## PRESIDENT'S MESSAGE

**Dr. JAYADEV BETKERUR**  
President, IADVL

[president@iadvl.org](mailto:president@iadvl.org)  
+91 94482 70612

Dear IADVLites,

The bright days seem to be round the corner now. Let us hope that they will remain bright and beautiful forever. Let us also pray that the 3<sup>rd</sup> and other waves do not strike, even if they do, not like the tsunami of the 2<sup>nd</sup> wave.

This quarter has been good for IADVL. We did very well in all the areas of this year's theme "**IADVL for Community and Member welfare**". Various academic activities were conducted by IADVL Academy, SIGs and state branches. The high point of these activities being, the National Vitiligo Symposium. The other programs like PG class, International Speaker program e- Dermatology etc have been well received by our members. IADVL committees like Community dermatology, Media cell, YUVA cell, NRCC and many state branches observed vitiligo day with vigor and vitality. The educational videos by our own members were excellent to say the least. My sincere thanks to all of you for making it happen.

Unique community service projects were taken up by state branches. In COVID-19 times the focus was on helping the health care workers in their fight against the invisible enemy. States pooled in their resources and distributed much needed materials to hospitals, front line health care workers and people affected by lockdown situation. Many thanks, to all my IADVL friends for such a generous work. We are happy to reimburse part of your expenses. With easing of curbs we can plan more community oriented projects to make our presence felt.

Some of our members lost their prolonged fight against the virus. The IADVL has responded to their needs by helping financially through "**IADVL Benevolent fund**". I wish they had won. My prayers are that we will not have such situation in future. Let us be Healthy & Safe.

Most of the Committees and Task forces have submitted their final reports. A huge task has been achieved in the quickest of time. The reports aim to streamline the functioning of IADVL. It is now for CC to deliberate on them and take it forward for implementation.

This period has been satisfactory in all aspects to IADVL. Let us hope that it will remain so in future. I look forward for your continued support in all endeavors of IADVL.

Long live IADVL

**Dr JAYADEV BETKERUR**  
President, IADVL 2021

## MESSAGE OF PRESIDENT ELECT

**Dr. RASHMI SARKAR**  
President Elect, IADVL

[rashmisarkar@gmail.com](mailto:rashmisarkar@gmail.com)  
+91 98182 44340

Dear IADVL Members,

It is tough to believe that we are already in the mid year of IADVL activities in 2021 and it is time to gear up for Mid Derma CC meeting in August 2021. First of all, let me wish that you and your family are safe and healthy as it has been a very unpredictable time for us in the second wave of Covid, and it is not yet over. We should still continue with our lives with safety precautions in place but most importantly, to learn and implement from the hard lessons learnt from second wave of Covid 19.

IADVL, as a body, besides its regular academic activities is trying to get all matters and policies in place. The e-paperwork looks humongous but needless to say it has to be looked into. I encourage members of IADVL to reach out to me with suggestions of what they want done in the future but more importantly, what do they do want not done! We do need changes from time to time. I can be reached by my mobile or my email to set up a suitable time.

I request all CC members to join the Virtual IADVL CC Meeting and all IADVL members to register by 1<sup>st</sup> August for EGBM on 8<sup>th</sup> August 2021. I request all to go through my proposals which will be up in the website, which are member friendly and to be supportive to make a change for yourselves in the future.

Long live IADVL!

## MESSAGE OF IMMEDIATE PAST PRESIDENT

**Dr. KIRAN GODSE**  
Immediate Past President,  
IADVL

[drgodse@gmail.com](mailto:drgodse@gmail.com)  
+91 93222 66687

Dear friends and colleagues

We faced many challenges and a huge change in our lives professionally and personally in my tenure as President in the year 2020 following the Global Pandemic. Though we started off this year with a great hope, unfortunately 2021 is also going like 2020. But we continue to deliver academic events and other IADVL activities.

GA2LEN allergy school was well appreciated by members and more than 400 members attended this event. GA2LEN certificate will be issued to all those who attended this event. The Advanced hair transplant webinars, which appreciated by dermatologists all over India. Again certificate will be issued after attending all webinars, which will help our members as a documentary proof of proficiency in this new skill.

I am sure under leadership of Dr Jaydev Betkerur IADVL will continue to move forward with many exciting events.

Best wishes stay safe stay healthy and follow COVID appropriate behavior every day. Let us do our bit to serve and save mankind, and let us hope we will soon overcome these testing times.

**Stay safe and take care!**

With best wishes to you and your family

Long live IADVL!

**Dr KIRAN GODSE**  
**Immediate Past President IADVL 2021**

## HON SECRETARY GENERAL SPEAKS

**Dr. K. FEROZ**  
Hon. Secretary General

[secretarygeneral@iadvl.org](mailto:secretarygeneral@iadvl.org)  
+91 9061 997799

Dear IADVL Members,

It is more than a year since the COVID-19 pandemic took the entire world by a storm and the alarming spread of infection has plunged us in uncertainty again. We all are wading through a grave scenario. Rising to the need of the hour we have already explored and adapted to the new normal of virtual platforms since last year. This is the consolidated report of various activities under IADVL in the last quarter.

After the successful conduct of e-DERMACON 2021, we had initiated a series of webinars and online lectures on various topics and many more are in the pipeline. Vitiligo Symposium, Hair transplant work shop, Acne CME, etc. Thanks to Academy and various SIGs, for all their support and dedicated efforts when ever in need

IADVL Constitution committee has completed the stream lining and correcting ambiguities of our Constitution and submitted the final draft. SOP committee also could contribute their part. ITAQ continued their sincere efforts in taking up issues related to quackery. Academy Task force, Dermatology education task force, Awards review committee, Election Task force etc. were all working hard and had come out with their suggestions and recommendations. E voting task force has already started their efforts to convert Non E voters. International Liaison Committee, Govt Liaison committee etc. also are planning various activities. Newly formed Internal complaints committee and CPS resolution committee had held few meetings. Election will be held in a few weeks from now.

Following the COVID19 pandemic, lots of damages has been caused to the health care sector in our country and there is an urgent need to provide assistance from IADVL. The IADVL EC has decided to provide financial assistance to the state branches, by providing 30% of the total budget limited to a maximum of 2L per state branch. A few states have submitted the proposals, initiated and executed various activities. We have already started transferring the funds. Thanks to all state branches who took part in this initiative.

IADVL EC successfully conducted various e-meetings with many of the standing committees. Academy annual meeting, IJDVL Meeting, SIG Co Ordinators and conveners meeting all were held recently. The Quiz team has called for applications for quiz masters for CUTICONS and 18 were shortlisted. Practice management Cell has initiated its activities with a CME recently. Media Cell organised a country wide awareness activity on World Skin health day. Community Dermatology has already initiated various community activities. YUVA Cell is quite active in its second year as well. National Resident Connect Committee was actively involved by conducting various competitions successfully for residents for observing various days and also made their presence in social media platforms actively. The ACAD Google group is a platform hosting enthusiastic academic discussions. IADVL Facebook Page is active now. Our website has been constantly updated and we have made conscious efforts to reach out to all members, through newsletters, bulletins, emails, bulk mails, SMS, web site announcements, social media etc.

Vitiligo day were observed across the country with highest number of activities initiated by IADVL EC, Academy, State Branches and various standing committees. Happy to inform that ILDS Awards have been announced, and Dr Narendra Kamath (Mangalore), who has been nominated has been selected for the ILDS Award , Certificate of Appreciation in Humanitarian Dermatology. Also Dr Jyothi Jayaraman was selected for DermLinks grant for her project. . We continued our participation and had an IADVL session at the Dubai Derma 2021, held on 7<sup>th</sup> July 2021

Our association has grown in leaps and bounds and presently our membership strength is, 14255 (active members). Of which 10402 are LM, 3647 are PLM, 200 AM and 6 ILM. Now we have a record number of registered e voters – 7602 (73.08 %). In the last quarter LM – 29, PLM – 161, PLM to LM Conversion – 186.

Various welfare schemes under IADVL like DVL Welfare Trust, Benevolent fund, Personal Accident Relief Fund are rolled out to our members. Benevolent fund requests have been processed and the amount has been transferred accordingly. In these times when we are fighting Corona, we lost many of our members. May the departed souls rest in peace. My sincere prayers for all their families.

I request all Provisional Life Members of IADVL, who have obtained a postgraduate degree/diploma in Dermatology and registered their PG qualification with the MCI/State Medical Council, to convert to Life Members before lapse of their 5 years of provisional membership. One can apply for conversion from PLM to LM through the Online Membership Application System (OMAS) on the IADVL website ([www.iadvl.org](http://www.iadvl.org)). I also urge all life members to sign up in the website and register for e-voting and membership of DVL Welfare Trust.

I am thankful to IADVL EC 2021 for all their trust, support and co-operation whenever in need to discharge my responsibilities. I thank all the Presidents/Secretaries of various state branches, Academy, Chairpersons/ Conveners and other members of various committees and all IADVLites for your valuable support and co-operation in our journey towards bringing glory to our association. Finally a big thanks to all our HQ staff, Mrs Tanu, Ms Hina and Mr Balam for all their support, dedication and co operation.

Dear all, I am in my last lap of a virtual tenure, a challenging journey, but with a comfortable ride. Thanks for the immense support and co-operation from all of you. Well, we are certainly getting adapted to a new normal after having witnessed a sea-change both in our personal and professional space during this pandemic. Let us hope this difficult time will pass on and we are back to our good old days soon.

**Long live IADVL!**

*Warm regards,*

## HONORARY TREASURER'S NOTES

**Dr. RAKHESH. S.V**  
Hon. Treasurer, IADVL

[treasurer@iadvl.org](mailto:treasurer@iadvl.org)  
+91 94472 41627

Dear all,

Greetings from the treasurer's desk.

Although the pandemic had been deterrent to the activities of the Association on most spheres, especially the physical meetings, the present IADVL EC has carried on with most of the activities with added fervor and commitment.

All the Academy activities are being carried out with the same commitment and goals, within the allotted budget, bringing in accolades from our members. The Presidential decision to channelize the Community project budget (INR Thirty lakhs) for the Covid related community projects by individual states was indeed a noble gesture from the center. However, the response from the states were lukewarm with hardly eight states applying for the same despite the handsome offer (up to two lakhs) from the center. Those states who fulfilled the requirements of the proposal from the center were transferred the promised contribution. GST is being collected for membership w.e.f 1/4/2021

The IADVL Benevolent fund initiated by the previous president, was indeed an act of Benevolence by the IADVL center, with immediate release of the funds assigned to three IADVL members in the first five months since the present EC took over. Rupees Two Lakhs each were transferred to these members severely stricken by the Covid infection, requiring ICU admission.

The auditing of the E DERMACON 2021 is almost complete with the entire receivables from the Pharma including the GST reimbursements received. The utilization of the GST input credit from DERMACON 2019 International for the E- DERMACON has served to save the association to the tune of Thirty-two lakhs rupees.

As per the recommendation of the CFC, the Financial Asset Management committee has been formed but unfortunately, the second wave of COVID pandemic jeopardized its activities. We hope that the pandemic will be kind to the rest of the year enabling the augmentation and successful completion of all the activities planned this year.

**Long live IADVL!**

*Warm regards,*

**Dr. RAKHESH. S.V**

## WELCOME MESSAGE - MIDDERMACON 2021

**MIDDERMACON 2021**  
 9<sup>th</sup> MID ANNUAL CONFERENCE of IADVL  
 Venue: TMA Pai International Convention Centre, Mangalore  
 Date: 28-30<sup>th</sup> October , 2021

Organised by: IADVL Karavali in association with IADVL Karnataka Branch

Dear all

We are hosting MIDDERMACON 2021 from October 28-30th at TMA Pai International Convention Centre by IADVL Karavali in association with IADVL Karnataka state branch. This will be the first major Physical conference of IADVL during COVID 19 pandemic.

We are passing through a difficult and turbulent time with lots of uncertainty. Our preference is for a physical conference. However we are open for a hybrid and virtual conference depending on the existing situation.

Hereby we request you all to register in a big number and celebrate friendship and share knowledge after a gap of 18 months. The theme of the conference is ***Clinical and Procedural Dermatology- Testing the pandemic barriers***

This event will be celebrated like DERMACON and we hope that our members across India will enjoy the post rainy season greenery, cool weather and warm hospitality of Mangalore besides scientific bonanza. So why to wait?- Register, book your tickets and start preparing for this unique extravaganza.

Eagerly waiting to welcome you all

**Prof Ramesh Bhat M**

Organising Secretary, MIDDERMACON 2021

## REPORT OF INDIAN DERMATOLOGY ONLINE JOURNAL (IDOJ)

**Dr. SUNIL DOGRA**  
Editor-in-Chief, IDOJ  
[editor@idoj.in](mailto:editor@idoj.in)

IDOJ manuscript submission on new platform is now full functional. There are few technical issues which are being resolved. Overall, we hope it will be enjoyable experience for authors and referees. Journal is in transition to upgraded website on UniPrr system which will make readers experience like international journals with host of features. Dear authors, reviewers, and readers - thanks for all your contributions and patronizing IDOJ.

Warm Regards

### **EGBM – 8<sup>th</sup> August 2021, 2 -3 pm**

**Agenda: Conduct of DERMACON 2022 by IADVL Rajasthan state and team Jaipur in the event of COVID 19 pandemic**

With this agenda the following matters are to be considered:

- I. *Conduct of DERMACON 2022 by IADVL Rajasthan state and team Jaipur virtually on the scheduled dates.*
- II. *Allotment of DERMACON 2025 to IADVL Rajasthan state and team Jaipur without bidding.*

**CCM – PROPOSALS, IADVL MID YEAR CC MEETING 2021 (Virtual) , 7.8 August 2021****1. DECISION MAKING IN IADVL****Name of proposer/s-6(1+5 ) members(LM nos)**

Dr. Nayan Patel (LM/G/4300), Dr. Rashmi Mahajan (LM/G/4667), Dr. Nipul Vara (LM/G/3656), Dr. Chetan Patel (LM/G/401), Dr. Deepak Parik (LM/G/517)

**Is any one of the proposer members of CC? Yes**

Is it related to administrative/policy/**constitutional**

**How will it help IADVL?**

It will help in decision making process to be unbiased & democratic, being more just and member friendly.

**If constitutional – will it replace existing clause? Or modify? Give detail of the clause – page no. and clause no. -**

It will modify an existing clause. IADVL CONSTITUTION 2020 Part II-BYE LAWS, 7.Changes in rules and bye laws-page 31.

**What is the Proposal:****Adaption of e-voting for major decisions/decisions related to policy matters.**

- So far, all decisions irrespective of their significance or long term consequences are taken on basis of floor voting in AGBM.
- This decision process is flawed because out of 10,000 plus life members, less than 100 (1%) members are present at time of decision making. As it is open voting by hand raising, hardly 60-80 (0.6 – 0.8 %) members present in AGBM vote.
- This may facilitate bias and it is likely that those who are in favor of decision are being aggregated.
- Such decisions never reflect true opinion and majority of IADVL members.
- The best option is to put the following proposals for decision to e-voting:
  1. Related to constitutional change
  2. Having major impact on policy matters
  3. Having long term consequences
- IADVL is already implementing the same for election process and has an efficient e-platform for the same.
- In the corporate world, e-voting is the norm and some larger corporates have crores of shareholders and even then, e-voting is managed efficiently.
- Leading Dermatology Associations (AAD) also follow e-voting to the best of our knowledge.
- IADVL is also now very much on lines of corporate structure & must follow corporate norms in decision making.
- E-voting is democratic and participatory as compared to obsolete method of floor voting in an open manner.

**Do you think this needs referral to any specific committee?**

Constitutional committee

**EC Opinion:**

*The proposal can be considered in the Central Committee and placed before the AGBM for approval.*

**Constitution committee opinion on the proposal**

This proposal has raised very valid issues but suffers from a small procedural lapse- it does not have the mandatory 1 proposer duly seconded by 5 other bonafide members to propose a change in the rules & bye-laws of the

Constitution.

However, the constitution committee saw the merits in the proposal and hence unanimously decided to bring in a modified proposal from constitution committee along with the original proposals for discussion in CCM.

### **Referendum as a method of decision making for important and significant proposals**

#### **Name of the proposers:**

Dr. Nayan Patel (LM/G/4300), Dr. Rashmi Mahajan (LM/G/4667), Dr. Nipul Vara (LM/G/3656), Dr. Chetan Patel (LM/G/401), Dr. Deepak Parik (LM/G/517)

Dr Venkataram Mysore, **Chairperson, Constitution Committee** (LM/KN/3211)

Dr Anuradha Kakkanatt Babu, **Convener, Constitution Committee** (LM/K/4853)

#### **Members of the Constitution Committee:**

Dr Arijit Coondoo (LM/WB/2364), Dr Seetharam K A (LM/AP/145), Dr Mukesh Girdhar (LM/ND/1364), Dr Shital Poojary (LM/M/4189), Dr Biju Vasudevan (LM/C/5377), Dr Jagadish P (LM/KN/4913)

#### **Advisors of the Constitution Committee:**

Dr Deepak Parikh (LM/M/852), Dr Subodh Sirur (LM/M/897), Dr K H S Rao (LM/KN/1947)

**Background:** So far, all decisions irrespective of their significance or long term consequences are taken on basis of floor voting in AGBM.

- This decision process is flawed because out of 10,000 plus life members, less than 100 (1%) members are present at time of decision making. As it is open voting by hand raising, hardly 60-80 (0.6 – 0.8 %) members present in AGBM vote.
- This may facilitate bias and it is likely that those who are in favor of decision are being aggregated.
- Such decisions never reflect true opinion and majority of IADVL members.

**Proposal:** It is proposed that all proposals which are

1. Related to constitutional amendments
2. Having major impact on policy matters and having long term consequences
3. All financial decisions above 10 lakhs

Be submitted to undergo following process:

Step1. They will all be submitted first to CCM (MID-DERMAMEET) as per the scheduled dates in constitution. This means that no proposal in above category will be submitted to AGBM directly and will have to be first submitted first to CCM. They will be referred to appropriate committees, along with EC opinion such as administrative/financial/other committees for opinion

Step 2. The proposals with EC opinion and the concerned committee opinion will be circulated to CC members as per the current process in constitution and then placed for discussion in a separate session with appropriate time allotment to allow thorough discussions

Step 3. CCM after due thorough discussions will decide in any of the following ways:

1. To recommend for further approval in AGBM
2. To recommend further rejection in approval
3. To recommend that this is a significant matter and hence deserves to be submitted to a referendum through e voting

All three choices will be presented to CCM and so the onus will be on CCM to recommend one of the three options

If the proposal is recommended to be submitted to a referendum, the proposals with a brief summary of the discussions in CCM on pros and cons of the decision will be sent for e-voting along with election e-voting. It will go through the same process as DERMACON city bidding. Members will be asked to vote for any one of the following options;

1. Agree with proposal
2. Disagree with proposal
3. Abstain from voting

After e-voting results are announced, the result will be announced in AGBM for ratification.

#### **How will it help IADVL?**

This process will address the following issues:

1. This will mean that no constitutional/vital proposal will come to AGBM directly without prior discussion as it will get discussed thoroughly in committees as well as CCM
2. It will ensure that an important proposal does not get passed in hurry or with small number of members in AGBM.
3. It will also ensure proper participation of all IADVL members
4. This will also ensure in retaining the primacy of AGBM in decision making

#### **If constitutional – will it replace existing clause? Or modify? Give detail of the clause – page no. and clause no. -**

It will modify an existing clause.

IADVL CONSTITUTION 2020 Part II-BYE LAWS

7. Changes in rules and bye laws-page 31.

#### **2. CONDUCT OF VIRTUAL DERMACON 2022 ON SCHEDULED DATES AND ALLOT DERMACON 2025 WITHOUT BIDDING TO TEAM JAIPUR AND IADVL RAJASTHAN STATE**

**Name of proposer/s- members:** Organizing committee DERMACON 2022 & IADVL Rajasthan State Branch, represented by

Dr. U S Agarwal (LM/R/ 1781) Organizing Chairman, Dr. Deepak K Mathur (LM/R/ 1783), Organizing Secretary, Dr. Vijay Paliwal (LM/R/5837) Treasurer, Dr. Asit Mittal (LM/R/1805) Chairman Scientific Committee, Dr. Dilip Kacchhawa (LM/R/1795) Member Org. Comm. & President, IADVL Rajasthan, Dr. Saroj Purohit (LM/R/1806) Member Org. Comm. & Hon. Secretary, IADVL Rajasthan

Is any one of the proposer members of CC? **Yes**

Is it related to administrative/policy/constitutional (select one) OR I/we are not able to classify and accept ECs view

How will it help IADVL?- **It will help IADVL as to how to deal with Pandemic/Epidemic situations from the organizational point of view of DERMACON 2022.**

If constitutional – will it replace the existing clause? Or modify? Give detail of the clause – page no. and clause no. **As per the constitutional amendment passed on Sept.2020**

**Part II: Bye-laws – Clause 9 – BIDDING FOR DERMACON. At the end of Clause 9 sub-clause (f) the following sub-clause (g) was added on 20<sup>th</sup> Sept.2020 in EGBM.**

Do you think this needs referral to any specific committee? **No**

Because of the COVID 19 pandemic;

1. There are so many uncertainties that how long this pandemic will continue. DERMACON is a huge scientific, social event and attended by large numbers of delegates, accompanying persons, and trade delegates. these uncertain circumstances will ultimately affect their participation.
2. The whole country is struggling with the second wave of the COVID 19 pandemic, it is again making circumstances very uncertain. There are many official restrictions regarding the social gathering and how long these restrictions will persist, nobody knows
3. For the smooth and well organization of DERMACON requires enough time for preparations, approximately 1½-2 years.
4. Finance - It requires a handsome amount of money to organize DERMACON. Till date, very few trade partners have approached the organizing committee, which is making budget planning very difficult.
5. To organize DERMACON many things have to be booked well in advance like venue, accommodation for guests, travel, scientific arrangements including finalization of faculty and arrangement for food, etc. To confirm these bookings we have to pay a handsome amount of approximately 50% in advance to the vendors, which is not possible in the present scenario.
6. There are Official restrictions on international & domestic flights, Trains & Road transport.
7. There is complete uncertainty and confusion regarding travel, hospitality, and large social gatherings for an uncertain period that may be one year or more.

We sincerely thank and humbly request to EC and CC that looking to present uncertainties kindly postpone the DERMACON 2022 and consider our proposal to conduct virtual DERMACON 2022 on scheduled dates and allot DERMACON 2025 without bidding to Team Jaipur and IADVL Rajasthan State as per constitutional amendments made in EGBM held in September 2020

#### **COVID-19 PANDEMIC and Limitations:**

As we all know that Covid -19 pandemic has changed human life all over the globe similarly in India, because of this pandemic there many official restrictions due to COVID 19 protocols;

1. Social gatherings- no social gathering is allowed in our state except for marriages and funeral with a limitation of 11 and 20 persons respectively
2. Travel- Restrictions on International Travel and very restricted domestic travel.
3. Very limited numbers of trains.
4. Exhibitors- It adversely affects the economy of all the individuals and industries including Pharmaceuticals and it will restrict their participation in DERMACON
5. Preventive Measures- mandatory application of preventive measures like sporting of the mask, social distancing, etc.
6. Attendance- Now everyone is scared to travel it will affect the number of participants.
7. Faculty- participation of international and national faculty is also uncertain and questionable.

#### **Justification to postpone DERMACON 2022 to allocate DERMACON 2025 to team Jaipur**

##### **Proposal:**

According to the Part II: Bye-laws – Clause 9 – BIDDING FOR DERMACON. At the end of Clause 9 sub-clause (f) the following sub-clause (g) - We the members of Rajasthan state IADVL Branch and Organising of the DERMACON 2022 Jaipur, humbly request EC and CC that we have committed to the honorable members of IADVL to conduct DERMACON 2022 in a grand way in terms of scientific, cultural, and social means. When we proposed Jaipur as the venue in the 2019 elections the circumstances were completely different. We feel that it is very difficult to conduct DERMACON 2022 in present adverse circumstances.

We humbly request EC and CC to kindly consider our proposal to conduct virtual DERMACON 2022 on scheduled dates and allot DERMACON 2025 without bidding to Team Jaipur and IADVL Rajasthan State as per constitutional amendments made in EGBM held on 27<sup>th</sup> September 2020.

#### **Any similar precedence in the past? -- YES**

Due to Covid 19 Pandemic, the DERMACON 2021(Hydrabad) was postponed and DERMACON 2024 was allotted to Team Hydrabad, DERMACON 2021 & IADVL Telangana State without bidding.

#### **EC Opinion:**

1. We understand the difficulties of team Jaipur and IADVL Rajasthan branch in organising a conference in its normal form in this new normal situation
2. However, we request Team Jaipur to conduct a HYBRID DERMACON, depending on the situation as it develops. The modalities of such conference can be worked out.
3. As the days progress the restrictions may be eased. In a situation where restrictions are still in force it can be easily converted to E – DERMACON
4. The situation has changed from last year. Many of our members are vaccinated and there are enough safety protocols. Last year things were more difficult as we had no idea about this disease and our experience with large scale virtual conferences was lacking.
5. IADVL Rajasthan will have all the rights to bid for a DERMACON – as and when the elections are called for – DERMACON2025 onwards.
6. As per the amendment based on the proposal passed in last AGBM held during e-DERMACON 2021, in an unprecedented situations such a matter has to be discussed in the EC & CC and then to be placed in an Extraordinary General Body Meeting (EGBM) with this matter as the agenda.<sup>1</sup>
7. So we need to call for an EGBM for considering your proposal to conduct a HYBRID/VIRTUAL DERMACON 2022 on allotted dates.
8. The same EGBM will decide on your request for allotting DERMACON 2025 without a bid as per the amendment made.<sup>2</sup>

*The proposal can be considered in the Central Committee and placed before the EGBM for approval.*

#### **Constitution Committee opinion on the proposal**

Constitution permits this proposal and the proposal is constitutionally valid. Hence it can be taken up for discussion in CCM and EGBM.

The implication of this proposal will mean that till 2025, no city can bid, which can be said to impinge on the constitutional right of another city to bid. Hence it is important that this proposal undergoes due process and is discussed thoroughly.

It is up to CCM and EGBM to consider the administrative implications of this proposal, if accepted.

As per the amendment based on the proposal passed in AGBM held during e-DERMACON 2021, in unprecedented situations such a matter has to be discussed in the EC & CC and then to be placed in an Extraordinary General Body Meeting (EGBM) with this matter as the agenda.<sup>1</sup>

Hence an EGBM should be called for considering this proposal to conduct a hybrid/virtual DERMACON 2022 by Team Jaipur and IADVL Rajasthan State on the scheduled dates.

The same EGBM can decide on their request for allotting DERMACON 2025 without a bid as per the amendment made.<sup>2</sup>

**Proposed agenda for EGBM****Conduct of DERMACON 2022 by IADVL Rajasthan state and team Jaipur in the event of COVID 19 pandemic**

With this agenda the following matters are to be considered:

III. Conduct of DERMACON 2022 by IADVL Rajasthan state and team Jaipur virtually on the scheduled dates.<sup>1</sup>

IV. Allotment of DERMACON 2025 to IADVL Rajasthan state and team Jaipur without bidding.<sup>2</sup>

**If constitutional – will it replace existing clause? Or modify? Give detail of the clause – page no. and clause no.** Modify Part II Bye-laws, Clause 2 Meetings (Page 42) & Clause 8 DERMACON (Page 49). Part IV: Annexures – Annexure IV: Guidelines for Zonal Conferences (Page 77) & Annexure VII: Guidelines for organization of DERMACON (Page 90)

**Proposal:** In the wake of COVID 19 pandemic we were forced to think about alternatives for the conduct of business meetings and conferences. IADVL as an association rose to the occasion by converting business meetings and conferences to virtual ones. Nevertheless, we lack clear guidelines / Standard Operative Procedures (SOP) on the conduct of business meetings and conferences and this paved way for some amount of confusion.

Hence, We may propose that it may be incorporated in our Constitution that in unprecedented situations such a matter has to be discussed in the EC & CC and then to be placed in an Extraordinary General Body Meeting (EGBM) with this matter as the agenda. An appropriate decision on the plan of action taken in the EGBM may be implemented, so that we have clear guidelines on the conduct of business meetings and DERMACON/MIDDERMACON/ DERMAZONES when unprecedented situations or natural calamities.

**Do you think this needs referral to any specific committee?** Constitution Committee & SOP Committee

*The proposal was passed with the modification "in unprecedented situations such a matter has to be discussed in the virtual meetings of EC & CC and then to be placed in a virtual Extraordinary General Body Meeting (EGBM) with this matter as the agenda. An appropriate decision on the plan of action taken in the virtual EGBM may be implemented, so that we have clear guidelines on the conduct of business meetings and DERMACON/MIDDERMACON/ DERMAZONES when unprecedented situations or natural calamities.*

**Proposed by Dr. Putta Srinivas and seconded by Dr. Sanjeev Vaishampayan and Dr. Shital Poojaray**

**2. Proposal 1 passed in EGBM conducted on 27<sup>th</sup> September 2020**

Part II: Bye laws- Clause.9 -BIDDING FOR DERMACON. at the end of Clause 9 sub clause (f) the following sub clause (g) may be added in terms of amendment passed in EGBM and it shall come into force with immediate effect.

"In the event of unprecedented and/or unforeseen circumstances, (which includes circumstances due to natural or unnatural causes but is not limited to war, riots, earthquake, floods, outbreak of epidemic/pandemic and the like) in which it is not possible to hold a DERMACON physically, DERMACON may be allotted by the General Body, after considering the said unprecedented and/or unforeseen circumstances, to that particular State and city to which it was allotted earlier, without calling for bids notwithstanding the subclauses ( a) to (f), and without disturbing the DERMACONS which have been already allotted or for which the bidding is under process "

Provided that 1) The State Branch so affected by the unprecedented and/or unforeseen circumstances submits a proposal (such a proposal should have been approved by the said State Branch General Body) for approval requesting such an allotment. Such an aforesaid proposal shall be a condition precedent for allotment of the DERMACON

2) DERMACON so allotted would be the immediate subsequent year of the year for which the bidding of the DERMACON is under process

*A polling was called for on proposal 1 and 100 % voted in favour of the proposal and it was passed.*

### 3. RECOMMENDATIONS FOR MODIFICATIONS IN CRITERIA FOR IADVL AWARDS

**Name of proposer/s-6(1+5 ) members(LM nos) :** Dr Deepak Parikh (LM/M/852), Dr Manish Gautam (LM/M/3530), Dr Manas Chatterjee (LM/WB/2740), Dr Rajib Gogoi (LM/NE/4272), Dr Narendra Kamath (LM/KN/1874), Dr Iffat Hasan (LM/J&K/1720), Dr Krina Patel (LM/G/535)

Is any one of the proposer members of CC? Yes, Dr Deepak Parikh, Dr Manish Gautam and Dr Rajib Gogoi

Is it related to administrative/policy/constitutional (select one) OR I/we are not able to classify and accept ECs view – **Constitutional**

#### **How will it help IADVL?**

There have been lot of discrepancies and overlap amongst the criteria for various IADVL awards in the present Constitution. These recommendations will streamline and delineate the various criteria for these awards so that there is clarity for selection of awardees for these prestigious awards according to merit.

If constitutional – will it replace existing clause? Or modify? Give detail of the clause

The recommendations will be modified and we propose that they find a suitable place in the main Constitution or Bye-laws instead of Annexure.

Presently, they are part of Annexure IX under Annexures in the Constitution.

#### **Proposal:**

IADVL has various prestigious awards to acknowledge the contribution of its members towards academics, science, service to the association and to the community. However, it was observed that there are no discrete criteria for selection of awardees for these awards, barring a few awards. Also, there was an overlap of eligibility criteria in the awards which had some specified criteria.

Therefore, a committee was constituted to look into the criteria, suggest changes and streamline the selection process for these prestigious awards.

#### **IADVL Award Committee 2021:**

Chairman: Dr Deepak Parikh, Convenor: Dr Manish Gautam

Members: Col. Dr Manas Chatterjee, Dr Rajib Gogoi, Dr Narendra Kamath, Dr Iffat Hassan, Dr Krina Patel

Awards committee met thrice over video conference, discussed various aspects of awards in general as well as individual awards. All the members of the award's committee unanimously agree with all recommendations.

#### **Award Committee General recommendations:**

1- None of the awards are mentioned in the constitution either under the heading of "rule and regulations" or as "by-laws". They are only mentioned in annexure.

The committee recommends that they should be included in one of the two headings

**Constitution Committee opinion:** We agree with this proposal. These will be listed under the heading awards.

2- The amounts of Rs.10,000/- given to each of the various Oration awardees are well absorbed by the income IADVL receives as interest on the Rs.20Lakh Oration corpus fund. Hence the Committee recommends that this amount should be continued to be given to all the Oration awardees.

**CFC Opinion:** CFC Agrees and Accepts

3- The Committee recommends that travel allowance given to the K.C. Kandhari award should be extended to two Lifetime achievement award winners as well. These expenses will be borne by Central IADVL.

4- For all other awards that have corpus funds in the Balance Sheet ranging from Rs.15,500 to Rs.3,00,00/-, the Committee recommends that IADVL issues a cheque worth Rs.5,000/- to each of the awardees. (2 awards have only Rs.15,500/- & Rs.35,000/- as Corpus and 2 others have Rs.200,000/- & Rs.300,000/- as Corpus, so IADVL can make it uniform @5,000/- to each of these awards EXCEPT for IADVL Presidential Award.

**CFC Opinion:** CFC Agrees and Accepts the recommendation

- a) The cheque will be issued by IADVL EC from IADVL's bank account.
- b) certificate be signed by Central IADVL office bearers – President, President-Elect and Secretary General.
- c) Central IADVL shall give mementos to all awardees. Committee feels that there should be one common unique memento designed especially for these awards and be kept consistently year after year to create a value (just like Oscar). The plaque on the memento will mention: name of the award, awardees name and the year.

Thus, each awardee must receive

- Cheque if applicable
- Certificate
- Memento

d) Current EC should invite members ideas for various designs for the memento.

**CFC Opinion:** CFC Agrees and Accepts

5- Judges for the Prof. K C Kandhari and two life time awards will be President, Past-President, President-Elect and chairman of the academy.

6- All other awards EXCEPT for IADVL Presidential appreciation Award, awards for the publications and three life time achievement awards will be judged by the committee consisting of:-

- a) Senior Vice President –IADVL EC (will chair the committee)
- b) Junior Vice President – IADVL EC
- c) Hon. Secretary General – IADVL EC
- d) Chairman - Central Scientific Committee for DERMACON
- e) Convener – IADVL Academy

#### **Constitution Committee opinion**

This is a far reaching recommendation. Annexure iv on standing committee b (i) states:

Central Supervisory Committee will consist of the following: i. IADVL President, Immediate Past President, President Elect and Academy Chairperson shall constitute the jury to decide awards.

This provision needs to be amended to allow the above proposals. This also means that central supervisory committee constitution will have to be changed to allow the vice Presidents, Secretary General and Convener to be part of central supervisory committee. This may have implications on their role in central supervisory committee.

Will they become members of central supervisory committee? Will have any other role in the committee? Will they attend the meeting only for this purpose? will it not cost additional expenses? Will they judge in absentia? If so it will again need amendments to the annexure rules, as virtual participation or conduct is not envisaged in the constitution.

7- Three life time achievement awards will be awarded during inauguration ceremony of DERMACON. All other awards will be awarded during "IADVL Day".

8- Few awards get reflected in the balance sheet of IADVL, but are not described in Annexure 9. The purposes of these awards need to be clarified/defined. These awards, as they appear in the Balance Sheet, are: Prof. B. V. Sathnarayan Award, Prof. P.B. Haribhakti Award, Prof. Madhubala Award, Prof. Kiwi Poster Award, Fund from Dr. Sanjay Ghosh

Best Teachers award which does not find any mention in the Constitution needs adequate and clear guidelines regarding the selection process and the contents of the award and the same need to be incorporated in the Constitution/annexure.

**Constitution Committee opinion:** This is agreed. The original proposal in which it was approved is reproduced below (at the end of this file) for inclusion in Constitution

**Name of the Award/s: Professor K. C. Kandhari Foundation Award**

**CC opinion This be amended as below Details as it appears in "Constitution" Annexure 9:**

**Name of the Award/s: Life Time achievement awards which include Professor K. C. Kandhari Foundation Award, and two IADVL Life time achievement award**

This is the highest award of the Association.

**Constitution Committee opinion:** These are the highest awards of the association and are to be regarded as equal in all respects in this category. Any member who gets any of these awards cannot again apply again for any other award except in publication or research category

a) **Professor K. C. Kandhari Foundation Award** It was instituted by Prof. K. C. Kandhari Foundation. This award is given every year at DERMACON to a personality for lifetime meritorious service or contribution to Dermatology, Venereology, and Leprology by teaching, research or patient care so as to contribute to the prestige of the specialty. Applications may be accepted or nominations for the award are given by the President, Immediate Past President, President Elect and Chairperson of IADVL Academy of Dermatology and ratified by the Central Supervisory Committee. The Prof. K. C. Kandhari Foundation Award shall not be given to any member from the state organizing the DERMACON in which the award is given. Travelling allowance will be provided to winners of the life time achievement awards and the Prof. K. C. Kandhari Foundation Award.

A member who gets Prof. K. C. Kandhari Foundation Award and other lifetime achievement awards cannot apply for any other award except in publication or research category. [Shifted above](#)

Prof. K. C. Kandhari Foundation Award and lifetime achievement awards constitute the three lifetime achievement awards. A member who gets IADVL lifetime achievement award is not eligible for Prof. K. C. Kandhari Foundation Award.

All 3 lifetime achievement awards are considered equal. Hence, a member is eligible to only one such award. [Shifted above](#)

**Award Committee recommendations:**

1- The Professor K C Kandhari award is for overall achievement in the awardee's lifetime and is to be given to a dermatologist above the age of 60 years at the time of application.

2- Other than those who are involved in the selection of the awards (President, IPP, President Elect, Academy Chair), anyone else should be eligible to apply, even if in the EC or from the State organizing DERMACON. Ratification by the central supervisory committee is not needed.

**Constitution Committee opinion:** This recommendation raises issues of conflicts and ethics. All awards after selection by selection committee have to be approved by Central supervisory committee where state organizing committee members are present. This is also in conflict with the recommendation made above with respect of vice presidents in selection of awards. This can lead to a situation of quid pro quo in selection of awards if EC members

are to apply. Also state branch President is an important member of organizing committee and is a signatory to the MOU. Hence this recommendation is fraught with conflicts, issues of propriety and ethical issues which need to be debated carefully.

3- Marking should be for

- a) Academic achievement (30 marks) in terms of publications in original paper category in journals which are Pubmed Indexed, and orations, (1<sup>st</sup> or corresponding author: 5 marks, any other author: 2 marks, orations 5 marks)
    - Oration at DERMACON – 3 marks, at state CUTICON – 2 marks
  - b) Contribution to IADVL (30 marks) with holding of national IADVL offices having twice the amount of credit compared to that at the State level
    - i) holding executive appointment: 6 marks at national level and 3 marks at state level
    - ii) appointment as committee chair 4 marks at national level and 2 marks at state level
    - iii) member of a committee 2 marks at national level and 1 mark at state level
  - c) Contribution to the organisation where the individual has served or community where he has practiced (20 marks)
    - i) holding senior administrative position in organisation 10 marks
    - ii) participated in community welfare activity leading to community upliftment: 10 marks
  - d) Contribution to other organisations related to the speciality of Dermatology, Venereology and Leprosy or their sub-specialities (20 marks)
    - i) being President 15 marks, executive committee member 8 marks, any other contribution 3 marks each
- 4- Travel and stay are to be provided to the awardee. Org Committee should provide: 3 nights stay with spouse, Economy class air Travel for only for the awardee to be provided by the central IADVL

**CFC Opinion:** CFC does not agree. To maintain uniformity, CFC opine to distribute fixed amount of Rs25000 or Rs.50000 to take care of awardees travel and accommodation. Registration can be complimentary. (Keeping in mind difficulties of organizers and the variations in ticket amount as per schedule of booking).

5- All should be life members of IADVL.

6- Application for the Prof. KC Kandhari foundation award should be separate from that for the IADVL lifetime achievement awards.

#### **Name of the Award/s: IADVL Lifetime Achievement Award**

#### **Details as it appears in "Constitution" Annexure 9:**

Prof. K. C. Kandhari Foundation Award and lifetime achievement awards constitute the three lifetime achievement awards. A member who gets IADVL lifetime achievement award is not eligible for Prof. K. C. Kandhari Foundation Award.

All 3 lifetime achievement awards are considered equal. Hence, a member is eligible to only one such award.

IADVL Lifetime Achievement Awards: Two lifetime achievement awards to be given during DERMACON inauguration.

#### **Award Committee recommendations:**

1. One each out of the two lifetime achievement awards are to be given for
  - a. Administrative achievement in terms of contribution to IADVL
  - b. Academic achievement in terms of contribution to the advancement of the speciality
2. Both lifetime achievement awards should be for those older than 60 years at the time of application.
3. Application for these awards should be separate from that of the KC Kandhari Foundation award.

**Constitution Committee opinion:** when they are all awards at the same level, separation application will be not be in the spirit of the equality

4. Other than those who are involved in the selection of the awards (President, IPP, President Elect, Academy Chair), anyone else should be eligible to apply, even if in the EC or from the State organizing DERMACON. Ratification by the central supervisory committee is not needed.

5. For Lifetime Achievement Award (Academic): Marking should be for
- Publications under original publication category, in Pubmed Indexed Journals (30 marks), 1<sup>st</sup> or corresponding author: 10 marks, any other author: 5 marks
  - Contribution to IADVL Academic activities (30 marks), (each contribution at National level 5 marks, State level 2 marks)
  - Academic awards and orations (20 marks) (each award or oration given at DERMACON 5 marks and at State CUTICON 3 marks).

6. For Lifetime Achievement Award (Administrative): Marking should be for:

- Contribution to IADVL (50 marks) with holding of national IADVL offices having twice the amount of credit compared to that at the State level (holding executive appointment: 10 marks at national level and 5 marks at state level), appointment as committee chair 6 marks at national level and 3 marks at state level and being member of a committee 4 marks at national level and 2 marks at state level

**Constitution Committee opinion:** These are central awards. Contribution at state level for this award is not in the spirit of overall all India contribution

- Contribution to the organisation where the individual has served or community where he has practiced (30 marks) holding senior administrative position in organisation 15 marks each and having participated in community welfare activity leading to community upliftment: 15 marks each

- Contribution to other organisations related to the speciality of Dermatology, Venereology and Leprosy or their sub-specialities (20 marks) being President 15 marks, executive committee member 8 marks, any other contribution 3 marks each

7. Travel and stay are to be provided to the awardee. Org Committee should provide: 3 nights stay with spouse, Economic class air Travel only for the awardee to be provided by the central IADVL

8. All should be life members.

**Constitution committee opinion:** These need major amendments in the constitution and consideration

**Name of the Award/s: Prof J C Shroff memorial award**

**Details as it appears in "Constitution" Annexure 9:**

Dr. J. C. Shroff Memorial Award: It is given to a senior Dermatologist, Venereologist or Leprologist above the age of 58 years, whose lifetime experience has benefited the speciality.

**Award Committee recommendations:**

1. This award is given to a dermatologist below 60: 55 to 60 years of age at the time of application. He should have completed 55 years at the time of application but not crossed the age of 60 years at the time of application.

2. Marking should be for

- Academic achievement (30 marks) in terms of publications in journals which are Pubmed Indexed and under original paper category, and orations, 1<sup>st</sup> or corresponding author: 5 marks, any other author: 2 marks, orations 5 marks)

- Contribution to IADVL (30 marks) with holding of national IADVL offices having twice the amount of credit compared to that at the State level (holding executive appointment: 6 marks at national level and 3 marks at state level), appointment as committee chair 4 marks

at national level and 2 marks at state level and being member of a committee 2 marks at national level and 1 mark at state level

**Constitution Committee opinion:** These are central awards. Contribution at state level for this award is not in the spirit of overall all India contribution

- c) Contribution to the organisation where the individual has served or community where he has practiced (20 marks) (holding senior administrative position in organisation 10 marks each and having participated in community welfare activity leading to community upliftment: 10 marks each)
- d) Contribution to other organisations related to the speciality of Dermatology, Venereology and Leprosy or their sub-specialities (20 marks) (being President 15 marks, executive committee member 8 marks, any other contribution 3 marks each)
3. All should be life members of IADVL.
4. Since the age group of this award is proposed to be different, this has to be applied for separately as compared to the other three lifetime achievement award.
5. An awardee of this award is eligible for the K C Kandhari Foundation/IADVL Lifetime Achievement Awards at the appropriate age.

**Name of the Award/s:**

1. Prof. Ratan Singh Award
2. Dr. VN Sehgal Award
3. Prof. Ganapati Panja Memorial Award
4. Prof. LK Bhutani Memorial Teaching & Research Award.

**Details as it appears in "Constitution" Annexure 9:**

(b) For the following awards, application will be invited in the August issue of IADVL NEWS:

- (i) Dr. L. N. Sinha Memorial Award: It is given to one member of the IADVL aged below 45 years for overall contribution to the specialty (and not only for scientific achievement). The award should be rotated on a zonal basis.
- (ii) Prof. V. N. Sehgal Award: It is given to a member of the IADVL for accomplishing excellence in dermatology.
- (iii) Prof. L. K. Bhutani Award: It is to be given for achievement for teaching and research in the specialty.
- (iv) Prof. Ganapati Panja Memorial Award. It will be given on IADVL Day to a senior dermatologist for contribution to clinical dermatology or dermatopathology.

**Note :**

- (i) Awards based on research and publications such as the Premalatha Award, Senthalmil Selvi Award, LK Bhutani Award should be assessed first by the IADVL Academy, as per the criteria laid down in Annexure IX and a list of top 3 to be submitted to the Central Supervisory Committee.
- (ii) For any award, if in the opinion of the Central Supervisory Committee no application is suitable for an award, the award can be withheld.

**Award Committee recommendations:**

1. Prof. Ratan Singh Award – Service to the National body in the field of Association related administration and Academics. ( Marks: Administration 60, Academics 40)
2. Dr. VN Sehgal Award – Comprehensive work in Academics and Research.
3. Prof. Ganapati Panja Memorial Award – Contribution to Clinical Dermatology and Dermatopathology.
4. Prof. LK Bhutani Memorial Teaching and Research Award – For Teaching excellence and Research in Dermatology.

**Constitution Committee opinion: VN Sehgal and LK Bhutani Awards – there is overlap**

**CRITERIA –**

Criteria for eligibility and selection will be strictly enforced. Announcements will be done in the August issue of Derma News. Applicant should be a life member of IADVL. He should have contributed for the development of our speciality as an Administrator, Academician, Teacher and Researcher.

The awards are by application only.

Applicants should have completed 50 years of age at the time of application.

Selection Committee consists of – Chairman- Sr. Vice-President Central EC, Jr Vice Presidents central EC, Chairman of the Scientific Committee (National), National General Secretary.

If no suitable applications are received or applications are not satisfying the criteria, the award may be withheld for the year. There is NO carry forwarding of the award for the next year.

Should not have received ANY of these four awards earlier. IF applicant has received any one of the 4 awards earlier, will be disqualified from reapplying for the same, or any of the other 3 awards.

**Constitution Committee opinion:** This will require a Constitutional amendment.

Trying to influence the Selection Committee directly or indirectly will disqualify the applicant, so too submission of fraudulent data. Last date for submission of completed application is .....

#### **Name of the Award: Dr L N Sinha Memorial Award**

##### **Details as it appears in “Constitution” Annexure 9:**

It will be awarded to an IADVL member below 45 years of age with overall contribution to the speciality (and not only for scientific achievement) ‘

##### **Award Committee recommendations:**

1. Awardee should be an IADVL Life member below 45 years of age (at the time of application).
2. The scoring for eligibility will be from these various contributions to the association

##### Scientific Contribution– 30 points

Institutional positions held – 10 points

Papers published in journals - National – 10 points/ International – 20 points

##### Contribution to IADVL – 60 points

IADVL Conferences organised at State level - 10 points / National Level – 20 points

Positions held in IADVL EC at State level – 10 points/ National Level – 20 points

Positions held in IADVL Committees - Convener 10 points/ Chairperson - 20 points

##### Social Contribution – 10 points

Conducting social service activities (Endorsed by State/ National EC) – 10 points

#### **A minimum contribution of 60 points should be considered as eligibility criteria**

**Constitution Committee opinion:** When there are so many awards above 50 and above 60, when there are 3 life time awards, one award for young dermatologist is not in the spirit of equality. There can be more than one award in this category, one per zone

3. This award should be a single award at National level without zonal rotation.
4. If criteria are not fulfilled, the applicant should not be considered (even if single applicant) and no roll-over to next year.

#### **Name of the Award/s: IADVL President Appreciation Award**

##### **Details as it appears in “Constitution” Annexure 9:**

The Constitution now states:

**“EC can give up to 5 appreciation awards to the member/s who have rendered exceptional services for the betterment of IADVL. Members of committees shall be eligible. This award will be given during IADVL Day.”**

The awardees are selected by the President in consultation with IADVL EC.

##### **Award Committee recommendations:**

1. The Committee observed that the original proposal stated, “EC members are not eligible for this award”. That exclusion criterion is now missing from the Constitution. Recorded minutes of the CCM2013 and Opening GBM of

2014, wherein the proposal was discussed/accepted/ratified, do not show any evidence of this exclusion being formally removed.

As EC is actually involved in the selection process, this Committee feels that EC members being eligible for the award in spite of the original rule stating otherwise, can surely cast doubt in the selection process. As the available recorded minutes of the CC & GB meetings adopting this proposal also do not document formal removal of this exclusion criteria, this committee recommends that the clause **“EC members are not eligible for this award”** be reinstated in the Constitution.

**CC opinion:** **“EC members are not eligible for this award is in conflict with the recommendation of the committee that EC members can be eligible for all other awards. This award is a decision of the president for any member who has implemented the projects well.**

**Name of the Award/s: Dr. L Marquis Memorial Award**

**Details as it appears in “Constitution” Annexure 9:** The award is given to a guest speaker at DERMACON for best guest lecture.

**Award Committee recommendations:**

To be given to any meritorious national guest speaker at Dermacon nominated by central scientific committee based on final scientific program of conference.

- Central scientific committee will decide on this award
- Generally given to international speaker - we propose it to be given to any national speaker or IADVL member
- Points to be taken into consideration - CV of speaker, Work done in the area of talk, Any publications in the same subject, abstract (it can be decided as per oration criteria)
- Age should not be a criteria. Any guest speaker above 35 may be considered for award.

**Constitution Committee opinion:** This is contradictory

- Guest speaker - One who is invited at Dermacon for delivering guest lecture/key note address at plenary session, because of their meritorious research work in the subject
- Can be given once only, to any person in life time

**Constitution Committee opinion:** **Giving awards for a guest speaker sounds odd. Rather it should be a lecture in the name of LM marquis, called LM Marquis invitational lecture- national or international**

**Name of the Award/s: DERMASEWA AWARD**

Available criteria - No criteria available at present

**Recommendations:**

Dermasewa award be given to any IADVL Member based on their selfless service to society relating to DVL speciality for 5 years or more

- IADVL member of any age or group of members doing common social activity may apply for this award.
- Strictly on the basis of social work done by any member for at least 5 years (endorsed by state or national EC)
- Social work - any work in speciality done for the better skin health of community without any financial rewards, impact of social work on community shall be taken into consideration. His/ her practice at private institute or in medical college as part of their job shall not be taken into consideration.
- Award to be decided by the committee proposed as per above
- Given once only to any member or group of members

**Name of the Award: IADVL Derma Practice Award****Details as it appears in "Constitution" Annexure 9:**

An award called "IADVL DERMA PRACTICE AWARD" will be awarded to a member who is a full-time practitioner aged above 50 years.

The following criteria may be considered for the award:

- A candidate should be above 50 years of age.
- A candidate should be a Life Member.
- A candidate should be in full time practice with no teaching in medical college for at least 10 years as on date of application of award.
- The award will be either by application or nomination and will be decided on the following criteria:
  1. Faculty at National/State/Regional Conferences/CMEs/Workshops: 20 Marks
  2. IADVL Organisation posts held: 20 marks
  3. International memberships/fellowships positions in societies/other achievements: 20 marks
  4. Conferences organised at National/State level: 20 marks
  5. Social/Community service: 10 marks
  6. Academic achievements and Publications: 10 marks

The award can be considered only for those who score more than 60%. This award will be announced along with other awards in the month of September; maximum of four awards one per zone will be selected. These awards will be decided by a committee of five people comprising of IADVL President, Immediate Past President, President-Elect, Hon. Secretary General IADVL and Chairperson IADVL Practice Management Cell. The award shall be in the form of a citation and a plaque in appreciation of their contribution. The award presentation shall be made on the IADVL DAY.

**Award Committee recommendations:**

1. Awardee should be an IADVL Life member above 50 years of age (at the time of application) and should be in full time private practice with no attachment to teaching institutions.
2. The scoring for eligibility will be from these various contributions to the association

**Administrative Contribution to IADVL – 60 points**

- Positions held in IADVL EC at State level – 10 points/ National Level – 20 points
  - Positions held in IADVL Committees - Convener 10 points/ Chairperson - 20 points
  - IADVL Conferences organised at State level - 10 points / National Level – 20 points
- (Maximum marking in each subset will be 20 points)

**Scientific Contribution– 20 points**

Papers published in journals - National – 10 points/ International – 20 points (Maximum marking will be 20 points for an individual)

**Constitution Committee opinion:** Since it is for practioner, the criteria mentioned in constitution are more encompassing and hence more suitable

**Social Contribution – 20 points**

Conducting social service activities (Endorsed by State/ National EC)

- State Level – 10 points, National Level – 20 points
- (Maximum marking will be 20 points for an individual)

**A minimum contribution of 60 points should be considered as eligibility criteria**

3. Based on the above criteria, a total of 4 awards, one for each zone will be awarded and these awards will be announced in the month of September along with the other awards.

4. If criteria are not fulfilled, the applicant should not be considered (even if single applicant) and no roll-over to next year.

**Common Suggestions for following awards on publications:**

- A) Prof S Premlatha Award
- B) Prof G.Sentalmil Selvi Award
- C) Dr Bishnupriya Devi Award
- D) Mrs Indubala Memorial Award

1- For IADVL members by application only

2- The jury for this award will be the current editors of IJDVL, IDOJ, Editor Elect of IJDVL and IDOJ if available and also the Chairperson of the IADVL Academy.

3- The paper should be an original article only.

4- The paper should not be a postgraduate thesis work. Applicant MUST give undertaking for the same

5- The paper should have been published in the preceding 2 years from the date of invitation of the application for these awards

6- The first author of the paper in both the categories gets the designated amount for this award along with a memento and the certificate, however, rest of the authors in the research paper will also get a certificate.

7- IDOJ should also be included in addition to IJDVL

8- If there is no paper published in IJDVL or IDOJ during the last 2 years, any paper published in any other pubmed indexed national or international journal published by an IADVL member can also be eligible for the award but the research work must have been carried out in India.

**Additional suggestions for Prof S Premlatha Award**

**Details as it appears in "Constitution" Annexure 9:**

The Prof. S.Premlatha Award for the best research Project in Dermatology is to be given for the best research project.

**Award Committee recommendations:**

This award can be given as **two** awards instead of one under two separate categories.

1- In the first category, this award can be given to any research project in dermatology and will be named "Prof. S Premlatha Award".

2. In the second category, this award can be given to:

- for a published paper of an IADVL funded Research project and this should be named "IADVL research Award"

10. Prof. L. N. Sinha Award: below 45yr, overall contribution to Dermatology
11. Prof. L. K. Bhutani Award: for achievement in teaching & research in Dermatology
12. Prof. Kiwi(?) Poster Award: no mention in Constitution?.....But, Dr. Manu Patel award is there
- Constitution Committee opinion: This was to be for only 3 years .It should be stopped**
13. Prof. Ratan Singh Award: Senior member for contribution as teacher, researcher, patient care, dedicated service to the speciality
14. Fund from Dr. Sanjay Ghosh: no mention in Constitution?
15. Oration fund: for 3 orations, Rs.10,000/- each
16. **Best teachers award – No mention in constitution**

**Points to consider while initiating new award**

- 1- Aim of the award? – Academic or for administrative  
Who is the beneficiary? UG/PG/<45/>45 and so on?  
Suggestion -Avoid gender bias/ regional or zonal approach
- 2- Is there any existing award of same type or for same group?  
If yes – Which one  
- how will it differ from existing award
- 3- How long this award remains active? No of years 5/10 etc  
Suggestion – No award should be for more than 5 years in case of industry sponsored and maximum 10 years in case of awards sponsored by any LM of IADVL or by members of family/friend of any LM of IADVL or by any state branch of IADVL

**Constitution Committee opinion:** All awards should have the same time limitation and there can not be distinction. hence it is recommended that all awards from 2021 will have a life of only 10 years, old or new. This does not apply to the three life time achievement awards

4- How much amount will be donated to IADVL? (This will depend upon how much will be distributed as award and to how many awardees)

Suggestion- Each awardee MUST at least get Rs. 5000/- or greater or its equivalent

5- How many awardees in a year?

6- What will be selection criteria of the awardee/s? – both inclusion and exclusion

7- How the awardee/s will be selected? – Process

- Nomination/selection

- Formation of jury/ies

- Any objective criteria/s – scoring system in case of multiple names

8- Industry will donate 10,00,000/-, and interest will be used for award, for a period of 5 years and Award will be labelled as "IADVL- (name suggested by company) award

9- Individual Award should be in the name of Dermatologists who has/had been LM of the association. He/she will donate 3,00,000/- (Three lakhs) for the award to be distributed for five years, and 5,00,000/- (Five lakhs) if he/she wants it for 10 years.

10- The amount received as donation will be earmarked as Corpus fund for the award and will be kept in bank as a Fixed deposit for the same tenure in years as that of the life span of the award concerned. At the end of the tenure, it will be merged with IADVL general account. IADVL will give the awardee an amount equivalent to the annual interest generated on that corpus kept aside as a fixed deposit but not less than mentioned in general recommendations

IADVL will bear the cost of memento, certificate and the income tax applicable on the interest earned.

#### EC Opinion:

The consensus of IADVL EC 2021 is that:

1. To increase L N Sinha award to 2 zones a year + AFDG once in 4 yrs.

Constitution Committee opinion: There should be four young dermatologist awards in total; LN Sinha Young dermatologist award + 3 IADVL young dermatologist awards. AFDG should compete with other candidates from the zone where they are posted to. Awarding one to AFDG would be a discrimination as such preferred treatment is not given in any other category and further demands may rise in other categories also. This is not in the spirit of the constitution.

2. All 3 Presidents + Hon Secretary General + Academy Chairperson to be part of the Awards Selection committee.

Constitution Committee opinion: Agreed

3. All 3 Life Time Achievement Awards ( Khandari & IADVL LTA) to be given TA and accommodation. Agreed

4. Derma sewa award and Practitioner award Selection committee to be included as - 3 Presidents + Hon Secretary General + 2 Vice Presidents

Constitution Committee opinion: Involvement of VP has issues as pointed out earlier

5. Reorganizing awards as IADVL awards & Academic awards and putting them in that order. agreed

6. Memento to be designed and given to all IADVL awardees only. For the awardee this will be a discrimination.

7. Moratorium of 1 year for applying for Orations and IADVL awards.

Constitution Committee opinion: Orations and awards are different- so the moratorium can not apply between the two

*The proposal can be considered in the Central Committee and placed before the AGBM for approval.*

#### Constitution Committee Additional Comments:

1. It should be made clear that all three awards are equal and the Travel allowance is to be given to all 3 awards: Prof Kandhari and two lifetime achievement awards
2. The process looks very exhaustive and may be simplified.
3. The award institutional criteria cannot be changed without the approval of those, who contributed to the award, their opinion can be sought.
4. Selection committee should primarily include all 3 presidents and academy chair for all awards. Including others will need change in Constitution to amend Central Supervisory Committee
5. Hon. Secretary General is there all through from inviting applications ,compiling, scrutinizing and even with the selection process, but he is not a member of selection committee. This needs a relook and he should be part of the selection committee
6. Awards can be primarily grouped into IADVL general awards and IADVL academic awards, those by application, application /nomination.
7. Many recommendations, proposed by the Awards committee requires constitutional change
8. Prof Haribhakti and Dr Mayadevi awards are given to the top scorers of IADVL Dermatopathology and Dermatosurgery observership applicants. It was approved in one of the AGBMs (2017 or 2018) and is practiced now.
9. All awards should have a definite time frame (Both old and New), starting from a decided date.
10. Awards should be in the name of dermatologist (IADVL member) only, but not their kith and kin.
11. Research publication awards and IADVL awards are combined. It is better and a common jury is proposed. It is appropriate and requires constitutional change
12. Special awards (which will come under a different category) - 1. State performing the best community activity, 2. State performing the best in e voting, 3. State performing the best in PLM conversion, 4. Internal administration are not mentioned

#### **Best Teacher Award Recommendation:**

*This is given to one teacher from each zone above the age of 50 years, by application only.*

#### **Criteria:**

1. Teaching experience of 20 years at post graduate level MD/DNB/Fellowships/International boards: 20 marks
2. Academic excellence as demonstrated published papers: 20 marks
3. Guiding dissertations/research projects: 20 marks
4. Guest lectures/key note presentations in national/international conferences: 20 marks
5. Positions in boards/research organizations, associations, conferences: 20 marks

*Selection by President, President elect, IPP, academy chair*

#### **SOP Committee Opinion ( On Proposals 1,2,3) :**

After going through the proposals referred to us, the SOP Committee feels that these are matters related to constitutional amendment and will need incorporation ( with due changes) in the SOP only after these are approved by the CC and GB. They SOP committee does not have any comment to offer at this stage.

#### **4.IMPLEMENTATION OF IADVL MENTORSHIP PROGRAM**

Name of proposer/s- 6 (1+5) members

Dr Rashmi Sarkar, LM/ND/1543, Dr Dinesh Kumar D, LM/TN/5354, Dr Savitha A S, LM/KN/5761

Dr Sonali Langar LM/ND/4867, Dr R Raghunatha Reddy, LM/KN/2925, Dr Shyamanta Barua, LM/NE/4266

Is anyone of the proposer members of CC? Yes

Is it related to administrative/policy/constitutional (select one) OR I/we are not able to classify and accept ECs view  
We are not able to classify and accept EC's view .This is administrative and has already been passed and one batch was already done in 2014(IADVL News December 2014,page 19)

How will it help IADVL?

It is already passed in a proposal in 2014 but needs to be implemented well.It will set in motion,the much needed IADVL Online/Virtual Mentorship program involving senior dermatologists volunteering to be mentors and young and middle level dermatologists getting subject based guidance and practical and leadership tips in practice from them.This is much needed for younger and middle level dermatologists ,who are pretty much on their own and need guidance.The IADVL Mentorship Program was accepted in a proposal in 2014 and a batch of mentees was taken up.It will be taken up in a much more structured way.It will also be helpful to dermatologists in Tier 2 and Tier 3 cities besides metros and also in far flung areas where there is lack of a mentor.The main proposer has already set up a very successful Virtual Mentorship Program in International Society of Dermatology and few other international programs,which is much appreciated and useful.It is tried and tested with multiple benefits to the IADVL in the future.

If constitutional–will it replace existing clause? Or modify? Give detail of the clause, page no. and clause no.: No, it will not replace any constitutional clause

**Proposal:**

As per the AGBM proposal at E Dermacon 2021 for Presidential proposals with a budget, we propose to have a separate budgetary allocation for dedicated IADVL Mentorship Program, already existing since 2014 but in a limbo. Mentor volunteers will be invited by application or nomination and 20 mentees who will be chosen on applications will be matched with the mentors according to their areas of interest and practice(these will be topics on medical dermatology and practice management or academic work tips and are not a substitute to hands on observation programs).The mentors and mentees should commit to a minimum of 6 meetings to be completed over a stipulated time period on Virtual Platforms(ZOOM, Microsoft etc) including lectures,interactive sessions and case presentations virtually by the mentees .Reading materials will be suggested by the mentors to the mentees to make the program holistic. A written report must be submitted by the mentee at the end of the program and it would be good to have a publication or collaboration at the end of the sessions.A briefing will be given to mentors and mentees at the beginning of the session.Rs 15,000/ and a certificate of IADVL Virtual Mentorship Program can be given to each mentee .This can be used in one time meeting with their mentor either at a conference or otherwise. Or utilized for a secure learning online platform.This will help in building future scientific practice and leadership in dermatology.

Mentorship is an extremely satisfying experience both for the mentor and mentee. It is the need of the hour and the Golden Jubilee Year of IADVL is the best time to start implementing again.

We request a budgetary allocation of Rs. 5 lakhs for this activity.

Do you think this needs referral to any specific committee? Finance committee

**EC Opinion:**

*The proposal can be considered in the Central Committee and placed before the AGBM for approval.*

**CFC Opinion:** Although CFC agrees that the Online mentorship program is an excellent one, we feel that mentee is already benefited from the program itself and since there is no loss of practice or other expenses by the mentee, a grant of 15,000 INR need not be given. It may also be noted that other IADVL observership programs and training programs which require physical presence are either paid not more than INR 10,000 (age <35 yrs.) or not paid at all.

**CFC agrees to the proposal minus the financial grant of INR 15,000 to the Candidate.**

**5. GOLDEN JUBILEE CELEBRATIONS OF IADVL**

Name of proposer/s-6(1+5 ) members(LM nos)

Dr Rashmi Sarkar(LM/ND/1543), Dr Jaydev Betkerur(LM/ND/2009), Dr Dinesh Kumar D, Dr Savitha A S (LM/KN/5761), Dr Neeraj Pandey(LM/UP & UK/4926), Dr Rajyalaxmi Konnatham(LM/TS/3087)

Is any one of the proposer members of CC? Yes

Is it related to administrative/policy/constitutional (select one) OR I/we are not able to classify and accept ECs view

- we are not able to classify and accept ECs view

How will it help IADVL?

It is a celebratory year for IADVL as it completes 50 years and hence it will be a year long celebration in 2022 culminating in a Felicitation Ceremony and 1 day Celebratory CME.

If constitutional – will it replace existing clause? Or modify? Give detail of the clause – page no. and clause no - No

**Proposal:**

Indian Association of Dermatologists Venereologists and Leprologists is the second largest dermatologist association in the world. Though the Dermatologists association in India was formed much earlier, it was unified and officially came into existence as IADVL in 1973. At this junction where it will complete 50 years, it is a glorified event for us. We intend it to be celebrated as a memorable and cherishable year. We seek 50 lakhs for the Golden jubilee celebrations.

The following activities are planned for the Golden Jubilee celebrations which will require finances.

The meeting is to be held in Delhi, in all likelihood following CC meeting 2022, where felicitation of past presidents, secretaries, treasurers, academy chairs, journal editors and textbook editors, other eminent members as decided, will be done along with a one day IADVL Golden Jubilee CME. A souvenir and a history book will be released in 2022. Media activity, public education on dermatological disorders, press meeting programs to be done through out the year. The proposed budget for the same is given below.

Activity		Budget
Felicitations Day and one day IADVL Golden Jubilee CME	Felicitations of members, audio visuals, logistics, Souvenir book, History Book, Chief Guest and others	40 lakhs
Media activity, Public awareness and Education programs		10 lakhs
<b>Total</b>		<b>50 lakhs</b>

Do you think this needs referral to any specific committee? **Finance committee**

**EC Opinion:**

*The proposal can be considered in the Central Committee and placed before the AGBM for approval.*

**CFC Opinion:** CFC Opines that this huge budgetary allocation may not be required if the Golden Jubilee

celebration is combined with CC meeting which is usually done with pharma support. A blanket approval for budgetary approval can be commented only with the next year proposed budget and may take up then unless it is repropose with a lower budget taking in to account the combined CC meeting.

**CFC suggests resubmission of the proposal with a fresh lower budget.**

#### **6. QUACKERY FOCUS ACTIVITY -2021**

Name of proposer/s- 6 (1+5) members

Dr Rashmi Sarkar, LM/ND/1543, Dr Dinesh Kumar D, LM/TN/5354, Dr Savitha A S, LM/KN/5761, Dr Rakesh S V, LM/K/4116, Dr R Raghunatha Reddy, LM/KN/2925, Dr Shyamanta Barua, LM/NE/4266

Is anyone of the proposer members of CC? Yes

Is it related to administrative/policy/constitutional (select one) or

I/we are not able to classify and accept ECs view - We are not able to classify and accept EC's view

How will it help IADVL?

It will give an impetus and fillip to the anti-quackery activities of IADVL and also will utilize the services of ITAQ members but this time in an organized manner.

If constitutional–will it replace existing clause? Or modify? Give detail of the clause, page no. and clause no.: No, it will not replace any constitutional clause

Proposal:

As per the AGBM proposal at E Dermacon 2021 for Presidential proposals,we propose to have a separate budgetary allocation for dedicated Quackery Focus Activity 2022.

This activity will give an impetus and fillip to the anti-quackery activities of IADVL and also will utilize the services of ITAQ members.

We intend to familiarize and popularize not only on anti-quackery measures but also on means to identify and to reach out to a qualified dermatologist / IADVL member. The activities would include constant, social media campaign, print and visual media engagements, street plays, role plays in schools, colleges, market places, public transport stations by professional groups, pamphlet distribution etc. Medical college students (UG & PG ) would be requested to volunteer and engaged appropriately.

We would utilize the services of IADVL members and also their creative ideas, but nevertheless there would a necessity of funds. We request a budgetary allocation of Rs. Ten lakhs for this activity.We need to take definite measures for Anti Quackery in IADVL.

Do you think this needs referral to any specific committee? Finance committee

#### **EC Opinion:**

*The proposal can be considered in the Central Committee and placed before the AGBM for approval.*

**CFC Opinion:** CFC applauds the proposal which focusses on a much-needed activity by IADVL in the coming years. Last 3 years, no separate budgetary allocation was made to ITAQ, too. The proposal however needs refinement and clarity about the breakup of the proposed expenditure (especially in view of the budgetary allocation which may be made to Media cell in 20-22 budget or whether a budgetary allocation would be made to ITAQ this year). CFC suggest an amount of Rs.5,00,00/- . Extra money can be sanctioned by the approval of AGBM on producing clear breakups of expenditure.

However, CFC suggests **resubmission of the proposal with inclusiveness of the media cell and ITAQ.**

Executive meeting was conducted on 19/05 regarding discussion of Community Service Program by IADVL. Local needs were discussed and highlights of the proposal were drafted.

18/06: Meeting was conducted again to discuss about implementation of Covid relief program and since number of COVID cases decreased drastically in the area, it was decided to postpone it's implementation.

**IADVL JHARKHAND**

Because of the ensuing pandemic of COVID and second wave being at its peak during May and June month we couldn't conduct any physical activity.

We organized several webinars involving local and national speakers to continue our academic program.

We celebrated Vitiligo day with awareness programs organized with print, FM and local electronic media. We also released several short videos on the social media to bust myths associated with Vitiligo and sensitize the general public to this common skin problem. We also organized a webinar on Vitiligo, with enthusiastic participation from across the country.

As our association with social cause, we are contributing to a local orphanage in form of medical supplies, food and ration on monthly basis from May onwards. This particular orphanage is giving shelter to COVID orphans. We plan to extend this support to Leprosy homes also.

Our members in their individual capacity are contributing to the social cause in these difficult times in form of free online consultation programs for the needy.

## IADVL ACADEMY REPORT

**Dr. DEEPIKA PANDHI**  
Chairperson, IADVL Academy

**Dr. DIPANKAR DE**  
Convener, IADVL Academy

**Midterm Academy Meeting**

The Midterm meeting of the Academy members was held on Saturday, July 10, 2021 on the web. This included Jury meeting of IADVL Research Grant 2021 and IADVL Glowderma Research Grant 2021 and discussion on other important issues like observerships, scholarships, workshops, activities for postgraduates, Academy publications, IADVL e-library, Academy budget and account. The meeting of Academy with SIG coordinators will be held on July 24, 2021 on the web. The activities planned by all 16 SIGs and the e-dermatology taskforce/ acne taskforce will be discussed in detail.

**IADVL Observerships**

Observerships are given at each centre for a duration of 4 weeks (and a stipend of Rs 10,000), for IADVL PLMs or LMs aged less than 35 years and for a duration of 2 weeks (without a stipend), for IADVL LMs aged 35 years or above. For the 35 centres offering observership in diverse fields for the year 2021, a total of 96 candidates confirmed their slots for observership 2021 and 11 candidates withdrew or didn't give consent. Of the consenting candidates, 10 have already completed their observership. Considering difficulty arising out of the prevailing situation, candidates of 2021 can complete their observership until March 31, 2022. A WhatsApp group that includes the program directors, observers, the Academy chairperson, convener and coordinators of the observership program has been created to facilitate the coordination between different stakeholders.

A large majority of the candidates who were offered observership in 2020 were not able to complete their observership in 2020 due to the still prevailing Pandemic. They were initially offered extension until July 31, 2021 after mid-term Academy meeting 2020 with approval of EC. This is further extended upto December 31, 2021 after approval from the current EC. Of the 83 consenting observership candidates, 10 have completed observership by now. Overall situation is still challenging for the observership candidates and many selected in both 2020 and 2021 may still be unable to complete it this year. - *Dr Bhabani Singh and Dr Malathi M; IADVL Observerships Coordinators*

**IADVL International Dermatopathology Observerships**

The candidates selected in 2019, Dr Hemant Kumar Bharti, Dr Santosh Rathod, Dr Shashank Bhargava, Dr Hari Pathave Shivram and Dr Rashmi Jindal did confirm their observership at UCSF, USA and Dr. Dincy Peter at Mackay Hospital, Taiwan. They could not proceed for the same in 2020 and may not get a slot this year as well. No new applications for IADVL International Dermatopathology observership will be called this year.

**IADVL Research Grants**

Seven projects with a total approved grant of Rs 30,12,403/- had been sanctioned in the IADVL Research Grant and 2 projects with a total approved grant of Rs 9,92,000/- had been sanctioned the IADVL Glowderma Research Grant

in 2020. After fulfilling all the requirements, the first installment of 7 of the 9 Research grant projects has been disbursed till date. During the period of reporting, money was also transferred to 1 project that received the IADVL research Grant 2018. The present status of the IADVL Research grants and IADVL Glowderma Research Grants has been updated and uploaded at [www.iadvl.org](http://www.iadvl.org).

### **IADVL- Research Grants 2021**

Twenty-nine applications were received for the IADVL research Grant 2021 and thirteen applications were received for the IADVL Glowderma Research Grant 2021. The members of the SIG Dermatology Clinical Research gave critical inputs for improvement of the proposals. The revised projects were resubmitted and sent to the Jury members for appraisal. The jury meeting was held on July 10, 2021 and 13 projects have been shortlisted. The applicants of the shortlisted projects will be communicated the Jury comments and the final approval of grant will be subject to satisfactory response to Jury comments.

*- Dr Santoshdev P Rathod and Dr Chander Grover; IADVL Research Grant Coordinators*

### **IADVL Scholarships**

#### **MIDDERMACON 2021 and DERMACON 2022**

REPORTS OF IADVL STANDING COMMITTEE

AWARDS REVIEW COMMITTEE

**Dr. DEEPAK PARIKH**  
Chairperson

**Dr. MANISH GAUTAM**  
Convener

IADVL has various prestigious awards to acknowledge the contribution of its members towards academics, science, service to the association and to the community. However, it was observed that there are no discrete criteria for selection of awardees for these awards, barring a few awards. Also, there was an overlap of eligibility criteria in the awards which had some specified criteria.

Therefore, IADVL Awards Review Committee was constituted with Dr Deepak Parikh as Chairman and Dr Manish Gautam as Convener. The members include Dr Iffat Hasan, Dr Krina Patel, Dr Narendra Kamath, Dr Manas Chatterjee and Dr Rajib Gogoi.

The tasks for the committee include:

- To streamline the existing selection criteria for various IADVL Awards and make it more objective by developing a scoring system
- To create criteria for certain awards where they are not existent or inadequate
- To frame guidelines for any new awards to be instituted in the future

The Committee had three virtual meetings to discuss the various aspects and unanimously finalised the various guidelines.

The same were sent to IADVL EC and further discussed at length with the EC members during the IADVL EC meeting.

The IADVL Awards Review Committee has submitted a proposal of the guidelines and recommendations to be discussed in the upcoming Central Council Meeting in August 2021. These recommendations will streamline and delineate the various criteria for these awards so that there is clarity for selection of awardees for these prestigious awards according to merit

Best Regards

Dr Deepak Parikh, Chairman. Dr Manish Gautam, Convener

CONSTITUTION COMMITTEE

Constitution Committee is assigned the task of updating and refining the IADVL Constitution as envisioned by Dr Jayadev Betkerur, President IADVL-2021 and approved in the Combined CC and AGBM, Commencing Year 2021.

In the process of accomplishing this task, members were requested to choose specific areas of interest to ensure efficiency and also to establish expertise. Topics in Constitution & SOP were divided based on the preferences of the members. Members of Constitution Committee and SOP Committee, worked in a buddy system, went through their respective topics, identified duplications as well as ambiguities and came up with suggestions for rectification of the flaws. The suggestions put forward by the members were discussed thoroughly. Drafts of updated portions were shared with the executive committee as and when completed. Finally, all portions were compiled and the draft of updated Constitution was submitted to the executive committee in the first week of July 2021. A color code has been used in this file which will make interpretation easy.

**Dr. VENKATARAM MYSORE**, Chairperson

**Dr. ANURADHA K.B**  
Convener

Following roadmap which is a suggestion to ensure smooth completion has been proposed to the executive committee. The final decision on precise dates is in the domain of the executive committee.

1. Draft of updated Constitution Submitted to EC, EC to discuss amongst members, any matters to be addressed to be informed by mid of July.
2. Such matters to be discussed in a zoom meeting with EC and Constitution Committee, SOP Committee also to be invited - in 3rd week of July
3. With further revisions if any, to post in CC group and invite comments within end of July.
4. Comments to be addressed by Constitution Committee in CCM.
5. With further revisions if any to be put in website / mailed to all members by mid of August and invite comments within end of August.
6. EGBM to be called within mid of October to address the comments.
7. After further revisions if any, to be sent by the end of October to an expert for drafting it in legal language wherever needed.
8. The final draft to be floated on website by end of December.
9. Ratify in closing year AGBM.

Meanwhile, Constitution committee also submitted the opinion on the proposals to be considered in the midyear central council meeting.

We thank the members of both Constitution & SOP Committees for their active participation.

Our sincere thanks to the President and Hon. Secretary General for all their support and encouragement.

**Our works**

- 1.Organized one (18<sup>th</sup> April,Post graduate curriculum in DERMATOLOGY-where we stand? ) and will have two more national CME planned in AUGUST AND OCTOBER 2021.
- 2.Held ¾ internal meetings online.
- 3.Prepare vision document of PG TASK FORCE to be submitted to CC this month. Vision document will contain suggestions for pandemic corrections so that in future and also third wave if any such eventuality occurs we are prepared to handle it from day 1. Also developing a skilled lab for PG s particularly important in pandemic set up.
3. Advocacy to NMC on UG Dermatology curriculum.
- 4.Preparing Question bank for MD(DVL) by September –october2021.
- 5.We also plan to take out a newsletter on behalf of TASK FORCE.
- 6.Develop uniformity in PG examination and teaching pattern.
- 7.The vision documents of STD,LEPROSY,and GENERAL DERMATOLOGY to be submitted to peer reviewed index journals .
- 8.Since TASK FORCES are for 2 years ,hope to carry on the work next year with long term goals. PG teaching and training is the core of every Speciality .There are so many issues and challenges related to PG education. Activities planned can notbe completed in 1 year time and hence PG Education TaskForce should be given 2 years time.This is essential to meaningfully conclude the activities planned.

We thank the IADVL EC and the President and Secretary for entrusting us with the responsibility.

**MEDIA CELL**

After the functioning and formation of IADVL MEDIA CELL, media cell is in action and has been actively involved in several activities.

**WORLD SKIN HEALTH DAY**

On **World Skin Health day**, a nation wise engagement of Dermatologist during World Skin Health Day, where in IADVL in association with ILDS and ISD observed World Skin Health day on 6<sup>th</sup> April. IADVL National Executive Committee, State Branches and Media cell committee and all the members organised various activities all over India as guided by IADVL.

IADVL in association with IADVL Media cell, planned for a week-long activity starting from 6<sup>th</sup> April to 13<sup>th</sup> April.

**HASHTAGS:**

As we know hashtags is a label used on social media sites and it makes easier to find information hence this was employed. Viral trend was observed on social media as the hashtags were run commonly by all the doctors during their social media activity.

The hashtags like #knowyourdoctor #skincare #daycare #dermatologist #worldskinhealthday #skinhealth #talktoyourdermatologist #iadvl #iadvlmediacell were used. Hence, we could reach the target audience and it help to filter information when it comes from the source across the country.

### **PRESS MEET**

**Press meet and Press release:** IADVL initiated awareness by talking about general skin health in 157 newspaper articles. Also involving digital media where around 50 articles were printed. The last CME has been planned for in January 9.

## QUIZ COMMITTEE

Dr. SOUMYA JAGADEESAN

Chairperson

Dr. ANUPAM DAS

Convener

The quiz committee is primarily responsible for the conduct of the IADVL-GSK National Quiz Program for post-graduates (IGNQPP), an integral and important activity conducted by IADVL for the post-graduates. The quizzing activity helps the post-graduates and other members too by igniting curiosity and interest in the various facets of the subject. This year, the committee was constituted after the DERMACON 2021.

The quiz master applications for state level IGNQPP were called for by the quiz committee with a deadline of April 15. Applications were filled online with Google forms, like last year. We received a total of 37 applications. The applications were scored objectively as per the evaluation checklist and criteria devised last year with significant weightage given to quizzing interest and experience. 2 were not considered as per the constitutional amendment (being an IGNQPP quiz master consecutively for the last 3 consecutive years). Due opportunity was given to freshers as well as experienced quiz masters. Those who were not shortlisted were asked to be on a waiting list, in case any of the selected quiz masters drop out and were also asked to be a part of other quiz committee activities, like the ACAD quiz. This helps to increase their quizzing experience for the coming years.

The following 18 quiz masters have been shortlisted for the state level IGNQPP.

Dr Ankan Gupta, Dr Ankita Srivastava, Dr Anup Kumar Tiwary, Dr Anuradha Priyadarshini, Dr Archana J. Lokhande, Dr Arpita Nibedita Rout, Dr Ashwini PK, Dr Gaurav dash, Dr Gauri Dinesh Mahabal, Dr Geeti Khullar, Dr Gopikrishnan Anjaneyan, Dr Kingshuk Chatterjee, Dr Kumudhini Subramanian, Dr Manoj Aggarwal, Dr Shashank Bhargava, Dr Shekhar Neema, Dr. Suman Patra, Dr Vinitha Varghese Panicker

Regarding the conduct of the quiz, a decision whether to link the state quizzes with the CUTICONS as physical quizzes or whether to hold them as independent online quizzes (as last year) will be taken in August as more clarity emerges regarding the CUTICONS, considering all aspects. The quiz committee has decided to renew the license of the online quizzing software, 'Flexiquiz' as a back-up. Though discussions were held with other online software vendors incorporating artificial intelligence proctoring (to minimise risk of cheating/ other unscrupulous practices), they were not found to be amenable to our quizzing format.

The IADVL quiz committee is also actively involved in other quizzing activities like the ACAD quiz. One quiz committee member and another quiz master applicant who was not shortlisted for IGNQPP together hold 2 quizzes on ACAD IADVL platform on the 1st and 3rd Sunday every month from July to January. Points are allotted to all correct entries, and the quickest ones get more points. A leaderboard is being maintained and points of the previous month are carried over.

#### The road map ahead for IGNQPP:

- Invitation letters and PG team registration forms will be sent to all HODs via the respective state secretaries and online forums/mailers.
- Registration form for the participating teams will be done with the help of Google forms for better maintenance of records.
- Decision regarding conduct of the quizzes (online or physical, with CUTICONS or independently) is planned to be taken in August and will be discussed in the CC meet.
- The license of the online quizzing software will be renewed in August.

### ACAD Google

ACAD Google Group is very innovative platform for sharing of abundant , enlightening knowledge by our members by keeping the sessions interactive, informative, and interesting with their zealous participation . Till date there are 1288 members in the ACAD group.

The most prestigious duty of ACAD Moderator 2021 was entrusted to me during e-DERMACON 2021 by Dr Jayadev Betkerur, President IADVL 2021 and Dr Feroz K, Hon Secretary General IADVL (Owner of ACAD group). It was honour and privilege to take over the baton of moderatorship in February 2021 from Dr Anuradha Kakkanatt Babu who had contributed to ACAD and made it lively with her innovative ideas like RAC (Regional ACAD Chronicles) and MAC (monthly ACAD cracker ) which were popular.

RAC was conducted state wise last year and many states have took part. This year, we continued RAC of remaining states of Chattisgarh, Haryana, Odisha, Manipur and Jammu & Kashmir from March to June 2021 with the active participation and support of state secretaries and presidents who had done wonderful job by presenting many interesting cases. Participation of all the eminent ACADians was excellent in imparting knowledge.

The scintillating, breathtaking ACAD Quiz 2021 activity is started during our tenure in the month of July 2021 with the help of committed and hardworking Quiz Committee 2021, under Dr Soumya Jagadeesan and Dr Anupam Das. Very enthusiastic and active participation is seen by all our ACADians. Shortly another interesting activity of "Diagnosis in 3 steps " is going to start to tickle the brain of all the ACADians. Looking forward for active participation

## IADVL WELFARE SCHEMES

IADVL is glad to introduce two welfare schemes for the benefit of IADVL members. The schemes are intended to foster goodwill among members and thereby make the association more popular and purposeful. The schemes are as below:

- BENEVOLENT FUND
- PERSONAL ACCIDENT RELIEF FUND

IADVL also has an on-going PROFESSIONAL INDEMNITY INSURANCE POLICY for financial protection against any medicolegal claims.

Each of the above is to help and benefit IADVL member during any personal crisis or tragedy. Both these funds are through internal accrual while Professional Indemnity is in association with National Insurance Company limited.

### IADVL BENEVOLENT FUND

IADVL Benevolent Fund is to extend solace and support to IADVL members who have undergone the misfortune of being afflicted by serious disability/ prolonged illness. The disability or ailment should be due to diseases or mishaps that are not self-inflicted. The intent of the fund is to provide emotional and financial assistance and a helping hand at a critical time. The objectives of this scheme will be to provide financial support to the deserving members in the case of invalidation or in the event of their suffering any injury or physical disability or unforeseen misfortunes like prolonged sickness leading to premature retirement. The support will be extended in the form of one-time payment to a maximum of Rupees 2 lakhs per member as per set guidelines.

Following is the list and definition of critical illness/disability eligible for grant of Benevolent Fund:

1. Stroke resulting in paralysis: Defined as a cerebrovascular accident or incident producing neurological sequelae of a permanent nature, having lasted not less than six months.
2. Chronic renal Failure: End stage kidney failure presenting as chronic irreversible failure of both kidneys to function, as a result of which regular renal dialysis is initiated or renal transplantation carried out.
3. Major Organ Transplant: The actual undergoing of a transplant as a recipient of one of the following human organs: (a) Kidney, (b) Lung(s), (c) Liver, (d) Heart, (e) Bone marrow
4. Blindness: The total, permanent and irrecoverable loss of the sight of both eyes.
5. Major Burns: Third degree burns covering more than fifty percent (50%) of the Life Assured's body surface area
6. Amputation of limb: Amputation of one or more limbs warranted due to conditions other than accidents.
7. Any other medical conditions deemed to result in a permanent or partial disability / COVID 19 infection requiring intensive unit care

### IADVL PERSONAL ACCIDENT RELIEF FUND

IADVL Personal Accident Relief Fund is to provide support to IADVL members who have undergone the misfortune of being a victim of an accident. The objectives of this scheme will be to provide financial assistance to the deserving members who meet with accident and get incapacitated temporarily or permanently or to the spouse/legal heir in case of death of a member in an accident. The support will be extended in the form of one-time payment to a maximum of Rupees 5 lakhs per member as mentioned below:

- (a) Accidental death – Rupees 5 lakhs
- (b) Loss of two limbs or two eyes or one limb and one eye/ Permanent total disablement – Rupees 5 lakhs
- (c) Loss of one limb or one eye/ Permanent partial disablement – Rupees 2.5 lakhs
- (d) Hospitalisation expenses (If none of the above claimed) – Rupees 1 lakh

### **MODE OF DISBURSEMENT OF BENEVOLENT FUND & PERSONAL ACCIDENT RELIEF FUND**

Aggrieved member can send the duly filled application form, with bills, hospital summary etc through their branch /City unit to State President/Secretary who shall forward to IADVL President / Hon. General Secretary. Upon receipt of the application an Expert Committee duly authorised by the IADVL Executive Committee headed by the President of IADVL shall evaluate and approve the same based on the merit of the case. The approved fund can be electronically transferred only in the name of the affected member whose PAN card is verified.

### **PROFESSIONAL INDEMNITY INSURANCE POLICY**

A specially tailored Professional Indemnity Insurance Policy with NATIONAL INSURANCE COMPANY LIMITED is available for all IADVL members, who can be enrolled directly to get certified policy. Many dermato-surgical procedures are covered under the policy. The annual premium is as low as Rs 885 for coverage upto Rs 25 lakhs. There are four slabs and members could choose based on their degree of exposure.

SN	Sum Insured in Rs Lakh	Premium In Rs	GST In Rs	Total Premium in Rs
1	25.00	750.00	135.00	885.00
2	50.00	1500.00	270.00	1770.00
3	75.00	2250.00	405.00	2655.00

### **MUTUAL BENEFIT SCHEME OF IADVL – THE DVL WELFARE TRUST**

**Introduction:** IADVL has launched a mutual benefit scheme coupled with professional legal protection in 2011 and named it DVL welfare trust. It is one of the important financial benefit scheme aimed at securing financial security for the family members of our association. The Executive committee of IADVL urges all its members to join this mutual benefit scheme to make it a successful initiative of IADVL. The details of this welfare scheme are as follows:

DERMATOLOGISTS VENEREOLOGISTS & LEPROLOGISTS WELFARE TRUST (DVL trust) has been established for the benefit of members of IADVL. The trust has been registered at Vadodara. DVL Welfare Trust is by IADVL, of IADVL and for IADVLites

#### ***Aims and objectives of the scheme:***

- 1) To provide financial assistance to the family of a member of this scheme in the event of his/her death.
- 2) To inculcate a habit of savings among the members for their mutual benefit.
- 3) An option to provide comprehensive indemnity cover in the event of litigant situations arising out of alleged professional negligence by the members.
- 4) To educate the members, including clinic staff, to prevent any litigant situation and to guide them, how to deal with it in the event of such a situation.

**Eligibility of the members:** Any life member of IADVL, irrespective of age is eligible to become a Regular Member of the scheme. Family members of Life members of IADVL can also join the scheme as Beneficiary Members. Please note that separate forms need to be filled for each member of a family.

#### **Total Amount Payable at the time of admission:**

1. Admission Fees (as per age –given below).
2. Annual Membership Fees Rs. 750. ( for the year 2020-2021 ) Increment of Rs.50/- every year.

3. Advance Fraternity Contribution (AFC) Rs.2000 (Rs Two thousand only) a minimum amount kept with DVL trust towards members future fraternity contributions.

**Optional amount to be payable at admission:** Member can deposit additional amount of his choice as deposit for future annual contribution. The 4% interest will be credited on deposit amount.

**Details of one time Admission fees:** The Admission Fees payable shall be based on age in years of the proposed member or their family member who likes to join the scheme, as follows:

a) Upto the age of 10 Years	Rs. 1,000
b) 11 of 20 Years	Rs. 1500
c) 21 of 30 Years	Rs. 2000
d) 31 of 40 Years	Rs. 3000
e) 41 of 50 Years	Rs. 4000
f) 51 of 60 Years	Rs. 5000
g) 61 of 70 Years	Rs. 7000
h) above 70 Years	Rs. 8000

**Optional Legal fees for professional indemnity** For life members of IADVL who volunteer to have professional legal cover, this option is available. However, they necessarily have to be members of DVL trust as well. Annual legal fee is based as per type of Dermatology practice: a) The Consultant with only office practice will have to pay Rs. 1000/- per year; (B) The consultant with practice of cosmetic, laser & other Dermato surgical procedures will have to pay Rs. 3000/- per year; to cover these procedural events or litigations. The indemnity coverage will be Rs. 7,00,000 (Rupees seven lakhs) per case and Rs. 15,00,000 (Rupees Fifteen lakhs only) aggregate per year. .

**Member’s annual contribution:** [a] Annual membership fee of Rs. 750/- (with increment of Rs. 50/- every year). and [b] Fraternity contribution Rs. 500 x N, where N = No. of Death of members) . **Plus, Optional** professional indemnity annual legal fees, to be paid by those members who opted for professional indemnity.

**Benefits for IADVL members of DVL trust:** 1) Social security to family members: Note: Financial benefits will start after ONE year of joining the scheme. Nominee will get Rs. 450 x N, where N = No. of members of DVL trust. In other words, when more IADVL members join this scheme, more fraternity benefit for members families. 2). Professional legal protection, when applicable, for those members opting for it: Legal help is extended in all types of cases like civil, criminal, labour & consumer redressal fora.

Please note that DVL trust welfare Scheme is new ongoing scheme initiated by IADVL for the benefit of its members. Periodic modifications and improvements in the scheme to make it more member friendly are expected to take place from time to time.

### REPORT ON PRESIDENTIAL PROJECTS

The IADVL AGBM had approved 2 presidential programs; The IADVL Community service project and the 3 books to be published.

The 2<sup>nd</sup> wave of the pandemic has brought many restrictions and change in the needs of community. Hence it was decided to make the approved IADVL Community Service project to IADVL Service for COVID19 pandemic. We are all aware of the havoc caused by COVID19 pandemic in India. Our health system is facing severe resource crunch. The manpower is overstretched, equipment are inadequate compared to cases. There is shortage of personal protection equipment for HCW. There are many more deficiencies. There is urgent need to do something to reduce the burden by providing some assistance from IADVL.

As Presidential project a Community service program by IADVL was approved for 2021 with budget of 30Lakhs. The central IADVL is willing to help the states, through this PRESIDENTIAL PROJECT, financially in any community program that each state wants to take up regarding our fight against COVID19. The IADVL EC has decided to part finance the state branches where the state branch is willing to participate by contributing from their branch and ready to procure and distribute required material. The assistance will be 30% of the total budget, limited to a maximum of 2L per state branch. The total amount sanctioned is 30L to be distributed among all state branches. A few state branches have submitted the proposals and already furnished the necessary details. The amount has been transferred to respective state branches.

Looking forward to your cooperation and active participation for the success of this program that will be a small service in these very difficult times.

The process of publishing 3 books is underway. The Editorial board has been selected. We had called for authorship for all the 3 books. There was an overwhelming response by our members. The editorial board is short listed the authors and topics. All the 3 books will be ready by their timeline and will be available for everyone.

Thank you
