PRESIDENT'S MESSAGE

Dr Rashmi Sarkar
LM/ND/1543

Dear Seniors, Friends and IADVL Members,

This is indeed a moment in my life which is very special and I had been waiting for it for several years—a dream which I was not sure would be realised. I take this opportunity to thank each one of you for placing your faith in me and electing me to the position of IADVL President 2022. The year 2020 was the tough beginning of the Covid pandemic, and honestly, I never thought I would not be able to run a physical campaign and meet each of you personally. It was the beginning of a huge change in our lives and I realised I had to reach you all by technology and establish a rapport online. It was no doubt daunting, superbly challenging yet interesting and innovative. We, in IADVL, should be thankful to our members for turning out 73.5 % e voting and creating history. Let us continue revisiting and creating history in our Golden Jubilee Year of IADVL—yes, our 50 glorious years of IADVL which is a celebration.

Kazuzo Okakura in the Book of Tea quotes “The art of life lies in constant readjustment to our surroundings”. Well, I have imagined my seniors sitting on the front rows and my friends in the middle rows, but I have to adapt and imagine you all there in my mind’s eye!

I had taken part in IADVL Cuticons in IADVL Punjab, Himachal and Chandigarh Chapter as a MD Dermatology student in PGI, Chandigarh and also the first Cuticon in Delhi Branch, where I was simply awestruck at the high level of academics and quality of lectures. I became a Life Member and decided to actively participate in academics whether free papers or award papers. The next important thing that inspired me were the IADVL News Bulletins and reading the AGBM proceedings and looking at the pictures. I loved to read what IADVL Leaders said during these Business meetings and hence started my attending GBMs in Dermacons and meeting several greats in the corridors. May be this is where I must have first heard Dr Ganesh Pai sir, say, “Yes, you must work as the IADVL Joint Secretary” or late Prof. A.K. Bajaj sir, “Why Joint Secretary, why not the Secretary”. These little exchanges were encouraging and prodded me on. Dily, I started my home work as Joint Secretary under learned IADVL President Dr CR Srinivas sir in 2012, and then under two of the hugely “doer” presidents, Dr Deepak Parikh sir (2014) and Dr Venkataram Mysore sir (2015) and I learnt a lot of administration during the 2 years, thanks to them and also from my home branch seniors, IADVL Delhi State Branch. So today, I am glad and extremely excited to stand before you as your 50th IADVL President in 2022 and most wonderfully, only the second woman President of IADVL in the first 50 years. I am happy to say our IADVL Committees this year will reflect a good proportion of men and women, young and seniors. I am grateful to IADVL for providing me the AAD Reciprocal Scholarship several years ago to give my first Annual AAD lecture and what I have learnt in order to serve you better is from serving in IADVL, AAD and Women’s Dermatologic Society committees and leadership.

My late father, Dr A.K. Sarkar, the Head of Biochemistry, PGI, Chandigarh and late mother, Mrs Chhobi Sarkar, a teacher and social worker, taught us to place service before self and I carry their legacy. Which brings me to the question, that as your President, what are the unique things I can bring for you? The last years have been unpredictable, dark and disturbing affecting education of UGs and PGs and also our daily practice with concerns for safety of staff, patients, yourself along with financial concerns and mental stress.

So these are my Presidential projects:

1. The IADVL Theme this year is “Fifty Years of IADVL—Building future leadership and International Collaborations”. We do need to work and invest hugely on future leaders of IADVL from our younger and middle level members. And focus on them having a feeling of ownership and to serve IADVL for next 50 years. I am happy to announce that we

would have our Bhavishya Derma or Signature Leadership Pipeline Program of IADVL for formally training on skillsets of leaders as well as lectures from international and national leaders of dermatology. For our Senior Members and Chairs and Conveners of Committees, we have, for the first time planned a Strategic Development Program which will revisit our Mission and Vision and Strategies for the future of IADVL. This is going to bring us pretty much on a Global level towards which IADVL is inching

2. **Guruderma** is a program, we began in 2014, but will now implement strongly. This is a one-of-a-kind mentorship programme, a presidential flagship project, which goes beyond just teaching. A unique exchange program between senior and junior dermatologists. Gurus are a part of our Indian culture and the 50th year is the best time to revisit this! This will be virtual, on a digital platform, with one time physical meeting with the mentor. The mentee, in turn also looks after the senior at conferences and other functions.
3. **Vishwa Derma or increasing our Global Collaborations** - We will collaborate with international leaders to play a role in our Leadership Pipeline Program and Mentorship Programs..I would like to focus on different dermatology societies and bring them in your midst nearer home on virtual mode.
4. **Which brings me to address what are a lot of IADVL Members facing, possibly burnout.** Which is due to : 1)Want of leadership skills: which we aim to address this year;2) Increased Workload: Here we need to bring in technology and also Training of Clinic Staff in collaboration with CSR activity with our Corporate partners;3) Stress: We plan to have programs addressing stress as a collaborative CSR Activity for our residents.
5. **Shiksha Derma:** Education has been IADVL's strongest focus and through Centre and State, let me bring three new avenues of learning: the 50 Golden Jubilee Podcasts, Pan Indian Workshops and Teaching Modules of Injectibles-Fillers and Botulinum Toxin; and modules on Biologicals.
6. Last but not the least, we will be celebrating Golden Jubilee Year of IADVL locally, nationally, internationally with
 - Special coffee table books on our rich history
 - Coffee Table Book: Dermo Kaleidoscope: our personal and professional inspirational stories
 - Also revive the IADVL Archival Project
 - Introduce an Undergraduate Quiz to create more buzz for our speciality
 - Celebrate a Golden Jubilee Scientific CME sometime Mid-Year with felicitation of the architects of IADVL and Golden Jubilee session in Mid Dermacon, Dermazones and also Dermacon International, Mumbai
 - Recognition of Member Volunteers in IADVL
7. Lastly, let us bring happiness back in our lives and explore the extra curricular activities of us, dermatologists. Let "Dermatalent Committee" focus on recognizing talents of IADVL Members in arts and also sports, pandemic willing.

Let us strive to bring back positivity in our lives and to combat the challenging Pandemic times with creativity, intelligence, innovations and humour. Let us remember with love and respect, all our IADVL members we have lost recently. I can also imagine my late parents sitting on the front row, looking at me proudly and silently blessing me. I would like to thank my department, my institute, my colleagues but most importantly my husband, Dr Srikanta Basu, and my son, Abhik Basu for their able support. Thanks to all my IADVL seniors and friends (there are several to name, but you know who you are) and large number of well wishers, I would like to say, "Let us create a future, generations of dermatologists can look back with pride."

As your President IADVL, I believe in the Ubuntu philosophy, "I stand for We."

Long live IADVL!

Dr Rashmi Sarkar

PRESIDENT'S ELECT MESSAGE

Dr Vijay Zawar
LM/M/942

Dear Members of IADVL,

At the outset, I would like to sincerely thank you for posing faith in me to make me successful in the recently held elections.

IADVL is doing an impressive work for the members at large. We are celebrating Golden Jubilee programs and I am happy to join the vibrant family of IADVL EC 2022.

I sincerely extend my best wishes to all.

Long live IADVL! Jai Ho!

Dr Vijay Zawar,
LM/M/942
President Elect

PAST PRESIDENT'S MESSAGE

Dr. Jayadev Betkerur
LM/KN/2009

After the 2nd and 3rd wave of pandemic we are well in to recovery. Many IADVL activities had to be suspended or were slowed down last year. Life seems to be almost normal now. There is sense of relief among all. We should look forward to have this feeling lasting for long.

The year has begun in a brisk phase. Many new projects are underway now. The fruits of them will be seen soon. Many more are in the pipeline.

It is also our responsibility to carry forward those projected left half done last year. The community project and member welfare services need to be strengthened. These have direct benefit to ordinary members.

It is our duty to help all those in need and sensitize our members to be active in IADVL programs. I am sure the enthusiastic team of young and old from the center and state will ensure that all our projects will go on smoothly and reach their logical end.

Looking forward for a wonderful year filled with action and cooperation.

Long live IADVL.

Dr JayadevBetkerur

Immediate past president IADVL

HON. SECRETARY-GENERAL SPEAKS

**Dr Dinesh Kumar
Devaraj**
LM/TN/5354

I thank all the members of IADVL for placing your trust in me and bestowing upon me the honour and privilege of serving IADVL as the Honorary Secretary-General for the term 2022-2024.

President Dr. Rashmi Sarkar and President-Elect Dr. Vijay Zavar are two dynamic and inspiring leaders and I look forward to working with them and our committed EC members. The presence of Dr. Savitha A S, Honorary Treasurer, would be an added advantage to ensure the smoother and more efficient functioning of the Association over the next 2 years of my term.

It is also my pleasure to work along with the State IADVL branches, Academy, SIGs, Coordinators, and Convenors of various Committees, and the very dedicated teams of all the Cells, Task Forces towards making IADVL stronger.

I wish to acknowledge the achievements of our outgoing EC whose steady and pragmatic leadership has helped our glorious association sail through the turbulent tides of COVID-19. I am especially grateful to Dr. Feroz K., from whom I have picked up the baton, for the monumental work done by him in the last 2 years as Secretary-General of IADVL and for facilitating a smooth transfer.

Our illustrious association is celebrating its Golden Jubilee this year, an important milestone of gloriously completing 50 years. It is a remarkable occasion that calls upon us all to appreciate and rejoice at the sublime deeds done by our predecessors in building the organisation to its present stature. It is also an occasion that calls for a celebration of the present and work towards inspiring the future. I am fortunate to serve this association in this milestone year and I hope we can continue the legacy of our predecessors and ensure that IADVL scales further heights.

IADVL EC has chalked out several initiatives and innovative programmes for this year, and to execute this, I invite the active participation and involvement of all members and sister societies.

Best regards,

Dr Dinesh Kumar Devaraj

LM/TN/5354

Honorary Secretary General, IADVL

HON. TREASURER'S NOTE

Dr. Savitha AS
LM/KN/5761

Dear all,

I begin by thanking our members for placing their trust in me and giving an opportunity to serve this association in the capacity of treasurer. I am proud to be the first woman to hold the post of Treasurer of this association, which has been envisioned and nurtured by doyens. My sincere thanks to my immediate predecessor, Dr Rakesh SV for all the meticulous work inspite of the limitations posed by the pandemic. My sincere thanks to Dr ShashiKumar B M, chairman of Central Scientific Committee and all the members of Central Finance Committee for all their guidance.

My initial task was to obtain approval of the proposed budget for this financial year, under the guidance of EC. This has been presented in this news letter. I shall try to work hard within my capacity and capabilities; and seek the guidance, co operation and support of EC, various Committees, Conference organisers and each one of you to accomplish all challenges.

Long Live IADVL

Dr. Savitha AS
LM/KN/5761

REPORT OF IDOJ

Dr. KA Seetharam
LM/AP/145

Indian Dermatology Online Journal has completed 12 years, published 12 volumes and 56 issues. IDOJ received 768 manuscripts during 2021, and published 182 articles with an acceptance of 23.6%. The IDOJ got indexed in Web of Science and Scopus this year, in addition to PubMed, DOAJ, Emerging sources citation index (ECSI) and Scimago Ranking.

Dr Sunil Dogra has worked as Editor-In-Chief for 6 years (2016-2021). Our gratitude to him for successfully taking the IDOJ through difficult times with harmony, compassion and precision. Dr KA Seetharam has taken over as Editor-In-Chief since February 2022. Dr Dipankar De has joined as new additional associate editor along with Dr K T Ashique, who is there with IDOJ since its inception. Dr Chander Grover has joined as Deputy Editor along with Dr Rahul Mahajan and Dr Vinay Keshavamurthy. We had a virtual core editorial team meeting on 26.2.2022 and discussed the present challenges and future plans.

The IDOJ current issue (March-April 2022) was published online on 3rd March 2022 and the print copies were already dispatched.

We received Rs 5,90,800/- as royalty towards reprints. We could procure 3 advertisements for the IDOJ covers (Rs 9,00,000/-) and we express our sincere gratitude for those, who provided the academic grants.

IDOJ has been shifted to new website the "Lippincott e-Journals platform (eJP)", which looks more elegant, customizable with the ability to publish multimedia content alongside journal articles. The online experience is more comfortable with a variety of personalization options, and responsive mobile views. The instructions to authors are updated at new website.

Kindly login at <https://journals.lww.com/idoj/pages/default.aspx> for the new look.

Conference Report e- Dermacon 2022, 50th Annual Conference of IADVL

The e - Dermacon 2022, Annual National Conference of IADVL organized by IADVL Rajasthan state branch and team Jaipur on 4-6th February 2022 on virtual platform. Initially it was planned to organize the conference on physical mode but due to the prevailing conditions of the Covid-19 it could be held virtually. A one day workshop was also conducted in virtual mode on 30th January 2022. As it was decided by organizing committee of Dermacon 2022 and national executives of IADVL that registration for conference and workshop was free.

The workshop was planned to cater the need of practicing Dermatologists and postgraduates. It had 4 dedicated halls 2 each for Dermato-surgery and aesthetic procedures. There were 11 dedicated sessions for Dermato-surgery and 6 sessions for aesthetic dermatology. In the Dermato-surgery workshop organisers tried to cover the most of surgical procedures like vitiligo surgeries, acne scar revision, nail surgeries, hair transplant surgeries etc. Similarly in aesthetic workshop organisers tried to cover the latest topics on various aesthetic procedures like mesotherapy, botox, fillers, MNRF for facial lifting and tightening etc. In the workshop 113 speakers participated to share their expertise and experiences on different procedures out of which 4 speakers were from out of India. The workshop had overwhelming response and was attended by 3763 delegates.

The main program of the conference was held from 4-6th February 2022. Team Dermacon had 6 dedicated halls for different scientific deliberations, IADVL's official proceedings etc. As the conference was the 50th conference of IADVL so it was decided that we would celebrate the golden Jubilee of IADVL. Hence the scientific program of the conference was based on theme of "From Baby Step to Giant leap". The scientific program was designed in such a manner to cover the topics of basic dermatology to most recent advances. Team Dermacon had scientific session on all the sub-specialities of dermatology and SIGs like Dermato-pathology, STD, Leprosy, Psoriasis, Vitiligo, Pemphigus, Pediatric Dermatology, Urticaria etc. Similarly it had overwhelming response and attended by 4333 delegates. In conference 187 speakers including 12 from out of India participated in the scientific program. Due to increasing numbers of young dermatologists and post graduates the organizing committee decided to have a separate

hall for all the three days for free paper presentation for young dermatologists and postgraduates. Team Dermacon received more than 1400 abstracts in different categories. It was very difficult for scientific committee to accommodate all the papers in various categories, after screening scientific committee kept 24 papers in award paper category, 90 in free paper and 946 in e posters category. During conference different orations were also delivered by eminent speakers. Various prestigious awards of IADVL were also given to eminent dermatologists for their contribution in various fields of speciality.

The inauguration ceremony of conference was held in evening of 4th February 2022 at hotel Clark's Amer, it was inaugurated by Hon'ble Vice Chancellor of Rajasthan University of Health Sciences Dr Sudhir Bhandari. The newly elected office bearers of IADVL also took over the charge during inaugural ceremony. The ceremony was graced by the presence of our beloved president Dr Jaydev Betkerur, President elect 2022 Dr Rashmi Sarkar and President Elect 2023 Dr Vijay Zavar. Dr Rashmi Sarkar took over the charge as President from Dr Jaydev Betkarur. Dr Dinesh Devraj and Dr Savitha A S also took the charge of Honorary Secretary General and Treasure from Dr Feeroj K and Dr Rakesh S V respectively. The inaugural ceremony was followed by traditional Rajasthani Dance and other cultural program. The inaugural and cultural program was made available online for all the registered delegates. Similarly we also had cultural program in the evening of 5th February 2022.

Looking to the demands from our industry partners we had a separate hall for industry sessions. In 3 days various topics and their recent advances were discussed in 60 sessions by 54 speakers. Finally the conference was ended by valedictory ceremony held in afternoon of 6th February 2022. During this ceremony many prizes were distributed by our respected president Dr Rashmi Sarkar. She also felicitated the members of organizing committee for smooth organization of the conference. The closing ceremony was ended with vote of thanks to all the delegates, industry partners, executives of IADVL and members of the organizing committee and handing over the baton virtually to Team Dermacon 2023.

He presented Receipts and payments account for the period from 1st April 2021 to December 15th 2021 which is unaudited report. opening balance 1/4/2021. Memberships were lower because no pg admissions this year. Closing balance 15.12 2021, fixed deposits of IADVL, IADVL account balances, Receivables, payables as on jan 31st 2022 and then presented the issues which hindered submission of the audited reports of IADVL FY 19-20 and IT demand FY 19-20 and the action taken. EC also concurred with CFC to withhold the state share transfer of conference surplus amount till this(IT demand issue) matter is resolvedDr PradhyumnaVaidhya , tried to clarify that they have submitted all their reports without delay. Discussion went on as Dr Deepak Mathur said to fix an amount, get it from organisers within one month for which Dr Rakesh replied it was done by Dr Ramesh bhat which is a constitution policy. Dr Vikas Shanker clarified that they have done on time but GST was taking lot of time. Dr Dinesh Mathur asked to use state PAN card instead of central PAN card which was supported by Dr Vineet Relhan.

Finally JaydevBetkerursaid the question in front of GB is to with-hold the state share transfer of conference surplus amount till this(IT demand issue) matter is resolved. . Dr Vardhan (Maharashtra)said funds should not be withheld and central IADVL has to bear the amount. DrJayadev Betkerur president said that EC recommends to withhold till the issue is resolved say 3 months from today.Dr Narender Patwardhan said please don't keep it pending for 3 months as they have already submitted the accounts. Dr Rashmi Sarkar said CFC has already given the opinion to hold and EC opined to hold , did not say ,not to give so the EC is

gracious to with hold now and do it later.

Dr Patwardhan, Dr Pradhyumna Vaidya put forward that they have submitted their report on time.

Dr Rakesh SV signed off as treasurer by thanking the EC 2020 -21 and by saying it was challenging but could sail through ,though the storm is not over and suggested to have full fledged account department for IADVL as turnover is high. IADVL EC 2021 led by Dr JayadevBetkerur , Dr Feroz and Dr Rakesh S V.

Dr Rashmi Sarkar said it is not very easy in 2 year of pandemic, it is very different thing by meeting people face to face and discuss it and doing things behind the scenes yet everything remains the same practically like finances taxes etc. thank you and continue the good work

d) IADVL SOP Committee -Dr Shyamanta Barua/Dr David Pudukadan

e) IADVL Awards Committee – Dr Deepak Parikh / Dr Manish Gautam

Dr Manish Gautam

Thanked the EC for the opportunity and thanked the committee and presented the report for ratification in GBM.

g) CPS committee – Dr Sanjeev Vaishampayan / Dr Abhishek Jha

Dr Sanjeev Vaishampayan thanked EC and presented his report and the recommendations on CPS. Dr Subhodhsirur said he had added two points which was not reflecting in the recommendations, they are first one the DDV course in Maharashtra has been approved by state medical council so they are allowed to practice because of the approval of MMC and hence we should not deprive them from life membership of IADVL and second point is that legal opinion has to be taken. Dr Sanjeev Vaishampayan said it has been put up to legal opinion but waiting for reply. Dr Mukaddam agreed to Dr Subodh sirur. Dr Narender Patwardhan said DDV course is done in 4 terms under qualified IADVL recognised dermatologists ,so they should be given life membership and this should be put up in AGBM. Dr Sanjeev Vaishampayanreplied present members can continue as members as they are and these are applicable to only new members but Dr Narender Patwardhan said even new DDV people should be considered. Dr Subodh sirursaid as per recommendations the legal opinion has to be taken before putting up in AGBM. Dr feroz said legal opinion was taken in very beginning of proposal but not taken now which stated that If GBM agrees it can be given but legal opinion is not taken after the recommendations. JayadevBetkerur answered to various queries that those states where CPS is not allowed , the state presidents and secretaries are not recommending for giving LM and so central IADVL

cannot do anything.. Dr Bhushan asked at least give to Maharashtra states at least and Dr JayadevBetkerur answered that it is been given. Dr Feroz answered the conversions (PLM to LM) of Maharashtra were kept on hold till these recommendations, but no new people were held back till now except for 3-5 new applications which were received in a day or two before. Dr Aseem Sharma agreed to it.

Dr Jayadev Betkerur said till the legal opinion of the recommendations are given all those members in whose states CPS is recognised will be given LM and in those states where it is not recognised and they don't recommend to us will not be able to override the state recommendations.

Dr Bhushan asked if state medical council recognises the degree then state branch should be giving LM.

Dr Rashmi Mahajan says that if CPS is recognised by state medical council ,they should be given ALM until it is recognised by NMC.

Finally Dr JayadevBetkerur said where CPS is recognised and state recommends it they will be given LM and if a member is affected then they should get the directives from state medical council to state branch for recommendation to center IADVL, as of now they are given ALM that is without voting rights till the legal opinion is sought.

f) Academy Task force – Dr Ramesh Bhat / Dr Seetharam KA

Dr Seetharam KA presented the report on task given, what has been done, issues identified, on constitution and made recommendations like academy structure which he said is fine, selection process, chairperson and convenor should be past academy member is the change, others are same, members should not hold concurrent posts in state or central level, new president elect should be in the loop and that should be included in SOP, academy responsibilities almost same, few were deleted, parallel responsibilities, research grants- no partial grants, activities to be continued, digital platform, role in conferences and accounts will be continued with convenor, SIG's, selection criteria, SIG responsibilities same, state academy, and academy SOP's. He thanked IADVL EC and the task force members.

Approved

Proposed : Dr Indraney

Seconded : Dr Venkatachalam

PROPOSALS ;

1. REVAMPING DVL WELFARE TRUST

Name of proposer/s:

Proposers :Dr Shashi Kumar B M(LM/KN/5241), Dr RajibGogoi (LM/NE/4272), Dr Rakesh SV (LM/K/4116), Dr D Dinesh Kumar(LM/TN/5354),Dr Savitha Somaiah (LM/KN/5761), Dr Jagadish P (LM/KN/4913

EC Opinion: DVL WT should be reorganised again to increase the interest of the members. A roadmap can be made however the immediate Past President can take it up only if he is interested and not be by default or interest in another major committee .If not desirous, it can be moved to another past EC member.

CFC Opinion: CFC agrees with the Proposal
Constitution Committee opinion: We find that proposal is SOP related

SOP Committee: The proposal can be chaired during Dermacon 2022 without modifications.

Dr Chetan Patel said Liason committee is good move, all members should be members of DVL WT also and asked for more representatives from each zone but DR jayadevBetkerur clarified to make it with few members and EC will recommend.

Dr venkataram Mysore said DVL has their own general body so it should be passed in their GB and Dr Feroz replied that it was held .

Dr jayadev Betkerur agreed to have extraordinary general body meeting of DVL WT members as soon as possible and get it passed , then put up to IADVL EC . He said the EC will form the committee and by

February end it should be working .

Passed with modifications

Proposed : Dr Biju Vasudevan

Seconded : Dr Nirmala devi

Dr Shashikumar said it has to be clubbed with earlier DVL WT proposal for which Dr Jayadev Betkerur answered liason committee with the EC has to be formed and and the committee will make all recommendations with the necessary changes.

3. PRESIDENTIAL PROPOSALS

Nameof proposer/s-6(1+5) members(LMnos):

Dr Rashmi Sarkar(LM/ND/1543), Dr.Jayadev Betkerur (LM/KN/2009), Dr Vijay Zavar(LM/M/942), Dr Dinesh Kumar D, (LM/TN/5354), Dr Savitha A S (LM/KN/5761), Dr Neeraj Pandey(LM/UP & UK/4926),Dr Vineet Relhan(LM/ND/3780)

EC Opinion: All the Presidential projects do seem to be much needed and have a long term vision and seems to be on the interest of the members. No financial implications by IADVL. Same as other research grants will be followed. It is for PG's and dermatologists below 35 yrs.

IADVL Academy Opinion: •Nice suggestion that aims at promoting research. •As of now IADVL is funding postgraduates by providing a thesis grant on varied topics with the guide in the loop. As postgraduates are PLM-the presence of LM as a communication source ensures that the outcome of the grant given could be traced as all PLMs may not register as LMs. •The grant is transferred to the account of the postgraduate with notification to the guide. Clarification may be incorporated on who all, in addition to the postgraduate, gets involved in these projects. For research grants otherwise, the money is generally transferred to the research grant account of college/ institute. •Whether the college/ institution ethics committee will allow the postgraduate to be a Principal Investigator in an extramurally funded project also needs to be considered. Recently, MOAs have also been requested will the Postgraduate be in a position to sign? Who will be guarantor? • For young dermatologists, whether the grant money can be transferred directly to one's personal account also needs to be considered.

CFC Opinion: As CFC suggests that the presidential projects with significant financial implication, if any , on IADVL, should be budgeted while presenting for AGBM.

Constitution Committee opinion: We find that

proposal is administrative.

Dr Rashmi Sarkar said these are presidential projects for golden jubilee celebrations with no financial implications most of them don't need money, its for benefit of youngsters and senior members, so she requested to consider and pass these proposals.

INITIATING A NATIONAL QUIZ PROGRAM FOR UNDERGRADUATES

Name of proposer/s:

Proposers: **Dr Anupam Das** (LM/WB/7595), **Dr Rashmi Sarkar** (LM/ND/1543), **Dr Vijay Zawar** (LM/M/942), **Dr D Dinesh Kumar** (LM/TN/5354), **Dr Savitha Somaiah** (LM/KN/5761), **Dr Soumya Jagadeeshan** (LM/K/6195)

EC Opinion: Good initiative, Test runs have been discussed and is thoroughly discussed with Chairperson UG Quiz Committee in other branch to learn the way to do it, which will remain simple and Coordinating Task Force will be within the members of the Committee. The Flexiboard is in our possession also this year and our pilot run is ready.

IADVL Academy opinion: •Very important suggestion to promote interest in dermatology as a speciality amongst the undergraduates. • Specific amendments may be required on whether someone who is not already a certified dermatologist or dermatology postgraduate can attend a DERMACON. The modality needs to be clarified.

CFC Opinion: The Present MOU with GSK in the current platform commits on quiz program only on the Postgraduates and not undergraduates. The proposal has not mentioned the finances which might ensue with the proposed program. CFC recommends resubmission of the proposal with financial details.

Quiz committee opinion: The quiz committee favours the UG quiz proposal and opines that this is a welcome step. Considering the scope and the number of teams that may be involved, the committee feels that the eligibility criteria for the participants of the quiz should be crafted with care. A suggestion from the committee is that the HOD could be asked to nominate a team per college. This would make things easier and more practical. Also, the structure needs to be chalked out in detail in the coming days as it will have practical/ economic implications. Overall, the quiz committee feels this would be a good addition and would stimulate interest for the specialty among the undergraduates and would give IADVL a platform

to engage with them

Constitution Committee opinion: We find that proposal is SOP related .

Dr Biju Vasudevan said it is very good step and need of the hour

Dr Rashmi Sarkar said it was discussed thoroughly and the undergraduates participating in the quiz can be allowed as guests for that particular programme, regarding finances the money will be raised and GSK is giving very ransom support for undergraduates also and requested to pass.

Rahul LM/K/5309, Dr. Prashant Palwade LM/M/3518

EC Opinion: It is an Imperative and the need of the hour and will help in making dermatologist owned Skin Clinic stand out from the rest and ultimately fight quackery . IADVL will be only facilitating but financial burden will be on the applicant .

CFC Opinion: As there is no financial Implications for IADVL, CFC reserves its opinion.

Constitution Committee opinion: We find that proposal is administrative.

Practice Management Cell Opinion: It will surely enable the dermatologists to improve the standards of their practice. Our wholehearted support for going ahead with the proposal.

Dr Rashmi Sarkar explained the proposal, told very futuristic without financial implications which will benefit our members where 80% of them are in private practice. She said she discussed already with dr Atul Kochar CEO.

Dr Chavan asked about the benefits for which DR Rashmi Sarkar explained about getting accreditation

to the clinics which is new , gets certification with the logo and also fights against quackery.

Dr Venkatarammysore said it's a great idea and suggested it should be done with agency hired by IADVL

Dr CR Srinivas said it may involve lot of paper work and wanted to see the recommendations to know whether all seniors will be able to meet the requirements.

Dr Rashmi Sarkar said it is voluntary which will help the new people who are starting clinics and also the elder specialists who already have clinics.

Dr Venkatarammysore said multiple levels has to be planned with minimum requirements in lower level and should be simple. Dr Dinesh Devraj said multiple level accreditation has been planned and all the concerns will be addressed.

2. INDIAN JOURNAL OF PG DERMATOLOGY

Name of proposer/s: Yogesh Marfatia LM/G/419, Rashmi Sarkar LM/ND/1543, Kiran Godse LM/M/701, JayadevBetkerur LM/KN/2009, Dineshkumar D LM/TN/5354, Vijay Zawar LM/M/942

EC Opinion: This is a welcome idea as there is a sprouting of journals anyway. A genuine concern and need from the member point of view. There can be 2 online issues a year to start with. The finances can be definitely tried through a sponsor, as the burgeoning expenses of the existing journals and its toll on IADVL needs to be considered. 3 A PG Supplement for both the journals for 6 months a year dedicated to Original Research articles only by Post graduates / senior residents can be thought of rather than endeavoring on a new journal which might carry less weightage it than IADVL / IDOJ Moreover, a new journal might take years before it gets indexed Likewise All big state branches can bring out Journals and the PG's / young Dermatologists from respective zones can contribute to the State IADVL Journals in that zone; The centre IADVL can allocate a nominal contribution to such states (like community Project) .

CFC Opinion: • Both the existing journals are finding it difficult to generate sufficient revenue. • The proposal does not include the financial aspects of the proposed journal. It may be repropose including the financial aspects. • CFC's opinion may be sought thereafter only.

Constitution Committee opinion: We find that proposal is administrative.

Dr Venkataram Mysore asked Dr Yogesh marfatia

whether the journal is for only PG,s for which Dr JayadevBetkerur replied after it is passed the title of the journal can be modified and everybody can publish in it and next 2 yrs pharma companies have agreed to finance Dr C R Srinivas said 3rd journal is good idea provided the financial aspect is taken care of he will support. In principal it can be passed. Dr Ashokan asked will the authors will be only from india and Dr jayadevBetkerur replied now the approval has to be to start the journal and rules and regulations will be formed in specified time.

Dr Yogesh Marfatia said he took estimates from publishers and first 2 years finances are managed by Galderma and shared the details of the same.

Dr jayadevBetkerur said in principle we agree to this and told Dr Yogesh Marfatia to form all the rules and regulations as suggested ,by this month end and send it to EC for approval

14. Discussion on Proposals: There were a total of 3 proposals.

1. BEST CITY BRANCH

Name of proposer/s: Dr D Dinesh Kumar D, LM/TN/5354, Seconded by: Dr Rashmi Sarkar, LM/ND/1543, Dr. Jaya dev Betkerur (LM/KN/2009), Dr Vijay Zavar, LM/M/942, Dr Savitha A S, LM/KN/5761, Dr Neeraj Pandey, LM/UP

& UK/4926, Dr Rajya laxmi Konathan, LM/TS/3087, Dr Vineet Relhan, LM/ND/3780

Is any one of the proposer members of CC? Yes

Is it related to administrative/policy/constitutional (select one) OR I/we are not able to classify and accept EC's view. Administrative

How will it help IADVL? Brief introduction.

IADVL has State branches which are further constituted of several City Chapters. Many City Chapters are very active and carry out the activities of IADVL regularly and also do lot of community activities. State branches are recognised for their work during DERMACONS. An award for Best City Chapter for each zone during the Golden Jubilee celebrations will be appreciated by the members. This will also motivate other city chapters to conduct more activities and create a buzz. These are interesting activities and generate excitement for IADVL Members. It will be routed by the State Branch. If constitutional – will it replace existing clause? Or modify? Give detail of the clause – page no. and clause no. No

Proposal:

IADVL to provide Best City Chapter Award to one City Chapter in each zone. This will be only Application based and voluntary. Applications have to come from the City Chapter Secretary with the State Secretary in copy. Any number of applications can be received from a State and will be at the State's discretion. The chapters will be adjudged based on the active participation in IADVL events, namely days as well as community activities, Public awareness programs, member outreach programs and any innovative activity for the Golden Jubilee celebrations of IADVL. This will be a one time activity for the Golden Jubilee Celebrations 2022 year only, unless members would like to carry it further.

There will be only a certificate and plaque, so hardly any financial implication on IADVL.

It makes things more participatory at local levels and creates a buzz specially after the pandemic. It will be branched by the Best Branch Jury and 3 co-opted members.

The proforma for application and evaluation is attached below.

EC Opinion:

This has been suggested only for the Golden Jubilee Year. The states can decide and forward but the Centre will set the ball rolling and announcement of each winning City Branch, each of the four zones, will be made to make the year more celebratory.

Any number of cities in a given state can apply through the state. State IADVL will not be bypassed. One city from each zone will be chosen based on the criteria which will be circulated to all. This is to ensure better participation of local units in the Golden Jubilee. To be discussed with State President and Secretaries.

Constitution Committee opinion:

Best city branch award deals with an administrative matter as it is mentioned that it will be a one-time activity for the Golden Jubilee Celebrations 2022 year only, unless members would like to carry it further. However, if it is to be done on a long-term basis the constitution committee suggests that in the spirit of the constitution this proposal may be discussed with state branches before implementation as the cities come under the states.

Awards Committee opinion:

There is a possibility of overstepping on state branch privileges. However, it may be allowed, as it is meant for ON E time only.

Following points need clarification:

- 1- Proposal mention sat "statediscretion?" What exactly is the role of state branch?
- 2- A reall the city branches run under aegis of IADVL? Many of the mstar tedy ears back might be running independently.
- 3- Larger cities and metros may be able to conduct more activity and approachable to larger community as compare to smaller cities, for both academic activities and community program
- 4- Clearly define zones?
- 5- What does "co-opted member" mean? And who will appoint them?

Applications have to come from the City Chapter Secretary with the State Secretary in copy. Any number of applications can be received from a State and will be at the State's discretion. The chapters will be adjudged based on the active participation in IADVL events, namely days as well as community activities, Public awareness programs, member outreach programs and any innovative activity for the Golden Jubilee celebrations of IADVL. This will be a one time activity for the Golden Jubilee Celebrations 2022 year only, unless members would like to carry it further. There will be only a certificate and plaque. It makes things more participatory at local levels and creates a buzz specially after the pandemic. It will be branched by the Best Branch Jury and 3 co-opted members.

The house agreed to it. Proposer: Dr. AJS Pravin, Seconder : Dr. Rajesh Buddhadev

Is any one of the proposer members of CC? Yes.

Is it related to administrative/policy/constitutional (select one) OR I/we are not able to classify and accept EC's view. Administrative.

How will it help IADVL? Brief introduction.

Members make up for the strength of IADVL. Involvement of members in the golden Jubilee celebrations of IADVL brings them much closer to IADVL. Appreciation of members' contribution to

IADVL is a gesture that would motivate the members to associate more with IADVL. This is done in quite a few international associations. This is to create excitement and bring about more member participation in the Golden Jubilee Year of IADVL. Very often as EC members of the IADVL, we have found several fresh faces providing unexpected help and a small badge energises more members to volunteer for our IADVL programs.

If constitutional-will it replace existing clause? Or modify? Give detail of the clause –

page no. and clause no. Not Constitutional, it is one time.

Proposal:

IADVL to provide Volunteer Appreciation Certificate and Badges for 2022 to IADVL members (for 50 years of IADVL) who have volunteered in the IADVL Golden Jubilee year by doing something different or providing help to a Committee. The member could be a Committee Member or may have just volunteered without being a committee member. This will help in our Pan Indian social causes which are very much needed of, but not confined to anti-quackery, steroid abuse, media cell activities or Yuva Cell or Resident Committee Activities. These will cover all ages and pertains more to a member who is not a Committee Chair or a Convener. It will be judged by the three Presidents, Secretary and three past EC members.

1. **LM no:**
2. **Volunteered in which activity:** ITATSA/ITAQ/ Media/Practice Management /Yuva/ Residents Committee programs/Community Dermatology/ Innovative Ideas for IADVL/Coffee table books for IADVL Golden Jubilee Celebration/IADVL NABH Certification Program Helper/Specify any other:
3. **Describe the work done and hours spent:**
4. **Was it a one time/multiple times work for IADVL in 2022:**

(If any photograph of work done can be provided, it will help) Marks: 50 marks

Do you think this needs referral to any specific committee? No.

This is a one-time activity with no financial implications to IADVL. It is more about a feel-good factor, involvement and inclusivity of IADVL Members in the Golden Jubilee Year of IADVL.

ECOpinion: An appreciation without much financial implications as for those members who have volunteered for the Golden Jubilee celebrations is a well come move, if the rear enologistic issues

Constitution Committee opinion: We find that proposal is administrative.

VOLUNTEER APPRECIATION BADGES AND CERTIFICATES 2022: This is also a one time event with respect to the GBY. It will have the IADVL Golden Jubilee logo. A minimum of 50 such have been earmarked. IADVL to provide Volunteer Appreciation Certificate and Badges for 2022 to IADVL members (for 50 years of IADVL) who have volunteered in the IADVL Golden Jubilee year by doing something different or providing help to a Committee .

Is any one of the proposers a member of CC? Yes

How will it help IADVL? Brief introduction.

IJDVL is the prestigious official journal of IADVL. The paucity of funds would cast an adverse impact on the smooth functioning of the journal. This will consequently hamper one of the aims and objectives of IADVL, which is to publish and circulate this official journal as established in the constitution.

If constitutional – will it replace existing clause? Or modify? - Not Applicable

Proposal:

IJDVL is the prestigious official journal of IADVL. The paucity of funds would cast an adverse impact on the smooth functioning of the journal. This will consequently hamper one of the aims and objectives of IADVL, which is to publish and circulate this official journal as established in the constitution.

Background:

- IADVL has funds on account of IJDVL in the finance summary of the association as deposits
- Only simple interest earned is transferred into IJDVL account despite the constitutional mandate of transfer of 15% of total savings accrued from DERMACON and IJDVL share of the membership fees
- The major expense incurred is payment to the publisher as per a contractual agreement of which IADVL President is a signatory
- The accounts of IJDVL are audited by the same auditor as IADVL and monthly reports are furnished regularly for verification

Proposal:

- An interest at the rate of at least 7% per annum of the fund hit her to available in IADVL account on behalf of IJDVL to be transferred into IJDVL account quarterly
- IJDVL share of the membership fees to be transferred into IJDVL account quarterly
- 15% of total savings accrued from DERMACON to be transferred into IJDVL account immediately on receipt of DERMACON funds

Benefits:

- Fund limitation for actual working will be eased
- Ensure better quality output which will enhance value proposition of the very purpose of IADVL
- Better utilization of unused funds.

Does this proposal need referral? Yes, to the Central Finance Committee

EC Opinion:

It was President's suggestion to IJDVL to propose a fixed percentage as interest as the rate keeps falling. As in last year 5.5% may be considered (instead of existing 4.6%) , after deducting the income tax. Demand for 7% interest is unjustified in present scenario.

CFC Opinion:

- The IJDVL fund accumulated till 31.03.2022 can continue to be held by IADVL as earlier.
- Seven percent interest is not possible at these

difficult times of COVID. The early interest rate offered by IADVL needs revision. This revision should be done at regular interval in sync with market rates.

- IJDVL's share of fresh fund generated from New membership fees and DERMACON surplus can be transferred to its bank account as per the modality proposed w.e.f. next FY. However, the income tax liability on IADVL for this revenue earned amounting to 30% of the fund should be deducted from the total payable to IJDVL. The Membership share may be transferred along with the state share of memberships.

Constitution Committee opinion: We find that proposal is administrative.

An interest at the rate of at least 7% per annum of the fund hitherto available in IADVL account on behalf of IJDVL to be transferred into IJDVL account quarterly • IJDVL share of the membership fees to be transferred into IJDVL account quarterly • 15% of total savings accrued from DERMACON to be transferred into IJDVL account immediately on receipt of DERMACON funds. CFC Opinion: • The IJDVL fund accumulated till 31.03.2022 can continue to be held by IADVL as earlier. • Seven percent interest is not possible at these difficult times of COVID. The yearly interest rate offered by IADVL needs revision. This revision should be done at regular interval in sync with market rates. • IJDVL's share of fresh fund generated from New membership fees and DERMACON surplus can be transferred to its bank account as per the modality proposed w.e.f. next FY. However, the income tax liability on IADVL for this revenue earned amounting to 30% of the fund should be deducted from the total payable to IJDVL. The Membership share may be transferred along with the state share of memberships.

The issue was discussed and debated in the house and the following was agreed upon:

- Interest rates to be kept at 4.8%, the current market rate
- IJDVL share of the membership fees to be transferred half yearly
- Savings from DERMACON will be transferred after deducting 30% interest

(a) IJDVL PROPOSAL :

An interest at the rate of at least 7% per annum of the fund hitherto available in IADVL account on behalf of IJDVL to be transferred into IJDVL account quarterly • IJDVL share of the membership fees to be transferred into IJDVL account quarterly • 15% of total savings

- Interest rates to be kept at 4.8%, the current market rate
- IJDVL share of the membership fees to be transferred half yearly
- Savings from DERMACON will be transferred after deducting 30% interest

Suggestions from the House:

- Dr. P. Narshima Rao felt that its time IJDVL make a budget proposal in the lines of Academy or IDOJ and take its due. Dr.Sashikumar also reiterated saying that yearly budget allocation can be done instead of debating and struggling with issues like interest rates. Dr.Venketaram also voiced the same. The issue is time and again debated and a concrete solution like yearly budget proposal and allocation is needed.
- Dr. Suresh Joshipura felt that journal advertisement money is coming down and hence this issue.
- Dr. Rashmi Sarkar felt that Editor IJDVL should work on ways to generate advertisements and gather funds

The above was proposed by Dr. Sheetal Poojary and Seconded by Dr.Feroz K.

The above was proposed by Dr. Sheetal Poojary and Seconded by Dr. Feroz K.

- (b) **RECOMMENDATION OF AWARD COMMITTEE:** Dr. Dinesh Kumar D informed the house that this was extensively discussed in closing GBM on 2021 and the EC has decided to sent it back to the awards committee seeking clarifications and then can be put up in the CC meet and GBM. This was agreed by the house.

Dr. Savitha raised an issue for the opinion of the house regarding the Constitution stating that the treasurer will open an account in their local place to run the monthly expences and such an account is to be a nationalized bank. But procedures in SBI require a lot of documents and also more number of visits to the bank . This process will take 2-3 months and hence she seeks approval to open account in HDFC bank to lighten the burden on the treasurer as they have things to look into and also to speeden the process. Dr. JayadevBetkerur said that this should have come as a GBM proposal as it requires constitution ratification. CC opinion was also not taken. Dr. Dinesh explained that this is just to ease the burden and subsequently will be brought as a proposal but for the time being can they go ahead. To this the house agreed. This was proposed by Dr. Chetan Patel and Seconded by Dr. Feroz K.

15. Discussion of roadmap of various commiitees:

- **ACADEMY ROADMAP** : Proposer: Dr. Sandeep Lal, Seconder: Dr. Feroz K
- **ACADEMY RESEARCH GRANT** : 50 L research grant from IADVL and 10 L from Glowderma Dr. JayadevBetkerur mentioned that 20 L was given to ILC of which 15 L was returned and 5 L is still with them and this can be used in scholarships . So from the proposed grant money of 50 L , 5L can be deducted and a new proposal framed. This was proposed by Dr. C R Srinivas and Seconded by Dr. N. Asokan
- **PG Cons (North , South , East , West):** The venues were originally fixed in pre COVID TIMES and the members have to be contacted whether they are

interested in holding it in the current year.

- **OBSERVERSHIP** in 2023 is kept at 15 (for > 35 years members) and 15 (for < 35 years members) . This was proposed by Dr. K E Mukadam and Seconded by Dr. Nitin Vora.
- **ACADEMY BUDGET** of 1, 64, 85, 000 was passed. Proposed by Dr. C R Srinivas and seconded by Dr. Seetharam.
- **PUBLICATIONS** : Porposer : Suresh Joshipura and Proposer : P. Narshima Rao
- **IADVL DERM PODCASTs** for **GOLDEN JUBILEE YEAR** from various committees . these will be 15 minutes podcasts that can be heard on the go.
- **AESTHETICS FOR THE YOUNG** : will include training on Botox and Fillers for the young and enthusiast . Dr Kiran Godse asked whther PRP and HAIR TRANSPLANT can be taking up also. To this Dr. Rashmi Sarkar said that PRP can be included and thanked for the suggestion.

16. Golden Jubilee Year Programmes:

- (a) **Community Dermatology Day** : To be permanently added to the IADVL Calender of events and a week can be allocated for this for the sake of convenience as said by Dr. JayadevBetkerur. On this day maximum number of patients will be seen in free skin health camps held at community level as explained by Dr. Rashmi Sarkar. The house agreed to 26th August, the birthday of Mother Teresa to be that day and the community services can be carried in the week of that particular day. Dr. Rashmi Sarkar also stated that such a day can also include matters of social concern like skin colour as " My Skin Tone My own " Day or may include a visit to a senior dermatologist who has rendered services to the community and felicitate them on that day.

This was proposed by Dr. Kiran Godse and Seconded by Dr. Sandeep Lal.

Dr. JayadevBetkerur raised the issue to send an advisory from IADVL to its members against houses like PRACTO like the advisories issued by other specialities.

- (b) **Golden Jubilee Year Celebrations:** Tentatively on the 21st of August after the mid year CC meet on 19th and 20th August. It will be a full day programme with Scientific CME and Felicitation. A window of 2-4 weeks is to be kept before fixing a final date.

This was proposed by DR. Kiran Godse and

Seconded by Dr.Aseem Sharma

17. Discussion on any other matter:

- SEARCH COMMITTEE FOR REVISION OF IADVL TEXTBOOK :compare of 5 member team of 3 past presidents and 2 past editors and will include the following:
Dr. S Sachidanand
Dr. Kiran Godse
Dr. Suresh Joshipura
Dr. Uday Khopkar
Dr. Sunil Dogra
Dr. Rashmi Sarkar also said that Publishers also have to be looked for as the 5 years contact with Bhalani Publisher has finished.
- Dr. C R srinivas informed the house that Ethical Clearance for Research projects have very

stringent and difficult to meet criteria and asked whether IADVL can frame some rules for Ethical clearance of projects it approves or related to Dermatology. To this Dr. Deepika Pandhi said that this was looked into in depth in 2019 and was given up because the guidelines of private Ethical clearance Committees are near impossible, needs multiple visits for monitoring of the project and it is advisable to get clearance from a local body . she stated that opening up that issue is like opening a Pandora box. However Dr.Srinivas urged again to look into the matter if the rules can be made less stringent. Dr. Rashmi Sarkar said they will look into it .

Dr. Dinesh Kumar Devaraj closed the GBM and thanked all the members.

IADVL JHARKHAND

Dec 2021 to march 2022 has been a phase of mixed feelings. Initially we were enthusiastic about the end to the pandemic, then we had this avalanche of cases in Jan as 3rd wave and then a pleasant realization that it's a mild disease. Hence we have been cautious in the activities. On 16th, 17th, 18th Dec 2021, IADVL Jharkhand organized Dermazone East and CUTICON Jharkhand in Ranchi. It was one of the first physical conferences organized during the Pandemic and was well attended by more than 200 delegates from state of Jharkhand, Bihar, West Bengal, North East states and Odisha. We had more than 50 excellent scientific papers and presentation spread over 3 days and we were privileged to have speakers from all over the country, to name a few Dr. Rashmi Sarkar, Dr. Jaydev Betkarur, Dr. Dinesh Mathur, Dr. Shyamant Barua, Dr. Anil Abraham, Dr. Rajesh Kumar, Dr. Niloy Kanti Das and many more. We had a great academic feast as well as fraternizing over excellent cultural program. On Leprosy Day, we had excellent programs in the form of patient awareness, medical camps, media interaction, social media posts about awareness of leprosy in all the cities of Jharkhand. We had a special foot care program in Dhanbad where pressure mapping and MCR foot ware distribution was done. We had several online CMEs and academic programs and few physical meets as well during this period. With pandemic, now finally looking under control, we are looking forward to more fruitful programs and activities.

Leprosy camp and awareness education was conducted from 31.01.2022 to 07.02.2022 In TVMCH. In view of this occasion, SPARSH Leprosy Awareness Campaign was conducted by the Skin Department of Tirunelveli Medical College Hospital (TVMCH), under the leadership of honourable Dean Dr. M. Ravichandran. M.D., and under the guidance of Dr. P.Nirmaladevi MD., HOD of Department of Dermatology Veneorology and Leprosy, District Leprosy office and Tamilnadu branch of IADVL (TTK Chapter). 'SPARSH' pledge was taken by everyone including all senior professors and assistant professors of various departments, junior residents of department of dermatology, administrative staffs, nursing staffs , nursing students, multipurpose workers and Hospital workers.

The function was held at TVMCH hospital Administrative block, where our honourable Dean gave a key note address regarding today's scenario and stigma of Leprosy. An awareness pamphlet to create awareness among medical students , nurses , healthcare workers and public was released. Leprosy awareness training program was conducted for B.Sc nursing students. Delivering the key note speech, our respected Dean emphasized about this reemerging disease and recent statistics. At the national level Tamilnadu has made great improvements in eliminating leprosy though new cases are being detected more during intense campaign. Prevalence of leprosy in India is about 58 % of global case load, 0.57/10000 at national level, 0.37/10000 at state level, 0.34/10000 at district level. India is among the

22 countries considered as having a “high burden for leprosy” along with high transmission, accounting for 66.19% of the global case burden in 2020. According to 2020 census, new case detection rate (NCD) is about 4.7/ one lakh population in India whereas it is 5.17 & 3.4 per one lakh population in Tamilnadu and Tirunelveli respectively. In TVMCH in 2020 the number of new cases detected were 17 and in 2021 number of new cases detected were 26. Deformity rate is fairly reduced in our state and district even though it's still high in country level. Among the patients attending Leprosy OPD 2/3rd are highly infected (Multibacillary). Moreover, they are consulting during the late stages of the disease. So, the chance of spreading the disease to others is also high. It becomes necessary for us to identify these patients at the early stages. Leprosy Case Detection Campaign (LCDC) which is a unique initiative where house to house visits will be done by the search team as per the micro plan prepared for the local area to detect hidden and undetected leprosy cases which has led to detection of cases early and this prevent deformities from developing. Still superstitious beliefs and stigma about the disease exist among the public regarding the cause. Creating the knowledge among them that it is only a bacterial organism that causes it and its curable if treated with 6-12 months treatment with Multi Drug Therapy (MDT) which also prevents deformities in the patients and thus discrimination of these people by society. To fulfill these, every year a theme is created by ILEP association and also IADVL (Indian Association for Dermatologists Venereologists and Leprologists). This year, theme is “United for Dignity”. A total of 18 patients attended the Leprosy camp from 31.01.2022 to 07.02.2022 out of which 14 were males and 4 were females. Most of them were managed with medical management and Micro-cellular rubber (MCR) footwear was distributed to 2 patients. All patients were advised for regular follow up. All were given awareness pamphlets and given health education emphasizing on the point that leprosy is curable and regular follow-up will prevent serious sequelae

Women & Skin CME on 27.03.2022 and Mid Annual GBM.

To commemorate women's day, CME on Women & Skin was conducted by IADVL TN as an online CME covering the different skin and hair issues predominant in women as well as the impact of societal pressure on skin maintenance in women and how to guide them on the same. Following this CME, our Mid Annual GBM

was conducted with our members interacting actively and giving suggestions for the betterment of IADVL TN and towards progress in the organisation and its members.

Women's Day Celebration at Tirunelveli Medical College:

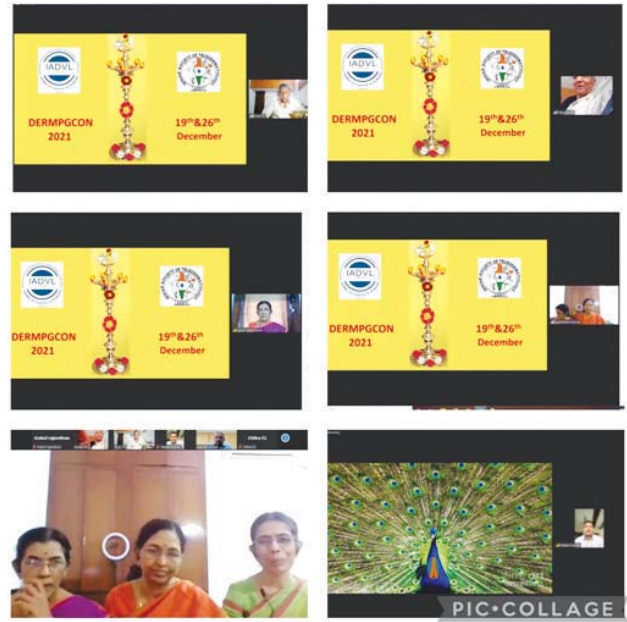

The following activities were conducted by Chennai City Chapter of TN IADVL from 16th December 2021 to 31st March 2022:

DERMpgCON 2021 on 19th and 26th December 2021, as a Virtual event comprising 70 Presentations by the exam going, final year Resident students of various Chennai city medical colleges. It was a grand event helping the students to overcome the exam fear and prepare them for the final exams. It was marked by the presence of 227 Delegates.

World anti Leprosy day on 03.02.22 at Dr Ambedkar Govt Higher Secondary School, Egmore Chennai.

The event was marked by, Imparting knowledge on leprosy, administration of Sparsh Pledge, Distribution of financial aid to the 1st two school toppers of X & XII standard ₹15,000 each by Prof Jayakar Thomas, Medical camp and was concluded by refreshments with snacks. It was heartwarming to know that the prize winner of XII (seen with his father) is now pursuing B Com degree in Thangavel Arts and Science College and the other student pursuing Bsc Maths in Presidency college. Gratifying evening indeed. Both the X standard toppers are doing plus two in the same school. It was indeed a benevolent gesture by Prof Jayakar thomas Sir to sponsor the entire educational expenses if any students joins MBBS, which was well appreciated by the teachers and students.

CME ON UPDATES ON URTICARIA on 12-02-2022, HYD

1. On Anti leprosy day 30-1-2022 - Created Awareness by rallies with placards to medical students, leprosy patients and general public on leprosy disease all over Telangana in majority of medical colleges/hospitals in the form of –
 - a) Leprosy is not a curse, it is caused by lepra bacilli of bacterial micro organism
 - b) If any hypo pigmented anesthetic patches or any palsies like wrist drop/foot drop or any reactions or trophic ulcers-please consult skin specialist to rule out leprosy and to initiate appropriate therapy.

- c) If patches are symptomatic/milky white/ present since birth/associated with scaling/ hyper pigmented - Most probably Leprosy is unlikely.
- d) Complete cure of the disease is possible with total and complete course of MDT.
- e) Early diagnosis and treatment will prevent complications like deformities and disabilities which are associated with social stigma in the community.
- f) Lepra reactions are part and parcel of the disease (Not the adverse cutaneous drug reactions), MDT should not be stopped.
- g) Lepra reactions (Type 1 and 2) are medical emergencies; we have to consult doctor without delay for treatment to avoid complications.
- h) Reassurance and moral support from the family, early diagnosis and treatment by the doctor – Keeps the complications and stigma away from the patients as well as society.

Academy Meetings during e-DERMACON 2022

Meeting of the Academy members, SIG coordinators and conveners for the closing year was held on 4th February 2022 during DERMACON 2022 at Jaipur. Dr Deepika Pandhi and Dr Dipankar De completed their tenure as chairperson and convener of the Academy, respectively. The EC and the Academy hugely appreciated their vision, dedication and sincere efforts for taking the IADVL Academy to greater heights during the toughest times. In the last two years, COVID-19 crippled the whole world. However, for the academy it

was a golden period with a record number of activities planned and accomplished virtually, achieving a very high academic excellence. The IADVL members were immensely benefitted and learnt continuously from the comforts of their home. The Academy webpage was revamped and the digital academy platform was reformatted. Thirty-one digital lectures on various important topics of Dermatology were revised in 2021 and are now also available on the same platform. These are downloadable and could be used for teaching purposes. Previous 43 Dermatology and 7 dermatopathology lectures continue to be available for viewing. The outgoing Academy members SIG Coordinators, Conveners and the national coordinators for workshops were felicitated virtually.

Earlier, The IADVL observership / training program meeting with IADVL EC and IADVL Academy was held on January 22, 2022 virtually on Zoom platform. The members of IADVL EC, IADVL Academy and IADVL observership and training program directors attended the meeting. The directors were felicitated virtually for their exemplary services to the IADVL.

The opening year Academy meeting with EC, Academy members, SIG coordinators and conveners was held during virtual Dermacon 2022, on 5th February 2022 in which new Academy and SIG members were welcomed by the incumbent chairperson and convener IADVL Academy (2022-23), Dr. Lalit Kumar Gupta and Dr Rashmi Jindal. Important issues like observerships, trainings, scholarships, IADVL E

library, Academy budget and Academy account were discussed and approval for the various activities to be held during 2022 was obtained from EC and GBM.

Constitution of a new SIG on Acne & Appendageal diseases: A proposal to constitute a new SIG on Acne and appendageal diseases was approved at the AGBM DERMACON 2022. Announcement asking for applications for coordinator, convener and members was made on February 21st, 2022. A total of 16 applications have been received and the final selection is under process.

Dr Abhishek Bhardwaj, Dr Pooja Arora Mrig, IADVL SIG Coordinators

Constitution of Taskforces:

A proposal to constitute task forces on Dermatology nursing and Biologics & small molecules was approved at the AGBM DERMACON 2022. Announcement asking for application for coordinator, convener and members was made on March 5th, 2022. Last date for submission of applications was 15th March.

Communication with States

The IADVL Academy and EC meeting with the states was held virtually on 13.2.22. It was attended by the state presidents and Secretaries.

They were also requested to share names of 2 nominees from their state for receiving access to e-library. We have received nominee details from 16 state branches so far for the rest of the states nominees from the previous year will continue.

IADVL Observerships

Observerships for duration of 4 weeks (with a stipend of 10,000 INR), for IADVL LMs or PLMs aged less than 35 years and for duration of 2 weeks (without a stipend), for IADVL LMs aged 35 years or above are given at each center.

Considering the pandemic, the candidates who were awarded observership in 2020 and 2021 were given an extension till December 31st and March 31st respectively to complete their observership.

Observerships status 2020:

93 candidates were selected (81 < 35 years of age, 12 > 35 years of age) for 2020. Final consent was received from 70. Till 31st December, 2021 a total of 43 candidates completed their observership.

Observership status 2021:

107 candidates were selected (89 < 35 years of age, 18 > 35 years of age). There were 13 withdrawals. Till March 15, 2022 a total of 60 candidates have completed observership.

For observerships in 2022,

We received 226 applications for 28 IADVL observership centers. A total of 61 candidates (46 < 35 yrs and 15 > 35 yrs) were selected. They were communicated and asked for their consent (using google form link shared with them) to complete the observership by 31st December 2022. Of them 54 candidates have confirmed their slots for Observership 2022. A Whatsapp group including the program directors, observers, the Academy chairperson, Academy convener and coordinators of the observership program has been created for ease of communication.

IADVL International Dermatopathology Observerships

The six candidates (Dr Hemant Kumar Bharti, Dr Santosh Rathod, Dr Shashank Bhargava, Dr Dincy Peter, Dr Hari Pathave Shivram and Dr Rashmi Jindal) receiving IADVL International Dermatopathology

Observership during 2019 could not complete it because of the unprecedented situation of COVID-19. Four of the following five centres offering observership have expressed their inability to train candidates during 2022 with no clarity expressed on their future training status.

1. University of California San Francisco (UCSF) Dermatopathology Service
2. San Francisco, USA, MD Anderson Cancer Center, Houston
3. USA, National Skin Center, Singapore
4. Mackay Memorial Hospital, Taipei, Taiwan

Thus, IADVL EC and AGBM agreed to keep IADVL International Dermatopathology observership on hold till further clarity from the training institutes. The previously selected candidates were informed of this decision and in future they will be allowed to reapply. Dr Bhabani Singh and Dr Malathi M, IADVL Observership Coordinators

IADVL Research Grants

For the year 2021, ten projects were selected out of the 29 applications received at the IADVL research Grant Jury meeting held during mid-term Academy meeting on 10.07.2021. A total grant of 47,05,187 INR (IADVL) + 9,41,057 INR (Glowderma) has been sanctioned for these. For 2022, applications will be called for by 30th March for IADVL research grant for a total amount of Rs.50,00,000 and IADVL Glowderma grants for Rs,10,00,000.

The present status of the IADVL Research grants and IADVL Loreal grants has been updated till January 15, 2022 and was uploaded on the Academy page at www.iadvl.org.

Dr Santosh Rathod (2020-2021), Dr Chander Grover (2021- 2022) & Dr Joyeeta Choudhary: IADVL Research Grant Coordinators

IADVL Scholarships

As the DERMACON 2022 was held on the web and the registration was free for IADVL members, no applications for IADVL scholarships were invited.

This year scholarships for DERMACON international 2023 (99, 15000 INR each), and MIDDERMACON 2022 (30, 15000 INR each) will be awarded. Further scholarships will also be announced for International Leprosy Congress.

- Dr Rahul Kumar Sharma: IADVL Scholarship coordinators

Post Graduate activities

- IADVL Postgraduate Thesis Grant 2021
- Of the 20 thesis grants approved for the year 2021, first instalment of 16 grants were transferred upon receipt of requisite of documents. Due to the delay in NEET PG counselling, call for grants was not announced in 2021, IADVL Academy proposed that 30 PG thesis grants will be announced for the year 2022 (split between the post graduates joining in 2021 and 2022). The same was approved at AGBM DERMACON 2022.

PGCON & PGPDT

IADVL resident program PGCON that is conducted in all zones in association with the respective state branches was conducted as a central event in 2021. Hence the centers from 2019 will be holding the physical event in 2022- PGCON North in Dehradun, PGCON South in Mysuru, PGCON West in Jaipur and PGCON East in Kolkata. A central web based event will be conducted in case physical event will not be possible. Virtual, central IADVL post gradual procedure dermatology training workshops were held in 2020 and 2021. A physical zonal PGPDT 2022 will be planned in the second half of the year if the situation allows otherwise a central web based event will be planned.

Postgraduate Lecture Series

Three programs of the Online Postgraduate Lecture series were held during this period.

18.12.21	IADVL PG lecture series (class 10) Case based dermoscopic and histopathological correlation in dermatology diagnostics: 2

IADVL MENTORSHIP COMMITTEE

Dr. Sunil Dogra
Chairperson

Dr. Saloni Katoch
Convenor

The IADVL Mentorship committee started its work in 2021 with regular meetings and brainstorming sessions for the layout and design of the program under the guidance of our President, Dr. Rashmi Sarkar. The mentee application forms and mentor enrollment forms were designed after due research. International Mentorship Programs were taken into account while creating the layout of the Guruderma initiative. With an aim to promote growth, stimulate social responsibility and a lifelong lasting bond between the mentor and the mentee, the program was put into action in February 2022 after a formal introduction in the presidential address.

Our Mentor pool for the first round comprised of some very senior and learned volunteers with areas of interest ranging from Psoriasis to HIV/AIDS. We also invited some applications from interested mentors for the second round of this flagship project. Interested candidates who had passed their residency and were looking for guidance pertaining to Clinical Dermatology, learning of life skills and professional guidance in practice were encouraged to apply for the program as mentee's. A dedicated email id iadvl.mentorship@gmail.com was created for the committee and processing of the applications. The committee rolled out the application forms for both mentors and mentee's on 16th February 2022, the response to which was very encouraging. Some creative and artistic posters were also made to create awareness about this presidential project.

A Frequently Asked Questions document (FAQs) was also released to address member queries. The last date of submission was 27th of February 2022, following which the due selection process began. With over 122 mentee applications for the IADVL Mentorship Program, the response to Guruderma was very encouraging and phenomenal. From the applicants, 22 candidates were selected for the Mentorship and matched with mentors from the first pool based on the choices given by them in the application forms. An objective scoring system based on publications,

presentations, IADVL activities, awards/honours and a question 'Why I want to join the Mentorship Program', was followed for the same. We also received 20 mentor applications for the second round of the program. Ten mentors were selected from the above for the next round of Guruderma.

The mentors enlisted for round two of the virtual mentorship program along with the already enlisted members were those who primarily had Clinical and Medical Dermatology as their area of interest with more than 15 years of experience post residency. Dermatologists who already had IADVL Observerships at their centres were not included in the Mentorship Program. We requested dermatologists who wished to provide training in areas of Dermatosurgery, lasers and cosmetic dermatology to apply for the IADVL Observership program. In collaboration with the IADVL leadership pipeline committee, the mentee's attended their first interactive virtual lecture by Dr. Ilona Freiden (Professor, Dermatology and

Paediatrics, University of California, San Francisco school of medicine) on "Some reflections on the myth of work life balance" on the 12th of March with some very practical and thought-provoking take-home points. An interactive sensitisation and orientation workshop has also been organised for

the mentors on the 3rd of April 2022 with global leadership coach, Mr. NiketKarajgi, following which we will commence with the virtual program in April with the mentee's and mentors embarking on a memorable journey of bonding, learning and teaching.

IADVL YUVA CELL

Dr. Rashmi Sharma
Chairperson

A poster was circulated on the 19th February 2022 on various social media platforms to introduce the IADVL Yuva Cell 2022 members. We observed International Mother Language Day on 21st February 2022 by posting a creative on our Facebook handle & there by initiating a conversation among our yuva dermatologists to discuss about their experiences with respect to using different/ new languages to converse with their patients.

We next observed International Women's Day on 8th March 2022 by

Dr. Indrashis Podder
Convenor

a) Releasing a video creative including all the current women dermatologists of IADVL Yuva Cell & IWDA. The video creative was used to highlight this year's theme '#breakthebias'.

b) Hosting a live chat show on our Instagram handle @iadvlyuvacell with our IADVL President Dr. Rashmi Sarkar, on "Women and Leadership" on 8th March 2022. Being the 2nd woman IADVL President & our 50th Golden Jubilee year President, she has been a great inspiration for us all. She continued to awe us with her from the heart responses during our chat.

We circulated posters & a video creative to call attention to skin, hair & nail care tips during Holi celebrations. Along with these, a poster to wish IADVLites on 18th March 2022 for Holi was circulated on various social media platforms (<https://www.facebook.com/groups/881336898977527/permalink/1401506056960606/>).

From April 2022 onwards, to keep our Facebook group buzzing, we will be rolling out :

- On 5th of each month – a case discussion will be initiated for exchange of practical knowledge among the yuva dermatologists. Fully worked up cases from our yuva dermatologists are welcome. Due credits will be given to the members sharing the cases.
- On 15th of each month – a crossword puzzle will be posted, & our yuva dermatologists will be asked to send in their completed crosswords to

iadvlyuvacell@gmail.com. The person replying with all correct answers, most number of times across all months, during our tenure will receive an exciting award.

- On the 25th of each month – experts on the said topic of case discussion will be invited for a panel discussion for the benefit of our yuva dermatologists. The member contributing the case will also be included in the respective panel. This will be hosted as live chat shows each month on our Facebook group.

The next upcoming event is the World Health Day, on 7th April 2022. We have planned to :

- Circulate an animated educational 2 minutes short video highlighting 'How to maintain Healthy Skin', especially in general systemic conditions. This creative may be used by IADVLites to create awareness about certain dermatological manifestations in common systemic disorders.
- We have asked our Yuva Cell dermatologists to observe this day by hosting a small talk for their patients/ neighbours/ nearby school/ orphanage/ old age home (place of their choice), & for them to share with us a short 30 seconds video or photos of the same via iadvlyuvacell@gmail.com. These will be displayed on our Facebook group, with due credits to our members.

We are continuously updating our Yuva Cell directory, started in 2020. This contains a list of all life members of IADVL equal to & less than 40 years of age. We thank all our Members of the IADVL Yuva Cell 2022 for being prompt with their duties. We wish to express our gratitude to the IADVL EC for guiding us.

IADVL COMMUNITY DERMATOLOGY

Dr. Deepti Desai

Dr. Varun Khullar
Convenor

Women’s day was observed by the community dermatology team on the 8th of March 2022. Posters designed by the team were circulated to all female dermatologist across India to appreciate their efforts towards the society. More than 500 entries were received from across the country. Under the supervision of our president IADVL, Dr Rashmi Sarkar, a skin awareness camp was conducted at Shakti Shalini, New Delhi organised by the convenor for community dermatology Dr Varun Khullar. The camp was a huge success and many underprivileged women were given skin health care tips and some products. They were very thankful to the team.

In various parts of the country many health camps and awareness programs were conducted.

The Chairperson of Community Dermatology, Dr Dipti Desai in Mumbai led the front where she helped spread awareness regarding skin care amongst the female staff of the hospital and other female doctors in Mumbai.

Dr Dipti Desai delivered a lecture on “Skin health for Women” after which a quiz was arranged which was enjoyed by all at the auditorium of Hindu Sabha hospital, Mumbai. The Pune chapter visited Bahujan Hitay girls hostel for underprivileged girls and donated grocery to 80 inmates. The girls performed a small skit on rights of girl child. In Chandigarh, Women Dermatologists group which created awareness on care of skin, nails, hair, menstrual hygiene and safe

disposal of sanitary pads for adolescent girls. All the adolescent girls from Ashiana sector 15 Chandigarh were sensitised on this important body care under the supervision of Dr Mala Bhalla, Dr Vanita Gupta and teams. Kits containing skin care products, sanitary napkins, eatables were distributed to 84 girls in the orphanage. Similarly kits were distributed to 64 girls with a skin care and hygiene talk by Dr Dipti Desai and her team at Balkalyan orphanage in Mumbai. As a token of respect towards our seniors felicitation of senior lady dermatologists of Guntur as a part of Community Dermatology programme on Women’s day was done by Dr Kavitha and Dr Sirisha. Dr Deeksha Meher and Dr Vikas Shankar played vital roles in the execution of the events. In the evening a CME was conducted by the EC where Dr Neena Khanna, Prof and HOD AIIMS was the guest speaker along with Dr Ncozadlova. Vote of thanks was given by Dr Dinesh Kumar D Gen Secy IADVL. The day marked the start of Community Dermatology activities across the country which were covered well by the print media the next day.

IADVL ITATSA COMMITTEE

Dr. Arijit Coondoo

Convenor

IADVL E-VOTING TEAM

Dr. Abhishek Kumar Jha
Chairperson

On the 15th February, the list of pending non e-voters from all states was obtained. This list was shared with the respective State Secretaries & E-Voting Coordinators. The State Coordinators were instructed to contact each of the pending members through phone calls, whatsapp messages & emails to remind & guide them to enroll for e-voting.

A step-by-step text message & PDF document were shared to be circulated to these set of members. The State coordinators have been following quite closely to track the

number of conversions achieved for the past 6 weeks. The response we have been receiving has been heart warming so far. We have been helping members with the steps to update their contact details, to further ease their enrolment process. We are also preparing a separate list of non e-voters for whom we do not have any active/ valid contact details. We plan to circulate this list among our local associations, in order to collect their current contact details.

We thank all the State Secretaries, State Coordinators, & Members of the IADVL E-Voting Committee 2022 for being prompt with their duties.

IADVL CONSTITUTION COMMITTEE

**Dr. Venkatram
Mysore**
Chairperson

IADVL CONSTITUTION COMMITTEE
In 2021 constitution committee was assigned the task of updating and refining the IADVL constitution. The constitution committee worked with SOP committee in a buddy system in accomplishing this task. The updated constitution was released during the inaugural function of E-DERMACON 2022 at Jaipur on 4th February 2022.

**Dr. Anuradha Kak
Kanatt Babu**
Convenor

The constitution committee was revamped under the Presidentship of Dr Rashmi Sarkar. Members were asked to choose specific areas of interest to ensure efficiency and also to establish expertise. Topics in the constitution were divided based on the preferences of the members.

This was shared with the SOP committee to facilitate a cohesive working pattern.

The committee promptly submitted its opinions on matters referred by the EC after thorough discussions among the members and consideration of suggestions from our advisors whenever required.

Following are the details of the referrals from EC for opinion of the constitution committee:

1. Opinion on the draft of Hyderabad DERMACON 2024 MoU:

Recommendations of the constitution committee to align the MoU as per the Constitution: Arbitration committee of IADVL to be appointed by the AGBM and not external arbitrators in case of disputes, clear confirmation of disclosure of conflict of interest of main organizers and the process to be adopted on conduct of DERMACON in force majeure.

2. IADVL Task force recommendations to be incorporated in the constitution:

Reply from the constitution committee: Amendments in the constitution shall be made after receiving the minutes of AGBM. Majority of the revision as per the recommendations of Academy task force shall come in Academy SOP, hence request to share it with the SOP committee.

3. Change of dates of DERMACON 2023, International:

Opinion of the constitution committee: The feasibility and dates of DERMACON are administrative issues. Hence EC and organizing committee of DERMACON International 2023 can proceed with the changed dates as considered feasible. However, since the previous dates were already approved by AGBM, constitution committee recommends that post facto ratification be obtained for the new dates by calling an EGBM with this agenda.

4. Opening a local branch account by the treasurer in a non-nationalised bank

Opinion of the constitution committee: Constitution is categorical that the account can only be opened in a nationalized bank. Any change would therefore need a constitutional amendment as per laid down procedures. The committee notes that this matter was not brought in as a proposal in the agenda to the AGBM. Approving it now would mean bypassing the constitutional norms. Constitution committee recognises that there may be justifiable administrative and financial reasons for opening account in scheduled Bank. However, this has to be done through a constitutional amendment.

Further updating of constitution shall be made once the minutes of the annual general body meetings held during E-DERMACON 2022 are received.

IADVL Presidential 2022 programs

1. The IADVL NABH Taskforce for Certification/ Accreditation of Dermatology Clinics held online internal meetings as well as with NABH CEO on 12 March 2022. It has already held about 5 meeting between 2021-22 to brainstorm preparation of guidelines which are Clinic SOPs and safety guidelines for Dermatology Stand alone clinics which are not present as yet. The first draft for guidelines of Certification of Dermatology Clinics was presented by NABH which had been prepared after Intense discussion by Taskforce. Intense brainstorming by the Committee led to revisions in the Definition and Scope of Dermatology Clinics as well as list of aesthetic and Dermatotomy Procedures. This work is being done at great speed to ensure the launch of the program for all IADVL members.

The IADVL NABH Dermatology Clinics Task Force 2022 was formed to oversee the implementation of Certification/Accreditation of Dermatology Clinics by NABH

2. Guruderma is a novel Mentorship program between senior and junior dermatologists which provides an ideal opportunity to interact closely and virtually with the mentor and to work on fields of mutual interest for the mentees. This unique presidential project program promotes growth, stimulates social responsibility and a lifelong lasting bond between the mentor and the mentee. Our Mentor pool comprises of some very senior and learned volunteers with areas of interest ranging from Psoriasis to HIV/AIDS. With over 122 mentee applications the response to Guruderma was very encouraging and phenomenal. From the applicants, 22 candidates were selected and matched with mentors. The selected mentee's will undergo six virtual Mentorship sessions with their mentors with one physical face to face meeting at a mutually acceptable schedule. A token of Rs 10,000 will be given to the mentee to meet the mentor after completion of his/her visit. An assessment will be given by the mentor and feedback by the mentee at the end of the program. A certificate will be presented by IADVL to the mentors and the mentees on completion of the program. In addition, the mentees will also get to interact with few international and national Dermatologists' engaged in leadership program from AAD,WDS and others. With orientation workshops for both the mentors and the mentees, the Mentorship program has witnessed an enthusiastic and encouraging start.

Protocol for bidding for MIDDERMACON

(a) Any state branch wanting to hold MID DERMACON must call its GBM, and, by a majority vote, pass a resolution to that effect and decide the name of the Organizing CHAIRPERSON, Organizing Secretary treasurer and Chairperson of the Local Scientific Committee. The Organizing Secretary must be from the city where the MID DERMACON is to be held. Ordinarily there shall be one chairperson, but in exceptional situations there can be a co chairperson both for organizing committee and scientific committee. Organizing secretary being the CEO of the conference shall be one only.

(b) Application for the MID DERMACON venue will be invited along with all other applications in IADVL Election Notification and will have same time line

The state branch shall send the bid proposal to host MID DERMACON to the Honorary Secretary General of IADVL two and a half years before the proposed conference only after the above procedure.

(c) The official bid for holding MID DERMACON shall be given to the Honorary Secretary General on the letterhead of the state branch, with the signatures of the President and Secretary of the branch, and the prescribed proforma (containing the details regarding the facilities available in the city and the suitability of the city for hosting MID DERMACON) duly filled in (Annexure VIII).

(d) The bid for the MID DERMACON of a particular year should be sent to the Honorary Secretary General by 15th June, one and half years before the conference. Eg For MID DERMACON 2024 the bid application should reach by 15/6/2021. The result will be announced in the closing AGBM of that year along with results of elections held that year.

(e) After a careful scrutiny of proposals for venue, all eligible venues shall be included in the ballot paper and the venue shall be selected by election process. If there is only one application for MIDDERMACON, then the team of the President, President-Elect, Past President and Hon. Secretary General shall visit the venue PRIOR TO CCM and report to CCM which meets in August. If the venue is not found suitable for MID DERMACON then the CCM can discuss other options.

(f) All those involved in the conference arrangement, i.e. office bearers, ALL THE KEY OFFICE BEARERS- ORG CHAIRPERSON SECRETARY TREASURER SCIENTIFIC CHAIR- shall disclose any conflicts of interest, including financial or any other relationships with manufacturers of commercial products (including drugs, equipment, and services) in their presentations on the conference. THEIR CV IN BRIEF INDICATING PREVIOUS CONFERENCE ORGANIZATION EXPERIENCE SHALL BE SUBMITTED ALONG WITH THE APPLICATION.

The bid should be accompanied by tentative project report (provisional budget and possible savings) as per the following proforma:

IADVL is glad to introduce two welfare schemes for the benefit of IADVL members. The schemes are intended to foster goodwill among members and thereby make the association more popular and purposeful. The schemes are as below:

- BENEVOLENT FUND
- PERSONAL ACCIDENT RELIEF FUND

Each of the above is to help and benefit IADVL member during any personal crisis or tragedy. Both these funds are through internal accrual while Professional Indemnity is in association with National Insurance Company limited.

IADVL BENEVOLENT FUND

IADVL Benevolent Fund is to extend solace and support to IADVL members who have undergone the misfortune of being afflicted by serious disability/ prolonged illness. The disability or ailment should be due to diseases or mishaps that are not self-inflicted. The intent of the fund is to provide emotional and financial assistance and a helping hand at a critical time. The objectives of this scheme will be to provide financial support to the deserving members in the case of invalidation or in the event of their suffering any injury or physical disability or unforeseen misfortunes like prolonged sickness leading to premature retirement. The support will be extended in the form of one-time payment to a maximum of Rupees 2 lakhs per member as per set guidelines.

Following is the list and definition of critical illness/disability eligible for grant of Benevolent Fund:

1. Stroke resulting in paralysis: Defined as a cerebrovascular accident or incident producing neurological sequelae of a permanent nature, having lasted not less than six months.
2. Chronic renal Failure: End stage kidney failure presenting as chronic irreversible failure of both kidneys to function, as a result of which regular renal dialysis is initiated or renal transplantation carried out.
3. Major Organ Transplant: The actual undergoing of a transplant as a recipient of one of the following human organs:
 - (a) Kidney, (b) Lung(s), (c) Liver, (d) Heart, (e) Bone marrow
4. Blindness: The total, permanent and irrecoverable loss of the sight of both eyes.
5. Major Burns: Third degree burns covering more than fifty percent (50%) of the Life Assured's body surface area
6. Amputation of limb: Amputation of one or more limbs warranted due to conditions other than accidents.
7. Any other medical conditions deemed to result in a permanent or partial disability / COVID 19 infection requiring intensive unit care

IADVL PERSONAL ACCIDENT RELIEF FUND

IADVL Personal Accident Relief Fund is to provide support to IADVL members who have undergone the misfortune of being a victim of an accident. The objectives of this scheme will be to provide financial assistance to the deserving members who meet with accident and get incapacitated temporarily or permanently or to the spouse/legal heir in case of death of a member in an accident. The support will be extended in the form of one-time payment to a maximum of Rupees 5 lakhs per member as mentioned below:

- (a) Accidental death – Rupees 5 lakhs
- (b) Loss of two limbs or two eyes or one limb and one eye/ Permanent total disablement – Rupees 5 lakhs
- (c) Loss of one limb or one eye/ Permanent partial disablement – Rupees 2.5 lakhs
- (d) Hospitalisation expenses (If none of the above claimed) – Rupees 1 lakh

MODE OF DISBURSEMENT OF BENEVOLENT FUND & PERSONAL ACCIDENT RELIEF FUND

Aggrieved member can send the duly filled application form through their branch /City unit to State President/ Secretary who shall forward to IADVL President / Hon. General Secretary. Upon receipt of the application an Expert Committee duly authorised by the IADVL Executive Committee headed by the President of IADVL shall evaluate and approve the same based on the merit of the case. The approved fund can be electronically transferred only in the name of the affected member whose PAN card is verified.

Mutual benefit scheme of IADVL – The DVL Welfare trust

Introduction: IADVL has launched a mutual benefit scheme coupled with professional legal protection in 2011 and named it DVL welfare trust. It is one of the important financial benefit scheme aimed at securing financial security for the family members of our association. The Executive committee of IADVL urges all its members to join this mutual benefit scheme to make it a successful initiative of IADVL. The details of this welfare scheme are as follows: DERMATOLOGISTS VENEREOLOGISTS & LEPROLOGISTS WELFARE TRUST (DVL trust) has been established for the benefit of members of IADVL. The trust has been registered at Vadodara. DVL Welfare Trust is by IADVL, of IADVL and for IADVL ites”.

Aims and objectives of the scheme:

- 1) To provide financial assistance to the family of a member of this scheme in the event of his/her death.
- 2) To inculcate a habit of savings among the members for their mutual benefit.
- 3) An option to provide comprehensive indemnity cover in the event of litigant situations arising out of alleged professional negligence by the members.
- 4) To educate the members, including clinic staff, to prevent any litigant situation and to guide them, how to deal with it in the event of such a situation.

Eligibility of the members: Any life member of IADVL, irrespective of age is eligible to become a Regular Member of the scheme. Family members of Life members of IADVL can also join the scheme as Beneficiary Members. Please note that separate forms need to be filled for each member of a family.

Total Amount Payable at the time of admission:

1. Admission Fees (as per age –given below).
2. Annual Membership Fees Rs. 750. (for the year 2020-2021) Increment of Rs.50/- every year.
3. Advance Fraternity Contribution (AFC) Rs.2000 (Rs Two thousand only) a minimum amount kept with DVL trust towards members future fraternity contributions.

Optional amount to be payable at admission: Member can deposit additional amount of his choice as deposit for future annual contribution. The 4% interest will be credited on deposit amount.

Details of one time Admission fees: The Admission Fees payable shall be based on age in years of the proposed member or their family member who likes to join the scheme, as follows:
