PRESIDENT'S MESSAGE

Dr Rashmi Sarkar
LM/ND/1543

Dear IADVLites,

It is strange to think that 6 months have already passed since our IADVL EC 2022 took over at Dermacon 2022 at Jaipur. One starts with a lot of enthusiasm and expectations to achieve many wonderful things for our association, but I guess till now I could complete some projects with our EC while others need to take off in the latter part of the year. The tagline for IADVL this year was "50 years of IADVL-Building future leadership and international collaborations". We tried this in good earnest.

One of my flagship IADVL programs this year was "IADVL Leadership Pipeline Program" which was a program where 21 young to middle level dermatologists had 5 intensive weekly leadership sessions online with Global Leadership Coach, Mr Niket Karajagi which talked about building individual leadership journeys. The idea was to make upcoming members look at IADVL with an ownership and take it to newer heights. I hope to see more than one fifth realistically in leadership rungs in the future. There were also four interactive sessions with international leaders like Dr Ilona Frieden, Dr Michelle Verschoore, Dr Seemal Desai, Dr Mona Gohara for both leadership and mentorship selected candidates.

The Strategic Planning Program was the first of its kinds which had 7 two and a half hourly sessions with the Leadership Coach with IADVL EC members, Committee Chairs and Conveners which delineated and systematically organized the process of defining and renewing the vision, mission, values and actionables for IADVL. This was the need of the hour as Vision, Mission need to be refreshed every few years to resonate with the changes. A Strategic Planning draft was prepared and circulated to all members. It will be put up for discussion at the IADVL Midterm CC Meeting and AGBM for adoption.

The IADVL Guruderma Mentorship Program was started under IADVL Mentorship Committee with a fresh vigour where 12 learned mentors warmly took 22 mentees under their wings. This program combined a dermatology special interest of the mentor with useful tips on practice and balancing life, and turned out to be a delightful bonding exercise. The mentees had at least 6 online meetings with their mentors and had to give a feedback to IADVL on the program.

The IADVL NABH collaboration to formulate a system of certification or accreditation for Stand alone Dermatology Clinics was carried out with several meetings between the teams of IADVL and NABH and a simplified guideline is on its way for IADVL Members to apply for certification of clinics. The idea was to make it simpler, viable and offer a wonderful solution to prevent quackery.

In the fight against quackery, several letters of complaint were drafted by ITAQ Chair, Convener and Legal Retainer to State Medical Councils and Dental Councils. A position paper against quackery was put together by ITAQ members. Public awareness programs are in the works.

International Dermatology Society CMEs in collaboration with IADVL were put for up our members to view on Sundays and included interesting sessions from Asian Society of Pediatric Dermatology, Women's Dermatologic Society, ILDS, EADV and Grappa. Flyers were sent to even to their international members to watch the webinars. This was done in collaboration with IADVL Leadership Pipeline Committee and International Liaison Cell.

There were a plethora of Academic activities with physical conferences getting back slowly. Under the Presidential projects, several novel projects such as SIG Aesthetics Workshops on Botulinum Toxin and Fillers, Taskforce on Biologicals and Small molecules, SIG on Dermatologic Nursing, Pediatric Dermatology Parental Guidelines, book on "Pemphigus and other immunobullous disorders", a SIG on Acne and Appendageal Disorders, are amongst a few which are work in progress.

To celebrate the Golden Jubilee Year of IADVL, IADVL 50 Golden Podcasts were started weekly with 25 already done and available on IADVL website. Six IADVL History videos were made to celebrate 50 years of IADVL by IADVL Media Cell which were instrumental in creating nostalgia. IADVL Media cell created simple and effective posts on public awareness. Besides Facebook and Instagram handles, a YouTube channel was also created for IADVL. Antiquackery videos are on their way.

Another first time endeavour was the IADVL Undergraduate Quiz which had nearly 200 participating teams and conducted online. There were 4 semifinal rounds with UCMS, AFMC, BMCRI and Seth GSMC making it to the finals which will be conducted in Mid Dermacon Lucknow 2022. This has created a buzz in Dermatology at the Undergraduate level.

As the last 2 years have been rather sad due to the Covid 19 pandemic, we wanted to bring back hope and joy in our members' lives and hence conducted an All India IADVL poetry recitation contest in April 2022 and a Singing Contest in July 31st 2022 where many talented members across the country participated. This led to a lot of informal interaction between the members. This was done under the Dermatolent Committee.

The Community Dermatology Committee conducted well organized programs on World Skin Health Day and Global Vitiligo Day. Informative posters were made in several Indian languages and Nukkad Natak scripts were made in collaboration with Yuva Cell and Patient Testimonial videos by IADVL Media Cell. IADVL EC continued their humanitarian work by providing medicines to the flood affected areas of Silchar in Assam in June and facilitating the availability of clofazimine to leprosy patients in non govt hospital setups.

Webinars were done by Legal Cell on Informed Consent and Consumer Protection Act and Professional Indemnity Insurance as well on Safe Working Place for Women by Internal Complaints Committee. The IADVL Yuva Cell had a hybrid networking session on 1st May 2022. The National Residents' Committee continued its novel work and had a wonderful quizzing series called "Crazy Conundrums" on Instagram. An important first time "Face to face meeting with the President" called "Talk to the President" was done as an open question and answer session with the IADVL members on 17th May 2022. We have had several regular meetings with Central Finance Committee of IADVL.

IADVL EC worked with Practice Management Cell, Legal Cell, Govt Liaison Cell, Academy to come out with suggestions on the NMC draft on RMPs. It also gave its position on who should perform hair transplantation in patients and a team of Dr Rashmi Sarkar, President IADVL 2022, Dr Vineet Relhan, Vice President IADVL, and Dr Kavish Chauhan, Coordinator SIG Trichology and Hair Transplantation met DMC Registrar, Dr Girish Tyagi on this issue.

The Coffee Table History Book Project and Coffee Table Member Stories books are now in their proofing stages! I am grateful to IADVL EC 2022 for their support especially Dr Dinesh Kumar Devaraj, our Secretary General and Dr Savitha Somaiah, our Treasurer. My colleagues, Dr Jayadev Betkerur, Immediate Past President IADVL, Dr Vijay Zawar, President Elect IADVL, Dr Nirmaladevi Palanivel, Vice President IADVL 2022, Dr Vineet Relhan, Vice President, Dr Indrani Dey, Joint Secretary IADVL and Dr Atotha Kavitha, Joint Secretary are always there as great team mates. The committees have all worked hard and with innovation. I feel really proud to be in the midst of such activities.

We look forward to welcoming you all to the IADVL CC Midterm Meeting at IADVL Headquarters and Hotel Radisson Blu, Kaushambi on 19-20 August 2022 and Golden Jubilee Commemorative CME and Felicitation on 21st August 2022. Feel free to reach out to me at president@iadvl.org

Long live IADVL!

PRESIDENT'S ELECT MESSAGE

Dr Vijay Zawar
LM/M/942

It gives me immense pleasure to write these few words for the IADVL newsletter.

The IADVL is going through a nice vibrant phase. All the state branches are doing wonderful job as I could see in this newsletter.

With the upcoming CC meeting and the Golden CME, I feel very proud to be a part of the EC 2022.

Dr Vijay Zawar,
LM/M/942
President Elect

IMMEDIATE PAST PRESIDENT

Dr. Jayadev Betkerur
LM/KN/2009

Dear IADVLites

Time passes quickly and quietly. The two years of gloom has turned to be bright and beautiful this year. It is also little sad to note that my days in administrative role in IADVL, started in 2008, slowly comes to an end. We have planned many things this year and achieved some of them and will be achieving them in due course. IADVL news letter gives us, the EC, to inform all of you what has been done and what is to be done in future. I request all of you to read and comment. They go a long way in strengthening our IADVL. Best wishes & Happy reading.

Dr Jayadev Betkerur

HON. SECRETARY-GENERAL SPEAKS

**Dr Dinesh Kumar
Devaraj**
LM/TN/5354

Cheerful August Greetings to all our IADVL members!!!

Half a year has gone into my journey as Secretary General, IADVL almost like a blink. During this time, we have attempted to keep up the rich legacy of IADVL works done by the previous office bearers whilst trying to introduce newness in certain spheres of IADVL activities through various Presidential initiatives and several innovative ideas and activities by the IADVL Academy, various Committees and State Branches.

Few daunting tasks like issuing the IADVL advisory to its members against associating with online patient aggregator portals, framing the IADVL comments on National Medical Commission, Registered Medical Practitioner (Professional Conduct) Regulations 2022 and framing the IADVL draft letter to NMC on the issue of Hair transplantation posed a challenge but could be accomplished by the guidance of seniors and joint work of IADVL EC, Academy, Committees and SIGs.

Since taking of our office in early February this year at Jaipur, Executive Committee 2022 lead by our visionary and enterprising President, Dr. Rashmi Sarkar has been tirelessly working keeping the 50th Golden Jubilee Year of IADVL in mind.

“The Golden Jubilee Day” on 21st August 2022 is a special Day to be inscribed in the History of IADVL. We have looked forward to it and planned extensively to make it memorable for one and all. On behalf of Executive Committee, IADVL, I sincerely hope to be able to stand up to the expectations of one and all. Excuse our unintentional and inevitable lapses along the way.

Remembering the famous Swedish proverb that goes “ Shared joy is a double joy; Shared sorrow is half a sorrow”.

Long Live IADVL

Dr Dinesh Kumar Devaraj

LM/TN/5354

Honorary Secretary General, IADVL

HON. SECRETARY GENERAL REPORT

IADVL EC 2022 has successfully managed to conduct various meetings with Standing Committees, State President and Secretaries, IADVL Academy, IJDVL, SIG Co Ordinators and Conveners all within a short span of few months.

The Quiz Committee has called for Quizmaster applications for CUTICONS and 4 Teams have been shortlisted. Practice Management Cell has initiated its activities with a CME recently. Media Cell has organised country wide awareness activity on World Skin health Day. Community Dermatology has always been on the fore front in organizing various community activities. YUVA Cell has kept up its activity in its second year as well. National Resident Connect Committee has been actively involved in conducting various competitions successfully for residents on various IADVL days and also made an impressive presence in social media platforms.

The ACAD Google group has kept our members abreast with enthusiastic academic informations, discussions and monthly quiz. IADVL Facebook and Instagram Page are active in full swing. The IADVL website has been constantly updated and we have made conscious efforts to reach out to all members across the length and breadth of the country through newsletters, bulletins, emails, bulk mails, SMS, web site announcements, social media etc.

The Ministry of Health & Family Welfare, Govt. of India has collaborated with AIIMS Delhi, Regional & State Centers of Excellence, IMA and IADVL to come up with Clinical Excellence Program- Interactive Webinar Series targeted to reach out Medical Practitioners across India to educate on Monkeypox. This is a prudent step in the wake of the ensuing monkeypox epidemic to gear up the medical fraternity in handling such cases.

Vitiligo day 2022 was observed across the country with the highest number of activities initiated by IADVL EC, Academy, State Branches and various Standing Committees. Many of the activities were the first of its kind in raising awareness and uplifting the morale of patients.

Our association has grown in leaps and bounds. Presently our membership strength is 15052 (active members) of which 11158 are LM, 3695 are PLM, 194 ALM, 7 ILM

We now have a record number of registered e voters – 8325.

We have lost many of our loved and revered members this year. May the departed souls rest in peace. My sincere prayers for all their family members and close ones

The process of IADVL Elections 2022 is underway. We have a good number of eligible candidates contesting for various posts of National Executive 2023 and we have received bid for MIDDERMACON 2024. We wish all the contestants and bidding city the very best. I also take this opportunity to request our members to exercise their voting rights to the fullest and also in earnest.

Last but not the least, I thank all my President, EC members, Academy members, Committee members, State Executives and IADVL headquarter officials for providing me constant support and instilling in me their confidence. We have an exciting CC meet round the corner with lot of discussions and brain storming. I extend a warm welcome to all CCM attendees and look forward to fruitful discussions at the business meetings of the Association.

I request all IADVL members to always come forward and support the various activities of IADVL thereby strengthening our association more and more with every coming day.

HON. TREASURER'S NOTE

Dr. Savitha AS
LM/KN/5761

Dear all,
Greetings from the treasurer's desk.

Post the pandemic, the current IADVL EC has been carrying out all the activities as planned with great ardour and commitment. All the activities have been held within the allocated budget.

The finance committee has been active in the past few months planning the investments of IADVL funds. As per the previous AGBM approval we are investing one crore in 4 mutual funds this year.

We have also got the 12 A registration certificate to our head quarters address in Ghaziabad. We have been actively pursuing the rectification of the 14 crore fine levied on IADVL due to late filing of IT last year. The fine has been removed now, and we are waiting for the final status of the demand if any to be communicated to us.

The audit of the accounts of MIDDERMACON 2021, Mangalore and DERMACON 2022 Jaipur is completed, and we have received all the receivables from the conference. The state share of MIDDERMACON 2021 is also given. The utilization of the GST input credit from DERMACON 2019 International for MIDDERMACON 2021 has served to save the association to the tune of ten lakhs rupees.

Long Live IADVL

REPORT OF IJDVL

Dr. Saumya Panda
LM/WB/2805
Editor-In-Chief, IJDVL

The Journal Citation Report (JCR 2021) was published this year in June. Impact Factor® for IJDVL as reported in the 2021 Journal Citation Reports® (Clarivate Analytics, 2022): 2.217.

The major bibliometric indices for our journal, including 5-year journal impact factor (3.242) and immediacy index (1.151), remain impressive.”

Warm regards.

Indian Dermatology Online Journal (IDOJ) has brought out two issues, May-June and July-August during this quarter on time. IDOJ received 210 articles (Till 07.07.2022) during this period. The editorial team tried their best to decrease the processing time and now it takes an average of 63 days from submission to acceptance. Efforts are being made to move all the accepted articles to "Ahead of Print" at the earliest. IDOJ is now on the new "Lippincott e-Journals platform (eJP)".

The editorial team is happy to share that the Indian Dermatology Online Journal has appeared in the Journal impact factor list for the first time this year, with a journal citation indicator of 0.49 and it is very likely that IDOJ may get the impact factor by first quarter of 2023.

IDOJ has managed to get advertisements, for the three covers and two after the table of contents.

Thanks to authors, reviewers and all the editorial team members for their continuous contributions

IADVL MID YEAR CC MEETING 19, 20 August 2022 CCM – PROPOSALS

1. Title of Proposal - IADVL Strategic Planning Draft-Vision and Mission for adoption

Name of proposer/s-6 (1+5) members (LM nos)

Proposer: Dr Rashmi Sarkar (LM/ND/1543),

Seconded by: Dr Vijay Zawar (LM/M/ 942), Dr Dinesh Kumar D(LM/ TN/5354), Dr Savitha A S (LM/KN/5761), Dr Kiran Godse(LM/M/701), Dr Jayadev Betkerur(LM/KN/2009), Dr Athota Kavitha(LM/AP/2676)

Is any one of the proposer members of CC?

Yes

Is it related to administrative/policy/constitutional (select one) OR I/we are not able to classify and accept ECs view –

Constitutional.

How will it help IADVL?

For the progress of any association including a dermatological one, a refreshing of the vision, mission and actionable is important to keep it pertinent with changing times, and also planning out the next few years. Such a strategic planning including the IADVL Leadership is rather important as IADVL completes 50 years and needs to look ahead.

If constitutional – will it replace existing clause? Or modify? Give detail of the clause – page no. and clause

Yes, mission and vision, Page 8.

Proposal:

As a part of the Presidential initiative of the Golden Jubilee Year 2022, a first-time team Strategic Planning for IADVL was taken up with members of IADVL EC 2022, Chairs and Conveners of all Committees with a Global Leadership Coach. There was intensive brainstorming. This was a two and a half hours discussion over 7 weeks to come out with freshened Mission, Vision, Values, Actionable for IADVL for next few years. A large number of the mentioned members participated enthusiastically with 2 breakout sessions. A draft has been prepared which has then been circulated to all IADVL members for suggestions'

suggestions have then been incorporated and the draft is ready to be adopted for future use. It is now being presented for mission and vision to be adopted.

We would like the mission and vision to be adopted as discussed.

VISION

► IADVL will continuously aspire to be a technologically adept role model of influence for its members & stakeholders in Dermatology through empowering knowledge, research, practice management and community awareness. Furthermore, IADVL shall ensure consistent internal stakeholder leadership-building endeavours and promote the cause of memberships through high quality services & opportunities, and liaison for influence in all aspects of Dermatology education & therapeutic skin care, thus achieving its overall strategic global leadership position through international collaboration.

MISSION

- IADVL shall endeavour as a knowledge pioneer to enable, educate, mentor & empower its members through authentic best-in-class speciality research.
- It will establish world-class standard-setting best Practices in Dermatology, Venereology and Leprology to help build competent, dignified, global, future-ready dermatologists.
- IADVL shall continuously strive to implement Dermatology specific policies & outcomes in collaboration, coordination & co-operation with the Government and national and international organisations, thus augmenting patient care while removing misinformation and social stigma associated with certain diseases.
- IADVL shall aim to evolve as a role model in community & stakeholders' empowerment while ensuring member welfare.

Do you think this needs referral to any specific committee?

This is a draft already made by all the IADVL Committees put together including EC and Constitution Committee. Sent to all members. And now to Constitution Committee.

Constitution committee opinion: This proposal can

IADVL NEWS

be taken up in CCM but the following comments are to be considered:

It is mentioned in the proposal that "This is a draft already made by all the IADVL Committees put together including EC and Constitution Committee." Though the Constitution committee Chairperson and Convener were invited to participate in the discussions on IADVL Strategic planning, the Constitution Committee was not part of the discussion in an official capacity in preparation of the draft of the document. Hence, the proposal has to go through the same process as per any proposal and the CCM/AGBM will have the authority to recommend/change the draft as per the views of the members.

2. Title of Proposal-IADVL Committees to be added to IADVL Standing Committees

Name of proposer/s-6(1+5) members (LM nos)

Proposer: Dr Rashmi Sarkar (LM/ND/1543),

Seconded by: Dr Vijay Zawar (LM/M/ 942), Dr Jayadev Betkerur(LM/KN/2009), Dr Dinesh Kumar D (LM/TN/5354), Dr Savitha A S (LM/KN/5761), Dr Kiran Godse(LM/M/701)

Is any one of the proposer members of CC?

Yes

Is it related to administrative/ policy/constitutional (select one) OR I/we are not able to classify and accept ECs view – Constitutional

How will it help IADVL?

There are certain committees in IADVL which do not appear as Standing Committees and stand the risk of being lost in continuity over the years. It is important to continue the good work of IADVL over the years.

If constitutional – will it replace existing clause? Or modify? Give detail of the clause –

page no. and clause no.No

Proposal:

It is proposed to adopt the Dermatalent Committee started in 2015 and IADVL Mentorship Committee started in 2014 and also IADVL Leadership Pipeline Committee in 2022, important in preparing future leadership in IADVL as standing committees in IADVL. All these are member centric and have received a very good response from members

Do you think this needs referral to any specific committee?

Constitution Committee

Constitution committee opinion: Proposal is as per the Constitution and can be taken up.

3. Title of Proposal – IADVL Strategic Planning and Development Committee

Name of proposer/s- 6(1+5) members (LM nos)

Dr Rashmi Sarkar (LM/ND/1543),

Seconded by: Dr Vijay Zawar (LM/M/ 942), Dr Jayadev Betkerur(LM/KN/2009),Dr Dinesh Kumar D(LM/TN/5354), Dr Savitha A S (LM/KN/5761), Dr Kiran Godse(LM/M/701),Dr Suresh Talwar(LM/UP/2329)

Is any one of the proposer members of CC?

Yes

Is it related to administrative/policy/constitutional (select one) OR I/we are not able to classify and accept ECs view – Constitutional.

How will it help IADVL?

Background: Currently decision-making process involves

1. EC with different committees
2. Central Council
3. AGBM
4. Referendum

Strategic planning development and implementation in the future based is to be based on present situation and past experiences needs continuity of thought and planning, to ensure effective development and implementation. Since term of office of EC and most committees is one-year (except Academy, Central Finance Committee and Constitution Committee) continuity is often lost, leading to arbitrary planning and haphazard implementation as can be noted by sudden introduction of new projects and also withdrawal of projects, many times in the past. Central Council ensures continuity, but is a large body and has tended to focus more on reacting to issues and overseeing committee. A large part of the CCM is taken up in committee reports with little discussion on strategic planning. Hence there is need for another body which will oversee planning for 3-4 years period. This idea is not new and has been discussed in the

past.

If constitutional – will it replace existing clause? Or modify? Give detail of the clause –

page no. and clause no.

No

Proposal:

We propose a strategic planning and development committee for better organization and continuity in IADVL. Members Ex-officio: Three Presidents including IPP and Elect; Secretary General; Treasurer; Current President or a Past President proposed by him/her will act as Chairperson and Secretary as convener. Current committee chairs and editors may be invited as guest members as and when the matter arises. Members: Presidents of ten previous years+ past secretary, past treasurer. This will mean every year one president will exit; every two years, one secretary and treasurer will exit. Two other past Presidents can be nominated by current President. The committee will meet three times a year: DERMACON, EC meeting and Central Council meeting or just preceding it; it will meet at least for 4 hours. Additional meeting may be arranged on web.

Tasks:1. Discuss a plan of action for next four years in any and all areas of interest to IADVL;

- a) Programs and activities including conferences, committee works, publications
- b) Financial management and investment planning
- c) Legal issues
- d) Governmental issues
- e) Welfare issues
- f) Office management
- g) International issues including international congresses
- h) Industry issues

The committee may form subcommittees in each of these areas. The committee will make recommendations to EC, CC and AGBM.

Do you think this needs referral to any specific committee?

Constitution committee

Constitution committee opinion: Proposal is as per the Constitution and can be taken up.

4. Title of Proposal – Conducting Central Council Meetings and AGBMs

Name of proposer/s-6(1+5) members(LM nos)

Proposer: Dr Rashmi Sarkar (LM/ND/1543),

Seconded by: Dr Vijay Zawar (LM/M/ 942),Dr Jayadev Betkerur(LM/KN/2009),Dr Dinesh Kumar D(LM/TN/5354), Dr Savitha A S (LM/KN/5761), Dr Athota Kavitha(LM/AP/2676)

Is any one of the proposer members of CC? Yes

Is it related to administrative/policy/constitutional (select one) OR I/we are not able to classify and accept ECs view – Constitutional

How will it help IADVL?

Currently a lot of time is being taken up in reading of committee reports, leaving little time for discussion of serious issues. This despite availability of other media for communication such as WhatsApp groups, emails and website.

If constitutional – will it replace existing clause? Or modify? Give detail of the clause –

page no. and clause no. No

Proposal:

We propose the following

1. All reports including Secretary and Treasurer, Academy reports will be sent prior through WhatsApp official groups, emails to members and placed on website, 2-3 times in the weeks prior to the CCM and AGBM. Proposals will follow their current system as defined in the constitution
2. During the meetings: Secretary will announce that all reports are placed and circulated and open discussion for any questions by members. There will not be any reading of the report. The committee chair and EC will reply to these questions. The committee chair/EC may then raise specific proposals issues which are of importance to seek approvals. However, this does not apply to Secretary and Treasurer report which will be presented in detail separately
3. Central council duration also needs to be better utilized; Friday EC, some committees and state branches meetings Saturday morning: committees and strategic development committee meeting Saturday afternoon to Sunday morning: central council meeting. Total at least 10 hours CA, Financial advisor and legal advisor will be invited

to meeting

Do you think this needs referral to any specific committee? Constitution committee

Constitution committee opinion: This can be taken up with one modification. Editor's report, finance committee report, constitution committee report (if any) should also be taken up specifically after Secretary's and Treasurer's reports. The procedure as mentioned in the proposal can be applied to all other committees.

5. Title of Proposal – Appointment of Administrative/Executive Director for running IADVL Office

Name of proposer/s-6(1+5) members (LM nos)

Proposer: Dr Rashmi Sarkar (LM/ND/1543),

Seconded by: Dr Vijay Zawar (LM//M/942), Dr Dinesh Kumar D (LM/TN/5354), Dr Savitha AS (LM/KN/5761), Dr Athota Kavitha (LM/AP/2676), Dr Kiran Godse (LM/M/701)

Is any one of the proposer members of CC? Yes

Is it related to administrative/policy/constitutional (select one) OR I/we are not able to classify and accept ECs view – Administrative/Financial.

How will it help IADVL?

It is important to have an Administrative Director to run IADVL office and help the IADVL President, Secretary and EC. This is because IADVL is now a 14000 strong member association and continuity and day to day running needs to be streamlined, not just depending on the passion and enthusiasm of the office bearers. We need to invest in our office staff.

If constitutional – will it replace existing clause? Or modify? Give detail of the clause –

page no. and clause no.

No

Proposal:

We propose the following

A search for an Administrative director should be started so that it can be implemented in the year of the next President IADVL. A working committee of President, President Elect, Immediate Past President, Secretary, Treasurer and three Past Presidents

nominated by President, Past Secretary, Treasurer can look into this and start the work.

A proposed budget of at least 25 lakhs a year is suggested as and when the work starts of the Staff.

Do you think this needs referral to any specific committee? Constitution committee

Constitution committee opinion: Proposal is as per the Constitution and can be taken up. But it also needs the approval of the Finance Committee particularly regarding the budget set aside for the administrative director. However, there is another proposal for appointing CEO (proposal 9)- so both proposals can be taken up together, with proper delineation of duties of each position

CFC OPINION:

- The responsibilities of the CEO / Executive Director over and above the duties of existing clerical and managerial staff needs to be clearly defined in the proposal.
- About the financial aspect, CFC feels the Amount proposed as salary is too high

6. Title of Proposal : Clinic Management software

Name of proposer/s-6(1+5) members (LM nos)

Proposer: Dr Vijay Zawar (LM/M/942),

Seconded by: Dr Rashmi Sarkar: (LM/ND/1543), Dr Dinesh Kumar Devaraj (LM/TN/5354), Dr Kiran Godse (LM/M/701), Dr Venkatram Mysore (LM/KN/3211) Dr Savitha AS (LM/K/5761)

Is any one of the proposer members of CC? –Yes, all.

Is it related to administrative/policy/constitutional (select one)

- Not sure OR I/we are not able to classify and accept ECs view
- Accept EC views

How will it help IADVL?

Majority dermatologists in India are independent practitioners and run their clinics. The introduction of software program will ease their day to day functioning and would save their time and energy.

If constitutional – will it replace existing clause? Or modify? Give detail of the clause – page no. and clause no.

Not yet included in the constitution.

Proposal:

To provide a Clinic Software to all members through IADVL. This software would be developed with inputs from IADVL Team and will be provided at subsidized rate to all Life members.

Do you think this needs referral to any specific committee?

Constitution Committee and CFC

Constitution committee opinion: This is an administrative matter

CFC OPINION

- CFC reserves its opinion as the financial details of the Clinic Management software are not included in the proposal

7. Title of Proposal: Anti-quackery activities

Name of proposer/s-6(1+5) members (LM nos)

Proposer: Dr Vijay Zawar (LM/M/942),

Seconded by: Dr Rashmi Sarkar (LM/ND/1543), Dr Dinesh Kumar Devaraj (LM/TN/5354) Dr Savitha AS (LM/KN/5761), Dr Koushik Lahiri (LM/WB/2503)

Is any one of the proposer members of CC?

-Yes

Is it related to administrative/policy/constitutional (select one)

-Administrative

OR I/we are not able to classify and accept ECs view

-If incorrectly classified, will accept EC views

How will it help IADVL?

- IADVL members today are facing a huge issue of quackery in dermatology practice. General public need education and identified quacks need reporting at appropriate authorities.

If constitutional – will it replace existing clause? Or modify? Give detail of the clause – page no. and clause no.

-No

Proposal:

To amplify patient awareness and educational activities regarding identification of a true qualified dermatologist who is a member of IADVL. To educate public on perils of Quackery.

Do you think this needs referral to any specific committee?

- ITAQ & Community Dermatology Committee maybe consulted for streamlining of activities.

Constitution committee opinion: The proposal is administrative and needs to be clarified properly; objectives and the proposal are not clearly defined.

8. Title of Proposal: DVL Trust compulsory registration along with membership application of life membership of IADVL

Name of proposer/s-6(1+5) members (LM nos)

Proposer: Dr Vijay Zawar (LM/M/942),

Seconded by: Dr Rashmi Sarkar (LM/ND/1543), Dr Dinesh Kumar Devaraj (LM/TN/5354), Dr Kiran Godse: (LM/M/701), Dr Vineet Relhan (LM/ND/3780) Dr Savitha AS (LM/KN/5761)

Is any one of the proposer members of CC?

Yes

Is it related to administrative/policy/constitutional (select one)

Yes, constitutional

Compulsory registration of DVL trust membership would help to increase members and it will benefit all

If constitutional – will it replace existing clause? Or modify? Give detail of the clause – page no. and clause no.

Yes.

Proposal:

Compulsory DVL Trust registration of all new LMs at the registration and also the at the time of PLM to LM conversion

Do you think this needs referral to any specific committee?

Constitution Committee.

Constitution committee opinion: This proposal can be taken up. Also needs the opinion of the Finance Committee.

9. Title of Proposal: Appointing CEO for IADVL office

Name of proposer/s-6(1+5) members (LM nos)

Proposer: Dr Vijay Zawar: (LM/M/942),

Seconded by: Dr Rashmi Sarkar: (LM/ND/1543)
Dr Dinesh Kumar Devaraj (LM/TN/5354), Dr

Is it related to administrative/policy/constitutional (select one)

- Yes, administrative

OR I/we are not able to classify and accept ECs view

- If incorrectly classified, will accept EC views.

How will it help IADVL?

- This would help the smooth functioning of IADVL presidential office. Certain administrative and other tasks could be handled by a CEO. This would ease work pressures on the President and the EC.

If constitutional – will it replace existing clause? Or modify? Give detail of the clause – page no. and clause no.

- Not yet.

Proposal: Appointing CEO for IADVL office

Do you think this needs referral to any specific committee?

- Constitution and Central Finance committee

Constitution committee opinion: This is an administrative matter. Please see the comment above on a similar proposal (proposal 5).

CFC OPINION:

- The responsibilities of the CEO / Executive Director over and above the duties of existing clerical and managerial staff needs to be clearly defined in the proposal.
- About the financial aspect, CFC feels the Amount proposed as salary is too high.

10. Title of Proposal Mandatory disclosure of all 'conflict of interest' by proposer

Name of proposer/s-6(1+5) members (LM nos)

Proposer: Dr Nayan Patel (LM/G/4300),

Seconded by: Dr Jitendra Modi (LM/G/452), Dr

Deepak Parikh (LM/G/517), Dr Rashmi Mahajan (LM/G/4667), Dr Nipul Vara(LM/G/3656)

Is any one of the proposer members of CC?

Dr Jitendra Modi, is CC member.

Is it related to administrative/policy/constitutional (select one) - Constitutional

How will it help IADVL?

Disclosure of conflict of interest by a member or group of members suggesting changes in IADVL policy/administrative/ constitution is must. This will make the administration of IADVL more transparent and synchronize with present time. This will further eliminate any possibility of corrupt practice by any member (which is highly unlikely but possible). This will put the onus of disclosing conflict on person or group of people suggesting changes rather than on ordinary member voting on proposal who may not have all the resources to know any such conflict.

If constitutional – Need change in constitution as deemed appropriate by constitution committee.

Proposal: Disclosure of conflict of interest by proposer must be made compulsory for all proposal submitted to IADVL by any members.

We live in era of transparency and honesty. IADVL being organization of highly qualified, educated scientific persons cannot emphasis less on need of transparency in its governance. Disclosure of any type of conflict, financial or personal, direct or indirect, actual or perceived is considered bare minimum standard of transparency worldwide. A member of IADVL submitting proposal for any change in policy/ administration/ constitution of IADVL may have relationship with proposal which may eventually benefit him financially, personally or academically. Proposal might not have been moved with motive of gain but any perception in member on later date of such conflict will seriously harm the reputation of administrative process of IADVL. Being an association of Dermatologist every member who is moving proposal must disclose all conflict of interest at the time of submission of proposal so members can take this into consideration while voting on proposal.

Do you think this needs referral to any specific committee?

Constitutional committee.

Constitution Committee opinion: The proposal should specify what exactly is the conflict and what are the specific conflicts to be declared.

11. Title of Proposal Life membership should not be given to Diploma CPS candidates .

Name of proposer/s-6(1+5) members (LM nos)

Proposer: Dr Ranjan Raval (LM/G/403)

Seconded by: Dr Jitendra Modi (LM/G/452), Dr Deepak Parikh (LM/G/517), Dr Rashmi Mahajan (LM/G/4667), Dr Nipul Vara (LM/G/3656), Dr Nayan Patel (LM/G/4300)

Is any one of the proposer members of CC? Dr Ranjan Raval, Dr Jitendra Modi, are CC members. Is it related to administrative/policy/constitutional (select one)
-Constitutional

How will it help IADVL?

Diploma degree in DVL awarded by college of physician and surgeon (CPS) is not recognized by national medical council. Time and again particular degree has come under scrutiny of various high court. As per the recent draft of NMC stating various rules and regulations for registered medical practitioner holder of above degree will not be qualified as specialist in dermatology.

If constitutional – will it replace existing clause? Or modify? Give detail of the clause – page no. and clause no. IADVL constitution: Page number: 9; Clause Number 4(a)

How will it help IADVL?

Some of the above proposers moved proposal related to same topic in AGBM of 2021. A committee was set up by IADVL to look into the matter. Despite of all the exercise much ambiguity remains regarding IADVL stance on life membership to diploma CPS candidate. IADVL cannot have separate rule for various state in India when it comes to giving life membership, neither IADVL can take a stance contrary to National Medical Commission when it comes to recognize particular degree equivalent to 'specialist'. With upcoming changes in rules suggested by NMC, anybody other than degree recognized by NMC will not be able to label himself as a specialist in particular field. Majority if not all of these courses are run by

standalone skin clinic and not by recognized medical colleges, how can IADVL treat person as specialist who has no formal training in recognized medical college post MBBS? When particular degree in non-existent in most of Indian states and awarded in huge number by one or few states, it can cause serious issues for status of IADVL as national organization. Multiple time high courts have made adverse remark for such degree. Proposers had previously also brought to the notice of association, serious irregularities in process adopted for passing such important constitutional amendment including serious conflict of interest of some of proposers.

Proposal: IADVL must stop giving life membership to CPS Diploma degree holder till absolute clarification by NMC is made regarding their status as specialist in Dermatology.

Do you think this needs referral to any specific committee?

As per constitutional committee discretion.

Constitution committee opinion: This is an existing issue under consideration of previous AGBM which directed EC to seek the opinion of the legal advisor. IADVL EC should refer the latest NMC draft to the legal advisor in addition to previous AGBM proposal and clarify the status of CPS issue and place the opinion.

12. Title of Proposal: A proposal to stop quackery in Dermatology

Name of proposer/s- 6(1+5) members (LM nos)

- Yes, administrative

OR I/we are not able to classify and accept ECs view

- **Do you think this needs referral to any specific committee?** As per constitutional committee discretion.

How will it help IADVL?

This proposal is made considering the increasing justifiable discontent and insecurity faced by several members of IADVL, especially the younger generation.

Proposal:

1. IADVL members can teach and train only Dermatologists and plastic surgeons to perform aesthetic techniques, lasers, injectables and other similar procedures.
2. IADVL members are strongly discouraged from imparting such training to any AYUSH physician/ BDS/MDS and MBBS degree holders (who have no formal training in basic dermatology) by way of any course or workshop (sponsored or not non-sponsored), CMEs, lectures etc.
3. An IADVL member may impart such training to an MBBS graduate only when the course/training program is organised by a NMC medical college/ institution with a stipulated curriculum or approved syllabus set by competent authorities such as NMC/ State Medical Council/NMC recognized Health University/ IADVL.
4. IADVL/ IADVL academy completely disapproves of any certificate signed/issued by any member to unqualified practitioners.
5. IADVL/ IADVL Academy discourages any activity of its members that directly/indirectly promotes or encourages any individual to indulge in an act that is considered tantamount to dermatological quackery.
6. We propose that a suitable punitive action be taken by IADVL against those found indulging in such activities.

Do you think this needs referral to any specific committee? Constitutional Committee.

Constitution committee opinion: This is an administrative issue. A query raised by the Constitution Committee was clarified by the proposers. Proposal can be taken up.

13. Title of Proposal: Converting the state share of IADVL Kerala from MIDDERMACON 2023 as contribution towards "CORPUS FUND for JSSTD"

Name of proposer/s:

Proposers: Dr Muhammed K. (LM/K/1206)

Seconded by: Dr. Sandeep Lal V. (LM/K/9640), Dr. Vinod V. Nair (LM/K/6199), Dr. Faizal M.M.(LM/K/4122), Dr. Binesh V.G.(LM/K/4236), Dr Sarin Abdul Salam (LM/K/5544)

Is any one of the proposer members of CC? Yes

Is it related to administrative/policy/constitutional (select one) OR I/we are not able to classify and accept: Policy

How will it help IADVL?

JSSTD is the official publication of IADVL Kerala which is published bi-annually. Publication is required in every stage while doing PG and thereafter. This journal provides a platform for members of IADVL to publish their articles. The amount received as a corpus fund would be solely used for the publication purpose. If constitutional – will it replace existing clauses? Or modify? Give detail of the clause –

Proposal:

A major share of IADVL Kerala's income is spent towards publishing of the JSSTD. General Body of IADVL Kerala has proposed formation of Corpus Fund for the same to ensure it's financial viability in long run. It has been proposed to include the income received from various conferences organised by IADVL Kerala at state and national level for the creation of this corpus fund.

As a follow up measure to that proposal, we hereby propose that –

The state share of IADVL Kerala from the conduct of MID DERMACON 2023 be converted into contribution towards "CORPUS FUND for JSSTD"

Do you think this needs referral to any specific committee? Yes, Financial and Constitutional Committee

Constitution committee opinion: This is an internal matter of IADVL Kerala and does not need approval from IADVL national body.

CFC OPINION:

- The transfer of the state shares of MIDDERMACON 2023 is according to an agreement already in place. Renaming of the transfer as a donation would be a clear violation of the agreement in place and could be seen as a Tax Evasion by Income authorities. Moreover, if agreeing to one state might set forth a precedence of similar demands from other states

Dermatopathology workshop cum CME, Gujarat Cancer Society Medical College Hospital and Research Centre, Ahmedabad on 29th May 2022.

Whole programme was organised by joint efforts of department of Dermatology and Pathology, GCSMCH&RC, under the aegis of IADVL-GSB and SIG Dermatopathology along with IADVL academy. Total 180 delegates across India registered for the programme and 170 delegates attended the programme.

Programme was started with a slide viewing session. Total 24 slides were displayed for viewing with clinical history, clinical photographs and histopathological photographs explaining the key features. Students were explained about various features of histopathology whenever in doubt during slide viewing session. Slide viewing session was highly appreciated by faculties as well as post-graduate students.

CME was started with a welcome note by Dr Ranjan Raval (HOD and Professor, Dept of Dermatology). This was followed by brief talk by Dr Sushil Suri (HOD and Professor, Dept of Pathology) and Dr Jagadish Sakhia (IADVL-GSB President) elaborating the importance of Dermatopathology. Dr Kinjal Rambhia very nicely narrated "The art of slide viewing" which covered all basic steps and cells pertaining to seeing a slide in Dermatopathology. Dr Hitesh Prajapati elaborated various special stains in Dermatopathology followed by a very informative talk on lichenoid dermatitis by Dr Anupama Dayal. Dr Krina Patel briefed about histopathological approach to alopecia emphasizing importance of duration of disease and biopsy findings. Histopathological approach to vasculitis was made easy to understand by Dr Ankit Bharti emphasizing the importance of what to look for and what to ignore. Dr Jigna Padhiyar briefly discussed the importance of few immunohistochemistry markers helpful in autoimmune and inflammatory dermatosis. This was followed by a very excellent talk on the utility of antigen mapping by Dr Meghna Phiske where she explained about the procedure in depth with its importance in epidermolysis bullosa.

The programme then included a post graduate corner where various students from all over Gujarat presented interesting cases with clinic-pathological correlation. This was followed by a mind-storming quiz which was conducted by Dr Nayan Patel. Total 15 teams registered for the same out of which four teams were selected after conducting a MCQ based preliminary round. A final round of quiz was conducted in which Dr Rutvi Pandya and Dr Tejasvi Patel won the first prize. Afterwards CME concluded by vote of thanks by organising scientific chairperson, Dr Jigna Padhiyar.

Many feedback was received for CME verbally as well as via electronic media appreciating the whole programme by attending delegates as well as faculties.

4. Blood donation camp 3rd June

Constitution Committee Report

Dr Venkataram Mysore
Chairperson, Constitution Committee

The Constitution committee found a few deviations in the election circular announced on 15th May 2022, from the latest version of the constitution. This was brought to the notice of the President, Hon. Secretary General and Election Officer for necessary action.

Dr Anuradha Kakkanatt Babu
Convener, Constitution Committee

A matter regarding the central council membership strength of states with less than 100 was referred to the constitution committee. The committee found that the Constitution specifies 5 central council members for the first 100 members and recommended this to be followed. However, the committee also

recommended the executive committee to bring a proposal on the grading of the number of central council members when total number of members is less than 100.

Amendment in the draft of the constitution was made to include the approved proposal (Referendum as a method of decision making for important and significant proposals) passed in the Combined CCM and AGBM, closing year 2021.

The constitution committee submitted the opinion on the midyear central council meeting proposals.

IADVL YUVA Cell

Dr. Rashmi Sharma
Chairperson

The IADVL YUVA Cell remained one of the most active committees in this year, led by Dr. Rashmi Sharma (Chairperson) and Dr. Indrashis Podder (Convener) and other enthusiastic members. We receive the able guidance, support and patronage from Honorary President Dr. Rashmi Sarkar, the dynamic secretary general Dr. Dinesh Kumar and all EC members.

Dr. Indrashis Podder
Convener

The YUVA cell gained immense popularity across the length and breadth of country, as reflected by a massive increase in its Facebook and Instagram followers. Several online programs were organized on different relevant practical dermatological aspects, which became a huge hit with all its followers. On 6th April, the YUVA cell shared an interactive video concerning tips to maintain a good and healthy skin, on the occasion of World Skin Health Day 2022. The video also generated awareness about consulting a board-certified Dermatologist for any skin issue. This video was widely appreciated by one and all, and shared multiple times across all social media platforms. Furthermore, Dr. Rashmi Sharma represented YUVA cell in an educational press-meet on this day, presided by the honorable IADVL President Dr. Rashmi Sarkar.

Besides all these virtual activities, the main highlight of this year was the YUVA Networking event- **IADVL YUVA Utsav 2022**, which was the 1st ever physical networking event organized by the youth, for the youth. This meet was held in New Delhi on 5th June, and was well attended by young Dermatologists, including the Dermatology residents as a part of NRCC committee. This event included 12 short talks by eminent dermatologists across the country and ample interactive sessions involving the faculty and

audience. This event became a huge success, and was attended by 100+ delegates physically and 750+ delegates virtually.

The IADVL Yuva cell also collaborated with other committees and participated in various activities on 25th June, to commemorate World Vitiligo Day. The YUVA cell members prepared scripts for street plays (*Nukkad Natak*) to generate awareness about vitiligo and reduce the associated stigma by busting various myths and misconceptions. These scripts were circulated all over India and hugely appreciated.

IADVL NRCC Committee

Dr. Dinesh Kumar Devaraj
Chairperson

Please find the progress report for IADVL- NRCC 2022 attached from 1st April to 15th July 2022:

1. The social media handles of IADVL- NRCC on Instagram and Facebook are being actively handled, with the target of up-scaling the posting on social media and increasing engagement. As of today, we have 1479 followers. At the start of this year, when the current committee assumed their role, we were just at 600.

2. A mnemonic competition was held on World Skin Health Day, 6th April 2022. We received a huge number of 64 entries.

3. World Vitiligo Day, video making competition was held on 25th June 2022. We received a total of 15 wonderful entries.

4. Social media series: We are the first team of NRCC to begin a social media series on things of relevance to the residents. We receive enormous support and participation from residents pan India for these series.

Dr. Soumya Sachdeva
Convener

We recently completed the Dermopath series of 12 posts.

Currently ongoing is the Crazy Conundrum series, A clinical vignette series. We have had explosive participation so we decided to have winners for every post.

We are proud to say every post of the series has received more than 50-60 comments and likes.

5. IADVL YUVA meet: On 5th June 2022, the first ever IADVL YUVA UTSAV networking event was held at Le Meridien, New Delhi. IADVL EC and YUVA CELL organised a one-of-a-kind event, especially for young budding dermatologists to meet and greet each other and learn vital aspects of life after Dermatology Residency, from the experts of the field. The NRCC session kickstarted with an introductory session by Convener Dr Soumya Sachdeva and a trip down memory lane as to the inception of NRCC. Followed by extremely helpful and insightful talks on various fellowships and scholarships, academic guidance and the panel Discussion about various challenges faced by residents. This in turn was followed by a powerful and visionary message by Dr Rashmi Sarkar ma'am. The session concluded with insights about the future plans of NRCC.

IADVL Media Cell

Dr. Rasya Dixit
Chairperson

Dr. Aseem Sharma
Convener

The IADVL Media Cell 2022 was constituted at DERMACON 2022, Jaipur on 6th of February 2022 with the responsibility of following the directions and guidelines of IADVL National Executive and to effectively use the various platforms (Print & digital media) to create awareness amongst the public about the functioning and activities of the IADVL (with special mention of Golden Jubilee celebration of IADVL).

Following are the members of IADVL Media Cell:

Chairperson: Dr Rasya Dixit
Convener: Dr Aseem Sharma

Adviser: Dr Anil Abraham

EC Coordinator: Dr Indrani Dey

The committee has been very active with creatives on both the member and skin pages on Instagram and a dedicated page on Facebook (Sharing 2-3 representative photos regards the same)

Our cell objectives remain the same:

- o To do community awareness
- o To bring IADVL members together in one media platform
- o To organise programme to emphasis on the goodness of IADVL
- o To Liaise with other committees
- o To start awareness work on anti quackery
- o Monthly awareness programme with different theme every month, to engage more young dermatologists, to start insta and FB Live programme and to hold one day CME on how to harness social media as a dermat.

As per the first meeting with Hon President, Dr Rashmi Sarkar, the following is being maintained.

- Golden Jubilee : 50 Videos on different topics
- Golden Jubilee Podcast (Academic & Non Academic) are underway
- Meet the President – 1st done
- To use Print media for anti quackery awareness programme
- To liaise with IADVL Academy

- All Media cell post must be approved by the IADVL EC

- To create awareness and educational post
We all discussed all the above points and concluded with unanimous agreement on the above points.

The Dermacon videos are in full swing. And the Golden Jubilee Video is being prepared with the idea of showcasing what each active Committee has done in the past 6 months.

Vitiligo Day was observed in a huge way, by focusing on Patient Testimonials – People living with Vitiligo and braving all odds. This was specifically done by Media Cell, in conjunction with the Yuva, Community Derma and GJ committees.

Media cell is committed to Presidential dream project. We started Golden jubilee Podcasts.

- For creatives IADVL page, the following have been posted

This quarter has been fruitful for Team PMC. We have been able to conduct 2 symposium so far under the aegis of EC IADVL 2022

- **PMC SYMPOSIUM ALONG WITH MID CUTICON MADHYA PRADESH**

Under the guidance of IADVL President Dr Rashmi Sarkar and Respected EC, we have successfully conducted a symposium on APRIL 10th 2022, at Taj, Bhopal. This was combined with MIDCUTICON of IADVL MADHYA PRADESH. The chief guest for the event was Dr Rashmi Sarkar. IADVL MP President Dr Anurag Tiwari has to be given due

credits for the success of this event.

- **PMC SYMPOSIUM ALONG WITH SIG TRICHOLOGY AND IADVL KARNATAKA**

We have been able to successfully conduct 2nd SYMPOSIUM on JULY 10th 2022, at Deepa Comforts, Mangalore under the able guidance of IADVL KARNATAKA along with SIG Trichology. National and local faculties were invited. This event was presided by IADVL KN President Dr. Ravi Rathod and IADVL KN Hon. Secretary Dr. Jayanth DP. A hall full of delegates, leading faculties with their knowledgeable and crisp talks, was one of a kind, one day academic extravaganza.

In this quarter, we are also planning on our future Symposium and working towards the same.

IADVL NABH Committee

Dr. Suresh Talwar
Chairperson

NABH accreditation for Dermatology clinics for IADVL Presidential project 2022 was initiated as it was found that NABH Certification is advantageous due to the following reasons -

- To maintain the highest standards of patient care in sync with national and international standards

- Ensure efficiency due to staff training during accreditation

- Ensures compliance of safety standards

- Reassures patients about quality adherence at the Dermatology Clinic

Dr Richa Sharma
Convenor

- Accredited clinics have an edge over non-accredited ones
- Important in fighting quackery
- Health care facilities accredited by NABH are more trusted by the public and health professionals alike to maintain high standards of care.

IADVL in liaison with NABH formed a 15 member Focus group to formulate "Dermatology Clinics Standards for Accreditation" to facilitate standalone clinics of IADVL members to obtain accreditation in a simple and easy to understand method.

Following are the pertinent results of the IADVL – NABH collaboration -

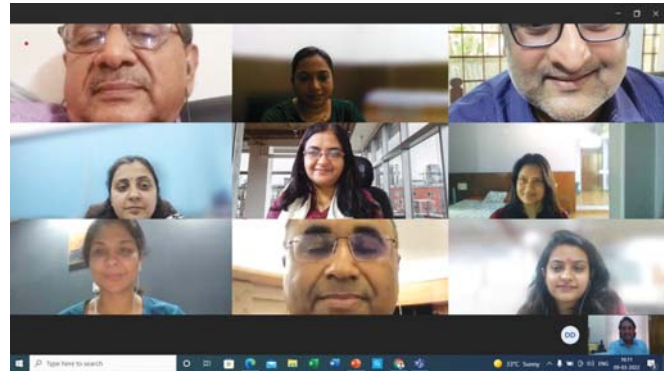

- Definition of Dermatology Stand alone Clinic and

Dermatology Day Care Centre was confirmed

- Scope of the above, required qualifications and credentials of dermatologists was defined
- Will be launched as a Certification Programme
- Minimal Fees will be charged (to be decided)
- Training of assessors will be as per NABH policy

The standards specific for Dermatology clinic, online application form with required documents, scope of services and formalities at secretariat's end have been done. The online application form and its integration in the portal is under process.

Pilot Certification Programme has been initiated to identify and iron out any glitches and it will be soon belunched for all Dermatology Clinics in India.

The Guruderma program received an overwhelming response with over 122 mentee applications. After the due selection process the program commenced in April with an orientation and sensitization workshop for our esteemed mentors with global leadership coach, Mr. Niket Karajgi. The mentees also underwent an orientation session with our President, Dr. Rashmi Sarkar and the IADVL mentorship committee. Sessions between the mentors and their respective mentees commenced after that. A rough road map for the same was provided with sessions ranging from meet and greet, clinical discussions,

case scenarios, work life balance, academics, practice management and how to publish. The online sessions were organized on a virtual platform provided by IADVL, with the mentors and mentees mutually deciding the dates of their sessions. A coordinator from the IADVL mentorship committee was also assigned to every mentor-mentee group.

Many mentors and their mentees have now finished this virtual program after completion of six online sessions. The mentees were also given an opportunity to attend interactive sessions with international speakers in collaboration with the IADVL leadership pipeline committee. On Guru purnima an artistic poster with all our pool one mentors was made as a token of gratitude for their dedication towards teaching and this novel initiative. Many mentees came forward with their poems and posters as a mark of respect towards their Gurus. The mentors and mentees have been encouraged to submit their feedback regarding the program. E-certificates have been awarded to the mentor and mentees who have successfully completed this virtual mentorship program. We hope that with the completion of this unique program, the Guru-Shishyas have embarked on a life long journey of learning, knowledge sharing and growth.

ITATSA Report

Dr. Arijit Coondoo
Chairperson

Team ITATSA 2022 actively participated in World Skin Health Day celebrations. The members created posters to create awareness about Topical steroid abuse and these were circulated amongst the general public and on social media platforms.

Dr. Manish Gautam

Dr. D. Sudha Vani

I have been in this profession for 25 years with several accolades and awards and graduated from Kurnool Medical College with a postgraduate degree from Gandhi Medical College. I am an experienced research professional who is an educator first, and a doctor next. As Associate Professor, I take pride in teaching the next generation of doctors at the prestigious Osmania Medical College, Hyderabad. I have been involved in cutting-edge research in the field of Dermatology, with over 35 publications in reputed medical journals, nationally and internationally. I delivered various guest lectures at national and international conferences. I am one of the founders of the Hyderabad Women's Dermatology Forum, an organization which aims to bring together women dermatologists to share knowledge and to focus on women dermatologists' issues. I served as Joint Secretary of Telangana branch of IADVL, 2020.

I am a member of many prestigious Dermatology Associations including the American Academy and the European Academy. With a rich experience of learning

from various national and international faculty, I would like to make IADVL a truly global organization. I would like to contribute my efforts to our Association which was built on a strong foundation of expertise and competence.

Mutual benefit scheme of IADVL – The DVL Welfare trust

Introduction: IADVL has launched a mutual benefit scheme coupled with professional legal protection in 2011 and named it DVL welfare trust. It is one of the important financial benefit scheme aimed at securing financial security for the family members of our association. The Executive committee of IADVL urges all its members to join this mutual benefit scheme to make it a successful initiative of IADVL. The details of this welfare scheme are as follows: DERMATOLOGISTS VENEREOLOGISTS & LEPROLOGISTS WELFARE TRUST (DVL trust) has been established for the benefit of members of IADVL. The trust has been registered at Vadodara. DVL Welfare Trust is by IADVL, of IADVL and for IADVL ites”.

Aims and objectives of the scheme:

- 1) To provide financial assistance to the family of a member of this scheme in the event of his/her death.
- 2) To inculcate a habit of savings among the members for their mutual benefit.
- 3) An option to provide comprehensive indemnity cover in the event of litigant situations arising out of alleged professional negligence by the members.
- 4) To educate the members, including clinic staff, to prevent any litigant situation and to guide them, how to deal with it in the event of such a situation.

Eligibility of the members: Any life member of IADVL, irrespective of age is eligible to become a Regular Member of the scheme. Family members of Life members of IADVL can also join the scheme as Beneficiary Members. Please note that separate forms need to be filled for each member of a family.

Total Amount Payable at the time of admission:

1. Admission Fees (as per age –given below).
2. Annual Membership Fees Rs. 750. (for the year 2020-2021) Increment of Rs.50/- every year.
3. Advance Fraternity Contribution (AFC) Rs.2000 (Rs Two thousand only) a minimum amount kept with DVL trust towards members future fraternity contributions.

Optional amount to be payable at admission: Member can deposit additional amount of his choice as deposit for future annual contribution. The 4% interest will be credited on deposit amount.

Details of one time Admission fees: The Admission Fees payable shall be based on age in years of the proposed member or their family member who likes to join the scheme, as follows:

a) Upto the age of 10 Years	Rs. 1,000
b) 11 of 20 Years	Rs. 1500
c) 21 of 30 Years	Rs. 2000

e) 41 of 50 Years	Rs. 4000
f) 51 of 60 Years	Rs. 5000
g) 61 of 70 Years	Rs. 7000
h) above 70 Years	Rs. 8000

Optional Legal fees for professional indemnity For life members of IADVL who volunteer to have professional legal cover, this option is available. However, they necessarily have to be members of DVL trust as well. Annual legal fee is based as per type of Dermatology practice: a) The Consultant with only office practice will have to pay Rs. 1000/- per year; (B) The consultant with practice of cosmetic, laser & other Dermato surgical procedures will have to pay Rs. 3000/- per year; to cover these procedural events or litigations. The indemnity coverage will be Rs. 7,00,000 (Rupees seven lakhs) per case and Rs. 15,00,000 (Rupees Fifteen lakhs only) aggregate per year.

Member's annual contribution: [a] Annual membership fee of Rs. 750/- (with increment of Rs. 50/- every year). and [b] Fraternity contribution Rs. 500 x N, where N = No. of Death of members) .Plus, Optional professional indemnity annual legal fees, to be paid by those members who opted for professional indemnity.

Benefits for IADVL members of DVL trust: 1) Social security to family members: Note: Financial benefits will start after ONE year of joining the scheme. Nominee will get Rs. 450 x N, where N = No. of members of DVL trust. In other words, when more IADVL members join this scheme, more fraternity benefit for members families. 2). Professional legal protection, when applicable, for those members opting for it: Legal help is extended in all types of cases like civil, criminal, labour & consumer redressal fora.

Please note that DVL trust welfare Scheme is new ongoing scheme initiated by IADVL for the benefit of its members. Periodic modifications and improvements in the scheme to make it more member friendly are expected to take place from time to time.

Dr. Devi Priya (LM/TN/7204) (18 April 2022) Dr. Devi Priya, a young and passionate, and knowledgeable Dermatologist, leaves us today (17.04.2022) for the heavenly abode. Such a young demise, a loss unbearable for the family, a treasure lost for our fraternity. She is the daughter of the renowned Physician and Professor, Dr. S.C. Bose, Thanjavur Medical College. She did her MBBS from RMMCH, Chidambaram, 2004 batch. She joined Madras Medical College in 2011 where she did her DDVL. She completed her course in 2013 and secured a Gold Medal and Best Outgoing Student of her Batch. She then worked in AKJN Skin & Laser Clinic in Tirunelveli and later began her practice in Dermatology and Aesthetics passionately in Soorya Hospital & Vijaya Hospital in Chennai. She succumbed to her malignancy after putting up a brave and long fight for 2 years.

Dr. Apoorva Manjunath (LM/KN/9433)(23 may 2022)Dr. Apoorva studied at JJMMC, Davangere. She was practicing in Bengaluru and had worked under two senior dermatologists too.Currently she was working at Dayanand Sagar Medical College. She is from Davangere and had shifted to Bangalore a few years back.She was well known for her kind, friendly and helpful nature and had an excellent academic and professional track record in dermatology. Her father was a professor of community medicine at Davangere.

Dr. P. U. Ashokan (82)(25 May 2022) (LM/K/1288) former Professor in the Department of Dermatology at Thrissur Medical College.He was one of the pioneer members of IADVL Kerala and an excellent teacher.

Dr. Rasik G Valia (LM/M/832) on 15 June 2022.He started his career at Seth GS Medical College and KEM Hospital, working closely with Dr VR Mehta. He was a revered teacher, having started the department of Dermatology at KJ Somaiya Medical College and Hospital, Mumbai and served as Professor and Head of a Lokmanya Tilak Medical College and Hospital, Sion, Mumbai, and in turn, was a teacher to many luminaries in the field of Indian Dermatology.He was the past National President of IADVL, a Prof KC Kandhari awardee, former Chairman of the constitution committee and held many other executive roles throughout his tenure.He was a pioneer in the field of Dermatology, having played a major role in conceptualizing and releasing the IADVL Textbook for postgraduates, a staple for postgraduates now. IADVL has lost a great teacher, academician, and a thorough gentleman.

Dr. HV Desai (LM/KN/1847)(16 JUNE 2022), the most Senior dermatologist of the Hubli- Dharwad region. He was 84 years of age.Dr. Desai did his MBBS degree from the prestigious Kasturba medical college, Manipal. After graduation, he worked as a lecturer in the Department of P&SM, KMC, Hubli from June 1966 to 1967 Then he worked as an assistant surgeon cum health officer from June 1967 to August 1969. He did his post-graduation in dermatology and venereology at KMC Hubli.Then he worked as an honorary assistant medical officer from 1970 to 1971 and as a medical officer from 1974 to 1975 in KIMS, Hubli. Dr. Desai was a popular dermatologist and a father figure to many young dermatologists.

Dr. T. J. Jaisankar (LM/PON/1751), Senior Professor, JIPMER, Puducherry. His unceasing association with JIPMER started in 1979, as a MBBS graduate which continued until he breathed his last while on service as a Senior professor of Dermatology on the 23rd of June 2022 (61 years). He was an embodiment of kindness, humbleness, and forthrightness who reached out to all and won the hearts of many. Though a man of few words, he was very strong in his convictions. He was a profound out of box thinker with a vast knowledge and a great sense of humor. Being a passionate teacher with an exceptional memory, he was loved by all his students. A philanthropist by nature, he had led a simple and selfless life. He had devoted his life and energy in noble service while he breathed and provided many with the "gift of life" by his blood donations and the "gift of education" by donating his earnings. In true sense of his devotion to JIPMER, he had bequeathed his mortal remains as a real way to support medical science that impact the lives of future generations, and thus giving value to the advancement of science. He has left permanent footprints in all those who were closely associated with him, while the absence of his presence will be felt by so many.

Dr. Amulya Bhusan Gupta LM/WB/2373 (29 JUNE 2022) Our Prayers, On behalf of IADVL, we would like to convey our deepest and heartfelt condolence to his bereaved family and we pray to the Almighty that his departed soul may rest in eternal peace.

1. **IADVL -NABH collaboration for Certification of Dermatology Stand alone Clinics: The IADVL NABH Taskforce** of 16 IADVL Members for Certification/ Accreditation of Dermatology Clinics held online internal meetings as well as with NABH CEO on 12 March 2022 and few more over next few months. It has already held about 5 meeting between 2021- 22 to brainstorm preparation of guidelines which are Clinic SOPs and safety guidelines for Dermatology Stand alone clinics which are not present as yet. The first draft for guidelines of Certification of Dermatology Clinics was presented by NABH which had been prepared after Intense discussion by Taskforce. Intense brainstorming by the Committee led to revisions in the Definition and Scope of Dermatology Clinics as well as list of aesthetic and Dermatosurgery Procedures. The Chair and Convener are Dr Suresh Talwar and Dr Richa Sharma.

Following are the pertinent results of the IADVL – NABH collaboration -

- Definition of Dermatology Stand alone Clinic and Dermatology Day Care Centre was confirmed
- Scope of the above, required qualifications and credentials of dermatologists was defined
- Will be launched as a Certification Programme
- Minimal Fees will be charged (to be decided)
- Training of assessors will be as per NABH policy

The standards specific for Dermatology clinic, online application form with required documents, scope of services and formalities at secretariat's end have been done. The online application form and its integration in the portal is under process.

Pilot Certification Programme has been initiated to identify and iron out any glitches and it will be soon be launched for all Dermatology Clinics in India.

2. **IADVL Guruderma Mentorship Program:** is a novel Mentorship program between senior and junior dermatologists which provides an ideal opportunity to interact closely and virtually with the mentor and to work on fields of mutual interest for the mentees.
