IADVL?

The conditions of eligibility for candidature of Hon. Secretary General needs to be revised in order to ensure ample experience in administrative matters of IADVL.

If constitutional – will it replace existing clause? Or modify? Give detail of the clause:

page no. and clause no.

Modify the existing clause:

Page 19, Part I Rules & Regulations, Clause 24: Conditions of eligibility for office bearers, Subclause (c) Honorary Secretary General and Honorary Treasurer (vi)

Proposal:

IADVL Constitution in Page 19, Part I Rules & Regulations , Clause 24: Conditions of eligibility for office bearers , Subclause (c) Honorary Secretary General and Honorary Treasurer (vi), states that

(c) Honorary Secretary General and Honorary Treasurer

(i) Should be member of the Association in good standing for the previous five years during which period he/she must have had no outstanding dues to the Association.

(ii) Should have a minimum experience of ten years in the specialty of dermatology, venereology and/or leprology after having taken his/her postgraduate qualification in the specialty.

(iii) Should be exclusively engaged in the practice, teaching and/ or research of the specialities of dermatology, venereology and/or leprology.

(v) The Honorary Secretary General and the Honorary Treasurer must be proposed jointly from the same zone (as defined in Annexure IV).

(vi) For Honorary Secretary General: Must have been actively involved in the affairs of the Association in an official capacity either at the central level as Joint Secretary/Vice President/Honorary Treasurer or in the branch/combined branch level as Honorary Secretary/Vice President/President or a Central Council member from the branch for a minimum period of two years either continuous or with breaks.

We feel that the condition of eligibility of minimum period of two years as a Central Council member is insufficient and may not provide the required exposure to central administrative matters of IADVL which is mandatory to hold such a responsible post. Moreover this condition of eligibility is the same as that prescribed for the post of Joint Secretary as well. Hence we propose that the condition of eligibility **of a minimum period of two years as a Central Council member** should be deleted in order to ensure ample experience in handling central office affairs for a candidate contesting for the post of Hon. Secretary General.

Do you think this needs referral to any specific committee?

Please note that EC may decide to refer if it thinks it is necessary.

Yes, Constitution Committee and SOP Committee

Proposal – 2- Resignation of members from responsible posts to contest IADVL central elections

Name of proposer/s-6(1+5) members: Kiran Godse(LM/ M/ 701), Feroz K (LM/K/3383), Rakesh SV (LM/K/ 4116), Jayadev Betkerur (LM/KN/2009), Rashmikant Shah (LM /M/ 797), Anuradha KB (LM/K/4853)

Is any one of the proposer members of CC? Yes

Is it related to administrative/policy/constitutional (select one) OR I/we are not able to classify and accept ECs view - Constitutional

How will it help IADVL?

In order to avoid undue advantage during election campaigns and to ensure dedicated service to office affairs any member who holds a responsible post in a state branch, IADVL Academy, SIG or IADVL Standing Committees should resign from that post before submitting the nomination to contest in IADVL elections.

If constitutional – will it replace existing clause? Or modify? Give detail of the clause: page no. and clause no.

Modify the existing clause: Page 20, Part I Rules & Regulations, Clause 25: Procedure for election of office bearers

Proposal:

The office bearers of IADVL are expected to deliver a dedicated service while in office. Holding a key responsible post in state executive committee might gift an undue advantage during election campaign and also divide their attention towards official affairs during their tenure.

Hence we **propose that any member who holds the post of President/ Vice-President/ Hon. Secretary/ / Joint Secretary/ Treasurer in a state branch, Chairperson/Convener of IADVL Academy, Chairperson/Convener of SIG and Chairperson/Convener of IADVL Standing Committees should resign from that post before submitting the nomination to contest in IADVL elections.**

Do you think this needs referral to any specific committee? Constitution Committee & SOP Committee

Proposal – 3- Community Service by State Branches with Financial help from IADVL

1)Name of proposer/s-6(1+5) members: All are members of CC.

Dr Jayadev Betkerur (LM/KN/2009), Dr Kiran Godse (LM/M/701),), DR Rashmi Sarkar (LM/ND/1543), Dr Manjunath Shenoy(LM/KN/2878), Dr Rashmikanth Shah(LM/M/797), Dr Feroz K(LM/K/3383),Dr Rakesh SV(LM/K/4116), Dr Anuradha K Babu(LM/K/4853), Dr Venkatachalam K (LM/AP/3884)

2) Is it related to administrative/policy/constitutional (select one) OR I/we are not able to classify and accept ECs view: Related to policy

3) How will it help IADVL?

Providing service to the community regarding Skin health is one of the mission of IADVL. This proposal aims to provide need based community service to the local population of individual state. This will provide skin health care at nooks and corners of each state of India.

4) If constitutional – will it replace existing clause? Or modify? Give detail of the clause – Not Constitutional

5)Proposal:

Preamble Our programs like IADVL Chala Gaon ki aur being taken up more vigorously by Bihar,the Skin Safar Rath at national level, various programs by Karnataka branch like Charma Ratha and Services by Goa are best examples of IADVL community service. We need to do more. There are **3 Es** to make these programs successful. They are **Education, Enlightenment and Emancipation of community**. Our Skin Safar Rath was a success but it had to miss some part of the country like the upper north and North east thus not reaching the community at large. India is a large country with diverse culture, language and geography. The skin health needs differ from state to state and sometimes within the state. We need to plan our community services keeping these in mind. Some of the state like Karnataka, Maharashtra, Kerala etc can devise community oriented programs and sustain them on their own. But there are some states that need help. The branches may not be able to sustain such programs on their own. A well designed program with cooperation between IADVL central and State branches will serve the targeted population. The states may need help in designing and implementing programs according to their local needs, more so financially.

Suggested areas – a) Occupational Dermatoses. b) Paediatric Skin Health

c) Geriatric Skin health d) Village adoption

e)Adopting old age home or Orphanages f) Mission Prison

(Continuing Project of Dr Kiran Godse)

g)Special groups- Farm Labourers, Colliery workers, Construction workers, Tribal community etc.

Proposal

We propose that IADVL central will help branches financially

1) In the form of 60:40(60 from state) in case of smaller state with membership of less than 200 .

2) Branches with membership of 201- 500 will get assistance in the ratio of 70:30

3) Those (single) branches with member strength of 501 and more will get at the ratio of 90:10 (<200- 8 branches, 201-500- 5, >501- 11 branches total 24 -7+ 17)

An amount of 25-30 Lakhs will be ear-marked for this program.

Conditions

1) All state branches who have conducted DERMACON/ MIDDDERMACON since JAN 2015 – till DERMACON2021(including it) will not be eligible. It is expected that they conduct a sustained community based program from the share of surplus received from IADVL central. The following states have conducted either DERMACON or MIDDDERMACON from 2015

A Karnataka DERAMACON 15 – Mangalore, DERMACON 19 Bengaluru

B Tamil Nadu DERMACON 16 Coimbatore, MIDDDERMACON 18 Kanyakumari,

C Orissa-MIDDDERMACON 16- Bhubaneswar.

D West Bengal -DERMACON 17 Kolkata,

E Maharashtra-MIDDDERMACON 17 Mumbai, DERMACON 20 Pune.

F Kerala -DERMACON 18 Cochin

G Bihar- MIDDDERMACON 19 Patna

MIDDERMACON 15- not held (Exemption to DERMACON2021 Hyderabad)

- 2) The project should be submitted to IADVL central by May 31 2021. Apart from the suggested areas any other project by the states are also welcome.
- 3) The projects will be routed through the State branch EC.
- 3) A minimum of 2 projects should be submitted.
- 4) A committee comprising of **A Past president, Present Vice President, 2 members from small branches and one each from middle & large states, One member of CFC nominated by Chairman CFC, Chairman of IADVL Community Dermatology** will evaluate the project and report to IADVL EC
- 5) The amount from central will be released after the state part has been invested and documents produced.
- 6) If the applicants are less the remaining amount will be shared with other applicants with small branches getting preference.
- 7) These programs will, **preferably**, have to be sustained for next 3 years with need based modifications.
- 8) State executive will be responsible for executing the program with cooperation from sub branches/chapters of the state.

We are sure this scheme will make all branches to take part in community service and we hope the branches will make use of this opportunity. We request the members to agree to this.

6 Do you think this needs referral to any specific committee?

To be referred to Central Finance Committee (CFC).

Proposal – 4- Providing social security to all IADVLites by Restructuring of DVL Welfare Trust with contributions by IADVL & IADVL Members

1)Name of proposers-6(1+5) members: All are members of CC.

Dr Jayadev Betkerur (LM/KN/2009), Dr Kiran Godse (LM/M/701), DR Rashmi Sarkar(LM/ND/1543) Dr Manjunath Shenoy(LM/KN/2878), Dr Rashmikanth Shah(LM/M/797), Dr Feroz K(LM/K/3383),Dr Rakesh SV(LM/K/4116), Dr Anuradha K Babu(LM/K/4853), Dr Venkatachalam K (LM/AP/3884),

2)Is it related to administrative/policy/constitutional (select one) OR I/we are not able to classify and accept ECs view - Related to policy and constitution.

3) How will it help IADVL?-

This will provide Social benefit and health insurance to all IADVL Members in need of help. It is participatory project where IADVL subsidizes contribution from members

4) If constitutional – will it replace existing clause? Or modify? Give detail of the clause –

To be added to constitution in Annexure XVII: DVL WELFARE TRUST. Page no 125-127

5) Proposal:

Preamble: The IADVL is caring for its members by providing assistance in time of need of members through 3 different schemes.

1- Member benevolent fund. This fund is for immediate help in case of designated health issues to a member and not for all health issues. The maximum amount payable is 2L. There is no scope for growth of this fund. Thus the benefit reaches only few members.

2 – Accident Benefit Scheme -The scheme envisages to pay 5 L to a member in case of death due to accident. The total amount ear marked is 30Ls. It also would pay an amount determined by a committee depending on the injury and disability caused. The benefits to a LM are limited as it is only for accidents. Our chances of claiming are remote.

3 – DVL Welfare trust. DVL Welfare trust (DVLWT) is a mutual benefit scheme, like IMA, ISA etc, created by IADVL. It is managed by trust duly registered. It is by IADVL with all trust members being IADVL LMs and the trust is answerable to IADVL. The EC members of IADVL are ex officio members of the trust.

The various IADVL schemes in a nut shell

<i>Scheme</i>	<i>beneficiary</i>	<i>Benefit</i>	<i>Amount</i>	<i>Funds</i>	<i>Future growth</i>	<i>advantages</i>
DVLWT	Members of trust	All types of death and permanent disability	450x n (n= number of members)	Contribution by members for members	excellent	More members more benefit
Accident benefit scheme	All IADVL members	Death and disability due to accident only	5 L in case of death. Amount depends on injury	IADVL 30L (depends entirely on IADVL funds)	nil	Less members will be benefited
Benevolent fund	All LMs	Specified illnesses	2L max	IADVL 10L (depends entirely on IADVL funds)	nil	Less amount for specific events.

What is to be done? Any benefit scheme for members of an association should be growth oriented and should be contributory. A little contribution by all makes up to a large amount for those in need. The scheme should become self- sufficient over period of time. The parent organization should have administrative control but leave the day to day management to an independent body duly formed by the association. The checks and balances of managing should be well delineated for all to understand and function.

The Need- We need to try and amalgamate all the three(3) schemes and develop a more robust all in one scheme that would benefit all members with a bit of contribution from each member. There has to be well developed mechanism to implement and carry forward the scheme. The role of each has to be defined. Various measures to prevent any misuse or abuse to be put in place. Penalty in case of default are to be defined.

The Scheme. It is continuation of DVLWT with many structural changes.

Membership.- 1- All LMs of IADVL to be made members of DVLWT. (Provided they join by paying the initial amount by 31/3/22. If approved can be extended to 31/3/23)

2- It is by default when PLM converts to LM.

Fees-

IADVL Cotribution.

IADVL pays Rs 40 Lakhs as membership fees to DVLWT every year for 5 years only. Roughly at the rate of Rs 2000 per member considering the strength as 10000 LMs. This is calculated on the basis of average admission fees, through all age groups, as Rs 3000 and IADVL siubsidizes it by Rs 2000

IADVL pays 1000/2000 per LM conversion thereafter (Avg 500 conversion= 5L/10L per year) After 4 years The DVLWT will not be given any money.?

Member Contribution

Initial Payment

Each LM will pay Rs 1000 + 300 (as administrative Charges)= 1300/- as initial payment from 1/4/21 to 31/3/22.

PLMs will pay Rs 1000.+ 300 (administrative Charges)= Rs 1300 at time of LM conversion

Annual payment

Rs 500 / death per year as Death Fraternity Contribution (DFC).

Rs 300/- Administrative charges (rent, salary, overheads, the surplus of this will go to Corpus) (To be enhanced every 3 years by Rs 100)

The amount to be collected after 31/3 every year.

Distribution of DFC-Of Rs 500 from members

Rs 300 will go to member benefit (300x n)

Rs 100 will go to corpus.(interest gained on corpus will be added to member benefit) (can be reduced to Rs 50)

Rs 100 to health insurance(can be increased to Rs150)

Benefit –

1st year (1/4/21 to 31/3/22) will be 5L / death (if the member has not paid the initial amount it will be deducted from this amount + DFC of that year)

2nd year (1/4/22 to 31/3/23) 300 x n but not more 10 L per death **whichever is less** . (The amount depends on the IADVL contribution and Number of members joining)

After this it will be 300x n per death or Permanent disability
(the 1st two years are to be used to stabilize the scheme).

Of the collected amount death benefit and Health benefit can be given and remaining amount goes in to corpus. The Fund grows every year so does the benefit in case of death or permanent disability due to any cause to any LM.

Other benefit- We can provide a health benefit to any member for any cause upto 5L. This is to cover hospital cost excluding drugs. This is irrespective of the illness and any other insurance claimed by the member.

Terms and conditions

1 All LMs will become members of DVLWT from the day they pay the initial amount . From 1/4/2021 if approved.

2 All new conversion from PLM to LM will become members by default. Suitable changes to be made in OMAS and other such procedures.

3 ALL LIFE MEMBERS WILL PAY Rs 1300 IN FIRST YEAR.THOSE CONVERTING FROM PLM TO LM WILL PAY AT THE TIME OF CONVERSION.

4 The DFC amount will be notified in all official social media and through states. No individual notice will be sent.

5 The DFC amount should be paid by 31 Dec of that year. Individual E receipt will be sent to members. The web team will have to work on this.

6- All existing members of DVLWT are exempted from paying the initial amount. They will be eligible for all benefits of this scheme. They will not pay DFC for life time OR an additional 20% to be added to their final settlement.(eg if the final amount is 20Lakhs they will get 24L)

7 The members are eligible for **health insurance** in following schedule

It will start from 1/4/22 (Till that time the IADVL Benevolent fund will continue)

- a) Claim of less than 1 L – 1 yr moratorium
- b) 100001- 200000- 2 yrs moratorium
- c) 200001 -300000 – 3 years Moratorium
- d) 300001- 500000- 4 yrs moratorium
- e) No member can claim more than twice in their life time and not more than 10L
- f) Any health claim is liable for deduction from their final settlement as follows
 - i) up to 200000 – 20% of the health claim
 - ii) 200001- 500000- 30%
 - iii) 500001 and more - 40%

eg- if the health claim is 2L we will deduct 20000 from final settlement.(Death/disability benefit)

8) Conditions for defaulters.

- a) A general notice to be sent to all members for making payments in 1st week of Jan.
- b) Individual notice to be sent to defaulting members in April.
- c) If member does not pay DFC for two (2) (e g 1/4/ 2021 -31/3 2023) consecutive years 10% of final settlement to
be deducted and non eligibility to health insurance – (This will stay for 3 yrs even if full payment is made)
- d) If member does not for pay three (3) consecutive years 25% deduction and non eligibility to Health insurance
scheme - (to stay for 5 years even if full amount is paid)
- e) If not paid for four (4) consecutive years – Termination from scheme.

- f) Readmission only on request and payment of all dues + 20% extra.
- 9 Members can pay amount not less than Rs 10000/- as deposit which will be used to cover their annual fees and DFC. They will be informed once it is exhausted.
- 10 Any member who pays Rs200000 as onetime payment is exempted from paying any dues. 11 Members above 75 will pay Rs 1300 as initial amount and there after Rs 300 per year. They will not pay DFC (The health insurance will be Limited to 5L only)
- 12) Members who pay DFC + Annual fees regularly for 25Yrs (30 Yrs) or reaches 75 yrs will not pay DFC after that.

Administration –

- a) The administrative and Financial HQ will be in Vadodra
- b) The IADVL HQ will manage communication with members and general administration.
- c) The account will be in Vadodra as it is registered under Charity commissioner of Gujarat and has some benefits and all settlements to be made from Vadodra office. The official auditor of IADVL will be the auditor for DVLWT. An accounting firm should be used for day to day accounting- The rules pertaining to DERMACON accounting apply to DVLWT with regards to all financial matters including Tax issues etc.
- d) The existing constitution of DVLWT to be changed. Suggested changes are
- i) President, Treasurer of DVLWT and Hon Treasurer of IADVL will be authorized signatories for all financial transactions.
 - ii) Chairman IADVL CFC will be one of the trustee.
 - iii) The tenure and place of President, Secretary , treasurer of DVLWT to be decided. Preferably 2 from vadodra and one from Gujarat. Other trustees will be on zonal basis apart from previous presidents of IADVL
 - iv) Suitable changes to be made in consultation with legal advisor and other experts.
- e) **Payment will have to be made as like IADVL OMAS method. All other modes will be removed.**

Responsibility –

- 1)The DVLWT will be responsible for sending notices and receipts. It will be responsible for processing claims and settling claims.
- 2) IADVL central HQ will be responsible for communication between DVLWT and members. All claims will be routed through IADVL.
- 3) State secretaries will forward all claims to IADVL HQ after ascertaining the claim authenticity
- 4) All members or Family of members of LM to approach the state branch secretary with claim form and relevant documents as prescribed time to time.
- 5) All claim amount to be sent to the designated account of member or legal heir by cheque. Money transfer by other modes may be considered.

Problems anticipated –

- 1) Non payment of DFC by members. This will be a major hitch. Mechanism to overcome this need to be discussed.
- 2) Administrative work and responsibility is very high. Needs dedicated workers who are experienced in such work. Need to appoint a good team. We can think of appointing retired employees of insurance agencies.
- 3) Disputes due to wrong claims by members and heirs. This will need to be referred to a suitable body created by DVLWT and IADVL. Disciplinary action to be framed.

Viability:

The scheme and returns become good depending on the number of members join. Hence the benefits will have to be worked after the joining period is over.

Suggested Health benefit can be implemented if more than 5000 members join. Or else we have to work out a scheme like IMA scheme with contribution from members depending on age OR we continue with IADVL benevolent fund covering only specified events with no more than 2L benefit

Beneficiary Members. At present there are many beneficiary members in DVLWT. These are spouses and children of members of DVLWT. They have to pay the annual DFC . The facility continues for all LMS but the beneficiary members have to pay admission fees and other fees as prescribed in DVLWT and as and when changes take place. They will be eligible for all benefits except Professional indemnity and health benefit. They will not have voting rights. All the rules as applicable to LMs apply to them in other matters.

Professional Indemnity - The existing scheme will continue with members paying yearly premium. The premium may be reduced if the number of members increase and also the risk amount (the existing amount is 15L) . IADVL or DVLWT will not pay the premium.

Proposal – 5- Revising IADVL constitution and clear various ambiguities and repetitions

1 Name of proposer/s-6(1+5) members: All are members of CC

Dr Jayadev Betkerur (LM/KN/2009), Dr Kiran Godse (LM/M/701), DR Rashmi Sarkar(LM/ND/1543) Dr Manjunath Shenoy(LM/KN/2878), Dr Rashmikanth Shah(LM/M/797), Dr Feroz K(LM/K/3383),Dr Rakesh SV(LM/K/4116), Dr Anuradha K Babu(LM/K/4853), Dr Venkatachalam K (LM/AP/3884),

2)Is it related to administrative/policy/constitutional (select one) OR I/we are not able to classify and accept ECs view - Related to administration

3 How will it help IADVL? There are many rules and regulations in our constitution which are very ambiguous and many repetitions. This makes it difficult to implement these rules. Removing these and correcting will help in easy understanding of our constitution

4 If constitutional – will it replace existing clause? Or modify? Give detail of the clause

5 Proposal: After going through our constitution it has been found that some rules, regulations and clauses are vague leading to ambiguity in interpreting them.

e.g page 12 Rule 8 **cessation of membership**. It mentions that the recommendation from state should go to Central Council.It does not mention the central EC at all. However the recommendation of state branch should come to Central EC for placing before CC. Many such mistakes exist.

These needs to be found and corrections suggested. These suggested corrections, after approval by GB, may be worded accordingly with help of legal experts to make our constitution more easily understood and implemented. Misinterpretations and controversies can be minimized

It is to be noted that only ambiguities in the constitution are to be corrected. In SOPs which have been separated from the constitution necessary changes may be made after correcting the constitution.

Dr Preethi B Nayak LM/KN/9418,Dr Anuradha K Babu(LM/K/4853),Dr Sonali Langar(LM/ND /4867),Dr Soumya Jagadeesan(LM/K/6195),Dr KV Venkatachalam(LM/AP/3884)

Is any one of the proposer members of CC? Yes

Is it related to administrative/policy/constitutional (select one) OR I/we are not able to classify and accept-Page 22,Part I Rules and regulations,Clause 25:Procedure of Electing Office Bearers:Model Code of Conduct in Elections

ECs view: Constitutional/ Administrative

How will it help IADVL?

Social Media is growing rapidly in today's era, so is the dermatological presence in the social media and other online public platforms. The contents posted in these platforms by one IADVL Member on another which are defamatory or malicious in content or can have a negative influence on electorate are not looked into by any committee or body as the Constitution mentions only IADVL platforms. These posts are noticeably on the increase. It would be appropriate if we could have a Supervisory Task Force within Media Cell dedicated to evaluate and give recommendations should such a complaint is made on such contents related to negative campaigning or derogatory posts that hurt any individual dermatologist at professional or personal level on Social Media such as Facebook,Instagram or What's app or any Forum in

Public View. The task force would be empowered to evaluate such a complaint, check its veracity and recommend necessary action. This is much needed in an active and vibrant association like IADVL which is an academic body.

This should also be included in Model Code of Conduct in Elections for both candidates or other members of IADVL.

If constitutional – will it replace existing clause? Or modify? Give detail of the clause

Yes, modify-Rules and regulations, Clause 25: Procedure of Electing Office Bearers: Model Code of Conduct in Elections

Change in IADVL Media Cell

Proposal: We, herein, propose a Supervisory Task Force in Media Cell which, only if requested for help by any IADVL member, will evaluate such a complaint, check its veracity and recommend necessary action in order to streamline the negative contents posted on the online platforms, and hence maintain the peace and unity under IADVL. The posts could be defamatory, derogatory, malicious, hateful or bearing a negative influence on the electorate from one member to another during elections or otherwise on social and public platforms. This cell would be working pro-actively, and be as a support system to all the IADVL members when something goes wrong in any social media platforms. This task force can also be approached by members during IADVL Elections.

Do you think this needs referral to any specific committee? No

Proposal – 7- IADVL Academy

Name of proposer/s-6(1+5) members: Dr Rashmi Sarkar(LM/ND/1543), Dr Vineet Relhan(LM/ND/3780), Dr Sonali Langar(LM/K/4867), Dr KV Venkatachalam(LM/AP/3884) Dr Richa Sharma(LM/ND/4025), Dr Bhavesh Swarnakar(LM/MP/3827)

Is any one of the proposer members of CC? Yes

Is it related to administrative/policy/constitutional (select one) OR I/we are not able to classify and accept- Related to IADVL Academy ECs view:

How will it help IADVL?

In order to make the IADVL Academy stronger, an IADVL Academy Review Task Force was set up and modifications made in 2017. Few of us were members. They need to be implemented more for transparency and breaking long cycles of these posts into smaller parts. The two amendments which must be included are mentioned

If constitutional – will it replace existing clause? Or modify? Give detail of the clause. None

Proposal: We, herein, propose the immediate implementation of 2 modifications for IADVL Academy for transparency and breaking long cycles into smaller parts in the future. This is for more inclusivity and giving a chance to a wider range of IADVL members. The two amendments which must be included are mentioned below.

1. The selection of IADVL Chairperson and Convener should be by applications as in all other academic posts in IADVL like journal editors. The method of choosing them could remain the same. This may be called just before their tenures are decided. This would be more inclusive in a large association.

2. A cooling off period of 2 years should be given to the Convener in case he/she reapplies so that a very long period of 5 years does not occur. No other academic period is in continuity for 5 years beginning from Convener Select.

Do you think this needs referral to any specific committee? No, it was already part made and presented in CC meeting of 2017 but has not been implemented. It needs to find a place in the IADVL Constitution.

Proposal – 8- IADVL Elections

Name of proposer/s: Suresh Talwar LM/UP/2329, Venkataram Mysore LM/KN/3211, Ankur Talwar LM/UP/5653, Kshama Talwar LM/UP/7374, Amit Madan LM/UP/4522, Neeraj Pandey LM/UP/4926

Is any one of the proposer member of CC - Suresh Talwar, Venkat Mysore, Amit Madan, Neeraj Pandey

Is it constitutional related -yes

How will it help IADVL? Brief introduction. -It will help in smooth conduction of IADVL elections.

If constitutional – will it replace existing clause? -yes

Give detail of the clause – page no. and clause no.

page no 20 clause 4 (time table of elections) AND Part V :SOP,SECTION11:IADVL ELECTION –CONFLICT OF INTEREST

Proposal –A. the duration of voting be reduced from 6 weeks to 4 weeks ..Voting To start on 1st October and close on 31 October .

Since we have e voting system only the duration may be reduced to 4 weeks so as to reduce the canvassing period and will prevent setting of complacency in the voters

B .Declaration of conflict is mentioned in the SOP without giving further details .It is left to voters to decide based on their conflict of interest. IADVL should clearly define and bar people with conflict of interest like holding a post where they can influence voters by virtue of their posts from contesting elections .Example CHAIRPERSON AND CONVENOR OF SIG , President , secretary , treasurer in state IADVL .A comprehensive list be made by IADVL .

C Separate SOP for canvassing is made to include factors like

- Canvassing in official media before filing nomination
- Use of recent IADVL official function for subsequent promotion during election
- Aluremnt etc

D.Election officer should have better control on election process .A system be evolved where by he gets intimation at his place for every vote that has been casted (keeping the secrecy of voting intact),election audit of 3%votes (to keep a check at software programmer). Software be installed in computer at IADVL HQ (INSTEAD OF SOFTWARE PROGRAMMER OFFICE)

Do you think this needs referral to any specific committee? Please note that EC may decide to refer if it thinks it is necessary –YES - constitution committee

Proposal – 9- Modification of IADVL Elections Time table

Name of proposer/s-7(1+6) members: Dr Raghunatha Reddy R (LM/KN/2925), Dr Krupashankar D S (LM/KN 1975),Dr Deep Darshan (LM/KN/7350), Dr Savitha AS(LM/KN/5761) , Dr Shashi Kumar B M (LM/KN/5241), Dr Jagadish P(LM/KN/4913), Dr Sujala S Aradhya (LM/KN/7349)

Is any one of the proposer members of CC? Yes

Is it related to administrative/policy/constitutional? Constitutional

How will it help IADVL? Brief introduction

Election process in IADVL is tedious and spans over a long duration which results in undue delay and problems to both contestants and the members due to the process of Campaign. This is being debated in all platforms and almost everybody seems to be thinking in the same line . Reducing the duration help the whole process and makes it members and contestants friendly.

If constitutional – will it replace existing clause? Or modify? Give detail of the clause – page no. and clause no.

Yes. It will only modify existing clause cited in Page 84, Section II, clause T

Proposal – 10. Presidential financial proposals

Name of proposer/s-6(1+5) members: Dr Raghunatha Reddy R (LM/KN/2925), Dr Shashi Kumar B M (LM/KN/5241), Dr Venkataram Mysore (LM/KN/3211), Dr Savitha AS(LM/KN/5761) , Dr Jagadish P(LM/KN/4913), Dr Dinesh (LM/KN/2878)

Is any one of the proposer members of CC? Yes

Is it related to administrative/policy/constitutional? Policy

How will it help IADVL? Brief introduction

Any new proposals including presidential initiative involving more than 5 lakhs rupees should be submitted during mid - year CCM instead of closing CC/AGBM. On approval it should be proposed in AGBM for approval. This gives time for the members to debate the merits, demerits, uses, decide and take appropriate decision. Since some of the presidential projects involve huge investment, this will give more time to decide and take appropriate decision in the interest of IADVL and its members

If constitutional – will it replace existing clause? Or modify? Give detail of the clause – page no. and clause no.

None

Proposal

Many initiatives including presidential initiatives involves huge amount. Many a time it involves less discussion due to lack of time in AGBM. So, proposing such financial initiatives during Mid year CCM will give more time for discussion and MID year CCM has better representation with proper involvement of CC members, state branch Presidents and secretaries and hence is more appropriate.

Proposal – 11. MOU with pharma for DERMACON

Name of the proposal- Dr Narendra Patwardhan (LM/M/777), Dr Pradyumna Vaidya (LM/M3466)
Dr Amit Kelkar(LM/M 3054)

Related to Administration

As an organising chair person, secretary and treasurer of Dermacon 2020, we had to face lots of hurdles while getting the promised amount from the pharma in the year 2020. As on today 19/11/20, there are few backlogs inspite of many reminders, personal talks with the concerned pharma persons. We are recommending following MOU to be signed by the pharma and the dermacon office bearers which will reduce the physical and mental stress of the organisers.

This proposal will not replace the constitution.

GST/ TDS implications

To go ahead with any GST /TDS related communication the first and foremost thing will be to have our first communication with the CA/Auditor of the conference. A format of Invoice will be finalized as per the approval of the CA/Auditor and further invoices will be raised as per the standard format set prior. Please note we will require the following documents of the conference:

1. GST Certificate
2. Pancard
3. Cancelled Cheque
4. TAN Number
5. Registered Name & Address of the Company

TDS is deductible at the rate applicable on the amount before GST amount. TDS will be levied as per the standard government regulations under conference proceedings. We will provide a full Registration Sheet with GST bifurcation, Tax Invoices & excel sheet with details of sponsorship payment to the committee as well as the CA/Auditor of the conference.

For Pharma Company Participation/Sponsorship:

I. Important Documents required from the participating company:

1. GST certificate
2. PAN card
3. Cancelled Cheque
4. TAN number
5. Registered Name & Address of the Company

II. Applicable GST for various sponsorship categories:

1. For Registration applicable GST is 18%
2. For Sponsorship applicable GST is 18%
3. For Stall Participation applicable GST is 18%

Kindly note that applicability of GST bifurcation depends upon the “Place of Business” i.e. place of the conference in this case. Since the “Place of Business” is Maharashtra applicable GST bifurcation will be CGST- 9% and SGST-9%

III. Invoices:

1. For registrations & Accommodation:

- Kindly submit the list of registrants that includes (name, email id, contact number, registration category)
- As per the list sent, registration amount will be calculated and accordingly PROFORMA INVOICE will be raised
- Post the payment clearance and confirmation, TAX INVOICE will be generated
- Kindly note TAX INVOICE will be not be raised prior to the payment

2. For sponsorship/ Stall Participation:

- As per the sponsorship amount decided between the participating company and the organizing committee an appeal letter will be created
- Basis on which a PROFORMA INVOICE will be generated
- Post the payment clearance and confirmation, TAX INVOICE will be generated
- In case of part payments, two separate invoices will be generated as per the division of the amount. However, kindly note TAX INVOICE will be not be raised prior to the payment

IV. Reverse Charge Mechanism (RCM):

Normally, the supplier of goods or services pays the tax on supply. In the case of Reverse Charge, the receiver becomes liable to pay the tax, i.e., the chargeability gets reversed. This means that the GST will have to be paid directly by the receiver of the service to the Government instead of the supplier.

- In case the Organising Committee & the participating committee agree to RCM based sponsorship, then, the GST applicable on the Sponsorship amount will be paid by the participating company
- The appeal letter will be generated keeping the RCM rule in consideration
- RCM Invoice: Please note, under RCM invoice GST amount is mentioned as 0. Hence, the amount to be paid to the conference will be whole as mentioned in the invoice without any deductions.

E.g.:

Sponsorship Amount – Rs. 5,00,000/-

CGST 9%- Rs. 0/-

SGST 9%- Rs. 0/-

Total Amount- Rs.5,00,000/-

In the above case, the amount receivable from the participating company will be Rs.5,00,000/- and the GST will be applicable over and above Rs.5,00,000/- which will be paid by the participating company itself.

Please note RCM is applicable only if the payment is made as a part of **SPONSORSHIP**

- As a proof of RCM confirmation, the participating company has to provide an RCM Declaration Letter on their company letterhead to the conference organizers

- The participating company has to confirm the payment of GST by producing the GST payment challan to the Organising Committee

Payment Instructions:

1 st instalment	While Confirming/ Booking
2 nd instalment	Before 60 days
3 rd instalment	Before 45 days
4 th instalment	A week Before the event date

Payment needs to be done 100% advance on below mentioned Bank details:

If not Booth/ Space/ other all inclusions will be restricted

We sincerely hope that the above mentioned guidelines will be adhered to, by each and every participant of your company. Please be informed that the stall layout is not yet finalized. Layout will be given once it is ready.

Thanks & Regards,
Organising Committee

Proposal – 12 . Proposal for revisions in constitutional guidelines regarding quiz

Name of the proposers-6 (1+5) members: Dr Suneil Gandhi - LM/G/5759, Dr Soumya Jagadeesan - LM/K/6195, Dr Anuradha KB - LM/K/4853, Dr KM Ajith Tharakan - LM/K/3378, Dr Brijesh Nair - LM/C/4245, Dr Biju Vasudevan - LM/C/5377

Is any one of the proposer members of CC?- Yes. Dr Suneil Gandhi (Chairperson, Quiz Committee), Dr Soumya Jagadeesan (Convener, Quiz Committee), Dr Anuradha KB (Joint Secretary, IADVL)

Is it related to administrative/policy/constitutional – Constitutional

How will it help IADVL?

The IADVL-Pharma postgraduate quiz is an important and integral part of IADVL activities. Annexure XIII of the constitution gives a broad framework as well as specific instructions regarding its conduct. This has not been updated since many years, and more clarity is needed. We propose these revisions in order to streamline the guidelines, and make the conduct of the quiz program fairer and smoother. There are some minor changes required in other annexures of the constitution, that are relevant to the quiz program. For example, we no longer conduct quizzes at the zonal level.

If constitutional – will it replace existing clause? Or modify? Give detail of the clause –page no. and clause no.

It will modify the clauses. A few additional points are added to make the clauses clearer.

Proposal:

Original clause	Page no. and Clause no.	Proposed revision	Explanation

<p>This committee shall frame guidelines and conduct quiz programs at the state, zonal and national levels (Annexure XIII).</p>	<p>Page 56, Annexure VI, Clause 10</p>	<p>This committee shall frame guidelines and conduct quiz programs at the state and national levels (Annexure XIII).</p>	<p>We no longer conduct quizzes at the zonal level.</p>
<p>Four teams are selected for the finals. One from each zone, by conducting a zonal quiz program earlier (Annexure XII).</p>	<p>Page 69, Annexure IX, Clause 4(e)</p>	<p>Four teams are selected for the national level finals after conducting a preliminary screening test for all state level winners (Annexure XIII). The winners and runners up of the national level finals will be given an award.</p>	<p>We no longer conduct quizzes at the zonal level. Corrected the annexure reference number. Added a line to give an award to the winners and runners up of the national finals, as it was not mentioned in the original clause.</p>
		<p>States which have less than four teams will participate along with the neighbouring state. The quiz finals must be conducted as a plenary session during a prime time of the conference. The preliminary screening test will be conducted as closed-door session. The time and venue will be announced well in advance.</p> <p><i>New addition to annexure XIII, clause 1.</i></p>	<p>This is the norm being followed since many years, it is added to the annexure for clarity.</p>
		<p>Only one team is allowed to register per college. This will be done by sending mails to the respective state secretaries, who will inform dermatology HODs of all medical colleges in their state.</p> <p><i>New addition to annexure XIII, clause 2.</i></p>	<p>This is the norm being followed since many years, it is added to the annexure for clarity.</p> <p>The registration process is more streamlined now with the details of the participants collected well in advance for better communication and dissemination of information.</p>
<p>Only IADVL PLMs who are PG residents at the time of the state CUTICON quiz are eligible to participate in CUTICON and DERMACON quizzes</p>	<p>Page 76, Annexure XIII, Introducing paragraph</p>	<p>Only IADVL PLMs who are PG residents at the time of the upcoming DERMACON are eligible to participate in CUTICON and DERMACON quizzes.</p> <p><i>Moved to annexure XIII, clause 2.</i></p>	<p>This is proposed in the interest of fairness to all teams. If the participating postgraduates complete their course after their state level quiz, they are no longer postgraduates at the time of the national level quiz. This is against the name of the quiz program itself. They may</p>

			<p>have even started working as senior residents or assistant professors. This would be against the vast majority of postgraduates because they have extra time to prepare specifically for the quiz. The only postgraduates who may suffer from this revision would be the 6th semester students in institutes that have a twice-a-year uptake (AIIMS, PGI and JIPMER). They complete their residency in December. However, the 5th semester and below students can still participate. Reframed and moved for more clarity.</p>
<p>Quiz master for DERMACON will be selected by the National executive.</p>	<p>Page 76, Annexure XIII, Introducing paragraph</p>	<p>The quiz masters for DERMACON will be the chairperson and convener of the IADVL quiz committee, selected by the national executive. The national level quiz finals have to be conducted on the second day of the conference (Saturday), as a plenary session at a prime time.</p> <p><i>Moved to annexure XIII, clause 6.</i></p>	<p>Typically, the convener is in charge of the national prelims and the chairperson is in charge of the national finals. A lot of hard work goes into coordinating the state level quizzes throughout the year, and also towards preparation of the national level quiz, considering that there are no repeat questions from state level to the national level. The national finals have always been conducted on Saturday as a plenary session at a prime time. This is the convention being followed since many years. Reframed and moved for more clarity.</p>
<p>Quiz Masters for each state can be decided by the President and Hon. Secretary General with suggestions from the IADVL-Pharma Quiz Committee.</p>	<p>Page 76, Annexure XIII, Clause 3</p>	<p>Quiz masters for each state can be selected by the IADVL quiz committee with approval from the president and honorary secretary general.</p>	<p>This is the norm followed since the last few years. The selection process has become systematic with standardized checklists and scoring prepared by the IADVL quiz committee. Reframed for more clarity.</p>
<p>Freshers will be preferred for the CUTICONS.</p>	<p>Page 76, Annexure XIII, Clause 3</p>	<p>A mix of experienced and fresh quiz masters will be preferred for the CUTICONS.</p>	<p>This is recommended to give a fair balance, as is being followed now - with criteria and scores given for selection.</p>

		Freshers with prior aptitude and experience in quizzing will be given more preference. Quiz masters who have conducted more than three consecutive IADVL-Pharma quizzes will be given less preference.	Experienced quiz masters are essential in highly competitive states. Freshers with prior interest in quizzing will allow for a higher quality of state level quiz masters.
		All subspecialties of the subject must be covered in a standardized manner, decided by the IADVL quiz committee. <i>New addition to annexure XIII, clause 5.</i>	To ensure that questions are uniformly distributed topic-wise, testing all areas of knowledge.
Only single answers would be allowed (no multiple answers), with correct answers carrying 1 mark and wrong answers a -0.5 mark.	Page 76, Annexure XIII, Clause 5	Questions must be multiple choice type, with a single answer only (no multiple answers), with correct answers carrying 1 point and wrong answers -0.25 points.	Reframed for more clarity. Keeping negative points of 0.25 per question is more humane in our opinion. This is the convention being followed in most standard MCQ based exams, including NEET. A high negative marking of -0.5 will result in negative total scores and demoralize the postgraduates.
If there is still a tie, the team with the fewest negatives (not including unanswered questions) in the primary MCQ paper shall be selected. In the event of a tie, lots shall be drawn.	Page 76, Annexure XIII, Clause 5	The last 6-10 questions must be allotted as tie-breaker questions. In case of a tie, the team who answered most tie-breaker questions correctly will be selected. If there is still a tie, the team with fewer negatives shall be selected. In the event of further ties, lots shall be drawn.	Pre-assigned tiebreakers are the standard practice in most quizzes today. We recommend to follow this norm in order to make the process of setting prelims MCQs simpler and more acceptable.
The final among the four teams shall consist of eight rounds (viz. basic sciences, two clinical dermatology, dermatopathology, STDs including HIV/AIDS, leprosy and tropical	Page 76, Annexure XIII, Clause 5	The quiz final among the four teams shall consist of eight rounds (namely, 1. Therefore, we propose that the revised annexure XIII of the constitution, which deals with the conduct of the IADVL-Pharma quiz reads as follows:

(the revised portions are highlighted, and the structure is rearranged in chronological order of events with redundant sentences removed)

1. All state CUTICONS shall conduct a quiz under the supervision of the IADVL quiz committee, with the help of the national coordinator, under the IADVL-Pharma banner. States which have less than four teams will participate along with the neighbouring state. The quiz finals must be conducted as a plenary session during a prime time of the conference. The preliminary screening test will be conducted as closed-door session. The time and venue will be announced well in advance. Approximately 18-19 teams who are the winners of their respective state level quiz, will be selected for participation in the national level quiz, conducted during DERMACON. Those teams shall participate in a preliminary screening test. The final four teams will be selected to participate at the national level finals.
2. At the state level, teams representing each academic institution will be invited to register for participation in the quiz program. Only one team is allowed to register per college. This will be done by sending mails to the respective state secretaries, who will inform dermatology HODs of all medical colleges in their state. IADVL PLMs who are PG residents at the time of the upcoming DERMACON are eligible to participate in CUTICON and DERMACON quizzes. The national winners of previous IADVL-Pharma quizzes are not eligible for participation.
3. Quiz masters for each state can be decided by the IADVL quiz committee, with approval from the president and honorary secretary general. They will be invited through the IADVL e-groups and social media. The quiz master for the CUTICON should not be from the same state. Criteria for quiz master selection must be on various parameters such as a good academic background, experience of conducting and participating in quizzes, and interest and commitment to conduct the quiz. A mix of experienced and fresh quiz masters will be preferred for the CUTICONS. Freshers with prior aptitude and experience in quizzing will be given more preference. Quiz masters who have conducted more than three consecutive IADVL-Pharma quizzes will be given less preference.
4. Every CUTICON quiz should have one assistant quiz master as a volunteer, selected from that state to assist the quiz master in conducting the quiz. The assistant quiz master shall be provided complimentary conference registration by the local organizers, but will have to bear their own travel and accommodation arrangements. If there is no assistant quiz master volunteering from the host state, a volunteer from another state may be considered. One of the joint secretaries from the state branch, or a member from the organizing committee of that particular CUTICON must be appointed for the purpose of coordination with the IADVL quiz committee and the honorary secretary general.
5. Quiz masters shall be free to frame their own questions, which should be short, clear, with a single answer and non-controversial. All subspecialties of the subject must be covered in a standardized manner, decided by the IADVL quiz committee. If there are more than four teams at the state level, there will be a preliminary screening test consisting of 30 MCQs, covering all subspecialties. Questions must be multiple choice type, with a single answer only (no multiple answers), with correct answers carrying 1 point & wrong answers -0.25 points. The last 6-10 questions must be allotted as tie-breaker questions. In case of a tie, the team who answered most tie-breaker questions correctly will be selected.

If there is still a tie, the team with fewer negatives shall be selected. In the event of further ties, lots shall be drawn. The top four teams will be selected for the state level quiz finals. The quiz final among the four teams shall consist of eight rounds (namely, 1. Basic sciences, 2. General clinical dermatology, 3. Pediatric dermatology and genodermatoses, 4. Leprosy & STIs including HIV/AIDS, 5. Systemic clinical dermatology, 6. Diagnostics, 7. Therapeutics, 8. Dermatotomy and cosmetic dermatology, in that order) and one rapid fire round. Each round shall consist of four questions. Questions should be a single direct question, and not consist of two parts. The first round will start from Team A, the second from Team B, and so on, while the fifth round will start in reverse order, i.e., from Team D, Team C, etc. A correct answer gets 10 points, while a correctly answered passed question gets 5 points. There is no negative marking. The time for a question is 10 seconds for the primary team; if passed, the secondary team has to answer immediately. In the rapid-fire round, each team would be asked up to 10 questions in one minute. A correct answer carries 3 points. There is no negative marking. In case of a tie, the quiz master should be ready with tie breaker questions, three questions for each team. If there is still a tie, the team that scored the highest in the preliminary screening test will be declared as the winner.

6. The quiz masters for the national level quiz at DERMACON will be the chairperson and convener of the IADVL quiz committee, selected by the IADVL EC. The national level quiz finals have to be conducted on the second day of the conference (Saturday), as a plenary session at a prime time. A preliminary screening test will be held on the CME day or the first day of the conference. The time and venue will be announced well in advance. It will consist of 40 MCQs, covering all subspecialties. Questions must be multiple choice type, with a single answer only (no multiple answers), with correct answers carrying 1 point and wrong answers -0.25 points. The last 6-10 questions must be allotted as tiebreaker questions. In case of a tie, the team who answered most tie-breaker questions correctly will be selected. If there is still a tie, the team with fewer negatives shall be selected. In the event of further ties, lots shall be drawn. Once the final four teams are selected, the national level finals will be conducted in a manner similar to the state level finals, with eight rounds and a rapid-fire round. In case of a tie, the quiz master should be ready with tie breaker questions, three questions for each team. If there is still a tie, the team that scored the highest in the preliminary screening test will be declared as the winner.
7. Financial arrangements:
 - i) State level IADVL-Pharma quiz: A reasonable lumpsum amount as decided by the GB, shall be paid to the local organizers by IADVL, to cover the cost of complimentary registration, travel and accommodation provided to the quiz master. Mementoes and certificates for the quiz masters and assistant quiz masters shall be provided by the pharma company. If there is no pharma tie-up, then by the IADVL and the local organizing committee.
 - ii) National level IADVL-Pharma quiz: A reasonable lumpsum amount as decided by the GB, shall be paid to each participating team member by IADVL, in order to defray their expenses. The local organizers must provide complimentary registration, travel and accommodation for 4 days to both the national level quiz masters. A reasonable lumpsum amount as decided by the GB, shall be paid to the local organizers by IADVL. Mementoes and certificates for the quiz masters and quiz committee members shall be provided by the pharma company. If there is no pharma tie-up, then by the IADVL and the local organizing committee.

Proposal – 14 CPS Life members

Name of proposer: Dr Nayan Patel- LM/G/4300, Dr J.P. Modi- LM/G/452, Dr Ajay Parikh- LM/G/470, Dr Nipul Vara LM/G/3656, Dr Deepak Parikh LM/G/517, Dr Suresh Patel LM/G/485

Are any of the proposers a member of CC? **yes Dr J P Modi- LM/G/452. Dr Ajay Parikh LM/G/470**

It is related to- constitutional matter

How will this help IADVL?

This proposal is vital in maintaining the trust of ordinary members of IADVL for functioning of the association. It will help preserve the very heart of the association which is, welfare of its members and providing service – to the field of Dermatology. This proposal seeks to undo the proposal in the previous AGBM which defies all standards of justice, transparency and ‘wider deliberation before decision’ which requires changes in the constitution of IADVL. Decision regarding the issue of giving life membership to CPS and FCPS diploma and degree holders taken in last AGBM is full of flaws due to following reasons which ideally should have been discussed beforehand.

1. Said proposal was passed during IADVL AGBM held in Pune in presence of very few IADVL members.
2. Proposal itself was pushed through at the end moment without any prior notice to members (it was not part of circulated agenda of meeting).
3. Do proposals which require constitutional changes in IADVL and concerned state IADVL branches need not be passed through EC prior to discussion in AGBM? (what is the stand of IADVL constitution on this?)
4. As clearly mentioned in the proposal that CPS course is present since the last 100 years. If IADVL has not considered giving them membership since 1973 what has changed overnight which makes it an urgent matter which was neither circulated first to members nor passed through EC?
5. As mentioned in the minutes of meetings of said AGBM, proponent of proposal has mentioned that legal advice has been taken to address any future litigations. Why document of that legal advice was not attached with the proposal? Do other state branches not reserve their right of legal advice as they are also going to be affected by this proposal?
6. As mentioned in the proposal, it was stated by proposers that this proposal was unanimously passed by IADVL-Maharashtra branch during AGBM. Do other state branches who are also going to be affected by this proposal not reserve the right to discuss this matter in their respective state branch AGBM before being taken up in National IADVL?

7. Those having financial and personal conflict of interest in the matter under consideration were also a part of proceeding when the same was discussed and passed. Is it not desirable standard for reputed institute like IADVL that any prosper disclose their conflict of interest before moving proposal of such magnitude? Was any disclosure made by proposer? At least it is not part of minutes of meeting.
8. A widely circulated message on social media has mentioned that the meeting in question was a floored one with members being present only to support the cause of CPS getting Life Membership. Is this in any way ethical? Does this uphold the values and dignity of IADVL?
9. As mentioned in minutes of the meeting during which this proposal was passed there are already 500 CPS diploma and degree holders practicing in Maharashtra. This number is going to increase with each passing year as greater number of CPS degree holders will be added in practice. Majority of CPS members are practicing in Maharashtra and some are practicing in other 3 states like Gujarat, Rajasthan and Orrisa. Giving life membership to CPS candidates with voting rights will disproportionately increase the voting share of Maharashtra and to some extent of the three other states. Will this not affect all future election process of IADVL be it post of office bearers or venue of IADVL events? Does this not require at least deliberation by states where CPS is not recognised? will it not be prudent to take in principal approval of those state branches before discussing this at national IADVL level?

If Constitutional- Page number: 9; Clause Number 4(a)

Proposal:

We recommend to undo the changes made in clause number 4(a) of IADVL constitution during last AGBM held during DERMACON-2020, Pune. Candidate with degree DDV diploma awarded by The College of Physicians and Surgeons (CPS) of Mumbai must not be made life member of IADVL.

Declaration of Conflict of Interests: None of the member proposing the matter has any financial or non-financial conflict of interest in proposal. Proposal is moved purely as it is deemed in interest of IADVL by us.

Proposal – 15 Quorum of AGBM

Name of proposer/s-6(1+5) members: Dr N Asokan (LM/K/1129),+ Dr David Pudukadan (LM/K/4118), Dr Rakhee Nair (LM/K/6402), Dr Binesh VG (LM/K/4236), Dr Sarin Abdul Salam (LM/K/5544), Dr Betsy Ambooken (LM/K/1335)

Is any one of the proposer members of CC? : No

Is it related to administrative/policy/constitutional (select one) OR I/we are not able to classify and accept ECs view : Constitutional

How will it help IADVL? Brief introduction.

Under byelaws 5a and b, presently , the quorum for CCM is only seven, of which only three should be other than office bearers. For GBM, it is only 40. Even if this number is not there, there is a provision for the meeting to be adjourned for half an hour and held thereafter.

These numbers for quorum were written decades ago, when the number of members was probably hardly 1000. Primarily the quorum is meant to ensure that the decisions taken by an organization truly represent the opinion of the members. If it is too low, there is a danger that a small group of members with a single point interest may attend the meeting and manage to get a favourable decision by majority. Now the number of LM itself has increased to above 10,000. Increasing it proportionately would mean 400 for GB. However increasing to that much may mean practical difficulties in hall space.

If constitutional – will it replace existing clause? Or modify? Give detail of the clause – Yes; page 27; Clause no. 5 a and b under byelaws(IADVL Constitution 2020, (Incorporated up to Combined Central Council and Annual General Body meeting 2020 Commencing year)

Proposal: (It should be properly drafted)

We propose to

- increase the minimum number for **quorum** for **GB from 40 to 100**;
- Increase the minimum number of quorum for **CCM from 7 to 15**, with at least 10 members who are not office bearers
- Delete the condition that if quorum is not there, the meeting can adjourn for 30 minutes and can be reconvened. It is against the spirit of the rule and has no legal validity.

Proposal – 16 International Leprosy Congress

Name of proposer/s-6(1+5) members: P Narasimha Rao, LM/TS 134Bhushan Kumar, LM/P/1615, Sunil Dogra LM/P/3954, Sujai Suneetha, LM/TS/3097, Tarun Narang LM/P/4308 & Santosh Rathod,LM/G/5268

Is any one of the proposer members of CC?: Yes Dr P Narasimha Rao, Dr Bhushan Kumar and Dr Sunil Dogra

Is it related to administrative/policy/constitutional (select one) OR I/we are not able to classify and accept ECs view: Administrative

How will it help IADVL? Brief introduction.: It will the further enhance/project role of IADVL in the cause of leprosy, nationally and internationally.

If constitutional – will it replace existing clause? Or modify? Give detail of the clause – page no. and clause no.: No

Proposal: (It should be properly drafted):

Preamble: The International Leprosy Congress (ILC) is held every three to four years in different parts of the world. The 20th ILC was held from 10-13, September 2019 at Manila, Philippines at which there was good representation from IADVL members with many research presentations.

The proposal to bid to host the next **International Leprosy Congress (ILC)** in India was approved at the CC meet – **IADVL** (August 2019) and it was coupled with the concordance of **Indian Association of Leprologists (IAL)** and **Central leprosy division (CLD/ NLEP)**, Govt of India. Based on these, a proposal to hold the next ILC in India jointly was presented to International Leprosy Association (ILA), under whose aegis, the ILC 2019 was held at Manila. It was accepted by the ILA to allocate the next ILC to India at the concluding ceremony of the 2019 ILC held at Manila, Philippines. The symbolic 'Key' to hold the next ILC was handed over to the President of IADVL-2019 Dr. P Narasimha Rao at Manila congress, at the concluding ceremony of the ILC, in the presence of representatives from IADVL, IAL, Govt India, ILEP and others.

Progress made so far:

During the AGBM held in 48thDermacon, January 2020 Pune, the following resolutions were passed: a) It was decided that IADVL would support the proposed ILC, b) a core committee consisting of Dr. V M Katoch, Dr. P Narasimha Rao, Dr Bhushan Kumar, Dr. Sunil Dogra, Dr.Sujai Suneetha, Dr Tarun Narang, Dr. Santosh dev Rathod was accepted along with the President and Secretary General and president elect of IADVL as ex officio members to coordinate and planning for the ILC. C) Proposers were advised to resubmit the proposal for financial support once again.

A regional/ state committee was proposed and formed by Gujarat IADVL to work towards proposed venue for the congress. It was decided that the proposed ILC may be held during last quarter of year 2022 at Mahatma Mandir, an international convention centre, Gandhi Nagar, Gujarat, as it was found most suitable. <http://www.indextb.com/mahatma-mandir/mahatma-mandir.aspx>. The Gujarat team is already actively working to get permissions for the allocation of the proposed venue.

We would like to state that this International leprosy congress (ILC) is unlike other international dermatology conferences (eg: WCD/ ICD) bid and hosted by IADVL.

The salient features of ILC:

1. The proposed next ILC is allotted to India, with IADVL, IAL and Central Leprosy Division (CLD) Government of India/NLEP work together in organising it.
2. It is **purely an academic congress** for upgrading knowledge and brainstorm policy development in leprosy to achieve Zero leprosy goal in the India and world by 2030.
3. ILC actively **involves medical professionals of all branches of medicine working for leprosy: National leprosy program managers of most leprosy endemic countries**, Clinicians and Surgeons (Dermatologists, leprologists, physicians' ophthalmologists, reconstructive surgeons, plastic surgeons, orthopedicians etc), para-medical workers, physiotherapists, nurses and persons affected by leprosy (PAL) through the national and international leprosy organisations / NGOs representing them.
4. The International leprosy association (ILA) under whose banner the ILC is to be hosted, **does not expect any financial returns** from the congress.
5. The lead agencies of the host country are expected to generate fund to conduct the congress. The chief sources are proceeds of registration fee and other donor agencies contribution.
6. It is a **3-day congress which is preceded by 3-4 days of workshops** and focussed discussions on programmemanagement issues.
7. **Total expenditure of the conference** is expected to be about 5 crores. (based on the expenditure incurred by ILC congress held at Manila in 2019)
8. Leprosy congress **may attract very little pharmaceutical industry interest** and hence its contribution will be negligible.
9. The administrative and scientific protocols need to be followed under guidance of ILA.

India shares more than 60% of the global leprosy burden and there was a great sense of expectation from all regional NGOs and various ILEP organizations in awarding this congress to India and for IADVL to take a lead as an official partner of NLEP.

The ILC is an opportunity for scientists, researchers, health staff, partners and individuals affected by leprosy to interact, discuss and share experiences in a variety of fields related to leprosy. It would be befitting that IADVL contributes whole heartedly to organize this prestigious congress in coordination with IAL and CLD/ NLEP, Govt of India in our country.

Hence, we request the IADVL committees and CC to look at this conference based on this perspective. IADVL/ EC will be given due credit and honour in the organisation of the ILC in the country.

Proposal to GB: We propose that:

An amount of Rs. 50 Lakhs be advanced by IADVL, as one the principal supporting partner towards the planning and hosting of the ILC congress in India, returnable after the conduct of the congress.

Proposal – 17 Discussion of proposals which involve Constitutional amendment in the CC DERMA MEET

1) Name of proposer/s- Executive Committee

2) Is it related to administrative/policy/constitutional (select one) OR I/we are not able to classify and accept ECs view - Constitutional

3) How will it help IADVL? To have more clarity for the CC to have discussion of proposals requiring change in the Constitution. Last year, the Committee had said “This clause was ambiguous since it did not bar discussion of any change in the Constitution in the CC MID-DERMA MEET”

In the CC MID-DERMA MEET 2019, it was decided to discuss this issue in the next GBM. However, this was not discussed in the GBM and hence this proposal.

4 If constitutional – will it replace existing clause? Or modify? Give detail of the clause

It will modify the existing clause

Rules & Byelaws, Subclause C, Clause 7(II)

“The CC MID-DERMA MEET will not take any decision to initiate constitutional changes. However, if any such decision is required to be taken in case of extreme necessity, it shall be placed before the next AGBM for approval.”

5 Proposal:

Proposals involving amendment of the Constitution can be discussed in the CC MID DERMA MEET.

The opinion of the CC should be placed before the CC/GBM of the closing year for its decision.

1) Name of proposer/s- Executive Committee

2) Is it related to administrative/policy/constitutional (select one) OR I/we are not able to classify and accept ECs view - Constitutional

3 How will it help IADVL? As changes are made in the Constitution every year, it is suggested that the amended Constitution be published digitally every year so that the updated Constitution is available to the members on regular basis at no major costs to IADVL and costs of publishing hard copies will be saved by publishing only limited number of hard copies every 4 years.

4 If constitutional – will it replace existing clause? Or modify? Give detail of the clause

Modification of existing clause. (Appendix 1: Constitution)

Existing clause: “The IADVL Constitution shall be ... continuously updated by the Constitution Committee based on and incorporating all the passed resolutions. It should be published every 4 years.”

5 Proposal: “It should be published only digitally every year and limited number of copies should be published every 4 years” to substitute “It should be published every 4 years”

Proposal – 19 Opinion of the Constitutional Committee/Finance Committee to be taken before submitting a proposal having a bearing on the constitution/ financial implications to the EC/CC/GBM

1) Name of proposer/s- Executive Committee

2) Is it related to administrative/policy/constitutional (select one) OR I/we are not able to classify and accept ECs view - Constitutional

3 How will it help IADVL? A proposal which has the effect of constitutional amendment requires the opinion of the Constitution Committee and a proposal having financial implication requires that of the Financial Committee so that EC, CC and GB can take a considered decision based on the opinion of the respective expert committee.

4 If constitutional – will it replace existing clause? Or modify? Give detail of the clause

Modification of existing clause

Bye laws – How should such proposals be processed?

Clause 7(b): “If the proposition or resolution sought to be moved by the member has the effect of making amendment/ modification in the constitutional provision or has financial implication, then instead of placing it directly before the AGBM for discussion, the Honorary Secretary General shall seek the opinion of the Constitution Committee.”

Clause 4: "All proposals would be announced on the official E groups, members' area of website, 6 weeks before AGBM/CCM." "The Hon. Gen. Secretary shall send final agenda of proposal to EC/CC/GBM members at least 3 weeks in advance."

5 Proposal:

Any proposal involving a constitutional amendment or having financial implications should be accompanied by the opinion of the Constitution Committee and the Finance Committee respectively and the CC (when applicable) when it is sent to EC/CC/GBM members. This provision will also apply to proposals submitted for consideration of the CC MID-DERMA MEET.

1) Name of proposer/s- Executive Committee

2) Is it related to administrative/policy/constitutional (select one) OR I/we are not able to classify and accept ECs view – Constitutional

3 How will it help IADVL? Any proposal having or likely to have any bearing on the Constitution or to have financial implications should be forwarded to the Constitutional Committee or the Finance Committee as the case may be before submitting to the GB for consideration. Therefore, there has to be sufficient time for the respective Committee to deliberate and opine on the proposals.

4 If constitutional – will it replace existing clause? Or modify? Give detail of the clause

Bye-law clauses

When should such proposals be submitted before the GB?

4: Any member desirous of moving a proposition or resolution at the GB meeting of the Association shall send it to the Honorary Secretary General at least 8 weeks prior to the said meeting."

7d: "Any member wanting to propose any change in the rules of the Association shall give at least 60 days' notice of such a proposal before the date of the meeting to the Honorary Secretary General, in writing, signed by the proposer and duly seconded and supported by five other bonafide members."

5 Proposal:

Any proposal involving a constitutional amendment or financial implication should be sent to the Honorary Secretary General at least 60 days before the meeting. Only in case of exigency (for reasons to be specified) may it be sent after this period. If the proposal does not state satisfactory reasons for the exigency, then the EC can reject its inclusion in the agenda

1) Name of proposer/s- Executive Committee

2) Is it related to administrative/policy/constitutional (select one) OR I/we are not able to classify and accept ECs view - Constitutional

3) How will it help IADVL? In 2019, the Committee had recommended that the SOPs should be separated from the Constitution. This was approved by the GB and has been implemented

Its recommendation that some annexures could be deleted from the Constitution and retained only as SOPs was also approved by the GB

As directed by the EC, the Committee has identified some annexures that could be deleted if approved by the CC and GB. The Constitution Committee has identified some such annexures and suggested its deletion from the Constitution.

Is any one of the proposer members of CC? Yes

Is it related to administrative/policy/constitutional (select one) OR I/we are not able to classify and accept ECs view – Constitutional

How will it help IADVL? To be adept in conducting IADVL business meetings and DERMACON /MIDDERMACON/ DERMAZONES when unprecedented situations or natural calamities are faced with.

If constitutional – will it replace existing clause? Or modify? Give detail of the clause – page no. and clause no. Modify Part II Bye-laws, Clause 2 Meetings (Page 42) & Clause 8 DERMACON (Page 49). Part IV: Annexures – Annexure IV: Guidelines for Zonal Conferences (Page 77) & Annexure VII: Guidelines for organization of DERMACON (Page 90)

Proposal: In the wake of COVID 19 pandemic we were forced to think about alternatives for the conduct of business meetings and conferences. IADVL as an association rose to the occasion by converting business meetings and conferences to virtual ones. Nevertheless, we lack clear guidelines / Standard Operative Procedures (SOP) on the conduct of business meetings and conferences and this paved way for some amount of confusion.

Hence, We may propose that it may be incorporated in our Constitution that in unprecedented situations such a matter has to be discussed in the EC & CC and then to be placed in an Extraordinary General Body Meeting (EGBM) with this matter as the agenda .An appropriate decision on the plan of action taken in the EGBM may be implemented, so that we have clear guidelines on the conduct of business meetings and DERMACON /MIDDERMACON/ DERMAZONES when unprecedented situations or natural calamities.

PROPOSAL 24:

Title: Incongruity with regards to the DERMAZONE surplus

Name of proposer/s-6 (1+5) members:

Kiran Godse(LM/ M/ 701), Feroz K (LM/K/3383), Rakesh SV (LM/K/ 4116), JayadevBetkerur (LM/KN/2009), Rashmikant Shah LM /M/ 797, Anuradha KB (LM/K/4853)

Is any one of the proposer members of CC? Yes

Is it related to administrative/policy/constitutional (select one) OR I/we are not able to classify and accept ECs view – Constitutional

How will it help IADVL? To gain clarity in the management of funds of IADVL

If constitutional – will it replace existing clause? Or modify? Give detail of the clause – page no. and clause no. Modify - Part 1 Rules and Regulations, clause 17.Funds of Association (page 21) (vii), Part IV: Annexure IV, Clause 2: Conference (page 77) D., Part V: Standard Operative Procedures (SOP), Section I: IADVL Finance Funds of IADVL (page 127) A.

Proposal: IADVL Constitution mentions in Part 1 Rules and Regulations, clause 17.Funds of Association (page 21) (vii) Surplus accruing from all zonal conferences: **50% of the surplus given to the IADVL** (Annexure IV). It is mentioned in Part IV: Annexure IV, Clause 2: Conference (page 77) D. 15% of all registrations and 20% of industry stall collection shall be handed over to IADVL as IADVL affiliation fee. This amount shall be divided equally as follows between: i) The organizing state 50% ii) Other participating states 30% (to be divided equally among all the states in that zone except the organizing state) iii) and the IADVL 20%. But it is mentioned in Part V: Standard Operative Procedures (SOP), Section I: IADVL Finance Funds of IADVL (page 127) A. Surplus accruing from all zonal conferences: The audited accounts of each conference (DERMAZONE) should be submitted to the IADVL and **20% of the surplus given to the IADVL.**

There is a noticeable incongruity with regards to the surplus that has to be given to the IADVL and this needs to be clarified and corrected.

Hence we propose that the following should be incorporated in the Constitution:

The DERMAZONE conference savings [Affiliation amount (15% of all registrations and 20% of industry collections) + surplus] should be divided as follows : i) The organizing state 50% ii) Other participating states 30% (to be divided equally among all the states in that zone except the organizing state) iii) and the IADVL 20%.

PROPOSAL 25:

Title: Clarifications and corrections regarding DERMACON surplus

Name of proposer/s-6 (1+5) members:

Kiran Godse(LM/ M/ 701), Feroz K (LM/K/3383), Rakesh SV (LM/K/ 4116), JayadevBetkerur (LM/KN/2009), Rashmikant Shah LM /M/ 797, Anuradha KB (LM/K/4853)

Is any one of the proposer members of CC? Yes

Is it related to administrative/policy/constitutional (select one) OR I/we are not able to classify and accept ECs view – Constitutional

How will it help IADVL? To gain clarity in the management of funds of IADVL

If constitutional – will it replace existing clause? Or modify? Give detail of the clause – page no. and clause no. Modify- Part 1 Rules and Regulations, clause 17.Funds of Association (page 21) (vi), Part II. Bye-Laws Clause 9.Bidding for DERMACON (page 51) (g) MOU/ Undertaking for conduct of DERMACON (6) , Part V: Standard Operative Procedures (SOP), Section VIII: DERMACON (page 188) Clause 11: Financial Accounts: (d)

Proposal: IADVL Constitution mentions in Part 1 Rules and Regulations, clause 17.Funds of Association (page 21) (vi) **Surplus accruing from all national conferences (DERMACON) will be distributed to Host branch 30%, IADVL 15% and IADVL Academy 20%.** This rule will be reviewed every three years. GST and All relevant government taxes have to be paid by DERMACON organizers before submission of audited accounts for DERMACON.

It is mentioned in Part II. Bye-Laws Clause 9.Bidding for DERMACON(page 51) (g) MOU/ Undertaking for conduct of DERMACON (6) We shall return the seed money received from IADVL within 10 days from last date of registration along with 7% simple interest till date. The State branch will contribute 50% and the Centre shall provide 50% of the seed money. 15% of share of total registration fees and 20% total Pharma/Instrument company/trade collections will be minimum assured savings but Organizing Committee shall try to save a minimum 20% of the DERMACON’s total receipts. The Minimum assured amount of 15% of total registration fees and 20% of total revenue from pharma& other trade sectors in the industry shall be transferred to IADVL account before DERMACON. Any surplus remaining over this minimum assured amount shall be transferred to IADVL within a month of finalizing the accounts, and not later than next Central Council meeting at any cost. **The Hon. Treasurer shall transfer state branch share of 30% (GST inclusive) of total savings remained after paying all GST and IT as academic grants to respective state.**

But it is mentioned in Part V: Standard Operative Procedures (SOP), Section VIII: DERMACON (page 188) Clause 11: Financial Accounts: **(d) 30% of the surplus if any over and above the minimum guaranteed amount (20% from stall and 15% from registration) given to the organizing state branch.**

Based on the above, we seek a clarification on the following:

- (1) 1. Are the terms “total savings” and “surplus” same?
- (2) 2.What is the basis of calculation of the state branch share? Is it 30% of the total money transferred to IADVL (Minimum assured amount of 15% of total registration fees and 20% of total revenue from

pharma & other trade sectors in the industry **and** any surplus remaining over this minimum assured amount) OR is it 30 % of the surplus remaining over the minimum assured amount?

(3) 3.What has been the precedence in calculating state branch share?

Relevant clarifications and corrections based on the above mentioned queries should be incorporated in the Constitution. Hence we propose that the following should be incorporated in the Constitution:

Total DERMACON savings (profit) = affiliation amount + surplus

* Affiliation amount = 15% of registration + 20% of other collections (Pharma/Instrument company/trade collections). This is the minimum assured amount to IADVL and needs to be transferred to IADVL account before DERMACON. This affiliation amount is shown as expenditure. If a conference fails to generate minimum assured amount then corresponding amount will be deducted from the state share.

*Surplus = Excess of Income over Expenditure. This surplus amount has to be transferred to IADVL within a month of finalizing the accounts preferable within 1 month but before CCM.

State share of DERMACON

30% (GST inclusive) of total DERMACON savings remained after paying all GST and IT as academic grants to respective state.

Seed money

It's the initial amount paid to OC to meet the expenses. Same amount has to be transferred back to central as soon as possible but before the conference. The amount sanctioned is 20lakhs from the IADVL Central. State branch will contribute the same amount. Interest is collected on this amount.

Dr. Rakesh further submitted that the Total Fixed Deposit Accounts, Ansari Nagar Balance as on 30 th MAY is 13,83,85,372.13.

He concluded that as Physical conferences are not happening the income may dwindle further. He added expenses from two new IADVL schemes will further diminish the income. Hence careful and meticulous planning is the need of the hour.

Dr. Ramesh Bhat enquired about DERMACON PUNE Accounts. Dr. Rakesh clarified that they haven't yet received the fully audited accounts.

Rashmi Sarkar sought clarification with regard to GST collection for IADVL membership. Dr. Rakesh explained that same has been submitted to Advance ruling Committee and their opinion on the matter is awaited.

Dr. Venkataram Mysore questioned about the reason for delay in submission of DERMACON PUNE Accounts. Dr. Rakesh shared the following reasons for delayed submission 1. Receivables are pending and 2. Chartered Accountants office was closed due to Lock down. Dr. Shashi kumar.B confirmed the same reasons.

Dr. Venkataram Mysore also sought clarification with regard to the issue of pending GST claim from Bengaluru. Dr. Sashi kumar. B briefed that that the issue has been forwarded to EC/ CFC and decision was taken that if approached Tribunal on the current issue, the chances of getting the money is remote. Further it was proposed and suggested by IADVL Auditor that it can be utilized for upcoming MIDDERMICON if the accounts are in operation. Dr. Raghunatha Reddy clarified that this can be carried forward. Dr. Asokan suggested that approaching Tribunal would be a right idea as the TAX authorities themselves suggested. Dr. Kiran, Dr. Rakesh and Dr. Raghunatha Reddy reiterated that this would incur huge expenditure as Lawyer fees and the GST refund is also not guaranteed. Dr. Venkataram Mysore stressed upon that as the refund is substantial 1.19 Crores tribunal help should be definitely sought. Dr. Siddardh Das supported this move. As there was no one against the proposal to approach Tribunal for GST refund, CC decided unanimously to approach the Tribunal.

The Treasurer's report was passed. It was proposed by Rajeev Sharma and seconded by Dr. Narendra Patwardhan.

AGENDA: IADVL Academy Report – Dr. Deepika Pandhi/ Dr Dipankar De (2:40 PM - 3:00 PM)

3. Constitution updated with the changes made in the GBMs in 2020 was sent to CC members for comments.
4. Segregation of some annexures from the constitution
5. Suggestions to the CC, to be approved by GB.

Updating the Constitution-2020

1. The draft, incorporating the changes made in the General body meetings in 2020, was prepared. Along with the minutes of the relevant meeting it was sent to EC.

2. EC has sent it to CC for comments and any changes decided by CC will be included

3. The amended draft will be put up on IADVL website and circulated in IADVL e-groups for comments from all members before being placed for approval in the CCM/GBM of the closing year in DERMACON 2021. The decision then shall be included in the constitution.

Further he mentioned as per the comment of CC member Dr. Asokan (LM/K/1129) change shall be made in the constitution with regard to becoming a Life member of the Association from " in the specialty "to Degree or Diploma in Dermatology or Dermatology, Venereology, Leprology. EC was in agreement with the proposed suggestion.

Dr. Subodh Sirur apprised that as per the SOP of Procedure for updating and publishing of constitution – "all resolutions passed in the GB should be comprehensively taken up by the Constitution Committee by the next Midyear CC meeting and a yearly constitution update/ amendment draft should be prepared in a meeting before that midterm CC meeting and this draft has to be placed and presented in the CC meeting for endorsement. Subsequently that amendment draft has to be placed in the GB of closing year. After further ratification, this has to be floated in www.iadvl.org and CC yahoo group for 1 month for members to opine and then it can be presented in CC meeting for endorsement. After inclusion of suggested changes final draft will be placed in closing GBM for final approval before inclusion in the constitution."

Suggestions- Dr. Subodh Sirur, Convener- Constitution Committee shared the following suggestions from IADVL Constitution Committee.

Suggestion 1- Updating the Constitution

As any Constitutional related proposal, once passed in AGBM, will immediately become operational, the Constitution should be updated within a month of the AGBM minutes being provided to the Constitution Committee. EC had suggested that the amendment draft has to be prepared by 31st March.

Dr. Asokan and Dr. Ameet Valia were in agreement with this move.

Dr. Sanjeev Handa proposed IADVL to come out with the template for constitution for all states to follow. Dr. Venkatram Mysore and Dr. Rajeev Sharma concurred with this. Dr. Laha and Dr. Siddardha Das said its available with West Bengal and they can share. Dr. Ameet said that they are helping in guiding and updating state constitution to a suggestion by Dr. Pradeep. Dr. Suresh Talwar requested this matter to be shared with State President and Secretaries.

Suggestion 2-Segregation of SOP and some Annexures from the Constitution- was shared by Dr. Ameet Valia

As directed by the EC, the Committee has identified some Annexures that could be deleted if approved by CC and GB.

1. Deletion of

- I. Online membership application system
- III. Guidelines for International conferences with the association of IADVL
- IV. Guidelines for Zonal conferences
- V. Rules for IADVL Training Fellowships
- VII. Guidelines for the organization of DERMACON
- VIII. Proforma for application of DERMACON
- IX. Rules for Awards, medals and Prizes at DERMACON
- X. Proforma of application and rules for Award session papers
- XI. Rules for Orations in DERMACON
- XII. Suggested list of SIGs that can be established
- XIII. IADVL- Pharma Post graduate Quiz
- XV. IADVL e- groups – Rules and Disclaimer
- XVI. Proforma for application for IADVL Best Branch Award

EC Opinion- The MOM of the GB state that the Annexures to be separated will be brought to the GB for approval. However, the preliminary work on the separation will be commenced before the GB to save time.

Suggestion 3- DVL welfare trust (Annexure XVII) Dr. Subodh presented that-

It should be ascertained that the DVL Welfare trust Constitution and the Trust Deed mention that the Trust is an integral part of the IADVL and also the role of IADVL in its functioning to ensure that the trust seamlessly becomes part of the IADVL. Dr. Subodh said this would instill confidence in the members enrolled.

EC Opinion- was in agreement with this.

Suggestion 4- Should proposals for changing the Constitution be discussed in the CC MID- DERM meet?

This was presented by Dr. Ameet Valia

Constitution Committee Suggestion- Since this was not discussed, we suggest that this clause should be modified to allow discussion of such proposals.

EC Opinion- In agreement with the above

Suggestion 5- The President Elect should be encouraged to present proposals in the CC MID DERMA Meet. This was presented by Dr. Subodh.

Constitutional Committee suggestion- Add a Clause- "Should try to present Proposals that have constitutional or Financial implications during their Presidential tenure in the CC-MID DERMA Meet "

EC Opinion – To be presented in the GBM of the Closing year.

Dr. Venkatram Mysore supported the move.

Dr. Rajeev Sharma opined that it goes through routine channel.

Dr. Arijit Coondoo concurred that it should be submitted well in advance.

CC OPINION-Majority opined that it should be submitted in the CC-MID DERMA MEET

Suggestion 6- When should such proposals be submitted before the GB?

Dr. Ameet Valia presented this suggestion

Constitutional Committee Suggestion- Any proposal involving a Constitutional amendment should be sent to Honorary Secretary General at least 60 days before the meeting. Only in case of Exigency (for reasons to be specified) may it be sent after this period.

EC Opinion – was in agreement with the 60 days' timeline.

Also, If, the proposal does not state satisfactory reasons for the exigency, then the EC can reject its inclusion in the agenda.

Suggestion 7- How should such proposals be processed?

Dr. Subodh presented Constitution Committee suggestion that- Any proposal moved by the member which has the effect to make changes in the Constitution should be accompanied by the opinion of the Constitution Committee and the CC when it is sent to EC/CC/GBM members. All proposals would be announced on the official E groups,

Website, 6 weeks before AGBM/CCM. The Hon. Secretary General shall send Final Agenda of proposal to EC/CC/GBM members at least 3 weeks in advance

Constitution committee suggestion was that any proposal involving a constitutional amendment should be accompanied by the opinion of the Constitution Committee and the CC (when applicable) when it is sent to EC/CC/GBM members

EC Opinion- was in agreement. Should be applicable to such proposals in the CC MIDDERRMA MEET.

Comments by CC Members- Dr. Rashmi Sarkar commented that the IADVL NEWS bulletin should reach members 1 month before AGBM, so that they come prepared.

Dr. Jayadev agreed with Dr. Venkataram Mysore and requested CFC to come out with a proposal with similar timeline.

Any proposals involving financial implications opinion of CFC should be sought.

Suggestion 7 Publication of the Constitution (Appendix 1)

Constitutional Committee suggestion- that it should be published only digitally every year –to be added

EC Opinion – In agreement, it should be published digitally every year

Comment by CC Members- Dr. Narendra Patwardhan and Dr. Rashmi Sarkar agreed that limited copies can be printed one in four years.

Suggestion 8- Court Jurisdiction of Disputes arising out of functioning of IADVL-

This was presented by Dr. Ameet Valia-

Constitutional Committee Suggestion- legal opinion should be sought on whether this needs to be changed.

EC opinion – In agreement

Comment by CC members- Dr. Sanjeev Handa opined that it should be at the place of IADVL Head Quarters.

AGENDA: SOP Committee Report- Dr Shital Poojari (3:15 PM - 3:20 PM)

Dr. Shital Poojary thanked Dr. Umashankar Nagaraju for his guidance and support and shared the following -

AGENDA: Central Finance Committee - Dr Shashikumar BM. (3:20 PM PM - 3:30 PM)

Dr. Shashi Kumar BM, CFC Chairman - presented the CFC report. He elaborated on the recommendations from CFC. The following sub committees were formed

1. Financial investment subcommittee
2. Welfare Schemes subcommittee
3. Conference Accounts subcommittee

Recommendations by the Financial investment subcommittee

As the interest rates on FD’s are decreasing other avenues of investment like Government and Corporate Bonds, Mutual funds, Real Estate and others should be explored.

Chairperson Dr. Deepak Parikh and Convener Dr.S. V Rakshesh and other members of the subcommittee, assessed the following Parameters with regard to investment-Liquidity, Risk involved and the Returns. The following were Recommended-

-Strongly recommended to seek the help of Professional Financial advisors appointed on a retainer basis.

- All investments should be done directly without broker/agent
- Recommends to constitute “Financial Asset Management Committee”
- Employee (retired person) with back ground in Finance to manage accounts at IADVL Headquarters.

Financial Asset Management Committee- This would consist of 9 members committee plus four Ex –Officio (President, Secretary., Treasurer and CFC Chairman) plus 5 advisors (past Presidents). The term shall be six years and one third of the members will be changed every 2 years.

The following were proposed with respect to Investment avenues, assessment and allocation

-15 to 20 % is the proposed allocation in Bank FD-as the returns are low with no risk involved

-Mutual funds – High Liquidity -to meet unforeseen emergencies

-30 to 50% to be invested in Central Govt. Bonds – return is 6 to 8 %

-20 to 30 % to be invested -Govt plus AAA rated Corporate Bonds- return 6 to 8 %

-Upto 20 % in Large and mid-cap equity via Mutual funds- 10 to 12 % returns

The following is the expected return profile for a starting investment of 13.5 crores-

Option	Percentage	Amount	Rate of Return	Interest Amount
1.Bank FD, Liquid fund MF	20 %	2.7 CR	5%	13,50,000
2.Central Govt. Bonds via MF	30%	4.05 CR	6%	24,30,000
3. Govt plus AAA rated Corporate Bonds Via MF	30 %	4.05 CR	7 %	28,35,000
4. Large and mid-cap equity via Mut. Funds	20 %	2.7 CR	10%	27,00,000
TOTAL	100 %	13.4 CR	@6.9 %	93, 15,000

Strongly suggested not to invest in Equity as the market is very volatile and needs constant supervision. This has got the approval of EC.

Recommendations by Welfare Schemes subcommittee

Dr. Rajib Gogoi, Chairperson and Dr.S. V Rakshesh, Convener.

The objectives of the subcommittee were:

- To study in detail about DVL Welfare trust with respect to beneficiaries and the amount disbursed
- To study in detail about Personal Accident Relief Fund
- To study in detail about Benevolent fund
- Delineate operational and administrative difficulties in implementing the above schemes
- Possible ways to integrate all schemes

Recommendations regarding DVL WELFARE TRUST:

- To continue with Registered office at Vadodara for Financial and Administrative work.
- Corporate office at IADVL HQ for Promotional activities, Communications, Data updating and verification.
- To revamp the existing DVL Committee members to include new members and to form a Committee for promotional activities.
- IADVL Vice President or Joint Secretary should be given the responsibility to supervise DVL welfare activities at HQ's and liaise with the Trustees at Vadodara. One particular day shall be dedicated for monitoring DVL Welfare activities in HQ through virtual meets.
- Mandatory meetings every 3 months should be held with EC, DVL welfare subcommittee members and DVL Welfare trust members.

Following were also suggested to increase DVL Welfare membership strength-

- Digitalize DVL Welfare activities
- Integrate DVL Welfare web portal with that of IADVL platform
- Intensive drive for new enrollment

Recommendations regarding **IADVL Benevolent Fund**: this should not be amalgamated with DVL welfare schemes and all IADVL members are eligible for this scheme. Funding should be from Conference savings or addition of Extra Cess in conference registration. The committee who shall be handling the claim would include-

1. President, IADVL
2. President Elect, IADVL
3. Immediate past President, IADVL
4. Honorary Secretary General, IADVL
5. Hon. Treasurer IADVL
6. Chairperson CFC, IADVL
7. Hon. Treasurer IADVL
8. Chairperson, DVL Welfare trust
9. Chairperson, IADVL Legal cell

CFC also opined that the disbursement should be made immediately as and when a claim arises. All applications shall be collated and disabused every 6 months.

The following graded Lock in period was suggested-

Amount received Rs.50,000 or less	-	1 year
Amount received Rs.50,001 to 1,25,000	-	2 years
Amount received Rs.1,25,001 to 2,00,000	-	3 years

-Further he clarified that subcommittee suggests that to be eligible for a claim under Benevolent Fund, blindness (partial or total) and loss of a limb must be due to reasons other than RTA.

-Total amount of disbursement suggested-

Claim below 2 lakhs: full reimbursement

Claim above 2 lakhs: maximum 2 lakhs are to be disbursed and the minimum claim amount should be 25,000.

Recommendations regarding Personal Accident Relief Fund:

Subcommittee suggests that, Claims arising out of RTA only shall be covered. The coverage may be extended to other types of accidents like regular sport injuries, household and office injuries as situation may demand. Claims arising out of adventure sports like Bungee jumping, mountaineering, river rafting, horse riding etc. are excluded from being covered.

Conference Accounts Subcommittee

Dr. Venkatram Mysore, Chairperson and Dr.S.V. Rakesh, Convener.

This subcommittee audited the accounts of last five DERMCONS held and submitted a detailed audit report of the compative accounts with regard to past five DERMCONS.

The following are the Recommendations-

- Every Organizer shall adhere to the uniform Conference Accounts template provided.
- Uniform code of conference conducts to be prepared by conference reforms committee with regard to complimentary registration, accommodation and travel.
- Venue with inbuilt infrastructure is preferred.
- Deadline should be fixed for pharma collections.

Replacement for Dr. Umashankar Nagaraju in various committees

Dr. Kiran Godse suggested Dr. Shyamanta Barua to be a member of CFC as replacement for Dr. Umashankar Nagaraju. Dr. Deepika Pandhi and Dr. Rashmi Sarkar, Dr. Arjith Condo, supported this move.

Further, Dr. Kiran Godse suggested Sr.Vice President to be a member for Best Branch Award committee as replacement for Dr. Umashankar Nagaraju. Dr. Jayadev Betkerur proposed Dr. Rajeev Sharma's name to be the member for the Best Branch Award Committee. This was seconded by Dr. Deepika Pandhi and Dr. Vinay Singh.

Comments by CC members-

1. Dr. Narendra Patwardhan requested that bidding team should be informed well in advance about the conduct of Conference. Dr. Feroz clarified that its already displayed in the website.
 2. Dr. Venkatram Mysore and Dr. Narendra Patwardhan opined that the exclusion criteria with respect to Benevolent fund and PARF should be more relaxed so as to help the needy member.
- Disbursement should be done within three months.

AGENDA: EC AND CC Proposals**(4:00 PM - 7:15 PM)****Proposal 1**

Title: Conducting IADVL business meetings and DERMACON /MIDDERMACON/ DERMAZONES when unprecedented situations or natural calamities are faced with.

Name of proposer/s-6 (1+5) members:

Kiran Godse(LM/ M/ 701), Feroz K (LM/K/3383), Rakhesh SV (LM/K/ 4116), JayadevBetkerur (LM/KN/2009), Rashmikant Shah LM /M/ 797, Anuradha KB (LM/K/4853)

Is any one of the proposer members of CC? Yes

Is it related to administrative/policy/constitutional (select one) OR I/we are not able to classify and accept ECs view – Constitutional

How will it help IADVL? To be adept in conducting IADVL business meetings and DERMACON /MIDDERMACON/ DERMAZONES when unprecedented situations or natural calamities are faced with.

If constitutional – will it replace existing clause? Or modify? Give detail of the clause – page no. and clause no. Modify Part II Bye-laws, Clause 2 Meetings (Page 42) & Clause 8 DERMACON (Page 49). Part IV: Annexures – Annexure IV: Guidelines for Zonal Conferences (Page 77) & Annexure VII: Guidelines for organization of DERMACON (Page 90)

Proposal: In the wake of COVID 19 pandemic we were forced to think about alternatives for the conduct of business meetings and conferences. IADVL as an association rose to the occasion by converting business meetings and

conferences to virtual ones. Nevertheless, we lack clear guidelines / Standard Operative Procedures (SOP) on the conduct of business meetings and conferences and this paved way for some amount of confusion.

Hence, We may propose that it may be incorporated in our Constitution that in unprecedented situations such a matter has to be discussed in the EC & CC and then to be placed in an Extraordinary General Body Meeting (EGBM) with this matter as the agenda .An appropriate decision on the plan of action taken in the EGBM may be implemented, so that we have clear guidelines on the conduct of business meetings and DERMACON /MIDDERMACON/ DERMAZONES when unprecedented situations or natural calamities.

Do you think this needs referral to any specific committee? Constitution Committee & SOP Committee

CONSTITUTION COMMITTEE:

The proposal can be considered in the Central Committee and placed before the General Body for approval.

SOP committee:

1. It needs referral to constitution committee as it requires a constitutional amendment
2. The proposal/Amendment can specify/define the unprecedented situations such as: pandemic, war/law and order situation, natural calamities

The modus operandi of conducting the EGBM in such situations can also be specified in the amendment for better clarity

EC Opinion:

Dr. Jayadev Betkerur and Dr.P. Narasimha Rao opined that we need Clear guidelines and necessary SOP during natural calamities and unprecedented situation like Epidemics/Pandemic in conducting DERMACON/MID DERMACON and Dermazones. Dr.Kiran and Dr. Anuradha supported this move

EC also proposed that it may be incorporated in our Constitution that in unprecedented situations such a matter has to be discussed in the EC & CC and then to be placed in an EGBM with this matter as the agenda. An appropriate decision on the plan of action taken in the EGBM may be implemented.

Comments by CC members-

Dr. Rajeev Sharma said this is the right thing to do. Dr. Asokan suggested that mention should be made that it shall be virtual EC and CC meet. Rashmi Sarkar and Dr.P.Narasimha Rao supported Dr.Asokan's suggestion.

Dr. Sanjeev Handa suggested to take e mail approval from members in this situation.

The proposal was passed with slight modification as suggested.

Proposal 2: IADVL Tele dermatology APP

Name of proposer: Dr. Shital Poojary (LM/M/4189) (CC member) Dr. SaurabhJaiswal (LM/M/ 9033), Dr. JimishBagadia (LM/M/7738), Dr. Sushrut Save (LM/M/7737), Dr. Purva Mehta LM/M7735, Dr. Anupam das (LM/M/7595)

Type of proposal: Policy

How will it help IADVL?

With an urgent requirement of an online platform in a Covid pandemic era and with background of current lockdown in all parts of India, we would like to propose development of a complete solution - IADVL Skin care App.

Proposal:

We propose this Tele dermatology model to have three pillars

1. Enrollment of all IADVL LM members with clinic phone number, Google location of clinic, email id.
2. Facility to provide Photos and video calls to Dermatologists available online on app. With available digital payment options.
3. Aggressive marketing on Google, FB, insta and DD national (to reach rural areas)

So that people know that they are ensured skin care by an IADVL certified Dermatologist

This model will save our dermatologists from predatory market leaders like Practo and ensure ethical practice. Several members have brought to our notice the arm twisting by Practo such as starring system and misuse of patient data. The patients' names and details remain with them and are used for marketing by them

Enrollment of all members will help patients to understand available options. Google location will help us to refer patient to their nearby local Dermatologist for better opinion. List of Drs will be available strictly on location basis, not on seniority or ratings. Profile of Doctors can display their description and few images if they want to. Doctors can put up on their profiles, the various services provided such as biopsy center, laser center, NBUVB center etc. which will help in better referral.

Options of message or video call through app will retain Doctors' privacy.

Automatic PDF generation of prescription on pre-uploaded letterhead of Dr, to be used by patient.

Doctors can setup a reminder for online patients to follow up

IADVL's own app 'without involving third party apps' will protect data of patients. Data will be stored only in device used by Dermatologist, not in any cloud.

Most important purpose, this activity can serve, will be strong sensitization of Community to meet Dermatologist (online or offline) only for any skin related issues and alleviating young Dermatologists' insecurities due to which they fall prey to practo like platforms.

IADVL app will be a free app for both doctors and patients with no advertisement or endorsement of any kind. No scope should be there for giving ratings/reviews to Doctor.

There will not be any app charges/cut from fees paid to doctor.

Requirements:

While the app development itself will cost minimally, Allocation of funds will be required mainly for aggressive marketing to reach community and for Software development, software updates, lawyer support to make app acceptable as per telemedicine laws and miscellaneous expenses.

Does it require referral to any committee:

It will require a technical group of techno-savvy IADVL members to coordinate with app developer for development and maintenance of App.

It will require referral to Finance committee once the technical group decides on how much funds will be required for development and marketing

CONSTITUTION COMMITTEE:

The proposal can be incorporated in the SOP, if approved by the GB

CFC opinion

The exact amount required is not specified under different heading including total cost of the project. CFC is unable to comment.

EC Opinion:

Dr. Kiran and Dr. Jayadev expressed that IADVL is not in a position to invest in App making in this financial crunch situation. Practice management cell is testing around five apps given by various companies. PMC will come out with their report soon and few companies will be paying money to IADVL for using their app. EC opined that further discussion is needed in CC meet.

Comments by CC members-

Dr. Shital Poojary proposed the proposal to avoid exploitation by Practo app. Rashmi Sarkar inquired how's it different from previous IADVL app. Dr. Shital clarified that listing of Dermatologists will be done without any grading/ rating like what Practo does. Rashmi Sarkar agreed that it can be initiated.

Dr. Rohit Batra suggested that the listing of members should be done alphabetically or according to the IADVL membership no. Dr. Dinesh suggested that this is an Extension of "Find my Dermatologist" and this should be liked with Google maps to avoid potential conflict among members and this would have financial implications.

Dr.P. Narasimha Rao agreed that it is a good idea in principle and policy decision should be taken in this matter.

Dr. Kiran Godse submitted that four companies are offering apps and they will contribute financially to IADVL if the app is used. Dr. Shital opined that patient data may be misused in such a case.

Dr. Deepika Pandhi informed that IADVL shall be legally held responsible if any medicolegal issues arise and legal opinion should be sought.

Dr. Narendra Patwardhan said that there are many Tele dermatology apps and they shouldn't be merged with IADVL app.

Dr. Sanjeev Handa agreed with Dr.P.N. Rao that the app should limit only to find a Dermatologist and IADVL should not venture in to the business part.

Dr. Pradeep Laha opined the issue is complicated.

Dr. Venkatram Mysore said a beginning should be done for the benefit of youngsters and only be limited to Find your Dermatologist.

Dr. Dinesh said that the fund should be allocated for google search engine tie up for this to be successful.

Dr. Kiran agreed that IADVL shall make a beginning with – "Find a Dermatologist" app initially.

The proposal was not passed**Proposal 3**

Is it related to administrative/policy/**constitutional** (select one) OR I/we are not able to classify and accept ECs view

How will it help IADVL? It will help IADVL as how to deal with Pandemic/Epidemic situations from organizational point of view

If constitutional – will it replace existing clause? Or modify? Give detail of the clause – page no. and clause no. As per the opinion of EC

Do you think this needs referral to any specific committee? No

We have received your mail dated 27-06-2020 and have gone through your request that Telangana State IADVL 2020 and Team Hyderabad Dermacon 2021 should consider the possibility of conducting E-DERMACON on the schedule dates.

We sincerely thank you for the same and we have deliberated the entire matter and our main worry is that if we conduct a virtual DERMACON in 2021 we will lose the opportunity to conduct actual and physical DERMACON for the next 15-20 years.

Hence, we humbly propose the following options to EC and CC.

Option 1.

We, the Telangana State IADVL 2020 and the team Hyderabad Dermacon 2021 humbly accept EC's request to conduct E DERMACON(virtual) 2021 at Hyderabad on scheduled dates and request EC and CC to allot Physical Dermacon 2024 to Telangana State IADVL and to team Hyderabad Dermacon 2021 without bidding.

Option 2.

If proposal one 1 is not acceptable, then we, the Telangana State IADVL 2020 and team Hyderabad Dermacon 2021 request EC and CC to postpone Hyderabad Dermacon 2021 either to 2022 or 2023 or 2024.

Justification for Virtual DERMACON

Our Dermacons are not only academic and scientific events, but, also social and cultural and tourism events. Moreover, the pharma industry also participates in a big way in Dermacon.

However, the following are the unprecedented and "Exceptional circumstances" due to which it is practically not possible to conduct DERMACON physically not only in Hyderabad but also anywhere in India.

COVID-19 PANDEMIC

The Covid -19 pandemic has changed the human life drastically all over the world and India is no exception. We have lost three valuable months in the locked down period implemented by central and state governments. As of now there are almost 6.5 lakh cases in India and globally almost 1.13 crores cases with 5.3 lakh deaths. Cases in India expected to reach 20lakhs by the end of August

Govt of India restrictions.

- No social gatherings. Even for marriages not more than 100 and for funeral not more than 20
- No International Travel and very restricted domestic travel
- No trains
- Adverse impact on pharma industry which will reflect on their participation in Dermacon.
- Preventive measures of Covid-19 like sporting of mask, social distancing.
- Adverse impact on economy and pharma industry is no exception.
- Delegates will be too scared to travel which will hugely affect the number of attendees in the conference.
- Participation of international and national faculty in Dermacon 2021 is going to be questionable as air travel is not fully operational.
- There is complete uncertainty and confusion regarding travel, hospitality, and large social gatherings till at least for an year from now.i.e June 2021
- Due to COVID19 pandemic events like EADV, EAACI, MID-DERMACON are being held virtually

Justification of allocation of Hyderabad for Physical DERMACON in 2024

We sincerely submit that we the members of Telangana state IADVL have, commitment to conduct in a grand way and proposed the venue at Hyderabad in 2018 and our members throughout India, responded enthusiastically gave a mandate in a big way with more than 1549 votes majority and chosen Hyderabad as a venue of DERMACON in 2021. We would like to submit that this mandate was for actual and physical DERMACON. Team Hyderabad is ready to conduct the physical Dermacon with dignity and honor as it has been mandated by the esteemed members of IADVL from all over the country. In fact, we will be failing in our duty if we do not honor the mandate awarded to team Hyderabad by our esteemed members.

Our past record of DERMACON 2006 in Hyderabad

Hyderabad, the capital of erstwhile Andhra Pradesh was the venue for Dermacon 2006 and Dermacon was conducted under the aegis of Andhra Pradesh IADVL.

1. 38 international Speakers with expertise in the topics
2. Best Academic content
3. Best ambience at SHILPA KALA VEDIKA
4. 40 food counters, Delicious cuisine different on all days – No repetition
5. Memorable banquets at spacious HITEX and ROCK GARDEN
6. First time in the history, Even after making best possible arrangements, still Dermacon 2006 Organizing Committee has saved record of RS.2.60 Crores , which was a turning point in the contribution to Central IADVL

This is first time TSIADVL got the opportunity to host physical Dermacon 2021 at Hyderabad after formation of Telangana and after a gap of 15 years but unfortunately COVID 19 pandemic struck the every organization including Dermacon.

Hence, along with agreeing to conduct Virtual DERMACON in 2021, we the Telangana State IADVL 2020 and organizing team of Dermacon 2021 Hyderabad request the EC and CC to consider our request to allot actual and physical DERMACON 2024 to Telangana state IADVL and to team Hyderabad Dermacon 2021 without bidding, keeping our earlier track record and reasons mentioned above.

Any similar precedence in the past? -- YES

We humbly submit that

1. DERMACON 2014 was initially allotted to Mangalore.
2. Later, ICD was allotted to India and Dermacon was to be held in New Delhi in December 2013
3. To avoid clash of common interests, decision was taken to club DERMACON 2014 with ICD in December 2013 and to protect the interests and mandate of Mangalore, DERMACON 2015 was allotted to Mangalore. The decision was taken by CC, EC and was ratified in Extraordinary AGBM

CONSTITUTION COMMITTEE:

Option 1. We, the Telangana State IADVL 2020 and the team Hyderabad DERMACON 2021 humbly accept EC's request to conduct EDERMACON (virtual) 2021 at Hyderabad on scheduled dates and request EC and CC to allot Physical DERMACON 2024 to Telangana State IADVL and to team Hyderabad DERMACON 2021 without bidding.

Opinion: There is no provision in the Constitution for a virtual DERMACON. However, as per Rule 23A (vii), "the President shall in extraordinary, unforeseen circumstances, in consultation with the Executive Committee, use his or her discretionary powers to take a decision to resolve any problem" and according to Rule 15(b), the Central Council has the power "to .. ratify the President's action taken in exigent circumstances". By implication, in extraordinary, unforeseen circumstances, the President can take a decision, to be ratified by the Central Council, about events that can be decided during his or her tenure, such as DERMACON 2021.

According to the BYE-LAWS

- 8 (a) (ii) "The venue should be decided by election process",
- 9 (a) "Any state branch wanting to hold DERMACON must call its GBM, and, by a majority vote, pass a resolution to that effect and decide the name of the Organizing Secretary and Chairperson of the Local Scientific Committee."
- 9(d) "The bid for the DERMACON of a particular year should be sent to the Honorary Secretary General on 31st July of the year previous to the AGBM where the venue shall be announced after voting."

Thus, any bid should be authorized by the GB of the state branch, which does not appear to have been done in the instant case. The bid for DERMACON 2024 can be made only by June 2021, decided by the election process, and approved by the GBM in 2022. Hence, the proposal to discuss it now also does not conform to the Constitution. Any deviation from the procedure laid in the Constitution will require a constitutional amendment and approval by the GB.

- 2) Option 2. If proposal one 1 is not acceptable, then we, the Telangana State IADVL 2020 and team Hyderabad DERMACON 2021 request EC and CC to postpone Hyderabad DERMACON 2021 either to 2022 or 2023 or 2024.

Opinion: There is no provision in the Constitution for this. Further, any bid should be authorized by the GB of the State Branch, which does not appear to have been done in the instant case. The bid for DERMACON 2024 can be made only by June 2021, decided by the election process, and approved by the GBM in 2022. Hence, the proposal to discuss it now also does not conform to the Constitution.

EC OPINION:

EC unanimously agreed that as TSIADVL 2020 and OC Hyderabad 2021 has given their acceptance to conduct Dermacon 2021 on a virtual platform, their request to allot Dermacon 2024 without bidding may be considered after discussion in CCM, EGBM. Postponement would effect the planning of team Dermacon 2022 and 2023.

Comments by CC Members-

Dr. Putta Srinivas shared the proposal.

Dr. Suresh Talwar agreed to allot DERMACON 2024 to Hyderabad and same was agreed upon by Dr. Narendra Patwardhan and Dr. Hema Jerajani

Dr. Asokan said the proposal to allot DERMACON 2024 is justified.

Dr. Rajeev Sharma suggested in the current scenario where DERMACON is allotted through bidding request should be made to others, not to bid for 2024 Dermacon.

Dr. Mukkaddam agreed allotting DERMACON 2024 to Hyderabad and same was supported by Dr. Sanjeev Handa, Dr. Venkatram Mysore and Dr. Vikas Shankar. Dr. Rashmi Sarkar mentioned that this sanction of DERMACON is under exceptional circumstances and in future the Organisers should be ready to conduct the conference Virtually in unprecedented situations.

Dr. Jayadev Betkerur said consensus should be arrived at CC and it will be decided further in GB. Dr. Rajeev Sharma insisted that mention should be made that bidding for DERMACON 2024 will not be called for and this should be amended in the constitution.

Dr. Suresh Talwar reiterated that Virtual DERMACON-2021 should be conducted by IADVL EC 2020 in association with Academy and not Hyderabad. He further clarified that two Dermacons can not be allotted to same state i.e. Telangana.

Dr. P. Narasimha Rao agreed to allotting E- DERMACON 2021 to Hyderabad.

Dr. Ameet Valia agreed that virtual DERMACON 2021 should be held by IADVL EC 2020.

Dr. Asokan proposed that this year e- DERMACON should not be considered a physical DERMACON and this should be amended constitutionally so that no one can challenge allotment in 2024 to Hyderabad. Dr. Rajeev Sharma said that then this shall degrade the prestigious Orations and its not acceptable. Dr. Suresh Talwar supported Dr. Rajeev Sharma. Dr. Deepika Pandhi accepted to Organize e- DERMACON along with EC if they are asked to do by CC. Dr. Narendra Patwardhan reiterated DERMACON 2024 be allotted to Hyderabad. Dr. P. N. Rao said amendment can be made in AGBM.

Final Decision arrived after a lengthy discussion -Dr. Shital Poojary suggested that decision shall be taken in EGBM to allot DERMACON 2024 to Hyderabad subject to a constitutional waiver which is to be ratified in AGBM held in DERMACON 2021 and the decision of allotment of E- DERMACON to be taken in EGBM to be held on 9th August 2020.

PROPOSAL 4:

TITLE OF PROPOSAL: Establishing "official" Facebook, Twitter, Instagram, YouTube page for IADVL. Projecting these pages as the only official pages for IADVL.

Name of Proposer/s-6 (1+5) members (LM Nos.)

Dr. Aditya Mahajan (LM/M/8004), Dr. Niteen Dhepe (LM/M/3232), Dr. Anil Bhokare (LM/M/84), Dr. Bhavesh Devani (LM/G/574), Dr. Meenaz Khoja (LM/M.9043), Dr. Ankur Talwar (LM/UP/5653), Dr. Aseem Sharma (LM/M/8338), Dr. Animesh Saxena (LM/MP/12256)

Is any one of the proposer member of CC? Yes

Is it related to administrative/policy/constitutional (select one) OR I/we are not able to classify and accept ECs view: Policy related issue

How will it help IADVL?

To create a better organised social impression of our organisation and to help community and members alike.

If constitutional - will it replace existing clause? Or modify? Give details of the clause - page no. and clause no.

Proposal:

On entering "IADVL" in the search on Facebook there are at least 20-25 pages and 10 profiles related to IADVL which appear. These are pages which have been created by conveners or chairpersons of various cells or groups of IADVL in the past All these groups have around 200-600 members each and are inactive.

There is no single group for entire IADVL which may provide information on a single click to members and general population regarding activities (academic and non-academic). Similar is the case for twitter and Instagram.

1. Our aim as media cell is to consolidate these groups. Trace admins of inactive older groups and ask them to delete these groups while forming a new group which will be "officially approved by EC of IADVL".

1. Every other major dermatology organization has an official page which is verified by Facebook, Instagram, Twitter (blue tick beside the profile name) which is used to declare policies, information pages for patients and interaction between members.

2. Creating of YouTube Channel to upload videos regarding social awareness regarding diseases for common public.

3. Similar group(s) and page(s) be prepared for members of IADVL for interaction and sharing of various content (academic and non-academic). All material be forwarded to media cell for sharing.

(this is in accordance with **IADVL CONSTITUTION – SPECIAL INTEREST GROUPS - E-GROUPS PAGE NUMBER – 93. READS - Additional e-groups, observing the same rules, may be instituted by the Honorary General Secretary for interaction among members for other purposes, such as any IADVL conference (state, zonal, national or international) organization, research groups, journal editorial board, and recipients of international fellowships, in consultation and agreement with the president.**)

We also seek Providing of financial help to Media Cell for release of press notes (around 12 in number) and Promotion of social media channels and pages.

We need to guide how the IADVL logo can be used at national and state level on social media platforms.

Broad Aims for General Public Group/Page:

1. Information regarding social activities of IADVL

2. Disease information

3. Quackery information

4. Attractive photographic and video-graphic content can be made for uploading, Media cell agrees to prepare such content.

5. Disease information in various languages.

6. Funding from IADVL when needed.

It should be noted that publishing articles in newspaper or television is expensive. Once a follower base is built on Facebook it stays forever.

What is required from EC:

1. Approval for creation of such a page on Facebook, Twitter, Instagram, YouTube

2. Officially recognition of these pages by EC to be the **only official page** of IADVL and only these pages should be allowed to use IADVL logo and the name of IADVL.

3. All material to be directed to these pages for sharing.

4. Urging all members to like and follow only these official pages through emails to members.

5. Paid promotion can be considered for the general public group in due course for better outreach pan-India.

6. Three advertisement agencies were contacted for quotations the best would be selected (by Dr. Niteen Dhepe)

Do you think this need referral to any specific committee?

No

CONSTITUTION COMMITTEE: The proposal can be incorporated in the SOP, if approved by the GB

CFC

The exact amount required is not specified under different heading including total cost of the project. CFC is unable to comment.

EC Opinion

EC opined that Facebook page may be considered as mentioned in the proposal .But initiating Twitter , Instagram pages and youtube channel all at one go might not be a good idea .We may launch an official Facebook page as the first step , observe how it functions and then venture into other platforms if need be . Austerity will have to maintained as our income is expected to nosedive for reasons known to all of us .Hence paid promotions may be deferred as it will erode our funds further.

As per our Constitution (page 93 – Blue book):

By virtue of the post only the IADVL Honorary Secretary General will be the owner of these e-groups. In consultation with the President and EC s/he may delegate the responsibility to any of the Vice President/Joint Secretary to moderate the ACAD/ general discussion or Residents group .

Hence all matter must be sent to Hon. Secretary General/Moderator and not to media cell before posting in official pages of IADVL in social media. EC Further opined that IADVL Media Cell Face book page may be initiated. Dr.Jayadev Betkerur that it can be taken up post elections as conestants might use the platform for campaigning. He also suggested that they should come out with proposed budget and as a proposal in General body meeting.

CC members comments-

Dr.Dinesh opined that Facebook ,Instagram, Twitter can be initiated simultaneously as this will not involve any funds any post should be approved by Hon.Secretary General.

Dr.Madhulika confirmed that i.d's were already shared.

CC opinion- Media cell can have Media cell IADVL face book page.

PROPOSAL 5:

Title: Incongruity with regards to the DERMAZONE surplus

Name of proposer/s-6 (1+5) members:

Kiran Godse(LM/ M/ 701), Feroz K (LM/K/3383), Rakesh SV (LM/K/ 4116), JayadevBetkerur (LM/KN/2009), Rashmikant Shah LM /M/ 797, Anuradha KB (LM/K/4853)

Is any one of the proposer members of CC? Yes

Is it related to administrative/policy/constitutional (select one) OR I/we are not able to classify and accept ECs view - Constitutional

How will it help IADVL? To gain clarity in the management of funds of IADVL

If constitutional – will it replace existing clause? Or modify? Give detail of the clause – page no. and clause no. Modify - Part 1 Rules and Regulations, clause 17.Funds of Association (page 21) (vii), Part IV: Annexure IV, Clause 2: Conference (page 77) D., Part V: Standard Operative Procedures (SOP), Section I: IADVL Finance Funds of IADVL (page 127) A.

Proposal: IADVL Constitution mentions in Part 1 Rules and Regulations, clause 17.Funds of Association (page 21) (vii) Surplus accruing from all zonal conferences: **50% of the surplus given to the IADVL** (Annexure IV). It is mentioned in Part IV: Annexure IV, Clause 2: Conference (page 77) D. 15% of all registrations and 20% of industry

stall collection shall be handed over to IADVL as IADVL affiliation fee. This amount shall be divided equally as follows between: i) The organizing state 50% ii) Other participating states 30% (to be divided equally among all the states in that zone except the organizing state) iii) and the IADVL 20%.

But it is mentioned in Part V: Standard Operative Procedures (SOP), Section I: IADVL Finance Funds of IADVL (page 127) A. Surplus accruing from all zonal conferences: The audited accounts of each conference (DERMAZONE) should be submitted to the IADVL and **20% of the surplus given to the IADVL.**

There is a noticeable incongruity with regards to the surplus that has to be given to the IADVL and this needs to be clarified and corrected.

Hence we propose that the following should be incorporated in the Constitution:

The DERMAZONE conference savings [Affiliation amount (15% of all registrations and 20% of industry collections) + surplus] should be divided as follows : i) The organizing state 50% ii) Other participating states 30% (to be divided equally among all the states in that zone except the organizing state) iii) and the IADVL 20%.

Do you think this needs referral to any specific committee? Constitution Committee, SOP Committee & Central Finance Committee

CONSTITUTION COMMITTEE:

The proposal points out the incongruity between the Constitution and the SOP. However, it does not state what is proposed. A proposal (modified version) should be spelt out specifically so that the GB can consider the proposal.

SOP:

1. There is incongruity in different clauses of the constitution regarding surplus earnings from DERMAZONE. The surplus needs to be clearly defined as earnings minus affiliation fee (15% of all registrations and 20% of industry stall collection). Distribution of surplus needs to be defined and incorporated uniformly in relevant sections of the constitution and SOP
2. This proposal will require first referral to finance committee to define the distribution of surplus
3. Since it involves amendment to constitution , it will require referral to constitution committee

CFC:

The DERMAZONE sharing is already approved in AGBM and the same has been followed (As mentioned in SOP and Part IV: Annexure IV) but not reflected in the constitution. The same can be rectified in constitution bringing into the notice of CC and AGBM.

Following sentence need modification as below

Part IV: Annexure IV, Clause 2: Conference (page 77) D. ~~15% of all registrations and 20% of industry stall collection shall be handed over to IADVL as IADVL affiliation fee. This amount~~ **The conference savings (Affiliation amount (15% of all registrations and 20% of industry collections) + surplus)** shall be divided equally as follows between: i) The organizing state 50% ii) Other participating states 30% (to be divided equally among all the states in that zone except the organizing state) iii) and the IADVL 20%.

EC Opinion:

EC was of the opinion that there is a definite incongruity between the Constitution and the SOP regarding Sharing of surplus amount with regard to Dermazone. This requires corrections to be made in the constitution. Dr.Jayadev Betkerur suggested that necessary changes be made in constitution and SOP and it should be reflected as same in both. Dr.Rakhesh and Dr.Anuradha supported this.

CC members comments –

Dr.Rashmi Sarkar opined that necessary changes must be made in the constitution to avoid confusion. Dr.Asokan agreed for this in principle.

The proposal was passed.

PROPOSAL 6:

Title: Clarifications and corrections regarding DERMACON surplus

Name of proposer/s-6 (1+5) members:

Kiran Godse(LM/ M/ 701), Feroz K (LM/K/3383), Rakesh SV (LM/K/ 4116), JayadevBetkerur (LM/KN/2009), Rashmikant Shah LM /M/ 797, Anuradha KB (LM/K/4853)

Is any one of the proposer members of CC? Yes

Is it related to administrative/policy/constitutional (select one) OR I/we are not able to classify and accept ECs view - Constitutional

How will it help IADVL? To gain clarity in the management of funds of IADVL

If constitutional – will it replace existing clause? Or modify? Give detail of the clause – page no. and clause no. Modify- Part 1 Rules and Regulations, clause 17.Funds of Association (page 21) (vi), Part II. Bye-Laws Clause 9.Bidding for DERMACON (page 51) (g) MOU/ Undertaking for conduct of DERMACON (6) , Part V: Standard Operative Procedures (SOP), Section VIII: DERMACON (page 188) Clause 11: Financial Accounts: (d)

Proposal: IADVL Constitution mentions in Part 1 Rules and Regulations, clause 17.Funds of Association (page 21) (vi) **Surplus accruing from all national conferences (DERMACON) will be distributed to Host branch 30%, IJDVL 15% and IADVL Academy 20%.** This rule will be reviewed every three years. GST and All relevant government taxes have to be paid by DERMACON organizers before submission of audited accounts for DERMACON.

It is mentioned in Part II. Bye-Laws Clause 9.Bidding for DERMACON(page 51) (g) MOU/ Undertaking for conduct of DERMACON (6) We shall return the seed money received from IADVL within 10 days from last date of registration along with 7% simple interest till date. The State branch will contribute 50% and the Centre shall provide 50% of the seed money. 15% of share of total registration fees and 20% total Pharma/Instrument company/trade collections will be minimum assured savings but Organizing Committee shall try to save a minimum 20% of the DERMACON's total receipts. The Minimum assured amount of 15% of total registration fees and 20% of total revenue from pharma& other trade sectors in the industry shall be transferred to IADVL account before DERMACON. Any surplus remaining over this minimum assured amount shall be transferred to IADVL within a month of finalizing the accounts, and not later than next Central Council meeting at any cost. **The Hon. Treasurer shall transfer state branch share of 30% (GST inclusive) of total savings remained after paying all GST and IT as academic grants to respective state.**

But it is mentioned in Part V: Standard Operative Procedures (SOP), Section VIII: DERMACON (page 188) Clause 11: Financial Accounts: **(d) 30% of the surplus if any over and above the minimum guaranteed amount (20% from stall and 15% from registration) given to the organizing state branch.**

Based on the above, we seek a clarification on the following:

- (4) 1. Are the terms “total savings” and “surplus” same?
- (5) 2.What is the basis of calculation of the state branch share? Is it 30% of the total money transferred to IADVL (Minimum assured amount of 15% of total registration fees and 20% of total revenue from pharma & other trade sectors in the industry **and** any surplus remaining over this minimum assured amount) OR is it 30 % of the surplus remaining over the minimum assured amount?

(6) 3. What has been the precedence in calculating state branch share?

Relevant clarifications and corrections based on the above mentioned queries should be incorporated in the Constitution. Hence we propose that the following should be incorporated in the Constitution:

Total DERMACON savings (profit) = affiliation amount + surplus

* Affiliation amount = 15% of registration + 20% of other collections (Pharma/Instrument company/trade collections). This is the minimum assured amount to IADVL and needs to be transferred to IADVL account before DERMACON. This affiliation amount is shown as expenditure. If a conference fails to generate minimum assured amount then corresponding amount will be deducted from the state share.

*Surplus = Excess of Income over Expenditure. This surplus amount has to be transferred to IADVL within a month of finalizing the accounts preferable within 1 month but before CCM.

State share of DERMACON

30% (GST inclusive) of total DERMACON savings remained after paying all GST and IT as academic grants to respective state.

Seed money

It's the initial amount paid to OC to meet the expenses. Same amount has to be transferred back to central as soon as possible but before the conference. The amount sanctioned is 20lakhs from the IADVL Central. State branch will contribute the same amount. Interest is collected on this amount.

Do you think this needs referral to any specific committee? Constitution Committee, SOP Committee & Central Finance Committee

CONSTITUTION COMMITTEE:

The proposal points out the incongruity between the Constitution and the SOP. However, it does not state what is proposed. A proposal (modified version) should be spelt out specifically so that the GB can consider the proposal.

SOP:

1. 1. A clear definition of surplus earnings from DERMACON is required as earnings minus affiliation fee (15% of all registrations and 20% of industry stall collection). Further Distribution of surplus needs to be clearly defined and incorporated uniformly in relevant sections in the constitution and SOP
2. 2. This proposal will require first referral to finance committee to define the distribution of surplus
3. 3. Since it involves amendment to constitution, it will require referral to constitution committee

CFC:

The DERMACON sharing is already approved in AGBM at Coimbatore and the same has been followed (As mentioned in SOP and also in IADVL news Vol 12 issue 1, page 34) but not reflected in the constitution. The same can be rectified in constitution bringing into the notice of CC and AGBM.

Just to update the followed norms

DERMACON Savings

Total DERMACON savings (profit) = affiliation amount + surplus

* Affiliation amount = 15% of registration + 20% of other collections (Pharma/Instrument company/trade collections). This is the minimum assured amount to IADVL and needs to be transferred to IADVL account before DERMACON. And this affiliation amount is shown as expenditure. If a conference fails to generate minimum assured amount then corresponding amount will be deducted from the state share.

*Surplus = Excess of Income over Expenditure. This surplus amount has to be transferred to IADVL within a month of finalizing the accounts preferable with in 1 month but before CCM.

EC opinion: **E C agreed that** there is a definite incongruity between the Constitution and the SOP 1. regarding Sharing of surplus amount with regard to Dermacon. Dr.Jayadev and Dr.Anuradha expressed that the same wording /terminology be used in both constitution as well as SOP to avoid confusion and this requires corrections to me made in the constitution. Affiliation term was accepted by ECas the same was also opined by CFC.

Comments Opinion-- It was agreed that updating in the constitution was needed in this regard .

The proposal was passed.

Agenda-EC meeting with State President and Secretaries and Academy. (8:40 PM - 9:30 PM)

Dr.Feroz extended a warm welcome to the Presidents and Secretaries. Dr.Kiran Godse welcomed them all and asked Secretary General Dr.Feroz to proceed with the agenda.

Dr.Feroz expressed that the referee for a member applying for IADVL membership should be from the same state

Dr.P.N.Rao inquired if IADVL office helps in verifying the details /certificates of a member applying for LM. For this Dr.Feroz clarified that it is done by himself.

Dr.Feroz requested the Presidents and Secretaries to conduct membership campaign so as to enroll more members as LM's. Dr.Jayadev Betkerur informed that for PG's to attend any conference they must be a PLM of IADVL and this is mandatory. Further he submitted that those PLM'S who have exceeded 5 years of validity and have not converted as LM's , like PLM's from 2013 , their names have been deleted and they have to apply fresh for becoming a member. Those PLM's from 2015 were given extension by few months.

Dr.Feroz requested to enroll more members as e- voters and submitted that currently the registered E- voters are 69.5 %.

He also shared about the various welfare schemes for members like DVL welfare trust, Benevolent fund and Personal accident relief fund.

Under this unprecedented situation Dr.Feroz requested Presidents and Secretaries to conduct CUTICONS on a virtual platform.

Every state should initiate Academy . Dr.P.Nirmala Devi expressed that every state can have SOP for Academy.

MINUTES of the EXTRA ORDINARY GENERAL BODY MEETING, held on 9th August 2020, 2 pm

Dr.Feroz extended a warm welcome to all the members. Dr.Kiran Godse, President IADVL invited all the IADVL members for the EGBM. He briefed about the agenda for EGBM. IADVL EC has received a CCM proposal from Telangana State branch and Organising Committee of DERMACON 2021 informing their inability to conduct DERMACON 2021 along with a request to postpone it to 2022 or 2023 in view of the Covid pandemic. EC had requested them to reconsider their decision and sought their willingness to conduct Virtual DERMACON on the specified dates in 2021. Subsequently they submitted a revised proposal informing the acceptance to conduct a Virtual DERMACON on the scheduled dates in 2021 along with a request to allot physical DERMACON in 2024 without bidding. EC discussed on this in detail and sought opinion of Constitution Committee in this regard. As there are no clear constitutional guidelines so as to conduct DERMACON in unprecedented situations an EGBM was called for by EC to uphold the democratic values of IADVL.

Dr.Feroz apprised the house that the agenda was circulated to all the members 30 days prior as per the constitutional norms.

Agenda – Conduct of Virtual DERMACON 2021 on the scheduled dates 4th to 7th February 2021 by Telangana State IADVL and Hyderabad team subject to the condition of allotment of DERMACON 2024 to IADVL Telangana branch to be conducted in Hyderabad.

Dr.Kiran Godse as per the suggestion of Dr.Jayadev Betkerur, announced that as per the CC members request EC 2020 along with IADVL Academy shall hold the Virtual DERMACON 2021.

Discussion – As per the request of Dr.Subodh Sirur, Dr.Feroz read the opinion of the Constitution Committee in this matter: “According to byelaw 2(b) the Hon.Secretary General when authorized by EC, Central council or on a written request by at least 50 members may call a EGBM in consultation with the President with a month notice. The decision to consider E-DERMACON can be considered as an extraordinary measure for the approval by GB. We also opine that, while we are staring at an extraordinary circumstance the procedure to be followed for receiving the bids for DERMACON including the current proposal has to be as per Constitution. Precedence can be persuasive but not binding unless they are incorporated in the Rules and Regulations. The GB also cannot take a decision outside the four corners of the constitution, unless a constitutional amendment permitting such decision is made simultaneously.”

Dr.Subodh stressed upon the need for a Constitutional amendment on guidelines to be followed unprecedented situations.

Dr.Putta Srinivas intimated that EGBM was held in Telangana state and a resolution was passed accepting EC's request to conduct Virtual DERMACON 2021 at Hyderabad on same dates and request the EC and CC to allot physical DERMACON 2024 to TSIADVL and Organising team of DERMACON 2021.

Dr. Sanjeev Vaishyampayan opined that we should approve and sanction the amendment of the constitution first and then the decision has to be taken.

Dr.Rashmi Sarkar said we can reconvene and take a decision.

Dr. Shital Poojary opined that another EGBM should be called for in a month's notice and the constitutional amendment be done. Same was suggested by Dr. Rajeev Sharma. Dr. Arijit Coondoo also agreed with this as there was no proposal for constitutional amendment in the present agenda.

Dr. Mukadam agreed for allotment of DERMACON 2024 to Hyderabad. Dr. Venkataram Mysore agreed upon allotment of DERMACON 2024 to Hyderabad but said it should be done by abiding the constitution.

Dr. Ragunatha Reddy expressed that decision to allocate DERMACON 2024 to Hyderabad should be taken in this EGBM and constitutional amendment can be taken up in another EGBM.

Dr. Atul Kochhar advised that force majeure should be included in the constitution to take decision in unforeseeable circumstances.

Dr. Feroz once again clarified that EC has agreed to conduct DERMACON 2021 along with Academy on a Virtual Platform as per the consensus of CC. This was accepted by the house.

Dr. Ameet Valia submitted that once the resolution is brought forward legal opinion should be sought and amendment cannot be specific for one year, it has to be for exceptional circumstances. Dr. Rajeev Sharma supported this and pointed that State should be ready to conduct Virtual DERMACON in such a situation.

Dr. Jayadev Betkerur opined that in concurrence with Constitution committee the agenda for next EGBM can be formulated. Dr. Rajesh Verma and Dr. Arijit Coondoo suggested for inclusion of force majeure clause in the agenda for next EGBM for constitutional amendment and also legal opinion should be sought in this regard.

Dr. Sanjeev Handa advised that the agenda for next EGBM should be all inclusive as suggested by members.

Dr. Shital Poojary clarified that in this EGBM whether to allot DERMACON 2024 to Hyderabad is to be taken. The same was agreed upon by Dr. Patnaik, Dr. V.K. Somani and Dr. Raghunatha Reddy.

Voting / polling was held for the following:

1. *Conducting Virtual DERMACON 2021 by EC and IADVL Academy, is this acceptable or not?*

Poll result - 94 % agreed, 5 % did not agree and 1 % did not vote.

2. *Taking into consideration the extraordinary situation Telangana state and Hyderabad may be allotted DERMACON 2024 subject to a constitutional waiver for cancellation of bid for DERMACON 2024 and this will be brought as a proposal in a virtual EGBM which will be called at the earliest. Is this acceptable or not?*

Poll result - 93 % agreed, 4% disagreed and 3 % did not opine.

Dr. Kiran Godse thanked everyone and Dr. Feroz offered vote of thanks for their participation and cooperation.

MINUTES of the EXTRA ORDINARY GENERAL BODY MEETING, held on 27th September 2020, 9 am

President Dr. Kiran Godse extended a warm welcome to all the members on behalf of the IADVL Executive Committee. He apprised the members about the purpose of organizing the Extraordinary General body meeting. He requested Dr. Feroz, Honorary Secretary General to proceed further. Dr. Feroz announced the agenda for the EGBM as:

"To consider a proposal to make an amendment regarding conduct of DERMACON in the event of unprecedented and /or unforeseen circumstances and to allot DERMACON 2024 to IADVL Telangana state branch and Hyderabad, the organizing team who had won the bid for DERMACON 2021"

With this agenda, the following proposals were placed

Proposal 1.

Part II: Bye laws- Clause.9 -BIDDING FOR DERMACON. at the end of Clause 9 sub clause (f) the following sub clause (g) may be added in terms of amendment passed in EGBM and it shall come into force with immediate effect.

"In the event of unprecedented and/or unforeseen circumstances,(which includes circumstances due to natural or unnatural causes but is not limited to war, riots, earthquake, floods, outbreak of

epidemic/pandemic and the like) in which it is not possible to hold a DERMACON physically, DERMACON may be allotted by the General Body, after considering the said unprecedented and/or unforeseen circumstances, to that particular State and city to which it was allotted earlier, without calling for bids notwithstanding the subclauses (a) to (f), and without disturbing the DERMACONS which have been already allotted or for which the bidding is under process "

Provided that

1) The State Branch so affected by the unprecedented and/or unforeseen circumstances submits a proposal (such a proposal should have been approved by the said State Branch General Body) for approval requesting such an allotment. Such an aforesaid proposal shall be a condition precedent for allotment of the DERMACON

2) DERMACON so allotted would be the immediate subsequent year of the year for which the bidding of the DERMACON is under process

Proposal 2.

In accordance with the Part II: Bye laws. Clause 9, BIDDING FOR DERMACON and sub clause (g) this EGBM decided to allot DERMACON 2024 to Telangana State Branch of IADVL and Hyderabad, the Organizing team of DERMACON 2021"

Further, we also plan to include the point of E-Dermacon to be organized by the IADVL EC and Academy in the DERMACON MOU as also the point of Force Majeure.

Remarks by the members:

Dr. Narendra Patwardhan requested that changes should be made in the constitution in such a way so that they shall be applied in future also.

Dr.Putta Srinivas opined that the proposals and suggested amendments are appropriate and logical.

Dr.Chitra Nayak reminded that if quorum is achieved we can go ahead with poll.

Dr.Feroz called for polling for proposal 1 and 100 % voted in favour of the proposal. Polling was then taken up for the proposal 2, 98 % voted in favour of the proposal,1 % voted against the proposal and 1% did not opine.

After the poll both the proposals were passed. Further it was decided that e-DERMACON shall be organized by IADVL EC and IADVL Academy on the scheduled dates.

Dr.Kiran Godse and Dr.Feroz thanked all the members for their active participation and suggestions and the meeting was adjourned.

REPORT of IADVL ACADEMY

Dr. DEEPIKA PANDHI
Chairperson

IADVL Academy has gone through another successful year with the support of IADVL EC, though the activities remained limited on the web due to the prevailing conditions. This year marked the initiation of the IADVL Digital Academy platform at <https://iadvl.mediknit.org/>. This provided the opportunity for many academic activities on the web that could be perused by IADVL members across the country without being limited to a state or a zone.

Applications were invited for new observership centers and candidates, new centers for IADVL training courses, MIDDERMACON 2020 Academy sessions, DERMACON Orations, Dr B.V. Satyanarayana best thesis award 2020 and editors and authors for IADVL books. Application forms have been specifically designed by Academy members (and approved by the EC) to allow objective evaluation, using a scoring sheet to ensure selection by merit. Confidential evaluation of SIG functioning, verification visits to new observership centers and monitoring of e-library usage were regularly performed. Formal feedbacks were obtained for PGCONs, basic and advanced PGPDTs, Research Methodology and how to publish workshop and from Observership candidates.

CONFERENCES, CMEs & WORKSHOPS

IADVL Research Methodology and How to Publish Workshop-2020

A central full day workshop on the web on research methodology and how to publish was held on 01.11.2020. This workshop was coordinated by SIG Dermatology Clinical Research (Dr Brijesh Nair, Coordinator; Dr Ajithkumar K, Convener). A quiz was held as a part of the program with enthusiastic participation.

IADVL- Aesthetics workshops

An online aesthetics classroom on mesobotox for 30 participants on first come first served basis was held on 22.11.2020. This activity was supported by Biopharmacia Pvt Ltd.

Dr. DIPANKER DE
Convener

Eczema and hydration webinars and activities

Two webinars were held, the first on ‘Hand hygiene and hand eczema amidst COVID pandemic’ on 13.09.2020 and the later on ‘Overview of Hand eczema’ on 18.10.2020. A poster on ‘Hand hygiene and hand eczema amidst the COVID-19 pandemic’ was also prepared. This activity is supported by Dr Reddy’s Laboratories.

International speaker webinar

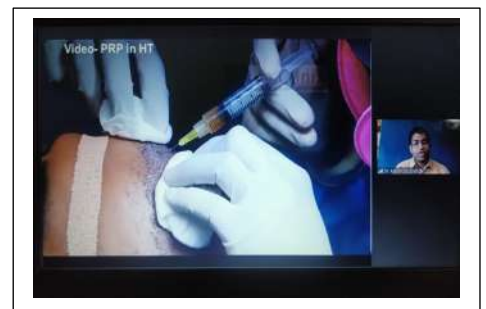

Two webinars were held with international faculty, the first on ‘Updates in the management of urticaria’ on 1.10.2020 with Dr Marcus Maurer from Germany. The other one was on ‘Cutaneous manifestations in COVID-19 patients’ on 6.10.2020 with participation of Dr Alba Catala from Barcelona, Spain. The latter was supported by Glaxo Smithkline Pharmaceuticals Ltd.

Urticaria webinars

Two webinars were held- ‘Management and treatment outcomes of urticaria with comorbidities’ on 3.10.2020 and ‘Treatment outcomes in urticaria’ on 29.11..2020. This activity is supported by Lupin laboratories.

IADVL- IPCA PRP workshops

Four workshops covering all aspects of PRP were held on 23.08.2020, 13.09.2020, 04.10.2020 and 18.10.2020. The content as standardized slide deck was developed by the IADVL PRP taskforce members (Dr Kavish Chouhan, Coordinator

and Dr Ankur Talwar, Convener). The activity was supported by Ipca Laboratories Ltd and logistic support was provided by 6Sigma Communications Ltd.

IADVL Resident Program (PGCON)

Postgraduate conference (PGCON) was conducted centrally on the web unlike zonal conferences in other years. This was held on 19.09.2020 and 20.09.2020. This program was supported by an educational grant from Intas Pharmaceuticals. Faculties and delegates (Provisional and Life IADVL members), from across the country participated and a positive feedback was received from the Postgraduate participants. A quiz was held as a part of the program with enthusiastic participation.

MIDDERMACON- 2020

SIG Pruritus and SIG Trichology and Hair Transplantation and two Academy sessions on Lichenoid disorders and Non-venereal genital dermatoses/ HIV were held during MIDDERMACON-2020, at Chennai, Tamilnadu (on the web). The faculty for the Academy sessions were by invited applications.

e-DERMACON 2021

This year is special in many ways, one of them being that the IADVL Academy is also contributing as the scientific Committee of e-DERMACON 2021. The pre-conference workshops (14 in number) will be held on 31.01.2021. A half day CME on clinical dermatology, procedural dermatology and STI/ leprosy will be held on 05.02.2021. Conference will be held on 06.02.2021 and 07.02.2021. Eighteen international faculty and national faculty of repute, including several young colleagues, will be participating in scientific deliberations. The scientific program is being given final touches.

SIGs (Aesthetics, Lasers, Dermatosurgery, Leprosy and pediatric dermatology) are participating in the SIG sessions at e-DERMACON 2021. The speakers for the IADVL Research Grant session were finalized.

IADVL OBSERVERSHIPS

Ninety-three observers were selected for observerships in 2020. Eighty-one of them were upto 35 years of age (4 weeks observership with Rs.10,000 stipend) and 12 were of more than 35 years in age (2 weeks Observership without stipend). So far, only 3 candidates could complete their observership due to the prevailing situation. Rest of them can complete their observership by June 30, 2021 as per approval of EC 2020. Ten candidates withdrew from joining the observership due to personal reasons.

Ten new centres applied for 2021 observerships and 8 have been selected as per the guidelines:

1. Dr Debjit Kar, Rourkela, Odisha
2. Dr J.K. Sadana, Patiala, Punjab
3. Dr Madhavi Pudi, Hyderabad, Telangana
4. Dr Mahender Deora, Pune, Maharashtra
5. Dr S.G. Parasaramani, Mumbai, Maharashtra
6. Dr Muhammed Razmi T, Calicut, Kerala
7. Dr Sachin Varma, Kolkata, West Bengal
8. Dr Vishalakshi Vishwanath, Thane, Maharashtra

For Observerships 2020, 211 applications were received for the 35 centers. Evaluation is being carried out and the list of selected candidates will be announced before e-DERMACON 2021.

IADVL International Dermatopathology Obseverships

None of the candidates selected for IADVL International Dermatopathology Observership in 2020 could initiate it. The candidates have communicated with the respective program directors and are rescheduling it in 2021. Fresh applications for observership in 2021 were not invited.

IADVL Training Courses

As per approval of AGBM held during DERMACON 2020 at Pune, IADVL training courses in Dermatopathology, Hair Restoration, Procedural Dermatology and Pediatric Dermatology were to be initiated. The basic differences with ongoing observerships is that the training is as per structured curriculum, longer duration of 3 months and formal assessment during and at the completion of the course. Applications for centers willing to hold these training courses have been received. After evaluation of the applications by IADVL Academy and physical verification of the shortlisted centers, applications will be sought from IADVL members interested in these training courses for 2021.

Research projects and Grants

IADVL Research Grants-2020

Applications were invited from members of IADVL for research grants for projects in Dermatology, Leprosy and STIs. A total of 26 research proposals were submitted by the IADVL members for research grant for the year 2020. The comments of initial review by the members of SIG Dermatology Clinical research were communicated to the Principal Investigators. All the revised proposals were discussed and scored by the jury members during the IADVL Academy meeting held on 13th June 2019. Various aspects including funding, sample size, methodology, novelty, feasibility and ethical issues were taken into consideration while deciding the research grant. Based on the scores obtained 10 proposals were shortlisted for IADVL Research Grants for 2020. The investigators of all the shortlisted proposals were informed regarding the results of jury meeting along with jury's comments related to budget allocations and research methodology. Based on the satisfactory modification of shortlisted proposals the final list of 7 research proposals eligible for IADVL Research Grant 2020 were announced on 03.10.2020 along with a request to submit necessary documents for disbursement of first instalment of grant. The investigators of the non-selected proposals were also informed with the reasons for not making the final list.

Till now investigators of 1 research project has submitted all the necessary documents and were given first instalment of the grant.

ITAQ

1. A detailed report about a dermatologist, from Thalassery who was planning to conduct online (aesthetics and dermatology) certificate courses for M.B.B.S doctors, Plastic surgeons, and Dentists apart from Dermatologists was brought to the notice of IADVL Kerala President. IADVL Kerala Office has requested ITAQ to help and intervene in this matter. Following which ITAQ has sent its opinion and has given guidance for "How to move ahead", Following this, a request was sent by the IADVL Kerala honorary secretary to the concerned doctor to withdraw from offering any training to non-dermatologists. To which the doctor replied that so far he has not given any training and certificates to any other specialty doctors other than dermatologists and plastic surgeons and respects the opinions of others. Further on asking our opinion, we advised the IADVL Kerala secretary to ask the concerned doctor to give us the assurance in writing via mail that if he promises that he will teach and gives knowledge only to Dermatologists and Plastic surgeons but not to any other persons then he can go-ahead with proper intimation to ITAQ and IADVL KERALA. But if he denies, the second option will be -mailing an official Complaint mail to KERALA MEDICAL COUNCIL, with CC to New Medical council. ITAQ is awaiting a further update on this issue. Hon. Secretary Dr. David is in touch with Dr. Rajesh Buddhadev.
2. As required, A standard complaint format was forwarded along with the procedure to report quackery to Dr. S Sarkar, Dr. Priya, Dr. Shulamite, Dr. Ankit, and few others to share their respective complaints against the quacks practicing within their vicinity.
3. The credentials of few doctors appointed for Webinar/ seminars or CMEs conducted by certain pharma companies were cross-checked and the events were cancelled in case of discrepancies and they were provided with the SOP-how to stop such quackery henceforth and were warned to be careful in future regarding the same.
4. After a flyer showing involvement of non Dermatologists in a Webinar on Microblading & Micro-pigmentation, organized by Cosmetic dermatologists' Society the President of Cosmetic dermatologist Society was approached through the mail and asked for further explanation on the same and advised them to refrain from organizing any such webinars, where Faculty are not QUALIFIED in the field of Dermatology. However, we failed to receive any explanation or any mail on this issue from their end. We will pursue the matter with such associations and will make them understand that such activities will make quackery more prevalent in the future.

5. A request was mailed to the IADVL President to provide us with a strong message regarding the issue that not many of our fraternity members and Pharma companies were taking the execution of Webinar and live sessions seriously to be taken only by Dermatologists.
6. Recently we got a Complaint, against "Queens by Dr. Umaira-a BSAM doctor practicing as a Dermatologist at Andheri west. However, at present we are not directly involved as Mrs. Thakkar her client- has already complained against her at Amboli Police Station, Jogeshwari west. As the Case is already with Police at Mumbai, so we are keeping a close watch on this. ITAQ thinks that we will directly not involve in this case as the case is already in the hands of the Police, but we will keep a close watch and decide our future actions after taking legal opinion.
7. We got a Successful result from Assam Council of Medical registration. In a case –where we had filed a complaint against a Pseudo-Dermatologist, with the support from NEIADVL President Dr. Adhicatori and Dr. Anushree Baishya-ITAQ Core Committee Member in 2018. The Pseudo-Dermatologist was sent an official warning by the Assam Council of Medical registration not to practice as Cosmetologist and Trichologist any further. In this case NEIADVL & ITAQ both had sent complaints and we got the result after 2 years of persistent efforts.
8. Looking forward to participating in the session solely by the ITAQ team at the eDERMACON 2021 where the important topics about ITAQ aims and objectives and Future ITAQ plans, are to be covered.

QUIZ COMMITTEE

Dr SOUMYA JAGADEESAN
Convener

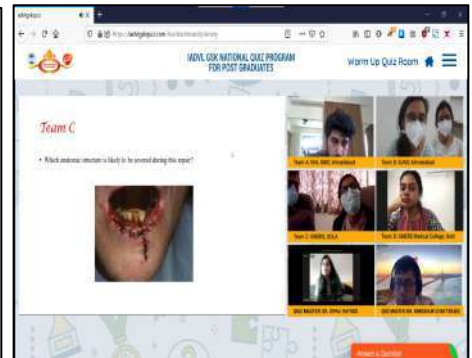

The IADVL quiz committee, in charge of conducting the IADVL-GSK National Quiz Program for Post-graduates (IGNQPP), had an onerous task this year - planning and executing the conduct of the quiz amidst the uncertainties of the COVID-19 pandemic. After discussions with the EC, committee members and GSK quiz coordinators, it was decided to conduct the quiz online this year. Various online quiz platforms and methods were tested internally, after which the online quiz software – ‘Flexiquiz’ was purchased. It was decided that a 30 MCQ quiz would be conducted state-wise, from which the top-scoring team would qualify for the national prelims.

Registration forms were circulated to HODs of all the states in August. Warm-up quizzes were conducted for each state through the months of October and November. It was conducted with 10 MCQs answered via the online software, to allow the quiz masters and teams to get accustomed to the online format. Any technical or connectivity issues that came up during the warm-up quizzes were pointed out. The students were asked to rectify the same in time for the actual state level quiz. Live quizzes were conducted every Sunday in October and November on the IGNQPP quiz portal, to garner interest towards the quiz. The warm-ups were conducted only for the experience and did not count towards the state level quiz. Still, we had a good number of viewers for the warm-up finals. There was very good quizzing activity this year, with 18 quizzes on the portal that could be watched by students across the country.

The state level quiz was conducted approximately 2-3 weeks after their warm-up quiz. The top-scoring team from each state would qualify for the national prelims. By December 15th, all states completed their quizzes and 18 teams have been selected for the national prelims. The national prelims comprising of 40 MCQs will be conducted online on 24th January 2021, in the same manner as the state level quizzes. The top four teams from the prelims will participate in the national level finals during e-DERMACON 2021. Dr Suneil Gandhi and Dr Soumya Jagadeesan will be the quiz masters for the national level quiz.

The quiz committee continued to be actively involved in conducting ‘Monthly ACAD Cracker’ (MAC), on ACAD IADVL Google groups. The committee members took turns every month to tickle the brain cells of the members with interesting quizzes.

The quiz committee would like to sincerely thank the IADVL EC and academy for their support and guidance. We also express gratitude to all the quiz masters, for going the extra mile to conduct the quizzes smoothly this year.

Teams invigilated via live video conferencing.

We have come to the end of December 2020 & the IADVL Yuva Cell has been busy with hosting the following activities:-

- 1) Promotion of DVL Welfare Trust - IADVL Yuva Cell is promoting the benefits of this Welfare Trust to its members. Dr. Sujala S Aradhya along with other dedicated Yuva Cell members are helping out those who are interested to enroll. In order to lead by example, the Yuva Cell office bearers have decided to enroll themselves for this Trust.
- 2) IADVL Yuva Cell bulletin - It was decided to release a bi-annual bulletin by the Yuva Cell, & the work on the very 1st bulletin is completed. The bulletin has a few unique sections & we are quite excited for its acceptance by the Yuva members.
- 3) Yuva Outreach online sessions and outreach program were conducted with members through which we will be directly interacting with the members & helping them out with routine issues faced by them during their initial days of practice. A few members have already reached out to request online meetings on specific topics. We are finalizing a timetable for couple of such sessions & also hope to bring out a questionnaire to understand better such issues.
- 4) Poster Competition was conducted on Urticaria day which was judged by Dr Marcus Maurer, who has done extensive work in the field of Urticaria. The total number of posters received were 29. Dr Madhulika Mhatre was the winner for poster competition.
- 5) IADVL Yuva Cell also published an article on How Dermatologist weild and have used technology to combat Covid-19.
- 6) IADVL Yuva Cell also prepared a detailed questionnaire based survey to know Yuva (< 40 years) opinion on the execution and functioning of the Yuva cell. The survey will help us to inspect our goals and work towards amelioration of youth sector. We plan to publish it soon.

We wish to keep up our enthusiasm & continue to work under the able guidance of IADVL EC & Yuva Cell Senior Advisors.

ACAD Google Group

Due to a technical glitch in the ACAD Yahoo group a new ACAD Google group was formed to serve as the official academic e-group of IADVL life members with the approval of IADVL Executive Committee and Constitution Committee. Around 1200 members were added to the new group through invitations and requests. A welcome mail was sent to the group along with rules and regulations as well as the disclaimers. The aim of this platform is to share and gather academic knowledge and a couple of academic activities were launched with this purpose. Regional ACAD Chronicles (RAC) is an academic exercise which was rolled out in June 2020 on ACAD Google group which provides an opportunity for each state/ region/ AFDG to present interesting entities in three categories: (1) Diagnostic dilemma /Thriller through the lens (2) Pearls from practice (3) Tough nut to crack. The best entity in each category shall be awarded. A monthly quiz for all, Monthly ACAD Cracker (MAC), was also launched in the group to tickle the grey cells of our members. A score board is being maintained for MAC and top scorers shall be announced at the end of 8 months. ACAD Google group has turned out to be an extremely useful forum for all academic enthusiasts.

IADVL Facebook Page

IADVL EC has decided to initiate a new Facebook group which shall be the official group of IADVL. This is being done with the idea to have a single group for IADVL on Facebook page. This will be helpful to communicate and disseminate both administrative and academic information to the members. As already many pages exist in the name of IADVL it is decided to close all the existing groups by contacting the respective admins. Kindly join the – “iadvlmembers group” through the link shared below.

IADVL WELFARE SCHEMES

EC 2020 is glad to introduce two welfare schemes for the benefit of IADVL members. The schemes are intended to foster goodwill among members and thereby make the association more popular and purposeful. The schemes are as below:

- BENEVOLENT FUND
- PERSONAL ACCIDENT RELIEF FUND

IADVL also has an on-going PROFESSIONAL INDEMNITY INSURANCE POLICY for financial protection against any medicolegal claims.

Each of the above is to help and benefit IADVL member during any personal crisis or tragedy. Both these funds are through internal accrual while Professional Indemnity is in association with National Insurance Company limited.

IADVL BENEVOLENT FUND

IADVL Benevolent Fund is to extend solace and support to IADVL members who have undergone the misfortune of being afflicted by serious disability/ prolonged illness. The disability or ailment should be due to diseases or mishaps that are not self-inflicted. The intent of the fund is to provide emotional and financial assistance and a helping hand at a critical time. The objectives of this scheme will be to provide financial support to the deserving members in the case of invalidation or in the event of their suffering any injury or physical disability or unforeseen misfortunes like prolonged sickness leading to premature retirement. The support will be extended in the form of one-time payment to a maximum of Rupees 2 lakhs per member as per set guidelines.

Following is the list and definition of critical illness/disability eligible for grant of Benevolent Fund:

1. Stroke resulting in paralysis: Defined as a cerebrovascular accident or incident producing neurological sequelae of a permanent nature, having lasted not less than six months.
2. Chronic renal Failure: End stage kidney failure presenting as chronic irreversible failure of both kidneys to function, as a result of which regular renal dialysis is initiated or renal transplantation carried out.
3. Major Organ Transplant: The actual undergoing of a transplant as a recipient of one of the following human organs:
(a) Kidney, (b) Lung(s), (c) Liver, (d) Heart, (e) Bone marrow
4. Blindness: The total, permanent and irrecoverable loss of the sight of both eyes.
5. Major Burns: Third degree burns covering more than fifty percent (50%) of the Life Assured's body surface area
6. Amputation of limb: Amputation of one or more limbs warranted due to conditions other than accidents.
7. Any other medical conditions deemed to result in a permanent or partial disability / COVID 19 infection requiring intensive unit care

IADVL PERSONAL ACCIDENT RELIEF FUND

IADVL Personal Accident Relief Fund is to provide support to IADVL members who have undergone the misfortune of being a victim of an accident. The objectives of this scheme will be to provide financial assistance to the deserving members who meet with accident and get incapacitated temporarily or permanently or to the spouse/legal heir in case of death of a member in an accident. The support will be extended in the form of one-time payment to a maximum of Rupees 5 lakhs per member as mentioned below:

- (a) Accidental death – Rupees 5 lakhs
- (b) Loss of two limbs or two eyes or one limb and one eye/ Permanent total disablement – Rupees 5 lakhs
- (c) Loss of one limb or one eye/ Permanent partial disablement – Rupees 2.5 lakhs
- (d) Hospitalisation expenses (If none of the above claimed) – Rupees 1 lakh

MODE OF DISBURSEMENT OF BENEVOLENT FUND & PERSONAL ACCIDENT RELIEF FUND

Aggrieved member can send the duly filled application form through their branch /City unit to State President/Secretary who shall forward to IADVL President / Hon. General Secretary. Upon receipt of the application an Expert Committee duly authorised by the IADVL Executive Committee headed by the President of IADVL shall evaluate and approve the same based on the merit of the case. The approved fund can be electronically transferred only in the name of the affected member whose PAN card is verified.

PROFESSIONAL INDEMNITY INSURANCE POLICY

A specially tailored Professional Indemnity Insurance Policy with NATIONAL INSURANCE COMPANY LIMITED is available for all IADVL members, who can be enrolled directly to get certified policy. Many dermato-surgical procedures are covered under the policy. The annual premium is as low as Rs 885 for coverage upto Rs 25 lakhs. There are four slabs and members could choose based on their degree of exposure.

SN	Sum Insured in Rs Lakh	Premium In Rs	GST In Rs	Total Premium in Rs
1	25.00	750.00	135.00	885.00
2	50.00	1500.00	270.00	1770.00
3	75.00	2250.00	405.00	2655.00
4	100.00	3000.00	540.00	3540.00

MUTUAL BENEFIT SCHEME OF IADVL – THE DVL WELFARE TRUST

Introduction: IADVL has launched a mutual benefit scheme coupled with professional legal protection in 2011 and named it DVL welfare trust. It is one of the important financial benefit scheme aimed at securing financial security for the family members of our association. The Executive committee of IADVL urges all its members to join this mutual benefit scheme to make it a successful initiative of IADVL. The details of this welfare scheme are as follows:

DERMATOLOGISTS VENEREOLOGISTS & LEPROLOGISTS WELFARE TRUST (DVL trust) has been established for the benefit of members of IADVL. The trust has been registered at Vadodara. DVL Welfare Trust is by IADVL, of IADVL and for IADVLites

Aims and objectives of the scheme:

- 1) To provide financial assistance to the family of a member of this scheme in the event of his/her death.
- 2) To inculcate a habit of savings among the members for their mutual benefit.
- 3) An option to provide comprehensive indemnity cover in the event of litigant situations arising out of alleged professional negligence by the members.
- 4) To educate the members, including clinic staff, to prevent any litigant situation and to guide them, how to deal with it in the event of such a situation.

Eligibility of the members: Any life member of IADVL, irrespective of age is eligible to become a Regular Member of the scheme. Family members of Life members of IADVL can also join the scheme as Beneficiary Members. Please note that separate forms need to be filled for each member of a family.

Total Amount Payable at the time of admission:

1. Admission Fees (as per age –given below).
2. Annual Membership Fees Rs. 750. (for the year 2020-2021) Icrement of Rs.50/- every year.
3. Advance Fraternity Contribution (AFC) Rs.2000 (Rs Two thousand only) a minimum amount kept with DVL trust towards members future fraternity contributions.

Optional amount to be payable at admission: Member can deposit additional amount of his choice as deposit for future annual contribution. The 4% interest will be credited on deposit amount.

Details of one time Admission fees: The Admission Fees payable shall be based on age in years of the proposed member or their family member who likes to join the scheme, as follows:

a)Upto the age of 10 Years	Rs. 1,000
b)11 of 20 Years	Rs. 1500
c)21 of 30 Years	Rs. 2000
d)31 of 40 Years	Rs. 3000
e)41 of 50 Years	Rs. 4000
f) 51 of 60 Years	Rs. 5000
g)61 of 70 Years	Rs. 7000
h)above 70 Years	Rs. 8000

Optional Legal fees for professional indemnity For life members of IADVL who volunteer to have professional legal cover, this option is available. However, they necessarily have to be members of DVL trust as well. Annual legal fee is based as per type of Dermatology practice: a) The Consultant with only office practice will have to pay Rs. 1000/- per year; (B) The consultant with practice of cosmetic, laser & other Dermato surgical procedures will have to pay Rs. 3000/- per year; to cover these procedural events or litigations. The indemnity coverage will be Rs. 7,00,000 (Rupees seven lakhs) per case and Rs. 15,00,000 (Rupees Fifteen lakhs only) aggregate per year. .

Member's annual contribution: [a] Annual membership fee of Rs. 750/- (with increment of Rs. 50/- every year). and [b] Fraternity contribution Rs. 500 x N, where N = No. of Death of members) . **Plus, Optional** professional indemnity annual legal fees, to be paid by those members who opted for professional indemnity.

Benefits for IADVL members of DVL trust: 1) Social security to family members: Note: Financial benefits will start after ONE year of joining the scheme. Nominee will get Rs. 450 x N, where N = No. of members of DVL trust. In other words, when more IADVL members join this scheme, more fraternity benefit for members families. 2). Professional legal protection, when applicable, for those members opting for it: Legal help is extended in all types of cases like civil, criminal, labour & consumer redressal fora.

Please note that DVL trust welfare Scheme is new ongoing scheme initiated by IADVL for the benefit of its members. Periodic modifications and improvements in the scheme to make it more member friendly are expected to take place from time to time.

REPORT: The year started with lock down. During this period, around 150 members were informed about the DVL Welfare Trust through their e-mail. The office resumed its activity from 1st June 2020. In this month we have enrolled 5 new members including the first and maiden member from Manipur. All the members have informed regarding their certificate. The receipt has been sent to them first on whatsapp and then by post. So now we are 471 members strong.

The office has received the DFC 6 contribution (for up to March 2018) from all the members. Few of the members are yet to contribute for DFC 7 and 8. This month we have settled two death claims of our departed souls. The first one is of our respectable Sir, Prof. B.S.Verma and the second one is of our beloved and dynamic Imm. Past Hon. Sec. General Dr. Umashankar. N

The trial balance sheet up to February 2020 has been prepared. The interest on member deposit for the year 2019-2020 has been calculated and added to each individual account. The data updating work has been started.

For further clarifications contact IADVL National HQ. (8800891111),at administrator@iadvl.org Dr Chetan N Patel at email: dvlwelfaretrust@gmail.com or drcnpatel@gmail.com or State co-ordinators. The enrolment form is available on www.dvlwelfaretrust.org Together we will achieve.
